The Secretary of the Interior shall, within one year after the filing of such proof, issue proper instructions for the survey of the land so entered, without expense to the entryman, and if the entryman has complied with the requirements of the homestead law and applicable regulations a patent based on such survey shall be issued. Nothing in this section, however, shall prevent the homesteader from securing earlier action on his entry and proof by a special survey at his own expense, if he so elects."
