EFFECTIVE DATE OF 2003 AMENDMENT BY PUB. L. 108–178

Pub. L. 108–178, enacting and amending notes set out below, effective Aug. 21, 2002, see section 5 of Pub. L. 108–178, set out as an Effective Date of 2003 Amendment note under section 5334 of Title 5, Government Organization and Employees.

ENACTING CLAUSE

Pub. L. 107–217, § 1, Aug. 21, 2002, 116 Stat. 1062, provided in part that: “Certain general and permanent laws of the United States, related to public buildings, property, and works, are revised, codified, and enacted as title 40, United States Code, ‘Public Buildings, Property, and Works’ ”.

LEGISLATIVE PURPOSE AND CONSTRUCTION

Pub. L. 108-178, §1, Dec. 15, 2003, 117 Stat. 2637, provided that:

“(a) PURPOSE.—The purpose of this Act [see Tables for classification] is to improve the United States Code by making necessary technical changes.

“(b) NO SUBSTANTIVE CHANGE.—This Act makes no substantive change in existing law and may not be construed as making a substantive change in existing law.

“(c) SEVERABILITY.—If a provision enacted by this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.”

Pub. L. 107-217, §5, Aug. 21, 2002, 116 Stat. 1303, provided that:

“(a) PURPOSE.—The purpose of this Act is to revise, codify, and enact without substantive change the general and permanent laws of the United States related to public buildings, property, and works, in order to remove ambiguities, contradictions, and other imperfections and to repeal obsolete, superfluous, and superseded provisions.

“(b) NO SUBSTANTIVE CHANGE.—

“(1) IN GENERAL.—This Act makes no substantive change in existing law and may not be construed as making a substantive change in existing law.

“(2) DEEMED DATE OF ENACTMENT FOR CERTAIN PURPOSES.—For purposes of determining whether one provision of law supersedes another based on enactment later in time, and otherwise to ensure that this Act makes no substantive change in existing law, the date of enactment of a provision restated in section 1 or 2 of this Act is deemed to remain unchanged, continuing to be the date of enactment of the underlying provision of public law that is being restated.

“(3) INCONSISTENT LAWS ENACTED AFTER MARCH 31, 2002.—This Act restates certain laws enacted before April 1, 2002. Any law enacted after March 31, 2002, that is inconsistent with this Act, including any law purporting to amend or repeal a provision that is repealed by this Act, supersedes this Act to the extent of the inconsistency.

“(c) REFERENCES.—A reference to a law replaced by section 1 or 2 of this Act, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding provision enacted by this Act.

“(d) CONTINUING EFFECT.—An order, rule, or regulation in effect under a law replaced by section 1 or 2 of this Act continues in effect under the corresponding provision enacted by this Act until repealed, amended, or superseded.

“(e) ACTIONS AND OFFENSES UNDER PRIOR LAW.—An action taken or an offense committed under a law replaced by section 1 or 2 of this Act is deemed to have been taken or committed under the corresponding provision enacted by this Act.

“(f) INFERENCES.—An inference of a legislative construction is not to be drawn by reason of the location in the United States Code of a provision enacted by this Act or by reason of a caption or catch line of the provision.

“(g) SEVERABILITY.—If a provision enacted by this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.”

REPEALS

Pub. L. 108-178, §2(b), Dec. 15, 2003, 117 Stat. 2640, provided that: “Section 6(b) of Public Law 107-217 (116 Stat. 1304) [see below] is repealed insofar as it relates to the provisions listed below, and the provisions listed below are revived to read as if section 6(b) had not been enacted:

“(4) Section 7306 of the Federal Acquisition Streamlining Act of 1994 (Public Law 103-355, 108 Stat. 3384).”

Pub. L. 107-217, §6(a), Aug. 21, 2002, 116 Stat. 1304, provided that: “The repeal of a law by this Act may not be construed as a legislative inference that the provision was or was not in effect before its repeal.”

111	(no source).	

This section is added to provide an accurate literal translation of the words “this Act”, meaning the Federal Property and Administrative Services Act of 1949. In the positive law codification of title 40, most of the Federal Property and Administrative Services Act of 1949 is restated as subtitle I of title 40. However, title III of the Act, which is outside the scope of the positive law codification, remains classified to the United States Code as 41 U.S.C. 251 et seq. Where the words “this Act” are restated, substituting the words “this subtitle” does not yield an accurate literal translation because “this subtitle” does not include title III of the Act. This section does not subject any provision of law to title III of the Act if that provision was not subject to title III prior to the positive law codification of title 40.

L. 107–217, §§ 1, 6(b), Aug. 21, 2002, 116 Stat. 1062, 1304, as chapters 1 to 11 of this title. Provisions of former title I of the Act now appear in chapter 3 of this title.

The Surplus Property Act of 1944, referred to in subsec. Section 1637 was repealed by act June 25, 1948, ch. 645, § 21, 62 Stat. 862, eff. Sept. 1, 1948, and is covered by section 3287 of Title 18, Crimes and Criminal Procedure. Provisions of section 1641 not repealed by the 1949 act were repealed by Pub. L. 87–256, § 111(a)(1), Sept. 21, 1961, 75 Stat. 538, and are covered by chapter 33 (§ 2451 et seq.) of Title 22, Foreign Relations and Intercourse. L. 107–217, §§ 1, 6(b), Aug. 21, 2002, 116 Stat. 1062, 1304, as chapters 1 to 11 of this title.

113(c)	40:474(c) (words after last comma).	
113(d)	40:474(e).	
113(e)	40:474(d).	

In subsection (a), the word “paramount” is omitted as included in “not subject to any inconsistent provision”.

In subsection (c), the words “chapter 91 of title 31” are substituted for “the Government Corporation Control Act (59 Stat. 597; 31 U.S.C. 841)” in section 602(c) of the Federal Property and Administrative Services Act of 1949, because of section 4(b) of the Act of September 13, 1982 (Public Law 97–258, 96 Stat. 1067).

In subsection (e), the text of 40:474(d)(8) is omitted because 50 App.:1171(b) was repealed by section 53 of the Act of August 10, 1956 (ch. 1041, 70A Stat. 641). The text of 40:474(d)(19) is omitted as obsolete.

In subsection (e)(2), the words “any phase (including, but not limited to, procurement, storage, transportation, processing, and disposal) of” and “the fulfillment of” are omitted as unnecessary.

In subsection (e)(3), the words “chapter 137 of title 10” and “that chapter” are substituted for “Armed Services Procurement Act of 1947” and “said Act” in section 602(d)(3) of the Federal Property and Administrative Services Act of 1949, because of section 49(b) of the Act of August 10, 1956 (ch. 1041, 70A Stat. 640).

In subsection (e)(4), the words “Secretary of Defense” are substituted for “National Military Establishment” in section 602(d)(4) of the Federal Property and Administrative Services Act of 1949, because of section 12(a), (g) of the National Security Act Amendments of 1949 (ch. 412, 63 Stat. 591) and because of 10:113(a).

In subsection (e)(5), the words “section 2535 of title 10” are substituted for “the National Industrial Reserve Act of 1948 [50 U.S.C. 451 et seq.]” because the National Industrial Reserve Act was renamed “Defense Industrial Reserve Act” by section 809 of the Department of Defense Appropriation Authorization Act, 1974 (Public Law 93–155, 87 Stat. 617), and transferred to section 2535 of title 10 by section 4235 of the Defense Conversion, Reinvestment and Transition Assistance Act of 1992, which was included as Division D in the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102–484, title XLII, 106 Stat. 2690).

In subsection (e)(6), the words “the Munitions Board” are omitted because sections 1 and 2 of Reorganization Plan No. 6 of 1953 (eff. June 30, 1953, 67 Stat. 638) abol-

ished the Munitions Board and transferred the Board's functions to the Secretary of Defense.

In subsection (e)(8), the words "or the Department of Agriculture" are omitted as unnecessary because of section 1 of Reorganization Plan No. 2 of 1953 (eff. June 30, 1953, 67 Stat. 638). The words "the Act of August 31, 1947, Public Law 298, Eightieth Congress, with respect to the disposal of labor supply centers, and labor homes, labor camps, or facilities" are omitted because the intended reference is probably to the Act of July 31, 1947 (ch. 413, 61 Stat. 694), which was repealed by section 205(a) of the Housing Act of 1950 (ch. 94, 64 Stat. 73).

In subsection (e)(9), the words "an official or entity under the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.)" are substituted for "the Secretary of Agriculture, Farm Credit Administration, or any farm credit board under section 640l(b) of title 12" because section 5.40(a), formerly 5.26(a), of the Farm Credit Act of 1971 (12:2001 note), repealed 12:640l, and provided that "[a]ll references in other legislation . . . to the Acts repealed hereby shall be deemed to refer to comparable provisions of [the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.)]".

In subsection (e)(10), the words "Secretary of Housing and Urban Development" are substituted for "Department of Housing and Urban Development" because of 42:3532. The words "Federal Deposit Insurance Corporation" are substituted for "Resolution Trust Corporation" because under 12:1441a(m)(1), the Resolution Trust Corporation terminated on December 31, 1995, and was succeeded by the Federal Deposit Insurance Corporation.

In subsection (e)(11), the words "property acquired in connection with" are substituted for "any property acquired or to be acquired for or in connection with" to eliminate unnecessary words.

In subsection (e)(12), the words "the Secretary of Energy with respect to atomic energy" are substituted for "the Atomic Energy Commission" because the Atomic Energy Commission was abolished and its functions were transferred to the Administrator of the Energy Research and Development Administration by section 104 of the Energy Reorganization Act of 1974 (42:5814), and the Energy Research and Development Administration was subsequently terminated and its functions transferred to the Secretary of Energy by sections 301(a) and 703 of the Department of Energy Organization Act (42:7151(a), 42:7293).

In subsection (e)(13), the words "Secretary of Transportation" are substituted for "Administrator of the Federal Aviation Agency" in section 602(d)(14) of the Federal Property and Administrative Services Act of 1949 because of sections 3(e) and 6(c)(1) of the Department of Transportation Act (Public Law 89-670, 80 Stat. 932, 938), because of 49:106(f) and (g), and because of 49:ch. 473. The words "Secretary of Commerce" are substituted for "Chief of the Weather Bureau" in section 602(d)(14) of the Federal Property and Administrative Services Act of 1949 because the office of Chief of the Weather Bureau was abolished and functions were transferred to the Secretary of Commerce by Reorganization Plan No. 2 of 1965 (eff. July 13, 1965, 79 Stat. 1318). The words "section 47301 of title 49" are substituted for "the International Aviation Facilities Act (62 Stat. 450)" in section 602(d)(14) of the Federal Property and Administrative Services Act of 1949 because of section 6(b) of the Act of July 5, 1994 (Public Law 103-272, 108 Stat. 1378).

(f) Annually submit long-range plans and programs for the acquisition, modernization, and use of space for approval by the President.

1-202. The Administrator is authorized to request from any Executive agency such information and assistance deemed necessary to carry out his functions under this Order. Each agency shall, to the extent not prohibited by law, furnish such information and assistance to the Administrator.

EXECUTIVE ORDER NO. 12512

Ex. Ord. No. 12512, Apr. 29, 1985, 50 F.R. 18453, which related to Federal real property management, was revoked by Ex. Ord. No. 13327, §8, Feb. 4, 2004, 69 F.R. 5897, set out below.

EX. ORD. NO. 12954. ENSURING THE ECONOMICAL AND EFFICIENT ADMINISTRATION AND COMPLETION OF FEDERAL GOVERNMENT CONTRACTS

Ex. Ord. No. 12954, Mar. 8, 1995, 60 F.R. 13023, provided:

Efficient economic performance and productivity are directly related to the existence of cooperative working relationships between employers and employees. When Federal contractors become involved in prolonged labor disputes with their employees, the Federal Government's economy, efficiency, and cost of operations are adversely affected. In order to operate as effectively as possible, by receiving timely goods and quality services, the Federal Government must assist the entities with which it has contractual relations to develop stable relationships with their employees.

An important aspect of a stable collective bargaining relationship is the balance between allowing businesses to operate during a strike and preserving worker rights. This balance is disrupted when permanent replacement employees are hired. It has been found that strikes involving permanent replacement workers are longer in duration than other strikes. In addition, the use of permanent replacements can change a limited dispute into a broader, more contentious struggle, thereby exacerbating the problems that initially led to the strike. By permanently replacing its workers, an employer loses the accumulated knowledge, experience, skill, and expertise of its incumbent employees. These circumstances then adversely affect the businesses and entities, such as the Federal Government, which rely on that employer to provide high quality and reliable goods or services.

NOW, THEREFORE, to ensure the economical and efficient administration and completion of Federal Government contracts, and by the authority vested in me as President by the Constitution and the laws of the United States of America, including 40 U.S.C. 486(a) [now 40 U.S.C. 121(a)] and 3 U.S.C. 301, it is hereby ordered as follows:

SECTION 1. It is the policy of the executive branch in procuring goods and services that, to ensure the economical and efficient administration and completion of Federal Government contracts, contracting agencies shall not contract with employers that permanently replace lawfully striking employees. All discretion under this Executive order shall be exercised consistent with this policy.

SEC. 2. (a) The Secretary of Labor ("Secretary") may investigate an organizational unit of a Federal contractor to determine whether the unit has permanently replaced lawfully striking workers. Such investigation shall be conducted in accordance with procedures established by the Secretary.

(b) The Secretary shall receive and may investigate complaints by employees of any entity covered under section 2(a) of this order where such complaints allege lawfully striking employees have been permanently replaced.

(c) The Secretary may hold such hearings, public or private, as he or she deems advisable, to determine whether an entity covered under section 2(a) has permanently replaced lawfully striking employees.

SEC. 3. (a) When the Secretary determines that a contractor has permanently replaced lawfully striking employees, the Secretary may make a finding that it is appropriate to terminate the contract for convenience. The Secretary shall transmit that finding to the head of any department or agency that contracts with the contractor.

(b) The head of the contracting department or agency may object to the termination for convenience of a contract or contracts of a contractor determined to have permanently replaced lawfully striking employees. If the head of the agency so objects, he or she shall set forth the reasons for not terminating the contract or contracts in a response in writing to the Secretary. In such case, the termination for convenience shall not be issued. The head of the contracting agency or department shall report to the Secretary those contracts that have been terminated for convenience under this section.

SEC. 4. (a) When the Secretary determines that a contractor has permanently replaced lawfully striking employees, the Secretary may debar the contractor, thereby making the contractor ineligible to receive government contracts. The Secretary shall notify the Administrator of the General Services Administration of the debarment, and the Administrator shall include the contractor on the consolidated list of debarred contractors. Departments and agencies shall not solicit offers from, award contracts to, or consent to subcontracts with these contractors unless the head of the agency or his or her designee determines, in writing, that there is a compelling reason for such action, in accordance with the Federal Acquisition Regulation.

(b) The scope of the debarment normally will be limited to those organizational units of a Federal contractor that the Secretary finds to have permanently replaced lawfully striking workers.

(c) The period of the debarment may not extend beyond the date when the labor dispute precipitating the permanent replacement of lawfully striking workers has been resolved, as determined by the Secretary.

SEC. 5. The Secretary shall publish or cause to be published, in the Federal Register, the names of contractors that have, in the judgement of the Secretary, permanently replaced lawfully striking employees and have been the subject of debarment.

SEC. 6. The Secretary shall be responsible for the administration and enforcement of this order. The Secretary, after consultation with the Secretary of Defense, the Administrator of the General Services, the Administrator of the National Aeronautics and Space Administration, and the Administrator of the Office of Federal Procurement Policy, may adopt such rules and regulations and issue such orders as may be deemed necessary and appropriate to achieve the purposes of this order.

SEC. 7. Each contracting department and agency shall cooperate with the Secretary and provide such information and assistance as the Secretary may require in the performance of the Secretary's functions under this order.

SEC. 8. The Secretary may delegate any function or duty of the Secretary under this order to any officer in the Department of Labor or to any other officer in the executive branch of the Government, with the consent of the head of the department or agency in which that officer serves.

SEC. 9. The Secretary of Defense, the Administrator of the General Services, and the Administrator of the National Aeronautics and Space Administration, after consultation with the Administrator of the Office of Federal Procurement Policy, shall take whatever action is appropriate to implement the provisions of this order and of any related rules, regulations, or orders of the Secretary issued pursuant to this order.

SEC. 10. This order is not intended, and should not be construed, to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies, its officers, or its employees. This order is not intended, however, to preclude ju-

dicial review of final agency decisions in accordance with the Administrative Procedure Act, 5 U.S.C. 701 *et seq.*

SEC. 11. The meaning of the term "organizational unit of a Federal contractor" as used in this order shall be defined in regulations that shall be issued by the Secretary of Labor, in consultation with affected agencies. This order shall apply only to contracts in excess of the Simplified Acquisition Threshold.

SEC. 12. (a) The provisions of section 3 of this order shall only apply to situations in which contractors have permanently replaced lawfully striking employees after the effective date of this order.

(b) This order is effective immediately.

WILLIAM J. CLINTON.

EX. ORD. NO. 13327. FEDERAL REAL PROPERTY ASSET
MANAGEMENT

Ex. Ord. No. 13327, Feb. 4, 2004, 69 F.R. 5897, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, including section 121(a) of title 40, United States Code, and in order to promote the efficient and economical use of Federal real property resources in accordance with their value as national assets and in the best interests of the Nation, it is hereby ordered as follows:

SECTION 1. Policy. It is the policy of the United States to promote the efficient and economical use of America's real property assets and to assure management accountability for implementing Federal real property management reforms. Based on this policy, executive branch departments and agencies shall recognize the importance of real property resources through increased management attention, the establishment of clear goals and objectives, improved policies and levels of accountability, and other appropriate action.

SEC. 2. Definition and Scope. (a) For the purpose of this executive order, Federal real property is defined as any real property owned, leased, or otherwise managed by the Federal Government, both within and outside the United States, and improvements on Federal lands. For the purpose of this order, Federal real property shall exclude: interests in real property assets that have been disposed of for public benefit purposes pursuant to section 484 of title 40, United States Code [now 40 U.S.C. 541–555], and are now held in private owner-

ship; land easements or rights-of-way held by the Federal Government; public domain land (including lands withdrawn for military purposes) or land reserved or dedicated for national forest, national park, or national wildlife refuge purposes except for improvements on those lands; land held in trust or restricted fee status for individual Indians or Indian tribes; and land and interests in land that are withheld from the scope of this order by agency heads for reasons of national security, foreign policy, or public safety.

(b) This order shall not be interpreted to supersede any existing authority under law or by executive order for real property asset management, with the exception of the revocation of Executive Order 12512 of April 29, 1985 [formerly set out as a note above], in section 8 of this order.

SEC. 3. Establishment and Responsibilities of Agency Senior Real Property Officer. (a) The heads of all executive branch departments and agencies cited in sections 901(b)(1) and (b)(2) of title 31, United States Code, and the Secretary of Homeland Security, shall designate among their senior management officials, a Senior Real Property Officer. Such officer shall have the education, training, and experience required to administer the necessary functions of the position for the particular agency.

(b) The Senior Real Property Officer shall develop and implement an agency asset management planning process that meets the form, content, and other requirements established by the Federal Real Property Council established in section 4 of this order. The initial agency asset management plan will be submitted to the Office of Management and Budget on a date determined by the Director of the Office of Management and Budget. In developing this plan, the Senior Real Property Officer shall:

(i) identify and categorize all real property owned, leased, or otherwise managed by the agency, including, where applicable, those properties outside the United States in which the lease agreements and arrangements reflect the host country currency or involve alternative lease plans or rental agreements;

(ii) prioritize actions to be taken to improve the operational and financial management of the agency's real property inventory;

(iii) make life-cycle cost estimations associated with the prioritized actions;

(iv) identify legislative authorities that are required to address these priorities;

(v) identify and pursue goals, with appropriate deadlines, consistent with and supportive of the agency's asset management plan and measure progress against such goals;

(vi) incorporate planning and management requirements for historic property under Executive Order 13287 of March 3, 2003 [16 U.S.C. 470h–2 note], and for environmental management under Executive Order 13148 of April 21, 2000 [42 U.S.C. 4321 note]; and

(vii) identify any other information and pursue any other actions necessary to the appropriate development and implementation of the agency asset management plan.

(c) The Senior Real Property Officer shall be responsible, on an ongoing basis, for monitoring the real property assets of the agency so that agency assets are managed in a manner that is:

(i) consistent with, and supportive of, the goals and objectives set forth in the agency's overall strategic plan under section 306 of title 5, United States Code;

(ii) consistent with the real property asset management principles developed by the Federal Real Property Council established in section 4 of this order; and

(iii) reflected in the agency asset management plan.

(d) The Senior Real Property Officer shall, on an annual basis, provide to the Director of the Office of Management and Budget and the Administrator of General Services:

(i) information that lists and describes real property assets under the jurisdiction, custody, or control of that agency, except for classified information; and

(ii) any other relevant information the Director of the Office of Management and Budget or the Administrator of General Services may request for inclusion in the Government-wide listing of all Federal real property assets and leased property.

(e) The designation of the Senior Real Property Officer shall be made by agencies within 30 days after the date of this order.

SEC. 4. *Establishment of a Federal Real Property Council.* (a) A Federal Real Property Council (Council) is established, within the Office of Management and Budget for administrative purposes, to develop guidance for, and facilitate the success of, each agency's asset management plan. The Council shall be composed exclusively of all agency Senior Real Property Officers, the Controller of the Office of Management and Budget, the Administrator of General Services, and any other full-time or permanent part-time Federal officials or employees as deemed necessary by the Chairman of the Council. The Deputy Director for Management of the Office of Management and Budget shall also be a member and shall chair the Council. The Office of Management and Budget shall provide funding and administrative support for the Council, as appropriate.

(b) The Council shall provide a venue for assisting the Senior Real Property Officers in the development and implementation of the agency asset management plans. The Council shall work with the Administrator of General Services to establish appropriate performance measures to determine the effectiveness of Federal real property management. Such performance measures shall include, but are not limited to, evaluating the costs and benefits involved with acquiring, repairing, maintaining, operating, managing, and disposing of Federal real properties at particular agencies. Specifically, the Council shall consider, as appropriate, the following performance measures:

(i) life-cycle cost estimations associated with the agency's prioritized actions;

(ii) the costs relating to the acquisition of real property assets by purchase, condemnation, exchange, lease, or otherwise;

(iii) the cost and time required to dispose of Federal real property assets and the financial recovery of the Federal investment resulting from the disposal;

(iv) the operating, maintenance, and security costs at Federal properties, including but not limited to the costs of utility services at unoccupied properties;

(v) the environmental costs associated with ownership of property, including the costs of environmental restoration and compliance activities;

(vi) changes in the amounts of vacant Federal space;

(vii) the realization of equity value in Federal real property assets;

(viii) opportunities for cooperative arrangements with the commercial real estate community; and

(ix) the enhancement of Federal agency productivity through an improved working environment. The performance measures shall be designed to enable the heads of executive branch agencies to track progress in the achievement of Government-wide property management objectives, as well as allow for comparing the performance of executive branch agencies against industry and other public sector agencies.

(c) The Council shall serve as a clearinghouse for executive agencies for best practices in evaluating actual progress in the implementation of real property enhancements. The Council shall also work in conjunction with the President's Management Council to assist the efforts of the Senior Real Property Officers and the implementation of agency asset management plans.

(d) The Council shall be organized and hold its first meeting within 60 days of the date of this order. The Council shall hold meetings not less often than once a quarter each fiscal year.

SEC. 5. *Role of the General Services Administration.* (a) The Administrator of General Services shall, to the extent permitted by law and in consultation with the Federal Real Property Council, provide policy oversight and guidance for executive agencies for Federal

real property management; manage selected properties for an agency at the request of that agency and with the consent of the Administrator; delegate operational responsibilities to an agency where the Administrator determines it will promote efficiency and economy, and where the receiving agency has demonstrated the ability and willingness to assume such responsibilities; and provide necessary leadership in the development and maintenance of needed property management information systems.

(b) The Administrator of General Services shall publish common performance measures and standards adopted by the Council.

(c) The Administrator of General Services, in consultation with the Federal Real Property Council, shall establish and maintain a single, comprehensive, and descriptive database of all real property under the custody and control of all executive branch agencies, except when otherwise required for reasons of national security. The Administrator shall collect from each executive branch agency such descriptive information, except for classified information, as the Administrator considers will best describe the nature, use, and extent of the real property holdings of the Federal Government.

(d) The Administrator of General Services, in consultation with the Federal Real Property Council, may establish data and other information technology (IT) standards for use by Federal agencies in developing or upgrading Federal agency real property information systems in order to facilitate reporting on a uniform basis. Those agencies with particular IT standards and systems in place and in use shall be allowed to continue with such use to the extent that they are compatible with the standards issued by the Administrator.

SEC. 6. *General Provisions.* (a) The Director of the Office of Management and Budget shall review, through the management and budget review processes, the efforts of departments and agencies in implementing their asset management plans and achieving the Government-wide property management policies established pursuant to this order.

(b) The Office of Management and Budget and the General Services Administration shall, in consultation with the landholding agencies, develop legislative initiatives that seek to improve Federal real property management through the adoption of appropriate industry management techniques and the establishment of managerial accountability for implementing effective and efficient real property management practices.

(c) Nothing in this order shall be construed to impair or otherwise affect the authority of the Director of the Office of Management and Budget with respect to budget, administrative, or legislative proposals.

(d) Nothing in this order shall be construed to affect real property for the use of the President, Vice President, or, for protective purposes, the United States Secret Service.

SEC. 7. *Public Lands.* In order to ensure that Federally owned lands, other than the real property covered by this order, are managed in the most effective and economic manner, the Departments of Agriculture and the Interior shall take such steps as are appropriate to improve their management of public lands and National Forest System lands and shall develop appropriate legislative proposals necessary to facilitate that result.

SEC. 8. Executive Order 12512 of April 29, 1985, is hereby revoked.

SEC. 9. *Judicial Review.* This order is intended only to improve the internal management of the executive branch and is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity, against the United States, its departments, agencies, or other entities, its officers or employees, or any other person.

123(d)	40:489(c).	

In subsection (a), before clause (1), the words “under this subtitle” are substituted for “hereunder” because “hereunder” probably means under the Federal Property and Administrative Services Act of 1949 which is restated in subtitle I of the revised title (except as noted in section 111 of the revised title and the accompanying revision note). The words “or engage in”, “or engaged in”, “securing or”, and “secure or” are omitted as unnecessary. The word “money” is substituted for “payment” for consistency in the section.

