## **§1736p. Trade policy declaration**

It is hereby declared to be the agricultural trade policy of the United States to—

(1) be the premier supplier of agricultural and food products to world markets and expand exports of high value products;

(2) support the principle of free trade and the promotion of fair trade in agricultural commodities and products;

(3) cooperate fully in all efforts to negotiate with foreign countries further reductions in tariff and nontariff barriers to trade, including sanitary and phytosanitary measures and trade-distorting subsidies;

(4) aggressively counter unfair foreign trade practices as a means of encouraging fairer trade;

(5) remove foreign policy constraints to maximize United States economic interests through agricultural trade; and

(6) provide for consideration of United States agricultural trade interests in the design of national fiscal and monetary policy that may foster continued strength in the value of the dollar.

(Pub. L. 99–198, title XI, §1121, Dec. 23, 1985, 99 Stat. 1480; Pub. L. 104–127, title II, §267, Apr. 4, 1996, 110 Stat. 974.)

#### CODIFICATION

Section was enacted as part of the Food Security Act of 1985, and not as part of the Food for Peace Act which comprises this chapter.

"(2) support the principle of free trade and the promotion of fairer trade in agricultural commodities and their products;

"(3) cooperate fully in all efforts to negotiate with foreign countries reductions in current barriers to fair trade;

"(4) counter aggressively unfair foreign trade practices using all available means, including export restitution, export bonus programs, and, if necessary, restrictions on United States imports of foreign agricultural commodities and their products, as a means to encourage fairer trade;"

### **§1736q. Repealed. Pub. L. 104–127, title II, §268, Apr. 4, 1996, 110 Stat. 975**

Section, Pub. L. 99–198, title XI, §1122, Dec. 23, 1985, 99 Stat. 1480, related to liberalization of agricultural trade policy.

### **§1736r. Trade negotiations policy**

#### **(a) Findings**

Congress finds that—

(1) on a level playing field, United States producers are the most competitive suppliers of agricultural products in the world;

(2) exports of United States agricultural products accounted for \$54,000,000,000 in 1995, contributing a net \$24,000,000,000 to the merchandise trade balance of the United States and supporting approximately 1,000,000 jobs;

(3) increased agricultural exports are critical to the future of the farm, rural, and overall United States economy, but the opportunities for increased agricultural exports are limited by the unfair subsidies of the competitors of the United States, and a variety of tariff and nontariff barriers to highly competitive United States agricultural products;

(4) international negotiations can play a key role in breaking down barriers to United States agricultural exports;

(5) the Uruguay Round Agreement on Agriculture made significant progress in the attainment of increased market access opportunities for United States exports of agricultural products, for the first time—

(A) restraining foreign trade-distorting domestic support and export subsidy programs; and

(B) developing common rules for the application of sanitary and phytosanitary restrictions;

that should result in increased exports of United States agricultural products, jobs, and income growth in the United States;

(6) the Uruguay Round Agreement on Agriculture did not succeed in completely eliminating

trade distorting domestic support and export subsidies by—

(A) allowing the European Union to continue unreasonable levels of spending on export subsidies; and

(B) failing to discipline monopolistic state trading entities, such as the Canadian Wheat Board, that use nontransparent and discriminatory pricing as a hidden de facto export subsidy;

(7) during the period 1996 through 2002, there will be several opportunities for the United States to negotiate fairer trade in agricultural products, including further negotiations under the World Trade Organization, and steps toward possible free trade agreements of the Americas and Asian-Pacific Economic Cooperation (APEC); and

(8) the United States should aggressively use these opportunities to achieve more open and fair opportunities for trade in agricultural products.

#### **(b) Goals of the United States in agricultural trade negotiations**

The objectives of the United States with respect to future negotiations on agricultural trade include—

(1) increasing opportunities for United States exports of agricultural products by eliminating tariff and nontariff barriers to trade;

(2) leveling the playing field for United States producers of agricultural products by limiting per unit domestic production supports to levels that are no greater than those available in the United States;

(3) ending the practice of export dumping by eliminating all trade distorting export subsidies and disciplining state trading entities so that they do not (except in cases of bona fide food aid) sell in foreign markets at prices below domestic market prices or prices below their full costs of acquiring and delivering agricultural products to the foreign markets; and

(4) encouraging government policies that avoid price-depressing surpluses.

#### **CODIFICATION**

Section was enacted as part of the Food Security Act of 1985, and not as part of the Food for Peace Act which comprises this chapter.

#### **AMENDMENTS**

**1996**—Pub. L. 104–127 amended section generally, substituting present provisions for provisions relating to initiation and pursuit of agricultural trade consultations among major agricultural producing countries, providing for sense of Congress concerning objectives of such consultations, and requiring annual reports by Secretary of Agriculture on progress of such consultations.

#### **AGRICULTURAL TRADE NEGOTIATING OBJECTIVES AND CONSULTATIONS WITH CONGRESS**

Pub. L. 106–200, title IV, § 409, May 18, 2000, 114 Stat. 295, provided that:

"(a) FINDINGS.—Congress finds that—

"(1) United States agriculture contributes positively to the United States balance of trade and United States agricultural exports support in excess of 1,000,000 United States jobs;

"(2) United States agriculture competes successfully worldwide despite the fact that United States producers are at a competitive disadvantage because of the trade distorting support and subsidy practices of other countries and despite the fact that significant tariff and nontariff barriers exist to United States exports; and

"(3) a successful conclusion of the current World Trade Organization agricultural negotiations is critically important to the United States agricultural sector.

