The definitions in clauses (1) and (2), (6)–(10), (14)–(21), and (24) reflect the adoption of terminology which, though undefined in the source statutes restated in this

revised title, represent the closest practicable approximation of the ways in which the terms defined have been most commonly used, and so far as possible are identical to those used in title 10, United States Code, containing most of the basic law relating to the armed forces.

In clause (3), the words “and all Regular and Reserve components thereof”, in section 231(a) of existing title 37, are omitted as surplusage. Section 231(j) of existing title 37 is omitted as covered by section 1 of title 1.

In clause (4), that part of section 32(a) of existing title 37 relating other than to the enumeration of the armed forces is omitted as unnecessary. In clause (23), section 231(b) (less 1st sentence) of existing title 37 is omitted as executed by the express coverage of members of the Fleet Reserve and Fleet Marine Corps Reserve.

AMENDMENTS

1992—Par. (26). Pub. L. 102-484, as amended by Pub. L. 103-160, substituted “section 101 of title 10” for “section 101(47) of title 10”.

1991—Par. (26). Pub. L. 102-190 added par. (26).

1987—Pub. L. 100-26, §8(e)(1)(A), substituted “the following definitions apply in this title:” for “for the purposes of this title—”.

Pub. L. 100-26, §8(e)(1)(B), inserted “The term” at beginning of pars. (1) to (25).

Pub. L. 100-26, §8(e)(1)(C), which directed that this section be amended by revising first word after open quotation marks in each paragraph (other than par. (1) and (6) through (10)) so that initial letter of such word is lowercase, was executed to par. (5) only because specified words in other pars. began with lowercase letters.

Pub. L. 100-26, §8(e)(1)(D), (E), which directed a period be substituted for the semicolon at end of pars. (1) to (24) and that “and” be struck out at end of par. (24), was executed by making the substitution in pars. (1) to (23) and by striking “and” at end of par. (23), to reflect the probable intent of Congress, because par. (24) already ended in a period and “and” appeared at end of par. (23), not par. (24).

1984—Cl. (18). Pub. L. 98-525 inserted “full-time National Guard duty,” after “annual training duty.”.

1980—Cls. (3), (5)(E). Pub. L. 96-513, §516(1)(A), substituted “National Oceanic and Atmospheric” for “Environmental Science Services”.

Cl. (5)(F). Pub. L. 96-513, §516(1)(B), substituted “Health and Human Services” for “Health, Education, and Welfare”.

Cl. (18). Pub. L. 96-513, §506(1), struck out “duty on the active list,” after “and includes”.

Cl. (25). Pub. L. 96-579 defined “regular compensation” or “regular military compensation (RMC)” to include with respect to basic allowance for quarters any variable housing allowance or station housing allowance.

1974—Cl. (25). Pub. L. 93-419 added cl. (25).

1972—Cls. (7), (9). Pub. L. 92-492 inserted references to Virgin Islands.

1968—Cl. (5)(D). Pub. L. 90-623 substituted “Secretary of Transportation” for “Secretary of the Treasury”.

	37:232(c) (less last sentence).	Oct. 12, 1949, ch. 681, §201(c) (less last sentence), 63 Stat. 807; redesignated as “(c)” by Mar. 31, 1955, ch. 20, §2(2), 69 Stat. 19; May 20, 1958, Pub. L. 85-422, §1(3) (first sentence), 72 Stat. 124.

In subsection (a), the words “whether under temporary or permanent appointment” are omitted as surplusage. The words “the following pay grades” are substituted for the words “the various pay grades prescribed for commissioned officers by subsection (a) of this section, as follows”. The words “(other than a commissioned warrant officer)” are inserted to conform to the definition of “warrant officer” in section 101(13) of this revised title.

In subsection (b), the words “with two or less years of service computed under section 205 of this title” are substituted for the word “minimum”.

In subsections (c) and (e), the words “with two or less years of service computed under section 205 of this title” are substituted for the words “with under two cumulative years’ service” and “with under two cumulative years of service”, in sections 308 and 232(e), respectively, of existing title 37.

In subsection (e), the words “enlisted or appointed under the Army Aviation Cadet Act, as amended, or under the Naval Aviation Cadet Act of 1942, as amended” are omitted as obsolete and surplusage. Both of the cited acts were repealed by section 53 of the Act of August 10, 1956, ch. 1041 (70A Stat. 641), and replaced by various sections of title 10. Further reference is surplusage, however, since aviation cadets are not appointed or enlisted under any provision of law other than the sections of title 10 embodying the former Army Aviation Cadet Act and the Naval Aviation Cadet Act of 1942. The word “basic” is inserted for clarity, since the word “pay” as defined in section 101(21) of this revised title includes special and incentive pays. Incentive pay for aviation cadets is provided in section 301(b) of this revised title.

In subsection (f), the words “While on active duty”, in section 6915(f) of title 10 and section 758a(f) of title 14, are omitted as covered by section 204 of this title which prescribes the conditions under which members of the uniformed services are entitled to basic pay. The words “Unless he is entitled to the basic pay of a higher pay grade” are substituted for the words “or that of his grade, whichever is greater” in section 6915(f) of title 10 and section 758a(f) of title 14.

In subsection (g), the words “Except as provided by subsections (e) and (f)” are inserted to reflect those subsections relating to enlisted aviation cadets or aviation pilots.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 201, 209, 1009 of this title; title 2 section 906.

§ 204. Entitlement

(a) The following persons are entitled to the basic pay of the pay grade to which assigned or distributed, in accordance with their years of service computed under section 205 of this title—

(1) a member of a uniformed service who is on active duty; and

(2) a member of a uniformed service, or a member of the National Guard who is not a Reserve of the Army or the Air Force, who is participating in full-time training, training duty with pay, or other full-time duty, provided by law, including participation in exercises or the performance of duty under section 10302, 10305, 10502, or 12402 of title 10, or section 503, 504, 505, or 506 of title 32.

(b) For the purposes of subsection (a), under regulations prescribed by the President, the time necessary for a member of a uniformed service who is called or ordered to active duty for a period of more than 30 days to travel from his home to his first duty station and from his last duty station to his home, by the mode of transportation authorized in his call or orders, is considered active duty.

(c) A member of the National Guard who is called into Federal service for a period of 30 days or less is entitled to basic pay from the date when he appears at the place of company rendezvous. However, this subsection does not authorize any expenditure before arriving at the place of rendezvous that is not authorized by law to be paid after arrival at that place.

(d) Full-time training, training duty with pay, or other full-time duty performed by a member of the Army National Guard of the United States or the Air National Guard of the United States in his status as a member of the National Guard, is active duty for the purposes of this section.

(e) A payment accruing under any law to a member of a uniformed service incident to his release from active duty or for his return home incident to that release may be paid to him before his departure from his last duty station, whether or not he actually performs the travel involved. If a member receives a payment under this subsection but dies before that payment would have been made but for this subsection, no part of that payment may be recovered by the United States.

(f) A cadet of the United States Military Academy or the United States Air Force Academy, or a midshipman of the United States Naval Academy, who, upon graduation from one of those academies, is appointed as a second lieutenant of the Army or the Air Force is entitled to the basic pay of pay grade O-1 beginning upon the date of his graduation.

(g)(1) A member of a reserve component of a uniformed service is entitled to the pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service whenever such member is physically disabled as the result of an injury, illness, or disease incurred or aggravated—

(A) in line of duty while performing active duty;

(B) in line of duty while performing inactive-duty training (other than work or study in connection with a correspondence course of an armed force or attendance in an inactive status at an educational institution under the

sponsorship of an armed force or the Public Health Service); or

(C) while traveling directly to or from such duty or training.

(2) In the case of a member who receives earned income from nonmilitary employment or self-employment performed in any month in which the member is otherwise entitled to pay and allowances under paragraph (1), the total pay and allowances shall be reduced by the amount of such income. In calculating earned income for the purpose of the preceding sentence, income from an income protection plan, vacation pay, or sick leave which the member elects to receive shall be considered.

(h)(1) A member of a reserve component of a uniformed service who is physically able to perform his military duties, is entitled, upon request, to a portion of the monthly pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service for each month for which the member demonstrates a loss of earned income from nonmilitary employment or self-employment as a result of an injury, illness, or disease incurred or aggravated—

(A) in line of duty while performing active duty;

(B) in line of duty while performing inactive-duty training (other than work or study in connection with a correspondence course of an armed force or attendance in an inactive status at an educational institution under the sponsorship of an armed force or the Public Health Service); or

(C) while traveling directly to or from such duty or training.

(2) The monthly entitlement may not exceed the member's demonstrated loss of earned income from nonmilitary or self-employment. In calculating such loss of income, income from an income protection plan, vacation pay, or sick leave which the member elects to receive shall be considered.

(i)(1) The total amount of pay and allowances paid under subsections (g) and (h) and compensation paid under section 206(a) of this title for any period may not exceed the amount of pay and allowances provided by law or regulation for a member of a regular component of a uniformed service of corresponding grade and length of service for that period.

(2) Pay and allowances may not be paid under subsection (g) or (h) for a period of more than six months. The Secretary concerned may extend such period in any case if the Secretary determines that it is in the interests of fairness and equity to do so.

(3) A member is not entitled to benefits under subsection (g) or (h) if the injury, illness, disease, or aggravation of an injury, illness, or disease is the result of the gross negligence or misconduct of the member.

(4) Regulations with respect to procedures for paying pay and allowances under subsections (g) and (h) shall be prescribed—

(A) by the Secretary of Defense for the armed forces under the jurisdiction of the Secretary; and

(B) by the Secretary of Transportation for the Coast Guard when the Coast Guard is not operating as a service in the Navy.

(j) A member of the uniformed services who is entitled to medical or dental care under section 1074a of title 10 is entitled to travel and transportation allowances, or a monetary allowance in place thereof, for necessary travel incident to such care, and return to his home upon discharge from treatment.

[The citations to section 232(d) of existing title 37, above, are to the language of subsection (d) set forth in the codification note under section 232, rather than that erroneously set forth in the text of the section.]

In subsection (a), the last 27 words are substituted for the words "or performance of the duties provided for by sections 5, 81, 94, 97 and 99 of the National Defense Act, as amended," to reflect the current citations. So much of the introductory clause as follows the exception is substituted for the 36 words preceding 1st proviso of 1st sentence of section 232(d) of existing title 37. The words "on the active list" are omitted as covered by the words "active duty" as defined in section 101(18) of this revised title. The words "(provided for or authorized in the National Defense Act, as amended, or in the Naval Reserve Act of 1938, as amended)" are omitted as covered by the words "provided by law".

In subsection (b), the words "For the purposes of subsection (a)" are inserted for clarity. The words "active duty for a period of more than 30 days" are substituted for the words "extended active duty in excess of thirty days". The words "call or" are inserted to conform to the words "called or".

In subsection (c), the words "and allowances" are omitted, since, under chapter 7 of this revised title, entitlement to allowances depends upon entitlement to basic pay. The last sentence is substituted for the last 38 words of the 2d proviso of the 1st sentence of section 232(d) of existing title 37.

In subsection (d), the words "for the purposes of this section" are substituted for the words "and which enti-

ties them to receive basic pay . . . in the service of the United States". The words "pursuant to this section" are omitted as surplusage.

In subsection (e), the words "or active duty for training" are omitted as covered by the words "active duty" as defined in section 101(18) of this revised title.

In subsection (f), the words "is appointed" are substituted for the words "has been or may be commissioned". The words "under the laws appointing such graduates to the Army" and the last 16 words of section 308a of existing title 37 are omitted as surplusage. The words "to the date of his acceptance of and qualification under his commission" are omitted, since the member concerned would continue to be entitled to basic pay after that acceptance and qualification. The words "or the United States Naval Academy" are inserted to reflect section 541 of title 10, under which graduates of that Academy may be appointed in the Army or the Air Force.

In subsection (i), the inclusion of the Coast Guard Reserve is based on the authority contained in section 755(c) of title 14.

HISTORICAL AND REVISION NOTES

Revised section	Source (U.S. Code)	Source (Statutes at Large)
205(a)	37:233(a) (less words after 2d semicolon of clause (7)).	Oct. 12, 1949, ch. 681, §202 (less proviso of (d)), 63 Stat. 807; Apr. 30, 1956, ch. 223, §2, 70 Stat. 121.
205(b)	37:233(b). 37:233(a)(7) (words between 2d and 3d semicolons).	
205(c)	37:233(d) (less proviso). 37:233(a)(7) (words after 3d semicolon).	
205(d)	37:233(c).	

In subsection (a), the introductory clause is substituted for section 233(a) (introductory clause) of existing title 37. In clauses (1) and (2), the word "officer" is substituted for the words "commissioned officer, commissioned warrant officer, warrant officer" to conform to the definition of "officer" in section 101(11) of this revised title. In clause (1), the words "Regular or Reserve component" are omitted, since, under the definition of "reserve component" in section 102(k) of the source statute, those words are defined to include members without component status. Together, these categories compose the entire structure of any uniformed service. In clause (2)(F), the words "a reserve component of a uniformed service" are substituted for the words "the National Guard of the United States, or in the Organized Reserve Corps, or in the Officers' Reserve Corps, or in the Enlisted Reserve Corps, or in the Medical Reserve Corps, or in the Medical Reserve Corps of the Navy, or in the Dental Reserve Corps of the Navy

. . . or in the Naval Reserve . . . or in the Air National Guard of the United States, or in the Air Force Reserve, or in the officers' section of the Air Force Reserve, or in the enlisted section of the Air Force Reserve, or in the Air Corps Reserve . . . or in the Marine Corps Reserve, or in the Coast Guard Reserve, or in the Reserve Corps of the Public Health Service," since all of the named organizations were or are reserve components. In clause (4), the words "as it existed at any time before April 16, 1947" are inserted for clarity, since the reference is intended to apply to the corps established by law before April 16, 1947. Service in the Army Nurse Corps or Navy Nurse Corps now existing would be included under clause (1) or (2), since there is now no legal distinction between the service of nurses and that of other members of the Army and Navy. In clause (6), the date "January 1, 1961," is substituted for the words "the effective date of this section," to reflect laws enacted after that effective date which authorized certain service to be credited for pay purposes. See, for example, Public Law 86-142. Clause (9) is substituted for section 233(b) (less proviso) of existing title 37. The last sentence is substituted for section 233(b) (proviso) of existing title 37.

In subsection (b), the first 33 words of section 233(d) of existing title 37 are omitted as covered by the words "are computed by adding" in subsection (a). The words "for any reason," in section 233(d) of existing title 37, are omitted as surplusage.

In subsection (c)(3), the words "chapter 67 of title 10" are substituted for the words "title III of the Army and Air Force Vitalization and Retirement Equalization Act of 1948," since that title was repealed by section 53 of the Act of August 10, 1956, ch. 1041 (70A Stat. 641), and is now codified as chapter 67 of title 10 by section 1 of that Act.

“section 1402(b)–(d) and section 1402a(a)–(d)”, and “clauses (2) through (7)” for “clauses (2)–(9)”.

Pub. L. 96-513, § 516(3), substituted in cl. (5) “National Oceanic and Atmospheric Administration” for “Environmental Science Service Administration” and in provision following cl. 1974—Subsec. (a)(1). Pub. L. 93-545 inserted “aviation midshipman,” after “flight officer.”

1968—Subsec. (e). Pub. L. 90-623 substituted “October 13, 1964,” for “the enactment of this subsection”.

1966—Subsec. (a). Pub. L. 89-718 substituted “Environmental Science Services Administration” for “Coast and Geodetic Survey” in cl. (5) and inserted provision that, for the purpose of cl. 1964—Subsec. (e). Pub. L. 88-647 added subsec. (e).

(B) For purposes of this paragraph, the years of service of an officer as an air weapons controller shall be computed, under regulations prescribed by the Secretary concerned, from the date the officer begins training leading to a designation as an air weapons controller, but there shall be excluded from such computation any period of more than 90 days during which the officer performs primary duties other than as an air weapons controller.

(d) In time of war, the President may suspend the payment of incentive pay for any hazardous duty described in subsection (a).

(e) A member is entitled to not more than two payments of incentive pay, authorized by this section, for a period of time during which he qualifies for more than one payment of that pay.

(f)(1) Under regulations prescribed by the President and to the extent provided for by appropriations, when a member of a reserve component of a uniformed service, or of the National Guard, who is entitled to compensation under section 206 of this title, performs, under orders, any duty described in subsection (a) for members entitled to basic pay, he is entitled to an increase in compensation equal to 1/30 of the monthly incentive pay authorized by subsection (b) or (c), as the case may be, for the performance of that hazardous duty by a member of a corresponding grade who is entitled to basic pay. He is entitled to the increase for as long as he is qualified for it, for each regular period of instruction, or period of appropriate duty, at which he is engaged for at least two hours, including that performed on a Sunday or holiday, or for the performance of such other equivalent training, instruction, duty, or appropriate duties, as the Secretary may prescribe under section 206(a) of this title. This subsection does not apply to a member who is entitled to basic pay under section 204 of this title for the entire month.

(2)(A) If in any calendar month a member performs duty as described in paragraph (1) and while entitled to basic pay also performs hazardous duty as described in the same clause of subsection (a) as constitutes the predicate for his entitlement under paragraph (1), the earned units of measuring entitlement for incentive pay under this section shall be combined. If the sum of units determined under the preceding sentence equals or exceeds the minimum standard prescribed by the President for entitlement to pay specified under subsections (b) and (c) for

a member of corresponding grade who is entitled to basic pay for the entire relevant month, the member shall be entitled to an increase in compensation equal to 1/30 of the monthly incentive pay authorized by subsection (b) or (c) for the performance of that hazardous duty by a member of corresponding grade who is entitled to basic pay for the entire month.

(B) A member who qualifies for entitlement under this paragraph is entitled to the increase for each day in the relevant month in which he is entitled to basic pay pursuant to section 204 of this title or to compensation under section 206 of this title.

(C) In this paragraph, the term,¹ "units" means the significant increments of performance prescribed as qualifying standards in regulations promulgated by the President pursuant to this section.

In subsection (a), the words "is also entitled" are substituted for the words "shall, in addition thereto, be entitled". The words "For the purposes of this subsection" are inserted for clarity. The word "competent" is omitted as surplusage.

In subsection (b), the words preceding the tables are substituted for section 235(b) (words preceding tables) of existing title 37. The words "Years of service computed under section 205" are inserted in the tables for clarity.

In subsection (f), the words "a member of a reserve component of a uniformed service, or of the National Guard" are substituted for the enumeration of the organizations concerned in section 301(d) of existing title 37. The words "when . . . performs, under orders, any duty described in subsection (a)(1)-(11) for members entitled to basic pay" are substituted for the words "when required by competent orders to perform any hazardous duty prescribed by or pursuant to section 235 of this title for members of the uniformed services entitled to receive basic pay and when in consequence of such orders they do perform any hazardous duty so prescribed". The last sentence is substituted for section 301(e) (as applicable to (d)) of existing title 37.