In subsection (a)(1)(B), the words “because of each act” are substituted for “by reason thereof” for clarity.

In subsection (a)(2), the words “or any Federal agency” and “or any Federal agency, as the case may be” are omitted as unnecessary.

In subsection (a)(3), the words “fraudulently obtained” are substituted for “thus secured and obtained” for clarity and to eliminate unnecessary words.

In subsection (d)(1), the word “several” is omitted as unnecessary. The words “the District Court of the United States for the District of Columbia” in section 209(c) of the Federal Property and Administrative Services Act of 1949 are omitted as included in “a district court of the United States” because of sections 88 and 132(a) of title 28.

Subsection (d)(2) is substituted for “[D]istrict courts . . . within whose jurisdictional limits the person, or persons, doing or committing such act, or any one of them, resides or shall be found, shall wheresoever such act may have been done or committed, have full power and jurisdiction to hear, try, and determine such suit” for clarity and to use terminology consistent with title 28, especially 28:1331 and 1391(b).

In subsection (d)(3), the words “A defendant that does not reside and may not be found in the court's judicial district” are substituted for “and such person or persons as are not inhabitants of or found within the district in which suit is brought” for clarity and to use terminology consistent with title 28, especially 28:1331 and 1391(b).

§ 124. Agency use of amounts for property management

Amounts appropriated, allocated, or available to a federal agency for purposes similar to the

purposes in section 121 of this title or subchapter I (except section 506), II, or III of chapter 5 of this title may be used by the agency for the disposition of property under this subtitle, and for the care and handling of property pending the disposition, if the Director of the Office of Management and Budget authorizes the use.

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 18 of 1950, prepared in accordance with the provisions of the Reorganization Act of 1949. The plan transfers to the Administrator of General Services the functions of the various Federal agencies with respect to leasing and assigning general-purpose space in buildings and the operation, maintenance, and custody of office buildings. Since such authority is already largely concentrated in the General Services Administration with respect to the District of Columbia, the plan principally relates to the administration of these functions in the field.

The transfers made by this plan will promote more economical leasing, better utilization of building space, and more efficient operation of Government-controlled office buildings. They will effectuate the recommendations of the Commission on Organization of the Executive Branch of the Government with respect to concentrating in the General Services Administration the responsibility for space allotment and the operation of Government buildings outside of the District of Columbia. Likewise, they will extend the principles laid down by the Congress in enacting the Federal Property and Administrative Services Act of 1949 to another important area of Government-wide administrative services—the administration of Government office buildings and general-purpose building space in the field.

Within the District of Columbia, one agency, the Public Buildings Service of the General Services Administration, has long had the operation and custody of ap-

most Government buildings and the leasing and assignment of space for executive agencies. Thus, nearly all requests for building space are handled by a single organization which is responsible for seeing that agencies are properly and efficiently housed. This arrangement has proved its worth and has repeatedly been approved by the Congress.

Outside of the National Capital, however, responsibility for the acquisition and control of building space and the operation of Government buildings is widely diffused. A variety of agencies operate and control general-purpose buildings. If quarters are not available in Federal buildings, each agency ordinarily does its own leasing. As a result, in some cases Federal agencies have contracted for space at high rentals at the very time that other agencies have been giving up surplus low-cost space.

The assignment of space in Government-owned buildings outside of Washington is also divided among a number of agencies. While the Public Buildings Service constructs a large part of the Government buildings, it operates and controls the assignment of space in only a small proportion of them. The Post Office Department operates and allocates the space in post-office buildings, several hundred of which contain substantial amounts of office space available for other agencies. During and immediately after the war several other Federal agencies acquired office buildings in the field. As their activities have contracted, surplus space in many of these structures has become available for other uses.

This plan concentrates in the General Services Administration the responsibility for the leasing and assignment of what is termed general-purpose building space; that is, space which is suitable for the uses of a number of Federal agencies. It specifically excludes space in buildings at military posts, arsenals, navy yards, and similar defense installations and space in hospitals, laboratories, factories, and other special-purpose buildings.

Also, the plan excludes the Post Office Department from the transfer of leasing authority since the Department has a highly developed organization for this purpose, and it limits the transfer of space assignment authority in post-office buildings to the space not occupied by the Department. Further, it gives the needs of the Post Office Department priority in the assignment of space in post-office buildings. Thus, the plan amply safeguards the interests of the Post Office Department while making it possible to include the general office space in post-office buildings in any given city with other similar space under Federal control in planning and executing an efficient program for housing Government agencies in that area.

In addition, the plan transfers to the General Services Administration the operation, maintenance, and custody of office buildings owned or leased by the Government, including those post-office buildings which are not used predominantly for post-office purposes. This will make it possible to establish a single organization for the operation and maintenance of Government office buildings in principal cities in the field as has proved desirable in the National Capital. Since many post offices are in fact primarily large office buildings, the plan includes in this transfer the post-office buildings which are not used predominantly for post-office purposes. This will relieve the Post Office Department of a considerable expenditure for building operation and maintenance which properly should not be charged against postal revenues.

While the plan effects a broad transfer of functions with respect to leasing and assignment of space and the operation and maintenance of office buildings, it specifically authorizes the Administrator of General Services to delegate the performance of any part of these functions to other agencies subject to such regulations as he deems desirable for economical and effective administration. In this the plan follows the pattern adopted by the Federal Property and Administrative Services Act of 1949 for other branches of property

management. In large urban centers where numerous Federal units are located unified administration of space activities by the General Services Administration will normally be advantageous. On the other hand, in the smaller communities it will no doubt be desirable to delegate the work back to the agencies directly affected, to be carried on under standards laid down by the Administrator of General Services. The plan provides ample flexibility for working out the most effective administrative arrangement for each type of situation.

The fundamental soundness and economy of centralized administration of building space have been amply demonstrated in the National Capital. By virtue of unified control it has been possible since the war to accomplish far-reaching changes which have consolidated agencies in much fewer locations, released many of the rented buildings, and greatly reduced the cost of housing the Government establishment. Similar procedures applied in the larger centers of field activity should produce substantial savings.

After investigation, I have found, and hereby declare, that each reorganization contained in this plan is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949.

While it is not possible at this time to calculate the reduction in expenditures which will result from this plan, it can safely be predicted that it will produce substantial savings. I am confident that this reorganization plan will constitute a significant improvement in Federal business practice and will bring about an important increase in efficiency in housing Government agencies.

In subsections (a) and (b), the words “and title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.)” are added to provide an accurate literal translation of the words “this Act”, meaning the Federal Property and Administrative Services Act of 1949. See the revision note under section 111 of this title. Reference to title V of this Act is omitted as obsolete because of the Act of October 22, 1968 (Public Law 90–620, 82 Stat. 1238), the first section of which enacted Title 44, United States Code. The responsibilities of the Administrator of General Services under title V were given to the Archivist of the United States, National Historical Publications and Records Commission, and Advisory Committee on the Records of Congress.

In subsection (a), the words “subject to chapters 33 and 51 and subchapter III of chapter 53 of title 5” are substituted for “subject to the civil-service and classification laws” because of section 7(b) of the Act of September 6, 1966 (Public Law 89–554, 80 Stat. 631), the first section of which enacted Title 5, United States Code.

In subsection (b), the words “under section 3109 of title 5” are substituted for “(not in excess of one year)” and “or organizations thereof, including stenographic reporting services, by contract or appointment, and in such cases such service shall be without regard to the civil-service and classification laws, and except in the case of stenographic reporting services by organizations, without regard to section 5 of title 41” for clarity and to eliminate unnecessary words.

In subsection (c), the words “section 973 of title 10” are substituted for “section 1222 of the Revised Statutes (10 U. S. of the Act of January 2, 1968 (Public Law 90–235, 81 Stat. 759). The words “personnel (including armed services personnel) from an executive agency other than the General Services Administration” are substituted for “officials, officers, and other personnel in other executive agencies, including personnel of the armed services” for clarity and to eliminate unnecessary words.

In subsection (d), the words “On and after June 23, 1913” are omitted as obsolete. The word “Administrator” is substituted for “Secretary of the Treasury” [subsequently changed to “Federal Works Administrator” because of section 301 of Reorganization Plan No. I of 1939 (eff. July 1, 1939, 53 Stat. 1426)], and the word “Administration” [meaning the General Services Administration] is substituted for “public-buildings service” and “Office of the Supervising Architect” [subsequently changed to “Public Buildings Administration” because of section 1 of Executive Order No. 6166 (eff. June 10, 1933) and section 303 of Reorganization Plan No. I of 1939 (eff. July 1, 1939, 53 Stat. 1427)], because of section 103(a) of the Federal Property and Administrative Services Act of 1949 (ch. 288, 63 Stat. 380), which is restated as section 303(c) [303(b)] of the revised title. The words “such as supervising superintendents, superintendents, junior superintendents, and inspectors of the several classes” are omitted as unnecessary.

§ 505. Exchange or transfer of medical supplies

(a) EXCESS PROPERTY DETERMINATION.—

(1) IN GENERAL.—Medical materials or supplies an executive agency holds for national emergency purposes are considered excess property for purposes of subchapter II when the head of the agency determines that—

(A) the remaining storage or shelf life is too short to justify continued retention for national emergency purposes; and

(B) transfer or other disposal is in the national interest.

(2) TIMING.—To the greatest extent practicable, the head of the agency shall make the determination in sufficient time to allow for the transfer or other disposal and use of medical materials or supplies before their shelf life expires and they are rendered unfit for human use.

(b) TRANSFER OR EXCHANGE.—

(1) IN GENERAL.—In accordance with regulations the Administrator of General Services prescribes, medical materials or supplies considered excess property may be transferred to another federal agency or exchanged with another federal agency for other medical materials or supplies.

(2) USE OF PROCEEDS.—Any proceeds derived from a transfer under this section may be credited to the current applicable appropriation or fund of the transferor agency and shall be available only to purchase medical materials or supplies to be held for national emergency purposes.

(3) DISPOSAL AS SURPLUS PROPERTY.—If the materials or supplies are not transferred to or exchanged with another federal agency, they shall be disposed of as surplus property.

In subsection (a)(2), the words “holding such medical materials or supplies” and “provided for in the first sentence of this subsection” are omitted as unnecessary because of the reorganization of the revised section. § 506. Inventory controls and systems

(a) ACTIVITIES OF THE ADMINISTRATOR OF GENERAL SERVICES.—

(1) IN GENERAL.—Subject to paragraph (2), and after adequate advance notice to affected executive agencies, the Administrator of General Services may undertake the following activities as necessary to carry out functions under this chapter:

(A) SURVEYS AND REPORTS.—Survey and obtain executive agency reports on Federal Government property and property management practices.

(B) INVENTORY LEVELS.—Cooperate with executive agencies to establish reasonable inventory levels for property stocked by them, and report any excessive inventory levels to Congress and to the Director of the Office of Management and Budget.

(C) FEDERAL SUPPLY CATALOG SYSTEM.—Establish and maintain a uniform federal supply catalog system that is appropriate to identify and classify personal property under the control of federal agencies.

(D) STANDARD PURCHASE SPECIFICATIONS AND STANDARD FORMS AND PROCEDURES.—Prescribe standard purchase specifications and

standard forms and procedures (except forms and procedures that the Comptroller General prescribes by law) subject to regulations the Administrator for Federal Procurement Policy prescribes under the Office of Federal Procurement Policy Act (41 U.S.C. 401 et seq.).

(2) SPECIAL CONSIDERATIONS REGARDING DEPARTMENT OF DEFENSE.—

(A) IN GENERAL.—The Administrator of General Services shall carry out activities under paragraph (1) with due regard to the requirements of the Department of Defense, as determined by the Secretary of Defense.

(B) FEDERAL SUPPLY CATALOG SYSTEM.—In establishing and maintaining a uniform federal supply catalog system under paragraph (1)(C), the Administrator of General Services and the Secretary shall coordinate to avoid unnecessary duplication.

(b) ACTIVITIES OF FEDERAL AGENCIES.—Each federal agency shall use the uniformed federal supply catalog system, the standard purchase specifications, and the standard forms and procedures established under subsection (a), except as the Administrator of General Services, considering efficiency, economy, or other interests of the Government, may otherwise provide.

(c) AUDIT OF PROPERTY ACCOUNTS.—The Comptroller General shall audit all types of property accounts and transactions. Audits shall be conducted at the time and in the manner the Comptroller General decides and as far as practicable at the place where the property or records of the executive agencies are kept. In subsection (a)(1)(B), the words “from time to time” are omitted as unnecessary. The words “Director of the Office of Management and Budget” are substituted for “Director of the Bureau of the Budget” in section 206(a)(2) of the Federal Property and Administrative Services Act of 1949 because the office of Director of the Bureau of the Budget was redesignated the Director of the Office of Management and Budget by section 102(b) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085). Section 102 of Reorganization Plan No. 2 of 1970, was repealed by section 5(b) of the Act of September 13, 1982 (Public Law 97–258, 96 Stat. 1085), the first section of which enacted Title 31, United States Code, but the successor provision, 31:502, continued the designation as Director of the Office of Management and Budget.

In subsection (a)(1)(D), the words “Subject to regulations” are substituted for “subject to regulations and regulations” in section 206(a)(4) of the Federal Property

and Administrative Services Act of 1949 to correct an error resulting from an inconsistency between section 8(d)(1) and section 9(a)(2) of the Office of Federal Procurement Policy Act Amendments of 1983 (Public Law 98–191, 97 Stat. 1331).

In subsection (a)(2)(A), the words “Department of Defense” are substituted for “National Military Establishment” in section 206(a) of the Federal Property and Administrative Services Act of 1949 because the Department of Defense is deemed to succeed the National Military Establishment under section 12(a) and (g) of the National Security Act Amendments of 1949 (ch. 412, 63 Stat. 591).

In subsection (c), the words “Comptroller General” are substituted for “General Accounting Office” because of 31:702 and for consistency in the revised title.

Pub. L. 106–504, §1, Nov. 13, 2000, 114 Stat. 2309, as amended by Pub. L. 109–163, div. A, title X, §1056(a)(6), Jan. 6, 2006, 119 Stat. 3439, provided that:

“(a) TRANSFER OF EXCESS REAL PROPERTY.—(1) Except as provided in subsection (d), before screening excess real property located on Guam for further Federal utilization under section 202 [now 40 U.S.C. 521 et seq.] of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 471 et seq.) [now 40 U.S.C. 101 et seq.] (hereinafter the ‘Property Act’), the Administrator shall notify the Government of Guam that the property is available for transfer pursuant to this section.

“(2) If the Government of Guam, within 180 days after receiving notification under paragraph (1), notifies the Administrator that the Government of Guam intends to acquire the property under this section, the Administrator shall transfer such property in accordance with subsection (b). Otherwise, the property shall be

screened for further Federal use and then, if there is no other Federal use, shall be disposed of in accordance with the Property Act.

“(b) CONDITIONS OF TRANSFER.—(1) Any transfer of excess real property to the Government of Guam may be only for a public purpose and shall be without further consideration.

“(2) All transfers of excess real property to the Government of Guam shall be subject to such restrictive covenants as the Administrator, in consultation with the Secretary of Defense, in the case of property reported excess by a military department, determines to be necessary to ensure that: (A) the use of the property is compatible with continued military activities on Guam; (B) the use of the property is consistent with the environmental condition of the property; (C) access is available to the United States to conduct any additional environmental remediation or monitoring that may be required; (D) the property is used only for a public purpose and can not be converted to any other use; and (E) to the extent that facilities on the property have been occupied and used by another Federal agency for a minimum of 2 years, that the transfer to the Government of Guam is subject to the terms and conditions for such use and occupancy.

“(3) All transfers of excess real property to the Government of Guam are subject to all otherwise applicable Federal laws, except section 2696 of title 10, United States Code, or section 501 of Public Law 100-77 (42 U.S.C. 11411).

“(c) DEFINITIONS.—For the purposes of this section:

“(1) The term ‘Administrator’ means—

“(A) the Administrator of General Services; or

“(B) the head of any Federal agency with the authority to dispose of excess real property on Guam.

“(2) The term ‘base closure law’ has the meaning given such term in section 101(a)(17) of title 10, United States Code.

“(3) The term ‘excess real property’ means excess property (as that term is defined in section 3 of the Property Act [now 40 U.S.C. 102]) that is real property and was acquired by the United States prior to the enactment of this section [Nov. 13, 2000].

“(4) The term ‘Guam National Wildlife Refuge’ includes those lands within the refuge overlay under the jurisdiction of the Department of Defense, identified as DoD lands in figure 3, on page 74, and as submergled lands in figure 7, on page 78 of the ‘Final Environmental Assessment for the Proposed Guam National Wildlife Refuge, Territory of Guam, July 1993’ to the extent that the Federal Government holds title to such lands.

“(5) The term ‘public purpose’ means those public benefit purposes for which the United States may dispose of property pursuant to section 203 of the Property Act [now 40 U.S.C. 541 et seq.], as implemented by the Federal Property Management Regulations (41 CFR 101-47) or the specific public benefit uses set forth in section 3(c) of the Guam Excess Lands Act (Public Law 103-339; 108 Stat. 3116), except that such definition shall not include the transfer of land to an individual or entity for private use other than on a nondiscriminatory basis.

“(d) EXEMPTIONS.—Notwithstanding that such property may be excess real property, the provisions of this section shall not apply—

“(1) to real property on Guam that is declared excess by the Department of Defense for the purpose of transferring that property to the Coast Guard;

“(2) to real property on Guam that is located within the Guam National Wildlife Refuge, which shall be transferred according to the following procedure:

“(A) The Administrator shall notify the Government of Guam and the Fish and Wildlife Service that such property has been declared excess. The Government of Guam and the Fish and Wildlife Service shall have 180 days to engage in discussions toward an agreement providing for the future ownership and management of such real property.

“(B) If the parties reach an agreement under subparagraph (A) within 180 days after notification of

the declaration of excess, the real property shall be transferred and managed in accordance with such agreement: *Provided*, That such agreement shall be transmitted to the Committee on Energy and Natural Resources of the United States Senate and the appropriate committees of the United States House of Representatives not less than 60 days prior to such transfer and any such transfer shall be subject to the other provisions of this section.

“(C) If the parties do not reach an agreement under subparagraph (A) within 180 days after notification of the declaration of excess, the Administrator shall provide a report to Congress on the status of the discussions, together with his recommendations on the likelihood of resolution of differences and the comments of the Fish and Wildlife Service and the Government of Guam. If the subject property is under the jurisdiction of a military department, the military department may transfer administrative control over the property to the General Services Administration subject to any terms and conditions applicable to such property. In the event of such a transfer by a military department to the General Services Administration, the Department of the Interior shall be responsible for all reasonable costs associated with the custody, accountability and control of such property until final disposition.

“(D) If the parties come to agreement prior to congressional action, the real property shall be transferred and managed in accordance with such agreement: *Provided*, That such agreement shall be transmitted to the Committee on Energy and Natural Resources of the United States Senate and the appropriate committees of the United States House of Representatives not less than 60 days prior to such transfer and any such transfer shall be subject to the other provisions of this section.

“(E) Absent an agreement on the future ownership and use of the property, such property may not be transferred to another Federal agency or out of Federal ownership except pursuant to an Act of Congress specifically identifying such property;

“(3) to real property described in the Guam Excess Lands Act (Public Law 103-339; 108 Stat. 3116) which shall be disposed of in accordance with such Act;

“(4) to real property on Guam that is declared excess as a result of a base closure law; or

“(5) to facilities on Guam declared excess by the managing Federal agency for the purpose of transferring the facility to a Federal agency that has occupied the facility for a minimum of 2 years when the facility is declared excess together with the minimum land or interest therein necessary to support the facility.

“(e) DUAL CLASSIFICATION PROPERTY.—If a parcel of real property on Guam that is declared excess as a result of a base closure law also falls within the boundary of the Guam National Wildlife Refuge, such parcel of property shall be disposed of in accordance with the base closure law.

“(f) AUTHORITY TO ISSUE REGULATIONS.—The Administrator of General Services, after consultation with the Secretary of Defense and the Secretary of the Interior, may issue such regulations as he deems necessary to carry out this section.”

§ 522. Reimbursement for transfer of excess property

(b) REIMBURSEMENT AT FAIR VALUE.—The amount of reimbursement required for a transfer of excess property is the fair value of the

property, as determined by the Administrator, if—

- (1) net proceeds are requested under section 574(a) of this title; or
- (2) either the transferor or the transferee agency (or the organizational unit affected) is—
 - (A) subject to chapter 91 of title 31; or
 - (B) an organization specified in section 321(c)(2) of this title.

In subsection (a), the words “Director of the Office of Management and Budget” are substituted for “Director of the Bureau of the Budget” in section 202(a)(1) (last sentence) of the Federal Property and Administrative Services Act of 1949 because the office of Director of the Bureau of the Budget was redesignated the Director of the Office of Management and Budget by section 102(b) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085). Section 102 of Reorganization Plan No. 2 of 1970, was repealed by section 5(b) of the Act of September 13, 1982 (Public Law 97–258, 96 Stat. 1085), the first section of which enacted Title 31, United States Code, but the successor provision, 31:502, continued the designation as Director of the Office of Management and Budget.

In subsection (b)(1), the reference to “section 204(b)” in section 202(a)(1) (last sentence) of the Federal Property and Administrative Services Act of 1949 is translated as a reference to section 204(c) of the Act because subsection (b) was redesignated as (c) by the Act of August 31, 1954 (ch.1178, 68 Stat. 1051).

In subsection (b)(2)(A), the words “chapter 91 of title 31” are substituted for “the Government Corporation Control Act (59 Stat. 597, 31 U.S.C. 841)” in section 202(a)(1) (last sentence) of the Federal Property and Administrative Services Act of 1949 because of section 4(b) of the Act of September 13, 1982 (Public Law 97–258, 96 Stat. 1067), the first section of which enacted Title 31, United States Code.

In subsection (c), the word “at” is substituted for “as” (in the phrase “as [sic] prices set by the Administrator”) to reflect the probable intent of Congress. See Senate Report No. 2075, dated July 2, 1952 (United States Code Congressional and Administrative News, 82nd Congress, 2d Session, 1952, Volume 2, p. 2123).

AMENDMENTS

2006—Subsec. (a). Pub. L. 109–284, §6(1), struck out “of this section” after “subsections (b) and (c)”.

Subsec. (b). Pub. L. 109–284, §6(2), substituted “at” for “At” in heading.

§ 523. Excess real property located on Indian reservations

(a) PROCEDURES FOR TRANSFER.—The Administrator of General Services shall prescribe proce-

dures necessary to transfer to the Secretary of the Interior, without compensation, excess real property located within the reservation of any group, band, or tribe of Indians that is recognized as eligible for services by the Bureau of Indian Affairs.

(b) PROPERTY HELD IN TRUST.—

(1) IN GENERAL.—Except as provided in paragraph (2), the Secretary shall hold excess real property transferred under this section in trust for the benefit and use of the group, band, or tribe of Indians, within whose reservation the excess real property is located.

(2) SPECIAL REQUIREMENT FOR OKLAHOMA.—The Secretary shall hold excess real property that is located in Oklahoma and transferred under this section in trust for Oklahoma Indian tribes recognized by the Secretary if the real property—

(A) is located within boundaries of former reservations in Oklahoma, as defined by the Secretary, and was held in trust by the Federal Government for an Indian tribe when the Government acquired it; or

(B) is contiguous to real property presently held in trust by the Government for an Oklahoma Indian tribe and was held in trust by the Government for an Indian tribe at any time.

§ 545. Procedure for disposal

(a) PUBLIC ADVERTISING FOR BIDS.—

(1) REQUIREMENT.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the Administrator of General Services may make or authorize a disposal or a contract for disposal of surplus property only after public advertising for bids, under regulations the Administrator prescribes.

(B) EXCEPTIONS.—This subsection does not apply to disposal or a contract for disposal of surplus property—

- (i) under subsection (b) or (d); or
- (ii) by abandonment, destruction, or donation or through a contract broker.

(2) TIME, METHOD, AND TERMS.—The time, method, and terms and conditions of advertisement must permit full and free competition consistent with the value and nature of the property involved.

(3) PUBLIC DISCLOSURE.—Bids must be publicly disclosed at the time and place stated in the advertisement.

(4) AWARDS.—An award shall be made with reasonable promptness by notice to the responsible bidder whose bid, conforming to the invitation for bids, is most advantageous to the Federal Government, price and other factors considered. However, all bids may be rejected if it is in the public interest to do so.

(b) **NEGOTIATED DISPOSAL.**—Under regulations the Administrator prescribes, disposals and contracts for disposal may be negotiated without regard to subsection (a), but subject to obtaining competition that is feasible under the circumstances, if—

(1) necessary in the public interest—

(A) during the period of a national emergency declared by the President or Congress, with respect to a particular lot of personal property; or

(B) for a period not exceeding three months, with respect to a specifically described category of personal property as determined by the Administrator;

(2) the public health, safety, or national security will be promoted by a particular disposal of personal property;

(3) public exigency will not allow delay incident to advertising certain personal property;

(4) the nature and quantity of personal property involved are such that disposal under subsection (a) would impact an industry to an extent that would adversely affect the national economy, and the estimated fair market value of the property and other satisfactory terms of disposal can be obtained by negotiation;

(5) the estimated fair market value of the property involved does not exceed \$15,000;

(6) after advertising under subsection (a), the bid prices for the property, or part of the property, are not reasonable or have not been independently arrived at in open competition;

(7) with respect to real property, the character or condition of the property or unusual circumstances make it impractical to advertise publicly for competitive bids and the fair market value of the property and other satisfactory terms of disposal can be obtained by negotiation;

(8) the disposal will be to a State, territory, or possession of the United States, or to a political subdivision of, or a tax-supported agency in, a State, territory, or possession, and the estimated fair market value of the property and other satisfactory terms of disposal are obtained by negotiation; or

(9) otherwise authorized by law.

(c) **DISPOSAL THROUGH CONTRACT BROKERS.**—Disposals and contracts for disposal of surplus real and related personal property through contract realty brokers employed by the Administrator shall be made in the manner followed in similar commercial transactions under regulations the Administrator prescribes. The regulations must require that brokers give wide public notice of the availability of the property for disposal.