"(b) OBJECTIVES.—The agricultural trade negotiating objectives of the United States with respect to the current World Trade Organization agricultural negotiations include as matters of the highest priority—

"(1) the expeditious elimination of all export subsidies worldwide while maintaining bona fide food aid and preserving United States market development and export credit programs that allow the United States to compete with other foreign export promotion efforts;

"(2) leveling the playing field for United States producers of agricultural products by eliminating blue box subsidies and disciplining domestic supports in a way that forces producers to face world prices on all production in excess of domestic food security needs while allowing the preservation of nontrade distorting programs to support family farms and rural communities;

"(3) the elimination of state trading enterprises or the adoption of rigorous disciplines that ensure operational transparency, competition, and the end of discriminatory pricing practices, including policies supporting cross-subsidization and price undercutting in export markets;

"(4) affirming that the World Trade Organization Agreement on the Application of Sanitary and Phytosanitary Measures applies to new technologies, including biotechnology, and that labeling requirements to allow consumers to make choices regarding biotechnology products or other regulatory requirements may not be used as disguised barriers to trade;

"(5) increasing opportunities for United States exports of agricultural products by reducing tariffs to the same levels that exist in the United States or to lower levels and by eliminating all nontariff barriers, including—

"(A) restrictive or trade distorting practices, including those that adversely impact perishable or cyclical products;

"(B) restrictive rules in the administration of tariff-rate quotas; and

"(C) other barriers to agriculture trade, including unjustified restrictions or commercial requirements affecting new technologies, including biotechnology;

"(6) eliminating government policies that create price-depressing surpluses; and

"(7) strengthening dispute settlement procedures to ensure prompt compliance by foreign governments with their World Trade Organization obligations including commitments not to maintain unjustified restrictions on United States exports.

"(c) CONSULTATION WITH CONGRESSIONAL COMMITTEES.—

"(1) CONSULTATION BEFORE OFFER MADE.—In developing and before submitting an initial or revised negotiating proposal that would reduce United States tariffs on agricultural products or require a change in United States agricultural law, the United States Trade Representative shall consult with the Committee on Agriculture, Nutrition, and Forestry and the Committee on Finance of the Senate and the Committee on Agriculture and the Committee on Ways and Means of the House of Representatives.

"(2) CONSULTATION WITH CONGRESSIONAL TRADE ADVISERS.—Prior to and during the course of current negotiations on agricultural trade, the United States Trade Representative shall consult closely with the congressional trade advisers.

"(3) CONSULTATION BEFORE AGREEMENT INITIALED.—Not less than 48 hours before initialing an agreement reached as part of current World Trade Organization agricultural negotiations, the United States Trade Representative shall consult closely with the committees referred to in paragraph (1) regarding—

"(A) the details of the agreement;

"(B) the potential impact of the agreement on United States agricultural producers; and

"(C) any changes in United States law necessary to implement the agreement.

"(4) DISCLOSURE OF COMMITMENTS.—Any agreement or other understanding addressing agricultural trade with a foreign government or governments (whether oral or in writing) that relates to a trade agreement with respect to which Congress must enact implementing legislation and that is not disclosed to Congress before legislation implementing that agreement is introduced in either House of Congress shall not be considered to be part of the agreement approved by Congress and shall have no force and effect under United States law or in any dispute settlement body.

"(d) SENSE OF THE CONGRESS.—It is the sense of the Congress that—

"(1) granting the President trade negotiating authority is essential to the successful conclusion of the new round of World Trade Organization agricultural negotiations;

"(2) reaching a successful agreement on agriculture should be the top priority of United States negotiators; and

"(3) if by the conclusion of the negotiations, the primary agricultural competitors of the United States do not agree to reduce their trade distorting domestic supports and eliminate export subsidies in accordance with the negotiating objectives expressed in this section, the United States should take steps to increase the leverage of United States negotiators and level the playing field for United States producers."

**(c) Special emphasis on sub-Saharan African and Caribbean Basin countries**

(B) agricultural producers in the United States (including African-American agricultural producers) and banking and insurance professionals have agribusiness expertise that would be invaluable for agricultural producers in sub-Saharan African and Caribbean Basin countries;

(C) a commitment by the United States is appropriate to support the development of a comprehensive agricultural skills training program for those agricultural producers that focuses on—

(i) improving knowledge of insecticide and sanitation procedures to prevent crop destruction;

(ii) teaching modern agricultural techniques that would facilitate a continual analysis of crop production, including—

(I) the identification and development of standard growing practices; and

(II) the establishment of systems for recordkeeping;

(iii) the use and maintenance of agricultural equipment that is appropriate for the majority of eligible agricultural producers in sub-Saharan African or Caribbean Basin countries;

(iv) the expansion of small agricultural operations into agribusiness enterprises by increasing access to credit for agricultural producers through—

- (I) the development and use of village banking systems; and
- (II) the use of agricultural risk insurance pilot products; and

(v) marketing crop yields to prospective purchasers (including businesses and individuals) for local needs and export; and

(D) programs that promote the exchange of agricultural knowledge and expertise through the exchange of American and foreign agricultural producers have been effective in promoting improved agricultural techniques and food security and the extension of additional resources to such farmer-to-farmer exchanges is warranted.

## **(2) Goals for programs carried out in sub-Saharan African and Caribbean Basin countries**

(D) to maximize the number of beneficiaries of the programs in sub-Saharan African and Caribbean Basin countries.

### §1742. Determination of commodity value for set-aside

Quantities of commodities shall not be included in the commodity set-aside which have an aggregate value in excess of \$2,500,000,000. The value of the commodities placed in the commodity set-aside, for the purpose of this section, shall be the Corporation's investment in such commodities as of the date they are included in the commodity set-aside, as determined by the Secretary.

(Aug. 28, 1954, ch. 1041, title I, §102, 68 Stat. 897.)

