

Public Law 100-446
100th Congress

An Act

Sept. 27, 1988
[H.R. 4867]

Making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 1989, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior and related agencies for the fiscal year ending September 30, 1989, and for other purposes, namely:

TITLE I—DEPARTMENT OF THE INTERIOR

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For expenses necessary for protection, use, improvement, development, disposal, cadastral surveying, classification, and performance of other functions, including maintenance of facilities, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including the general administration of the Bureau of Land Management, \$508,462,000, of which not to exceed \$1,000,000 to be derived from the special receipt account established by section 4 of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 4601-6a(i)), \$70,000,000 for firefighting and repayment to other appropriations from which funds were transferred under the authority of section 102 of the Department of the Interior and Related Agencies Appropriations Act, 1988, and \$23,000,000 for the Automated Land and Mineral Record System Project shall remain available until expended: *Provided*, That appropriations herein made shall not be available for the destruction of healthy, unadopted, wild horses and burros in the care of the Bureau of Land Management or its contractors: *Provided further*, That in fiscal year 1989 all but \$742,000 of receipts, and thereafter all receipts from fees established by the Secretary of the Interior for processing of actions relating to the administration of the General Mining Laws shall be available for program operations in Mining Law Administration by the Bureau of Land Management to supplement funds otherwise available, to remain available until expended.

43 USC 1474.

CONSTRUCTION AND ACCESS

For acquisition of lands and interests therein, and construction of buildings, recreation facilities, roads, trails, and appurtenant facilities, \$5,431,000, to remain available until expended.

PAYMENTS IN LIEU OF TAXES

For expenses necessary to implement the Act of October 20, 1976 (31 U.S.C. 6901-07), \$105,000,000, of which not to exceed \$400,000 shall be available for administrative expenses. The Payments in Lieu of Taxes Act (31 U.S.C. 6901(2)) is amended by deleting the phrase "existing in the State of Alaska on the date of enactment of this Act" from the definition of a unit of Government.

31 USC 6901
note.

LAND ACQUISITION

For expenses necessary to carry out the provisions of sections 205, 206, and 318(d) of Public Law 94-579 including administrative expenses and acquisition of lands or waters, or interest therein, \$12,290,000, to be derived from the Land and Water Conservation Fund, to remain available until expended.

OREGON AND CALIFORNIA GRANT LANDS

For expenses necessary for management, protection, and development of resources and for construction, operation, and maintenance of access roads, reforestation, and other improvements on the revested Oregon and California Railroad grant lands, on other Federal lands in the Oregon and California land-grant counties of Oregon, and on adjacent rights-of-way; and acquisition of lands or interests therein including existing connecting roads on or adjacent to such grant lands; \$60,000,000, to remain available until expended: *Provided*, That the amount appropriated herein for road construction shall be transferred to the Federal Highway Administration, Department of Transportation: *Provided further*, That 25 per centum of the aggregate of all receipts during the current fiscal year from the revested Oregon and California Railroad grant lands is hereby made a charge against the Oregon and California land grant fund and shall be transferred to the General Fund in the Treasury in accordance with the provisions of the second paragraph of subsection (b) of title II of the Act of August 28, 1937 (50 Stat. 876).

RANGE IMPROVEMENTS

For rehabilitation, protection, and acquisition of lands and interests therein, and improvement of Federal rangelands pursuant to section 401 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701), notwithstanding any other Act, sums equal to 50 per centum of all moneys received during the prior fiscal year under sections 3 and 15 of the Taylor Grazing Act (43 U.S.C. 315, et seq.) and the amount designated for range improvements from grazing fees and mineral leasing receipts from Bankhead-Jones lands transferred to the Department of the Interior pursuant to law, but not less than \$8,506,000, to remain available until expended: *Provided*, That not to exceed \$600,000 shall be available for administrative expenses.

SERVICE CHARGES, DEPOSITS, AND FORFEITURES

For administrative expenses and other costs related to processing application documents and other authorizations for use and disposal of public lands and resources, for costs of providing copies of official public land documents, for monitoring construction, operation, and

43 USC 1735
note.

termination of facilities in conjunction with use authorizations, and for rehabilitation of damaged property, such amounts as may be collected under sections 209(b), 304(a), 304(b), 305(a), and 504(g) of the Act approved October 21, 1976 (43 U.S.C. 1701), and sections 101 and 203 of Public Law 93-153, to be immediately available until expended: *Provided*, That notwithstanding any provision to the contrary of subsection 305(a) of the Act of October 21, 1976 (43 U.S.C. 1735(a)), any moneys that have been or will be received pursuant to that subsection, whether as a result of forfeiture, compromise, or settlement, if not appropriate for refund pursuant to subsection 305(c) of that Act (43 U.S.C. 1735(c)), shall be available and may be expended under the authority of this or subsequent appropriations Acts by the Secretary to improve, protect, or rehabilitate any public lands administered through the Bureau of Land Management which have been damaged by the action of a resource developer, purchaser, permittee, or any unauthorized person, without regard to whether all moneys collected from each such forfeiture, compromise, or settlement are used on the exact lands damage to which led to the forfeiture, compromise, or settlement: *Provided further*, That such moneys are in excess of amounts needed to repair damage to the exact land for which collected.

MISCELLANEOUS TRUST FUNDS

In addition to amounts authorized to be expended under existing law, there is hereby appropriated such amounts as may be contributed under section 307 of the Act of October 21, 1976 (43 U.S.C. 1701), and such amounts as may be advanced for administrative costs, surveys, appraisals, and costs of making conveyances of omitted lands under section 211(b) of that Act, to remain available until expended.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Land Management shall be available for purchase, erection, and dismantlement of temporary structures, and alteration and maintenance of necessary buildings and appurtenant facilities to which the United States has title; up to \$25,000 for payments, at the discretion of the Secretary, for information or evidence concerning violations of laws administered by the Bureau of Land Management; miscellaneous and emergency expenses of enforcement activities authorized or approved by the Secretary and to be accounted for solely on his certificate, not to exceed \$10,000: *Provided*, That appropriations herein made for Bureau of Land Management expenditures in connection with the revested Oregon and California Railroad and reconveyed Coos Bay Wagon Road grant lands (other than expenditures made under the appropriation "Oregon and California grant lands") shall be reimbursed to the General Fund of the Treasury from the 25 per centum referred to in subsection (c), title II, of the Act approved August 28, 1937 (50 Stat. 876), of the special fund designated the "Oregon and California land grant fund" and section 4 of the Act approved May 24, 1939 (53 Stat. 754), of the special fund designated the "Coos Bay Wagon Road grant fund": *Provided further*, That appropriations herein made may be expended for surveys of Federal lands of the United States and on a reimbursable basis for surveys of Federal lands of the United States and for protection of lands for the State of Alaska: *Provided further*, That an appeal of any reductions

43 USC 1752
note.

in grazing allotments on public rangelands must be taken within thirty days after receipt of a final grazing allotment decision. Reductions of up to 10 per centum in grazing allotments shall become effective when so designated by the Secretary of the Interior. Upon appeal any proposed reduction in excess of 10 per centum shall be suspended pending final action on the appeal, which shall be completed within two years after the appeal is filed: *Provided further*, That appropriations herein made shall be available for paying costs incidental to the utilization of services contributed by individuals who serve without compensation as volunteers in aid of work of the Bureau: *Provided further*, That notwithstanding section 5901(a) of title 5, United States Code, the uniform allowance for each uniformed employee of the Bureau of Land Management shall not exceed \$400 annually.

UNITED STATES FISH AND WILDLIFE SERVICE

RESOURCE MANAGEMENT

NATIONAL FILM PRESERVATION BOARD

SALARIES AND EXPENSES

National Film
Preservation Act
of 1988.
2 USC 178 note.
2 USC 178.

For necessary expenses of the National Film Preservation Board in the Library of Congress, \$250,000: *Provided*, That the following may be cited as the "National Film Preservation Act of 1988":
The Congress finds that—

- (1) motion pictures are an indigenous American art form that has been emulated throughout the world;
- (2) certain motion pictures represent an enduring part of our Nation's historical and cultural heritage; and
- (3) it is appropriate and necessary for the Federal Government to recognize motion pictures as a significant American art form deserving of protection.

2 USC 178a.

SEC. 2. NATIONAL FILM REGISTRY.

The Librarian of Congress (hereafter in this Act referred to as the "Librarian") shall establish a National Film Registry pursuant to the provisions of this Act, for the purpose of registering films that are culturally, historically, or aesthetically significant.

2 USC 178b.

SEC. 3. DUTIES OF LIBRARIAN OF CONGRESS.

(a) **POWERS.**—(1) The Librarian shall, after consultation with the Board established pursuant to section 8, and pursuant to the rule-making procedures provided in subchapter II of chapter 5 of title 5, United States Code, known as the Administrative Procedures Act—

(A) establish criteria for guidelines pursuant to which such films may be included in the National Film Registry, except that no film shall be eligible for inclusion in the National Film Registry until 10 years after such film's first theatrical release;

(B) establish a procedure whereby the general public may make recommendations to the Board regarding the inclusion of films in such National Film Registry; and

(C) establish general guidelines so that film owners and distributors are able to determine whether a version of a film registered on the National Film Registry which is in their possession has been materially altered.

(2) In addition, the Librarian shall—

(A) determine, from time to time, after consultation with the Board, which films satisfy the criteria developed pursuant to paragraph (1)(A) and qualify to be included in the National Film Registry, except that the Librarian shall not select more than 25 films per year for inclusion in such Registry;

(B) convene, from time to time, a panel of experts, as provided in subsection (b), solely to advise the Board on whether it is necessary to petition Congress to revise the definition of "material alteration";

(C) provide a seal to indicate that the film has been included in the National Film Registry as an enduring part of our national cultural heritage and such seal may then be used in the promotion of any version of such film that has not been materially altered; and

(D) have published in the Federal Register the name of each film that is selected for inclusion in the National Film Registry.

(3)(A) The Librarian shall submit annual reports to the appropriate Committees of the Congress listing films included on the National Film Registry and describing the criteria used in determining why specific films were included in the National Film Registry.

(B) The first such report shall be submitted within 12 months after the date of enactment of this Act.

(b) COMPOSITION OF PANEL.—The panel provided for in subsection (a)(2)(B) shall be chosen by the Librarian. It shall be comprised of four persons, one representative each from the Motion Picture Association of America and the National Association of Broadcasters, and one representative of the Directors Guild of America and one representative of the Screen Actors Guild of America. The Presidents of these four organizations shall recommend three nominees to serve on such panel.

(c) APPEALS TO THE LIBRARIAN.—(1) The owner, exhibitor, or distributor of a film may appeal to the Librarian—

(A) objecting to the Board's recommendation of such film for inclusion in the National Film Registry; or

(B) the determination that a version of a film which is included in the National Film Registry has been materially altered.

(2) The Librarian shall refer such appeals to the Board for its recommendation.

(c) REGISTRY COLLECTION.—The Librarian shall endeavor to obtain, by gift from the owner, an archival quality copy of an original version of each film included in the National Film Registry. All films so received by the Librarian shall be maintained in a special collection in the Library of Congress to be known as the "National

Federal Register, publication. Reports.

