BACKGROUND

Since the mid-19th century, numerous laws relating to the organization and management of the National Park System by the National Park Service have been enacted. The Service also is responsible for carrying out the Historic Sites, Buildings, and Antiquities Act, the National Historic Preservation Act, and other laws relating to protecting and preserving sites that illustrate America's history. These laws have been classified as part of title 16, United States Code, "Conservation", but are classified throughout title 16 rather than being in one distinct place in the title. Furthermore, as laws relating to the National Park System are amended and new laws are enacted that relate closely to these laws, the Code classifications have become cumbersome to use.

The bill gathers provisions relating to the National Park System and restates these provisions as a new positive law title of the United States Code. The new positive law title replaces the former provisions, which are repealed by the bill.

The bill was prepared by the Office of the Law Revision Counsel as part of the Office's ongoing responsibility under section 205(c) of House Resolution No. 988, 93d Congress, as enacted into law by Public Law 93-554 (2 U.S.C. 285b), "[t]o prepare, and submit to the Committee on the Judiciary one title at a time, a complete compilation, restatement, and revision of the general and permanent laws of the United States".

CONFORMITY WITH ORIGINAL INTENT

The bill was prepared in accordance with the standard for codification legislation set forth in section 205(c)(1) of House Resolution No. 988, 93d Congress, as enacted into law by Public Law 93-554

(2 U.S.C. 285b(1)), which provides that the restatement of existing law shall conform to “the understood policy, intent, and purpose of the Congress in the original enactments, with such amendments and corrections as will remove ambiguities, contradictions, and other imperfections”.

In restating existing law, the bill consolidates various provisions that have been enacted separately over a period of many years. To restate these various provisions as a cohesive unit, it is necessary to make changes in organization, style, and terminology. In addition, the bill eliminates obsolete language and corrects errors in the law. The changes in existing law made by the bill are purely technical in nature and do not impair the precedential value of earlier judicial decisions or other interpretations.

The following authorities are relevant to an interpretation of the general intent of codification legislation:

DISPOSITION TABLE

The table below shows a disposition for each section of the United States Code affected by the bill. In addition, with respect to provisions of law set out as notes in the United States Code, the table shows a disposition for each provision repealed by the bill.

Where the disposition column shows a title 54 citation, it means the provision of law classified to the former United States Code

section is being restated and reenacted as part of title 54 by section 3 of the bill. The provision is also included in the Schedule of Laws Repealed in section 7 of the bill.

Where the disposition column shows “Repealed . . .”, it means the provision of law classified to the former United States Code section is being repealed by section 7 of the bill, without being restated and reenacted as part of title 54.

Where the disposition column shows “Not repealed but omitted from the text of title 54”, it means the provision of law classified to the former United States Code section is not being repealed or restated and reenacted as part of title 54 by the bill. After enactment of the bill, the Law Revision Counsel will determine whether the provision is to be editorially eliminated from the United States Code or reclassified to a new section or note. In any case, the provision will remain in force.

STANDARD CHANGES

References to the Committee on Resources of the House of Representatives are changed to refer to the Committee on Natural Resources of the House of Representatives on authority of Rule X(1)(l) of the Rules of the House of Representatives, adopted by House Resolution No. 6 (110th Congress, January 5, 2007).

Where the words “Committee on Natural Resources” previously were treated as referring to the Committee on Resources of the House of Representatives by section 1(a) of Public Law 104–14 (2 U.S.C. prec. 21), the words “Committee on Natural Resources” are retained on authority of Rule X(1)(l) of the Rules of the House of Representatives, adopted by House Resolution No. 6 (110th Congress, January 5, 2007).

The word “shall” is substituted for “is authorized and directed to” to eliminate unnecessary words, for clarity, and for consistency in the title.

The word “may” is substituted for “is authorized to”, “is empowered to”, or words of like import to eliminate unnecessary words, for clarity, and for consistency in the title.

The words “in his discretion” or words of like import modifying the word “may” are omitted as unnecessary.

The word “includes” is substituted for “includes, but is not limited to” or words of like import to eliminate unnecessary words, for clarity, and for consistency in the title, because “includes” is used only in the sense of inclusion and not in any sense of exclusion.

The word “ensure” is substituted for “assure” or “insure” as necessary for consistency in the title.

