In subsection (a)(1), the word “digest” is omitted as being included in “prepare”. The word “receipts” is substituted for “revenue”, and the words “managing the public debt” are substituted for “for the support of the public credit”, for consistency in the revised title.

In subsection (a)(2), the words “carry out” are substituted for “generally shall perform” for consistency in the revised title and with other titles of the United States Code. The words “that the Secretary is required” are substituted for “as he shall be directed” because of the restatement.

In subsection (a)(3), the word “issue” is substituted for “shall grant” for consistency. The words “under limitations herein established or to be provided” are omitted as unnecessary. The word “consistent” is substituted for “in pursuance of”, and the words “by law” are omitted, for consistency.

Subsection (a)(4) is included to reflect all the major duties of the Secretary of the Treasury. See chapter 51 of the revised title.

In subsection (a)(5), before subclause (A), the words “prescribe regulations” are substituted for “make and issue from time to time such instructions and regulations” for consistency in the revised title and to eliminate unnecessary words. The words “applicable to anyone” are substituted for “to the several collectors, receivers, depositaries, officers, and others” for clarity and to eliminate unnecessary words. In subclause (A), the words “for the Government” are inserted because section 8 of the Act of June 30, 1864 (ch. 172, 13 Stat. 221), from

which section 251 of the Revised Statutes is derived, used the phrase “in behalf of the United States”. In subclause (B), the words “those notes and securities” are substituted for “the same” for clarity.

In subsection (a)(6), the word “collect” is substituted for “superintend the collection” because of the source provisions restated in section 321(c) of the revised title. The word “receipts” is substituted for “revenue” for consistency in the revised title.

In subsection (a)(7), the words “Secretary of the Treasury” are substituted for “General Counsel of the Department of the Treasury, under the direction of the Secretary of the Treasury” because of the source provisions restated in subsection (c) of this section. The words “with a view to prosecuting persons” are substituted for “for the prosecution of persons charged with the commission thereof” for clarity. The words “take steps to discover fraud and attempted fraud” are substituted for “take cognizance of all frauds or attempted frauds” for clarity. The words “involving receipts” are substituted for “upon the revenue” for consistency in the revised title. The words “decide on ways to prevent and detect fraud” are substituted for “exercise a general supervision over the measures for their prevention and detection” for clarity and to eliminate unnecessary words.

In subsection (a)(8), before subclause (A), the word “maintain” is substituted for “shall be kept” for consistency. The words “all moneys” and “internal” are omitted as unnecessary because of the restatement. The words “duties or” are omitted as being included in “taxes”. The word “possession” is added for consistency in the revised title and with other titles of the Code. The word “listing” is substituted for “so as to exhibit, as far as may be” for clarity and to eliminate unnecessary words. In subclause (A), the word “kind” is substituted for “species” for consistency. The words “that shall accrue” are omitted as surplus. In subclause (B), the words “each tax” are substituted for “each source of revenue” for clarity. In subclause (C), the word “pay” is substituted for “compensation” for consistency. The words “officers and employees” are substituted for “collectors and deputy collectors, inspectors, and other officers” for consistency and to eliminate unnecessary words.

Subsection (b)(1) is included as a general statement of the authority of the Secretary of the Treasury to prescribe regulations to avoid repeating each time specific authority of the Secretary to carry out certain provisions of law.

In subsection (b)(2), the words “make such provisions” in 31:1001(note) are omitted as unnecessary. The words “or by any agency” are omitted and the words “duties and powers” are substituted for “function”, for consistency in the revised title and with other titles of the Code. The words “including any function transferred to the Secretary by the provisions of this reorganization plan” are omitted as executed.

In subsection (b)(3), the word “effect” is omitted as unnecessary. The words “(available or to be made available)” are omitted as surplus. The words “delegation made under clause (2) of this subsection” are substituted for “provisions of this reorganization plan” because the only provision of Reorganization Plan No. 26 of 1950 (eff. July 31, 1950, 64 Stat. 1281) that continues to have legal effect is section 2 that is restated in clause (2).

In subsection (b)(4), before subclause (A), the word “detail” is substituted for “to use for, and in connection with” to eliminate unnecessary words. The words “in addition to details authorized under another law” are substituted for 31:1017(last sentence) to eliminate unnecessary words and because subsequent laws would also provide additional authority to detail. The words “and the several branches of the public service under its control” are omitted as being included in “Department”. The words “officers and employees” are substituted for “persons” for clarity and consistency in the revised title. In subclause (B), the words “agents or from the appropriation for the foregoing purpose” are omitted as unnecessary because of the restatement.

The words “prior fiscal year” are substituted for “during the year preceding” for consistency. In clause (5), the words “paid at the Treasury” are omitted as unnecessary. The 3d paragraph of section 257 of the Revised Statutes, providing for a report on rules and regulations of the Secretary of the Treasury on imported goods, wares, and merchandise, is omitted as obsolete because section 252 of the Revised Statutes, authorizing those rules and regulations, was repealed by the Act of February 27, 1877 (ch. 69, 19 Stat. 241). The 4th paragraph of section 257, providing for a report on amounts of hospital taxes collected from sick and disabled seamen, is omitted as obsolete because section 15 of the Act of June 26, 1884 (ch. 121, 23 Stat. 57), repealed the tax. In clause (7), the words “the Commissioners of the District of Columbia” (subsequently changed to “the Mayor of the District of Columbia” by section 422 of the District of Columbia Self-Government and Governmental Reorganization Act (Pub. L. 93–198, 87 Stat. 790)) in 31:725p are omitted as unnecessary because of §448 of the District of Columbia Self-Government and Governmental Reorganization Act. The text of 31:725q(proviso) is omitted because of the restatement.

In subsection (b)(1), before clause (A), the words “for the prior fiscal year” are substituted for “as of the close of the preceding September 30 (beginning with the report as of June 30, 1967)” to eliminate unnecessary words. In clause (C), the word “obligations” is substituted for “securities” for consistency in the revised title. Clause (D) is substituted for “and of each department, agency, and instrumentality thereof” for clarity.

In subsection (c), the words “a report for the prior fiscal year on the total amount of public receipts and public expenditures” are substituted for “an accurate combined statement of the receipts and expenditures during the last preceding fiscal year of all public moneys” because of the restatement. The words “including those of the United States Postal Service” are omitted as unnecessary and superseded by 39:410.

In subsection (d), the words “either House of Congress” are substituted for “either branch of the legislature” for clarity and consistency. The words “that House of Congress” are substituted for “the Senate or House of Representatives” for consistency and because of the restatement. The words “or which appertain to his office” are omitted as unnecessary because of subsections (a)–(c) of the section.

“(a) ESTABLISHMENT.—There is authorized to be established on a pilot program basis in each of six executive agencies a franchise fund. The Director of the Office of Management and Budget, after consultation with the chairman and ranking members of the Committees on Appropriations and Governmental Affairs of the Senate, and the Committees on Appropriations and Government Operations [now Committee on Oversight and Government Reform] of the House of Representatives, shall designate the agencies.

“(b) USES.—Each such fund may provide, consistent with guidelines established by the Director of the Office of Management and Budget, such common administrative support services to the agency and to other agencies as the head of such agency, with the concurrence of the Director, determines can be provided more efficiently through such a fund than by other means. To provide such services, each such fund is authorized to acquire the capital equipment, automated data processing systems, and financial management and management information systems needed. Services shall be provided by such funds on a competitive basis.

“(c) FUNDING.—(1) There are authorized to be appropriated to the franchise fund of each agency

designated under subsection (a) such funds as are necessary to carry out the purposes of the fund, to remain available until expended. To the extent that unexpended balances remain available in other accounts for the purposes to be carried out by the fund, the head of the agency may transfer such balances to the fund.

“(2) Fees for services shall be established by the head of the agency at a level to cover the total estimated costs of providing such services. Such fees shall be deposited in the agency's fund to remain available until expended, and may be used to carry out the purposes of the fund.

“(3) Existing inventories, including inventories on order, equipment, and other assets or liabilities pertaining to the purposes of the fund may be transferred to the fund.

“(d) **REPORT ON PILOT PROGRAMS.**—Within 6 months after the end of fiscal year 1997, the Director of the Office of Management and Budget shall forward a report on the results of the pilot programs to the Committees on Appropriations of the Senate and of the House of Representatives, and to the Committee on Governmental Affairs [now Committee on Homeland Security and Governmental Affairs] of the Senate and the Committee on Government Operations [now Committee on Oversight and Government Reform] of the House of Representatives. The report shall contain the financial and program performance results of the pilot programs, including recommendations for—

“(1) the structure of the fund;

“(2) the composition of the funding mechanism;

“(3) the capacity of the fund to promote competition; and

“(4) the desirability of extending the application and implementation of franchise funds to other Federal agencies.

“(e) **PROCUREMENT.**—Nothing in this section shall be construed as relieving any agency of any duty under applicable procurement laws.

“(f) **TERMINATION OF CERTAIN AUTHORITY.**—The authority of the Secretary of Homeland Security to carry out a pilot program under this section shall terminate on October 1, 2008.”

FINDINGS AND PURPOSES OF CHIEF FINANCIAL OFFICERS ACT OF 1990

Pub. L. 101–576, title I, §102, Nov. 15, 1990, 104 Stat. 2838, provided that:

“(a) FINDINGS.—The Congress finds the following:

“(1) General management functions of the Office of Management and Budget need to be significantly enhanced to improve the efficiency and effectiveness of the Federal Government.

“(2) Financial management functions of the Office of Management and Budget need to be significantly enhanced to provide overall direction and leadership in the development of a modern Federal financial management structure and associated systems.

“(3) Billions of dollars are lost each year through fraud, waste, abuse, and mismanagement among the hundreds of programs in the Federal Government.

“(4) These losses could be significantly decreased by improved management, including improved central coordination of internal controls and financial accounting.

“(5) The Federal Government is in great need of fundamental reform in financial management requirements and practices as financial management systems are obsolete and inefficient, and do not provide complete, consistent, reliable, and timely information.

“(6) Current financial reporting practices of the Federal Government do not accurately disclose the current and probable future cost of operating and investment decisions, including the future need for cash or other resources, do not permit adequate comparison of actual costs among executive agencies, and do not provide the timely information required for efficient management of programs.

“(b) PURPOSES.—The purposes of this Act [see Short Title of 1990 Amendment note above] are the following:

“(1) Bring more effective general and financial management practices to the Federal Government through statutory provisions which would establish in the Office of Management and Budget a Deputy Director for Management, establish an Office of Federal Financial Management headed by a Controller, and designate a Chief Financial Officer in each executive department and in each major executive agency in the Federal Government.

“(2) Provide for improvement, in each agency of the Federal Government, of systems of accounting, financial management, and internal controls to assure the issuance of reliable financial information and to deter fraud, waste, and abuse of Government resources.

“(3) Provide for the production of complete, reliable, timely, and consistent financial information for use by the executive branch of the Government and the Congress in the financing, management, and evaluation of Federal programs.”

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

We in government often are quick to call for reform in other institutions, but slow to reform ourselves. Yet nowhere today is modern management more needed than in government itself.

In 1939, President Franklin D. Roosevelt proposed and the Congress accepted a reorganization plan that laid the groundwork for providing managerial assistance for a modern Presidency.

The plan placed the Bureau of the Budget within the Executive Office of the President. It made available to the President direct access to important new management instruments. The purpose of the plan was to improve the administration of the Government—to ensure that the Government could perform “promptly, effectively, without waste or lost motion.”

Fulfilling that purpose today is far more difficult—and more important—than it was 30 years ago.

Last April, I created a President's Advisory Council on Executive Organization and named to it a distinguished group of outstanding experts headed by Roy L. Ash. I gave the Council a broad charter to examine ways in which the Executive Branch could be better organized. I asked it to recommend specific organizational changes that would make the Executive Branch a more vigorous and more effective instrument

for creating and carrying out the programs that are needed today. The Council quickly concluded that the place to begin was in the Executive Office of the President itself. I agree.

The past 30 years have seen enormous changes in the size, structure and functions of the Federal Government. The budget has grown from less than \$10 billion to \$200 billion. The number of civilian employees has risen from one million to more than two and a half million. Four new Cabinet departments have been created, along with more than a score of independent agencies. Domestic policy issues have become increasingly complex. The interrelationships among Government programs have become more intricate. Yet the organization of the President's policy and management arms has not kept pace.

Over three decades, the Executive Office of the President has mushroomed but not by conscious design. In many areas it does not provide the kind of staff assistance and support the President needs in order to deal with the problems of government in the 1970s. We confront the 1970s with a staff organization geared in large measure to the tasks of the 1940s and 1950s.

One result, over the years, has been a tendency to enlarge the immediate White House staff—that is, the President's personal staff, as distinct from the institutional structure—to assist with management functions for which the President is responsible. This has blurred the distinction between personal staff and management institutions; it has left key management functions to be performed only intermittently and some not at all. It has perpetuated outdated structures.

Another result has been, paradoxically, to inhibit the delegation of authority to Departments and agencies.

A President whose programs are carefully coordinated, whose information system keeps him adequately informed, and whose organizational assignments are plainly set out, can delegate authority with security and confidence. A President whose office is deficient in these respects will be inclined, instead, to retain close control of operating responsibilities which he cannot and should not handle.

Improving the management processes of the President's own office, therefore, is a key element in improving the management of the entire Executive Branch, and in strengthening the authority of its Departments and agencies. By providing the tools that are needed to reduce duplication, to monitor performance and to promote greater efficiency throughout the Executive Branch, this also will enable us to give the country not only more effective but also more economical government—which it deserves.

To provide the management tools and policy mechanisms needed for the 1970s, I am today transmitting to the Congress Reorganization Plan No. 2 of 1970, prepared in accordance with Chapter 9 of Title 5 of the United States Code.

This plan draws not only on the work of the Ash Council itself, but also on the work of others that preceded—including the pioneering Brownlow Committee of 1936, the two Hoover Commissions, the Rockefeller Committee, and other Presidential task forces.

Essentially, the plan recognizes that two closely connected but basically separate functions both center in the President's office: policy determination and executive management. This involves (1) what government should do, and (2) how it goes about doing it.

My proposed reorganization creates a new entity to deal with each of these functions:

—It establishes a Domestic Council, to coordinate policy formulation in the domestic area. This Cabinet group would be provided with an institutional staff, and to a considerable degree would be a domestic counterpart to the National Security Council.

—It establishes an Office of Management and Budget, which would be the President's principal arm for the exercise of his managerial functions.

The Domestic Council will be primarily concerned with what we do; the Office of Management and Budget will be primarily concerned with *how* we do it, and *how well* we do it.

DOMESTIC COUNCIL

The past year's experience with the Council for Urban Affairs has shown how immensely valuable a Cabinet-level council can be as a forum for both discussion and action on policy matters that cut across departmental jurisdictions.

The Domestic Council will be chaired by the President. Under the plan, its membership will include the Vice President, and the Secretaries of the Treasury, Interior, Agriculture, Commerce, Labor, Health, Education and Welfare, Housing and Urban Development, and Transportation, and the Attorney General. I also intend to designate as members the Director of the Office of Economic Opportunity and, while he remains a member of the Cabinet, the Postmaster General. (Although I continue to hope that the Congress will adopt my proposal to create, in place of the Post Office Department, a self-sufficient postal authority.) The President could add other Executive Branch officials at his discretion.

The Council will be supported by a staff under an Executive Director who will also be one of the President's assistants. Like the National Security Council staff, this staff will work in close coordination with the

President's personal staff but will have its own institutional identity. By being established on a permanent, institutional basis, it will be designed to develop and employ the "institutional memory" so essential if continuity is to be maintained, and if experience is to play its proper role in the policy-making process.

There does not now exist an organized, institutionally-staffed group charged with advising the President on the total range of domestic policy. The Domestic Council will fill that need. Under the President's direction, it will also be charged with integrating the various aspects of domestic policy into a consistent whole.

Among the specific policy functions in which I intend the Domestic Council to take the lead are these:

- Assessing national needs, collecting information and developing forecasts, for the purpose of defining national goals and objectives.

- Identifying alternative ways of achieving these objectives, and recommending consistent, integrated sets of policy choices.

- Providing rapid response to Presidential needs for policy advice on pressing domestic issues.

- Coordinating the establishment of national priorities for the allocation of available resources.

- Maintaining a continuous review of the conduct of ongoing programs from a policy standpoint, and proposing reforms as needed.

Much of the Council's work will be accomplished by temporary, ad hoc project committees. These might take a variety of forms, such as task forces, planning groups or advisory bodies. They can be established with varying degrees of formality, and can be set up to deal either with broad program areas or with specific problems. The committees will draw for staff support on Department and agency experts, supplemented by the Council's own staff and that of the Office of Management and Budget.

Establishment of the Domestic Council draws on the experience gained during the past year with the Council for Urban Affairs, the Cabinet Committee on the Environment and the Council for Rural Affairs. The principal key to the operation of these Councils has been the effective functioning of their various subcommittees. The Councils themselves will be consolidated into the Domestic Council; Urban, Rural and Environment subcommittees of the Domestic Council will be strengthened, using access to the Domestic Council staff.

Overall, the Domestic Council will provide the President with a streamlined, consolidated domestic policy arm, adequately staffed, and highly flexible in its operation. It also will provide a structure through which departmental initiatives can be more fully considered, and expert advice from the Departments and agencies more fully utilized.

OFFICE OF MANAGEMENT AND BUDGET

Under the reorganization plan, the technical and formal means by which the Office of Management and Budget is created is by re-designating the Bureau of the Budget as the Office of Management and Budget. The functions currently vested by law in the Bureau, or in its director, are transferred to the President, with the provision that he can then re-delegate them.

As soon as the reorganization plan takes effect, I intend to delegate those statutory functions to the Director of the new Office of Management and Budget, including those under section 212 of the Budget and Accounting Act, 1921 [31 U.S.C. 1113].

However, creation of the Office of Management and Budget represents far more than a mere change of name for the Bureau of the Budget. It represents a basic change in concept and emphasis, reflecting the broader management needs of the Office of the President.

The new Office will still perform the key function of assisting the President in the preparation of the annual Federal budget and overseeing its execution. It will draw upon the skills and experience of the extraordinarily able and dedicated career staff developed by the Bureau of the Budget. But preparation of the budget as such will no longer be its dominant, overriding concern.

While the budget function remains a vital tool of management, it will be strengthened by the greater emphasis the new office will place on fiscal analysis. The budget function is only one of several important management tools that the President must now have. He must also have a substantially enhanced institutional staff capability in other areas of executive management—particularly in program evaluation and coordination, improvement of Executive Branch organization, information and management systems, and development of executive talent. Under this plan, strengthened capability in these areas will be provided partly through internal reorganization, and it will also require additional staff resources.

The new Office of Management and Budget will place much greater emphasis on the evaluation of program performance: on assessing the extent to which programs are actually achieving their intended results, and delivering the intended services to the intended recipients. This is needed on a continuing basis, not as a one-time effort. Program evaluation will remain a function of the individual agencies as it is today. However,

a single agency cannot fairly be expected to judge overall effectiveness in programs that cross agency lines—and the difference between agency and Presidential perspectives requires a capacity in the Executive Office to evaluate program performance whenever appropriate.

The new Office will expand efforts to improve interagency cooperation in the field. Washington-based coordinators will help work out interagency problems at the operating level, and assist in developing efficient coordinating mechanisms throughout the country. The success of these efforts depends on the experience, persuasion, and understanding of an Office which will be an expeditor and catalyst. The Office will also respond to requests from State and local governments for assistance on intergovernmental programs. It will work closely with the Vice President and the Office of Intergovernmental Relations.

Improvement of Government organization, information and management systems will be a major function of the Office of Management and Budget. It will maintain a continuous review of the organizational structures and management processes of the Executive Branch, and recommend needed changes. It will take the lead in developing new information systems to provide the President with the performance and other data that he needs but does not now get. When new programs are launched, it will seek to ensure that they are not simply forced into or grafted onto existing organizational structures that may not be appropriate. Resistance to organizational change is one of the chief obstacles to effective government; the new Office will seek to ensure that organization keeps abreast of program needs.

The new Office will also take the lead in devising programs for the development of career executive talent throughout the Government. Not the least of the President's needs as Chief Executive is direct capability in the Executive Office for insuring that talented executives are used to the full extent of their abilities. Effective, coordinated efforts for executive manpower development have been hampered by the lack of a system for forecasting the needs for executive talent and appraising leadership potential. Both are crucial to the success of an enterprise—whether private or public.

The Office of Management and Budget will be charged with advising the President on the development of new programs to recruit, train, motivate, deploy, and evaluate the men and women who make up the top ranks of the civil service, in the broadest sense of that term. It will not deal with individuals, but will rely on the talented professionals of the Civil Service Commission and the Departments and agencies themselves to administer these programs. Under the leadership of the Office of Management and Budget there will be joint efforts to see to it that all executive talent is well utilized wherever it may be needed throughout the Executive Branch, and to assure that executive training and motivation meet not only today's needs but those of the years ahead.

Finally, the new Office will continue the Legislative Reference functions now performed by the Bureau of the Budget, drawing together agency reactions on all proposed legislation, and helping develop legislation to carry out the President's program. It also will continue the Bureau's work of improving and coordinating Federal statistical services.

SIGNIFICANCE OF THE CHANGES

The people deserve a more responsive and more effective Government. The times require it. These changes will help provide it.

Each reorganization included in the plan which accompanies this message is necessary to accomplish one or more of the purposes set forth in Section 901(a) of Title 5 of the United States Code. In particular, the plan is responsive to Section 901(a)(1), "to promote the better execution of the laws, the more effective management of the Executive Branch and of its agencies and functions, and the expeditious administration of the public business;" and Section 901(a)(3), "to increase the efficiency of the operations of the Government to the fullest extent practicable."

The reorganizations provided for in this plan make necessary the appointment and compensation of new officers, as specified in Section 102(c) of the plan. The rates of compensation fixed for these officers are comparable to those fixed for other officers in the Executive Branch who have similar responsibilities.

While this plan will result in a modest increase in direct expenditures, its strengthening of the Executive Office of the President will bring significant indirect savings, and at the same time will help ensure that people actually receive the return they deserve for every dollar the Government spends. The savings will result from the improved efficiency these changes will provide throughout the Executive Branch—and also from curtailing the waste that results when programs simply fail to achieve their objectives. It is not practical, however, to itemize or aggregate these indirect expenditure reductions which will result from the reorganization.

I expect to follow with other reorganization plans, quite possibly including ones that will affect other activities of the Executive Office of the President. Our studies are continuing. But this by itself is a reorganization of major significance, and a key to the more effective functioning of the entire Executive

Branch.

These changes would provide an improved system of policy making and coordination, a strengthened capacity to perform those functions that are now the central concerns of the Bureau of the Budget, and a more effective set of management tools for the performance of other functions that have been rapidly increasing in importance.

The reorganization will not only improve the staff resources available to the President, but will also strengthen the advisory roles of those members of the Cabinet principally concerned with domestic affairs. By providing a means of formulating integrated and systematic recommendations on major domestic policy issues, the plan serves not only the needs of the President but also the interests of the Congress.

This reorganization plan is of major importance to the functioning of modern government. The national interest requires it. I urge that the Congress allow it to become effective.

Ex. Ord. No. 12615, Nov. 19, 1987, 52 F.R. 44853, provided:

By the authority vested in me as President by the Constitution and laws of the United States of America, and in order to facilitate ongoing efforts to ensure that the Federal Government acquires needed goods and services in the most economical and efficient manner, it is hereby ordered as follows:

SECTION 1. The head of each Executive department and agency shall, to the extent permitted by law:

(b) Identify by April 29, 1988, in cooperation with the Director of the Office of Management and Budget all commercial activities currently performed by government. The department and agency heads are encouraged to consult with the President's Commission on Privatization in making such identification;

(c) Schedule, by June 30, 1988, all commercial activities identified pursuant to subsection (b) for study in accordance with the procedures of OMB Circular No. A-76, as revised, and the Supplement thereto, to determine whether they could be performed more economically by private industry;

These estimates shall be based on analysis of savings under previous studies and estimated savings to be achieved from future conversions to contract. A department or agency proposal may reflect retention of expected first-year savings as negotiated with the Office of Management and Budget for use as incentive compensation to reward employees covered by the studies for their productivity efforts, or for use in other productivity enhancement projects;

(b) Publish for public review (i) not later than 30 days after its completion, the inventory of commercial activities identified pursuant to section 1(b) and the activities scheduled for study by departments and agencies in Fiscal Year 1988 pursuant to section 1(c); and (ii) not later than 30 days before the start of each successive fiscal year, the list of activities to be reviewed during that year pursuant to section 1(d); and

(c) Establish a tracking system to monitor, on a quarterly basis, progress by departments and agencies in carrying out this Order.

SEC. 3. The Director of the Office of Personnel Management, in consultation with the heads of other Executive departments and agencies, shall review and revise, as necessary and to the extent permitted by law, personnel policies and regulations in order (a) to ensure that government managers have the flexibility to organize in the most effective and efficient manner to achieve levels of productivity comparable with those of private industry, and (b) to reduce any adverse effects of productivity improvements on employees.

SEC. 5. Nothing in this Order shall be construed to confer a private right of action on any person, or to add in any way to applicable procurement procedures required by existing law.

Examples of such assets include, but are not limited to: roads, tunnels, bridges, electricity supply facilities, mass transit, rail transportation, airports, ports, waterways, water supply facilities, recycling and wastewater treatment facilities, solid waste disposal facilities, housing, schools, prisons, and hospitals.

(c) "Originally authorized purposes" means the general objectives of the original grant program; however, the term is not intended to include every condition required for a grantee to have obtained the original grant.

(d) "Transfer price" means: (i) the amount paid or to be paid by a private party for an infrastructure asset, if the asset is transferred as a result of competitive bidding; or (ii) the appraised value of an infrastructure asset, as determined by the head of the executive department or agency and the Director of the Office of Management and Budget, if the asset is not transferred as a result of competitive bidding.

(e) "State and local governments" means the government of any State of the United States, the District of Columbia, any commonwealth, territory, or possession of the United States, and any county, municipality, city, town, township, local public authority, school district, special district, intrastate district, regional or interstate governmental entity, council of governments, and any agency or instrumentality of a local government, and any federally recognized Indian Tribe.

SEC. 2. *Fundamental Principles.* Executive departments and agencies shall be guided by the following objectives and principles: (a) Adequate and well-maintained infrastructure is critical to economic growth. Consistent with the principles of federalism enumerated in Executive Order No. 12612 [formerly set out under section 601 of Title 5, Government Organization and Employees], and in order to allow the private sector to provide for infrastructure modernization and expansion, State and local governments should have greater freedom to privatize infrastructure assets.

(b) Private enterprise and competitively driven improvements are the foundation of our Nation's economy and economic growth. Federal financing of infrastructure assets should not act as a barrier to the achievement of economic efficiencies through additional private market financing or competitive practices, or both.

(c) State and local governments are in the best position to assess and respond to local needs. State and local governments should, subject to assuring continued compliance with Federal requirements that public use be on reasonable and nondiscriminatory terms, have maximum possible freedom to make decisions concerning the maintenance and disposition of their federally financed infrastructure assets.

(d) User fees are generally more efficient than general taxes as a means to support infrastructure assets. Privatization transactions should be structured so as not to result in unreasonable increases in charges to users.

SEC. 3. *Privatization Initiative.* To the extent permitted by law, the head of each executive department and agency shall undertake the following actions:

(a) Review those procedures affecting the management and disposition of federally financed infrastructure assets owned by State and local governments and modify those procedures to encourage appropriate privatization of such assets consistent with this order;

(b) Assist State and local governments in their efforts to advance the objectives of this order; and

(c) Approve State and local governments' requests to privatize infrastructure assets, consistent with the criteria in section 4 of this order and, where necessary, grant exceptions to the disposition requirements of the "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local

Governments” common rule, or other relevant rules or regulations, for infrastructure assets; provided that the transfer price shall be distributed, as paid, in the following manner: (i) State and local governments shall first recoup in full the unadjusted dollar amount of their portion of total project costs (including any transaction and fix-up costs they incur) associated with the infrastructure asset involved; (ii) if proceeds remain, then the Federal Government shall recoup in full the amount of Federal grant awards associated with the infrastructure asset, less the applicable share of accumulated depreciation on such asset (calculated using the Internal Revenue Service accelerated depreciation schedule for the categories of assets in question); and (iii) finally, the State and local governments shall keep any remaining proceeds.

SEC. 4. *Criteria.* To the extent permitted by law, the head of an executive department or agency shall approve a request in accordance with section 3(c) of this order only if the grantee: (a) Agrees to use the proceeds described in section 3(c)(iii) of this order only for investment in additional infrastructure assets (after public notice of the proposed investment), or for debt or tax reduction; and

(b) Demonstrates that a market mechanism, legally enforceable agreement, or regulatory mechanism will ensure that: (i) the infrastructure asset or assets will continue to be used for their originally authorized purposes, as long as needed for those purposes, even if the purchaser becomes insolvent or is otherwise hindered from fulfilling the originally authorized purposes; and (ii) user charges will be consistent with any current Federal conditions that protect users and the public by limiting the charges.

SEC. 5. *Government-wide Coordination and Review.* In implementing Executive Order Nos. 12291 and 12498 [formerly set out under section 601 of Title 5, Government Organization and Employees] and OMB Circular No. A-19, the Office of Management and Budget, to the extent permitted by law and consistent with the provisions of those authorities, shall take action to ensure that the policies of the executive department and agencies are consistent with the principles, criteria, and requirements of this order. The Office of Management and Budget shall review the results of implementing this order and report thereon to the President 1 year after the date of this order.

SEC. 6. *Preservation of Existing Authority.* Nothing in this order is in any way intended to limit any existing authority of the heads of executive departments and agencies to approve privatization proposals that are otherwise consistent with law.

SEC. 7. *Judicial Review.* This order is intended only to improve the internal management of the executive branch, and is not intended to create any right or benefit, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

Ex. Ord. No. 12837, Feb. 10, 1993, 58 F.R. 8205, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Budget and Accounting Act of 1921, as amended (31 U.S.C. 1101 *et seq.*), and section 301 of title 3, United States Code, and in order to assist in the control of the Federal deficit and improve the administrative productivity of the Federal Government, it is hereby ordered as follows:

SECTION 1. All executive departments and agencies shall include a separate category for “administrative expenses” when submitting their appropriation requests to the Office of Management and Budget (OMB) for

EX. ORD. NO. 12862. SETTING CUSTOMER SERVICE STANDARDS

Ex. Ord. No. 12862, Sept. 11, 1993, 58 F.R. 48257, provided:

Putting people first means ensuring that the Federal Government provides the highest quality service possible to the American people. Public officials must embark upon a revolution within the Federal Government to change the way it does business. This will require continual reform of the executive branch's management practices and operations to provide service to the public that matches or exceeds the best service available in the private sector.

NOW, THEREFORE, to establish and implement customer service standards to guide the operations of the executive branch, and by the authority vested in me as President by the Constitution and the laws of the United States, it is hereby ordered:

SECTION 1. *Customer Service Standards.* In order to carry out the principles of the National Performance Review, the Federal Government must be customer-driven. The standard of quality for services provided to the public shall be: Customer service equal to the best in business. For the purposes of this order, "customer" shall mean an individual or entity who is directly served by a department or agency. "Best in business" shall mean the highest quality of service delivered to customers by private organizations providing a comparable or analogous service.

All executive departments and agencies (hereinafter referred to collectively as "agency" or "agencies") that provide significant services directly to the public shall provide those services in a manner that seeks to meet the customer service standard established herein and shall take the following actions:

(a) identify the customers who are, or should be, served by the agency;

(b) survey customers to determine the kind and quality of services they want and their level of satisfaction with existing services;

(c) post service standards and measure results against them;

(d) benchmark customer service performance against the best in business;

(e) survey front-line employees on barriers to, and ideas for, matching the best in business;

(f) provide customers with choices in both the sources of service and the means of delivery;

(g) make information, services, and complaint systems easily accessible; and

(h) provide means to address customer complaints.

SEC. 2. *Report on Customer Service Surveys.* By March 8, 1994, each agency subject to this order shall report on its customer surveys to the President. As information about customer satisfaction becomes available, each agency shall use that information in judging the performance of agency management and in making resource allocations.

SEC. 3. *Customer Service Plans.* By September 8, 1994, each agency subject to this order shall publish a customer service plan that can be readily understood by its customers. The plan shall include customer service standards and describe future plans for customer surveys. It also shall identify the private and public sector standards that the agency used to benchmark its performance against the best in business. In connection with the plan, each agency is encouraged to provide training resources for programs needed by employees who directly serve customers and by managers making use of customer survey information to promote the principles and objectives contained herein.

SEC. 4. *Independent Agencies.* Independent agencies are requested to adhere to this order.

SEC. 5. *Judicial Review.* This order is for the internal management of the executive branch and does not create any right or benefit, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

WILLIAM J. CLINTON.

EX. ORD. NO. 12893. PRINCIPLES FOR FEDERAL INFRASTRUCTURE INVESTMENTS

Ex. Ord. No. 12893, Jan. 26, 1994, 59 F.R. 4233, provided:

A well-functioning infrastructure is vital to sustained economic growth, to the quality of life in our communities, and to the protection of our environment and natural resources. To develop and maintain its infrastructure facilities, our Nation relies heavily on investments by the Federal Government.

Our Nation will achieve the greatest benefits from its infrastructure facilities if it invests wisely and continually improves the quality and performance of its infrastructure programs. Therefore, by the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Scope.* The principles and plans referred to in this order shall apply to Federal spending for infrastructure programs. For the purposes of this order, Federal spending for infrastructure programs shall include direct spending and grants for transportation, water resources, energy, and environmental protection.

SEC. 2. *Principles of Federal Infrastructure Investment.*

Each executive department and agency with infrastructure responsibilities (hereinafter referred to collectively as “agencies”) shall develop and implement plans for infrastructure investment and management consistent with the following principles:

(a) *Systematic Analysis of Expected Benefits and Costs.* Infrastructure investments shall be based on systematic analysis of expected benefits and costs, including both quantitative and qualitative measures, in accordance with the following:

(1) Benefits and costs should be quantified and monetized to the maximum extent practicable. All types of benefits and costs, both market and nonmarket, should be considered. To the extent that environmental and other nonmarket benefits and costs can be quantified, they shall be given the same weight as quantifiable market benefits and costs.

(2) Benefits and costs should be measured and appropriately discounted over the full life cycle of each project. Such analysis will enable informed tradeoffs among capital outlays, operating and maintenance costs, and nonmonetary costs borne by the public.

(3) When the amount and timing of important benefits and costs are uncertain, analyses shall recognize the uncertainty and address it through appropriate quantitative and qualitative assessments.

(4) Analyses shall compare a comprehensive set of options that include, among other things, managing demand, repairing facilities, and expanding facilities.

(5) Analyses should consider not only quantifiable measures of benefits and costs, but also qualitative measures reflecting values that are not readily quantified.

(b) *Efficient Management.* Infrastructure shall be managed efficiently in accordance with the following:

(1) The efficient use of infrastructure depends not only on physical design features, but also on operational practices. To improve these practices, agencies should conduct periodic reviews of the operation and maintenance of existing facilities.

(2) Agencies should use these reviews to consider a variety of management practices that can improve the return from infrastructure investments. Examples include contracting practices that reward quality and innovation, and design standards that incorporate new technologies and construction techniques.

(3) Agencies also should use these reviews to identify the demand for different levels of infrastructure services. Since efficient levels of service can often best be achieved by properly pricing infrastructure, the Federal Government—through its direct investments, grants, and regulations—should promote consideration of market-based mechanisms for managing infrastructure.

(c) *Private Sector Participation.* Agencies shall seek private sector participation in infrastructure investment and management. Innovative public-private initiatives can bring about greater private sector

participation in the ownership, financing, construction, and operation of the infrastructure programs referred to in section 1 of this order. Consistent with the public interest, agencies should work with State and local entities to minimize legal and regulatory barriers to private sector participation in the provision of infrastructure facilities and services.

(d) *Encouragement of More Effective State and Local Programs.* To promote the efficient use of Federal infrastructure funds, agencies should encourage the State and local recipients of Federal grants to implement planning and information management systems that support the principles set forth in section 2(a) through (c) of this order. In turn, the Federal Government should use the information from the State and local recipients' management systems to conduct the system-level reviews of the Federal Government's infrastructure programs that are required by this order.

SEC. 3. *Submission of Plans.* Agencies shall submit initial plans to implement these principles to the Director of the Office of Management and Budget ("OMB") by March 15, 1994. Agency plans shall list the actions that will be taken to provide the data and analysis necessary for supporting infrastructure-related proposals in future budget submissions. Agency implementation plans should be consistent with OMB Circular A-94 that outlines the analytical methods required under the principles set forth in section 2 of this order.

SEC. 4. *Application to Budget Submissions.* Beginning with the fiscal year 1996 budget submission to OMB, each agency should use these principles to justify major infrastructure investment and grant programs. Major programs are defined as those programs with annual budgetary resources in excess of \$50 million.

SEC. 5. *Application to Legislative Proposals.* Beginning March 15, 1994, agencies shall employ the principles set forth in section 2 of this order and, at the request of OMB, shall provide supporting analyses when requesting OMB clearance for legislative proposals that would authorize or reauthorize infrastructure programs.

SEC. 6. *Guidance.* The Office of Management and Budget shall provide guidance to the agencies on the implementation of this order.

SEC. 7. *Judicial Review.* This order is intended only to improve the internal management of the executive branch and does not create any right or benefit, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

WILLIAM J. CLINTON.

EX. ORD. NO. 13048. IMPROVING ADMINISTRATIVE MANAGEMENT IN THE EXECUTIVE BRANCH

Ex. Ord. No. 13048, June 10, 1997, 62 F.R. 32467, as amended by Ex. Ord. No. 13284, §7, Jan. 23, 2003, 68 F.R. 4075, provided:

Improvement of Government operations is a continuing process that benefits from interagency activities. One group dedicated to such activities is the President's Council on Management Improvement (PCMI), established by Executive Order 12479 in 1984, reestablished by Executive Order 12816 in 1992. In the intervening years, some activities of the PCMI have been assumed by the President's Management Council, the Chief Financial Officers Council, and the Chief Information Officers Council. These organizations are also focussed on improving agencies' use of quality management principles. Other functions have been assigned to individual agencies. Nonetheless, remaining administrative management matters deserve attention across agency lines.

By the authority vested in me as President by the Constitution and the laws of the United States of America and in order to improve agency administrative and management practices throughout the executive branch, I hereby direct the following:

SECTION 1. *Interagency Council on Administrative Management.*

(a) *Purpose and Membership.* An Interagency Council on Administrative Management ("Council") is established as an interagency coordination mechanism. 23. National Aeronautics and Space Administration;
24. Agency for International Development;
25. General Services Administration;

27. Office of Personnel Management.

Department and agency heads shall advise the Chair of their selections for membership on the Council. Council membership shall also include representatives of the Chief Financial Officers Council, the Chief Information Officers Council, the Federal Procurement Council, the Interagency Advisory Group of Federal Personnel Directors, and the Small Agency Council, as well as at-large members appointed by the Chair, as he deems appropriate. The Chair shall invite representatives of the Social Security Administration to participate in the Council's work, as appropriate. The Council shall select a Vice Chair from among the Council's membership.

(b) The Council shall plan, promote, and recommend improvements in Government administration and operations and provide advice to the Chair on matters pertaining to the administrative management of the Federal Government. The Council shall:

- (1) explore opportunities for more effective use of Government resources;
- (2) support activities and initiatives of the President's Management Council, the Chief Financial Officers Council, the Chief Information Officers Council, the Federal Procurement Council, and the Interagency Advisory Group of Federal Personnel Directors designed to develop, review, revise, and implement Governmentwide administrative management policies; and
- (3) identify successful administrative management practices, including quality management practices, and assist in their Governmentwide dissemination and implementation.

SEC. 2. *Responsibilities of the Chair.* The Chair or, if the Chair chooses, the Vice Chair shall:

SEC. 3. *Responsibilities of Agency Heads.* To the extent permitted by law, heads of departments or agencies represented on the Council shall provide their representatives with administrative support needed to support Council activities.

SEC. 4. *Judicial Review.* This order is for the internal management of the executive branch and does not create any right or benefit, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

SEC. 5. *Revocation.* Executive Order 12816 (creating the President's Council on Management Improvement), Executive Order 12552 (establishing the executive branch productivity improvement program) and Executive Order 12637 (revising the executive branch productivity improvement program) are revoked.

EX. ORD. NO. 13571. STREAMLINING SERVICE DELIVERY AND IMPROVING CUSTOMER SERVICE

Ex. Ord. No. 13571, Apr. 27, 2011, 76 F.R. 24339, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America,

and in order to improve the quality of service to the public by the Federal Government, it is hereby ordered as follows:

SECTION 1. *Policy.* The public deserves competent, efficient, and responsive service from the Federal Government. Executive departments and agencies (agencies) must continuously evaluate their performance in meeting this standard and work to improve it. To this end, Executive Order 12862 (Setting Customer Service Standards), issued on September 11, 1993, requires agencies that provide significant services directly to the public to identify and survey their customers, establish service standards and track performance against those standards, and benchmark customer service performance against the best in business. This effort to “put people first” was an important step. It was reinforced by a Presidential Memorandum for the Heads of Executive Departments and Agencies issued on March 22, 1995 (Improving Customer Service), and a further Presidential Memorandum issued on March 3, 1998 (Conducting “Conversations with America” to Further Improve Customer Service).

However, with advances in technology and service delivery systems in other sectors, the public's expectations of the Government have continued to rise. The Government must keep pace with and even exceed those expectations. Government must also address the need to improve its services, not only to individuals, but also to private and Governmental entities to which the agency directly provides significant services. Government managers must learn from what is working in the private sector and apply these best practices to deliver services better, faster, and at lower cost. Such best practices include increasingly popular lower-cost, self-service options accessed by the Internet or mobile phone and improved processes that deliver services faster and more responsively, reducing the overall need for customer inquiries and complaints. The Federal Government has a responsibility to streamline and make more efficient its service delivery to better serve the public.

SEC. 2. *Agency Customer Service Plans and Activities.* Within 180 days of the date of this order, each agency shall develop, in consultation with the Office of Management and Budget (OMB), a Customer Service Plan (plan) to address how the agency will provide services in a manner that seeks to streamline service delivery and improve the experience of its customers. As used in this order, the term “customer” refers to any individual or to any entity, including a business, tribal, State or local government, or other agency, to which the agency directly provides significant services. The plan shall set forth the agency's approach, intended benefits, and an implementation timeline for the following actions:

(a) establishing one major initiative (signature initiative) that will use technology to improve the customer experience;

(b) establishing mechanisms to solicit customer feedback on Government services and using such feedback regularly to make service improvements;

(c) setting clear customer service standards and expectations, including, where appropriate, performance goals for customer service required by the GPRA (Government Performance and Results) Modernization Act of 2010 (Public Law 111–352);

(d) improving the customer experience by adopting proven customer service best practices and coordinating across service channels (such as online, phone, in-person, and mail services);

(e) streamlining agency processes to reduce costs and accelerate delivery, while reducing the need for customer calls and inquiries; and

(f) identifying ways to use innovative technologies to accomplish the customer service activities above, thereby lowering costs, decreasing service delivery times, and improving the customer experience.

SEC. 3. *Publication of Agency Customer Service Plans.* Each agency shall publish its plan on its Open Government web page.

SEC. 4. *Assistance in Implementation.* In consultation with the heads of executive departments and agencies, the Chief Performance Officer, who also serves as the Deputy Director for Management of the OMB, shall develop guidance for implementing the activities outlined in this order. Such guidance shall include, among other things, the nature and scope of services to which the order's requirements will apply. The Office of Management and Budget, the General Services Administration, and the Office of Science and Technology Policy shall assist and support agencies in developing customer service standards and plans, online posting of customer service metrics and best practices, expediting review for customer feedback mechanisms under the Paperwork Reduction Act (44 U.S.C. 3501 et seq.), improving the design and management of agency websites providing services or information to the public in compliance with section 508 of the Rehabilitation Act [of 1973] (29 U.S.C. 794d), and using innovative technologies to improve customer service at lower costs.

SEC. 5. *Independent Agencies.* Independent agencies are requested to adhere to this order.

SEC. 6. *Privileged Information.* Nothing in this order shall compel or authorize the disclosure of privileged information, law enforcement information, information affecting national security, or information the

disclosure of which is prohibited by law.

SEC. 7. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to an executive department, agency, or the head thereof; or

(ii) functions of the Director of the OMB relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

BARACK OBAMA.

EX. ORD. NO. 13576. DELIVERING AN EFFICIENT, EFFECTIVE, AND ACCOUNTABLE GOVERNMENT

Ex. Ord. No. 13576, June 13, 2011, 76 F.R. 35297, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to cut waste, streamline Government operations, and reinforce the performance and management reform gains my Administration has achieved, it is hereby ordered as follows:

SECTION 1. *Policy.* My Administration is committed to ensuring that the Federal Government serves the American people with the utmost effectiveness and efficiency. Over the last 2 years, we have made good progress and have saved taxpayer dollars by cutting waste and increasing the efficiency of Government operations by curbing uncontrolled growth in contract spending, terminating poorly performing information technology projects, deploying state of the art fraud detection tools to crack down on waste, focusing agency leaders on achieving ambitious improvements in high priority areas, and opening Government up to the public to increase accountability and accelerate innovation.

The American people must be able to trust that their Government is doing everything in its power to stop wasteful practices and earn a high return on every tax dollar that is spent. To strengthen that trust and deliver a smarter and leaner Government, my Administration will reinforce the performance and management reform gains achieved thus far; systematically identify additional reforms necessary to eliminate wasteful, duplicative, or otherwise inefficient programs; and publicize these reforms so that they may serve as a model across the Federal Government.

The implementation of the American Recovery and Reinvestment Act of 2009 (Public Law 111–5) (Recovery Act) has seen unprecedented transparency. The Recovery Accountability and Transparency Board (RATB) has developed innovative technologies and approaches for preventing and identifying fraud and abuse that have the potential to improve performance across all of Government spending.

SEC. 2. *Accountable Government Initiative.* (a) On September 14, 2010, in a Memorandum to the Senior Executive Service, my Administration introduced goals for the Accountable Government Initiative (Initiative). The mission of the Initiative is to monitor and promote agency progress in making Government work better, faster, and more efficiently. To hold executive departments and agencies (agencies) accountable for obtaining results consistent with this mission, the Vice President shall convene periodic meetings in which Cabinet members and the Director of the Office of Management and Budget (OMB) report to him on improvements implemented under their direction.

(b) The Federal Chief Performance Officer (CPO), who also serves as the Deputy Director for Management of OMB and the Chair of the President's Management Council (PMC), shall work with the PMC to support agencies' performance and management reform and cost-cutting efforts. The CPO will lead OMB and the PMC in identifying practices that should be adopted across agencies and in facilitating reforms that require cross-agency coordination and cooperation. The CPO shall work with agencies to ensure that each area identified as critical to performance improvement has robust performance metrics in place, and that these metrics are frequently analyzed and reviewed by agency leadership. Agencies shall update these metrics quarterly, as appropriate, on the website performance.gov.

(c) In accordance with the GPRA Modernization Act of 2010 (31 U.S.C. 1115 *et seq.*), each agency's Chief Operating Officer (COO) shall be designated as the Senior Accountable Official responsible for leading performance and management reform efforts, and for reducing wasteful or ineffective programs, policies, and procedures. In discharging this responsibility, this official shall be accountable for conducting frequent data-driven reviews of agency progress toward goals in the areas that OMB identifies as being critical to performance improvement across agencies or that the agency head identifies as top near-term priorities. These goals may include reforming information technology, reducing improper payments, leveraging the Federal

Government's purchasing scale, reducing high-risk contracting practices, improving the management of Federal real estate, enhancing customer service, and achieving agency and Federal Government priority goals identified pursuant to the GPRA Modernization Act of 2010.