Gifts and property.

Regulations.

Film Board Collection". The Librarian shall, by regulation, provide for reasonable access to films in such collection.

2 USC 178c.

SEC. 4. LABELING REQUIREMENTS.

(a) **LABEL REQUIRED.**—Except as otherwise provided in this section, no person shall knowingly distribute or exhibit to the public a materially altered version of a film included in the National Film Registry unless the version is labeled as required by this section.

(b) **EFFECTIVE DATE OF LABEL.**—Except as provided in subsection (c), any labeling requirement established pursuant to this section shall be effective 45 days after publication in the Federal Register indicating that a film has been selected for inclusion in the National Film Registry.

(c) **EXCEPTIONS.**—With respect to films intended for home use through either retail purchase or rental, the provisions of subsection (b) shall apply, however no requirements imposed under this section shall apply to—

(1) a film which has been packaged for distribution prior to the effective date of such requirement with respect to such film, except that the provisions of this paragraph shall not apply if the packaging has been accelerated in contemplation of imposition of such requirement; or

(2) a retail distributor of films for home use, other than a manufacturer or packager, who has in good faith relied on compliance with the provisions of this Act by the manufacturer, wholesaler, or packager of a film.

(d) **REQUIREMENTS OF THE LABEL.**—(1)(A) A label for a materially altered version of a film, other than a colorized version, shall consist of a panel card immediately preceding the commencement of the film which bears the following statement:

"This is a materially altered version of the film originally marketed and distributed to the public. It has been altered without the participation of the principal director, screenwriter, and other creators of the original film."

(B) Such a label shall appear in a conspicuous and legible type.

(2)(A) A label for a colorized version of a film shall consist of a panel card immediately preceding the commencement of the film which bears the following statement:

"This is a colorized version of a film originally marketed and distributed to the public in black and white. It has been altered without the participation of the principal director, screenwriter, and other creators of the original film."

(B) Such a label shall appear in a conspicuous and legible type.

(3)(A) A label for a film package of a materially altered film, other than a colorized version, shall consist of—

(i) an area of a rectangle on the front of the package which bears the following statement:

"This is a materially altered version of the film originally marketed and distributed to the public. It has been altered without the participation of the principal director, screenwriter, and other creators of the original film."; and

(ii) an area of a rectangle on the side of the package which bears the following statement:

"This is a materially altered version of the film originally marketed and distributed to the public. See front panel."

(B) Such labels shall appear in a conspicuous and legible type in contrast by typography, layout, or color with other printed matter on the package.

(4)(A) A label for a film package of a colorized version of a film shall consist of—

(i) an area of a rectangle on the front of the package which bears the following statement:

“This is a colorized version of a film originally marketed and distributed to the public in black and white. It has been altered without the participation of the principal director, screenwriter, and other creators of the original film.”; and

(ii) an area of a rectangle on the side of the package which bears the following statement:

“This is a colorized version of original work. See front panel.”

(B) Such labels shall appear in a conspicuous and legible type in contrast by typography, layout, or color with other printed matter on the package.

SEC. 5. MISUSE OF SEAL.

2 USC 178d.

No person shall knowingly distribute or exhibit to the public a version of a film which bears a seal as described by section 3(a)(2)(C) of this Act if such film—

(1) is not included in the National Film Registry; or

(2) is included in the National Film Registry, but such version has been materially altered.

SEC. 6. REMEDIES.

2 USC 178e.

(a) JURISDICTION AND STANDING.—The several district courts of the United States shall have jurisdiction, for cause shown, to prevent and restrain violations of sections 4 and 5 of this Act upon the application of the Librarian to the Attorney General of the United States acting through the several United States Attorneys in their several districts.

Courts, U.S.

(b) RELIEF.—(1) Except as provided in paragraph (2), relief shall be limited to the prospective inclusion or application of, or removal of, a label as appropriate.

(2) In the case in which the Librarian finds a pattern or practice of the willful violation of this Act, the United States District Courts may order civil fines of not more than \$10,000 and appropriate injunctive relief.

Law enforcement and crime.

SEC. 7. LIMITATIONS OF REMEDIES.

2 USC 178f.

(a) The remedies provided in section 6 shall be the exclusive remedies under this Act or any other Federal or State law, regarding the use of a seal as described by section 3(a)(2)(C) or labeling of materially altered films.

(b) No remedies under section 6 of this title shall be available with respect to any film which is exempted from the labeling requirements of this Act pursuant to section 4(c).

SEC. 8. NATIONAL FILM PRESERVATION BOARD.

2 USC 178g.

(a) NUMBER AND APPOINTMENT.—(1) The Librarian shall establish in the Library of Congress a National Film Preservation Board to be comprised of thirteen members, selected by the Librarian in accordance with the provisions of this paragraph. Each organization listed in subparagraphs (A) through (M) shall submit a list of not less than 3 qualified candidates to the Librarian. The Librarian shall appoint

one member from each such list submitted by the following organizations, and shall designate from that list an alternate who may attend those meetings to which the individual appointed to the Board cannot attend:

- (A) the Academy of Motion Picture Arts and Sciences;
- (B) the Directors Guild of America;
- (C) the Writers Guild of America;
- (D) the National Society of Film Critics;
- (E) the Society for Cinema Studies;
- (F) the American Film Institute;
- (G) the Department of Theatre, Film and Television, College of Fine Arts at the University of California, Los Angeles;
- (H) the Department of Cinema Studies in the Graduate School of Arts and Science at New York University;
- (I) the University Film and Video Association;
- (J) the Motion Picture Association of America;
- (K) the National Association of Broadcasters;
- (L) the Association of Motion Picture and Television Producers; and
- (M) the Screen Actors Guild of America.

(2) Before the Librarian selects nominees for such Board, such Librarian shall request that each of the entities listed in paragraph (1) who do not currently have a nominee on such Board nominate three individuals to serve on such Board. No individual may serve on the Board for more than one term and each entity shall be represented a comparable number of times.

(b) **CHAIRPERSON.**—The Librarian shall appoint one member to serve as Chairperson.

(c) **TERM OF OFFICE.**—(1) The term of each member of the Board shall be 3 years.

(2) A vacancy in the Board shall be filled in the manner prescribed by the Librarian, except that no entity listed in subsection (a) may have more than one nominee on the Board at any one time. Appointments may be made under this subsection without regard to section 5311(b) of title 5, United States Code. Any member appointed to fill a vacancy before the expiration of the term for which his predecessor was appointed shall be appointed only for the remainder of such term.

(d) **QUORUM.**—Seven members of the Board shall constitute a quorum but a lesser number may hold hearings.

(e) **BASIC PAY.**—Members of the Board shall serve without pay. While away from their homes or regular places of business in the performance of services for the Board, members of the Board shall be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in Government service are allowed expenses under section 5703 of title 5 of the United States Code.

(f) **MEETINGS.**—The Board shall meet at least twice each calendar year and the first such meeting shall be within 120 days after the effective date of this Act. Meetings shall be at the call of the Chairperson or a majority of its members.

(g) **CONFLICT OF INTERESTS.**—The Librarian shall establish rules and procedures to address any potential conflict of interest between a member of the Board and responsibilities of the Board.

SEC. 9. STAFF OF BOARD; EXPERTS AND CONSULTANTS.

2 USC 178h.

(a) **STAFF.**—The Chairperson of the Board may appoint and fix the pay of such personnel as the Chairperson considers appropriate.

(b) **APPLICABILITY OF CERTAIN CIVIL SERVICE LAWS.**—The staff of the Board may be appointed without regard to the provisions of title 5, United States Code, governing appointments in the competitive service, and may be paid without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title relating to classification and General Schedule pay rates, except that no individual so appointed may receive pay in excess of the annual rate of basic pay payable for GS-16 of the General Schedule.

(c) **EXPERTS AND CONSULTANTS.**—The Chairperson of the Board may procure temporary and intermittent services under section 3109(b) of title 5, United States Code, but at rates for individuals not to exceed the daily equivalent of the maximum rate of basic pay payable for GS-15 of the General Schedule, and in no case may a Board member be paid as an expert or consultant.

SEC. 10. POWERS OF BOARD.

2 USC 178i.

(a) **IN GENERAL.**—The Board may, for the purpose of carrying out its duties, hold such hearings, sit and act at such times and places, take such testimony, and receive such evidence, as the Board considers appropriate. The Board shall review nominations of films submitted to it for inclusion in the National Film Registry and consult with the Librarian with respect to the inclusion in the Registry, and with respect to the powers defined in section 3.

(b) **NOMINATION OF FILMS.**—The Board shall consider, for inclusion in the National Film Registry, nominations submitted by representatives of the film industry, such as the guilds and societies representing actors, directors, screenwriters, producers, and film critics, film preservation organizations and representatives of academic institutions with film study programs. The Board shall not nominate more than 25 films a year for inclusion in the Registry.

SEC. 11. DEFINITIONS.

2 USC 178j.

(a) **DEFINITIONS FOR SECTIONS 1 THROUGH 13.**—As used in sections 1 through 13:

(1) The term "Librarian" means the Librarian of Congress.

(2) The term "film" means a feature-length, theatrical motion picture after its first theatrical release.

(3) The term "film package" means the original box, carton or container of any kind in which a videotape or disc is offered for sale or rental.

(4) The term "Board" means the National Film Preservation Board.

(5) The term "material alteration" means to colorize or to make other fundamental post-production changes in a version of a film for marketing purposes but does not include changes made in accordance with customary practices and standards and reasonable requirements of preparing a work for distribution or broadcast.

(6) The term "to colorize" means to add color, by whatever means, to versions of motion pictures originally produced, marketed, or distributed in black and white.

(7) The term "colorization" means the process whereby a film is colorized.

(b) **EXCLUSION FROM DEFINITION OF "MATERIAL ALTERATION".**— Excluded from the definition of "material alteration" are practices such as the insertion of commercials and public service announcements for television broadcast.

2 USC 178k.

SEC. 12. AUTHORIZATION OF APPROPRIATIONS.

To carry out the purposes of this Act, there are authorized to be appropriated to the Librarian of Congress, such sums as may be necessary to carry out the purposes of this Act, but in no fiscal year shall such sum exceed \$250,000.

2 USC 178l.

SEC. 13. EFFECTIVE DATE.

The provisions of this Act shall be effective for three years beginning on the date of enactment of this Act. The provisions of this Act shall not apply to any copy of a film materially altered prior to such effective date if such copy of such film is owned by an individual for his personal use, in the inventory of the manufacturer or packager of a videocassette or already distributed to retail or wholesale distributors of videocassettes.