### §1743. Reduction of set-aside

(a) Such commodity set-aside shall be reduced by disposals made in accordance with the directions of the President as follows:

- (1) Donation, sale, or other disposition for disaster or other relief purposes outside the United States pursuant to and subject to the limitations of subchapter III of chapter 41 of this title;
- (2) Sale or barter (including barter for strategic materials) to develop new or expanded markets for American agricultural commodities, including but not limited to disposition pursuant to and subject to the limitations of subchapter II of chapter 41 of this title;
- (3) Donation to school-lunch programs;
- (4) Transfer to the National Defense Stockpile established by the Strategic and Critical Materials Stock Piling Act (50 U.S.C. 98 et seq.), without reimbursement from funds appropriated for the purposes of that Act;

- (6) Donation, sale, or other disposition for disaster relief purposes in the United States or to meet any national emergency declared by the President; and
- (7) Sale for unrestricted use to meet a need for increased supplies at not less than 105 per centum of the parity price in the case of agricultural commodities and a price reflecting 105 per centum of the parity price of the agricultural commodity in the case of products of agricultural commodities.

The President shall prescribe such terms and conditions for the disposal of commodities in the commodity set-aside as he determines will provide adequate safeguards against interference with normal marketings of the supplies of such commodities outside the commodity set-aside. Strategic

materials acquired by the Commodity Credit Corporation under paragraph (2) of this subsection shall be transferred to the National Defense Stockpile established by the Strategic and Critical Materials Stock Piling Act [50 U.S.C. 98 et seq.], and the Commodity Credit Corporation shall be reimbursed for the value of the commodities bartered for such strategic materials from funds appropriated for purposes of that Act. For the purpose of such reimbursement, the value of any commodity so bartered shall be the lower of the domestic market price or the Commodity Credit Corporation's investment therein as of the date of such barter, as determined by the Secretary of Agriculture.

(b) The quantity of any commodity in the commodity set-aside shall be reduced to the extent that the Commodity Credit Corporation inventory of such commodity is reduced, by natural or other cause beyond the control of the Corporation, below the quantity then charged to the commodity set-aside.

## SUBCHAPTER IV—CROPLAND ADJUSTMENTS

### **§1838. Conversion of cropland into vegetative cover, water storage, wildlife and conservation uses; contracts with farmers**

#### **(a) Authority for calendar years 1965 through 1970; term of agreements**

Notwithstanding any other provision of law, for the purpose of reducing the costs of farm programs, assisting farmers in turning their land to nonagricultural uses, promoting the development and conservation of the Nation's soil, water, forest, wildlife, and recreational resources, establishing, protecting, and conserving open spaces and natural beauty, the Secretary of Agriculture is authorized to formulate and carry out a program during the calendar years 1965 through 1970 under which

agreements would be entered into with producers as hereinafter provided for periods of not less than five nor more than ten years. No agreement shall be entered into under this section concerning land with respect to which the ownership has changed in the three-year period preceding the first year of the agreement period unless the new ownership was acquired by will or succession as a result of the death of the previous owner, or unless the new ownership was acquired prior to January 1, 1965, under other circumstances which the Secretary determines, and specifies by regulation, will give adequate assurance that such land was not acquired for the purpose of placing it in the program: *Provided*, That this provision shall not be construed to prohibit the continuation of an agreement by a new owner after an agreement has once been entered into under this section: *Provided further*, That the Secretary shall not require a person who has operated the land to be covered by an agreement under this section for as long as three years preceding the date of the agreement and who controls the land for the agreement period to own the land as a condition of eligibility for entering into the agreement. The foregoing provision shall not prevent a producer from placing a farm in the program if the farm was acquired by the producer to replace an eligible farm from which he was displaced because of its acquisition by any Federal, State, or other agency having the right of eminent domain.

**(b) Terms of agreement; specifically designated acreage; land use**

The producer shall agree (1) to carry out on a specifically designated acreage of land on the farm regularly used in the production of crops (including crops, such as tame hay, alfalfa, and clovers, which do not require annual tillage and which have been planted within five years preceding the date of the agreement), hereinafter called "designated acreage", and maintain for the agreement period practices or uses which will conserve soil, water, or forest resources, or establish or protect or conserve open spaces, natural beauty, wildlife or recreational resources, or prevent air or water pollution, in such manner as the Secretary may prescribe (priority being given to the extent practicable to practices or uses which are most likely to result in permanent retirement to noncrop uses); (2) to maintain in conserving crops or uses or allow to remain idle throughout the agreement period the acreage normally devoted to such crops or uses; (3) not to harvest any crop from or graze the designated acreage during the agreement period, unless the Secretary, after certification by the Governor of the State in which such acreage is situated of the need for grazing or harvesting of such acreage, determines that it is necessary to permit grazing or harvesting in order to alleviate damage, hardship, or suffering caused by severe drought, flood, or other natural disaster, and consents to such grazing or harvesting subject to an appropriate reduction in the rate of payment; and (4) to such additional terms and conditions as the Secretary determines are desirable to effectuate the purposes of the program, including such measures as the Secretary may deem appropriate to keep the designated acreage free from erosion, insects, weeds, and rodents. Agreements entered into under which 1966 is the first year of the agreement period (A) shall require the producer to divert from production all of one or more crops designated by the Secretary; and (B) shall not provide for diversion from the production of upland cotton in any county in which the county committee by resolution determines, and requests of the Secretary, that there should not be such diversion in 1966.