(d) **NEGOTIATED SALE AT FIXED PRICE.**—

(1) **AUTHORIZATION.**—The Administrator may make a negotiated sale of personal property at a fixed price, either directly or through the use of a disposal contractor, without regard to subsection (a). However, the sale must be publicized to an extent consistent with the value and nature of the property involved and the price established must reflect the estimated fair market value of the property. Sales under this subsection are limited to categories of personal property for which the Administrator

determines that disposal under this subsection best serves the interests of the Government.

(2) **FIRST OFFER.**—Under regulations and restrictions the Administrator prescribes, an opportunity to purchase property at a fixed price under this subsection may be offered first to an entity specified in subsection (b)(8) that has expressed an interest in the property.

(e) **EXPLANATORY STATEMENTS FOR NEGOTIATED DISPOSALS.**—

(1) **REQUIREMENT.**—

(A) **IN GENERAL.**—Except as provided in subparagraph (B), an explanatory statement of the circumstances shall be prepared for each disposal by negotiation of—

(i) personal property that has an estimated fair market value in excess of \$15,000;

(ii) real property that has an estimated fair market value in excess of \$100,000, except that real property disposed of by lease or exchange is subject only to clauses (iii)–(v) of this subparagraph;

(iii) real property disposed of by lease for a term of not more than 5 years, if the estimated fair annual rent is more than \$100,000 for any year;

(iv) real property disposed of by lease for a term of more than 5 years, if the total estimated rent over the term of the lease is more than \$100,000; or

(v) real property or real and related personal property disposed of by exchange, regardless of value, or any property for which any part of the consideration is real property.

(B) **EXCEPTION.**—An explanatory statement is not required for a disposal of personal property under subsection (d), or for a disposal of real or personal property authorized by any other law to be made without advertising.

(2) **TRANSMITTAL TO CONGRESS.**—The explanatory statement shall be transmitted to the appropriate committees of Congress in advance of the disposal, and a copy of the statement shall be preserved in the files of the executive agency making the disposal.

(3) **LISTING IN REPORT.**—A report of the Administrator under section 126 of this title must include a listing and description of any negotiated disposals of surplus property having an estimated fair market value of more than \$15,000, in the case of real property, or \$5,000, in the case of any other property, other than disposals for which an explanatory statement has been transmitted under this subsection.

(f) **APPLICABILITY OF OTHER LAW.**—Section 3709 of the Revised Statutes (41 U.S.C. 5) does not apply to a disposal or contract for disposal made under this section.

EX. ORD. NO. 12999. EDUCATIONAL TECHNOLOGY: ENSURING OPPORTUNITY FOR ALL CHILDREN IN THE NEXT CENTURY

Ex. Ord. No. 12999, Apr. 17, 1996, 61 F.R. 17227, provided:

In order to ensure that American children have the skills they need to succeed in the information-intensive 21st century, the Federal Government is committed to working with the private sector to promote four major developments in American education: making modern computer technology an integral part of every classroom; providing teachers with the professional development they need to use new technologies effectively; connecting classrooms to the National Information Infrastructure; and encouraging the creation of excellent educational software. This Executive order streamlines the transfer of excess and surplus Federal computer equipment to our Nation’s classrooms and encourages Federal employees to volunteer their time and expertise to assist teachers and to connect classrooms.

Accordingly, by the authority vested in me as President by the Constitution and the laws of the United States of America, including the provisions of the Stevenson-Wydler Technology Innovation Act of 1980, as amended (15 U.S.C. 3701 *et seq.*), the Federal Property and Administrative Services Act of 1949, ch. 288, 63 Stat. 377 [now chapters 1 to 11 of this title and title III of the Act of June 30, 1949 (41 U.S.C. 251 *et seq.*)], and the National Defense Authorization Act for Fiscal Year 1996, Public Law 104–106 [see Tables for classification], it is hereby ordered as follows:

SECTION 1. *Protection of Educationally Useful Federal Equipment.* (a) Educationally useful Federal equipment is a vital national resource. To the extent such equipment can be used as is, separated into parts for other computers, or upgraded—either by professional technicians, students, or other recycling efforts—educationally useful Federal equipment is a valuable tool for computer education. Therefore, to the extent possible, all executive departments and agencies (hereinafter referred to as “agencies”) shall protect and safeguard such equipment, particularly when declared excess or surplus, so that it may be recycled and transferred, if appropriate, pursuant to this order.

SEC. 2. *Efficient Transfer of Educationally Useful Federal Equipment to Schools and Nonprofit Organizations.* (a) To the extent permitted by law, all agencies shall give highest preference to schools and nonprofit organizations, including community-based educational organizations, (“schools and nonprofit organizations”) in the transfer, through gift or donation, of educationally useful Federal equipment.

(b) Agencies shall attempt to give particular preference to schools and nonprofit organizations located in the Federal enterprise communities and empowerment zones established in the Omnibus Reconciliation Act of 1993, Public Law 103–66 [see 26 U.S.C. 1391 *et seq.*].

(c) Each agency shall, to the extent permitted by law and where appropriate, identify educationally useful Federal equipment that it no longer needs and transfer it to a school or nonprofit organization by:

(1) conveying research equipment directly to the school or organization pursuant to 15 U.S.C. 3710(i); or

(2) reporting excess equipment to the General Services Administration (GSA) for donation when declared surplus in accordance with section 203(j) of the Federal Property and Administrative Services Act of 1949, as amended, 40 U.S.C. 484(j) [now 40 U.S.C. 549]. Agencies shall report such equipment as far as possible in advance of the date the equipment becomes excess, so that GSA may attempt to arrange direct transfers from the donating agency to recipients eligible under this order.

(d) In transfers made pursuant to paragraph (c)(1) of this section, title shall transfer directly from the agency to the schools or nonprofit organizations as required by 15 U.S.C. 3710(i). All such transfers shall be reported to the GSA. At the direction of the recipient institution or organization, and if appropriate, transferred equipment may be conveyed initially to a nonprofit reuse or recycling program that will upgrade it before transfer to the school or nonprofit organization holding title.

(e) All transfers to schools or nonprofit organizations, whether made directly or through GSA, shall be made at the lowest cost to the school or nonprofit organization permitted by law.

(f) The availability of educationally useful Federal equipment shall be made known to eligible recipients under this order by all practicable means, including newspaper, community announcements, and the Internet.

(g) The regional Federal Executive Boards shall help facilitate the transfer of educationally useful Federal equipment from the agencies they represent to recipients eligible under this order.

SEC. 3. *Assisting Teachers' Professional Development: Connecting Classrooms.* (a) Each agency that has employees who have computer expertise shall, to the extent permitted by law and in accordance with the guidelines of the Office of Personnel Management, encourage those employees to:

(1) help connect America's classrooms to the National Information Infrastructure;

(2) assist teachers in learning to use computers to teach; and

(3) provide ongoing maintenance of and technical support for the educationally useful Federal equipment transferred pursuant to this order.

(b) Each agency described in subsection (a) shall submit to the Office of Science and Technology Policy, within 6 months of the date of this order, an implementation plan to advance the developments described in this order, particularly those required in this section. The plan shall be consistent with approved agency budget totals and shall be coordinated through the Office of Science and Technology Policy.

(c) Nothing in this order shall be interpreted to bar a recipient of educationally useful Federal equipment from lending that equipment, whether on a permanent or temporary basis, to a teacher, administrator, student, employee, or other designated person in furtherance of educational goals.

SEC. 4. *Definitions.* For the purposes of this order: (a) "Schools" means individual public or private education institutions encompassing prekindergarten through twelfth grade, as well as public school districts.

(b) "Community-based educational organizations" means nonprofit entities that are engaged in collaborative projects with schools or that have education as their primary focus. Such organizations shall qualify as nonprofit educational institutions or organizations for purposes of section 203(j) of the Federal Property and Administrative Services Act of 1949, as amended [now 40 U.S.C. 549].

(c) "Educationally useful Federal equipment" means computers and related peripheral tools (e.g., printers,

modems, routers, and servers), including telecommunications and research equipment, that are appropriate for use in prekindergarten, elementary, middle, or secondary school education. It shall also include computer software, where the transfer of licenses is permitted.

(d) "Nonprofit reuse or recycling program" means a 501(c) organization able to upgrade computer equipment at no or low cost to the school or nonprofit organization taking title to it.

(e) "Federal Executive Boards," as defined in 5 C.F.R. Part 960, are regional organizations of each Federal agency's highest local officials.

SEC. 5. This order shall supersede Executive Order No. 12821 of November 16, 1992.

SEC. 6. *Judicial Review.* This order is not intended, and should not be construed, to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies, its officers, or its employees.

WILLIAM J. CLINTON.

(f) PROPERTY FOR LOW INCOME HOUSING ASSISTANCE.—

(1) ASSIGNMENT.—The Administrator, in the Administrator's discretion and under regulations that the Administrator may prescribe, may assign to the Secretary of Housing and Urban Development for disposal surplus real property, including buildings, fixtures, and equipment situated on the property, that the Secretary recommends as needed to provide housing or housing assistance for low-income individuals or families.

(2) SALE OR LEASE.—Subject to disapproval by the Administrator within 30 days after notice to the Administrator by the Secretary of Housing and Urban Development of a proposed transfer, the Secretary, to provide housing or housing assistance for low-income individuals or families, may sell or lease property assigned to the Secretary under paragraph (1) to a State, a political subdivision or instrumentality of a State, or a nonprofit organization that exists for the primary purpose of providing housing or housing assistance for low-income individuals or families.

(3) SELF-HELP HOUSING.—

(A) IN GENERAL.—The Administrator shall disapprove a proposed transfer of property

under this subsection unless the Administrator determines that the property will be used for low-income housing opportunities through the construction, rehabilitation, or refurbishment of self-help housing, under terms requiring that—

(i) subject to subparagraph (B), an individual or family receiving housing or housing assistance through use of the property shall contribute a significant amount of labor toward the construction, rehabilitation, or refurbishment; and

(ii) dwellings constructed, rehabilitated, or refurbished through use of the property shall be quality dwellings that comply with local building and safety codes and standards and shall be available at prices below prevailing market prices.

(1) CONVEYANCE.—

(A) IN GENERAL.—Without monetary consideration to the Government, the Administrator may convey to a State, a political subdivision or instrumentality of a State, or a municipality, the right, title, and interest of the Government in and to any surplus real and related personal property that the Secretary of the Interior determines is suitable and desirable for use as a historic monument for the benefit of the public.

§ 574. Other rules regarding proceeds

(a) CREDIT TO REIMBURSABLE FUND OR APPROPRIATION.—

(1) APPLICATION.—This subsection applies to property acquired with amounts—

(A) not appropriated from the general fund of the Treasury; or

(B) appropriated from the general fund of the Treasury but by law reimbursable from assessment, tax, or other revenue or receipts.

(2) IN GENERAL.—The net proceeds of a disposition or transfer of property described in paragraph (1) shall be—

(A) credited to the applicable reimbursable fund or appropriation; or

(B) paid to the federal agency that determined the property to be excess.

(3) CALCULATION OF NET PROCEEDS.—For purposes of this subsection, the net proceeds of a disposition or transfer of property are the proceeds less all expenses incurred for the disposition or transfer, including care and handling.

(4) ALTERNATIVE CREDIT TO MISCELLANEOUS RECEIPTS.—If the agency that determined the property to be excess decides that it is un economical or impractical to ascertain the amount of net proceeds, the proceeds shall be credited to miscellaneous receipts.

(b) SPECIAL ACCOUNT FOR REFUNDS OR PAYMENTS FOR BREACH.—

(1) DEPOSITS.—A federal agency that disposes of surplus property under this chapter may deposit, in a special account in the Treasury, amounts of the proceeds of the dispositions that the agency decides are necessary to permit—

(A) appropriate refunds to purchasers for dispositions that are rescinded or that do not become final; and

(B) payments for breach of warranty.

(2) WITHDRAWALS.—A federal agency that deposits proceeds in a special account under paragraph (1) may withdraw amounts to be refunded or paid from the account without regard to the origin of the amounts withdrawn.

(c) CREDIT TO COST OF CONTRACTOR'S WORK.—If a contract made by an executive agency, or a subcontract under that contract, authorizes the proceeds of a sale of property in the custody of a contractor or subcontractor to be credited to the price or cost of work covered by the contract or subcontract, then the proceeds of the sale shall be credited in accordance with the contract or subcontract.

(d) ACCEPTANCE OF PROPERTY INSTEAD OF CASH.—An executive agency entitled to receive cash under a contract for the lease, sale, or other disposition of surplus property may accept property instead of cash if the President determines that the property is strategic or critical material. The property is valued at the prevailing market price when the cash payment becomes due.

(e) MANAGEMENT OF CREDIT, LEASES, AND PERMITS.—For a disposition of surplus property under this chapter, if credit has been extended, or if the disposition has been by lease or permit, the Administrator of General Services, in a manner and on terms the Administrator determines are in the best interest of the Federal Government—

(1) shall administer and manage the credit, lease, or permit, and any security for the credit, lease, or permit; and

(2) may enforce, adjust, and settle any right of the Government with respect to the credit, lease, or permit.

(c) ACQUISITION AND MANAGEMENT OF PROPERTY.—

(1) REAL ESTATE.—The Administrator may acquire, by purchase, condemnation, or otherwise, real estate and interests in real estate.

(3) RENT AND REPAIRS UNDER A LEASE.—The Administrator may pay rent and make repairs, alterations, and improvements under the terms of a lease entered into by, or transferred to, the Administration for the housing of a federal agency.

(4) REPAIRS THAT ARE ECONOMICALLY ADVANTAGEOUS.—The Administrator may repair, alter, or improve rented premises if the Administrator determines that doing so is advantageous to the Government in terms of economy, efficiency, or national security. The Administrator's determination must—

(A) set forth the circumstances that make the repair, alteration, or improvement advantageous; and

(B) show that the total cost (rental, repair, alteration, and improvement) for the expected life of the lease is less than the cost of alternative space not needing repair, alteration, or improvement.

(5) INSURANCE PROCEEDS FOR DEFENSE INDUSTRIAL RESERVE.—At the direction of the Secretary of Defense, the Administrator may use insurance proceeds received for damage to property that is part of the Defense Industrial Reserve to repair or restore the property.

(ii) the former owner's tenant in possession; and

(B) the lease is negotiated incident to or in connection with the acquisition of the property.

(3) DEPOSIT OF RENT.—Rent received under this subsection may be deposited into the Federal Buildings Fund.

(e) ASSISTANCE TO THE INAUGURAL COMMITTEE.—The Administrator may provide direct assistance and special services for the Inaugural Committee (as defined in section 501 of title 36) during an inaugural period in connection with Presidential inaugural operations and functions. (2) credit the payments to the applicable appropriation of the Administration.

(h) COOPERATIVE USE OF PUBLIC BUILDINGS.—

(1) LEASING SPACE FOR COMMERCIAL AND OTHER PURPOSES.—The Administrator may lease space on a major pedestrian access level, courtyard, or rooftop of a public building to a person, firm, or organization engaged in commercial, cultural, educational, or recreational activity (as defined in section 3306(a) of this title). The Administrator shall establish a rental rate for leased space equivalent to the prevailing commercial rate for comparable space devoted to a similar purpose in the vicinity of the public building. The lease may be negotiated without competitive bids, but shall contain terms and conditions and be negotiated pursuant to procedures that the Administrator considers necessary to promote competition and to protect the public interest.

(2) OCCASIONAL USE OF SPACE FOR NON-COMMERCIAL PURPOSES.—The Administrator may make available, on occasion, or lease at a rate and on terms and conditions that the Administrator considers to be in the public interest, an auditorium, meeting room, courtyard, rooftop, or lobby of a public building to a person, firm, or organization engaged in cultural, educational, or recreational activity (as defined in section 3306(a) of this title) that will not disrupt the operation of the building.

In this section, 40:490(a)(7) is omitted as obsolete because the pneumatic tube system referred to in the provision is no longer used or maintained and 40:490(a)(9) is omitted as obsolete because the relevant provisions of the Surplus Property Act of 1944 (50 App.:1611 et seq.) have been repealed.

In subsection (c)(3) and (4), the words “without regard to the provisions of section 278a of this title” and

“which on June 30, 1950, was specifically exempted by law from the requirements of said section” (in 40:490(a)(5)), and the words “without regard to the 25 per centum limitation of section 278a of this title” and “without reference to such limitation” (in 40:490(a)(8)), respectively, are omitted as obsolete because 40:278a was repealed by section 7 of the Public Buildings Amendments of 1988 (Public Law 100-678, 40:278a).

In subsection (c)(5), the words “Defense Industrial Reserve” are substituted for “National Industrial Reserve” because the National Industrial Reserve Act was renamed the Defense Industrial Reserve Act by section 809 of the Department of Defense Appropriation Authorization Act, 1974 (Public Law 93-155, 87 Stat. 617), and transferred to 10:2535 by section 4235 of the Defense Conversion, Reinvestment and Transition Assistance Act of 1992, which was included as Division D in the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484, title XLII, 106 Stat. 2690).

In subsection (d)(3), the words “Federal Buildings Fund” are substituted for “Buildings Management Fund” because the fund established under 40:490(f)(1) is the Federal Buildings Fund and unexpended balances in the Buildings Management Fund were merged into the Federal Buildings Fund under 40:490(f)(3).

In subsection (e), before clause (1), the words “section 501 of title 36” are substituted for “the Act of August 6, 1965, 70 Stat 1049” in section 210(a)(15) of the Federal Property and Administrative Services Act of 1949 because of section 5(b) of the Act of August 12, 1998 (Public Law 105-225, 112 Stat. 1499), the first section of which enacted Title 36, United States Code. In clause (1), the words “chapters 33 and 51 and subchapter III of chapter 53 of title 5” are substituted for “the civil service and classification laws” because of section 7(b) of the Act of September 6, 1966 (Public Law 89-554, 80 Stat. 631), the first section of which enacted Title 5, United States Code.

In subsection (f)(1)(A), the words “Defense Industrial Reserve pursuant to section 2535 of title 10” are substituted for “National Industrial Reserve pursuant to the National Industrial Reserve Act of 1948 [50 U.S.C. 451 et seq.]” because the National Industrial Reserve Act was renamed the Defense Industrial Reserve Act by section 809 of the Department of Defense Appropriation Authorization Act, 1974 (Public Law 93-155, 87 Stat. 617), and transferred to 10:2535 by section 4235 of the Defense Conversion, Reinvestment and Transition Assistance Act of 1992, which was included as Division D in the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484, title XLII, 106 Stat. 2690).

In subsection (g)(1), the words “mixed-ownership Government corporation” are substituted for “mixed-ownership corporation” for consistency with chapter 91 of title 31. The words “chapter 91 of title 31” are substituted for “the Government Corporation Control Act” in section 210(a)(6) of the Federal Property and Administrative Services Act of 1949 because of section 4(b) of the Act of September 13, 1982 (Public Law 97-258, 96 Stat. 1067), the first section of which enacted Title 31, United States Code.

AMENDMENTS

2006—Subsec. (b). Pub. L. 109-284 substituted “The Administrator of General Services may—” for “The Administrator may—” in introductory provisions.

2002—Subsec. (a). Pub. L. 107-296, §1706(a)(1), struck out subsec. (a) which read as follows: “APPLICABILITY.—To the extent that the Administrator of General Services by law, other than this section, may maintain, operate, and protect buildings or property, including the construction, repair, preservation, demolition, furnishing, or equipping of buildings or property, the Administrator, in the discharge of these duties, may exercise authority granted under this section.”

Subsec. (b). Pub. L. 107-296, §1706(a)(2), in par. (1), inserted “and” at end, in par. (2), substituted a period for “; and” at end, and struck out par. (3) which read as follows: “furnish arms and ammunition for the protection force the Administration maintains.”

FACILITATING ACCESS TO FEDERAL PROPERTY FOR SITING OF MOBILE SERVICES ANTENNAS

Memorandum of President of the United States, Aug. 10, 1995, 60 F.R. 42023, provided:

Memorandum for the Heads of Departments and Agencies

Recent advancements in mobile telecommunications technology present an opportunity for the rapid construction of the Nation’s wireless communications infrastructure. As a matter of policy, the Federal Government shall encourage the efficient and timely implementation of such new technologies and the concomitant infrastructure buildout as a means of stimulating economic growth and creating new jobs. The recent auctioning and impending licensing of radio frequencies for mobile personal communications services presents the Federal Government with the opportunity to foster new technologies and to encourage the development of communications infrastructure by making Federal property available for the siting of mobile services antennas.

Therefore, to the extent permitted by law, I hereby direct the Administrator of General Services, within 90 days, in consultation with the Secretaries of Agriculture, Interior, Defense, and the heads of such other agencies as the Administrator may determine, to develop procedures necessary to facilitate appropriate access to Federal property for the siting of mobile services antennas.

The procedures should be developed in accordance with the following:

1. (a) Upon request, and to the extent permitted by law and where practicable, executive departments and agencies shall make available Federal Government buildings and lands for the siting of mobile service antennas. This should be done in accordance with Federal, State, and local laws and regulations, and consistent with national security concerns (including minimizing mutual electromagnetic interactions), public health and safety concerns, environmental and aesthetic concerns, preservation of historic buildings and monuments, protection of natural and cultural resources, protection of national park and wilderness values, protection of National Wildlife Refuge systems, and subject to any Federal requirements promulgated by the agency managing the facility and the Federal Communications Commission, the Federal Aviation Administration, National Telecommunications and Information Administration, and other relevant departments and agencies.

(b) Antennas on Federal buildings or land may not contain any advertising.

(c) Federal property does not include lands held by the United States in trust for individual or Native American tribal governments.

(d) Agencies shall retain discretion to reject inappropriate siting requests, and assure adequate protection of public property and timely removal of equipment and structures at the end of service.

2. All procedures and mechanisms adopted regarding access to Federal property shall be clear and simple so as to facilitate the efficient and rapid buildout of the national wireless communications infrastructure.

3. Unless otherwise prohibited by or inconsistent with Federal law, agencies shall charge fees based on market value for siting antennas on Federal property, and may use competitive procedures if not all applicants can be accommodated.

This memorandum does not give the siting of mobile services antennas priority over other authorized uses of Federal buildings or land.

All independent regulatory commissions and agencies are requested to comply with the provisions of this memorandum.

This memorandum is not intended to create any right, benefit or trust responsibility, substantive or procedural, enforceable at law or equity by a party against the United States, its agencies or instrumentalities, its officers, or any other person.

This memorandum shall be published in the Federal Register.

WILLIAM J. CLINTON.

§ 582. Management of buildings by Administrator of General Services

(a) REQUEST BY FEDERAL AGENCY OR INSTRUMENTALITY.—At the request of a federal agency, a mixed-ownership Government corporation (as defined in chapter 91 of title 31), or the District of Columbia, the Administrator of General Services may operate, maintain, and protect a building that is owned by the Federal Government (or, in the case of a wholly owned or mixed-ownership Government corporation, by the corporation) and occupied by the agency or instrumentality making the request.

(b) TRANSFER OF FUNCTIONS BY DIRECTOR OF THE OFFICE OF MANAGEMENT AND BUDGET.—

(1) IN GENERAL.—When the Director of the Office of Management and Budget determines that it is in the interest of economy or efficiency, the Director shall transfer to the Administrator all functions vested in a federal agency with respect to the operation, maintenance, and custody of an office building owned by the Government or a wholly owned Government corporation, or an office building, or part of an office building, that is occupied by a federal agency under a lease.

(2) EXCEPTION FOR POST-OFFICE BUILDINGS.—A transfer of functions shall not be made under this subsection for a post-office building, unless the Director determines that the building is not used predominantly for post-office purposes. The Administrator may delegate functions with respect to a post-office building that are transferred to the Administrator under this subsection only to another officer or employee of the General Services Administration or to the Postmaster General.

(3) EXCEPTION FOR BUILDINGS IN A FOREIGN COUNTRY.—A transfer of functions shall not be made under this subsection for a building located in a foreign country.

(4) EXCEPTION FOR DEPARTMENT OF DEFENSE BUILDINGS.—A transfer of functions shall not be made under this subsection for a building located on the grounds of a facility of the Department of Defense (including a fort, camp, post, arsenal, navy yard, naval training station, airfield, proving ground, military supply depot, or school) unless and only to the extent that the Secretary of Defense has issued a permit for use by another agency.

(5) EXCEPTION FOR GROUPS OF SPECIAL PURPOSE BUILDINGS.—A transfer of functions shall not be made under this subsection for a building that the Director finds to be a part of a group of buildings that are—

- (A) located in the same vicinity;
- (B) used wholly or predominantly for the special purposes of the agency with custody of the buildings; and
- (C) not generally suitable for use by another agency.

(6) EXCEPTION FOR CERTAIN GOVERNMENT BUILDINGS.—A transfer of functions shall not be made under this subsection for the Treasury Building, the Bureau of Engraving and Printing Building, the buildings occupied by the National Institute of Standards and Technology, and the buildings under the jurisdiction of the regents of the Smithsonian Institution.

582(b)	40:490(d).	

In subsection (a), the words “mixed-ownership Government corporation” are substituted for “mixed-ownership corporation” for consistency in the subsection and with chapter 91 of title 31. The words “chapter 91 of title 31” are substituted for “the Government Corporation Control Act” in section 210(b) of the Federal Property and Administrative Services Act of 1949, because of section 4(b) of the Act of September 13, 1982 (Public Law 97-258, 96 Stat. 1067), the first section of which enacted Title 31, United States Code.

In subsection (b), the words “Director of the Office of Management and Budget” are substituted for “Director of the Bureau of the Budget” in section 210(i) of the Federal Property and Administrative Services Act of 1949 because the office of Director of the Bureau of the Budget was redesignated the Director of the Office of Management and Budget by section 102(b) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085). Section 102 of Reorganization Plan No. 2 of 1970, was repealed by section 5(b) of the Act of September 13, 1982 (Public Law 97-258, 96 Stat. 1085), the first section of which enacted Title 31, United States Code, but the successor provision, 31:502, continued the designation as Director of the Office of Management and Budget.

§ 583. Construction of buildings

(a) AUTHORITY.—At the request of a federal agency, a mixed-ownership Government corporation (as defined in chapter 91 of title 31), or the District of Columbia, the Administrator of General Services may—

- (1) acquire land for a building or project authorized by Congress;
- (2) make or cause to be made (under contract or otherwise) surveys and test borings and prepare plans and specifications for a building or project prior to the Attorney General’s approval of the title to the site; and
- (3) contract for, and supervise, the construction, development, and equipping of a building or project.