The word “such” is replaced, where appropriate, by “the” or “that” or by the term to which it refers for clarity, for consistency in the title, and to conform to standard English usage.

The word “that” is substituted for “which” where used as a relative pronoun for consistency in the title and to conform to standard English usage.

The word “regulation” is substituted for “rule” where used to mean “regulation” for consistency in the title.

The word “regulations” is substituted for “rules and regulations” or words of like import, except where the word “rule” is intended to mean something other than a regulation, to eliminate unnecessary words.

The word “person” is substituted for “person, corporation, or company” or words of like import to eliminate unnecessary words. See 1 U.S.C. 1.

The word “consider” is substituted for “deem” except where it is used to express a legal fiction, for consistency in the title.

Definitions of the term “Secretary” are omitted as unnecessary because of the definition of that term in 54 U.S.C. 1001.02.

The words “acting through the National Park Service” or words of like import are omitted as unnecessary because the Service administers all System units by statute and the Secretary cannot take away that authority.

ADMINISTRATION**

CHAPTER 1001—GENERAL PROVISIONS

- Sec.
1001.01. Findings and purpose.
1001.02. Definitions.

SECTION 1001.01

| <i>Revised Section</i> | <i>Source (U.S. Code)</i> | <i>Source (Statutes at Large)</i> |
|------------------------|---------------------------|---|
| 1001.01 | 16 U.S.C. 1a-1 | Pub. L. 91-383, § 1, Aug. 18, 1970, 84 Stat. 825; Pub. L. 95-250, title I, § 101(b), Mar. 27, 1978, 92 Stat. 166. |

In subsection (a)(4), the words “this section and sections 1005.01 and 1009.11 of this title” are substituted for “this Act” for clarity. The purpose of the Act of August 18, 1970 (known as the National Park System General Authorities Act) (Public Law 91-383, 84 Stat. 825), was to update and clarify the law with respect to the various units of the National Park System by enlarging the application of existing general statutes so that they apply uniformly to the administration of the various types of parklands within the national park system. See H. Rept. 91-1265 (91st Cong., 2d Sess.). However, section 2(b) of that Act, rather than being enacted as a new provision of law, amended section 2 of the Act of August 8, 1953 (ch. 384, 67 Stat. 496), and would not be included in the reference to “this Act” in section 1 of the Act of August 18, 1970. The revised subsection translates the reference to “this Act” to carry out the intent of the Act of August 18, 1970.

SECTION 1001.02

| <i>Revised Section</i> | <i>Source (U.S. Code)</i> | <i>Source (Statutes at Large)</i> |
|------------------------|---------------------------|-----------------------------------|
| 1001.02 | no source. | |

The term “System unit” is added because various laws relating to the National Park Service apply to any area of land or water administered by the Secretary through the Service regardless of the terms used in those laws. See section 1005.01 of the revised title.

**CHAPTER 1003—ESTABLISHMENT, DIRECTORS, AND
OTHER EMPLOYEES**

- Sec.
1003.01. Establishment and purpose.
1003.02. Directors and other employees.
1003.03. Effect on other laws.

| 1003.01(b) | 16 U.S.C. 1 (last sentence) | |

In subsection (b), the word “Secretary” is substituted for “service thus established” to reflect the transfer of functions of other officers, employees, and agencies of the Department of the Interior to the Secretary by sections 1 and 2 of Reorganization Plan No. 3 of 1950 (5 U.S.C. App.).

| 1003.02(c) | 16 U.S.C. 1 (5th sentence) | |

In subsection (a)(3), the words “of the Hot Springs Reservation in the State of Arkansas” [changed to “Hot Springs National Park” because of section 1 of the Act of March 4, 1921 (ch. 161, 41 Stat. 1407)] in section 2 of the Act of August 25, 1916 (known as the National Park Service Organic Act) (ch. 408, 39 Stat. 535) are omitted as unnecessary.

The text of subsection (c) is substituted for the 5th sentence of section 1 of the Act of August 25, 1916 (known as the National Park Service Organic Act) (ch. 408, 39 Stat. 535), to eliminate unnecessary words and because the pay of employees is fixed pursuant to chapter 51 and subchapter III of chapter 53 of title 5.