(d) The Director of OMB shall provide guidance to agencies as part of the Fiscal Year 2013 budget process for identifying areas of program overlap and duplication within and across agencies, and for proposing consolidations and reductions to address those inefficiencies.

(e) The Chief Financial Officers (CFOs) at all agencies shall be responsible for achieving agency cost savings. This will include each agency's share of the \$2.1 billion in administrative cost savings identified in my Fiscal Year 2012 Budget, and for achieving those savings as quickly as possible. The CFOs are encouraged to realize these cost savings by targeting wasteful practices and by reducing, and identifying alternatives to, discretionary travel, the use of consultants, and other administrative expenses. The Federal CFO Council shall provide a monthly report on these efforts to the PMC, with relevant findings and progress reported on performance.gov.

SEC. 3. *Government Accountability and Transparency Board.* (a) There is hereby established a Government Accountability and Transparency Board (Board) to provide strategic direction for enhancing the transparency of Federal spending and advance efforts to detect and remediate fraud, waste, and abuse in Federal programs. The Board shall be composed of 11 members designated by the President from among agency Inspectors General, agency Chief Financial Officers or Deputy Secretaries, a senior official of OMB, and such other members as the President shall designate. The President shall designate a Chair from among the members. IMPLEMENTING MANAGEMENT REFORM IN EXECUTIVE BRANCH

Memorandum of President of the United States, Oct. 1, 1993, 58 F.R. 52393, which directed the head of executive departments and agencies, and requested independent agencies, to establish a chief operating officer and implement additional agency management reforms and established the President's Management Council to advise and assist the President and Vice President in ensuring that such reforms were implemented, was revoked by Memorandum of President of the United States, July 11, 2001, 66 F.R. 37105, set out below.

IMPLEMENTING GOVERNMENT REFORM

Memorandum of President of the United States, July 11, 2001, 66 F.R. 37105, provided:

Memorandum for the Heads of Executive Departments and Agencies

Throughout the campaign and in my Budget, I have called for "active, but limited" Government: one that empowers States, cities, and citizens to make decisions; ensures results through accountability; and promotes innovation through competition. Thus, if reform is to help the Federal Government adapt to a rapidly changing world, its primary objectives must be a Government that is:

- Citizen-centered—not bureaucracy centered;
- Results-oriented—not process-oriented; and
- Market-based—actively promoting, not stifling, innovation and competition.

In order to establish and implement Government reform throughout the executive branch, I hereby direct the following:

1. Establish Chief Operating Officers.

Each agency head shall designate a Chief Operating Officer, who shall be the senior official with agency-wide authority on behalf of the Secretary or agency head. The Chief Operating Officer, the equivalent of the Deputy Secretary, shall report directly to the agency head and shall be responsible for:

- (a) implementing the President's and agency head's goals and the agency's mission;
- (b) providing overall organization management to improve agency performance;
- (c) assisting the agency head in promoting Government reform, developing strategic plans, and measuring results; and
- (d) overseeing agency-specific efforts to integrate performance and budgeting, expand competitive sourcing, strengthen their workforce, improve financial management, advance e-government, apply information policy and technology policies, and other Government-wide management reforms.

2. Implement Additional Agency Reforms.

Each agency head shall identify and implement additional changes within the agency that will promote the principles of government reform.

3. Establishment of President's Management Council.

In order to advise and assist the President in ensuring that Government reform is implemented throughout the executive branch, I hereby establish the President's Management Council ("Council"). The Council shall comprise:

- (a) The Deputy Director, Office of Management and Budget;
- (b) The Chief Operating Officers from the following agencies:
 - (1) Department of State;
 - (2) Department of the Treasury;
 - (3) Department of Defense;
 - (4) Department of Justice;
 - (5) Department of the Interior;
 - (6) Department of Agriculture;
 - (7) Department of Commerce;
 - (8) Department of Labor;
 - (9) Department of Health and Human Services;
 - (10) Department of Housing and Urban Development;
 - (11) Department of Transportation;
 - (12) Department of Energy;
 - (13) Department of Education; and
 - (14) Department of Veterans Affairs.
- (c) The following central management agency representatives:
 - (1) Director of the Office of Personnel Management;
 - (2) Administrator of General Services;
- (d) Chief Operating Officers of the following agencies:
 - (1) Environmental Protection Agency;
 - (2) National Aeronautics and Space Administration;
 - (3) National Science Foundation;
 - (4) Social Security Administration; and
 - (5) Federal Emergency Management Agency.
- (e) Chief Operating Officers of three other executive branch agencies designated by the Chairperson, in his or her discretion;
- (f) Assistant to the President and Cabinet Secretary;
- (g) Deputy Assistant to the President for Management and Administration; and
- (h) Deputy Chief of Staff to the Vice President; and
- (i) Such other officials of the executive departments and agencies as the Director of the Office of Management and Budget or I may, from time to time, designate.

The Deputy Director of the Office of Management and Budget shall serve as Chairperson of the Council. The Chairperson of the Council may appoint a Vice-Chairperson from the Council's membership to assist the Chairperson in conducting affairs of the Council.

The functions of the Council shall include, among others:

- (a) improving overall executive branch management, including implementation of the President's Management Agenda;

(b) coordinating management-related efforts to improve Government throughout the executive branch and, as necessary, resolving specific interagency management issues;

(c) ensuring the adoption of new management practices in agencies throughout the executive branch; and

(d) identifying examples of, and providing mechanisms for, interagency exchange of information about best management practices.

The Council shall seek advice and information as appropriate from nonmember Federal agencies, particularly smaller agencies. The Council shall also consider the management reform experience of corporations, nonprofit organizations, State and local governments, Government employees, public sector unions, and customers of Government services.

Agencies shall cooperate with the Council and provide such assistance, information, and advice to the Council as the Council may request, to the extent permitted by law.

4. Independent Agencies.

Independent agencies are requested to comply with this memorandum.

5. Revocation and Judicial Review.

(a) the memorandum of October 1, 1993, entitled "Implementing Management Reform in the Executive Branch" is revoked.

(b) this memorandum is for the internal management of the executive branch and does not create any right or benefit, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

6. Publication.

The Director of the Office of Management and Budget is authorized and directed to publish this memorandum in the Federal Register.

GEORGE W. BUSH.

GOVERNMENT REFORM FOR COMPETITIVENESS AND INNOVATION

Memorandum of President of the United States, Mar. 11, 2011, 76 F.R. 14273, provided:

Memorandum for the Heads of Executive Departments and Agencies

As I outlined in my State of the Union address to the Congress on January 25, 2011, winning the future in the global economy will require reducing our deficit while investing in areas critical to long-term economic growth and competitiveness such as education, innovation, and infrastructure. By out-educating, out-innovating, and out-building our competitors, we will enable our Nation to grow, create jobs, and thrive in the years ahead.

At the same time, we cannot win the future with a government built for the past. We live and do business in the information age, but the organization of the Federal Government has not kept pace. Government agencies have grown without overall strategic planning and duplicative programs have sprung up, making it harder for each to reach its goals. Already, my Administration has taken on this waste and duplication. My current budget proposes more than 200 terminations, reductions, and savings in agency programs totaling approximately \$30 billion in fiscal year 2012. And in areas as varied as surface transportation to job training, public health, and education, I have proposed to consolidate scores of programs into more focused, effective, and streamlined initiatives.

But we must go further. Winning the future will take a government that judiciously allocates scarce government resources to maximize its efficiency and effectiveness so that it can best support American competitiveness and innovation. Now is the time to act to consolidate and reorganize the executive branch of the Federal Government in a way that best serves this goal.

By this memorandum, I assign our Nation's first Chief Performance Officer, who also serves as the Deputy Director for Management of the Office of Management and Budget (the "Chief Performance Officer"), the responsibility of leading the effort to create a plan for the restructuring and streamlining of the executive branch of the Federal Government. The first focus of this effort shall be on the executive departments and agencies and the functions that support one of our most important priorities—increasing trade, exports, and our overall competitiveness ("trade and competitiveness").

Accordingly, I direct the following:

(1) The Chief Performance Officer shall establish a Government Reform for Competitiveness and Innovation Initiative, led by an Executive Director, to conduct a comprehensive review of the Federal agencies and programs involved in trade and competitiveness, including analyzing their scope and effectiveness, areas of overlap and duplication, unmet needs, and possible cost savings.

(2) As part of this review, the Chief Performance Officer and Executive Director shall confer broadly with the heads and staff of executive departments and agencies, including the offices and agencies within the

Executive Office of the President (collectively, the “agencies”). They should also consult broadly with external stakeholders, including Members of Congress, business leaders, unions, nongovernmental organizations, and government reform experts, to hear their individual and independent perspectives on what we are doing well and where we could improve our effectiveness and efficiency.

(3) Within 90 days from the date of this memorandum, the Chief Performance Officer shall submit recommendations to me for presidential and, ultimately, congressional action to restructure and streamline Federal Government programs focused on trade and competitiveness, based on the following principles:

(a) the functions of the executive branch of the Federal Government involved in trade and competitiveness should be organized so that the Federal Government can most efficiently and effectively facilitate the competitiveness of American businesses, large and small, and American workers in the changing global economy;

(b) the responsibilities, authorities, programs, and requirements of agencies should be transparent, understandable, and easily accessible to the American public; and

(c) agencies and programs should be organized to reduce inefficiencies and overlapping responsibilities or functions, maximize return on taxpayer dollars, and best serve the American public.

(4) Agencies shall provide, consistent with law, information and assistance requested by the Chief Performance Officer and Executive Director to inform their work as directed by this memorandum.

(5) Agencies shall carry out the provisions of this memorandum to the extent permitted by law and consistent with their statutory and regulatory authorities and their enforcement mechanisms.

(6) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity, by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(7) The Director of the Office of Management and Budget is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

§502. Officers

(a) The head of the Office of Management and Budget is the Director of the Office of Management and Budget. The Director is appointed by the President, by and with the advice and consent of the Senate. Under the direction of the President, the Director shall administer the Office.

(b) The Office has a Deputy Director of the Office of Management and Budget, appointed by the President, by and with the advice and consent of the Senate. The Deputy Director—

(1) shall carry out the duties and powers prescribed by the Director; and

(2) acts as the Director when the Director is absent or unable to serve or when the office of Director is vacant.

--------	------------------	--

In clause (1), “agency” (which is defined for purposes of this title in section 101 to mean a department, agency, or instrumentality of the United States) is coextensive with and substituted for the term “department or establishment” which was defined in 31:2 as in part meaning “any executive department, independent commission, board, bureau, office, agency, or other establishment of the Government, including any independent regulatory commission or board”. This definition merely restates and continues, and does not in any way change or expand, the definition in 31:2. Under that definition, entities such as the Tennessee Valley Authority that have been interpreted to be outside the purview of the definition will continue to be outside the purview in the same manner and to the same extent that they were under 31:2. The words “includes the District of Columbia government” are used because of existing law but the inclusion of these words is not to be interpreted as construing the extent to which the District of Columbia Self-Government and Governmental Reorganizational Act (Pub. L. 93–198, 87 Stat. 774) supersedes the provisions codified in this title. The words “of the United States” are omitted as surplus. The text of 31:2 (2d–4th pars.) is omitted as unnecessary because of the restatement. The text of section 2 (3d par.) of the Budget and Accounting Act, 1921 (ch. 18, 42 Stat. 20), is omitted as obsolete because of section 501 of the revised title.

SHORT TITLE OF 2008 AMENDMENT

L. 110–323, §1(a), Sept. 22, 2008, 122 Stat. 3539, provided that: “This Act [enacting section 705 of this title, amending sections 731 to 733, 735, and 3521 of this title and section 109 of the Ethics in Government Act of 1978, Pub. L. 95–521, set out in the Appendix to Title 5, Government Organization and Employees, enacting provisions set out as notes under sections 705, 732, and 3523 of this title, and repealing provisions set out as a note under section 3523 of this title] may be cited as the ‘Government Accountability Office Act of 2008’.”

SHORT TITLE OF 1988 AMENDMENT

Pub. L. 100–426, §1, Sept. 9, 1988, 102 Stat. 1598, provided that: “This Act [amending sections 703, 732, 751, 752, 755, 771 to 774, 776, and 777 of this title and section 5349 of Title 5, Government Organization and Employees, and enacting provisions set out as notes under sections 755 and 772 of this title] may be cited as the ‘General Accounting Office Personnel Amendments Act of 1988’.”

§702. Government Accountability Office

(a) The Government Accountability Office is an instrumentality of the United States Government independent of the executive departments.

(b) The head of the Office is the Comptroller General of the United States. The Office has a Deputy Comptroller General of the United States.

(c) The Comptroller General may adopt a seal for the Office.

(Pub. L. 97–258, Sept. 13, 1982, 96 Stat. 887; Pub. L. 100–545, §2(b), Oct. 28, 1988, 102 Stat. 2729; Pub. L. 108–271, §8(b), July 7, 2004, 118 Stat. 814.)

In subsection (a), the words “instrumentality of the United States Government” are substituted for “establishment of the Government” for consistency. The words “created . . . to be” and 31:41(2d, 3d sentences) are omitted as executed.

Subsection (b) is substituted for 31:41(1st sentence last 14 words) and 42(a)(1st sentence words before comma) to eliminate unnecessary words and for consistency. The word “Deputy” is substituted for “Assistant” because of section 101 of the Act of July 9, 1971 (Pub. L. 92–51, 85 Stat. 143). The text of 31:1154(d)(1st sentence) and 1155(a) is omitted as unnecessary because the Comptroller General, as the head of the Office, has the authority to establish constituent parts of the Office to carry out duties and powers unless otherwise specified by law.

In subsection (c), the words “Administrator of General Services” are substituted for “the head of any Federal agency which exercises authority over such building” for clarity. The words “of the United States” are omitted as surplus.

(2) Through an attorney the Comptroller General designates in writing, the Comptroller General may bring a civil action in the district court of the United States for the District of Columbia to require the head of the agency to produce a record—

A reprisal or threat of reprisal may not be made against an officer or employee of the Government Accountability Office because of comments on a proposed regulation about the system.

(b) The personnel management system shall—

- (1) include the principles of section 2301(b) of title 5;
- (2) prohibit personnel practices prohibited under section 2302(b) of title 5;
- (3) prohibit political activities prohibited under subchapter III of chapter 73 of title 5;

- (5) give a preference to an individual eligible for a preference in the executive branch of the United States Government in a way and to an extent consistent with a preference given an individual in the executive branch; and
- (6) provide that the Comptroller General shall fix the basic pay of officers and employees of the Office not fixed by law, consistent with section 5301 of title 5, except as provided under subsection (c)(3) of this section and section 733(a)(3)(B) of this title.

notwithstanding any other provision of this paragraph, an adjustment under this paragraph shall not be applied in the case of any officer or employee whose performance is not at a satisfactory level, as determined by the Comptroller General for purposes of such adjustment;

(4) the pay schedule for officers and employees of the Office may provide that the basic pay rates for not more than 129 positions (including senior-level positions under section 732a of this title) may be at rates not more than the rate of basic pay payable for grade GS-18 of the General Schedule, less the number of positions in the General Accounting Office Senior Executive Service ¹ under section 733 of this title (except positions included in the Service under section 733(c) of this title and senior-level positions described in section 732a(b) of this title); and

(5) the Comptroller General shall prescribe regulations under which an officer or employee of the Office shall be entitled to pay retention if, as a result of any reduction-in-force or other workforce adjustment procedure, position reclassification, or other appropriate circumstances as determined by the Comptroller General, such officer or employee is placed in or holds a position in a lower grade or band with a maximum rate of basic pay that is less than the rate of basic pay payable to the officer or employee immediately before the reduction in grade or band; such regulations—

(A) shall provide that the officer or employee shall be entitled to continue receiving the rate of basic pay that was payable to the officer or employee immediately before the reduction in grade or band until such time as the retained rate becomes less than the maximum rate for the grade or band of the position held by such officer or employee; and

(B) shall include provisions relating to the minimum period of time for which an officer or employee must have served or for which the position must have been classified at the higher grade or band in order for pay retention to apply, the events that terminate the right to pay retention (apart from the one described in subparagraph (A)), and exclusions based on the nature of an appointment; in prescribing regulations under this subparagraph, the Comptroller General shall be guided by the provisions of sections 5362 and 5363 of title 5.

(d) The personnel management system shall provide—

(1) for a system to appraise the performance of officers and employees of the General Accounting Office ² that meets the requirements of section 4302 of title 5 and in addition includes—

(A) a link between the performance management system and the agency's strategic plan;

(B) adequate training and retraining for supervisors, managers, and employees in the implementation and operation of the performance management system;

(C) a process for ensuring ongoing performance feedback and dialogue between supervisors, managers, and employees throughout the appraisal period and setting timetables for review;

(E) a means to ensure that adequate agency resources are allocated for the design, implementation, and administration of the performance management system;

(2) that the Comptroller General has the same responsibility for performance appraisals under this subsection as the Director of the Office of Personnel Management has under section 4302 of title 5;

(3) for a reduction in grade or removal of an officer or employee because of unacceptable

performance consistent with section 4303 of title 5;

(4) for other personnel actions consistent with chapter 75 of title 5; and

(5) a procedure for processing complaints and grievances not otherwise provided for under clauses (3) and (4) of this subsection or subsection (e) or (f)(1) of this section.

(e) The personnel management system shall provide—

(1) a procedure that ensures that each officer and employee of the Government Accountability Office may form, join, or assist, or not form, join, or assist, an employee organization freely and without fear of penalty or reprisal; and

(2) for a labor-management relations program consistent with chapter 71 of title 5.

(f)(1) The personnel management system shall—

(A) provide that all personnel actions affecting an officer, employee, or applicant for employment be taken without regard to race, color, religion, age, sex, national origin, political affiliation, marital status, or handicapping condition; and

(B) include a minority recruitment program consistent with section 7201 of title 5.

(2) This subchapter and subchapter IV of this chapter do not affect a right or remedy of an officer, employee, or applicant for employment under a law prohibiting discrimination in employment in the Government on the basis of race, color, religion, age, sex, national origin, political affiliation, marital status, or handicapping condition. However, for officers, employees, or applicants in the Government Accountability Office—

(A) the General Accounting Office Personnel Appeals Board ¹ has the same authority over oversight and appeals matters as an executive agency has over oversight and appeals matters; and

(B) the Comptroller General has the same authority over matters (except oversight and appeals) as an executive agency has over matters (except oversight and appeals).

(3) This section does not affect a lawful effort to achieve equal employment opportunity through affirmative action.

(g) An officer or employee of the Government Accountability Office completing at least one year of continuous service under a nontemporary appointment under the personnel management system acquires a competitive status for appointment to a position in the competitive service for which the officer or employee is qualified.

(h)(1)(A) Notwithstanding any other provision of law, the Comptroller General shall prescribe regulations, consistent with regulations issued by the Office of Personnel Management under authority of section 3502(a) of title 5 for the separation of employees of the Government Accountability Office during a reduction in force or other adjustment in force.

(B) The regulations must give effect to the following factors in descending order of priority—

(i) tenure of employment;

(iii) veterans' preference under sections 3502(b) and 3502(c) of title 5;

(iv) performance ratings;

(v) length of service computed in accordance with the second sentence of section 3502(a) of title 5; and

(vi) other objective factors such as skills and knowledge that the Comptroller General considers necessary and appropriate to realign the agency's workforce in order to meet current and future mission needs, to correct skill imbalances, or to reduce high-grade, managerial, or supervisory positions.

(C) Notwithstanding subparagraph (B), the regulations relating to removal from the General Accounting Office Senior Executive Service ¹ in a reduction in force or other adjustment in force shall be consistent with section 3595(a) of title 5.

(2)(A) The regulations shall provide a right of appeal to the General Accounting Office Personnel

Appeals Board ¹ regarding a personnel action under the regulations, consistent with section 753 of this title.

(B) The regulations shall provide that final decision by the General Accounting Office Personnel Appeals Board ¹ may be reviewed by the United States Court of Appeals for the Federal Circuit consistent with section 755 of this title.

(3)(A) Except as provided in subparagraph (B), an employee may not be released, due to a reduction in force, unless such employee is given written notice at least 60 days before such employee is so released. Such notice shall include—

- (i) the personnel action to be taken with respect to the employee involved;
- (ii) the effective date of the action;
- (iii) a description of the procedures applicable in identifying employees for release;
- (iv) the employee's ranking relative to other competing employees, and how that ranking was determined; and
- (v) a description of any appeal or other rights which may be available.

(B) The Comptroller General may, in writing, shorten the period of advance notice required under subparagraph (A) with respect to a particular reduction in force, if necessary because of circumstances not reasonably foreseeable, except that such period may not be less than 30 days.

(i) The regulations under subsection (h) shall include provisions under which, at the discretion of the Comptroller General, the opportunity to separate voluntarily (in order to permit the retention of an individual occupying a similar position) shall, with respect to the Government Accountability Office, be available to the same extent and in the same manner as described in subsection (f)(1)–(4) of section 3502 of title 5 (with respect to the Department of Defense or a military department).

(j)(1) For purposes of this subsection—

(A) the term “pay increase”, as used with respect to an officer or employee in connection with a year, means the total increase in the rate of basic pay (expressed as a percentage) of such officer or employee, taking effect under section 731(b) and subsection (c)(3) in such year;

(B) the term “required minimum percentage”, as used with respect to an officer or employee in connection with a year, means the percentage equal to the total increase in rates of basic pay (expressed as a percentage) taking effect under sections 5303 and 5304–5304a of title 5 in such year with respect to General Schedule positions within the pay locality (as defined by section 5302(5) of title 5) in which the position of such officer or employee is located;

(C) the term “covered officer or employee”, as used with respect to a pay increase, means any individual—

(i) who is an officer or employee of the Government Accountability Office, other than an officer or employee described in subparagraph (A), (B), or (C) of section 4(c)(1) of the Government Accountability Office Act of 2008, determined as of the effective date of such pay increase; and

(ii) whose performance is at least at a satisfactory level, as determined by the Comptroller General under the provisions of subsection (c)(3) for purposes of the adjustment taking effect under such provisions in such year; and

(D) the term “nonpermanent merit pay” means any amount payable under section 731(b) which does not constitute basic pay.

(2)(A) Notwithstanding any other provision of this chapter, if (disregarding this subsection) the pay increase that would otherwise take effect with respect to a covered officer or employee in a year would be less than the required minimum percentage for such officer or employee in such year, the Comptroller General shall provide for a further increase in the rate of basic pay of such officer or employee.

(B) The further increase under this subsection—

(i) shall be equal to the amount necessary to make up for the shortfall described in subparagraph (A); and

(ii) shall take effect as of the same date as the pay increase otherwise taking effect in such year.

(C) Nothing in this paragraph shall be considered to permit or require that a rate of basic pay be increased to an amount inconsistent with the limitation set forth in subsection (c)(2).

(D) If (disregarding this subsection) the covered officer or employee would also have received any nonpermanent merit pay in such year, such nonpermanent merit pay shall be decreased by an amount equal to the portion of such officer's or employee's basic pay for such year which is attributable to the further increase described in subparagraph (A) (as determined by the Comptroller General), but to not less than zero.

(3) Notwithstanding any other provision of this chapter, the effective date of any pay increase (within the meaning of paragraph (1)(A)) taking effect with respect to a covered officer or employee in any year shall be the same as the effective date of any adjustment taking effect under section 5303 of title 5 with respect to statutory pay systems (as defined by section 5302(1) of title 5) in such year.

PAY ADJUSTMENT RELATING TO CERTAIN PREVIOUS YEARS

Pub. L. 110–323, §3, Sept. 22, 2008, 122 Stat. 3540, provided that:

“(a) **APPLICABILITY.**—This section applies in the case of any individual who, as of the date of the enactment of this Act [Sept. 22, 2008], is an officer or employee of the Government Accountability Office, excluding—

“(1) an officer or employee described in subparagraph (A), (B), or (C) of section 4(c)(1) [set out as a note below]; and

“(2) an officer or employee who received both a 2.6 percent pay increase in January 2006 and a 2.4 percent pay increase in February 2007.

“(b) **PAY INCREASE DEFINED.**—For purposes of this section, the term ‘pay increase’, as used with respect to an officer or employee in connection with a year, means the total increase in the rate of basic pay (expressed as a percentage) of such officer or employee, taking effect under sections 731(b) and 732(c)(3) of title 31, United States Code, in such year.

“(c) **PROSPECTIVE EFFECT.**—Effective with respect to pay for service performed in any pay period beginning after the end of the 6-month period beginning on the date of the enactment of this Act (or such earlier date as the Comptroller General may specify), the rate of basic pay for each individual to whom this section applies shall be determined as if such individual had received both a 2.6 percent pay increase for 2006 and a 2.4 percent pay increase for 2007, subject to subsection (e).

“(d) LUMP-SUM PAYMENT.—Not later than 6 months after the date of the enactment of this Act, the Comptroller General shall, subject to the availability of appropriations, pay to each individual to whom this section applies a lump-sum payment. Subject to subsection (e), such lump-sum payment shall be equal to—

“(1)(A) the total amount of basic pay that would have been paid to the individual, for service performed during the period beginning on the effective date of the pay increase for 2006 and ending on the day before the effective date of the pay adjustment under subsection (c) (or, if earlier, the date on which the individual retires or otherwise ceases to be employed by the Government Accountability Office), if such individual had received both a 2.6 percent pay increase for 2006 and a 2.4 percent pay increase for 2007, minus

“(B) the total amount of basic pay that was in fact paid to the individual for service performed during the period described in subparagraph (A); and

“(2) increased by 4 percent of the amount calculated under paragraph (1).

Eligibility for a lump-sum payment under this subsection shall be determined solely on the basis of whether an individual satisfies the requirements of subsection (a) (to be considered an individual to whom this section applies), and without regard to such individual's employment status as of any date following the date of the enactment of this Act or any other factor.

“(e) CONDITIONS.—Nothing in subsection (c) or (d) shall be considered to permit or require—

“(1) the payment of any rate (or portion of the lump-sum amount as calculated under subsection (d)(1) based on a rate) for any pay period, to the extent that such rate would be (or would have been) inconsistent with the limitation that applies (or that applied) with respect to such pay period under section 732(c)(2) of title 31, United States Code; or

“(2) the payment of any rate or amount based on the pay increase for 2006 or 2007 (as the case may be), if—

“(A) the performance of the officer or employee involved was not at a satisfactory level, as determined by the Comptroller General under paragraph (3) of section 732(c) of such title 31 for purposes of the adjustment under such paragraph for that year; or

“(B) the individual involved was not an officer or employee of the Government Accountability Office on the date as of which that increase took effect.

As used in paragraph (2)(A), the term ‘satisfactory’ includes a rating of ‘meets expectations’ (within the meaning of the performance appraisal system used for purposes of the adjustment under section 732(c)(3) of such title 31 for the year involved).

“(f) RETIREMENT.—

“(1) IN GENERAL.—The portion of the lump-sum payment paid under subsection (d) to an officer or employee as calculated under subsection (d)(1) shall, for purposes of any determination of the average pay (as defined by section 8331 or 8401 of title 5, United States Code) which is used to compute an annuity under subchapter III of chapter 83 or chapter 84 of such title—

“(A) be treated as basic pay (as defined by section 8331 or 8401 of such title); and

“(B) be allocated to the biweekly pay periods covered by subsection (d).

“(2) CONTRIBUTIONS TO CIVIL SERVICE RETIREMENT AND DISABILITY RETIREMENT FUND.—

“(A) EMPLOYEE CONTRIBUTIONS.—The Government Accountability Office shall deduct and withhold from the lump-sum payment paid to each employee under subsection (d) an amount equal to the difference between—

“(i) employee contributions that would have been deducted and withheld from pay under section 8334 or 8422 of title 5, United States Code, if the portion of the lump-sum payment as calculated under subsection (d)(1) had been additionally paid as basic pay during the period described under subsection (d)(1) of this section; and

“(ii) employee contributions that were actually deducted and withheld from pay under section 8334 or 8422 of title 5, United States Code, during that period.

“(B) AGENCY CONTRIBUTIONS AND PAYMENT TO THE FUND.—Not later than 9 months after the Government Accountability Office makes the lump-sum payments under subsection (d), the Government Accountability Office shall pay into the Civil Service Retirement and Disability Fund—

“(i) the amount of each deduction and withholding under subparagraph (A); and

“(ii) an amount for applicable agency contributions under section 8334 or 8423 of title 5, United States Code, based on payments made under clause (i).

“(g) EXCLUSIVE REMEDY.—This section constitutes the exclusive remedy that any individuals to whom this section applies (as described in subsection (a)) have for any claim that they are owed any monies denied to them in the form of a pay increase for 2006 or 2007 under section 732(c)(3) of title 31, United States Code,

or any other law. Notwithstanding any other provision of law, no court or administrative body, including the Government Accountability Office Personnel Appeals Board, shall have jurisdiction to entertain any civil action or other civil proceeding based on the claim of such individuals that they were due money in the form of a pay increase for 2006 or 2007 pursuant to such section 732(c)(3) or any other law.”

LUMP-SUM PAYMENT FOR CERTAIN PERFORMANCE-BASED COMPENSATION

Pub. L. 110–323, §4, Sept. 22, 2008, 122 Stat. 3543, provided that:

“(a) IN GENERAL.—Not later than 6 months after the date of the enactment of this Act [Sept. 22, 2008], the Comptroller General shall, subject to the availability of appropriations, pay to each qualified individual a lump-sum payment equal to the amount of performance-based compensation such individual was denied for 2006, as determined under subsection (b).

“(b) AMOUNT.—The amount payable to a qualified individual under this section shall be equal to—

“(1) the total amount of performance-based compensation such individual would have earned for 2006 (determined by applying the Government Accountability Office's performance-based compensation system under GAO Orders 2540.3 and 2540.4, as in effect in 2006) if such individual had not had a salary equal to or greater than the maximum for such individual's band (as further described in subsection (c)(2)), less

“(2) the total amount of performance-based compensation such individual was in fact granted, in January 2006, for that year.

“(c) QUALIFIED INDIVIDUAL.—For purposes of this section, the term ‘qualified individual’ means an individual who—

“(1) as of the date of the enactment of this Act, is an officer or employee of the Government Accountability Office, excluding—

“(A) an individual holding a position subject to section 732a or 733 of title 31, United States Code (disregarding section 732a(b) and 733(c) of such title);

“(B) a Federal Wage System employee; and

“(C) an individual participating in a development program under which such individual receives performance appraisals, and is eligible to receive permanent merit pay increases, more than once a year; and

“(2) as of January 22, 2006, was a Band I staff member with a salary above the Band I cap, a Band IIA staff member with a salary above the Band IIA cap, or an administrative professional or support staff member with a salary above the cap for that individual's pay band (determined in accordance with the orders cited in subsection (b)(1)).

“(d) EXCLUSIVE REMEDY.—This section constitutes the exclusive remedy that any officers and employees (as described in subsection (c)) have for any claim that they are owed any monies denied to them in the form of merit pay for 2006 under section 731(b) of title 31, United States Code, or any other law. Notwithstanding any other provision of law, no court or administrative body in the United States, including the Government Accountability Office Personnel Appeals Board, shall have jurisdiction to entertain any civil action or other civil proceeding based on the claim of such officers or employees that they were due money in the form of merit pay for 2006 pursuant to such section 731(b) or any other law.

“(e) DEFINITIONS.—For purposes of this section—

“(1) the term ‘performance-based compensation’ has the meaning given such term under the Government Accountability Office's performance-based compensation system under GAO Orders 2540.3 and 2540.4, as in effect in 2006; and

“(2) the term ‘permanent merit pay increase’ means an increase under section 731(b) of title 31, United States Code, in a rate of basic pay.”

(2) has the demonstrated ability, background, training, and experience necessary to be qualified specially to serve on the Board; and

(3) demonstrates a capacity and willingness to devote sufficient time to dispose of cases in a timely way.

(b) The Comptroller General shall appoint members only—

(1) after considering any candidates who are recommended to the Comptroller General (at such time and in such manner as the Comptroller General requires) by organizations composed

primarily of individuals experienced in adjudicating or arbitrating personnel matters; and

(2) after the Comptroller General consults with organizations representing employees of the Office and with any member of each committee of Congress, having legislative jurisdiction over the personnel management system maintained under section 732 of this title, whom the chairman of the committee designates.

(c)(1) Except as provided in paragraph (2), the term of a member of the Board is 5 years. A member may not be reappointed. An individual appointed to fill a vacancy occurring before the expiration of a term of office is appointed for the remainder of the term. However, if the unexpired part of a term is less than one year, the Comptroller General may appoint an individual for a 5-year term plus the unexpired part of the term. When the term of a member ends, the member may continue to serve until a successor takes office or for 6 months after the term expires, whichever is earlier.

(2)(A) The term of a member serving on the date of the enactment of the General Accounting Office Personnel Amendments Act of 1988 shall be as follows:

(i) with respect to the members under subparagraph (A)(i), which will have a term of 5 years and which will have a term of 6 years; and

(ii) with respect to the members under subparagraph (A)(ii), which will have a term of 6 years and which will have a term of 7 years.

(C) A term established for a member under this paragraph shall be measured—

(i) from the date on which the member was originally appointed; or

(ii) in the case of a member serving for the unexpired portion of a term, from the appointment date of the individual who was originally appointed to serve for such term.

(d) A member may be removed by a majority of the Board (except the member subject to removal) only for inefficiency, neglect of duty, or malfeasance in office. A member subject to removal shall be given notice and an opportunity for a hearing before the Board unless the member waives the opportunity in writing.

(e) While carrying out a member's duties (including travel), a member who is not an officer or employee of the United States Government is entitled to basic pay at a rate equal to the daily rate of basic pay payable for grade GS-18 of the General Schedule. 1101(1)	31:2(1st–4th pars.).	June 10, 1921, ch. 18, §2(1st–5th pars.), 42 Stat. 20; Apr. 3, 1939, ch. 36, §201, 53 Stat. 565; July 31, 1953, ch. 302, §101(1st proviso in par. under heading “Bureau of the Budget”), 67 Stat. 299.
1101(2)	31:2(last par.).	June 10, 1921, ch. 18, 42 Stat. 20, §2(last par.); added Sept. 12, 1950, ch. 946, §101, 64 Stat. 832.

In the section, a reference to 31:71 and 471 is omitted because the definitions in the section are not used in 31:71 and 471.

In clause (1), “agency” (which is defined for purposes of this title in section 101 to mean a department, agency, or instrumentality of the United States) is coextensive with and substituted for the term “department or establishment” which was defined in 31:2 as in part meaning “any executive department, independent commission, board, bureau, office, agency, or other establishment of the Government, including any independent regulatory commission or board”. This definition merely restates and continues, and does not in any way change or expand, the definition in 31:2. Under that definition, entities such as the Tennessee Valley Authority that have been interpreted to be outside the purview of the definition will continue to be outside the purview in the same manner and to the same extent that they were under 31:2. The words “includes the District of Columbia government” are used because of existing law but the inclusion of these words is not to be interpreted as construing the extent to which the District of Columbia Self-Government and Governmental Reorganizational Act (Pub. L. 93–198, 87 Stat. 774) supersedes the provisions codified in this title. The words “of the United States” are omitted as surplus. The text of 31:2(2d–4th pars.) is omitted as unnecessary because of the restatement. The text of section 2(3d par.) of the Budget and Accounting Act, 1921 (ch. 18, 42 Stat. 20), is omitted as obsolete because of section 501 of the revised title.

“(6) improve internal management of the Federal Government.”

§1104. Budget and appropriations authority of the President

(a) The President shall prepare budgets of the United States Government under section 1105 of this title and proposed deficiency and supplemental appropriations under section 1107 of this title. To the extent practicable, the President shall use uniform terms in stating the purposes and

conditions of appropriations.

(b) Except as provided in this chapter, the President shall prescribe the contents and order of statements in the budget on expenditures and estimated expenditures and statements on proposed appropriations and information submitted with the budget and proposed appropriations. The President shall include with the budget and proposed appropriations information on personnel and other objects of expenditure in the way that information was included in the budget for fiscal year 1950. However, the requirement that information be included in the budget in that way may be waived or changed by joint action of the Committees on Appropriations of both Houses of Congress. This subsection does not limit the authority of a committee of Congress to request information in a form it prescribes.

(c) When the President makes a basic change in the form of the budget, the President shall submit with the budget information showing where items in the budget for the prior fiscal year are contained in the present budget. However, the President may change the functional categories in the budget only in consultation with the Committees on Appropriations and on the Budget of both Houses of Congress. Committees of the House of Representatives and Senate shall receive prompt notification of all such changes.

(d) The President shall develop programs and prescribe regulations to improve the compilation, analysis, publication, and dissemination of statistical information by executive agencies. The President shall carry out this subsection through the Administrator for the Office of Information and Regulatory Affairs in the Office of Management and Budget.

(e) Under regulations prescribed by the President, each agency shall provide information required by the President in carrying out this chapter. The President has access to, and may inspect, records of an agency to obtain information.

---------	--------	--

In the section, the word “President” is substituted for “Office” in 31:16(last sentence), “President, through the Director of the Office of Management and Budget” in 31:18b, “President and the Director of the Office of Management and Budget” in 44:3503(note), and “Office of Management and Budget” in 31:21 and 623, because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085), designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President.

In subsection (a), the words “under such rules and regulations as the President may prescribe” in 31:16(last sentence) are omitted as unnecessary because of section 101 of Reorganization Plan No. 2 of 1970. The words “use uniform terms in stating” are substituted for “make uniform the language commonly used in expressing” in 31:623 for consistency. The words “eliminate from all estimates unnecessary words” are omitted as unnecessary because of the authority of the President under this subsection to prepare the budget. The text of section 3(words before semicolon) in the Act of June 23, 1913 (ch. 13, 38 Stat. 75) is omitted as superseded by 31:ch. 1 and 31:581.

In subsection (b), the word “arrangement” is omitted as being included in “order”. The word “information” is substituted for “notes and other data”, and the word “submitted” is substituted for “transmitted”, for consistency. The words “The President shall include” are substituted for “shall be accompanied by” because of the authority of the President under subsection (a) to prepare the budget. The words “proposed appropriations” are substituted for “proposed supplemental or deficiency appropriations” because of the restatement. The word “personnel” is substituted for “personal services” for clarity. The word “way” is substituted for “manner and form” for consistency. The words “either generally or in specific cases” are omitted as surplus. The word “request” is substituted for “request and receive” to eliminate unnecessary words. The words “it prescribes” are substituted for “as they may desire in consideration of and action upon budget estimates” to eliminate unnecessary words.

In subsection (c), the words “President makes” are substituted for “is made” in 31:581a as being more precise. The word “information” is substituted for “explanatory notes and tables” for consistency in the revised title. The words “to Congress”, “as may be necessary”, and “various” are omitted as surplus. The words “The President may change” are substituted for “Any change . . . shall be made only” in 31:11d because the President prepares and submits the budget under 31:11. The word “budget” is substituted for “Budget of the United States Government transmitted pursuant to section 11 of this title” to eliminate unnecessary words and for consistency in the chapter.

In subsection (d), the word “gathering” in 31:18b is omitted as being included in “compilation”. The text of 31:18b(last sentence) is omitted as unnecessary because of the restatement of the source provisions in subsection (e). The words “carry out . . . through” are substituted for “delegate to” in 44:3503(note) for consistency.

In subsection (e), the word “provide” is substituted for “furnish” for consistency. The words “required by the President in carrying out this chapter” are substituted for “as the Office may from time to time require” because of section 101 of Reorganization Plan No. 2 of 1970 and to provide comparable limiting language on when information may be required. The words “the director and the assistant director, or any employee of the Office when duly authorized” are omitted because of 3:301. The word “inspect” is substituted for “examine” for consistency in the revised title. The word “records” is substituted for “books, documents, papers, or records” for consistency in the revised title and with other titles of the United States Code.

2011—Pub. L. 112–74 inserted at end “The President shall transmit promptly to Congress without change, proposed deficiency and supplemental appropriations submitted to the President by the legislative branch and the judicial branch.”

§1108. Preparation and submission of appropriations requests to the President

(a) In this section (except subsections (b)(1) and (e)), “agency” means a department, agency, or instrumentality of the United States Government.

(b)(1) The head of each agency shall prepare and submit to the President each appropriation request for the agency. The request shall be prepared and submitted in the form prescribed by the President under this chapter and by the date established by the President. When the head of an agency does not submit a request by that date, the President shall prepare the request for the agency to be included in the budget or changes in the budget or as deficiency and supplemental appropriations. The President may change agency appropriation requests. Agency appropriation requests shall be developed from cost-based budgets in the way and at times prescribed by the President. The head of the agency shall use the cost-based budget to administer the agency and to divide appropriations or amounts.

(2) An officer or employee of an agency in the executive branch may submit to the President or Congress a request for legislation authorizing deficiency or supplemental appropriations for the agency only with the approval of the head of the agency.

(c) The head of an agency shall include with an appropriation request submitted to the President a report that the statement of obligations submitted with the request contains obligations consistent with section 1501 of this title. The head of the agency shall support the report with a certification of the consistency and shall support the certification with records showing that the amounts have been obligated. The head of the agency shall designate officials to make the certifications, and those officials may not delegate the duty to make the certifications. The certifications and records shall be kept in the agency—

- (1) in a form that makes audits and reconciliations easy; and
- (2) for a period necessary to carry out audits and reconciliations.

(d) To the extent practicable, the head of an agency shall—

- (1) provide information supporting the agency's budget request for its missions by function and subfunction (including the mission of each organizational unit of the agency); and
- (2) relate the agency's programs to its missions.

(e) Except as provided in subsection (f) of this section, an officer or employee of an agency (as defined in section 1101 of this title) may submit to Congress or a committee of Congress an appropriations estimate or request, a request for an increase in that estimate or request, or a recommendation on meeting the financial needs of the Government only when requested by either House of Congress.

(f) The Interstate Commerce Commission shall submit to Congress copies of budget estimates, requests, and information (including personnel needs), legislative recommendations, prepared testimony for congressional hearings, and comments on legislation at the same time they are sent to the President or the Office of Management and Budget. An officer of an agency may not impose conditions on or impair communication by the Commission with Congress, or a committee or member of Congress, about the information.

(g) Amounts available under law are available for field examinations of appropriation estimates. The use of the amounts is subject only to regulations prescribed by the appropriate standing committees of Congress.

1108(g)	31:22a.	Aug. 7, 1953, ch. 340, §1314, 67 Stat. 438.

Subsection (a) is included because the source provisions restated in subsections (c), (d), (f), and (g) of the revised section are derived from laws that apply to all organizational units and branches of the United States

Government rather than the units and branches included in the chapter-wide definition in section 1101.

In subsection (b)(1), the word “President” is substituted for “Office” in 31:16(last sentence) and “Office of Management and Budget” in 31:23 and 24(a) because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085) designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President. The words “prepare” is substituted for “prepare or cause to be prepared” in 31:22 to eliminate unnecessary words. The word “appropriations” is substituted for “regular, supplementary, or deficiency appropriations” in 31:22 and 24(a) to eliminate unnecessary words. The words “in each year” are omitted as surplus. The words “in the form prescribed by the President under this chapter and by the date established by the President” are substituted for “on or before a date which the President shall determine” in 31:23, and “as the President may determine in accordance with the provisions of section 11 of this title” and “in such manner and at such times as may be determined by the President” in 31:24, to eliminate unnecessary words and to provide a cross-reference to the authority of the President to prepare and submit budgets and appropriations request. The words “prepare the request for the agency to be included in the budget or changes in the budget or as deficiency or supplemental appropriations” are substituted for “cause such requests to be prepared as are necessary to enable him to include such requests with the Budget in respect to the work of such department or establishment” in 31:23 for clarity and because of the restatement. The word “change” is substituted for “assemble, correlate, revise, reduce, or increase” in 31:16 (last sentence) to eliminate unnecessary words. The words “The head of the agency shall use” are substituted for “shall be used by all departments and establishments and their subordinate units” and “shall be made on the basis of” in 31:24 as being more precise. The word “operation” is omitted as being included in “administer”. The word “amounts” is substituted for “funds” for consistency in the revised title. The word “divide” is substituted for “administrative subdivisions” because of the restatement.

In subsection (b)(2), the words “deficiency or supplemental appropriations” are substituted for “subsequent appropriations” for consistency. The words “the Office of Management and Budget” are omitted because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President. The words “the agency” are substituted for “by such department or establishment, or by any organization unit thereof” to eliminate unnecessary words.

In subsection (c), before clause (1), the word “President” is substituted for “Office of Management and Budget” in 31:200(b) because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President. The words “submitted with the request contains obligations consistent with” are substituted for “furnished therewith consists of valid obligations as defined in” for clarity and because of the restatement. The words “The head of the agency shall support the report with a certification of the consistency” are substituted for “Each report made pursuant to subsection (b) of this section shall be supported by certifications” in 31:200(c) for clarity. The words “duty to make certifications” are substituted for “responsibility” for consistency.

In subsection (d)(1), the words “its missions” are substituted for “its assigned mission”, and the words “the mission” are substituted for “mission responsibilities”, to eliminate unnecessary words.

In subsection (d)(2), the word “mission” is substituted for “agency missions” to eliminate unnecessary words.

In subsection (e), the words “Except as provided in subsection (f) of this section” are added because of the restatement. The word “financial” is substituted for “revenue” for consistency in the revised title.

In subsection (f), the word “personnel” is substituted for “manpower”, and the words “at the same time” are substituted for “concurrently”, for clarity. The words “officer of an agency” are substituted for “officer or agency” as being more precise. The word “prohibit” is omitted as being included in “impose conditions on or impair”. The word “communication” is substituted for “free communication” to eliminate a surplus word. The words “about the information” are substituted for “with respect to any budget estimate or request of the Commission” for consistency and to eliminate unnecessary words.

In subsection (g), the word “Amounts” is substituted for “Funds”, the word “law” is substituted for “Act”, and the words “regulations prescribed” are substituted for “regulations”, for consistency in the revised title. The words “of Congress” are added for clarity.

(b) **AGENCY PERFORMANCE PLANS.**—Not later than the first Monday in February of each year, the head of each agency shall make available on a public website of the agency, and notify the President and the Congress of its availability, a performance plan covering each program activity set forth in the budget of such agency. Such plan shall—

information, and other resources and strategies required to meet those performance goals;

(B) clearly defined milestones;

(C) an identification of the organizations, program activities, regulations, policies, and other activities that contribute to each performance goal, both within and external to the agency;

EX. ORD. NO. 13457. PROTECTING AMERICAN TAXPAYERS FROM GOVERNMENT SPENDING ON WASTEFUL EARMARKS

Ex. Ord. No. 13457, Jan. 29, 2008, 73 F.R. 6417, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Policy.* It is the policy of the Federal Government to be judicious in the expenditure of taxpayer dollars. To ensure the proper use of taxpayer funds that are appropriated for Government programs and purposes, it is necessary that the number and cost of earmarks be reduced, that their origin and purposes be transparent, and that they be included in the text of the bills voted upon by the Congress and presented to the President. For appropriations laws and other legislation enacted after the date of this order, executive agencies should not commit, obligate, or expend funds on the basis of earmarks included in any non-statutory source, including requests in reports of committees of the Congress or other congressional documents, or communications from or on behalf of Members of Congress, or any other non-statutory source, except when required by law or when an agency has itself determined a project, program, activity, grant, or other transaction to have merit under statutory criteria or other merit-based decisionmaking.

SEC. 2. *Duties of Agency Heads.* (a) With respect to all appropriations laws and other legislation enacted after the date of this order, the head of each agency shall take all necessary steps to ensure that:

(i) agency decisions to commit, obligate, or expend funds for any earmark are based on the text of laws, and

in particular, are not based on language in any report of a committee of Congress, joint explanatory statement of a committee of conference of the Congress, statement of managers concerning a bill in the Congress, or any other non-statutory statement or indication of views of the Congress, or a House, committee, Member, officer, or staff thereof;

(ii) agency decisions to commit, obligate, or expend funds for any earmark are based on authorized, transparent, statutory criteria and merit-based decision making, in the manner set forth in section II of OMB Memorandum M–07–10, dated February 15, 2007, to the extent consistent with applicable law; and

(iii) no oral or written communications concerning earmarks shall supersede statutory criteria, competitive awards, or merit-based decisionmaking.