In subsection (g), the words "entitled to incentive pay under section 301(a)(1) of this title" are substituted for the words "flight pay". At the time of the enactment of the source statute, additional pay was authorized as "flight pay". However, the Career Compensation Act of 1949 did not authorize "flight pay" but provided incentive pay in section 204(a)(1) [now section 301(a)(1) of this revised title] for "duty as a crew member . . . involving frequent and regular participation in aerial flight". The words "before January 2 of each year" are substituted for the words "On or before January 1, annually". The word "grade" is substituted for the word "rank" to conform to the definition in section 101(15) of this revised title.

By virtue of the authority vested in me by sections 301(a) and (f), 305(a), 402(f), and 403(g) of title 37 of the United States Code, and as President of the United States and Commander in Chief of the armed forces of the United States, it is hereby ordered as follows:

PART I—INCENTIVE PAY FOR HAZARDOUS DUTY

SEC. 101. For the purposes of these regulations:

(a) The term "aerial flight" shall be construed to mean flight in an aircraft, glider, or spacecraft; and a flight shall be deemed to begin when the aircraft, glider, or spacecraft takes off from rest at any point of support located on the surface of the earth and to terminate when it next comes to a complete stop at a point of support located on the surface of the earth.

(b) The term "aviation accident" shall be construed to mean an accident in which a member who is required to participate frequently and regularly in aerial flight is injured or otherwise incapacitated as the result, as attested by the appropriate medical authority of the uniformed service concerned, of (1) jumping from, being thrown from or being struck by, an aircraft, glider, or spacecraft, or any part or auxiliary thereof, or (2) participation in any duly authorized aerial flight or other aircraft, glider, or spacecraft operations.

SEC. 102. Under such regulations as the Secretary concerned may prescribe, any member of the uniformed services, including members assigned to special, administrative, or school duties, may be required by competent orders to perform hazardous duty.

SEC. 103. (a) Each member who is required by competent orders to participate frequently and regularly in aerial flights, other than glider flights, shall make the flights required as a crew member or as a non-crew member as directed by competent authority.

(b) Determinations as to what constitutes duty as a crew member and duty as a non-crew member shall be made in accordance with regulations prescribed by the Secretary concerned: *Provided*, That such determinations shall be uniform for all the services to the fullest extent practicable.

SEC. 104. Under such regulations as the Secretary concerned may prescribe, members who are required by competent orders to participate frequently and regularly in aerial flights, other than glider flights, shall be required to meet the following minimum flight requirements, except as otherwise provided in section 110 hereof, in order to be entitled to receive monthly incentive pay for the performance of hazardous duty.

(a) Minimum flight requirements for members on active duty who may qualify for incentive pay under the provisions of section 301(a) of title 37, United States Code:

(1) During one calendar month: 4 hours of aerial flight; however, hours of aerial flight performed during the immediately preceding five calendar months and not already used to qualify for incentive pay may be applied to satisfy the aerial flight requirement for that month.

(2) During any two consecutive calendar months when the requirements of clause (1) above have not been met: 8 hours of aerial flight.

(3) During any three consecutive calendar months when the requirements of clause (2) above have not been met: 12 hours of aerial flight.

(4) For fractions of a calendar month, the time of aerial flight required shall bear the same ratio to the time required for a full calendar month as the period in question bears to a full calendar month.

(5) For fractions of two consecutive calendar months, the period in question shall be considered as a unit and the time of aerial flight required shall bear the same ratio to the time required for a full calendar month as the period in question bears to a full calendar month.

(6) Whenever, under authority conferred by the Secretary concerned, the commanding officer of any member who has been required by competent orders to participate frequently and regularly in aerial flights, other than glider flights, certifies that on account of military operations of the particular command or on account of the unavailability of aircraft such member was unable to perform the aerial flights required by this section, such member may comply with the minimum flight requirements by performing at least 24 hours of aerial flight over a period of six consecutive calendar months, and such requirements may be met at any time during such period.

(b) Minimum flight requirements for members of reserve components of the uniformed services on inactive-duty training who may qualify for incentive pay under the provisions of section 301(f) of title 37, United States Code:

(1) During one calendar month: 2 hours of aerial flight; however, hours of aerial flight performed during the immediately preceding five calendar months and not already used to qualify for incentive pay may be applied to satisfy the aerial flight requirement for that month.

(2) During any two consecutive calendar months, when the requirements of clause (1) above have not been met: 4 hours of aerial flight.

(3) During any three consecutive calendar months when the requirements of clause (2) above have not been met: 6 hours of aerial flight.

(4) For fractions of a calendar month, the time of aerial flight required shall bear the same ratio to the time required for a full calendar month as the period in question bears to a full calendar month.

(5) For fractions of two consecutive calendar months, the period in question shall be considered as a unit and the time of aerial flight required shall bear the same ratio to the time required for a full calendar month as the period in question bears to a full calendar month.

(c) Minimum flight requirements for members of reserve components of the uniformed services who perform both active-duty and inactive-duty training during the same calendar month and who may qualify for incentive pay under the provisions of both sections 301(a) and 301(f) of title 37 of the United States Code:

(1) For periods of active duty, those prescribed by clause (4) of subsection (a) of this section.

(2) For periods of inactive-duty training, those prescribed by clause (4) of subsection (b) of this section.

However, the total flight requirements as determined by clauses (1) and (2) of this subsection may be met at any time during such calendar month—

(i) on inactive-duty training, or

(ii) on active-duty and inactive-duty training, if the inactive-duty flight requirement for such month has been met.

SEC. 105. Members shall not be entitled to receive incentive pay for participation in aerial flights for any

period while suspended from such participation, unless such suspension is subsequently removed and the minimum flight requirements prescribed in section 104 hereof have been complied with, except as otherwise provided in section 110 and 114 hereof.

SEC. 106. (a) As determined by the Secretary of the Navy, a member who is entitled to basic pay, who holds or is in training leading to a submarine duty designator, and who is in and remains in the submarine service on a career basis, is entitled to continuous monthly submarine duty incentive pay, subject to the performance of the required number of years of operational submarine duty (37 U.S.C. 301c(a)(3)-(4)), except as provided by 37 U.S.C. 301c(c).

(b) As determined by the Secretary of the Navy, a member who is entitled to basic pay but is not entitled to continuous monthly submarine duty incentive pay is entitled to submarine duty incentive pay for any period during which such member performs frequent and regular operational submarine duty required by orders.

(c) To the extent provided for by appropriations, a member of the Naval Reserve who is entitled to compensation under Section 206 of Title 37 of the United States Code, and who performs, under orders, duty on a submarine during underway operations, is eligible for an increase in such compensation equal to one-thirtieth of the monthly submarine duty incentive pay for the performance of that duty by a member of a corresponding grade and years of service who is entitled to basic pay when those orders specify such increased entitlement. Such member is eligible for the increase for each day served, for as long as he is qualified for it, during each regular period of appropriate duty.

(d) The Secretary of the Navy is hereby designated and empowered to issue additional implementing regulations with respect to entitlement of regular and reserve officers and enlisted members of the Navy to submarine duty incentive pay, or continuous monthly submarine duty incentive pay.

SEC. 107. (a) Members who are qualified as glider personnel under such regulations as the Secretary concerned may prescribe, or who are undergoing training for such qualification, and who are required by competent orders to participate frequently and regularly in glider flights shall be required to perform one or more glider flights, without regard to duration thereof, during any three consecutive calendar months in order to be entitled to receive incentive pay for such period.

(b) Whenever, under authority conferred by the Secretary concerned, the commanding officer of any member who has been required by competent orders to participate frequently and regularly in glider flights certifies that on account of the absence or inadequacy of glider equipment or towing aircraft or other means of propulsion, or on account of military operations of the particular command, such member was unable to perform the glider flights required by this section, such member may comply with the minimum flight requirements by performing four or more glider flights, without regard to duration thereof, during a period of 12 consecutive calendar months, and such requirements may be met at any time during such period.

(c) Members of reserve components of the uniformed services who have complied with the requirement prescribed in this section shall be entitled to receive incentive pay for both active-duty and inactive-duty training performed during such period.

SEC. 108. (a) As used in section 301(a) of title 37 of the United States Code, the term "duty involving parachute jumping as an essential part of military duty" shall be construed to mean duty performed by members who, under such regulations as the Secretary concerned may prescribe, have received a rating as a parachutist or parachute rigger, or are undergoing training for such a rating, and who are required by competent orders to engage in parachute jumping from an aircraft in aerial flight.

(b) Members required by competent orders to engage in parachute jumping shall be required to perform one

or more parachute jumps from an airplane in flight during any three consecutive calendar months in order to be entitled to receive incentive pay for such period.

(c) Whenever, under authority conferred by the Secretary concerned, the commanding officer of any member who has been required by competent orders to participate in parachute jumping certifies that on account of the absence of jump equipment or aircraft or on account of military operations of the particular command such member was unable to make the jumps required by this subsection, such member may comply with the minimum requirements by performing four jumps during a period of 12 consecutive calendar months, and such requirements may be met at any time during such period. The minimum requirements may be waived by the commanding officer of a member for any period that the member is unable to perform the required jumps by reason of being engaged in combat operations in a hostile fire area designated under Section 310 of Title 37 of the United States Code.

(d) Members of reserve components of the uniformed services who have complied with requirements prescribed in this section shall be entitled to receive incentive pay for both active-duty and inactive-duty training performed during such period.

SEC. 109. As used in section 301(a) of title 37 of the United States Code—

(a) The term "duty involving intimate contact with persons afflicted with leprosy" shall be construed to mean duty performed by any member who is assigned by competent orders to a leprosarium for the performance of duty for a period of 30 days or more or for a period of instruction, whether or not such leprosarium is under the jurisdiction of one of the uniformed services.

(b) The term "duty involving the demolition of explosives" shall be construed to mean duty performed by members who, pursuant to competent orders and as a primary duty assignment (1) demolish by the use of explosives objects, obstacles, or recover and render harmless, by disarming or demolition, explosives which have failed to function as intended or which have become a potential hazard; (2) participate as students or instructors in instructional training, including that in the field or fleet, for the duties described in clause (1) hereof, provided that live explosives are used in such training; (3) participate in proficiency training, including that in the field or fleet, for the maintenance of skill in the duties described in clause (1) hereof, provided that live explosives are used in such training; or (4) experiment with or develop tools, equipment, or procedures for the demolition and rendering harmless of explosives, provided that live explosives are used.

(c) The term "duty inside a high- or low-pressure chamber" shall be construed to mean duty performed within pressure chambers at physiological facilities by members assigned to that duty.

(d) The term "duty as human acceleration or deceleration experimental subject" shall be construed to mean duty performed by members exposed as human acceleration or deceleration experimental subjects utilizing experimental acceleration or deceleration devices.

(e) The term "duty as human test subject in thermal stress experiments" shall be construed to mean duty performed by members exposed as human thermal experimental subjects in thermal stress experiments conducted under the supervision of any laboratory designated by the Secretary concerned.

(f) The term "duty involving frequent and regular participation in flight operations on the flight deck of an aircraft carrier or of a ship other than an aircraft carrier from which aircraft are launched" shall be construed to mean duty performed by members who are designated for and ordered to such duty by competent authority from among the crew of a ship from which aircraft are launched or an aviation unit operating from that type of ship, and who, in any calendar month (1) participate in flight operations on the flight deck

during a minimum of four days, or (2) participate, on the flight deck, in a minimum number of aircraft launches or recoveries, or both, that is prescribed by the Secretary concerned as the equivalent of participation under clause (1). No member shall be entitled, however, to receive the pay provided for in this subsection if, during any month or portion thereof, he is also eligible to receive incentive pay for other hazardous duty under the provisions of Section 301 of Title 37, United States Code.

(g) The term "duty involving the servicing of aircraft or missiles with highly toxic fuels or propellants or the testing of aircraft or missile systems (or components of such systems) during which highly toxic fuels or propellants are used" shall be construed to mean duty performed by members as a primary duty that requires (1) removal, replacement, and servicing of the emergency power unit of an aircraft with H-70 propellant (30 percent water, 70 percent hydrazine); (2) participation by those personnel performing duties described in (g)(1) who must also participate in an emergency response force, spill containment, or spill cleanup involving H-70 propellant (30 percent water, 70 percent hydrazine); (3) handling and maintaining the liquid propellants (liquid oxidizer-nitrogen tetroxide; unsymmetrical dimethyl hydrazine) used in the Titan weapon system, if such duty requires qualification in the use of the Rocket Fuel Handler's Clothing Outfit and involves (A) launch duct operations, including flow, pressurization, on-load, set-up or tear down involving propellant transfer operations; (B) set-up, installation or tear down for fuel/oxidizer flow; (C) decontamination of equipment, including, but not limited to, the Rocket Fuel Handler's Clothing Outfit; (D) venting or pressurizing missile fuel or oxidizer tanks; (E) removing or replacing missile components while missile fuel and oxidizer tanks are loaded with such propellants; (F) transferring propellants between commercial and military holding trailers, or between holding trailers and fuel/oxidizer pump rooms; or normal preventive maintenance activities including, but not limited to, seal changes; (4) handling and maintaining the propellants, unsymmetrical dimethyl hydrazine and inhibited red-fuming nitric acid, used in the LANCE missile system; (5) handling, transporting or working with toxic fuels/propellants by members assigned to the Air Force Rocket Propulsion Lab (AFRPL) who (A) directly manage and inspect the activities of crew members conducting operations involving experimental rocket propulsion systems and components; (B) directly monitor and set up measurement instruments in operational areas where contamination is suspected or may be physically present; (C) install and remove instrumentation devices from propulsion systems and components; (D) perform final test preparation and immediate safety inspection duties around pressurized, active systems during prerun and postrun test periods; or, (E) install and repair electrical systems; (6) handling, loading/unloading and transporting toxic fuels and oxidizers at the precision sled track while working with the liquid rocket sled, which uses JP-X (a mixture of jet fuel (JP-4) and unsymmetrical dimethyl hydrazine) and red-fuming nitric acid and a propulsion; or (7) involvement with other toxic substances contained in missile or aircraft weapon system fuels or propellants as determined by the Secretary concerned. The entitlement to the pay provided for in this subsection is based upon the performance of such duty which has the potential for accidental or inadvertent exposure to highly toxic fuels or propellants or related substances and not upon actual quantifiable exposure to such substances. Therefore, neither this construction of the term nor the receipt of the pay provided for in this subsection may be construed as indicating that any person entitled to such pay has been actually exposed to highly toxic fuels or propellants or related substances contrary to the provisions of any statute, Executive order, rule, or regulation relating to health or safety which is applicable to the uniformed services.

(h) The term "duty involving frequent and regular exposure to highly toxic pesticides" shall be construed to mean duty performed by members who, while under competent orders assigning such members to the entomology, pest control, pest management, or preventive medicine functions of a uniformed service for a period of 30 consecutive days or more, are required to perform in any calendar month a fumigation task utilizing (1) phosphine, sulfuryl fluoride, hydrogen cyanide, methyl bromide, or (2) a fumigant of comparable high acute toxicity and hazard potential. The use of solid fumigant formulations, such as aluminum phosphide, magnesium phosphide and calcium cyanide, in the outdoor control of burrowing animals does not qualify a member for incentive pay under this subsection.

(i) The term "duty involving laboratory work that utilizes live dangerous viruses or bacteria" shall be construed to mean primary duty performed by members who work with micro-organisms (1) that cause disease (A) with a high potential for mortality, and (B) for which effective therapeutic procedures are not available, and (2) for which no effective prophylactic immunization exists, while such members are assigned by competent orders for a period of 30 consecutive days or more to participate in or conduct applied or basic research that is characterized by a changing variety of techniques, procedures, equipment, and experiments.

(j) The term "the handling of chemical munitions (or components of such munitions)" shall be construed to mean duty performed by members as a primary duty which routinely requires (1) direct physical handling of toxic chemical munitions incident to storage, maintenance, testing, surveillance, assembly, disassembly, demilitarization, or disposal of said munitions; (2) direct physical handling of chemical surety material, as defined by the Secretary concerned, incident to manufacture, storage, testing, laboratory analysis, detoxification, or disposal of said material; (3) direct physical handling of toxic chemical munitions incident to technical escort of shipments of said munitions; (4) direct physical handling of chemical surety material, as defined by the Secretary concerned incident to technical escort of shipments of said material. The term does not include the handling of the individual components of binary chemical agents or munitions. The term does not include user handling incident to loading, firing, or otherwise launching the toxic chemical munitions nor field storage operations during hostilities. The term also excludes the handling of Research, Development, Testing and Evaluation Dilute Solutions of toxic chemicals as defined by the Secretary concerned. It also excludes the handling of riot control agents, chemical defoliants and herbicides, smoke, flame and incendiaries, and industrial chemicals. The entitlement to the pay provided for in this subsection is based upon the performance of such duty that has the potential for accidental exposure to chemical agents and not upon actual quantifiable exposure to such agents. Therefore, neither the construction of the term nor the receipt of pay provided for in this subsection may be construed as indicating that any person entitled to such pay actually has been exposed to chemical agents contrary to the provisions of any statute, executive order, rule, or regulations relating to the health and safety which is applicable to the uniformed services.

SEC. 110. Any member who is required by competent orders to perform hazardous duty, or multiple hazardous duties, and who becomes injured or otherwise incapacitated as a result of the performance of any such hazardous duty, by aviation accident or otherwise, shall be deemed to have fulfilled all of the requirements for the performance of all hazardous duties which he is required by competent orders to perform, for a period not to exceed three months following the date as of which such incapacity is determined by the appropriate medical authority.

SEC. 111. Members required by competent orders to perform hazardous duty shall, upon compliance with the requirements of these regulations, be entitled to re-

ceive incentive pay during authorized leaves of absence.

SEC. 112. Under such regulations as the Secretary concerned may prescribe, a member who performs multiple hazardous duties under competent orders may be paid not more than two payments of incentive pay for a period of time during which he qualifies for more than one such payment. Dual payments of incentive pay shall be limited to those members who are required by competent orders to perform specific hazardous duties in order to carry out their assigned missions.

SEC. 113. The Secretaries concerned are hereby authorized to prescribe such supplementary regulations not inconsistent herewith as they may deem necessary or desirable for carrying out these regulations, and such supplementary regulations shall be uniform for all the services to the fullest extent practicable.