(b) TRANSFER OF AMOUNTS.—An amount available to a federal agency or instrumentality for a building or project may be transferred, in advance, to the General Services Administration for purposes the Administrator determines are necessary, including payment of salaries and expenses for preparing plans and specifications and for field supervision.

In subsection (a), the words “mixed-ownership Government corporation” are substituted for “mixed-ownership corporation” for consistency in the subsection and with chapter 91 of title 31. The words “chapter 91 of title 31” are substituted for “the Government Corporation Control Act” in section 210(c) of the Federal Property and Administrative Services Act of 1949 because of section 4(b) of the Act of September 13, 1982 (Public Law 97-258, 96 Stat. 1067), the first section of which enacted Title 31, United States Code.

In subsection (b), the words “salaries and expenses for preparing plans and specifications and for field supervision” are substituted for “salaries and expenses of personnel engaged in the preparation of plans and specifications or in field supervision, and for general office expenses to be incurred in the rendition of any such service” to eliminate unnecessary words.

§ 584. Assignment and reassignment of space

(a) AUTHORITY.—

(1) IN GENERAL.—Subject to paragraph (2), the Administrator of General Services may assign or reassign space for an executive agency in any Federal Government-owned or leased building.

(2) REQUIREMENTS.—The Administrator’s authority under paragraph (1) may be exercised only—

(A) in accordance with policies and directives the President prescribes under section 121(a) of this title;

(B) after consultation with the head of the executive agency affected; and

(C) on a determination by the Administrator that the assignment or reassignment is advantageous to the Government in terms of economy, efficiency, or national security.

(b) PRIORITY FOR PUBLIC ACCESS.—In assigning space on a major pedestrian access level (other than space leased under section 581(h)(1) or (2) of this title), the Administrator shall, where practicable, give priority to federal activities requiring regular contact with the public. If the space is not available, the Administrator shall provide space with maximum ease of access to building entrances.

EX. ORD. NO. 12411. GOVERNMENT WORK SPACE MANAGEMENT REFORMS

Ex. Ord. No. 12411, Mar. 29, 1983, 48 F.R. 13391, provided:

By the authority vested in me as President by the Constitution and laws of the United States of America, including Section 486 of Title 40 of the United States Code [now 40 U.S.C. 121], in order to institute fun-

damental changes in the manner in which Federal work space is managed to ensure its efficient utilization, it is hereby ordered as follows:

SECTION 1. In order to make the Federal use of work space (including office space, warehouses and special purpose space, whether federally owned, leased or controlled) and related furnishings more effective in support of agency missions, minimize the acquisition of government resources, and reduce the administrative costs of the Federal government, the heads of all Federal Executive agencies shall:

(a) Establish programs to reduce the amount of work space, used or held, to that amount which is essential for known agency missions;

(b) Produce and maintain a total inventory of work space and related furnishings and declare excess to the Administrator of General Services all such holdings that are not necessary to satisfy existing or known and verified planned programs;

(c) Ensure that the amount of office space used by each employee of the agency, or others using agency-controlled space, is held to the minimum necessary to accomplish the task that must be performed;

(d) Manage the furniture, equipment, decoration, drapes, carpeting, plants and other accoutrements so that the use of all furnishings by the agency reflects a judicious employment of public moneys;

(e) Consider, in making decisions concerning the use, acquisition, or disposal of work space and related furnishings, the effects of its actions on costs incurred by other Federal agencies;

(f) Report all vacant work space retained for future Federal uses to the Administrator of General Services so that it may be made available for the temporary use of other Federal agencies, to the extent consistent with national defense requirements;

(g) Establish a work space management plan to meet the provisions of this Order, including specification of the goals to be achieved and actions to be taken by the agency in order to improve its utilization of all work space and related furnishings; and

(h) Establish information systems, implement inventory controls and conduct surveys, in accordance with procedures established by the Administrator of General Services, so that a government-wide reporting system may be developed.

SEC. 2. The Administrator of General Services is delegated authority, to the extent not prohibited by other laws, to conduct surveys, establish agency-wide objectives for work space use for each Executive agency, and establish procedures, guidelines and regulations to be followed by the agencies in developing the work space planning, information and reporting systems required by this Order.

§ 585. Lease agreements

(a) IN GENERAL.—

(1) AUTHORITY.—The Administrator of General Services may enter into a lease agreement with a person, copartnership, corporation, or other public or private entity for the accommodation of a federal agency in a building (or improvement) which is in existence or being erected by the lessor to accommodate the federal agency. The Administrator may assign and reassign the leased space to a federal agency.

(2) TERMS.—A lease agreement under this subsection shall be on terms the Administrator considers to be in the interest of the Federal Government and necessary for the accommodation of the federal agency. However, the lease agreement may not bind the Government for more than 20 years and the obligation of amounts for a lease under this subsection is limited to the current fiscal year for

which payments are due without regard to section 1341(a)(1)(B) of title 31.

(b) SUBLEASE.—

(1) APPLICATION.—This subsection applies to rent received if the Administrator—

- (A) determines that an unexpired portion of a lease of space to the Government is surplus property; and
- (B) disposes of the property by sublease.

(2) USE OF RENT.—Notwithstanding section 571(a) of this title, the Administrator may deposit rent received into the Federal Buildings Fund. The Administrator may defray from the fund any costs necessary to provide services to the Government's lessee and to pay the rent (not otherwise provided for) on the lease of the space to the Government.

(c) AMOUNTS FOR RENT AVAILABLE FOR LEASE OF BUILDINGS ON GOVERNMENT LAND.—Amounts made available to the General Services Administration for the payment of rent may be used to lease space, for a period of not more than 30 years, in buildings erected on land owned by the Government.

LEASE OF BUILDING SPACE BY WHOLLY OWNED GOVERNMENT CORPORATIONS

Act July 30, 1947, ch. 358, title III, §306, 61 Stat. 584, provided in part that: “Wholly owned Government corporations requiring space in office buildings at the seat of government shall occupy only such space as may be allotted in accordance with the provisions of such Act of March 1, 1919, as amended [ch. 86, §10, 40 Stat. 1269] ([former] 40 U.S.C. 1), and shall pay such rental thereon as may be determined by the Federal Works Administrator [Administrator of General Services], such rental to include all cost of maintenance, upkeep, and repair.”

§ 586. Charges for space and services

(a) DEFINITION.—In this section, “space and services” means space, services, quarters, maintenance, repair, and other facilities.

(b) CHARGES BY ADMINISTRATOR OF GENERAL SERVICES.—

(1) IN GENERAL.—The Administrator of General Services shall impose a charge for furnishing space and services.

(2) RATES.—The Administrator shall, from time to time, determine the rates to be charged for furnishing space and services and shall prescribe regulations providing for the rates. The rates shall approximate commercial charges for comparable space and services. However, for a building for which the Administrator is responsible for alterations only (as the term “alter” is defined in section 3301(a) of this title), the rates shall be fixed to recover only the approximate cost incurred in providing alterations.

(3) EXEMPTIONS.—The Administrator may exempt anyone from the charges required by this subsection when the Administrator determines that charges would be infeasible or impractical. To the extent an exemption is granted, appropriations to the General Services Administration are authorized to reimburse the Federal Buildings Fund for any loss of revenue.

(c) CHARGES BY EXECUTIVE AGENCIES.—

(1) IN GENERAL.—An executive agency, other than the Administration, may impose a charge for furnishing space and services at rates approved by the Administrator.

(2) CREDITING AMOUNTS RECEIVED.—An amount an executive agency receives under this subsection shall be credited to the appropriation or fund initially charged for providing the space or service. However, amounts in excess of actual operating and maintenance costs shall be credited to miscellaneous receipts unless otherwise provided by law.

(d) RENT PAYMENTS FOR LEASE SPACE.—An agency may make rent payments to the Administration for lease space relating to expansion needs of the agency. Payment rates shall approximate commercial charges for comparable space as provided in subsection (b). Payments shall be deposited into the Federal Buildings Fund. The Administration may use amounts received under this subsection, in addition to amounts received as New Obligational Authority, in the Rental of Space activity of the Fund.

586(d)	40:490f.	

In subsection (b)(3), the words “Federal Buildings Fund” are substituted for “the fund” for clarity and to execute the probable intent of Congress. Sections 3 and 4 of the Public Buildings Amendments of 1972 (Public Law 92-313, 86 Stat. 218) added subsection (j) of 40:490 (in which the words “the fund” appear) and amended subsection (f) to create a fund into which “charges made pursuant to subsection (j)” are deposited (40:490(f)(1)(A)). That fund was subsequently named “Federal Buildings Fund” by section 153(1) of the Energy Policy Act of 1992 (Public Law 102-486, 106 Stat. 2851). If an exemption from charges is granted under 40:490(j), “the fund” that suffers the loss of revenue is the Federal Buildings Fund.

In subsection (d), the words “on and after October 6, 1992” are omitted as obsolete. The words “subsection

(b)” are substituted for “section 201(j) of the Federal Property and Administrative Services Act of 1949, as amended (40 U.S.C. 490(j))” in section 5(a) of the Independent Agencies Appropriations Act, 1993, to reflect the probable intent of Congress. Section 201 of the Federal Property and Administrative Services Act of 1949 does not contain a subsection (j) and the intended reference was probably “section 210(j)”, which is restated in this section. The text of 40:490f(b) is omitted as executed.

§ 587. Telecommuting and other alternative workplace arrangements

(a) DEFINITION.—In this section, the term “telecommuting centers” means flexiplace work telecommuting centers.

(b) TELECOMMUTING CENTERS ESTABLISHED BY ADMINISTRATOR OF GENERAL SERVICES.—

(1) ESTABLISHMENT.—The Administrator of General Services may acquire space for, establish, and equip telecommuting centers for use in accordance with this subsection.

(2) USE.—A telecommuting center may be used by employees of federal agencies, state and local governments, and the private sector. The Administrator shall give federal employees priority in using a telecommuting center. The Administrator may make a telecommuting center available for use by others to the extent it is not fully utilized by federal employees.

(3) USER FEES.—The Administrator shall charge a user fee for the use of a telecommuting center. The amount of the user fee shall approximate commercial charges for comparable space and services. However, the user fee may not be less than necessary to pay the cost of establishing and operating the telecommuting center, including the reasonable cost of renovation and replacement of furniture, fixtures, and equipment.

(4) DEPOSIT AND USE OF FEES.—The Administrator may—

(A) deposit user fees into the Federal Buildings Fund and use the fees to pay costs incurred in establishing and operating the telecommuting center; and

(B) accept and retain income received by the General Services Administration, from federal agencies and non-federal sources, to defray costs directly associated with the functions of telecommuting centers.

(c) DEVELOPMENT OF ALTERNATIVE WORKPLACE ARRANGEMENTS BY EXECUTIVE AGENCIES AND OTHERS.—

(1) DEFINITION.—In this subsection, the term “alternative workplace arrangements” includes telecommuting, hoteling, virtual offices, and other distributive work arrangements.

(2) CONSIDERATION BY EXECUTIVE AGENCIES.—In considering whether to acquire space, quarters, buildings, or other facilities for use by employees, the head of an executive agency shall consider whether needs can be met using alternative workplace arrangements.

(3) GUIDANCE FROM ADMINISTRATOR.—The Administrator may provide guidance, assistance, and oversight to any person regarding the establishment and operation of alternative workplace arrangements.

(d) AMOUNTS AVAILABLE FOR FLEXIPLACE WORK TELECOMMUTING PROGRAMS.—

(1) DEFINITION.—In this subsection, the term “flexiplace work telecommuting program” means a program under which employees of a department or agency set out in paragraph (2) are permitted to perform all or a portion of their duties at a telecommuting center established under this section or other federal law.

(2) MINIMUM FUNDING.—For each of the following departments and agencies, in each fiscal year at least \$50,000 of amounts made available for salaries and expenses is available only for carrying out a flexiplace work telecommuting program:

- (A) Department of Agriculture.
- (B) Department of Commerce.
- (C) Department of Defense.
- (D) Department of Education.
- (E) Department of Energy.
- (F) Department of Health and Human Services.
- (G) Department of Housing and Urban Development.

§ 588. Movement and supply of office furniture

(a) DEFINITION.—In this section, the term “controlled space” means a substantial and identifiable segment of space (such as a building, floor, or wing) in a location that the Administrator of General Services controls for purposes of assignment of space.

(b) APPLICATION.—This section applies if an agency (or unit of the agency), moves from one controlled space to another, whether in the same or a different location.

(c) MOVING EXISTING FURNITURE.—The furniture and furnishings used by an agency (or organizational unit of the agency) shall be moved only if the Administrator determines, after con-

sultation with the head of the agency and with due regard for the program activities of the agency, that it would not be more economical and efficient to make suitable replacements available in the new controlled space.

(d) PROVIDING REPLACEMENT FURNITURE.—In the absence of a determination under subsection (c), suitable furniture and furnishings for the new controlled space shall be provided from stocks under the control of the moving agency or from stocks available to the Administrator, whichever the Administrator determines to be more economical and efficient. However, the same or similar items may not be provided from both sources.

(e) CONTROL OF REPLACEMENT FURNITURE.—If furniture and furnishings for a new controlled space are provided from stocks available to the Administrator, the items being provided remain in the control of the Administrator.

(f) CONTROL OF FURNITURE NOT MOVED.—

(1) IN GENERAL.—If furniture and furnishings for a new controlled space are provided from stocks available to the Administrator, the furniture and furnishings that were previously used by the moving agency (or unit of the agency) pass to the control of the Administrator.

(2) REIMBURSEMENT.—

(A) IN GENERAL.—Furniture and furnishings passing to the control of the Administrator under this section pass without reimbursement.

(B) EXCEPTION FOR TRUST FUND.—If furniture and furnishings that were purchased from a trust fund pass to the control of the Administrator under this section, the Administrator shall reimburse the trust fund for the fair market value of the furniture and furnishings.

(3) REVOLVING OR WORKING CAPITAL FUND.—If furniture and furnishings are carried as assets of a revolving or working capital fund at the time they pass to the control of the Administrator under this section, the net book value of the furniture and furnishings shall be written off and the capital of the fund is diminished by the amount of the write-off.

(a) IN GENERAL.—An executive agency may install, repair, and replace sidewalks around buildings, installations, property, or grounds that are—

- (1) under the agency’s control;

- (3) located in a State, the District of Columbia, Puerto Rico, or a territory or possession of the United States.

(b) REIMBURSEMENT.—Subsection (a) may be carried out by—

In subsections (a) and (b), the words “territory or” are added for consistency in the revised title and with other titles of the United States Code.

In subsection (c), the words “Director of the Office of Management and Budget” are substituted for “Director of the Bureau of the Budget” in section 210(i) of the Federal Property and Administrative Services Act of 1949 because the office of Director of the Bureau of the Budget was redesignated the Director of the Office of Management and Budget by section 102(b) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085). Section 102 of Reorganization Plan No. 2 of 1970, was repealed by section 5(b) of the Act of September 13, 1982 (Public Law 97–258, 96 Stat. 1085), the first section of which enacted Title 31, United States Code, but the successor provision, 31:502, continued the designation as Director of the Office of Management and Budget.

In subsection (e), the words “beyond such liability presently existing by virtue of any other law” are omitted as unnecessary.

§ 590. Child care

(a) GUIDANCE, ASSISTANCE, AND OVERSIGHT.—Through the General Services Administration’s licensing agreements, the Administrator of General Services shall provide guidance, assistance, and oversight to federal agencies for the development of child care centers to provide economical and effective child care for federal workers.

(b) ALLOTMENT OF SPACE IN FEDERAL BUILDINGS.—

(1) DEFINITIONS.—In this subsection, the following definitions apply:

(A) CHILD CARE PROVIDER.—The term “child care provider” means an individual or entity that provides or proposes to provide child care services for federal employees.

(B) ALLOTMENT OFFICER.—The term “allotment officer” means an officer or agency of

the Federal Government charged with the allotment of space in federal buildings.

(2) ALLOTMENT.—A child care provider may be allotted space in a federal building by an allotment officer if—

(A) the child care provider applies to the allotment officer in the community or district in which child care services are to be provided;

(B) the space is available; and

(C) the allotment officer determines that—

(i) the space will be used to provide child care services to children of whom at least 50 percent have one parent or guardian employed by the Government; and

(ii) the child care provider will give priority to federal employees for available child care services in the space.

(c) PAYMENT FOR SPACE AND SERVICES.—

(1) DEFINITION.—For purposes of this subsection, the term “services” includes the providing of lighting, heating, cooling, electricity, office furniture, office machines and equipment, classroom furnishings and equipment, kitchen appliances, playground equipment, telephone service (including installation of lines and equipment and other expenses associated with telephone services), and security systems (including installation and other expenses associated with security systems), including replacement equipment, as needed.

(2) NO CHARGE.—Space allotted under subsection (b) may be provided without charge for rent or services.

(3) REIMBURSEMENT FOR COSTS.—For space allotted under subsection (b), if there is an agreement for the payment of costs associated with providing space or services, neither title 31, nor any other law, prohibits or restricts payment by reimbursement to the miscellaneous receipts or other appropriate account of the Treasury.

(d) PAYMENT OF OTHER COSTS.—If an agency has a child care facility in its space, or is a sponsoring agency for a child care facility in other federal or leased space, the agency or the Administration may—

(1) pay accreditation fees, including renewal fees, for the child care facility to be accredited by a nationally recognized early-childhood professional organization;

(2) pay travel and per diem expenses for representatives of the child care facility to attend the annual Administration child care conference; and

(3) enter into a consortium with one or more private entities under which the private entities assist in defraying costs associated with the salaries and benefits for personnel providing services at the facility.

(e) REIMBURSEMENT FOR EMPLOYEE TRAINING.—Notwithstanding section 1345 of title 31, an agency, department, or instrumentality of the Government that provides or proposes to provide child care services for federal employees may reimburse a federal employee or any individual employed to provide child care services for travel, transportation, and subsistence expenses incurred for training classes, conferences, or other

meetings in connection with providing the services. A per diem allowance made under this subsection may not exceed the rate specified in regulations prescribed under section 5707 of title 5.

(f) CRIMINAL HISTORY BACKGROUND CHECKS.—

(1) DEFINITION.—In this subsection, the term “executive facility” means a facility owned or leased by an office or entity within the executive branch of the Government. The term includes a facility owned or leased by the General Services Administration on behalf of an office or entity within the judicial branch of the Government.

(2) IN GENERAL.—All workers in a child care center located in an executive facility shall undergo a criminal history background check as defined in section 231 of the Crime Control Act of 1990 (42 U.S.C. 13041).

(3) NONAPPLICATION TO LEGISLATIVE BRANCH FACILITIES.—This subsection does not apply to a facility owned by or leased on behalf of an office or entity within the legislative branch of the Government.

(g) APPROPRIATED AMOUNTS FOR AFFORDABLE CHILD CARE.—

(1) DEFINITION.—For purposes of this subsection, the term “Executive agency” has the meaning given that term in section 105 of title 5, but does not include the Government Accountability Office.

(2) IN GENERAL.—In accordance with regulations the Office of Personnel Management prescribes, an Executive agency that provides or proposes to provide child care services for federal employees may use appropriated amounts that are otherwise available for salaries and expenses to provide child care in a federal or leased facility, or through contract, for civilian employees of the agency.

(3) AFFORDABILITY.—Amounts used pursuant to paragraph (2) shall be applied to improve the affordability of child care for lower income federal employees using or seeking to use the child care services.

(4) ADVANCES.—Notwithstanding section 3324 of title 31, amounts may be paid in advance to licensed or regulated child care providers for services to be rendered during an agreed period.

EX. ORD. NO. 10579. INTERAGENCY MOTOR-VEHICLE POOLS AND SYSTEMS

Ex. Ord. No. 10579, Dec. 1, 1954, 19 F.R. 7925, provided:

SECTION 1. Purpose and general policy. (a) The purpose of these regulations is to establish policies and procedures under which interagency motor-vehicle pools or systems may be established, operated, curtailed, or discontinued.

(b) The Administrator of General Services (hereinafter referred to as the Administrator) shall establish and provide for the operation of interagency motor-vehicle pools and systems for the purpose of providing more efficient or economical transportation of Government personnel and property within specific areas by motor vehicles or local transit systems. Pools or systems based in whole or in part upon use of privately-owned vehicles and facilities shall be preferred to Government ownership of vehicles and facilities to the extent that it is feasible to provide required motor-vehicle services of satisfactory quality and cost from commercial or other private sources.

SEC. 2. Conduct of studies to determine advisability of establishing motor-vehicle pools or systems. (a) The Administrator shall select areas in which studies are to be conducted to determine the advisability of establishing motor-vehicle pools or systems. Before initiating any such study, he shall give at least thirty days notice to the head of each executive agency (as defined in section 3(a) of the Act [now 40 U.S.C. 102(4)]). The notice shall include a statement of the approximate geographic area to be studied and the date on which the study will begin.

(b) The head of each executive agency receiving notice that such a study is to be made shall provide information which is required or pertinent. He shall also designate one or more officials in the field with whom members of a staff assigned by the General Services Administration may consult. Such designated officials shall provide such assigned staff with needed information and assistance, including reasonable opportunities to observe motor-vehicle operations and facilities and to examine pertinent cost and other records.

SEC. 3. Determination to establish an interagency motor-vehicle pool or system. (a) If the Administrator determines, with due regard to the program activities of the agencies concerned, and on the basis of a study made in accordance with section 2 hereof, that an interagency motor-vehicle pool or system should be established, he shall be responsible for preparing a formal determination to that effect. Such determination shall include:

- (1) A description of the proposed operation, including a statement of the types of service and of the geographic area, and the agencies or parts of agencies to be served.
- (2) The name of the executive agency designated to be responsible for operating the pool or system, and the reasons for such designation.
- (3) A statement indicating the motor vehicles and related equipment and supplies to be transferred and the amount of reimbursement, if any, to be made therefor.

(b) Each determination shall be accompanied by an analytical justification which shall include a comparison of estimated costs of the present and proposed methods of operation and a showing of the estimated savings to be realized through the establishment of the proposed pool or system. The justification shall also describe the alternatives considered in making the determination, and shall include a statement concerning the availability of privately-owned facilities and equipment, and the feasibility and estimated cost (immediate and long-term) of using such facilities and equipment.

(c) The Administrator shall send a copy of each determination to each executive agency affected and to the Director of the Bureau of the Budget [now the Director of the Office of Management and Budget] (hereinafter referred to as the Director).

SEC. 4. Transfers of records, facilities, personnel, and appropriations. Whenever the Administrator prepares a de-

termination as set forth in section 3 of these regulations, he shall also prepare and present to the Director a schedule of the proposed transfer of such records, facilities, personnel, and appropriations as relate primarily to the functions which are to be transferred to the interagency motor-vehicle pool or system. A copy of such schedule shall be sent by the Administrator to each executive agency affected. The Director shall determine the records, facilities, personnel, and appropriations to be transferred.

SEC. 5. *Taking effect of determinations.* Unless a greater time is allowed therein, any determination made by the Administrator shall become binding on all affected executive agencies forty-five days after the issuance thereof except with respect to any agency which appeals, or requests an exemption, from any such determination in accordance with section 6 of these regulations.

SEC. 6. *Review of determinations not agreed to by agencies affected.* (a) Any executive agency may appeal or request exemption from any or all proposals affecting it which are contained in a determination. Appeals shall be submitted in writing to the Director with a copy to the Administrator within forty-five days from the date of the determination. Such appeals shall be accompanied by factual and objective supporting data and justification.

(b) The Director shall review any determination from which an executive agency has appealed and shall make a final decision on such appeal. The Director shall make such decisions, within seventy-five days after he receives the appeal or as soon thereafter as practicable, on the basis of information contained in the Administrator's determination, the executive agencies' appeals therefrom, and any supplementary data submitted by the Administrator and the contesting agencies. The Director shall send copies of decisions to the Administrator and to the heads of other executive agencies concerned.

(c) The Director's decision upon each such appeal, if it holds that the determination shall apply in whole or in part to the appealing agency, shall state the extent to which the determination applies and the effective date of its application. To the extent that the Director's decision on an appeal does not uphold the Administrator's determination, such determination shall be of no force and effect.

SEC. 7. *Compliance with determinations and decisions on appeals.* (a) When a determination or a decision on an appeal made in accordance with these regulations has become effective, each executive agency affected shall comply therewith.

(b) The Director shall take such actions as he deems appropriate to assist in securing compliance with determinations which have become effective. In the exercise of this authority to establish reserves in apportioning appropriations and funds, the Director shall take account of such savings as accrue from the establishment of inter-agency motor-vehicle pools and systems.

(c) The executive agency which operates any pool or system established hereunder shall maintain accurate records of the cost of establishment, maintenance, and operation of any interagency motor-vehicle pool or system established pursuant to these regulations.

(d) The Administrator shall be responsible for maintaining adequate reviews and controls of the economy and efficiency of all pools or systems established in accordance with these regulations, including those not directly operated by the General Services Administration.

SEC. 8. *Discontinuance or curtailment of service.* (a) If, during any reasonable period, not exceeding two successive fiscal years, no actual savings are realized from the operation of any pool or system established hereunder, the Administrator shall discontinue the pool or system concerned.

(b) The Administrator may discontinue or curtail a motor-vehicle pool or system when he determines that it is not the most economical method of rendering re-

quired motor-vehicle service; but he shall give at least sixty days notice of such intention to executive agencies affected and to the Director before taking such action.

(c) Executive agencies affected by a pool or system for which the Administrator is responsible (including inter-agency pools or systems operated by another executive agency designated by the Administrator) may bring problems of service and cost to the attention of the Administrator, who shall assure that such problems receive proper attention.

(d) Executive agencies receiving motor-vehicle services from an interagency motor-vehicle pool or system under these regulations may request discontinuance or curtailment of their participation in such pool or system after at least one year of participation or in the event that the need for the services from the pool or system ceases. Such requests shall be submitted to the Administrator with pertinent factual justification.

(e) If the Administrator does not agree with such request and is unable to make arrangements which are mutually acceptable to him and to the head of the executive agency concerned, the agency's request for discontinuance or modification and the Administrator's reasons for not agreeing with the request shall be forwarded to the Director who shall be responsible for making a final and binding decision.

(f) When a pool or system is discontinued or curtailed, such transfers of vehicles and related equipment and supplies, personnel, records, facilities, and funds as may be appropriate will be made, subject to the approval of the Director.

SEC. 9. *Motor vehicles exempted from inclusion in inter-agency motor-vehicle pools.* The following-described classes of motor vehicles shall be exempt from inclusion in interagency motor-vehicle pools or systems:

(1) Motor vehicles designed or used for military field training, combat, or tactical purposes, or used principally within the confines of a regularly established military post, camp, or depot.

