“(6) These other Filipino veterans only receive certain benefits under title 38, United States Code, and, depending on where they legally reside, are paid such benefit amounts at reduced rates.

“(7) The benefits such veterans receive include service-connected compensation benefits paid under chapter 11 of title 38, United States Code, dependency indemnity compensation survivor benefits paid under chapter 13 of title 38, United States Code, and burial benefits under chapters 23 and 24 of title 38, United States Code, and such benefits are paid to beneficiaries at the rate of \$0.50 per dollar authorized, unless they lawfully reside in the United States.

“(8) Dependents’ educational assistance under chapter 35 of title 38, United States Code, is also payable for the dependents of such veterans at the rate of \$0.50 per dollar authorized, regardless of the veterans’ residency.

“(1) served—

“(A) before July 1, 1946, in the organized military forces of the Government of the Commonwealth of the Philippines, while such forces were in the service of the Armed Forces of the United States pursuant to the military order of the President dated July 26, 1941, including among such military forces organized guerrilla forces under commanders appointed, designated, or subsequently recognized by the Commander in Chief, Southwest Pacific Area, or other competent authority in the Army of the United States; or

“(2) PAYMENT OF PRIOR ELIGIBILITY STATUS.—Nothing in this section shall prohibit a person from receiving any benefit (including health care, survivor, or burial benefits) which the person would have been eligible to receive based on laws in effect as of the day before the date of the enactment of this Act [Feb. 17, 2009].

§111. Payments or allowances for beneficiary travel

(a) Under regulations prescribed by the President pursuant to the provisions of this section, the Secretary may pay the actual necessary expense of travel (including lodging and subsistence), or in lieu thereof an allowance based upon mileage (at a rate of 41.5 cents per mile), of any person to or from a Department facility or other place in connection with vocational rehabilitation, counseling required by the Secretary pursuant to chapter 34 or 35 of this title, or for the purpose of examination, treatment, or care. Actual necessary expense of travel includes the reasonable costs of airfare if travel by air is the only practical way to reach a Department facility. In addition to the mileage allowance authorized by this section, there may be allowed reimbursement for the actual cost of ferry fares, and bridge, road, and tunnel tolls.

(b)(1) Except as provided in subsection (c) of this section and notwithstanding subsection (g)(2)(A) ¹ of this section or any other provision of law, if, with respect to any fiscal year, the Secretary exercises the authority under this section to make any payments, the Secretary shall make the payments provided for in this section to or for the following persons for travel during such fiscal year for examination, treatment, or care for which the person is eligible:

(A) A veteran or other person whose travel is in connection with treatment or care for a service-connected disability.

(B) A veteran with a service-connected disability rated at 30 percent or more.

(C) A veteran receiving pension under section 1521 of this title.

(D) A veteran (i) who is not traveling by air and whose annual income (as determined under section 1503 of this title) does not exceed the maximum annual rate of pension which would be

payable to such veteran if such veteran were eligible for pension under section 1521 of this title, or (ii) who is determined, under regulations prescribed by the Secretary, to be unable to defray the expenses of the travel for which payment under this section is claimed.

(E) Subject to paragraph (3) of this subsection, a veteran or other person whose travel to or from a Department facility is medically required to be performed by a special mode of travel and who is determined under such regulations to be unable to defray the expenses of the travel for which payment under this section is claimed.

(F) A veteran whose travel to a Department facility is incident to a scheduled compensation and pension examination.

(2) The Secretary may make payments provided for in this section to or for any person not covered by paragraph (1) of this subsection for travel by such person for examination, treatment, or care. Such payments shall be made in accordance with regulations which the Secretary shall prescribe.

(3)(A) Except as provided in subparagraph (B) of this paragraph, the Secretary shall not make payments under this section for travel performed by a special mode of travel unless (i) the travel by such mode is medically required and is authorized by the Secretary before the travel begins, or (ii) the travel by such mode is in connection with a medical emergency of such a nature that the delay incident to obtaining authorization from the Secretary to use that mode of travel would have been hazardous to the person's life or health.

(B) In the case of travel by a person to or from a Department facility by special mode of travel, the Secretary may provide payment under this section to the provider of the transportation by special mode before determining the eligibility of such person for such payment if the Secretary determines that providing such payment is in the best interest of furnishing care and services. Such a payment shall be made subject to subsequently recovering from such person the amount of the payment if such person is determined to have been ineligible for payment for such travel.

(C) In the case of transportation of a person to or from a Department facility by ambulance, the Secretary may pay the provider of the transportation the lesser of the actual charge for the transportation or the amount determined by the fee schedule established under section 1834(l) of the Social Security Act (42 U.S.C. 1395(l)) ² unless the Secretary has entered into a contract for that transportation with the provider.

(4) In determining for purposes of subsection (a) whether travel by air is the only practical way for a veteran to reach a Department facility, the Secretary shall consider the medical condition of the veteran and any other impediments to the use of ground transportation by the veteran.

(c)(1) Except as otherwise provided in this subsection, the Secretary, in making a payment under this section to or for a person described in subparagraph (A), (B), (C), or (D) of subsection (b)(1) of this section for travel for examination, treatment, or care, shall deduct from the amount otherwise payable an amount equal to \$3 for each one-way trip.

(2) In the case of a person who is determined by the Secretary to be a person who is required to make six or more one-way trips for needed examination, treatment, or care during the remainder of the calendar month in which the determination is made or during any subsequent calendar month during the one-year period following the last day of the month in which the determination is made, the amount deducted by the Secretary pursuant to paragraph (1) of this subsection from payments for trips made to or from such facility during any such month shall not exceed \$18.

(3) No deduction shall be made pursuant to paragraph (1) of this subsection in the case of a person whose travel to or from a Department facility is performed by a special mode of travel for which payment under this section is authorized under subsection (b)(3) of this section.

(4) The Secretary may waive the deduction requirement of paragraph (1) of this subsection in the case of the travel of any veteran for whom the imposition of the deduction would cause severe financial hardship. The Secretary shall prescribe in regulations the conditions under which a finding of severe financial hardship is warranted for purposes of this paragraph.

(d) Payment of the following expenses or allowances in connection with vocational rehabilitation, counseling, or upon termination of examination, treatment, or care, may be made before the completion of travel:

- (1) The mileage allowance authorized by subsection (a) of this section.
- (2) Actual local travel expenses.
- (3) The expense of hiring an automobile or ambulance, or the fee authorized for the services of a nonemployee attendant.

(e)(1) Except as provided in paragraph (2), when any person entitled to mileage under this section requires an attendant (other than an employee of the Department) in order to perform such travel, the attendant may be allowed expenses of travel upon the same basis as such person.

(2)(A) Without regard to whether an eligible veteran entitled to mileage under this section for travel to a Department facility for the purpose of medical examination, treatment, or care requires an attendant in order to perform such travel, an attendant of such veteran described in subparagraph (B) may be allowed expenses of travel (including lodging and subsistence) upon the same basis as such veteran during—

- (i) the period of time in which such veteran is traveling to and from a Department facility for the purpose of medical examination, treatment, or care; and
- (ii) the duration of the medical examination, treatment, or care episode for such veteran.

(B) An attendant of a veteran described in this subparagraph is a provider of personal care services for such veteran who is approved under paragraph (6) of section 1720G(a) of this title or designated under paragraph (7) of such section 1720G(a).

(C) The Secretary may prescribe regulations to carry out this paragraph. Such regulations may include provisions—

- (i) to limit the number of attendants that may receive expenses of travel under this paragraph for a single medical examination, treatment, or care episode of an eligible veteran; and
- (ii) to require such attendants to use certain travel services.

(D) In this subsection, the term “eligible veteran” has the meaning given that term in section 1720G(a)(2) of this title.

(f) The Secretary may provide for the purchase of printed reduced-fare requests for use by veterans and their authorized attendants when traveling at their own expense to or from any Department facility.

(g)(1) Beginning one year after the date of the enactment of the Caregivers and Veterans Omnibus Health Services Act of 2010, the Secretary may adjust the mileage rate described in subsection (a) to be equal to the mileage reimbursement rate for the use of privately owned vehicles by Government employees on official business (when a Government vehicle is available), as prescribed by the Administrator of General Services under section 5707(b) of title 5.

(2) If an adjustment in the mileage rate under paragraph (1) results in a lower mileage rate than the mileage rate otherwise specified in subsection (a), the Secretary shall, not later than 60 days before the date of the implementation of the mileage rate as so adjusted, submit to Congress a written report setting forth the adjustment in the mileage rate under this subsection, together with a justification for the decision to make the adjustment in the mileage rate under this subsection.

§114. Multiyear procurement

(a) The Secretary may enter into a multiyear contract for the procurement of supplies or services if the Secretary makes each of the following determinations:

(1) Appropriations are available for obligations that are necessary for total payments that would be required during the fiscal year in which the contract is entered into, plus the estimated amount of any cancellation charge payable under the contract.

(2) The contract is in the best interest of the United States by reason of the effect that use of a multiyear, rather than one-year, contract would have in—

- (A) reducing costs;
- (B) achieving economies in contract administration or in any other Department activities;
- (C) increasing quality of performance by or service from the contractors; or
- (D) encouraging effective competition.

(3) During the proposed contract period—

- (A) there will be a continuing or recurring need for the supplies or services being procured;
- (B) there is not a substantial likelihood of substantial changes in the need for such supplies or services in terms of the total quantity of such supplies or services or of the rate of delivery of such supplies or services; and
- (C) the specifications for the supplies or services are expected to be reasonably stable.

(4) The risks relating to the prospective contractor's ability to perform in accordance with the specifications and other terms of the contract are not excessive.

(5) The use of a multiyear contract will not inhibit small business concerns in competing for the contract.

(6) In the case of the procurement of a pharmaceutical item for which a patent has expired less than four years before the date on which the solicitation of offers is issued, there is no substantial

likelihood that increased competition among potential contractors would occur during the term of the contract as the result of the availability of generic equivalents increasing during the term of the contract.

(b)(1) A multiyear contract authorized by this section shall contain—

(A) a provision that the obligation of the United States under the contract during any fiscal year which is included in the contract period and is subsequent to the fiscal year during which the contract is entered into is contingent on the availability of sufficient appropriations (as determined by the Secretary pursuant to paragraph (2)(A) of this subsection) if, at the time the contract is entered into, appropriations are not available to cover the total estimated payments that will be required during the full term of the contract; and

(B) notwithstanding section 1502(a) of title 31, a provision for the payment of reasonable cancellation charges to compensate the contractor for nonrecurring, unrecovered costs, if any, if the performance is cancelled pursuant to the provision required by subparagraph (A) of this paragraph.

(2)(A) If, during a fiscal year after the fiscal year during which a multiyear contract is entered into under this section, the Secretary determines that, in light of other funding needs involved in the operation of Department programs, the amount of funds appropriated for such subsequent fiscal year is not sufficient for such contract, the Secretary shall cancel such contract pursuant to the provisions required by paragraph (1)(A) of this subsection.

(B) Cancellation charges under a multiyear contract shall be paid from the appropriated funds which were originally available for performance of the contract or the payment of cancellation costs unless such funds are not available in an amount sufficient to pay the entire amount of the cancellation charges payable under the contract. In a case in which such funds are not available in such amount, funds available for the procurement of supplies and services for use for the same purposes as the supplies or services procured through such contract shall be used to the extent necessary to pay such cost.

“(b) RATIFICATION.—If this Act is not enacted on or before September 30, 2013, any actions undertaken by the Department of Veterans Affairs under the authorities extended by this Act during the period beginning on such date and ending on the date of the enactment of this Act [Sept. 30, 2013] shall be deemed ratified.”

FINDINGS AND PURPOSE

Pub. L. 110–389, title VII, §701, Oct. 10, 2008, 122 Stat. 4180, provided that:

“(a) FINDINGS.—Congress makes the following findings:

“(1) In 1998, Congress enacted the Olympic and Amateur Sports Act Amendments of 1998 (33 [36] U.S.C. 101 note) [see Short Title of 1998 Amendment note set out under section 101 of Title 36, Patriotic and National Observances, Ceremonies, and Organizations], which amended chapter 2205 of title 36, United States Code, and included a statement that the purpose of the Act was ‘to encourage and provide assistance to amateur athletic programs and competition for amateur athletes with disabilities, including, where feasible, the expansion of opportunities for meaningful participation by such amateur athletes in programs of athletic competition for able-bodied amateur athletes’.

“(2) The United States Olympic Committee manages and administers the Paralympic Program for physically disabled athletes.

“(3) The Department of Veterans Affairs provides health care to veterans and administers recreational activities for patients including the Golden Age Games, the National Veterans Wheelchair Games, and the Winter Sports Clinic.

“(4) In 2005, the United States Olympic Committee entered into a memorandum of understanding with the Secretary of Veterans Affairs to increase interest in and access to Paralympic sports programs for veterans with physical disabilities by coordinating the activities of the United States Olympic Committee with the Department of Veterans Affairs.

“(5) The Paralympic Program has a significant positive effect on the quality of life of disabled veterans and disabled members of the Armed Forces who participate in the program, including helping to improve the mobility, vitality, and physical, psychological, and social well-being of such participants and reducing the incidence of secondary medical conditions in those participants.

“(6) Because of Operation Iraqi Freedom and Operation Enduring Freedom, the number of disabled veterans and disabled members of the Armed Forces has increased substantially and it is therefore desirable to supplement the rehabilitation and recreation programs of the Department of Veterans Affairs through sports for disabled veterans and members of the Armed Forces.

“(b) PURPOSE.—The purposes of this title [enacting this section, section 521A of this title, and provisions set out as notes under section 521A of this title] are as follows:

“(1) To promote the lifelong health of disabled veterans and disabled members of the Armed Forces through regular participation in physical activity and sports.

“(2) To enhance the recreation activities provided by the Department of Veterans Affairs by promoting disabled sports from the local level through elite levels and by creating partnerships among organizations specializing in supporting, training, and promoting programs for disabled veterans.

“(3) To provide training and support to national and local organizations to provide Paralympic sports training to disabled veterans and disabled members of the Armed Forces in their own communities.