(b) An agency shall not consider the views of a House, committee, Member, officer, or staff of the Congress with respect to commitments, obligations, or expenditures to carry out any earmark unless such views are in writing, to facilitate consideration in accordance with section 2(a)(ii) above. All written communications from the Congress, or a House, committee, Member, officer, or staff thereof, recommending that funds be committed, obligated, or expended on any earmark shall be made publicly available on the Internet by the receiving agency, not later than 30 days after receipt of such communication, unless otherwise specifically directed by the head of the agency, without delegation, after consultation with the Director of the Office of Management and Budget, to preserve appropriate confidentiality between the executive and legislative branches.

(c) Heads of agencies shall otherwise implement within their respective agencies the policy set forth in section 1 of this order, consistent with such instructions as the Director of the Office of Management and Budget may prescribe.

(d) The head of each agency shall upon request provide to the Director of the Office of Management and Budget information about earmarks and compliance with this order.

SEC. 3. *Definitions.* For purposes of this order:

(a) The term “agency” means an executive agency as defined in section 105 of title 5, United States Code, and the United States Postal Service and the Postal Regulatory Commission, but shall exclude the Government Accountability Office; and

(b) the term “earmark” means funds provided by the Congress for projects, programs, or grants where the purported congressional direction (whether in statutory text, report language, or other communication) circumvents otherwise applicable merit-based or competitive allocation processes, or specifies the location or recipient, or otherwise curtails the ability of the executive branch to manage its statutory and constitutional responsibilities pertaining to the funds allocation process.

SEC. 4. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to an agency or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budget, administrative, or legislative proposals.

(b) This order shall be implemented in a manner consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity, by any party against the United States, its agencies, instrumentalities, or entities, its officers, employees, or agents, or any other person.

GEORGE W. BUSH.

SUBCHAPTER III—LIMITATIONS, EXCEPTIONS, AND PENALTIES

SHORT TITLE

Certain provisions of this subchapter and subchapter II of chapter 15 of this title were originally enacted as section 3679 of the Revised Statutes, popularly known as the Anti-Deficiency Act. That section was repealed as part of the general revision of this title by Pub. L. 97–258, and its provisions restated in sections 1341, 1342, 1349 to 1351, and 1511 to 1519 of this title.

§1341. Limitations on expending and obligating amounts

(a)(1) An officer or employee of the United States Government or of the District of Columbia government may not—

(A) make or authorize an expenditure or obligation exceeding an amount available in an appropriation or fund for the expenditure or obligation;

(B) involve either government in a contract or obligation for the payment of money before an

appropriation is made unless authorized by law;

(C) make or authorize an expenditure or obligation of funds required to be sequestered under section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985; or

(D) involve either government in a contract or obligation for the payment of money required to be sequestered under section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985.

(2) This subsection does not apply to a corporation getting amounts to make loans (except paid in capital amounts) without legal liability of the United States Government.

(b) An article to be used by an executive department in the District of Columbia that could be bought out of an appropriation made to a regular contingent fund of the department may not be bought out of another amount available for obligation.

AMENDMENTS

1990—Subsec. (a)(1)(C), (D). Pub. L. 101–508 added subpars. (C) and (D).

§1342. Limitation on voluntary services

An officer or employee of the United States Government or of the District of Columbia government may not accept voluntary services for either government or employ personal services exceeding that authorized by law except for emergencies involving the safety of human life or the protection of property. This section does not apply to a corporation getting amounts to make loans (except paid in capital amounts) without legal liability of the United States Government. As used in this section, the term “emergencies involving the safety of human life or the protection of property” does not include ongoing, regular functions of government the suspension of which would not imminently threaten the safety of human life or the protection of property.

In subsection (a), the word “agency” is substituted for “department of the Government” because of section 101 of the revised title and for consistency with the other source provisions restated in the section.

In subsection (b), before clause (1), the words “buy or lease” are substituted for “purchase or hire” for consistency. In clause (1)(C), the words “section 101 of title 5” are used because of section 7(b) of the Act of September 6, 1966 (Pub. L. 89–554, 80 Stat. 631).

In subsection (c)(1), before clause (A), the word “agency” is substituted for “department” for consistency. The words “total cost” are substituted for “cost” because of the restatement. The words “(except costs required only for transportation)” are substituted for “which shall be in addition to the amount required for transportation” for clarity. Clause (A) is substituted for “completely equipped for operation” and 31:638a(c)(1)(2d sentence) to eliminate unnecessary words.

In subsection (c)(2), the words “Notwithstanding any other provisions of law” are omitted as surplus.

In subsection (d), the words “armed forces” are substituted for “Military and Naval Establishments” for consistency.

In subsection (e)(2), the words “motor boats, trucks” in 31:638d are omitted as being included in “vehicles”. The words “adopted by Congress” are omitted as surplus.

In subsection (e)(3), the words “horse-drawn” in 31:638e are omitted because the section applies only to motor vehicles and aircraft described in 31:638a and also is obsolete. The words “motor boats” are omitted as being included in “vehicles”.

§1344. Passenger carrier use

(a)(1) Funds available to a Federal agency, by appropriation or otherwise, may be expended by the Federal agency for the maintenance, operation, or repair of any passenger carrier only to the extent that such carrier is used to provide transportation for official purposes. Notwithstanding any other provision of law, transporting any individual other than the individuals listed in subsections (b) and (c) of this section between such individual's residence and such individual's place of employment is not transportation for an official purpose.

(2) For purposes of paragraph (1), transportation between the residence of an officer or employee and various locations that is—

(A) required for the performance of field work, in accordance with regulations prescribed pursuant to subsection (e) of this section, or

(B) essential for the safe and efficient performance of intelligence, counterintelligence, protective services, or criminal law enforcement duties,

is transportation for an official purpose, when approved in writing by the head of the Federal agency.

(3) For purposes of paragraph (1), the transportation of an individual between such individual's place of employment and a mass transit facility pursuant to subsection (g) is transportation for an official purpose.

(b) A passenger carrier may be used to transport between residence and place of employment the following officers and employees of Federal agencies:

(3)(A) officers compensated at Level I of the Executive Schedule pursuant to section 5312 of title 5; and

(B) a single principal deputy to an officer described in subclause (A) of this clause, when a determination is made by such officer that such transportation is appropriate;

(4) principal diplomatic and consular officials abroad, and the United States Ambassador to the United Nations;

(5) the Deputy Secretary of Defense and Under Secretaries of Defense, the Secretary of the Air Force, the Secretary of the Army, the Secretary of the Navy, the members and Vice Chairman of the Joint Chiefs of Staff, and the Commandant of the Coast Guard;

(7) the Chairman of the Board of Governors of the Federal Reserve System;

(8) the Comptroller General of the United States and the Postmaster General of the United States; and

(9) an officer or employee with regard to whom the head of a Federal agency makes a determination, in accordance with subsection (d) of this section and with regulations prescribed pursuant to paragraph (1) of subsection (e), that highly unusual circumstances present a clear and present danger, that an emergency exists, or that other compelling operational considerations make such transportation essential to the conduct of official business.

Except as provided in paragraph (2) of subsection (d), any authorization made pursuant to clause (9) of this subsection to permit the use of a passenger carrier to transport an officer or employee between residence and place of employment shall be effective for not more than 15 calendar days.

(c) A passenger carrier may be used to transport between residence and place of employment any person for whom protection is specifically authorized pursuant to section 3056(a) of title 18 or for whom transportation is authorized pursuant to section 28 of the State Department Basic Authorities Act of 1956, section 2637 of title 10, or section 8(a)(1) of the Central Intelligence Agency Act of 1949.

(d)(1) Any determination made under subsection (b)(9) of this section shall be in writing and shall include the name and title of the officer or employee affected, the reason for such determination, and the duration of the authorization for such officer or employee to use a passenger carrier for transportation between residence and place of employment.

(2) If a clear and present danger, an emergency, or a compelling operational consideration described in subsection (b)(9) of this section extends or may extend for a period in excess of 15 calendar days, the head of the Federal agency shall determine whether an authorization under such paragraph shall be extended in excess of 15 calendar days for a period of not more than 90 additional calendar days. Determinations made under this paragraph may be reviewed by the head of such agency at the end of each such period, and, where appropriate, a subsequent determination may be made whether such danger, emergency, or consideration continues to exist and whether an additional extension, not to exceed 90 calendar days, may be authorized. Determinations made under this paragraph shall be in accordance with regulations prescribed pursuant to paragraph (1) of subsection (e).

(3) The authority to make designations under subsection (b)(1) of this section and to make determinations pursuant to subsections (a)(2) and (b)(3)(B) and (9) of this section and pursuant to paragraph (2) of this subsection may not be delegated, except that, with respect to the Executive Office of the President, the President may delegate the authority of the President under subsection (b)(9) of this section to an officer in the Executive Office of the President. No designation or

determination under this section may be made solely or principally for the comfort or convenience of the officer or employee.

(4) Notification of each designation or determination made under subsection (b)(1), (3)(B), and (9) of this section and under paragraph (2) of this subsection, including the name and title of the officer or employee affected, the reason for any determination under subsection (b)(9), and the expected duration of any authorization under subsection (b)(9), shall be transmitted promptly to the Committee on Government Operations of the House of Representatives and the Committee on Governmental Affairs of the Senate.

(e)(1) Not later than March 15, 1987, the Administrator of General Services, after consultation with the Comptroller General, the Director of the Office of Management and Budget, and the Director of the Administrative Office of the United States Courts, shall promulgate regulations governing the heads of all Federal agencies in making the determinations authorized by subsections (a)(2)(A), (b)(9), and (d)(2) of this section. Such regulations shall specify that the comfort and convenience of an officer or employee is not sufficient justification for authorizations of transportation under this section.

(2) In promulgating regulations under paragraph (1) of this subsection, the Administrator of General Services shall provide criteria defining the term “field work” for purposes of subsection (a)(2)(A) of this section. Such criteria shall ensure that transportation between an employee's residence and the location of the field work will be authorized only to the extent that such transportation will substantially increase the efficiency and economy of the Government.

(f) Each Federal agency shall maintain logs or other records necessary to establish the official purpose for Government transportation provided between an individual's residence and such individual's place of employment pursuant to this section.

(g)(1) If and to the extent that the head of a Federal agency, in his or her sole discretion, deems it appropriate, a passenger carrier may be used to transport an officer or employee of a Federal agency between the officer's or employee's place of employment and a mass transit facility (whether or not publicly owned) in accordance with succeeding provisions of this subsection.

(2) Notwithstanding section 1343, a Federal agency that provides transportation services under this subsection (including by passenger carrier) may absorb the costs of such services using any funds available to such agency, whether by appropriation or otherwise.

(3) In carrying out this subsection, a Federal agency, to the maximum extent practicable and consistent with sound budget policy, should—

(A) use alternative fuel vehicles for the provision of transportation services;

(B) to the extent consistent with the purposes of this subsection, provide transportation services in a manner that does not result in additional gross income for Federal income tax purposes; and

(C) coordinate with other Federal agencies to share, and otherwise avoid duplication of, transportation services provided under this subsection.

(4) For purposes of any determination under chapter 81 of title 5 or chapter 171 of title 28, an individual shall not be considered to be in the “performance of duty” or “acting within the scope of his or her office or employment” by virtue of the fact that such individual is receiving transportation services under this subsection. Nor shall any time during which an individual uses such services be considered when calculating the hours of work or employment for that individual for purposes of title 5 of the United States Code, including chapter 55 of that title.

(5)(A) The Administrator of General Services, after consultation with the appropriate agencies, shall prescribe any regulations necessary to carry out this subsection.

(B) Transportation services under this subsection shall be subject neither to the last sentence of subsection (d)(3) nor to any regulations under the last sentence of subsection (e)(1).

(6) In this subsection, the term “passenger carrier” means a passenger motor vehicle or similar means of transportation that is owned, leased, or provided pursuant to contract by the United States Government.

(h) As used in this section—

(1) the term “passenger carrier” means a passenger motor vehicle, aircraft, boat, ship, or other

similar means of transportation that is owned or leased by the United States Government; and

(2) the term “Federal agency” means—

(I) the Smithsonian Institution; and

(J) any nonappropriated fund instrumentality of the United States,

except that such term does not include the government of the District of Columbia.

(i) Notwithstanding section 410(a) of title 39, this section applies to the United States Postal Service.

The words “executive agency” are substituted for “agency” because the definition of “agency” in 31:665(d)(2) applies to the source provisions restated in the section and because of section 102 of the revised title. The word “Mayor” is used because of Reorganization Plan No. 3 of 1967 (eff. Aug. 11, 1967, 81 Stat. 948) and sections 421, 422, and 771 of the District of Columbia Self-Government and Governmental Reorganization Act (Pub. L. 93–198, 87 Stat. 789, 818). The word “President” is substituted for “President, through the Director of the Office of Management and Budget” because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085) designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President.

AMENDMENTS

2004—Pub. L. 108–447 inserted at end “A copy of each report shall also be transmitted to the Comptroller General on the same date the report is transmitted to the President and Congress.”

§1352. Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions

(a)(1) None of the funds appropriated by any Act may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any Federal action described in paragraph (2) of this subsection.

(2) The prohibition in paragraph (1) of this subsection applies with respect to the following Federal actions:

- (A) The awarding of any Federal contract.
- (B) The making of any Federal grant.
- (C) The making of any Federal loan.
- (D) The entering into of any cooperative agreement.
- (E) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b)(1) Each person who requests or receives a Federal contract, grant, loan, or cooperative agreement from an agency or requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency, in accordance with paragraph (4) of this subsection—

- (A) a written declaration described in paragraph (2) or (3) of this subsection, as the case may be; and
- (B) copies of all declarations received by such person under paragraph (5).

(2) A declaration filed by a person pursuant to paragraph (1)(A) of this subsection in connection with a Federal contract, grant, loan, or cooperative agreement shall contain—

(A) the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on behalf of the person with respect to that Federal contract, grant, loan, or cooperative agreement; and

(B) a certification that the person making the declaration has not made, and will not make, any payment prohibited by subsection (a).

(3) A declaration filed by a person pursuant to paragraph (1)(A) of this subsection in connection with a commitment providing for the United States to insure or guarantee a loan shall contain the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on behalf of the person in connection with that loan insurance or guarantee.

(4) A person referred to in paragraph (1)(A) of this subsection shall file a declaration referred to in that paragraph—

(A) with each submission by such person that initiates agency consideration of such person for award of a Federal contract, grant, loan, or cooperative agreement, or for grant of a commitment providing for the United States to insure or guarantee a loan;

(B) upon receipt by such person of a Federal contract, grant, loan, or cooperative agreement or of a commitment providing for the United States to insure or guarantee a loan, unless such person previously filed a declaration with respect to such contract, grant, loan, cooperative agreement or commitment pursuant to clause (A); and

(C) at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the information contained in any declaration previously filed by such person in connection with such Federal contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guaranty commitment.

(5) Any person who requests or receives from a person referred to in paragraph (1) of this subsection a subcontract under a Federal contract, a subgrant or contract under a Federal grant, a contract or subcontract to carry out any purpose for which a particular Federal loan is made, or a contract under a Federal cooperative agreement shall be required to file with the person referred to in such paragraph a written declaration referred to in clause (A) of such paragraph.

(6) The Director of the Office of Management and Budget, after consulting with the Secretary of the Senate and the Clerk of the House of Representatives, shall issue guidance for agency implementation of, and compliance with, the requirements of this section.

(c)(1) Any person who makes an expenditure prohibited by subsection (a) of this section shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(2)(A) Any person who fails to file or amend a declaration required to be filed or amended under subsection (b) of this section shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(B) A filing of a declaration or a declaration amendment on or after the date on which an administrative action for the imposition of a civil penalty under this subsection is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. For the purposes of this subparagraph, an administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(3) Sections 3803 (except for subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812 of this title shall be applied, consistent with the requirements of this section, to the imposition and collection of civil penalties under this subsection.

(4) An imposition of a civil penalty under this subsection does not prevent the United States from seeking any other remedy that the United States may have for the same conduct that is the basis for the imposition of such civil penalty.

(d)(1)(A) Subsection (a)(1) of this section does not apply in the case of a payment of reasonable

compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement to the extent that the payment is for agency and legislative liaison activities not directly related to a Federal action referred to in subsection (a)(2) of this section.

(B) Subsection (a)(1) of this section does not prohibit any reasonable payment to a person in connection with, or any payment of reasonable compensation to an officer or employee of a person requesting or receiving, a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(C) Nothing in this paragraph shall be construed as permitting the use of appropriated funds for making any payment prohibited in or pursuant to any other provision of law.

(2) The reporting requirement in subsection (b) of this section shall not apply to any person with respect to—

(A) payments of reasonable compensation made to regularly employed officers or employees of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan;

(B) a request for or receipt of a contract (other than a contract referred to in clause (C)), grant, cooperative agreement, subcontract (other than a subcontract referred to in clause (C)), or subgrant that does not exceed \$100,000; and

(C) a request for or receipt of a loan, or a commitment providing for the United States to insure or guarantee a loan, that does not exceed \$150,000, or the single family maximum mortgage limit for affected programs, whichever is greater, including a contract or subcontract to carry out any purpose for which such a loan is made.

(e) The Secretary of Defense may exempt a Federal action described in subsection (a)(2) from the prohibition in subsection (a)(1) whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such determination.

(f) The head of each Federal agency shall take such actions as are necessary to ensure that the provisions of this section are vigorously implemented and enforced in such agency.

§1512. Apportionment and reserves

(a) Except as provided in this subchapter, an appropriation available for obligation for a definite period shall be apportioned to prevent obligation or expenditure at a rate that would indicate a necessity for a deficiency or supplemental appropriation for the period. An appropriation for an indefinite period and authority to make obligations by contract before appropriations shall be apportioned to achieve the most effective and economical use. An apportionment may be reapportioned under this section.

(b)(1) An appropriation subject to apportionment is apportioned by—

(B) activities, functions, projects, or objects; or

(C) a combination of the ways referred to in clauses (A) and (B) of this paragraph.

(2) The official designated in section 1513 of this title to make apportionments shall apportion an appropriation under paragraph (1) of this subsection as the official considers appropriate. (A) to provide for contingencies;

(B) to achieve savings made possible by or through changes in requirements or greater efficiency of operations; or

(C) as specifically provided by law.

(2) A reserve established under this subsection may be changed as necessary to carry out the scope and objectives of the appropriation concerned. When an official designated in section 1513 of this title to make apportionments decides that an amount reserved will not be required to carry out the objectives and scope of the appropriation concerned, the official shall recommend the rescission of the amount in the way provided in chapter 11 of this title for appropriation requests. Reserves established under this section shall be reported to Congress as provided in the Impoundment Control Act of 1974 (2 U.S.C. 681 et seq.).

(d) An apportionment or a reapportionment shall be reviewed at least 4 times a year by the official designated in section 1513 of this title to make apportionments.

In subsection (a), before clause (1), the word “official” is substituted for “officer” for consistency in the revised title. The words “judicial branch” are substituted for “judiciary”, and the words “District of Columbia government” are substituted for “District of Columbia”, for consistency.

In subsection (b), the word “President” is substituted for “Director of the Office of Management and Budget”, “Office of Management and Budget”, and “Director” because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085) designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President.

In subsection (b)(1), the words “(except the Commission)” are added because the International Trade Commission is covered specifically by the source provisions restated in subsection (a).

In subsection (b)(2), the words “head of the executive agency” are substituted for “agency” as being more precise and because of section 102 of the revised title.

In subsection (c), the words “In addition to the apportionment required by section 665 of this title” are omitted as unnecessary because of the restatement. The words “By the first day” are substituted for “on or before the beginning”, and the words “of the United States Government” are added, for clarity. §1514. Administrative division of apportionments

(a) The official having administrative control of an appropriation available to the legislative branch, the judicial branch, the United States International Trade Commission, or the District of Columbia government, and, subject to the approval of the President, the head of each executive agency (except the Commission) shall prescribe by regulation a system of administrative control not inconsistent with accounting procedures prescribed under law. The system shall be designed to—

(1) restrict obligations or expenditures from each appropriation to the amount of apportionments or reapportionments of the appropriation; and

(2) enable the official or the head of the executive agency to fix responsibility for an obligation or expenditure exceeding an apportionment or reapportionment.

(b) To have a simplified system for administratively dividing appropriations, the head of each executive agency (except the Commission) shall work toward the objective of financing each operating unit, at the highest practical level, from not more than one administrative division for each appropriation affecting the unit.

In subsection (a), the word “official” is substituted for “officer” for consistency in the revised title. The words “judicial branch” are substituted for “judiciary”, and the words “District of Columbia government” are substituted for “District of Columbia”, for consistency. In subsection (b), the words “dividing” and “division” are substituted for “subdivision” for consistency in the revised section. The word “appropriations” is substituted for “appropriations or funds” because of the definition of “appropriation” in section 1511 of the revised title.

§1515. Authorized apportionments necessitating deficiency or supplemental appropriations

(a) An appropriation required to be apportioned under section 1512 of this title may be apportioned on a basis that indicates the need for a deficiency or supplemental appropriation to the extent necessary to permit payment of such pay increases as may be granted pursuant to law to civilian officers and employees (including prevailing rate employees whose pay is fixed and adjusted under subchapter IV of chapter 53 of title 5) and to retired and active military personnel.

(b)(1) Except as provided in subsection (a) of this section, an official may make, and the head of an executive agency may request, an apportionment under section 1512 of this title that would indicate a necessity for a deficiency or supplemental appropriation only when the official or agency head decides that the action is required because of—

(A) a law enacted after submission to Congress of the estimates for an appropriation that requires an expenditure beyond administrative control; or

(B) an emergency involving the safety of human life, the protection of property, or the immediate welfare of individuals when an appropriation that would allow the United States Government to pay, or contribute to, amounts required to be paid to individuals in specific amounts fixed by law or under formulas prescribed by law, is insufficient.

(2) If an official making an apportionment decides that an apportionment would indicate a necessity for a deficiency or supplemental appropriation, the official shall submit immediately a detailed report of the facts to Congress. The report shall be referred to in submitting a proposed deficiency or supplemental appropriation.

AMENDMENTS

1990—Pub. L. 101–510 amended text generally, revising and restating former subsecs. (a) to (d) as subsecs. (a) and (b).

EFFECTIVE DATE OF 1990 AMENDMENT

Amendment by Pub. L. 101–510 applicable to any appropriation account the obligated balance of which, on Nov. 5, 1990, has not been transferred under subsec. (a)(1) of this section, as in effect Nov. 4, 1990, with transitional provisions, see section 1405(b) of Pub. L. 101–510, set out as a note under section 1551 of this title.

AUDIT OF OBLIGATED BALANCES OF DEPARTMENT OF DEFENSE

Pub. L. 101–510, div. A, title XIV, §1406, Nov. 5, 1990, 104 Stat. 1680, provided that:

“(a) **AUDIT REQUIREMENT.**—The Secretary of Defense shall provide for an audit of each account of the Department of Defense established under paragraph (1) of section 1552(a) of title 31, United States Code, as in effect on the day before the date of the enactment of this Act [Nov. 5, 1990]. The audit shall, with respect to each such account, identify—

“(1) the balance in the account;

“(2) the amount of such balance that is considered by the Secretary (as of the time of the audit) to represent amounts required for valid obligations (as supported by documentary evidence as required by section 1501 of title 31) and the amount of such balance that is considered by the Secretary (as of the time of the audit) to represent amounts for obligations that are considered no longer valid;

“(3) the sources of amounts in the account, shown by fiscal year and by amount for each fiscal year; and

“(4) such other matters as the Secretary considers appropriate.

“(b) **DEOBLIGATION OF OBLIGATIONS NO LONGER VALID.**—Any obligated amounts in accounts of the Department of Defense established under paragraph (1) of section 1552(a) of title 31, United States Code, that are determined pursuant to the audit under subsection (a) to represent amounts for obligations that are no longer valid shall be deobligated and canceled.

“(c) **REPORT ON AUDIT.**—Not later than December 31, 1991, the Secretary of Defense shall submit to Congress a report containing the results of the audit conducted pursuant to subsection (a). The report shall set forth—

“(1) the information required to be identified pursuant to subsection (a); and

“(2) for each appropriation account (A) the average length of time funds have been obligated, (B) the average size of the obligation, and (iii)[(C)] the object classification of the obligations, all shown for total obligations and separately for valid obligations and obligations that are no longer valid.”

§1553. Availability of appropriation accounts to pay obligations

(a) After the end of the period of availability for obligation of a fixed appropriation account and before the closing of that account under section 1552(a) of this title, the account shall retain its fiscal-year identity and remain available for recording, adjusting, and liquidating obligations properly chargeable to that account.

(b)(1) Subject to the provisions of paragraph (2), after the closing of an account under section 1552(a) or 1555 of this title, obligations and adjustments to obligations that would have been properly chargeable to that account, both as to purpose and in amount, before closing and that are not otherwise chargeable to any current appropriation account of the agency may be charged to any current appropriation account of the agency available for the same purpose.

(2) The total amount of charges to an account under paragraph (1) may not exceed an amount equal to 1 percent of the total appropriations for that account.

(c)(1) In the case of a fixed appropriation account with respect to which the period of availability for obligation has ended, if an obligation of funds from that account to provide funds for a program, project, or activity to cover amounts required for contract changes would cause the total amount of obligations from that appropriation during a fiscal year for contract changes for that program, project, or activity to exceed \$4,000,000, the obligation may only be made if the obligation is approved by the head of the agency (or an officer of the agency within the Office of the head of the agency to whom the head of the agency has delegated the authority to approve such an obligation).

(2) In the case of a fixed appropriation account with respect to which the period of availability for obligation has ended, if an obligation of funds from that account to provide funds for a program, project, or activity to cover amounts required for contract changes would cause the total amount obligated from that appropriation during a fiscal year for that program, project, or activity to exceed \$25,000,000, the obligation may not be made until—

(A) the head of the agency submits to the appropriate authorizing committees of Congress and the Committees on Appropriations of the Senate and the House of Representatives a notice in writing of the intent to obligate such funds, together with a description of the legal basis for the proposed obligation and the policy reasons for the proposed obligation; and

(B) a period of 30 days has elapsed after the notice is submitted.

(3) In this subsection, the term “contract change” means a change to a contract under which the contractor is required to perform additional work. Such term does not include adjustments to pay claims or increases under an escalation clause.

(d)(1) Obligations under this section may be paid without prior action of the Comptroller General.

(2) This subchapter does not—

(A) relieve the Comptroller General of the duty to make decisions requested under law; or

(B) affect the authority of the Comptroller General to settle claims and accounts.

(Pub. L. 97–258, Sept. 13, 1982, 96 Stat. 936; Pub. L. 101–510, div. A, title XIV, §1405(a)(1), Nov. 5, 1990, 104 Stat. 1676.)

AMENDMENTS

1990—Pub. L. 101–510 amended text generally. Prior to amendment, text read as follows:

“(a) Each appropriation account established under section 1552 of this title is accounted for separately and remains available until expended to pay obligations chargeable against any appropriation from which the account is derived.

“(b) Under regulations prescribed by the Comptroller General, obligations under subsection (a) of this section may be paid without prior action of the Comptroller General. However, this subchapter does not—

“(1) relieve the Comptroller General of the duty to make decisions requested under law; or

“(2) affect the authority of the Comptroller General to settle claims and accounts.”

EFFECTIVE DATE OF 1990 AMENDMENT

Amendment by Pub. L. 101–510 applicable to any appropriation account the obligated balance of which, on Nov. 5, 1990, has not been transferred under section 1552(a)(1) of this title, as in effect Nov. 4, 1990, with transitional provisions, see section 1405(b) of Pub. L. 101–510, set out as a note under section 1551 of this title.

§1554. Audit, control, and reporting

(a) Any audit requirement, limitation on obligations, or reporting requirement that is applicable to an appropriation account shall remain applicable to that account after the end of the period of availability for obligation of that account.

(b)(1) After the close of each fiscal year, the head of each agency shall submit to the President and the Secretary of the Treasury a report regarding the unliquidated obligations, unobligated balances, canceled balances, and adjustments made to appropriation accounts of that agency during the completed fiscal year. The report shall be submitted no later than 15 days after the date on which the President's budget for the next fiscal year is submitted to Congress under section 1105 of this title.

(2) Each report required by this subsection shall—

(A) provide a description, with reference to the fiscal year of appropriations, of the amount in each account, its source, and an itemization of the appropriations accounts;

- (B) describe all current and expired appropriations accounts;
- (C) describe any payments made under section 1553 of this title;
- (D) describe any adjustment of obligations during that fiscal year pursuant to section 1553 of this title;
- (E) contain a certification by the head of the agency that the obligated balances in each appropriation account of the agency reflect proper existing obligations and that expenditures from the account since the preceding review were supported by a proper obligation of funds and otherwise were proper;
- (F) describe all balances canceled under sections 1552 and 1555 of this title.

(3) The head of each Federal agency shall provide a copy of each such report to the Speaker of the House of Representatives and the Committee on Appropriations, the Committee on Governmental Affairs, and other appropriate oversight and authorizing committees of the Senate.

(c) The head of each agency shall establish internal controls to assure that an adequate review of obligated balances is performed to support the certification required by section 1108(c) of this title. (Pub. L. 97–258, Sept. 13, 1982, 96 Stat. 936; Pub. L. 101–510, div. A, title XIV, §1405(a)(1), Nov. 5, 1990, 104 Stat. 1677; Pub. L. 102–190, div. “(2) The Director shall include in the annual report of the Director to the Committees on the Budget of the Senate and House of Representatives under paragraph (1) of section 202(f) of the Congressional Budget Act of 1974 a statement of the estimates made pursuant to paragraph (1) of this subsection during the preceding year (including any revisions to estimates contained in earlier reports under such paragraph). The Director shall include in any report under paragraph (2) of that section any revisions to such estimates made since the most recent report under paragraph (1) of such section.”

1990—Pub. L. 101–510 substituted “Audit, control, and reporting” for “Review of appropriation accounts” in section catchline and amended text generally, substituting subsecs. (a) to (d) for former subsecs. (a) and (b) which required the head of each agency to annually review each appropriation account established by the agency under section 1552 of this title.

(d) EXPEDITED PROCEDURE IN SENATE.—

(1) RECONVENING.—Upon receipt of a certification under subsection (a)(2), if the Senate has adjourned or recessed for more than 2 days, the majority leader of the Senate, after consultation with the minority leader of the Senate, shall notify the Members of the Senate that, pursuant to this section, the Senate shall convene not later than the second calendar day after receipt of such message.

(2) PLACEMENT ON CALENDAR.—Upon introduction in the Senate, the joint resolution shall be immediately placed on the calendar.

(3) FLOOR CONSIDERATION.—

(A) IN GENERAL.—Notwithstanding Rule XXII of the Standing Rules of the Senate, it is in order at any time during the period beginning on the day after the date on which Congress receives a certification under subsection (a) and, for the certification described in subsection (a)(1), ending on September 14, 2011, and for the certification described in subsection (a)(2), on the 6th day after the date on which Congress receives a certification under subsection (a) (even though a previous motion to the same effect has been disagreed to) to move to proceed to the

consideration of the joint resolution, and all points of order against the joint resolution (and against consideration of the joint resolution) are waived. The motion to proceed is not debatable. The motion is not subject to a motion to postpone. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the resolution is agreed to, the joint resolution shall remain the unfinished business until disposed of.

(B) **CONSIDERATION.**—Consideration of the joint resolution, and on all debatable motions and appeals in connection therewith, shall be limited to not more than 10 hours, which shall be divided equally between the majority and minority leaders or their designees. A motion further to limit debate is in order and not debatable. An amendment to, or a motion to postpone, or a motion to proceed to the consideration of other business, or a motion to recommit the joint resolution is not in order.

(C) **VOTE ON PASSAGE.**—If the Senate has voted to proceed to a joint resolution, the vote on passage of the joint resolution shall occur immediately following the conclusion of consideration of the joint resolution, and a single quorum call at the conclusion of the debate if requested in accordance with the rules of the Senate.

(D) **RULINGS OF THE CHAIR ON PROCEDURE.**—Appeals from the decisions of the Chair relating to the application of the rules of the Senate, as the case may be, to the procedure relating to a joint resolution shall be decided without debate.

(e) **AMENDMENT NOT IN ORDER.**—A joint resolution of disapproval considered pursuant to this section shall not be subject to amendment in either the House of Representatives or the Senate.

(f) **COORDINATION WITH ACTION BY OTHER HOUSE.**—

(1) **IN GENERAL.**—If, before passing the joint resolution, one House receives from the other a joint resolution—

(A) the joint resolution of the other House shall not be referred to a committee; and

(B) the procedure in the receiving House shall be the same as if no joint resolution had been received from the other House until the vote on passage, when the joint resolution received from the other House shall supplant the joint resolution of the receiving House.

(2) **TREATMENT OF JOINT RESOLUTION OF OTHER HOUSE.**—If the Senate fails to introduce or consider a joint resolution under this section, the joint resolution of the House shall be entitled to expedited floor procedures under this section.

(3) **TREATMENT OF COMPANION MEASURES.**—If, following passage of the joint resolution in the Senate, the Senate then receives the companion measure from the House of Representatives, the companion measure shall not be debatable.

(4) **CONSIDERATION AFTER PASSAGE.**—(A) If Congress passes a joint resolution, the period beginning on the date the President is presented with the joint resolution and ending on the date the President signs, allows to become law without his signature, or vetoes and returns the joint resolution (but excluding days when either House is not in session) shall be disregarded in computing the appropriate calendar day period described in subsection (b)(1).

(B) Debate on a veto message in the Senate under this section shall be 1 hour equally divided between the majority and minority leaders or their designees.

(5) **VETO OVERRIDE.**—If within the appropriate calendar day period described in subsection (b)(1), Congress overrides a veto of the joint resolution with respect to authority exercised pursuant to paragraph (1) or (2) of subsection (a), the limit on debt provided in section 3101(b) shall not be raised, except for the \$400,000,000,000 increase in the limit provided by subsection (a)(1)(A).

(6) **SEQUESTRATION.**—(A) If within the 50-calendar day period described in subsection (b)(1), the President signs the joint resolution, the President allows the joint resolution to become law without his signature, or Congress overrides a veto of the joint resolution with respect to authority exercised pursuant to paragraph (1) of subsection (a), there shall be a sequestration to reduce spending by \$400,000,000,000. OMB shall implement the sequestration forthwith.

(B) OMB shall implement each half of such sequestration in accordance with section 255, section 256, and subsections (c), (d), (e), and (f) of section 253 of the Balanced Budget and Emergency Deficit Control Act of 1985, and for the purpose of such implementation the term “excess deficit” means the amount specified in subparagraph (A).

(g) RULES OF HOUSE OF REPRESENTATIVES AND SENATE.—This subsection and subsections (b), (c), (d), (e), and (f) (other than paragraph (6)) are enacted by Congress—

(1) as an exercise of the rulemaking power of the Senate and House of Representatives, respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of a joint resolution, and it supersedes other rules only to the extent that it is inconsistent with such rules; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of that House.

certificates of indebtedness, or Treasury bills of the United States” because of the restatement. The words “under section 3111 of this title” are substituted for “at or before maturity, of any outstanding bonds, notes, certificates of indebtedness, or Treasury bills of the United States” because of the restatement. The words “denomination or denominations” are omitted because section 3121(a) of the revised title consolidates this authority in one section for the various types of debt instruments. The words “at not less than par (except as provided in section 754b of this title)” are omitted as superseded by section 3 of the Public Debt Act of 1942 (ch. 205, 56 Stat. 189), restated in section 3121 of the revised title. §3105. Savings bonds and savings certificates

(a) With the approval of the President, the Secretary of the Treasury may issue savings bonds and savings certificates of the United States Government and may buy, redeem, and make refunds under section 3111 of this title. Proceeds from the bonds and certificates shall be used for expenditures authorized by law. Savings bonds and certificates may be issued on an interest-bearing basis, on a discount basis, or on an interest-bearing and discount basis. Savings bonds shall mature not more than 20 years from the date of issue. Savings certificates shall mature not more than 10 years from the date of issue. The difference between the price paid and the amount received on redeeming a savings bond or certificate is interest under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

(b)(1) The Secretary may—

(A) fix the investment yield for savings bonds; and

(B) change the investment yield on an outstanding savings bond, except that the yield on a bond for the period held may not be decreased below the minimum yield for the period guaranteed on the date of issue.

(2) The Secretary may prescribe regulations providing that—

(A) owners of savings bonds may keep the bonds after maturity or after a period beyond maturity during which the bonds have earned interest and continue to earn interest at rates consistent with paragraph (1) of this subsection; and

(B) savings bonds earning a different rate of interest before the regulations are prescribed shall earn a rate of interest consistent with paragraph (1).

(c) The Secretary may prescribe for savings bonds and savings certificates issued under this section—

- (1) the form and amount of an issue and series;
- (2) the way in which they will be issued;
- (3) the conditions, including restrictions on transfer, to which they will be subject;
- (4) conditions governing their redemption;
- (5) their sales price and denominations;
- (6) a way to evidence payments for or on account of them and to provide for the exchange of savings certificates for savings bonds; and
- (7) the maximum amount issued in a year that may be held by one person.

(d) The Secretary may authorize financial institutions to make payments to redeem savings bonds and savings notes. A financial institution may be a paying agent only if the institution—

- (1) is incorporated under the laws of the United States, a State, the District of Columbia, or a territory or possession of the United States;
- (2) in the usual course of business accepts, subject to withdrawal, money for deposit or the purchase of shares;
- (3) is under the supervision of a banking authority of the jurisdiction in which it is incorporated;
- (4) has a regular office to do business; and
- (5) is qualified under regulations prescribed by the Secretary in carrying out this subsection.

(e)(1) The Secretary may prescribe a way in which a check issued to an individual (except a trust or estate) as a refund for taxes imposed under subtitle A of the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.) may become a series E savings bond. However, a check may become a bond only if the claim for a refund is filed by the last day prescribed by law for filing the return (determined without any extensions) for the taxable year for which the refund is made. The Secretary may prescribe the time and way in which the check becomes a bond.

(2) A bond issued under this subsection is deemed to be a series E bond issued under this section, except that the bond shall bear an issue date of the first day of the first month beginning after the close of the taxable year for which the bond is issued. The Secretary also may provide that a bond issued to joint payees may be redeemed by either payee alone.

In subsection (a), the words “through the United States Postal Service or otherwise” and “Treasury” before “savings” are omitted as surplus. The words “and may buy, redeem, and make refunds under section 3111 of this title” are added because of the restatement. The words “for expenditures authorized by law” are substituted for “to meet any public expenditures authorized by law, and to retire any outstanding obligations of the United States bearing interest or issued on a discount basis” for clarity and because they are inclusive. The word “combination” is omitted as surplus.

In subsection (b)(1), the words “Except as provided in paragraph (2) of this subsection” are added for clarity. The word “conditions” is substituted for “terms” for consistency in the revised title and with other titles of the United States Code. The word “calendar” is omitted as surplus. In clause (4), the words “before maturity” are omitted as surplus. In clause (6), the words “a way to evidence payments for” are substituted for “issue, or cause to be issued, stamps, or may provide any other means to evidence payments for” because they are inclusive. The text of 31:757c(c)(last sentence) is omitted because section 5 of the Public Debt Act of 1942 (ch. 205, 56 Stat. 189), ended the authority of the Postmaster General to issue stamps. In clause (7), the word “maximum” is added for clarity. The words “at any one time” are omitted as surplus.

In subsection (d), before clause (1), the words “under such regulations as he may prescribe”, “or permit”, and “commercial banks, trust companies, savings banks, savings and loan associations, building and loan associations (including cooperative banks), credit unions, cash depositories, industrial banks, and similar” are omitted as surplus. In clause (1), the words “Commonwealth of the Philippine Islands” in section 22(h) of the Second Liberty Bond Act (ch. 56, 40 Stat. 288) are omitted because of Proclamation No. 2695 (July 24, 1946, 60 Stat. 1352) proclaiming the independence of the Philippines. SUBCHAPTER II—ADMINISTRATIVE

§3121. Procedure

(a) In issuing obligations under sections 3102–3104 of this title, the Secretary of the Treasury may prescribe—

(1) whether an obligation is to be issued on an interest-bearing basis, a discount basis, or an interest-bearing and discount basis;

(2) regulations on the conditions under which the obligation will be offered for sale, including whether it will be offered for sale on a competitive or other basis;

(3) the offering price and interest rate;

(4) the method of computing the interest rate;

(5) the dates for paying principal and interest;

(6) the form and denominations of the obligations; and

(7) other conditions.

(b)(1) Under conditions prescribed by the Secretary, an obligation issued under this chapter and redeemable on demand of the owner or holder may be used to pay the United States Government for taxes imposed by it.

(2) An obligation of the Government issued after March 3, 1971, under law may not be redeemed before its maturity to pay a tax imposed by the Government in an amount more than the fair market value of the obligation at the time of its redemption. This paragraph does not apply to a Treasury bill issued under section 3104 of this title.

(c) Under conditions prescribed by the Secretary, an obligation authorized by this chapter may be issued in exchange for an obligation of an agency whose principal and interest are unconditionally guaranteed by the Government at or before maturity.

(d) Under conditions prescribed by the Secretary, the Secretary may issue registered bonds in exchange for and instead of coupon bonds that have been or may be issued. The registered bonds

shall be similar in all respects to the registered bonds issued under a law authorizing the issue of coupon bonds offered for exchange.

(e) A decision of the Secretary about an issue of obligations under sections 3102–3104 of this title is final.

(f) The Secretary may accept voluntary services in carrying out the sale of public debt obligations.

(g)(1) In this subsection, “registration-required obligation” means an obligation except an obligation—

(A) not of a type offered to the public; or

(B) having a maturity (at issue) of not more than one year.

(2) Every registration-required obligation of the Government shall be in registered form. A book entry obligation is deemed to be in registered form if the right to principal and stated interest on the obligation may be transferred only through a book entry consistent with regulations of the Secretary.

(3) The Secretary shall prescribe regulations necessary to carry out this subsection when there is a nominee.

(h)(1) The Secretary shall prescribe by regulation standards for the safeguarding and use of obligations issued under this chapter, and obligations otherwise issued or guaranteed as to principal or interest by the United States. Such regulations shall apply only to a depository institution that is not a government securities broker or a government securities dealer and that holds such obligations as fiduciary, custodian, or otherwise for the account of a customer and not for its own account. Such regulations shall provide for the adequate segregation of obligations so held, including obligations which are purchased or sold subject to resale or repurchase.

(2) Violation of a regulation prescribed under paragraph (1) shall constitute adequate basis for the issuance of an order under section 5239(a) or (b) of the Revised Statutes (12 U.S.C. 93(a) or (b)), section 8(b) or 8(c) of the Federal Deposit Insurance Act, section 5(d)(2) or 5(d)(3) ¹ of the Home Owners’ Loan Act of 1933, section 407(e) or 407(f) ¹ of the National Housing Act, or section 206(e) or 206(f) of the Federal Credit Union Act. Such an order may be issued with respect to a depository institution by its appropriate regulatory agency and with respect to a federally insured credit union by the National Credit Union Administration Board.

(3) Nothing in this subsection shall be construed to affect in any way the powers of such agencies under any other provision of law.

(4) The Secretary shall, prior to adopting regulations under this subsection, determine with respect to each appropriate regulatory agency and the National Credit Union Administration Board, whether its rules and standards adequately meet the purposes of regulations to be promulgated under this subsection, and if the Secretary so determines, shall exempt any depository institution subject to such rules or standards from the regulations promulgated under this subsection.

(5) As used in this subsection—

(A) “depository institution” has the meaning stated in clauses (i) through (vi) of section 19(b)(1)(A) of the Federal Reserve Act and also includes a foreign bank, an agency or branch of a foreign bank, and a commercial lending company owned or controlled by a foreign bank (as such terms are defined in the International Banking Act of 1978).

(B) “government securities broker” has the meaning prescribed in section 3(a)(43) of the Securities Exchange Act of 1934.

(C) “government securities dealer” has the meaning prescribed in section 3(a)(44) of the Securities Exchange Act of 1934.

(D) “appropriate regulatory agency” has the meaning prescribed in section 3(a)(34)(G) of the Securities Exchange Act of 1934.

In subsection (a), before clause (1), the words “an issue of obligations authorized under this chapter” are substituted for 31:761(less proviso) to reflect consolidation of the authority for issues of obligations in the revised chapter and for consistency. The text of 31:757c(e) is omitted as unnecessary and superseded by 39:410. The words “out of any money in the Treasury not otherwise appropriated” in 31:760 are omitted as unnecessary and for consistency. The words “to be expended as the Secretary of the Treasury may direct” in 31:760 are omitted as surplus. In clause (1), the .2 percent limitation on expenses of bonds referred to in 31:760 is made applicable to a “note” because of the definition of bond in 31:753(d)(last sentence). The words “sections 735 to 738, . . . 765, . . . 773 of this title and section 84 of title 12” in 31:753(d)(last sentence) are omitted because they refer to sections previously repealed (31:735–738, 765) or obsolete (31:773, which was superseded by 39:410) and because 12:84 was amended to express the result required by the source provisions by section 10 of the Act of February 25, 1927 (ch. 191, 44 Stat. 1229).

In subsection (b), the words “appropriation for the specified amount” are substituted for “definite appropriation”, and the words “appropriation for an unspecified amount” are substituted for “indefinite appropriation”, as being more precise. The word “only” is substituted for “and the indefinite appropriation shall not be available for obligation” to eliminate unnecessary words.

The words “an official or agent of the United States Government having custody or possession of public money” are substituted for “The Treasurer of the United States, all assistant treasurers [subsequently changed to ‘all depositaries designated in

The reference to "952(g)(2)" in 31 App.:484 is incorrect and should be "952(f)(2)".

1984 ACT (PUB. L. 98-216)

Section 3618 (1st sentence related to non-military deposits) of the Revised Statutes inadvertently was omitted as a source credit for 31:3302. Table 2A of H. Rep. 97-651 (p. 298) states that the sentence was omitted as superseded by various sections of title 10. Title 10 supersedes the sentence only as it applies to military deposits. However, the language of section 3618 (1st sentence related to non-military deposits) is subsumed in the broader language of section 3617 of the Revised Statutes, the source credit for 31:3302(b). Therefore, while section 3618 (1st sentence related to non-military deposits) should be a source credit for 31:3302(b), it is not necessary that the language of the sentence be restated.

--------------	-------------------------	--

The section uses the defined term “executive agency” in section 102 of the revised title because the source provisions of this section are from a reorganization plan and executive orders that apply only to departments, agencies, and instrumentalities of the executive branch of the United States Government.

In subsections (a) and (b), the words “Secretary of the Treasury” and “Secretary” are substituted for references to the Division of Disbursement and a Chief Disbursing Officer because of the source provisions restated in section 321(c) of the revised title. The words “public money” are substituted for “moneys of the United States” for consistency with the other source provisions restated in the section and for consistency in the chapter.

Subsection (a) is substituted for section 4(1st paragraph) of Executive Order No. 6166 to omit executed words.

In subsection (b), the words “may require” and “as the interests of” are omitted as unnecessary. The words “to establish local offices” are omitted because of the authority of the Secretary of the Treasury as the head of the Department of the Treasury and the authority of the Secretary under section 321 of the revised title. The text of section 4(last paragraph) is omitted as superseded by section 3325 of the revised title.

