Subtitle I—National Park System

DIVISION A—ESTABLISHMENT AND GENERAL ADMINISTRATION

CHAPTER 1001—GENERAL PROVISIONS

Sec.

100101. Promotion and regulation.

100102. Definitions.

§ 100101. Promotion and regulation

(a) IN GENERAL.—The Secretary, acting through the Director of the National Park Service, shall promote and regulate the use of the National Park System by means and measures that conform to the fundamental purpose of the System units, which purpose is to conserve the scenery, natural and historic objects, and wild life in the System units and to provide for the enjoyment of the scenery, natural and historic objects, and wild life in such manner and by such means as will leave them unimpaired for the enjoyment of future generations.

(b) DECLARATIONS.—

(1) 1970 DECLARATIONS.—Congress declares that—

(A) the National Park System, which began with establishment of Yellowstone National Park in 1872, has since grown to include superlative natural, historic, and recreation areas in every major region of the United States and its territories and possessions;

(B) these areas, though distinct in character, are united through their interrelated purposes and resources into one National Park System as cumulative expressions of a single national heritage;

(C) individually and collectively, these areas derive increased national dignity and recognition of their superb environmental quality through their inclusion jointly with each other in one System preserved and managed for the benefit and inspiration of all the people of the United States; and

(D) it is the purpose of this division to include all these areas in the System and to clarify the authorities applicable to the System.

(2) 1978 REAFFIRMATION.—Congress reaffirms, declares, and directs that the promotion and regulation of the various System units shall be consistent with and founded in the purpose established by subsection (a), to the common benefit of all the people of the United States. The authorization of activities shall be construed and the protection, management, and administration of the System units shall be conducted in light of the high public value and integrity of the System and shall not be exercised in derogation of the values and purposes for which the System units have been established, except as directly and specifically provided by Congress.

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
100101(a)	16 U.S.C. 1 (last sentence).	Aug. 25, 1916, ch. 408, §1 (last sentence), 39 Stat. 535.
100101(b)(1)	16 U.S.C. 1a-1 (1st sentence).	Pub. L. 91-383, §1, Aug. 18, 1970, 84 Stat. 825; Pub. L. 95-250, title I, §101(b), Mar. 27, 1978, 92 Stat. 166.
100101(b)(2)	16 U.S.C. 1a-1 (2d, last sentences).	

In subsection (a), the words “Secretary, acting through the Director of the National Park Service” are substituted for “service thus established” to reflect the transfer of functions of other officers, employees, and agencies of the Department of the Interior to the Secretary by sections 1 and 2 of Reorganization Plan No. 3 of 1950 (5 U.S.C. App.) while keeping the responsibility for promoting and regulating the use of the National Park System with the Director of the National Park Service.

In subsection (b)(1)(D), the words “this division” are substituted for “this Act” for clarity. The purpose of the Act of August 18, 1970 (known as the National Park System General Authorities Act) (Public Law 91-383, 84 Stat. 825), was to update and clarify the law with respect to the various units of the National Park System by enlarging the application of existing general statutes so that they apply uniformly to the administration of the various types of parklands within the national park system. See H. Rept. 91-1265 (91st Cong., 2d

Sess.). However, section 2(b) of that Act, rather than being enacted as a new provision of law, amended section 2 of the Act of August 8, 1953 (ch. 384, 67 Stat. 496), and would not be included in the reference to “this Act” in section 1 of the Act of August 18, 1970. The revised subsection translates the reference to “this Act” to carry out the intent of the Act of August 18, 1970.

(1) analysis of whether or not an existing boundary provides for the adequate protection and preservation of the natural, historic, cultural, scenic and recreational resources integral to the System unit;

(2) an evaluation of each parcel proposed for addition or deletion to a System unit based on the analysis under paragraph (1); and

(3) an assessment of the impact of potential boundary adjustments taking into consideration the factors in section 100505(c)(3) of this title and the effect of the adjustments on the local communities and surrounding area.

(1) IN GENERAL.—When the Secretary determines that to do so will contribute to, and is necessary for, the proper preservation, protection, interpretation, or management of a System unit, the Secretary may, following timely notice in writing to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate of the Secretary's intention to do so, and by publication of a revised boundary map or other description in the Federal Register—

(A) make minor changes to the boundary of the System unit, and amounts appropriated from the Fund shall be available for acquisition of any land, water, and interests in land or water added to the System unit by the boundary change subject to such statutory limitations, if any, on methods of acquisition and appropriations thereof as may be specifically applicable to the System unit; and

(B) acquire by donation, purchase with donated funds, transfer from any other Federal agency, or exchange, land, water, or interests in land or water adjacent to the System unit, except that in exercising the Secretary's authority under this subparagraph the Secretary—

(ii) shall not acquire property without the consent of the owner; and

(iii) may acquire property owned by a State or political subdivision of a State only by donation.

(3) ACTION TO ADVANCE LOCAL PUBLIC AWARENESS.—The Secretary shall take such steps as the Secretary considers appropriate to advance local public awareness of the proposed action.

(4) ADMINISTRATION OF ACQUISITIONS.—Land, water, and interests in land or water acquired in accordance with this subsection shall be administered as part of the System unit to which they are added, subject to the laws and regulations applicable to the System unit.

(5) WHEN AUTHORITY APPLIES.—For the purposes of paragraph (1)(A), in all cases except the case of technical boundary changes (resulting from such causes as survey error or changed road alignments), the authority of the Secretary under paragraph (1)(A) shall apply only if each of the following conditions is met:

(A) The sum of the total acreage of the land, water, and interests in land or water to

be added to the System unit and the total acreage of the land, water, and interests in land or water to be deleted from the System unit is not more than 5 percent of the total Federal acreage authorized to be included in the System unit and is less than 200 acres.

(B) The acquisition, if any, is not a major Federal action significantly affecting the quality of the human environment, as determined by the Secretary.

(C) The sum of the total appraised value of the land, water, and interests in land or water to be added to the System unit and the total appraised value of the land, water, and interests in land or water to be deleted from the System unit does not exceed \$750,000.

(D) The proposed boundary change is not an element of a more comprehensive boundary change proposal.

(E) The proposed boundary has been subject to a public review and comment period.

(F) The Director obtains written consent for the boundary change from all property owners whose land, water, or interests in land or water, or a portion of whose land, water, or interests in land or water, will be added to or deleted from the System unit by the boundary change.

(1) WHEN LIST IS TO BE SUBMITTED.—At the beginning of each calendar year, with the annual budget submission, the Secretary shall submit to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate a list of areas recommended for study for potential inclusion in the System.

(2) FACTORS TO BE CONSIDERED.—In developing the list to be submitted under this subsection, the Secretary shall consider—

(A) the areas that have the greatest potential to meet the established criteria of national significance, suitability, and feasibility;

(B) themes, sites, and resources not already adequately represented in the System; and

(C) public petitions and Congressional resolutions.

(3) ACCOMPANYING SYNOPSIS.—Accompanying the annual listing of areas shall be a synopsis, for each report previously submitted, of the current and changed condition of the resource integrity of the area and other relevant factors, compiled as a result of continual periodic monitoring and embracing the period since the previous submission or initial report submission one year earlier.

(5) AUTHORITY TO CONDUCT CERTAIN ACTIVITIES NOT LIMITED.—This section and sections 100901(b), 101702(b) and (c), and 102102 of this title do not limit the authority of the Service to conduct preliminary resource assessments, gather data on potential study areas, provide technical and planning assistance, prepare or process nominations for administrative designations, update previous studies, or complete reconnaissance surveys of individual areas requiring a total expenditure of less than \$25,000.

(6) STUDY OF RIVERS OR TRAILS NOT AFFECTED.—This section does not apply to or affect or alter the study of—

(A) possesses nationally significant natural or cultural resources and represents one of the most important examples of a particular resource type in the country; and

(B) is a suitable and feasible addition to the System.

(4) SCOPE OF STUDY.—Each study—

(A) with regard to the area being studied, shall consider—

(i) the rarity and integrity of the resources;

(ii) the threats to those resources;

(iii) whether similar resources are already protected in the System or in other public or private ownership;

(iv) the public use potential;

(v) the interpretive and educational potential;

(A) a list of areas that have been previously studied that contain primarily historical resources; and

(B) a list of areas that have been previously studied that contain primarily natural resources.

(2) CONSIDERATIONS.—In developing the lists, the Secretary should consider threats to resource values, cost escalation factors, and other factors listed in subsection (c).

(3) AREAS ELIGIBLE FOR INCLUSION.—The Secretary should include on the lists only areas for which the supporting data are current and accurate.

(e) LIST OF AREAS THAT EXHIBIT DANGER OR THREATS TO THE INTEGRITY OF THEIR RESOURCES.—At the beginning of each fiscal year, the Secretary shall submit to the Speaker of the House of Representatives and the President of the Senate a complete and current list of all areas listed on the Registry of Natural Landmarks, and areas of national significance listed on the National Register of Historic places, that exhibit known or anticipated damage or threats to the integrity of their resources, with notations as to the nature and severity of the damage or threats.

(f) REPORTS AND LISTINGS PRINTED AS HOUSE DOCUMENTS.—Each report and annual listing described in this section shall be printed as a House document. If adequate supplies of previously printed identical reports remain available, newly submitted identical reports shall be omitted from printing on receipt by the Speaker of the House of Representatives of a joint letter from the chairman of the Committee on Natural Resources of the House of Representatives and the chairman of the Committee on Energy and Natural Resources of Senate indicating that to be the case.

SUBCHAPTER III—MINING ACTIVITY WITHIN SYSTEM UNITS

§ 100731. Findings and declaration

Congress finds and declares that—

(1) the level of technology of mineral exploration and development has changed radically, and continued application of the mining laws of the United States to System units to which the mining laws apply conflicts with the purposes for which the System units were established; and

(2) all mining operations in System units should be conducted so as to prevent or minimize damage to the environment and other resource values.

In paragraph (2), the words “in certain areas of the National Park System, surface disturbances from mineral development should be temporarily halted while Congress determines whether or not to acquire any valid mineral rights which may exist in such areas” are omitted as obsolete.

§ 100732. Preservation and management of System units by Secretary; promulgation of regulations

To preserve for the benefit of present and future generations the pristine beauty of System

units, and to further the purposes of section 100101(a), chapter 1003, and sections 100751(a), 100752, 100753, and 102101 of this title and the individual organic Acts for the System units, all activities resulting from the exercise of mineral rights on patented or unpatented mining claims within any System unit shall be subject to such regulations prescribed by the Secretary as the Secretary considers necessary or desirable for the preservation and management of the System units.

The word “valid” is omitted for clarity because regulations apply to the exercise of mining claim rights before they are determined to be valid. The word “existing” is omitted as obsolete.

§ 100733. Recordation of mining claims; publication of notice

All mining claims under the Mining Law of 1872 (30 U.S.C. chapter 2, sections 161 and 162, and chapters 12A and 16) that lie within the boundaries of System units in existence on September 28, 1976, that were not recorded with the Secretary within one year after September 28, 1976, shall be conclusively presumed to be abandoned and shall be void. shall annually file with the Secretary a written statement concerning all such interests held by the officer or employee during the preceding calendar year. The statement shall be available to the public.

(b) MONITORING AND ENFORCEMENT PROCEDURES.—The Secretary shall—

(1) define the term “known financial interest” for purposes of subsection (a);

(2) establish the methods by which the requirement to file written statements specified in subsection (a) will be monitored and enforced, including appropriate provisions for the filing by the officers and employees of the statements and the review by the Secretary of the statements; and

(3) submit to Congress on June 1 of each year a report with respect to the disclosures and the actions taken in regard to the disclosures during the preceding calendar year.

(c) EXEMPTIONS.—In the rules prescribed under subsection (b), the Secretary may identify specific positions within the Department of the Interior that are of a nonregulatory or nonpolicy-making nature and provide that officers or employees occupying those positions shall be exempt from the requirements of this section.

(a) IN GENERAL.—Notwithstanding any other provision of law, the Secretary may relinquish to a State or a territory (including a possession) of the United States part of the legislative jurisdiction of the United States over System land or interests in land in that State or territory. Relinquishment may be accomplished—

(1) by filing with the chief executive official of the State or territory a notice of relinquishment to take effect on acceptance; or

(2) as the laws of the State or territory may otherwise provide.

(b) SUBMISSION OF AGREEMENT TO CONGRESS.—Prior to consummating a relinquishment under subsection (a), the Secretary shall submit the proposed agreement to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives. The Secretary shall not finalize the agreement until 60 calendar days after the submission has elapsed.