SEC. 114. Under such regulations as the Secretary of Defense and the Secretary of Transportation may prescribe with respect to enlisted members within their respective jurisdictions, any enlisted member who has been required by competent orders to perform duty as a crew member involving frequent and regular participation in aerial flight shall, if he is involuntarily removed from the performance of that duty, under circumstances prescribed by such regulations with less than 120 days' advance notice, be deemed to have fulfilled all of the requirements for payment of incentive pay under section 301(a)(1) or (f) of title 37 of the United States Code, for that duty for up to 120 days after the date on which he was notified of such removal.

PART II—SPECIAL PAY FOR SEA DUTY AND DUTY AT CERTAIN PLACES

SEC. 201. (a) The following members of a uniformed service who are entitled to receive basic pay shall be entitled to receive, additionally, career sea pay while on sea duty:

- (1) enlisted members who are in pay grade E-4 or above,
- (2) warrant officers,
- (3) commissioned officers in pay grade O-3 or above who have over three years of sea duty, and
- (4) commissioned officers in pay grades O-1 and O-2 with at least four years active service as enlisted members or as noncommissioned warrant officers and over three years of sea duty.

(b) The period of sea duty shall include the date of reporting and the date of detachment as stated in orders. Career sea pay shall be at the rates prescribed in Section 305a of Title 37 of the United States Code.

SEC. 202. A member of a uniformed service who is entitled to career sea pay and who has served 36 consecutive months of sea duty as such period is computed under regulations of the Secretary concerned, is entitled to a monthly career sea pay premium for the thirty-seventh consecutive month and each subsequent consecutive month of sea duty service by such member when such member is entitled to career sea pay. In the regulations published by the Secretary concerned, the term "consecutive months of sea duty" may be defined to include periods during which a member is serving in or under orders to duties, service in which qualifies the member for career sea pay, either periodically or continuously during assignment to such duties. Examples of such periods are periods of service as a member of a two crewed submarine or fleet aviation units assigned to ships, or periods for training, hospitalization, or other periods of a similar nature.

SEC. 203. The Secretaries concerned (within the meaning of section 101(5) of title 37, United States Code) with respect to personnel of the uniformed service within their respective departments, are hereby authorized to prescribe such supplementary regulations, not inconsistent herewith, as they may deem necessary or desirable for carrying out the provisions of sections 305 and 305a of title 37 and this Executive Order. Such regula-

tions shall be uniform for all the services to the fullest extent possible.

SEC. 204. Enlisted members entitled to receive basic pay shall be entitled to receive, additionally, pay at the rates prescribed by section 305(a) of title 37 of the United States Code while on duty at places that are outside the 48 contiguous States and the District of Columbia and that are designated for this purpose by the Secretary of Defense or, in the case of enlisted members of the Coast Guard when it is not operating as a service in the Navy, by the Secretary of Transportation. Subject to provisions of section 305 of title 37 of the United States Code, an enlisted member who is permanently assigned to duty at a place so designated is entitled to receive that pay during a period of authorized leave, temporary additional duty, temporary duty, or hospitalization or while on an operational aircraft flight, but not more than 30 days while he is away from that place. Enlisted members shall be entitled to special pay under this section when attached to ships undergoing repair and overhaul in designated foreign-duty areas for extended periods when entitlement to special pay for sea duty has been terminated. Such enlisted members shall be entitled to special pay for sea duty under the same conditions as an enlisted member on temporary additional duty or temporary duty in that designated foreign-duty area.

SEC. 205. Unless otherwise entitled to special pay in accord with the second sentence of section 204 hereof, during periods spent on temporary additional duty or temporary duty or on operational aircraft flights, pay in accord with section 204 shall accrue to enlisted members only for periods of eight continuous days or more in duration at one or more places designated, including the dates of arrival at and the dates of departure from those places.

SEC. 206. (a) No enlisted member shall be entitled under this order to receive both career sea pay and pay for duty prescribed in sections 204 and 205 hereof for the same period of time.

(b) [Deleted by Ex. Ord. No. 12274, Jan. 16, 1981, 46 F.R. 5855]

PART III—BASIC ALLOWANCES FOR SUBSISTENCE

SEC. 301. Enlisted members who are being subsisted in kind in a mess and whose duties require them to be absent from their station during one or more meals shall be entitled for each such meal to a prorated share of the daily basic allowance for subsistence authorized for members on duty at stations where rations in kind are not available. The Secretary of Defense, the Secretary of Transportation, and the Secretary of Commerce are hereby authorized to establish the amount of the prorated share of the daily basic allowance for subsistence applicable to each one of the three daily meals, which amount shall be uniform for all the services concerned. The total of the amounts of the shares for the three daily meals shall not exceed the amount of the basic daily allowance for subsistence authorized by section 402 of title 37 of the United States Code.

SEC. 302. The Secretary of Defense, the Secretary of Transportation, the Secretary of Commerce, and the Secretary of Health and Human Services with respect to the personnel of the uniformed services within their respective agencies, are hereby authorized, subject to the provisions of section 303 hereof, to prescribe such supplemental regulations, inconsistent herewith, as they may deem necessary or desirable for carrying out the provisions of this part and of the said section 402 of title 37 of the United States Code: *Provided*, That such regulations shall be uniform so far as practicable for all the services concerned.

SEC. 303. As used in regulations prescribed pursuant to section 302 hereof, those terms of the said section 402 of title 37 of the United States Code which are quoted in the subsections of this section shall have the meaning or application stated with respect thereto:

(a) The term "entitled to receive basic pay" shall be considered applicable to members while they are on the

active list or while they are required to perform duty in accordance with law for which they are entitled to basic pay: *Provided*, that such term shall not be applicable to any member while absent from duty under conditions which, under laws governing the particular service concerned, would prevent him from receiving full basic pay.

(b) The term "when rations in kind are not available" shall be considered applicable in the case of enlisted members on duty at stations where it is determined, in accordance with regulations prescribed pursuant to section 302 hereof, that it is impracticable for subsistence in kind to be furnished by the United States.

(c) The term "when permission to mess separately is granted" shall be considered applicable in the case of enlisted members on duty at stations or while sick in hospitals where a mess for subsisting enlisted members is available and when such enlisted members are authorized to subsist themselves independently. Such term shall also be considered applicable in the case of enlisted members during all periods of authorized leave, including periods of leave or delay while en route between duty stations.

(d) The term "when assigned to duty under emergency conditions where no messing facilities of the United States are available" shall be considered applicable in the case of enlisted members assigned to duty under conditions requiring extraordinary expenses for subsistence as determined in accordance with regulations prescribed pursuant to section 302 hereof.

(e) The term "field duty" for purposes of the third sentence of subsection (b) of Section 402 of Title 37, United States Code, shall mean service by a member when the member is subsisted in a Government mess or with an organization drawing field rations, and the member is serving with troops on maneuvers, war games, field exercises, or similar types of operations.

(f) The term "sea duty" for purposes of the third sentence of subsection (b) of Section 402 of Title 37, United States Code, shall mean service performed by a member in a self-propelled vessel that is in an active status, in commission or in service and is equipped with berthing and messing facilities.

PART IV—BASIC ALLOWANCE FOR QUARTERS

SEC. 401. As used in this part:

(a) The term "entitled to receive basic pay" shall apply to a member while on the active list or while required to perform duty in accordance with law for which he is entitled to basic pay: *Provided*, That such term shall not apply to any member while absent from duty under conditions which, under laws governing the particular service concerned, would prevent him from receiving full basic pay.

(b) The term "field duty" shall mean service with troops on maneuvers, war games, field exercises, or similar types of operations.

(c) The term "sea duty" shall mean service performed by either an officer or enlisted member in a self-propelled vessel that is in an active status, in commission or in service and is equipped with berthing and messing facilities. Duty for less than three months is not considered to be sea duty. Duty for more than three months under temporary orders which provide for return to the member's same permanent station is not considered sea duty.

(d) The term "permanent station" shall mean the place on shore where a member is assigned to duty, or the home yard or the home port of a ship in which a member is required to perform duty, under orders in each case which do not in terms provide for the termination thereof; and any station on shore or any receiving ship where a member is assigned and in fact occupies, with his dependents, if any, quarters under the jurisdiction of any of the uniformed services shall also be deemed during such occupancy to be his permanent station: *Provided*, That in the case of members of the National Guard, the Air National Guard or reserve compo-

nents of any of the uniformed services on active duty for training, the place where the training duty is being performed shall be deemed to be the permanent station of such members for the purposes of these regulations.

(e) The term "deployed" shall apply to time during which the unit is at sea or in a port more than 50 miles from its home port; provided, however, time during which the unit is in a port for overhaul or extended repairs is not to be considered deployed time. Unanticipated overhauls or extended repairs which occur during a period scheduled as extended deployment in the mission assignment of the ship is time deployed unless otherwise classified by appropriate command authority.

(f) [Deleted by Ex. Ord. No. 12541, Dec. 30, 1985, 51 F.R. 585]

SEC. 402. Except as otherwise by statute heretofore or hereafter provided, a member shall be entitled to payment of basic allowances for quarters, in accordance with these regulations and any regulations prescribed pursuant hereto, during such time or times as he is entitled to receive basic pay.

SEC. 403. (a) Any quarters of housing facilities under the jurisdiction of any of the uniformed services in fact occupied without payment of rental charges (1) by a member and his dependents, or (2) by a member without dependents, or (3) by the dependents of a member on field duty or on sea duty or on duty at a station where adequate quarters are not available for his dependents, shall be deemed to have been assigned to such member as appropriate and adequate quarters, and no basic allowance for quarters shall accrue to such member under such circumstances unless the occupancy (A) occurs while such member is in a duty or leave status incident to a change of permanent station and is of a temporary nature under standards prescribed by regulations issued by the Secretary of Defense in the case of members of the Army, Navy, Air Force, or Marine Corps, and the reserve components thereof, or by the appropriate Secretary in the case of members of the other uniformed services, or (B) occurs while such member is in a duty or leave status not incident to a change of permanent station and does not exceed thirty consecutive days at one location: *Provided*, That occupancy of quarters under such circumstances for a period in excess of such 30-day period or such other temporary period as may be authorized under standards prescribed by regulations issued by the Secretary concerned shall not result in a forfeiture of basic allowance for quarters for such 30-day or other authorized period: *Provided*, further, That this paragraph shall not apply to occupancy of quarters as a guest of another member.

(b) Whenever the President exercises his authority under Section 1009(c) of Title 37 of the United States Code, to allocate up to 25 percent of certain increases in basic pay to basic allowances for quarters, a member without dependents who, under Section 403(b) or (c) of that title, is not entitled to a basic allowance for quarters shall become entitled to a portion of such basic allowance for quarters. The amount of such partial basic allowance for quarters shall equal the amount of any increases in basic pay which are allocated by the President to the basic allowance for quarters.

(c) For purposes of Section 403 of Title 37 of the United States Code, a member shall be deemed to be living in a "high housing cost area" whenever the average monthly cost of housing, including utilities, for housing appropriate for the member's grade, exceeds 115 percent of the amount of the basic allowance for quarters of that member.

(d) During fiscal year 1981, members may be paid variable housing allowance as permitted by Section 4(c) of the Military Personnel and Compensation Amendments of 1980 (94 Stat. 1125; Public Law 96-343; 37 U.S.C. 403 note); a member shall be deemed to be living in a "high housing cost area" whenever the estimated average monthly cost of housing, including utilities, appropriate for the member's grade, exceeds 115 percent of

the amount of the basic allowance for quarters of that member.

SEC. 404. When adequate quarters for his dependents are not available for assignment at his permanent station to a member with dependents, he may occupy quarters of the United States designated for members without dependents without affecting his right to receive payment of basic allowances for quarters, if permitted or required to occupy quarters at such station. Under such circumstances, a member may not occupy quarters of the United States which exceed the minimum standards for members of his grade without dependents, as prescribed by the Secretary concerned, unless the only quarters available (a) exceed the minimum standards, and (b) are made available for joint occupancy with other members.

SEC. 405. A member away from his permanent station may occupy quarters of the United States designated for members without dependents at his temporary duty station without affecting his right to receive payment of basic allowances for quarters or assignment of quarters, if any, at his permanent station. Under such circumstances, a member may not occupy quarters of the United States which exceed the minimum standards for members of his grade without dependents, as prescribed by the Secretary concerned, unless the only quarters available (a) exceed the minimum standards, and (b) are made available for joint occupancy with other members.

SEC. 406. A member serving outside the United States, its territories, or possessions in a duty assignment which has official or diplomatic responsibilities involving officials of foreign governments may be assigned quarters in excess of the minimum standards set forth in sections 404 and 405 hereof, as prescribed by the Secretary concerned: *Provided*, That no such quarters shall be available on a continuous basis for single occupancy, if such quarters are otherwise adequate for assignment as family housing to members of similar rank.

SEC. 407. The Secretaries concerned (within the meaning of section 101(5) of title 37 of the United States Code), with respect to personnel of the uniformed services within their respective departments, are hereby authorized to prescribe such supplementary regulations not inconsistent herewith as they may deem necessary or desirable for carrying out these regulations, and such supplementary regulations shall be uniform for all the services to the fullest extent practicable.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 304, 552, 907, 1012 of this title.

§ 301a. Incentive pay: aviation career

(a)(1) Subject to regulations prescribed by the President, a member of a uniformed service who is entitled to basic pay is also entitled to aviation career incentive pay in the amount set forth in subsection (b) for the frequent and regular performance of operational or proficiency flying duty required by orders.

(2) Aviation career incentive pay shall be restricted to regular and reserve officers who hold, or are in training leading to, an aeronautical rating or designation and who engage and remain in aviation service on a career basis.

(3) Under regulations prescribed by the Secretary of Defense, the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy, or the Secretary of Commerce and the Secretary of Health and Human Services with respect to members under their respective jurisdiction, an officer (except a flight surgeon or other medical officer) who is entitled to basic pay, holds an aeronautical rating or designation, and is qualified for aviation service under regulations prescribed by the Secretary concerned, is entitled to continuous monthly incentive pay in the amount set forth in subsection (b) that is applicable to him. A flight surgeon or other medical officer who is entitled to basic pay, holds an aeronautical rating or designation, and is qualified for aviation service under regulations prescribed by the Secretary concerned, is not entitled to continuous monthly incentive pay but is entitled to monthly incentive pay in the amounts set forth in subsection (b) for the frequent and regular performance of operational flying duty.

(4) To be entitled to continuous monthly incentive pay, an officer must perform the prescribed operational flying duties (including flight training but excluding proficiency flying) for 9 of the first 12, and 12 of the first 18 years of the aviation service of the officer. However, if an officer performs the prescribed operational flying duties (including flight training but excluding proficiency flying) for at least 10 but less than 12 of the first 18 years of the aviation service of the officer, the officer will be entitled to continuous monthly incentive pay for the first 22 years of the officer's service as an officer. Entitlement to continuous monthly incentive pay ceases for an officer (other than a warrant officer) upon completion of 25 years of service as an officer (as computed under section 205 of this title), but such an officer in a pay grade below pay grade O-7 remains entitled to monthly incentive pay under subsection (b)(1) for the performance of operational flying duty.

(5) If upon completion of either 12 or 18 years of aviation service it is determined that an officer has failed to perform the minimum prescribed operational flying duty requirements during the prescribed periods of time, his entitlement to continuous monthly incentive pay ceases. For the needs of the service, the Secretary concerned may permit, on a case by case basis, an officer to continue to receive continuous monthly incentive pay despite the failure of the officer to perform the prescribed operational

flying duty requirements during the prescribed periods of time so long as the officer has performed those requirements for not less than 6 years of aviation service. If at the completion of 12 years of aviation service entitlement to continuous monthly incentive pay ceases, entitlement to that pay may again commence at the completion of 18 years of aviation service upon completion of the minimum operational flying duty requirements, such pay to continue for a period of time as prescribed in accordance with this section. However, if entitlement to continuous monthly incentive pay ceases in the case of any officer at the completion of either 12 or 18 years of aviation service, such officer remains entitled to monthly incentive pay for the performance of subsequent operational or proficiency flying duties up to the maximum period of time prescribed in accordance with this section.

(6) In this section:

(A) The term "operational flying duty" means flying performed under competent orders by rated or designated members while serving in assignments in which basic flying skills normally are maintained in the performance of assigned duties as determined by the Secretary concerned, and flying performed by members in training that leads to the award of an aeronautical rating or designation.

(B) The term "proficiency flying duty" means flying performed under competent orders by rated or designated members while serving in assignments in which such skills would normally not be maintained in the performance of assigned duties.

(C) The term "officer" includes an individual enlisted, and designated, as an aviation cadet under section 6911 of title 10.

(b) A member who satisfies the requirements described in subsection (a) is entitled to monthly incentive pay as follows:

(1) For a member who is qualified under subsection (a):

Phase I	
Years of aviation service (including flight training) as an officer:	Monthly rate
2 or less	\$125
Over 2	156
Over 3	188
Over 4	206
Over 6	650

Phase II	
Years of service as an officer:	Monthly rate:
Over 18	\$585
Over 20	495
Over 22	385
Over 25	250

An officer is entitled to the rates in phase I of this table until he has completed 18 years of service as an officer, after which his entitlement is as prescribed by the rates in phase II, if he has completed at least 6 years of aviation service as an officer. However, if he has over 18 years of service as an officer, but not at least 6 years of aviation service as an officer, he continues to be subject to the rates set forth in phase I of the table that apply to an officer

who has less than 6 years of aviation service as an officer. An officer in a pay grade above O-6 is entitled, until he completes 25 years of service as an officer, to be paid at the rates set forth in this table, except that an officer in pay grade O-7 may not be paid at a rate greater than \$200 a month, and an officer in pay grade O-8, or above, may not be paid at a rate greater than \$206 a month.

(2) For a warrant officer who is qualified under subsection (a):

Years of aviation service as an officer:	Monthly rate
2 or less	\$125
Over 2	156
Over 3	188
Over 4	206
Over 6	650

For the purposes of clauses (1) and (2), the term "aviation service" means the service performed, under regulations prescribed by the Secretary concerned, by an officer, and the years of aviation service are computed beginning with the effective date of the initial order to perform aviation service.

(c) In time of war, the President may suspend the payment of aviation career incentive pay.

(d) Under regulations prescribed by the President and to the extent provided for by appropriations, when a member of a reserve component of a uniformed service, or of the National Guard, who is entitled to compensation under section 206 of this title, performs, under orders, duty described in subsection (a) for members entitled to basic pay, he is entitled to an increase in compensation equal to 1/30 of the monthly incentive pay authorized by subsection (b)(1) or (2), as the case may be, for the performance of that duty by a member of corresponding years of aviation or officer service, as appropriate, who is entitled to basic pay. Such member is entitled to the increase for as long as he is qualified for it, for each regular period of instruction, or period of appropriate duty, at which he is engaged for at least two hours, including that performed on a Sunday or holiday, or for the performance of such other equivalent training, instruction, duty or appropriate duties, as the Secretary may prescribe under section 206(a) of this title. This subsection does not apply to a member who is entitled to basic pay under section 204 of this title.

