TITLE V

GENERAL PROVISIONS

SEC. 501. The Secretaries of the Army, Navy, and Air Force are respectively authorized to proceed with the establishment or development of military and naval installations and facilities as authorized by titles I, II, and III of this Act, and the Director of Central Intelligence is authorized to proceed with the establishment of a Central Intelligence Agency Headquarters Installation as authorized by title IV of this Act, without regard to the provisions of sections 1136, 3648, and 3734, as respectively amended, of the Revised Statutes, and prior to approval of title to underlying land, as provided by section 355, as amended, of the Revised Statutes. The authority under this Act of the Secretary of a military department to provide family housing includes authority to acquire such land as the Secretary concerned determines, with the approval of the Secretary of Defense, to be necessary in connection therewith. The authority to establish or

Acquisition of land, etc.

develop such installations and facilities shall include, in respect of those installations and facilities as to which family housing or the acquisition of land is specified in titles I, II, III, and IV of this Act, authority to make surveys and to acquire lands and rights and interests thereto or therein, including the temporary use thereof, by donation, purchase, exchange of Government-owned lands, or otherwise, and to place permanent or temporary improvements thereon whether such lands are held in fee or under lease or under other temporary tenure.

Appropriations
authorized.

SEC. 502. There are hereby authorized to be appropriated such sums of money as may be necessary to accomplish the purposes of this Act, but not to exceed—

Post, p. 453.

(1) for public works authorized by title I: Inside continental United States, \$224,927,000; outside continental United States, \$74,984,000; section 102, \$223,993,000; section 103, \$10,000,000; or a total of \$533,904,000;

Post, p. 453.

(2) for public works authorized by title II: Inside continental United States, \$299,690,600; outside continental United States, \$107,191,300; section 202, \$151,342,400; section 203, \$6,000,000; or a total of \$564,224,300;

Post, p. 454.

(3) for public works authorized by title III: Inside continental United States, \$743,989,000; outside continental United States, \$458,563,000; section 302, \$5,000,000; section 303, \$350,000; or a total of \$1,207,902,000; and

Post, p. 453.

(4) for public works authorized by title IV: \$54,500,000.

Cost variations.

SEC. 503. Any of the approximate costs enumerated in titles I, II, and III of this Act may, in the discretion of the Secretary concerned, be varied upward by 5 per centum in the case of projects within the continental United States, and 10 per centum in the case of projects outside the continental United States, but the total cost of all projects so enumerated under each of such titles shall not exceed the total of all amounts specified in respect of projects in such title.

Incidental expenses.

SEC. 504. Appropriations made to carry out the purposes of this Act shall be available for expenses incident to construction, including surveys, administration, overhead, planning, and supervision.

Contracts.

SEC. 505. Whenever—

65 Stat. 700.
41 USC 153, 254.

(a) the President determines that compliance with the requirements of Public Law 245, Eighty-second Congress, in the case of contracts made pursuant to this Act with respect to the establishment or development of military installations and facilities in foreign countries would interfere with the carrying out of the provisions of this Act; and

(b) the Secretary of Defense and the Comptroller General have agreed upon alternative methods for conducting an adequate audit of such contracts, the President is authorized to exempt such contracts from the requirements of Public Law 245, Eighty-second Congress.

62 Stat. 21.
41 USC 151 note.

SEC. 506. All contracts entered into by the United States pursuant to the authorization contained in this Act shall be awarded, so far as practicable, if the interest of the national security shall not be impaired thereby and if such award is consistent with the provision of the Armed Services Procurement Act of 1947, on a competitive basis to the lowest responsible bidder.

Family housing.
Use of foreign
currencies.

68 Stat. 1125.
5 USC 1712-1.

SEC. 507. Section 407 of Public Law 765, Eighty-third Congress, is amended to read as follows:

"SEC. 407. In addition to family housing otherwise authorized to be constructed or acquired by the Department of Defense, the Secretary of Defense is authorized, subject to the approval of the Director of the Bureau of the Budget, to construct, or acquire by lease or otherwise, family housing for occupancy as public quarters in foreign countries

through housing projects which utilize foreign currencies to a value not in excess of \$100,000,000 acquired pursuant to the provisions of the Agricultural Trade Development and Assistance Act of 1954 (Public Law 480, Eighty-third Congress) or through other commodity transactions of the Commodity Credit Corporation.

"The Department of Defense shall pay the Commodity Credit Corporation, from appropriations otherwise available for the payment of quarters allowances for military personnel for the fiscal year 1956 and each succeeding fiscal year, amounts equal to the quarters allowances otherwise payable to personnel occupying any housing constructed or acquired under authority of this section after deducting amounts chargeable for the maintenance and operation of such housing: *Provided*, That such payments shall not exceed the dollar equivalent of the value of the foreign currencies used for all such construction or acquisition.

"The Secretary of Defense shall furnish to the Committees on Armed Services of the Senate and the House of Representatives quarterly reports, the first of which shall be submitted three months subsequent to the date of enactment of this Act, setting forth the cost, number, and location of housing units constructed or acquired pursuant to the authority contained in this section during the three-month period preceding the date of such report, and setting forth the cost, number, and location of the housing units intended to be constructed or acquired pursuant to such authority during the next succeeding quarter."

SEC. 508. All housing units constructed under the authority of this Act shall be subject to the net floor area permanent limitations prescribed in the second, third, and fourth provisos of section 3 of the Act of June 12, 1948 (62 Stat. 375), or in section 3 of the Act of June 16, 1948 (62 Stat. 459), other than the first, second, and third provisos thereof.

SEC. 509. The Secretaries of the Army, Navy, and Air Force are respectively authorized to acquire by purchase housing units which are located near military installations, which are adequate and suitable for housing military personnel and their dependents, and as to which a mortgage is insured by the Federal Housing Commissioner pursuant to title VI or title IX of the National Housing Act, subject to the outstanding mortgage thereon, and to assume the payments thereafter becoming due on such mortgage. The Secretary of the military department concerned may utilize appropriations available for the construction of military public works for the liquidation of any outstanding mortgage assumed by the Government.

SEC. 510. None of the authority contained in titles I, II, and III of this Act shall be deemed to authorize any building construction project within the continental United States at a unit cost in excess of—

- (a) \$20 per square foot for cold-storage warehousing;
- (b) \$6 per square foot for regular warehousing;
- (c) \$1,700 per man for permanent barracks;
- (d) \$1,400 per man for ten-year-life barracks; or
- (e) \$5,000 per man for bachelor officer quarters,

unless the Secretary of Defense determines that, because of special circumstances, application to such project of the limitation on unit costs contained in this section is impracticable.

SEC. 511. As of July 1, 1956, all authorizations for military public works projects to be accomplished by the Secretary of a military department in connection with the establishment or development of military, naval, or Air Force installations and facilities, and all authorizations for appropriations therefor, that are contained in Acts

CHAPTER 369

July 15, 1955
[H. R. 7066]

AN ACT

To provide for the conservation of anthracite coal resources through measures of flood control and anthracite mine drainage, and for other purposes.

Anthracite mine
drainage.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That it is hereby recognized that the presence of large volumes of water in anthracite coal formations involves serious wastage of the fuel resources of the Nation, and constitutes a menace to health and safety and national security. It is therefore declared to be the policy of the Congress to