In this section, the words “territory (including a possession)” are substituted for “territory, or possession” the 1st time the words appear for clarity, because a possession is a category of territory, that is, one that has very little local autonomy. In subsequent instances, the word “territory” is used in an equivalent sense. The word “Commonwealth” is omitted as being included in “territory (including a possession)”.

§ 100755. Applicability of other laws

(a) IN GENERAL.—This section and sections 100501, 100901(d) to (h), 101302(b)(2), 101901(c), and 102711 of this title, and the various authorities relating to the administration and protection of System units, including the provisions of law listed in subsection (b), shall, to the extent that those provisions are not in conflict with any such specific provision, be applicable to System units, and any reference in any of these provisions to a System unit does not limit those provisions to that System unit.

(b) APPLICABLE PROVISIONS.—The provisions of law referred to in subsection (a) are—

(1) section 100101(a), chapter 1003, sections 100751(a), 100752, 100753, 101101, 101102, 101511, 102101, 102712, 102901, 104905, and 104906, and chapter 2003 of this title;

In subsection (a), the words “reference in such Act” are interpreted to mean “reference in such Acts” for clarity.

In subsection (b)(1), the words “relating to donation of land and money”, “relating to roads and trails”, “relating to approach roads to national monuments”, “relating to conveyance of roads to States”, “relating to acquisitions of inholdings”, and “relating to aid to visitors in emergencies” are omitted as unnecessary. The words “the Act of March 3, 1905 (33 Stat. 873; 16 U.S.C. 10), relating to arrests” are omitted because the Act was repealed by section 10(a)(2) of the Act of August 18, 1970 (known as the National Park System General Authorities Act) (Public Law 91–383), as added by section 2 of the Act of October 7, 1976 (Public Law 94–458, 90 Stat. 1941). The words “relating to services or other accommodations for the public, emergency supplies and services to concessioners, acceptability of travelers checks, care and removal of indigents” are omitted as unnecessary. The words “the Act of October 9, 1965 (79 Stat. 696; 16 U.S.C. 20–20g), relating to concessions” are omitted because the Act was repealed by section 415(a) of the National Parks Omnibus Management Act of 1998 (Public Law 105–391, 112 Stat. 3515).

In subsection (b)(2), the words “relating to rights of way” are omitted as unnecessary.

Subsection (b)(3) is added for clarity because many of the laws that established a System unit provided that the Secretary, in addition to administering the unit in accordance with the Act of August 25, 1916 (16 U.S.C. 1, 3, 3, and 4) and with laws generally applicable to System units, administer the unit in accordance with the Act of August 21, 1935 (16 U.S.C. 461 to 467).

100901.	Authority of Secretary to carry out certain activities.
100902.	Rights of way for public utilities and power and communication facilities.
100903.	Solid waste disposal operations.
100904.	Admission and special recreation use fees.

100906.	Advisory committees.

§ 100901. Authority of Secretary to carry out certain activities

(a) IN GENERAL.—To facilitate the administration of the System, the Secretary, under such terms and conditions as the Secretary may consider advisable, may carry out the activities described in this section.

(b) SERVICES, RESOURCES, OR WATER CONTRACTS.—The Secretary may enter into contracts that provide for the sale or lease to persons, States, or political subdivisions of States, of services, resources, or water available within a System unit, as long as the activity does not jeopardize or unduly interfere with the primary natural or historic resource of the System unit, if the person, State, or political subdivision—

(1) provides public accommodations or services within the immediate vicinity of the System unit to individuals visiting the System unit; and

(2) demonstrates to the Secretary that there are no reasonable alternatives by which to ac-

quire or perform the necessary services, resources, or water.

(c) VEHICULAR AIR CONDITIONING.—The Secretary may acquire, and have installed, air conditioning units for any Government-owned passenger motor vehicles used by the Service, where assigned duties necessitate long periods in automobiles or in regions of the United States where high temperatures and humidity are common and prolonged.

(d) UTILITY FACILITIES.—The Secretary may erect and maintain fire protection facilities, water lines, telephone lines, electric lines, and other utility facilities adjacent to any System unit, where necessary, to provide service in the System unit.

(e) SUPPLIES AND RENTAL OF EQUIPMENT.—The Secretary may furnish, on a reimbursement of appropriation basis, supplies, and rent equipment, to persons and agencies that, in cooperation with and subject to the approval of the Secretary, render services or perform functions that facilitate or supplement the activities of the Department of the Interior in the administration of the System. The reimbursements may be credited to the appropriation current at the time reimbursements are received.

(f) CONTRACTS FOR UTILITY FACILITIES.—The Secretary may contract, under terms and conditions that the Secretary considers to be in the interest of the Federal Government, for the sale, operation, maintenance, repair, or relocation of Government-owned electric and telephone lines and other utility facilities used for the administration and protection of the System, regardless of whether the lines and facilities are located within or outside the System.

(g) RIGHTS OF WAY NECESSARY TO CONSTRUCT, IMPROVE, AND MAINTAIN ROADS.—The Secretary may acquire—

- (1) rights of way necessary to construct, improve, and maintain roads within the authorized boundaries of any System unit; and
- (2) land and interests in land adjacent to the rights of way, when—

(A) considered necessary by the Secretary—

- (i) to provide adequate protection of natural features; or
- (ii) to avoid traffic and other hazards resulting from private road access connections; or

(B) the acquisition of adjacent residual tracts, which otherwise would remain after acquiring the rights of way, would be in the public interest.

(h) OPERATION AND MAINTENANCE OF MOTOR AND OTHER EQUIPMENT.—

(1) IN GENERAL.—The Secretary may operate, repair, maintain, and replace motor and other equipment on a reimbursable basis when the equipment is used on Federal projects of the System, chargeable to other appropriations, or on work of other Federal agencies, when requested by the agencies.

(2) REIMBURSEMENT.—Reimbursement shall be—

- (A) made from appropriations applicable to the work on which the equipment is used at rental rates established by the Secretary,

based on actual or estimated cost of operation, repair, maintenance, depreciation, and equipment management control; and

(B) credited to appropriations currently available at the time adjustment is effected.

(3) RENTAL OF EQUIPMENT FOR FIRE CONTROL PURPOSES.—The Secretary may rent equipment for fire control purposes to State, county, private, or other non-Federal agencies that cooperate with the Secretary in the administration of the System and other areas in fire control. The rental shall be under the terms of written cooperative agreements. The amount collected for the rentals shall be credited to appropriations currently available at the time payment is received.

§ 100902. Rights of way for public utilities and power and communication facilities

(a) PUBLIC UTILITIES.—

(1) IN GENERAL.—Under regulations the Secretary prescribes, the Secretary may grant a right of way through a System unit to a citizen, association, or corporation of the United States that intends to use the right of way for—

(A) electrical plants, poles, and lines for the generation and distribution of electrical power;

(B) telephone and telegraph purposes; and

(C) canals, ditches, pipes and pipe lines, flumes, tunnels, or other water conduits and water plants, dams, and reservoirs used to promote irrigation or mining or quarrying, or the manufacturing or cutting of timber or lumber, or the supplying of water for domestic, public, or any other beneficial uses.

(2) EXTENT OF RIGHT OF WAY.—A right of way under this subsection shall be for—

- (A) the ground occupied by the canals, ditches, flumes, tunnels, reservoirs, or other water conduits or water plants, or electrical or other works permitted under paragraph (1); and
- (B) not more than 50 feet—

(i) on each side of the marginal limits of the ground; or

(ii) on each side of the center line of the pipes and pipe lines, electrical, telegraph, and telephone lines and poles.

(3) APPROVAL.—A right of way under this subsection shall be allowed within or through a System unit only on the approval of the Secretary and on a finding that the right of way is not incompatible with the public interest.

(4) REVOCATION.—The Secretary may revoke a right of way under this subsection.

(5) RIGHT, EASEMENT, OR INTEREST NOT CONFERRED.—A right of way under this subsection does not confer any right, easement, or interest in, to, or over a System unit.

(b) POWER AND COMMUNICATION FACILITIES.—

(1) IN GENERAL.—Under regulations the Secretary prescribes, the Secretary may grant a right of way over, across, and on through a System unit to a citizen, association, or corporation of the United States that intends to use the right of way for—

(3) APPROVAL.—A right of way under this subsection shall be allowed within or through a System unit only on the approval of the Secretary and on a finding that the right of way is not incompatible with the public interest.

(4) FORFEITURE AND ANNULMENT.—The Secretary may forfeit and annul any part of a right of way under this subsection for—

(A) nonuse for a period of 2 years; or

(B) abandonment.

In subsection (a), the text of 16 U.S.C. 79 (2d proviso) is omitted as obsolete because title 65 of the Revised

States of the United States was repealed by section 1 of the Act of July 16, 1947 (ch. 256, 61 Stat. 327).

In subsection (a)(1), the words "and the Yosemite, Sequoia, and General Grant national parks, California" are omitted as unnecessary because "other reservations" encompasses all System units.

The inclusion of paragraphs (4) and (5) of subsection (a) do not have any effect on rights of way under subsection (b).

In subsection (a)(4), the words "or his successor in his discretion" are omitted as unnecessary.

In subsection (b), the text of 16 U.S.C. 5 (last paragraph) is omitted as obsolete. The word "Secretary" is substituted for "the head of the department having jurisdiction over the lands" and "chief officer of the department under whose supervision or control such reservation falls" because the portion of the Act of March 4, 1911 (ch. 238, 36 Stat. 1253) classified to 16 U.S.C. 5 relates only to System units.

§ 100903. Solid waste disposal operations

(a) IN GENERAL¹—To protect the air, land, water, and natural and cultural values of the System and the property of the United States in the System, no solid waste disposal site (including any site for the disposal of domestic or industrial solid waste) may be operated within the boundary of any System unit, other than—

(1) a site that was operating as of September 1, 1984; or

(2) a site used only for disposal of waste generated within that System unit so long as the site will not degrade any of the natural or cultural resources of the System unit.

(b) REGULATIONS.—The Secretary shall prescribe regulations to carry out this section, including reasonable regulations to mitigate the adverse effects of solid waste disposal sites in operation as of September 1, 1984, on property of the United States.

§ 100904. Admission and special recreation use fees

(a) SYSTEM UNITS AT WHICH ENTRANCE FEES OR ADMISSIONS FEES CANNOT BE COLLECTED.—

(1) WITHHOLDING OF AMOUNTS.—Notwithstanding section 107 of the Department of the Interior and Related Agencies Appropriations Act, 1998 (Public Law 105-83, 111 Stat. 1561), the Secretary shall withhold from the special account under section 807(a) of the Federal Lands Recreation Enhancement Act (16 U.S.C. 6806(a)) 100 percent of the fees and charges collected in connection with any System unit at which entrance fees or admission fees cannot be collected by reason of deed restrictions.

poses of enhancing the quality of the visitor experience, protection of resources, repair and maintenance, interpretation, signage, habitat or facility enhancement, resource preservation, annual operation (including fee collection), maintenance, and law enforcement.

(b) ALLOCATION OF FUNDS TO SYSTEM UNITS.—

(1) ALLOCATION OF FUNDS ON BASIS OF NEED.—Ten percent of the funds made available to the Director under subsection (a) in each fiscal year shall be allocated among System units on the basis of need in a manner to be determined by the Director.

(2) ALLOCATION OF FUNDS BASED ON EXPENSES AND BASED ON FEES COLLECTED.—

(A) IN GENERAL.—Forty percent of the funds made available to the Director under subsection (a) in each fiscal year shall be allocated among System units in accordance with subparagraph (B) of this subsection and 50 percent shall be allocated in accordance with subparagraph (C).

(B) ALLOCATION BASED ON EXPENSES.—The amount allocated to each System unit under this paragraph for each fiscal year based on expenses shall be a fraction of the total allocation to all System units under this paragraph. The fraction for each System unit shall be determined by dividing the operating expenses at that System unit during the prior fiscal year by the total operating expenses at all System units during the prior fiscal year.

(C) ALLOCATION BASED ON FEES COLLECTED.—The amount allocated to each System unit under this paragraph for each fiscal year based on fees collected shall be a fraction of the total allocation to all System units under this paragraph. The fraction for each System unit shall be determined by dividing the user fees and admission fees collected under this section at that System unit during the prior fiscal year by the total of user fees and admission fees collected under this section at all System units during the prior fiscal year.

(3) AVAILABILITY OF AMOUNTS.—Amounts allocated under this subsection to any System unit for any fiscal year and not expended in that fiscal year shall remain available for expenditure at that System unit until expended.