(2) Any motor vehicle regularly used by an agency in the performance of investigative, law enforcement, or intelligence duties if the head of such agency determines that exclusive control of such vehicle is essential to the effective performance of such duties: *Provided*, that vehicles regularly used for common administrative purposes not directly connected with the performance of law enforcement, investigative, or intelligence duties shall not because of such use be exempted from such inclusion.

(3) Any motor vehicle the conspicuous identification of which as a Government vehicle would interfere with the purpose for which it is acquired and used.

(4) Unless inclusion is mutually agreed upon by the Administrator and the head of the agency concerned:

(i) Motor vehicles for the use of the heads of the executive agencies, ambassadors, ministers, charge d'affaires, and other principal diplomatic and consular officials.

(ii) Motor vehicles regularly and principally used for the transportation of diplomats and representatives of foreign countries or by officers of the Department of State for the conduct of official business with representatives of foreign countries.

(iii) Motor vehicles regularly used for the distribution and transportation of mails.

(5) Motor vehicles which, because of their design or the special purposes for which they are used, or for other reasons, cannot advantageously be incorporated in an interagency motor-vehicle pool or system if the exemption thereof has been mutually agreed upon by the Administrator and the head of the executive agency concerned.

(6) Motor vehicles exempted by an agency which has authority to make such an exemption under the provisions of the Act [probably means the Federal Property and Administrative Services Act of 1949, now chapters 1 to 11 of this title and title III of the Act of June 30, 1949 (41 U.S.C. 251 et seq.)].

SEC. 10. *Optional use arrangements.* Nothing in these regulations shall be construed as precluding the estab-

lishment or operation of interagency motor-vehicle pools or systems on the basis of optional use by executive or other Federal agencies.

SEC. 11. *Supplementary regulations.* The Administrator shall, after consultation with the executive agencies concerned and with due regard to their program activities, issue such supplementary regulations of general applicability to the executive agencies concerned as are necessary for the effective and economical operation of pools or systems under the Act [probably means the Federal Property and Administrative Services Act of 1949].

DWIGHT D. EISENHOWER.

(3) furnish motor vehicles and related services to executive agencies for the transportation of property and passengers.

(b) METHODS OF PROVIDING VEHICLES AND SERVICES.—As determined by the Administrator, motor vehicles and related services may be furnished by providing an agency with—

- (1) Federal Government-owned motor vehicles;
(2) the use of motor vehicles, under rental or other arrangements, through private fleet operators, taxicab companies, or local or interstate common carriers; or
(3) both.

(c) RECIPIENTS OF VEHICLES AND SERVICES.—The Administrator shall, so far as practicable, furnish motor vehicles and related services under this section to any federal agency, mixed-ownership Government corporation (as defined in chapter 91 of title 31), or the District of Columbia, on its request.

- (A) a detailed comparison of estimated costs for present and proposed modes of operation; and
(B) a showing that savings can be realized by the establishment, maintenance, and operation of a motor vehicle pool or system.

(b) REGULATIONS RELATED TO ESTABLISHMENT.—

§ 1303. Disposition of surplus real property

(a) DEFINITION.—In this section, the term “federal agency” means an executive department, independent establishment, commission, board, bureau, division, or office in the executive branch, or other agency of the Federal Government, including wholly owned Government corporations.

(b) ASSIGNMENT OF SPACE OR LEASE OR SALE OF PROPERTY.—

(1) ACTIONS OF ADMINISTRATOR.—When the President, on the recommendation of the Administrator of General Services, or the federal agency having control of any real property the agency acquires that is located outside of the District of Columbia, other than military or naval reservations, declares the property to be surplus to the needs of the agency, the Administrator—

- (A) may assign space in the property to any federal agency;
- (B) pending a sale, may lease the property for not more than 5 years and on terms the Administrator considers to be in the public interest; or
- (C) may sell the property at public sale to the highest responsible bidder on terms and after public advertisement that the Administrator considers to be in the public interest.

(2) REVIEW OF DECISION TO ASSIGN SPACE.—If the federal agency to which space is assigned does not desire to occupy the space, the decision of the Administrator under paragraph (1)(A) is subject to review by the President.

(3) NEGOTIATED SALE.—If no bids which are satisfactory as to price and responsibility of the bidder are received as a result of public advertisement, the Administrator may sell the property by negotiation, on terms as may be

considered to be to the best interest of the Government, but at a price not less than that bid by the highest responsible bidder.

(c) **DEMOLITION.**—The Administrator may demolish any building declared to be surplus to the needs of the Government under this section on deciding that demolition will be in the best interest of the Government. Before proceeding with the demolition, the Administrator shall inform the Secretary of the Interior in writing of the Administrator's intention to demolish the building, and shall not proceed with the demolition until receiving written notice from the Secretary that the building is not an historic building of national significance within the meaning of the Act of August 21, 1935 (16 U.S.C. 461 et seq.) (known as the Historic Sites, Buildings, and Antiquities Act). If the Secretary does not notify the Administrator of the Secretary's decision as to whether the building is an historic building of national significance within 90 days of the receipt of the notice of intention to demolish the building, the Administrator may proceed to demolish the building.

(d) **REPAIRS AND ALTERATIONS TO ASSIGNED REAL PROPERTY.**—When the Administrator, after investigation, decides that real property referred to in subsection (b) should be used for the accommodation of a federal agency, the Administrator may make any repairs or alterations that the Administrator considers necessary or advisable and may maintain and operate the property.

(e) **PAYMENT BY FEDERAL AGENCIES.**—

(1) **ASSIGNED REAL PROPERTY.**—To the extent that the appropriations of the General Services Administration not otherwise allocated are inadequate for repairs, alterations, maintenance, or operation, the Administrator may require each federal agency to which space has been assigned to pay promptly by check to the Administrator out of its appropriation for rent any part of the estimated or actual cost of the repairs, alterations, maintenance, and operation. Payment may be either in advance of, or on or during, occupancy of the space. The Administrator shall determine and equitably apportion the total amount to be paid among the agencies to whom space has been assigned.

(2) **LEASED SPACES.**—To the extent that the appropriations of the Administration not otherwise required are inadequate, the Administrator may require each federal agency to which leased space has been assigned to pay promptly by check to the Administrator out of its available appropriations any part of the estimated cost of rent, repairs, alterations, maintenance, operation, and moving. Payment may be either in advance or during occupancy of the space. When space in a building is occupied by two or more agencies, the Administrator shall determine and equitably apportion rental, operation, and other charges on the basis of the total amount of space leased.

(f) **AUTHORIZATION OF APPROPRIATIONS.**—Necessary amounts may be appropriated to cover the costs incident to the sale or lease of real property, or authorized demolition of buildings on the property, declared to be surplus to the needs of any federal agency under this section,

and the care, maintenance, and protection of the property, including pay of employees, travel of Government employees, brokers' fees not in excess of rates paid for similar services in the community where the property is situated, appraisals, photographs, surveys, evidence of title and perfecting of defective titles, advertising, and telephone and telegraph charges. However, the agency remains responsible for the proper care, maintenance, and protection of the property until the Administrator assumes custody or other disposition of the property is made.

(g) **REGULATIONS.**—The Administrator may prescribe regulations as necessary to carry out this section.

REFERENCES IN TEXT

The Federal Property and Administrative Services Act of 1949, referred to in text, is act June 30, 1949, ch. 288, 63 Stat. 377, as amended. Title III of the Act is classified generally to subchapter IV (§251 et seq.) of chapter 4 of Title 41, Public Contracts. For complete classification of this Act to the Code, see Tables.

§ 1306. Disposition of abandoned or forfeited personal property

(a) DEFINITIONS.—In this section—

(1) AGENCY.—The term “agency” includes any executive department, independent establishment, board, commission, bureau, service, or division of the Federal Government, and any corporation in which the Government owns at least a majority of the stock.

(2) PROPERTY.—The term “property” means all personal property, including vessels, vehicles, and aircraft.

(b) VOLUNTARILY ABANDONED PROPERTY.—Property voluntarily abandoned to any agency in a way that vests title to the property in the Government may be retained by the agency and devoted to official use only. If the agency does not desire to retain the property, the head of the agency immediately shall notify the Administrator of General Services to that effect, and the Administrator, within a reasonable time, shall—

(1) order the agency to deliver the property to another agency that requests the property and that the Administrator believes should be given the property; or

(2) order disposal of the property as otherwise provided by law.

(c) FORFEITED PROPERTY.—

(1) AGENCY RETAINS PROPERTY.—An agency that seizes property that has been forfeited to the Government other than by court decree may retain the property and devote it only to official use instead of disposing of the property as otherwise provided by law if competent authority does not order the property returned to any claimant.

(2) AGENCY DOES NOT DESIRE TO RETAIN PROPERTY.—If the agency does not desire to retain the property, the head of the agency immediately shall notify the Administrator to that effect, and the property—

(A) if not ordered by competent authority to be returned to any claimant, or disposed of as otherwise provided by law, shall be delivered by the agency, on order of the Administrator given within a reasonable time, to another agency that requests the property and that the Administrator believes should be given the property; or

(B) on order of the Administrator given within a reasonable time, shall be disposed of as otherwise provided by law.

(d) PROPERTY SUBJECT TO COURT PROCEEDING FOR FORFEITURE.—

(1) NOTIFICATION OF ADMINISTRATOR.—If a proceeding has begun for the forfeiture of any property by court decree, the agency that seized the property immediately shall notify the Administrator and at the same time may file with the Administrator a request for the property for its official use.

(2) APPLICATION FOR COURT ORDER TO DELIVER PROPERTY.—

(A) IN GENERAL.—Before entry of a decree, the Administrator shall apply to the court to order delivery of the property in accordance with this paragraph.

(B) DELIVERY TO SEIZING AGENCY.—If the agency that seized the property files a request for the property under paragraph (1), the Administrator shall apply to the court to order delivery of the property to the agency that seized the property.

(C) DELIVERY TO OTHER REQUESTING AGENCY.—If the agency that seized the property does not file a request for the property under paragraph (1) but another agency requests the property, the Administrator shall apply to the court to order delivery of the property

to the requesting agency if the Administrator believes that the requesting agency should be given the property.

(D) DELIVERY TO SEIZING AGENCY FOR TEMPORARY HOLDING.—If application to the court cannot be made under subparagraph (B) or (C) and the Administrator believes the property may later become necessary to any agency for official use, the Administrator shall apply to the court to order delivery of the property to the agency that seized the property, to be retained in its custody. Within a reasonable time, the Administrator shall order the agency to—

(i) deliver the property to another agency that requests the property and that the Administrator believes should be given the property; or

(ii) dispose of the property as otherwise provided by law.

(3) FORFEITURE DECREED.—If forfeiture is decreed and the property is not ordered by competent authority to be returned to any claimant, the court shall order delivery as provided in paragraph (2).

(4) WHEN NO APPLICATION MADE.—The court shall dispose of property for which no application is made in accordance with law.

(e) RETENTION OR DELIVERY OF PROPERTY DEEMED SALE.—Retention or delivery of forfeited or abandoned property under this section is deemed to be a sale of the property for the purpose of laws providing for informer’s fees or remission or mitigation of a forfeiture. Property acquired under this section when no longer needed for official use shall be disposed of in the same manner as other surplus property.

(f) PAYMENT OF COSTS RELATED TO PROPERTY.—

(1) AVAILABILITY OF APPROPRIATIONS.—The appropriation available to an agency for the purchase, hire, operation, maintenance, and repair of any property is available for—

(A) the payment of expenses of operation, maintenance, and repair of property of the same kind the agency receives under this section for official use;

(B) the payment of a lien recognized and allowed under law;

(C) the payment of amounts found to be due a person on the authorized remission or mitigation of a forfeiture; and

(D) reimbursement of other agencies as provided in paragraph (2).

(2) PAYMENT AND REIMBURSEMENT OF CERTAIN COSTS.—The agency that receives property under this section shall pay the cost of hauling, transporting, towing, and storing the property. If the property is later delivered to another agency for official use under this section, the agency to which the property is delivered shall make reimbursement for all of those costs incurred prior to the date the property is delivered.

(g) REPORT.—With the approval of the Secretary of the Treasury, the Administrator may require an agency to make a report of all property abandoned to it or seized and the disposal of the property.

(h) ADMINISTRATIVE.—

(1) REGULATIONS.—With the approval of the Secretary, the Administrator may prescribe regulations necessary to carry out this section.

(2) OTHER LAWS NOT REPEALED.—This section does not repeal any other laws relating to the disposition of forfeited or abandoned property, except provisions of those laws directly in conflict with this section which were enacted prior to August 27, 1935.

(3) PROPERTY NOT SUBJECT TO ALLOCATION UNDER THIS SECTION.—The following classes of property are not subject to allocation under this section, but shall be disposed of in the manner otherwise provided by law:

(A) narcotic drugs, as defined in the Controlled Substances Act (21 U.S.C. 801 et seq.).

(B) firearms, as defined in section 5845 of the Internal Revenue Code of 1986 (26 U.S.C. 5845).

(C) other classes or kinds of property the disposal of which the Administrator, with the approval of the Secretary, may consider in the public interest, and may by regulation provide.

The words “General Counsel for the Department of the Treasury” were substituted for “Solicitor of the Treasury” in section 3751 of the Revised Statutes because section 512(b) of the Revenue Act of 1934 (ch. 277, 48 Stat. 759) abolished the offices of General Counsel and Assistant General Counsel for the Bureau of Internal Revenue and the offices of Solicitor and Assistant Solicitor of the Treasury and transferred the powers, duties, and functions of those offices to the General Counsel for the Department of the Treasury. § 1313. Releasing property from attachment

(a) STIPULATION OF DISCHARGE.—

(1) PERSON ASSERTING CLAIM ENTITLED TO BENEFITS.—In a judicial proceeding under the laws of a State, district, territory, or possession of the United States, when property owned or held by the Federal Government, or in which the Government has or claims an interest, is seized, arrested, attached, or held for the security or satisfaction of a claim made against the property, the Attorney General may direct the United States Attorney for the district in which the property is located to enter a stipulation that on discharge of the property from the seizure, arrest, attachment, or proceeding, the person asserting the claim against the property becomes entitled to all the benefits of this section.

(2) NONAPPLICATION.—This subsection does not—

(A) recognize or concede any right to enforce by seizure, arrest, attachment, or any judicial process a claim against property—

- (i) of the Government; or
- (ii) held, owned, or employed by the Government, or by a department of the Government, for a public use; or

(B) waive an objection to a proceeding brought to enforce the claim.

(b) PAYMENT.—After a discharge, a final judgment which affirms the claim for the security or satisfaction and the right of the person asserting the claim to enforce it against the property, notwithstanding the claims of the Government, is deemed to be a full and final determination of the rights of the person and entitles the person, as against the Government, to the rights the person would have had if possession of the property had not been changed. When the claim is for the payment of money found to be due, pres-

entation of an authenticated copy of the record of the judgment and proceedings is sufficient evidence to the proper accounting officers for the allowance of the claim, which shall be allowed and paid out of amounts in the Treasury not otherwise appropriated. The amount allowed and paid shall not exceed the value of the interest of the Government in the property.

The grant may be made without consideration, or with monetary or other consideration, including an interest in real property.

(c) RELINQUISHMENT OF LEGISLATIVE JURISDICTION.—In connection with the grant of an easement, the executive agency concerned may relinquish to the State in which the real property is located legislative jurisdiction that the executive agency considers necessary or desirable. § 3114. Declaration of taking

(a) FILING AND CONTENT.—In any proceeding in any court of the United States outside of the District of Columbia brought by and in the name of the United States and under the authority of the Federal Government to acquire land, or an easement or right of way in land, for the public use, the petitioner may file, with the petition or at any time before judgment, a declaration of taking signed by the authority empow-

ered by law to acquire the land described in the petition, declaring that the land is taken for the use of the Government. The declaration of taking shall contain or have annexed to it—

- (1) a statement of the authority under which, and the public use for which, the land is taken;
- (2) a description of the land taken that is sufficient to identify the land;
- (3) a statement of the estate or interest in the land taken for public use;
- (4) a plan showing the land taken; and
- (5) a statement of the amount of money estimated by the acquiring authority to be just compensation for the land taken.

(b) VESTING OF TITLE.—On filing the declaration of taking and depositing in the court, to the use of the persons entitled to the compensation, the amount of the estimated compensation stated in the declaration—

- (1) title to the estate or interest specified in the declaration vests in the Government;
- (2) the land is condemned and taken for the use of the Government; and
- (3) the right to just compensation for the land vests in the persons entitled to the compensation.

(c) COMPENSATION.—

(1) DETERMINATION AND AWARD.—Compensation shall be determined and awarded in the proceeding and established by judgment. The judgment shall include interest, in accordance with section 3116 of this title, on the amount finally awarded as the value of the property as of the date of taking and shall be awarded from that date to the date of payment. Interest shall not be allowed on as much of the compensation as has been paid into the court. Amounts paid into the court shall not be charged with commissions or poundage.

(2) ORDER TO PAY.—On application of the parties in interest, the court may order that any part of the money deposited in the court be paid immediately for or on account of the compensation to be awarded in the proceeding.

(3) DEFICIENCY JUDGMENT.—If the compensation finally awarded is more than the amount of money received by any person entitled to compensation, the court shall enter judgment against the Government for the amount of the deficiency.

(d) AUTHORITY OF COURT.—On the filing of a declaration of taking, the court—

- (1) may fix the time within which, and the terms on which, the parties in possession shall be required to surrender possession to the petitioner; and
- (2) may make just and equitable orders in respect of encumbrances, liens, rents, taxes, assessments, insurance, and other charges.

(e) VESTING NOT PREVENTED OR DELAYED.—An appeal or a bond or undertaking given in a proceeding does not prevent or delay the vesting of title to land in the Government.

SUBCHAPTER III—BONDS

§ 3131. Bonds of contractors of public buildings or works

(a) DEFINITION.—In this subchapter, the term “contractor” means a person awarded a contract described in subsection (b).

(b) TYPE OF BONDS REQUIRED.—Before any contract of more than \$100,000 is awarded for the construction, alteration, or repair of any public building or public work of the Federal Government, a person must furnish to the Government the following bonds, which become binding when the contract is awarded:

(1) PERFORMANCE BOND.—A performance bond with a surety satisfactory to the officer awarding the contract, and in an amount the officer considers adequate, for the protection of the Government.

(2) PAYMENT BOND.—A payment bond with a surety satisfactory to the officer for the protection of all persons supplying labor and material in carrying out the work provided for in the contract for the use of each person. The amount of the payment bond shall equal the total amount payable by the terms of the contract unless the officer awarding the contract determines, in a writing supported by specific findings, that a payment bond in that amount is impractical, in which case the contracting officer shall set the amount of the payment bond. The amount of the payment bond shall not be less than the amount of the performance bond.

(c) COVERAGE FOR TAXES IN PERFORMANCE BOND.—

(1) IN GENERAL.—Every performance bond required under this section specifically shall provide coverage for taxes the Government imposes which are collected, deducted, or withheld from wages the contractor pays in carrying out the contract with respect to which the bond is furnished.

(2) NOTICE.—The Government shall give the surety on the bond written notice, with respect to any unpaid taxes attributable to any period, within 90 days after the date when the contractor files a return for the period, except that notice must be given no later than 180 days from the date when a return for the period was required to be filed under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

(3) CIVIL ACTION.—The Government may not bring a civil action on the bond for the taxes—

(A) unless notice is given as provided in this subsection; and

(B) more than one year after the day on which notice is given.

(d) WAIVER OF BONDS FOR CONTRACTS PERFORMED IN FOREIGN COUNTRIES.—A contracting officer may waive the requirement of a performance bond and payment bond for work under a contract that is to be performed in a foreign country if the officer finds that it is impracticable for the contractor to furnish the bonds.

(e) AUTHORITY TO REQUIRE ADDITIONAL BONDS.—This section does not limit the authority of a contracting officer to require a performance bond or other security in addition to those, or in cases other than the cases, specified in subsection (b).

§ 3133. Rights of persons furnishing labor or material

(a) **RIGHT OF PERSON FURNISHING LABOR OR MATERIAL TO COPY OF BOND.**—The department secretary or agency head of the contracting agency shall furnish a certified copy of a payment bond and the contract for which it was given to any person applying for a copy who submits an affidavit that the person has supplied labor or material for work described in the contract and payment for the work has not been made or that the person is being sued on the bond. Applicants shall pay any fees the department secretary or agency head of the contracting agency fixes to cover the cost of preparing the certified copy.

(b) **RIGHT TO BRING A CIVIL ACTION.**—

(1) **IN GENERAL.**—Every person that has furnished labor or material in carrying out work provided for in a contract for which a payment bond is furnished under section 3131 of this title and that has not been paid in full within 90 days after the day on which the person did or performed the last of the labor or furnished or supplied the material for which the claim is made may bring a civil action on the payment bond for the amount unpaid at the time the civil action is brought and may prosecute the action to final execution and judgment for the amount due.

(2) **PERSON HAVING DIRECT CONTRACTUAL RELATIONSHIP WITH A SUBCONTRACTOR.**—A person having a direct contractual relationship with a subcontractor but no contractual relationship, express or implied, with the contractor furnishing the payment bond may bring a civil action on the payment bond on giving written notice to the contractor within 90 days from the date on which the person did or performed the last of the labor or furnished or supplied the last of the material for which the claim is made. The action must state with substantial accuracy the amount claimed and the name of the party to whom the material was furnished or supplied or for whom the labor was done or performed. The notice shall be served—

(A) by any means that provides written, third-party verification of delivery to the contractor at any place the contractor maintains an office or conducts business or at the contractor's residence; or

(B) in any manner in which the United States marshal of the district in which the public improvement is situated by law may serve summons.

(3) **VENUE.**—A civil action brought under this subsection must be brought—

(4) **PERIOD IN WHICH ACTION MUST BE BROUGHT.**—An action brought under this subsection must be brought no later than one year after the day on which the last of the labor was performed or material was supplied by the person bringing the action.

(5) **LIABILITY OF FEDERAL GOVERNMENT.**—The Government is not liable for the payment of any costs or expenses of any civil action brought under this subsection.

(c) **WAIVER OF RIGHT TO CIVIL ACTION.**—A waiver of the right to bring a civil action on a payment bond required under this subchapter is void unless the waiver is—

§ 3142. Rate of wages for laborers and mechanics

(a) APPLICATION.—The advertised specifications for every contract in excess of \$2,000, to

which the Federal Government or the District of Columbia is a party, for construction, alteration, or repair, including painting and decorating, of public buildings and public works of the Government or the District of Columbia that are located in a State or the District of Columbia and which requires or involves the employment of mechanics or laborers shall contain a provision stating the minimum wages to be paid various classes of laborers and mechanics.

(b) **BASED ON PREVAILING WAGE.**—The minimum wages shall be based on the wages the Secretary of Labor determines to be prevailing for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the State in which the work is to be performed, or in the District of Columbia if the work is to be performed there.

(c) **STIPULATIONS REQUIRED IN CONTRACT.**—Every contract based upon the specifications referred to in subsection (a) must contain stipulations that—

(1) the contractor or subcontractor shall pay all mechanics and laborers employed directly on the site of the work, unconditionally and at least once a week, and without subsequent deduction or rebate on any account, the full amounts accrued at time of payment, computed at wage rates not less than those stated in the advertised specifications, regardless of any contractual relationship which may be alleged to exist between the contractor or subcontractor and the laborers and mechanics;

(2) the contractor will post the scale of wages to be paid in a prominent and easily accessible place at the site of the work; and

(3) there may be withheld from the contractor so much of accrued payments as the contracting officer considers necessary to pay to laborers and mechanics employed by the contractor or any subcontractor on the work the difference between the rates of wages required by the contract to be paid laborers and mechanics on the work and the rates of wages received by the laborers and mechanics and not refunded to the contractor or subcontractors or their agents.

(d) **DISCHARGE OF OBLIGATION.**—The obligation of a contractor or subcontractor to make payment in accordance with the prevailing wage determinations of the Secretary of Labor, under this subchapter and other laws incorporating this subchapter by reference, may be discharged by making payments in cash, by making contributions described in section 3141(2)(B)(i) of this title, by assuming an enforceable commitment to bear the costs of a plan or program referred to in section 3141(2)(B)(ii) of this title, or by any combination of payment, contribution, and assumption, where the aggregate of the payments, contributions, and costs is not less than the basic hourly rate of pay plus the amount referred to in section 3141(2)(B) of this title.

(e) **OVERTIME PAY.**—In determining the overtime pay to which a laborer or mechanic is entitled under any federal law, the regular or basic hourly rate of pay (or other alternative rate on which premium rate of overtime compensation is computed) of the laborer or mechanic is deemed to be the rate computed under section

3141(2)(A) of this title, except that where the amount of payments, contributions, or costs incurred with respect to the laborer or mechanic exceeds the applicable prevailing wage, the regular or basic hourly rate of pay (or other alternative rate) is the amount of payments, contributions, or costs actually incurred with respect to the laborer or mechanic minus the greater of the amount of contributions or costs of the types described in section 3141(2)(B) of this title actually incurred with respect to the laborer or mechanic or the amount determined under section 3141(2)(B) of this title but not actually paid.

§ 3144. Authority of Comptroller General to pay wages and list contractors violating contracts

(1) IN GENERAL.—The Comptroller General shall pay directly to laborers and mechanics from any accrued payments withheld under the terms of a contract any wages found to be due laborers and mechanics under this subchapter.

In those proceedings it is not a defense that the laborers and mechanics accepted or agreed to accept less than the required rate of wages or voluntarily made refunds.

§ 3162. Waiver for individuals who perform volunteer services

(a) CRITERIA FOR RECEIVING WAIVER.—The requirement that certain laborers and mechanics be paid in accordance with the wage-setting provisions of subchapter IV of this chapter as set forth in the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.), the Indian Health Care Improvement Act (25 U.S.C. 1601 et seq.), and the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.) does not apply to an individual—

(1) who volunteers to perform a service directly to a state or local government, a public agency, or a public or private nonprofit recipient of federal assistance—

(A) for civic, charitable, or humanitarian reasons;

(B) only for the personal purpose or pleasure of the individual;

(C) without promise, expectation, or receipt of compensation for services rendered, except as provided in subsection (b); and

(D) freely and without pressure or coercion, direct or implied, from any employer;

(2) whose contribution of service is not for the direct or indirect benefit of any contractor otherwise performing or seeking to perform work on the same project for which the individual is volunteering;

(3) who is not employed by and does not provide services to a contractor or subcontractor at any time on the federally assisted or insured project for which the individual is volunteering; and

(4) who otherwise is not employed by the same public agency or recipient of federal assistance to perform the same type of services as those for which the individual proposes to volunteer.