ADMINISTRATIVE PROVISIONS

Appropriations for the National Park Service shall be available for the purchase of not to exceed 360 passenger motor vehicles, of which 290 shall be for replacement only, including not to exceed 290 for police-type use and 26 buses; to provide, notwithstanding any other provision of law, at a cost not exceeding \$100,000, transportation for children in nearby communities to and from any unit of the National Park System used in connection with organized recreation and interpretive programs of the National Park Service; options for the purchase of land at not to exceed \$1 for each option; and for the procurement and delivery of medical services within the jurisdiction of units of the National Park System: *Provided*, That no funds available to the National Park Service may be used, unless the proposed transfer is approved in advance by the House and Senate Committees on Appropriations in compliance with the reprogramming procedures contained in House Report 99-714, to maintain law and order in emergency and other unforeseen law enforcement situations and conduct emergency search and rescue operations in the National Park System: *Provided further*, That none of the funds appropriated to the National Park Service may be used to process any grant or contract documents which do not include the text of 18 U.S.C. 1913: *Provided further*, That none of the funds appropriated to the National Park Service may be used to add industrial facilities to the list of National Historic Landmarks without the consent of the owner: *Provided further*, That the National Park Service may use helicopters and motorized equipment at Death Valley National Monument for removal of feral burros and horses: *Provided further*, That notwithstanding any other provision of law, the National Park Service may recover unbudgeted costs of providing necessary services associated with special use permits, such reimbursements to be credited to the appropriation current at that time: *Provided further*, That none of the funds appropriated to the National Park Service may be used to implement an agreement for the redevelopment of the southern end of Ellis Island until such agreement has been submitted to the Congress and shall not be implemented prior to the expiration of 30 calendar days (not includ-

Reports.

ing any day in which either House of Congress is not in session because of adjournment of more than three calendar days to a day certain) from the receipt by the Speaker of the House of Representatives and the President of the Senate of a full and comprehensive report on the development of the southern end of Ellis Island, including the facts and circumstances relied upon in support of the proposed project.

No funds shall be available for the National Park Service to issue any construction permit for the Potomac Greens interchange on the George Washington Memorial Parkway unless an Environmental Impact Statement is conducted. The Environmental Impact Statement shall be commenced promptly and completed and filed within eighteen months of the date on which Public Law 100-202 was enacted. After completion and filing, the Environmental Impact Statement shall be transmitted to the appropriate Congressional Committees for a period of 60 days, during which time the National Park Service shall not issue any construction permit for the Potomac Greens interchange on the George Washington Memorial Parkway.

The Environmental Impact Statement shall review the traffic impact of only the proposed 38-acre development opposite Daingerfield Island west of the George Washington Memorial Parkway: *Provided*, That the National Park Service shall review the impact of the planned development on the visual, recreational and historical integrity of the Parkway.

The Environmental Impact Statement shall also provide an evaluation of alternative acquisition strategies to include but not be limited to appraisal estimates for the access rights, the entire 38-acre parcel, that portion of the 38-acre parcel as defined approximately by the historic district boundary line, and any other recommendations by the National Park Service to mitigate the Parkway degradation effects of the proposed development so as to adequately protect and preserve the Parkway. Such appraisals shall be prepared and filed as soon as is reasonably possible. The National Park Service solely shall determine the legal and factual sufficiency of the Environmental Impact Statement and its compliance with the National Environmental Policy Act of 1969.

The Environmental Impact Statement shall be separate from, independent of, and in no way intended to affect or modify any pending litigation. Notwithstanding any other provision of law, no court shall have jurisdiction to consider questions respecting the factual and legal sufficiency of the Environmental Impact Statement under the National Environmental Policy Act of 1969.

None of the funds in this Act may be used to issue a permit for seismic exploration of Big Cypress National Preserve, Florida, until an environmental impact statement has been completed: *Provided*, That such statement shall be completed within two years of the date of enactment of this Act.

None of the funds provided in this Act shall be available for an appeal to the February 26, 1988, special rate pay approved by the Office of Personnel Management for the United States Park Police.

The Director of the National Park Service shall administer a fellowship program, within available funds, to improve mutual understanding and cooperation between Service employees, and Members and Committees of Congress. The program is dedicated to the memory of Pietro Antonio (Tony) Bevinetto, and Service em-

Fellowships and
scholarships.

OFFICE OF SURFACE MINING RECLAMATION AND ENFORCEMENT

REGULATION AND TECHNOLOGY

For necessary expenses to carry out the provisions of the Surface Mining Control and Reclamation Act of 1977, Public Law 95-87, including the purchase of not to exceed 14 passenger motor vehicles, of which 9 shall be for replacement only; and uniform allowances of not to exceed \$400 for each uniformed employee of the Office of Surface Mining Reclamation and Enforcement; \$101,095,000, and notwithstanding 31 U.S.C. 3302, an additional amount, to remain available until expended, equal to receipts to the General Fund of the Treasury from performance bond forfeitures in fiscal year 1989: *Provided*, That notwithstanding any other provision of law, the Secretary of the Interior, pursuant to regulations, may utilize directly or through grants to States, moneys collected in fiscal year 1989 pursuant to the assessment of civil penalties under section 518 of the Surface Mining Control and Reclamation Act of 1977 (30 U.S.C. 1268), to reclaim lands adversely affected by coal mining practices after August 3, 1977, to remain available until expended: *Provided further*, That the Secretary of the Interior shall abide by and adhere to the terms of the Settlement Agreement in *NWR v. Miller*, C.A. No. 86-99 (E.D. Ky), and not take any actions inconsistent with the provisions of footnote 3 of the Agreement with respect to any State or Federal program.

ABANDONED MINE RECLAMATION FUND

For necessary expenses to carry out the provisions of title IV of the Surface Mining Control and Reclamation Act of 1977, Public Law 95-87, including the purchase of not more than 21 passenger motor vehicles, of which 15 shall be for replacement only, \$193,160,000 to be derived from receipts of the Abandoned Mine Reclamation Fund and to remain available until expended: *Provided*, That pursuant to Public Law 97-365, the Department of the Interior is authorized to utilize up to 20 per centum from the recovery of the delinquent debt owed to the United States Government to pay for contracts to collect these debts: *Provided further*, That of the funds made available to the States to contract for reclamation projects authorized in section 406(a) of Public Law 95-87, administrative expenses may not exceed 15 per centum: *Provided further*, That none of these funds shall be used for a reclamation grant to any State if the State has not agreed to participate in a nationwide data system established by the Office of Surface Mining Reclamation and Enforcement through which all permit applications are reviewed and approvals withheld if the applicants (or those who control the applicants) applying for or receiving such permits have outstanding State or Federal air or water quality violations in accordance with section 510(c) of the Act of August 3, 1977 (30 U.S.C. 1260(c)), or failure to abate cessation orders, outstanding civil penalties associated with such failure to abate cessation orders, or uncontested past due Abandoned Mine Land fees: *Provided further*, That the Secretary of the Interior may deny 50 per centum of an Abandoned Mine Reclamation Fund grant, available to a State pursuant to title IV of Public Law 95-87, in accordance with the procedures set forth in section 521(b) of the Act, when the Secretary determines that a State is systematically failing to administer ade-

State and local governments.

quately the enforcement provisions of the approved State regulatory program. Funds will be denied until such time as the State and Office of Surface Mining Reclamation and Enforcement have agreed upon an explicit plan of action for correcting the enforcement deficiency. A State may enter into such agreement without admission of culpability. If a State enters into such agreement, the Secretary shall take no action pursuant to section 521(b) of the Act as long as the State is complying with the terms of the agreement: *Provided further*, That expenditure of moneys as authorized in section 402(g)(3) of Public Law 95-87 shall be on a priority basis with the first priority being protection of public health, safety, general welfare, and property from extreme danger of adverse effects of coal mining practices, as stated in section 403 of Public Law 95-87: *Provided further*, That 23 full-time equivalent positions are to be maintained in the Anthracite Reclamation Program at the Wilkes-Barre Field Office: *Provided further*, That notwithstanding any other provisions of law, appropriations for the Office of Surface Mining Reclamation and Enforcement may, hereafter, provide for the travel and per diem expenses of State and tribal personnel attending OSMRE sponsored training: *Provided further*, That the Secretary shall conduct a thorough accounting and reconciliation of the Abandoned Mine Reclamation Fund, under title IV of the Surface Mining Control and Reclamation Act of 1977, for the period from fiscal year 1977 through fiscal year 1988. This accounting and reconciliation shall determine, by State, the source of all contributions to the fund and shall denote all fund disbursements by purpose and fiscal year including letter of credit grants to States.

30 USC 1211
note.

Funds authorized as grants to States shall be reconciled according to—

(1) the Surface Mining Control and Reclamation Act of 1977, including the 50 percent State share; and

(2) the formula for allocation of the discretionary share as expressed by the Office of Surface Mining Reclamation and Enforcement during each relevant fiscal year under review.

The findings of the Secretary shall be transmitted to the Committees on Appropriations by May 1, 1989. Such information shall not be used to amend or revise State allocations during fiscal year 1989.

BUREAU OF INDIAN AFFAIRS

OPERATION OF INDIAN PROGRAMS

For operation of Indian programs by direct expenditure, contracts, cooperative agreements, and grants including expenses necessary to provide education and welfare services for Indians, either directly or in cooperation with States and other organizations, including payment of care, tuition, assistance, and other expenses of Indians in boarding homes, institutions, or schools; grants and other assistance to needy Indians; maintenance of law and order; management, development, improvement, and protection of resources and appurtenant facilities under the jurisdiction of the Bureau of Indian Affairs, including payment of irrigation assessments and charges; acquisition of water rights; advances for Indian industrial and business enterprises; operation of Indian arts and crafts shops and museums; development of Indian arts and crafts, as authorized by law; for the general administration of the Bureau of Indian Affairs, including such expenses in field offices, \$992,767,000, of which not to

exceed \$71,004,000 for higher education scholarships, adult vocational training, and assistance to public schools under the Act of April 16, 1934 (48 Stat. 596), as amended (25 U.S.C. 452 et seq.), shall remain available for obligation until September 30, 1990, and of which \$25,000,000 for firefighting and repayment to other appropriations from which funds were transferred under the authority of section 102 of the Department of the Interior and Related Agencies Appropriations Act, 1988, shall remain available until expended, and the funds made available to tribes and tribal organizations through contracts authorized by the Indian Self-Determination and Education Assistance Act of 1975 (88 Stat. 2203; 25 U.S.C. 450 et seq.) shall remain available until September 30, 1990: *Provided*, That this carryover authority does not extend to programs directly operated by the Bureau of Indian Affairs unless the tribe(s) and the Bureau of Indian Affairs enter into a cooperative agreement for consolidated services; and for expenses necessary to carry out the provisions of section 19(a) of Public Law 93-531 (25 U.S.C. 640d-18(a)), \$1,997,000, to remain available until expended: *Provided further*, That none of the funds appropriated to the Bureau of Indian Affairs shall be expended as matching funds for programs funded under section 103(b)(2) of the Carl D. Perkins Vocational Education Act: *Provided further*, That \$250,000 of the funds made available in this Act shall be available for cyclical maintenance of tribally owned fish hatcheries and related facilities: *Provided further*, That no part of any appropriations to the Bureau of Indian Affairs shall be available to provide general assistance payments for Alaska Natives in the State of Alaska unless and until otherwise specifically provided for by Congress: *Provided further*, That the Secretary shall take no action to close the school or dispose of the property of the Phoenix Indian School until the Congress has specifically approved the school closure or provided for disposition of the property in legislation: *Provided further*, That none of the funds in this Act shall be used by the Bureau of Indian Affairs to transfer funds under a contract with any third party for the management of tribal or individual Indian trust funds until the funds held in trust for such tribe or individual have been audited and reconciled, and the tribe or individual has been provided with an accounting of such funds, and the appropriate committees of the Congress and the tribes have been consulted with as to the terms of the proposed contract or agreement: *Provided further*, That none of the funds in this Act shall be used to implement any regulations, or amendments to or revisions of regulations, relating to the Bureau of Indian Affairs' higher education grant program that were not in effect on March 1, 1987: *Provided further*, That \$230,000 of the amounts provided for education program management shall be available for a grant to the Close Up Foundation: *Provided further*, That if the actual amounts required in this account for costs of the Federal Employee Retirement System in fiscal year 1989 are less than amounts estimated in budget documents, such excess funds may be transferred to "Construction" and "Miscellaneous Payments to Indians" to cover the costs of the retirement system in those accounts: *Provided further*, That notwithstanding any other provision of law, concurrent with the opening of the Western Cheyenne River Consolidated School the following schools shall be permanently closed: Bridger Day School (Howes, SD); Cherry Creek Day School (Cherry Creek, SD); and the Red Scaffold School (Faith, SD): *Provided further*, That subsection (b) of section 5 of the Cow Creek Band of Umpqua Tribe of Indians