**(c) Federal costs; annual adjustment payment**

Under such agreements the Secretary shall (1) bear such part of the average cost (including labor) for the county or area in which the farm is situated of establishing and maintaining authorized practices or uses on the designated acreage as the Secretary determines to be necessary to effectuate the purposes of the program, but not to exceed the average rate for comparable practices or uses under the agricultural conservation program, and (2) make an annual adjustment payment to the producer for the period of the agreement at such rate or rates as the Secretary determines to be fair and reasonable in consideration of the obligations undertaken by the producers. The rate or rates of annual adjustment payments as determined hereunder may be increased by an amount determined by the Secretary to be appropriate in relation to the benefit to the general public of the use of the designated acreage if the producer further agrees to permit, without other compensation, access to such acreage by the general public, during the agreement period, for hunting, trapping, fishing, and hiking, subject to applicable State and Federal regulations. The Secretary and the producer may agree that the annual adjustment payments for all years of the agreement period shall be made either

upon approval of the agreement or in such installments as they may agree to be desirable: *Provided*, That for each year any annual adjustment payment is made in advance of performance, the annual adjustment payment shall be reduced by 5 per centum. The Secretary may provide for adjusting any payment on account of failure to comply with the terms and conditions of the program.

**(d) Advertising and bid procedures**

The Secretary shall, unless he determines that such action will be inconsistent with the effective administration of the program, use an advertising and bid procedure in determining the lands in any area to be covered by agreements. The total acreage placed under contract in any county or local community shall be limited to a percentage of the total eligible acreage in such county or local community which the Secretary determines would not adversely affect the economy of the county or local community. In determining such percentage the Secretary shall give appropriate consideration to the productivity of the acreage being retired as compared to the average productivity of eligible acreage in the county or local community.

**(e) Annual adjustment payment; limitation**

The annual adjustment payment shall not exceed 40 per centum of the estimated value, as determined by the Secretary, on the basis of prices in effect at the time the agreement is entered into, of the crops or types of crops which might otherwise be grown. The estimated value may be established by the Secretary on a county, area, or individual farm basis as he deems appropriate.

**(f) Termination or modification of agreements**

The Secretary may terminate any agreement with a producer by mutual agreement with the producer if the Secretary determines that such termination would be in the public interest, and may agree to such modification of agreements as he may determine to be desirable to carry out the purposes of the program or facilitate its administration.

**(g) Allotment histories**

Notwithstanding any other provision of law, the Secretary of Agriculture may, to the extent he deems it desirable, provide by appropriate regulations for preservation of cropland, crop acreage, and allotment history applicable to acreage diverted from the production of crops in order to establish or maintain vegetative cover or other approved practices for the purpose of any Federal program under which such history is used as a basis for an allotment or other limitation or for participation in such program.

**(h) Utilization of local, county, and State committees**

In carrying out the program, the Secretary shall utilize the services of local, county, and State committees established under section 590h of title 16.

**(i) Transfer of funds**

For the purpose of obtaining an increase in the permanent retirement of cropland to noncrop uses the Secretary may, notwithstanding any other provision of law, transfer funds available for carrying out the program to any other Federal agency or to States or local government agencies for use in acquiring cropland for the preservation of open spaces, natural beauty, the development of wildlife or recreational facilities, or the prevention of air or water pollution under terms and conditions consistent with and at costs not greater than those under agreements entered into with producers, provided the Secretary determines that the purposes of the program will be accomplished by such action.

**(j) Conservation of open spaces, natural beauty, and recreational resources, and prevention of pollution**

The Secretary also is authorized to share the cost with State and local governmental agencies in the establishment of practices or uses which will establish, protect, and conserve open spaces, natural beauty, wildlife or recreational resources, or prevent air or water pollution under terms and conditions and at costs consistent with those under agreements entered into with producers, provided the Secretary determines that the purposes of the program will be accomplished by such action.

**(k) Limitation on payments during any calendar year**

In carrying out the program, the Secretary shall not during any of the fiscal years ending June 30, 1966 through June 30, 1969 or during the period June 30, 1969 through December 31, 1970, enter into agreements with producers which would require payments to producers in any calendar year under such agreements in excess of \$225,000,000 plus any amount by which agreements entered into in prior fiscal years require payments in amounts less than authorized for such prior fiscal years. For purposes of applying this limitation, the annual adjustment payment shall be chargeable to the year in which performance is rendered regardless of the year in which it is made.

**(l) Use of facilities of Commodity Credit Corporation**

The Secretary is authorized to utilize the facilities, services, authorities, and funds of the Commodity Credit Corporation in discharging his functions and responsibilities under this program, including payment of costs of administration: *Provided*, That after December 31, 1966, the Commodity Credit Corporation shall not make any expenditures for carrying out the purposes of this subchapter unless the Corporation has received funds to cover such expenditures from appropriations made to carryout the purposes of this subchapter. There are hereby authorized to be appropriated such sums as may be necessary to carry out the program, including such amounts as may be required to make payments to the Corporation for its actual costs incurred or to be incurred under this program.

**(m) Payment to successor upon death, incompetence, or disappearance of producer entitled to payment**

In case any producer who is entitled to any payment or compensation dies, becomes incompetent, or disappears before receiving such payment or compensation, or is succeeded by another who renders or completes the required performance, the payment or compensation shall, without regard to any other provisions of law, be made as the Secretary may determine to be fair and reasonable in all the circumstances and so provide by regulations.

**(n) Sharing of compensation or payments with tenants and sharecroppers**

The Secretary shall provide adequate safeguards to protect the interests of tenants and sharecroppers, including provision for sharing, on a fair and equitable basis, in payments or compensation under this program.

**(o) Effect of diversion on commodity programs**

The acreage on any farm which is diverted from the production of any commodity pursuant to an agreement hereafter entered into under this subchapter shall be deemed to be acreage diverted from that commodity for the purposes of any commodity program under which diversion is required as a condition of eligibility for price support.