In subsection (c), the text of 31:492–1(1st sentence) is applied only to the listed agencies because of subsection (a) and Executive Order 6728. The text of 31:492–1(last sentence) is omitted as superseded by section 2 of Reorganization Plan No. 18 of 1950 (eff. July 1, 1950, 64 Stat. 1270) and by 40:490. In clause (1), the words after “disbursement by United States marshals” and before the last proviso in section 3 of Reorganization Plan No. 4 of 1940 (eff. June 30, 1940, 54 Stat. 1234) are omitted as unnecessary because of 28:571 and sections 3512(a)–(c) and 3513(a) of the revised title. In clause (2), the word “pay” is substituted for “salaries” in Executive Order No. 6728 for consistency in the revised title and with other titles of the United States Code. The words “including the Marine Corps” are omitted as being included in “military departments”. The words “Panama Canal” are omitted because of the Panama Canal Treaty of 1977. The first proviso is omitted as unnecessary because of sections 3512 and 3513 of the revised title. Section 4 of Reorganization Plan No. 4 of 1940 is omitted because (1) the Post Office Department was abolished by the 1970 restatement of title 39, with all authority of the former Postmaster General being placed in the new United States Postal Service, (2) under 39:410 and 3604, the Postal Service and the Postal Rate Commission were exempt from all provisions of law related to budget and funds, and (3) the Postal Savings System and its Board of Trustees were abolished under section 5 of the Act of March 28, 1942 (ch. 205, 56 Stat. 189).

AMENDMENTS

“(A) IN GENERAL.—If an agency is determined by the Inspector General of that agency not to be in compliance under subsection (b) for 2 consecutive fiscal years for the same program or activity, and the Director of the Office of Management and Budget determines that additional funding would help the agency come into compliance, the head of the agency shall obligate additional funding, in an amount determined by the Director, to intensified compliance efforts.

“(B) FUNDING.—In providing additional funding described under subparagraph (A), the head of an agency shall use any reprogramming or transfer authority available to the agency. If after exercising that reprogramming or transfer authority additional funding is necessary to obligate the full level of funding determined by the Director of the Office of Management and Budget under subparagraph (A), the agency shall submit a request to Congress for additional reprogramming or transfer authority.

“(3) REAUTHORIZATION AND STATUTORY PROPOSALS.—If an agency is determined by the Inspector General of that agency not to be in compliance under subsection (b) for more than 3 consecutive fiscal years for the same program or activity, the head of the agency shall, not later than 30 days after such determination, submit to Congress—

“(2) REPORT.—Not later than 5 years after the date of enactment of this Act [July 22, 2010], the Director of the Office of Management and Budget shall submit a report to Congress on the findings associated with any pilot programs conducted under paragraph (1). The report shall include any legislative or other recommendations that the Director determines necessary.

“(2) jointly submit a report on the results of the examination to—

“(A) the Committee on Homeland Security and Governmental Affairs of the Senate;

“(B) the Committee on Oversight and Government Reform of the House of Representatives; and

“(i) review—

“(I) the assessment of the level of risk associated with the program, and the quality of the improper payment estimates and methodology of the agency relating to the program; and

for—

“(A) meeting applicable improper payments reduction targets; and

“(B) establishing and maintaining sufficient internal controls, including an appropriate control environment, that effectively—

“(i) prevent improper payments from being made; and

“(ii) promptly detect and recover improper payments that are made.

“(e) **REPORTS ON ACTIONS TO RECOVER IMPROPER PAYMENTS.**—With respect to any improper payments identified in recovery audits conducted under section 2(h) of the Improper Payments Elimination and Recovery Act of 2010 [Pub. “(1) a discussion of the methods used by the agency to recover overpayments;

“(2) the amounts recovered, outstanding, and determined to not be collectable, including the percent such amounts represent of the total overpayments of the agency;

“(3) if a determination has been made that certain overpayments are not collectable, a justification of that determination;

“(4) an aging schedule of the amounts outstanding;

“(5) a summary of how recovered amounts have been disposed of;

“(f) **GOVERNMENTWIDE REPORTING OF IMPROPER PAYMENTS AND ACTIONS TO RECOVER IMPROPER PAYMENTS.**—

“(1) **REPORT.**—Each fiscal year the Director of the Office of Management and Budget shall submit a report with respect to the preceding fiscal year on actions agencies have taken to report information regarding improper payments and actions to recover improper overpayments to—

EX. ORD. NO. 13520. REDUCING IMPROPER PAYMENTS

Ex. Ord. No. 13520, Nov. 20, 2009, 74 F.R. 62201, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in the interest of reducing payment errors and eliminating waste, fraud, and abuse in Federal programs, it is hereby ordered as follows:

SECTION 1. *Purpose.* When the Federal Government makes payments to individuals and businesses as program beneficiaries, grantees, or contractors, or on behalf of program beneficiaries, it must make every effort to confirm that the right recipient is receiving the right payment for the right reason at the right time. The purpose of this order is to reduce improper payments by intensifying efforts to eliminate payment error, waste, fraud, and abuse in the major programs administered by the Federal Government, while continuing to ensure that Federal programs serve and provide access to their intended beneficiaries. No single step will fully achieve these goals. Therefore, this order adopts a comprehensive set of policies, including transparency and public scrutiny of significant payment errors throughout the Federal Government; a focus on identifying and eliminating the highest improper payments; accountability for reducing improper payments among executive branch agencies and officials; and coordinated Federal, State, and local government action in identifying and eliminating improper payments. Because this order targets error, waste, fraud, and abuse—not legitimate use of Government services—efforts to reduce improper payments under this order must protect access to Federal programs by their intended beneficiaries.

SEC. 2. *Transparency and Public Participation.*

(a) Within 90 days of the date of this order, the Director of the Office of Management and Budget (OMB) shall:

(i) identify Federal programs in which the highest dollar value or majority of Government-wide improper payments occur (high-priority programs);

(ii) establish, in coordination with the executive department or agency (agency) responsible for administering the high-priority program annual or semi-annual targets (or where such targets already exist, supplemental targets), as appropriate, for reducing improper payments associated with each high-priority program;

(iii) issue Government-wide guidance on the implementation of this order, including procedures for identifying and publicizing the list of entities described in subsection (b)(v) of this section and for administrative appeal of the decision to publish the identity of those entities, prior to publication; and

(iv) establish a working group consisting of Federal, State, and local officials to make recommendations to the Director of OMB designed to improve the Federal Government's measurement of access to Federal programs by the programs' intended beneficiaries. The working group's recommendations shall be prepared in consultation with the Council of Inspectors General on Integrity and Efficiency (CIGIE) and submitted within 180 days of the date of this order, and the recommended measurements may be incorporated by the Secretary of the Treasury in the information published pursuant to subsection (b) of this section.

(b) Within 180 days of the date of this order, the Secretary of the Treasury in coordination with the Attorney General and the Director of OMB, shall publish on the Internet information about improper payments under high-priority programs. The information shall include, subject to Federal privacy policies and to the extent permitted by law:

(i) the names of the accountable officials designated under section 3 of this order;

(ii) current and historical rates and amounts of improper payments, including, where known and appropriate, causes of the improper payments;

(iii) current and historical rates and amounts of recovery of improper payments, where appropriate (or, where improper payments are identified solely on the basis of a sample, recovery rates and amounts estimated on the basis of the applicable sample);

(iv) targets for reducing as well as recovering improper payments, where appropriate; and

(v) the entities that have received the greatest amount of outstanding improper payments (or, where improper payments are identified solely on the basis of a sample, the entities that have received the greatest

amount of outstanding improper payments in the applicable sample).

Information on entities that have received the greatest amount of outstanding improper payments shall not include any referrals the agency made or anticipates making to the Department of Justice, or any information provided in connection with such referrals.

(c) Within 180 days of the date of this order, the Secretary of the Treasury in coordination with the Attorney General and the Director of OMB and in consultation with the CIGIE, shall establish a central Internet-based method to collect from the public information concerning suspected incidents of waste, fraud, and abuse by an entity receiving Federal funds that have led or may lead to improper payments by the Federal Government.

(d) Agencies shall place a prominently displayed link to Internet-based resources for addressing improper payments, including the resources established under subsections (b) and (c) of this section, on their Internet home pages.

SEC. 3. Agency Accountability and Coordination.

(a) Within 120 days of the date of this order, the head of each agency responsible for operating a high-priority program shall designate an official who holds an existing Senate-confirmed position to be accountable for meeting the targets established under section 2 of this order without unduly burdening program access and participation by eligible beneficiaries. In those agencies where the majority of payments are isolated to a single component, the head of the agency shall name a second accountable official for that component whose sole responsibility would be for program integrity activities and, as appropriate, shall consolidate and coordinate all program integrity activities within the component.

(b) Within 180 days of the date of this order, each agency official designated under subsection (a) of this section, or otherwise designated by the Director of OMB, shall provide the agency's Inspector General a report containing:

(i) the agency's methodology for identifying and measuring improper payments by the agency's high-priority programs;

(ii) the agency's plans, together with supporting analysis, for meeting the reduction targets for improper payments in the agency's high-priority programs; and

(iii) the agency's plan, together with supporting analysis, for ensuring that initiatives undertaken pursuant to this order do not unduly burden program access and participation by eligible beneficiaries.

Following the receipt and review of this information, the agency Inspector General shall assess the level of risk associated with the applicable programs, determine the extent of oversight warranted, and provide the agency head with recommendations, if any, for modifying the agency's methodology, improper payment reduction plans, or program access and participation plans.

(c) If an agency fails to meet the targets established under section 2 of this order or implement the plan described in subsection (b)(iii) of this section for 2 consecutive years, that agency's accountable official designated under subsection (a) of this section shall submit to the agency head, Inspector General, and Chief Financial Officer a report describing the likely causes of the agency's failure and proposing a remedial plan. The agency head shall review this plan and, in consultation with the Inspector General and Chief Financial Officer, forward the plan with any additional comments and analysis to the Director of OMB.

(d) Within 180 days of the date of this order, the Chief Financial Officers Council (CFOC) in consultation with the CIGIE, the Department of Justice, and program experts, shall make recommendations to the Director of OMB and the Secretary of the Treasury on actions (including actions related to forensic accounting and audits) agencies should take to more effectively tailor their methodologies for identifying and measuring improper payments to those programs, or components of programs, where improper payments are most likely to occur. Recommendations shall address the manner in which the recommended actions would affect program access and participation by eligible beneficiaries.

(e) Within 180 days of the date of this order, the Secretary of the Treasury and the Director of OMB in consultation with the CIGIE, the Department of Justice, and program experts, shall recommend to the President actions designed to reduce improper payments by improving information sharing among agencies and programs, and where applicable, State and local governments and other stakeholders. The recommendations shall address the ways in which information sharing may improve eligibility verification and pre-payment scrutiny, shall identify legal or regulatory impediments to effective information sharing, and shall address the manner in which the recommended actions would affect program access and participation by eligible beneficiaries.

(f) Within 180 days of the date of this order, and at least once every quarter thereafter, the head of each agency shall submit to the agency's Inspector General and the CIGIE, and make available to the public, a report on any high-dollar improper payments identified by the agency, subject to Federal privacy policies and to the extent permitted by law. The report shall describe any actions the agency has taken or plans to take to recover improper payments, as well as any actions the agency intends to take to prevent improper payments

from occurring in the future. The report shall not include any referrals the agency made or anticipates making to the Department of Justice, or any information provided in connection with such referrals. Following the review of each report, the agency Inspector General and the CIGIE shall assess the level of risk associated with the applicable program, determine the extent of oversight warranted, and provide the agency head with recommendations, if any, for modifying the agency's plans.

SEC. 4. *Enhanced Focus on Contractors and Working with State and Local Stakeholders.*

(a) Within 180 days of the date of this order, the Federal Acquisition Regulatory Council, in coordination with the Director of OMB, and in consultation with the National Procurement Fraud Task Force (or its successor group), the CIGIE, and appropriate agency officials, shall recommend to the President actions designed to enhance contractor accountability for improper payments. The recommendations may include, but are not limited to, subjecting contractors to debarment, suspension, financial penalties, and identification through a public Internet website, subject to Federal privacy policies and to the extent permitted by law and where the identification would not interfere with or compromise an ongoing criminal or civil investigation, for knowingly failing timely to disclose credible evidence of significant overpayments received on Government contracts.

(b) Within 30 days of the date of this order, the Director of OMB shall establish a working group consisting of Federal and elected State and local officials to make recommendations to the Director of OMB designed to improve the effectiveness of single audits of State and local governments and non-profit organizations that are expending Federal funds. The Director of OMB may designate an appropriate official to serve as Chair of the working group to convene its meetings and direct its work. The working group's recommendations shall be prepared in consultation with the CIGIE and submitted within 180 days of the date of this order. The recommendations shall address, among other things, the effectiveness of single audits in identifying improper payments and opportunities to streamline or eliminate single audit requirements where their value is minimal.

(c) Within 30 days of the date of this order, the Director of OMB shall establish a working group (which may be separate from the group established under subsection (b) of this section) consisting of Federal and elected State and local officials to make recommendations to the Director of OMB for administrative actions designed to improve the incentives and accountability of State and local governments, as well as other entities receiving Federal funds, for reducing improper payments. The Director of OMB may designate an appropriate official to serve as Chair of the working group to convene its meetings and direct its work. The working group's recommendations shall be prepared in consultation with the CIGIE and submitted within 180 days of the date of this order.

SEC. 5. *Policy Proposals.* The Director of OMB, in consultation with the appropriate agencies and the CIGIE, shall develop policy recommendations, including potential legislative proposals, designed to reduce improper payments, including those caused by error, waste, fraud, and abuse, across Federal programs without compromising program access, to be included, as appropriate, in the Budget of the United States Government for Fiscal Year 2011 and future years, or other Administration proposals.

SEC. 6. *General Provisions.*

(a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to a department, agency, the head thereof, or any agency Inspector General; or

(ii) functions of the Director of OMB relating to budgetary, administrative, or legislative proposals.

(b) Nothing in this order shall be construed to require the disclosure of classified information, law enforcement sensitive information, or other information that must be protected in the interests of national security.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity, by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

FINDING AND RECAPTURING IMPROPER PAYMENTS

Memorandum of President of the United States, Mar. 10, 2010, 75 F.R. 12119, provided:

Memorandum for the Heads of Executive Departments and Agencies

My Administration is committed to reducing payment errors and eliminating waste, fraud, and abuse in Federal programs—a commitment reflected in Executive Order 13520 of November 20, 2009, Reducing Improper Payments. Executive departments and agencies should use every tool available to identify and subsequently reclaim the funds associated with improper payments. Thorough identification of improper

payments promotes accountability at executive departments and agencies; it also makes the integrity of Federal spending transparent to taxpayers. Reclaiming the funds associated with improper payments is a critical component of the proper stewardship and protection of taxpayer dollars, and it underscores that waste, fraud, and abuse by entities receiving Federal payments will not be tolerated.

Today, to further intensify efforts to reclaim improper payments, my Administration is expanding the use of "Payment Recapture Audits," which have proven to be effective mechanisms for detecting and recapturing payment errors. A Payment Recapture Audit is a process of identifying improper payments paid to contractors or other entities whereby highly skilled accounting specialists and fraud examiners use state-of-the-art tools and technology to examine payment records and uncover such problems as duplicate payments, payments for services not rendered, overpayments, and fictitious vendors. (A Payment Recapture Audit as used in this memorandum shall have the same meaning as the term "recovery audit" as defined in Appendix C to Office of Management and Budget Circular A-123.) One approach that has worked effectively is using professional and specialized auditors on a contingency basis, with their compensation tied to the identification of misspent funds.

Therefore, I hereby direct executive departments and agencies to expand their use of Payment Recapture Audits, to the extent permitted by law and where cost-effective. The Director of the Office of Management and Budget (OMB) shall develop guidance within 90 days of the date of this memorandum on actions executive departments and agencies must take to carry out the requirements of this memorandum. The guidance may require additional actions and strategies designed to improve the recapture of improper payments, including, as appropriate, agency-specific targets for increasing recoveries. The Director of the OMB shall further coordinate with the Council for Inspectors General on Integrity and Efficiency to identify an appropriate process for obtaining review by Inspectors General of the effectiveness of agency efforts under this memorandum. The agencies' expanded use of Payment Recapture Audits does not preclude Offices of Inspectors General from performing any activities to identify and prevent improper payments.

Nothing in this memorandum shall be construed to require the disclosure of classified information, law enforcement sensitive information, or other information that must be protected in the interests of national security.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the OMB is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

ENHANCING PAYMENT ACCURACY THROUGH A "DO NOT PAY LIST"

Memorandum of President of the United States, June 18, 2010, 75 F.R. 35953, provided:

Memorandum for the Heads of Executive Departments and Agencies

My Administration is committed to eliminating waste, fraud, and abuse in Federal programs, including reducing and recapturing erroneous payments—a commitment I reinforced in Executive Order 13520 of November 20, 2009, and in a memorandum to the heads of executive departments and agencies (agencies) of March 10, 2010. While identifying and recapturing improper payments is important, prevention of payment errors before they occur should be the first priority in protecting taxpayer resources from waste, fraud, and abuse. In those cases where data available to agencies clearly shows that a potential recipient of a Federal payment is ineligible for it, subsequent payment to that recipient is unacceptable. We must ensure that such payments are not made.

Agencies maintain many databases containing information on a recipient's eligibility to receive Federal benefits payments or Federal awards, such as grants and contracts. By checking these databases before making payments or awards, agencies can identify ineligible recipients and prevent certain improper payments from being made in the first place.

Therefore, I hereby direct agencies to review current pre-payment and pre-award procedures and ensure that a thorough review of available databases with relevant information on eligibility occurs before the release of any Federal funds, to the extent permitted by law. At a minimum, agencies shall, before payment and award, check the following existing databases (where applicable and permitted by law) to verify eligibility: the Social Security Administration's Death Master File, the General Services Administration's Excluded Parties List System, the Department of the Treasury's Debt Check Database, the Department of Housing and Urban Development's Credit Alert System or Credit Alert Interactive Voice Response System, and the Department of Health and Human Services' Office of Inspector General's List of Excluded Individuals/Entities. This network of databases, and additional databases so designated by the Director of the Office of Management and Budget

(OMB) in consultation with agencies, shall be collectively known as the “Do Not Pay List.” This memorandum requires agencies to review these databases with the recognition that there may be circumstances when the law nevertheless requires a payment or award to be made to a recipient listed in them. My Administration began coordination of the databases discussed in this memorandum in April 2010 by launching the Federal Awardee Performance and Integrity Information System (FAPIIS), which integrates various sources of information on the eligibility of Government contractors for award. No later than 120 days of the date of this memorandum, the Director of the OMB shall provide to the President a plan for completing integration for the remaining databases, to the extent permitted by law, so that agencies can access them through a single entry point.

Each agency shall, within 90 days of the date of this memorandum, submit to the OMB a plan that includes information on its current pre-payment and pre-award procedures and a list of databases that the agency checks pursuant to those procedures. Within 180 days of the date of this memorandum, the Director of the OMB shall issue guidance, to be developed in consultation with affected agencies and taking into account current agency pre-payment and pre-award practices, on actions agencies must take to carry out this memorandum's requirements. This guidance shall clarify that the head of each agency is responsible for ensuring an efficient and accurate process for determining whether the information provided on the “Do Not Pay List” is sufficient to stop a payment, consistent with applicable laws and regulations, and, if so, whether a payment should be stopped under the circumstances. In addition, this guidance shall identify best practices and databases that agencies should utilize to conduct pre-payment checks to ensure that only eligible recipients receive Government benefits or payments.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the OMB is hereby authorized and directed to publish this memorandum in the Federal Register.

- (1) use of improper transportation rates or classifications if the Administrator of General Services has determined that verification by a prepayment audit conducted pursuant to section 3726(a) of this title for a particular mode or modes of transportation, or for an agency or subagency, will not adequately protect the interests of the Government; or

HISTORICAL AND REVISION NOTES

1982 ACT

<i>Revised Section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
3322(a)	31:492(a).	R.S. §3620(a); Feb. 27, 1877, ch. 69(7th complete par. on p. 249), 19 Stat. 249; Aug. 28, 1965, Pub. L. 89–145, §1(1), 79 Stat. 582.
3322(b)	31:82g(related to disbursing officers).	June 1, 1942, ch. 320(related to disbursing officers), 56 Stat. 306.

In the section, the words “disbursing official” are substituted for “disbursing officer” for consistency in the revised title.

In subsection (a), before clause (1), the words “Secretary of the Treasury” are substituted for “Treasurer of the United States” because of the source provisions restated in section 321(c) of the revised title. The words “or an assistant treasurer of the United States” in section 3620(a) of the Revised Statutes are omitted as obsolete because of the 1st–4th pars. under the heading “Independent Treasury” in the Act of May 29, 1920 (ch. 214, 41 Stat. 654). In clause (1), the words “as required by section 3302 of this title” are substituted for “with the Treasurer or some one of the assistant treasurers of the United States (subsequently changed to ‘or with one of the depositaries of the United States mentioned in section 476 of this title’)” because of 31:476. In clause (2), the words “in pursuance of law” are omitted as surplus. The text of 31:492(a)(last sentence) is omitted because of section 3323(a) of the revised title.

In subsection (b), before clause (1), the words “On and after June 1, 1942” are omitted as executed. The words “of the United States” are omitted as unnecessary. The words “for transportation” are omitted as surplus.

1984 ACT

This is necessary because section 3620(a) (last sentence) of the Revised Statutes inadvertently was omitted from the codification of title 31 by section 1 of the Act of September 13, 1982 (Pub. L. 97–258, 96 Stat. 877).

In subsection (a), before clause (1), the words “Except as provided in subsection (b) of this section” are added because of the restatement.

In subsection (b), before clause (1), the word “however” is omitted as surplus. The words “treasurer or” are omitted as obsolete because of the 1st–4th pars. under the heading “Independent Treasury” in the Act of May 29, 1920 (ch. 214, 41 Stat. 654). In clause (2), the words “rules and” are omitted as surplus.

In clause (2), the words “drawn on” are substituted for “drawn against” for consistency in the revised chapter.

In subsection (d)(3), before subclause (A), the word “Treasury” is substituted for “Treasurer of the United States” because of the source provisions restated in section 321 of the revised title and Department of the Treasury Order 229 of January 14, 1974 (39 F.R. 2280).

In subsection (d)(4), the word “official” is substituted for “officer” for consistency in the revised title and with other titles of the United States Code.

It provides authority for the Secretary of the Treasury to delegate duties and powers related to issuing substitute checks to heads of other agencies.

The Fund consists of amounts—

- (2) received under subsection (d) of this section.

(b) The Secretary of the Treasury shall pay from the Fund to a payee or special endorsee of a check drawn on the Treasury or a depositary designated by the Secretary the amount of the check

Before prescribing the principles, standards, and requirements, the Comptroller General shall consult with the Secretary of the Treasury and the President on their accounting, financial reporting, and budgetary needs, and shall consider the needs of the heads of the other executive agencies.

(b) Requirements prescribed under subsection (a) of this section shall—

(1) provide for suitable integration between the accounting process of each executive agency

- and the accounting of the Department of the Treasury;
- (2) allow the head of each agency to carry out section 3512 of this title; and
 - (3) provide a method of—

3511(d)	31:66(a)(3d, last sentences). 31:65(f).	

In the section, the words “the head of” are added for consistency in the revised title and with other titles of the United States Code.

In subsection (a), the words “of the United States” are omitted as surplus. The word “President” is substituted for “Director of the Office of Management and Budget” because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085) redesignated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President.

In subsection (b)(3), the words “as a whole” and “respective” are omitted as surplus.

Subsection (c)(2) is substituted for 31:49 and the words “and, to the extent he deems necessary, the authority vested in him by section 49 of this title” in 31:66(a) for clarity and consistency. H. Rept. 2556, 81st Cong. (1950), states that the Comptroller General will be able to prescribe appropriation and fund accounting systems under 31:49 “in terms of principles, standards and related requirements rather than in terms of detailed forms and procedures”. The reference to the judicial branch covers authority that the Comptroller General was given under 31:49 that applies to departments and establishments except the Supreme Court that was not superseded by the source provisions restated in subsection (a) of this section.

AMENDMENTS

2002—Subsec. (c)(1). Pub. L. 107–217 substituted “section 121(b) of title 40” for “section 205(b) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 486(b))”.

standard or principle, including any human capital standard or principle, shall be adopted for use in an executive department or agency until such standard has been reported to the Congress and a period of 45 days of continuous session of the Congress has expired.”

§3512. Executive agency accounting and other financial management reports and plans

(a)(1) The Director of the Office of Management and Budget shall prepare and submit to the appropriate committees of the Congress and make available on the website described under section 1122 a financial management status report and a governmentwide 5-year financial management plan.

(2) A financial management status report under this subsection shall include—

(A) a description and analysis of the status of financial management in the executive branch;

(B) a summary of the most recently completed financial statements—

(i) of Federal agencies under section 3515 of this title; and

(ii) of Government corporations;

(C) a summary of the most recently completed financial statement audits and reports—

(i) of Federal agencies under section 3521(e) and (f) of this title; and

FEDERAL FINANCIAL MANAGEMENT IMPROVEMENT

Pub. L. 104–208, div. A, title I, §101(f) [title VIII], Sept. 30, 1996, 110 Stat. 3009–314, 3009–389, provided that:

“SEC. 801. SHORT TITLE[.]

“This title may be cited as the ‘Federal Financial Management Improvement Act of 1996.’

“SEC. 802. FINDINGS AND PURPOSES.

“(a) FINDINGS.—The Congress finds the following:

“(1) Much effort has been devoted to strengthening Federal internal accounting controls in the past. Although progress has been made in recent years, Federal accounting standards have not been uniformly implemented in financial management systems for agencies.

“(2) Federal financial management continues to be seriously deficient, and Federal financial management and fiscal practices have failed to—

“(A) identify costs fully;

“(B) reflect the total liabilities of congressional actions; and

“(C) accurately report the financial condition of the Federal Government.

“(3) Current Federal accounting practices do not accurately report financial results of the Federal Government or the full costs of programs and activities. The continued use of these practices undermines

the Government's ability to provide credible and reliable financial data and encourages already widespread Government waste, and will not assist in achieving a balanced budget.

“(4) Waste and inefficiency in the Federal Government undermine the confidence of the American people in the government and reduce the federal Government's ability to address vital public needs adequately.

“(5) To rebuild the accountability and credibility of the Federal Government, and restore public confidence in the Federal Government, agencies must incorporate accounting standards and reporting objectives established for the Federal Government into their financial management systems so that all the assets and liabilities, revenues, and expenditures or expenses, and the full costs of programs and activities of the Federal Government can be consistently and accurately recorded, monitored, and uniformly reported throughout the Federal Government.

“(6) Since its establishment in October 1990, the Federal Accounting Standards Advisory Board (hereinafter referred to as the ‘FASAB’) has made substantial progress toward developing and recommending a comprehensive set of accounting concepts and standards for the Federal Government. When the accounting concepts and standards developed by FASAB are incorporated into Federal financial management systems, agencies will be able to provide cost and financial information that will assist the Congress and financial managers to evaluate the cost and performance of Federal programs and activities, and will therefore provide important information that has been lacking, but is needed for improved decision making by financial managers and the Congress.

“(7) The development of financial management systems with the capacity to support these standards and concepts will, over the long term, improve Federal financial management.

“(b) PURPOSE[.]—The purposes of this Act [title] are to—

“(1) provide for consistency of accounting by an agency from one fiscal year to the next, and uniform accounting standards throughout the Federal Government;

“(2) require Federal financial management systems to support full disclosure of Federal financial data, including the full costs of Federal programs and activities, to the citizens, the Congress, the President, and agency management, so that programs and activities can be considered based on their full costs and merits;

“(3) increase the accountability and credibility of federal [sic] financial management;

“(4) improve performance, productivity and efficiency of Federal Government financial management;

“(5) establish financial management systems to support controlling the cost of Federal Government;

“(6) build upon and complement the Chief Financial Officers Act of 1990 (Public Law 101–576; 104 Stat 2838) [see Short Title of 1990 Amendment note set out under section 501 of this title], the Government Performance and Results Act of 1993 (Public Law 103–62[;] 107 Stat. 285) [see Short Title of 1993 Amendment note set out under section 1101 of this title] and the Government Management Reform Act of 1994 (Public Law 103–356; 108 Stat. 3410) [see Short Title of 1994 Amendment note set out under section 3301 of this title]; and

“(7) increase the capability of agencies to monitor execution of the budget by more readily permitting reports that compare spending of resources to results of activities.

“SEC. 803. IMPLEMENTATION OF FEDERAL FINANCIAL MANAGEMENT IMPROVEMENTS.

“(a) IN GENERAL.—Each agency shall implement and maintain financial management systems that comply substantially with Federal financial management systems requirements, applicable Federal accounting standards, and the United States Government Standard General Ledger at the transaction level.

“(b) AUDIT COMPLIANCE FINDING.—

“(1) IN GENERAL.—Each audit required by section 3521(e) of title 31, United States Code, shall report whether the agency financial management systems comply with the requirements of subsection (a).

“(A) a review of the report on the applicable agency-wide audited financial statement;

“(B) any other information the Head of the agency considers relevant and appropriate.

“(2) DATE OF DETERMINATION.—The determination under paragraph (1) shall be made no later than 120 days after the earlier of—

“(A) the date of the receipt of an agency-wide audited financial statement; or

“(B) the last day of the fiscal year following the year covered by such statement.

“(3) REMEDIATION PLAN.—

“(A) If the Head of an agency determines that the agency's financial management systems do not comply with the requirements of subsection (a), the head of the agency, in consultation with the Director, shall establish a remediation plan that shall include resources, remedies, and intermediate target dates necessary to bring the agency's financial management systems into substantial compliance.

“(B) If the determination of the head of the agency differs from the audit compliance findings required in subsection (b), the Director shall review such determinations and provide a report on the findings to the appropriate committees of the Congress.

“(4) TIME PERIOD FOR COMPLIANCE.—A remediation plan shall bring the agency's financial management systems into substantial compliance no later than 3 years after the date a determination is made under paragraph (1), unless the agency, with concurrence of the Director—

“(A) determines that the agency's financial management systems cannot comply with the requirements of subsection (a) within 3 years;

“(B) specifies the most feasible date for bringing the agency's financial management systems into compliance with the requirements of subsection (a); and

“(C) designates an official of the agency who shall be responsible for bringing the agency's financial management systems into compliance with the requirements of subsection (a) by the date specified under subparagraph (B).

The Director may include the report in the financial management status report and the 5-year financial management plan submitted under section 3512(a)(1) of title 31, United States Code.

“(b) REPORTS BY THE INSPECTOR GENERAL[.]—Each Inspector General who prepares a report under section 5(a) of the Inspector General Act of 1978 (5 U.S.C. App.) shall report to Congress instances and reasons when an agency has not met the intermediate target dates established in the remediation plan required under section 3(c) [803(c)]. Specifically the report shall include—

(b)(1) In the case of an agency tender official who is an interested party under section 3551(2)(B) of this title, the official may file a protest in connection with the public-private competition for which the official is an interested party. At the request of a majority of the employees of the Federal agency who are engaged in the performance of the activity or function subject to such public-private competition, the official shall file a protest in connection with such public-private competition unless the official determines that there is no reasonable basis for the protest.

(2) The determination of an agency tender official under paragraph (1) whether or not to file a protest is not subject to administrative or judicial review. An agency tender official shall provide written notification to Congress whenever the official makes a determination under paragraph (1) that there is no reasonable basis for a protest.

§3553. Review of protests; effect on contracts pending decision

(a) Under procedures prescribed under section 3555 of this title, the Comptroller General shall decide a protest submitted to the Comptroller General by an interested party.

(b)(1) Within one day after the receipt of a protest, the Comptroller General shall notify the Federal agency involved of the protest.

(2) Except as provided in paragraph (3) of this subsection, a Federal agency receiving a notice of a protested procurement under paragraph (1) of this subsection shall submit to the Comptroller General

a complete report (including all relevant documents) on the protested procurement—

(A) within 30 days after the date of the agency's receipt of that notice;

(B) if the Comptroller General, upon a showing by the Federal agency, determines (and states the reasons in writing) that the specific circumstances of the protest require a longer period, within the longer period determined by the Comptroller General; or

(C) in a case determined by the Comptroller General to be suitable for the express option under section 3554(a)(2) of this title, within 20 days after the date of the Federal agency's receipt of that determination.

(3) A Federal agency need not submit a report to the Comptroller General pursuant to paragraph (2) of this subsection if the agency is sooner notified by the Comptroller General that the protest concerned has been dismissed under section 3554(a)(4) of this title.

(c)(1) Except as provided in paragraph (2) of this subsection, a contract may not be awarded in any procurement after the Federal agency has received notice of a protest with respect to such procurement from the Comptroller General and while the protest is pending.

(2) The head of the procuring activity responsible for award of a contract may authorize the award of the contract (notwithstanding a protest of which the Federal agency has notice under this section)—

(A) upon a written finding that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for the decision of the Comptroller General under this subchapter; and

(B) after the Comptroller General is advised of that finding.

(3) A finding may not be made under paragraph (2)(A) of this subsection unless the award of the contract is otherwise likely to occur within 30 days after the making of such finding.

(d)(1) A contractor awarded a Federal agency contract may, during the period described in paragraph (4), begin performance of the contract and engage in any related activities that result in obligations being incurred by the United States under the contract unless the contracting officer responsible for the award of the contract withholds authorization to proceed with performance of the contract.

(2) The contracting officer may withhold an authorization to proceed with performance of the contract during the period described in paragraph (4) if the contracting officer determines in writing that—

(A) a protest is likely to be filed; and

(B) the immediate performance of the contract is not in the best interests of the United States.

(3)(A) If the Federal agency awarding the contract receives notice of a protest in accordance with this section during the period described in paragraph (4)—

(i) the contracting officer may not authorize performance of the contract to begin while the protest is pending; or

(ii) if authorization for contract performance to proceed was not withheld in accordance with paragraph (2) before receipt of the notice, the contracting officer shall immediately direct the contractor to cease performance under the contract and to suspend any related activities that may result in additional obligations being incurred by the United States under that contract.

(B) Performance and related activities suspended pursuant to subparagraph (A)(ii) by reason of a protest may not be resumed while the protest is pending.

(C) The head of the procuring activity may authorize the performance of the contract (notwithstanding a protest of which the Federal agency has notice under this section)—

(i) upon a written finding that—

(I) performance of the contract is in the best interests of the United States; or

(II) urgent and compelling circumstances that significantly affect interests of the United States will not permit waiting for the decision of the Comptroller General concerning the

protest; and

(ii) after the Comptroller General is notified of that finding.

(4) The period referred to in paragraphs (2) and (3)(A), with respect to a contract, is the period beginning on the date of the contract award and ending on the later of—

(A) the date that is 10 days after the date of the contract award; or

(B) the date that is 5 days after the debriefing date offered to an unsuccessful offeror for any debriefing that is requested and, when requested, is required.

(e) The authority of the head of the procuring activity to make findings and to authorize the award and performance of contracts under subsections (c) and (d) of this section may not be delegated.

(f)(1) Within such deadlines as the Comptroller General prescribes, upon request each Federal agency shall provide to an interested party any document relevant to a protested procurement action (including the report required by subsection (b)(2) of this section) that would not give that party a competitive advantage and that the party is otherwise authorized by law to receive.

(2)(A) The Comptroller General may issue protective orders which establish terms, conditions, and restrictions for the provision of any document to a party under paragraph (1), that prohibit or restrict the disclosure by the party of information described in subparagraph (B) that is contained in such a document.

(B) Information referred to in subparagraph (A) is procurement sensitive information, trade secrets, or other proprietary or confidential research, development, or commercial information.

(C) A protective order under this paragraph shall not be considered to authorize the withholding of any document or information from Congress or an executive agency.

(g) If an interested party files a protest in connection with a public-private competition described in section 3551(2)(B) of this title, a person representing a majority of the employees of the Federal agency who are engaged in the performance of the activity or function subject to the public-private competition may intervene in protest.

CONSTRUCTION OF 2004 AMENDMENT

Amendment by Pub. L. 108–375 not to be construed to authorize the use of a protest under this subchapter with regard to a decision made by an agency tender official, see section 326(e) of Pub. L. 108–375, set out as a note under section 3551 of this title.

§3554. Decisions on protests

(a)(1) To the maximum extent practicable, the Comptroller General shall provide for the inexpensive and expeditious resolution of protests under this subchapter. Except as provided under paragraph (2) of this subsection, the Comptroller General shall issue a final decision concerning a protest within 100 days after the date the protest is submitted to the Comptroller General.

(2) The Comptroller General shall, by regulation prescribed pursuant to section 3555 of this title, establish an express option for deciding those protests which the Comptroller General determines suitable for resolution within 65 days after the date the protest is submitted.

(3) An amendment to a protest that adds a new ground of protest, if timely made, should be resolved, to the maximum extent practicable, within the time limit established under paragraph (1) of this subsection for final decision of the initial protest. If an amended protest cannot be resolved within such time limit, the Comptroller General may resolve the amended protest through the express option under paragraph (2) of this subsection.

(4) The Comptroller General may dismiss a protest that the Comptroller General determines is frivolous or which, on its face, does not state a valid basis for protest.

(b)(1) With respect to a solicitation for a contract, or a proposed award or the award of a contract, protested under this subchapter, the Comptroller General may determine whether the solicitation, proposed award, or award complies with statute and regulation. If the Comptroller General determines that the solicitation, proposed award, or award does not comply with a statute or regulation, the Comptroller General shall recommend that the Federal agency—

(A) refrain from exercising any of its options under the contract;

(B) recompetes the contract immediately;

(C) cancel the solicitation issued pursuant to the public-private competition conducted under

Office of Management and Budget Circular A-76 or any successor circular;

(D) issue a new solicitation;

(E) terminate the contract;

(F) award a contract consistent with the requirements of such statute and regulation;

(G) implement any combination of recommendations under clauses (A), (B), (C), (D), (E), and (F); or

(H) implement such other recommendations as the Comptroller General determines to be necessary in order to promote compliance with procurement statutes and regulations.

(2) If the head of the procuring activity responsible for a contract makes a finding under section 3553(d)(3)(C)(i)(I) of this title, the Comptroller General shall make recommendations under this subsection without regard to any cost or disruption from terminating, recompeting, or reawarding the contract.

(3) If the Federal agency fails to implement fully the recommendations of the Comptroller General under this subsection with respect to a solicitation for a contract or an award or proposed award of a contract within 60 days after receiving the recommendations, the head of the procuring activity responsible for that contract shall report such failure to the Comptroller General not later than 5 days after the end of such 60-day period.

(c)(1) If the Comptroller General determines that a solicitation for a contract or a proposed award or the award of a contract does not comply with a statute or regulation, the Comptroller General may recommend that the Federal agency conducting the procurement pay to an appropriate interested party the costs of—

(A) filing and pursuing the protest, including reasonable attorneys' fees and consultant and expert witness fees; and

(B) bid and proposal preparation.

(2) No party (other than a small business concern (within the meaning of section 3(a) of the Small Business Act)) may be paid, pursuant to a recommendation made under the authority of paragraph (1)—

(A) costs for consultant and expert witness fees that exceed the highest rate of compensation for expert witnesses paid by the Federal Government; or

(B) costs for attorneys' fees that exceed \$150 per hour unless the agency determines, based on the recommendation of the Comptroller General on a case by case basis, that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee.

(3) If the Comptroller General recommends under paragraph (1) that a Federal agency pay costs to an interested party, the Federal agency shall—

(A) pay the costs promptly; or

(B) if the Federal agency does not make such payment, promptly report to the Comptroller General the reasons for the failure to follow the Comptroller General's recommendation.

(4) If the Comptroller General recommends under paragraph (1) that a Federal agency pay costs to an interested party, the Federal agency and the interested party shall attempt to reach an agreement on the amount of the costs to be paid. If the Federal agency and the interested party are unable to agree on the amount to be paid, the Comptroller General may, upon the request of the interested party, recommend to the Federal agency the amount of the costs that the Federal agency should pay.

(d) Each decision of the Comptroller General under this subchapter shall be signed by the Comptroller General or a designee for that purpose. A copy of the decision shall be made available to the interested parties, the head of the procuring activity responsible for the solicitation, proposed award, or award of the contract, and the senior procurement executive of the Federal agency involved.

(e)(1) The Comptroller General shall report promptly to the Committee on Governmental Affairs

and the Committee on Appropriations of the Senate and to the Committee on Government Reform and Oversight and the Committee on Appropriations of the House of Representatives any case in which a Federal agency fails to implement fully a recommendation of the Comptroller General under subsection (b) or (c). The report shall include—

(A) a comprehensive review of the pertinent procurement, including the circumstances of the failure of the Federal agency to implement a recommendation of the Comptroller General; and

(B) a recommendation regarding whether, in order to correct an inequity or to preserve the integrity of the procurement process, the Congress should consider—

- (i) private relief legislation;
- (ii) legislative rescission or cancellation of funds;
- (iii) further investigation by Congress; or
- (iv) other action.

(2) Not later than January 31 of each year, the Comptroller General shall transmit to the Congress a report containing a summary of each instance in which a Federal agency did not fully implement a recommendation of the Comptroller General under subsection (b) or (c) during the preceding year. The report shall also describe each instance in which a final decision in a protest was not rendered within 100 days after the date the protest is submitted to the Comptroller General. The report shall also include a summary of the most prevalent grounds for sustaining protests during such preceding year.

(2) Paragraph (1) shall not apply—

(A) to any debt or claim that—

(i) is in litigation or foreclosure;

(B) to any other specific class of debt or claim, as determined by the Secretary of the Treasury at the request of the head of an executive, judicial, or legislative agency or otherwise.

(3) For purposes of this section, the Secretary of the Treasury may designate, and withdraw such designation of debt collection centers operated by other Federal agencies. The agency transferring or referring the nontax claim shall be charged the fee, and the agency charging the fee shall collect such fee by retaining the amount of the fee from amounts collected pursuant to this subsection. Agencies may agree to pay through a different method, or to fund an activity from another account or from revenue received from the procedure described under section 3720C of this title. Amounts charged under this subsection concerning delinquent claims may be considered as costs pursuant to section 3717(e) of this title.

Any fee charged pursuant to this subsection shall be deposited into an account to be determined by the executive department or agency operating the debt collection center charging the fee (in this subsection referred to in this section ² as the “Account”). Amounts deposited in the Account shall be available until expended to cover costs associated with the implementation and operation of Governmentwide debt collection activities. (2) The obtaining of a consumer report under this subsection is deemed to be a circumstance or purpose authorized or listed under section 604 of the Fair Credit Reporting Act (15 U.S.C. 1681b).

Appropriate fees charged by a contractor to assist in the conduct of a sale under this subsection may be payable from the proceeds of the sale.

(2) After terminating collection action, the head of an executive, judicial, or legislative agency shall sell, using competitive procedures, any nontax debt or class of nontax debts owed to the United States, if the Secretary of the Treasury determines the sale is in the best interests of the United States.

(3) Sales of nontax debt under this subsection—

(A) shall be for—

(i) cash, or

(ii) cash and a residuary equity or profit participation, if the head of the agency reasonably determines that the proceeds will be greater than sale solely for cash,

(B) shall be without recourse, but may include the use of guarantees if otherwise authorized, and

(C) shall transfer to the purchaser all rights of the Government to demand payment of the nontax debt, other than with respect to a residuary equity or profit participation under subparagraph (A)(ii).

(4)(A) Within one year after the date of enactment of the Debt Collection Improvement Act of 1996, each executive agency with current and delinquent collateralized nontax debts shall report to the Congress on the valuation of its existing portfolio of loans, notes and guarantees, and other collateralized debts based on standards developed by the Director of the Office of Management and Budget, in consultation with the Secretary of the Treasury.

(B) The Director of the Office of Management and Budget shall determine what information is required to be reported to comply with subparagraph (A). (ii) The cumulative balance of delinquent debts, debts outstanding, the estimated net present value of such debts, the annual administrative expenses of those debts (including the portion of salaries and expenses that are directly related thereto), and the estimated net proceeds that would be received by the Government if such debts were sold.

(iii) The cumulative balance of guaranteed loans outstanding, the estimated net present value of such guarantees, the annual administrative expenses of such guarantees (including the portion of

salaries and expenses that are directly related to such guaranteed loans), and the estimated net proceeds that would be received by the Government if such loan guarantees were sold.

(iv) The cumulative balance of defaulted loans that were previously guaranteed and have resulted in loans receivables, the estimated net present value of such loan assets, the annual administrative expenses of such loan assets (including the portion of salaries and expenses that are directly related to such loan assets), and the estimated net proceeds that would be received by the Government if such loan assets were sold.

(v) The marketability of all debts.

(5) This subsection is not intended to limit existing statutory authority of agencies to sell loans, debts, or other assets.

§3716. Administrative offset

(a) After trying to collect a claim from a person under section 3711(a) of this title, the head of an executive, judicial, or legislative agency may collect the claim by administrative offset. The head of the agency may collect by administrative offset only after giving the debtor—

- (1) written notice of the type and amount of the claim, the intention of the head of the agency to collect the claim by administrative offset, and an explanation of the rights of the debtor under this section;
- (2) an opportunity to inspect and copy the records of the agency related to the claim;
- (3) an opportunity for a review within the agency of the decision of the agency related to the claim; and
- (4) an opportunity to make a written agreement with the head of the agency to repay the amount of the claim.

(b) Before collecting a claim by administrative offset, the head of an executive, judicial, or legislative agency must either—

- (1) adopt, without change, regulations on collecting by administrative offset promulgated by the Department of Justice, the Government Accountability Office, or the Department of the Treasury; or
- (2) prescribe regulations on collecting by administrative offset consistent with the regulations referred to in paragraph (1).

(c)(1)(A) Except as otherwise provided in this subsection, a disbursing official of the Department of the Treasury, the Department of Defense, the United States Postal Service, the Department of Health and Human Services, or any other government corporation, or any disbursing official of the United States designated by the Secretary of the Treasury, shall offset at least annually the amount of a payment which a payment certifying agency has certified to the disbursing official for disbursement, by an amount equal to the amount of a claim which a creditor agency has certified to the Secretary of the Treasury pursuant to this subsection.

(B) An agency that designates disbursing officials pursuant to section 3321(c) of this title is not required to certify claims arising out of its operations to the Secretary of the Treasury before such agency's disbursing officials offset such claims.

(C) Payments certified by the Department of Education under a program administered by the Secretary of Education under title IV of the Higher Education Act of 1965 shall not be subject to administrative offset under this subsection.

- (2) Neither the disbursing official nor the payment certifying agency shall be liable—

(A) for the amount of the administrative offset on the basis that the underlying obligation,

represented by the payment before the administrative offset was taken, was not satisfied; or
(B) for failure to provide timely notice under paragraph (8).

(3)(A)(i) Notwithstanding any other provision of law (including sections 207 and 1631(d)(1) of the Social Security Act (42 U.S.C. 407 and 1383(d)(1)), section 413(b) of Public Law 91-173 (30 U.S.C. 923(b)), and section 14 of the Act of August 29, 1935 (45 U.S.C. 231m)), except as provided in clause (ii), all payments due to an individual under—

- (I) the Social Security Act,
- (II) part B of the Black Lung Benefits Act, or
- (III) any law administered by the Railroad Retirement Board (other than payments that such Board determines to be tier 2 benefits),

shall be subject to offset under this section.

(ii) An amount of \$9,000 which a debtor may receive under Federal benefit programs cited under clause (i) within a 12-month period shall be exempt from offset under this subsection. In applying the \$9,000 exemption, the disbursing official shall—

- (I) reduce the \$9,000 exemption amount for the 12-month period by the amount of all Federal benefit payments made during such 12-month period which are not subject to offset under this subsection; and
- (II) apply a prorated amount of the exemption to each periodic benefit payment to be made to the debtor during the applicable 12-month period.

For purposes of the preceding sentence, the amount of a periodic benefit payment shall be the amount after any reduction or deduction required under the laws authorizing the program under which such payment is authorized to be made (including any reduction or deduction to recover any overpayment under such program).