Recognition Act (25 U.S.C. 712c) is amended by striking out "Indian individuals" and inserting in lieu thereof "Cow Creek descendants or other Indian individuals": *Provided further*, That notwithstanding any other provision of law, the amounts available for assistance to public schools under the Act of April 16, 1934 (48 Stat. 596), as amended (25 U.S.C. 452 et seq.), shall be distributed on the basis of the formula recommended by the Assistant Secretary of Indian Affairs in a letter to the Committees on Appropriations dated June 27, 1988, except that for the fiscal year ending September 30, 1989, the minimum weight factor shall be 1.1 rather than 1.3 and for the fiscal year ending September 30, 1990, the minimum weight factor shall be 1.2 rather than 1.3: *Provided further*, That for the purpose of enabling Indian reservation residents in Arizona who are eligible for General Assistance and who have dependent children to participate and succeed in Job Corps training, the Bureau shall pay general assistance support for the dependent children at the full State AFDC A-2 grant level: *Provided further*, That notwithstanding any other provision of law, any portion of the funds appropriated under the authority of Public Law 93-530 not yet obligated, but not to exceed \$700,000, shall be transferred by the Secretary of the Interior to the governing body of the San Carlos Apache Tribe (hereafter referred to as the "Tribe") by no later than the date that is sixty days after the date of enactment of this Act. Amounts transferred to the Tribe under this proviso shall be used for economic development purposes in accordance with the plan which was adopted by the governing body of the Tribe on April 12, 1988, and any amendment thereto which has been approved by the Secretary of the Interior. The Tribe may expend the amounts transferred under this proviso for the purposes authorized without the prior approval of the Secretary of the Interior. None of the funds transferred to the Tribe may be used to make per capita payments to the members of the Tribe: *Provided further*, That notwithstanding any other provision of law, the funds transferred by this Act to the San Carlos Apache Tribe may be treated as non-Federal, private funds of the Tribe for purposes of any provision of Federal law which requires that non-Federal or private funds be used in a project or for a specific purpose: *Provided further*, That the Federal Government shall have no further obligation to appropriate funds for the purposes identified in Public Law 93-530.

25 USC 452 note.

CONSTRUCTION

For construction, major repair, and improvement of irrigation and power systems, buildings, utilities, and other facilities, including architectural and engineering services by contract; acquisition of lands and interests in lands; preparation of lands for farming; and construction, repair, and improvement of Indian housing, \$79,283,000, to remain available until expended: *Provided*, That \$1,449,000 of the funds appropriated for use by the Secretary to construct homes and related facilities for the Navajo and Hopi Indian Relocation Commission in lieu of construction by the Commission under section 15(d)(3) of the Act of December 22, 1974 (88 Stat. 1719; 25 U.S.C. 640d-14(d)(3)), may be used for counseling, archeological clearances, and administration related to the relocation of Navajo families: *Provided further*, That \$1,100,000 of the funds made available in this Act shall be available for rehabilitation of tribally owned fish hatcheries and related facilities: *Provided*

further, That such amounts as may be available for the construction of the Navajo Indian Irrigation Project may be transferred to the Bureau of Reclamation.

ROAD CONSTRUCTION

Not to exceed 5 per centum of contract authority available to the Bureau of Indian Affairs from the Federal Highway Trust Fund may be used to cover roads program management costs and construction supervision costs of the Bureau of Indian Affairs.

MISCELLANEOUS PAYMENTS TO INDIANS

For miscellaneous payments to Indian tribes and individuals pursuant to Public Laws 98-500, 99-264, and 99-503, including funds for necessary administrative expenses, \$13,952,000, to remain available until expended, of which not to exceed \$11,300,000 is made available to the Tohono O'Odham Nation for purposes authorized in the Gila Bend Indian Reservation Lands Replacement Act, Public Law 99-503.

REVOLVING FUND FOR LOANS

During fiscal year 1989, and within the resources and authority available, gross obligations for the principal amount of direct loans pursuant to the Indian Financing Act of 1974, as amended (88 Stat. 77; 25 U.S.C. 1451 et seq.), shall not exceed resources and authority available.

INDIAN LOAN GUARANTY AND INSURANCE FUND

For payment of interest subsidies on new and outstanding guaranteed loans and for necessary expenses of management and technical assistance in carrying out the provisions of the Indian Financing Act of 1974, as amended (88 Stat. 77; 25 U.S.C. 1451 et seq.), \$3,370,000, to remain available until expended: *Provided*, That during fiscal year 1989, total commitments to guarantee loans pursuant to the Indian Financing Act of 1974, as amended, may be made only to the extent that the total loan principal, any part of which is to be guaranteed, shall not exceed resources and authority available.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Indian Affairs (except the revolving fund for loans and the Indian loan guarantee and insurance fund) shall be available for expenses of exhibits, and purchase of not to exceed 150 passenger carrying motor vehicles, of which not to exceed 115 shall be for replacement only.

TERRITORIAL AND INTERNATIONAL AFFAIRS

GENERAL PROVISIONS, DEPARTMENT OF THE INTERIOR

Public buildings and grounds.

SEC. 101. Appropriations made in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement, or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: *Provided*, That no funds shall be made available under this authority until funds specifically made available to the Department of the Interior for emergencies shall have been exhausted: *Provided further*, That all funds used pursuant to this section must be replenished by a supplemental appropriation which must be requested as promptly as possible.

SEC. 102. The Secretary may authorize the expenditure or transfer of any no year appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of forest or range fires on or threatening lands under the jurisdiction of the Department of the

Interior; for the emergency rehabilitation of burned-over lands under its jurisdiction; for emergency actions related to potential or actual earthquakes, floods or volcanoes; for the prevention, suppression, and control of actual or potential grasshopper and Mormon Cricket outbreaks on lands under the jurisdiction of the Secretary, pursuant to the authority in section 1773(b) of Public Law 99-198 (99 Stat. 1658); for emergency reclamation projects under section 410 of Public Law 95-87; and shall transfer, from any no year funds available to the Office of Surface Mining Reclamation and Enforcement, such funds as may be necessary to permit assumption of regulatory authority in the event a primacy State is not carrying out the regulatory provisions of the Surface Mining Act: *Provided*, That appropriations made in this title for fire suppression purposes shall be available for the payment of obligations incurred during the preceding fiscal year, and for reimbursement to other Federal agencies for destruction of vehicles, aircraft, or other equipment in connection with their use for fire suppression purposes, such reimbursement to be credited to appropriations currently available at the time of receipt thereof: *Provided further*, That all funds used pursuant to this section must be replenished by a supplemental appropriation which must be requested as promptly as possible.

SEC. 103. Appropriations made in this title shall be available for operation of warehouses, garages, shops, and similar facilities, wherever consolidation of activities will contribute to efficiency or economy, and said appropriations shall be reimbursed for services rendered to any other activity in the same manner as authorized by sections 1535 and 1536 of title 31, U.S.C.: *Provided*, That reimbursements for costs and supplies, materials, equipment, and for services rendered may be credited to the appropriation current at the time such reimbursements are received.

SEC. 104. Appropriations made to the Department of the Interior in this title shall be available for services as authorized by 5 U.S.C. 3109, when authorized by the Secretary, in total amount not to exceed \$500,000; hire, maintenance, and operation of aircraft; hire of passenger motor vehicles; purchase of reprints; payment for telephone service in private residences in the field, when authorized under regulations approved by the Secretary; and the payment of dues, when authorized by the Secretary, for library membership in societies or associations which issue publications to members only or at a price to members lower than to subscribers who are not members: *Provided*, That no funds available to the Department of the Interior are available for any expenses of the Great Hall of Commerce.

SEC. 105. Appropriations available to the Department of the Interior for salaries and expenses shall be available for uniforms or allowances therefor, as authorized by law (5 U.S.C. 5901-5902 and D.C. Code 4-204).

SEC. 106. Appropriations made in this title shall be available for obligation in connection with contracts issued by the General Services Administration for services or rentals for periods not in excess of twelve months beginning at any time during the fiscal year.

SEC. 107. None of the funds appropriated or otherwise made available pursuant to this Act shall be obligated or expended to finance changing the name of the mountain located 63 degrees, 04 minutes, 15 seconds west, presently named and referred to as Mount McKinley: *Provided*, That no funds made available by this or any other Act shall be expended to exchange lands located within the

boundaries of the Lake Mead National Recreation Area in Nevada in township 32 south, range 22 west, Mount Diablo Meridian.

SEC. 108. Notwithstanding any other provisions of law, appropriations in this title shall be available to provide insurance on official motor vehicles, aircraft, and boats operated by the Department of the Interior in Canada and Mexico.

SEC. 109. No funds provided in this title may be used to detail any employee to an organization unless such detail is in accordance with Office of Personnel Management regulations.

SEC. 110. No funds provided in this title may be expended by the Department of the Interior for the conduct of leasing, or the approval or permitting of any drilling or other exploration activity, on lands within the Eastern Gulf of Mexico planning area of the Department of the Interior which lie south of 26 degrees North latitude and east of 86 degrees West longitude.

SEC. 111. No funds provided in this title may be expended by the Department of the Interior for the conduct of leasing, or the approval or permitting of any drilling or other exploration activity within the area identified by the Department of the Interior in the Draft Environmental Impact Statement (MMS 87-0032) for Lease Sale 91 in the Northern California planning area issued December, 1987.