“(4) To provide support to the United States Paralympics, Inc., to increase the participation of disabled veterans and disabled members of the Armed Forces in sports.”

(r) Subject to section 5503(c) of this title, if any veteran, otherwise entitled to compensation authorized under subsection (o) of this section, at the maximum rate authorized under subsection (p) of this section, or at the intermediate rate authorized between the rates authorized under subsections (n) and (o) of this section and at the rate authorized under subsection (k) of this section, is in need of regular aid and attendance, then, in addition to such compensation—

(1) the veteran shall be paid a monthly aid and attendance allowance at the rate of \$2,002; or

For the purposes of clause (2) of this subsection, need for a higher level of care shall be considered to be need for personal health-care services provided on a daily basis in the veteran's home by a person who is licensed to provide such services or who provides such services under the regular supervision of a licensed health-care professional. The existence of the need for such care shall be determined by a physician employed by the Department or, in areas where no such physician is available, by a physician carrying out such function under contract or fee arrangement based on an examination by such physician. For the purposes of section 1134 of this title, such allowance shall be considered as additional compensation payable for disability.

(s) If the veteran has a service-connected disability rated as total, and (1) has additional service-connected disability or disabilities independently ratable at 60 percent or more, or, (2) by reason of such veteran's service-connected disability or disabilities, is permanently housebound, then the monthly compensation shall be \$2,993. For the purpose of this subsection, the requirement of "permanently housebound" will be considered to have been met when the veteran is substantially confined to such veteran's house (ward or clinical areas, if institutionalized) or immediate premises due to a service-connected disability or disabilities which it is reasonably certain will remain throughout such veteran's lifetime.

(t) Subject to section 5503(c) of this title, if any veteran, as the result of service-connected disability, is in need of regular aid and attendance for the residuals of traumatic brain injury, is not eligible for compensation under subsection (r)(2), and in the absence of such regular aid and attendance would require hospitalization, nursing home care, or other residential institutional care, the veteran shall be paid, in addition to any other compensation under this section, a monthly aid and attendance allowance equal to the rate described in subsection (r)(2), which for purposes of section 1134 of this title shall be considered as additional compensation payable for disability. An allowance authorized under this subsection shall be paid in lieu of any allowance authorized by subsection (r)(1).

§1116. Presumptions of service connection for diseases associated with exposure to certain herbicide agents; presumption of exposure for veterans who served in the Republic of Vietnam

(a)(1) For the purposes of section 1110 of this title, and subject to section 1113 of this title—

(A) a disease specified in paragraph (2) of this subsection becoming manifest as specified in that paragraph in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975; and

(B) each additional disease (if any) that (i) the Secretary determines in regulations prescribed under this section warrants a presumption of service-connection by reason of having positive association with exposure to an herbicide agent, and (ii) becomes manifest within the period (if any) prescribed in such regulations in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, and while so serving was exposed to that herbicide agent,

shall be considered to have been incurred in or aggravated by such service, notwithstanding that there is no record of evidence of such disease during the period of such service.

(2) The diseases referred to in paragraph (1)(A) of this subsection are the following:

(A) Non-Hodgkin's lymphoma becoming manifest to a degree of disability of 10 percent or more.

(B) Each soft-tissue sarcoma becoming manifest to a degree of disability of 10 percent or more other than osteosarcoma, chondrosarcoma, Kaposi's sarcoma, or mesothelioma.

(C) Chloracne or another acneform disease consistent with chloracne becoming manifest to a degree of disability of 10 percent or more within one year after the last date on which the veteran performed active military, naval, or air service in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(D) Hodgkin's disease becoming manifest to a degree of disability of 10 percent or more.

(E) Porphyria cutanea tarda becoming manifest to a degree of disability of 10 percent or more within a year after the last date on which the veteran performed active military, naval, or air service in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(F) Respiratory cancers (cancer of the lung, bronchus, larynx, or trachea) becoming manifest to a degree of disability of 10 percent or more.

(G) Multiple myeloma becoming manifest to a degree of disability of 10 percent or more.

(H) Diabetes Mellitus (Type 2).

(3) For purposes of this section, the term “herbicide agent” means a chemical in an herbicide used in support of the United States and allied military operations in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(b)(1) Whenever the Secretary determines, on the basis of sound medical and scientific evidence, that a positive association exists between (A) the exposure of humans to an herbicide agent, and (B) the occurrence of a disease in humans, the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for that disease for the purposes of this section.

(2) In making determinations for the purpose of this subsection, the Secretary shall take into account (A) reports received by the Secretary from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, and (B) all other sound medical and scientific information and analyses available to the Secretary. In evaluating any study for the purpose of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.

(3) An association between the occurrence of a disease in humans and exposure to an herbicide agent shall be considered to be positive for the purposes of this section if the credible evidence for the association is equal to or outweighs the credible evidence against the association.

(c)(1)(A) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, the Secretary shall determine whether a presumption of service connection is warranted for each disease covered by the report. If the Secretary determines that such a presumption is warranted, the Secretary, not later than 60 days after making the determination, shall issue proposed regulations setting forth the Secretary's determination.

(B) If the Secretary determines that a presumption of service connection is not warranted, the Secretary, not later than 60 days after making the determination, shall publish in the Federal Register a notice of that determination. The notice shall include an explanation of the scientific basis for that determination. If the disease already is included in regulations providing for a presumption of service connection, the Secretary, not later than 60 days after publication of the notice of a determination that the presumption is not warranted, shall issue proposed regulations removing the presumption for the disease.

(2) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.

(d) Whenever a disease is removed from regulations prescribed under this section—

(1) a veteran who was awarded compensation for such disease on the basis of the presumption provided in subsection (a) before the effective date of the removal shall continue to be entitled to receive compensation on that basis; and

(2) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from such disease on the basis of such presumption shall continue to be entitled to receive dependency and indemnity compensation on such basis.

(e) Subsections (b) through (d) shall cease to be effective on September 30, 2015.

(f) For purposes of establishing service connection for a disability or death resulting from exposure to a herbicide agent, including a presumption of service-connection under this section, a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during

the period beginning on January 9, 1962, and ending on May 7, 1975, shall be presumed to have been exposed during such service to an herbicide agent containing dioxin or 2,4-dichlorophenoxyacetic acid, and may be presumed to have been exposed during such service to any other chemical compound in an herbicide agent, unless there is affirmative evidence to establish that the veteran was not exposed to any such agent during that service.

REPORT ON TIME LIMIT FOR PRESUMPTION OF CANCER CAUSED BY HERBICIDE AGENT

Pub. L. 107–103, title II, §201(a)(2)–(4), Dec. 27, 2001, 115 Stat. 987, provided that:

“(2) The Secretary of Veterans Affairs shall enter into a contract with the National Academy of Sciences, not later than six months after the date of the enactment of this Act [Dec. 27, 2001], for the performance of a study to include a review of all available scientific literature on the effects of exposure to an herbicide agent containing dioxin on the development of respiratory cancers in humans and whether it is possible to identify a period of time after exposure to herbicides after which a presumption of service-connection for such exposure would not be warranted. Under the contract, the National Academy of Sciences shall submit a report to the Secretary setting forth its conclusions. The report shall be submitted not later than 18 months after the contract is entered into.

“(3) For a period of six months beginning on the date of the receipt of the report of the National Academy of Sciences under paragraph (2), the Secretary may, if warranted by clear scientific evidence presented in the National Academy of Sciences report, initiate a rulemaking under which the Secretary would specify a limit on the number of years after a claimant's departure from Vietnam after which respiratory cancers would not be presumed to have been associated with the claimant's exposure to herbicides while serving in Vietnam. Any such limit under such a rule may not take effect until 120 days have passed after the publication of a final rule to impose such a limit.

“(4)(A) Subject to subparagraphs (B) and (C), if the Secretary imposes such a limit under paragraph (3), that limit shall be effective only as to claims filed on or after the effective date of that limit.

“(B) In the case of any veteran whose disability or death due to respiratory cancer is found by the Secretary to be service-connected under section 1116(a)(2)(F) of title 38, United States Code, as amended by paragraph (1), such disability or death shall remain service-connected for purposes of all provisions of law under such title notwithstanding the imposition, if any, of a time limit by the Secretary by rulemaking authorized under paragraph (3).

“(C) Subparagraph [sic] (B) does not apply in a case in which—

“(i) the original award of compensation or service connection was based on fraud; or

“(ii) it is clearly shown from military records that the person concerned did not have the requisite service or character of discharge.”

AGREEMENT WITH NATIONAL ACADEMY OF SCIENCES

Pub. L. 102–4, §3, Feb. 6, 1991, 105 Stat. 13, as amended by Pub. L. 102–83, §5(c)(2), Aug. 6, 1991, 105 Stat. 406; Pub. L. 102–86, title V, §503(a), (b)(1), Aug. 14, 1991, 105 Stat. 424, 425; Pub. L. 107–103, title II, §201(d)(2), Dec. 27, 2001, 115 Stat. 988, provided that:

“(a) PURPOSE.—The purpose of this section is to provide for the National Academy of Sciences, an independent nonprofit scientific organization with appropriate expertise which is not part of the Federal Government, to review and evaluate the available scientific evidence regarding associations between diseases and exposure to dioxin and other chemical compounds in herbicides.

“(b) AGREEMENT.—The Secretary shall seek to enter into an agreement with the National Academy of Sciences for the Academy to perform the services covered by this section. The Secretary shall seek to enter into such agreement not later than two months after the date of the enactment of the Veterans' Benefits Programs Improvement Act of 1991 [Aug. 14, 1991].

“(c) REVIEW OF SCIENTIFIC EVIDENCE.—Under an agreement between the Secretary and the National Academy of Sciences under this section, the Academy shall review and summarize the scientific evidence, and assess the strength thereof, concerning the association between exposure to an herbicide used in support of the United States and allied military operations in the Republic of Vietnam during the Vietnam era and each disease suspected to be associated with such exposure.

“(d) SCIENTIFIC DETERMINATIONS CONCERNING DISEASES.—(1) For each disease reviewed, the Academy shall determine (to the extent that available scientific data permit meaningful determinations)—

“(A) whether a statistical association with herbicide exposure exists, taking into account the strength of the scientific evidence and the appropriateness of the statistical and epidemiological methods used to detect the association;

“(B) the increased risk of the disease among those exposed to herbicides during service in the Republic of Vietnam during the Vietnam era; and

“(C) whether there exists a plausible biological mechanism or other evidence of a causal relationship between herbicide exposure and the disease.

“(2) The Academy shall include in its reports under subsection (g) a full discussion of the scientific evidence and reasoning that led to its conclusions under this subsection.

“(e) RECOMMENDATIONS FOR ADDITIONAL SCIENTIFIC STUDIES.—The Academy shall make

any recommendations it has for additional scientific studies to resolve areas of continuing scientific uncertainty relating to herbicide exposure. In making recommendations for further study, the Academy shall consider the scientific information that is currently available, the value and relevance of the information that could result from additional studies, and the cost and feasibility of carrying out such additional studies.

“(f) **SUBSEQUENT REVIEWS.**—An agreement under subsection (b) shall require the National Academy of Sciences—

“(1) to conduct as comprehensive a review as is practicable of the evidence referred to in subsection (c) that became available since the last review of such evidence under this section; and

“(2) to make its determinations and estimates on the basis of the results of such review and all other reviews conducted for the purposes of this section.

“(g) **REPORTS.**—(1) The agreement between the Secretary and the National Academy of Sciences shall require the Academy to transmit to the Secretary and the Committees on Veterans’ Affairs of the Senate and House of Representatives periodic written reports regarding the Academy’s activities under the agreement. Such reports shall be submitted at least once every two years (as measured from the date of the first report).

“(2) The first report under this subsection shall be transmitted not later than the end of the 18-month period beginning on the date of the enactment of this Act [Feb. 6, 1991]. That report shall include (A) the determinations and discussion referred to in subsection (d), (B) any recommendations of the Academy under subsection (e), and (C) the recommendation of the Academy as to whether the provisions of each of sections 6 through 9 [set out below] should be implemented by the Secretary. In making its recommendation with respect to each such section, the Academy shall consider the scientific information that is currently available, the value and relevance of the information that could result from implementing that section, and the cost and feasibility of implementing that section. If the Academy recommends that the provisions of section 6 should be implemented, the Academy shall also recommend the means by which clinical data referred to in that section could be maintained in the most scientifically useful way.

“(h) **LIMITATION ON AUTHORITY.**—The authority to enter into agreements under this section shall be effective for a fiscal year to the extent that appropriations are available.

“(i) **SUNSET.**—This section shall cease to be effective on October 1, 2014.

“(j) **ALTERNATIVE CONTRACT SCIENTIFIC ORGANIZATION.**—If the Secretary is unable within the time period prescribed in subsection (b) to enter into an agreement with the National Academy of Sciences for the purposes of this section on terms acceptable to the Secretary, the Secretary shall seek to enter into an agreement for the purposes of this section with another appropriate scientific organization that is not part of the Government and operates as a not-for-profit entity and that has expertise and objectivity comparable to that of the National Academy of Sciences. If the Secretary enters into such an agreement with another organization, then any reference in this section and in section 1116 [formerly 316] of title 38, United States Code (as added by section 2), to the National Academy of Sciences shall be treated as a reference to the other organization.

“(k) **LIABILITY INSURANCE.**—(1) The Secretary may provide liability insurance for the National Academy of Sciences or any other contract scientific organization to cover any claim for money damages for injury, loss of property, personal injury, or death caused by any negligent or wrongful act or omission of any person referred to in paragraph (2) in carrying out any of the following responsibilities of the Academy or such other organization, as the case may be, under an agreement entered into with the Secretary pursuant to this section:

“(A) The review, summarization, and assessment of scientific evidence referred to in subsection (c).

“(B) The making of any determination, on the basis of such review and assessment, regarding the matters set out in clauses (A) through (C) of subsection (d)(1), and the preparation of the discussion referred to in subsection (d)(2).

“(C) The making of any recommendation for additional scientific study under subsection (e).

“(D) The conduct of any subsequent review referred to in subsection (f) and the making of any determination or estimate referred to in such subsection.

“(E) The preparation of the reports referred to in subsection (g).