(c) SELLING OF PERMITS.—

(1) AUTHORITY TO SELL PERMITS.—When authorized by the Secretary, volunteers at System units may sell permits and collect fees authorized or established pursuant to this section. The Secretary shall ensure that the volunteers have adequate training regarding—

(A) the sale of permits and the collection of fees;

(B) the purposes and resources of the System units in which they are assigned; and

(C) the provision of assistance and information to visitors to the System unit.

(2) SURETY BOND REQUIRED.—The Secretary shall require a surety bond for any such volunteer performing services under this subsection. Funds available to the Service may be used to cover the cost of the surety bond. The Sec-

retary may enter into arrangements with qualified public or private entities pursuant to which the entities may sell (without cost to the United States) annual admission permits (including Golden Eagle Passports) at any appropriate location. The arrangements shall require each such entity to reimburse the United States for the full amount to be received from the sale of the permits at or before the Secretary delivers the permits to the entity for sale.

(d) CHARGE FOR TRANSPORTATION PROVIDED BY SERVICE FOR VIEWING SYSTEM UNITS.—

(1) CHARGE WHEN TRANSPORTATION PROVIDED.—Where the Service provides transportation to view all or a portion of any System unit, the Director may impose a charge for the service in lieu of an admission fee under this section.

(2) RETENTION OF CHARGE AND USE OF RETAINED AMOUNT.—Notwithstanding any other provision of law, half of the charges imposed under paragraph (1) shall be retained by the System unit at which the service was provided. The remainder shall be deposited in the same manner as receipts from fees collected pursuant to this section. Fifty percent of the amount retained shall be expended only for maintenance of transportation systems at the System unit where the charge was imposed. The remaining 50 percent of the retained amount shall be expended only for activities related to resource protection at those System units.

(e) ADMISSION FEES.—Where the primary public access to a System unit is provided by a concessioner, the Secretary may charge an admission fee at the System unit only to the extent that the total of the fee charged by the concessioner for access to the System unit and the admission fee does not exceed the maximum amount of the admission fee that could otherwise be imposed.

(f) COMMERCIAL TOUR USE FEES.—

(1) ESTABLISHMENT.—In the case of each System unit for which an admission fee is charged under this section, the Secretary shall establish a commercial tour use fee to be imposed on each vehicle entering the System unit for the purpose of providing commercial tour services within the System unit.

(2) AMOUNT.—The Secretary shall establish the amount of fee per entry as follows:

(A) Twenty-five dollars per vehicle with a passenger capacity of 25 individuals or less.

(B) Fifty dollars per vehicle with a passenger capacity of more than 25 individuals.

(3) ADJUSTMENTS.—The Secretary may periodically make reasonable adjustments to the commercial tour use fee imposed under this subsection.

(4) NONAPPLICABILITY.—The commercial tour use fee imposed under this subsection shall not apply to the following:

(A) Any vehicle transporting organized school groups or outings conducted for educational purposes by schools or other bona fide educational institutions.

SAVINGS PROVISION

Pub. L. 105-391, title IV, § 419, Nov. 13, 1998, 112 Stat. 3517, provided that:

“(a) **TREATMENT OF GLACIER BAY CONCESSION PERMITS PROSPECTUS.**—Nothing contained in this title [enacting former sections 5951 to 5966 of Title 16, Conservation, which were repealed and restated in sections 101911 et seq. and 101524 of this title, amending former sections 1a-7 and 3 of Title 16, repealing section 17b-1 and subchapter IV of chapter 1 of Title 16, and enacting provisions set out as notes under this section and sections 100101 and 101912 of this title] shall authorize or require the Secretary to withdraw, revise, amend, modify, or reissue the February 19, 1998, Prospectus Under Which Concession Permits Will be Open for Competition for the Operation of Cruise Ship Services Within Glacier Bay National Park and Preserve (in this section referred to as the ‘1998 Glacier Bay Prospectus’). The award of concession permits pursuant to the 1998 Glacier Bay Prospectus shall be under provisions of existing law at the time the 1998 Glacier Bay Prospectus was issued.

“(b) **PREFERENTIAL RIGHT OF RENEWAL.**—Notwithstanding any provision of this title, the Secretary, in awarding future Glacier Bay cruise ship concession permits covering cruise ship entries for which a preferential right of renewal existed prior to the effective date of this title [probably means the date of enactment of title IV of Pub. L. 105-391, which was approved Nov. 13, 1998], shall provide for such cruise ship entries

a preferential right of renewal, as described in subparagraphs (C) and (D) of section 403(7) [see 54 U.S.C. 101911(2), 101913(7)(C)]. Any Glacier Bay concession permit awarded under the authority contained in this subsection shall expire by December 31, 2009.”

ALASKA NATIONAL INTEREST LANDS CONSERVATION ACT

Pub. L. 105-391, title IV, § 415(c), Nov. 13, 1998, 112 Stat. 3516, provided that: “Nothing in this title [enacting former sections 5951 to 5966 of Title 16, Conservation, which were repealed and restated in sections 101911 et seq. and 101524 of this title, amending former sections 1a-7 and 3 of Title 16, repealing section 17b-1 and subchapter IV of chapter 1 of Title 16, and enacting provisions set out as notes under this section and sections 100101 and 101912 of this title] amends, supersedes, or otherwise affects any provision of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3101 et seq.) relating to revenue-producing visitor services.”

§ 101912. Findings and declaration of policy

(a) **FINDINGS.**—In furtherance of section 100101(a), Congress finds that the preservation and conservation of System unit resources and values requires that public accommodations, facilities, and services that have to be provided within those System units should be provided only under carefully controlled safeguards against unregulated and indiscriminate use, so that—

(1) visitation will not unduly impair those resources and values; and

(2) development of public accommodations, facilities, and services within System units can best be limited to locations that are consistent to the highest practicable degree with the preservation and conservation of the resources and values of the System units.

(b) **DECLARATION OF POLICY.**—It is the policy of Congress that the development of public accommodations, facilities, and services in System units shall be limited to accommodations, facilities, and services that—

(1) are necessary and appropriate for public use and enjoyment of the System unit in which they are located; and

(2) are consistent to the highest practicable degree with the preservation and conservation of the resources and values of the System unit.

monly known as the National Park Service Concessions Policy Act; 16 U.S.C. 20 et seq.) is repealed. The repeal of such Act shall not affect the validity of any concessions contract or permit entered into under such Act, but the provisions of this title [enacting former sections 5951 to 5966 of Title 16, Conservation, which were repealed and restated in sections 101911 et seq. and 101524 of this title, amending former sections 1a-7 and 3 of Title 16, repealing section 17b-1 and subchapter IV of chapter 1 of Title 16, and enacting provisions set out as notes under this section and sections 100101 and 101911 of this title] shall apply to any such contract or permit except to the extent such provisions are inconsistent with the terms and conditions of any such contract or permit. References in this title to concessions contracts awarded under authority of such Act also apply to concessions permits awarded under such authority."

§ 101913. Award of concession contracts

In furtherance of the findings and policy stated in section 101912 of this title, and except as provided by this subchapter or otherwise authorized by law, the Secretary shall utilize concession contracts to authorize a person, corporation, or other entity to provide accommodations, facilities, and services to visitors to System units. Concession contracts shall be awarded as follows:

(1) **COMPETITIVE SELECTION PROCESS.**—Except as otherwise provided in this section, all proposed concession contracts shall be awarded by the Secretary to the person, corporation, or other entity submitting the best proposal, as determined by the Secretary through a competitive selection process. The competitive process shall include simplified procedures for small, individually-owned entities seeking award of a concession contract.

(2) **SOLICITATION OF PROPOSALS.**—Except as otherwise provided in this section, prior to awarding a new concession contract (including renewals or extensions of existing concession contracts) the Secretary—

(A) shall publicly solicit proposals for the concession contract; and

(B) in connection with the solicitation, shall—

(F) A statement as to the weight to be given to each selection factor identified in the prospectus and the relative importance of those factors in the selection process.

(G) Other information related to the proposed concession operation that is provided to the Secretary pursuant to a concession contract or is otherwise available to the Secretary, as the Secretary determines is necessary to allow for the submission of competitive proposals.

(H) Where applicable, a description of a preferential right to the renewal of the proposed concession contract held by an existing concessioner as set forth in paragraph (7).

(4) **CONSIDERATION OF PROPOSALS.**—

(A) **MINIMUM REQUIREMENTS.**—No proposal shall be considered that fails to meet the minimum requirements as determined by the Secretary. The minimum requirements shall include the following:

(i) The minimum acceptable franchise fee or other forms of consideration to the Federal Government.

(ii) Any facilities, services, or capital investment required to be provided by the concessioner.

(iii) Measures necessary to ensure the protection, conservation, and preservation of resources of the System unit.

(B) **REJECTION OF PROPOSAL.**—The Secretary shall reject any proposal, regardless of the franchise fee offered, if the Secretary determines that—

(i) the person, corporation, or entity is not qualified or is not likely to provide satisfactory service; or

(ii) the proposal is not responsive to the objectives of protecting and preserving resources of the System unit and of providing necessary and appropriate facilities and services to the public at reasonable rates.

(C) **ALL PROPOSALS FAIL TO MEET MINIMUM¹ REQUIREMENTS OR ARE REJECTED.**—If all proposals submitted to the Secretary fail to meet the minimum requirements or are rejected by the Secretary, the Secretary shall establish new minimum contract requirements and re-initiate the competitive selection process pursuant to this section.

(D) **TERMS AND CONDITIONS MATERIALLY AMENDED OR NOT INCORPORATED IN CONTRACT.**—The Secretary may not execute a concession contract that materially amends or does not incorporate the proposed terms and conditions of the concession contract as set forth in the applicable prospectus. (5) **SELECTION OF THE BEST PROPOSAL.**—

¹ So in original. Probably should be "MINIMUM".

(A) **FACTORS IN SELECTION.**—In selecting the best proposal, the Secretary shall consider the following principal factors:

(ii) The experience and related background of the person, corporation, or entity submitting the proposal, including the past performance and expertise of the person, corporation or entity in providing the same or similar facilities or services.

(iii) The financial capability of the person, corporation, or entity submitting the proposal.

(iv) The proposed franchise fee, except that consideration of revenue to the United States shall be subordinate to the objectives of protecting, conserving, and preserving resources of the System unit and of providing necessary and appropriate facilities to the public at reasonable rates.

(B) **SECONDARY FACTORS.**—The Secretary may also consider such secondary factors as the Secretary considers appropriate.

(C) **DEVELOPMENT OF REGULATIONS.**—In developing regulations to implement this subchapter, the Secretary shall consider the extent to which plans for employment of Indians (including Native Alaskans) and involvement of businesses owned by Indians, Indian tribes, or Native Alaskans in the operation of a concession contract should be identified as a factor in the selection of a best proposal under this section.

(6) **CONGRESSIONAL NOTIFICATION.**—

(A) **IN GENERAL.**—The Secretary shall submit any proposed concession contract with anticipated annual gross receipts in excess of \$5,000,000 or a duration of more than 10 years to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate.

(8) **OUTFITTER AND GUIDE SERVICES AND SMALL CONTRACTS.**—

(A) **APPLICATION.**—Paragraph (7) shall apply only to the following:

(i) Subject to subparagraph (B), concession contracts that solely authorize the provision of specialized backcountry outdoor recreation guide services that require the employment of specially trained and experienced guides to accompany System unit visitors in the backcountry so as to provide a safe and enjoyable experience for visitors who otherwise may not have the skills and equipment to engage in that activity.

(ii) Subject to subparagraph (C), concession contracts with anticipated annual gross receipts under \$500,000.

(B) **OUTFITTING AND GUIDE CONCESSIONERS.**—

(i) **DESCRIPTION.**—Outfitting and guide concessioners, where otherwise qualified, include concessioners that provide guided river running, hunting, fishing, horseback, camping, and mountaineering experiences.

(ii) **WHEN ENTITLED TO PREFERENTIAL RIGHT.**—An outfitting and guide concessioner is entitled to a preferential right of renewal under this subchapter only if—

(I) the contract with the outfitting and guide concessioner does not grant the concessioner any interest, including any leasehold surrender interest or possessory interest, in capital improvements on land owned by the United States within a System unit, other than a capital improvement constructed by a concessioner pursuant to the terms of a concession contract prior to November 13, 1998, or constructed or owned by a concessioner or the concessioner's predecessor before the subject land was incorporated into the System;

(II) the Secretary determines that the concessioner has operated satisfactorily during the term of the contract (including any extension); and

(III) the concessioner has submitted a responsive proposal for a proposed new concession contract that satisfies the minimum requirements established by the Secretary pursuant to paragraph (4).