SEC. 112. No funds provided in this title may be expended by the Department of the Interior for the preparation for, or conduct of, preleasing and leasing activities (including but not limited to: calls for information, tract selection, notices of sale, receipt of bids and award of leases) of lands described in, and under the same terms and conditions set forth in section 107 of the Department of the Interior and Related Agencies Appropriations Act, 1986, as contained in Public Law 99-190; or of lands within the 400 meter isobath surrounding Georges Bank, identified by the Department of the Interior as consisting of the following blocks: in protraction diagram NJ 19-2, blocks numbered 12-16, 54-55 and 57-58; in protraction diagram NK 19-5, blocks numbered 744, 788, 831-832, and 1005-1008; in protraction diagram NK 19-6, blocks numbered 489-491, 532-537, 574-576, 578-581, 618-627, 661-662, 664-671, 705-716, 749-761, 793-805, and 969-971; in protraction diagram NK 19-8, blocks numbered 37-40, 80-84, 124-127, and 168-169; in protraction diagram NK 19-9, blocks numbered 13-18, 58-63, 102-105, 107-108, 146-149, 151-152, 191-193, 195-197, 235-237, 240-242, 280-282, 284-286, 324-331, 368-376, 412-420, 456-465, 500-510, 543-554, 587-594, 596-599, 631-637, 640-644, 675-688, 718-733, 762-778, 805-821, 846-865, 887-891, 894-908, 930-950, and 972-994; in protraction diagram NK 19-10, blocks numbered 474-478, 516-524, 560-568, 604-612, 647-660, 692-704, 737-748, 787-792, 830-836, 873-880, 967-968, and 1011-1012; in protraction diagram NK 19-11, blocks numbered 621-632, 665-676, 700, 709-720, 744, 753-764, 785, 797-808, 825-827, 841-852, 856-860, 869, 890-905, 907-909, 929-931, 941-945, 947-949, 973-975, and 985-989; and in protraction diagram NK 19-12, blocks numbered 452-456, 495-499, 536-537, 539-541, 575-577, 579-582, 617-621, 623-624, 661-662, 664-665, and 705-706.

SEC. 113. Notwithstanding any other provision of this Act, nothing in this Act shall be construed to prohibit the approval of permits for the acquisition of geologic and geophysical data in Outer Continental Shelf areas, except that exploratory drilling shall not be permitted by this provision in lands within the Eastern Gulf of Mexico Planning Area which lie south of 26 degrees North latitude and east

SEC. 117. Within currently available funds, the Secretary of the Interior is directed immediately to appoint and compensate an independent third party factfinder mutually agreed upon by the Secretary and the Governor of Louisiana, to make all appropriate factual findings relating to past drainage on State and Federal leases occurring along the boundary of the State of Louisiana and Federal waters. Such factual findings shall include—

(a) whether drainage of either United States or State hydrocarbons has occurred during the time period starting April 7, 1986 and ending on the date the factfinding proceeding is completed;

(b) the areas or reservoirs from which the drainage occurred;

(c) the quantity of recoverable hydrocarbons, determined on a volumetric basis, originally in place within such areas or reservoirs prior to any production therefrom;

(d) the respective percentages of such recoverable hydrocarbons within the Federal and State portions of such areas or reservoirs;

(e) the total accumulated volume of any net drainage from each area or reservoir, including the value thereof (together with a description of the method for determining such value) and all production costs incurred during that period;

(f) the net dollar impact to the United States, United States lessees, the State of Louisiana, and the State lessees that has resulted from any such drainage from each area or reservoir;

(g) the proper allocation of production from each field from all time periods starting April 7, 1986; and

(h) the proper prospective allocation of production from the fields involved.

Within 180 days of the date of enactment of this Act, the third party factfinder shall submit a written report containing the factual findings to the Secretary, the Governor of Louisiana, and the Congressional Committees of jurisdiction. The Secretary shall then prepare a plan 60 days after receipt of the written report regarding options for the potential redistribution of royalty receipts, if warranted by the findings of this written report.

For necessary expenses of cooperating with, and providing technical and financial assistance to States, Territories, possessions, and others; and for forest pest management activities, \$86,668,000, to remain available until expended, as authorized by law: *Provided*, That a grant of \$2,800,000 shall be made to the State of Minnesota for the purposes authorized by section 6 of Public Law 95-495: *Provided further*, That notwithstanding any other provision of law, a grant of \$3,600,000 shall be provided to the Washington State Parks and Recreation Commission for construction of the Spokane River Centennial Trail, and a grant of \$1,350,000 shall be provided to the County of Kootenai, Idaho, for construction of the Idaho Centennial Trail.

NATIONAL FOREST SYSTEM

For necessary expenses of the Forest Service, not otherwise provided for, for management, protection, improvement, and utilization of the National Forest System, and for reimbursement to other appropriation accounts from which funds were transferred in the preceding fiscal years for forest firefighting and emergency rehabilitation of National Forest System lands, and for administrative expenses associated with the management of funds provided under the heads "Forest Research", "State and Private Forestry", "National Forest System", "Construction", and "Land Acquisition", \$1,329,488,000 to remain available for obligation until September 30, 1990, and including 65 per centum of all monies received during the prior fiscal year as fees collected under the Land and Water Conservation Fund Act of 1965, as amended, in accordance with section 4 of the Act (16 U.S.C. 4601-6a): *Provided*, That appropriations in this account remaining unobligated at the end of the fiscal year 1988, both annual and two-year funds, and which would otherwise be returned to the general fund of the Treasury, shall be merged with and made a part of the fiscal year 1989 National Forest System appropriation, and shall remain available for obligation until September 30, 1990: *Provided further*, That funds available for forest firefighting and emergency rehabilitation of National Forest System lands are available for liquidation of obligations made in preceding fiscal years.

CONSTRUCTION

For necessary expenses of the Forest Service, not otherwise provided for, for construction, \$225,518,000, to remain available until expended, of which \$33,914,000 is for construction and acquisition of buildings and other facilities; and \$191,604,000 is for construction of forest roads and trails by the Forest Service as authorized by 16 U.S.C. 532-538 and 23 U.S.C. 101 and 205: *Provided*, That funds becoming available in fiscal year 1989 under the Act of March 4, 1913 (16 U.S.C. 501), shall be transferred to the General Fund of the Treasury of the United States: *Provided further*, That not to exceed \$75,000,000, to remain available until expended, may be obligated for the construction of forest roads by timber purchasers: *Provided further*, That notwithstanding any other provision of this Act or any other provision of law, there is authorized and appropriated out of the Highway Trust Fund (other than the Mass Transit Account), \$5,333,000 of contract authority to be transferred to the Forest Service for road construction to Forest Development Road Standards

to serve the Mount St. Helens National Volcanic Monument, Washington: *Provided further*, That the funds authorized by this section shall be available for obligation in the same manner and to the same extent as if such funds were apportioned under chapter 1 of title 23, United States Code, except the Federal share of the cost of this project shall be 100 per centum, and such funds shall remain available until expended: *Provided further*, That \$5,333,000 to be derived from the Highway Trust Fund (other than the Mass Transit Account) as authorized and appropriated above is hereby made available to liquidate the obligations incurred against the contract authority as provided for in this Act.

LAND ACQUISITION

For expenses necessary to carry out the provisions of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 4601-4-11), including administrative expenses, and for acquisition of land or waters, or interest therein, in accordance with statutory authority applicable to the Forest Service, \$63,805,000 to be derived from the Land and Water Conservation Fund, to remain available until expended and \$400,000 for acquisition of land and interests therein and near the White Salmon National Recreational River, Klickitat County, Washington, described as Government lot 2, southwest quarter of the northwest quarter, section 18, township 4 north range 11 east, Willamette Meridian, pursuant to the Department of Agriculture Organic Act of 1956 (7 U.S.C. 428(a)), to remain available until expended.

Notwithstanding any other provision of law or order based thereon, if requested by the Secretary of Agriculture, the Secretary of the Interior is authorized and directed to take such actions (including but not limited to the revocation of the Shay Creek withdrawal (Mount Diablo Meridian: township 10 north, range 19 east, section 24, southeast quarter northeast quarter, east half southeast quarter, and southwest quarter southeast quarter) under Public Land Order 2301 and the issuance of patents) as may be necessary to consummate the exchange within the Toiyabe National Forest in California of the Shay Creek parcel for private holdings of equal value.

The following may be cited as the "New Hampshire Forest Management Initiatives Act of 1988".

SEC. 1. (a) For the protection and management of the timber resources and the scenic, natural, recreation and other resource values associated with certain forest lands in the State of New Hampshire, and in cooperation with State and private entities as provided herein, the Secretary of Agriculture (hereafter "Secretary") is authorized and directed to acquire by purchase, donation or otherwise, lands and interests therein now or formerly owned by Diamond International Corporation in the State of New Hampshire (hereafter "Diamond lands").

(b) The Diamond lands are generally depicted on maps dated July 1988 and entitled, "New Hampshire Forest Initiatives", which maps are on file with Chief, Forest Service, Washington, D.C. The Secretary may correct technical and clerical errors on any map.

(c) Acquisitions made pursuant to this Act shall be commensurate with appropriated and donated funds and shall be completed by the Secretary notwithstanding any other provision or requirement of law or condition precedent. The Secretary may exclude from acquisi-

tion such rights-of-way, easements and other outstanding rights deemed unacceptable to the Secretary, and may also exclude from acquisition any small or isolated parcels which the Secretary deems are not manageable for Federal purposes. It is the intent of Congress that these acquisitions be completed prior to October 15, 1988.

SEC. 2. (a) To the extent deemed practical by the Secretary in furtherance of this Act, the Secretary shall cooperate and assist ongoing and future initiatives by State and private organizations (hereafter "cooperating entity(ies)") to acquire the Diamond lands. Cooperating entities include, but are not limited to, the Society for the Protection of New Hampshire Forests, The Nature Conservancy, and the State of New Hampshire or instrumentality thereof.

Classified
information.

(b) Any information provided the Secretary by any cooperating entity relating to the study and acquisition of lands shall be exempt from disclosure under the Freedom of Information Act (5 U.S.C. 552).

SEC. 3. Subject to the availability of donated and appropriated funds, if by October 1, 1988, the Secretary or a cooperating entity has not acquired title or a land purchase option or contract to purchase the lands referenced in section 1, less any exclusions, the Secretary is directed to condemn such lands, or portions thereof, commensurate with available funds. Condemnation shall be as soon as possible after October 1, 1988, by a declaration of taking filed in accordance with the Act of February 26, 1931 (40 U.S.C. 258a, as amended). Nothing herein shall preclude filing of a condemnation action at any time if the Secretary deems further negotiations for the acquisition of the Diamond lands to be futile or if the condemnation is for the purpose of clearing title. No Congressional oversight or approval shall be required for the filing of a declaration of taking or any other aspect of the land acquisitions herein authorized, it being the intent of the Congress that the Diamond lands be acquired as soon as practicable.

Conservation.

SEC. 4. All lands acquired by the Secretary under authority of or pursuant to this Act shall be administered under the Weeks Act of March 1, 1911 (36 Stat. 961, as amended). For lands acquired by the United States located outside of and not contiguous to national forest boundaries existing as of the date of this Act, the primary management emphasis shall be the sustained yield of forest products consistent with the traditional uses, including public access, and conservation of other resource values. Within two years from the date lands are acquired pursuant to this Act, the Secretary shall report to Congress with recommendations for the permanent administration and disposition of such federally-owned lands.