“(2) A person referred to in paragraph (1) is—

“(A) an employee of the National Academy of Sciences or other contract scientific organization referred to in paragraph (1); or

“(B) any individual appointed by the President of the Academy or the head of such other contract scientific organization, as the case may be, to carry out any of the responsibilities referred to in such paragraph.

“(3) The cost of the liability insurance referred to in paragraph (1) shall be made from funds available to carry out this section.

“(4) The Secretary shall reimburse the Academy or person referred to in paragraph (2) for the cost of any judgments (if any) and reasonable attorney's fees and incidental expenses, not compensated by the liability insurance referred to in paragraph (1) or by any other insurance maintained by the Academy, incurred by the Academy or person referred to in paragraph (2), in connection with any legal or administrative proceedings arising out of or in connection with the work to be performed under the agreement referred to in paragraph (1). Reimbursement of the cost of such judgments, attorney's fees, and incidental expenses shall be paid from funds appropriated for such reimbursement or appropriated to carry out this section, but in no event shall any such reimbursement be made from funds authorized pursuant to section 1304 of title 31, United States Code.”

“(B) notifies the Committees on Veterans’ Affairs of the Senate and House of Representatives of the Secretary’s determination and the reasons therefor.

“(2) In making a determination under this subsection, the Secretary shall give great weight to the views and recommendations of the Academy expressed in that report with respect to the implementation of this section.”

§1117. Compensation for disabilities occurring in Persian Gulf War veterans

(a)(1) The Secretary may pay compensation under this subchapter to a Persian Gulf veteran with a qualifying chronic disability that became manifest—

(A) during service on active duty in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War; or

(B) to a degree of 10 percent or more during the presumptive period prescribed under subsection (b).

(2) For purposes of this subsection, the term “qualifying chronic disability” means a chronic disability resulting from any of the following (or any combination of any of the following):

(A) An undiagnosed illness.

(B) A medically unexplained chronic multisymptom illness (such as chronic fatigue syndrome, fibromyalgia, and irritable bowel syndrome) that is defined by a cluster of signs or symptoms.

(C) Any diagnosed illness that the Secretary determines in regulations prescribed under subsection (d) warrants a presumption of service-connection.

(b) The Secretary shall prescribe by regulation the period of time following service in the Southwest Asia theater of operations during the Persian Gulf War that the Secretary determines is appropriate for presumption of service connection for purposes of this section. The Secretary's determination of such period of time shall be made following a review of any available credible medical or scientific evidence and the historical treatment afforded disabilities for which manifestation periods have been established and shall take into account other pertinent circumstances regarding the experiences of veterans of the Persian Gulf War.

(c)(1) Whenever the Secretary determines under section 1118(c) of this title that a presumption of service connection previously established under this section is no longer warranted—

(A) a veteran who was awarded compensation under this section on the basis of the presumption shall continue to be entitled to receive compensation under this section on that basis; and

(B) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from the disease on the basis of the presumption before that date shall continue to be entitled to receive dependency and indemnity compensation on that basis.

(2) This subsection shall cease to be effective on September 30, 2011.

(d)(1) The Secretary shall prescribe regulations to carry out this section.

(2) Those regulations shall include the following:

(A) A description of the period and geographical area or areas of military service in connection with which compensation under this section may be paid.

(B) A description of the illnesses for which compensation under this section may be paid.

(C) A description of any relevant medical characteristic (such as a latency period) associated with each such illness.

(e) A disability for which compensation under this subchapter is payable shall be considered to be service connected for purposes of all other laws of the United States.

(f) For purposes of this section, the term “Persian Gulf veteran” means a veteran who served on active duty in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War.

(g) For purposes of this section, signs or symptoms that may be a manifestation of an undiagnosed illness or a chronic multisymptom illness include the following:

- (1) Fatigue.
- (2) Unexplained rashes or other dermatological signs or symptoms.
- (3) Headache.
- (4) Muscle pain.

- (9) Sleep disturbances.
- (10) Gastrointestinal signs or symptoms.
- (11) Cardiovascular signs or symptoms.
- (12) Abnormal weight loss.
- (13) Menstrual disorders.

(h)(1) If the Secretary determines with respect to a medical research project sponsored by the Department that it is necessary for the conduct of the project that Persian Gulf veterans in receipt of compensation under this section or section 1118 of this title participate in the project without the possibility of loss of service connection under either such section, the Secretary shall provide that service connection granted under either such section for disability of a veteran who participated in the research project may not be terminated. Except as provided in paragraph (2), notwithstanding any other provision of law any grant of service-connection protected under this subsection shall remain service-connected for purposes of all provisions of law under this title.

(2) Paragraph (1) does not apply in a case in which—

- (A) the original award of compensation or service connection was based on fraud; or
- (B) it is clearly shown from military records that the person concerned did not have the requisite service or character of discharge.

(3) The Secretary shall publish in the Federal Register a list of medical research projects sponsored by the Department for which service connection granted under this section or section 1118 of this title may not be terminated pursuant to paragraph (1).

In determining whether to make such a recommendation, the Secretary shall consider the matters specified in subparagraphs (A) through (F) of subsection (e)(1).

“(3) The report under this subsection shall be submitted not later than 120 days after the date on which the Secretary receives the report from the Academy.

“(2) The Secretary shall submit to the Committees on Veterans’ Affairs of the Senate and House of Representatives a report on the implementation of paragraph (1).

“(3) The Secretary shall carry out paragraphs (1) and (2) not later than 180 days after receiving the final report of the National Academy of Sciences under subsection (a).”

PERSIAN GULF WAR VETERANS’ BENEFITS

Sections 102 to 105, 107, 109, and 110 of title I of Pub. L. 103–446, as amended by Pub. L. 104–262, title III, §352(a), Oct. 9, 1996, 110 Stat. 3210; Pub. L. 105–368, title I, §107, Nov. 11, 1998, 112 Stat. 3325; Pub. L. 106–117, title II, §205(b), (c), Nov. 30, 1999, 113 Stat. 1563, provided that:

“SEC. 102. FINDINGS.

“The Congress makes the following findings:

“(1) During the Persian Gulf War, members of the Armed Forces were exposed to numerous potentially toxic substances, including fumes and smoke from military operations, oil well fires, diesel exhaust, paints, pesticides, depleted uranium, infectious agents, investigational drugs and vaccines, and indigenous diseases, and were also given multiple immunizations. It is not known whether these servicemembers were exposed to chemical or biological warfare agents. However, threats of enemy use of chemical and biological warfare heightened the psychological stress associated with the military operation.

“(2) Significant numbers of veterans of the Persian Gulf War are suffering from illnesses, or are exhibiting symptoms of illness, that cannot now be diagnosed or clearly defined. As a result, many of these conditions or illnesses are not considered to be service connected under current law for purposes of benefits administered by the Department of Veterans Affairs.

“(3) The National Institutes of Health Technology Assessment Workshop on the Persian Gulf Experience and Health, held in April 1994, concluded that the complex biological, chemical, physical, and psychological environment of the Southwest Asia theater of operations produced complex adverse health effects in Persian Gulf War veterans and that no single disease entity or syndrome is apparent. Rather, it may be that the illnesses suffered by those veterans result from multiple illnesses with overlapping symptoms and causes that have yet to be defined.

“(4) That workshop concluded that the information concerning the range and intensity of exposure to toxic substances by military personnel in the Southwest Asia theater of operations is very limited and that such information was collected only after a considerable delay.

“(5) In response to concerns regarding the health-care needs of Persian Gulf War veterans, particularly those who suffer from illnesses or conditions for which no diagnosis has been made, the Congress, in Public Law 102–585 [see Short Title of 1992 Amendments note under section 101 of this title], directed the establishment of a Persian Gulf War Veterans Health Registry, authorized health examinations for veterans of the Persian Gulf War, and provided for the National Academy of Sciences to conduct a comprehensive review and assessment of information regarding the health consequences of military service in the Persian Gulf theater of operations and to develop recommendations on avenues for research regarding such health consequences. In Public Law 103–210 [see Tables for classification], the Congress authorized the Department of Veterans Affairs to provide health care services on a priority basis to Persian Gulf War veterans. The Congress also provided in Public Law 103–160 (the National Defense Authorization Act for Fiscal Year 1994) [see Tables for classification] for the establishment of a specialized environmental medical facility for the conduct of research into the possible health effects of exposure to low levels of hazardous chemicals, especially among Persian Gulf veterans, and for research into the possible health effects of battlefield exposure in such veterans to depleted uranium.

“(6) In response to concerns about the lack of objective research on Gulf War illnesses, Congress included research provisions in the National Defense Authorization Act for Fiscal Year 1995 [Pub. L. 103–337, see Tables for classification], which was passed by the House and Senate in September 1994. This legislation requires the Secretary of Defense to provide research grants to non-Federal researchers to support three types of studies of the Gulf War syndrome. The first type of study will be an epidemiological study or studies of the incidence, prevalence, and nature of the illness and symptoms and the risk factors associated with symptoms or illnesses. This will include illnesses among spouses and birth defects and illnesses among offspring born before and after the Gulf War. The second group of studies shall be conducted to determine the health consequences of the use of pyridostigmine bromide as a pretreatment antidote enhancer during the Persian Gulf War, alone or in combination with exposure to pesticides, environmental toxins, and other hazardous substances. The final group of studies shall include clinical research and other studies on the causes, possible transmission, and treatment of Gulf War syndrome, and will include studies of veterans and their spouses and children.

“(7) Further research and studies must be undertaken to determine the underlying causes of the illnesses suffered by Persian Gulf War veterans and, pending the outcome of such research, veterans who

are seriously ill as the result of such illnesses should be given the benefit of the doubt and be provided compensation benefits to offset the impairment in earnings capacities they may be experiencing.

“SEC. 103. PURPOSES.

“The purposes of this title [see Short Title of 1994 Amendments note under section 101 of this title] are—

“(1) to provide compensation to Persian Gulf War veterans who suffer disabilities resulting from illnesses that cannot now be diagnosed or defined, and for which other causes cannot be identified;

“(2) to require the Secretary of Veterans Affairs to develop at the earliest possible date case assessment strategies and definitions or diagnoses of such illnesses;

“(3) to promote greater outreach to Persian Gulf War veterans and their families to inform them of ongoing research activities, as well as the services and benefits to which they are currently entitled; and

“(4) to ensure that research activities and accompanying surveys of Persian Gulf War veterans are appropriately funded and undertaken by the Department of Veterans Affairs.

“SEC. 104. DEVELOPMENT OF MEDICAL EVALUATION PROTOCOL.

“(a) **UNIFORM MEDICAL EVALUATION PROTOCOL.**—(1) The Secretary of Veterans Affairs shall develop and implement a uniform and comprehensive medical evaluation protocol that will ensure appropriate medical assessment, diagnosis, and treatment of Persian Gulf War veterans who are suffering from illnesses the origins of which are (as of the date of the enactment of this Act [Nov. 2, 1994]) unknown and that may be attributable to service in the Southwest Asia theater of operations during the Persian Gulf War. The protocol shall include an evaluation of complaints relating to illnesses involving the reproductive system.

“(2) If such a protocol is not implemented before the end of the 120-day period beginning on the date of the enactment of this Act [Nov. 2, 1994], the Secretary shall, before the end of such period, submit to the Committees on Veterans’ Affairs of the Senate and House of Representatives a report as to why such a protocol has not yet been developed.

“(3)(A) The Secretary shall ensure that the evaluation under the protocol developed under this section is available at all Department medical centers that have the capability of providing the medical assessment, diagnosis, and treatment required under the protocol.

“(B) The Secretary may enter into contracts with non-Department medical facilities for the provision of the evaluation under the protocol.

“(C) In the case of a veteran whose residence is distant from a medical center described in subparagraph (A), the Secretary may provide the evaluation through a Department medical center described in that subparagraph and, in such a case, may provide the veteran the travel and incidental expenses therefor pursuant to the provisions of section 111 of title 38, United States Code.

“(4)(A) If the Secretary is unable to diagnose the symptoms or illness of a veteran provided an evaluation, or if the symptoms or illness of a veteran do not respond to treatment provided by the Secretary, the Secretary may use the authority in section 1703 of title 38, United States Code, in order to provide for the veteran to receive diagnostic tests or treatment at a non-Department medical facility that may have the capability of diagnosing or treating the symptoms or illness of the veteran. The Secretary may provide the veteran the travel and incidental expenses therefor pursuant to the provisions of section 111 of title 38, United States Code.

“(B) The Secretary shall request from each non-Department medical facility that examines or treats a veteran under this paragraph such information relating to the diagnosis or treatment as the Secretary considers appropriate.

“(5) In each year after the implementation of the protocol, the Secretary shall enter into an agreement with the National Academy of Sciences under which agreement appropriate experts shall review the adequacy of the protocol and its implementation by the Department of Veterans Affairs.

“(b) **RELATIONSHIP TO OTHER COMPREHENSIVE CLINICAL EVALUATION PROTOCOLS**
.—The Secretary, in consultation with the Secretary of Defense, shall ensure that the information collected through the protocol described in this section is collected and maintained in a manner that permits the effective and efficient cross-reference of that information with information collected and maintained through the comprehensive clinical protocols of the Department of Defense for Persian Gulf War veterans.

“(c) **CASE DEFINITIONS AND DIAGNOSES.**—The Secretary shall develop case definitions or diagnoses for illnesses associated with the service described in subsection (a)(1). The Secretary shall develop such definitions or diagnoses at the earliest possible date.

“SEC. 105. OUTREACH TO PERSIAN GULF VETERANS.

“(a) **IN GENERAL.**—The Secretary of Veterans Affairs shall implement a comprehensive outreach program to inform Persian Gulf War veterans and their families of the medical care and other benefits that may be provided by the Department of Veterans Affairs and the Department of Defense arising from service

in the Persian Gulf War.

“(b) NEWSLETTER.—(1) The outreach program shall include a newsletter which shall be updated and distributed at least semi-annually and shall be distributed to the veterans listed on the Persian Gulf War Veterans Health Registry. The newsletter shall include summaries of the status and findings of Government sponsored research on illnesses of Persian Gulf War veterans and their families, as well as on benefits available to such individuals through the Department of Veterans Affairs. The newsletter shall be prepared in consultation with veterans service organizations.

