For the purposes of this Act, the term "line of mean high tide" shall mean the meander line as heretofore established by Government survey, or, in the event that such a survey has not been made, the present line of mean high tide. Upon the acceptance by the Secretary of the Interior (hereinafter called the "Secretary") at any future time of the survey of any other townsite in the Territory, all the right, title, and interest of the United States in and to the lands, including improvements thereon and natural resources thereof, lying offshore of that surveyed townsite, between the line of mean high tide and the pierhead line, shall pass to the Territory, in the same manner and subject to the same conditions as set forth in this Act for lands lying offshore of townsites which are now surveyed.