(B) The Secretary of the Treasury shall exempt from administrative offset under this subsection payments under means-tested programs when requested by the head of the respective agency. The Secretary may exempt other payments from administrative offset under this subsection upon the written request of the head of a payment certifying agency. A written request for exemption of other payments must provide justification for the exemption under standards prescribed by the Secretary. Such standards shall give due consideration to whether administrative offset would tend to interfere substantially with or defeat the purposes of the payment certifying agency's program. The Secretary shall report to the Congress annually on exemptions granted under this section.

(C) The provisions of sections 205(b)(1), 809(a)(1), and 1631(c)(1) of the Social Security Act shall not apply to any administrative offset executed pursuant to this section against benefits authorized by title II, VIII, or title XVI of the Social Security Act, respectively.

(D) This section shall apply to payments made after the date which is 90 days after the enactment of this subparagraph (or such earlier date as designated by the Secretary of Health and Human Services) with respect to claims or debts, and to amounts payable, under title XVIII of the Social Security Act.

(4) The Secretary of the Treasury may charge a fee sufficient to cover the full cost of implementing this subsection. The fee may be collected either by the retention of a portion of amounts collected pursuant to this subsection, or by billing the agency referring or transferring a claim for those amounts. Fees charged to the agencies shall be based on actual administrative offsets completed. Amounts received by the United States as fees under this subsection shall be deposited into the account of the Department of the Treasury under section 3711(g)(7) of this title, and shall be collected and accounted for in accordance with the provisions of that section.

(5) The Secretary of the Treasury in consultation with the Commissioner of Social Security and the Director of the Office of Management and Budget, may prescribe such rules, regulations, and procedures as the Secretary of the Treasury considers necessary to carry out this subsection. The Secretary shall consult with the heads of affected agencies in the development of such rules, regulations, and procedures.

(6)(A) Any Federal agency that is owed by a person a past due, legally enforceable nontax debt that is over 120 days delinquent, including nontax debt administered by a third party acting as an agent for the Federal Government, shall notify the Secretary of the Treasury of all such nontax debts for purposes of administrative offset under this subsection.

(B) The Secretary of the Treasury shall notify Congress of any instance in which an agency fails to notify the Secretary as required under subparagraph (A).

(7)(A) The disbursing official conducting an administrative offset with respect to a payment to a payee shall notify the payee in writing of—

- (i) the occurrence of the administrative offset to satisfy a past due legally enforceable debt, including a description of the type and amount of the payment otherwise payable to the payee against which the offset was executed;
- (ii) the identity of the creditor agency requesting the offset; and
- (iii) a contact point within the creditor agency that will handle concerns regarding the offset.

(B) If the payment to be offset is a periodic benefit payment, the disbursing official shall take reasonable steps, as determined by the Secretary of the Treasury, to provide the notice to the payee not later than the date on which the payee is otherwise scheduled to receive the payment, or as soon as practical thereafter, but no later than the date of the administrative offset. Notwithstanding the preceding sentence, the failure of the debtor to receive such notice shall not impair the legality of such administrative offset.

(8) A levy pursuant to the Internal Revenue Code of 1986 shall take precedence over requests for administrative offset pursuant to other laws.

(d) Nothing in this section is intended to prohibit the use of any other administrative offset authority existing under statute or common law.

(e)(1) Notwithstanding any other provision of law, regulation, or administrative limitation, no limitation on the period within which an offset may be initiated or taken pursuant to this section shall be effective.

(2) This section does not apply when a statute explicitly prohibits using administrative offset or setoff to collect the claim or type of claim involved.

(f) The Secretary may waive the requirements of sections 552a(o) and (p) of title 5 for administrative offset or claims collection upon written certification by the head of a State or an executive, judicial, or legislative agency seeking to collect the claim that the requirements of subsection (a) of this section have been met.

(g) The Data Integrity Board of the Department of the Treasury established under 552a(u) of title 5 shall review and include in reports under paragraph (3)(D) of that section a description of any matching activities conducted under this section. If the Secretary has granted a waiver under subsection (f) of this section, no other Data Integrity Board is required to take any action under section 552a(u) of title 5.

(h)(1) The Secretary may, in the discretion of the Secretary, apply subsection (a) with respect to any past-due, legally-enforceable debt owed to a State if—

- (A) the appropriate State disbursing official requests that an offset be performed; and
- (B) a reciprocal agreement with the State is in effect which contains, at a minimum—
 - (i) requirements substantially equivalent to subsection (b) of this section; and
 - (ii) any other requirements which the Secretary considers appropriate to facilitate the offset and prevent duplicative efforts.

(2) This subsection does not apply to—

(A) the collection of a debt or claim on which the administrative costs associated with the collection of the debt or claim exceed the amount of the debt or claim;

(B) any collection of any other type, class, or amount of claim, as the Secretary considers necessary to protect the interest of the United States; or

(C) the disbursement of any class or type of payment exempted by the Secretary of the Treasury at the request of a Federal agency.

(3) In applying this section with respect to any debt owed to a State, subsection (c)(3)(A) shall not apply.

EX. ORD. NO. 13019. SUPPORTING FAMILIES: COLLECTING DELINQUENT CHILD SUPPORT OBLIGATIONS

Ex. Ord. No. 13019, Sept. 28, 1996, 61 F.R. 51763, provided that:

The Debt Collection Improvement Act of 1996, Public Law 104–134 [§31001] (110 Stat. 1321–358 *et seq.*) [see Short Title of 1996 Amendment note set out under section 3701 of this title], was enacted into law on April 26, 1996, as part of the Omnibus Consolidated Rescissions and Appropriations Act of 1996. While the primary purpose of the Debt Collection Improvement Act is to increase the collection of nontax debts owed to the Federal Government, the Act also contains important provisions that can be used to assist families in collecting past-due child support obligations.

The failure of some parents to meet their child support obligations threatens the health, education, and well-being of their children. Compounding this problem, States have experienced difficulties enforcing child support obligations once a parent has moved to another State. With this Executive order, my Administration takes additional steps to support our children and strengthen American families by facilitating the collection of delinquent child support obligations from persons who may be entitled or eligible to receive certain Federal payments or Federal assistance.

Accordingly, by the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Administrative Offsets.* (a)(1) The Secretary of the Treasury (“the Secretary”), in accordance with the provisions of the Debt Collection Improvement Act of 1996 and to the extent permitted by law, and in consultation with the Secretary of Health and Human Services and other affected agencies, shall promptly develop and implement procedures necessary for the Secretary to collect past-due child support debts by administrative offset, and shall issue such rules, regulations, and procedures as the Secretary, in consultation with the heads of affected agencies, deems appropriate to govern administrative offsets by the Department of the Treasury and other executive departments and agencies that disburse Federal payments.

(2) The Secretary may enter into reciprocal agreements with States concerning the collection by the Secretary of delinquent child support debts through administrative offsets.

(b) The Secretary of Health and Human Services shall, within 120 days of the date of this order, implement procedures necessary to report to the Secretary of the Treasury information on past-due child support claims referred by States (including claims enforced by States pursuant to cooperative agreements with or by Indian tribal governments) to the Department of Health and Human Services.

(c) The head of each executive department and agency that certifies payments to the Secretary or to another disbursing official shall review each class of payments that the department or agency certifies to determine if any such class should be exempt from offset and, if any class is so identified, submit to the Secretary a request for such an exemption together with the reasons therefor. With respect to classes of payments under means-tested programs existing on the date of this order, such submission shall be made within 30 days of the date of this order. With respect to classes of payments other than payments under means-tested programs existing on the date of this order, such submissions shall be made within 30 days of the date the Secretary establishes standards pursuant to section 3716(c)(3) of title 31, United States Code. With respect to a class of payments established after the date of this order, such submissions shall be made not later than 30 days after such class is established.

(d) The head of each executive department and agency that certifies payments to the Secretary shall promptly implement any rule, regulation, or procedure issued by the Secretary pursuant to this section.

(e) The head of each executive department and agency that is authorized by law to disburse payments shall promptly implement any rule, regulation, or procedure issued by the Secretary pursuant to this section and shall:

(1) match, consistent with computer privacy matching laws, the payment certification records of such department or agency with records of persons delinquent in child support payments as directed by the Secretary; and

(2) conduct administrative offsets to collect delinquent child support payments.

(f) The Secretary shall, to the extent permitted by law, share with the Secretary of Health and Human Services any information contained in payment certification records of persons who are delinquent in child support obligations that would assist in the collection of such debts, whether or not an administrative offset is conducted.

SEC. 2. *Denial of Federal Assistance.* (a) The Secretary shall, to the extent permitted by law, ensure that information concerning individuals whose payments are subject to administrative offset because of delinquent child support obligations is made available to the head of each executive department and agency that provides Federal financial assistance to individuals.

(b) In conformance with section 2(e) of this order, the head of each executive department and agency shall, with respect to any individuals whose payments are subject to administrative offset because of a delinquent child support obligation, promptly implement procedures to deny Federal financial assistance to such

individuals.

(c) The Attorney General, in consultation with the Secretary of Health and Human Services and other affected agencies, shall promptly issue guidelines for departments and agencies concerning minimum due-process standards to be included in the procedures required by subsection (b) of this section.

(d) For purposes of this section, Federal financial assistance means any Federal loan (other than a disaster loan), loan guarantee, or loan insurance.

(e)(1) A class of Federal financial assistance shall not be subject to denial if the head of the concerned department or agency determines:

(A) in consultation with the Attorney General and the Secretary of Health and Human Services, that such action:

(i) is not permitted by law; or

(ii) would likely result in valid legal claims for damages against the United States;

(B) that such action would be inconsistent with the best interests of the child or children with respect to whom a child support obligation is owed; or

(C) that such action should be waived.

(2) The head of each executive department and agency shall provide written notification to the Secretary upon determining that the denial of a class of Federal financial assistance is not permitted by law or should be waived.

(f) The head of each executive department and agency shall:

(1) review all laws under the jurisdiction of the department or agency that do not permit the denial of Federal financial assistance to individuals and whose payments are subject to administrative offset because of a delinquent child support obligation and, where appropriate, transmit to the Director of the Office of Management and Budget recommendations for statutory changes; and

(2) to the extent practicable, review all rules, regulations, and procedures implementing laws under the jurisdiction of the department or agency governing the provision of any Federal financial assistance to individuals and, where appropriate, conform such rules, regulations, and procedures to the provisions of this order and the rules, regulations, and procedures issued by the Secretary pursuant to section 1 of this order.

SEC. 3. *Reports.* (a) The head of each executive department and agency shall provide to the Secretary such information as the Secretary may request concerning the implementation of this order, the provisions of the Debt Collection Improvement Act of 1996 applicable to delinquent child support obligations, and the rules, regulations, and procedures issued by the Secretary pursuant to section 1 of this order.

(b) The Secretary shall report annually to the President concerning the implementation by departments and agencies of this order and the provisions of the Debt Collection Improvement Act of 1996 applicable to delinquent child support obligations.

SEC. 4. *Judicial Review.* This order does not create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies, its officers, or any person.

WILLIAM J. CLINTON.

§3717. Interest and penalty on claims

(a)(1) The head of an executive, judicial, or legislative agency shall charge a minimum annual rate of interest on an outstanding debt on a United States Government claim owed by a person that is equal to the average investment rate for the Treasury tax and loan accounts for the 12-month period ending on September 30 of each year, rounded to the nearest whole percentage point. The Secretary of the Treasury shall publish the rate before November 1 of that year. The rate is effective on the first day of the next calendar quarter.

(2) The Secretary may change the rate of interest for a calendar quarter if the average investment rate for the 12-month period ending at the close of the prior calendar quarter, rounded to the nearest whole percentage point, is more or less than the existing published rate by 2 percentage points.

(b) Interest under subsection (a) of this section accrues from the date—

(1) on which notice is mailed after October 25, 1982, if notice was first mailed before October 25, 1982; or

(2) notice of the amount due is first mailed to the debtor at the most current address of the debtor available to the head of the executive or ¹ legislative agency, if notice is first mailed after October 24, 1982.

(c) The rate of interest charged under subsection (a) of this section—

(1) is the rate in effect on the date from which interest begins to accrue under subsection (b) of this section; and

(2) remains fixed at that rate for the duration of the indebtedness.

(d) Interest under subsection (a) of this section may not be charged if the amount due on the claim is paid within 30 days after the date from which interest accrues under subsection (b) of this section. The head of an executive, judicial, or legislative agency may extend the 30-day period.

(e) The head of an executive, judicial, or legislative agency shall assess on a claim owed by a person—

(1) a charge to cover the cost of processing and handling a delinquent claim; and

(2) a penalty charge of not more than 6 percent a year for failure to pay a part of a debt more than 90 days past due.

(f) Interest under subsection (a) of this section does not accrue on a charge assessed under subsection (e) of this section.

(g) This section does not apply—

(1) if a statute, regulation required by statute, loan agreement, or contract prohibits charging interest or assessing charges or explicitly fixes the interest or charges; and

(2) to a claim under a contract executed before October 25, 1982, that is in effect on October 25, 1982.

(h) In conformity with standards prescribed jointly by the Attorney General, the Secretary of the Treasury, and the Comptroller General, the head of an executive, judicial, or legislative agency may prescribe regulations identifying circumstances appropriate to waiving collection of interest and charges under subsections (a) and (e) of this section. A waiver under the regulations is deemed to be compliance with this section.

(i)(1) The head of an executive, judicial, or legislative agency may increase an administrative claim by the cost of living adjustment in lieu of charging interest and penalties under this section. Adjustments under this subsection will be computed annually.

(2) For the purpose of this subsection—

(A) the term “cost of living adjustment” means the percentage by which the Consumer Price Index for the month of June of the calendar year preceding the adjustment exceeds the Consumer Price Index for the month of June of the calendar year in which the claim was determined or last adjusted; and

(B) the term “administrative claim” includes all debt that is not based on an extension of Government credit through direct loans, loan guarantees, or insurance, including fines, penalties, and overpayments.

§3718. Contracts for collection services

(a) Under conditions the head of an executive, judicial, or legislative agency considers appropriate, the head of the agency may enter into a contract with a person for collection service to recover indebtedness owed, or to locate or recover assets of, the United States Government. The head of an agency may not enter into a contract under the preceding sentence to locate or recover assets of the United States held by a State government or financial institution unless that agency has established procedures approved by the Secretary of the Treasury to identify and recover such assets. The contract shall provide that—

(1) the head of the agency retains the authority to resolve a dispute, compromise a claim, end collection action, and refer a matter to the Attorney General to bring a civil action; and

(2) the person is subject to—

(A) section 552a of title 5, to the extent provided in section 552a(m); and

(B) laws and regulations of the United States Government and State governments related to debt collection practices.

(b)(1)(A) The Attorney General may make contracts retaining private counsel to furnish legal services, including representation in negotiation, compromise, settlement, and litigation, in the case of any claim of indebtedness owed the United States. Each such contract shall include such terms

and conditions as the Attorney General considers necessary and appropriate, including a provision specifying the amount of the fee to be paid to the private counsel under such contract or the method for calculating that fee. The amount of the fee payable for legal services furnished under any such contract may not exceed the fee that counsel engaged in the private practice of law in the area or areas where the legal services are furnished typically charge clients for furnishing legal services in the collection of claims of indebtedness, as determined by the Attorney General, considering the amount, age, and nature of the indebtedness and whether the debtor is an individual or a business entity. Nothing in this subparagraph shall relieve the Attorney General of the competition requirements set forth in division C (except sections 3302, 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41.

(B) The Attorney General shall use his best efforts to enter into contracts under this paragraph with law firms owned and controlled by socially and economically disadvantaged individuals and law firms that are qualified HUBZone small business concerns (as defined in section 3(p) of the Small Business Act), so as to enable each agency to comply with paragraph (3).

(2) The head of an executive, judicial, or legislative agency may, subject to the approval of the Attorney General, refer to a private counsel retained under paragraph (1) of this subsection claims of indebtedness owed the United States arising out of activities of that agency.

(3) Each agency shall use its best efforts to assure that not less than 10 percent of the amounts of all claims referred to private counsel by that agency under paragraph (2) are referred to law firms owned and controlled by socially and economically disadvantaged individuals and law firms that are qualified HUBZone small business concerns. For purposes of this paragraph—

(A) the term “law firm owned and controlled by socially and economically disadvantaged individuals” means a law firm that meets the requirements set forth in clauses (i) and (ii) of section 8(d)(3)(C) of the Small Business Act (15 U.S.C. 637(d)(3)(C)(i) and (ii)) and regulations issued under those clauses;

(B) “socially and economically disadvantaged individuals” shall be presumed to include these ¹ groups and individuals described in the last paragraph of section 8(d)(3)(C) of the Small Business Act; and

(C) the term “qualified HUBZone small business concern” has the meaning given that term in section 3(p) of the Small Business Act.

(4) Notwithstanding sections 516, 518(b), 519, and 547(2) of title 28, a private counsel retained under paragraph (1) of this subsection may represent the United States in litigation in connection with legal services furnished pursuant to the contract entered into with that counsel under paragraph (1) of this subsection.

(5) A contract made with a private counsel under paragraph (1) of this subsection shall include—

(A) a provision permitting the Attorney General to terminate either the contract or the private counsel's representation of the United States in particular cases if the Attorney General finds that such action is for the convenience of the Government;

(B) a provision stating that the head of the executive or ² legislative agency which refers a claim under the contract retains the authority to resolve a dispute regarding the claim, to compromise the claim, or to terminate a collection action on the claim; and

(C) a provision requiring the private counsel to transmit monthly to the Attorney General and the head of the executive or ¹ legislative agency referring a claim under the contract a report on the services relating to the claim rendered under the contract during the month and the progress made during the month in collecting the claim under the contract.

(6) Notwithstanding the fourth sentence of section 803(6) of the Fair Debt Collection Practices Act (15 U.S.C. 1692a(6)), a private counsel performing legal services pursuant to a contract made under paragraph (1) of this subsection shall be considered to be a debt collector for the purposes of such Act.

(7) Any counterclaim filed in any action to recover indebtedness owed the United States which is brought on behalf of the United States by private counsel retained under this subsection may not be

asserted unless the counterclaim is served directly on the Attorney General or the United States Attorney for the judicial district in which, or embracing the place in which, the action is brought. Such service shall be made in accordance with the rules of procedure of the court in which the action is brought.

(c) The Attorney General shall transmit to the Congress an annual report on the activities of the Department of Justice to recover indebtedness owed the United States which was referred to the Department of Justice for collection. Each such report shall include a list, by agency, of—

(1) the total number and amounts of claims which were referred for legal services to the Department of Justice and to private counsel under subsection (b) during the 1-year period covered by the report;

(2) the total number and amount of those claims referred for legal services to the Department of Justice which were collected or were not collected or otherwise resolved during the 1-year period covered by the report; and

(3) the total number and amount of those claims referred for legal services to private counsel under subsection (b)—

(A) which were collected or were not collected or otherwise resolved during the 1-year period covered by the report;

(B) which were not collected or otherwise resolved under a contract terminated by the Attorney General during the 1-year period covered by the report; and

(C) on which the Attorney General terminated the private counsel's representation during the 1-year period covered by the report without terminating the contract with the private counsel under which the claims were referred.

(d) Notwithstanding section 3302(b) of this title, a contract under subsection (a) or (b) of this section may provide that a fee a person charges to recover indebtedness owed, or to locate or recover assets of, the United States Government is payable from the amount recovered.

(e) A contract under subsection (a) or (b) of this section is effective only to the extent and in the amount provided in an appropriation law. This limitation does not apply in the case of a contract that authorizes a person to collect a fee as provided in subsection (d) of this section.

(f) This section does not apply to the collection of debts under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

(g) In order to assist Congress in determining whether use of private counsel is a cost-effective method of collecting Government debts, the Attorney General shall, following consultation with the Government Accountability Office, maintain and make available to the Inspector General of the Department of Justice, statistical data relating to the comparative costs of debt collection by participating United States Attorneys' Offices and by private counsel.

SUBCHAPTER III—CLAIMS AGAINST THE UNITED STATES GOVERNMENT

§3721. Claims of personnel of agencies and the District of Columbia government for personal property damage or loss

(a) In this section—

(1) “agency” does not include a nonappropriated fund activity or a contractor with the United States Government.

(2) “head of an agency” means—

(A) for a military department, the Secretary of the military department;

(B) for the Department of Defense (except the military departments), the Secretary of Defense; and

If, however, the claim arose from an emergency evacuation or from extraordinary circumstances, the amount settled and paid under the authority of the preceding sentence may exceed \$40,000, but may not exceed \$100,000. A claim allowed under this subsection may be paid in money or the personal property replaced in kind.

(2) The Secretary of State may waive the settlement and payment limitation referred to in paragraph (1) for claims for damage or loss by United States Government personnel under the jurisdiction of a chief of mission in a foreign country if such claims arise in circumstances where there is in effect a departure from the country authorized or ordered under circumstances described in section 5522(a) of title 5, if the Secretary determines that there exists exceptional circumstances that warrant such a waiver.

- (2) the head of the agency decides that possession of the property was reasonable or useful under the circumstances; and
- (3) no part of the loss was caused by any negligent or wrongful act of the claimant or an agent or employee of the claimant.

(g) A claim may be allowed under this section only if it is presented in writing within 2 years after the claim accrues. However, if a claim under subsection (b) of this section accrues during war or an armed conflict in which an armed force of the United States is involved, or has accrued within 2 years before war or an armed conflict begins, and for cause shown, the claim must be presented within 2 years after the cause no longer exists or after the war or armed conflict ends, whichever is earlier. An armed conflict begins and ends as stated in a concurrent resolution of Congress or a decision of the President.

(h) The head of the agency—

- (1) may settle and pay a claim made by the surviving spouse, child, parent, or brother or sister of a dead member, officer, or employee if the claim is otherwise payable under this section; and

(a)(1) Each agency that receives a bill from a carrier or freight forwarder for transporting an individual or property for the United States Government shall verify its correctness (to include transportation rates, freight classifications, or proper combinations thereof), using prepayment audit, prior to payment in accordance with the requirements of this section and regulations prescribed by the Administrator of General Services.

(4) The audit authority provided to agencies by this section is subject to oversight by the Administrator.

A payment subsequently due under the contract (even after the war or emergency is ended) shall be paid to the assignee without a reduction or setoff for liability of the assignor—

(1) to the Government independent of the contract; or

(2) because of renegotiation, fine, penalty (except an amount that may be collected or withheld under, or because the assignor does not comply with, the contract), taxes, social security contributions, or withholding or failing to withhold taxes or social security contributions, arising from, or independent of, the contract.

(2) The Government may not collect or reclaim money paid to a person receiving an amount under an assignment or allotment of pay or allowances authorized by law when liability may exist because of the death of the person making the assignment or allotment.

(5) When a person brings an action under this subsection, no person other than the Government may intervene or bring a related action based on the facts underlying the pending action.

(c) RIGHTS OF THE PARTIES TO QUI TAM ACTIONS.—(1) If the Government proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

(2)(A) The Government may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the Government of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

(B) The Government may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(C) Upon a showing by the Government that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the Government's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as—

- (i) limiting the number of witnesses the person may call;
- (ii) limiting the length of the testimony of such witnesses;
- (iii) limiting the person's cross-examination of witnesses; or
- (iv) otherwise limiting the participation by the person in the litigation.

(D) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(3) If the Government elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the Government so requests, it shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts (at the Government's expense). When a person proceeds with the action, the court, without limiting the status and rights of the person initiating the action, may nevertheless permit the Government to intervene at a later date upon a showing of good cause.

(4) Whether or not the Government proceeds with the action, upon a showing by the Government that certain actions of discovery by the person initiating the action would interfere with the Government's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the Government has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(5) Notwithstanding subsection (b), the Government may elect to pursue its claim through any alternate remedy available to the Government, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceeding as such person would have had if the action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this section. For purposes of the preceding sentence, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the United States, if all time for filing such an

appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(d) AWARD TO QUI TAM PLAINTIFF.—(1) If the Government proceeds with an action brought by a person under subsection (b), such person shall, subject to the second sentence of this paragraph, receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one which the court finds to be based primarily on disclosures of specific information (other than information provided by the person bringing the action) relating to allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or Government ¹ Accounting Office report, hearing, audit, or investigation, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(2) If the Government does not proceed with an action under this section, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the action or settlement and shall be paid out of such proceeds. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) Whether or not the Government proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of section 3729 upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of section 3729, that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the United States to continue the action, represented by the Department of Justice.

(4) If the Government does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(e) CERTAIN ACTIONS BARRED.—(1) No court shall have jurisdiction over an action brought by a former or present member of the armed forces under subsection (b) of this section against a member of the armed forces arising out of such person's service in the armed forces.

(2)(A) No court shall have jurisdiction over an action brought under subsection (b) against a Member of Congress, a member of the judiciary, or a senior executive branch official if the action is based on evidence or information known to the Government when the action was brought.

(B) For purposes of this paragraph, "senior executive branch official" means any officer or employee listed in paragraphs (1) through (8) of section 101(f) of the Ethics in Government Act of 1978 (5 U.S.C. App.).

(3) In no event may a person bring an action under subsection (b) which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the Government is already a party.

(4)(A) The court shall dismiss an action or claim under this section, unless opposed by the Government, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed—

- (i) in a Federal criminal, civil, or administrative hearing in which the Government or its agent is a party;
- (ii) in a congressional, Government Accountability Office, or other Federal report, hearing, audit, or investigation; or
- (iii) from the news media,

unless the action is brought by the Attorney General or the person bringing the action is an original source of the information.

(B) For purposes of this paragraph, “original source” means an individual who either (i) prior to a public disclosure under subsection (e)(4)(a), has voluntarily disclosed to the Government the information on which allegations or transactions in a claim are based, or (2) who has knowledge that is independent of and materially adds to the publicly disclosed allegations or transactions, and who has voluntarily provided the information to the Government before filing an action under this section.

(f) **GOVERNMENT NOT LIABLE FOR CERTAIN EXPENSES.**—The Government is not liable for expenses which a person incurs in bringing an action under this section.

(g) **FEES AND EXPENSES TO PREVAILING DEFENDANT.**—In civil actions brought under this section by the United States, the provisions of section 2412(d) of title 28 shall apply.

(h) **RELIEF FROM RETALIATORY ACTIONS.**—

(1) **IN GENERAL.**—Any employee, contractor, or agent shall be entitled to all relief necessary to make that employee, contractor, or agent whole, if that employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, agent or associated others in furtherance of an action under this section or other efforts to stop 1 or more violations of this subchapter.

(2) **RELIEF.**—Relief under paragraph (1) shall include reinstatement with the same seniority status that employee, contractor, or agent would have had but for the discrimination, 2 times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys’ fees. An action under this subsection may be brought in the appropriate district court of the United States for the relief provided in this subsection.

(3) **LIMITATION ON BRINGING CIVIL ACTION.**—A civil action under this subsection may not be brought more than 3 years after the date when the retaliation occurred.

§3733. Civil investigative demands

(a) **IN GENERAL.**—

General, or a designee, may, before commencing a civil proceeding under section 3730(a) or other false claims law, or making an election under section 3730(b), issue in writing and cause to be served upon such person, a civil investigative demand requiring such person—

- (A) to produce such documentary material for inspection and copying,
- (B) to answer in writing written interrogatories with respect to such documentary material or information,
- (C) to give oral testimony concerning such documentary material or information, or
- (D) to furnish any combination of such material, answers, or testimony.

The Attorney General may delegate the authority to issue civil investigative demands under this subsection. Whenever a civil investigative demand is an express demand for any product of discovery, the Attorney General, the Deputy Attorney General, or an Assistant Attorney General shall cause to be served, in any manner authorized by this section, a copy of such demand upon the person from whom the discovery was obtained and shall notify the person to whom such demand is issued of the date on which such copy was served. - (ii) prescribe a return date for each such class which will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying; and
- (iii) identify the false claims law investigator to whom such material shall be made available.

(C) If such demand is for answers to written interrogatories, the demand shall—

- (i) set forth with specificity the written interrogatories to be answered;
- (ii) prescribe dates at which time answers to written interrogatories shall be submitted; and
- (iii) identify the false claims law investigator to whom such answers shall be submitted.

(D) If such demand is for the giving of oral testimony, the demand shall—

- (i) prescribe a date, time, and place at which oral testimony shall be commenced;
- (ii) identify a false claims law investigator who shall conduct the examination and the custodian to whom the transcript of such examination shall be submitted;
- (iii) specify that such attendance and testimony are necessary to the conduct of the investigation;
- (iv) notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and
- (v) describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

(E) Any civil investigative demand issued under this section which is an express demand for any product of discovery shall not be returned or returnable until 20 days after a copy of such demand has been served upon the person from whom the discovery was obtained.

(F) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this section shall be a date which is not less than seven days

after the date on which demand is received, unless the Attorney General or an Assistant Attorney General designated by the Attorney General determines that exceptional circumstances are present which warrant the commencement of such testimony within a lesser period of time.

(G) The Attorney General shall not authorize the issuance under this section of more than one civil investigative demand for oral testimony by the same person unless the person requests otherwise or unless the Attorney General, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary.

(b) PROTECTED MATERIAL OR INFORMATION.—

(1) **IN GENERAL.**—A civil investigative demand issued under subsection (a) may not require the production of any documentary material, the submission of any answers to written interrogatories, or the giving of any oral testimony if such material, answers, or testimony would be protected from disclosure under—

(A) the standards applicable to subpoenas or subpoenas duces tecum issued by a court of the United States to aid in a grand jury investigation; or

(B) the standards applicable to discovery requests under the Federal Rules of Civil Procedure, to the extent that the application of such standards to any such demand is appropriate and consistent with the provisions and purposes of this section.

(2) **EFFECT ON OTHER ORDERS, RULES, AND LAWS.**—Any such demand which is an express demand for any product of discovery supersedes any inconsistent order, rule, or provision of law (other than this section) preventing or restraining disclosure of such product of discovery to any person. Disclosure of any product of discovery pursuant to any such express demand does not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(c) SERVICE; JURISDICTION.—

(1) **BY WHOM SERVED.**—Any civil investigative demand issued under subsection (a) may be served by a false claims law investigator, or by a United States marshal or a deputy marshal, at any place within the territorial jurisdiction of any court of the United States.

(2) **SERVICE IN FOREIGN COUNTRIES.**—Any such demand or any petition filed under subsection (j) may be served upon any person who is not found within the territorial jurisdiction of any court of the United States in such manner as the Federal Rules of Civil Procedure prescribe for service in a foreign country. To the extent that the courts of the United States can assert jurisdiction over any such person consistent with due process, the United States District Court for the District of Columbia shall have the same jurisdiction to take any action respecting compliance with this section by any such person that such court would have if such person were personally within the jurisdiction of such court.

(d) SERVICE UPON LEGAL ENTITIES AND NATURAL PERSONS.—

(1) **LEGAL ENTITIES.**—Service of any civil investigative demand issued under subsection (a) or of any petition filed under subsection (j) may be made upon a partnership, corporation, association, or other legal entity by—

(A) delivering an executed copy of such demand or petition to any partner, executive officer, managing agent, or general agent of the partnership, corporation, association, or entity, or to any agent authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or entity;

(B) delivering an executed copy of such demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(C) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to such partnership, corporation, association, or entity at its principal office or place of business.

(2) NATURAL PERSONS.—Service of any such demand or petition may be made upon any natural person by—

(A) delivering an executed copy of such demand or petition to the person; or

(B) depositing an executed copy of such demand or petition in the United States mails by registered or certified mail, with a return receipt requested, addressed to the person at the person's residence or principal office or place of business.

(e) PROOF OF SERVICE.—A verified return by the individual serving any civil investigative demand issued under subsection (a) or any petition filed under subsection (j) setting forth the manner of such service shall be proof of such service. In the case of service by registered or certified mail, such return shall be accompanied by the return post office receipt of delivery of such demand.

(f) DOCUMENTARY MATERIAL.—

(1) SWORN CERTIFICATES.—The production of documentary material in response to a civil investigative demand served under this section shall be made under a sworn certificate, in such form as the demand designates, by—

(A) in the case of a natural person, the person to whom the demand is directed, or

(B) in the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to such production and authorized to act on behalf of such person.

The certificate shall state that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the false claims law investigator identified in the demand.

(2) PRODUCTION OF MATERIALS.—Any person upon whom any civil investigative demand for the production of documentary material has been served under this section shall make such material available for inspection and copying to the false claims law investigator identified in such demand at the principal place of business of such person, or at such other place as the false claims law investigator and the person thereafter may agree and prescribe in writing, or as the court may direct under subsection (j)(1). Such material shall be made so available on the return date specified in such demand, or on such later date as the false claims law investigator may prescribe in writing. Such person may, upon written agreement between the person and the false claims law investigator, substitute copies for originals of all or any part of such material.

(g) INTERROGATORIES.—Each interrogatory in a civil investigative demand served under this section shall be answered separately and fully in writing under oath and shall be submitted under a sworn certificate, in such form as the demand designates, by—

(1) in the case of a natural person, the person to whom the demand is directed, or

(2) in the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.

If any interrogatory is objected to, the reasons for the objection shall be stated in the certificate instead of an answer. The certificate shall state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information shall be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(h) ORAL EXAMINATIONS.—

(1) PROCEDURES.—The examination of any person pursuant to a civil investigative demand for oral testimony served under this section shall be taken before an officer authorized to administer oaths and affirmations by the laws of the United States or of the place where the examination is held. The officer before whom the testimony is to be taken shall put the witness on oath or affirmation and shall, personally or by someone acting under the direction of the officer and in the officer's presence, record the testimony of the witness. The testimony shall be taken stenographically and shall be transcribed. When the testimony is fully transcribed, the officer

before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian. This subsection shall not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the Federal Rules of Civil Procedure.

(2) **PERSONS PRESENT.**—The false claims law investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the attorney for and any other representative of the person giving the testimony, the attorney for the Government, any person who may be agreed upon by the attorney for the Government and the person giving the testimony, the officer before whom the testimony is to be taken, and any stenographer taking such testimony.

(3) **WHERE TESTIMONY TAKEN.**—The oral testimony of any person taken pursuant to a civil investigative demand served under this section shall be taken in the judicial district of the United States within which such person resides, is found, or transacts business, or in such other place as may be agreed upon by the false claims law investigator conducting the examination and such person.

(4) **TRANSCRIPT OF TESTIMONY.**—When the testimony is fully transcribed, the false claims law investigator or the officer before whom the testimony is taken shall afford the witness, who may be accompanied by counsel, a reasonable opportunity to examine and read the transcript, unless such examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make shall be entered and identified upon the transcript by the officer or the false claims law investigator, with a statement of the reasons given by the witness for making such changes. The transcript shall then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the transcript is not signed by the witness within 30 days after being afforded a reasonable opportunity to examine it, the officer or the false claims law investigator shall sign it and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with the reasons, if any, given therefor.

(5) **CERTIFICATION AND DELIVERY TO CUSTODIAN.**—The officer before whom the testimony is taken shall certify on the transcript that the witness was sworn by the officer and that the transcript is a true record of the testimony given by the witness, and the officer or false claims law investigator shall promptly deliver the transcript, or send the transcript by registered or certified mail, to the custodian.

(6) **FURNISHING OR INSPECTION OF TRANSCRIPT BY WITNESS.**—Upon payment of reasonable charges therefor, the false claims law investigator shall furnish a copy of the transcript to the witness only, except that the Attorney General, the Deputy Attorney General, or an Assistant Attorney General may, for good cause, limit such witness to inspection of the official transcript of the witness' testimony.

(7) **CONDUCT OF ORAL TESTIMONY.**—(A) Any person compelled to appear for oral testimony under a civil investigative demand issued under subsection (a) may be accompanied, represented, and advised by counsel. Counsel may advise such person, in confidence, with respect to any question asked of such person. Such person or counsel may object on the record to any question, in whole or in part, and shall briefly state for the record the reason for the objection. An objection may be made, received, and entered upon the record when it is claimed that such person is entitled to refuse to answer the question on the grounds of any constitutional or other legal right or privilege, including the privilege against self-incrimination. Such person may not otherwise object to or refuse to answer any question, and may not directly or through counsel otherwise interrupt the oral examination. If such person refuses to answer any question, a petition may be filed in the district court of the United States under subsection (j)(1) for an order compelling such person to answer such question.

(B) If such person refuses to answer any question on the grounds of the privilege against self-incrimination, the testimony of such person may be compelled in accordance with the provisions of part V of title 18.

(8) **WITNESS FEES AND ALLOWANCES.**—Any person appearing for oral testimony under a civil investigative demand issued under subsection (a) shall be entitled to the same fees and

allowances which are paid to witnesses in the district courts of the United States.

(i) CUSTODIANS OF DOCUMENTS, ANSWERS, AND TRANSCRIPTS.—

(1) DESIGNATION.—The Attorney General shall designate a false claims law investigator to serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this section, and shall designate such additional false claims law investigators as the Attorney General determines from time to time to be necessary to serve as deputies to the custodian.

(2) RESPONSIBILITY FOR MATERIALS; DISCLOSURE.—(A) A false claims law investigator who receives any documentary material, answers to interrogatories, or transcripts of oral testimony under this section shall transmit them to the custodian. The custodian shall take physical possession of such material, answers, or transcripts and shall be responsible for the use made of them and for the return of documentary material under paragraph (4).

(B) The custodian may cause the preparation of such copies of such documentary material, answers to interrogatories, or transcripts of oral testimony as may be required for official use by any false claims law investigator, or other officer or employee of the Department of Justice. Such material, answers, and transcripts may be used by any such authorized false claims law investigator or other officer or employee in connection with the taking of oral testimony under this section.

(C) Except as otherwise provided in this subsection, no documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, shall be available for examination by any individual other than a false claims law investigator or other officer or employee of the Department of Justice authorized under subparagraph (B). The prohibition in the preceding sentence on the availability of material, answers, or transcripts shall not apply if consent is given by the person who produced such material, answers, or transcripts, or, in the case of any product of discovery produced pursuant to an express demand for such material, consent is given by the person from whom the discovery was obtained. Nothing in this subparagraph is intended to prevent disclosure to the Congress, including any committee or subcommittee of the Congress, or to any other agency of the United States for use by such agency in furtherance of its statutory responsibilities.

(D) While in the possession of the custodian and under such reasonable terms and conditions as the Attorney General shall prescribe—

(i) documentary material and answers to interrogatories shall be available for examination by the person who produced such material or answers, or by a representative of that person authorized by that person to examine such material and answers; and

(ii) transcripts of oral testimony shall be available for examination by the person who produced such testimony, or by a representative of that person authorized by that person to examine such transcripts.

(3) USE OF MATERIAL, ANSWERS, OR TRANSCRIPTS IN OTHER PROCEEDINGS.—Whenever any attorney of the Department of Justice has been designated to appear before any court, grand jury, or Federal agency in any case or proceeding, the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony received under this section may deliver to such attorney such material, answers, or transcripts for official use in connection with any such case or proceeding as such attorney determines to be required. Upon the completion of any such case or proceeding, such attorney shall return to the custodian any such material, answers, or transcripts so delivered which have not passed into the control of such court, grand jury, or agency through introduction into the record of such case or proceeding.

(4) CONDITIONS FOR RETURN OF MATERIAL.—If any documentary material has been produced by any person in the course of any false claims law investigation pursuant to a civil investigative demand under this section, and—

(A) any case or proceeding before the court or grand jury arising out of such investigation, or any proceeding before any Federal agency involving such material, has been completed, or

(B) no case or proceeding in which such material may be used has been commenced within a reasonable time after completion of the examination and analysis of all documentary material and other information assembled in the course of such investigation,

the custodian shall, upon written request of the person who produced such material, return to such person any such material (other than copies furnished to the false claims law investigator under subsection (f)(2) or made for the Department of Justice under paragraph (2)(B)) which has not passed into the control of any court, grand jury, or agency through introduction into the record of such case or proceeding.

(5) APPOINTMENT OF SUCCESSOR CUSTODIANS.—In the event of the death, disability, or separation from service in the Department of Justice of the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to a civil investigative demand under this section, or in the event of the official relief of such custodian from responsibility for the custody and control of such material, answers, or transcripts, the Attorney General shall promptly—

(A) designate another false claims law investigator to serve as custodian of such material, answers, or transcripts, and

(B) transmit in writing to the person who produced such material, answers, or testimony notice of the identity and address of the successor so designated.

Any person who is designated to be a successor under this paragraph shall have, with regard to such material, answers, or transcripts, the same duties and responsibilities as were imposed by this section upon that person's predecessor in office, except that the successor shall not be held responsible for any default or dereliction which occurred before that designation.

(j) JUDICIAL PROCEEDINGS.—

(1) PETITION FOR ENFORCEMENT.—Whenever any person fails to comply with any civil investigative demand issued under subsection (a), or whenever satisfactory copying or reproduction of any material requested in such demand cannot be done and such person refuses to surrender such material, the Attorney General may file, in the district court of the United States for any judicial district in which such person resides, is found, or transacts business, and serve upon such person a petition for an order of such court for the enforcement of the civil investigative demand.

(2) PETITION TO MODIFY OR SET ASIDE DEMAND.—(A) Any person who has received a civil investigative demand issued under subsection (a) may file, in the district court of the United States for the judicial district within which such person resides, is found, or transacts business, and serve upon the false claims law investigator identified in such demand a petition for an order of the court to modify or set aside such demand. In the case of a petition addressed to an express demand for any product of discovery, a petition to modify or set aside such demand may be brought only in the district court of the United States for the judicial district in which the proceeding in which such discovery was obtained is or was last pending. Any petition under this subparagraph must be filed—

(i) within 20 days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier, or

(ii) within such longer period as may be prescribed in writing by any false claims law investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the demand to comply with the provisions of this section or upon any constitutional or other legal right or privilege of such person. During the pendency of the petition in the court, the court may stay, as it deems proper,

the running of the time allowed for compliance with the demand, in whole or in part, except that the person filing the petition shall comply with any portions of the demand not sought to be modified or set aside.

(3) **PETITION TO MODIFY OR SET ASIDE DEMAND FOR PRODUCT OF DISCOVERY**.—(A) In the case of any civil investigative demand issued under subsection (a) which is an express demand for any product of discovery, the person from whom such discovery was obtained may file, in the district court of the United States for the judicial district in which the proceeding in which such discovery was obtained is or was last pending, and serve upon any false claims law investigator identified in the demand and upon the recipient of the demand, a petition for an order of such court to modify or set aside those portions of the demand requiring production of any such product of discovery. Any petition under this subparagraph must be filed—

(i) within 20 days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier, or

(ii) within such longer period as may be prescribed in writing by any false claims law investigator identified in the demand.

(B) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (A), and may be based upon any failure of the portions of the demand from which relief is sought to comply with the provisions of this section, or upon any constitutional or other legal right or privilege of the petitioner. During the pendency of the petition, the court may stay, as it deems proper, compliance with the demand and the running of the time allowed for compliance with the demand.

(4) **PETITION TO REQUIRE PERFORMANCE BY CUSTODIAN OF DUTIES**.—At any time during which any custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by any person in compliance with any civil investigative demand issued under subsection (a), such person, and in the case of an express demand for any product of discovery, the person from whom such discovery was obtained, may file, in the district court of the United States for the judicial district within which the office of such custodian is situated, and serve upon such custodian, a petition for an order of such court to require the performance by the custodian of any duty imposed upon the custodian by this section.

(5) **JURISDICTION**.—Whenever any petition is filed in any district court of the United States under this subsection, such court shall have jurisdiction to hear and determine the matter so presented, and to enter such order or orders as may be required to carry out the provisions of this section. Any final order so entered shall be subject to appeal under section 1291 of title 28. Any disobedience of any final order entered under this section by any court shall be punished as a contempt of the court.

(6) **APPLICABILITY OF FEDERAL RULES OF CIVIL PROCEDURE**.—The Federal Rules of Civil Procedure shall apply to any petition under this subsection, to the extent that such rules are not inconsistent with the provisions of this section.

(k) **DISCLOSURE EXEMPTION**.—Any documentary material, answers to written interrogatories, or oral testimony provided under any civil investigative demand issued under subsection (a) shall be exempt from disclosure under section 552 of title 5.

“(a) **FINDINGS.**—The Congress finds that—

“(4) present civil and criminal remedies for such claims and statements are not sufficiently responsive.

“(b) **PURPOSES.**—The purposes of this subtitle [see Short Title note above] are—

“(1) to provide Federal agencies which are the victims of false, fictitious, and fraudulent claims and statements with an administrative remedy to recompense such agencies for losses resulting from such claims and statements, to permit administrative proceedings to be brought against persons who make, present, or submit such claims and statements, and to deter the making, presenting, and submitting of such claims and statements in the future; and

“(2) to provide due process protections to all persons who are subject to the administrative adjudication of false, fictitious, or fraudulent claims or statements.”

§3802. False claims and statements; liability

Except as provided in paragraph (3) of this subsection, such person shall also be subject to an assessment, in lieu of damages sustained by the United States because of such claim, of not more than twice the amount of such claim, or the portion of such claim, which is determined under this chapter to be in violation of the preceding sentence.

may provide the authority with grounds for commencing any administrative or contractual action against such person which is authorized by law and which is in addition to any action against such person under this chapter.

(2) A determination referred to in paragraph (1) of this subsection may be used by the authority, but shall not require such authority, to commence any administrative or contractual action which is authorized by law.

§3803. Hearing and determinations

(a)(1) The investigating official of an authority may investigate allegations that a person is liable under section 3802 of this title and shall report the findings and conclusions of such investigation to the reviewing official of the authority. (d)(1) On or after the date on which a reviewing official is permitted to refer allegations of liability to a presiding officer under subsection (b) of this section, the reviewing official shall mail, by registered or certified mail, or shall deliver, a notice to the person alleged to be liable under section 3802 of this title. The provisions of subparagraph (B) of paragraph (1) do not apply to any document, transcript, record, or other material, or any portion thereof, in which such exculpatory information is contained.

(f) Any hearing commenced under paragraph (2) of subsection (d) shall be conducted by the presiding officer on the record in order to determine—

(1) the liability of a person under section 3802 of this title; and

(2) if a person is determined to be liable under such section, the amount of any civil penalty or assessment to be imposed on such person.

Any such determination shall be based on the preponderance of the evidence.

(g)(1) Each hearing under subsection (f) of this section shall be conducted—

If any party demonstrates to the satisfaction of the authority head that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the authority head shall remand the matter to the presiding officer for consideration of such additional evidence.

(C) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment determined by the presiding officer pursuant to this section. Any failure to obey such order of the court is punishable by such court as contempt. In any case in which an authority seeks the enforcement of a

(Added Pub. L. 99–509, title VI, §6103(a), Oct. 21, 1986, 100 Stat. 1944.)

§3805. Judicial review

(a)(1) A determination by a reviewing official under section 3803 of this title shall be final and shall not be subject to judicial review.

AMENDMENTS

1998—Pub. L. 105–362, title XIII, §1301(c)(2)(C), Nov. 10, 1998, 112 Stat. 3293, struck out item 3906 “Reports”.

1988—Pub. L. 100–496, §9(b), Oct. 17, 1988, 102 Stat. 2463, added item 3905 and redesignated former items 3905 and 3906 as 3906 and 3907, respectively.

§3901. Definitions and application

(a) In this chapter—

(1) “agency” has the same meaning given that term in section 551(1) of title 5 and includes an entity being operated, and the head of the agency identifies the entity as being operated, only as an instrumentality of the agency to carry out a program of the agency.

(2) “business concern” means—

(A) a person carrying on a trade or business; and

(B) a nonprofit entity operating as a contractor.

(3) “proper invoice” is an invoice containing or accompanied by substantiating documentation the Director of the Office of Management and Budget may require by regulation and the head of the appropriate agency may require by regulation or contract.