“(2) The requirement under this subsection for the distribution of the newsletter shall terminate on December 31, 2003.

“(c) TOLL-FREE NUMBER.—The outreach program shall include establishment of a toll-free telephone number to provide Persian Gulf War veterans and their families information on the Persian Gulf War Veterans Health Registry, health care and other benefits provided by the Department of Veterans Affairs, and such other information as the Secretary considers appropriate. Such toll-free telephone number shall be established not later than 90 days after the date of the enactment of this Act [Nov. 2, 1994].

“SEC. 107. EVALUATION OF HEALTH STATUS OF SPOUSES AND CHILDREN OF PERSIAN GULF WAR VETERANS.

“(a) EVALUATION PROGRAM.—Subject to subsection (c), the Secretary of Veterans Affairs shall conduct a program to evaluate the health status of spouses and children of Persian Gulf War veterans. Under the program, the Secretary shall provide for the conduct of diagnostic testing and appropriate medical examinations of any individual—

“(1) who is the spouse or child of a veteran who—

“(A) is listed in the Persian Gulf War Veterans Registry established under section 702 of Public Law 102–585 [set out in a note under section 527 of this title]; and

“(B) is suffering from an illness or disorder;

“(2) who is apparently suffering from, or may have suffered from, an illness or disorder (including a birth defect, miscarriage, or stillbirth) which cannot be disassociated from the veteran's service in the Southwest Asia theater of operations; and

“(3) who, in the case of a spouse, has granted the Secretary permission to include in the Registry relevant medical data (including a medical history and the results of diagnostic testing and medical examinations) and such other information as the Secretary considers relevant and appropriate with respect to such individual.

“(b) DURATION OF PROGRAM.—The program shall be carried out during the period beginning on November 1, 1994, and ending on December 31, 2003.

“(c) FUNDING LIMITATION.—The amount spent for the program under subsection (a) may not exceed \$2,000,000.

“(d) CONTRACTING.—The Secretary may provide for the conduct of testing and examinations under subsection (a) through appropriate contract arrangements, including fee arrangements described in section 1703 of title 38, United States Code.

“(e) STANDARD PROTOCOLS AND GUIDELINES.—The Secretary shall seek to ensure uniform development of medical data through the development of standard protocols and guidelines for such testing and examinations. If such protocols and guidelines have not been adopted before the end of the 120-day period beginning on the date of the enactment of this Act [Nov. 2, 1994], the Secretary shall, before the end of such period, submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report as to why such protocols and guidelines have not yet been developed.

“(f) ENTRY OF RESULTS IN REGISTRY.—The results of diagnostic tests, medical histories, and medical examinations conducted under subsection (a) shall be entered into the Persian Gulf War Veterans Health Registry.

“(g) OUTREACH.—The Secretary shall conduct such outreach activities as the Secretary determines necessary for the purposes of the program. In conducting such outreach activities, the Secretary shall advise that medical treatment is not available under the program.

“(h) USE OUTSIDE DEPARTMENT OF STANDARD PROTOCOLS AND GUIDELINES.—The Secretary shall—

“(1) make the standard protocols and guidelines developed under this section available to any entity which requests a copy of such protocols and guidelines; and

“(2) enter into the registry the results of any examination of the spouse or child of a veteran who served in the Persian Gulf theater which a licensed physician certifies was conducted using those standard protocols and guidelines.

“(i) REPORT TO CONGRESS.—Not later than July 31, 1999, the Secretary shall submit to the

Committees on Veterans' Affairs of the Senate and House of Representatives a report on activities with respect to the program, including the provision of services under subsection (d).

“(j) DEFINITIONS.—For purposes of this section, the terms ‘child’ and ‘spouse’ have the meanings given those terms in paragraphs (4) and (31), respectively, of section 101 of title 38, United States Code.

“SEC. 109. SURVEY OF PERSIAN GULF VETERANS.

“(b) OVERSIGHT.—(1) The Secretary shall seek to enter into an agreement with the Medical Follow-Up Agency (MFUA) of the Institute of Medicine of the National Academy of Sciences for (A) the review of proposals to conduct the research referred to in subsection (a), (B) oversight of such research, and (C) review of the research findings.

“(2) If the Secretary is unable to enter into an agreement under paragraph (1) with the entity specified in that paragraph, the Secretary shall enter into an agreement described in that paragraph with another appropriate scientific organization which does not have a connection to the Department of Veterans Affairs. In such a case, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives, at least 90 days before the date on which the agreement is entered into, notice in writing identifying the organization with which the Secretary intends to enter into the agreement.

§1118. Presumptions of service connection for illnesses associated with service in the Persian Gulf during the Persian Gulf War

(a)(1) For purposes of section 1110 of this title, and subject to section 1113 of this title, each illness, if any, described in paragraph (2) shall be considered to have been incurred in or aggravated by service referred to in that paragraph, notwithstanding that there is no record of evidence of such illness during the period of such service.

(2) An illness referred to in paragraph (1) is any diagnosed or undiagnosed illness that—

(A) the Secretary determines in regulations prescribed under this section to warrant a presumption of service connection by reason of having a positive association with exposure to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War; and

(B) becomes manifest within the period, if any, prescribed in such regulations in a veteran who served on active duty in that theater of operations during that war and by reason of such service was exposed to such agent, hazard, or medicine or vaccine.

(3) For purposes of this subsection, a veteran who served on active duty in the Southwest Asia theater of operations during the Persian Gulf War and has an illness described in paragraph (2) shall be presumed to have been exposed by reason of such service to the agent, hazard, or medicine or vaccine associated with the illness in the regulations prescribed under this section unless there is conclusive evidence to establish that the veteran was not exposed to the agent, hazard, or medicine or vaccine by reason of such service.

(4) For purposes of this section, signs or symptoms that may be a manifestation of an undiagnosed illness include the signs and symptoms listed in section 1117(g) of this title.

(b)(1)(A) Whenever the Secretary makes a determination described in subparagraph (B), the Secretary shall prescribe regulations providing that a presumption of service connection is warranted

for the illness covered by that determination for purposes of this section.

(B) A determination referred to in subparagraph (A) is a determination based on sound medical and scientific evidence that a positive association exists between—

- (i) the exposure of humans or animals to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Southwest Asia theater of operations during the Persian Gulf War; and
- (ii) the occurrence of a diagnosed or undiagnosed illness in humans or animals.

(2)(A) In making determinations for purposes of paragraph (1), the Secretary shall take into account—

- (i) the reports submitted to the Secretary by the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998; and

(B) In evaluating any report, information, or analysis for purposes of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.

(3) An association between the occurrence of an illness in humans or animals and exposure to an agent, hazard, or medicine or vaccine shall be considered to be positive for purposes of this subsection if the credible evidence for the association is equal to or outweighs the credible evidence against the association.

(c)(1) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998, the Secretary shall determine whether or not a presumption of service connection is warranted for each illness, if any, covered by the report.

(2) If the Secretary determines under this subsection that a presumption of service connection is warranted, the Secretary shall, not later than 60 days after making the determination, issue proposed regulations setting forth the Secretary's determination.

(3)(A) If the Secretary determines under this subsection that a presumption of service connection is not warranted, the Secretary shall, not later than 60 days after making the determination, publish in the Federal Register a notice of the determination. The notice shall include an explanation of the scientific basis for the determination.

(B) If an illness already presumed to be service connected under this section is subject to a determination under subparagraph (A), the Secretary shall, not later than 60 days after publication of the notice under that subparagraph, issue proposed regulations removing the presumption of service connection for the illness.

(4) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.

(d) Whenever the presumption of service connection for an illness under this section is removed under subsection (c)—

- (1) a veteran who was awarded compensation for the illness on the basis of the presumption before the effective date of the removal of the presumption shall continue to be entitled to receive compensation on that basis; and
- (2) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from the illness on the basis of the presumption before that date shall continue to be entitled to receive dependency and indemnity compensation on that basis.

(e) Subsections (b) through (d) shall cease to be effective on September 30, 2011.

SUBCHAPTER VI—GENERAL COMPENSATION PROVISIONS

§1151. Benefits for persons disabled by treatment or vocational rehabilitation

(a) Compensation under this chapter and dependency and indemnity compensation under chapter 13 of this title shall be awarded for a qualifying additional disability or a qualifying death of a veteran in the same manner as if such additional disability or death were service-connected. For purposes of this section, a disability or death is a qualifying additional disability or qualifying death if the disability or death was not the result of the veteran's willful misconduct and—

(1) the disability or death was caused by hospital care, medical or surgical treatment, or examination furnished the veteran under any law administered by the Secretary, either by a Department employee or in a Department facility as defined in section 1701(3)(A) of this title, and the proximate cause of the disability or death was—

(A) carelessness, negligence, lack of proper skill, error in judgment, or similar instance of fault on the part of the Department in furnishing the hospital care, medical or surgical treatment, or examination; or

(B) an event not reasonably foreseeable; or

(2) the disability or death was proximately caused (A) by the provision of training and rehabilitation services by the Secretary (including by a service-provider used by the Secretary for such purpose under section 3115 of this title) as part of an approved rehabilitation program under chapter 31 of this title, or (B) by participation in a program (known as a “compensated work therapy program”) under section 1718 of this title.

(b)(1) Where an individual is, on or after December 1, 1962, awarded a judgment against the United States in a civil action brought pursuant to section 1346(b) of title 28 or, on or after December 1, 1962, enters into a settlement or compromise under section 2672 or 2677 of title 28 by reason of a disability or death treated pursuant to this section as if it were service-connected, then (except as otherwise provided in paragraph (2)) no benefits shall be paid to such individual for any month beginning after the date such judgment, settlement, or compromise on account of such disability or death becomes final until the aggregate amount of benefits which would be paid but for this subsection equals the total amount included in such judgment, settlement, or compromise.

(2) In the case of a judgment, settlement, or compromise covered by paragraph (1) that becomes final on or after the date of the enactment of this paragraph and that includes an amount that is specifically designated for a purpose for which benefits are provided under chapter 21 or 39 of this title (hereinafter in this paragraph referred to as the “offset amount”), if such judgment, settlement, or compromise becomes final before the date of the award of benefits under chapter 21 or 39 for the purpose for which the offset amount was specifically designated—

(A) the amount of such award shall be reduced by the offset amount; and

(B) if the offset amount is greater than the amount of such award, the excess amount received pursuant to the judgment, settlement or compromise, shall be offset against benefits otherwise payable under this chapter.

(c) A qualifying additional disability under this section shall be treated in the same manner as if it were a service-connected disability for purposes of the following provisions of this title:

(1) Chapter 21, relating to specially adapted housing.

(2) Chapter 39, relating to automobiles and adaptive equipment.

Service-connection of such injury or disease may be rebutted by clear and convincing evidence to the contrary. VETERANS’ DIOXIN AND RADIATION EXPOSURE COMPENSATION STANDARDS; CONGRESSIONAL FINDINGS AND STATEMENT OF PURPOSE

Pub. L. 98–542, §1–3, Oct. 24, 1984, 98 Stat. 2725, 2727, as amended by Pub. L. 102–4, §10(a), (b), Feb. 6, 1991, 105 Stat. 19, provided that:

“SHORT TITLE

“SECTION 1. This Act [amending this section, enacting provisions set out as notes under this section, and amending provisions set out as notes under this section and section 1116 of this title] may be cited as the ‘Veterans’ Dioxin and Radiation Exposure Compensation Standards Act’.

“FINDINGS

“SEC. 2. The Congress makes the following findings:

“(1) Veterans who served in the Republic of Vietnam during the Vietnam era and veterans who participated in atmospheric nuclear tests or the American occupation of Hiroshima or Nagasaki, Japan, are deeply concerned about possible long-term health effects of exposure to herbicides containing dioxin or to ionizing radiation.

“(2) There is scientific and medical uncertainty regarding such long-term adverse health effects.

“(3) In section 102 of Public Law 97–22 [see Tables for classification], the Congress responded to that uncertainty by authorizing priority medical care at Veterans’ Administration [now Department of Veterans Affairs] facilities for any disability of a veteran who may have been so exposed (even though there is insufficient medical evidence linking such disability with such exposure) unless the disability is found to have resulted from a cause other than the exposure.

“(4) The Congress has further responded to that medical and scientific uncertainty by requiring, in section 307 of Public Law 96–151 [set out as a note under section 1116 of this title] and section 601 of Public Law 98–160 [set out below], the conduct of thorough epidemiological studies of the health effects experienced by veterans in connection with exposure both to herbicides containing dioxin and (if not determined to be scientifically infeasible) to radiation, and by requiring in Public Law 97–414 [see Tables for classification], the development of radioepidemiological tables setting forth the probabilities of causation between various cancers and exposure to radiation.

“(5) There is some evidence that most types of leukemia, malignancies of the thyroid, female breast, lung, bone, liver, and skin, and polycythemia vera are associated with exposure to certain levels of ionizing radiation.

“(6) As of the date of the enactment of this Act [Oct. 24, 1984], there are sixty-six federally sponsored research projects being conducted relating to herbicides containing dioxin, at a cost to the Federal Government in excess of \$130,000,000 and, as of 1981, federally sponsored research projects relating to ionizing radiation were costing the Federal Government more than \$115,000,000.

“(7) The initial results of one project—an epidemiological study, conducted by the United States Air

Force School of Aerospace Medicine, of the health status of the 'Ranch Hand' veterans who carried out the loading and aerial spraying of herbicides containing dioxin in Vietnam and in the process came into direct skin contact with such herbicides in their most concentrated liquid form—were released on February 24, 1984, and contained the conclusion 'that there is insufficient evidence to support a cause and effect relationship between herbicide exposure and adverse health in the Ranch Hand group at this time'.

“(8) The ‘film badges’ which were originally issued to members of the Armed Forces in connection with the atmospheric nuclear test program have previously constituted a primary source of dose information for veterans (and survivors of veterans) filing claims for Veterans’ Administration [now Department of Veterans Affairs] disability compensation or dependency and indemnity compensation in connection with exposure to radiation.