**(p) Advisory Board on Wildlife; membership**

The Secretary may, without regard to the civil service laws, appoint an Advisory Board on Wildlife to advise and consult on matters relating to his functions under this subchapter as he deems appropriate. The Board shall consist of twelve persons chosen from members of wildlife organizations, farm organizations, State game and fish agencies, and representatives of the general public. Members of such Advisory Board who are not regular full-time employees of the United States shall not be entitled to any compensation or expenses.

**(q) Regulations**

The Secretary shall prescribe such regulations as he determines necessary to carry out the provisions of this subchapter.

- 1905. Repealed.

### §1901. Findings and declaration of policy

(II) in the case of a loan that would be subject to the 7 percent limitation under subparagraph (A), the Secretary shall establish the interest rate at a rate that is equal to 80 percent of the current market yield for outstanding municipal obligations with remaining periods to maturity comparable to the average maturity of the loan, adjusted to the nearest 1/8 of 1 percent.

(ii) EXCEPTION.—Clause (i) does not apply to a loan for a specific project that is the subject of a loan that has been approved, but not closed, as of the date of enactment of this subparagraph.

(4) Except as provided in paragraph (6), the interest rates on loans under sections 1926(a)(1) and 1932 of this title (other than guaranteed loans and loans as described in paragraph (3) of this subsection) shall be as determined by the Secretary, but not less than such rates as determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, adjusted in the judgment of the Secretary of the Treasury to provide for rates comparable to the rates prevailing in the private market for similar loans and considering the Secretary's insurance of the loans, plus an additional charge, prescribed by the Secretary, to cover the Secretary's losses and cost of administration, which charge shall be deposited in the Rural Development Insurance Fund, and further adjusted to the nearest one-eighth of 1 per centum.

(5)(A) Except as provided in subparagraph (B), the interest rate on any loan made under this subchapter as a guaranteed loan shall be such rate as may be agreed upon by the borrower and the lender, but not in excess of a rate as may be determined by the Secretary.

(B) In the case of a loan made under section 1932 of this title as a guaranteed loan, subparagraph (A) shall apply notwithstanding the provisions of the constitution or laws of any State limiting the rate or amount of interest that may be charged, taken, received, or reserved.

(6)(A) Notwithstanding any other provision of this section, in the case of loans (other than guaranteed loans) made or insured under the authorities of this chapter specified in subparagraph (B) for activities that involve the use of prime farmland as defined in subparagraph (C), the interest rates shall be the interest rates otherwise applicable under this section increased by 2 per centum per annum. Wherever practicable, construction by a State, municipality, or other political subdivision of

local government that is supported by loans described in the preceding sentence shall be placed on land that is not prime farmland, in order to preserve the maximum practicable amount of prime farmlands for production of food and fiber. Where other options exist for the siting of such construction and where the governmental authority still desires to carry out such construction on prime farmland, the 2 per centum interest rate increase provided by this clause shall apply, but such increased interest rate shall not apply where such other options do not exist.

(B) The authorities referred to in subparagraph (A) are—

- (i) the provisions of section 1926(a)(1) of this title relating to loans for recreational developments and essential community facilities,
- (ii) section 1932(a)(2)(A) of this title; <sup>1</sup> and
- (iii) section 1932(d) of this title.

(C) For purposes of this paragraph, the term "prime farmland" means prime farmlands and unique farmland as those terms are defined in sections 657.5(a) and (b) of title 7, Code of Federal Regulations (1980).

**(b) Payment of charges; prepayment of taxes and insurance**

The borrower shall pay such fees and other charges as the Secretary may require, and borrowers under this chapter shall prepay to the Secretary such taxes and insurance as the Secretary may require, on such terms and conditions as the Secretary may prescribe.

**(c) Mortgages, liens, and other security**

The Secretary shall take as security for the obligations entered into in connection with loans, mortgages on farms with respect to which such loans are made or such other security as the Secretary may require, and for obligations in connection with loans to associations under section 1926 of this title, shall take liens on the facility or such other security as he may determine to be necessary. Such security instruments may constitute liens running to the United States notwithstanding the fact that the notes may be held by lenders other than the United States. A borrower may use the same collateral to secure two or more loans made, insured, or guaranteed under this subchapter, except that the outstanding amount of such loans may not exceed the total value of the collateral so used.

**(d) Additional collateral**

The Secretary may not—

- (1) require any borrower to provide additional collateral to secure a farmer program loan made or insured under this chapter, if the borrower is current in the payment of principal and interest on the loan; or
- (2) bring any action to foreclose, or otherwise liquidate, any such loan as a result of the failure of a borrower to provide additional collateral to secure a loan, if the borrower was current in the payment of principal and interest on the loan at the time the additional collateral was requested.

## **§1929. Agricultural Credit Insurance Fund**

### **(a) Revolving fund**

The fund established pursuant to section 11(a) of the Bankhead-Jones Farm Tenant Act, as amended, shall hereafter be called the Agricultural Credit Insurance Fund and is hereinafter in this subchapter referred to as the "fund". The fund shall remain available as a revolving fund for the discharge of the obligations of the Secretary under agreements insuring loans under this subchapter and loans and mortgages insured under prior authority.

### **(b) Deposits of funds; investments; purchase of notes**

Moneys in the fund not needed for current operations shall be deposited in the Treasury of the United States to the credit of the fund or invested in direct obligations of the United States or obligations guaranteed by the United States. The Secretary may purchase with money in the fund any notes issued by the Secretary to the Secretary of the Treasury for the purpose of obtaining money for the fund.