(f) The Secretary of Defense shall submit annually to Congress a report specifying for the year covered by the report—

(1) the total number of officers who were determined under subsection (a)(5) to have failed to perform the minimum prescribed operational flying duty requirements;

(2) the number of those officers who continued to receive continuous monthly incentive pay despite their failure to perform the minimum prescribed operational flying duty requirements and the extent to which they failed to perform those requirements; and

(3) the reasons for the exercise of the authority under the second sentence of subsection (a)(5) in the case of each officer specified pursuant to paragraph (2).

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 301, 301b, 312c of this title.

§ 301b. Special pay: aviation career officers extending period of active duty

(a) BONUS AUTHORIZED.—An aviation officer described in subsection (b) who, during the period beginning on January 1, 1989, and ending on September 30, 1995, executes a written agreement to remain on active duty in aviation service for at least one year may, upon the acceptance of the agreement by the Secretary concerned, be paid a retention bonus as provided in this section.

(b) COVERED OFFICERS.—An aviation officer referred to in subsection (a) is an officer of a uniformed service who—

- (1) is entitled to aviation career incentive pay under section 301a of this title;

- (3) is in a pay grade below pay grade O-6;
- (4) is qualified to perform operational flying duty;
- (5) has completed at least six but less than 13 years of active duty; and
- (6) has completed any active duty service commitment incurred for undergraduate aviator training.

(c) AMOUNT OF BONUS.—The amount of a retention bonus paid under this section may not be more than—

- (1) \$12,000 for each year covered by the written agreement, if the officer agrees to remain on active duty to complete 14 years of commissioned service; or
- (2) \$6,000 for each year covered by the written agreement, if the officer agrees to remain on active duty for one or two years.

(d) PRORATION.—The term of an agreement under subsection (a) and the amount of the bonus under subsection (c) may be prorated as long as such agreement does not extend beyond the date on which the officer making such agreement would complete 14 years of commissioned service.

(e) PAYMENT OF BONUS.—Upon the acceptance of a written agreement under subsection (a) by the Secretary concerned, the total amount payable pursuant to the agreement becomes fixed and may be paid by the Secretary in either a lump sum or installments.

(f) ADDITIONAL PAY.—A retention bonus paid under this section is in addition to any other pay and allowances to which an officer is entitled.

(g) REPAYMENT OF BONUS.—(1) If an officer who has entered into a written agreement under subsection (a) and has received all or part of a retention bonus under this section fails to complete the total period of active duty specified in the agreement, the Secretary concerned may require the officer to repay the United States, on a pro rata basis and to the extent that the Secretary determines conditions and circumstances warrant, all sums paid under this section.

(2) An obligation to repay the United States imposed under paragraph (1) is for all purposes a debt owed to the United States.

(3) A discharge in bankruptcy under title 11 that is entered less than 5 years after the termination of a written agreement entered into under subsection (a) does not discharge the officer signing the agreement from a debt arising under such agreement or under paragraph (1). This paragraph applies to any case commenced under title 11 after January 1, 1989.

(h) REGULATIONS.—The Secretaries concerned shall prescribe regulations to carry out this section. Regulations prescribed by the Secretary of a military department shall be subject to the approval of the Secretary of Defense.

Each report shall include—

(A) a comparison of the cost of paying bonuses to officers who enter into an agreement for the period referred to in subsection (c)(1) with the cost of paying bonuses to officers who enter into an agreement for a period referred to in subsection (c)(2);

(B) a description of the increase in the retention of qualified aviators as a result of the program; and

(C) an examination of the desirability of targeting the retention bonus program toward officers in a critical aviation specialty rather than on the basis of experience or other criteria.

(2) Not later than March 15 of each year, the Secretary of Defense shall submit to the Committees on Armed Services of the Senate and House of Representatives copies of the reports submitted to the Secretary under paragraph (1)

with regard to the preceding fiscal year, together with such comments and recommendations as the Secretary considers appropriate.

“(D) an evaluation of the progress made since the date of the enactment of this Act toward eliminating shortages of aviators in the aviation specialties designated by the Secretary as critical.”

§ 301c. Incentive pay: submarine duty

(a)(1) Subject to regulations prescribed by the President, a member of the naval service who is entitled to basic pay, and (A) holds (or is in training leading to) a submarine duty designation, (B) is in and remains in the submarine service on a career basis, and (C) meets the require-

ments of paragraph (3), is entitled to continuous monthly submarine duty incentive pay in the amount set forth in subsection (b).

(2) Subject to regulations prescribed by the President, a member of the naval service who is entitled to basic pay but is not entitled to continuous monthly submarine duty incentive pay under paragraph (1) is entitled to submarine duty incentive pay in the amount set forth in subsection (b) for any period during which such member performs frequent an regular operational submarine duty (as defined in paragraph (5)) required by orders.

(3) To be entitled to continuous monthly submarine duty incentive pay through 26 years of service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer), a member must perform operational submarine duties for at least 6 of the first 12, and at least 10 of the first 18, years of his submarine service. However, if a member performs the prescribed operational submarine duties for at least 8 but less than 10 of the first 18 years of his submarine service, he is entitled to continuous monthly submarine duty incentive pay for the first 22 years of his service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer).

(4) If upon completion of either 12 or 18 year of submarine service it is determined that a member has failed to perform the minimum prescribed operational submarine duty requirements during the prescribed periods of time, his entitlement to continuous monthly submarine duty incentive pay ceases. If entitlement to continuous monthly submarine duty incentive pay ceases upon completion of 12 years of submarine service, entitlement to that pay may again commence upon completion of 18 years of submarine service if the minimum operational submarine duty requirements have been met, and such pay shall continue for the period of time prescribed in accordance with this section. However, if entitlement to continuous monthly submarine duty incentive pay ceases in the case of any member at the completion of either 12 or 18 years of submarine service or 26 years of service (as computed under section 205 of this title, but excluding, in the case of an officer, periods as an enlisted member before initial appointment as an officer), such member shall be entitled to that pay in the amount set forth in subsection (b) for the performance of subsequent operational submarine duty, or for the performance of service as a member of a submarine operational command staff, if such member’s duties require serving on a submarine during underway operations.

(5) In this section:

(A) The term “operational submarine duty” means duty—

(i) while attached under competent orders to a submarine, while serving as an operator or crew member of an operational submersible (including an undersea exploration or research vehicle), while undergoing training preliminary to assignment to a nuclear-pow-

ered submarine, while undergoing rehabilitation after assignment to a nuclear-powered submarine, or, in the case of a member qualified in submarines, while attached as a member of a submarine operational command staff whose duties require serving on a submarine during underway operations—

(I) during one calendar month: 48 hours, except that hours served underway in excess of 48 as a member of a submarine operational command staff during any of the immediately preceding five calendar months and not already used to qualify for incentive pay may be applied to satisfy the underway time requirements for the current month;

(II) during any two consecutive calendar months when the requirements of subclause (I) of this clause have not been met: 96 hours; or

(III) during any three consecutive calendar months when the requirements of subclause (II) of this clause have not been met: 144 hours;

(ii) while receiving instruction to prepare for assignment to a submarine of advanced design, or

(iii) while receiving instruction to prepare for a position of increased responsibility on a submarine.

(B) The term ‘‘submarine service’’ means the service performed, under regulations prescribed by the Secretary of the Navy, by a member, and the years of submarine service are computed beginning with the effective date of the initial order to perform submarine service.

(b) A member who meets the requirements prescribed in subsection (a) is entitled to monthly submarine duty incentive pay as follows:

In subsection (a), the words "Except as provided by subsection (b) of this section" are inserted for clarity. The words "is also . . . entitled" are substituted for the words "shall, in addition thereto . . . be entitled". The words "any place outside the United States, or in Alaska or Hawaii" are substituted for the words "beyond the continental limits of the United States or in Alaska", since, under the source statute, Hawaii was be-

In subsection (b), the words "Appropriation of" are substituted for the words "of the funds appropriated to" The words "may not be paid" are substituted for the words "no part . . . shall be available for the payment" The words "member of a uniformed service" are substituted for the words "person in the military service" to conform to subsection (a). 1991—Subsec. (a). Pub. L. 102-25 struck out “of this section” after “subsection (b)”.

Subsec. (b). Pub. L. 102-25 struck out “of this section” after “subsection (a)”.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 201, 907 of this title; title 10 section 517.

§ 308. Special pay: reenlistment bonus

(a)(1) A member of a uniformed service who—
(A) has completed at least twenty-one months of continuous active duty (other than for training) but not more than fourteen years of active duty;

(B) is qualified in a military skill designated as critical by the Secretary of Defense, or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as service in the Navy;

(C) is not receiving special pay under section 312a of this title; and

(D) reenlists or voluntarily extends his enlistment in a regular component of the service concerned for a period of at least three years;

may be paid a bonus as provided in paragraph (2).

(2) The bonus to be paid under paragraph (1) may not exceed the lesser of the following amounts:

(A) The amount equal to the product of—

(i) ten times the monthly rate of basic pay to which the member was entitled at the time of the discharge or release of the member; and

(ii) the number of years (or the monthly fractions thereof) of the term of reenlistment or extension of enlistment, not to exceed six.

(B) \$45,000.

(3) Any portion of a term of reenlistment or extension of enlistment of a member that, when added to the total years of service of the member at the time of discharge or release, exceeds 16 years may not be used in computing a bonus under paragraph (2)(A).

(4) Notwithstanding paragraph (1)(B), a member who agrees to train and reenlist for service in a military skill which, at the time of that agreement, is designated as critical, may be paid the bonus approved for that skill, at the rate in effect at the time of agreement, upon completion of training and qualification in that skill, if otherwise qualified under this subsection and even if that skill is no longer designated as critical at the time the member becomes eligible for payment of the bonus.

(b)(1) Bonus payments authorized under this section may be paid in either a lump sum or in installments. If the bonus is paid in installments, the initial payment shall be not less than 50 percent of the total bonus amount.

(2) Of the bonuses paid under this section to members of a uniformed service during a fiscal year, not more than 10 percent may exceed \$20,000.

(c) For the purpose of computing the reenlistment bonus in the case of an officer with prior enlisted service who may be entitled to a bonus under subsection (a), the monthly basic pay of the grade in which he is enlisted, computed in accordance with his years of service computed under section 205 of this title, shall be used instead of the monthly basic pay to which he was entitled at the time of his release from active duty as an officer.

(d)(1) A member who voluntarily, or because of his misconduct, does not complete the term of enlistment for which a bonus was paid to him under this section or a member who is not technically qualified in the skill for which a bonus was paid to him under this section (other than a member who is not qualified because of injury, illness, or other impairment not the result of his own misconduct) shall refund that percentage of the bonus that the unexpired part of his additional obligated service is of the total reenlistment or extension period for which the bonus was paid.

(2) If a refund is not required under paragraph (1) in the case of a member who fails to complete a term of enlistment, the Secretary of Defense with respect to the armed forces under the Secretary's jurisdiction, and the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy, may decline to make any payment of a bonus installment under this section that is due to be paid to the member after the date on which the member fails to complete the term of enlistment for which the bonus is being paid. The Secretary of Defense and the Secretary of Transportation may prescribe the circumstances under which bonus installments may be terminated under this paragraph.

(e) For the purposes of determining the eligibility of a member for a bonus under this section and of computing the amount of that bonus—

(1) any period of enlistment (including any extension of an enlistment) (A) that is in-

(2) any unserved period of two years or less of an extension of an enlistment for which no bonus has been paid or for which no bonus is otherwise payable under this section,

may, under regulations prescribed by the Secretary concerned, be considered as part of an immediately subsequent term of reenlistment (or as part of an immediately subsequent voluntary extension of an enlistment).

(f) This section shall be administered under regulations prescribed by the Secretary of Defense for the armed forces under his jurisdiction, and by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

App. 456(d)(1)); and

§ 312. Special pay: nuclear-qualified officers extending period of active service

(a) Under regulations to be prescribed by the Secretary of the Navy, an officer of the naval service who—

(1) is entitled to basic pay;

(2) has the current technical qualification for duty in connection with supervision, operation, and maintenance of naval nuclear propulsion plants; and

(3) executes a written agreement to remain on active duty in connection with supervision,

operation, and maintenance of naval nuclear propulsion plants for a period of three, four, or five years, so long as the new period of obligated active service does not extend beyond the end of 26 years of commissioned service, in addition to any other period of obligated active service,

may, upon the acceptance by the Secretary or his designee of the written agreement, in addition to all other compensation to which he is entitled, be paid a sum of money not to exceed \$12,000 for each year of the active-service agreement. The Secretary of the Navy shall determine annually the necessity for continuance of the special pay and the rate of special pay per year for such active-service agreements accepted within each 12-month period. Upon acceptance of the agreement by the Secretary or his designee, the total amount payable shall be paid in equal annual installments over the length of the contract, commencing at the expiration of any existing period of obligated active service. The Secretary (or his designee) may accept an active service agreement under this section not more than one year in advance of the end of an officer's existing period of obligated active service under such an agreement. In such a case, the amount of the special pay may be paid commencing with the date of acceptance of the agreement, with the number of installments being equal to the number of years covered by the contract plus one.

(b) Pursuant to regulations prescribed by the Secretary of the Navy and subject to such exceptions as may be prescribed in those regulations, refunds, on a pro rata basis, of sums paid pursuant to this section may be required if the officer having received the payment fails to complete the full period of active duty in connection with supervision, operation, and maintenance of naval nuclear propulsion plants which he agreed to serve.

(c) Nothing in this section shall alter or modify the obligation of a regular officer to perform active service at the pleasure of the President. Completion of the additional period of active service under this section shall in no way obligate the President to accept a resignation submitted by a regular officer.

(d)(1) An officer who is performing obligated service under an agreement under subsection (a) may, if the amount that may be paid under such subsection is higher than at the time the officer executed such agreement, execute a new agreement under that subsection. The period of such an agreement shall be a period equal to or exceeding the original period of the officer's existing agreement, so long as the period of obligated active service under the new agreement does not extend beyond the end of 26 years of commissioned service. If a new agreement is executed under this subsection, the existing active-service agreement shall be cancelled, effective on the day before an anniversary date of that agreement after the date on which the amount that may be paid under this section is increased.

(2) This subsection shall be carried out under regulations prescribed by the Secretary of the Navy.

(e) The provisions of this section shall be effective only in the case of officers who, on or before September 30, 1996, execute the required written agreement to remain in active service.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 411g of this title; title 10 section 705.

§ 315. Special pay: engineering and scientific career continuation pay

(a) In this section, the term "engineering or scientific duty" means service performed by an officer—

- (1) that requires an engineering or science degree; and
- (2) that requires a skill designated (under regulations prescribed by the Secretary of Defense for the armed forces, by the Secretary of Commerce for the National Oceanic and Atmospheric Administration, or by the Secretary of Health and Human Services for the Public Health Service) as critical and as a skill in which there is a critical shortage of officers in the uniformed service concerned.

(b) Under regulations prescribed by the Secretary concerned, an officer of a¹ uniformed service who—

- (1) is entitled to basic pay;
- (2) is below the pay grade of O-7;

- (5) has completed at least three but less than nineteen years of engineering or scientific duty as an officer; and

may, upon acceptance of the written agreement by the Secretary concerned, be paid, in addition to all other compensation to which the officer is entitled, an amount not to exceed \$3,000 multiplied by the number of years, or monthly fraction thereof, of obligated service to which the officer agrees under the agreement. The total amount payable may be paid in a lump sum or in equal periodic installments, as determined by the Secretary concerned.

(c)(1) An officer who does not serve on active duty for the entire period for which he has been paid under subsection (b) shall refund that percentage of the payment that the unserved part of the period is of the total period for which the

payment was made. Nothing in this subsection shall alter or modify the obligation of a regular officer to perform active service at the pleasure of the President. Completion by a regular officer of the total period of obligated service specified in an agreement under subsection (b) does not obligate the President to accept a resignation submitted by that officer.

(2) Subject to paragraph (3), and obligation to reimburse the United States imposed under paragraph (1) is for all purposes a debt owed to the United States.

(3) The Secretary concerned may waive, in whole or in part, a refund required under paragraph (1) if the Secretary concerned determines that recovery would be against equity and good conscience or would be contrary to the best interests of the United States.

(4) A discharge in bankruptcy under title 11 that is entered less than five years after the termination of an agreement under this section does not discharge the member signing such agreement from a debt arising under such agreement or under paragraph (1). This paragraph applies to any case commenced under title 11 after September 30, 1981.

1991—Pub. L. 102-190 amended text generally. Prior to amendment, text read as follows: "In this chapter, the term 'dependent', with respect to a member of a uniformed service, means—

"(1) his spouse;

"(2) his unmarried child (including any of the following categories of children if such child is in fact dependent on the member: a stepchild; an adopted child; or an illegitimate child whose alleged member-father has been judicially decreed to be the father of the child or judicially ordered to contribute to the child's support, or whose parentage has been admitted in writing by the member) who either—

"(B) is incapable of self-support because of a mental or physical incapacity, and in fact dependent on the member for over one-half of his support; and

"(3) his parent (including a stepparent or parent by adoption, and any person, including a former stepparent, who has stood in loco parentis to the member at any time for a continuous period of at least five years before the member became 21 years of age) who is in fact dependent on the member for over one-half of his support; however, the dependency of such a parent is determined on the basis of an affidavit submitted by the parent, and any other evidence required under regulations prescribed by the Secretary concerned, and he is not considered a dependent of the member claiming the dependence unless—

"(A) the member has provided over one-half of his support for the period prescribed by the Secretary concerned; or

“(B) due to changed circumstances arising after the member enters on active duty, he becomes in fact dependent on the member for over one-half of his support.

For the purposes of this section, the relationship between a stepparent and his stepchild is terminated by the stepparent's divorce from the parent by blood.”

Cl. (3). Pub. L. 93-64, §104, in revising cl. (3) of first sentence, substituted “five years before the member became 21 years” for “five years before he became 21 years”, struck out requirement of actual residence of parent in the member's household, and inserted provision respecting determination of dependency of parent, including items (A) and (B), formerly contained in former section 2201 of Appendix to Title 50, War and National Defense.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 403b, 411f of this title; title 10 section 2002.

§ 402. Basic allowance for subsistence

(a) Except as otherwise provided by law, each member of a uniformed service who is entitled to basic pay is entitled to a basic allowance for subsistence as set forth in this section.

(b) An enlisted member is entitled to the basic allowance for subsistence, on a daily basis, of one of the following types—

- (1) when rations in kind are not available;
- (2) when permission to mess separately is granted; and
- (3) when assigned to duty under emergency conditions where no messing facilities of the United States are available.