“(9) These film badges often provide an incomplete measure of radiation exposure, since they were not capable of recording inhaled, ingested, or neutron doses (although the Defense Nuclear Agency currently has the capability to reconstruct individual estimates of such doses), were not issued to most of the participants in nuclear tests, often provided questionable readings because they were shielded during the detonation, and were worn for only limited periods during and after each nuclear detonation.

“(10) Standards governing the reporting of dose estimates in connection with radiation-related claims for Veterans’ Administration [now Department of Veterans Affairs] disability compensation vary among the several branches of the Armed Forces, and no uniform minimum standards exist.

“(11) The Veterans’ Administration [now Department of Veterans Affairs] has not promulgated permanent regulations setting forth specific guidelines, standards, and criteria for the adjudication of claims for Veterans’ Administration disability compensation based on exposure to herbicides containing dioxin or to ionizing radiation.

“(12) Such claims (especially those involving health effects with long latency periods) present adjudicatory issues which are significantly different from issues generally presented in claims based upon the usual types of injuries incurred in military service.

“(13) It has always been the policy of the Veterans’ Administration [now Department of Veterans Affairs] and is the policy of the United States, with respect to individual claims for service connection of diseases and disabilities, that when, after consideration of all evidence and material of record, there is an approximate balance of positive and negative evidence regarding the merits of an issue material to the determination of a claim, the benefit of the doubt in resolving each such issue shall be given to the claimant.

“PURPOSE

“SEC. 3. The purpose of this Act is to ensure that Veterans’ Administration [now Department of Veterans Affairs] disability compensation is provided to veterans who were exposed to ionizing radiation in connection with atmospheric nuclear tests or in connection with the American occupation of Hiroshima or Nagasaki, Japan, for all disabilities arising after that service that are connected, based on sound scientific and medical evidence, to such service (and that Veterans’ Administration dependency and indemnity compensation is provided to survivors of those veterans for all deaths resulting from such disabilities).”

REQUIREMENT FOR AND CONTENT OF REGULATIONS; ADVISORY COMMITTEE ON ENVIRONMENTAL STANDARDS; NUCLEAR RADIATION MATTERS INVOLVING OTHER AGENCIES

Pub. L. 98–542, §5–7, Oct. 24, 1984, 98 Stat. 2727–2730, as amended by Pub. L. 100–321, §2(c), May 20, 1988, 102 Stat. 486; Pub. L. 102–4, §10(c), (d), Feb. 6, 1991, 105 Stat. 19, 20; Pub. L. 102–83, §5(c)(2), Aug. 6, 1991, 105 Stat. 406, provided that:

“REQUIREMENT FOR AND CONTENT OF REGULATIONS

“SEC. 5. (a) In carrying out the responsibilities of the Administrator of Veterans’ Affairs [now Secretary of Veterans Affairs] under section 1154(a)(2) [formerly 354(a)(2)] of title 38, United States Code, and in order to promote consistency in claims processing and decisions, the Administrator shall prescribe regulations to—

“(1) establish guidelines and (where appropriate) standards and criteria for the resolution of claims for benefits under laws administered by the Veterans’ Administration [now Department of Veterans Affairs] where the criteria for eligibility for a benefit include a requirement that a death or disability be service connected and the claim of service connection is based on a veteran's exposure during service in connection with such veteran's participation in atmospheric nuclear tests or with the American occupation of Hiroshima or Nagasaki, Japan, prior to July 1, 1946, to ionizing radiation from the detonation of a nuclear device; and

“(2) ensure that, with respect to those claims, the policy of the United States described in section 2(13) [set out above] is carried out.

“(b)(1)(A) The guidelines required to be established in regulations prescribed under this section shall include guidelines governing the evaluation of the findings of scientific studies relating to the possible increased risk of adverse health effects of exposure to ionizing radiation. Those guidelines shall require that, in the evaluation of those studies, the Administrator [now Secretary] shall take into account whether the results are statistically significant, are capable of replication, and withstand peer review.

“(B) The evaluations described in subparagraph (A) shall be made by the Administrator of Veterans’ Affairs [now Secretary of Veterans Affairs] after receiving the advice of the Scientific Council of the Veterans’ Advisory Committee on Environmental Hazards (established under section 6). Those evaluations shall be published in the notice section of the Federal Register.

“(C) The standards and criteria required to be established in regulations prescribed under this section shall include provisions governing the use in the adjudication of individual claims of the Administrator’s [now Secretary’s] evaluations made under subparagraph (B).

“(2)(A)(i) In prescribing regulations under this section, the Administrator [now Secretary] (after receiving the advice of the Advisory Committee and of the Scientific Council of the Veterans’ Advisory Committee on Environmental Hazards regarding the diseases described in subparagraph (B)) shall make determinations, based on sound medical and scientific evidence, with respect to each disease described in subparagraph (B) as to whether service connection shall, subject to division (ii) of this subparagraph, be granted in the adjudication of individual cases. In making determinations regarding such diseases, the Administrator shall give due regard to the need to maintain the policy of the United States with respect to the resolution of contested issues as set forth in section 2(13) [set out above]. The Administrator shall set forth in such regulations such determinations, with any specification (relating to exposure or other relevant matter) of limitations on the circumstances under which service connection shall be granted, and shall implement such determinations in accordance with such regulations.

“(ii) If the Administrator [now Secretary] makes a determination, pursuant to this subparagraph, that service connection shall be granted in the case of a disease described in subparagraph (B), the Administrator shall specify in such regulations that, in the adjudication of individual cases, service connection shall not be granted where there is sufficient affirmative evidence to the contrary or evidence to establish that an intercurrent injury or disease which is a recognized cause of the described disease has been suffered between the date of separation from service and the onset of such disease or that the disability is due to the veteran’s own willful misconduct.

“(iii) With regard to each disease described in subparagraph (B), the Administrator [now Secretary] shall include in the regulations prescribed under this section provisions specifying the factors to be considered in adjudicating issues relating to whether or not service connection should be granted in individual cases and the circumstances governing the granting of service connection for such disease.

“(B) The diseases referred to in subparagraph (A) are those specified in section 2(5) [set out above] and any other disease with respect to which the Administrator [now Secretary] finds (after receiving and considering the advice of the Scientific Council established under section 6(d)(2)) that there is sound scientific or medical evidence indicating a connection to exposure to ionizing radiation, in the case of a veteran who was exposed to ionizing radiation in connection with such veteran’s participation in an atmospheric nuclear test or with the American occupation of Hiroshima or Nagasaki, Japan, before July 1, 1946.

“(3) The regulations prescribed under this section shall include—

“(A) specification of the maximum period of time after exposure to such ionizing radiation for the development of those diseases; and

“(B) a requirement that a claimant filing a claim based upon a veteran’s exposure to ionizing radiation from the detonation of a nuclear device may not be required to produce evidence substantiating the veteran’s exposure during active military, naval, or air service if the information in the veteran’s service records and other records of the Department of Defense is not inconsistent with the claim that the veteran was present where and when the claimed exposure occurred.

“(c)(1) The Administrator of Veterans’ Affairs [now Secretary of Veterans Affairs] shall develop the regulations required by this section (and any amendment to those regulations) through a public review and comment process in accordance with the provisions of section 553 of title 5, United States Code. That process may include consideration by the Administrator of the recommendations of the Veterans’ Advisory Committee on Environmental Hazards and the Scientific Council thereof (established under section 6) with respect to the proposed regulations, and that process shall include consideration by the Administrator of the

recommendations of the Committee and the Council with respect to the final regulations and proposed and final amendments to such regulations. The period for public review and comment shall be completed not later than ninety days after the proposed regulations or proposed amendments are published in the Federal Register.

“(2)(A) Not later than one hundred and eighty days after the date of the enactment of this Act [Oct. 24, 1984], the Administrator [now Secretary] shall develop and publish in the Federal Register a proposed version of the regulations required to be prescribed by this section.

“(B) Not later than three hundred days after the date of the enactment of this Act [Oct. 24, 1984], the Administrator [now Secretary] shall publish in the Federal Register the final regulations (together with explanations of the bases for the guidelines, standards, and criteria contained therein) required to be prescribed by this section.

“ADVISORY COMMITTEE ON ENVIRONMENTAL HAZARDS

“(1) six individuals (of whom none may be members of the Armed Forces on active duty or employees of the Veterans’ Administration [now Department of Veterans Affairs] or the Department of Defense and not more than three may be employees of other Federal departments or agencies), appointed, after requesting and considering the recommendations of the heads of Federal entities with particular expertise in biomedical and environmental science, including—

“(A) three individuals who are recognized medical or scientific authorities in fields pertinent to understanding the health effects of exposure to ionizing radiation; and

“(B) three individuals who are recognized medical or scientific authorities in fields, such as epidemiology and other scientific disciplines, pertinent to determining and assessing the health effects of exposure to ionizing radiation in exposed populations; and

“(2) three individuals from the general public, including at least one disabled veteran, having a demonstrated interest in and experience relating to veterans’ concerns regarding exposure to ionizing radiation.

“(b) The Committee shall include, as ex officio, nonvoting members, the Chief Medical Director and the Chief Benefits Director of the Veterans’ Administration [now Under Secretary for Health and Under Secretary for Benefits of the Department of Veterans Affairs], or their designees.

“(c) The Committee shall submit to the Administrator [now Secretary] any recommendations it considers appropriate for administrative or legislative action.

“(d)(1) The six members of the Committee described in subsection (a)(1) shall, in addition to serving as members of the Committee, constitute a Scientific Council of the Committee (hereinafter in this section referred to as the ‘Council’).

“(2) The Council shall have responsibility for evaluating scientific studies relating to possible adverse health effects of exposure to ionizing radiation.

“(3) The Council shall make findings and evaluations regarding pertinent scientific studies and shall submit to the Committee, the Administrator [now Secretary], and the Committees on Veterans’ Affairs of the Senate and House of Representatives directly periodic reports on such findings and evaluations.

“(e) The Administrator [now Secretary] shall designate one of the members to chair the Committee and another member to chair the Council.

“(f) The Administrator [now Secretary] shall determine the terms of service and pay and allowances of members of the Committee, except that a term of service of any member may not exceed three years. The Administrator may reappoint any member for additional terms of service.

“(g) The Administrator [now Secretary] shall provide administrative support services and fiscal support for the Committee.

“NUCLEAR RADIATION MATTERS INVOLVING OTHER AGENCIES

(a) In connection with the duties of the Director of the Defense Nuclear Agency, as Department of Defense Executive Agent for the Nuclear Test Personnel Review Program, relating to the preparation of radiation dose estimates with regard to claims for Veterans’ Administration [now Department of Veterans Affairs] disability compensation and dependency and indemnity compensation under chapters 11 and 13, respectively, of title 38, United States Code—

“(1) the Secretary of Defense shall prescribe guidelines (and any amendment to those guidelines) through a public review and comment process in accordance with the provisions of section 553 of title 5,

United States Code—

“(A) specifying the minimum standards governing the preparation of radiation dose estimates in connection with claims for such compensation,

“(B) making such standards uniformly applicable to the several branches of the Armed Forces, and

“(C) requiring that each such estimate furnished to the Veterans’ Administration [now Department of Veterans Affairs] and to any veteran or survivor include information regarding all material aspects of the radiation environment to which the veteran was exposed and which form the basis of the claim, including inhaled, ingested, and neutron doses; and

“(2) the Secretary of Health and Human Services, through the Director of the National Institutes of Health, shall—

“(A) conduct a review of the reliability and accuracy of scientific and technical devices and techniques (such as ‘whole body counters’) which may be useful in determining previous radiation exposure;

“(C) enter into an interagency agreement with the Administrator of Veterans’ Affairs [now Secretary of Veterans Affairs] for the purpose of assisting the Administrator in identifying agencies or other entities capable of furnishing services involving the use of such devices and techniques.

“(b) The Administrator of Veterans’ Affairs [now Secretary of Veterans Affairs], in resolving material differences between a radiation dose estimate, from a credible source, submitted by a veteran or survivor and a radiation dose estimate prepared and transmitted by the Director of the Defense Nuclear Agency, shall provide for the preparation of a radiation dose estimate by an independent expert, who shall be selected by the Director of the National Institutes of Health and who shall not be affiliated with the Defense Nuclear Agency, and the Administrator shall provide for the consideration of such independent estimate in connection with the adjudication of the claim for Veterans’ Administration [now Department of Veterans Affairs] compensation.”

INTERIM BENEFITS FOR DISABILITY OR DEATH IN CERTAIN CASES

Section 9 of Pub. L. 98–542 provided for payment of interim monthly disability benefits to veterans who had served in Vietnam during Vietnam era and who had diseases chloracne and porphyria cutanea tarda which manifested themselves within one year after date of veteran's most recent departure from Vietnam, but with no such interim benefits to be paid after Sept. 30, 1986.

RADIATION EXPOSURE STUDY AND GUIDE

Pub. L. 98–160, title VI, Nov. 21, 1983, 97 Stat. 1006, as amended by Pub. L. 98–542, §8(b), Oct. 24, 1984, 98 Stat. 2732, provided for the conduct of an epidemiological study of long-term adverse health effects of exposure to ionizing radiation from detonation of nuclear devices in connection with tests of such devices or in connection with occupation of Hiroshima and Nagasaki, Japan, between Sept. 11, 1945, and July 1, 1946, and provided for reports to Congress on studies made together with recommendations as to necessary legislation.

§1155. Authority for schedule for rating disabilities

The Secretary shall adopt and apply a schedule of ratings of reductions in earning capacity from specific injuries or combination of injuries. The ratings shall be based, as far as practicable, upon the average impairments of earning capacity resulting from such injuries in civil occupations. The schedule shall be constructed so as to provide ten grades of disability and no more, upon which payments of compensation shall be based, namely, 10 percent, 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, 80 percent, 90 percent, and total, 100 percent. The Secretary shall from time to time readjust this schedule of ratings in accordance with experience. However, in no event shall such a readjustment in the rating schedule cause a veteran's disability rating in effect on the effective date of the readjustment to be reduced unless an improvement in the veteran's disability is shown to have occurred.

- (ii) provided in regulations prescribed by the Secretary.

