

universities of the same State if there be any which qualify therefor and, if there be none, the Secretary shall reapportion such differences to the qualifying colleges and universities of other States participating in the forestry research program.

Apportionments among States.

SEC. 5. Apportionments among participating States and administrative expenses in connection with the program shall be determined by the Secretary after consultation with a national advisory board of not less than seven officials of the forestry schools of the State-certified eligible colleges and universities chosen by a majority of such schools. In making such apportionments consideration shall be given to pertinent factors including, but not limited to, areas of non-Federal commercial forest land and volume of timber cut annually from growing stock.

Appointment of advisory committee.

SEC. 6. The Secretary is authorized and directed to prescribe such rules and regulations as may be necessary to carry out the provisions of this Act and to furnish such advice and assistance through a cooperative State forestry research unit in the Department of Agriculture as will best promote the purposes of this Act. The Secretary is further authorized and directed to appoint an advisory committee which shall be constituted to give equal representation to Federal-State agencies concerned with developing and utilizing the Nation's forest resources and to the forest industries. The Secretary and the national advisory board shall seek at least once each year the counsel and advice of the advisory committee to accomplish effectively the purposes of this Act.