(C) **CONTRACT WITH ESTIMATED GROSS RECEIPTS OF LESS THAN \$500,000.**—A concessioner that holds a concession contract that the Secretary estimates will result in gross annual receipts of less than \$500,000 if renewed shall be entitled to a preferential right of renewal under this subchapter if—

(i) the Secretary has determined that the concessioner has operated satisfactorily during the term of the contract (including any extension); and

(ii) the concessioner has submitted a responsive proposal for a proposed new concession contract that satisfies the minimum requirements established by the Secretary pursuant to paragraph (4).

(9) **NEW OR ADDITIONAL SERVICES.**—The Secretary shall not grant a preferential right to a

concessioner to provide new or additional services in a System unit.

(10) **AUTHORITY OF SECRETARY NOT LIMITED.**—Nothing in this subchapter shall be construed as limiting the authority of the Secretary to determine whether to issue a concession contract or to establish its terms and conditions in furtherance of the policies expressed in this subchapter.

(11) **EXCEPTIONS.**—Notwithstanding this section, the Secretary may award, without public solicitation, the following:

(A) **TEMPORARY CONTRACT.**—To avoid interruption of services to the public at a System unit, the Secretary may award a temporary concession contract or an extension of an existing concessions contract for a term not to exceed 3 years, except that prior to making the award, the Secretary shall take all reasonable and appropriate steps to consider alternatives to avoid the interruption.

(B) **CONTRACT IN EXTRAORDINARY CIRCUMSTANCES.**—The Secretary may award a concession contract in extraordinary circumstances where compelling and equitable considerations require the award of a concession contract to a particular party in the public interest. Award of a concession contract under this subparagraph shall not be made by the Secretary until at least 30 days after—

(i) publication in the Federal Register of notice of the Secretary’s intention to award the contract and the reasons for the action; and

A concession contract entered into pursuant to this subchapter shall generally be awarded for a term of 10 years or less. The Secretary may award a contract for a term of up to 20 years if

§ 101915. Protection of concessioner investment

(a) **DEFINITIONS.**—In this section:

(1) **CAPITAL IMPROVEMENT.**—The term “capital improvement” means a structure, a fixture, or nonremovable equipment provided by a concessioner pursuant to the terms of a concession contract and located on land of the United States within a System unit.

(2) **CONSUMER PRICE INDEX.**—The term “Consumer Price Index” means—

(A) the “Consumer Price Index—All Urban Consumers” published by the Bureau of Labor Statistics of the Department of Labor; or

(B) if the Index is not published, another regularly published cost-of-living index approximating the Consumer Price Index.

(b) **LEASEHOLD SURRENDER INTEREST IN CAPITAL IMPROVEMENTS.**—A concessioner that constructs a capital improvement on land owned by the United States within a System unit pursuant to a concession contract shall have a leasehold surrender interest in the capital improvement subject to the following terms and conditions:

(1) **IN GENERAL.**—A concessioner shall have a leasehold surrender interest in each capital improvement constructed by a concessioner under a concession contract, consisting solely of a right to compensation for the capital improvement to the extent of the value of the concessioner’s leasehold surrender interest in the capital improvement.

(2) **PLEDGE AS SECURITY.**—A leasehold surrender interest may be pledged as security for financing of a capital improvement or the acquisition of a concession contract when approved by the Secretary pursuant to this subchapter.

(3) **TRANSFER AND RELINQUISHMENT OR WAIVER OF INTEREST.**—A leasehold surrender interest shall be transferred by the concessioner in connection with any transfer of the concession contract and may be relinquished or waived by the concessioner.

(4) **LIMIT ON EXTINGUISHING OR TAKING INTEREST.**—A leasehold surrender interest shall not be extinguished by the expiration or other termination of a concession contract and may not be taken for public use except on payment of just compensation.

(5) **VALUE OF INTEREST.**—The value of a leasehold surrender interest in a capital improvement shall be an amount equal to the initial value (construction cost of the capital improvement), increased (or decreased) by the

same percentage increase (or decrease) as the percentage increase (or decrease) in the Consumer Price Index, from the date of making the investment in the capital improvement by the concessioner to the date of payment of the value of the leasehold surrender interest, less depreciation of the capital improvement as evidenced by the condition and prospective serviceability in comparison with a new unit of like kind.

(6) VALUE OF INTEREST IN CERTAIN NEW CONCESSION CONTRACTS.—

(A) HOW VALUE IS DETERMINED.—The Secretary may provide, in any new concession contract that the Secretary estimates will have a leasehold surrender interest of more than \$10,000,000, that the value of any leasehold surrender interest in a capital improvement shall be based on—

(i) a reduction on an annual basis, in equal portions, over the same number of years as the time period associated with the straight line depreciation of the initial value (construction cost of the capital improvement), as provided by applicable Federal income tax laws and regulations in effect on November 12, 1998; or

(ii) an alternative formula that is consistent with the objectives of this subchapter.

(B) WHEN ALTERNATIVE FORMULA MAY BE USED.—The Secretary may use an alternative formula under subparagraph (A)(ii) only if the Secretary determines, after scrutiny of the financial and other circumstances involved in the particular concession contract (including providing notice in the Federal Register and opportunity for comment), that the alternative formula is, compared to the standard method of determining value provided for in paragraph (5), necessary to provide a fair return to the Federal Government and to foster competition for the new contract by providing a reasonable opportunity to make a profit under the new contract. If no responsive offers are received in response to a solicitation that includes the alternative formula, the concession opportunity shall be resolicited with the leasehold surrender interest value as described in paragraph (5).

(7) INCREASE IN VALUE OF INTEREST.—Where a concessioner, pursuant to the terms of a concession contract, makes a capital improvement to an existing capital improvement in which the concessioner has a leasehold surrender interest, the cost of the additional capital improvement shall be added to the then-current value of the concessioner's leasehold surrender interest.

(c) SPECIAL RULE FOR POSSESSORY INTEREST EXISTING BEFORE NOVEMBER 13, 1998.—

(1) IN GENERAL.—A concessioner that has obtained a possessory interest (as defined pursuant to the Act of October 9, 1965 (known as the National Park Service Concessions Policy Act; Public Law 89-249, 79 Stat. 969), as in effect on November 12, 1998) under the terms of a concession contract entered into before November 13, 1998, shall, on the expiration or termi-

nation of the concession contract, be entitled to receive compensation for the possessory interest improvements in the amount and manner as described by the concession contract. Where that possessory interest is not described in the existing concession contract, compensation of possessory interest shall be determined in accordance with the laws in effect on November 12, 1998.

(2) EXISTING CONCESSIONER AWARDED A NEW CONTRACT.—A concessioner awarded a new concession contract to replace an existing concession contract after November 13, 1998, instead of directly receiving the possessory interest compensation, shall have a leasehold surrender interest in its existing possessory interest improvements under the terms of the new concession contract and shall carry over as the initial value of the leasehold surrender interest (instead of construction cost) an amount equal to the value of the existing possessory interest as of the termination date of the previous concession contract. The Court of Federal Claims may make an order affirming, vacating, modifying or correcting the determination decision.

(d) TRANSITION TO SUCCESSOR CONCESSIONER.—On expiration or termination of a concession contract entered into after November 13, 1998, a concessioner shall be entitled under the terms of the concession contract to receive from the United States or a successor concessioner the value of any leasehold surrender interest in a capital improvement as of the date of the expiration or termination. A successor concessioner shall have a leasehold surrender interest in the capital improvement under the terms of a new concession contract and the initial value of the leasehold surrender interest in the capital improvement (instead of construction cost) shall be the amount of money the new concessioner is required to pay the prior concessioner for its

leasehold surrender interest under the terms of the prior concession contract.

§ 101916. Reasonableness of rates and charges

(a) IN GENERAL.—A concession contract shall permit the concessioner to set reasonable and appropriate rates and charges for facilities, goods, and services provided to the public, subject to approval under subsection (b).

(b) APPROVAL BY SECRETARY REQUIRED.—

(1) FACTORS TO CONSIDER.—A concessioner’s rates and charges to the public shall be subject to approval by the Secretary. The approval process utilized by the Secretary shall be as prompt and as unburdensome to the concessioner as possible and shall rely on market forces to establish reasonableness of rates and charges to the maximum extent practicable. The Secretary shall approve rates and charges that the Secretary determines to be reasonable and appropriate. Unless otherwise provided in the concession contract, the reasonableness and appropriateness of rates and charges shall be determined primarily by comparison with those rates and charges for facilities, goods, and services of comparable character under similar conditions, with due consideration to the following factors and other factors deemed relevant by the Secretary:

§ 101917. Franchise fees

(a) IN GENERAL.—A concession contract shall provide for payment to the Federal Government of a franchise fee or other monetary consideration as determined by the Secretary, on consideration of the probable value to the concessioner of the privileges granted by the particular contract involved. Probable value shall be based on a reasonable opportunity for net profit in relation to capital invested and the obligations of the concession contract. Consideration of revenue to the United States shall be subordinate to the objectives of protecting and preserving System units and of providing necessary and appropriate services for visitors at reasonable rates.

(b) PROVISIONS TO BE SPECIFIED IN CONTRACT.—The amount of the franchise fee or other monetary consideration paid to the United States for the term of the concession contract shall be specified in the concession contract and may be modified only to reflect extraordinary unanticipated changes from the conditions anticipated as of the effective date of the concession contract. The Secretary shall include in concession contracts with a term of more than 5 years a provision that allows reconsideration of the franchise fee at the request of the Secretary or the concessioner in the event of extraordinary unanticipated changes. The provision shall provide for binding arbitration in the event that the Secretary and the concessioner are unable to agree on an adjustment to the franchise fee in those circumstances.

(c) SPECIAL ACCOUNT IN TREASURY.—

(1) DEPOSIT AND AVAILABILITY.—All franchise fees (and other monetary consideration) paid to the United States pursuant to concession contracts shall be deposited in a special account established in the Treasury. Twenty percent of the funds deposited in the special account shall be available for expenditure by the Secretary, without further appropriation, to support activities throughout the System regardless of the System unit in which the funds were collected. The funds deposited in the special account shall remain available until expended.

(2) SUBACCOUNT FOR EACH SYSTEM UNIT.—There shall be established within the special

account a subaccount for each System unit. Each subaccount shall be credited with 80 percent of the franchise fees (and other monetary consideration) collected at a single System unit under concession contracts. The funds credited to the subaccount for a System unit shall be available for expenditure by the Secretary, without further appropriation, for use at the System unit for visitor services and for purposes of funding high-priority and urgently necessary resource management programs and operations. The funds credited to a subaccount shall remain available until expended.

In this section, the words "or Secretary of the Air Force" and "or Regular Air Force" are added because certain functions, personnel, and property, insofar as they pertain to the Air Force, were transferred from the Secretary of the Army and Department of the Army to the Secretary of the Air Force and Department of the Air Force by Secretary of Defense Transfer Order Nos. 1, September 26, 1947; 10, April 27, 1948; and 40 [App. B(65)], July 22, 1949.

Section 103303 is substituted for 16 U.S.C. 421 to eliminate obsolete words because there no longer are park commissioners for the national military parks. The references to the Secretary of the Army are changed to the Secretary the Interior because the administrative functions of certain national military parks were transferred to the Department of the Interior by section 2 of Executive Order No. 6166, June 10, 1933, and section 1 of Executive Order No. 6228, July 28, 1933, set out as a note under section 901 of Title 5, Government Organization and Employees. References to the National Park Service were substituted for references to

the Office of National Parks, Buildings, and Reservations in section 2 of Executive Order No. 6166 because of the last paragraph under the heading “OFFICE OF NATIONAL PARKS, BUILDINGS, AND RESERVATIONS” in section 1 of the Act of March 2, 1934 (ch. 38, 48 Stat. 389).

§ 103304. Recovery of land withheld

(a) CIVIL ACTION.—The United States may bring a civil action in the courts of the United States against a person to whom land lying within a national military park has been leased that refuses to give up possession of the land to the United States after the termination of the lease, and after possession has been demanded for the United States by the park superintendent, or against a person retaining possession of land lying within the boundary of a national military park that the person has sold to the United States for park purposes and received payment therefor, after possession of the land has been demanded for the United States by the park superintendent, to recover possession of the land withheld. The civil action shall be brought according to the statutes of the State in which the national military park is situated.