(D) For a veteran who is assigned a temporary disability rating under subsection (a)(1)(D), until the date that is provided in regulations prescribed by the Secretary.

(2) The Secretary may extend a temporary disability rating assigned to a veteran under subsection (a) beyond the applicable termination date under paragraph (1) if the Secretary determines that such an extension is appropriate.

(c) REGULATIONS.—The Secretary shall prescribe regulations to carry out the provisions of this section.

(d) CONSTRUCTION.—Nothing in this section shall be construed to preclude the Secretary from providing a temporary disability rating under an authority other than this section.

In determining the period of a veteran’s disability for purposes of the preceding sentence, only periods in which the veteran was married to the surviving spouse shall be considered.

(3) In the case of dependency and indemnity compensation paid to a surviving spouse that is predicated on the death of a veteran before January 1, 1993, the monthly rate of such compensation shall be the amount based on the pay grade of such veteran, as set forth in the following table, if the amount is greater than the total amount determined with respect to that veteran under paragraphs (1) and (2):

§1524. Vocational training for certain pension recipients

(a)(1) In the case of a veteran under age 45 who is awarded a pension during the program period, the Secretary shall, based on information on file with the Department of Veterans Affairs, make a preliminary finding whether such veteran, with the assistance of a vocational training program under this section, has a good potential for achieving employment. If such potential is found to exist, the Secretary shall solicit from the veteran an application for vocational training under this section. If the veteran thereafter applies for such training, the Secretary shall provide the veteran with an evaluation, which may include a personal interview, to determine whether the achievement of a vocational goal is reasonably feasible.

(2) If a veteran who is 45 years of age or older and is awarded pension during the program period, or a veteran who was awarded pension before the beginning of the program period, applies for vocational training under this section and the Secretary makes a preliminary finding on the basis of information in the application that, with the assistance of a vocational training program under subsection (b) of this section, the veteran has a good potential for achieving employment, the Secretary shall provide the veteran with an evaluation in order to determine whether the achievement of a vocational goal by the veteran is reasonably feasible. Any such evaluation shall include a personal interview by a Department employee trained in vocational counseling.

(3) For the purposes of this section, the term “program period” means the period beginning on February 1, 1985, and ending on December 31, 1995.

(b)(1) If the Secretary, based upon an evaluation under subsection (a) of this section, determines that the achievement of a vocational goal by a veteran is reasonably feasible, the veteran shall be offered and may elect to pursue a vocational training program under this subsection. If the veteran elects to pursue such a program, the program shall be designed in consultation with the veteran in order to meet the veteran's individual needs and shall be set forth in an individualized written plan of vocational rehabilitation of the kind described in section 3107 of this title.

(2)(A) Subject to subparagraph (B) of this paragraph, a vocational training program under this subsection shall consist of vocationally oriented services and assistance of the kind provided under chapter 31 of this title and such other services and assistance of the kind provided under that chapter as are necessary to enable the veteran to prepare for and participate in vocational training or employment.

(B) A vocational training program under this subsection—

(i) may not exceed 24 months unless, based on a determination by the Secretary that an extension is necessary in order for the veteran to achieve a vocational goal identified (before the end of the first 24 months of such program) in the written plan formulated for the veteran, the Secretary grants an extension for a period not to exceed 24 months;

(ii) may not include the provision of any loan or subsistence allowance or any automobile adaptive equipment of the kind provided under chapter 39 of this title; and

(iii) may include a program of education at an institution of higher learning (as defined in sections 3452(b) and 3452(f), respectively, of this title) only in a case in which the Secretary determines that the program involved is predominantly vocational in content.

(4) A veteran may not begin pursuit of a vocational training program under this subsection after

the later of (A) December 31, 1995, or (B) the end of a reasonable period of time, as determined by the Secretary, following either the evaluation of the veteran under subsection (a) of this section or the award of pension to the veteran as described in subsection (a)(2) of this section. Any determination by the Secretary of such a reasonable period of time shall be made pursuant to regulations which the Secretary shall prescribe.

(c) In the case of a veteran who has been determined to have a permanent and total non-service-connected disability and who, not later than one year after the date the veteran's eligibility for counseling under subsection (b)(3) of this section expires, secures employment within the scope of a vocational goal identified in the veteran's individualized written plan of vocational rehabilitation (or in a related field which requires reasonably developed skills and the use of some or all of the training or services furnished the veteran under such plan), the evaluation of the veteran as having a permanent and total disability may not be terminated by reason of the veteran's capacity to engage in such employment until the veteran first maintains such employment for a period of not less than 12 consecutive months.

(d) A veteran who pursues a vocational training program under subsection (b) of this section shall have the benefit of the provisions of subsection (a) of section 1525 of this title beginning at such time as the veteran's entitlement to pension is terminated by reason of income from work or training (as defined in subsection (b)(1) of that section) without regard to the date on which the veteran's entitlement to pension is terminated.

(e) Payments by the Secretary for education, training, and other services and assistance under subsection (b) of this section (other than the services of Department employees) shall be made from the Department appropriations account from which payments for pension are made.

(A) a service-connected disability;

(B) a disability for which a veteran was discharged or released from the active military, naval, or air service; or

(C) a disability of a veteran who has a total disability permanent in nature from a service-connected disability.

(3) Hospital care or medical services for the treatment of medical emergencies which pose a serious threat to the life or health of a veteran receiving medical services in a Department facility or nursing home care under section 1720 of this title until such time following the furnishing of care in the non-Department facility as the veteran can be safely transferred to a Department facility.

(4) Hospital care for women veterans.

(5) Hospital care, or medical services that will obviate the need for hospital admission, for veterans in a State (other than the Commonwealth of Puerto Rico) not contiguous to the contiguous States, except that the annually determined hospital patient load and incidence of the furnishing of medical services to veterans hospitalized or treated at the expense of the Department in Government and non-Department facilities in each such noncontiguous State shall be consistent with the patient load or incidence of the furnishing of medical services for veterans hospitalized or treated by the Department within the 48 contiguous States and the Commonwealth of Puerto Rico.

(6) Diagnostic services necessary for determination of eligibility for, or of the appropriate course of treatment in connection with, furnishing medical services at independent Department out-patient clinics to obviate the need for hospital admission.

(8) Diagnostic services (on an inpatient or outpatient basis) for observation or examination of a person to determine eligibility for a benefit or service under laws administered by the Secretary.

(b) In the case of any veteran for whom the Secretary contracts to furnish care or services in a non-Department facility pursuant to a provision of subsection (a) of this section, the Secretary shall periodically review the necessity for continuing such contractual arrangement pursuant to such provision.

(c) The Secretary shall include in the budget documents which the Secretary submits to Congress for any fiscal year a detailed report on the furnishing of contract care and services during the most recently completed fiscal year under this section, sections 1712A, 1720, 1720A, 1724, and 1732 of this title, and section 115 of the Veterans' Benefits and Services Act of 1988 (Public Law 100-322; 102 Stat. 501).

The program shall be conducted by contract.

(2) Amounts collected, by setoff or otherwise, as the result of an audit under the program conducted under this subsection shall be available, without fiscal year limitation, for the purposes for which funds are currently available to the Secretary for medical care and for payment to a contractor of a percentage of the amount collected as a result of an audit carried out by the contractor.

(3) The Secretary shall allocate all amounts collected under this subsection with respect to a designated geographic service area of the Veterans Health Administration, net of payments to the contractor, to that region.

(4) The authority of the Secretary under this subsection terminates on September 30, 2020.

- (ii) a disease for which the National Academy of Sciences, in a report issued in accordance with section 3 of the Agent Orange Act of 1991, has determined that there is limited or suggestive evidence of the lack of a positive association between occurrence of the disease in humans and exposure to a herbicide agent.

(B) In the case of a veteran described in subparagraph (C), (D), (E), or (F) of paragraph (1), hospital care, medical services, and nursing home care may not be provided under subsection (a)(2)(F) with respect to a disability that is found, in accordance with guidelines issued by the Under Secretary for Health, to have resulted from a cause other than the service or testing described in such subparagraph.

(A) The term “Vietnam-era herbicide-exposed veteran” means a veteran (i) who served on active duty in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, and (ii) who the Secretary finds may have been exposed during such service to dioxin or was exposed during such service to a toxic substance found in a herbicide or defoliant used for military purposes during such period.

(B) The term “radiation-exposed veteran” has the meaning given that term in section 1112(c)(3) of this title.

(5) When the Secretary first provides care for veterans using the authority provided in paragraph (1)(D), the Secretary shall establish a system for collection and analysis of information on the general health status and health care utilization patterns of veterans receiving care under that paragraph. Not later than 18 months after first providing care under such authority, the Secretary shall submit to Congress a report on the experience under that authority. The Secretary shall include in the report any recommendations of the Secretary for extension of that authority.

(f)(1) The Secretary may not furnish hospital care or nursing home care (except if such care constitutes hospice care) under this section to a veteran who is eligible for such care under subsection (a)(3) of this section unless the veteran agrees to pay to the United States the applicable amount determined under paragraph (2) or (4) of this subsection.

(2) A veteran who is furnished hospital care or nursing home care under this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such care shall be liable to the United States for an amount equal to—

(A) the lesser of—

(i) the cost of furnishing such care, as determined by the Secretary; or

(ii) the amount determined under paragraph (3) of this subsection; and

(B) before September 30, 2014, an amount equal to \$10 for every day the veteran receives hospital care and \$5 for every day the veteran receives nursing home care.

(3)(A) In the case of hospital care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this subsection is—

(i) the amount of the inpatient Medicare deductible, plus

(ii) one-half of such amount for each 90 days of care (or fraction thereof) after the first 90 days of such care during such 365-day period.

(B) In the case of nursing home care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this subsection is the amount of the inpatient Medicare deductible for each 90 days of such care (or fraction thereof) during such 365-day period.

(C)(i) Except as provided in clause (ii) of this subparagraph, in the case of a veteran who is admitted for nursing home care under this section after being furnished, during the preceding 365-day period, hospital care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of hospital care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such nursing home care until—

(I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or

(II) the end of the 365-day period applicable to the hospital care for which payment was made,

whichever occurs first.

(ii) In the case of a veteran who is admitted for nursing home care under this section after being furnished, during any 365-day period, hospital care for which the veteran has paid an amount under subparagraph (A)(ii) of this paragraph and who has not been furnished 90 days of hospital care in connection with such payment, the amount of the liability of the veteran under paragraph (2) of this subsection with respect to the number of days of such nursing home care which, when added to the number of days of such hospital care, is 90 or less, is the difference between the inpatient Medicare deductible and the amount paid under such subparagraph until—

(I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or

(II) the end of the 365-day period applicable to the hospital care for which payment was made,

whichever occurs first.

(D) In the case of a veteran who is admitted for hospital care under this section after having been furnished, during the preceding 365-day period, nursing home care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of nursing home care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such hospital care until—

(i) the veteran has been furnished, beginning with the first day of such nursing home care furnished in connection with such payment, a total of 90 days of nursing home care and hospital care; or

(ii) the end of the 365-day period applicable to the nursing home care for which payment was made,

whichever occurs first.

(E) A veteran may not be required to make a payment under this subsection for hospital care or nursing home care furnished under this section during any 90-day period in which the veteran is furnished medical services under paragraph (3) of subsection (a) to the extent that such payment would cause the total amount paid by the veteran under this subsection for hospital care and nursing home care furnished during that period and under subsection (g) for medical services furnished during that period to exceed the amount of the inpatient Medicare deductible in effect on the first day of such period.

(F) A veteran may not be required to make a payment under this subsection or subsection (g) for any days of care in excess of 360 days of care during any 365-calendar-day period.

(4) In the case of a veteran covered by this subsection who is also described by section 1705(a)(7) of this title, the amount for which the veteran shall be liable to the United States for hospital care under this subsection shall be an amount equal to 20 percent of the total amount for which the veteran would otherwise be liable for such care under subparagraphs (2)(B) and (3)(A) but for this paragraph.

(5) For the purposes of this subsection, the term “inpatient Medicare deductible” means the amount of the inpatient hospital deductible in effect under section 1813(b) of the Social Security Act (42 U.S.C. 1395e(b)) on the first day of the 365-day period applicable under paragraph (3) of this subsection.

(g)(1) The Secretary may not furnish medical services (except if such care constitutes hospice care) under subsection (a) of this section (including home health services under section 1717 of this title) to a veteran who is eligible for hospital care under this chapter by reason of subsection (a)(3) of this section unless the veteran agrees to pay to the United States in the case of each outpatient visit the applicable amount or amounts established by the Secretary by regulation.

(2) A veteran who is furnished medical services under subsection (a) of this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in

order to be furnished such services shall be liable to the United States, in the case of each visit in which such services are furnished to the veteran, for an amount which the Secretary shall establish by regulation.

(3) This subsection does not apply with respect to home health services under section 1717 of this title to the extent that such services are for improvements and structural alterations.

(h) Nothing in this section requires the Secretary to furnish care to a veteran to whom another agency of Federal, State, or local government has a duty under law to provide care in an institution of such government.

(ii) the veteran had served on active duty for a period of not less than 180 days or, in the case of a veteran who served on active duty during the Persian Gulf War, 90 days immediately before such discharge or release;

(iii) application for treatment is made within 180 days after such discharge or release, except that (I) in the case of a veteran who reentered active military, naval, or air service within 90 days after the date of such veteran's prior discharge or release from such service, application may be made within 180 days from the date of such veteran's subsequent discharge or release from such service, and (II) if a disqualifying discharge or release has been corrected by competent authority, application may be made within 180 days after the date of correction; and

(iv) the veteran's certificate of discharge or release from active duty does not bear a certification that the veteran was provided, within the 90-day period immediately before the date of such discharge or release, a complete dental examination (including dental X-rays) and all appropriate dental services and treatment indicated by the examination to be needed;

(C) which is a service-connected dental condition or disability due to combat wounds or other service trauma, or of a former prisoner of war;

(2) The Secretary concerned shall at the time a member of the Armed Forces is discharged or released from a period of active military, naval, or air service of not less than 180 days or, in the case of a veteran who served on active duty during the Persian Gulf War, 90 days provide to such member a written explanation of the provisions of clause (B) of paragraph (1) of this subsection and enter in the service records of the member a statement signed by the member acknowledging receipt of such explanation (or, if the member refuses to sign such statement, a certification from an officer designated for such purpose by the Secretary concerned that the member was provided such explanation).