### **(c) Notes; form and denominations; maturities; terms and conditions; interest rate; purchase by Treasury; public debt transaction**

The Secretary is authorized to make and issue notes to the Secretary of the Treasury for the purpose of obtaining funds necessary for discharging obligations under this section and for authorized expenditures out of the fund. Such notes shall be in such form and denominations and have such maturities and be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes shall bear interest at a rate fixed by the Secretary of the Treasury, taking into consideration the current average market yield of outstanding marketable obligations of the United States having maturities comparable to the notes issued by the Secretary under this subchapter. The Secretary of the Treasury is authorized and directed to purchase any notes of the Secretary issued hereunder, and, for that purpose, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which such securities may be issued under such chapter are extended to include the purchase of notes issued by the Secretary. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes shall be treated as public debt transactions of the United States.

**(d) Notes and security as part of fund; collection or sale of notes; deposit of net proceeds in fund**

Notes and security acquired by the Secretary in connection with loans insured under this subchapter and under prior authority shall become a part of the fund. Notes may be held in the fund and collected in accordance with their terms or may be sold by the Secretary with or without agreements for insurance thereof at the balance due thereon, or on such other basis as the Secretary may determine from time to time. All net proceeds from such collections, including sales of notes or property, shall be deposited in and become a part of the fund.

**(e) Deposit in fund of portion of charge on outstanding principal obligations; availability of remainder of charge, and merger with appropriations, for administrative expenses**

The Secretary shall deposit in the fund all or a portion, not to exceed one-half of 1 per centum of the unpaid principal balance of the loan, of any charge collected in connection with the insurance of loans; and any remainder of any such charge shall be available for administrative expenses of the Farmers Home Administration and the Rural Development Administration, in proportion to such charges collected in connection with the insurance of loans by such agency, to be transferred annually and become merged with any appropriation for administrative expenses for such agency.

**(f) Utilization of fund**

The Secretary may utilize the fund—

(1) to pay amounts to which the holder of the note is entitled on loans heretofore or hereafter insured accruing between the date of any payments made by the borrower and the date of transmittal of any such payments to the lender. In the discretion of the Secretary, payments other than final payments need not be remitted to the holder until due or until the next agreed annual or semiannual remittance date;

(2) to pay to the holder of the notes any deferred or defaulted installment or, upon assignment of the note to the Secretary at the Secretary's request, the entire balance due on the loan;

(3) to purchase notes in accordance with agreements previously entered into;

(4) to pay for contract services, taxes, insurance, prior liens, expenses necessary to make fiscal adjustments in connection with the application and transmittal of collections and other expenses and advances authorized in connection with insured loans, including the difference between interest payable by borrowers and interest to which insured lenders or insured holders are entitled under agreements with the Secretary included in contracts of insurance;

(5) to pay the Secretary's costs of administration necessary to insure, make grants, service, and otherwise carry out the programs under this chapter not specifically covered by the Rural Development Insurance Fund of section 1929a of this title, including costs of the Secretary incidental to guaranteeing loans under this chapter, either directly from the Fund or by transfers from the Fund to, and merger with, any appropriations for administrative expenses.

**(g) Transfer of funds from Farmers Home Administration direct loan account and Emergency Credit Revolving Fund; abolition of such account and fund; payments from Agricultural Credit Insurance Fund; interest**

(1) The assets and liabilities of, and authorizations applicable to, the Farmers Home Administration direct loan account created by section 1988(c) of this title (before the amendment made by section 749(a)(1) of the Federal Agriculture Improvement and Reform Act of 1996) and the Emergency Credit Revolving Fund referred to in section 1966 of this title are hereby transferred to the fund, and such account and such revolving fund are hereby abolished. Such assets and their proceeds, including loans made out of the fund pursuant to this section, shall be subject to the provisions of this section, the last sentence of section 1926(a)(1), and the last sentence of section 1927 of this title.

(2) From time to time, and at least at the close of each fiscal year, the Secretary shall pay from the fund into the Treasury as miscellaneous receipts interest on the value as determined by the Secretary, with the approval of the Comptroller General, of the Government's equity transferred to the fund pursuant to the first sentence of this subsection plus the cumulative amount of appropriations made

available after enactment of this provision as capital and for administration of the programs financed from the fund, less the average undisbursed cash balance in the fund during the year. The rate of such interest shall be determined by the Secretary of the Treasury, taking into consideration the current average yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of loans made or insured from the fund, adjusted to the nearest one-eighth of 1 per centum. Interest payments may be deferred with the approval of the Secretary of the Treasury, but any interest payments so deferred shall themselves bear interest. If at any time the Secretary determines that moneys in the fund exceed present and any reasonably prospective future requirements of the fund, such excess may be transferred to the general fund of the Treasury.

(3) With regard to any loan guarantee on a loan made by a commercial or cooperative lender related to a loan made by the Secretary under section 1935 of this title—

(A) the Secretary shall not charge a fee to any person (including a lender); and

(B) a lender may charge a loan origination and servicing fee in an amount not to exceed 1 percent of the amount of the loan.

(4) **MAXIMUM GUARANTEE OF 90 PERCENT.**—Except as provided in paragraphs (5), (6), and (7), a loan guarantee under this chapter shall be for not more than 90 percent of the principal and interest due on the loan.

(5) **REFINANCED LOANS GUARANTEED AT 95 PERCENT.**—The Secretary shall guarantee 95 percent of—

(A) in the case of a loan that solely refinances a direct loan made under this chapter, the principal and interest due on the loan on the date of the refinancing; or

(6) **BEGINNING FARMER LOANS GUARANTEED UP TO 95 PERCENT.**—The Secretary may guarantee not more than 95 percent of—

(A) a farm ownership loan for acquiring a farm or ranch to a borrower who is participating in the down payment loan program under section 1935 of this title; or

(B) an operating loan to a borrower who is participating in the down payment loan program under section 1935 of this title that is made during the period that the borrower has a direct loan outstanding under this subchapter for acquiring a farm or ranch.