The allowance to an enlisted member, when authorized, may be paid in advance for a period of not more than three months. An enlisted member is entitled to the allowance while on an authorized leave of absence, while confined in a hospital, or while performing travel under orders away from his designated post of duty other than field duty or sea duty. The allowance for an enlisted member who is authorized to receive the basic allowance for subsistence under this

subsection is at the rate prescribed in accordance with section 1009 of this title or as otherwise prescribed by law. Unless he is entitled to basic pay under chapter 3 of this title, an enlisted member of a reserve component of a uniformed service, or of the National Guard, is entitled, in the discretion of the Secretary concerned, to rations in kind, or a part thereof, when the instruction or duty periods, described in section 206(a) of this title, total at least eight hours in a calendar day. The Secretary concerned may provide an enlisted member who could be provided rations in kind under the preceding sentence with a commutation when rations in kind are not available.

(c) An officer of a uniformed service who is entitled to basic pay is, at all times, entitled to the basic allowances for subsistence at the monthly rate prescribed in accordance with section 1009 of this title. An aviation cadet of the Navy, Air Force, Marine Corps, or Coast Guard is entitled to the same basic allowance for subsistence as is provided for an officer of the Navy, Air Force, Marine Corps, or Coast Guard, respectively.

(d) Under regulations and in areas prescribed by the Secretary of Defense and the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy, an enlisted member who is granted permission to mess separately, and whose duties require him to buy at least one meal from other than a messing facility of the United States, is entitled to not more than the pro rata allowance authorized for each such meal for an enlisted member when rations in kind are not available.

(e)(1) The President may prescribe regulations for the administration of this section, including definitions of the terms “field duty” and “sea duty” for purposes of the third sentence of subsection (b).

(2) For purposes of subsection (b), a member shall not be considered to be performing travel under orders away from his designated post of duty if such member—

(A) is an enlisted member serving his first tour of active duty;

(B) has not actually reported to a permanent duty station pursuant to orders directing such assignment; and

(C) is not actually traveling between stations pursuant to orders directing a change of station.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 404, 420, 1003, 1009, 1012 of this title; title 10 section 6912; title 14 section 372; title 32 section 107.

§ 403. Basic allowance for quarters

(a)(1) Except as otherwise provided by law, a member of a uniformed service who is entitled

to basic pay is entitled to a basic allowance for quarters at the monthly rates prescribed in accordance with section 1009 of this title or as otherwise prescribed by law, according to the pay grade in which he is assigned or distributed for basic pay purposes. The allowance authorized by this section may be paid in advance.

(2) A member of a uniformed service with dependents is not entitled to a basic allowance for quarters as a member with dependents unless the member makes an annual certification to the Secretary concerned indicating the status of each dependent of the member. The certification shall be made in accordance with regulations prescribed by the Secretary of Defense.

(b) Except as otherwise provided by law, a member of a uniformed service who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service, appropriate to his grade, rank, or rating and adequate for himself, and his dependents, if with dependents, is not entitled to a basic allowance for quarters. However, subject to the provisions of subsection (j), a member without dependents who is in a pay grade above pay grade E-6 and who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service, appropriate to his grade or rank and adequate for himself, may elect not to occupy those quarters and instead to receive the basic allowance for quarters prescribed for his pay grade by this section.

(c)(1) A member of a uniformed service without dependents who makes a permanent change of station for assignment to a unit conducting field operations is not entitled to a basic allowance for quarters while on that initial field duty unless his commanding officer certifies that the member was necessarily required to procure quarters at his expense.

(2) A member of a uniformed service without dependents who is in a pay grade below pay grade E-7 is not entitled to a basic allowance for quarters while he is on sea duty. A member of a uniformed service without dependents who is in a pay grade above E-6 who is assigned to sea duty under a permanent change of station is not entitled to a basic allowance for quarters if the unit to which the member is ordered is deployed and the permanent station of the unit is different than the permanent station from which the member is reporting.

(d)(1) A member of a uniformed service who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service may not be denied the basic allowance for quarters if, because of orders of competent authority, his dependents are prevented from occupying those quarters.

(2) A member of a reserve component without dependents who is called or ordered to active duty in support of a contingency operation (other than a member who is authorized transportation of household goods under section 406 of this title as part of that call or order) may not be denied a basic allowance for quarters if, because of that call or order, the member is unable to continue to occupy a residence—

(A) which is maintained as the primary residence of the member at the time of the call or order; and

(B) which is owned by the member or for which the member is responsible for rental payments.

(e) Notwithstanding any other law (including those restricting the occupancy of housing facilities under the jurisdiction of a department or agency of the United States by members, and their dependents, of the armed forces above specified grades, or by members, and their dependents of the National Oceanic and Atmospheric Administration and the Public Health Service), a member of a uniformed service, and his dependents, may be accepted as tenants in, and may occupy on a rental basis, any of those housing facilities, other than public quarters constructed or designated for assignment to and occupancy without charge by such a member, and his dependents, if any. Such a member may not, because of his occupancy under this subsection, be deprived of any money allowance to which he is otherwise entitled for the rental of quarters.

(f) A member of a uniformed service without dependents who is in pay grade E-4 (four or more years' service), or above, is entitled to a basic allowance for quarters while he is in a travel or leave status between permanent duty stations, including time granted as delay enroute or proceed time, when he is not assigned to quarters of the United States.

(g) An aviation cadet of the Navy, Air Force, Marine Corps, or Coast Guard is entitled to the same basic allowance for quarters as a member of the uniformed services in pay grade E-4.

(h) The Secretary concerned, or his designee, may make any determination necessary to administer this section with regard to enlisted members, including determinations of dependency and relationship, and may, when warranted by the circumstances, reconsider and change or modify any such determination. This authority may be redelegated by the Secretary concerned or his designee. Any determination made under this section with regard to enlisted members is final and is not subject to review by any accounting officer of the United States or a court, unless there is fraud or gross negligence.

(i) Notwithstanding any other provision of law, the basic allowance for quarters to which an enlisted member may be entitled as a member with dependents shall not, for such period as the Secretary concerned may prescribe, be contingent on the right of such member to receive pay.

(j)(1) The Secretary of Defense shall prescribe regulations for the administration of this section, including definitions of the terms "field duty" and "sea duty".

(2) The Secretary concerned may deny the right to make an election under subsection (b) if he determines that the exercise of such an election would adversely affect a training mission, military discipline, or military readiness.

(k) Parking facilities (including utility connections) provided members of the uniformed services for house trailers and mobile homes not owned by the Government shall not be considered to be quarters for the purposes of this section or any other provision of law. Any fee es-

tablished by the Government for the use of such a facility shall be established in an amount sufficient to cover the cost of maintenance, services, and utilities and to amortize the cost of construction of the facility over the 25-year period beginning with the completion of such construction.

(l)(1) The Secretary of Defense, or the Secretary of Transportation in the case of the Coast Guard when not operating as a service in the Navy, may allow the dependents of a member of the armed forces who dies in line of duty and whose dependents are occupying family housing provided by the Department of Defense, or by the Department of Transportation in the case of the Coast Guard, other than on a rental basis on the date of the member's death to continue to occupy such housing without charge for a period of 180 days.

(2) The Secretary concerned may pay an allowance for quarters to the dependents of a member of the uniformed services who dies in line of duty and whose dependents are not occupying a housing facility under the jurisdiction of a uniformed service on the date of the member's death or are occupying such housing on a rental basis on such date, or whose dependents vacate such housing sooner than 180 days after the date of the member's death. The amount of the allowance for quarters shall be the same amount that would be payable to the deceased member under sections 403, 403a, and 405 of this title if the member had not died. The payment of an allowance for quarters under this subsection shall terminate 180 days after the date of the member's death.

(m)(1) Except as provided in paragraph (2), in the case of a member of a uniformed service who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service and who is authorized a basic allowance for quarters solely by reason of the member's payment of child support, the amount of the basic allowance for quarters to which the member is entitled shall be equal to the difference between the basic allowance for quarters applicable to the member's grade, rank, or rating at the with-dependent rate and the applicable basic allowance for quarters at the without-dependent rate.

(2) A member of a uniformed service shall not be entitled to a basic allowance for quarters solely by reason of the payment of child support if the monthly rate of that child support is less than the amount of the basic allowance for quarters computed for the member under paragraph (1).

(3) The application of this subsection to a member of a uniformed service shall not affect the entitlement of that member to a basic allowance for quarters at a partial rate under section 1009(c) of this title.

A member with dependents who is assigned to an unaccompanied tour of duty outside the United States may be paid a variable housing allowance under this subsection while serving such tour of duty for any period during which the member’s dependents reside in an area of the United States which would qualify the member to receive a variable housing allowance under this subsection if assigned to duty in that area.

“(2) The monthly amount of a variable housing allowance under this subsection for any member may not exceed the difference between (A) the average monthly

cost of housing in that area for members of the uniformed services serving in the same pay grade as that member (as determined under regulations prescribed under paragraph (4)), and (B) 115 percent of the amount of the basic allowance for quarters to which that member is entitled.

“(3) For the purposes of this subsection, an area shall be considered to be a high housing cost area with respect to a member of a uniformed service whenever the average monthly cost of housing in that area for members serving in the same pay grade as that member (as determined under regulations prescribed under paragraph (4)) exceeds 115 percent of the amount of the basic allowance for quarters of that member.

L. 89-718 except with respect to rights and duties that matured, penalties that were incurred, and proceedings that were begun before November 2, 1966. L. 87-531, §2, July 10, 1962, 76 Stat. 152. Laws effective after Jan. 9, 1962, that are inconsistent with Pub. L. 87-649, to be considered as superseding Pub. SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 407, 420, 1003, 1009 of this title; title 32 section 107; title 50 App. section 454.

§ 403a. Variable housing allowance

(a)(1) Except as provided in subsection (b), a member of a uniformed service entitled to basic allowance for quarters is entitled to a variable housing allowance under this section whenever assigned to duty in an area of the United States which is a high housing cost area with respect to that member. A member with dependents who is assigned to an unaccompanied tour of duty outside the United States is entitled to a variable housing allowance while serving that tour of duty for any period during which the member’s dependents reside in an area of the United States where, if the member were assigned to duty in that area, the member would be entitled to receive a variable housing allowance. The allowance authorized by this section may be paid in advance.

(2) In the case of a member with dependents—

(A) who is assigned to duty inside the United States the location or the circumstances of which make it necessary that his dependents reside at another location; and

(B) whose dependents reside in an area of the United States where, if the member were assigned to duty in that area, the member would be entitled to receive a variable housing allowance at a rate other than the rate to which the member is entitled (if at all) in the area of his duty assignment,

the member may be paid a variable housing allowance as if he were assigned to duty in the area in which his dependents reside if the Secretary concerned determines (under regulations prescribed under subsection (e)) that it would be inequitable to base the member’s entitlement to, and amount of, variable housing allowance on the area to which the member is assigned.

(3) In the case of a member with dependents—

(A) who is assigned to an unaccompanied tour of duty in Alaska or Hawaii; and

(B) who would, if his duty station were outside the United States, be entitled to a family separation allowance under section 427(a) of this title,

the member may be paid a variable housing allowance at the rate applicable to a member without dependents serving in the same grade and at the same location. Payment of a variable housing allowance under this paragraph shall be in addition to any allowance or per diem to which the member otherwise may be entitled under this title.

(4) In the case of a member with dependents—

(A) who is assigned to duty inside the United States;

(B) who is authorized to receive the basic allowance for quarters at the rate established

for a member with dependents solely by reason of the payment of child support by the member; and

(C) who is not assigned to a housing facility under the jurisdiction of a uniformed service, the member may be paid a variable housing allowance at the rate applicable to a member without dependents serving in the same grade and at the same location.

(5)(A) In the case of a member described in subparagraph (B) who is assigned to duty away from the member's principal place of residence (as determined under regulations prescribed by the Secretary of Defense), the member shall be considered to be assigned to duty at that residence for the purpose of determining the entitlement of the member to a variable housing allowance under this section.

(B) A member referred to in subparagraph (A) is a member of a uniformed service who—

(i) is a member of a reserve component called or ordered to active duty (other than for training) or is a retired member ordered to active duty under section 688(a) of title 10; and

(ii) is not authorized transportation of household goods under section 406 of this title from the member's principal place of residence to the place of that duty assignment.

(b) A member of a uniformed service may not be paid a variable housing allowance—

(1) in the case of a member who makes a change in permanent duty station, for the number of days that travel is authorized between permanent duty stations (under regulations prescribed under subsection (e));

(2) in the case of a member with dependents who is authorized the basic allowance for quarters at the rate established for a member with dependents solely by reason of the payment of child support by the member, if—

(A) the member is assigned to a housing facility under the jurisdiction of a uniformed service;

(B) the member (i) is assigned to duty outside the United States or in Alaska or Hawaii, and (ii) is authorized a station housing allowance under section 405 of this title; or

(C) the member is assigned to sea duty and elects not to occupy assigned quarters for unaccompanied personnel, unless the member is in a pay grade above E-6;

(3) in the case of a member of a reserve component, while on active duty under a call or order to active duty specifying a period of less than 140 days, unless the call or order to active duty is in support of a contingency operation; or

(4) unless the member makes an annual certification (in accordance with such regulations as the Secretary of Defense may prescribe) to the Secretary concerned identifying the housing costs of the member.

(c)(1) The monthly amount of a variable housing allowance under this section for a member of a uniformed service with respect to an area is the difference between (A) the median monthly cost of housing in that area for members of the uniformed services serving in the same pay

grade and with the same dependency status as that member, and (B) 80 percent of the median monthly cost of housing in the United States for members of the uniformed services serving in the same pay grade and with the same dependency status as that member.

(2) The rates of variable housing allowance shall be reduced as necessary to comply with subsection (d).

(3) The effective date of any adjustment in rates of variable housing allowance because of a redetermination of median monthly costs of housing under this subsection shall be the same as the effective date of the next increase after such redetermination in the basic allowances for quarters.

(4) For the purposes of this section, an area shall be considered to be a high housing cost area with respect to a member of a uniformed service whenever the median monthly cost of housing in that area for members of the uniformed services serving in the same pay grade and with the same dependency status as that member exceeds 80 percent of the median monthly cost of housing in the United States for members of the uniformed services serving in the same pay grade and with the same dependency status as that member.

(5) Any reduction required under paragraph (2) and any determination of median monthly costs of housing under this subsection shall be made under regulations prescribed under subsection (e).

(6)(A) The monthly variable housing allowance that would otherwise be paid to a member under this section shall be reduced by an amount equal to one-half of the amount (if any) by which—

(i) the total monthly housing allowance prescribed for members of the same grade as such member who are assigned to duty in the same area as such member (or in the same area in which the dependents of the member reside, as appropriate), exceeds

(ii) the monthly housing costs of the member in the area in which the member is assigned to duty (or in the area in which the dependents of the member reside, as appropriate).

(B) In subparagraph (A), the term "total monthly housing allowance" means, in the case of any member, the sum of—

(i) the monthly basic allowance for quarters to which the member is entitled; and

(ii) the monthly variable housing allowance prescribed for the same grade as such member for the area in which the member is assigned to duty (or in the area in which the dependents of the member reside, as appropriate).

(d)(1) The total amount that may be paid for a fiscal year for the variable housing allowance authorized members of the uniformed services by this section is the product of—

(A) the total amount authorized to be paid for such allowance for the preceding fiscal year (as adjusted under paragraph (3)); and

(B) a fraction—

(i) the numerator of which is the military housing cost index for October of the preceding fiscal year; and

(ii) the denominator of which is the military housing cost index for October of the fiscal year before the preceding fiscal year.

(2) The military housing cost index is the housing component of the Consumer Price Index (as determined by the Bureau of Labor Statistics of the Department of Labor), as adjusted under regulations prescribed under subsection (e). Such regulations may assign weights to the elements of that housing component other than those assigned by the Secretary of Labor in order more appropriately to reflect the distribution of elements of housing costs of members of the uniformed services.

(3) In making a determination under paragraph (1) for a fiscal year, the amount authorized to be paid for the preceding fiscal year for the variable housing allowance shall be adjusted to reflect changes during the year for which the determination is made in the number, grade distribution, and dependency status of members of the uniformed services entitled to variable housing allowance from the number of such members during the preceding fiscal year. Adjustments under this paragraph shall be made in accordance with regulations prescribed under subsection (e).

(e)(1) The Secretary of Defense may prescribe regulations for the administration of this section.

(2) Any regulations prescribed under paragraph (1) may not allow—

(A) an increase in the variable housing allowance rate for a pay grade in an area solely to prevent the variable housing allowance rate for a lower pay grade in that area from exceeding such rate; or

(B) a failure to lower the variable housing allowance rate for a pay grade in an area in accordance with a decrease in housing costs for such pay grade in that area determined on the basis of the annual certifications of housing costs of members of the uniformed services receiving a variable housing allowance for that area.

(3) Paragraph (2) shall not apply to regulations prescribed with respect to any pay grade in an area for which available data describe fewer than 50 persons in the pay grade.

(f) The monthly rate of a variable housing allowance for members of the uniformed services in the same pay grade and dependency status in an area may not be reduced pursuant to subsection (c)(2), a redetermination of median monthly costs of housing under that subsection, or any other law to the extent that the total amount of monthly basic pay, basic allowance for quarters, basic allowance for subsistence, and variable housing allowance for that grade and status is reduced, as a result of such a reduction in variable housing allowance, below the monthly total of those items of pay and allowances for the month preceding the effective date of the most recent increase in the rate of basic pay for that grade.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 403 of this title; title 2 section 906; title 10 section 7572.

§ 403b. Cost-of-living allowance in the continental United States

(a) PAYMENT AUTHORIZED.—The Secretary concerned may pay a cost-of-living allowance to the eligible members of a uniformed service under the jurisdiction of the Secretary.

(b) ELIGIBLE MEMBERS.—The following members are eligible to receive a cost-of-living allowance under this section:

(1) A member assigned to a high cost area in the continental United States.

(2) A member assigned to an unaccompanied tour of duty outside the continental United States if the primary dependent of the member resides in a high cost area in the continental United States.

(3) A member assigned to duty in the continental United States if the Secretary of the uniformed service concerned determines that—

(A) the primary dependent of the member must reside in a high cost area in the continental United States by reason of the member's duty location or other circumstances; and

(B) it would be inequitable for the member's eligibility for the allowance to be determined on the basis of the duty location of the member.

(c) HIGH COST AREA DEFINED.—An area is a high cost area for a fiscal year for purposes of this section if the uniformed services cost of living for that area for the base period exceeds the average cost of living in the continental United States for such base period by at least the threshold percentage. The Secretary of Defense, in consultation with the other administering Secretaries, shall establish the threshold percentage, except that the threshold percentage may not be less than 8 percent. The administering Secretaries shall prescribe a higher threshold percentage to be applied for a fiscal year when it is necessary to do so in order to ensure that the total amount of the payments of the cost-of-living allowance made to members of the uniformed services under this section for such fiscal year does not exceed the total amount available to all uniformed services for that fiscal year for paying such allowance.