(3) The total amount which the Secretary may expend for furnishing, during any twelve-month period, outpatient dental services, treatment, or related dental appliances to a veteran under this section through private facilities for which the Secretary has contracted under clause (1), (2), or (5) of section 1703(a) of this title may not exceed \$1,000 unless the Secretary determines, prior to the furnishing of such services, treatment, or appliances and based on an examination of the veteran by a dentist employed by the Department (or, in an area where no such dentist is available, by a dentist conducting such examination under a contract or fee arrangement), that the furnishing of such services, treatment, or appliances at such cost is reasonably necessary.

(4)(A) Except as provided in subparagraph (B) of this paragraph, in any year in which the President's Budget for the fiscal year beginning October 1 of such year includes an amount for expenditures for contract dental care under the provisions of this subsection and section 1703 of this title during such fiscal year in excess of the level of expenditures made for such purpose during fiscal year 1978, the Secretary shall, not later than February 15 of such year, submit a report to the appropriate committees of the Congress justifying the requested level of expenditures for contract dental care and explaining why the application of the criteria prescribed in section 1703 of this title for contracting with private facilities and in the second sentence of section 1710(c) of this title for furnishing incidental dental care to hospitalized veterans will not preclude the need for expenditures for contract dental care in excess of the fiscal year 1978 level of expenditures for such purpose. In any case in which the amount included in the President's Budget for any fiscal year for expenditures for contract dental care under such provisions is not in excess of the level of expenditures made for such purpose during fiscal year 1978 and the Secretary determines after the date of submission of such budget and before the end of such fiscal year that the level of expenditures for such contract dental care during such fiscal year will exceed the fiscal year 1978 level of expenditures, the Secretary shall submit a report to the appropriate committees of the Congress containing both a justification (with respect to the projected level of expenditures for such fiscal year) and an explanation as required in the preceding sentence in the case of a report submitted pursuant to such sentence. Any report submitted pursuant to this paragraph shall include a comment by the Secretary on the effect of the application of the criteria prescribed in the second sentence of section 1710(c) of this title for furnishing incidental dental care to hospitalized veterans.

(B) A report under subparagraph (A) of this paragraph with respect to a fiscal year is not required if, in the documents submitted by the Secretary to the Congress in justification for the amounts included for Department programs in the President's Budget, the Secretary specifies with respect to contract dental care described in such subparagraph—

- (i) the actual level of expenditures for such care in the fiscal year preceding the fiscal year in which such Budget is submitted;
- (ii) a current estimate of the level of expenditures for such care in the fiscal year in which such Budget is submitted; and
- (iii) the amount included in such Budget for such care.

(b) Dental services and related appliances for a dental condition or disability described in paragraph (1)(B) of subsection (a) shall be furnished on a one-time completion basis, unless the

services rendered on a one-time completion basis are found unacceptable within the limitations of good professional standards, in which event such additional services may be afforded as are required to complete professionally acceptable treatment.

(c) Dental appliances, wheelchairs, artificial limbs, trusses, special clothing, and similar appliances to be furnished by the Secretary under this section may be procured by the Secretary either by purchase or by manufacture, whichever the Secretary determines may be advantageous and reasonably necessary.

(d) The Secretary shall furnish to each veteran who is receiving additional compensation or allowance under chapter 11 of this title, or increased pension as a veteran of a period of war, by reason of being permanently housebound or in need of regular aid and attendance, such drugs and medicines as may be ordered on prescription of a duly licensed physician as specific therapy in the treatment of any illness or injury suffered by such veteran. The Secretary shall continue to furnish such drugs and medicines so ordered to any such veteran in need of regular aid and attendance whose pension payments have been discontinued solely because such veteran's annual income is greater than the applicable maximum annual income limitation, but only so long as such veteran's annual income does not exceed such maximum annual income limitation by more than \$1,000.

(e) In order to assist the Secretary of Health and Human Services in carrying out national immunization programs under other provisions of law, the Secretary may authorize the administration of immunizations to eligible veterans who voluntarily request such immunizations in connection with the provision of care for a disability under this chapter in any Department health care facility. Any such immunization shall be made using vaccine furnished by the Secretary of Health and Human Services at no cost to the Department. For such purpose, notwithstanding any other provision of law, the Secretary of Health and Human Services may provide such vaccine to the Department at no cost. Section 7316 of this title shall apply to claims alleging negligence or malpractice on the part of Department personnel granted immunity under such section.

§1720. Transfers for nursing home care; adult day health care

(a)(1) Subject to subsection (b) of this section, the Secretary may transfer to a non-Department nursing home, for care at the expense of the United States—

(A) a veteran—

(i) who has been furnished care by the Secretary in a facility under the direct jurisdiction of the Secretary; and

(ii) who the Secretary determines—

(I) requires a protracted period of nursing home care which can be furnished in the non-Department nursing home; and

(B) a member of the Armed Forces—

(i) who has been furnished care in a hospital of the Armed Forces;

(ii) who the Secretary concerned determines has received maximum benefits from such care but requires a protracted period of nursing home care; and

(iii) who upon discharge from the Armed Forces will become a veteran.

(2) The Secretary may transfer a person to a nursing home under this subsection only if the Secretary determines that the cost to the United States of the care of such person in the nursing home will not exceed—

(A) the amount equal to 45 percent of the cost of care furnished by the Department in a general hospital under the direct jurisdiction of the Secretary (as such cost may be determined annually by the Secretary); or

(B) the amount equal to 50 percent of such cost, if such higher amount is determined to be necessary by the Secretary (upon the recommendation of the Under Secretary for Health) to provide adequate care.

(4) A veteran who is furnished care by the Secretary in a hospital or domiciliary facility in Alaska or Hawaii may be furnished nursing home care at the expense of the United States under this subsection even if such hospital or domiciliary facility is not under the direct jurisdiction of the Secretary.

(b) No veteran may be transferred or admitted to any institution for nursing home care under this section, unless such institution is determined by the Secretary to meet such standards as the Secretary may prescribe. The standards prescribed and any report of inspection of institutions furnishing care

to veterans under this section made by or for the Secretary shall, to the extent possible, be made available to all Federal, State, and local agencies charged with the responsibility of licensing or otherwise regulating or inspecting such institutions.

(c)(1)(A) In furnishing nursing home care, adult day health care, or other extended care services under this section, the Secretary may enter into agreements for furnishing such care or services with—

(2) In applying the provisions of section 6704(a) of title 41 with respect to any contract entered into under this section to provide nursing home care of veterans, the payment of wages not less than those specified in section 6(b) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(b)) shall be deemed to constitute compliance with such provisions.

(d)(1) Subject to subsection (b) of this section, the Secretary may authorize for any veteran requiring nursing home care for a service-connected disability direct admission for such care at the expense of the United States to any non-Department nursing home. The Secretary may also authorize a direct admission to such a nursing home for nursing home care for any veteran who has been discharged from a hospital under the direct jurisdiction of the Secretary and who is currently receiving medical services as part of home health services from the Department.

(2) Direct admission authorized by paragraph (1) of this subsection may be authorized upon determination of need therefor—

(A) by a physician employed by the Department; or

(B) in areas where no such physician is available, by a physician carrying out such function under contract or fee arrangement,

based on an examination by such physician.

(3) The amount which may be paid for such care and the length of care available under this subsection shall be the same as authorized under subsection (a) of this section.

(e)(1) The cost of intermediate care for purposes of payment by the United States pursuant to subsection (a)(2)(B) of this section shall be determined by the Secretary except that the rate of reimbursement shall be commensurately less than that provided for nursing home care.

(f)(1)(A) The Secretary may furnish adult day health care services to a veteran enrolled under section 1705(a) of this title who would otherwise require nursing home care.

Any such in-kind assistance shall be provided under a contract or agreement between the Secretary and the facility concerned. The Secretary may provide such assistance only for use solely in the furnishing of adult day health care and only if, under such contract or agreement, the Department receives reimbursement for the full cost of such assistance, including the cost of services and supplies and normal depreciation and amortization of equipment.

Such reimbursement may be made by reduction in the charges to the United States or by payment to the United States. Any funds received through such reimbursement shall be credited to funds allotted to the Department facility that provided the assistance.

(2) The Secretary may conduct, at facilities over which the Secretary has direct jurisdiction, programs for the furnishing of adult day health care to veterans who are eligible for such care under paragraph (1) of this subsection, except that necessary travel and incidental expenses (or transportation in lieu thereof) may be furnished under such a program only under the terms and conditions set forth in section 111 of this title. The furnishing of care under any such program shall be subject to the limitations that are applicable to the duration of adult day health care furnished under paragraph (1) of this subsection.

(g) The Secretary may contract with appropriate entities to provide specialized residential care and rehabilitation services to a veteran of Operation Enduring Freedom or Operation Iraqi Freedom who the Secretary determines suffers from a traumatic brain injury, has an accumulation of deficits in activities of daily living and instrumental activities of daily living, and because of these deficits, would otherwise require admission to a nursing home even though such care would generally exceed the veteran's nursing needs.

SUBSTANCE USE DISORDERS AND MENTAL HEALTH CARE

Pub. L. 110–387, title I, §§102–105, Oct. 10, 2008, 122 Stat. 4112–4114, provided that:

“SEC. 102. FINDINGS ON SUBSTANCE USE DISORDERS AND MENTAL HEALTH.

“Congress makes the following findings:

“(1) More than 1,500,000 members of the Armed Forces have been deployed in Operation Iraqi Freedom and Operation Enduring Freedom. The 2005 Department of Defense Survey of Health Related Behaviors Among Active Duty Personnel reports that 23 percent of members of the Armed Forces on active duty acknowledge a significant problem with alcohol use disorder, with similar rates of acknowledged problems with alcohol use disorder among members of the National Guard.

“(2) The effects of substance use disorder are wide ranging, including significantly increased risk of suicide, exacerbation of mental and physical health disorders, breakdown of family support, and increased risk of unemployment and homelessness.

“(3) While veterans suffering from mental health conditions, chronic physical illness, and polytrauma may be at increased risk for development of a substance use disorder, treatment for these veterans is complicated by the need to address adequately the physical and mental symptoms associated with these conditions through appropriate medical intervention.

“(4) While the Veterans Health Administration has dramatically increased health services for veterans from 1996 through 2006, the number of veterans receiving specialized substance use disorder treatment services decreased 18 percent during that time. No comparable decrease in the national rate of substance use disorder has been observed during that time.

“(5) While some facilities of the Veterans Health Administration provide exemplary substance use disorder treatment services, the availability of such treatment services throughout the health care system of the Veterans Health Administration is inconsistent.

“(6) According to a 2006 report by the Government Accountability Office, the Department of Veterans Affairs significantly reduced its substance use disorder treatment and rehabilitation services between 1996 and 2006, and the Fiscal Year 2007 National Mental Health Program Monitoring System report shows that little progress has been made in restoring these services to their pre-1996 levels.

“SEC. 103. EXPANSION OF SUBSTANCE USE DISORDER TREATMENT SERVICES PROVIDED BY DEPARTMENT OF VETERANS AFFAIRS.

“(a) IN GENERAL.—The Secretary of Veterans Affairs shall ensure the provision of such services and treatment to each veteran enrolled in the health care system of the Department of Veterans Affairs who is in need of services and treatments for a substance use disorder as follows:

“(1) Screening for substance use disorder in all settings, including primary care settings.

“(2) Short term motivational counseling services.

“(3) Marital and family counseling.

“(4) Intensive outpatient or residential care services.

“(5) Relapse prevention services.

“(6) Ongoing aftercare and outpatient counseling services.

“(7) Opiate substitution therapy services.

“(8) Pharmacological treatments aimed at reducing craving for drugs and alcohol.

“(9) Detoxification and stabilization services.

“(10) Coordination with groups providing peer to peer counseling.

“(11) Such other services as the Secretary considers appropriate.

“(b) PROVISION OF SERVICES.—

“(1) ALLOCATION OF RESOURCES FOR PROVISION OF SERVICES.—The Secretary shall ensure that amounts made available for care, treatment, and services provided under this section are allocated in such a manner that a full continuum of care, treatment, and services described in subsection (a) is available to veterans seeking such care, treatment, or services, without regard to the location of the residence of any such veterans.

“(2) MANNER OF PROVISION.—The services and treatment described in subsection (a) may be provided to a veteran described in such subsection—

“(A) at Department of Veterans Affairs medical centers or clinics;

“(B) by referral to other facilities of the Department that are accessible to such veteran; or

“(C) by contract or fee-for-service payments with community-based organizations for the provision of such services and treatments.

“(c) ALTERNATIVES IN CASE OF SERVICES DENIED DUE TO CLINICAL NECESSITY.—If the Secretary denies the provision to a veteran of services or treatment for a substance use disorder due to clinical necessity, the Secretary shall provide the veteran such other services or treatment as are medically appropriate.

“SEC. 104. CARE FOR VETERANS WITH MENTAL HEALTH AND SUBSTANCE USE DISORDERS.

“(a) IN GENERAL.—If the Secretary of Veterans Affairs provides a veteran inpatient or outpatient care for a substance use disorder and a comorbid mental health disorder, the Secretary shall ensure that treatment for such disorders is provided concurrently—

“(1) through a service provided by a clinician or health professional who has training and expertise in treatment of substance use disorders and mental health disorders;

“(2) by separate substance use disorder and mental health disorder treatment services when there is appropriate coordination, collaboration, and care management between such treatment services; or

“(3) by a team of clinicians with appropriate expertise.

“(b) TEAM OF CLINICIANS WITH APPROPRIATE EXPERTISE DEFINED.—In this section, the term ‘team of clinicians with appropriate expertise’ means a team consisting of the following:

“(1) Clinicians and health professionals with expertise in treatment of substance use disorders and mental health disorders who act in coordination and collaboration with each other.

“(2) Such other professionals as the Secretary considers appropriate for the provision of treatment to veterans for substance use and mental health disorders.

