(1) If the officer or employee is receiving basic compensation immediately prior to the effective date of this section at one of the rates of a grade in the General Schedule of the Classification Act of 1949, as amended, he shall receive a rate of basic compensation at the corresponding rate in effect on and after such date.

(2) If the officer or employee is receiving basic compensation immediately prior to the effective date of this section at a rate between two rates of a grade in the General Schedule of the Classification Act of 1949, as amended, he shall receive a rate of basic compensation at the higher of the two corresponding rates in effect on and after such date.

(3) If the officer or employee is receiving basic compensation immediately prior to the effective date of this section at a rate in excess of the maximum rate for his grade, he shall receive (A)

the maximum rate for his grade in the new schedule, or (B) his existing rate of basic compensation if such existing rate is higher.

(4) If the officer or employee, immediately prior to the effective date of this section, is receiving, pursuant to section 2(b)(4) of the Federal Employees Salary Increase Act of 1955, an existing aggregate rate of compensation determined under section 208(b) of the Act of September 1, 1954 (68 Stat. 1111), plus subsequent increases authorized by law, he shall receive an aggregate rate of compensation equal to the sum of his existing aggregate rate of compensation, on the day preceding the effective date of this section, plus the amount of increase made by this section in the maximum rate of his grade, until (i) he leaves his position, or (ii) he is entitled to receive aggregate compensation at a higher rate by reason of the operation of this Act or any other provision of law; but, when such position becomes vacant, the aggregate rate of compensation of any subsequent appointee thereto shall be fixed in accordance with applicable provisions of law. Subject to clauses (i) and (ii) of the immediately preceding sentence of this paragraph, the amount of the increase provided by this section shall be held and considered for the purpose of section 208(b) of the Act of September 1, 1954, to constitute a part of the existing rate of compensation of the employee.

“(b) The basic salary of postmasters in fourth-class post offices shall be readjusted for changes in revenue units at the start of the first pay period after January 1 of each year. When a post office is restored to a revenue unit category held by it prior to relegation to a lower revenue unit category, the postmaster’s basic salary may be adjusted to the highest salary step held by him when the post office was in the higher revenue unit category. Any fourth-class office advanced to the appropriate category pursuant to this subsection shall not be reduced in category until the start of the first pay period after January 1 of the calendar year following the calendar year in which it was so advanced, at which time it shall be assigned to the category indicated by the revenue units for the preceding fiscal year.

“(d) Persons who perform the duties of postmaster at post offices of the fourth class where there is a vacancy or during the absence of the postmaster on sick or annual leave, or leave without pay, shall be paid the same basic salary to which they would have been entitled if regularly appointed as postmaster.

“(e) The Postmaster General may allow to postmasters in fourth-class post offices additional compensation for separating services and for unusual conditions during a portion of the year, in lieu of an allowance for clerical services for this purpose.

“(f) At seasonal post offices of the fourth class, the Postmaster General may authorize the payment of the basic salary prorated over the pay periods the office is open for business during the fiscal year.

“(g) Where the revenue units of a post office of the third class for each of two consecutive fiscal years are less than 36, or where in any fiscal year the revenue units are less than 33, the post office shall be relegated to the fourth class and the basic salary of the postmaster shall be fixed in the manner provided in subsection (b) of this section.

“(h) When required by the Postmaster General a postmaster at a fourth-class office shall, and any other postmaster in PFS level 5 when permitted by the Postmaster General may, furnish quarters, fixtures, and equipment for an office on an allowance basis. The allowance for this purpose shall be an amount equal to 15 per centum of the basic compensation for the postmaster at the office.”

(b) As of the effective date of this section, the Postmaster General shall place the position of each postmaster in a fourth-class office in the appropriate revenue units category of the Fourth-Class Office Schedule (FOS) determined on the basis of revenue units for the fiscal year ending June 30, 1963. The Postmaster General shall assign each such postmaster to the lowest step of the appropriate revenue units category which will provide him compensation not less than 110 per centum of the compensation to which he would otherwise be entitled under FOS II (as it existed immediately prior to the effective date of this section). If there is no such step or category, the postmaster shall be paid compensation at the rate of 110 per centum of the compensation to which he would otherwise be entitled under FOS II (as it existed immediately prior to the effective date of this section).