(4) for the purposes of determining a payment due date and the date upon which any late payment interest penalty shall begin to accrue, the head of the agency is deemed to receive an invoice—

(A) on the later of—

(i) the date on which the place or person designated by the agency to first receive such invoice actually receives a proper invoice; or

(ii) on the 7th day after the date on which, in accordance with the terms and conditions of the contract, the property is actually delivered or performance of the services is actually completed, as the case may be, unless—

(I) the agency has actually accepted such property or services before such 7th day; or

(II) the contract (except in the case of a contract for the procurement of a brand-name commercial item for authorized resale) specifies a longer acceptance period, as determined by the contracting officer to be required to afford the agency a practicable opportunity to inspect and test the property furnished or evaluate the services performed; or

(B) on the date of the invoice, if the agency has failed to annotate the invoice with the date of receipt at the time of actual receipt by the place or person designated by the agency to first receive such invoice.

(5) a payment is deemed to be made on the date a check for payment is dated or an electronic fund transfer is made.

(6) a contract to rent property is deemed to be a contract to acquire the property.

(b) This chapter applies to the Tennessee Valley Authority. However, regulations prescribed under this chapter do not apply to the Authority, and the Authority alone is responsible for carrying out this chapter as it applies to contracts of the Authority.

(c) This chapter applies to the United States Postal Service. However, the Postmaster General shall be responsible for issuing the implementing procurement regulations, solicitation provisions, and contract clauses for the United States Postal Service.

(d)(1) Notwithstanding subsection (a)(1) of this section, this chapter, except section 3907 of this title, applies to the District of Columbia Courts.

(2) A claim for an interest penalty not paid under this chapter may be filed in the same manner as claims are filed with respect to contracts to provide property or services for the District of Columbia Courts.

(3)(A) Except as provided in subparagraph (B), an interest penalty under this chapter does not continue to accrue for more than one year or after a claim for an interest penalty is filed in the manner described in paragraph (2), whichever is earlier.

(B) If a claim for an interest penalty is filed in the manner described in paragraph (2) and interest is not available for such claims under the laws and regulations governing claims under contracts to provide property or services for the District of Columbia Courts, interest will accrue under this chapter as provided in paragraph (A) and from the date the claim is filed until the date the claim is paid.

(4) Paragraph (3) of this subsection does not prevent an interest penalty from accruing on a claim if such interest is available for such claim under the laws and regulations governing claims under contracts to provide property or services for the District of Columbia Courts. Such interest may accrue on an unpaid contract payment and on the unpaid penalty under this chapter.

(5) Except as provided in section 3904 of this title, this chapter does not require an interest penalty on a payment that is not made because of a dispute between the head of an agency and a business concern over the amount of payment or compliance with the contract. A claim related to the dispute, and any interest payable for the period during which the dispute is being resolved, is subject to the laws and regulations governing claims under contracts to provide property or services for the District of Columbia Courts.

SHORT TITLE OF 1988 AMENDMENT

Pub. L. 100–496, §1, Oct. 17, 1988, 102 Stat. 2455, provided that: “This Act [enacting section 3905 of this title, amending this section, sections 3902 to 3904 and 3906 of this title, section 644 of Title 15, Commerce and Trade, and section 410 of Title 39, Postal Service, renumbering sections 3905 and 3906 of this title as 3906 and 3907, respectively, enacting provisions set out as notes under sections 3902, 3903, and 3906 of this

title, and repealing provisions set out as a note under section 3903 of this title] may be cited as the ‘Prompt Payment Act Amendments of 1988’.”

§3902. Interest penalties

(a) Under regulations prescribed under section 3903 of this title, the head of an agency acquiring property or service from a business concern, who does not pay the concern for each complete delivered item of property or service by the required payment date, shall pay an interest penalty to the concern on the amount of the payment due. The interest shall be computed at the rate of interest established by the Secretary of the Treasury, and published in the Federal Register, for interest payments under section 7109(a)(1) and (b) of title 41, which is in effect at the time the agency accrues the obligation to pay a late payment interest penalty.

(b) The interest penalty shall be paid for the period beginning on the day after the required payment date and ending on the date on which payment is made.

(c)(1) A business concern shall be entitled to an interest penalty of \$1.00 or more which is owed such business concern under this section, and such penalty shall be paid without regard to whether the business concern has requested payment of such penalty.

(2) Each payment subject to this chapter for which a late payment interest penalty is required to be paid shall be accompanied by a notice stating the amount of the interest penalty included in such payment and the rate by which, and period for which, such penalty was computed.

(3) If a business concern—

(A) is owed an interest penalty by an agency;

(B) is not paid the interest penalty in a payment made to the business concern by the agency on or after the date on which the interest penalty becomes due;

(C) is not paid the interest penalty by the agency within 10 days after the date on which such payment is made; and

(D) makes a written demand, not later than 40 days after the date on which such payment is made, that the agency pay such a penalty,

such business concern shall be entitled to an amount equal to the sum of the late payment interest penalty to which the contractor is entitled and an additional penalty equal to a percentage of such late payment interest penalty specified by regulation by the Director of the Office of Management and Budget, subject to such maximum as may be specified in such regulations.

(d) The temporary unavailability of funds to make a timely payment due for property or services does not relieve the head of an agency from the obligation to pay interest penalties under this section.

(e) An amount of an interest penalty unpaid after any 30-day period shall be added to the principal amount of the debt, and a penalty accrues thereafter on the added amount.

(f) This section does not authorize the appropriation of additional amounts to pay an interest penalty. The head of an agency shall pay a penalty under this section out of amounts made available to carry out the program for which the penalty is incurred.

(g) A recipient of a grant from the head of an agency may provide in a contract for the acquisition of property or service from a business concern that, consistent with the usual business practices of the recipient and applicable State and local law, the recipient will pay an interest penalty on amounts overdue under the contract under conditions agreed to by the recipient and the concern. The recipient may not pay the penalty from amounts received from an agency. Amounts expended for the penalty may not be counted toward a matching requirement applicable to the grant. An obligation to pay the penalty is not an obligation of the United States Government.

(h)(1) This section shall apply to contracts for the procurement of property or services entered into pursuant to section 4(h) of the Act of June 29, 1948 (15 U.S.C. 714b(h)).

(2)(A) In the case of a payment to which producers on a farm are entitled under the terms of an agreement entered into under the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.), an interest penalty shall be paid to the producers if the payment has not been made by the required payment or loan closing date. The interest penalty shall be paid—

- (i) on the amount of payment or loan due; and
- (ii) for the period beginning on the first day beginning after the required payment or loan closing date and ending on the date the amount is paid or loaned.

(B) As used in this subsection, the “required payment or loan closing date” means—

- (i) for a purchase agreement, the 30th day after delivery of the warehouse receipt for the commodity subject to the purchase agreement;
- (ii) for a loan agreement, the 30th day beginning after the date of receipt of an application with all requisite documentation and signatures, unless the applicant requests that the disbursement be deferred;
- (iii) for refund of amounts received greater than the amount required to repay a commodity loan, the first business day after the Commodity Credit Corporation receives payment for such loan;
- (iv) for land diversion payments (other than advance payments), the 30th day beginning after the date of completion of the production adjustment contract by the producer;
- (v) for an advance land diversion payment, 30 days after the date the Commodity Credit Corporation executes the contract with the producer;
- (vi) for a deficiency payment (other than advance payments) based upon a 12-month or 5-month period, 91 days after the end of such period; or
- (vii) for an advance deficiency payment, 30 days after the date the Commodity Credit Corporation executes the contract with the producer.

(3) Payment of the interest penalty under this subsection shall be made out of funds available under section 8 of the Act of June 29, 1948 (15 U.S.C. 714f).

(4) Section 3907 of this title shall not apply to interest penalty payments made under this subsection.

(c) A contract for the procurement of subsistence items that is entered into under the prime vendor program of the Defense Logistics Agency may specify for the purposes of section 3902 of this title a single required payment date that is to be applicable to an invoice for subsistence items furnished under the contract when more than one payment due date would otherwise be applicable to the invoice under the regulations prescribed under paragraphs (2), (3), and (4) of subsection (a) or under any other provisions of law. The required payment date specified in the contract shall be consistent

with prevailing industry practices for the subsistence items, but may not be more than 10 days after the date of receipt of the invoice or the certified date of receipt of the items. The Director of the Office of Management and Budget shall provide in the regulations under subsection (a) that when a required payment date is so specified for an invoice, no other payment due date applies to the invoice.

(a) In the event that a contractor, after making a certified payment request to an agency pursuant to section 3903(b) of this title, discovers that a portion or all of such payment request constitutes a

payment for performance by such contractor that fails to conform to the specifications, terms, and conditions of its contract (hereafter in this subsection referred to as the “unearned amount”), then the contractor shall—

- (1) notify the agency of such performance deficiency; and
- (2) be obligated to pay the Government an amount equal to interest on the unearned amount (computed in the manner provided in section 3903(c) of this title), from the date of the contractor's receipt of such unearned amount until—

- (1) a payment clause which obligates the prime contractor to pay the subcontractor for satisfactory performance under its subcontract within 7 days out of such amounts as are paid to the prime contractor by the agency under such contract; and

(c) The construction contract awarded by the agency shall further require the prime contractor to include in each of its subcontracts (for the purpose of performance of such construction contract) a provision requiring the subcontractor to include a payment clause and an interest penalty clause conforming to the standards of subsection (b) of this section in each of its subcontracts and to require each of its subcontractors to include such clauses in their subcontracts with each lower-tier subcontractor or supplier.

(d) The clauses required by subsections (b) and (c) of this section shall not be construed to impair the right of a prime contractor or a subcontractor at any tier to negotiate, and to include in their subcontract, provisions which—

- (1) permit the prime contractor or a subcontractor to retain (without cause) a specified percentage of each progress payment otherwise due to a subcontractor for satisfactory performance under the subcontract, without incurring any obligation to pay a late payment interest penalty, in accordance with terms and conditions agreed to by the parties to the subcontract, giving such recognition as the parties deem appropriate to the ability of a subcontractor to furnish a performance bond and a payment bond;
- (2) permit the contractor or subcontractor to make a determination that part or all of the subcontractor's request for payment may be withheld in accordance with the subcontract agreement; and
- (3) permit such withholding without incurring any obligation to pay a late payment penalty if—
 - (A) a notice conforming to the standards of subsection (g) of this section has been previously furnished to the subcontractor; and
 - (B) a copy of any notice issued by a prime contractor pursuant to subparagraph (A) of this paragraph has been furnished to the Government.

(e) If a prime contractor, after making application to an agency for payment under a contract but before making a payment to a subcontractor for the subcontractor's performance covered by such application, discovers that all or a portion of the payment otherwise due such subcontractor is subject

to withholding from the subcontractor in accordance with the subcontract agreement, then the prime contractor shall—

(1) furnish to the subcontractor a notice conforming to the standards of subsection (g) of this section as soon as practicable upon ascertaining the cause giving rise to a withholding, but prior to the due date for subcontractor payment;

(2) furnish to the Government, as soon as practicable, a copy of the notice furnished to the subcontractor pursuant to paragraph (1) of this subsection;

(3) reduce the subcontractor's progress payment by an amount not to exceed the amount specified in the notice of withholding furnished under paragraph (1) of this subsection;

(4) pay the subcontractor as soon as practicable after the correction of the identified subcontract performance deficiency, and—

(A) make such payment within—

(i) 7 days after correction of the identified subcontract performance deficiency (unless the funds therefor must be recovered from the Government because of a reduction under paragraph (5)(A)); or

(ii) 7 days after the contractor recovers such funds from the Government; or

(B) incur an obligation to pay a late payment interest penalty computed at the rate specified by section 3902(a) of this title;

(5) notify the Government, upon—

(A) reduction of the amount of any subsequent certified application for payment; or

(B) payment to the subcontractor of any withheld amounts of a progress payment, specifying—

(i) the amounts of the progress payments withheld under paragraph (1) of this subsection; and

(ii) the dates that such withholding began and ended; and

(6) be obligated to pay to the Government an amount equal to interest on the withheld payments (computed in the manner provided in section 3903(c) of this title), from the 8th day after receipt of the withheld amounts from the Government until—

(A) the day the identified subcontractor performance deficiency is corrected; or

(B) the date that any subsequent payment is reduced under paragraph (5)(A).

(f)(1) If a prime contractor, after making payment to a first-tier subcontractor, receives from a supplier or subcontractor of the first-tier subcontractor (hereafter referred to as a “second-tier subcontractor”) a written notice in accordance with section 3133(b) of title 40, asserting a deficiency in such first-tier subcontractor's performance under the contract for which the prime contractor may be ultimately liable, and the prime contractor determines that all or a portion of future payments otherwise due such first-tier subcontractor is subject to withholding in accordance with the subcontract agreement, then the prime contractor may, without incurring an obligation to pay an interest penalty under subsection (e)(6) of this section—

(A) furnish to the first-tier subcontractor a notice conforming to the standards of subsection (g) of this section as soon as practicable upon making such determination; and

(B) withhold from the first-tier subcontractor's next available progress payment or payments an amount not to exceed the amount specified in the notice of withholding furnished under subparagraph (A) of this paragraph.

(2) As soon as practicable, but not later than 7 days after receipt of satisfactory written notification that the identified subcontract performance deficiency has been corrected, the prime contractor shall pay the amount withheld under paragraph (1)(B) of this subsection to such first-tier subcontractor, or shall incur an obligation to pay a late payment interest penalty to such first-tier subcontractor computed at the rate specified by section 3902(a) of this title.

(g) A written notice of any withholding shall be issued to a subcontractor (with a copy to the Government of any such notice issued by a prime contractor), specifying—

- (1) the amount to be withheld;
- (2) the specific causes for the withholding under the terms of the subcontract; and
- (3) the remedial actions to be taken by the subcontractor in order to receive payment of the amounts withheld.

(h) A prime contractor may not request payment from the agency of any amount withheld or retained in accordance with subsection (d) of this section until such time as the prime contractor has determined and certified to the agency that the subcontractor is entitled to the payment of such amount.

(i) A dispute between a contractor and subcontractor relating to the amount or entitlement of a subcontractor to a payment or a late payment interest penalty under a clause included in the subcontract pursuant to subsection (b) or (c) of this section does not constitute a dispute to which the United States is a party. The United States may not be interpleaded in any judicial or administrative proceeding involving such a dispute.

(j) Except as provided in subsection (i) of this section, this section shall not limit or impair any contractual, administrative, or judicial remedies otherwise available to a contractor or a subcontractor in the event of a dispute involving late payment or nonpayment by a prime contractor or deficient subcontract performance or nonperformance by a subcontractor.

(k) A contractor's obligation to pay an interest penalty to a subcontractor pursuant to the clauses included in a subcontract under subsection (b) or (c) of this section may not be construed to be an obligation of the United States for such interest penalty. A contract modification may not be made for the purpose of providing reimbursement of such interest penalty. A cost reimbursement claim may not include any amount for reimbursement of such interest penalty.

SUBCHAPTER I—MONETARY SYSTEM

§5101. Decimal system

United States money is expressed in dollars, dimes or tenths, cents or hundredths,¹ and mills or thousandths. A dime is a tenth of a dollar, a cent is a hundredth of a dollar, and a mill is a thousandth of a dollar.

HISTORICAL AND REVISION NOTES

<i>Revised Section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
5101	31:371.	R.S. §3563.

The word “money” is substituted for “money of account” to eliminate unnecessary words. As far as can be determined, the phrase “money of account” has not been interpreted by any court or Government agency. The phrase was used by Alexander Hamilton in his “Report on the Establishment of the Mint” (1791). In that Report, Hamilton propounded 6 questions, including:

1st. What ought to be the nature of the money unit of the United States?

Thereafter, Hamilton uses the phrases “money unit of the United States” and “money of account” interchangeably and in the sense that the phrases are used to denote the monetary system for keeping financial accounts. In short, the phrases simply indicate that financial accounts are to be based on a decimal money system:

. . . , and it is certain that nothing can be more simple and convenient than the decimal subdivisions. There is every reason to expect that the method will speedily grow into general use, when it shall be seconded by corresponding coins. On this plan the unit in the money of account will continue to be, as established by that resolution [of August 8, 1786], a dollar, and its multiples, dimes, cents, and mills, or tenths, hundredths, [sic] and thousands.

Thus, the phrase “money of account” did not mean, by itself, that dollars or fractions of dollars must be equal to something having intrinsic or “substantive” value. This concept is supported by earlier writings of Thomas Jefferson in his “Notes on the Establishment of a Money Unit, and of a Coinage for the United States” (1784), and the 1782 report to the President of the Continental Congress on the coinage of the United States by the Superintendent of Finances, Robert Morris, which was apparently prepared by the Assistant Superintendent, Gouverneur Morris. See Paul L. Ford, *The Writings of Thomas Jefferson*, vol. III (G.P. Putnam's Sons, 1894) pp. 446–457; William G. Sumner, *The Financier and the Finances of the American Revolution*, vol. II (Burt Franklin, 1891, reprinted 1970) pp. 36–47; and George T. Curtis, *History of the Constitution*, vol. I (Harper and Brothers, 1859) p. 443, n2. The words “or units” and “and all accounts in the public offices and all proceedings in the courts shall be kept and had in conformity to this regulation” are omitted as surplus.

SUBCHAPTER II—GENERAL AUTHORITY

§5111. Minting and issuing coins, medals, and numismatic items

(a) The Secretary of the Treasury—

(1) shall mint and issue coins described in section 5112 of this title in amounts the Secretary decides are necessary to meet the needs of the United States;

(2) may prepare national medal dies and strike national and other medals if it does not interfere with regular minting operations but may not prepare private medal dies;

(3) may prepare and distribute numismatic items; and

(4) may mint coins for a foreign country if the minting does not interfere with regular minting operations, and shall prescribe a charge for minting the foreign coins equal to the cost of the

minting (including labor, materials, and the use of machinery).

(b) The Department of the Treasury has a coinage metal fund and a coinage profit fund. The Secretary may use the coinage metal fund to buy metal to mint coins. The Secretary shall credit the coinage profit fund with the amount by which the nominal value of the coins minted from the metal exceeds the cost of the metal. The Secretary shall charge the coinage profit fund with waste incurred in minting coins and the cost of distributing the coins, including the cost of coin bags and pallets. The Secretary shall deposit in the Treasury as miscellaneous receipts excess amounts in the coinage profit fund.

(c) **PROCUREMENTS RELATING TO COIN PRODUCTION.**—

(1) **IN GENERAL.**—The Secretary may make contracts, on conditions the Secretary decides are appropriate and are in the public interest, to acquire articles, materials, supplies, and services (including equipment, manufacturing facilities, patents, patent rights, technical knowledge, and assistance) necessary to produce the coins referred to in this title.

(2) **DOMESTIC CONTROL OF COINAGE.**—(A) Subject to subparagraph (B), in order to protect the national security through domestic control of the coinage process, the Secretary shall acquire only such articles, materials, supplies, and services (including equipment, manufacturing facilities, patents, patent rights, technical knowledge, and assistance) for the production of coins as have been produced or manufactured in the United States unless the Secretary determines it to be inconsistent with the public interest, or the cost to be unreasonable, and publishes in the Federal Register a written finding stating the basis for the determination.

(B) Subparagraph (A) shall apply only in the case of a bid or offer from a supplier the principal place of business of which is in a foreign country which does not accord to United States companies the same competitive opportunities for procurements in connection with the production of coins as it accords to domestic companies.

(3) **DETERMINATION.**—

(A) **IN GENERAL.**—Any determination of the Secretary referred to in paragraph (2) shall not be reviewable in any administrative proceeding or court of the United States.

(B) **OTHER RIGHTS UNAFFECTED.**—This paragraph does not alter or annul any right of review that arises under any provision of any law or regulation of the United States other than paragraph (2).

(4) Nothing in paragraph (2) of this subsection in any way affects the procurement by the Secretary of gold and silver for the production of coins by the United States Mint.

(d)(1) The Secretary may prohibit or limit the exportation, melting, or treatment of United States coins when the Secretary decides the prohibition or limitation is necessary to protect the coinage of the United States.

(2) A person knowingly violating an order or license issued or regulation prescribed under paragraph (1) of this subsection, shall be fined not more than \$10,000, imprisoned not more than 5 years, or both.

(2) a half dollar coin that is 1.205 inches in diameter and weighs 11.34 grams.

(3) a quarter dollar coin that is 0.955 inch in diameter and weighs 5.67 grams.

(4) a dime coin that is 0.705 inch in diameter and weighs 2.268 grams.

(5) a 5-cent coin that is 0.835 inch in diameter and weighs 5 grams.

(6) except as provided under subsection (c) of this section, a one-cent coin that is 0.75 inch in diameter and weighs 3.11 grams.

(7) A fifty dollar gold coin that is 32.7 millimeters in diameter, weighs 33.931 grams, and contains one troy ounce of fine gold.

(8) A twenty-five dollar gold coin that is 27.0 millimeters in diameter, weighs 16.966 grams, and contains one-half troy ounce of fine gold.

(9) A ten dollar gold coin that is 22.0 millimeters in diameter, weighs 8.483 grams, and contains one-fourth troy ounce of fine gold.

(10) A five dollar gold coin that is 16.5 millimeters in diameter, weighs 3.393 grams, and contains one-tenth troy ounce of fine gold.

(11) A \$50 gold coin that is of an appropriate size and thickness, as determined by the Secretary, weighs 1 ounce, and contains 99.99 percent pure gold.

(12) A \$25 coin of an appropriate size and thickness, as determined by the Secretary, that weighs 1 troy ounce and contains .9995 fine palladium.

(b) The half dollar, quarter dollar, and dime coins are clad coins with 3 layers of metal. The 2 identical outer layers are an alloy of 75 percent copper and 25 percent nickel. The inner layer is copper. The outer layers are metallurgically bonded to the inner layer and weigh at least 30 percent of the weight of the coin. The dollar coin shall be golden in color, have a distinctive edge, have tactile and visual features that make the denomination of the coin readily discernible, be minted and fabricated in the United States, and have similar metallic, anti-counterfeiting properties as United States coinage in circulation on the date of enactment of the United States \$1 Coin Act of 1997. The 5-cent coin is an alloy of 75 percent copper and 25 percent nickel. In minting 5-cent coins, the Secretary shall use bars that vary not more than 2.5 percent from the percent of nickel required. Except as provided under subsection (c) of this section, the one-cent coin is an alloy of 95 percent copper and 5 percent zinc. In minting gold coins, the Secretary shall use alloys that vary not more than 0.1 percent from the percent of gold required. The specifications for alloys are by weight.

(c) The Secretary may prescribe the weight and the composition of copper and zinc in the alloy of the one-cent coin that the Secretary decides are appropriate when the Secretary decides that a different weight and alloy of copper and zinc are necessary to ensure an adequate supply of one-cent coins to meet the needs of the United States.

(d)(1) United States coins shall have the inscription “In God We Trust”. The obverse side of each coin shall have the inscription “Liberty”. The reverse side of each coin shall have the inscriptions “United States of America” and “E Pluribus Unum” and a designation of the value of the coin. The design on the reverse side of the dollar, half dollar, and quarter dollar is an eagle. Subject to other provisions of this subsection, the obverse of any 5-cent coin issued after December 31, 2005, shall bear the likeness of Thomas Jefferson and the reverse of any such 5-cent coin shall bear an image of the home of Thomas Jefferson at Monticello. The Secretary of the Treasury, in consultation with the Congress, shall select appropriate designs for the obverse and reverse sides of the dollar coin. The coins have an inscription of the year of minting or issuance. However, to prevent or alleviate a shortage of a denomination, the Secretary may inscribe coins of the denomination with the year that was last inscribed on coins of the denomination.

(2) The Secretary shall prepare the devices, models, hubs, and dies for coins, emblems, devices, inscriptions, and designs authorized under this chapter. The Secretary may, after consulting with the Citizens Coinage Advisory Committee and the Commission of Fine Arts, adopt and prepare new designs or models of emblems or devices that are authorized in the same way as when new coins or devices are authorized. The Secretary may change the design or die of a coin only once within 25 years of the first adoption of the design, model, hub, or die for that coin. The Secretary may procure services under section 3109 of title 5 in carrying out this paragraph.

(e) Notwithstanding any other provision of law, the Secretary shall mint and issue, in qualities and quantities that the Secretary determines are sufficient to meet public demand, coins which—

(1) are 40.6 millimeters in diameter and weigh 31.103 grams;

(2) contain .999 fine silver;

(3) have a design—

(A) symbolic of Liberty on the obverse side; and

(B) of an eagle on the reverse side;

(4) have inscriptions of the year of minting or issuance, and the words “Liberty”, “In God We Trust”, “United States of America”, “1 Oz. Fine Silver”, “E Pluribus Unum”, and “One Dollar”; and

(5) have reeded edges.

(f) SILVER COINS.—

(1) SALE PRICE.—The Secretary shall sell the coins minted under subsection (e) to the public at a price equal to the market value of the bullion at the time of sale, plus the cost of minting,

marketing, and distributing such coins (including labor, materials, dies, use of machinery, and promotional and overhead expenses).

(2) BULK SALES.—The Secretary shall make bulk sales of the coins minted under subsection (e) at a reasonable discount.

(3) NUMISMATIC ITEMS.—For purposes of section 5132(a)(1) of this title, all coins minted under subsection (e) shall be considered to be numismatic items.

(g) For purposes of section 5132(a)(1) of this title, all coins minted under subsection (e) of this section shall be considered to be numismatic items.

(h) The coins issued under this title shall be legal tender as provided in section 5103 of this title.

(i)(1) Notwithstanding section 5111(a)(1) of this title, the Secretary shall mint and issue the gold coins described in paragraphs (7), (8), (9), and (10) of subsection (a) of this section, in qualities and quantities that the Secretary determines are sufficient to meet public demand, and such gold coins shall—

(A) have a design determined by the Secretary, except that the fifty dollar gold coin shall have—

(i) on the obverse side, a design symbolic of Liberty; and

(3) SELECTION OF SITE AND DESIGN.—

(A) SITE.—

(i) IN GENERAL.—The selection of a national park or other national site in each State to be honored with a coin under this subsection shall be made by the Secretary of the Treasury, after consultation with the Secretary of the Interior and the governor or other chief executive of each State with respect to which a coin is to be issued under this subsection, and after

giving full and thoughtful consideration to national sites that are not under the jurisdiction of the Secretary of the Interior so that the national site chosen for each State shall be the most appropriate in terms of natural or historic significance.

(ii) **TIMING.**—The selection process under clause (i) shall be completed before the end of the 270-day period beginning on the date of the enactment of the America's Beautiful National Parks Quarter Dollar Coin Act of 2008.

(B) SECOND ROUND AT DISCRETION OF SECRETARY.—

(i) **DETERMINATION.**—The Secretary may make a determination before the end of the 9-year period beginning when the first quarter dollar is issued under this subsection to continue the period of issuance until a second national site in each State, the District of Columbia, and each territory referred to in this subsection has been honored with a design on a quarter dollar.

(ii) **NOTICE AND REPORT.**—Within 30 days after making a determination under clause (i), the Secretary shall submit a written report on such determination to the Committee on Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate.

(iii) **APPLICABILITY OF PROVISIONS.**—If the Secretary makes a determination under clause (i), the provisions of this subsection applicable to site and design selection and approval, the order, timing, and conditions of issuance shall apply in like manner as the initial issuance of quarter dollars under this subsection, except that the issuance of quarter dollars pursuant to such determination bearing the first design shall commence in order immediately following the last issuance of quarter dollars under the first round.

(iv) **CONTINUATION UNTIL ALL STATES ARE HONORED.**—If the Secretary makes a determination under clause (i), the program under this subsection shall continue until a second site in each State has been so honored.

(8) DESIGNS AFTER END OF PROGRAM.—Upon the completion of the coin program under this subsection, the design on—

(B) contain .999 fine silver;

(C) bear an inscription of the denomination of such coin, which shall be “quarter dollar”; and

(D) not be minted or issued by the United States Mint as so-called “fractional” bullion coins or in any size other than the size described in paragraph (A).

(2) AVAILABILITY FOR SALE.—Bullion coins minted under paragraph (1)—

(A) shall become available for sale no sooner than the first day of the calendar year in which the circulating quarter dollar of which such bullion coin is a duplicate is issued; and

(B) may only be available for sale during the year in which such circulating quarter dollar is issued.

(3) DISTRIBUTION.—

(A) IN GENERAL.—In addition to the authorized dealers utilized by the Secretary in distributing bullion coins and solely for purposes of distributing bullion coins issued under this subsection, the Director of the National Park Service, or the designee of the Director, may purchase numismatic items issued under this subsection, but only in units of no fewer than 1,000 at a time, and the Director, or the Director's designee, may resell or repackage such numismatic items as the Director determines to be appropriate.

(B) RESALE.—The Director of the National Park Service, or the designee of the Director, may resell, at cost and without repackaging, numismatic items acquired by the Director or such designee under subparagraph (A) to any party affiliated with any national site honored by a quarter dollar under subsection (t) for repackaging and resale by such party in the same manner and to the same extent as such party would be authorized to engage in such activities under subparagraph (A) if the party were acting as the designee of the Director under such subparagraph.

(v) PALLADIUM BULLION INVESTMENT COINS.—

(1) IN GENERAL.—Subject to the submission to the Secretary and the Congress of a marketing study described in paragraph (8), beginning not more than 1 year after the submission of the study to the Secretary and the Congress, the Secretary shall mint and issue the palladium coins described in paragraph (12) of subsection (a) in such quantities as the Secretary may determine to be appropriate to meet demand.

(2) SOURCE OF BULLION.—

(A) IN GENERAL.—The Secretary shall acquire bullion for the palladium coins issued under this subsection by purchase of palladium mined from natural deposits in the United States, or in a territory or possession of the United States, within 1 year after the month in which the ore from which it is derived was mined. If no such palladium is available or if it is not economically feasible to obtain such palladium, the Secretary may obtain palladium for the palladium coins described in paragraph (12) of subsection (a) from other available sources.

(B) PRICE OF BULLION.—The Secretary shall pay not more than the average world price for the palladium under subparagraph (A).

(3) SALE OF COINS.—Each coin issued under this subsection shall be sold for an amount the Secretary determines to be appropriate, but not less than the sum of—

(A) the market value of the bullion at the time of sale; and

(B) the cost of designing and issuing the coins, including labor, materials, dies, use of machinery, overhead expenses, marketing, distribution, and shipping.

(4) TREATMENT.—For purposes of section 5134 and 5136, all coins minted under this subsection shall be considered to be numismatic items.

(5) QUALITY.—The Secretary may issue the coins described in paragraph (1) in both proof and uncirculated versions, except that, should the Secretary determine that it is appropriate to issue proof or uncirculated versions of such coin, the Secretary shall, to the greatest extent possible, ensure that the surface treatment of each year's proof or uncirculated version differs in some material way from that of the preceding year.

(6) DESIGN.—Coins minted and issued under this subsection shall bear designs on the obverse and reverse that are close likenesses of the work of famed American coin designer and medallic artist Adolph Alexander Weinman—

(A) the obverse shall bear a high-relief likeness of the “Winged Liberty” design used on the

obverse of the so-called “Mercury dime”;

(B) the reverse shall bear a high-relief version of the reverse design of the 1907 American Institute of Architects medal; and

(C) the coin shall bear such other inscriptions, including “Liberty”, “In God We Trust”, “United States of America”, the denomination and weight of the coin and the fineness of the metal, as the Secretary determines to be appropriate and in keeping with the original design.

(7) MINT FACILITY.—Any United States mint, other than the United States Mint at West Point, New York, may be used to strike coins minted under this subsection other than any proof version of any such coin. If the Secretary determines that it is appropriate to issue any proof version of such coin, coins of such version shall be struck only at the United States Mint at West Point, New York.

(8) MARKETING STUDY DEFINED.—The market study described in paragraph (1) means an analysis of the market for palladium bullion investments conducted by a reputable, independent third party that demonstrates that there would be adequate demand for palladium bullion coins produced by the United States Mint to ensure that such coins could be minted and issued at no net cost to taxpayers.

In subsection (a), the words before clause (1) are added because of the restatement. In clause (5), the words “that is 0.835 inch in diameter” are added because the Secretary of the Treasury has prescribed the diameter and the diameter of a coin may not be changed under 31:276. The words “5 grams” are substituted for “seventy-seven and sixteen-hundredths grains troy” for consistency in the revised chapter. In clause (6), the words “that is 0.75 inch in diameter” are added because the Secretary has prescribed the diameter and the diameter of a coin may not be changed under 31:276. The words “except as provided under subsection (c) of this section” are added for clarity and because of the restatement. The words “3.11 grams” are substituted for “forty-eight grains” for consistency in the revised chapter.

In subsection (b), the words “In minting 5-cent coins” are substituted for “in minor-coinage alloys” in 31:346 because 5-cent coins are the minor coins composed of nickel. The words “Secretary shall use” are substituted for “shall be used” because of the source provisions restated in section 321 of the revised title. The word “bars” is substituted for “ingots” for consistency in the revised chapter. The words “2.5 percent” are substituted for “twenty-five thousandths” for consistency in the revised title and with other titles of the United States Code. The words “from the percent of nickel required” are substituted for “the legal standard . . . in the proportion of nickel” because of the restatement. The words “In silver ingots, six-thousandths” are omitted as superseded by the source provisions restated in the section. The words “In gold ingots, one-thousandth” in section 3533 of the Revised Statutes are omitted because gold coinage was discontinued by 31:315b. The words “Except as provided in subsection (c) of this section” are added for clarity and because of the restatement.

In subsection (c), the words “a different weight and alloy of copper and zinc” are substituted for “such action” for clarity.

In subsection (d)(1), the words “an impression emblematic of liberty” in 31:324 are omitted as obsolete. The words “The design on the reverse side of the dollar, half dollar, and quarter dollar is an eagle” are substituted for “and upon the reverse side shall be the figure or representation of an eagle . . . but on the dime, 5-, and 1-cent piece, the figure of the eagle shall be omitted”, and the words “The emblem on the obverse side of the dollar is” are substituted for “The one-dollar coin authorized by section 391(c) of this title shall bear on the obverse side” in 31:324b–1, to eliminate unnecessary words. The words “Any coins minted after July 23,

1965, from 900 fine coin silver shall be inscribed with the year 1964” in 31:324 are omitted because the Secretary no longer has authority to mint coins from 900 fine coin silver.

In subsection (d)(2), the word “Secretary” is substituted for “engraver”, “Director of the Mint”, and “Director of the Mint . . . with the approval of the Secretary of the Treasury” because of the source provisions restated in section 321(c) of the revised title. The word “dies” is substituted for “from the original dies already authorized all the working dies required for use in the coinage of the several mints” and “original dies” to eliminate unnecessary words. The word “inscription” is substituted for “legend” for consistency in the section. The words “*Provided*, That no change be made in the diameter of any coin” are omitted as unnecessary because the diameters are prescribed by subsection (a) of the revised section. The words “procure services under section 3109 of title 5 in carrying out this paragraph” are substituted for “engage temporarily for this purpose the services of one or more artists, distinguished in their respective departments of art” to eliminate unnecessary words. The words “who shall be paid for such service from the contingent appropriation for the mint at Philadelphia” are omitted as obsolete. The text of section 3510(2d proviso) of the Revised Statutes is omitted as executed.

In subsection (e)(2), the words “80 percent” are substituted for “eight hundred parts” in 31:391(d), and the words “20 percent” are substituted for “two hundred parts”, for consistency in the revised title and with other titles of the Code. The words “that are metallurgically bonded to” are added for clarity and consistency with subsection (b). In clause (4), the words “the late President of the United States” in 31:324b are omitted as unnecessary. Clause (6) is added because 31:324 applies to coins minted under this subsection.

In subsection (f)(1), before clause (A), the words “Notwithstanding this section and section 5111(a)(1) of this title are substituted for “Notwithstanding any other provision of law” in 31:399 for clarity. In clause (B), the words “are an alloy of 90 percent silver and 10 percent copper” are substituted for “be minted in accordance with the standard established in section 3514 of the Revised Statutes (31 U.S.C. 321)” and 31:321 to eliminate unnecessary words and for clarity. In clause (C), the word “symbolizing” is substituted for “emblematic” for clarity.

In subsection (f)(2), the words “under such regulations as he may prescribe” are omitted as unnecessary because of section 321 of the revised title. The word “Treasury” is substituted for “general fund of the Treasury” to eliminate unnecessary words.

The text of 31:399(b)(3) is omitted as unnecessary because of section 5103 of the revised title.

“(1) conduct any appropriate testing of appropriate coinage metallic materials within or outside of the Department of the Treasury; and

“(2) solicit input from or otherwise work in conjunction with entities within or outside of the Federal Government including independent research facilities or current or potential suppliers of the metallic material used in volume production of circulating coins, to complete the report referred to in this Act [see section 3 of Pub. “(1) Factors relevant to the potential impact of any revisions to the composition of the material used in coin production on the current coinage material suppliers.

“(d) MINIMIZING CONVERSION COSTS.—In preparing and submitting the reports required under subsection (a), the Secretary of the Treasury, to the greatest extent possible, may not include any recommendation for new specifications for producing a circulating coin that would require any significant change to coin-accepting and coin-handling equipment to accommodate changes to all circulating coins simultaneously.

“(e) FRAUD PREVENTION.—The reports required under this section shall make no recommendation for a specification change that would facilitate or allow the use of a coin with a lesser value produced, minted, or issued by another country, or the use of any token or other easily or regularly produced metal device of minimal value, in the place of a circulating coin produced by the Secretary.

“(1) Yellowstone National Park was established by an Act signed by President Ulysses S. Grant on March 1, 1872, as the Nation's first national park.

“(2) The summer and autumn of 1890 saw the establishment of a number of national sites:

“(A) August 19: Chickamauga and Chattanooga established as national military parks in Georgia and Tennessee.

“(B) August 30: Antietam established as a national battlefield site in Maryland.

“(C) September 25: Sequoia National Park established in California.

“(D) September 27: Rock Creek Park established in the District of Columbia.

“(E) October 1: General Grant National Park established in California (and subsequently incorporated in Kings Canyon National Park).

“(F) October 1: Yosemite National Park established in California.

“(3) Theodore Roosevelt was this nation's 26th President and is considered by many to be our ‘Conservationist President’.

“(4) As a frequent visitor to the West, Theodore Roosevelt witnessed the virtual destruction of some big game species and the overgrazing that destroyed the grasslands and with them the habitats for small mammals and songbirds and conservation increasingly became one of his major concerns.

“(5) When he became President in 1901, Roosevelt pursued this interest in conservation by establishing the first 51 Bird Reserves, 4 Game Preserves, and 150 National Forests.

“(6) He also established the United States Forest Service, signed into law the creation of 5 National Parks, and signed the Act for the Preservation of American Antiquities in 1906 under which he proclaimed 18 national monuments.

“(7) Approximately 230,000,000 acres of area within the United States was placed under public protection by Theodore Roosevelt.

“(8) Theodore Roosevelt said that nothing short of defending this country in wartime ‘compares in importance with the great central task of leaving this land even a better land for our descendants than it is for us’.

“(9) The National Park Service was created by an Act signed by President Woodrow Wilson on August 25, 1916.

“(10) The National Park System comprises 391 areas covering more than 84,000,000 acres in every State (except Delaware), the District of Columbia, American Samoa, Guam, Puerto Rico, and the Virgin Islands.

“(11) The sites or areas within the National Park System vary widely in size and type from vast natural wilderness to birthplaces of Presidents to world heritage archaeology sites to an African burial ground memorial in Manhattan and include national parks, monuments, battlefields, military parks, historical parks, historic sites, lakeshores, seashores, recreation areas, scenic rivers and trails, and the White House.

“(12) In addition to the sites within the National Park System, the United States has placed numerous other types of sites under various forms of conservancy, such as the national forests and sites within the National Wildlife Refuge System and on the National Register of Historic Places.”

“(a) IN GENERAL.—In order to remove barriers to circulation, the Secretary of the Treasury shall carry

out an aggressive, cost-effective, continuing campaign to encourage commercial enterprises to accept and dispense \$1 coins that have as designs on the obverse the so-called 'Sacagawea design'.

“(b) REPORT.—The Secretary of the Treasury shall submit to Congress an annual report on the success of the efforts described in subsection (a).”

5-CENT COINS MINTED IN 2004 AND 2005

Pub. L. 109–230, §8, June 15, 2006, 120 Stat. 393, provided that: “Notwithstanding the fifth sentence of section 5112(d)(1) of title 31, United States Code, the Secretary of the Treasury may continue to issue, after December 31, 2005, numismatic items that contain 5-cent coins minted in the years 2004 and 2005.”

PRESIDENTIAL COMMEMORATIVE DOLLAR COINS; FINDINGS

Pub. L. 109–145, title I, §101, Dec. 22, 2005, 119 Stat. 2664, provided that: “Congress finds the following:

“(1) There are sectors of the United States economy, including public transportation, parking meters, vending machines, and low-dollar value transactions, in which the use of a \$1 coin is both useful and desirable for keeping costs and prices down.

“(2) For a variety of reasons, the new \$1 coin introduced in 2000 has not been widely sought-after by the public, leading to higher costs for merchants and thus higher prices for consumers.

“(3) The success of the 50 States Commemorative Coin Program (31 U.S.C. 5112(l)) for circulating quarter dollars shows that a design on a United States circulating coin that is regularly changed in a manner similar to the systematic change in designs in such Program radically increases demand for the coin, rapidly pulling it through the economy.

“(4) The 50 States Commemorative Coin Program also has been an educational tool, teaching both Americans and visitors something about each State for which a quarter has been issued.

“(5) A national survey and study by the Government Accountability Office has indicated that many Americans who do not seek, or who reject, the new \$1 coin for use in commerce would actively seek the coin if an attractive, educational rotating design were to be struck on the coin.

“(6) The President is the leader of our tripartite government and the President's spouse has often set the social tone for the White House while spearheading and highlighting important issues for the country.

“(7) Sacagawea, as currently represented on the new \$1 coin, is an important symbol of American history.

“(8) Many people cannot name all of the Presidents, and fewer can name the spouses, nor can many people accurately place each President in the proper time period of American history.

“(9) First Spouses have not generally been recognized on American coinage.

“(10) In order to revitalize the design of United States coinage and return circulating coinage to its position as not only a necessary means of exchange in commerce, but also as an object of aesthetic beauty in its own right, it is appropriate to move many of the mottos and emblems, the inscription of the year, and the so-called ‘mint marks’ that currently appear on the 2 faces of each circulating coin to the edge of the coin, which would allow larger and more dramatic artwork on the coins reminiscent of the so-called ‘Golden Age of Coinage’ in the United States, at the beginning of the Twentieth Century, initiated by President Theodore Roosevelt, with the assistance of noted sculptors and medallic artists James Earle Fraser and Augustus Saint-Gaudens.

“(11) Placing inscriptions on the edge of coins, known as edge-incusing, is a hallmark of modern coinage and is common in large-volume production of coinage elsewhere in the world, such as the 2,700,000,000 2-Euro coins in circulation, but it has not been done on a large scale in United States coinage in recent years.

“(12) Although the Congress has authorized the Secretary of the Treasury to issue gold coins with a purity of 99.99 percent, the Secretary has not done so.

“(13) Bullion coins are a valuable tool for the investor and, in some cases, an important aspect of coin collecting.”

ABRAHAM LINCOLN BICENTENNIAL 1-CENT COIN REDESIGN

Pub. L. 109–145, title III, Dec. 22, 2005, 119 Stat. 2673, provided that:

“SEC. 301. FINDINGS.

“Congress finds the following:

“(1) Abraham Lincoln, the 16th President, was one of the Nation's greatest leaders, demonstrating true courage during the Civil War, one of the greatest crises in the Nation's history.

“(2) Born of humble roots in Hardin County (present-day LaRue County), Kentucky, on February 12, 1809, Abraham Lincoln rose to the Presidency through a combination of honesty, integrity, intelligence,

and commitment to the United States.

“(3) With the belief that all men are created equal, Abraham Lincoln led the effort to free all slaves in the United States.

“(4) Abraham Lincoln had a generous heart, with malice toward none, and with charity for all.

“(5) Abraham Lincoln gave the ultimate sacrifice for the country he loved, dying from an assassin's bullet on April 15, 1865.

“(6) All Americans could benefit from studying the life of Abraham Lincoln, for Lincoln's life is a model for accomplishing the ‘American dream’ through honesty, integrity, loyalty, and a lifetime of education.

“(7) The year 2009 will be the bicentennial anniversary of the birth of Abraham Lincoln.

“(8) Abraham Lincoln was born in Kentucky, grew to adulthood in Indiana, achieved fame in Illinois, and led the nation in Washington, D.C.

“(9) The so-called ‘Lincoln cent’ was introduced in 1909 on the 100th anniversary of Lincoln's birth, making the obverse design the most enduring on the nation's coinage.

“(10) President Theodore Roosevelt was so impressed by the talent of Victor David Brenner that the sculptor was chosen to design the likeness of President Lincoln for the coin, adapting a design from a plaque Brenner had prepared earlier.

“(11) In the nearly 100 years of production of the ‘Lincoln cent’, there have been only 2 designs on the reverse: the original, featuring 2 wheat-heads in memorial style enclosing mottoes, and the current representation of the Lincoln Memorial in Washington, D.C.

“(12) On the occasion of the bicentennial of President Lincoln's birth and the 100th anniversary of the production of the Lincoln cent, it is entirely fitting to issue a series of 1-cent coins with designs on the reverse that are emblematic of the 4 major periods of President Lincoln's life.

“SEC. 302. REDESIGN OF LINCOLN CENT FOR 2009.

“(a) IN GENERAL.—During the year 2009, the Secretary of the Treasury shall issue 1-cent coins in accordance with the following design specifications:

“(1) OBVERSE.—The obverse of the 1-cent coin shall continue to bear the Victor David Brenner likeness of President Abraham Lincoln.

“(2) REVERSE.—The reverse of the coins shall bear 4 different designs each representing a different aspect of the life of Abraham Lincoln, such as—

“(A) his birth and early childhood in Kentucky;

“(B) his formative years in Indiana;

“(C) his professional life in Illinois; and

“(D) his presidency, in Washington, D.C.

“(b) ISSUANCE OF REDESIGNED LINCOLN CENTS IN 2009.—

“(1) ORDER.—The 1-cent coins to which this section applies shall be issued with 1 of the 4 designs referred to in subsection (a)(2) beginning at the start of each calendar quarter of 2009.

“(2) NUMBER.—The Secretary shall prescribe, on the basis of such factors as the Secretary determines to be appropriate, the number of 1-cent coins that shall be issued with each of the designs selected for each calendar quarter of 2009.

“(c) DESIGN SELECTION.—The designs for the coins specified in this section shall be chosen by the Secretary—

“(1) after consultation with the Abraham Lincoln Bicentennial Commission and the Commission of Fine Arts; and

“(2) after review by the Citizens Coinage Advisory Committee.

“SEC. 303. REDESIGN OF REVERSE OF 1-CENT COINS AFTER 2009.

“The design on the reverse of the 1-cent coins issued after December 31, 2009, shall bear an image emblematic of President Lincoln's preservation of the United States of America as a single and united country.

“SEC. 304. NUMISMATIC PENNIES WITH THE SAME METALLIC CONTENT AS THE 1909 PENNY.

“The Secretary of the Treasury shall issue 1-cent coins in 2009 with the exact metallic content as the 1-cent coin contained in 1909 in such number as the Secretary determines to be appropriate for numismatic purposes.

“SEC. 305. SENSE OF THE CONGRESS.

“It is the sense of the Congress that the original Victor David Brenner design for the 1-cent coin was a dramatic departure from previous American coinage that should be reproduced, using the original form and relief of the likeness of Abraham Lincoln, on the 1-cent coins issued in 2009.”

DESIGNS ON THE 5-CENT COIN

Pub. L. 108–15, title I, §101, Apr. 23, 2003, 117 Stat. 615, provided that:

“(a) **IN GENERAL.**—Subject to subsection (b) and after consulting with the Citizens Coinage Advisory Committee and the Commission of Fine Arts, the Secretary of the Treasury may change the design on the obverse and the reverse of the 5-cent coin for coins issued in 2003, 2004, and 2005 in recognition of the bicentennial of the Louisiana Purchase and the expedition of Meriwether Lewis and William Clark.