SEC. 5. In furtherance of the public purposes associated with the present and future protection and management of the timber, scenic, natural, recreation and other resources of forest lands in New Hampshire, and for other similar purposes as may be authorized by Congress, the Secretary may enter into written cooperative agreements with States and their political subdivisions, and private organizations, for the study, acquisition, management and administration of forest lands. Such agreements may include provisions for limited financial assistance for such purposes.

SEC. 6. Of the amount provided herein, \$5,250,000 shall be available from the Land and Water Conservation Fund, to remain available until expended, for the acquisition of lands and interests therein, and associated administrative costs.

TONGASS TIMBER SUPPLY FUND

For necessary expenses for the Tongass National Forest pursuant to section 705(a) of the Alaska National Interest Lands Conservation Act of 1980 (16 U.S.C. 539d(a)), as amended, \$35,999,000, to remain available until expended.

TIMBER ROADS, PURCHASER ELECTION, FOREST SERVICE

(RESCISSION)

Of the funds currently available and unobligated in this account, \$40,000,000 is hereby rescinded.

ACQUISITION OF LANDS FOR NATIONAL FORESTS

SPECIAL ACTS

For acquisition of lands within the exterior boundaries of the Cache, Uinta, and Wasatch National Forests, Utah; the Toiyabe National Forest, Nevada; and the Angeles, San Bernardino, and Cleveland National Forests, California, as authorized by law, \$966,000, to be derived from forest receipts.

ACQUISITION OF LANDS TO COMPLETE LAND EXCHANGES

For acquisition of lands, to be derived from funds deposited by State, county, or municipal governments, public school districts, or other public school authorities pursuant to the Act of December 4, 1967, as amended (16 U.S.C. 484a), to remain available until expended.

RANGE BETTERMENT FUND

For necessary expenses of range rehabilitation, protection, and improvement, 50 per centum of all moneys received during the prior fiscal year, as fees for grazing domestic livestock on lands in National Forests in the sixteen Western States, pursuant to section 401(b)(1) of Public Law 94-579, as amended, to remain available until expended, of which not to exceed 6 percent shall be available for administrative expenses associated with on-the-ground range rehabilitation, protection, and improvements.

MISCELLANEOUS TRUST FUNDS

For expenses authorized by 16 U.S.C. 1643(b), \$90,000 to remain available until expended, to be derived from the fund established pursuant to the above Act.

ADMINISTRATIVE PROVISIONS, FOREST SERVICE

Appropriations to the Forest Service for the current fiscal year shall be available for: (a) purchase of not to exceed 200 passenger motor vehicles of which ten will be used primarily for law enforcement purposes and of which 190 shall be for replacement only, of which acquisition of 165 passenger motor vehicles shall be from excess sources, and hire of such vehicles; operation and maintenance of aircraft, the purchase of not to exceed two for replacement only, and acquisition of 59 aircraft from excess sources; notwithstanding other provisions of law, existing aircraft being replaced may be sold,

with proceeds derived or trade-in value used to offset the purchase price for the replacement aircraft; (b) services pursuant to the second sentence of section 706(a) of the Organic Act of 1944 (7 U.S.C. 2225), and not to exceed \$100,000 for employment under 5 U.S.C. 3109; (c) uniform allowances for each uniformed employee of the Forest Service, not in excess of \$400 annually; (d) purchase, erection, and alteration of buildings and other public improvements (7 U.S.C. 2250); (e) acquisition of land, waters, and interests therein, pursuant to the Act of August 3, 1956 (7 U.S.C. 428a); (f) for expenses pursuant to the Volunteers in the National Forest Act of 1972 (16 U.S.C. 558a, 558d, 558a note); and (g) for debt collection contracts in accordance with 31 U.S.C. 3718(c).

None of the funds made available under this Act shall be obligated or expended to change the boundaries of any region, to abolish any region, to move or close any regional office for research, State and private forestry, or National Forest System administration of the Forest Service, Department of Agriculture, without the consent of the House and Senate Committees on Appropriations and the Committee on Agriculture, Nutrition, and Forestry in the United States Senate and the Committee on Agriculture in the United States House of Representatives.

Any appropriations or funds available to the Forest Service may be transferred to the National Forest System appropriation for forest firefighting and the emergency rehabilitation of burned-over lands under its jurisdiction.

The appropriation structure for the Forest Service may not be altered without advance approval of the House and Senate Committees on Appropriations.

Notwithstanding any other provision of law, any appropriations or funds available to the Forest Service may be used to reimburse employees for the cost of State licenses and certification fees pursuant to their Forest Service position and that are necessary to comply with State laws, regulations, and requirements.

Funds appropriated to the Forest Service shall be available for assistance to or through the Agency for International Development and the Office of International Cooperation and Development in connection with forest and rangeland research, technical information, and assistance in foreign countries.

Funds previously appropriated for timber salvage sales may be recovered from receipts deposited for use by the applicable national forest and credited to the Forest Service Permanent Appropriations to be expended for timber salvage sales from any national forest, and for sales preparation of timber sales to replace sales lost to fire or other causes, and sales preparation activities to replace sales inventory on the shelf for any national forest to a level sufficient to maintain new sales availability equal to a rolling five-year average of the total sales offerings, and for design, engineering, and supervision of construction of roads lost to fire or other causes associated with the timber sales programs described above: *Provided*, That not less than \$47,561,000 shall be made available to the Forest Service for obligation in fiscal year 1989 from the Timber Salvage Sales Fund appropriation: *Provided further*, That moneys received from the timber salvage sales program in fiscal year 1989 shall be considered as money received for purposes of computing and distributing 25 per centum payments to local governments under 16 U.S.C. 500, as amended.

None of the funds made available to the Forest Service under this Act shall be subject to transfer under the provisions of section 702(b) of the Department of Agriculture Organic Act of 1944 (7 U.S.C. 2257) or 7 U.S.C. 147b unless the proposed transfer is approved in advance by the House and Senate Committees on Appropriations in compliance with the reprogramming procedures contained in House Report 99-714.

No funds appropriated to the Forest Service shall be transferred to the Working Capital Fund of the Department of Agriculture without the approval of the Chief of the Forest Service.

Notwithstanding any other provision of law, any appropriations or funds available to the Forest Service may be used to provide nonmonetary awards of nominal value to private individuals and organizations that make contributions to Forest Service programs.

Notwithstanding any other provision of the law, none of the funds available under this, or any other Act shall be obligated or expended to adjust annual recreational residence fees except on a four-year phased in basis commencing January 1, 1989.

Funds available to the Forest Service shall be available to conduct a program of not less than \$1,000,000 for high priority projects within the scope of the approved budget which shall be carried out by the Youth Conservation Corps as if authorized by the Act of August 13, 1970, as amended by Public Law 93-408.

Notwithstanding the provisions under the Federal Grant and Cooperative Agreements Act of 1977 (31 U.S.C. 6301-6308), the Forest Service is authorized to negotiate and enter into cooperative arrangements with the various States, and private, nonprofit organizations to continue the recreation and wildlife and fish Challenge Cost-share Programs.

Contracts.

None of the funds made available to the Forest Service in this Act shall be expended for the construction of the Gasquet-Orleans (G-O) road.

None of the funds made available to the Forest Service in this Act shall be expended for the purpose of issuing a special use authorization permitting land use and occupancy and surface disturbing activities for any project to be constructed on Lewis Fork Creek in Madera County, California, at the site above, and adjacent to, Corlieu Falls bordering the Lewis Fork Creek National Recreation Trail until the studies required in Public Law 100-202 have been submitted to the Congress: *Provided*, That any special use authorization shall not be executed prior to the expiration of thirty calendar days (not including any day in which either House of Congress is not in session because of adjournment of more than three calendar days to a day certain) from the receipt of the required studies by the Speaker of the House of Representatives and the President of the Senate.

Notwithstanding any other provision of law, the Secretary of the Treasury is directed to make available to the Secretary of Agriculture, to remain available until expended, all National Forest Fund timber receipts received by the Treasury during fiscal year 1988 from the harvesting of National Forest Timber in excess of \$791,000,000, the 1988 National Forest Fund timber receipts contained in the President's Budget proposal for fiscal year 1989: *Provided*, That this estimate of 1988 receipts shall not be adjusted for the purposes of this section: *Provided further*, That such funds shall be made available during fiscal year 1989, and shall be in addition to any funds appropriated in this Act: *Provided further*,

Reports.

That this transaction will not affect, diminish, or otherwise alter the payments to be made in accordance with the provisions of the Act of May 23, 1908, as amended (16 U.S.C. 500) or the Act of July 10, 1930 (16 U.S.C. 577g): *Provided further*, That the funds associated with this section shall be scored in a manner consistent with the President's request for fiscal year 1989: *Provided further*, That funds made available to the Secretary of Agriculture pursuant to this section shall be used for the necessary expenses, including support costs of National Forest System programs as follows: 6 per centum for National Forest trail maintenance; 4 per centum for National Forest Trail construction; 20 per centum for wildlife and fish habitat management; 20 per centum for soil, water, and air management; 5 per centum for cultural resource management; 5 per centum for wilderness management; 10 per centum for reforestation; and 30 per centum for timber sales administration and management, including all timber support costs, for advanced preparation work for fiscal year 1990 and fiscal year 1991 timber sale offerings: *Provided further*, That not later than 30 days after the submission of the President's fiscal year 1990 budget, the Chief of the Forest Service shall provide a report to the House and Senate Committees on Appropriations on the final amount and distribution of funds made available under this section and shall include an assessment of National Forest resource outputs to be produced in fiscal year 1989, fiscal year 1990, and subsequent years, using funds made available under this section, and a comparison of the outputs achieved in fiscal year 1989 and proposed for fiscal year 1990, with the output levels for the program areas listed described in the Forest Service resource management plans in effect at the time of the report required by this section.

Notwithstanding the lack of authorization for payment from appropriated funds in older supplements to cooperative right-of-way construction and use agreements, the Forest Service is authorized and directed to make cash payments in lieu of payment through collection rights where it determines that an unreasonable delay has occurred or is likely to occur before the collection rights can be exercised or offsetting construction performed. In addition, the Service is authorized and directed to make cash payment of excess cost imbalances carried by cooperators which the Government has not repaid within a reasonable time period through the exercise of collection rights or by other means.

Any money collected from the States for fire suppression assistance rendered by the Forest Service on non-Federal lands not in the vicinity of National Forest System Lands shall be used to reimburse the applicable appropriation and shall remain available until expended as the Secretary may direct in conducting activities authorized by 16 U.S.C. 2101 (note), 2101-2110, 1606, and 2111.

Of the funds available to the Forest Service, \$1,500 is available to the Chief of the Forest Service for official reception and representation expenses.

DEPARTMENT OF ENERGY

CLEAN COAL TECHNOLOGY

For necessary expenses of, and associated with, Clean Coal Technology demonstrations pursuant to 42 U.S.C. 5901 et seq., \$575,000,000 shall be made available on October 1, 1989, and shall remain available until expended: *Provided*, That projects selected

pursuant to a general request for proposals issued pursuant to this appropriation shall demonstrate technologies capable of retrofitting or repowering existing facilities and shall be subject to all provisos contained under this head in Public Laws 99-190 and 100-202 as amended by this Act.