(b) PAYMENTS.—

(1) IN ACCORDANCE WITH REGULATIONS.—Volunteers described in subsection (a) who are performing services directly to a state or local government or public agency may receive payments of expenses, reasonable benefits, or a nominal fee only in accordance with regulations the Secretary of Labor prescribes. Volunteers who are performing services directly to a public or private nonprofit entity may not receive those payments.

(2) CRITERIA AND CONTENT OF REGULATIONS.—In prescribing the regulations, the Secretary shall consider criteria such as the total amount of payments made (relating to expenses, benefits, or fees) in the context of the economic realities. The regulations shall include provisions that provide that—

(A) a payment for an expense may be received by a volunteer for items such as uniform allowances, protective gear and clothing, reimbursement for approximate out-of-pocket expenses, or the cost or expense of meals and transportation;

(B) a reasonable benefit may include the inclusion of a volunteer in a group insurance plan (such as a liability, health, life, disability, or worker’s compensation plan) or pension plan, or the awarding of a length of service award; and

(C) a nominal fee may not be used as a substitute for compensation and may not be connected to productivity.

(3) NOMINAL FEE.—The Secretary shall decide what constitutes a nominal fee for purposes of paragraph (2)(C). The decision shall be based on the context of the economic realities of the situation involved.

(c) ECONOMIC REALITY.—In determining whether an expense, benefit, or fee described in subsection (b) may be paid to volunteers in the context of the economic realities of the particular situation, the Secretary may not permit any expense, benefit, or fee that has the effect of undermining labor standards by creating downward pressure on prevailing wages in the local construction industry.

Ex. Ord. No. 13006, May 21, 1996, 61 F.R. 26071, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the National Historic Preservation Act (16 U.S.C. 470 et seq.) and the Public Buildings Cooperative Use Act of 1976 (90 Stat. 2505) [title I of Pub. L. 94–541, see Tables for classification], and in furtherance of and consistent with Executive Order No. 12072 of August 16, 1978 [40 U.S.C. 121 note], and Executive Order No. 11593 of May 13, 1971 [16 U.S.C. 470 note], it is hereby ordered as follows:

SECTION 1. *Statement of Policy.* Through the Administration’s community empowerment initiatives, the Federal Government has undertaken various efforts to revitalize our central cities, which have historically served as the centers for growth and commerce in our metropolitan areas. Accordingly, the Administration hereby reaffirms the commitment set forth in Execu-

tive Order No. 12072 to strengthen our Nation’s cities by encouraging the location of Federal facilities in our central cities. The Administration also reaffirms the commitments set forth in the National Historic Preservation Act to provide leadership in the preservation of historic resources, and in the Public Buildings Cooperative Use Act of 1976 to acquire and utilize space in suitable buildings of historic, architectural, or cultural significance.

To this end, the Federal Government shall utilize and maintain, wherever operationally appropriate and economically prudent, historic properties and districts, especially those located in our central business areas. When implementing these policies, the Federal Government shall institute practices and procedures that are sensible, understandable, and compatible with current authority and that impose the least burden on, and provide the maximum benefit to, society.

SEC. 2. *Encouraging the Location of Federal Facilities on Historic Properties in Our Central Cities.* When operationally appropriate and economically prudent, and subject to the requirements of section 601 of title VI of the Rural Development Act of 1972, as amended (42 U.S.C. 3122) [now 7 U.S.C. 2204b–1], and Executive Order No. 12072, when locating Federal facilities, Federal agencies shall give first consideration to historic properties within historic districts. If no such property is suitable, then Federal agencies shall consider other developed or undeveloped sites within historic districts. Federal agencies shall then consider historic properties outside of historic districts, if no suitable site within a district exists. Any rehabilitation or construction that is undertaken pursuant to this order must be architecturally compatible with the character of the surrounding historic district or properties.

SEC. 3. *Identifying and Removing Regulatory Barriers.* Federal agencies with responsibilities for leasing, acquiring, locating, maintaining, or managing Federal facilities or with responsibilities for the planning for, or managing of, historic resources shall take steps to reform, streamline, and otherwise minimize regulations, policies, and procedures that impede the Federal Government’s ability to establish or maintain a presence in historic districts or to acquire historic properties to satisfy Federal space needs, unless such regulations, policies, and procedures are designed to protect human health and safety or the environment. Federal agencies are encouraged to seek the assistance of the Advisory Council on Historic Preservation when taking these steps.

SEC. 4. *Improving Preservation Partnerships.* In carrying out the authorities of the National Historic Preservation Act, the Secretary of the Interior, the Advisory Council on Historic Preservation, and each Federal agency shall seek appropriate partnerships with States, local governments, Indian tribes, and appropriate private organizations with the goal of enhancing participation of these parties in the National Historic Preservation Program. Such partnerships should embody the principles of administrative flexibility, reduced paperwork, and increased service to the public.

SEC. 5. *Judicial Review.* This order is not intended to create, nor does it create, any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

WILLIAM J. CLINTON.

§ 3307. Congressional approval of proposed projects

(a) RESOLUTIONS REQUIRED BEFORE APPROPRIATIONS MAY BE MADE.—The following appropriations may be made only if the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives adopt resolutions approving the purpose for which the appropriation is made:

(1) An appropriation to construct, alter, or acquire any building to be used as a public building which involves a total expenditure in excess of \$1,500,000, so that the equitable distribution of public buildings throughout the United States with due regard for the comparative urgency of need for the buildings, except as provided in section 3305(b) of this title, is ensured.

(2) An appropriation to lease any space at an average annual rental in excess of \$1,500,000 for use for public purposes.

(3) An appropriation to alter any building, or part of the building, which is under lease by the Federal Government for use for a public purpose if the cost of the alteration will exceed \$750,000.

(b) TRANSMISSION TO CONGRESS OF PROSPECTUS OF PROPOSED PROJECT.—To secure consideration for the approval referred to in subsection (a), the Administrator of General Services shall transmit to Congress a prospectus of the proposed facility, including—

(1) a brief description of the building to be constructed, altered, or acquired, or the space to be leased, under this chapter;

(2) the location of the building or space to be leased and an estimate of the maximum cost to the Government of the facility to be constructed, altered, or acquired, or the space to be leased;

(3) a comprehensive plan for providing space for all Government officers and employees in the locality of the proposed facility or the space to be leased, having due regard for suitable space which may continue to be available in existing Government-owned or occupied buildings, especially those buildings that enhance the architectural, historical, social, cultural, and economic environment of the locality;

(4) with respect to any project for the construction, alteration, or acquisition of any building, a statement by the Administrator that suitable space owned by the Government is not available and that suitable rental space is not available at a price commensurate with that to be afforded through the proposed action;

(5) a statement by the Administrator of the economic and other justifications for not acquiring a building identified to the Administrator under section 3303(c) of this title as suitable for the public building needs of the Government; and

(6) a statement of rents and other housing costs currently being paid by the Government for federal agencies to be housed in the building to be constructed, altered, or acquired, or the space to be leased.

(c) INCREASE OF ESTIMATED MAXIMUM COST.—The estimated maximum cost of any project approved under this section as set forth in any prospectus may be increased by an amount equal to any percentage increase, as determined by the Administrator, in construction or alteration costs from the date the prospectus is transmitted to Congress. The increase authorized by this subsection may not exceed 10 percent of the estimated maximum cost.

(d) RESCISSION OF APPROVAL.—If an appropriation is not made within one year after the date a project for construction, alteration, or acquisition is approved under subsection (a), the Committee on Environment and Public Works of the Senate or the Committee on Transportation and Infrastructure of the House of Representatives by resolution may rescind its approval before an appropriation is made.

(e) EMERGENCY LEASES BY THE ADMINISTRATOR.—This section does not prevent the Administrator from entering into emergency leases during any period declared by the President to require emergency leasing authority. An emergency lease may not be for more than 180 days without approval of a prospectus for the lease in accordance with subsection (a).

(f) LIMITATION ON LEASING CERTAIN SPACE.—

(1) IN GENERAL.—The Administrator may not lease space to accommodate any of the following if the average rental cost of leasing the space will exceed \$1,500,000:

(A) Computer and telecommunications operations.

(B) Secure or sensitive activities related to the national defense or security, except when it would be inappropriate to locate those activities in a public building or other facility identified with the Government.

(C) A permanent courtroom, judicial chamber, or administrative office for any United States court.

(2) EXCEPTION.—The Administrator may lease space with respect to which paragraph (1) applies if the Administrator—

(A) decides, for reasons set forth in writing, that leasing the space is necessary to meet requirements which cannot be met in public buildings; and

(B) submits the reasons to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(g) DOLLAR AMOUNT ADJUSTMENT.—The Administrator annually may adjust any dollar amount referred to in this section to reflect a percentage increase or decrease in construction costs during the prior calendar year, as determined by the composite index of construction costs of the Department of Commerce. Any adjustment shall be expeditiously reported to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(2) NATIONAL SECURITY WAIVER.—This section does not apply to a building for which the Administrator of General Services or the head of the federal agency authorized to construct or alter the building decides that the application of this section to the building would adversely affect national security. The Administrator or the head of the agency shall give due consideration to the recommendations.

In this section, the text of 40:460(2) is omitted as unnecessary because the complete name of the Secretary of Housing and Urban Development is used the first time the term appears in a section.

In clause (1), the words “or ‘public agencies’” are omitted as unnecessary because of 1:1.

In clause (3), the words “Guam, the Virgin Islands” are added to clarify that the provisions of the source law apply to those jurisdictions. The words “the Northern Mariana Islands, the Federated States of Micronesia, the Marshall Islands, Palau” are substituted for “the Trust Territory of the Pacific Islands” because of the termination of the Trust Territory of the Pacific Islands. See 48:1681 note prec.

§ 3502. Planned public works

(a) ADVANCES TO ENSURE PLANNING.—Notwithstanding section 3324(a) and (b) of title 31, the Secretary of Housing and Urban Development may make advances to public agencies and Indian tribes—

- (1) to encourage public agencies and Indian tribes to maintain at all times a current and adequate reserve of planned public works the construction of which can rapidly be commenced, particularly when the national or local economic situation makes that action desirable; and
- (2) to help attain maximum economy and efficiency in the planning and construction of public works.

(b) USES OF ADVANCES.—A public agency or Indian tribe shall use an advance under subsection (a) to aid in financing the cost of feasibility studies, engineering and architectural surveys, designs, plans, working drawings, specifications, or other action preliminary to and in preparation for the construction of public works, and for construction in connection with the development of a medical center, a general plan for the development of the center.

(c) NO FUTURE COMMITMENT.—An advance under subsection (a) does not commit the Congress to appropriate amounts to assist in financing the construction of any public works planned with the aid of that advance. Outstanding advances to public agencies and Indian tribes in a State shall not exceed 12.5 percent of the aggregate then authorized to be appropriated to the revolving fund established under section 3503 of this title.

(d) REQUIREMENTS FOR ADVANCES.—An advance shall not be made under subsection (a) for an individual project (including a regional, metropolitan, or other areawide project) unless—

- (1) the project is planned to be constructed within or over a reasonable period of time considering the nature of the project;

- (2) the project conforms to an overall state, local, or regional plan approved by a competent state, local, or regional authority; and

- (3) the public agency or Indian tribe formally contracts with the Federal Government to complete the plan preparation promptly and to repay part or all of the advance when due.

(e) REGULATIONS.—The Secretary may prescribe regulations to carry out this chapter.

§ 3702. Work hours

(a) STANDARD WORKWEEK.—The wages of every laborer and mechanic employed by any contractor or subcontractor in the performance of work on a contract described in section 3701 of this title shall be computed on the basis of a standard workweek of 40 hours. Work in excess of the standard workweek is permitted subject to this section. For each workweek in which the laborer or mechanic is so employed, wages include compensation, at a rate not less than one and one-half times the basic rate of pay, for all hours worked in excess of 40 hours in the workweek.

(b) CONTRACT REQUIREMENTS.—A contract described in section 3701 of this title, and any obligation of the Federal Government, a territory of the United States, or the District of Columbia in connection with that contract, must provide that—

(1) a contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall not require or permit any laborer or mechanic, in any workweek in which the laborer or mechanic is employed on that work, to work more than 40 hours in that workweek, except as provided in this chapter; and

(2) when a violation of clause (1) occurs, the contractor and any subcontractor responsible for the violation are liable—

(A) to the affected employee for the employee’s unpaid wages; and

(B) to the Government, the District of Columbia, or a territory for liquidated damages as provided in the contract.

(c) LIQUIDATED DAMAGES.—Liquidated damages under subsection (b)(2)(B) shall be computed for

each individual employed as a laborer or mechanic in violation of this chapter and shall be equal to \$10 for each calendar day on which the individual was required or permitted to work in excess of the standard workweek without payment of the overtime wages required by this chapter.

(d) AMOUNTS WITHHELD TO SATISFY LIABILITIES.—Subject to section 3703 of this title, the governmental agency for which the contract work is done or which is providing financial assistance for the work may withhold, or have withheld, from money payable because of work performed by a contractor or subcontractor, amounts administratively determined to be necessary to satisfy the liabilities of the contractor or subcontractor for unpaid wages and liquidated damages as provided in this section.

AMENDMENTS

2006—Subsec. (d). Pub. L. 109-284 substituted “To” for “to” in heading.

§ 3703. Report of violations and withholding of amounts for unpaid wages and liquidated damages

(a) REPORTS OF INSPECTORS.—An officer or individual designated as an inspector of the work to be performed under a contract described in section 3701 of this title, or to aid in the enforcement or fulfillment of the contract, on observation or after investigation immediately shall report to the proper officer of the Federal Government, a territory of the United States, or the District of Columbia all violations of this chapter occurring in the performance of the work, together with the name of each laborer or mechanic who was required or permitted to work in violation of this chapter and the day the violation occurred.

(b) WITHHOLDING AMOUNTS.—

(1) DETERMINING AMOUNT.—The amount of unpaid wages and liquidated damages owing under this chapter shall be determined administratively.

(2) AMOUNT DIRECTED TO BE WITHHELD.—The officer or individual whose duty it is to approve the payment of money by the Government, territory, or District of Columbia in connection with the performance of the contract work shall direct the amount of—

(A) liquidated damages to be withheld for the use and benefit of the Government, territory, or District; and

(B) unpaid wages to be withheld for the use and benefit of the laborers and mechanics who were not compensated as required under this chapter.

(3) PAYMENT.—The Comptroller General shall pay the amount administratively determined to be due directly to the laborers and mechanics from amounts withheld on account of underpayments of wages if the amount withheld is adequate. If the amount withheld is not adequate, the Comptroller General shall pay an equitable proportion of the amount due.

(c) RIGHT OF ACTION AND INTERVENTION AGAINST CONTRACTORS AND SURETIES.—If the accrued payments withheld under the terms of the contract are insufficient to reimburse all the laborers and mechanics who have not been paid the wages required under this chapter, the laborers and mechanics, in the case of a department or agency of the Government, have the same right of action and intervention against the contractor and the contractor’s sureties as is conferred by law on persons furnishing labor or materials. In those proceedings it is not a defense that the laborers and mechanics accepted or agreed to accept less than the required rate of wages or voluntarily made refunds.

(d) REVIEW PROCESS.—

(1) TIME LIMIT FOR APPEAL.—Within 60 days after an amount is withheld as liquidated damages, any contractor or subcontractor aggrieved by the withholding may appeal to the head of the agency of the Government or territory for which the contract work is done or which is providing financial assistance for the work, or to the Mayor of the District of Columbia in the case of liquidated damages withheld for the use and benefit of the District.

(2) REVIEW BY AGENCY HEAD OR MAYOR.—The agency head or Mayor may review the administrative determination of liquidated damages. The agency head or Mayor may issue a final order affirming the determination or may recommend to the Secretary of Labor that an appropriate adjustment in liquidated damages be made, or that the contractor or subcontractor be relieved of liability for the liquidated damages, if it is found that the amount is incorrect or that the contractor or subcontractor violated this chapter inadvertently, notwithstanding the exercise of due care by the contractor or subcontractor and the agents of the contractor or subcontractor.

(3) REVIEW BY SECRETARY.—The Secretary shall review all pertinent facts in the matter and may conduct any investigation the Secretary considers necessary in order to affirm or reject the recommendation. The decision of the Secretary is final.

(4) JUDICIAL ACTION.—A contractor or subcontractor aggrieved by a final order for the withholding of liquidated damages may file a claim in the United States Court of Federal Claims within 60 days after the final order. A final order of the agency head, Mayor, or Secretary is conclusive with respect to findings of fact if supported by substantial evidence.

(e) APPLICABILITY OF OTHER LAWS.—

(1) REORGANIZATION PLAN.—Reorganization Plan Numbered 14 of 1950 (eff. May 24, 1950, 64 Stat. 1267) applies to this chapter.

(2) SECTION 3145.—Section 3145 of this title applies to contractors and subcontractors referred to in section 3145 who are engaged in the performance of contracts subject to this chapter.

Reorganization Plan Numbered 14 of 1950, referred to in subsec. (e)(1), is Reorg. Plan No. 14 of 1950, eff. May 24, 1950, 15 F.R. 3176, 64 Stat. 1267, which is set out in the Appendix to Title 5, Government Organization and Employees.

§ 3704. Health and safety standards in building trades and construction industry

(a) CONDITION OF CONTRACTS.—

(1) IN GENERAL.—Each contract in an amount greater than \$100,000 that is entered into under legislation subject to Reorganization Plan Numbered 14 of 1950 (eff. May 24, 1950, 64 Stat. 1267) and is for construction, alteration, and repair, including painting and decorating, must provide that no contractor or subcontractor contracting for any part of the contract work shall require any laborer or mechanic employed in the performance of the contract to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to health or safety, as established under construction safety and health standards the Secretary of Labor prescribes by regulation based on proceedings pursuant to section 553 of title 5, provided that the proceedings include a hearing similar in nature to that authorized by section 553 of title 5.

(2) CONSULTATION.—In formulating standards under this section, the Secretary shall consult with the Advisory Committee created by subsection (d).

(b) COMPLIANCE.—

(1) ACTIONS TO GAIN COMPLIANCE.—The Secretary may make inspections, hold hearings, issue orders, and make decisions based on findings of fact as the Secretary considers necessary to gain compliance with this section and any health and safety standard the Secretary prescribes under subsection (a). For those purposes the Secretary and the United States district courts have the authority and jurisdiction provided by sections 4 and 5 of the Walsh-Healey Act (41 U.S.C. 38, 39).

(2) REMEDY WHEN NONCOMPLIANCE FOUND.—When the Secretary, after an opportunity for an adjudicatory hearing by the Secretary, establishes noncompliance under this section of any condition of a contract described in—

(A) section 3701(b)(1)(B)(i) or (ii) of this title, the governmental agency for which the contract work is done may cancel the contract and make other contracts for the completion of the contract work, charging any additional cost to the original contractor; or

(B) section 3701(b)(1)(B)(iii) of this title, the governmental agency which is providing the financial guarantee, assistance, or insurance for the contract work may withhold the guarantee, assistance, or insurance attributable to the performance of the contract.

(3) NONAPPLICABILITY.—Section 3703 of this title does not apply to the enforcement of this section.

(c) REPEATED VIOLATIONS.—

(1) TRANSMITTAL OF NAMES OF REPEAT VIOLATORS TO COMPTROLLER GENERAL.—When the Secretary, after an opportunity for an agency hearing, decides on the record that, by repeated willful or grossly negligent violations of this chapter, a contractor or subcontractor has demonstrated that subsection (b) is not effective to protect the safety and health of the employees of the contractor or subcontractor, the Secretary shall make a finding to that effect and, not sooner than 30 days after giving notice of the finding to all interested persons, shall transmit the name of the contractor or subcontractor to the Comptroller General.

(2) BAN ON AWARDED CONTRACTS.—The Comptroller General shall distribute each name transmitted under paragraph (1) to all agencies of the Federal Government. Unless the Secretary otherwise recommends, the contractor, subcontractor, or any person in which the contractor or subcontractor has a substantial interest may not be awarded a contract subject to this section until three years have elapsed from the date the name is transmitted to the Comptroller General. The Secretary shall terminate the ban if, before the end of the three-year period, the Secretary, after affording interested persons due notice and an opportunity for a hearing, is satisfied that a contractor or subcontractor whose name was transmitted to the Comptroller General will comply responsibly with the requirements of this section. The Comptroller General shall inform all Government agencies after being informed of the Secretary’s action.

(3) JUDICIAL REVIEW.—A person aggrieved by the Secretary’s action under this subsection or subsection (b) may file with the appropriate

United States court of appeals a petition for review of the Secretary's action within 60 days after receiving notice of the Secretary's action. The clerk of the court immediately shall send a copy of the petition to the Secretary. The Secretary then shall file with the court the record on which the action is based. The findings of fact by the Secretary, if supported by substantial evidence, are final. The court may enter a decree enforcing, modifying, modifying and enforcing, or setting aside any part of, the order of the Secretary or the appropriate Government agency. The judgment of the court may be reviewed by the Supreme Court as provided in section 1254 of title 28.

(d) **ADVISORY COMMITTEE ON CONSTRUCTION SAFETY AND HEALTH.**—

(1) **ESTABLISHMENT.**—There is an Advisory Committee on Construction Safety and Health in the Department of Labor.

(C) Three members shall be public representatives who shall be selected on the basis of their professional and technical competence and experience in the construction health and safety field.

(3) **CHAIRMAN.**—The Secretary shall appoint one member as Chairman.

(4) **DUTIES.**—The Committee shall advise the Secretary—

- (A) in formulating construction safety and health standards and other regulations; and
- (B) on policy matters arising in carrying out this section.

(5) **EXPERTS AND CONSULTANTS.**—The Secretary may appoint special advisory and technical experts or consultants as may be necessary to carry out the functions of the Committee.

(6) **COMPENSATION AND EXPENSES.**—Committee members are entitled to receive compensation at rates the Secretary fixes, but not more than \$100 a day, including traveltime, when performing Committee business, and expenses under section 5703 of title 5.

In subsection (a)(3), the words “section 841(d) of title 18” are substituted for “section 121(1) of title 50” because of the enactment of 18:ch. 39 and the repeal of the provisions classified to 50:121(1) by sections 1102 and 1106(a) of the Organized Crime Control Act of 1970 (Public Law 91–452, 84 Stat. 952, 960). The plural form “explosives” is used because that is the term defined in 18:841(d).

In subsection (a)(4), the words “section 921(3) of title 18” are substituted for “section 901(3) of title 15” because of the enactment of 18:ch. 44 and the repeal of the provisions classified to 15:901(3) by sections 902 and 906 of the Omnibus Crime Control and Safe Streets Act of 1968 (Public Law 90–351, 82 Stat. 226, 234).

In subsection (e)(1)(A), the plural “explosives” is used for consistency with the term defined in subsection (a)(3). In subclause (iii), the words “by any means” are omitted as unnecessary.

In subsection (e)(2)(A), the words “unless authorized to do so pursuant to rules adopted, or authorization given, by that House” are substituted for “unless such person is authorized, pursuant to rules adopted by that House or pursuant to authorization given by that House, to enter or to remain upon such floor or in such cloakroom, lobby, or room” to eliminate unnecessary words.

SUBCHAPTER I—GENERAL

§ 6101. Definitions and application

(a) DEFINITIONS.—In this chapter, the following definitions apply:

(1) OFFICIAL GUEST OF THE SUPREME COURT.—The term “official guest of the Supreme Court” means an individual who is a guest of the Supreme Court, as determined by the Chief Justice of the United States or any Associate Justice of the Supreme Court;

(2) STATE.—The term “State” means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, the Federated States of Micronesia, the Marshall Islands, Palau, and any territory or possession of the United States; and

(b) APPLICATION.—For purposes of section 6102 of this title and subchapters III and IV, the Supreme Court grounds—

(1) extend to the line of the face of—

(A) the east curb of First Street Northeast, between Maryland Avenue Northeast and East Capitol Street;

(B) the south curb of Maryland Avenue Northeast, between First Street Northeast and Second Street Northeast;

(C) the west curb of Second Street Northeast, between Maryland Avenue Northeast and East Capitol Street; and

(D) the north curb of East Capitol Street between First Street Northeast and Second Street Northeast; and

(2) comprise any property under the custody and control of the Supreme Court as part of the Supreme Court grounds, including property acquired as provided by law on behalf of the Federal Government in lots 2, 3, 800, 801, and 802 in square 758 in the District of Columbia as an addition to the grounds of the Supreme Court Building and that parcel transferred under the Supreme Court Grounds Transfer Act of 2005.

(Pub. L. 107-217, Aug. 21, 2002, 116 Stat. 1180; Pub. L. 109-214, §1(c)(2), Apr. 11, 2006, 120 Stat. 326.)

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
6101(a)	40:13n(d).	Aug. 18, 1949, ch. 479, §9(d), as added Pub. L. 97-390, §1(c)(2), Dec. 29, 1982, 96 Stat. 1958.
6101(b)	40:13p.	Aug. 18, 1949, ch. 479, §11, 63 Stat. 617; Pub. L. 97-390, §1(d), Dec. 29, 1982, 96 Stat. 1958.

In subsection (a), the definition of “United States” is omitted as unnecessary because, within 40:13f-13p, the words “United States” are used in the geographical sense only in 40:13n(a)(2) and (c) and the restatement of those provisions, in section 6121 of the revised title, substitutes the words “any State” for “any part of the United States”.

Before clause (1), the words “In this chapter, the following definitions apply” are substituted for “As used in sections 13f to 13p of this title, the term—” for clarity. The terms are not used in 40:13a-13e, so using them chapter-wide does not expand their scope.

In clause (2), the words “the Virgin Islands, Guam, the Northern Mariana Islands, the Federal States of Micronesia, the Marshall Islands, Palau, and any territory or possession of the United States” are substituted for “any territory or possession of the United States” to clarify that the provisions of the source law apply to those jurisdictions.

In subsection (b), before clause (1), the words “In addition to the property referred to in the preceding sentence, for the purposes of sections 13f to 13p of this title, the Supreme Court grounds” are omitted as unnecessary.