(b) TRESPASS.—A person described in subsection (a) shall be guilty of trespass.

§ 104906. Protection of right of individuals to bear arms

(a) FINDINGS.—Congress finds the following:

(1) The 2d amendment to the Constitution provides that “the right of the people to keep and bear Arms, shall not be infringed”.

(2) Section 2.4(a)(1) of title 36, Code of Federal Regulations, provides that “except as otherwise provided in this section and parts 7 (special regulations) and 13 (Alaska regulations), the following are prohibited: (i) Possessing a weapon, trap or net (ii) Carrying a weapon, trap or net (iii) Using a weapon, trap or net”.

(3) The regulations described in paragraph (2) prevent individuals complying with Federal and State laws from exercising the 2d amendment rights of the individuals while at System units.

(4) The existence of different laws relating to the transportation and possession of firearms at different System units entrapped law-abiding gun owners while at System units.

(5) Although the Bush administration issued new regulations relating to the 2d amendment rights of law-abiding citizens in System units that went into effect on January 9, 2009—

(A) on March 19, 2009, the United States District Court for the District of Columbia

granted a preliminary injunction with respect to the implementation and enforcement of the new regulations; and

- (B) the new regulations—
(i) are under review by the Obama administration; and
(ii) may be altered.

(6) Congress needs to weigh in on the new regulations to ensure that unelected bureaucrats and judges cannot again override the 2d amendment rights of law-abiding citizens on 83,600,000 acres of System land.

(7) Federal laws should make it clear that the 2d amendment rights of an individual at a System unit should not be infringed.

(b) PROTECTION OF RIGHT OF INDIVIDUALS TO BEAR ARMS IN SYSTEM UNITS.—The Secretary shall not promulgate or enforce any regulation that prohibits an individual from possessing a firearm, including an assembled or functional firearm, in any System unit if—

- (1) the individual is not otherwise prohibited by law from possessing the firearm; and
(2) the possession of the firearm is in compliance with the law of the State in which the System unit is located.

A 21ST CENTURY STRATEGY FOR AMERICA’S GREAT OUTDOORS

Memorandum of President of the United States, Apr. 16, 2010, 75 F.R. 20767, provided:

Memorandum for the Secretary of the Interior[,] the Secretary of Agriculture[,] the Administrator of the Environmental Protection Agency[, and] the Chair of the Council on Environmental Quality

Americans are blessed with a vast and varied natural heritage. From mountains to deserts and from sea to shining sea, America’s great outdoors have shaped the rugged independence and sense of community that define the American spirit. Our working landscapes, cultural sites, parks, coasts, wild lands, rivers, and streams are gifts that we have inherited from previous generations. They are the places that offer us refuge from daily demands, renew our spirits, and enhance our fondest memories, whether they are fishing with a grandchild in a favorite spot, hiking a trail with a friend, or enjoying a family picnic in a neighborhood park. They also are our farms, ranches, and forests—the working lands that have fed and sustained us for generations. Americans take pride in these places, and share a responsibility to preserve them for our children and grandchildren.

Today, however, we are losing touch with too many of the places and proud traditions that have helped to make America special. Farms, ranches, forests, and other valuable natural resources are disappearing at an alarming rate. Families are spending less time together enjoying their natural surroundings. Despite our conservation efforts, too many of our fields are becoming fragmented, too many of our rivers and streams are becoming polluted, and we are losing our connection to the parks, wild places, and open spaces we grew up with and cherish. Children, especially, are spending less time outside running and playing, fishing and hunting, and connecting to the outdoors just down the street or outside of town.

Across America, communities are uniting to protect the places they love, and developing new approaches to saving and enjoying the outdoors. They are bringing together farmers and ranchers, land trusts, recreation and conservation groups, sportsmen, community park groups, governments and industry, and people from all over the country to develop new partnerships and innovative programs to protect and restore our outdoors legacy. However, these efforts are often scattered and sometimes insufficient. The Federal Government, the Nation’s largest land manager, has a responsibility to engage with these partners to help develop a conservation agenda worthy of the 21st Century. We must look to the private sector and nonprofit organizations, as well as towns, cities, and States, and the people who live and work in them, to identify the places that mean the most to Americans, and leverage the support of the

Federal Government to help these community-driven efforts to succeed. Through these partnerships, we will work to connect these outdoor spaces to each other, and to reconnect Americans to them.

For these reasons, it is hereby ordered as follows:

SECTION 1. *Establishment.*

(a) There is established the America’s Great Outdoors Initiative (Initiative), to be led by the Secretaries of the Interior and Agriculture, the Administrator of the Environmental Protection Agency, and the Chair of the Council on Environmental Quality (CEQ) and implemented in coordination with the agencies listed in section 2(b) of this memorandum. The Initiative may include the heads of other executive branch departments, agencies, and offices (agencies) as the President may, from time to time, designate.

(b) The goals of the Initiative shall be to:

(i) Reconnect Americans, especially children, to America’s rivers and waterways, landscapes of national significance, ranches, farms and forests, great parks, and coasts and beaches by exploring a variety of efforts, including:

(A) promoting community-based recreation and conservation, including local parks, greenways, beaches, and waterways;

(B) advancing job and volunteer opportunities related to conservation and outdoor recreation; and

(C) supporting existing programs and projects that educate and engage Americans in our history, culture, and natural bounty.

(ii) Build upon State, local, private, and tribal priorities for the conservation of land, water, wildlife, historic, and cultural resources, creating corridors and connectivity across these outdoor spaces, and for enhancing neighborhood parks; and determine how the Federal Government can best advance those priorities through public private partnerships and locally supported conservation strategies.

(iii) Use science-based management practices to restore and protect our lands and waters for future generations.

SEC. 2. *Functions.* The functions of the Initiative shall include:

(a) *Outreach.* The Initiative shall conduct listening and learning sessions around the country where land and waters are being conserved and community parks are being established in innovative ways. These sessions should engage the full range of interested groups, including tribal leaders, farmers and ranchers, sportsmen, community park groups, foresters, youth groups, businesspeople, educators, State and local governments, and recreation and conservation groups. Special attention should be given to bringing young Americans into the conversation. These listening sessions will inform the reports required in subsection (c) of this section.

(b) *Interagency Coordination.* The following agencies shall work with the Initiative to identify existing resources and align policies and programs to achieve its goals:

- (i) the Department of Defense;
- (ii) the Department of Commerce;
- (iii) the Department of Housing and Urban Development;
- (iv) the Department of Health and Human Services;
- (v) the Department of Labor;
- (vi) the Department of Transportation;
- (vii) the Department of Education; and
- (viii) the Office of Management and Budget (OMB).

(c) *Reports.* The Initiative shall submit, through the Chair of the CEQ, the following reports to the President:

(i) Report on America’s Great Outdoors. By November 15, 2010, the Initiative shall submit a report that includes the following:

(A) a review of successful and promising nonfederal conservation approaches;

(B) an analysis of existing Federal resources and programs that could be used to complement those approaches;

(C) proposed strategies and activities to achieve the goals of the Initiative; and

(D) an action plan to meet the goals of the Initiative.

The report should reflect the constraints in resources available in, and be consistent with, the Federal budget. It should recommend efficient and effective use of existing resources, as well as opportunities to leverage nonfederal public and private resources and nontraditional conservation programs.

(ii) Annual reports. By September 30, 2011, and September 30, 2012, the Initiative shall submit reports on its progress in implementing the action plan developed pursuant to subsection (c)(i)(D) of this section.

SEC. 3. *General Provisions.*

(a) This memorandum shall be implemented consistent with applicable law and subject to the availability of any necessary appropriations.

(b) This memorandum does not create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(c) The heads of executive departments and agencies shall assist and provide information to the Initiative, consistent with applicable law, as may be necessary to carry out the functions of the Initiative. Each executive department and agency shall bear its own expenses of participating in the Initiative.

(d) Nothing in this memorandum shall be construed to impair or otherwise affect the functions of the Director of the OMB relating to budgetary, administrative, or legislative proposals.

(e) The Chair of the CEQ is authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

EX. ORD. NO. 11200. ESTABLISHMENT OF RECREATION USER FEES

Ex. Ord. No. 11200, Feb. 26, 1965, 30 F.R. 2645, provided: WHEREAS it is desirable that all American people of present and future generations be assured adequate outdoor recreation resources, and it is desirable for all levels of government and private interests to take prompt and coordinated action to the extent practicable without diminishing or affecting their respective powers and functions to conserve, develop, and utilize such resources for the benefit and enjoyment of the American people; and

WHEREAS these resources are to a considerable extent located on lands administered by the Federal Government through the National Park Service, the Bureau of Land Management, the Bureau of Sport Fisheries and Wildlife, the Bureau of Reclamation, the Forest Service, the Corps of Engineers, the Tennessee Valley Authority and the United States Section of the International Boundary and Water Commission (United States and Mexico); and

WHEREAS the Act of May 28, 1963, 77 Stat. 49 [see 54 U.S.C. 200101 et seq.], vested the Secretary of the Interior with legal authority to promote coordination of Federal plans and activities generally relating to outdoor recreation; and

WHEREAS it is fair and equitable that the users of certain recreation areas and facilities managed by such agencies pay a reasonable fee for the recreation benefits received; and

WHEREAS it is desirable to establish uniformity of practices among such Federal agencies regarding recreation user fees and related matters; and

WHEREAS the Congress, recognizing the need for urgent and effective action in this regard, enacted the Land and Water Conservation Fund Act of 1965, Public Law 88-578; 78 Stat. 897 [see 54 U.S.C. 200301 et seq.] (hereafter in this order referred to as "the Act");

NOW, THEREFORE, by virtue of the authority vested in me by the Act, by Section 301 of title 3 of the United States Code, and as President of the United States, it is ordered as follows:

SECTION 1. *Designation of areas for 1965.* (a) All areas administered by the National Park Service, Bureau of Land Management, Bureau of Sport Fisheries and Wildlife, Bureau of Reclamation, Forest Service, Corps of Engineers, Tennessee Valley Authority, and the United States Section of the International Boundary and Water Commission (United States and Mexico), at which entrance, admission, or other recreation user fees (hereafter in this order referred to as "recreation user fees") were collected directly by those Federal agencies during any part of 1964 are hereby designated, pursuant to Section 2(a) of the Act [former 16 U.S.C. 4601-5(a)], as areas at which recreation user fees shall be charged during 1965.

(b) The Secretary of the Interior, the Secretary of Agriculture, the Secretary of Defense, the Board of Directors of the Tennessee Valley Authority, and the Commissioner, United States Section of the Inter-

national Boundary and Water Commission (United States and Mexico), or their designees, shall, by April 1, 1965, designate any additional areas under their respective jurisdictions at which recreation user fees are to be charged during 1965.

(c) Recreation user fees for such areas shall be prescribed as provided in Section 5 of this Order.

SEC. 2. *Designation of areas for years after 1965.* (a) Subject to the provisions of subsection (b) of this section, the areas designated by Section 1(a), or pursuant to Section 1(b), of this Order are hereby designated as areas for which recreation user fees shall be charged for years after 1965.

(b) The officials described in Section 1(b) of this Order shall, before January 1, 1966, and at least annually thereafter, review all areas then under their respective jurisdictions, including those described in subsection (a) of this section, to determine (1) whether any additional areas should, in accordance with the designation criteria prescribed by Section 3 of this Order (or under those designation criteria as revised by the Secretary of the Interior pursuant to Section 6(c) of this Order), be designated as areas for which recreation user fees shall be charged, or (2) whether the recreation user fee for any area theretofore designated should be increased, reduced, or eliminated under the designation criteria then in effect.

(c)(1) Whenever, in accordance with subsection (b) of this section, it is determined that the recreation user fee for an area should be reduced or eliminated, such action shall be taken forthwith.

(2) Whenever, in accordance with subsection (b) of this section, it is determined that a recreation user fee should be charged with respect to an area with respect to which no such fee has theretofore been charged, such new fee shall be charged only after the posting requirements of Section 4 of this Order have been satisfied.

SEC. 3. *Criteria for designation of areas.* Areas shall, in accordance with Section 1(b) and Section 2(b) of this Order and to the extent permitted by the Act, be designated as areas at which recreation user fees shall be charged if the following conditions are found to exist concurrently:

(1) The area is administered by any of the eight agencies specified in Section 1(a) of this Order;

(2) The area is administered primarily for scenic, scientific, historical, cultural, or recreational purposes;

(3) The area has recreation facilities or services provided at Federal expense; and

(4) The nature of the area is such that fee collection is administratively and economically practical.

