CHAPTER 709

AN ACT

July 12, 1952
[H. R. 8170]

Relating to burley tobacco farm acreage allotments under the Agricultural Adjustment Act of 1938, as amended.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, notwithstanding any other provision of law, the farm acreage allotment for burley tobacco for any year shall not be less than the smallest of (1) the allotment established for the farm for the immediately preceding year, (2) seven-tenths of an acre, or (3) 25 per centum of the cropland: *Provided, however,* That no allotment of one acre or less shall be reduced more than one-tenth of an acre in any one year. The additional acreage required under this Act shall be in addition to the State acreage allotments and the production on such acreage shall be in addition to the national marketing quota. This provision shall be effective for 1953 and subsequent crops.

Approved July 12, 1952.