“(b) **DESIGN SPECIFICATIONS.**—

“(1) **OBVERSE.**—If the Secretary of the Treasury elects to change the obverse of 5-cent coins issued during 2003, 2004, and 2005, the design shall depict a likeness of President Thomas Jefferson, different from the likeness that appeared on the obverse of the 5-cent coins issued during 2002, in recognition of his role with respect to the Louisiana Purchase and the commissioning of the Lewis and Clark expedition.

“(2) **REVERSE.**—If the Secretary of the Treasury elects to change the reverse of the 5-cent coins issued during 2003, 2004, and 2005, the design selected shall depict images that are emblematic of the Louisiana Purchase or the expedition of Meriwether Lewis and William Clark.

“(1) it is appropriate and timely—

“(A) to honor the unique Federal republic of 50 States that comprise the United States; and

“(B) to promote the diffusion of knowledge among the youth of the United States about the individual States, their history and geography, and the rich diversity of the national heritage;

“(2) the circulating coinage of the United States has not been modernized during the 25-year period preceding the date of enactment of this Act [Dec. 1, 1997];

“(3) a circulating commemorative 25-cent coin program could produce earnings of \$110,000,000 from the sale of silver proof coins and sets over the 10-year period of issuance, and would produce indirect earnings of an estimated \$2,600,000,000 to \$5,100,000,000 to the United States Treasury, money that will replace borrowing to fund the national debt to at least that extent; and

“(4) it is appropriate to launch a commemorative circulating coin program that encourages young people and their families to collect memorable tokens of all of the States for the face value of the coins.”

“(a) STUDY.—The Secretary of the Treasury shall by June 1, 1997 complete a study of the feasibility of a circulating commemorative coin program to commemorate each of the 50 States. The study shall assess likely public acceptance of and consumer demand for different coins that might be issued in connection with such a program (taking into consideration the pace of issuance of coins and the length of such a program), a comparison of the costs of producing coins issued under the program and the revenue that the program would generate, the impact on coin distribution systems, the advantages and disadvantages of different approaches to selecting designs for coins in such a program, and such other factors as the Secretary considers appropriate in deciding upon the feasibility of such a program. No steps taken in order to gather information for this study shall be considered a collection of information within the meaning of section 3502 of title 44, United States Code.

“(b) REPORT.—The Secretary shall submit the study required in subsection (a) above, to the Committee on Banking and Financial Services of the House of Representatives and the Committee on Banking, Housing and Urban Affairs of the Senate, simultaneously on its receipt by the Secretary.

“(c) 50-STATE COMMEMORATIVE COIN PROGRAM.—The Secretary shall determine by August 1, 1997 whether the results of the study authorized by subsection (a) justify such a program. If the Secretary determines that such a program is justified, then he shall by January 1, 1999, notwithstanding the fourth sentence of subsection (d)(1) and subsection (d)(2) of section 5112, title 31, United States Code, commence a commemorative coin program consisting of the minting and issuance of quarter dollar coins bearing designs, selected in accordance with paragraph (4) of this subsection, which are emblematic of the 50 States. If the Secretary determines that such a commemorative coin program is justified but that it is not practicable to commence the program by January 1, 1999, then he shall notify the Committee on Banking and Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate of such impracticability and of the date on which the program will commence.

“(1) DESIGN.—The design for each quarter dollar issued under the program shall be emblematic of 1 of the 50 States. The designs for quarter dollar coins issued during each year of the program shall be emblematic of States which have not previously been commemorated under the program.

“(2) ORDER OF ISSUANCE.—Each State will be honored by a coin in the order of that State's admission to the United States.

“(3) NUMBER OF COINS.—Of the quarter dollar coins issued during each year of the program, the Secretary shall prescribe, on the basis of such factors as the Secretary determines to be appropriate, the number of quarter dollar coins which shall be issued with each of the designs selected for such year.

“(4) SELECTION OF DESIGN.—Each of the 50 designs required for quarter dollars issued under the program shall be—

“(A) selected pursuant to a process, decided upon by the Secretary, on the basis of the study conducted pursuant to subsection (a), which process shall involve, among other things, consultation with appropriate officials of the State being commemorated with such design; and

“(B) reviewed by the Citizens Commemorative Coin Advisory Committee and the Commission of Fine Arts.

“(5) TREATMENT AS NUMISMATIC ITEMS.—For purposes of sections 5134 and 5136 of title 31, United States Code, all coins minted under this section shall be considered to be numismatic items.

“(6) NUMISMATIC ITEMS.—

“(A) QUALITY OF COINS.—The Secretary may mint and issue such number of quarter dollars of each design selected under paragraph (4) of this subsection in uncirculated and proof qualities as the

Secretary determines to be appropriate.

“(B) SILVER COINS.—Notwithstanding the provisions of subsection 5112(b) of title 31, United States Code, the Secretary may mint and issue such number of quarter dollars of each design selected under paragraph (4) of this subsection as the Secretary determines to be appropriate with a content of 90 percent silver and 10 percent copper.

“(C) SOURCES OF BULLION.—The Secretary may obtain silver for minting coins under paragraph (6)(B) from stockpiles established under the Strategic and Critical Materials Stock Piling Act [50 U.S.C. 98 et seq.].

“(d) FUNDING.—Funds used to complete this study shall be offset from funds from the Department of the Treasury.”

“(4) It is in the interests of all Members of Congress that a policy be established to control the flow of commemorative coin legislation.

“(b) DECLARATION.—It is the sense of the Congress that the Committee on Banking, Finance and Urban Affairs [now Committee on Financial Services] of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate should not report or otherwise clear for consideration by the House of Representatives or the Senate legislation providing for more than 2 commemorative coin programs for any year, unless the committee determines, on the basis of a recommendation by the Citizens Commemorative Coin Advisory Committee, that extraordinary merit exists for an additional commemorative coin program.

“SEC. 302. REPORTS BY RECIPIENTS OF COMMEMORATIVE COIN SURCHARGES.

“(1) IN GENERAL.—Each person who receives, after the date of the enactment of this Act [Dec. 14, 1993], any surcharge derived from the sale of commemorative coins under any Act of Congress shall submit a quarterly financial report to the Director of the United States Mint and the Comptroller General of the United States describing in detail the expenditures made by such person from the proceeds of the surcharge.

“(2) INFORMATION TO BE INCLUDED.—The report under paragraph (1) shall include information on the proportion of the surcharges received during the period covered by the report to the total revenue of such person during such period, expressed as a percentage, and the percentage of total revenue during such period which was spent on administrative expenses (including salaries, travel, overhead, and fund raising).

“(3) DUE DATES.—Quarterly reports under this subsection shall be due at the end of the 30-day period beginning on the last day of any calendar quarter during which any surcharge derived from the sale of commemorative coins is received by any person.

AMENDMENTS

1988—Subsec. (a). Pub. L. 100–274 inserted at end “Any gold coin issued under section 5112 of this title shall contain the full weight of gold stated on the coin.”

§5114. Engraving and printing currency and security documents

(a) **AUTHORITY TO ENGRAVE AND PRINT.**—

(1) **IN GENERAL.**—The Secretary of the Treasury shall engrave and print United States currency and bonds of the United States Government and currency and bonds of United States territories and possessions from intaglio plates on plate printing presses the Secretary selects. However, other security documents and checks may be printed by any process the Secretary selects. Engraving and printing shall be carried out within the Department of the Treasury if the Secretary decides the engraving and printing can be carried out as cheaply, perfectly, and safely as outside the Department.

(2) **ENGRAVING AND PRINTING FOR OTHER GOVERNMENTS.**—The Secretary of the Treasury may produce currency, postage stamps, and other security documents for foreign governments if—

(A) the Secretary of the Treasury determines that such production will not interfere with engraving and printing needs of the United States; and

(B) the Secretary of State determines that such production would be consistent with the foreign policy of the United States.

(3) **PROCUREMENT GUIDELINES.**—Articles, material, and supplies procured for use in the production of currency, postage stamps, and other security documents for foreign governments pursuant to paragraph (2) shall be treated in the same manner as articles, material, and supplies procured for public use within the United States for purposes of title III of the Act of March 3, 1933 (41 U.S.C. 10a et seq.; commonly referred to as the Buy American Act).¹

(b) United States currency has the inscription “In God We Trust” in a place the Secretary decides is appropriate. Only the portrait of a deceased individual may appear on United States currency and securities. The name of the individual shall be inscribed below the portrait.

(c) The Secretary may make a contract to manufacture distinctive paper for United States currency and securities. To promote competition among manufacturers of the distinctive paper, the Secretary may split the award for the manufacture of the paper between the 2 bidders with the lowest prices a pound. When the Secretary decides that it is necessary to operate more than one mill to manufacture distinctive paper, the Secretary may—

(1) employ individuals temporarily at rates of pay equivalent to the rates of pay of regular employees; and

(2) charge the pay of the temporary employees to the appropriation available for manufacturing distinctive paper.

In subsection (a), the words “The Secretary of the Treasury shall engrave and print” are substituted for “The work of engraving and printing . . . shall be performed at the Treasury Department” in 31:415 because of the

source provisions restated in section 321(c) of the revised title. The words “United States currency and security documents of the United States Government and currency and bonds of the United States territories and possessions” are substituted for “the backs and tints of all United States bonds, the backs and tints of all United States paper money, and the backs and tints of bonds and paper money issued by any of the insular possessions of the United States” in 31:177 to eliminate unnecessary words and for clarity and consistency in the revised title. The words “if the Secretary decides the engraving and printing can be carried out . . . as outside the Department” are substituted for “provided it can be done there” in 31:415 for clarity. The words “The Secretary of the Treasury may purchase and provide all the machinery and materials” in 31:416 are omitted as being superseded by section 5142 of the revised title. The words “and employ such persons and appoint such officers as are necessary for the purpose of section 415 of this title” are omitted as unnecessary because of 5:3101. The text of section 3577(words before the semicolon) of the Revised Statutes is omitted as superseded by 31:415.

In subsection (b), the words “United States currency has the inscription” are substituted for “the dies shall bear . . . the inscription” in 31:324a for clarity. The words “At such time as new dies for the printing of currency are adopted” are omitted as executed. The words “and thereafter this inscription shall appear on all United States currency and coins” are omitted as unnecessary because of the restatement of the source provisions in this subsection and section 5112(d) of the revised title. The words “in connection with the current program of the Treasury Department to increase the capacity of presses utilized by the Bureau of Engraving and Printing” in the Act of July 11, 1955 (ch. 303, 69 Stat. 290), are omitted as unnecessary. The words “Only . . . of a deceased individual” are substituted for “No . . . while the original of such portrait is living” in 31:413 for clarity. The words “United States currency and obligations” are substituted for “bonds, securities, notes, fractional or postal currency of the United States” for consistency in the revised title. The words “shall be placed upon any of the plates for bonds, securities, notes, and silver certificates of the United States” in 31:414 are omitted as unnecessary because of the restatement.

In subsection (b), before clause (1), the words “in circulation” are substituted for “to be used as a part of the circulation medium” to eliminate unnecessary words. In clause (1), the words “the sum of” are omitted as surplus. §5116. Buying and selling gold and silver

(a)(1) With the approval of the President, the Secretary of the Treasury may—

(A) buy and sell gold in the way, in amounts, at rates, and on conditions the Secretary considers most advantageous to the public interest; and

(B) buy the gold with any direct obligations of the United States Government or United States coins and currency authorized by law, or with amounts in the Treasury not otherwise appropriated.

(2) Amounts received from the purchase of gold are an asset of the general fund of the Treasury.

Amounts received from the sale of gold shall be deposited by the Secretary in the general fund of the Treasury and shall be used for the sole purpose of reducing the national debt.

(3) The Secretary shall acquire gold for the coins issued under section 5112(i) of this title by purchase of gold mined from natural deposits in the United States, or in a territory or possession of the United States, within one year after the month in which the ore from which it is derived was mined. The Secretary shall pay not more than the average world price for the gold. In the absence of available supplies of such gold at the average world price, the Secretary may use gold from reserves held by the United States to mint the coins issued under section 5112(i) of this title. The Secretary shall issue such regulations as may be necessary to carry out this paragraph.

(b)(1) The Secretary may buy silver mined from natural deposits in the United States, or in a territory or possession of the United States, that is brought to a United States mint or assay office within one year after the month in which the ore from which it is derived was mined. The Secretary may use the coinage metal fund under section 5111(b) of this title to buy silver under this subsection.

(2) The Secretary may sell or use Government silver to mint coins, except silver transferred to stockpiles established under the Strategic and Critical Materials Stock Piling Act (50 U.S.C. 98 et seq.). The Secretary shall obtain the silver for the coins authorized under section 5112(e) of this title by purchase from stockpiles established under the Strategic and Critical Materials Stock Piling Act (50 U.S.C. 98 et seq.). At such time as the silver stockpile is depleted, the Secretary shall obtain silver as described in paragraph (1) to mint coins authorized under section 5112(e). If it is not economically feasible to obtain such silver, the Secretary may obtain silver for coins authorized under section 5112(e) from other available sources. The Secretary shall not pay more than the average world price for silver under any circumstances. As used in this paragraph, the term “average world price” means the price determined by a widely recognized commodity exchange at the time the silver is obtained by the Secretary. The Secretary shall sell silver under conditions the Secretary considers appropriate for at least \$1.292929292 a fine troy ounce.

The words “after July 23, 1965” in 31:394 are omitted as executed. The words “to procure bullion for coinage” and 31:335(2d—last sentences) are omitted as obsolete because the Secretary of the Treasury has authority to mint coins containing silver only under section 5112(e) of the revised title and the Secretary holds sufficient silver to mint those coins. See Sen. Rept. No. 91–1084 (1970).

In subsection (b)(2), the word “terms” is omitted as being included in “conditions”. The words “for at least” are substituted for “at a price not less than the monetary value of” to eliminate unnecessary words.

(C) arising out of the surrender, requisition, seizure, or acquisition of United States coins or currency, gold, or silver involving the effect or validity of a change in the metallic content of the dollar or in a regulation about the value of money.

(2) Paragraph (1) of this subsection does not apply to a proceeding in which no claim is made for payment or credit in an amount greater than the face or nominal value in dollars of public debt obligations or United States coins or currency involved in the proceeding.

(3) Except when consent is not withdrawn under this subsection, an amount appropriated for payment on public debt obligations and for United States coins and currency may be expended only dollar for dollar.

In the section, the word “Secretary” is substituted for “superintendent”, “superintendent of melting and refining department”, “assayer”, “Director of the Mint”, and “Director of the Mint, with the approval of the Secretary of the Treasury” because of the source provisions restated in section 321(c) of the revised title.

In subsection (a), clause (1) is added to provide a complete list of the duties and powers of the Secretary and for consistency with section 5131 of the revised title. In clause (2), the words “as required” are substituted for “required by the operations of the Bureau of the Mint” and “whenever required by the superintendent” in 31:277 to eliminate unnecessary words. The text of 31:330 is omitted as superseded by the source provisions

restated in section 321(c) of the revised title. In clause (3), the word “bars” is substituted for “bars conformable in all respects to the law” in 31:274 to eliminate unnecessary words. In clause (4), the word “alloys” is substituted for “standard silver or gold, and alloys for minor” in 31:274, and the text of 31:343(last sentence) is omitted, because coins issued by the Secretary under this chapter are composed of alloys. The words “minting coins” are substituted for “coinage” for consistency in the revised chapter. The words “suitable for the superintendent of coining department, from the metals legally delivered to him for that purpose” in 31:274 and the text of 31:274(last sentence) and 31:343(1st, 2d sentences) are omitted as superseded by the source provisions restated in section 321(c) of the revised title. In subsections (b) and (d), the word “unrefined” is substituted for “unparted” for consistency in the revised chapter.

In subsection (b), the words “At the option of the owner” and “as he may prefer” in 31:325 and “for his benefit” in 31:327 are omitted as unnecessary because of the restatement. The words “weighing at least” are substituted for “and no such bars shall be issued of a less weight than” in 31:325 to eliminate unnecessary words. The word “troy” is added for clarity. The words “into coin” in section 3519 of the Revised Statutes are omitted because the coinage of gold was discontinued by 31:315b. The text of 31:329(last sentence) is omitted because of the source provisions restated in section 321(c) of the revised title. The words “and no deposit of silver for other coinage shall be received” in 31:328(1st sentence) are omitted as unnecessary because of the restatement.

In subsection (c), the word “economically” is substituted for “advantageously” in 31:327(last sentence) for consistency in the section. The text of 31:328(last sentence) is omitted as unnecessary because of the source provisions restated in section 5121(a) of the revised title.

In subsection (d)(1), before clause (A), the words “at any of the mints” in 31:360(1st sentence) are omitted as superseded by the source provisions restated in section 321(c) of the revised title. The text of 31:360(2d sentence) is omitted as unnecessary because of the source provisions restated in section 5121(a) of the revised title.

In subsection (d)(2), the words “in an exchange under this subsection” are added for clarity. The word “refining” is substituted for “refining or parting” for consistency in the revised chapter.

The words “but the fineness thereof shall be ascertained and” in 31:347 are omitted as unnecessary because of the source provisions restated in section 5121(a) of the revised title.

POSSESSION OF GOLD COINS AND BULLION

The possession of gold coins and bullion was prohibited except under Government license by Ex. Ord. No. 6260, eff. Aug. 28, 1933. That prohibition was revoked by Ex. Ord. No. 11825, Dec. 31, 1974, 40 F.R. 1003, eff. Dec. 31, 1974. See notes set out under section 95a of Title 12, Banks and Banking.

§5122. Payment to depositors

(a) The Secretary of the Treasury shall determine the fineness, weight, and value of each deposit and bar under section 5121 of this title. The value and the amount of charges under subsection (b) of this section shall be based on the fineness and weight of the bullion. The Secretary shall give the depositor a statement of the charges and the net amount of the deposit to be paid in money or bars of the same species of bullion as that deposited.

(b) The Secretary shall impose a charge equal to the average cost of material, labor, waste, and use of machinery of a United States mint or assay office for—

- (1) melting and refining bullion;
- (2) using copper as an alloy when bullion deposited is above standard;
- (3) separating gold and silver combined in the bullion; and
- (4) preparing bars.

(c) The Secretary shall pay to the depositor or to a person designated by the depositor money or bars equivalent to the bullion deposited as soon as practicable after the value of the deposit is determined. If demanded, the Secretary shall pay depositors in the order in which the bullion is deposited with the Secretary. However, when there is an unavoidable delay in determining the value

of a deposit, the Secretary shall pay subsequent depositors. When practicable and convenient, the Secretary shall pay depositors in the denominations requested by the depositor. After the depositor is paid, the bullion is the property of the United States Government.

(d) To allow the Secretary to pay depositors with as little delay as possible, the Secretary shall keep in the mints and assay offices, when possible, money and bullion the Secretary decides are convenient and necessary.

title.

§5132. Administrative

(a)(1) Except as provided in this chapter, the Secretary of the Treasury shall deposit in the Treasury as miscellaneous receipts amounts the Secretary receives from the operations of the United States Mint. Expenditures made from appropriated funds which are subsequently determined to be properly chargeable to the Numismatic Public Enterprise Fund established by section 5134 shall be reimbursed by such Fund to the appropriation. The Secretary shall annually sell to the public, directly and by mail, sets of uncirculated and proof coins minted under paragraphs (1) through (6) of section 5112(a) of this title, and shall solicit such sales through the use of the customer list of the United States Mint. Except with respect to amounts deposited in the Numismatic Public Enterprise Fund in accordance with section 5134, the Secretary may not use amounts the Secretary receives from profits on minting coins or from charges on gold or silver bullion under section 5122 to pay officers and employees.

(2)(A) In addition to the coins described in paragraph (1), the Secretary shall sell annually to the public directly and by mail, sets of proof coins minted under paragraphs (1) through (6) of section 5112(a).

At such time as the silver stockpile is depleted, the Secretary shall obtain silver for such coins by purchase of silver mined from natural deposits in the United States or in a territory or possession of the United States not more than 1 year following the month in which the ore from which it is derived was mined. The Secretary shall pay not more than the average world price for such silver. The Secretary may issue such regulations as may be necessary to carry out this subparagraph.

(3) Not more than \$54,208,000 may be appropriated to the Secretary for the fiscal year ending on September 30, 1993, to pay costs of the mints. Not more than \$965,000 of amounts appropriated pursuant to the preceding sentence shall remain available until expended for research and development.

1984 ACT

This is necessary because the language was restated by section 382(h)(1) of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97-35, 95 Stat. 432) but inadvertently codified as 31:5132(a)(1) (last sentence) by section 1 of the Act of September 13, 1982 (Pub. L. 97-258, 96 Stat. 989.)

In the section, the word “Secretary” is substituted for “superintendent” and “Director of the Mint” in 31:354, 356, 365, and the word “Superintendent” is substituted for “superintendent of coining department” in 31:354 and 355 and “superintendent of melting and refining”, because of the source provisions restated in section 321(c) of the revised title.

In subsection (a), the words “superintendent of each mint and the assay office at New York and the officer in charge of the assay office at San Francisco” are added because of the source provisions restated in section 5131(b) and (c) of the revised title.

In subsection (b), before clause (1), the words “shall settle” are substituted for “and at such time as the . . . shall appoint, there shall be an accurate and full settlement” in 31:354(last sentence) to eliminate unnecessary words. In clause (1), the words “The Secretary shall audit” are substituted for “When all the coins, clippings, and other bullion have been delivered to the superintendent, it shall be his duty to examine” in 31:355(1st, 2d sentences) to eliminate unnecessary words. The words “mints and assay offices” are substituted for “mint” for consistency in the section.

In subsection (d), the words “National Bureau of Standards of the Department of Commerce” are substituted for “Bureau of Standards of the United States” because of 15:1511. The words “from .01 grain” are substituted for “from the hundredths part of a grain” for consistency. The words “under the inspection of the superintendent and assayer” are omitted as superseded by the source provisions restated in section 321(c) of the revised title. The words “and the accuracy of those used at the mint at Philadelphia shall be tested annually in the presence of the assay commissioners, at the time of the annual examination and test of coins” are omitted because the position of assay commissioner was abolished by section 201 of the Act of March 14, 1980 (Pub. L. 96–209, 94 Stat. 98).

However, a loan or

credit to a foreign entity or government of a foreign country may be made for more than 6 months in any 12-month period only if the President gives Congress a written statement that unique or emergency circumstances require the loan or credit be for more than 6 months.

By virtue of the authority vested in me by the Constitution and the laws of the United States, including section 301 of title 3, United States Code, and section 406 of the Emergency Supplemental Appropriations and Rescissions for the Department of Defense to Preserve and Enhance Military Readiness Act of 1995 (Public Law 104–6) [set out above], I hereby certify that:

(2) All loans, credits, guarantees, and currency swaps to Mexico from the Exchange Stabilization Fund or the Federal Reserve System are adequately backed to ensure that all United States funds are repaid.

(3) The Government of Mexico is making progress in ensuring an independent central bank.

(4) Mexico has in effect a significant economic reform effort.

(5) The Executive Branch has provided the documents requested by House Resolution 80 adopted March 1, 1995, and described in paragraphs (1) through (28) of that Resolution. All documents identified as responsive to the Resolution have been provided to the entire House of Representatives. Pursuant to the terms of the Resolution, the Executive Branch has not provided those documents as to which the Executive Branch has informed the House that it would be inconsistent with the public interest to provide the documents to the House. Pursuant to arrangements for safekeeping of classified materials in House facilities, classified documents have been provided to the House by making them available either at designated, secure House facilities or at Executive Branch facilities. Each agency, including the Federal Reserve Board, has advised the House of the procedures employed by that agency to provide the documents requested by House Resolution 80.

I have been informed that the Board of Governors of the Federal Reserve System has provided the documents requested by House Resolution 80 and described in paragraphs (1) through (28) of that Resolution.

IMPROVEMENT OF INTERNATIONAL STANDARDS AND COOPERATION TO FIGHT TERRORIST FINANCING

Pub. L. 108–458, title VII, §§7701, 7702, 7704, Dec. 17, 2004, 118 Stat. 3858–3860, provided that:

“SEC. 7701. IMPROVING INTERNATIONAL STANDARDS AND COOPERATION TO FIGHT TERRORIST FINANCING.

“(a) FINDINGS.—Congress makes the following findings:

“(1) The global war on terrorism and cutting off terrorist financing is a policy priority for the United States and its partners, working bilaterally and multilaterally through the United Nations, the United Nations Security Council and its committees, such as the 1267 and 1373 Committees, the Financial Action Task Force (FATF), and various international financial institutions, including the International Monetary Fund (IMF), the International Bank for Reconstruction and Development (IBRD), and the regional multilateral development banks, and other multilateral fora.

“(2) The international financial community has become engaged in the global fight against terrorist financing. The Financial Action Task Force has focused on the new threat posed by terrorist financing to the international financial system, resulting in the establishment of the FATF's Eight Special Recommendations on Terrorist Financing as the international standard on combating terrorist financing.

The Group of Seven and the Group of Twenty Finance Ministers are developing action plans to curb the financing of terror. In addition, other economic and regional fora, such as the Asia-Pacific Economic Cooperation (APEC) Forum, and the Western Hemisphere Financial Ministers, have been used to marshal political will and actions in support of combating the financing of terrorism (CFT) standards.

“(3) FATF's Forty Recommendations on Money Laundering and the Eight Special Recommendations on Terrorist Financing are the recognized global standards for fighting money laundering and terrorist financing. The FATF has engaged in an assessment process for jurisdictions based on their compliance with these standards.

“(4) In March 2004, the IMF and IBRD Boards agreed to make permanent a pilot program of collaboration with the FATF to assess global compliance with the FATF Forty Recommendations on Money Laundering and the Eight Special Recommendations on Terrorist Financing. As a result, anti-money laundering (AML) and combating the financing of terrorism (CFT) assessments are now a regular part of their Financial Sector Assessment Program (FSAP) and Offshore Financial Center assessments, which provide for a comprehensive analysis of the strength of a jurisdiction's financial system. These reviews assess potential systemic vulnerabilities, consider sectoral development needs and priorities, and review the state of implementation of and compliance with key financial codes and regulatory standards, among them the AML and CFT standards.

“(5) To date, 70 FSAPs have been conducted, with over 24 of those incorporating AML and CFT assessments. The international financial institutions (IFIs), the FATF, and the FATF-style regional bodies together are expected to assess AML and CFT regimes in up to 40 countries or jurisdictions per year. This will help countries and jurisdictions identify deficiencies in their AML and CFT regimes and help focus technical assistance efforts.

“(6) Technical assistance programs from the United States and other nations, coordinated with the Department of State and other departments and agencies, are playing an important role in helping countries and jurisdictions address shortcomings in their AML and CFT regimes and bringing their regimes into conformity with international standards. Training is coordinated within the United States Government, which leverages multilateral organizations and bodies and international financial institutions to internationalize the conveyance of technical assistance.

“(7) In fulfilling its duties in advancing incorporation of AML and CFT standards into the IFIs as part of the IFIs' work on protecting the integrity of the international monetary system, the Department of the Treasury, under the guidance of the Secretary of the Treasury, has effectively brought together all of the key United States Government agencies. In particular, United States Government agencies continue to work together to foster broad support for this important undertaking in various multilateral fora, and United States Government agencies recognize the need for close coordination and communication within our own Government.

“(b) SENSE OF CONGRESS REGARDING SUCCESS IN MULTILATERAL ORGANIZATIONS.—It is the sense of Congress that the Secretary of the Treasury should continue to promote the dissemination of international AML and CFT standards, and to press for full implementation of the FATF 40 + 8 Recommendations by all countries in order to curb financial risks and hinder terrorist financing around the globe. The efforts of the Secretary in this regard should include, where necessary or appropriate, multilateral action against countries whose counter-money laundering regimes and efforts against the financing of terrorism fall below recognized international standards.

“SEC. 7702. DEFINITIONS.

“In this subtitle [subtitle G (§§7701–7704) of title VII of Pub. L. 108–458, amending sections 262o–2 and 262r–4 of Title 22, Foreign Relations and Intercourse]—

“(1) the term ‘international financial institutions’ has the same meaning as in section 1701(c)(2) of the International Financial Institutions Act [22 U.S.C. 262r(c)(2)];

“(2) the term ‘Financial Action Task Force’ means the international policy-making and standard-setting body dedicated to combating money laundering and terrorist financing that was created by the Group of Seven in 1989; and

“(3) the terms ‘Interagency Paper on Sound Practices to Strengthen the Resilience of the U.S. Financial System’ and ‘Interagency Paper’ mean the interagency paper prepared by the Board of Governors of the Federal Reserve System, the Comptroller of the Currency, and the Securities and Exchange Commission that was announced in the Federal Register on April 8, 2003.

“SEC. 7704. COORDINATION OF UNITED STATES GOVERNMENT EFFORTS.

“The Secretary of the Treasury, or the designee of the Secretary, as the lead United States Government official to the Financial Action Task Force (FATF), shall continue to convene the interagency United States

Government FATF working group. This group, which includes representatives from all relevant Federal agencies, shall meet at least once a year to advise the Secretary on policies to be pursued by the United States regarding the development of common international AML and CFT standards, to assess the adequacy and implementation of such standards, and to recommend to the Secretary improved or new standards, as necessary.”

INTERNATIONAL MONEY LAUNDERING ABATEMENT AND FINANCIAL ANTI-TERRORISM ACT OF 2001; FINDINGS AND PURPOSES

Pub. L. 107–56, title III, §302, Oct. 26, 2001, 115 Stat. 296, as amended by Pub. L. 108–458, title VI, §6202(c), Dec. 17, 2004, 118 Stat. 3745, provided that:

“(a) FINDINGS.—The Congress finds that—

“(1) money laundering, estimated by the International Monetary Fund to amount to between 2 and 5 percent of global gross domestic product, which is at least \$600,000,000,000 annually, provides the financial fuel that permits transnational criminal enterprises to conduct and expand their operations to the detriment of the safety and security of American citizens;

“(2) money laundering, and the defects in financial transparency on which money launderers rely, are critical to the financing of global terrorism and the provision of funds for terrorist attacks;

“(3) money launderers subvert legitimate financial mechanisms and banking relationships by using them as protective covering for the movement of criminal proceeds and the financing of crime and terrorism, and, by so doing, can threaten the safety of United States citizens and undermine the integrity of United States financial institutions and of the global financial and trading systems upon which prosperity and growth depend;

“(4) certain jurisdictions outside of the United States that offer ‘offshore’ banking and related facilities designed to provide anonymity, coupled with weak financial supervisory and enforcement regimes, provide essential tools to disguise ownership and movement of criminal funds derived from, or used to commit, offenses ranging from narcotics trafficking, terrorism, arms smuggling, and trafficking in human beings, to financial frauds that prey on law-abiding citizens;

“(5) transactions involving such offshore jurisdictions make it difficult for law enforcement officials and regulators to follow the trail of money earned by criminals, organized international criminal enterprises, and global terrorist organizations;

“(6) correspondent banking facilities are one of the banking mechanisms susceptible in some circumstances to manipulation by foreign banks to permit the laundering of funds by hiding the identity of real parties in interest to financial transactions;

“(7) private banking services can be susceptible to manipulation by money launderers, for example corrupt foreign government officials, particularly if those services include the creation of offshore accounts and facilities for large personal funds transfers to channel funds into accounts around the globe;

“(8) United States anti-money laundering efforts are impeded by outmoded and inadequate statutory provisions that make investigations, prosecutions, and forfeitures more difficult, particularly in cases in which money laundering involves foreign persons, foreign banks, or foreign countries;

“(9) the ability to mount effective counter-measures to international money launderers requires national, as well as bilateral and multilateral action, using tools specially designed for that effort; and

“(10) the Basle Committee on Banking Regulation and Supervisory Practices and the Financial Action Task Force on Money Laundering, of both of which the United States is a member, have each adopted international anti-money laundering principles and recommendations.

“(b) PURPOSES.—The purposes of this title [see Short Title of 2001 Amendment note set out under section 5301 of this title] are—

“(1) to increase the strength of United States measures to prevent, detect, and prosecute international money laundering and the financing of terrorism;

“(2) to ensure that—

“(A) banking transactions and financial relationships and the conduct of such transactions and relationships, do not contravene the purposes of subchapter II of chapter 53 of title 31, United States Code, section 21 of the Federal Deposit Insurance Act [12 U.S.C. 1829b], or chapter 2 of title I of Public Law 91–508 (84 Stat. 1116) [12 U.S.C. 1951 et seq.], or facilitate the evasion of any such provision; and

(a) When a domestic financial institution is involved in a transaction for the payment, receipt, or transfer of United States coins or currency (or other monetary instruments the Secretary of the Treasury prescribes), in an amount, denomination, or amount and denomination, or under circumstances the Secretary prescribes by regulation, the institution and any other participant in the transaction the Secretary may prescribe shall file a report on the transaction at the time and in the way the Secretary prescribes. - (A) with the institution involved in the transaction if the institution was designated;
- (B) in the way the Secretary prescribes when the institution was not designated; or
- (C) with the Secretary.

(2) The Secretary shall prescribe—

- (A) the filing procedure for a domestic financial institution designated under subsection (b) of this section; and
- (B) the way the institution shall submit reports filed with it.

(d) **MANDATORY EXEMPTIONS FROM REPORTING REQUIREMENTS.**—

(1) **IN GENERAL.**—The Secretary of the Treasury shall exempt, pursuant to section 5318(a)(6), a depository institution from the reporting requirements of subsection (a) with respect to transactions between the depository institution and the following categories of entities:

(2) **NOTICE OF EXEMPTION.**—The Secretary of the Treasury shall publish in the Federal Register at such times as the Secretary determines to be appropriate (but not less frequently than once each year) a list of all the entities whose transactions with a depository institution are exempt under this subsection from the reporting requirements of subsection (a).

(e) **DISCRETIONARY EXEMPTIONS FROM REPORTING REQUIREMENTS.**—

(1) **IN GENERAL.**—The Secretary of the Treasury may exempt, pursuant to section 5318(a)(6), a depository institution from the reporting requirements of subsection (a) with respect to transactions between the depository institution and a qualified business customer of the institution on the basis of information submitted to the Secretary by the institution in accordance with procedures which the Secretary shall establish.

(2) **QUALIFIED BUSINESS CUSTOMER DEFINED.**—For purposes of this subsection, the term “qualified business customer” means a business which—

- (A) maintains a transaction account (as defined in section 19(b)(1)(C) of the Federal Reserve Act) at the depository institution;
- (B) frequently engages in transactions with the depository institution which are subject to the reporting requirements of subsection (a); and

(4) GUIDELINES.—

(A) IN GENERAL.—The Secretary of the Treasury shall establish guidelines for depository institutions to follow in selecting customers for an exemption under this subsection.

(5) ANNUAL REVIEW.—The Secretary of the Treasury shall prescribe regulations requiring each depository institution to—

(A) review, at least once each year, the qualified business customers of such institution with respect to whom an exemption has been granted under this subsection; and

(B) upon the completion of such review, resubmit information about such customers, with such modifications as the institution determines to be appropriate, to the Secretary for the Secretary's approval.

(6) 2-YEAR PHASE-IN PROVISION.—During the 2-year period beginning on the date of enactment of the Money Laundering Suppression Act of 1994, this subsection shall be applied by the Secretary on the basis of such criteria as the Secretary determines to be appropriate to achieve an orderly implementation of the requirements of this subsection.

(f) PROVISIONS APPLICABLE TO MANDATORY AND DISCRETIONARY EXEMPTIONS.—

(1) LIMITATION ON LIABILITY OF DEPOSITORY INSTITUTIONS.—No depository institution shall be subject to any penalty which may be imposed under this subchapter for the failure of the institution to file a report with respect to a transaction with a customer for whom an exemption has been granted under subsection (d) or (e) unless the institution—

(A) knowingly files false or incomplete information to the Secretary with respect to the transaction or the customer engaging in the transaction; or

(B) has reason to believe at the time the exemption is granted or the transaction is entered into that the customer or the transaction does not meet the criteria established for granting such exemption.

(2) COORDINATION WITH OTHER PROVISIONS.—Any exemption granted by the Secretary of the Treasury under section 5318(a) in accordance with this section, and any transaction which is subject to such exemption, shall be subject to any other provision of law applicable to such exemption, including—

(A) the authority of the Secretary, under section 5318(a)(6), to revoke such exemption at any time; and

(B) any requirement to report, or any authority to require a report on, any possible violation of any law or regulation or any suspected criminal activity.

(1) has the meaning given to such term in section 19(b)(1)(A) of the Federal Reserve Act; and

(2) includes—

The words “other parties thereto or” in 31:1082 are omitted as surplus. The words “to the Secretary” in 31:1081 are omitted as unnecessary and for clarity. In subsection (c)(1), clause (A) is substituted for “with respect to a domestic financial institution . . . with that institution” for clarity. Clause (C) is substituted for “any such person may, at his election and in lieu of filing the report in the manner hereinabove prescribed, file the report with the Secretary” to eliminate unnecessary words.

AMENDMENTS

1994—Subsecs. (d) to (g). Pub. L. 103–325 added subsecs. (d) to (g).

EFFICIENT USE OF CURRENCY TRANSACTION REPORT SYSTEM

Pub. L. 107–56, title III, §366, Oct. 26, 2001, 115 Stat. 335, provided that:

“(a) **FINDINGS.**—The Congress finds the following:

“(1) The Congress established the currency transaction reporting requirements in 1970 because the Congress found then that such reports have a high degree of usefulness in criminal, tax, and regulatory investigations and proceedings and the usefulness of such reports has only increased in the years since the requirements were established.

“(2) In 1994, in response to reports and testimony that excess amounts of currency transaction reports were interfering with effective law enforcement, the Congress reformed the currency transaction report exemption requirements to provide—

“(A) mandatory exemptions for certain reports that had little usefulness for law enforcement, such as cash transfers between depository institutions and cash deposits from government agencies; and

“(B) discretionary authority for the Secretary of the Treasury to provide exemptions, subject to criteria and guidelines established by the Secretary, for financial institutions with regard to regular business customers that maintain accounts at an institution into which frequent cash deposits are made.

“(3) Today there is evidence that some financial institutions are not utilizing the exemption system, or are filing reports even if there is an exemption in effect, with the result that the volume of currency transaction reports is once again interfering with effective law enforcement.

“(b) **STUDY AND REPORT.**—

“(1) STUDY REQUIRED.—The Secretary shall conduct a study of—

“(A) the possible expansion of the statutory exemption system in effect under section 5313 of title 31, United States Code; and

“(B) methods for improving financial institution utilization of the statutory exemption provisions as a way of reducing the submission of currency transaction reports that have little or no value for law enforcement purposes, including improvements in the systems in effect at financial institutions for regular review of the exemption procedures used at the institution and the training of personnel in its effective use.

“(2) REPORT REQUIRED.—The Secretary of the Treasury shall submit a report to the Congress before the end of the 1-year period beginning on the date of enactment of this Act [Oct. 26, 2001] containing the findings and conclusions of the Secretary with regard to the study required under subsection (a), and such recommendations for legislative or administrative action as the Secretary determines to be appropriate.”

REPORT REDUCTION GOAL; STREAMLINED CURRENCY TRANSACTION REPORTS

Pub. L. 103–325, title IV, §402(b), (c), Sept. 23, 1994, 108 Stat. 2245, provided that:

“(b) REPORT REDUCTION GOAL; REPORTS.—

“(1) IN GENERAL.—In implementing the amendment made by subsection (a) [amending this section], the Secretary of the Treasury shall seek to reduce, within a reasonable period of time, the number of reports required to be filed in the aggregate by depository institutions pursuant to section 5313(a) of title 31, United States Code, by at least 30 percent of the number filed during the year preceding the date of enactment of this Act [Sept. 23, 1994].

“(2) INTERIM REPORT.—The Secretary of the Treasury shall submit a report to the Congress not later than the end of the 180-day period beginning on the date of enactment of this Act on the progress made by the Secretary in implementing the amendment made by subsection (a).

“(3) ANNUAL REPORT.—The Secretary of the Treasury shall submit an annual report to the Congress after the end of each of the first 5 calendar years which begin after the date of enactment of this Act on the extent to which the Secretary has reduced the overall number of currency transaction reports filed with the Secretary pursuant to section 5313(a) of title 31, United States Code, consistent with the purposes of such section and effective law enforcement.

“(c) STREAMLINED CURRENCY TRANSACTION REPORTS.—The Secretary of the Treasury shall take such action as may be appropriate to—

“(1) redesign the format of reports required to be filed under section 5313(a) of title 31, United States Code, by any financial institution (as defined in section 5312(a)(2) of such title) to eliminate the need to report information which has little or no value for law enforcement purposes; and

“(2) reduce the time and effort required to prepare such report for filing by any such financial institution under such section.”

§5314. Records and reports on foreign financial agency transactions

(a) Considering the need to avoid impeding or controlling the export or import of monetary instruments and the need to avoid burdening unreasonably a person making a transaction with a foreign financial agency, the Secretary of the Treasury shall require a resident or citizen of the United States or a person in, and doing business in, the United States, to keep records, file reports, or keep records and file reports, when the resident, citizen, or person makes a transaction or maintains a relation for any person with a foreign financial agency. The records and reports shall contain the following information in the way and to the extent the Secretary prescribes:

- (1) the identity and address of participants in a transaction or relationship.
- (2) the legal capacity in which a participant is acting.
- (3) the identity of real parties in interest.
- (4) a description of the transaction.

(b) The Secretary may prescribe—

- (1) a reasonable classification of persons subject to or exempt from a requirement under this

section or a regulation under this section;

(2) a foreign country to which a requirement or a regulation under this section applies if the Secretary decides applying the requirement or regulation to all foreign countries is unnecessary or undesirable;

(3) the magnitude of transactions subject to a requirement or a regulation under this section;

(4) the kind of transaction subject to or exempt from a requirement or a regulation under this section; and

(5) other matters the Secretary considers necessary to carry out this section or a regulation under this section.

- (ii) to conduct enhanced scrutiny of such account to guard against money laundering and report any suspicious transactions under subsection (g); and

5318	31:1054(a), (b)(1st sentence). 31:1055.	Oct. 26, 1970, Pub. L. 91–508, §§205(a), (b)(1st sentence), 206, 84 Stat. 1120.

In the section, before clause (1), the words “have the responsibility to assure compliance with the requirements of this chapter” in 31:1054(a) are omitted as unnecessary because of section 321 of the revised title. The words “(except under section 5315 of this title and regulations prescribed under section 5315)” are added because 31:1141–1143 was not enacted as a part of the Currency and Foreign Transactions Reporting Act that is restated in this subchapter. In clause (1), the words “duties and powers” are substituted for “responsibilities” for consistency in the revised title and with other titles of the United States Code. The words “bank supervisory agency, or other” are omitted as surplus. In clause (2), the words “by regulation” and “as he may deem” are omitted as surplus. The words “and regulations prescribed under this subchapter” are added because of the restatement. In clause (3), the word “prescribe” is substituted for “make” in 31:1055 for consistency in the revised title and with other titles of the Code. The words “otherwise imposed”, 31:1055(1st sentence), and the words “in his discretion” are omitted as surplus.

(iii) the extent to which the action or the timing of the action would have a significant adverse systemic impact on the international payment, clearance, and settlement system, or on legitimate business activities involving the particular jurisdiction, institution, class of transactions, or type of account; and

(iv) the effect of the action on United States national security and foreign policy.

(5) **NO LIMITATION ON OTHER AUTHORITY.**—This section shall not be construed as superseding or otherwise restricting any other authority granted to the Secretary, or to any other agency, by this subchapter or otherwise.

- (i) the identity and address of the participants in a transaction or relationship, including the identity of the originator of any funds transfer;
- (ii) the legal capacity in which a participant in any transaction is acting;

(2) **INFORMATION RELATING TO BENEFICIAL OWNERSHIP.**—In addition to any other requirement under any other provision of law, the Secretary may require any domestic financial institution or domestic financial agency to take such steps as the Secretary may determine to be reasonable and practicable to obtain and retain information concerning the beneficial ownership of any account opened or maintained in the United States by a foreign person (other than a foreign entity whose shares are subject to public reporting requirements or are listed and traded on a regulated exchange or trading market), or a representative of such a foreign person, that involves a jurisdiction outside of the United States, 1 or more financial institutions operating outside of the United States, 1 or more classes of transactions within, or involving, a jurisdiction outside of the United States, or 1 or more types of accounts if the Secretary finds any such jurisdiction, institution, or transaction or type of account to be of primary money laundering concern.

(4) **INFORMATION RELATING TO CERTAIN CORRESPONDENT ACCOUNTS.**—If the Secretary finds a jurisdiction outside of the United States, 1 or more financial institutions operating outside of the United States, or 1 or more classes of transactions within, or involving, a jurisdiction outside of the United States to be of primary money laundering concern, the Secretary may require any domestic financial institution or domestic financial agency that opens or maintains a correspondent account in the United States for a foreign financial institution involving any such jurisdiction or any such financial institution operating outside of the United States, or a correspondent account through which any such transaction may be conducted, as a condition of opening or maintaining such account—

(c) CONSULTATIONS AND INFORMATION TO BE CONSIDERED IN FINDING JURISDICTIONS, INSTITUTIONS, TYPES OF ACCOUNTS, OR TRANSACTIONS TO BE OF PRIMARY MONEY LAUNDERING CONCERN.—

(1) IN GENERAL.—In making a finding that reasonable grounds exist for concluding that a jurisdiction outside of the United States, 1 or more financial institutions operating outside of the United States, 1 or more classes of transactions within, or involving, a jurisdiction outside of the United States, or 1 or more types of accounts is of primary money laundering concern so as to authorize the Secretary of the Treasury to take 1 or more of the special measures described in subsection (b), the Secretary shall consult with the Secretary of State and the Attorney General.

(2) ADDITIONAL CONSIDERATIONS.—In making a finding described in paragraph (1), the Secretary shall consider in addition such information as the Secretary determines to be relevant, including the following potentially relevant factors:

(A) JURISDICTIONAL FACTORS.—In the case of a particular jurisdiction—

(i) evidence that organized criminal groups, international terrorists, or entities involved in the proliferation of weapons of mass destruction or missiles have transacted business in that jurisdiction;

(ii) the extent to which that jurisdiction or financial institutions operating in that jurisdiction offer bank secrecy or special regulatory advantages to nonresidents or nondomiciliaries of that jurisdiction;

(iii) the substance and quality of administration of the bank supervisory and counter-money laundering laws of that jurisdiction;

(iv) the relationship between the volume of financial transactions occurring in that jurisdiction and the size of the economy of the jurisdiction;

(v) the extent to which that jurisdiction is characterized as an offshore banking or secrecy haven by credible international organizations or multilateral expert groups;

(vi) whether the United States has a mutual legal assistance treaty with that jurisdiction, and the experience of United States law enforcement officials and regulatory officials in obtaining information about transactions originating in or routed through or to such jurisdiction; and

(vii) the extent to which that jurisdiction is characterized by high levels of official or institutional corruption.

(B) INSTITUTIONAL FACTORS.—In the case of a decision to apply 1 or more of the special measures described in subsection (b) only to a financial institution or institutions, or to a transaction or class of transactions, or to a type of account, or to all 3, within or involving a particular jurisdiction—

(i) the extent to which such financial institutions, transactions, or types of accounts are used to facilitate or promote money laundering in or through the jurisdiction, including any money laundering activity by organized criminal groups, international terrorists, or entities involved in the proliferation of weapons of mass destruction or missiles;

(ii) the extent to which such institutions, transactions, or types of accounts are used for legitimate business purposes in the jurisdiction; and

(iii) the extent to which such action is sufficient to ensure, with respect to transactions involving the jurisdiction and institutions operating in the jurisdiction, that the purposes of this subchapter continue to be fulfilled, and to guard against international money laundering and other financial crimes.

(d) **NOTIFICATION OF SPECIAL MEASURES INVOKED BY THE SECRETARY.**—Not later than 10 days after the date of any action taken by the Secretary of the Treasury under subsection (a)(1), the Secretary shall notify, in writing, the Committee on Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate of any such action.