(d) AMOUNT OF ALLOWANCE.—The cost-of-living allowance that may be paid to a member for a high cost area for a fiscal year shall be the amount that is equal to the product of—

(1) the amount of the average spendable income determined applicable for the regular military compensation level of such member under subsection (g); and

(2) the percentage equal to the excess of—

(A) the percentage by which the uniformed services cost of living for the member's high cost area for the base period exceeds the average cost of living in the continental United States for such base period, over

(B) the threshold percentage applicable to such fiscal year under subsection (c).

(e) LIMITATION TO ONE ALLOWANCE.—If primary dependents of a member reside separately in different high cost areas—

(1) the member may be paid only one cost-of-living allowance under this section; and

(2) the cost-of-living allowance payable to the member shall be the highest of the amounts computed under this section for such high cost areas.

(f) SERVICE NOT COVERED.—(1) A cost-of-living allowance may not be paid a member under this section for the days authorized for travel of the member in connection with a permanent change of duty station.

(2) A member of a reserve component is not eligible for a cost-of-living allowance under this section unless the member is on active duty under a call or order to active duty that—

(A) specifies a period of 140 days or more; or

(B) states that the call or order to active duty is in support of a contingency operation.

(g) AVERAGE SPENDABLE INCOME.—The Secretary of Defense shall determine, using a methodology and assumptions that the Secretary considers appropriate, the amounts of average spendable income of members of the uniformed services for various ranges of regular military compensation. For purposes of this subsection, spendable income is the total amount of regular military compensation that is available for purchase of goods and services after allocation of amounts for taxes, insurance, housing, gifts and contributions, and savings.

(h) JOINT REGULATIONS.—The Secretary of Defense and the other administering Secretaries shall jointly prescribe regulations to carry out this section.

(i) OTHER DEFINITIONS.—In this section:

(1) The term "primary dependent", with respect to a member, means—

(A) the member's spouse; or

(B) in the case of an unmarried member, a dependent described in paragraph (2) or (4) of section 401(a) of this title.

(2) The term "cost of living" means a price index selected by the Secretary of Defense, in consultation with the other administering Secretaries, from among the following indices:

(A) The Consumer Price Index (all items—United States city average) published monthly by the Bureau of Labor Statistics.

(B) Any other index developed in the private sector that the Secretary of Defense, in consultation with the other administering Secretaries, determines is comparable to the Consumer Price Index and is appropriate for use for purposes of this section.

(3) The term "uniformed services cost of living" means the price index selected as described in paragraph (2) and adjusted as the Secretary of Defense, in consultation with the other administering Secretaries, considers appropriate to reflect variations between expenses of members of the uniformed services (as offset by the basic allowance for subsistence) and the corresponding expenses of persons not members of the uniformed services with regard to the following:

(A) Nonhousing costs (including costs of transportation, goods, and services, taking into consideration savings attributable to use of such military facilities as commissary stores and exchange stores).

(B) Average income tax paid.

(C) Cost of health care.

(4) The term "base period", with respect to a fiscal year, means the 12-month period ending on June 30 of the year in which such fiscal year begins.

(5) The term "administering Secretaries" means the following:

(A) The Secretary of Defense, with respect to the armed forces (other than the Coast

Guard when it is not operating as a service in the Navy).

(B) The Secretary of Transportation, with respect to the Coast Guard when it is not operating as a service in the Navy.

(C) The Secretary of Commerce, with respect to the National Oceanic and Atmospheric Administration.

CONDITIONS ON PROVISION OF ALLOWANCE

Section 602(b) of Pub. L. 103-337 provided that:

"(1) A cost-of-living allowance under section 403b of title 37, United States Code, as added by subsection (a), may not be provided until after the end of the 90-day period beginning on the date the Secretary of Defense submits the report required under paragraph (2).

"(2) Before implementing section 403b of title 37, United States Code, the Secretary of Defense, in consultation with the other administering Secretaries (as defined in subsection (h)(6) of such section), shall submit to Congress a report describing—

"(A) the methods by which the Secretary of Defense would determine the price index to be used under such section and the types of nonhousing related costs that will be considered under such price index;

"(B) the manner by which the Secretary will establish the threshold percentage for purposes of such section;

"(C) the manner in which savings attributable to use of such military facilities as commissary stores, exchange stores, and military medical treatment facilities will be taken into consideration; and

"(D) the methods by which the Secretary proposes to prevent uncontrolled growth in Government expenditures through the cost-of-living allowance available under such section."

[Report submitted by Secretary of Defense on Mar. 31, 1995.]

§ 404. Travel and transportation allowances: general

(a) Except as provided in subsection (f) and under regulations prescribed by the Secretaries concerned, a member of a uniformed service is entitled to travel and transportation allowances for travel performed or to be performed under orders, without regard to the comparative costs of the various modes of transportation—

(1) upon a change of permanent station, or otherwise, or when away from his designated post of duty regardless of the length of time he is away from that post;

(2) upon appointment, call to active duty, enlistment, or induction, from his home or from the place from which called or ordered to active duty to his first station;

(3) upon separation from the service, placement on the temporary disability retired list, release from active duty, or retirement, from his last duty station to his home or the place from which he was called or ordered to active duty, whether or not he is or will be a member of a uniformed service at the time the travel is or will be performed;

(4) when away from home to perform duty, including duty by a member of the Army National Guard of the United States or the Air National Guard of the United States, as the case may be, in his status as a member of the National Guard, for which he is entitled to, or has waived, pay under this title; and

(5) when not on active duty, if assigned to a Reserve school, and attending a reserve training meeting for the purpose of performing duties as an instructor at such meeting, if such meeting is 100 or more miles from the site at which the member would attend paid drills of the Reserve school to which he is assigned.

(b)(1) The Secretaries concerned may prescribe—

(A) the conditions under which travel and transportation allowances are authorized, including advance payments thereof; and

(B) the allowances for the kinds of travel, but not more than the amounts authorized in this section.

(2) In prescribing such conditions and allowances, the Secretaries concerned shall provide that a member who is performing travel under orders away from his designated post of duty and who is authorized a per diem under clause (2) of subsection (d) shall be paid for the meals portion of that per diem in a cash amount at a rate that is not less than the rate established under section 1011(a) of this title for meals sold to members. The preceding sentence shall not apply with respect to a member on field duty or sea duty (as defined in regulations prescribed under section 402(e) of this title) or a member of a unit with respect to which the Secretary concerned has determined that unit messing is essential to the accomplishment of the unit's training and readiness.

(c)(1) Under uniform regulations prescribed by the Secretaries concerned and as provided in paragraph (2), a member who—

(A) is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10;

(C) is involuntarily separated from active duty during the nine-year period beginning on October 1, 1990,

(C) any other place.

However, if the member selects as his home a place other than a place described in clause (A) or (B) of the preceding sentence, the travel and transportation allowances authorized by subsection (a) may not exceed the allowances which would be payable if the place selected as his home were in the United States (other than Hawaii or Alaska).

(d)(1) The travel and transportation allowances authorized for each kind of travel may not be more than one of the following:

(A) Transportation in kind, reimbursement therefor, or, under regulations prescribed by the Secretaries concerned, when travel by privately owned conveyance is authorized or approved as more advantageous to the Government, a monetary allowance in place of the cost of transportation, at the rates provided in section 5704 of title 5, based on distances established over the shortest usually traveled route, under mileage tables prepared under the direction of the Secretary of Defense.

(B) Transportation in kind, reimbursement therefor, or a monetary allowance as provided in subparagraph (A), plus a payment in lieu of subsistence as provided in paragraph (2) in an amount sufficient to meet normal and necessary expenses in the area to which travel is performed.

(3) A per diem allowance or maximum amount of reimbursement established for purposes of paragraph (2) shall be established, to the extent feasible, by locality.

(4) For travel consuming less than a full day, the payment prescribed by regulation under paragraph (2) shall be allocated in such manner as the Secretaries concerned prescribe.

(e) A member who is on duty with, or is undergoing training for, the Air Mobility Command, the Marine Corps Transport Squadrons, the Fleet Tactical Support Squadrons, the Naval Aircraft Ferrying Squadrons, or any other unit determined by the Secretary concerned to be performing duties similar to the duties performed by such command or squadrons, and who is away from his permanent station, may be paid a per diem in lieu of subsistence in an amount not more than the amount to which he would be entitled if he were performing travel in connection with temporary duty without, in ei-

ther case, the issuance of orders for specific travel.

(f)(1) The travel and transportation allowances authorized under this section for a member who is separated from the service or released from active duty may be paid or provided only for travel actually performed.

(2)(A) Except as provided in subparagraph (B), a member who is separated from the service or released from active duty and who—

(v) who is involuntarily separated from active duty during the nine-year period beginning on October 1, 1990.

(3) For purposes of entitlement to per diem in place of subsistence under subsection (d)(2), a member shall not be considered under subsection (a)(1) to be performing travel under orders away from his designated post of duty if such member—

(A) is an enlisted member serving his first tour of active duty;

(B) has not actually reported to a permanent duty station pursuant to orders directing such assignment; and

(C) is not actually traveling between stations pursuant to orders directing a change of station.

(g) In the case of an enlisted member who is in a travel status and not entitled to receive per diem in lieu of subsistence for any day (or portion of a day) because the member is furnished meals in a Government mess, the member may not be paid a basic allowance for subsistence for such day (or portion of such day) that the member is furnished meals in a Government mess.

§ 405. Travel and transportation allowances: per diem while on duty outside the United States or in Hawaii or Alaska

(a) Without regard to the monetary limitations of this title, the Secretaries concerned may authorize the payment of a per diem, considering all elements of the cost of living to members of the uniformed services under their jurisdiction and their dependents, including the cost of quarters, subsistence, and other necessary incidental expenses, to such a member who is on duty outside of the United States or in Hawaii or Alaska, whether or not he is in a travel status. However, dependents may not be considered in determining the per diem allowance for a member in a travel status.

(b) A station housing allowance may be prescribed under this section for a member who is

on duty outside of the United States without regard to costs other than housing costs and may consist of the difference between basic allowance for quarters and applicable housing cost. A station housing allowance may not be prescribed under this section for a member who is on duty in Hawaii or Alaska. A station housing allowance prescribed under this section may be paid in advance.

(c) Housing cost and allowance may be disregarded in prescribing a station cost of living allowance under this section.

(d)(1) In the case of a member of the uniformed services authorized to receive a per diem allowance under subsection (a), the Secretary concerned may make a lump-sum payment for non-recurring expenses—

(A) incurred by the member in occupying private housing outside of the United States; and

(B) authorized or approved under regulations prescribed by the Secretary concerned.

(2) Nonrecurring expenses for which a member may be reimbursed under paragraph (1) may include losses sustained by the member on the refund of a rental deposit (or other deposit made by the member to secure housing) as a result of fluctuations in the relative value of the currencies of the United States and the foreign country in which such housing is located.

(3) The Secretary concerned shall recoup the full amount of a refunded deposit referred to in paragraph (2) that was paid by the United States, including any gain resulting from a fluctuation in currency values referred to in that paragraph.

(4) Expenses for which payments are made under this subsection may not be considered for purposes of determining the per diem allowance of the member under subsection (a).

§ 405a. Travel and transportation allowances: departure allowances

(a) Under regulations prescribed by the Secretaries concerned, when dependents of members of the uniformed services are ordered to depart by competent authority, they may be authorized such allowances as the Secretary concerned determines necessary to offset the expenses incident to the departure. Allowances authorized by

this section are in addition to those authorized by any other section of this title. Such allowances may be paid in advance. For the purposes of this section, a dependent “ordered to depart by competent authority” includes—

(1) a dependent who is present at or in the vicinity of the member’s duty station when the departure of dependents is ordered by competent authority and who actually moved to an authorized safe haven designated by that authority, whether such safe haven is at or in the vicinity of the member’s duty station or elsewhere;

(2) a dependent who resides at or in the vicinity of a former duty station of the member following the assignment of the member elsewhere or who resides at or in the vicinity of a duty station (other than the duty station of the member) incident to orders in connection with an unaccompanied tour of duty of the member, if a departure of dependents is ordered by competent authority from the duty station at which or in the vicinity of which the dependent resides and the dependent actually moves to an authorized safe haven designated by that authority;

(3) a dependent who established a household at or in the vicinity of the member’s duty station but who is temporarily absent therefrom for any reason when departure of dependents is ordered by competent authority; and

(4) a dependent who was authorized to join the member and who departed from his former place of residence incident to joining the member but who, as a result of the departure of dependents, is diverted to a safe haven designated by competent authority or is authorized to travel to a place the dependent may designate, even though he was in the United States when the departure was ordered.

(b) Under regulations prescribed by the Secretaries concerned, each member whose dependents are covered by subsection (a) is entitled to have one motor vehicle that is owned by the member (or a dependent of the member) and is for the personal use of the member or his dependents, transported at the expense of the United States to a designated place for the use of the dependents. When the dependents are permitted to rejoin the member, the vehicle may be transported at the expense of the United States to his permanent duty station.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 407, 411, 420, 1003, 1006 of this title.

§ 406. Travel and transportation allowances: dependents; baggage and household effects

(a)(1) Except as provided in paragraph (2), a member of a uniformed service who is ordered to make a change of permanent station is entitled to transportation in kind, reimbursement therefor, or a monetary allowance in place of the cost of transportation, plus a per diem, for the member’s dependents at rates prescribed by the Secretaries concerned, but not more than the rate authorized under section 404(d) of this title.

(2)(A) Except as provided in subparagraph (B), a member who—

(i) is separated from the service or released from active duty; and

(ii) on the date of his separation from the service or release from active duty, has not served on active duty for a period of time equal to at least 90 percent of the period of time for which he initially enlisted or otherwise initially agreed to serve,

may be provided transportation under this subsection for his dependents only by transportation in kind by the least expensive mode of transportation available or by a monetary allowance that does not exceed the cost to the Government of such transportation in kind.

(B) Subparagraph (A) does not apply to a member—

(i) who is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10;

(ii) who is separated from the service or released from active duty for a medical condition affecting the member, as determined by the Secretary concerned;

(iii) who is separated from the service or released from active duty because the period of time for which the member initially enlisted or otherwise initially agreed to serve has been reduced by the Secretary concerned and is separated or released under honorable conditions;

(iv) who is discharged under section 1173 of title 10; or

(v) who is involuntarily separated from active duty during the nine-year period beginning on October 1, 1990.

(3) The allowances authorized under this subsection may be paid in advance.

(4) In this section, the term “involuntarily separated” has the meaning given that term in section 1141 of title 10.

(b)(1)(A) Except as provided in paragraph (2), in connection with a change of temporary or permanent station, a member is entitled to transportation (including packing, crating, drayage, temporary storage, and unpacking) of baggage and household effects, or reimbursement therefor, within the weight allowances listed in subparagraph (C), without regard to the comparative costs of the various modes of transportation. Temporary storage in excess of 180 days may be authorized.

(B) Subject to uniform regulations prescribed by the Secretaries concerned, in the case of a permanent change of station in which the Secretary concerned has authorized transportation of a motor vehicle under section 2634 of title 10 (except when such transportation is authorized from the old duty station to the new duty station), the member is entitled to a monetary allowance for transportation of that motor vehicle—

(i) from the old duty station to—

(I) the customary port of embarkation which is nearest the old duty station if delivery of the motor vehicle to the port of embarkation is not made in conjunction with the member's travel to the member's port of embarkation; or

(II) the customary port of embarkation which is nearest to the member's port of embarkation if delivery of the motor vehicle to the port of embarkation is made in conjunction with the member's travel to the member's port of embarkation;

whichever is most cost-effective for the Government considering all operational, travel, and transportation requirements incident to such change of station; and

(ii) from the customary port of debarkation which has been designated by the Government as most cost-effective for the Government considering all operational, travel, and transportation requirements incident to such change of station to the new duty station.

Such monetary allowance shall be established at a rate per mile that does not exceed the rate established under section 404(d)(1) of this title.

(C) Under regulations prescribed by the Secretary of Defense, the weight allowance in pounds to which a member is entitled under subparagraph (A) is determined in accordance with the following table:

Pay Grade	Without Dependents	With Dependents
O-10 to O-6	18,000	18,000

E-1	1,500	5,000

¹ Member with more than two years of service computed under section 205 of this title.

² Member with less than two years of service computed under section 205 of this title.

(D) In connection with the change of temporary or permanent station of a member in a pay grade below pay grade O-6, the Secretary concerned may authorize a higher weight allowance than the weight allowance determined under subparagraph (C) for the member if the Secretary concerned determines that the application of the weight allowance determined under such subparagraph would result in significant hardship to the member or the dependents of the member. An increase in weight allowance under this subparagraph may not result in a weight allowance exceeding the weight allowance specified in subparagraph (C) for pay grades O-6 to O-10. The Secretary of Defense shall prescribe regulations to carry out this subparagraph.

(E) Under regulations prescribed by the Secretary of Defense, or the Secretary of Transportation for the Coast Guard when it is not operating as a service in the Navy, cadets at the United States Military Academy, the United States Air Force Academy, and the United States Coast Guard Academy, and midshipmen at the United States Naval Academy shall be entitled, in connection with temporary or permanent station change, to transportation of baggage and household effects as provided in subparagraph (A) of this paragraph. The weight allowance for cadets and midshipmen is 350 pounds.

(2) The transportation and allowances authorized under paragraph (1) may be paid or provided to a member upon his separation from the service or release from active duty only if the member applies for the transportation and allowances not later than 180 days after the date of

his separation or release from active duty. If a member to whom this paragraph applies has been authorized nontemporary storage under subsection (d), the 180-day period shall not begin until such authorization for nontemporary storage expires. This paragraph does not apply to a member to whom subsection (g)(1) applies.

(c) The allowances and transportation authorized by subsections (a) and (b) are in addition to those authorized by sections 404 and 405 of this title and are—

- (1) subject to such conditions and limitations;
- (2) for such grades, ranks, and ratings; and
- (3) to and from such places;

prescribed by the Secretaries concerned. Transportation of the household effects of a member may not be made by commercial air carrier at an estimated over-all cost that is more than the estimated over-all cost of the transportation thereof by other means, unless an appropriate transportation officer has certified in writing to his commanding officer that those household effects to be so transported are necessary for use in carrying out assigned duties, or are necessary to prevent undue hardship and other means of transportation will not fill those needs. However, not more than 1,000 pounds of unaccompanied baggage may be transported by commercial air carrier, without regard to the preceding sentence, under regulations prescribed under the authority of the Secretary of Defense.