(b) Areas designated as those at which recreation user fees shall be charged shall hereafter in this Order be referred to as "designated areas."

SEC. 4. *Posting of designated areas.* The heads of administering agencies and departments shall provide for the posting of signs at all designated areas such as will clearly notify the visiting public that recreation user fees are charged therein. All areas designated pursuant to Sections 1 and 2 of this Order shall be so posted prior to the beginning of the recreation season or as soon as practicable following designation. No recreation user fee established pursuant to this Order shall be effective with respect to any designated area until that designated area has been posted.

SEC. 5. *Establishment of fees.* (a) Each official described in Section 1(b) of this Order shall, subject to the criteria prescribed by the Secretary of the Interior, establish a recreation user fee for each designated area administered under his jurisdiction by selecting from a schedule of fees, prescribed by the Secretary of the Interior pursuant to Section 6 of this Order, the fee which is appropriate for each such designated area under criteria prescribed by the Secretary pursuant to that section. Each such official shall also specify which designated areas shall be excluded from the coverage of the annual fee described in Section 2(a)(1) of the Act [former 16 U.S.C. 4601-5(a)(i)] and which, as a result of that exclusion will be subject to the fee described in Section 2(a)(iii) of the Act [former 16 U.S.C.

460l-5(a)(iii)]. The range of recreation user fees to be charged and the criteria for their selection shall be established under the procedures prescribed by Section 6 of this Order.

(b) The Secretary of the Interior shall prescribe the procedures for the production, distribution, and sale of the Land and Water Conservation Fund Sticker, which shall be issued to those individuals who elect to pay the annual fees. The Secretary of the Interior shall also prescribe the manner in which the Sticker shall be displayed. The conditions under which it may be used shall be determined under the procedures prescribed by Section 6 of this Order.

SEC. 6. *Coordination.* (a) The Secretary of the Interior shall after consultation with the heads of other affected departments and agencies, adopt such coordination measures as are necessary to carry out the purposes of Sections 2(a) and 4(a) of the Act [former 16 U.S.C. 460l-5(a), 460l-7(a)] and the provisions of this order.

(b)(1) In order that the purposes of the Act and of this Order may be effectuated without delay, the Secretary of the Interior shall, subject to the limitations imposed by the Act and without regard to the other provisions of this section, forthwith issue a schedule of recreation user fees and criteria to be used in determining which such fees shall be charged with respect to each of the designated areas.

(2) Subject to the limitations imposed by the Act and subject to the provisions of subsections (a), (c), and (d) of this section, the Secretary of the Interior may, from time to time, amend or replace the schedule of fees and the criteria prescribed by him pursuant to subsection (b)(1) of this section.

(c) Subject to the limits set forth in the Act, the measures which the Secretary of the Interior may adopt pursuant to subsection (a) of this section may include, but are not limited to, the following—

(1) Initial preparation and coordination of the comprehensive statement of estimated requirements during the ensuing fiscal year for appropriations from the Land and Water Conservation Fund, as required by Section 4(a) of the act [former 16 U.S.C. 460l-7(a)].

(2) Development of such additional procedures and interpretive materials as are necessary to facilitate the implementation of this Order and related provisions of the Act.

(3) Review and revision, if needed, of the criteria for designation set forth in Section 3 of this Order.

(d) Except with respect to the schedule of fees and the criteria prescribed by the Secretary pursuant to subsection (b)(1) of this section, measures and regulations adopted by the Secretary pursuant to this Order shall not become effective until 30 days after they are presented for the consideration of the other officials described in Section 1(b). Any such official who does not concur in any such measure or regulation may, within that 30-day period, refer the matter to the Recreation Advisory Council established under Executive Order No. 11017 [superseded by Ex. Ord. No. 11278, which in turn was revoked by Ex. Ord. No. 11472, which is set out as a note under section 4321 of Title 42, The Public Health and Welfare] for resolution. If a proposed measure is referred to the Council for resolution, it shall not become effective until approved by the Council. With the approval of all other officials described in Section 1(b) of this Order, the provisions of this subsection may be waived with respect to any specific measure or regulation adopted by the Secretary of the Interior pursuant to this order so that any such measure or regulation may be made effective before the expiration of the 30-day waiting period prescribed by the first sentence of this subsection.

SEC. 7. *Review of contracts.* The officials described in Section 1(b) of this Order shall, within a reasonable time, review all existing contracts and other arrangements between their respective agencies and any non-Federal public entity which relate to non-Federal management of Federally-owned outdoor recreation areas. Special attention shall be given to any provision in any

such contract or other arrangement which prohibits or discourages in any way such non-Federal public entity from charging recreation user fees. Unless otherwise prohibited by law, each such restrictive provision shall be the subject of renegotiation designed to accomplish a modification thereof that will permit the charging of recreation user fees.

SEC. 8. *Regulations.* The Secretary of the Interior is authorized to issue such regulations as may be necessary to carry out his functions under this Order.

§ 200305. Financial assistance to States

(a) **AUTHORITY OF SECRETARY TO MAKE PAYMENTS.**—The Secretary may provide financial assistance to the States from amounts available for State purposes. Payments may be made to the States by the Secretary as provided in this section, subject to such terms and conditions as the Secretary considers appropriate and in the public interest to carry out the purposes of this chapter, for outdoor recreation:

- (1) Planning.
- (2) Acquisition of land, water, or interests in land or water.
- (3) Development.

(b) APPORTIONMENT AMONG STATES.—Amounts appropriated and available for State purposes for each fiscal year shall be apportioned among the States by the Secretary, whose determination shall be final, in accordance with the following formula:

(1) Forty percent of the 1st \$225,000,000; 30 percent of the next \$275,000,000; and 20 percent of all additional appropriations shall be apportioned equally among the States.

(2) At any time, the remaining appropriation shall be apportioned on the basis of need to individual States by the Secretary in such amounts as in the Secretary's judgment will best accomplish the purposes of this chapter. The determination of need shall include consideration of—

(A) the proportion that the population of each State bears to the total population of the United States;

(B) the use of outdoor recreation resources of each State by persons from outside the State; and

(C) the Federal resources and programs in each State.

(3) The total allocation to a State under paragraphs (1) and (2) shall not exceed 10 percent of the total amount allocated to all of the States in any one year.

(4) The Secretary shall notify each State of its apportionments. The amounts shall be available for payment to the State for planning, acquisition, or development projects as prescribed. Any amount of any apportionment that has not been paid or obligated by the Secretary during the fiscal year in which the notification is given and for 2 fiscal years thereafter shall be reapportioned by the Secretary in accordance with paragraph (2) without regard to the 10 percent limitation to an individual State specified in this subsection.

(5) For the purposes of paragraph (1), the District of Columbia, Puerto Rico, Guam, American Samoa, the Virgin Islands, and the Northern Mariana Islands shall be deemed to be one State, and shall receive shares of the apportionment in proportion to their populations.

(c) MATCHING REQUIREMENTS.—Payments to any State shall cover not more than 50 percent of the cost of planning, acquisition, or development projects that are undertaken by the State. The remaining share of the cost shall be borne by the State in a manner and with funds or services as shall be satisfactory to the Secretary.

(d) COMPREHENSIVE STATE PLAN.—

(1) REQUIRED FOR CONSIDERATION OF FINANCIAL ASSISTANCE.—A comprehensive statewide outdoor recreation plan shall be required prior to the consideration by the Secretary of financial assistance for acquisition or development projects. The plan shall be adequate if, in the judgment of the Secretary, it encompasses and will promote the purposes of this chapter. No plan shall be approved unless the chief executive official of the State certifies that ample

opportunity for public participation in plan development and revision has been accorded. The Secretary shall develop, in consultation with others, criteria for public participation, which criteria shall constitute the basis for the certification by the chief executive official. The plan shall contain—

(A) the name of the State agency that will have authority to represent and act for the State in dealing with the Secretary for purposes of this chapter;

(B) an evaluation of the demand for and supply of outdoor recreation resources and facilities in the State;

(C) a program for the implementation of the plan; and

(D) other necessary information, as determined by the Secretary.

(2) FACTORS TO BE CONSIDERED.—The plan shall take into account relevant Federal resources and programs and shall be correlated so far as practicable with other State, regional, and local plans. Where there exists or is in preparation for any particular State a comprehensive plan financed in part with funds supplied by the Secretary of Housing and Urban Development, any statewide outdoor recreation plan prepared for purposes of this part shall be based on the same population, growth, and other pertinent factors as are used in formulating plans financed by the Secretary of Housing and Urban Development.

(3) PROVISION OF ASSISTANCE WHEN PLAN NOT OTHERWISE AVAILABLE OR TO MAINTAIN PLAN.—The Secretary may provide financial assistance to any State for projects for the preparation of a comprehensive statewide outdoor recreation plan when the plan is not otherwise available or for the maintenance of the plan.

(4) WETLANDS.—A comprehensive statewide outdoor recreation plan shall specifically address wetlands within the State as an important outdoor recreation resource as a prerequisite to approval, except that a revised comprehensive statewide outdoor recreation plan shall not be required by the Secretary, if a State submits, and the Secretary, acting through the Director, approves, as a part of and as an addendum to the existing comprehensive statewide outdoor recreation plan, a wetlands priority plan developed in consultation with the State agency with responsibility for fish and wildlife resources and consistent with the national wetlands priority conservation plan developed under section 301 of the Emergency Wetlands Resources Act of 1986 (16 U.S.C. 3921) or, if the national plan has not been completed, consistent with the provisions of that section.

(e) PROJECTS FOR LAND AND WATER ACQUISITION AND DEVELOPMENT OF BASIC OUTDOOR RECREATION FACILITIES.—

(1) IN GENERAL.—In addition to assistance for planning projects, the Secretary may provide financial assistance to any State for the types of projects described in paragraphs (2) and (3), or combinations of those projects, if the projects are in accordance with the State comprehensive plan.

(2) ACQUISITION OF LAND OR WATER.—

(A) IN GENERAL.—Under paragraph (1), the Secretary may provide financial assistance for a project for the acquisition of land, water, or an interest in land or water, or a wetland area or an interest in a wetland area, as identified in the wetlands provisions of the comprehensive plan (other than land, water, or an interest in land or water acquired from the United States for less than fair market value), but not including incidental costs relating to acquisition.

(B) RETENTION OF RIGHT OF USE AND OCCUPANCY.—When a State provides that the owner of a single-family residence may, at the owner's option, elect to retain a right of use and occupancy for not less than 6 months after the date of acquisition of the residence and the owner elects to retain such a right—

(i) the owner shall be deemed to have waived any benefits under sections 203 to 206 of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4623 to 4626); and

(ii) for the purposes of those sections the owner shall not be deemed to be a displaced person as defined in section 101 of that Act (42 U.S.C. 4601).

(3) DEVELOPMENT OF BASIC OUTDOOR RECREATION FACILITIES.—Under paragraph (1), the Secretary may provide financial assistance for a project for development of basic outdoor recreation facilities to serve the general public, including the development of Federal land under lease to States for terms of 25 years or more. No assistance shall be available under this chapter to enclose or shelter a facility normally used for an outdoor recreation activity, but the Secretary may permit local funding, not to exceed 10 percent of the total amount allocated to a State in any one year, to be used for construction of a sheltered facility for a swimming pool or ice skating rink in an area where the Secretary determines that the construction is justified by the severity of climatic conditions and the increased public use made possible by the construction.

(f) PAYMENTS.—

(1) CRITERIA FOR MAKING PAYMENTS.—The Secretary may make a payment to a State only for a planning, acquisition, or development project that is approved by the Secretary. The Secretary shall not make a payment for or on account of any project with respect to which financial assistance has been given or promised under any other Federal program or activity, and no financial assistance shall be given under any other Federal program or activity for or on account of any project with respect to which the assistance has been given or promised under this chapter. The Secretary may make payments from time to time in keeping with the rate of progress toward the satisfactory completion of a project. The approval of all projects and all payments, or any commitments relating thereto, shall be withheld until the Secretary receives appropriate written assurance from the State that the State has the ability and intention to finance its share of the cost of all

of the projects, and to operate and maintain by acceptable standards, at State expense, the properties or facilities acquired or developed for public outdoor recreation use.

(2) PAYMENT RECIPIENTS.—Payments for all projects shall be made by the Secretary to the chief executive official of the State or to a State official or agency designated by the chief executive official or by State law having authority and responsibility to accept and to administer funds paid under this section for approved projects. If consistent with an approved project, funds may be transferred by the State to a political subdivision or other appropriate public agency.