(e) **DEFINITIONS.**—Notwithstanding any other provision of this subchapter, for purposes of this section and subsections (i) and (j) of section 5318, the following definitions shall apply:

(1) **BANK DEFINITIONS.**—The following definitions shall apply with respect to a bank:

(A) **ACCOUNT.**—The term “account”—

(i) means a formal banking or business relationship established to provide regular services, dealings, and other financial transactions; and

(ii) includes a demand deposit, savings deposit, or other transaction or asset account and a credit account or other extension of credit.

(B) **CORRESPONDENT ACCOUNT.**—The term “correspondent account” means an account established to receive deposits from, make payments on behalf of a foreign financial institution, or handle other financial transactions related to such institution.

(C) **PAYABLE-THROUGH ACCOUNT.**—The term “payable-through account” means an account, including a transaction account (as defined in section 19(b)(1)(C) of the Federal Reserve Act), opened at a depository institution by a foreign financial institution by means of which the foreign financial institution permits its customers to engage, either directly or through a subaccount, in banking activities usual in connection with the business of banking in the United States.

(2) **DEFINITIONS APPLICABLE TO INSTITUTIONS OTHER THAN BANKS.**—With respect to any financial institution other than a bank, the Secretary shall, after consultation with the appropriate Federal functional regulators (as defined in section 509 of the Gramm-Leach-Bliley Act), define by regulation the term “account”, and shall include within the meaning of that term, to the extent, if any, that the Secretary deems appropriate, arrangements similar to payable-through and correspondent accounts.

(3) **REGULATORY DEFINITION OF BENEFICIAL OWNERSHIP.**—The Secretary shall promulgate regulations defining beneficial ownership of an account for purposes of this section and subsections (i) and (j) of section 5318. Such regulations shall address issues related to an individual's authority to fund, direct, or manage the account (including, without limitation, the power to direct payments into or out of the account), and an individual's material interest in the income or corpus of the account, and shall ensure that the identification of individuals under this section or subsection (i) or (j) of section 5318 does not extend to any individual whose beneficial interest in the income or corpus of the account is immaterial.

(4) **OTHER TERMS.**—The Secretary may, by regulation, further define the terms in paragraphs (1), (2), and (3), and define other terms for the purposes of this section, as the Secretary deems appropriate.

(f) **CLASSIFIED INFORMATION.**—In any judicial review of a finding of the existence of a primary money laundering concern, or of the requirement for 1 or more special measures with respect to a primary money laundering concern, made under this section, if the designation or imposition, or both, were based on classified information (as defined in section 1(a) of the Classified Information Procedures Act (18 U.S.C. App.),² such information may be submitted by the Secretary to the reviewing court ex parte and in camera. This subsection does not confer or imply any right to judicial review of any finding made or any requirement imposed under this section.

Pub. L. 107–56, title III, §371(a), (b), Oct. 26, 2001, 115 Stat. 336, 337, provided that:

“(a) **FINDINGS.**—The Congress finds the following:

“(1) Effective enforcement of the currency reporting requirements of subchapter II of chapter 53 of title 31, United States Code, and the regulations prescribed under such subchapter, has forced drug dealers and other criminals engaged in cash-based businesses to avoid using traditional financial institutions.

“(2) In their effort to avoid using traditional financial institutions, drug dealers and other criminals are forced to move large quantities of currency in bulk form to and through the airports, border crossings, and other ports of entry where the currency can be smuggled out of the United States and placed in a foreign financial institution or sold on the black market.

“(3) The transportation and smuggling of cash in bulk form may now be the most common form of money laundering, and the movement of large sums of cash is one of the most reliable warning signs of drug trafficking, terrorism, money laundering, racketeering, tax evasion and similar crimes.

“(4) The intentional transportation into or out of the United States of large amounts of currency or monetary instruments, in a manner designed to circumvent the mandatory reporting provisions of subchapter II of chapter 53 of title 31, United States Code., [sic] is the equivalent of, and creates the same harm as, the smuggling of goods.

“(5) The arrest and prosecution of bulk cash smugglers are important parts of law enforcement's effort to stop the laundering of criminal proceeds, but the couriers who attempt to smuggle the cash out of the United States are typically low-level employees of large criminal organizations, and thus are easily replaced. Accordingly, only the confiscation of the smuggled bulk cash can effectively break the cycle of criminal activity of which the laundering of the bulk cash is a critical part.

“(6) The current penalties for violations of the currency reporting requirements are insufficient to provide a deterrent to the laundering of criminal proceeds. In particular, in cases where the only criminal violation under current law is a reporting offense, the law does not adequately provide for the confiscation of smuggled currency. In contrast, if the smuggling of bulk cash were itself an offense, the cash could be confiscated as the corpus delicti of the smuggling offense.

“(b) PURPOSES.—The purposes of this section [enacting this section] are—

“(1) to make the act of smuggling bulk cash itself a criminal offense;

“(2) to authorize forfeiture of any cash or instruments of the smuggling offense; and

“(3) to emphasize the seriousness of the act of bulk cash smuggling.”

§5342. High-risk money laundering and related financial crime areas

(a) FINDINGS AND PURPOSE.—

(1) FINDINGS.—The Congress finds the following:

(A) Money laundering and related financial crimes frequently appear to be concentrated in particular geographic areas, financial systems, industry sectors, or financial institutions.

(B) While the Secretary has the responsibility to act with regard to Federal offenses which are being committed in a particular locality or are directed at a single institution, because modern financial systems and institutions are interconnected to a degree which was not possible until recently, money laundering and other related financial crimes are likely to have local, State, national, and international effects wherever they are committed.

(2) PURPOSE AND OBJECTIVE.—It is the purpose of this section to provide a mechanism for designating any area where money laundering or a related financial crime appears to be occurring at a higher than average rate such that—

(A) a comprehensive approach to the problem of such crime in such area can be developed, in cooperation with State and local law enforcement agencies, which utilizes the authority of the Secretary to prevent such activity; or

(B) such area can be targeted for law enforcement action.

(c) **DESIGNATION OF AREAS.**—

(2) **CASE-BY-CASE DETERMINATION IN CONSULTATION WITH THE ATTORNEY GENERAL.**—In addition to the factors specified in subsection (d), any designation of any area under paragraph (1) shall be made on the basis of a determination by the Secretary, in consultation with the Attorney General, that the particular area, industry, sector, or institution is being victimized by, or is particularly vulnerable to, money laundering and related financial crimes.

(3) **SPECIFIC INITIATIVES.**—Any head of a department, bureau, or law enforcement agency, including any State or local prosecutor, involved in the detection, prevention, and suppression of money laundering and related financial crimes and any State or local official or prosecutor may submit—

(A) a written request for the designation of any area as a high-risk money laundering and related financial crimes area; or

(B) a written request for funding under section 5351 for a specific prevention or enforcement initiative, or to determine the extent of financial criminal activity, in an area.

(d) **FACTORS.**—In considering the designation of any area as a high-risk money laundering and related financial crimes area, the Secretary shall, to the extent appropriate and in consultation with the Attorney General, take into account the following factors:

(1) The population of the area.

(2) The number of bank and nonbank financial institution transactions which originate in such area or involve institutions located in such area.

(3) The number of stock or commodities transactions which originate in such area or involve institutions located in such area.

(4) Whether the area is a key transportation hub with any international ports or airports or an extensive highway system.

(5) Whether the area is an international center for banking or commerce.

(6) The extent to which financial crimes and financial crime-related activities in such area are having a harmful impact in other areas of the country.

(7) The number or nature of requests for information or analytical assistance which—

(A) are made to the analytical component of the Department of the Treasury; and

(B) originate from law enforcement or regulatory authorities located in such area or involve institutions or businesses located in such area or residents of such area.

(8) The volume or nature of suspicious activity reports originating in the area.

(9) The volume or nature of currency transaction reports or reports of cross-border movements of currency or monetary instruments originating in, or transported through, the area.

(10) Whether, and how often, the area has been the subject of a geographical targeting order.

(11) Observed changes in trends and patterns of money laundering activity.

(12) Unusual patterns, anomalies, growth, or other changes in the volume or nature of core economic statistics or indicators.

(13) Statistics or indicators of unusual or unexplained volumes of cash transactions.

(14) Unusual patterns, anomalies, or changes in the volume or nature of transactions conducted through financial institutions operating within or outside the United States.

SUBCHAPTER IV—PROHIBITION ON FUNDING OF UNLAWFUL INTERNET GAMBLING

§5361. Congressional findings and purpose

(a) FINDINGS.—Congress finds the following:

(1) Internet gambling is primarily funded through personal use of payment system instruments, credit cards, and wire transfers.

(3) Internet gambling is a growing cause of debt collection problems for insured depository institutions and the consumer credit industry.

(b) RULE OF CONSTRUCTION.—No provision of this subchapter shall be construed as altering, limiting, or extending any Federal or State law or Tribal-State compact prohibiting, permitting, or regulating gambling within the United States.

(Added Pub. L. 109–347, title VIII, §802(a), Oct. 13, 2006, 120 Stat. 1952.)

“(2) advance policies that promote the cooperation of foreign governments, through information sharing or other measures, in the enforcement of this Act [probably means title VIII of Pub. L. 109–347, which enacted this subchapter, see Short Title of 2006 Amendment note set out under section 5301 of this title]; and

The words “section 502 of the District of Columbia Self-Government and Governmental Reorganization Act (Public Law 93–198, 87 Stat. 813, D.C. Code §47–3406)” are substituted for “article VI of the District of Columbia Revenue Act of 1947 (D.C. Code secs. 47–2501a and 47–2501b)” because the former has superseded the latter.

Clause (3) restates the source provisions because of the definition of “executive agency” in section 102 of the revised title.

In clause (4)(A) and (B), the word “grant” is substituted for “ ‘grant’ or ‘grant-in-aid’ ” for consistency in

The words “unit of general local government” are substituted for “local unit of government, including specifically a county, municipality, city, town, township” to incorporate the definition in clause (9).

In clause (7), the words “public-purpose local government” are substituted for “public-purpose corporation or other strictly limited purpose political subdivision” to eliminate unnecessary words.

In clause (8), the words “the Commonwealth of Puerto Rico” are omitted as being included in “territory or possession of the United States” and as necessary because of 48:734.

§6503. Intergovernmental financing

(a) Consistent with program purposes and with regulations of the Secretary, and in accordance with an agreement under subsection (b) entered into by the Secretary and a State—

(1) the head of an executive agency (other than the Tennessee Valley Authority) carrying out a program shall schedule transfers of funds to the State under the program so as to minimize the time elapsing between transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payments by other means by a State; and

(2) the State shall minimize the time elapsing between transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payments by other means for program purposes.

(b)(1) The Secretary shall enter into an agreement with each State to which transfers of funds are made, which establishes procedures and requirements for implementing this section.

(2) An agreement under this subsection shall—

(A) specify procedures chosen by the State for carrying out transfers of funds under the agreement;

(B) describe the process by which the Federal Government shall review and approve the implementation of the procedures specified under subparagraph (A);

(C) establish the methods to be used for calculating and documenting payments of interest

pursuant to this section; and

(D) specify those types of costs directly incurred by the State for interest calculations required under this section, and require the Secretary to consider those costs in computing payments under this section.

(3) The Secretary shall issue regulations establishing procedures and requirements for implementing this section with respect to a State with which no agreement is entered into by the Secretary under paragraph (1). Such regulations shall apply to a State until such time as the Secretary enters into an agreement with the State under paragraph (1).

(c)(1) The Secretary shall issue regulations that shall require a State, when not inconsistent with program purposes, to pay interest to the United States on funds from the time funds are deposited by the United States to the State's account until the time that funds are paid out by the State in order to redeem checks or warrants or make payments by other means for program purposes. Except as provided under paragraph (3)(B) (relating to the Unemployment Trust Fund), the interest payable under this subsection shall be calculated at a rate equal to the average of the bond equivalent rates of 13-week Treasury bills auctioned during the period for which interest is calculated, as determined by the Secretary.

(2) Except as provided in paragraph (3), amounts received by the United States as payment of interest under this subsection shall be deposited in the Treasury and credited as miscellaneous receipts.

(3)(A) Amounts paid by a State under paragraph (1) as interest on funds paid to a State from a trust fund for which the Secretary is the trustee shall be credited to such trust fund.

(B) Notwithstanding any other provision of this section, amounts of interest paid by a State, on funds drawn from its account in the Unemployment Trust Fund, shall be deposited into that account and shall consist of actual interest earnings by the State, less related banking costs incurred by the State, for the period for which interest is calculated.

(d)(1) If a State disburses its own funds for program purposes in accordance with Federal law, Federal regulation, or Federal-State agreement, the State shall be entitled to interest from the time the State's funds are paid out to redeem checks or warrants, or make payments by other means, until the Federal funds are deposited to the State's bank account. The Secretary shall pay, out of any money in the Treasury not otherwise appropriated, such amounts as may be necessary for interest owed to a State under this subsection. Such interest shall be calculated, at a rate equal to the average of the bond equivalent rates of 13-week Treasury bills auctioned during the period for which interest is calculated, as determined by the Secretary.

(2) If interest is paid under this subsection as a result of a State disbursing its own funds before receiving payment from a trust fund for which the Secretary of the Treasury is the trustee, such interest shall be charged against such trust fund.

(e) The budget submitted by the President under section 1105 of this title for a fiscal year shall include a statement specifying, for the most recently completed fiscal year, amounts of interest accrued to the Federal Government under subsection (c) and amounts of interest paid to States under subsection (d).

(f) If a State receives refunds of funds disbursed by the State under a Federal program, the State shall return those refunds to the Federal executive agency administering the program or apply those refunds to reduce the amount of funds owed by the Federal Government to the State under such program. Interest earned on such refunds shall be considered when setting overall interest obligations between the State and the Federal Government as required by this section.

(g) If the Federal Government makes a payment to a recipient under a Federal program, and a portion of the payment is an amount which the Federal Government is paying to such recipient on behalf of a State, such amount shall be considered to be a transfer of funds between the Federal Government and the State for purposes of this section.

(h) A State may not be required by a law or regulation of the United States to deposit funds received by it in a separate bank account. However, a State shall account for funds made available to the State as United States Government funds in the accounts of the State. The head of the State

agency concerned shall make periodic authenticated reports to the head of the appropriate Federal executive agency on the status and the application of the funds, the liabilities and obligations on hand, and other information required by the head of the executive agency. Records related to the funds received by the State shall be made available to the head of the executive agency, the Inspector General of the executive agency, and the Comptroller General for necessary audits.

(i) The Secretary shall prescribe methods for the payment of interest under this section between the Federal Government and the States, including provisions for offsetting amounts owed by the respective parties. Such methods of payment shall require payment of interest on an annual basis and shall provide for comparable treatment in manner, technique, and timing for both the States and the Federal Government.

(j) Consistent with Federal program purposes and regulations of the Director of the Office of Management and Budget, the head of a Federal executive agency carrying out a program shall execute grant awards to States on a timely basis to assure the availability of funds to accomplish transfers in compliance with subsection (a) of this section.

(Pub. L. 97–258, Sept. 13, 1982, 96 Stat. 1007; Pub. L. 101–453, §5(b), Oct. 24, 1990, 104 Stat. 1059.)

Similar provisions were contained in the following prior appropriation act:

Pub. L. 104–208, div. A, title I, §101(a) [title I], Sept. 30, 1996, 110 Stat. 3009, 3009–5.

§6506. Development assistance

(a) The economic and social development of the United States and the achievement of satisfactory levels of living depend on the sound and orderly development of urban and rural areas. When urbanization proceeds rapidly, the sound and orderly development of urban communities depends to a large degree on the social and economic health and the sound development of smaller communities and rural areas.

(b) The President shall prescribe regulations governing the formulation, evaluation, and review of United States Government programs and projects having a significant impact on area and community development (including programs and projects providing assistance to States and localities) to serve most effectively the basic objectives of subsection (a) of this section. The regulations shall provide for the consideration of concurrently achieving the following specific objectives and, to the extent authorized by law, reasoned choices shall be made between the objectives when they conflict:

- (1) appropriate land uses for housing, commercial, industrial, governmental, institutional, and other purposes.
- (2) wise development and conservation of all natural resources.
- (3) balanced transportation systems, including highway, air, water, pedestrian, mass transit, and other means to move people and goods.
- (4) adequate outdoor recreation and open space.
- (5) protection of areas of unique natural beauty and historic and scientific interest.
- (6) properly planned community facilities (including utilities for supplying power, water, and communications) for safely disposing of wastes, and for other purposes.
- (7) concern for high standards of design.

(c) To the extent possible, all national, regional, State, and local viewpoints shall be considered in planning development programs and projects of the United States Government or assisted by the Government. State and local government objectives and the objectives of regional organizations shall be considered within a framework of national public objectives expressed in laws of the United States. Available projections of future conditions in the United States and needs of regions, States, and localities shall be considered in plan formulation, evaluation, and review.

(d) To the maximum extent possible and consistent with national objectives, assistance for development purposes shall be consistent with and further the objectives of State, regional, and local comprehensive planning. Consideration shall be given to all developmental aspects of our total national community, including housing, transportation, economic development, natural and human resources development, community facilities, and the general improvement of living environments.

(e) To the maximum extent practicable, each executive agency carrying out a development assistance program shall consult with and seek advice from all other significantly affected executive agencies in an effort to ensure completely coordinated programs. To the extent possible, systematic planning required by individual United States Government programs (such as highway construction, urban renewal, and open space) shall be coordinated with and, to the extent authorized by law, made part of comprehensive local and areawide development planning.

(f) When a law of the United States provides that both a special-purpose unit of local government and a unit of general local government are eligible to receive a loan or grant, the head of an executive agency shall make the loan or grant to the unit of general local government instead of the special-purpose unit of local government in the absence of substantial reasons to the contrary.

(g) The President may designate an executive agency to prescribe regulations to carry out this section.

EX. ORD. NO. 12372. INTERGOVERNMENTAL REVIEW OF FEDERAL PROGRAMS

Ex. Ord. No. 12372, July 14, 1982, 47 F.R. 30959, as amended by Ex. Ord. No. 12416, Apr. 8, 1983, 48 F.R. 15587, provided:

By the authority vested in me as President by the Constitution and laws of the United States of America, including Section 401(a) of the Intergovernmental Cooperation Act of 1968 (42 U.S.C. 4231(a)) [31 U.S.C. 6506(a) and (b)], Section 204 of the Demonstration Cities and Metropolitan Development Act of 1966 (42 U.S.C. 3334) and Section 301 of Title 3 of the United States Code, and in order to foster an intergovernmental partnership and a strengthened federalism by relying on State and local processes for the State and local government coordination and review of proposed Federal financial assistance and direct Federal development, it is hereby ordered as follows:

SECTION 1. Federal agencies shall provide opportunities for consultation by elected officials of those State and local governments that would provide the non-Federal funds for, or that would be directly affected by, proposed Federal financial assistance or direct Federal development.

SEC. 2. To the extent the States, in consultation with local general purpose governments, and local special purpose governments they consider appropriate, develop their own processes or refine existing processes for State and local elected officials to review and coordinate proposed Federal financial assistance and direct Federal development, the Federal agencies shall, to the extent permitted by law:

(a) Utilize the State process to determine official views of State and local elected officials.

(b) Communicate with State and local elected officials as early in the program planning cycle as is reasonably feasible to explain specific plans and actions.

(c) Make efforts to accommodate State and local elected officials’ concerns with proposed Federal financial assistance and direct Federal development that are communicated through the designated State process. For those cases where the concerns cannot be accommodated, Federal officials shall explain the bases for their decision in a timely manner.

(d) Allow the States to simplify and consolidate existing Federally required State plan submissions. Where State planning and budgeting systems are sufficient and where permitted by law, the substitution of State plans for Federally required State plans shall be encouraged by the agencies.

(e) Seek the coordination of views of affected State and local elected officials in one State with those of another State when proposed Federal financial assistance or direct Federal development has an impact on interstate metropolitan urban centers or other interstate areas. Existing interstate mechanisms that are redesignated as part of the State process may be used for this purpose.

(f) Support State and local governments by discouraging the reauthorization or creation of any planning organization which is Federally-funded, which has a Federally-prescribed membership, which is established for a limited purpose, and which is not adequately representative of, or accountable to, State or local elected officials.

SEC. 3. (a) The State process referred to in Section 2 shall include those where States delegate, in specific instances, to local elected officials the review, coordination, and communication with Federal agencies.

(b) At the discretion of the State and local elected officials, the State process may exclude certain Federal programs from review and comment.

SEC. 4. The Office of Management and Budget (OMB) shall maintain a list of official State entities designated by the States to review and coordinate proposed Federal financial assistance and direct Federal development. The Office of Management and Budget shall disseminate such lists to the Federal agencies.

SEC. 5. (a) Agencies shall propose rules and regulations governing the formulation, evaluation, and review of proposed Federal financial assistance and direct Federal development pursuant to this Order, to be submitted to the Office of Management and Budget for approval.

(b) The rules and regulations which result from the process indicated in Section 5(a) above shall replace any

current rules and regulations and become effective September 30, 1983.

SEC. 6. The Director of the Office of Management and Budget is authorized to prescribe such rules and regulations, if any, as he deems appropriate for the effective implementation and administration of this Order and the Intergovernmental Cooperation Act of 1968 [31 U.S.C. 6501 et seq.]. The Director is also authorized to exercise the authority vested in the President by Section 401(a) of that Act (42 U.S.C. 4231(a)) [31 U.S.C. 6506(a) and (b)] in a manner consistent with this Order.

SEC. 7. The Memorandum of November 8, 1968, is terminated (33 *Fed. Reg.* 16487, November 13, 1968). The Director of the Office of Management and Budget shall revoke OMB Circular A-95, which was issued pursuant to that Memorandum. However, Federal agencies shall continue to comply with the rules and regulations issued pursuant to that Memorandum, including those issued by the Office of Management and Budget, until new rules and regulations have been issued in accord with this Order.

SEC. 8. The Director of the Office of Management and Budget shall report to the President by September 30, 1984 on Federal agency compliance with this Order. The views of State and local elected officials on their experiences with these policies, along with any suggestions for improvement, will be included in the Director's report.

- (4) the extent to which the program is adequate to meet the growing and changing needs that it was designed to support.

(b)(1) A study under subsection (a) of this section of a grant program authorized by a law of the United States enacted before October 16, 1968, shall be conducted before the end of each 4th calendar year after the year during which a study of the program was last conducted under this section.

The Secretary shall—

(1) determine the amount allocated to the State under subsection (b) or (c) of this section and allocate the larger amount to the State; and

(2) allocate the amount allocated to the State to units of general local government in the State under sections 6705 and 6706.

(A) the population of the State, multiplied by the general tax effort factor of the State (determined under paragraph (2)), multiplied by the relative income factor of the State (determined under paragraph (3)), multiplied by the relative rate of the labor force unemployed in the State (determined under paragraph (4)); bears to

(B) the sum of the products determined under subparagraph (A) of this paragraph for all States.

(2) **GENERAL TAX EFFORT FACTOR.**—The general tax effort factor of a State for a payment period is—

(A) the net amount of State and local taxes of the State collected during the year 1991 as reported by the Bureau of the Census in the publication *Government Finances 1990–1991*; divided by

(B) the total income of individuals, as determined by the Secretary of Commerce for national accounts purposes for 1992 as reported in the publication *Survey of Current Business* (August 1993), attributed to the State for the same year.

(3) **RELATIVE INCOME FACTOR.**—The relative income factor of a State is a fraction in which—

(2) \$1,166,666,667 were allocated among the States on the basis of population inversely weighted for per capita income, by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as—

(A) the population of the State, multiplied by a fraction in which—

(i) the numerator is the per capita income of all States; and

(ii) the denominator is the per capita income of the State; bears to

(B) the sum of the products determined under subparagraph (A) for all States;

(3) \$600,000,000 were allocated among the States on the basis of income tax collections by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as the income tax amount of the State (determined under subsection (d)(1)) bears to the sum of the income tax amounts of all States;

(4) \$600,000,000 were allocated among the States on the basis of general tax effort by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as the general tax effort amount of the State (determined under subsection (d)(2)) bears to the sum of the general tax effort amounts of all States;

(5) \$600,000,000 were allocated among the States on the basis of unemployment by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as—

bears to

(B) the sum of the products determined under subparagraph (A) for all States; and

(6) \$1,166,666,667 were allocated among the States on the basis of urbanized population by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as the urbanized population of the State bears to the urbanized population of all States. In addition to uses authorized under section 6701(a)(2), amounts allocated under this subsection and paid to an Indian tribe or Alaskan native ¹ village under this chapter may be used for renovating or building prisons or other correctional facilities.

(b) **NEWLY INCORPORATED LOCAL GOVERNMENTS AND ANNEXED GOVERNMENTS.**—If there is in a State a unit of general local government that has been incorporated since the date of the collection of the data used by the Secretary in making allocations pursuant to sections 6704 through 6706 and 6708, the Secretary shall allocate to this newly incorporated local government, out of the amount allocated to the State under section 6704, an amount bearing the same ratio to the amount allocated to the State as the population of the newly incorporated local government bears to the population of the State. If there is in the State a unit of general local government that has been annexed since the date of the collection of the data used by the Secretary in making allocations pursuant to sections 6704 through 6706 and 6708, the Secretary shall pay the amount that would have been allocated to this local government to the unit of general local government that annexed it.

(c) **OTHER LOCAL GOVERNMENT ALLOCATIONS.**—

(1) **IN GENERAL.**—The Secretary shall allocate among the units of general local government in a State (other than units receiving allocations under subsection (a)) the amount allocated to the State under section 6704 (as that amount is reduced by allocations under subsection (a)). Of the amount to be allocated, the Secretary shall allocate a portion equal to $\frac{1}{2}$ of such amount in accordance with section 6706(1), and shall allocate a portion equal to $\frac{1}{2}$ of such amount in accordance with section 6706(2). A unit of general local government shall receive an amount equal to the sum of amounts allocated to the unit from each portion.

(2) **RATIO.**—From each portion to be allocated to units of local government in a State under paragraph (1), the Secretary shall allocate to a unit an amount bearing the same ratio to the funds to be allocated as—

(A) the population of the unit, multiplied by the general tax effort factor of the unit (determined under paragraph (3)), multiplied by the income gap of the unit (determined under paragraph (4)), bears to

(B) the sum of the products determined under subparagraph (A) for all units in the State for which the income gap for that portion under paragraph (4) is greater than zero.

(3) **GENERAL TAX EFFORT FACTOR.**—(A) Except as provided in subparagraph (C), the general tax effort factor of a unit of general local government for a payment period is—

- (i) the adjusted taxes of the unit; divided by
- (ii) the total income attributed to the unit.

(B) If the amount determined under subparagraphs (A)(i) and (ii) for a unit of general local government is less than zero, the general tax effort factor of the unit is deemed to be zero.

(C)(i) Except as otherwise provided in this subparagraph, for the payment period beginning October 1, 1994, the adjusted taxes of a unit of general local government are the taxes imposed by the unit for public purposes (except employee and employer assessments and contributions to finance retirement and social insurance systems and other special assessments for capital outlay), as determined by the Bureau of the Census for the 1987 Census of Governments and adjusted as follows:

(ii) The Secretary shall, for purposes of clause (i), include that part of sales taxes transferred to a unit of general local government that are imposed by a county government in the geographic area

of which is located the unit of general local government as taxes imposed by the unit for public purposes if—

(I) the county government transfers any part of the revenue from the taxes to the unit of general local government without specifying the purpose for which the unit of general local government may expend the revenue; and

except that if this amount is less than zero then the excess adjusted taxes of the unit is deemed to be zero.

(vii) For purposes of this subparagraph—

(I) the term “per capita adjusted taxes of all units of general local government of the same type” means the sum of the adjusted taxes of all units of general local government of the same type divided by the sum of the populations of all units of general local government of the same type; and

(II) the term “units of general local government of the same type” means all townships if the unit of general local government is a township, all municipalities if the unit of general local government is a municipality, all counties if the unit of general local government is a county, or all unified city/county governments if the unit of general local government is a unified city/county government.

(4) INCOME GAP.—(A) Except as provided in subparagraph (B), the income gap of a unit of general local government is—

(B) If the amount determined under subparagraph (A) for a unit of general local government is less than zero, then the relative income factor of the unit is deemed to be zero.

(d) SMALL GOVERNMENT ALLOCATIONS.—If the Secretary decides that information available for a unit of general local government with a population below a number (of not more than 500) prescribed by the Secretary is inadequate, the Secretary may allocate to the unit, in lieu of any allocation under subsection (b) for a payment period, an amount bearing the same ratio to the total amount to be allocated under subsection (b) for the period for all units of general local government in the State as the population of the unit bears to the population of all units in the State.

The notice shall state the basis of the finding or holding.

(b) INFORMAL PRESENTATION OF EVIDENCE.—A unit of general local government may present evidence informally to the Secretary within 30 days after the government receives a notice of noncompliance from the Secretary. PAYMENTS MADE PRIOR TO JANUARY 1, 1983

Pub. L. 98–63, title I, §101(3), July 30, 1983, 97 Stat. 324, provided in part that: “The United States shall not be subject to any cause of action or any liability for distribution of payments made prior to January 1, 1983, under the Act of October 20, 1976 (90 Stat. 2662), as amended [Pub. L. 94–565, see 31 U.S.C. 6901 et seq.], or regulations pursuant thereto.”

§6904. Additional payments

(a) In addition to payments the Secretary of the Interior makes under section 6902 of this title, the Secretary shall make a payment for each fiscal year to a unit of general local government collecting and distributing real property taxes (including a unit in Alaska outside the boundaries of an organized borough) in which is located an interest in land that—

(1) the United States Government acquires for—

(A) the National Park System; or

(B) the National Forest Wilderness Areas; and

(2) was subject to local real property taxes within the 5-year period before the interest is acquired.

(b) The Secretary shall make payments only for the 5 fiscal years after the fiscal year in which the interest in land is acquired. Under guidelines the Secretary prescribes, the unit of general local government receiving the payment from the Secretary shall distribute payments proportionally to units and school districts that lost real property taxes because of the acquisition of the interest. A unit receiving a distribution may use a payment for any governmental purpose.

(c) Each yearly payment by the Secretary under this section is equal to one percent of the fair market value of the interest in land on the date the Government acquires the interest. However, a payment may not be more than the amount of real property taxes levied on the property during the last fiscal year before the fiscal year in which the interest is acquired. A decision on fair market value under this section may not include an increase in the value of an interest because the land is rezoned when the rezoning causes the increase after the date of enactment of a law authorizing the acquisition of an interest under subsection (a) of this section.

(d) The Secretary may prescribe regulations under which payments may be made to units of general local government when subsections (a) and (b) of this section will not carry out the purpose of subsections (a) and (b).

(f)(1) Each Federal agency which provides Federal awards to a recipient shall—

(A) provide such recipient the program names (and any identifying numbers) from which such awards are derived, and the Federal requirements which govern the use of such awards and the requirements of this chapter; and

(B) review the audit of a recipient as necessary to determine whether prompt and appropriate corrective action has been taken with respect to audit findings, as defined by the Director, pertaining to Federal awards provided to the recipient by the Federal agency.

(2) Each pass-through entity shall—

(A) provide such subrecipient the program names (and any identifying numbers) from which such assistance is derived, and the Federal requirements which govern the use of such awards and the requirements of this chapter;

(B) monitor the subrecipient's use of Federal awards through site visits, limited scope audits, or other means;

(C) review the audit of a subrecipient as necessary to determine whether prompt and appropriate corrective action has been taken with respect to audit findings, as defined by the Director, pertaining to Federal awards provided to the subrecipient by the pass-through entity; and

(g)(1) The auditor shall report on the results of any audit conducted pursuant to this section, in accordance with guidance issued by the Director.

(B) for fiscal years beginning after the period specified in subparagraph (A), 9 months after the end of the period audited, or within a longer timeframe authorized by the Federal agency, determined under criteria issued under section 7504, when the 9-month timeframe would place an undue burden on the non-Federal entity.

(i) If an audit conducted pursuant to this section discloses any audit findings, as defined by the Director, including material noncompliance with individual compliance requirements for a major

program by, or reportable conditions in the internal controls of, the non-Federal entity with respect to the matters described in subsection (e), the non-Federal entity shall submit to Federal officials designated by the Director, a plan for corrective action to eliminate such audit findings or reportable conditions or a statement describing the reasons that corrective action is not necessary. Such plan shall be consistent with the audit resolution standard promulgated by the Comptroller General (as part of the standards for internal controls in the Federal Government) pursuant to section 3512(c).

(j) The Director may authorize pilot projects to test alternative methods of achieving the purposes of this chapter. Such pilot projects may begin only after consultation with the Chair and Ranking Minority Member of the Committee on Governmental Affairs of the Senate and the Chair and Ranking Minority Member of the Committee on Government Reform and Oversight of the House of Representatives.

§7503. Relation to other audit requirements

(a) An audit conducted in accordance with this chapter shall be in lieu of any financial audit of Federal awards which a non-Federal entity is required to undergo under any other Federal law or regulation. To the extent that such audit provides a Federal agency with the information it requires to carry out its responsibilities under Federal law or regulation, a Federal agency shall rely upon and use that information.

(b) Notwithstanding subsection (a), a Federal agency may conduct or arrange for additional audits which are necessary to carry out its responsibilities under Federal law or regulation. The provisions

of this chapter do not authorize any non-Federal entity (or subrecipient thereof) to constrain, in any manner, such agency from carrying out or arranging for such additional audits, except that the Federal agency shall plan such audits to not be duplicative of other audits of Federal awards.

(c) The provisions of this chapter do not limit the authority of Federal agencies to conduct, or arrange for the conduct of, audits and evaluations of Federal awards, nor limit the authority of any Federal agency Inspector General or other Federal official.

(d) Subsection (a) shall apply to a non-Federal entity which undergoes an audit in accordance with this chapter even though it is not required by section 7502(a) to have such an audit.

(e) A Federal agency that provides Federal awards and conducts or arranges for audits of non-Federal entities receiving such awards that are in addition to the audits of non-Federal entities conducted pursuant to this chapter shall, consistent with other applicable law, arrange for funding the full cost of such additional audits. Any such additional audits shall be coordinated with the Federal agency determined under criteria issued under section 7504 to preclude duplication of the audits conducted pursuant to this chapter or other additional audits.

(f) Upon request by a Federal agency or the Comptroller General, any independent auditor conducting an audit pursuant to this chapter shall make the auditor's working papers available to the Federal agency or the Comptroller General as part of a quality review, to resolve audit findings, or to carry out oversight responsibilities consistent with the purposes of this chapter. §7504. Federal agency responsibilities and relations with non-Federal entities

(a) Each Federal agency shall, in accordance with guidance issued by the Director under section 7505, with regard to Federal awards provided by the agency—

- (1) monitor non-Federal entity use of Federal awards, and
- (2) assess the quality of audits conducted under this chapter for audits of entities for which the agency is the single Federal agency determined under subsection (b).

(b) Each non-Federal entity shall have a single Federal agency, determined in accordance with criteria established by the Director, to provide the non-Federal entity with technical assistance and assist with implementation of this chapter.

(c) The Director shall designate a Federal clearinghouse to—

- (1) receive copies of all reporting packages developed in accordance with this chapter;
- (2) identify recipients that expend \$300,000 or more in Federal awards or such other amount specified by the Director under section 7502(a)(3) during the recipient's fiscal year but did not undergo an audit in accordance with this chapter; and
- (3) perform analyses to assist the Director in carrying out responsibilities under this chapter.

(Added Pub. L. 98–502, §2(a), Oct. 19, 1984, 98 Stat. 2333; amended Pub. L. 104–156, §2, July 5, 1996, 110 Stat. 1402.)

Each Federal agency shall promulgate such amendments to its regulations as may be necessary to conform such regulations to the requirements of this chapter and of such guidance.

(b)(1) The guidance prescribed pursuant to subsection (a) shall include criteria for determining the appropriate charges to Federal awards for the cost of audits. Such criteria shall prohibit a non-Federal entity from charging to any Federal awards—

(A) the cost of any audit which is—

(i) not conducted in accordance with this chapter; or

(ii) conducted in accordance with this chapter when expenditures of Federal awards are less than amounts cited in section 7502(a)(1)(A) or specified by the Director under section 7502(a)(3), except that the Director may allow the cost of limited scope audits to monitor subrecipients in accordance with section 7502(f)(2)(B); and

(B) more than a reasonably proportionate share of the cost of any such audit that is conducted in accordance with this chapter.

(2) The criteria prescribed pursuant to paragraph (1) shall not, in the absence of documentation demonstrating a higher actual cost, permit the percentage of the cost of audits performed pursuant to this chapter charged to Federal awards, to exceed the ratio of total Federal awards expended by such non-Federal entity during the applicable fiscal year or years, to such non-Federal entity's total expenditures during such fiscal year or years.

(c) Such guidance shall include such provisions as may be necessary to ensure that small business concerns, qualified HUBZone small business concerns, and business concerns owned and controlled by socially and economically disadvantaged individuals will have the opportunity to participate in the performance of contracts awarded to fulfill the audit requirements of this chapter.

L. 104–134, title III, §31001(i)(3)(A), Apr. 26, 1996, 110 Stat. 1321–365, which directed that the chapter title to chapter 77 of subtitle VI of this title be amended by substituting “ACCESS TO INFORMATION FOR DEBT COLLECTION” for “LOAN REQUIREMENTS”, was executed by making the substitution in the chapter title of chapter 77 of subtitle V of this title, to reflect the probable intent of Congress.

§7701. Taxpayer identifying number

(c)(1) The head of each Federal agency shall require each person doing business with that agency to furnish to that agency such person's taxpayer identifying number.

The preceding sentence shall not apply to a debtor owing claims resulting from petroleum pricing violations or owing claims resulting from Federal loan or loan guarantee/insurance programs.

(d) Notwithstanding section 552a(b) of title 5, United States Code, creditor agencies to which a delinquent claim is owed, and their agents, may match their debtor records with Department of Health and Human Services, and Department of Labor records to obtain names (including names of

The preceding sentence shall apply to the disclosure of taxpayer identifying numbers only if such disclosure is not otherwise prohibited by section 6103 of the Internal Revenue Code of 1986. The Department of Health and Human Services, and the Department of Labor shall release that information to creditor agencies and may charge reasonable fees sufficient to pay the costs associated with that release.

L. 93-406, §4002(g)(3), 88 Stat. 1005.

Clause (1) is included because a number of the provisions of the chapter apply to mixed-ownership and wholly owned Government corporations, and the term “Government corporation” provides a simple phrase to refer to both of those kinds of corporations.

In clause (2)(A), “Amtrak” is substituted for “National Railroad Passenger Corporation” to conform to section 103(1) of the Rail Passenger Service Act (45 U.S.C. 502(1)).

In clause (2)(I), the words “when the ownership, control, and operation of the Bank are converted under section 410(a) of the Rural Electrification Act of 1936 (7 U.S.C. 950(a))” are added because of 7:943(c) and 950(a).

In clause (3), the words “Regional Agricultural Credit Corporations” are omitted because the corporations were merged with and liquidated by the Regional Agricultural Credit Corporation of Washington, D.C., which was dissolved on April 16, 1949. The words “Farmers Home Corporation” are omitted because the corporation never was activated. The words “Federal Surplus Commodities Corporation” are omitted because the corporation and the Division of Marketing and Marketing Agreements were consolidated into the Surplus Marketing Administration, which was merged into the Agricultural Marketing Administration, which was dissolved on March 14, 1947. The words “Reconstruction Finance Corporation” are omitted because the corporation was abolished on June 30, 1957. The words “Defense Plant Corporation; Defense Supplies Corporation; Metals Reserve Company; Rubber Reserve Company” are omitted because the corporations and companies were dissolved on July 1, 1945. The words “War Damage Corporation” are omitted because the corporation was terminated on January 22, 1947. The words “the RFC Mortgage Company” are omitted because the company was transferred to the Reconstruction Finance Corporation, which was abolished on June 30, 1957. The words “Disaster Loan Corporation” are omitted because the corporation was dissolved on

July 1, 1945. The words “Inland Waterways Corporation” are omitted because the corporation was liquidated on July 19, 1963. The words “Warrior River Terminal Company” are omitted because the company was transferred to the Inland Waterways Corporation, which was liquidated on July 13, 1963. The words “Virgin Islands Corporation” are omitted because the corporation was dissolved on July 1, 1966. The words “United States Spruce Production Corporation” are omitted because the corporation was dissolved on December 12, 1946. The words “Institute of Inter-American Affairs” are omitted because the institute was transferred to the Foreign Operations Administration, which was abolished on May 9, 1955. The words “Institute of Inter-American Transportation” are omitted because the institute was dissolved August 24, 1949. The words “Inter-American Educational Foundation, Incorporated” are omitted because the foundation was succeeded by the Institute of Inter-American Affairs, which was transferred to the Foreign Operations Administration, which was abolished on May 9, 1955. The words “Inter-American Navigation Corporation” are omitted because the corporation was dissolved on February 25, 1947. The words “Prencinradio, Incorporated” are omitted because Prencinradio, Incorporated was dissolved May 10, 1949. The words “Cargoes, Incorporated” are omitted because Cargoes, Incorporated was dissolved April 30, 1945. The words “Export-Import Bank of the United States” are substituted for “Export-Import Bank of Washington” because of section 1(a) of the Act of March 13, 1968 (Pub. L. 90–267, 82 Stat. 47). The words “Petroleum Reserves Corporation” are omitted because the corporation was transferred to the Office of Economic Warfare, which was consolidated into the Foreign Economic Administration, which was transferred to the Reconstruction Finance Corporation and changed to the War Assets Corporation. The War Assets Corporation was dissolved as soon as practicable after March 25, 1946. The words “Rubber Development Corporation” are omitted because the certificate of incorporation expired on June 30, 1947. The words “U. S. Commercial Company” are omitted because the company was liquidated after June 30, 1948. The words “Smaller War Plants Corporation” are omitted because the corporation was abolished on June 30, 1947. The words “Defense Homes Corporation” are omitted because the corporation was liquidated on June 30, 1948. The words “Home Owners’ Loan Corporation” are omitted because the corporation was dissolved on February 3, 1954. The words “Panama Railroad Company” (subsequently changed to “Panama Canal Company” by section 2(a)(2) of the Act of September 26, 1950 (ch. 1049, 64 Stat. 1038)), are omitted because of 22:ch. 51. The words “Tennessee Valley Associated Cooperatives, Incorporated” are omitted because the corporation was dissolved on January 18, 1950.

In clause (3)(J), the words “until the ownership, control, and operation of the Bank are converted under section 410(a) of the Rural Electrification Act of 1936 (7 U.S.C. 950(a))” are added because of 7:943(c) and 950(a). Clause (L) is substituted for the “Federal Housing Administration” because of section 5 of the Department of Housing and Urban Development Act (Pub. L. 89–174, 79 Stat. 669).

1983 ACT

This amends 31:9101(2) because the National Consumer Cooperative Bank is no longer a mixed-ownership Government corporation. Section 396(h)(1) and (i) of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97–35, 95 Stat. 440) provided that the Bank would cease being a mixed-ownership Government corporation on the day after the Final Government Equity Redemption Date. Section 501(36) of the Act of December 23, 1981 (Pub. L. 97–101, 95 Stat. 1440), provided that the Redemption Date was December 31, 1981.

The word “agency” is substituted for “officer or agency of the Federal Government or by any Government corporation” and “agency or instrumentality of the United States” because of section 101 of the revised title, for consistency, and because a Government corporation is an “instrumentality of the United States Government”. The word “establish” is substituted for “created, organized” to eliminate unnecessary words. The words “on or after December 6, 1945” are omitted as executed. The words “law of the United States” are substituted for “Act of Congress” for consistency.

§9103. Budgets of wholly owned Government corporations

(a) Each wholly owned Government corporation shall prepare and submit each year to the President a business-type budget in a way, and before a date, the President prescribes by regulation for the budget program.

(b) The budget program for each wholly owned Government corporation shall—

(1) contain estimates of the financial condition and operations of the corporation for the current and following fiscal years and the condition and results of operations in the last fiscal year;

(2) contain statements of financial condition, income and expense, and sources and use of money, an analysis of surplus or deficit, and additional statements and information to make known the financial condition and operations of the corporation, including estimates of operations by major activities, administrative expenses, borrowings, the amount of United States Government capital that will be returned to the Treasury during the fiscal year, and appropriations needed to restore capital impairments; and

(3) provide for emergencies and contingencies and otherwise be flexible so that the corporation may carry out its activities.

(c) The President shall submit the budget programs submitted by wholly owned Government corporations (as changed by the President) as part of the budget submitted to Congress under section 1105 of this title. §9303. Use of eligible obligations instead of surety bonds

(a) If a person is required under a law of the United States to give a surety bond, the person may give an eligible obligation as security instead of a surety bond. The obligation shall—

- (1) be given to the official having authority to approve the surety bond;
- (2) as determined by the Secretary of the Treasury, have a market value that is equal to or greater than the amount of the required surety bond; and
- (3) authorize the official receiving the obligation to collect or sell the obligation if the person defaults on a required condition.

(b)(1) An official receiving an eligible obligation under subsection (a) of this section may deposit it with—

- (A) the Secretary of the Treasury;
- (B) a Federal reserve bank; or
- (C) a depositary designated by the Secretary.

(2) The Secretary, bank, or depositary shall issue a receipt that describes the obligation deposited.

(c) Using an eligible obligation instead of a surety bond for security is the same as using—

- (1) a personal or corporate surety bond;
- (2) a certified check;
- (3) a bank draft;
- (4) a post office money order; or
- (5) cash.

(d) When security is no longer required, an eligible obligation given instead of a surety bond shall be returned to the person giving the obligation. If a person, supplying labor or material to a contractor defaulting under sections 3131 and 3133 of title 40, files with the United States Government the application and affidavit provided under section 3133(a) of title 40, the Government—

(1) may return to the contractor the eligible obligation given as security (or proceeds of the eligible obligation given) under sections 3131 and 3133 of title 40 only after the 90-day period for bringing a civil action under section 3133(b) of title 40; and

(2) if a civil action is brought in the 90-day period, shall hold the eligible obligation or the proceeds subject to the order of the court having jurisdiction of the action.

(e) This section does not affect the—

- (1) priority of a claim of the Government against an eligible obligation given under this section;
- (2) right or remedy of the Government for default on an obligation provided under—
 - (A) sections 3131 and 3133 of title 40; or
 - (B) this section;

(3) authority of a court over an eligible obligation given as security in a civil action; and

(4) authority of an official of the Government authorized by another law to receive an eligible obligation as security.

(f) To avoid frequent substitution of eligible obligations, the Secretary may prescribe regulations limiting the effect of this section to an eligible obligation maturing more than one year after the date the obligation is given as security.

§9703.¹ Managerial accountability and flexibility

(a) Beginning with fiscal year 1999, the performance plans required under section 1115 may include proposals to waive administrative procedural requirements and controls, including specification of personnel staffing levels, limitations on compensation or remuneration, and prohibitions or restrictions on funding transfers among budget object classification 20 and subclassifications 11, 12, 31, and 32 of each annual budget submitted under section 1105, in return for specific individual or organization accountability to achieve a performance goal. In preparing and submitting the performance plan under section 1105(a)(29),² the Director of the Office of Management and Budget shall review and may approve any proposed waivers. A waiver shall take effect at the beginning of the fiscal year for which the waiver is approved.

(b) Any such proposal under subsection (a) shall describe the anticipated effects on performance resulting from greater managerial or organizational flexibility, discretion, and authority, and shall quantify the expected improvements in performance resulting from any waiver. The expected improvements shall be compared to current actual performance, and to the projected level of performance that would be achieved independent of any waiver.

(d) Any proposed waiver of procedural requirements or controls imposed by an agency (other than the proposing agency or the Office of Management and Budget) may not be included in a performance plan unless it is endorsed by the agency that established the requirement, and the endorsement included in the proposing agency's performance plan.

(f) For purposes of this section, the definitions under section 1115(f) ² shall apply.