(d) The nontemporary storage of baggage and household effects may be authorized in facilities of the United States, or in commercial facilities when it is considered to be more economical to the United States. However, the weight of baggage and household effects stored, plus the weight of the baggage and household effects transported, in connection with a change of station may not be more than the maximum weight limitations in regulations prescribed by the Secretaries concerned when it is not otherwise fixed by law. In the event a member's baggage and household effects exceed such maximum weight limitation, the Secretary concerned, if requested to do so by the member, may pay the costs for the nontemporary storage of that excess weight and collect the amount paid from the member's pay and allowances, or collect the amount in such other manner as the Secretary concerned determines appropriate. The nontemporary storage of baggage and household effects may not be authorized for a period longer than one year from the date the member concerned is separated from the service, retired, placed on the temporary disability retired list, discharged, or released from active duty, except as prescribed in regulations by the Secretaries concerned for a member who, on that date, or at any time during the one-year period following that date, is confined in a hospital, or is in its vicinity, undergoing medical treatment; or in the case of a member who—

- (1) is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10; or
- (2) is retired with pay under any other law, or, immediately following at least eight years

of continuous active duty with no single break therein of more than 90 days, is discharged with separation pay or severance pay or is involuntarily released from active duty with separation pay or readjustment pay.

Except in the case of a member who, on the date of his separation, discharge, or release, or at any time during the one-year period following that date, is confined in a hospital, or is in its vicinity, undergoing medical treatment, the cost of the storage, for the period that exceeds one year, shall be paid by the member.

(e) When orders directing a change of permanent station for the member concerned have not been issued, or when they have been issued but cannot be used as authority for the transportation of his dependents, baggage, and household effects, the Secretaries concerned may authorize the movement of the dependents, baggage, and household effects and prescribe transportation in kind, reimbursement therefor, or a monetary allowance in place thereof (as the case may be), plus a per diem, as authorized under subsection (a) or (b). This subsection may be used only under unusual or emergency circumstances, including those in which—

(1) the member is performing duty at a place designated by the Secretary concerned as being within a zone from which dependents should be evacuated;

(2) orders which direct the member's travel in connection with temporary duty do not provide for return to the permanent station or do not specify or imply any limit to the period of absence from his permanent station; or

(3) the member is serving on permanent duty at a station outside the United States, in Hawaii or Alaska, or on sea duty.

(f) Under regulations prescribed by the Secretary concerned, transportation for dependents, baggage, and household effects of a member, plus a per diem for the member's dependents, is authorized if he dies while entitled to basic pay under chapter 3 of this title.

(g)(1) Under uniform regulations prescribed by the Secretaries concerned, a member who—

(A) is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10;

(B) is retired with pay under any other law, or, immediately following at least eight years of continuous active duty with no single break therein of more than 90 days, is discharged with separation pay or severance pay or is involuntarily released from active duty with separation pay or readjustment pay; or

(C) is involuntarily separated from active duty during the nine-year period beginning on October 1, 1990,

is, not later than one year from the date he is so retired, placed on that list, involuntarily separated, discharged, or released, except as prescribed in regulations by the Secretaries concerned, entitled to transportation for his dependents, baggage, and household effects to the home selected under section 404(c) of this title, and to a per diem for his dependents. In addition, baggage and household effects may be shipped to a location other than the home selected by the member.

(2) If baggage and household effects of a member are shipped to a place selected by a member as his home under section 404(c) of this title that is not a place described in clause (A) or (B) of section 404(c)(2) of this title or to a location other than the home selected by the member, or if transportation is provided for a member's dependents to a place selected by the member as his home under section 404(c) of this title that is not a place described in clause (A) or (B) of section 404(c)(2) of this title, and the costs of that shipment or transportation are in excess of those that would have been incurred if the shipment had been made or the transportation had been provided to a location in the United States (other than Alaska or Hawaii), the member shall pay that excess cost.

(3) If a member authorized to select a home under section 404(c) of this title accrues that right or any entitlement under this subsection but dies before he exercises it, that right or entitlement accrues to and may be exercised by his surviving dependents or, if there are no surviving dependents, his baggage and household effects may be shipped to the home of the person legally entitled to such baggage and effects. However, if baggage and household effects are shipped under circumstances described in paragraph (2) in which the member would have been required to pay the excess costs of that shipment, the surviving dependents or the person legally entitled to the baggage and household effects, as the case may be, shall pay that excess cost.

(h)(1) If the Secretary concerned determines that it is in the best interests of a member described in paragraph (2) or the member's dependents and the United States, the Secretary may, when orders directing a change of permanent station for the member concerned have not been issued, or when they have been issued but cannot be used as authority for the transportation of the member's dependents, baggage, and household effects—

(A) authorize the movement of the member's dependents, baggage, and household effects at the station to an appropriate location in the United States or its possessions or, if the dependents are foreign nationals, to the country of the dependents' origin and prescribe transportation in kind, reimbursement therefor, or a monetary allowance in place thereof, as the case may be, plus a per diem, as authorized under subsection (a) or (b); and

(B) in the case of a member described in paragraph (2)(A), authorize the transportation of one motor vehicle that is owned or leased by the member (or a dependent of the member) and is for his dependents' personal use to that location by means of transportation authorized under section 2634 of title 10.

If the member's baggage and household effects are in nontemporary storage under subsection (d), the Secretary concerned may authorize their movement to the location concerned and prescribe transportation in kind or reimbursement therefor, as authorized under subsection (b). For the purposes of this section, a member's unmarried child for whom the member received

transportation in kind to his station outside the United States or in Hawaii or Alaska, reimbursement therefor, or a monetary allowance in place thereof and who became 21 years of age while the member was serving at that station shall be considered as a dependent of the member.

(2) A member referred to in paragraph (1) is a member who—

(A) is serving at a station outside the United States or in Hawaii or Alaska;

(B) receives an administrative discharge under other than honorable conditions; or

(C) is sentenced by a court-martial—

(i) to be confined for a period of more than 30 days,

(ii) to receive a dishonorable or bad-conduct discharge, or

(iii) to be dismissed from a uniformed service,

if the sentence is approved under section 860(c)(2) of title 10.

(i) The Secretary of Defense shall submit to the Committees on Armed Services of the Senate and House of Representatives a report at the end of each fiscal year fiscal year stating—

(1) the number of dependents who during the preceding fiscal year were accompanying members of the Army, Navy, Air Force, and Marine Corps who were stationed outside the United States and were authorized by the Secretary concerned to receive allowances or transportation for dependents under subsection (a) or (h); and

(2) the number of dependents who during the preceding fiscal year were accompanying members of the Army, Navy, Air Force, and Marine Corps who were stationed outside the United States and were not authorized to receive such allowances or transportation.

(j) A member traveling under orders who is relieved from a duty station is entitled to transportation for his dependents, baggage, and household effects, plus a per diem for the member's dependents, regardless of the time the dependents, baggage, or household effects arrive at their destination. Appropriations of the Department of Defense available for travel or transportation that are current when the member is relieved may be used to pay for the transportation.

(k)(1) Appropriations available to the Department of Defense for providing transportation of household effects of members of the armed forces under subsection (b) are available to pay a monetary allowance to a member when the member participates in a program in which baggage and household effects of the member are transported by a privately owned or rental vehicle or in which a member provides all or a part of the labor in connection with the transportation of the baggage and household effects of the member (including packing, crating, and loading) under regulations of the Secretary of the military department concerned. The allowance is not limited to reimbursement for actual expenses and may be paid in advance of the transportation of the baggage and household effects. However, the amount of the allowance

shall provide a savings to the United States when the total cost of the transportation is compared with the cost that would be incurred under subsection (b).

(2) The Secretary concerned may prescribe in any regulations authorizing the payment of a monetary allowance to a member who participates in a program in which the member provides all or a part of the labor in connection with the transportation of the baggage and household effects of the member—

(A) the extent to which payment to the member will be made for such labor, and

(B) the manner in which liability will be allocated among the member, the United States, and the common carriers involved in the event of loss of or damage to any baggage or household effects packed, crated, or loaded by the member.

(l) Under uniform regulations prescribed by the Secretaries concerned, a member with dependents who is ordered to make an overseas permanent change of station and who, in anticipation of his dependents accompanying him overseas, ships baggage and household effects to that overseas station, may be authorized a return shipment of the baggage and household effects if, after the shipment, the member's dependents are unable to accompany him overseas and the Secretary concerned determines that such inability was unexpected and uncontrollable.

In subsection (a), the words "Subject to subsections (b) and (c) of this section," are inserted for clarity. The words "of an armed force" are inserted, since the source section, as originally enacted, did not apply to the Public Health Service or the Coast and Geodetic Survey. (See section 243 of the Armed Forces Reserve Act of 1952 (66 Stat. 492).) The words "of the Army, or the Air Force, without specification of component" are inserted to reflect the definition of "reserve component" in section 102(k) of the source statute. That definition is executed throughout this revised title. For that reason, the words "but not as a member of the Army without specification of component or the Air Force without specification of component, in section 255(a)(2) of existing title 37", are omitted, and since those categories are excluded by the words "member of a reserve component". The words "of a reserve component", in section 255(a)(3) of existing title 37, are omitted, since the Ready Reserve cannot be in anything other than a reserve component.

In subsection (b), the words "heretofore or hereafter" are omitted as surplusage.

In subsection (c), the words "An officer" are substituted for the words "any individual", since the revised section applies only to officers.

In subsection (d), the words "who is in pay grade O-1, O-2, or O-3" are substituted for the words "is receiving the pay of the junior assistant, assistant, or senior assistant grade" to reflect current terminology. (See chapter 3 of this revised title.) The last sentence is substituted for section 214 (words following semicolon) of title 14.

In subsection (e), the words "as a temporary officer" are inserted for clarity. The words "5596 or" are substituted for section 302(f) of the Act of August 7, 1947, cited above.

AMENDMENTS

1991—Subsecs. (a), (b). Pub. L. 102-25 struck out "of this section".

Section, Pub. L. 87-649, Sept. 7, 1962, 76 Stat. 480, provided for payment to persons confined in a naval confinement facility under sentence of a court-martial of not more than \$3 a month for necessary expenses, such payments to be made from appropriations for pay of Navy or Marine Corps.

§ 427. Family separation allowance

(a) ALLOWANCE EQUAL TO BASIC ALLOWANCE FOR QUARTERS.—In addition to any allowance or per diem to which he otherwise may be entitled under this title, a member of a uniformed service with dependents who is on permanent duty outside of the United States, or in Alaska, is entitled to a monthly allowance equal to the basic allowance for quarters payable to a member without dependents in the same pay grade if—

(1) the movement of his dependents to his permanent station or a place near that station is not authorized at the expense of the United States under section 406 of this title and his dependents do not reside at or near that station; and

(2) quarters of the United States or a housing facility under the jurisdiction of a uniformed service are not available for assignment to him.

(b) ADDITIONAL SEPARATION ALLOWANCE.—(1) In addition to any allowance or per diem to which he otherwise may be entitled under this title, including subsection (a), a member of a uniformed service with dependents is entitled to a monthly allowance equal to \$75 if—

(B) he is on duty on board a ship away from the home port of the ship for a continuous period of more than 30 days; or

(2) A member who becomes entitled to an allowance under this subsection by virtue of duty prescribed in subparagraph (B) or (C) of paragraph (1) for a continuous period of more than 30 days is entitled to the allowance effective as of the earlier of—

(A) the first day of that period; or

(B) the first day the member ceased being entitled to a previous allowance under this subsection by reason of the end of duty prescribed in such subparagraphs, if the member ceased being entitled to the previous allowance within 30 days before the first day of that period.

AMENDMENTS

1990—Pub. L. 101-510, div. A, title XIV, §1484(f)(1), Nov. 5, 1990, 104 Stat. 1717, revised chapter heading so as to appear in all capital letters.

§ 501. Payments for unused accrued leave

(a) In this section, the term “discharge” means—

(1) in the case of an enlisted member, separation or release from active duty under honorable conditions or appointment as an officer;

(2) in the case of an officer, separation or release from active duty under honorable conditions; and

(3) in the case of either an officer or an enlisted member, death while on active duty unless the decedent was put to death as lawful punishment for a crime or a military offense.

(b)(1) A member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or National Oceanic and Atmospheric Administration, who has accrued leave to his credit at the time of his discharge, is entitled to be paid in cash or by a check on the Treasurer of the United States for such leave on the basis of the basic pay to which he was entitled on the date of discharge.

(2) Payment may not be made under this subsection to a member who is discharged for the purpose of accepting an appointment or a warrant, or entering into an enlistment, in any uniformed service.

(3) Payment may not be made to a member for any leave he elects to have carried over to a new

¹ See References in Text note below.

enlistment in any uniformed service on the day after the date of his discharge; but payment may be made to a member for any leave he elects not to carry over to a new enlistment. However, the number of days of leave for which payment is made may not exceed sixty, less the number of days for which payment was previously made under this section after February 9, 1976.

(4) A member to whom a payment may not be made under this subsection, or a member who reverts from officer to enlisted status, carries the accrued leave standing to his credit from the one status to the other within any uniformed service.

(5) The limitation in the second sentence of paragraph (3) and in subsection (f) shall not apply with respect to leave accrued—

(A) by a member of a reserve component while serving on active duty in support of a contingency operation;

(B) by a member of the armed forces in the Retired Reserve while serving on active duty in support of a contingency operation; or

(C) by a retired member of the Regular Army, Regular Navy, Regular Air Force, or Regular Marine Corps or a member of the Fleet Reserve or Fleet Marine Corps Reserve while the member is serving on active duty in support of a contingency operation.

(c) Unused accrued leave for which payment is made under subsection (b) is not considered as service for any purpose.

(d)(1) Payments for unused accrued leave under subsections (b) and (g), in the case of a member who dies while on active duty or in the case of a member or former member who dies after retirement or discharge and before he receives that payment, shall be made in accordance with section 2771 of title 10. In the case of a member who dies while on active duty, payment for unused accrued leave under subsections (b) and (g) shall be based upon the unused accrued leave the member carried forward into the leave year during which he died plus the unused leave that accrued to him during that leave year. Except as provided in paragraph (2), the number of days upon which payment is based is subject to subsection (f).

(2) In the case of a member of the uniformed services who dies as a result of an injury or illness incurred while serving on active duty in support of a contingency operation, the limitations in the second sentence of subsection (b)(3), subsection (f), and the second sentence of subsection (g) shall not apply with respect to a payment made under this subsection for leave accrued during the contingency operation.

(e)(1) A member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or National Oceanic and Atmospheric Administration who is discharged under other than honorable conditions forfeits all accrued leave to his credit at the time of his discharge.

(2) The Secretary concerned may require that a member of a uniformed service who is discharged before completing six months of active duty because of a failure to serve satisfactorily (as determined by the Secretary concerned) for-

feit all accrued leave to his credit at the time of his discharge.

(f) The number of days upon which payment under subsection (b), (d), or (g) is based may not exceed sixty, less the number of days for which payment has been previously made under such subsections after February 9, 1976. For the purposes of this subsection, the number of days upon which payment may be based shall be determined without regard to any break in service or change in status in the uniformed services.

(g) An officer of the Regular Corps of the Public Health Service, or an officer of the Reserve Corps of the Public Health Service on active duty, who is credited with accumulated and accrued annual leave on the date of his separation, retirement, or release from active duty, shall, if his application for that leave is approved by the Secretary of Health and Human Services, be paid for that leave in a lump-sum on the basis of his basic pay, subsistence allowance, and allowance for quarters whether or not he is receiving that allowance on that date. However, the number of days upon which the lump-sum payment is based is subject to subsection (f). A lump-sum payment may not be made under this subsection to an officer—

(1) whose appointment expires or is terminated and who, without a break in active service, accepts a new appointment;

(2) who is retired for age in time of war and is continued on, or recalled to, active duty without a break in active service; or

(3) who is transferred to another department or agency of the United States under circumstances in which, by any other law, his leave may be transferred.

In this subsection, the term “accumulated annual leave” means unused accrued annual leave carried forward from one leave year into the next leave year, and the term “accrued annual leave” means the annual leave accruing to an officer during one leave year.

(h) Payment shall be made for all leave accumulated under section 701(g) of title 10 as soon as possible after the name of the person concerned is removed from a missing status, as defined in section 551(2) of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 501 of this title; title 10 sections 701, 1032, 1035, 1095a, 2181, 4342, 6954, 9342, 12301; title 26 section 112.

§ 552. Pay and allowances; continuance while in a missing status; limitations

(a) A member of a uniformed service who is on active duty or performing inactive-duty training, and who is in a missing status, is—

- (1) for the period he is in that status, entitled to receive or have credited to his account the same pay and allowances, as defined in this chapter, to which he was entitled at the beginning of that period or may thereafter become entitled; and
- (2) for the period, not to exceed one year, required for his hospitalization and rehabilitation after termination of that status, under regulations prescribed by the Secretaries concerned, with respect to incentive pay, considered to have satisfied the requirements of section 301 of this title so as to entitle him to a continuance of that pay.

However, a member who is performing full-time training duty or other full-time duty without pay, or inactive-duty training with or without pay, is entitled to the pay and allowances to which he would have been entitled if he had been on active duty with pay. Notwithstanding section 1523 of title 10 or any other provision of law, the promotion of a member while he is in a missing status is fully effective for all purposes, even though the Secretary concerned determines under section 556(b) of this title that the member died before the promotion was made.

(b) The expiration of a member's term of service while he is in a missing status does not end his entitlement to pay and allowances under subsection (a). Notwithstanding the death of a member while in a missing status, entitlement to pay and allowances under subsection (a) ends on the date—

(1) the Secretary concerned receives evidence that the member is dead; or

(2) that his death is prescribed or determined under section 555 of this title.

(c) A member is not entitled to pay and allowances under subsection (a) for a period during which he is officially determined to be absent from his post of duty without authority, and he is indebted to the United States for payments from amounts credited to his account for that period.

(d) A member who is performing full-time training duty or inactive-duty training is entitled to the benefits of this section only when he is officially determined to be in a missing status that results from the performance of duties prescribed by competent authority.

(e) A member in a missing status who is continued in that status under section 555 of this title is entitled to be credited with pay and allowances under subsection (a).

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 557, 559 of this title; title 10 section 1524.

§ 554. Travel and transportation; dependents; household and personal effects; trailers; additional movements; motor vehicles; sale of bulky items; claims for proceeds; appropriation chargeable

(a) In this section, "household and personal effects" and "household effects" may include, in addition to other authorized weight allowances, one privately owned motor vehicle which may be shipped at United States expense. Under regulations prescribed by the Secretaries concerned, and in place of the transportation of household and personal effects, a dependent, who would otherwise be entitled to transportation of household and personal effects under this section, may transport a house trailer or mobile dwelling within and between the areas specified in section 409 of this title for use as a residence by one of the following means—

- (1) transport it and be reimbursed by the United States;
- (2) deliver it to an agent of the United States for transportation by the United States or by commercial means; or
- (3) have it transported by commercial means, and be reimbursed by the United States.