The words “Ronald Reagan Building and International Trade Center” are substituted for “building to be constructed on such property under section 1104 of this title” because of section 2 of the Act of December 22, 1995 (Public Law 104–68, 109 Stat. 766).

(e) ACCOUNTING SYSTEM.—The Administrator shall maintain an accounting system for operation and maintenance of the Building which will allow accurate projections of the dates and cost of major repairs, improvements, reconstructions, and replacements of the Building and other capital expenditures on the Building. The Administrator shall act as necessary to ensure that amounts are available to cover the projected cost and expenditures.

(f) LEASE OF BUILDING.—

(1) LEASE AGREEMENT.—Under an agreement with the person selected to construct the Ronald Reagan Building and International Trade Center, the Administrator shall lease the Building for federal office space and the international cultural and trade center space.

The aggregate rental rate for all space in the Building shall produce an amount at least equal to the amount necessary to amortize the cost of development of the Federal Triangle property over the life of the lease.

SUBCHAPTER I—GENERAL

§ 8701. Findings and purposes

(a) FINDINGS.—Congress finds that—

(1) the location of the seat of government in the District of Columbia has brought about the development of a metropolitan region extending well into adjoining territory in Maryland and Virginia;

(2) effective comprehensive planning is necessary on a regional basis and of continuing importance to the federal establishment;

(3) the distribution of federal installations throughout the region has been and will continue to be a major influence in determining the extent and character of development;

(4) there is needed a central planning agency for the National Capital region to coordinate certain developmental activities of the many different agencies of the Federal and District of Columbia Governments so that those activities may conform with general objectives;

(5) there is an increasing mutuality of interest and responsibility between the various levels of government that calls for coordinate and unified policies in planning both federal and local development in the interest of order and economy;

(6) there are developmental problems of an interstate character, the planning of which requires collaboration between federal, state, and local governments in the interest of equity and constructive action; and

(7) the instrumentalities and procedures provided in this chapter will aid in providing Congress with information and advice requisite to legislation.

(b) PURPOSES.—

(1) IN GENERAL.—The purposes of this chapter (except sections 8733–8736) are—

(A) to secure comprehensive planning for the physical development of the National Capital and its environs;

(B) to provide for the participation of the appropriate planning agencies of the environs in the planning; and

(C) to establish the agency and procedures requisite to the administration of the functions of the Federal and District Governments related to the planning.

(2) OBJECTIVE.—The general objective of this chapter (except sections 8733–8736) is to enable appropriate agencies to plan for the development of the federal establishment at the seat of government in a manner—

(A) consistent with the nature and function of the National Capital and with due regard for the rights and prerogatives of the adjoining States and local governments to exercise control appropriate to their functions; and

(B) which will, in accordance with present and future needs, best promote public health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development.

In this chapter, the word “Mayor” is substituted for “Commissioners” [meaning the Board of Commissioners of the District of Columbia] [subsequently changed to “Commissioner” [meaning the Commissioner of the District of Columbia] because of section 401 of Reorganization Plan No. 3 of 1967 (eff. Nov. 3, 1967, 81 Stat. 951)] because of section 421 of the District of Columbia Home Rule Act (Public Law 93–198, 87 Stat. 789). The words “Council of the District of Columbia” are substituted for “Board of Commissioners of the District of Columbia” [subsequently changed to “District of Columbia Council” because of section 402(21), (28), (32), and (199) of Reorganization Plan No. 3 of 1967 (eff. See, also, page 180 of House Document No. 103-7. SUBCHAPTER III—PLANNING PROCESS

§ 8721. Comprehensive plan for the National Capital

(a) PREPARATION AND ADOPTION BY COMMISSION.—The National Capital Planning Commission shall prepare and adopt a comprehensive, consistent, and coordinated plan for the National Capital. The plan shall include the Commission’s recommendations or proposals for federal developments or projects in the environs and District elements of the comprehensive plan, or amendments to the elements, adopted by the Council of the District of Columbia and with respect to which the Commission has not determined a negative impact exists. Those elements or amendments shall be incorporated into the comprehensive plan without change. The Commission may include in its plan any part of a plan adopted by any planning agency in the environs and may make recommendations of collateral interest to the agencies. The Commission may adopt any part of an element. The Commission shall review and may amend or ex-

tend the plan so that its recommendations may be kept up to date.

(b) REVIEW BY DISTRICT OF COLUMBIA.—The Mayor of the District of Columbia shall submit each District element of the comprehensive plan, and any amendment, to the Council for revision or modification, and adoption, by act, following public hearings. Following adoption and prior to implementation, the Council shall submit each element or amendment to the Commission for review and comment with regard to the impact of the element or amendment on the interests or functions of the federal establishment in the National Capital.

(c) COMMISSION RESPONSE TO COUNCIL ACTION.—

(1) PERIOD OF REVIEW.—Within 60 days after receiving an element or amendment from the Council, the Commission shall certify to the Council whether the element or amendment has a negative impact on the interests or functions of the federal establishment in the National Capital.

(2) NO NEGATIVE IMPACT.—If the Commission takes no action in the 60-day period, the element or amendment is deemed to have no negative impact and shall be incorporated into the comprehensive plan for the National Capital and implemented.

(3) NEGATIVE IMPACT.—

(A) CERTIFICATION TO COUNCIL.—If the Commission finds a negative impact, it shall certify its findings and recommendations to the Council.

(B) RESPONSE OF COUNCIL.—On receipt of the Commission's findings and recommendations, the Council may—

(i) accept the findings and recommendations and modify the element or amendment accordingly; or

(ii) reject the findings and recommendations and resubmit a modified form of the element or amendment to the Commission for reconsideration.

(C) FINDINGS AND RECOMMENDATIONS ACCEPTED.—If the Council accepts the findings and recommendations and modifies the element or amendment, the Council shall submit the element or amendment to the Commission for the Commission to determine whether the modification has been made in accordance with the Commission's findings and recommendations. If the Commission does not act on the modified element or amendment within 30 days after receiving it, the element or amendment is deemed to have been modified in accordance with the findings and recommendations and shall be incorporated into the comprehensive plan for the National Capital and implemented. If within the 30-day period the Commission again determines the element or amendment has a negative impact on the functions or interests of the federal establishment in the National Capital, the element or amendment shall not be implemented.

(D) FINDINGS AND RECOMMENDATIONS REJECTED.—If the Council rejects the findings and recommendations and resubmits a modified element or amendment, the Commission, within 60 days after receiving it, shall decide whether the modified element or

amendment has a negative impact on the interests or functions of the federal establishment within the National Capital. If the Commission does not act within the 60-day period, the modified element or amendment is deemed to have no negative impact and shall be incorporated into the comprehensive plan and implemented. If the Commission finds a negative impact, it shall certify its findings (in sufficient detail that the Council can understand the basis of the objection of the Commission) and recommendations to the Council and the element or amendment shall not be implemented.

(d) RESUBMISSION DEEMED NEW ELEMENT OR AMENDMENT.—Any element or amendment which the Commission has determined has a negative impact on the federal establishment in the National Capital which is submitted again in a modified form not less than one year from the day it was last rejected by the Commission is deemed to be a new element or amendment for purposes of the review procedure specified in this section.

(e) REVIEW, HEARINGS, AND CITIZEN ADVISORY COUNCILS.—

(1) REVIEW.—Before the comprehensive plan, any element of the plan, or any revision is adopted, the Commission shall present the plan, element, or revision to the appropriate federal or District of Columbia authorities for comment and recommendations. The Commission may present the proposed revisions annually in a consolidated form. Recommendations by federal and District of Columbia authorities are not binding on the Commission, but the Commission shall give careful consideration to any views and recommendations submitted prior to final adoption.

(2) HEARINGS AND CITIZEN ADVISORY COUNCILS.—The Commission—

(A) may provide periodic opportunity for review and comments by nongovernmental agencies or groups through public hearings, meetings, or conferences, exhibitions, and publication of its plans; and

TERMINATION OF ADVISORY COMMITTEES

Advisory committees established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year period beginning on the date of their establishment, unless, in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a committee established by the Congress, its duration is otherwise provided by law. See section 14 of Pub. L. 92–463, Oct. 6, 1972, 86 Stat. 776, set out in the Appendix to Title 5, Government Organization and Employees.

§ 8722. Proposed federal and district developments and projects

(a) AGENCIES TO USE COMMISSION AS CENTRAL PLANNING AGENCY.—Agencies of the Federal Government responsible for public developments and projects shall cooperate and correlate their efforts by using the National Capital Planning Commission as the central planning agency for federal activities in the National Capital region. To aid the Commission in carrying out this function, federal and District of Columbia governmental agencies on request of the Commission shall furnish plans, data, and records the Commission requires. The Commission on re-

quest shall furnish related plans, data, and records to federal and District of Columbia governmental agencies.

(b) CONSULTATION BETWEEN AGENCIES AND COMMISSION.—

(1) BEFORE CONSTRUCTION PLANS PREPARED.—

To ensure the comprehensive planning and orderly development of the National Capital, a federal or District of Columbia agency, before preparing construction plans the agency originates for proposed developments and projects or before making a commitment to acquire land, to be paid for at least in part from federal or District amounts, shall advise and consult with the Commission as the agency prepares plans and programs in preliminary and successive stages that affect the plan and development of the National Capital. After receiving the plans, maps, and data, the Commission promptly shall make a preliminary report and recommendations to the agency. If the agency, after considering the report and recommendations of the Commission, does not agree, it shall advise the Commission and provide the reasons why it does not agree. The Commission then shall submit a final report. After consultation and suitable consideration of the views of the Commission, the agency may proceed to take action in accordance with its legal responsibilities and authority.

(2) EXCEPTIONS.—

(A) IN GENERAL.—Paragraph (1) does not apply to projects within the Capitol grounds or to structures erected by the Department of Defense during wartime or national emergency within existing military, naval, or Air Force reservations, except that the appropriate defense agency shall consult with the Commission as to any developments which materially affect traffic or require coordinated planning of the surrounding area.

(B) ADVANCE DECISIONS OF COMMISSION.—The Commission shall determine in advance the type or kinds of plans, developments, projects, improvements, or acquisitions which do not need to be submitted for review by the Commission as to conformity with its plans.

(c) ADDITIONAL PROCEDURE FOR DEVELOPMENTS AND PROJECTS WITHIN ENVIRONS.—

(1) SUBMISSION TO COMMISSION.—Within the environs, general plans showing the location, character, and extent of, and intensity of use for, proposed federal and District developments and projects involving the acquisition of land shall be submitted to the Commission for report and recommendations before a final commitment to the acquisition is made, unless the matter specifically has been approved by law.

(2) COMMISSION ACTION.—Before acting on any general plan, the Commission shall advise and consult with the appropriate planning agency having jurisdiction over the affected part of the environs. When the Commission decides that proposed developments or projects submitted to the Commission under subsection (b) involve a major change in the character or intensity of an existing use in the environs, the Commission shall advise and consult with the planning agency. The report and

recommendations shall be submitted within 60 days and shall be accompanied by any reports or recommendations of the planning agency.

(3) WORKING WITH STATE OR LOCAL AUTHORITY OR AGENCY.—In carrying out its planning functions with respect to federal developments or projects in the environs, the Commission may work with, and make agreements with, any state or local authority or planning agency as the Commission considers necessary to have a plan or proposal adopted and carried out.

(d) APPROVAL OF FEDERAL PUBLIC BUILDINGS.—The provisions of the Act of June 20, 1938 (ch. 534, 52 Stat. 797) shall not apply to federal public buildings. In order to ensure the orderly development of the National Capital, the location, height, bulk, number of stories, and size of federal public buildings in the District of Columbia and the provision for open space in and around federal public buildings in the District of Columbia are subject to the approval of the Commission.

(e) APPROVAL OF DISTRICT GOVERNMENT BUILDINGS IN CENTRAL AREA.—Subsection (d) is extended to include public buildings erected by any agency of the Government of the District of Columbia in the central area of the District (as defined by concurrent action of the Commission and the Council of the District of Columbia), except that the Commission shall transmit its approval or disapproval within 30 days after the day the proposal was submitted to the Commission.

The act therefore was classified to 40:120, which was superseded by the Act of March 1, 1929 (ch. 416, 45 Stat. 1415), which was classified to 40:361 et seq. That law was repealed by section 21(b) of the Act of December 23, 1963 (Public Law 88-241, 77 Stat. 627), with the subject matter of those sections being restated in section 1 of that Act.

§ 8732. Acquiring land subject to limited rights reserved to grantor and limited permanent rights in land adjoining park property

(a) IN GENERAL.—The National Capital Planning Commission in accordance with this chapter may acquire, for and on behalf of the Federal Government, by gift, devise, purchase, or condemnation—

(1) fee title to land subject to limited rights, but not for business purposes, reserved to the grantor; and

(2) permanent rights in land adjoining park property sufficient to prevent the use of the land in certain specified ways which would essentially impair the value of the park property for its purposes.

(b) PREREQUISITES TO ACQUISITION.—

(1) FEE TITLE TO LAND SUBJECT TO LIMITED RIGHTS.—The reservation of rights to the grantor shall not continue beyond the life of the grantor of the fee. The Commission must decide that the permanent public park purposes for which control over the land is needed are not essentially impaired by the reserved rights and that there is a substantial saving in cost by acquiring the land subject to the limited rights as compared with the cost of acquiring unencumbered title to the land.

(2) PERMANENT RIGHTS IN LAND ADJOINING PARK PROPERTY.—The Commission must decide that the protection and maintenance of the essential public values of the park can be secured more economically by acquiring the permanent rights than by acquiring the land.

(c) PRESIDENTIAL APPROVAL REQUIRED.—All contracts to acquire land or rights under this section are subject to the approval of the President.

2003—Par. (2). Pub. L. 108-126 substituted "Columbia and its environs, and to encourage the location of commemorative works within the urban fabric of the District of Columbia;" for "Columbia;".

EFFECTIVE DATE OF 2003 AMENDMENT

Pub. L. 108-126, title II, § 205, Nov. 17, 2003, 117 Stat. 1353, provided that: "Except for the provision in the amendment made by section 202(b) [amending section 8908 of this title] prohibiting a visitor center from being located in the Reserve (as defined in section 8902 of title 40, United States Code), nothing in this title [see Short Title of 2003 Amendment note set out under section 101 of this title] shall apply to a commemorative work for which a site was approved in accordance with chapter 89 of title 40, United States Code, prior to the date of enactment of this title [Nov. 17, 2003]."

FINDINGS

Pub. L. 108-126, title II, § 202(a), Nov. 17, 2003, 117 Stat. 1349, provided that: "Congress finds that—

- (1) the great cross-axis of the Mall in the District of Columbia, which generally extends from the United States Capitol to the Lincoln Memorial, and from the White House to the Jefferson Memorial, is a substantially completed work of civic art; and
(2) to preserve the integrity of the Mall, a reserve area should be designated within the core of the great cross-axis of the Mall where the siting of new commemorative works is prohibited."

§ 8902. Definitions and nonapplication

(a) DEFINITIONS.—In this chapter:

(1) COMMEMORATIVE WORK.—The term "commemorative work" means any statue, monument, sculpture, memorial, plaque, inscription, or other structure or landscape feature, including a garden or memorial grove, designed to perpetuate in a permanent manner the memory of an individual, group, event or other significant element of American history, except that the term does not include any such item which is located within the interior of a structure or a structure which is primarily used for other purposes.

(2) THE DISTRICT OF COLUMBIA AND ITS ENVIRONS.—The term "the District of Columbia and its environs" means those lands and properties administered by the National Park Service and the General Services Administration located in the Reserve, Area I, and Area II as depicted on the map entitled "Commemorative Areas Washington, DC and Environs", numbered 869/86501 B, and dated June 24, 2003.

(3) RESERVE.—The term "Reserve" means the great cross-axis of the Mall, which generally extends from the United States Capitol to the Lincoln Memorial, and from the White House to the Jefferson Memorial, as depicted on the map referenced in paragraph (2).

(4) SPONSOR.—The term "sponsor" means a public agency, or an individual, group or organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code, and which is authorized by Congress to establish a

commemorative work in the District of Columbia and its environs.

(b) NONAPPLICATION.—This chapter does not apply to commemorative works authorized by a law enacted before January 3, 1985.

(Pub. L. 107–217, Aug. 21, 2002, 116 Stat. 1227; Pub. L. 108–126, title II, § 203(b), Nov. 17, 2003, 117 Stat. 1350.)

In subsection (a)(3), the words “notwithstanding any other provision of law” are omitted as unnecessary. The words “Administrator of General Services” are substituted for “General Services Administration” because of section 101(b) of the Federal Property and Administrative Services Act of 1949 (ch. 288, 63 Stat. 379), which is restated as section 302(a) of the revised title.

In subsection (b), the words “January 3, 1985” are substituted for “the commencement of the Ninety-ninth Congress” for clarity.

(c) **WORKS COMMEMORATING EVENTS, INDIVIDUALS, OR GROUPS.**—A commemorative work commemorating an event, individual, or group of individuals, except a military commemorative work as described in subsection (b), may not be authorized until after the 25th anniversary of the event, death of the individual, or death of the last surviving member of the group.

(d) **CONSULTATION WITH NATIONAL CAPITAL MEMORIAL ADVISORY COMMISSION.**—In considering legislation authorizing commemorative works in the District of Columbia and its environs, the Committee on Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate shall solicit the views of the National Capital Memorial Advisory Commission.

(e) **EXPIRATION OF LEGISLATIVE AUTHORITY.**—Any legislative authority for a commemorative work shall expire at the end of the seven-year period beginning on the date of the enactment of such authority, or at the end of the seven-year period beginning on the date of the enactment of legislative authority to locate the commemorative work within Area I, if such additional authority has been granted, unless—

(1) the Secretary of the Interior or the Administrator of General Services (as appropriate) has issued a construction permit for the commemorative work during that period; or

EX. ORD. NO. 13103. COMPUTER SOFTWARE PIRACY

Ex. Ord. No. 13103, Sept. 30, 1998, 63 F.R. 53273, provided:

The United States Government is the world’s largest purchaser of computer-related services and equipment, purchasing more than \$20 billion annually. At a time when a critical component in discussions with our international trading partners concerns their efforts to combat piracy of computer software and other intellectual property, it is incumbent on the United States to ensure that its own practices as a purchaser and user of computer software are beyond reproach. Accordingly, by the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. Policy. It shall be the policy of the United States Government that each executive agency shall work diligently to prevent and combat computer software piracy in order to give effect to copyrights associated with computer software by observing the relevant provisions of international agreements in effect in the United States, including applicable provisions of the World Trade Organization Agreement on Trade-Related Aspects of Intellectual Property Rights, the Berne Convention for the Protection of Literary and Artistic Works, and relevant provisions of Federal law, including the Copyright Act.

(a) Each agency shall adopt procedures to ensure that the agency does not acquire, reproduce, distribute, or transmit computer software in violation of applicable copyright laws.

(b) Each agency shall establish procedures to ensure that the agency has present on its computers and uses only computer software not in violation of applicable copyright laws. These procedures may include:

- (1) preparing agency inventories of the software present on its computers;
- (2) determining what computer software the agency has the authorization to use; and

(3) developing and maintaining adequate record-keeping systems.

(c) Contractors and recipients of Federal financial assistance, including recipients of grants and loan guarantee assistance, should have appropriate systems and controls in place to ensure that Federal funds are not used to acquire, operate, or maintain computer software in violation of applicable copyright laws. If agencies become aware that contractors or recipients are using Federal funds to acquire, operate, or maintain computer software in violation of copyright laws and determine that such actions of the contractors or recipients may affect the integrity of the agency's contracting and Federal financial assistance processes, agencies shall take such measures, including the use of certifications or written assurances, as the agency head deems appropriate and consistent with the requirements of law.

(d) Executive agencies shall cooperate fully in implementing this order and shall share information as appropriate that may be useful in combating the use of computer software in violation of applicable copyright laws.

SEC. 2. *Responsibilities of Agency Heads.* In connection with the acquisition and use of computer software, the head of each executive agency shall:

(a) ensure agency compliance with copyright laws protecting computer software and with the provisions of this order to ensure that only authorized computer software is acquired for and used on the agency's computers;

(b) utilize performance measures as recommended by the Chief Information Officers Council pursuant to section 3 of this order to assess the agency's compliance with this order;

(c) educate appropriate agency personnel regarding copyrights protecting computer software and the policies and procedures adopted by the agency to honor them; and

(d) ensure that the policies, procedures, and practices of the agency related to copyrights protecting computer software are adequate and fully implement the policies set forth in this order.

SEC. 3. *Chief Information Officers Council.* The Chief Information Officers Council ("Council") established by section 3 of Executive Order No. 13011 of July 16, 1996 [set out above], shall be the principal interagency forum to improve executive agency practices regarding the acquisition and use of computer software, and monitoring and combating the use of unauthorized computer software. The Council shall provide advice and make recommendations to executive agencies and to the Office of Management and Budget regarding appropriate government-wide measures to carry out this order. The Council shall issue its initial recommendations within 6 months of the date of this order.

SEC. 4. *Office of Management and Budget.* The Director of the Office of Management and Budget, in carrying out responsibilities under the Clinger-Cohen Act [probably means the Clinger-Cohen Act of 1996, div. D (§§ 4001-4402) and div. E (§§ 5001-5703) of Pub. L. 104-106, see Tables for classification], shall utilize appropriate oversight mechanisms to foster agency compliance with the policies set forth in this order. In carrying out these responsibilities, the Director shall consider any recommendations made by the Council under section 3 of this order regarding practices and policies to be instituted on a government-wide basis to carry out this order.

SEC. 5. *Definition.* "Executive agency" and "agency" have the meaning given to that term in section 4(1) of the Office of Federal Procurement Policy Act (41 U.S.C. 403(1)).

SEC. 6. *National Security.* In the interest of national security, nothing in this order shall be construed to require the disclosure of intelligence sources or methods or to otherwise impair the authority of those agencies listed at 50 U.S.C. 401a(4) to carry out intelligence activities.

SEC. 7. *Law Enforcement Activities.* Nothing in this order shall be construed to require the disclosure of law

enforcement investigative sources or methods or to prohibit or otherwise impair any lawful investigative or protective activity undertaken for or by any officer, agent, or employee of the United States or any person acting pursuant to a contract or other agreement with such entities.

SEC. 8. *Scope.* Nothing in this order shall be construed to limit or otherwise affect the interpretation, application, or operation of 28 U.S.C. 1498.

SEC. 9. *Judicial Review.* This Executive order is intended only to improve the internal management of the executive branch and does not create any right or benefit, substantive or procedural, at law or equity by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

WILLIAM J. CLINTON.

§ 11102. *Sense of Congress*

It is the sense of Congress that, during the five-year period beginning with 1996, executive agencies should achieve each year through improvements in information resources management by the agency—

(1) at least a five percent decrease in the cost (in constant fiscal year 1996 dollars) incurred by the agency in operating and maintaining information technology; and

(2) a five percent increase in the efficiency of the agency operations.

SUBTITLE IV—APPALACHIAN REGIONAL DEVELOPMENT

Chapter 141. GENERAL PROVISIONS 14101
143. APPALACHIAN REGIONAL COMMISSION 14301
145. SPECIAL APPALACHIAN PROGRAMS 14501
147. MISCELLANEOUS 14701

CHAPTER 141—GENERAL PROVISIONS

- Sec. 14101. Findings and purposes.
14102. Definitions.

§ 14101. Findings and purposes

(a) 1965 FINDINGS AND PURPOSE.—

(1) FINDINGS.—Congress finds and declares that the Appalachian region of the United States, while abundant in natural resources and rich in potential, lags behind the rest of the Nation in its economic growth and that its people have not shared properly in the Nation's prosperity. The region's uneven past development, with its historical reliance on a few basic industries and a marginal agriculture, has failed to provide the economic base that is a vital prerequisite for vigorous, self-sustaining growth. State and local governments and the people of the region understand their problems and have been working, and will continue to work, purposefully toward their solution. Congress recognizes the comprehensive report of the President's Appalachian Regional Commission documenting these findings and concludes that regionwide development is feasible, desirable, and urgently needed.

(2) PURPOSE.—It is the purpose of this subtitle to assist the region in meeting its special problems, to promote its economic development, and to establish a framework for joint federal and state efforts toward providing the basic facilities essential to its growth and attacking its common problems and meeting its common needs on a coordinated and concerted regional basis. The public investments made in the region under this subtitle shall be concentrated in areas where there is a significant potential for future growth and where the expected return on public dollars invested will be the greatest. States will be responsible for recommending local and state projects within their borders that will receive assistance under this subtitle. As the region obtains the needed physical and transportation facilities and develops its human resources, Congress expects that the region will generate a diversified industry and that the region will then be able to support itself through the workings of a strengthened free enterprise economy.

(b) 1975 FINDINGS AND PURPOSE.—

(1) FINDINGS.—Congress further finds and declares that while substantial progress has been made toward achieving the purposes set out in subsection (a), especially with respect to the provision of essential public facilities, much remains to be accomplished, especially with respect to the provision of essential health, education, and other public services. Congress recognizes that changes and evolving national purposes in the decade since 1965 affect not only the Appalachian region but also its relationship to a nation that on December 31, 1975, is assigning higher priority to conservation and the quality of life, values long cherished within the region. Appalachia as of December 31, 1975, has the opportunity, in accommodating future growth and development, to demonstrate local leadership and coordinated planning so that housing, public services, transportation and other community facilities will be provided in a way congenial to the traditions and beauty of the region and compatible with conservation values and an enhanced

quality of life for the people of the region, and consistent with that goal, the Appalachian region should be able to take advantage of eco-industrial development, which promotes both employment and economic growth and the preservation of natural resources. Congress recognizes also that fundamental changes are occurring in national energy requirements and production, which not only risk short-term dislocations but will undoubtedly result in major long-term effects in the region. It is essential that the opportunities for expanded energy production be used so as to maximize the social and economic benefits and minimize the social and environmental costs to the region and its people.

(2) PURPOSE.—It is also the purpose of this subtitle to provide a framework for coordinating federal, state and local efforts toward—

(A) anticipating the effects of alternative energy policies and practices;

(B) planning for accompanying growth and change so as to maximize the social and economic benefits and minimize the social and environmental costs; and

(C) implementing programs and projects carried out in the region by federal, state, and local governmental agencies so as to better meet the special problems generated in the region by the Nation's energy needs and policies, including problems of transportation, housing, community facilities, and human services.

