

(4) that a marketing quota previously proclaimed for such marketing year is not in effect because of disapproval by producers in a referendum held pursuant to subsection (c): *Provided*, That if such producers have disapproved national marketing quotas in referenda held in three successive years subsequent to 1952, thereafter a national marketing quota shall not be proclaimed hereunder which would be in effect for any marketing year within the three-year period for which national marketing quotas previously proclaimed were disapproved by producers in a referendum, unless prior to November 10 of the marketing year one-fourth or more of the farmers engaged in the production of the crop of tobacco harvested in the calendar year in which such marketing year begins petition the Secretary, in accordance with such regulations as he may prescribe, to proclaim a national marketing quota for each of the next three succeeding marketing years.

(b) The Secretary shall also determine and announce, prior to the first day of December, the amount of the national marketing quota proclaimed pursuant to subsection (a) which is in effect for the next marketing year in terms of the total quantity of tobacco which may be marketed which will make available during such marketing year a supply of tobacco equal to the reserve supply level. The amount of the national marketing quota so announced may, not later than the following March 1, be increased by not more than 20 per centum if the Secretary determines that such increase is necessary in order to meet market demands or to avoid undue restrictions of marketings in adjusting the total supply to the reserve supply level.

(c) Within thirty days after the proclamation of national marketing quotas under subsection (a), the Secretary shall conduct a referendum of farmers engaged in the production of the crop of tobacco harvested immediately prior to the holding of the referendum to determine whether such farmers are in favor of or opposed to such quotas for the next three succeeding marketing years. If more than one-third of the farmers voting oppose the national marketing quotas, such results shall be proclaimed by the Secretary and the national marketing quotas so proclaimed shall not be in effect but such results shall in no wise affect or limit the subsequent proclamation and submission to a referendum, as otherwise provided in this section, of a national marketing quota.
