

EXPLANATION OF H.R. —, TO MAKE IMPROVEMENTS IN
THE ENACTMENT OF TITLE 54, UNITED STATES CODE,
INTO A POSITIVE LAW TITLE AND TO IMPROVE THE CODE

BACKGROUND

Public Law 113–287, which was signed into law on December 19, 2014, enacted certain laws relating to the National Park Service and related programs as title 54, United States Code. This bill adds to title 54 provisions that state the purposes of certain laws included in the enactment of title 54, repeals provisions that should have been repealed by Public Law 113–287, and makes necessary technical amendments to Public Law 113–287 and other provisions of law. The Office of the Law Revision Counsel of the House of Representatives prepared the bill and submitted it to the Committee as part of the responsibilities of the Office under section 205(c) of House Resolution No. 988, 93d Congress, as enacted into law by Public Law 93–554 (2 U. S. C 285b), to provide revisions in titles of the Code that have been enacted into positive law so that those titles may be kept current and to update the Code to reflect newly enacted law.