The first paragraph under this head in Public Law 100-202 is amended by striking "and \$525,000,000 are appropriated for the fiscal year beginning October 1, 1988" and inserting "\$190,000,000 are appropriated for the fiscal year beginning October 1, 1988, and shall remain available until expended, \$135,000,000 are appropriated for the fiscal year beginning October 1, 1989, and shall remain available until expended, and \$200,000,000 are appropriated for the fiscal year beginning October 1, 1990": *Provided*, That outlays in fiscal year 1989 resulting from the use of funds appropriated under this head in Public Law 100-202, as amended by this Act, may not exceed \$15,500,000: *Provided further*, That these actions are taken pursuant to section 202(b)(1) of Public law 100-119 (2 U.S.C. 909).

101 Stat.
1329-240.

For the purposes of the sixth proviso under this head in Public Law 99-190, funds derived by the Tennessee Valley Authority from its power program are hereafter not to be precluded from qualifying as all or part of any cost-sharing requirement, except to the extent that such funds are provided by annual appropriations Acts: *Provided*, That unexpended balances of funds made available in the "Energy Security Reserve" account in the Treasury for The Clean Coal Technology Program by the Department of the Interior and Related Agencies Appropriations Act, 1986, as contained in section 101(d) of Public Law 99-190, shall be merged with this account: *Provided further*, That for the purposes of the sixth proviso in Public Law 99-190 under this heading, funds provided under section 306 of Public Law 93-32 shall be considered non-Federal: *Provided further*, That reports on projects selected by the Secretary of Energy pursuant to authority granted under the heading "Clean coal technology" in the Department of the Interior and Related Agencies Appropriations Act, 1986, as contained in Public Law 99-190, which are received by the Speaker of the House of Representatives and the President of the Senate prior to the end of the second session of the 100th Congress shall be deemed to have met the criteria in the third proviso of the fourth paragraph under the heading "Administrative provisions, Department Energy" in the Department of the Interior and Related Agencies Appropriations Act, 1986, as contained in Public Law 99-190, upon expiration of 30 calendar days from receipt of the report by the Speaker of the House of Representatives and the President of the Senate.

otherwise generated by sale of products in connection with projects of the Department appropriated under this Act may be retained by the Secretary of Energy, to be available until expended, and used only for plant construction, operation, costs, and payments to cost-sharing entities as provided in appropriate cost-sharing contracts or agreements: *Provided further*, That the remainder of revenues after the making of such payments shall be covered into the Treasury as miscellaneous receipts: *Provided further*, That any contract, agreement, or provision thereof entered into by the Secretary pursuant to this authority shall not be executed prior to the expiration of 30 calendar days (not including any day in which either House of Congress is not in session because of adjournment of more than three calendar days to a day certain) from the receipt by the Speaker of the House of Representatives and the President of the Senate of a full and comprehensive report on such project, including the facts and circumstances relied upon in support of the proposed project.

The Secretary of Energy may transfer to the Emergency Preparedness appropriation such funds as are necessary to meet any unforeseen emergency needs from any funds available to the Department of Energy from this Act.

Notwithstanding 31 U.S.C. 3302, funds derived from the sale of assets as a result of defaulted loans made under the Department of Energy Alcohol Fuels Loan Guarantee program, or any other funds received in connection with this program, shall be credited to the Biomass Energy Development account, and shall be available solely for payment of the guaranteed portion of defaulted loans and associated costs of the Department of Energy Alcohol Fuels Loan Guarantee program for loans guaranteed prior to January 1, 1987.

Unobligated balances available in the "Alternative fuels production" account may be used for payment of the guaranteed portion of defaulted loans and associated costs of the Department of Energy Alcohol Fuels Loan Guarantee program, subject to the determination by the Secretary of Energy that such unobligated funds are not needed for carrying out the purposes of the Alternative Fuels Production program: *Provided*, That the use of these unobligated funds for payment of defaulted loans and associated costs shall be available only for loans guaranteed prior to January 1, 1987: *Provided further*, That such funds shall be used only after the unobligated balance in the Department of Energy Alcohol Fuel Loan Guarantee reserve has been exhausted.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

INDIAN HEALTH SERVICE

INDIAN HEALTH SERVICES

For expenses necessary to carry out the Act of August 5, 1954 (68 Stat. 674), the Indian Self-Determination Act, the Indian Health Care Improvement Act, and titles III and XXIII and sections 208 and 338G of the Public Health Service Act with respect to the Indian Health Service, including hire of passenger motor vehicles and aircraft; purchase of reprints; purchase and erection of portable buildings; payments for telephone service in private residences in the field, when authorized under regulations approved by the Secretary; \$1,020,106,000, together with payments received during the

fiscal year pursuant to 42 U.S.C. 300cc-2 for services furnished by the Indian Health Service: *Provided*, That notwithstanding any other law or regulation, funds transferred from the Department of Housing and Urban Development to the Indian Health Service shall be administered under Public Law 86-121 (the Indian Sanitation Facilities Act): *Provided further*, That funds made available to tribes and tribal organizations through grants and contracts authorized by the Indian Self-Determination and Education Assistance Act of 1975 (88 Stat. 2203; 25 U.S.C. 450), shall remain available until expended: *Provided further*, That \$15,000,000 shall remain available until expended, for the Indian Catastrophic Health Emergency Fund and contract medical care: *Provided further*, That of the funds provided, \$2,000,000 shall be used to carry out a loan repayment program under which Federal, State, and commercial-type educational loans for physicians and other health professionals will be repaid at a rate not to exceed \$25,000 per year of obligated service in return for full-time clinical service in the Indian Health Service. Each individual participating in this program must sign and submit to the Secretary a written contract to accept repayment of educational loans and to serve for the applicable period of service in the Indian Health Service: *Provided further*, That funds provided in this Act may be used for one-year contracts and grants which are to be performed in two fiscal years, so long as the total obligation is recorded in the year for which the funds are appropriated: *Provided further*, That the amounts collected by the Secretary of Health and Human Services under the authority of title IV of the Indian Health Care Improvement Act shall be available for two fiscal years after the fiscal year in which they were collected, for the purpose of achieving compliance with the applicable conditions and requirements of titles XVIII and XIX of the Social Security Act (exclusive of planning, design, construction of new facilities, or major renovation of existing Indian Health Service facilities): *Provided further*, That of the funds provided, \$2,500,000 shall remain available until expended, for the Indian Self-Determination Fund, which shall be available for the transitional costs of initial or expanded tribal contracts, grants or cooperative agreements with the Indian Health Service under the provisions of the Indian Self-Determination Act: *Provided further*, That funding contained herein, and in any earlier appropriations Acts for scholarship programs under section 103 of the Indian Health Care Improvement Act and section 338G of the Public Health Service Act with respect to the Indian Health Service shall remain available for expenditure until September 30, 1990.

INDIAN HEALTH FACILITIES

For construction, major repair, improvement, and equipment of health and related auxiliary facilities, including quarters for personnel; preparation of plans, specifications, and drawings; acquisition of sites, purchase and erection of portable buildings, and purchases of trailers; and for provision of domestic and community sanitation facilities for Indians, as authorized by section 7 of the Act of August 5, 1954 (42 U.S.C. 2004a), the Indian Self-Determination Act and the Indian Health Care Improvement Act, \$61,668,000, to remain available until expended: *Provided*, That the Indian Health Service may hold in reserve a sum not to exceed \$600,000 as a contingency for site acquisition at the Kotzebue Hospital: *Provided further*, That of funds appropriated in the fiscal year 1987 continuing resolution for

the construction of detoxification facilities for Indian youth, not to exceed \$600,000 shall be made available for planning and design of a youth alcohol and substance abuse treatment facility by the Inland Tribal Consortium, to be located in the State of Washington: *Provided further*, That the Secretary of Health and Human Services may accept ownership of the buildings offered at no cost by the Gila River Indian Tribe for use solely as the Phoenix Area Regional Youth Treatment Center for Alcohol and Substance Abuse, and may use funds appropriated to the Indian Health Service in Public Law 99-591, to renovate the buildings for that purpose.

ADMINISTRATIVE PROVISIONS, INDIAN HEALTH SERVICE

Appropriations in this Act to the Indian Health Service, available for salaries and expenses, shall be available for services as authorized by 5 U.S.C. 3109 but at rates not to exceed the per diem equivalent to the rate for GS-18, and for uniforms or allowances therefor as authorized by law (5 U.S.C. 5901-5902), and for expenses of attendance at meetings which are concerned with the functions or activities for which the appropriation is made or which will contribute to improved conduct, supervision, or management of those functions or activities: *Provided*, That none of the funds appropriated under this Act to the Indian Health Service shall be available for the initial lease of permanent structures without advance provision therefor in appropriations Acts: *Provided further*, That non-Indian patients may be extended health care at all tribally administered or Indian Health Service facilities, if such care can be extended without impairing the ability of the facility to fulfill its responsibility to provide health care to Indians served by such facilities and subject to such reasonable charges as the Secretary of Health and Human Services shall prescribe, the proceeds of which, together with funds recovered under the Federal Medical Care Recovery Act (42 U.S.C. 2651-53), shall be deposited in the fund established by sections 401 and 402 of the Indian Health Care Improvement Act or in the case of tribally administered facilities, shall be retained by the tribal organization without fiscal year limitation: *Provided further*, That funds appropriated to the Indian Health Service in this Act, except those used for administrative and program direction purposes, shall not be subject to limitations directed at curtailing Federal travel and transportation: *Provided further*, That with the exception of Indian Health Service units which currently have a billing policy, the Indian Health Service shall not initiate any further action to bill Indians in order to collect from third-party payers nor to charge those Indians who may have the economic means to pay unless and until such time as Congress has agreed upon a specific policy to do so and has directed the Indian Health Service to implement such a policy: *Provided further*, That the Secretary of Health and Human Services may authorize special retention pay under paragraph (4) of 37 U.S.C. 302(a) to any regular or reserve officer for the period during which the officer is obligated under section 338B of the Public Health Service Act and assigned and providing direct health services or serving the officer's obligation as a specialist: *Provided further*, That personnel ceilings may not be imposed on the Indian Health Service nor may any action be taken to reduce the full-time equivalent level of the Indian Health Service by the elimination of temporary employees by reduction in force, hiring freeze or any other means without the review

SEC. 302. No part of any appropriation under this Act shall be available to the Secretaries of the Interior and Agriculture for use for any sale hereafter made of unprocessed timber from Federal lands west of the 100th meridian in the contiguous 48 States which will be exported from the United States, or which will be used as a substitute for timber from private lands which is exported by the purchaser: *Provided*, That this limitation shall not apply to specific quantities of grades and species of timber which said Secretaries determine are surplus to domestic lumber and plywood manufacturing needs.

SEC. 303. No part of any appropriation under this Act shall be available to the Secretary of the Interior or the Secretary of Agriculture for the leasing of oil and natural gas by noncompetitive bidding on publicly owned lands within the boundaries of the Shawnee National Forest, Illinois: *Provided*, That nothing herein is intended to inhibit or otherwise affect the sale, lease, or right to access to minerals owned by private individuals.