If a trailer or dwelling is transported under clause (2) or (3), that transportation may include one privately owned motor vehicle which may be shipped at United States expense. Transportation, and incidental costs, authorized by this section shall be at United States expense without any cost limitation, and any payment authorized may be made in advance of the transportation concerned.

(b) Transportation (including packing, crating, drayage, temporary storage, and unpacking of household and personal effects) may be provided for the dependents and household and personal effects of a member of a uniformed service on active duty (without regard to pay grade) who is officially reported as dead, injured, ill, or absent for a period of more than 29 days in a missing status—

(1) to the member's official residence of record;

(2) to the residence of his dependent, next of kin, or other person entitled to custody of the effects, under regulations prescribed by the Secretary concerned; or

(3) on request of the member (if injured or ill), or his dependent, next of kin, or other person described in clause (2), to another location determined in advance or later approved by the Secretary concerned, or his designee.

When he considers it necessary, the Secretary concerned may, with respect to the household and personal effects of a member who is officially reported as absent for a period of more than 29 days in a missing status, authorize the nontemporary storage of those effects for a period of one year, or longer when justified. In addition, he may authorize additional movements of, and prescribe transportation for, the dependents and household and personal effects, or the dependents and house trailer or mobile dwelling, of a member who is officially reported as absent for a period of more than one year in a missing status.

(c) When a member described in subsection (b) is in an injured or ill status, transportation of dependents and household and personal effects authorized by this section may be provided only when prolonged hospitalization or treatment is anticipated.

(d) Transportation requested by a dependent may be authorized under this section only if there is a reasonable relationship between the circumstances of the dependent and the requested destination.

(e) In place of the transportation for dependents authorized by this section, and after the travel is completed, the Secretary concerned may authorize—

(1) reimbursement for the commercial cost of the transportation; or

(2) a monetary allowance at the prescribed rate for all, or that part, of the travel for which transportation in kind is not furnished.

(f) The Secretary concerned may store the household and personal effects of a member described in subsection (b) until proper disposition can be made. The cost of the storage and transportation (including packing, crating, drayage, temporary storage, and unpacking) of household and personal effects shall be charged against appropriations currently available.

(g) The Secretary concerned may, when he determines that there is an emergency and a sale would be in the best interests of the United States, provide for the public or private sale of motor vehicles and other bulky items of household and personal effects of a member described in subsection (b). Before a sale, and if prac-

licable, a reasonable effort shall be made to determine the desires of the interested persons. The net proceeds received from the sale shall, under regulations prescribed by the Secretary concerned, be sent to the owner or other persons. If there are no such persons, or if they or their addresses are not known within one year from the date of sale, the net proceeds may be covered into the Treasury as miscellaneous receipts.

(h) Claims for net proceeds that are covered into the Treasury under subsection (g) may be filed with the General Accounting Office by the rightful owners, their heirs or next of kin, or their legal representatives at any time before the end of a 5-year period from the date the proceeds are covered into the Treasury. When a claim is filed, the General Accounting Office shall allow or disallow it. A claim that is allowed shall be paid from the appropriation for refunding money erroneously received and covered. If a claim is not filed before the end of the 5-year period from the date the proceeds are covered into the Treasury, it is barred from being acted on by the courts or the General Accounting Office.

(i) This section does not amend or repeal—

- (1) section 2575, 2733, 4712, 6522, or 9712 of title 10;
- (2) section 507 of title 14; or
- (3) chapter 171 of title 28.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 552, 553, 556, 557 of this title; title 10 section 701.

§ 556. Secretarial determinations

(a) The Secretary concerned, or his designee, may make any determination necessary to administer this chapter and, when so made, it is conclusive as to—

- (1) death or finding of death;
- (2) the fact of dependency under this chapter;
- (3) the fact of dependency for the purpose of paying six months’ death gratuities authorized by law;
- (4) the fact of dependency under any other law authorizing the payment of pay, allowances, or other emoluments to enlisted members of the armed forces, when the payments are contingent on dependency;
- (5) any other status covered by this chapter;
- (6) an essential date, including one on which evidence or information is received by the Secretary concerned; and
- (7) whether information received concerning a member of a uniformed service is to be construed and acted on as an official report of death.

(b) When the Secretary concerned receives information that he considers establishes conclusively the death of a member of a uniformed service, he shall, notwithstanding any earlier action relating to death or other status of the member, act on it as an official report of death. After the end of the 12-month period in a missing status prescribed by section 555 of this title, the Secretary concerned, or his designee, shall, when he considers that the information received, or a lapse of time without information, establishes a reasonable presumption that a member in a missing status is dead, make a finding of death.

(c) The Secretary concerned, or his designee, may determine the entitlement of a member to pay and allowances under this chapter, including credits and charges in his account, and that determination is conclusive. An account may not be charged or debited with an amount that a member captured, beleaguered, or besieged by a hostile force may receive or be entitled to receive from, or have placed to his credit by, the hostile force as pay, allowances, or other compensation.

(d) The Secretary concerned, or his designee, may, when warranted by the circumstances, reconsider a determination made under this chapter, and change or modify it.

(e) When the account of a member has been charged or debited with an allotment paid under

this chapter, the amount so charged or debited shall be recredited to the account of the member if the Secretary concerned, or his designee, determines that the payment was induced by fraud or misrepresentation to which the member was not a party.

(f) Except an allotment for an unearned insurance premium, an allotment paid from pay and allowances of a member for the period he is entitled to pay and allowances under section 552 of this title may not be collected from the allottee as an overpayment when it was caused by delay in receiving evidence of death. An allotment payment for a period after the end of entitlement to pay and allowances under this chapter, or otherwise, which was caused by delay in receiving evidence of death, may not be collected from the allottee or charged against the pay of the deceased member.

(g) The Secretary concerned, or his designee, may waive the recovery of an erroneous payment or overpayment of an allotment to a dependent if he considers recovery is against equity and good conscience.

(h) For the sole purpose of determining status under this section, a dependent of a member of a uniformed service on active duty is treated as if he were a member. Any determination made by the Secretary concerned, or his designee, under this section is conclusive on all other departments and agencies of the United States. This subsection does not entitle a dependent to pay, allowances, or other compensation to which he is not otherwise entitled.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 552, 559 of this title; title 10 section 701; title 26 sections 2, 692; title 38 sections 3501, 3701, 4101.

§ 557. Settlement of accounts

(2) a survivor of a casualty to a ship, station, or military installation which results in the loss or destruction of disbursing records.

That settlement is conclusive on the accounting officers of the United States in settling the accounts of disbursing officers.

(b) Payment or settlement of an account made pursuant to a report, determination, or finding of death may not be recovered or reopened because of a later report or determination which fixes a date of death. However, an account shall be reopened and settled on the basis of a date of death so fixed which is later than that used as a basis for earlier settlements.

(c) In the settlement of his accounts, a disbursing officer is entitled, if there is no fraud or criminality by him, to credit for an erroneous payment or overpayment he made in carrying out this chapter, except section 558 of this title. Unless there is fraud or criminality by him, recovery may not be made from a civilian officer or employee or a member of a uniformed service who authorizes a payment under this chapter, except section 558 of this title.

This section is referred to in section 557 of this title.

§ 559. Benefits for members held as captives

(a) In this section:

(1) The term “captive status” means a missing status of a member of the uniformed services which, as determined by the President, arises because of a hostile action and is a result of membership in the uniformed services, but does not include a period of captivity of a member as a prisoner of war if Congress provides to such member, in an Act enacted after August 27, 1986, monetary payment in respect of such period of captivity.

(2) The term “former captive” means a person who, as a member of the uniformed services, was held in a captive status.

(b)(1) The Secretary of the Treasury shall establish a savings fund to which the Secretary concerned may allot all or any portion of the pay and allowances of any member of the uniformed services who is in a captive status to the extent that such pay and allowances are not subject to an allotment under section 553 of this title or any other provision of law.

(2) Amounts so allotted shall bear interest at a rate which, for any calendar quarter, shall be equal to the average rate paid on United States Treasury bills with three-month maturities issued during the preceding calendar quarter. Such interest shall be computed quarterly.

(3) Amounts in the savings fund credited to a member shall be considered as pay and allowances for purposes of section 553(c) of this title and shall otherwise be subject to withdrawal under procedures which the Secretary of the Treasury shall establish.

(4) Any interest accruing under this subsection on—

(A) any amount for which a member is indebted to the United States under section 552(c) of this title shall be deemed to be part of the amount due under such section; and

(B) any amount referred to in section 556(f) of this title shall be deemed to be part of such amount for purposes of such section.

(5) An allotment under this subsection may be made without regard to section 553(c) of this title.

(c)(1) Except as provided in paragraph (3), the President shall make a cash payment to any person who is a former captive. Such payment shall be made before the end of the one-year period beginning on the date on which the captive status of such person terminates.

(2) Except as provided in section 802 of the Victims of Terrorism Compensation Act (5 U.S.C. 5569 note), the amount of such payment shall be determined by the President under the provisions of section 5569(d)(2) of title 5.

(3)(A) The President—

(i) may defer such payment in the case of any former captive who during such one-year

period is charged with an offense described in clause (ii), until final disposition of such charge; and

(ii) may deny such payment in the case of any former captive who is convicted of a captivity-related offense—

(I) referred to in subsection (b) or (c) of section 8312 of title 5; or

(II) under chapter 47 of title 10 (the Uniform Code of Military Justice) that is punishable by dishonorable discharge, dismissal, or confinement for one year or more.

(B) For the purposes of subparagraph (A), a captivity-related offense is an offense that is—

(i) committed by a person while the person is in a captive status; and

(ii) related to the captive status of the person.

(4) A payment under this subsection is in addition to any other amount provided by law.

(5) Any amount due a person under this subsection shall, after the death of such person, be deemed to be pay and allowances for the purposes of this chapter.

(6) Any payment made under paragraph (1) that is later denied under paragraph (3)(A)(ii) is a claim of the United States Government for purposes of section 3711 of title 31.

(d) A determination by the President under subsection (a)(1) or (c) is final and is not subject to judicial review.

(2) members of the Fleet Reserve or Fleet Marine Corps Reserve.

(Pub. L. 87-649, Sept. 7, 1962, 76 Stat. 483.)

601	37:351.	June 21, 1950, ch. 342, §1, 64 Stat. 249.

The words “on active duty (other than for training)” are substituted for the words “on the active . . . list” to conform to longstanding administrative construction, and because there is no “active list” in the case of many of the uniformed services named, but only for certain regular component of those services, e.g., the “Regular Army” and the “Regular Air Force”. The words “a retired list of that service” are substituted for the words “retired list”, since there is more than one retired list for many of the services named. (See sections 1376, 3966, and 8966 of title 10, for example.) The words “members of the Reserve components of the respective services entitled to Federal pay either on the active or any retired list of said services” are omitted as covered by clause (1), since members of the reserve components are members of the uniformed services concerned. The word “transferred” is omitted as surplusage.

§ 602. Payments: designation of person to receive amounts due

(a) Active duty pay and allowances, amounts due for accrued or accumulated leave, or retired or retainer pay, that are otherwise payable to a member to whom this chapter applies and who, in the opinion of a board of medical officers or physicians, is mentally incapable of managing his affairs, may be paid for that member’s use or benefit to any person designated by the Secretary concerned, or by any officer to whom he delegates his authority under this section, without the appointment in judicial proceedings of a committee, guardian, or other legal representative.

(b) The board shall consist of at least three qualified medical officers or physicians, one of whom is specially qualified in the treatment of mental disorders, appointed from available medical officers or physicians under his jurisdiction by the head of whichever of the following is providing medical treatment for the member, or by a person designated by that head—

- (1) Department of the Army;
- (2) Department of the Navy;
- (3) Department of the Air Force;
- (4) Department of Health and Human Services; or
- (5) Department of Veterans Affairs.

If the hospitalization or medical care of the member is not provided by the United States, the board shall be appointed by the Secretary of the department having jurisdiction of the member.

(c) A payment made to a person who is designated under this section discharges the obligation of the United States as to the amount paid.

(d) A person serving in a legal, medical, fiduciary, or other capacity, may not demand or accept a fee, commission, or other charge for any service performed under this chapter.

(e) This section does not apply in any case in which a legal committee, guardian, or other representative has been appointed by a court of competent jurisdiction, except as to payments made before the paying agency of the department concerned receives notice of that appointment.

(f) A person who is designated to receive payments under this section shall furnish satisfactory assurance that the amounts received by him will be applied to the use and benefit of the

incompetent member, and, where the payments may reasonably be expected to be more than \$1,000, shall provide a suitable bond to be paid for out of amounts due the incompetent member.

Applicability of the source law to the Air Force is based on Transfer Order No. 25(zzz), of the Secretary of Defense, dated October 14, 1948. Its applicability, other than to the Army and the Air Force, is based upon an opinion of the Judge Advocate General of the Navy, JAG 135: DDC; dmt.; 4229, dated July 29, 1960. The words “(but not above that of pay grade O-7)” are substituted for section 235a (proviso) of existing title 37.

§ 902. Pay of crews of wrecked or lost naval vessels

(a) When the accounts of the disbursing officer of a naval vessel are lost as a result of the destruction of the vessel, his return for the last month may, unless there is official evidence to the contrary, be used in computing later credits to and settling accounts of persons, other than officers, carried on his accounts. If the return for the last month has not been made, the pay accounts may be settled on principles of equity and justice.

(b) When a naval vessel is lost or has not been heard from for so long that her loss may be presumed, the General Accounting Office, under the direction of the Secretary of the Navy, may fix the date of loss of the vessel for the purpose of settling the accounts of persons aboard other than officers.

(c) When the crew of a naval vessel is separated from that vessel because of her wreck, loss, or destruction, the pay and emoluments of those officers and enlisted members that the Secretary considers (because of the sentence of a court-martial or the finding of a court of inquiry, or by other satisfactory evidence) to have done their utmost to save the vessel and, after the wreck, loss, or destruction, to have behaved themselves according to the discipline of the Navy, continue and shall be paid to them until their discharge or death, whichever is earlier.

§ 1006. Advance payments

(a) Under regulations prescribed by the Secretary concerned, a member of a uniformed service may be paid in advance—

(1) not more than three months' pay of such member upon such member's change of permanent station; or

(2) the amount of an allotment made from such member's pay to a dependent if such member is assigned or scheduled for assignment to sea duty or other duty with a unit or command deployed or to be deployed outside the United States and the allotment is made by such member not more than sixty days before the scheduled date of the assignment of such member to such duty.

(b) Under regulations prescribed by the Secretary concerned, a member of a uniformed service who is on duty at a distant station where the pay and emoluments to which he is entitled cannot be disbursed regularly, may be paid in advance.

(c) Under regulations prescribed by the Secretary concerned, an advance of pay to a member of a uniformed service who is on duty outside the United States, or other place designated by the Secretary of Defense, of not more than two months' basic pay may be made to a member if the member or the dependents of the member are ordered evacuated by competent authority. An advance of pay under this subsection is not subject to the conditions under which advances of pay may be made under subsection (a) or (b). An advance may be made on the basis of the evacuation of a member's dependents only if all dependents of members of the uniformed services are ordered evacuated from the place where the member's dependents are located. In the case of a member with dependents, the payment may be made directly to dependents previously designated by the member. The Secretary concerned or his designee may waive any right of recovery of not more than one month's basic pay advanced under this subsection if he finds that recovery of the advance would be against equity and good conscience or against the public interest.

(d) If a person to whom an advance of pay is made under subsection (a), (b), or (c) dies or is separated from his uniformed service, before liquidation of that advance, the amount remaining unliquidated at the time of his death or separation shall be credited to the account of the disbursing officer concerned. However, the unliquidated amount remains a debt of that person or his estate to the United States.

(e) As far as practicable, regulations for the administration of subsections (a)–(d) shall be uniform for all of the uniformed services.

(f) Under regulations prescribed by the Secretary of Transportation, an advance of pay of not more than three months' pay may be made to an officer of the Coast Guard who is ordered to sea duty or to or from shore duty beyond the seas. In addition, the Commandant of the Coast Guard may direct such advances as he considers necessary and proper to members of the Coast Guard stationed at distant stations where the pay and emoluments to which they are entitled cannot be paid regularly.

(g) Under regulations prescribed by the Secretary concerned, the dislocation allowance authorized by section 407 of this title for a member of a uniformed service whose dependents are covered by section 405a(a) of this title may be paid in advance of the evacuation of the dependents and to the dependents designated by the member.

(h) Notwithstanding subsections (a) and (b) of section 3324 of title 31, the Secretary concerned may, when the last day of the pay period falls on a Saturday, Sunday, or legal holiday, authorize the payment of pay and allowances to members of uniformed service under his jurisdiction on the preceding workday but not more than three days before the last day of that pay period. If a member dies after he has received an advance payment under this subsection, but before the last day of the pay period for which the payment is made, no part of the amount so advance is recoverable by the United States.

(i) Under regulations prescribed by the Secretary concerned, not more than one month's pay may be paid in advance to a member of the Armed Forces Health Professions Scholarship program upon reporting for a period of active duty required by section 2121(c) of title 10.

(j) Under regulations prescribed by the Secretary concerned, not more than one month's pay may be paid in advance to a member of the Senior Reserve Officers' Training Corps who is ordered to field training or a practice required under section 2109 of title 10.

§ 1011. Mess operation: reimbursement of expenses

(a) The Secretary of Defense shall, by regulation, establish rates for meals sold at messes to officers, civilians, and enlisted members. Such rates shall be established at a level sufficient to provide reimbursement of operating expenses and food costs to the appropriations concerned, but members of the uniformed services and civilians in a travel status receiving a per diem allowance in lieu of subsistence shall be charged at a rate of not less than \$2.50 per day. Notwithstanding the preceding sentence, if the Secretary determines that it is in the best interest of the United States, the Secretary may reduce a rate for meals established under this subsection by the amount of that rate attributable to operating expenses.

(b) For the purposes of this section, payment for meals at the rates established under this section may be made in cash or, in the case of enlisted members or civilian employees, by deduction from pay. Members of organized nonprofit youth groups sponsored at either the national or local level, when extended the privilege of visiting a military installation or when residing at a military installation pursuant to an agreement in effect on June 30, 1986, and permitted to eat in the general mess by the commanding officer of the installation, shall pay the commuted ration cost of such meal or meals.

(c) Spouses and dependent children of enlisted members in pay grades E-1, E-2, E-3, and E-4 may not be charged for meals sold at messes in excess of a level sufficient to cover food costs.
