

SEC. 3. Since the construction of New York Avenue extended is to provide connections between the District of Columbia and the Federal highway system, the entire cost of the construction and maintenance of the grade-separation structure referred to in the preceding sections of this Act shall be borne by the District of Columbia, out of funds authorized to be appropriated by this Act and any other funds available to the District, and no contribution to such cost of construction and maintenance shall be required of any railroad whose right-of-way is crossed by such structure, except as provided in section 4 of this Act. The grade-separation structure for which appropriation is hereby authorized shall be designed, constructed, and maintained so as not to interfere with the safe and efficient operation of any railroad whose right-of-way is crossed by the structure.

SEC. 4. When the District of Columbia has acquired, by purchase, condemnation, dedication, gift, or any other means, the right to use as a public thoroughfare the portions of New York Avenue extended adjoining the right-of-way of a railroad company, such railroad company shall dedicate as a public thoroughfare the portion of such street which lies within the right-of-way belonging to such railroad company: *Provided*, That such dedication by the railroad shall not impair or affect the right of the railroad to use for railroad purposes the portion of its right-of-way so dedicated.