(c) 1998 FINDINGS AND PURPOSE.—

(1) FINDINGS.—Congress further finds and declares that while substantial progress has been made in fulfilling many of the objectives of this subtitle, rapidly changing national and global economies over the decade ending November 13, 1998, have created new problems and challenges for rural areas throughout the United States and especially for the Appalachian region.

(2) PURPOSE.—In addition to the purposes stated in subsections (a) and (b), it is the purpose of this subtitle—

(A) to assist the Appalachian region in—

(i) providing the infrastructure necessary for economic and human resource development;

(ii) developing the region's industry;

(iii) building entrepreneurial communities;

(iv) generating a diversified regional economy; and

(v) making the region's industrial and commercial resources more competitive in national and world markets;

(B) to provide a framework for coordinating federal, state, and local initiatives to respond to the economic competitiveness challenges in the Appalachian region through—

(i) improving the skills of the region's workforce;

(ii) adapting and applying new technologies for the region's businesses, including eco-industrial development technologies; and

(iii) improving the access of the region's businesses to the technical and financial

resources necessary to development of the businesses; and

(C) to address the needs of severely and persistently distressed areas of the Appalachian region and focus special attention on the areas of greatest need so as to provide a fairer opportunity for the people of the region to share the quality of life generally enjoyed by citizens across the United States.

Construction on the development highway system shall not be more than three thousand and ninety miles. There shall not be more than 1,400 miles of local access roads that serve specific recreational, residential, educational, commercial, industrial, or similar facilities or facilitate a school consolidation program.

(f) CONSTRUCTION WITHOUT FEDERAL AMOUNTS.—

(1) PAYMENT OF FEDERAL SHARE.—When a participating State constructs a segment of a development highway without the aid of federal amounts and the construction is in accordance with all procedures and requirements applicable to the construction of segments of Appalachian development highways with those amounts, except for procedures and requirements that limit a State to the construction of projects for which federal amounts have previously been appropriated, the Secretary, on application by the State and with the approval of the Commission, may pay to the State the federal share, which shall not be more than 80 percent of the cost of the construction of the segment, from any amounts appropriated and allocated to the State to carry out this section.

(2) NO COMMITMENT OR OBLIGATION.—This subsection does not commit or obligate the Federal Government to provide amounts for segments of development highways constructed under this subsection.

§ 14503. Assistance for proposed low- and middle-income housing projects

(a) APPALACHIAN HOUSING FUND.—

(1) ESTABLISHMENT.—There is an Appalachian Housing Fund.

(2) SOURCE AND USE OF AMOUNTS IN FUND.—Amounts allocated to the Secretary of Housing and Urban Development for the purposes of this section shall be deposited in the Fund. The Secretary shall use the Fund as a revolving fund to carry out those purposes. Amounts in the Fund not needed for current operation may be invested in bonds or other obligations the Federal Government guarantees as to principal and interest. General expenses of administration of this section may be charged to the Fund.

(b) PURPOSE.—To encourage and facilitate the construction or rehabilitation of housing to meet the needs of low- and moderate-income families and individuals, the Secretary may make grants and loans from the Fund, under terms and conditions the Secretary may prescribe. The grants and loans may be made to nonprofit, limited dividend, or cooperative organizations and public bodies and are for planning and obtaining federally insured mortgage financing or other financial assistance for housing construction or rehabilitation projects for low- and moderate-income families and individuals, in any area of the Appalachian region the Appalachian Regional Commission establishes, under—

(1) section 221 of the National Housing Act (12 U.S.C. 1715f);

(2) section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f);

(3) section 515 of the Housing Act of 1949 (42 U.S.C. 1485); or

(4) any other law of similar purpose administered by the Secretary or any other department, agency, or instrumentality of the Federal Government or a state government.

(c) PROVIDING AMOUNTS TO STATES FOR GRANTS AND LOANS.—The Secretary or the Commission may provide amounts to the States for making grants and loans to nonprofit, limited dividend, or cooperative organizations and public bodies for the purposes for which the Secretary may provide amounts under this section.

(d) LOANS.—

(1) LIMITATION ON AVAILABLE AMOUNTS.—A loan under subsection (b) shall not be more than 50 percent (or 80 percent for a project to be carried out in a county for which a distressed county designation is in effect under section 14526 of this title) of the cost of planning and obtaining financing for a project, including preliminary surveys and analyses of market needs, preliminary site engineering and architectural fees, site options, application and mortgage commitment fees, legal fees, and construction loan fees and discounts.

(2) INTEREST.—A loan shall be made without interest, except that a loan made to an organization established for profit shall bear interest at the prevailing market rate authorized for an insured or guaranteed loan for that type of project.

(3) PAYMENT.—The Secretary shall require payment of a loan made under this section, under terms and conditions the Secretary may require, no later than on completion of the project. Except for a loan to an organization established for profit, the Secretary may cancel any part of a loan made under this section on determining that a permanent loan to finance the project cannot be obtained in an amount adequate for repayment of a loan made under this section.

(e) GRANTS.—

(1) IN GENERAL.—A grant under this section shall not be made to an organization established for profit and, except as provided in paragraph (2), shall not exceed 50 percent (or 80 percent for a project to be carried out in a county for which a distressed county designation is in effect under section 14526 of this title) of expenses, incident to planning and obtaining financing for a project, which the Secretary considers not to be recoverable from the proceeds of a permanent loan made to finance the project.

(2) SITE DEVELOPMENT COSTS AND OFFSITE IMPROVEMENTS.—The Secretary may make grants and commitments for grants, and may advance amounts under terms and conditions the Secretary may require, to nonprofit, limited dividend, or cooperative organizations and public bodies for reasonable site development costs and necessary offsite improvements, such as sewer and water line extensions, when the grant, commitment, or advance is essential to the economic feasibility of a housing construction or rehabilitation project for low- and moderate-income families and individuals which otherwise meets the requirements for assistance under this section. A grant under this paragraph for—

(A) the construction of housing shall not be more than 10 percent of the cost of the project; and

(B) the rehabilitation of housing shall not be more than 10 percent of the reasonable

value of the rehabilitation housing, as determined by the Secretary.

(f) INFORMATION, ADVICE, AND TECHNICAL ASSISTANCE.—The Secretary or the Commission may provide, or contract with public or private organizations to provide, information, advice, and technical assistance with respect to the construction, rehabilitation, and operation by nonprofit organizations of housing for low- or moderate-income families in areas of the region the Commission establishes.

SUBCHAPTER II—ADMINISTRATIVE

§ 14521. Required level of expenditure

A State or political subdivision of a State is not eligible to receive benefits under this subtitle unless the aggregate expenditure of state amounts, except expenditures for participation in the Dwight D. Eisenhower System of Interstate and Defense Highways and local and federal amounts, for the benefit of the area within the State located in the Appalachian region is maintained at a level which does not fall below the average level of those expenditures for the State’s last two full fiscal years prior to March 9, 1965. In computing the level, a State’s past expenditure for participation in the Dwight D. Eisenhower System of Interstate and Defense Highways and expenditures of local and federal amounts shall not be included. The Commission shall recommend to the President a lesser requirement when it finds that a substantial population decrease in that part of a State which lies within the region would not justify a state expenditure equal to the average level of the last

two years or when it finds that a State's average level of expenditure in an individual program has been disproportionate to the present need for that part of the State.

(2) the Appalachian Regional Commission has approved the program or project and has determined that it—

§ 14524. Program development criteria

(a) FACTORS TO BE CONSIDERED.—In considering programs and projects to be given assistance under this subtitle, and in establishing a priority ranking of the requests for assistance presented to the Appalachian Regional Commission,

the Commission shall follow procedures that will ensure consideration of—

(1) the relationship of the project or class of projects to overall regional development, including its location in a severely and persistently distressed county or area;

(2) the population and area to be served by the project or class of projects, including the per capita market income and the unemployment rates in the area;

(3) the relative financial resources available to the State or political subdivisions or instrumentalities of the State that seek to undertake the project;

(4) the importance of the project or class of projects in relation to other projects or classes of projects that may be in competition for the same amounts;

(5) the prospects that the project for which assistance is sought will improve, on a continuing rather than a temporary basis, the opportunities for employment, the average level of income, or the economic and social development of the area served by the project; and

(6) the extent to which the project design provides for detailed outcome measurements by which grant expenditures may be evaluated.

(b) LIMITATION ON USE.—Financial assistance made available under this subtitle shall not be used to assist establishments relocating from one area to another.

(c) DETERMINATION REQUIRED BEFORE AMOUNTS MAY BE PROVIDED.—Amounts may be provided for programs and projects in a State under this subtitle only if the Commission determines that the level of federal and state financial assistance under other laws for the same type of programs or projects in that part of the State within the Appalachian region will not be diminished in order to substitute amounts authorized by this subtitle.

(d) MINIMUM AMOUNT OF ASSISTANCE TO DISTRESSED COUNTIES AND AREAS.—For each fiscal year, not less than 50 percent of the amount of grant expenditures the Commission approves shall support activities or projects that benefit severely and persistently distressed counties and areas.

The programs shall make appropriate use of existing plans affecting the area.

(c) LOCAL DEVELOPMENT DISTRICTS.—Local development districts certified by the State as described in section 14102(a)(2) of this title provide the linkage between state and substate planning and development. The districts shall assist the States in the coordination of areawide programs and projects and may prepare and adopt areawide plans or action programs. In carrying out the development planning process, including the selection of programs and projects for assistance, States shall consult with local development districts, local units of government, and citizen groups and shall consider the goals, objectives, priorities, and recommendations of those bodies.

(d) FEDERAL RESPONSIBILITIES.—To the maximum extent practicable, federal departments,

agencies, and instrumentalities undertaking or providing financial assistance for programs or projects in the region shall—

(1) take into account the policies, goals, and objectives the Commission and its member States establish pursuant to this subtitle;

(2) recognize Appalachian state development strategies approved by the Commission as satisfying requirements for overall economic development planning under the programs or projects; and

(3) accept the boundaries and organization of any local development district certified under this subtitle that the Governor may designate as the areawide agency required under any of those programs undertaken or assisted by those federal departments, agencies, and instrumentalities.

§ 14526. Distressed and economically strong counties

(a) DESIGNATIONS.—

(1) IN GENERAL.—The Appalachian Regional Commission, in accordance with criteria the Commission may establish, each year shall—

(A) designate as “distressed counties” those counties in the Appalachian region that are the most severely and persistently distressed; and

(ii) the project will be of substantial direct benefit to at least one distressed county.

(4) WAIVER.—

(A) IN GENERAL.—The Commission may waive the requirements of paragraphs (1) and (2) for a project when the recipient of assistance for the project shows the existence of any of the following:

(i) a significant pocket of distress in the part of the county in which the project is carried out.

(ii) a significant potential benefit from the project in at least one area of the region outside the designated county.

(B) REPORTS TO CONGRESS.—The Commission shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives an annual report describing each waiver granted under subparagraph (A) during the period covered by the report.

(b) COMPLIANCE.—Each executive department, independent establishment, agency, wholly owned Government corporation, officer, and employee of the Government, and each person acting for, or at the direction of, the executive department, independent establishment, agency, wholly owned Government corporation, officer, or employee, must comply with the regulations when making any shipment of valuables.

(2) which, after having been received, is lost, destroyed, or so mutilated as to impair its value.

§ 17501. Definitions

In this chapter, the following definitions apply:

(1) EXECUTIVE AGENCY.—The term “executive agency”—

(A) means an executive agency (as that term is defined in section 105 of title 5) that operates at least 300 motor vehicles; but

(B) does not include the Tennessee Valley Authority.

(2) MOTOR VEHICLE.—The term “motor vehicle” means—

(A) a vehicle self-propelled or drawn by mechanical power; but not

(B) a vehicle designed or used for military field training, combat, or tactical purposes, or any other special purpose vehicle exempted from the requirements of this chapter by the Administrator of General Services.

(Pub. L. 107-217, Aug. 21, 2002, 116 Stat. 1283.)

17501	40:913.	Pub. L. 99-272, title XV, §15313, Apr. 7, 1986, 100 Stat. 338.

In this section, the text of 40:913(2)–(4) is omitted as unnecessary because the complete names of the Director of the Office of Management and Budget, the Ad-

ministrator of General Services, and the Comptroller General of the United States are used the first time the terms appear in a section.

Before clause (1), the words “this chapter” were in the original “this title”, meaning title XV (§§15101 to 15313) of the Consolidated Omnibus Budget Reconciliation Act of 1985 (Public Law 99-272, 100 Stat. 330). In clause (2)(B), the words “this chapter” are substituted for “this part” as the probable intent of Congress because title XV of the Act does not contain part designations and the intention was probably to refer to title XV, which is restated as this chapter.

§ 17502. Monitoring system

The head of each executive agency shall designate one office, officer, or employee of the agency—

(1) to establish and operate a central monitoring system for the motor vehicle operations of the agency, related activities, and related reporting requirements; and

(2) provide oversight of those operations, activities, and requirements.

In this chapter, the words “executive agency” are substituted for “executive agency, including the Department of Defense” to eliminate unnecessary words.

§ 17503. Data collection

(a) COST IDENTIFICATION AND ANALYSIS.—The head of each executive agency shall develop a system to identify, collect, and analyze data with respect to all costs (including obligations and outlays) the agency incurs in the operation, maintenance, acquisition, and disposition of motor vehicles, including vehicles owned or leased by the Federal Government and privately owned vehicles used for official purposes.

(b) REQUIREMENTS FOR DATA SYSTEMS.—

(1) SCOPE OF REQUIREMENTS.—In cooperation with the Comptroller General of the United States and the Director of the Office of Management and Budget, the Administrator of General Services shall prescribe requirements governing the establishment and operation by executive agencies of the systems required by subsection (a), including requirements with respect to data on the costs and uses of motor vehicles and with respect to the uniform collection and submission of the data.

(2) CONFORMITY WITH PRINCIPLES AND STANDARDS.—Requirements prescribed under this section shall conform to accounting principles and standards issued by the Comptroller General. Each executive agency shall comply with those requirements.

§ 17504. Agency statements with respect to motor vehicle use

(a) CONTENTS OF STATEMENT.—The head of each executive agency shall include with the appropriation request the agency submits under section 1108 of title 31 for each fiscal year, a statement—

(1) specifying—

(A) the total motor vehicle acquisition, maintenance, leasing, operation, and disposal costs (including obligations and outlays) the agency incurred in the most recently completed fiscal year; and

(B) an estimate of those costs for the fiscal year in which the request is submitted and for the succeeding fiscal year; and

(2) justifying why the existing and any new motor vehicle acquisition, maintenance, leasing, operation, and disposal requirements of the agency cannot be met through the Interagency Fleet Management System the Administrator of General Services operates, a qualified private fleet management firm, or any other method which is less costly to the Federal Government.

(b) COMPLIANCE WITH REQUIREMENTS.—The head of each executive agency shall comply with the requirements prescribed under section 17503(b) of this title in preparing each statement required under subsection (a).

- Sec. 17901. Definitions.
- 17902. Sale of electric energy.
- 17903. Purchase of electric power.

§ 17901. Definitions

In this chapter, the following definitions apply:

- (1) FEDERAL AGENCY.—The term “federal agency” means a department, agency, or instrumentality of the Federal Government.
- (2) FEDERALLY GENERATED ELECTRIC ENERGY.—The term “federally generated electric energy” means any electric power generated by an electric generating facility owned and operated by a federal agency.
- (3) NON-FEDERAL PERSON.—The term “non-federal person” means a corporation, cooperative, municipality, or other non-federal entity that generates electric energy through a facility other than a federally owned electric generating facility.

In clause (1), the definition of “agency” as referring to the head of any department, agency, or instrumentality of the United States Government is rewritten as a definition of “federal agency” to avoid confusion between the role of the “agency” and the “head of the agency”. Throughout the chapter, the words “head of the federal agency” are used when the source provision is referring to action taken by an official as opposed to the concept of the agency as an institution.

In clause (3), the text of 40:795(1) and (4) is combined to eliminate a definition (40:795(1)) that is used only once.

§ 17902. Sale of electric energy

(a) IN GENERAL.—To conserve oil and natural gas and better utilize coal, the head of a federal agency may sell, or enter into a contract to sell, to any non-federal person electric energy generated by coal-fired electric generating facilities of that agency in Alaska without regard to any provision of law that precludes the sale when the electric energy to be sold is available from other local sources, if the head of the federal agency determines that—

- (1) the electric energy to be sold is generated by an existing coal-fired generating facility;
- (2) the electric energy to be sold is surplus to the federal agency’s needs and is in excess of the electric energy specifically generated for consumption by, or necessary to serve the requirements of, another federal agency;
- (3) the cost to the ultimate consumers of the electric energy to be sold is less than the cost that, in the absence of the sale, would be incurred by those consumers for the purchase of an equivalent amount of energy; and

(4) the sale will reduce the total consumption of oil or natural gas by the non-federal person purchasing the electric energy below the level of consumption that would occur in the absence of the sale.

(b) PRICING POLICIES.—Federally generated electric energy sold by the head of a federal agency under subsection (a) shall be priced to recover the fuel and variable operation and maintenance costs of the facility generating the energy that are attributable to that sale, plus an amount equal to one-half the difference between—

- (1) the costs of producing the electric energy by coal generation; and
- (2) the costs of producing electric energy by the oil or gas generation being displaced.

(Pub. L. 107–217, Aug. 21, 2002, 116 Stat. 1289.)

17902	40:795a.	Pub. L. 96–571, §3, Dec. 22, 1980, 94 Stat. 3341.

In subsection (a), the words “to be sold” are added for clarity. In clause (4), the words “below the level of consumption that” are substituted for “below that consumption which” for clarity.

In subsection (b), before clause (1), the words “fuel and variable operation and maintenance costs of the facility generating the energy that are attributable to that sale” are substituted for “fuel costs and variable operation and maintenance costs of the Federal generating facility concerned which costs are attributable to such sale” for clarity.

§ 17903. Purchase of electric power

For purposes of economy, efficiency, and conserving oil and natural gas, the head of a federal agency, when practicable and consistent with other laws and requirements applicable to that agency, shall endeavor to purchase electric energy from a non-federal person for consumption in Alaska by a facility of that agency when (taking into account the remaining useful life of any facility available to that agency to generate electric energy for that agency and the cost of maintaining the facility on a standby basis) the purchase will result in—

- (1) a savings to other consumers of electric energy sold by that non-federal person without increasing the cost incurred by any federal agency for electric energy; or
- (2) a cost savings to the federal agency purchasing the electric energy without increasing costs to other consumers of electric energy.

(Pub. L. 107–217, Aug. 21, 2002, 116 Stat. 1289.)

In this section, before clause (1), the words “electric energy” are substituted for “electric power” for consistency in the revised section.

§ 17904. Implementation powers and limitations

(a) ACCOMMODATION OF NEEDS FOR ELECTRIC ENERGY.—This chapter does not require or au-

thorize a federal agency to construct a new electric generating facility or related facility, to modify an existing facility, or to employ reserve or standby equipment to accommodate the needs of a non-federal person for electric energy.

(b) AVAILABILITY OF REVENUE FROM SALES.—Revenue received by a federal agency pursuant to section 17902 of this title from the sale of electric energy generated from a facility of that agency is available to the agency without fiscal year limitation to purchase fuel and for operation, maintenance, and other costs associated with that facility.

(c) EXERCISE OF AUTHORITIES.—The authority under this chapter shall be exercised for those periods and pursuant to terms and conditions that the head of the federal agency concerned decides are necessary consistent with—

- (1) this chapter; and
- (2) responsibilities of the head of the federal agency under other law.

(d) NEGOTIATION AND EXECUTION OF CONTRACTS AND OTHER AGREEMENTS.—A contract or other agreement executed under this chapter shall be negotiated and executed by the head of the federal agency selling or purchasing electric energy under this chapter.

In subsection (d), the words “notwithstanding any other provision of law” are omitted as unnecessary.

§ 18301. Findings and purposes

(a) **FINDINGS.**—Congress finds that—

(1) affordable public transportation is essential to the economic vitality of the national capital area and is an essential component of regional efforts to improve air quality to meet environmental requirements and to improve the health of both residents of and visitors to the national capital area as well as to preserve the beauty and dignity of the Nation’s capital;

(2) use of mass transit by both residents of and visitors to the national capital area is substantially affected by the prices charged for mass transit services, prices that are substantially affected by labor costs, since more than two-thirds of operating costs are attributable to labor costs;

(3) labor costs incurred in providing mass transit in the national capital area have increased at an alarming rate and wages and benefits of operators and mechanics currently are among the highest in the Nation;

(4) higher operating costs incurred for public transit in the national capital area cannot be offset by increasing costs to patrons, since this often discourages ridership and thus undermines the public interest in promoting the use of public transit;

(5) spiraling labor costs cannot be offset by the governmental entities that are responsible for subsidy payments for public transit services since local governments generally, and the District of Columbia government in particular, are operating under severe fiscal constraints;

(6) imposition of mandatory standards applicable to arbitrators resolving arbitration disputes involving interstate compact agencies operating in the national capital area will ensure that wage increases are justified and do not exceed the ability of transit patrons and taxpayers to fund the increase; and

(7) federal legislation is necessary under section 8 of Article I of the United States Constitution to balance the need to moderate and lower labor costs while maintaining industrial peace.

(b) PURPOSE.—The purpose of this chapter is to adopt standards governing arbitration that must be applied by arbitrators resolving disputes involving interstate compact agencies operating in the national capital area in order to lower operating costs for public transportation in the Washington metropolitan area.

§ 18302. Definitions

In this chapter, the following definitions apply:

(1) ARBITRATION.—The term “arbitration”—

(A) means the arbitration of disputes, regarding the terms and conditions of employment, that is required under an interstate compact governing an interstate compact agency operating in the national capital area; but

(B) does not include the interpretation and application of rights arising from an existing collective bargaining agreement.

(2) ARBITRATOR.—The term “arbitrator” refers to either a single arbitrator, or a board of arbitrators, chosen under applicable procedures.

(3) INTERSTATE COMPACT AGENCY OPERATING IN THE NATIONAL CAPITAL AREA.—The term “interstate compact agency operating in the national capital area” means any interstate compact agency that provides public transit services and that was established by an interstate compact to which the District of Columbia is a signatory.

§ 18303. Standards for arbitrators

(a) DEFINITION.—In this section, the term “public welfare” includes, with respect to arbitration under an interstate compact—

(1) the financial ability of the individual jurisdictions participating in the compact to pay for the costs of providing public transit services; and

(2) the average per capita tax burden, during the term of the collective bargaining agreement to which the arbitration relates, of the residents of the Washington metropolitan area, and the effect of an arbitration award rendered under that arbitration on the respective income or property tax rates of the jurisdictions that provide subsidy payments to the interstate compact agency established under the compact.

(b) FACTORS IN MAKING ARBITRATION AWARD.—An arbitrator rendering an arbitration award involving the employees of an interstate compact agency operating in the national capital area may not make a finding or a decision for inclusion in a collective bargaining agreement governing conditions of employment without considering the following factors:

(1) The existing terms and conditions of employment of the employees in the bargaining unit.

(2) All available financial resources of the interstate compact agency.

(3) The annual increase or decrease in consumer prices for goods and services as reflected in the most recent consumer price index for the Washington metropolitan area, published by the Bureau of Labor Statistics.

(4) The wages, benefits, and terms and conditions of the employment of other employees who perform, in other jurisdictions in the Washington standard metropolitan statistical area, services similar to those in the bargaining unit.

(5) The special nature of the work performed by the employees in the bargaining unit, including any hazards or the relative ease of employment, physical requirements, educational qualifications, job training and skills, shift assignments, and the demands placed upon the employees as compared to other employees of the interstate compact agency.

(6) The interests and welfare of the employees in the bargaining unit, including—

(A) the overall compensation presently received by the employees, having regard not only for wage rates but also for wages for time not worked, including vacations, holidays, and other excused absences;

(B) all benefits received by the employees, including previous bonuses, insurance, and pensions; and

(C) the continuity and stability of employment.

(7) The public welfare.

(c) ABILITY TO FINANCE SALARIES AND BENEFITS PROVIDED IN AWARD.—An arbitrator rendering an arbitration award involving the employees of an interstate compact agency operating in

the national capital area may not, with respect to a collective bargaining agreement governing conditions of employment, provide for salaries and other benefits that exceed the ability of the interstate compact agency, or of any governmental jurisdiction that provides subsidy payments or budgetary assistance to the interstate compact agency, to obtain the necessary financial resources to pay for wage and benefit increases for employees of the interstate compact agency.

(d) REQUIREMENTS FOR FINAL AWARD.—

(1) WRITTEN AWARD.—In resolving a dispute submitted to arbitration involving the employees of an interstate compact agency operating in the national capital area, the arbitrator shall issue a written award that demonstrates that all the factors set forth in subsections (b) and (c) have been considered and applied.

(2) PREREQUISITES.—An award may grant an increase in pay rates or benefits (including insurance and pension benefits), or reduce hours of work, only if the arbitrator concludes that any costs to the agency do not adversely affect the public welfare.

(3) SUBSTANTIAL EVIDENCE.—The arbitrator’s conclusion regarding the public welfare must be supported by substantial evidence.

§ 18304. Procedures for enforcement of awards

(a) MODIFICATIONS AND FINALITY OF AWARD.—Within 10 days after the parties receive an arbitration award to which section 18303 of this title

applies, the interstate compact agency and the employees, through their representative, may agree in writing on any modifications to the award. After the end of that 10-day period, the award, and any modifications, become binding on the interstate compact agency, the employees in the bargaining unit, and the employees’ representative.

(b) IMPLEMENTATION.—Each party to an award that becomes binding under subsection (a) shall take all actions necessary to implement the award.

(c) JUDICIAL REVIEW.—Within 60 days after an award becomes binding under subsection (a), the interstate compact agency or the exclusive representative of the employees concerned may bring a civil action in a court that has jurisdiction over the interstate compact agency for review of the award. The court shall review the award on the record, and shall vacate the award or any part of the award, after notice and a hearing, if—

- (1) the award is in violation of applicable law;
- (2) the arbitrator exceeded the arbitrator’s powers;
- (3) the decision by the arbitrator is arbitrary or capricious;
- (4) the arbitrator conducted the hearing contrary to the provisions of this chapter or other laws or rules that apply to the arbitration so as to substantially prejudice the rights of a party;
- (5) there was partiality or misconduct by the arbitrator prejudicing the rights of a party;
- (6) the award was procured by corruption, fraud, or bias on the part of the arbitrator; or
- (7) the arbitrator did not comply with the provisions of section 18303 of this title.