**(i) Coordination of assistance for qualified beginning farmers and ranchers**

(1) Not later than 60 days after any State expresses to the Secretary, in writing, a desire to coordinate the provision of financial assistance to qualified beginning farmers and ranchers in the State, the Secretary and the State shall conclude a joint memorandum of understanding that shall

govern the coordination of the provision of the financial assistance by the State and the Secretary.

(2) The memorandum of understanding shall provide that if a State beginning farmer program makes a commitment to provide a qualified beginning farmer or rancher with financing to establish or maintain a viable farming or ranching operation, the Secretary shall, subject to applicable law, normal loan approval criteria, and the availability of funds provide the farmer or rancher with a down payment loan under section 1935 of this title or a guarantee of the financing provided by the State program, or both.

(3) The Secretary shall not charge any person (including a lender) any fee with respect to the provision of any guarantee under this subsection.

(4) The Secretary shall notify each State of the provisions of this subsection.

(5) As used in paragraph (1), the term "State beginning farmer program" means any program that is—

(A) carried out by, or under contract with, a State; and

(B) designed to assist persons in obtaining the financial assistance necessary to enter agriculture and establish viable farming or ranching operations.

There is hereby created the Rural Development Insurance Fund (hereinafter in this section referred to as the "Insurance Fund") which shall be used by the Secretary as a revolving fund for the discharge of the obligations of the Secretary under contracts guaranteeing or insuring rural development loans. For the purpose of this section "rural development loans" shall be those provided for by sections 1926(a)(1) and 1932 of this title, except loans (other than for water systems and waste disposal facilities) of a type authorized by section 1926(a)(1) of this title prior to its amendment by the Rural Development Act of 1972.

#### **(b) Transfer of assets and liabilities**

The assets and liabilities of the Agricultural Credit Insurance Fund referred to in section 1929(a) of this title applicable to loans for water systems and waste disposal facilities under section 1926(a)(1) of this title are hereby transferred to the Insurance Fund. #### **(c) Credits in the Treasury; investments; notes, purchasing authority of the Secretary**

Moneys in the Insurance Fund not needed for current operations shall be deposited in the Treasury

of the United States to the credit of the Insurance Fund or invested in direct obligations of the United States or obligations guaranteed by the United States. The Secretary is authorized to make and issue notes to the Secretary of the Treasury for the purpose of obtaining funds necessary for discharging obligations under this section and for making loans, advances, and authorized expenditures out of the Insurance Fund. Such notes shall be in such form and denominations and have such maturities and be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Notes and other obligations may be held in the Insurance Fund and collected in accordance with their terms or may be sold by the Secretary with or without agreements for insurance thereof at the balance due thereon, or on such other basis as the Secretary may determine from time to time, including sale on a nonrecourse basis. The Secretary and any subsequent purchaser of such notes and other obligations sold by the Secretary on a nonrecourse basis shall be relieved of any responsibilities that might have been imposed had the borrower remained indebted to the Secretary. All net proceeds from such collections, including sales of notes or property, shall be deposited in and become a part of the Insurance Fund.

The Secretary and any subsequent purchaser of such notes or other obligations sold by the Secretary on a nonrecourse basis shall be relieved of any responsibilities that might have been imposed had the borrower remained indebted to the Secretary." for period at end.

Subsec. (h). Pub. L. 99–514 substituted "Internal Revenue Code of 1986" for "Internal Revenue Code of 1954", which for purposes of codification was translated as "title 26" thus requiring no change in text.

**1978**—Subsec. (a). Pub. L. 95–334, §107(b), inserted reference to section 1926(a)(14) of this title.

Subsec. (g)(8). Pub. L. 95–334, §110, substituted provisions relating to payment of costs of administration necessary to insure loans under subsec. (a) of this section, make grants under sections 1926(a) and 1932 of this title, and otherwise carry out such programs for provisions relating to payment of costs of administration of the rural loan development program.

**1977**—Subsec. (g)(3). Pub. L. 95–113 substituted "any deferred or defaulted installment" for "any defaulted installment".

#### **EFFECTIVE DATE OF 2018 AMENDMENT**

### **§1946. Liability of borrower**

### **(a) Determination of interest rates**

(1) The Secretary shall make all loans under this subchapter upon the full personal liability of the borrower and upon such security as the Secretary may prescribe. The interest rates on such loans, except for guaranteed loans and loans as provided in paragraphs (2) and (3),<sup>1</sup> shall be as determined by the Secretary, but not in excess of the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, plus an additional charge not to exceed 1 per centum as determined by the Secretary, which charge shall be deposited in the Rural Development Insurance Fund or the Agricultural Credit Insurance Fund, as appropriate, and adjusted to the nearest one-eighth of 1 per centum. The interest rate on any guaranteed loan made under this subchapter shall be such rate as may be agreed upon by the borrower and lender, but not in excess of a rate as may be determined by the Secretary.

(2) The interest rate on a microloan to a beginning farmer or rancher or veteran farmer or rancher (as defined in section 2279(e)<sup>1</sup> of this title), or any loan (other than a guaranteed loan) to a low income, limited resource borrower under this subchapter shall not be—

(B) less than 5 percent per year.