(3) CONVERSION TO OTHER THAN PUBLIC OUTDOOR RECREATION USE.—No property acquired or developed with assistance under this section shall, without the approval of the Secretary, be converted to other than public outdoor recreation use. The Secretary shall approve a conversion only if the Secretary finds it to be in accordance with the then-existing comprehensive statewide outdoor recreation plan and only on such conditions as the Secretary considers necessary to ensure the substitution of other recreation properties of at least equal fair market value and of reasonably equivalent usefulness and location. Wetland areas and interests therein as identified in the wetlands provisions of the comprehensive plan and proposed to be acquired as suitable replacement property within the same State that is otherwise acceptable to the Secretary, acting through the Director, shall be deemed to be of reasonably equivalent usefulness with the property proposed for conversion.

(4) REPORTS AND ACCOUNTING PROCEDURES.—No payment shall be made to any State until the State has agreed to—

Pub. L. 95-625, title X, §1003, Nov. 10, 1978, 92 Stat. 3539; Pub. L. 103-322, title III, §§31501, 31505(b), Sept. 13, 1994, 108 Stat. 1888, 1890, provided that: “The purpose of this title [now 54 U.S.C. 200501 et seq.] is to authorize the Secretary [of the Interior] to establish an urban park and recreation recovery program which would provide Federal grants to economically hard-pressed communities specifically for the rehabilitation of critically needed recreation areas, facilities, and development of improved recreation programs. This program is intended to complement existing Federal programs such as the Land and Water Conservation Fund and Community Development Grant Programs by encouraging and stimulating local governments to revitalize their park and recreation systems and to make long-term commitments to continuing maintenance of these systems. Such assistance shall be subject to such terms and conditions as the Secretary considers appropriate and in the public interest to carry out the purposes of this title. It is further the purpose of this title to improve recreation facilities and expand recreation services in urban areas with a high incidence of crime and to help deter crime through the expansion of recreation opportunities for at-risk youth. It is the further purpose of this section [probably means title] to increase the security of urban parks and to promote collaboration between local agencies involved in parks and recreation, law enforcement, youth social services, and juvenile justice system.”

§ 200502. Federal assistance

(a) **ELIGIBILITY DETERMINED BY SECRETARY.**—Eligibility of general purpose local governments for assistance under this chapter shall be based on need as determined by the Secretary. The Secretary shall publish in the Federal Register a list of local governments eligible to participate in this program, to be accompanied by a discussion of criteria used in determining eligibility. Criteria shall be based on factors that the Secretary determines are related to deteriorated recreational facilities or systems and physical and economic distress.

(b) **ADDITIONAL ELIGIBLE GENERAL PURPOSE LOCAL GOVERNMENTS.**—In addition to eligible local governments established in accordance with subsection (a), the Secretary may establish eligibility, in accord with the findings and purpose of the Urban Park and Recreation Recovery Act of 1978 (Public Law 95-625, 92 Stat. 3538), of other general purpose local governments in metropolitan statistical areas as defined by the Director of the Office of Management and Budget.

(c) **PRIORITY CRITERIA FOR PROJECT SELECTION AND APPROVAL.**—

(1) **IN GENERAL.**—The Secretary shall establish priority criteria for project selection and approval that consider such factors as—

- (A) population;
- (B) condition of existing recreation areas and facilities;
- (C) demonstrated deficiencies in access to neighborhood recreation opportunities, particularly for minority and low- and moderate-income residents;
- (D) public participation in determining rehabilitation or development needs;
- (E) the extent to which a project supports or complements target activities undertaken

as part of a local government’s overall community development and urban revitalization program;

(F) the extent to which a proposed project would provide—

- (i) employment opportunities for minorities, youth, and low- and moderate-income residents in the project neighborhood;
- (ii) for participation of neighborhood, nonprofit, or tenant organizations in the proposed rehabilitation activity or in subsequent maintenance, staffing, or supervision of recreation areas and facilities; or
- (iii) both; and

§ 200503. Rehabilitation grants and innovation grants

(a) MATCHING GRANTS.—The Secretary may provide 70 percent matching rehabilitation grants and innovation grants directly to eligible general purpose local governments on the Secretary’s approval of applications for the grants by the chief executive officials of those governments.

(b) SPECIAL CONSIDERATIONS.—An innovation grant should be closely tied to goals, priorities, and implementation strategies expressed in local park and recreation recovery action programs, with particular regard to the special considerations listed in section 200504(c)(2) of this title.

(c) TRANSFER.—If consistent with an approved application, a grant recipient may transfer a rehabilitation grant or innovation grant in whole or in part to an independent special purpose local government, private nonprofit agency, or county or regional park authority if the assisted recreation area or facility owned or managed by the transferee¹ offers recreation opportunities to the general population within the jurisdictional boundaries of the grant recipient.

(d) PAYMENTS.—Payments may be made only for a rehabilitation project or innovation project that has been approved by the Secretary. Payments may be made from time to time in keeping with the rate of progress toward the satisfactory completion of the project, except that the Secretary, when appropriate, may make advance payments on an approved rehabilitation project or innovation project in an amount not to exceed 20 percent of the total project cost.

(e) MODIFICATION OF PROJECT.—The Secretary may authorize modification of an approved project only when a grant recipient adequately demonstrates that the modification is necessary because of circumstances not foreseeable at the time at which the project was proposed.

§ 200504. Recovery action programs

(a) EVIDENCE OF LOCAL COMMITMENT TO ONGOING PROGRAMS.—As a requirement for project approval, local governments applying for assistance under this chapter shall submit to the Secretary evidence of their commitments to ongoing planning, rehabilitation, service, operation, and maintenance programs for their park and recreation systems. These commitments will be expressed in local park and recreation recovery action programs that maximize coordination of all community resources, including other federally supported urban development and recreation programs. During an initial interim period to be established by regulations under this chapter, this requirement may be satisfied by local government submissions of preliminary action programs that briefly define objectives, priorities, and implementation strategies for overall system recovery and maintenance and commit the applicant to a scheduled program development process. Following this interim period, all local applicants shall submit to the Secretary, as a condition of eligibility, a 5-year action program for park and recreation recovery that satisfactorily demonstrates—

- (1) systematic identification of recovery objectives, priorities, and implementation strategies;
- (2) adequate planning for rehabilitation of specific recreation areas and facilities, including projections of the cost of proposed projects;
- (3) the capacity and commitment to ensure that facilities provided or improved under this chapter shall continue to be adequately maintained, protected, staffed, and supervised;
- (4) the intention to maintain total local public outlays for park and recreation purposes at levels at least equal to those in the year preceding that in which grant assistance is sought except in any case where a reduction in park and recreation outlays is proportionate to a reduction in overall spending by the applicant; and
- (5) the relationship of the park and recreation recovery program to overall community development and urban revitalization efforts.

(b) CONTINUING PLANNING PROCESS.—Where appropriate, the Secretary may encourage local governments to meet action program requirements through a continuing planning process that includes periodic improvements and updates in action program submissions to eliminate identified gaps in program information and policy development.

(c) SPECIAL CONSIDERATIONS.—Action programs shall address, but are not limited to—

- (1) rehabilitation of existing recreational areas and facilities, including—
 - (A) general systemwide renovation;
 - (B) special rehabilitation requirements for recreational areas and facilities in areas of high population concentration and economic distress; and
 - (C) restoration of outstanding or unique structures, landscaping, or similar features

in parks of historical or architectural significance; and

(2) local commitments to innovative and cost-effective programs and projects at the neighborhood level to augment recovery of park and recreation systems, including—

(A) recycling of abandoned schools and other public buildings for recreational purposes;

(B) multiple use of operating educational and other public buildings, purchase of recreation services on a contractual basis;

(C) use of mobile facilities and recreational, cultural, and educational programs or other innovative approaches to improving access for neighborhood residents;

(D) integration of recovery program with federally assisted projects to maximize recreational opportunities through conversion of abandoned railroad and highway rights of way, waterfront, and other redevelopment efforts and such other federally assisted projects as may be appropriate;

(E) conversion of recreation use of street space, derelict land, and other public land not now designated for neighborhood recreational use; and

(F) use of various forms of compensated and uncompensated land regulation, tax inducements, or other means to encourage the private sector to provide neighborhood park and recreation facilities and programs.

(d) PUBLICATION IN FEDERAL REGISTER.—The Secretary shall establish and publish in the Federal Register requirements for preparation, submission, and updating of local park and recreation recovery action programs.

(e) ELIGIBILITY FOR AT-RISK YOUTH RECREATION GRANTS.—To be eligible to receive at-risk youth recreation grants a local government shall amend its 5-year action program to incorporate the goal of reducing crime and juvenile delinquency and to provide a description of the implementation strategies to achieve this goal. The plan shall also address how the local government is coordinating its recreation programs with crime prevention efforts of law enforcement, juvenile corrections, and youth social service agencies.

(f) MATCHING RECOVERY ACTION PROGRAM GRANTS.—The Secretary may provide up to 50 percent matching recovery action program grants to eligible local governments for program development and planning specifically to meet the objectives of this chapter.

EX. ORD. NO. 11593. PROTECTION AND ENHANCEMENT OF THE CULTURAL ENVIRONMENT

Ex. Ord. No. 11593, May 13, 1971, 36 F.R. 8921, provided:

By virtue of the authority vested in me as President of the United States and in furtherance of the purposes and policies of the National Environmental Policy Act of 1969 (83 Stat. 852, 42 U.S.C. 4321 et seq.), the National Historic Preservation Act of 1966 (80 Stat. 915, [former] 16 U.S.C. 470 et seq.) [see 54 U.S.C. 300101 et seq.], the Historic Sites Act of 1935 (49 Stat. 666, [former] 16 U.S.C. 461 et seq.) [see 18 U.S.C. 1866(a), 54 U.S.C. 102303, 102304, 320101 et seq.], and the Antiquities Act of 1906 (34 Stat. 225, 16 [former] U.S.C. 431 et seq.) [see 18 U.S.C. 1866(b), 54 U.S.C. 320301(a) to (c), 320302, 320303], it is ordered as follows:

SECTION 1. *Policy.* The Federal Government shall provide leadership in preserving, restoring and maintaining the historic and cultural environment of the Nation. Agencies of the executive branch of the Government (hereinafter referred to as “Federal agencies”) shall (1) administer the cultural properties under their control in a spirit of stewardship and trusteeship for future generations, (2) initiate measures necessary to direct their policies, plans and programs in such a way that federally owned sites, structures, and objects of historical, architectural or archaeological significance are preserved, restored and maintained for the inspiration and benefit of the people, and (3), in consultation with the Advisory Council on Historic Preservation ([former] 16 U.S.C. 470i [see 54 U.S.C. 304101]), institute procedures to assure that Federal plans and programs contribute to the preservation and enhancement of non-federally owned sites, structures and objects of historical, architectural or archaeological significance.

SEC. 2. *Responsibilities of Federal agencies.* Consonant with the provisions of the acts cited in the first paragraph of this order, the heads of Federal agencies shall:

(a) no later than July 1, 1973, with the advice of the Secretary of the Interior, and in cooperation with the liaison officer for historic preservation for the State or territory involved, locate, inventory, and nominate to the Secretary of the Interior all sites, buildings, districts, and objects under their jurisdiction or control that appear to qualify for listing on the National Register of Historic Places.

(b) exercise caution during the interim period until inventories and evaluations required by subsection (a) are completed to assure that any federally owned property that might qualify for nomination is not inadvertently transferred, sold, demolished or substantially altered. The agency head shall refer any questionable actions to the Secretary of the Interior for an opinion respecting the property’s eligibility for inclusion on the National Register of Historic Places. The Secretary

shall consult with the liaison officer for historic preservation for the State or territory involved in arriving at his opinion. Where, after a reasonable period in which to review and evaluate the property, the Secretary determines that the property is likely to meet the criteria prescribed for listing on the National Register of Historic Places, the Federal agency head shall reconsider the proposal in light of national environmental and preservation policy. Where, after such reconsideration, the Federal agency head proposes to transfer, sell, demolish or substantially alter the property he shall not act with respect to the property until the Advisory Council on Historic Preservation shall have been provided an opportunity to comment on the proposal.

(c) initiate measures to assure that where as a result of Federal action or assistance a property listed on the National Register of Historic Places is to be substantially altered or demolished, timely steps be taken to make or have made records, including measured drawings, photographs and maps, of the property, and that copy of such records then be deposited in the Library of Congress as part of the Historic American Buildings Survey or Historic American Engineering Record for future use and reference. Agencies may call on the Department of the Interior for advice and technical assistance in the completion of the above records.