SEC. 304. No part of any appropriation contained in this Act shall be available for any activity or the publication or distribution of literature that in any way tends to promote public support or opposition to any legislative proposal on which congressional action is not complete.

SEC. 305. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.

SEC. 306. None of the funds provided in this Act to any department or agency shall be obligated or expended to provide a personal cook, chauffeur, or other personal servants to any officer or employee of such department or agency except as otherwise provided by law.

SEC. 307. Except for lands described by sections 105 and 106 of Public Law 96-560, section 103 of Public Law 96-550, section 5(d)(1) of Public Law 96-312, and except for land in the State of Alaska, and lands in the National Forest System released to management for

any use the Secretary of Agriculture deems appropriate through the land management planning process by any statement or other Act of Congress designating components of the National Wilderness Preservation System now in effect or hereinafter enacted, and except to carry out the obligations and responsibilities of the Secretary of the Interior under section 17(k)(1) (A) and (B) of the Mineral Leasing Act of 1920 (30 U.S.C. 226), none of the funds provided in this Act shall be obligated for any aspect of the processing or issuance of permits or leases pertaining to exploration for or development of coal, oil, gas, oil shale, phosphate, potassium, sulfur, gilsonite, or geothermal resources on Federal lands within any Forest Service RARE II areas recommended for wilderness designation or allocated to further planning in Executive Communication 1504, Ninety-sixth Congress (House Document numbered 96-119); or within any lands designated by Congress as wilderness study areas or within Bureau of Land Management wilderness study areas: *Provided*, That nothing in this section shall prohibit the expenditure of funds for any aspect of the processing or issuance of permits pertaining to exploration for or development of the mineral resources described in this section, within any component of the National Wilderness Preservation System now in effect or hereinafter enacted, any Forest Service RARE II areas recommended for wilderness designation or allocated to further planning, within any lands designated by Congress as wilderness study areas, or Bureau of Land Management wilderness study areas, under valid existing rights, or leases validly issued in accordance with all applicable Federal, State, and local laws or valid mineral rights in existence prior to October 1, 1982: *Provided further*, That funds provided in this Act may be used by the Secretary of Agriculture in any area of National Forest lands or the Secretary of the Interior to issue under their existing authority in any area of National Forest or public lands withdrawn pursuant to this Act such permits as may be necessary to conduct prospecting, seismic surveys, and core sampling conducted by helicopter or other means not requiring construction of roads or improvement of existing roads or ways, for the purpose of gathering information about the inventorying of energy, mineral, and other resource values of such area, if such activity is carried out in a manner compatible with the preservation of the wilderness environment: *Provided further*, That seismic activities involving the use of explosives shall not be permitted in designated wilderness areas: *Provided further*, That funds provided in this Act may be used by the Secretary of the Interior to augment recurring surveys of the mineral values of wilderness areas pursuant to section 4(d)(2) of the Wilderness Act and acquire information on other national forest and public land areas withdrawn pursuant to this Act, by conducting in conjunction with the Secretary of Energy, the National Laboratories, or other Federal agencies, as appropriate, such mineral inventories of areas withdrawn pursuant to this Act as the Secretary deems appropriate. These inventories shall be conducted in a manner compatible with the preservation of the wilderness environment through the use of methods including core sampling conducted by helicopter; geophysical techniques such as induced polarization, synthetic aperture radar, magnetic and gravity surveys; geochemical techniques including stream sediment reconnaissance and x-ray diffraction analysis; land satellites; or any other methods the Secretary deems appropriate. The Secretary of the Interior is hereby authorized to conduct inventories or segments

of inventories, such as data analysis activities, by contract with private entities deemed by the Secretary to be qualified to engage in such activities whenever the Secretary has determined that such contract would decrease Federal expenditures and would produce comparable or superior results: *Provided further*, That in carrying out any such inventory or surveys, where National Forest System lands are involved, the Secretary of the Interior shall consult with the Secretary of Agriculture concerning any activities affecting surface resources.

SEC. 308. None of the funds provided in this Act shall be used to evaluate, consider, process, or award oil, gas, or geothermal leases on Federal lands in the Mount Baker-Snoqualmie National Forest, State of Washington, within the hydrographic boundaries of the Cedar River municipal watershed upstream of river mile 21.6, the Green River municipal watershed upstream of river mile 61.0, the North Fork of the Tolt River proposed municipal watershed upstream of river mile 11.7, and the South Fork Tolt River municipal watershed upstream of river mile 8.4.

SEC. 309. No assessments may be levied against any program, budget activity, subactivity, or project funded by this Act unless such assessments and the basis therefor are presented to the Committees on Appropriations and are approved by such committees.

SEC. 310. Employment funded by this Act shall not be subject to any personnel ceiling or other personnel restriction for permanent or other than permanent employment except as provided by law.

SEC. 311. Notwithstanding any other provision of law, the Secretary of the Interior, the Secretary of Agriculture, the Secretary of Energy, and the Secretary of the Smithsonian Institution are authorized to enter into contracts with State and local governmental entities, including local fire districts, for procurement of services in the presuppression, detection, and suppression of fires on any units within their jurisdiction.

SEC. 312. None of the funds provided by this Act to the United States Fish and Wildlife Service may be obligated or expended to plan for, conduct, or supervise deer hunting on the Loxahatchee National Wildlife Refuge.

SEC. 313. None of the funds made available to the Department of the Interior or the Forest Service during fiscal year 1989 by this or any other Act may be used to implement the proposed jurisdictional interchange program until enactment of legislation which authorizes the jurisdictional interchange.

SEC. 314. The Forest Service and Bureau of Land Management are to continue to complete as expeditiously as possible development of their respective Forest Land and Resource Management Plans to meet all applicable statutory requirements. Notwithstanding the date in section 6(c) of the NFMA (16 U.S.C. 1600), the Forest Service, and the Bureau of Land Management under separate authority, may continue the management of lands within their jurisdiction under existing land and resource management plans pending the completion of new plans. Nothing shall limit judicial review of particular activities on these lands: *Provided, however*, That there shall be no challenges to any existing plan on the sole basis that the plan in its entirety is outdated, or in the case of the Bureau of Land Management, solely on the basis that the plan does not incorporate information available subsequent to the completion of the existing

SEC. 315. (a) From funds appropriated under this Act such sums as are necessary shall be made available to pay forest or wildland firefighters premium pay under the provision of subchapter V of chapter 55 of title 5, United States Code (notwithstanding the limitations of section 5547 of such title), for all premium pay that would have been paid to such forest or wildland firefighter employees, but for the provisions of section 5547 of such title, for all pay periods (and parts thereof) occurring during the fiscal year ending September 30, 1989.

(b) Notwithstanding the provisions of subsection (a), no forest or wildland firefighter employee may be paid premium pay to the extent that the aggregate rate of pay of such employee for the aggregate of all pay periods in any calendar year exceeds the maximum rate for GS-15 as provided under the General Schedule pursuant to subchapter III of chapter 53 of title 5, United States Code.

(c) For purposes of this section, the term "wildland forest firefighter" means any employee of the Department of Agriculture or the Department of the Interior who is assigned to, or in support of, work on forest or wildland wildfire emergencies.

18 USC 208 note.

SEC. 318. Such sums as may be necessary for fiscal year 1989 pay raises for programs funded by this Act shall be absorbed within the levels appropriated in this Act.

SEC. 319. Notwithstanding any other provision of law, hereafter for the purposes of section 208 of title 18, United States Code, "particular matter", as applied to employees of the Department of the Interior and the Indian Health Service, shall mean "particular matter involving specific parties".

SEC. 320. Notwithstanding any other provision of law, the Final Environmental Impact Statement issued by the USDA Forest Service concerning the Silver Complex Fire Recovery Project on the Siskiyou National Forest and the Record of Decision accompanying the Environmental Impact Statement shall not be subject to judicial review, and shall be subject only to one level of administrative appeal. Existing administrative appeals and appellant's Statement of Reasons shall be immediately transferred to the Chief of the Forest Service for decision. The Chief must render his decision not later than 30 days following enactment of this Act.

Any decision of a responsible Forest Service official to undertake a specific activity, including but not limited to the preparation, advertisement and sale of timber and the preparation, advertise-

ment and contracting for the construction of related roads within the Silver Complex Fire Recovery Area, as designated on maps dated June, 1988 and entitled "Silver Complex Fire Recovery Area", which maps are on file with the Chief, Forest Service, Washington, D.C., shall not be subject to administrative appeal or judicial review.

No funds made available to the Forest Service under this or any other Act may be expended to extend the Bald Mountain Road on the Siskiyou National Forest beyond southwest quarter, northeast quarter of section 21, township 36 south, range 10 west, Willamette Meridian.

SEC. 321. To ensure adequate availability of timber from the Mapleton Ranger District of the Siuslaw National Forest until the final forest land and resource management plan pursuant to section 6 of the Forest and Rangeland Renewable Resources Planning Act of 1974, as amended by the National Forest Management Act of 1976, as amended (16 U.S.C. 1604) is in effect, and notwithstanding the injunction issued pursuant to the judgment in *National Wildlife Federation, et al. v. United States Forest Service, et al.* (592 F. Supp. 931 (D. Ore. 1984) as modified by 801 F. 2d 360 (9th Cir. 1986)), the Secretary of Agriculture is authorized to offer up to 90 million board feet of net merchantable timber in fiscal year 1989 in the Mapleton Ranger District of the Siuslaw National Forest pursuant to the requirements of this section and until completion of the final forest plan. For purposes only of selling timber pursuant to this section (and activities related thereto), the Secretary shall utilize the Siuslaw National Forest draft land and resource management plan and accompanying draft environmental impact statement dated October 1, 1986 as if they were the final forest plan and environmental impact statement: *Provided*, That such statement, timber sales, roads and other associated activities, and their accompanying environmental assessments, prepared and offered pursuant to and consistent with such draft plan, for purposes only of this section, shall be treated as satisfying all requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) and the Forest and Rangeland Renewable Resources Planning Act of 1974, as amended by the National Forest Management Act of 1976, as amended (16 U.S.C. 1600 et seq.) and shall not be subject to administrative or judicial review for compliance with such Acts: *Provided further*, That nothing in this section shall affect any existing right of administrative or judicial review of such timber sales for compliance with other applicable laws: *Provided further*, That this provision does not in any manner represent a judgment upon the legal adequacy of the Siuslaw National Forest final plan and environmental impact statement.

SEC. 322. Unobligated balances remaining from the Baca Geothermal Demonstration Powerplant Project may be used to clean out the Hulin Well in the State of Louisiana.

SEC. 323. (a) Subject to valid existing rights, on the date of enactment of this section deposits of quartz mineral within the Ouachita National Forest in the State of Arkansas shall no longer be subject to location and entry under the General Mining Law of 1872 (17 Stat. 91), as amended, and all such deposits shall hereafter be disposed of under the same conditions as are applicable to common varieties of mineral materials on such lands under the Materials Act of 1947 (61 Stat. 681), as amended: *Provided*, That fifty percent of the moneys received pursuant to this section shall be paid by the Secretary of the Treasury to the State of Arkansas, to be