“SEC. 105. PILOT PROGRAM FOR INTERNET-BASED SUBSTANCE USE DISORDER TREATMENT FOR VETERANS OF OPERATION IRAQI FREEDOM AND OPERATION ENDURING FREEDOM.

“(a) FINDINGS.—Congress makes the following findings:

“(1) Stigma associated with seeking treatment for mental health disorders has been demonstrated to prevent some veterans from seeking such treatment at a medical facility operated by the Department of Defense or the Department of Veterans Affairs.

“(2) There is a significant incidence among veterans of post-deployment mental health problems, especially among members of a reserve component who return as veterans to civilian life.

“(3) Computer-based self-guided training has been demonstrated to be an effective strategy for supplementing the care of psychological conditions.

“(4) Younger veterans, especially those who served in Operation Enduring Freedom or Operation Iraqi Freedom, are comfortable with and proficient at computer-based technology.

“(5) Veterans living in rural areas may find access to treatment for substance use disorder limited.

“(6) Self-assessment and treatment options for substance use disorders through an Internet website may reduce stigma and provides additional access for individuals seeking care and treatment for such disorders.

“(b) IN GENERAL.—Not later than October 1, 2009, the Secretary of Veterans Affairs shall carry out a pilot program to assess the feasibility and advisability of providing veterans who seek treatment for substance use disorders access to a computer-based self-assessment, education, and specified treatment program through a secure Internet website operated by the Secretary. Participation in the pilot program shall be available on a voluntary basis for those veterans who have served in Operation Enduring Freedom or Operation Iraqi Freedom.

“(c) ELEMENTS OF PILOT PROGRAM.—

“(1) IN GENERAL.—In carrying out the pilot program under this section, the Secretary shall ensure that—

“(A) access to the Internet website and the programs available on the website by a veteran (or family member) does not involuntarily generate an identifiable medical record of that access by that veteran in any medical database maintained by the Department of Veterans Affairs;

“(B) the Internet website is accessible from remote locations, especially rural areas; and

“(C) the Internet website includes a self-assessment tool for substance use disorders, self-guided treatment and educational materials for such disorders, and appropriate information and materials for family members of veterans.

“(2) CONSIDERATION OF SIMILAR PROJECTS.—In designing the pilot program under this section, the Secretary shall consider similar pilot projects of the Department of Defense for the early diagnosis and treatment of post-traumatic stress disorder and other mental health conditions established under section 741 of the John Warner National Defense Authorization Act of [for] Fiscal Year 2007 (Public Law 109–364; 120 Stat. 2304) [10 U.S.C. 1074 note].

“(3) LOCATION OF PILOT PROGRAM.—The Secretary shall carry out the pilot program through those medical centers of the Department of Veterans Affairs that have established Centers for Excellence for Substance Abuse Treatment and Education or that have established a Substance Abuse Program Evaluation and Research Center.

“(4) CONTRACT AUTHORITY.—The Secretary may enter into contracts with qualified entities or

organizations to carry out the pilot program required under this section.

“(d) **DURATION OF PILOT PROGRAM.**—The pilot program required by subsection (a) shall be carried out during the two-year period beginning on the date of the commencement of the pilot program.

“(e) **REPORT.**—Not later than six months after the completion of the pilot program, the Secretary shall submit to Congress a report on the pilot program, and shall include in that report—an assessment of the feasibility and advisability of continuing or expanding the pilot program, of any cost savings or other benefits associated with the pilot program, and any other recommendations.

“(f) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated to the Secretary of Veterans Affairs \$1,500,000 for each of fiscal years 2010 and 2011 to carry out the pilot program under this section.”

Any funds received through such reimbursement shall be credited to funds allotted to the Department facility that provided the assistance.

(d) The total cost of providing services or in-kind assistance in the case of any veteran for any fiscal year under the program may not exceed 65 percent of the cost that would have been incurred by the Department during that fiscal year if the veteran had been furnished, instead, nursing home care under section 1710 of this title during that fiscal year.

- (2) the veteran is in receipt of pension under section 1521 of this title; or
- (3) the veteran's attributable income is not greater than the amount set forth in subsection (b).

(b)(1) For purposes of subsection (a)(3), the income threshold for the calendar year beginning on January 1, 1990, is—

§1725. Reimbursement for emergency treatment

(a) **GENERAL AUTHORITY.**—(1) Subject to subsections (c) and (d), the Secretary shall reimburse a veteran described in subsection (b) for the reasonable value of emergency treatment furnished the veteran in a non-Department facility.

(2) In any case in which reimbursement is authorized under subsection (a)(1), the Secretary, in the Secretary's discretion, may, in lieu of reimbursing the veteran, make payment of the reasonable value of the furnished emergency treatment directly—

(A) to a hospital or other health care provider that furnished the treatment; or

(B) to the person or organization that paid for such treatment on behalf of the veteran.

(b) **ELIGIBILITY.**—(1) A veteran referred to in subsection (a)(1) is an individual who is an active Department health-care participant who is personally liable for emergency treatment furnished the veteran in a non-Department facility.

(2) A veteran is an active Department health-care participant if—

(A) the veteran is enrolled in the health care system established under section 1705(a) of this title; and

(B) the veteran received care under this chapter within the 24-month period preceding the furnishing of such emergency treatment.

(3) A veteran is personally liable for emergency treatment furnished the veteran in a non-Department facility if the veteran—

(A) is financially liable to the provider of emergency treatment for that treatment;

(B) has no entitlement to care or services under a health-plan contract (determined, in the case of a health-plan contract as defined in subsection (f)(2)(B) or (f)(2)(C), without regard to any requirement or limitation relating to eligibility for care or services from any department or agency of the United States);

(C) has no other contractual or legal recourse against a third party that would, in whole, extinguish such liability to the provider; and

(D) is not eligible for reimbursement for medical care or services under section 1728 of this title.

(c) **LIMITATIONS ON REIMBURSEMENT.**—(1) The Secretary, in accordance with regulations prescribed by the Secretary, shall—

(A) establish the maximum amount payable under subsection (a);

(B) delineate the circumstances under which such payments may be made, to include such requirements on requesting reimbursement as the Secretary shall establish; and

(C) provide that in no event may a payment under that subsection include any amount for which the veteran is not personally liable.

(2) Subject to paragraph (1), the Secretary may provide reimbursement under this section only after the veteran or the provider of emergency treatment has exhausted without success all claims and remedies reasonably available to the veteran or provider against a third party for payment of such treatment.

(3) Payment by the Secretary under this section on behalf of a veteran to a provider of emergency treatment shall, unless rejected and refunded by the provider within 30 days of receipt, extinguish any liability on the part of the veteran for that treatment. Neither the absence of a contract or agreement between the Secretary and the provider nor any provision of a contract, agreement, or assignment to the contrary shall operate to modify, limit, or negate the requirement in the preceding sentence.

(4)(A) If the veteran has contractual or legal recourse against a third party that would only, in part, extinguish the veteran's liability to the provider of the emergency treatment, and payment for the treatment may be made both under subsection (a) and by the third party, the amount payable for such treatment under such subsection shall be the amount by which the costs for the emergency treatment exceed the amount payable or paid by the third party, except that the amount payable may not exceed the maximum amount payable established under paragraph (1)(A).

(B) In any case in which a third party is financially responsible for part of the veteran's emergency treatment expenses, the Secretary shall be the secondary payer.

(C) A payment in the amount payable under subparagraph (A) shall be considered payment in full and shall extinguish the veteran's liability to the provider.

(D) The Secretary may not reimburse a veteran under this section for any copayment or similar payment that the veteran owes the third party or for which the veteran is responsible under a health-plan contract.

(d) **INDEPENDENT RIGHT OF RECOVERY.**—(1) In accordance with regulations prescribed by the Secretary, the United States shall have the independent right to recover any amount paid under this section when, and to the extent that, a third party subsequently makes a payment for the same emergency treatment.

(2) Any amount paid by the United States to the veteran (or the veteran's personal representative, successor, dependents, or survivors) or to any other person or organization paying for such treatment shall constitute a lien in favor of the United States against any recovery the payee subsequently receives from a third party for the same treatment.

(3) Any amount paid by the United States to the provider that furnished the veteran's emergency treatment shall constitute a lien against any subsequent amount the provider receives from a third party for the same emergency treatment for which the United States made payment.

(4) The veteran (or the veteran's personal representative, successor, dependents, or survivors) shall ensure that the Secretary is promptly notified of any payment received from any third party for emergency treatment furnished to the veteran. The veteran (or the veteran's personal representative, successor, dependents, or survivors) shall immediately forward all documents relating to such payment, cooperate with the Secretary in the investigation of such payment, and assist the Secretary in enforcing the United States right to recover any payment made under subsection (c)(3).

(e) **WAIVER.**—The Secretary, in the Secretary's discretion, may waive recovery of a payment made to a veteran under this section that is otherwise required by subsection (d)(1) when the Secretary determines that such waiver would be in the best interest of the United States, as defined by regulations prescribed by the Secretary.

(f) **DEFINITIONS.**—For purposes of this section:

§1729. Recovery by the United States of the cost of certain care and services

(a)(1) Subject to the provisions of this section, in any case in which a veteran is furnished care or services under this chapter for a non-service-connected disability described in paragraph (2) of this subsection, the United States has the right to recover or collect reasonable charges for such care or services (as determined by the Secretary) from a third party to the extent that the veteran (or the provider of the care or services) would be eligible to receive payment for such care or services from such third party if the care or services had not been furnished by a department or agency of the United States.

(2) Paragraph (1) of this subsection applies to a non-service-connected disability—

(A) that is incurred incident to the veteran's employment and that is covered under a workers' compensation law or plan that provides for payment for the cost of health care and services provided to the veteran by reason of the disability;

(B) that is incurred as the result of a motor vehicle accident to which applies a State law that requires the owners or operators of motor vehicles registered in that State to have in force automobile accident reparations insurance;

(C) that is incurred as the result of a crime of personal violence that occurred in a State, or a political subdivision of a State, in which a person injured as the result of such a crime is entitled to receive health care and services at such State's or subdivision's expense for personal injuries suffered as the result of such crime;

(D) that is incurred by a veteran—

(i) who does not have a service-connected disability; and

(ii) who is entitled to care (or payment of the expenses of care) under a health-plan contract;

or

(E) for which care and services are furnished before October 1, 2014, under this chapter to a veteran who—

(i) has a service-connected disability; and

(ii) is entitled to care (or payment of the expenses of care) under a health-plan contract.

(3) In the case of a health-plan contract that contains a requirement for payment of a deductible or copayment by the veteran—

(A) the veteran's not having paid such deductible or copayment with respect to care or services furnished under this chapter shall not preclude recovery or collection under this section; and

(B) the amount that the United States may collect or recover under this section shall be reduced by the appropriate deductible or copayment amount, or both.

(b)(1) As to the right provided in subsection (a) of this section, the United States shall be subrogated to any right or claim that the veteran (or the veteran's personal representative, successor, dependents, or survivors) may have against a third party.

(2)(A) In order to enforce any right or claim to which the United States is subrogated under paragraph (1) of this subsection, the United States may intervene or join in any action or proceeding brought by the veteran (or the veteran's personal representative, successor, dependents, or survivors) against a third party.

(B) The United States may institute and prosecute legal proceedings against the third party if—

(i) an action or proceeding described in subparagraph (A) of this paragraph is not begun within 180 days after the first day on which care or services for which recovery is sought are furnished to the veteran by the Secretary under this chapter;

(ii) the United States has sent written notice by certified mail to the veteran at the veteran's last-known address (or to the veteran's personal representative or successor) of the intention of the United States to institute such legal proceedings; and

(iii) a period of 60 days has passed following the mailing of such notice.

(C) A proceeding under subparagraph (B) of this paragraph may not be brought after the end of the six-year period beginning on the last day on which the care or services for which recovery is sought are furnished.

(c)(1) The Secretary may compromise, settle, or waive any claim which the United States has under this section.

(2)(A) The Secretary, after consultation with the Comptroller General of the United States, shall prescribe regulations for the purpose of determining reasonable charges for care or services under subsection (a)(1) of this section. Any determination of such charges shall be made in accordance with such regulations.

(B) Such regulations shall provide that reasonable charges for care or services sought to be

recovered or collected from a third-party liable under a health-plan contract may not exceed the amount that such third party demonstrates to the satisfaction of the Secretary it would pay for the care or services if provided by facilities (other than facilities of departments or agencies of the United States) in the same geographic area.

(C) Not later than 45 days after the date on which the Secretary prescribes such regulations (or any amendment to such regulations), the Comptroller General shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives the Comptroller General's comments on and recommendations regarding such regulations (or amendment).

(d) Any contract or agreement into which the Secretary enters with a person under section 3718 of title 31 for collection services to recover indebtedness owed the United States under this section shall provide, with respect to such services, that such person is subject to sections 5701 and 7332 of this title.

(e) A veteran eligible for care or services under this chapter—

(1) may not be denied such care or services by reason of this section; and

(2) may not be required by reason of this section to make any copayment or deductible payment in order to receive such care.

(f) No law of any State or of any political subdivision of a State, and no provision of any contract or other agreement, shall operate to prevent recovery or collection by the United States under this section or with respect to care or services furnished under section 1784 of this title.

[(g) Repealed. Pub. L. 105–33, title VIII, §8023(b)(4), Aug. 5, 1997, 111 Stat. 667.]

(h)(1) Subject to paragraph (3) of this subsection, the Secretary shall make available medical records of a veteran described in paragraph (2) of this subsection for inspection and review by representatives of the third party concerned for the sole purposes of permitting the third party to verify—

(A) that the care or services for which recovery or collection is sought were furnished to the veteran; and

(B) that the provision of such care or services to the veteran meets criteria generally applicable under the health-plan contract involved.

(2) A veteran described in this paragraph is a veteran who is a beneficiary of a health-plan contract under which recovery or collection is sought under this section from the third party concerned for the cost of the care or services furnished to the veteran.

(3) Records shall be made available under this subsection under such conditions to protect the confidentiality of such records as the Secretary shall prescribe in regulations.

(i) For purposes of this section—