(d) initiate measures and procedures to provide for the maintenance, through preservation, rehabilitation, or restoration, of federally owned and registered sites at professional standards prescribed by the Secretary of the Interior.

(e) submit procedures required pursuant to subsection (d) to the Secretary of the Interior and to the Advisory Council on Historic Preservation no later than January 1, 1972, and annually thereafter, for review and comment.

(f) cooperate with purchasers and transferees of a property listed on the National Register of Historic Places in the development of viable plans to use such property in a manner compatible with preservation objectives and which does not result in an unreasonable economic burden to public or private interests.

SEC. 3. Responsibilities of the Secretary of the Interior. The Secretary of the Interior shall:

(a) encourage State and local historic preservation officials to evaluate and survey federally owned historic properties and, where appropriate, to nominate such properties for listing on the National Register of Historic Places.

(b) develop criteria and procedures to be applied by Federal agencies in the reviews and nominations required by section 2(a). Such criteria and procedures shall be developed in consultation with the affected agencies.

(c) expedite action upon nominations to the National Register of Historic Places concerning federally owned properties proposed for sale, transfer, demolition or substantial alteration.

(d) encourage State and Territorial liaison officers for historic preservation to furnish information upon request to Federal agencies regarding their properties which have been evaluated with respect to historic, architectural or archaeological significance and which as a result of such evaluations have not been found suitable for listing on the National Register of Historic Places.

(e) develop and make available to Federal agencies and State and local governments information concerning professional methods and techniques for preserving, improving, restoring and maintaining historic properties.

(f) advise Federal agencies in the evaluation, identification, preservation, improvement, restoration and maintenance of historic properties.

(g) review and evaluate the plans of transferees of surplus Federal properties transferred for historic monument purposes to assure that the historic character of such properties is preserved in rehabilitation, restoration, improvement, maintenance and repair of such properties.

(h) review and comment upon Federal agency procedures submitted pursuant to section 2(e) of this order.

§ 303901. Loan insurance program for preservation of property included on National Register

(a) ESTABLISHMENT.—The Secretary shall establish and maintain a program by which the Secretary may, on application of a private lender, insure loans (including loans made in accordance with a mortgage) made by the lender to finance any project for the preservation of a property included on the National Register.

(b) LOAN QUALIFICATIONS.—A loan may be insured under this section if—

(1) the loan is made by a private lender approved by the Secretary as financially sound and able to service the loan properly;

(2) the amount of the loan, and interest rate charged with respect to the loan, do not exceed the amount and rate established by the Secretary by regulation;

(3) the Secretary has consulted the appropriate State Historic Preservation Officer concerning the preservation of the historic property;

(4) the Secretary has determined that the loan is adequately secured and there is reasonable assurance of repayment;

(5) the repayment period of the loan does not exceed the lesser of 40 years or the expected life of the asset financed;

(6) the amount insured with respect to the loan does not exceed 90 percent of the loss sustained by the lender with respect to the loan; and

(7) the loan, the borrower, and the historic property to be preserved meet such other terms and conditions as may be prescribed by the Secretary by regulation, especially terms and conditions relating to the nature and quality of the preservation work.

(c) CONSULTATION.—The Secretary shall consult with the Secretary of the Treasury regarding the interest rate of loans insured under this section.

(d) LIMITATION ON AMOUNT OF UNPAID PRINCIPAL BALANCE OF LOANS.—The aggregate unpaid principal balance of loans insured under this section may not exceed the amount that has been deposited in the Historic Preservation

Fund but which has not been appropriated for any purpose.

(e) INSURANCE CONTRACTS.—Any contract of insurance executed by the Secretary under this section may be assignable, shall be an obligation supported by the full faith and credit of the United States, and shall be incontestable except for fraud or misrepresentation of which the holder had actual knowledge at the time it became a holder.

(f) CONDITIONS AND METHODS OF PAYMENT AS RESULT OF LOSS.—The Secretary shall specify, by regulation and in each contract entered into under this section, the conditions and method of payment to a private lender as a result of losses incurred by the lender on any loan insured under this section.

(g) PROTECTION OF FINANCIAL INTERESTS OF FEDERAL GOVERNMENT.—In entering into any contract to insure a loan under this section, the Secretary shall take steps to ensure adequate protection of the financial interests of the Federal Government. The Secretary may—

(1) in connection with any foreclosure proceeding, obtain, on behalf of the Federal Government, the historic property securing a loan insured under this section; and

(2) operate or lease the historic property for such period as may be necessary to protect the interest of the Federal Government and to carry out subsection (h).

EX. ORD. NO. 13287. PRESERVE AMERICA

Ex. Ord. No. 13287, Mar. 3, 2003, 68 F.R. 10635, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the National Historic Preservation Act ([former] 16 U.S.C. 470 *et seq.*) [see 54 U.S.C. 300301 *et seq.*] (NHPA) and the National Environmental Policy Act [of 1969] (42 U.S.C. 4321 *et seq.*), it is hereby ordered:

SECTION 1. *Statement of Policy.* It is the policy of the Federal Government to provide leadership in preserving America’s heritage by actively advancing the protection, enhancement, and contemporary use of the historic properties owned by the Federal Government, and by promoting intergovernmental cooperation and partnerships for the preservation and use of historic properties. The Federal Government shall recognize and manage the historic properties in its ownership as assets that can support department and agency missions while contributing to the vitality and economic well-being of the Nation’s communities and fostering a broader appreciation for the development of the United States and its underlying values. Where consistent with executive branch department and agency missions, governing law, applicable preservation standards, and where appropriate, executive branch departments and agencies (“agency” or “agencies”) shall advance this policy through the protection and continued use of the historic properties owned by the Federal Government, and by pursuing partnerships with State and local governments, Indian tribes, and the private sector to promote the preservation of the unique cultural heritage of communities and of the Nation and to realize the economic benefit that these properties can provide. Agencies shall maximize efforts to integrate the policies, procedures, and practices of the NHPA and this order into their program activities in order to efficiently and effectively advance historic preservation objectives in the pursuit of their missions.

SEC. 2. *Building Preservation Partnerships.* When carrying out its mission activities, each agency, where consistent with its mission and governing authorities, and where appropriate, shall seek partnerships with State and local governments, Indian tribes, and the private sector to promote local economic development and vitality through the use of historic properties in a manner that contributes to the long-term preservation and productive use of those properties. Each agency shall examine its policies, procedures, and capabilities to ensure that its actions encourage, support, and foster public-private initiatives and investment in the use, reuse, and rehabilitation of historic properties, to the extent such support is not inconsistent with other provisions of law, the Secretary of the Interior’s Standards for Archeology and Historic Preservation, and essential national department and agency mission requirements.

SEC. 3. *Improving Federal Agency Planning and Accountability.* (a) Accurate information on the state of Federally owned historic properties is essential to achieving the goals of this order and to promoting community economic development through local partnerships. Each agency with real property management responsibilities shall prepare an assessment of the current status of its inventory of historic properties required by section 110(a)(2) of the NHPA ([former] 16 U.S.C. 470h-2(a)(2)) [see 54 U.S.C. 306102], the general condition and management needs of such properties, and the steps underway or planned to meet those management needs. The assessment shall also include an evaluation of the suitability of the agency’s types of historic properties to contribute to community economic development initiatives, including heritage tourism, taking into account agency mission needs, public access considerations, and the long-term preservation of the historic properties. No later than September 30, 2004, each covered agency shall complete a report of the assessment and make it available to the Chairman of the Advisory Council on Historic Preservation (Council) and the Secretary of the Interior (Secretary).

(b) No later than September 30, 2004, each agency with real property management responsibilities shall review its regulations, management policies, and operating procedures for compliance with sections 110 and

111 of the NHPA [former] (16 U.S.C. 470h-2 & 470[h]-3 [see 54 U.S.C. 306101 to 306107, 306109 to 306114, 306121, 306122]) and make the results of its review available to the Council and the Secretary. If the agency determines that its regulations, management policies, and operating procedures are not in compliance with those authorities, the agency shall make amendments or revisions to bring them into compliance.

(c) Each agency with real property management responsibilities shall, by September 30, 2005, and every third year thereafter, prepare a report on its progress in identifying, protecting, and using historic properties in its ownership and make the report available to the Council and the Secretary. The Council shall incorporate this data into a report on the state of the Federal Government's historic properties and their contribution to local economic development and submit this report to the President by February 15, 2006, and every third year thereafter.

(d) Agencies may use existing information gathering and reporting systems to fulfill the assessment and reporting requirements of subsections 3(a)–(c) of this order. To assist agencies, the Council, in consultation with the Secretary, shall, by September 30, 2003, prepare advisory guidelines for agencies to use at their discretion.

(e) No later than June 30, 2003, the head of each agency shall designate a senior policy level official to have policy oversight responsibility for the agency's historic preservation program and notify the Council and the Secretary of the designation. This senior official shall be an assistant secretary, deputy assistant secretary, or the equivalent, as appropriate to the agency organization. This official, or a subordinate employee reporting directly to the official, shall serve as the agency's Federal Preservation Officer in accordance with section 110(c) of the NHPA [see 54 U.S.C. 306104]. The senior official shall ensure that the Federal Preservation Officer is qualified consistent with guidelines established by the Secretary for that position and has access to adequate expertise and support to carry out the duties of the position.

SEC. 4. Improving Federal Stewardship of Historic Properties. (a) Each agency shall ensure that the management of historic properties in its ownership is conducted in a manner that promotes the long-term preservation and use of those properties as Federal assets and, where consistent with agency missions, governing law, and the nature of the properties, contributes to the local community and its economy.

(b) Where consistent with agency missions and the Secretary of the Interior's Standards for Archeology and Historic Preservation, and where appropriate, agencies shall cooperate with communities to increase opportunities for public benefit from, and access to, Federally owned historic properties.

(c) The Council is directed to use its existing authority to encourage and accept donations of money, equipment, and other resources from public and private parties to assist other agencies in the preservation of historic properties in Federal ownership to fulfill the goals of the NHPA and this order.

(d) The National Park Service, working with the Council and in consultation with other agencies, shall make available existing materials and information for education, training, and awareness of historic property stewardship to ensure that all Federal personnel have access to information and can develop the skills necessary to continue the productive use of Federally owned historic properties while meeting their stewardship responsibilities.

(e) The Council, in consultation with the National Park Service and other agencies, shall encourage and recognize exceptional achievement by such agencies in meeting the goals of the NHPA and this order. By March 31, 2004, the Council shall submit to the President and the heads of agencies recommendations to further stimulate initiative, creativity, and efficiency in the Federal stewardship of historic properties.

SEC. 5. Promoting Preservation Through Heritage Tourism.

(a) To the extent permitted by law and within existing resources, the Secretary of Commerce, working with the Council and other agencies, shall assist States, Indian tribes, and local communities in promoting the use of historic properties for heritage tourism and related economic development in a manner that contributes to the long-term preservation and productive use of those properties. Such assistance shall include efforts to strengthen and improve heritage tourism activities throughout the country as they relate to Federally owned historic properties and significant natural assets on Federal lands.

(b) Where consistent with agency missions and governing law, and where appropriate, agencies shall use historic properties in their ownership in conjunction with State, tribal, and local tourism programs to foster viable economic partnerships, including, but not limited to, cooperation and coordination with tourism officials and others with interests in the properties.

SEC. 6. National and Homeland Security Considerations. Nothing in this order shall be construed to require any agency to take any action or disclose any information that would conflict with or compromise national and homeland security goals, policies, programs, or activities.

SEC. 7. Definitions. For the purposes of this order, the term "historic property" means any prehistoric or historic district, site, building, structure, and object included on or eligible for inclusion on the National Register of Historic Places in accordance with section 301(5) of the NHPA ([former] 16 U.S.C. 470w(5)) [see 54 U.S.C. 300308]. The term "heritage tourism" means the business and practice of attracting and accommodating visitors to a place or area based especially on the unique or special aspects of that locale's history, landscape (including trail systems), and culture. The terms "Federally owned" and "in Federal ownership," and similar terms, as used in this order, do not include properties acquired by agencies as a result of foreclosure or similar actions and that are held for a period of less than 5 years.

SEC. 8. Judicial Review. This order is intended only to improve the internal management of the Federal Government and it is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or equity by a party against the United States, its departments, agencies, instrumentalities or entities, its officers or employees, or any other person.

The words “to document a decision pursuant to this section” are substituted for “pursuant to such section” for clarity.