### **(b) Payment period; consolidation and rescheduling of loans**

Loans made under this subchapter shall be payable in not to exceed seven years. The Secretary may consolidate or reschedule outstanding loans for payment over a period not to exceed seven years (or, in the case of loans for farm operating purposes, fifteen years) from the date of such consolidation or rescheduling, and the amount of unpaid principal and interest of the prior loans so consolidated or rescheduled shall not create a new charge against any loan levels authorized by law. A new loan may be included in a consolidation. Such new loan shall be charged against any loan level authorized by law. Except as otherwise provided for farm loans under section 1981b of this title, the interest rate on such consolidated or rescheduled loans, other than guaranteed loans, may be changed by the Secretary to a rate not to exceed the rate being charged for loans made under this subchapter at the time of the consolidation or rescheduling. (B) the borrower will reduce the line-of-credit balance to the scheduled level at the end of—

(i) the production cycle; or

(ii) the marketing of the borrower's agricultural products.

#### **(5) Agricultural commodities**

A line-of-credit loan may be used to finance the production or marketing of an agricultural commodity that—

### §1964. Terms of loans

#### (a) Maximum amount of loan

The Secretary may not make a loan under this subchapter to a borrower who has suffered a loss in an amount that—

(1) exceeds the actual loss caused by a disaster; or

(2) would cause the total indebtedness of the borrower under this subchapter to exceed \$500,000.

#### (b) Interest rates

Loans under this subchapter shall be at rates of interest as follows:

(1) For loans or portions of loans up to the amount of the applicant's actual loss caused by the disaster, as limited under subsection (a)(1) of this section, the interest shall be at rates prescribed by the Secretary, but not in excess of 8 percent per annum; and

(2) For loans or portions of loans in excess of the amount of the applicant's actual loss caused by the disaster, as limited under subsection (a)(1) of this section, (A) the interest for insured loans shall be at rates prevailing in the private market for similar loans, as determined by the Secretary, and (B) the interest for guaranteed loans shall be at rates agreed on by the borrower and lender, but not in excess of such rates as may be determined by the Secretary.

#### (c) Interest subsidies

For guaranteed loans under this subchapter, the Secretary may pay interest subsidies to the lenders for those portions of the loans up to the amount of the actual loss caused by the disaster, as limited under subsection (a)(1) of this section. Any such subsidy shall not exceed the difference between the interest rate being charged for loans up to the amount of the actual loss, as established under subsection (b)(1) of this section, and the maximum interest rate for guaranteed loans, as established under subsection (b)(2) of this section.

#### (d) Repayment

##### (1) In general

All loans under this subchapter shall be repayable at such times as the Secretary may determine, taking into account the purposes of the loan and the nature and effect of the disaster, but not later than as provided for loans for similar purposes under subchapters I and II of this chapter, and upon the full personal liability of the borrower and upon the best security available, as the Secretary

may prescribe: *Provided*, That the security is adequate to assure repayment of the loans, except that if such security is not available because of the disaster, the Secretary shall (1) accept as security such collateral as is available, a portion or all of which may have depreciated in value due to the disaster and which in the opinion of the Secretary, together with the Secretary's confidence in the repayment ability of the applicant, is adequate security for the loan, and (2) make such loan repayable at such times as the Secretary may determine, not later than as provided under subchapters I and II of this chapter, as justified by the needs of the applicant: *Provided further*, That for any disaster occurring after January 1, 1975, the Secretary, if the loan is for a purpose described in subchapter II of this chapter, may make the loan repayable at the end of a period of more than seven years, but not more than twenty years, if the Secretary determines that the need of the loan applicant justifies such a longer repayment period: *Provided further*, That for any direct or insured loan (other than a guaranteed loan) approved under section 1961(b) of this title, three years after the loan is made or insured, and every two years thereafter for the term of the loan, the Secretary shall review the loan; and if, based on such review, the Secretary determines that the borrower is able to obtain a loan from non-Federal sources at reasonable rates and terms for loans for similar purposes and periods of time, the borrower shall on request by the Secretary, apply for and accept such non-Federal loan in sufficient amount to repay the Secretary. If farm assets (including land, livestock, and equipment) are used as collateral to secure a loan made under this subchapter, the Secretary shall establish the value of the assets as of the day before the occurrence of the natural disaster, major disaster, or emergency that is the basis for a request for assistance under this subchapter or the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.).

## **(2) No basis for denial of loan**

### **(A) In general**

Subject to subparagraph (B), the Secretary shall not deny a loan under this subchapter to a borrower by reason of the fact that the borrower lacks a particular amount of collateral for the loan if the Secretary is reasonably certain that the borrower will be able to repay the loan.

### **(B) Refusal to pledge available collateral**

The Secretary may deny or cancel a loan under this subchapter if a borrower refuses to pledge available collateral on request by the Secretary.

## **(e) Grant eligibility**

### **(a) In general**

In addition to any other authority that the Secretary may have to defer principal and interest and forego foreclosure, the Secretary may permit, at the request of the borrower, the deferral of principal and interest on any outstanding loan made, insured, or held by the Secretary under this chapter, or under the provisions of any other law administered by the Farmers Home Administration or by the Rural Development Administration, and may forego foreclosure of any such loan, for such period as the Secretary deems necessary upon a showing by the borrower that due to circumstances beyond the borrower's control, the borrower is temporarily unable to continue making payments of such principal and interest when due without unduly impairing the standard of living of the borrower. The Secretary may permit interest that accrues during the deferral period on any loan deferred under this section to bear no interest during or after such period: *Provided*, That if the security instrument securing such loan is foreclosed such interest as is included in the purchase price at such foreclosure shall become part of the principal and draw interest from the date of foreclosure at the rate prescribed by law.

### **(b) Moratorium**

#### **(1) In general**

Subject to the other provisions of this subsection, effective beginning on the date of the enactment of this subsection, there shall be in effect a moratorium, with respect to farmer program loans made under subchapter I, II, or III, on all acceleration and foreclosure proceedings instituted by the Department of Agriculture against any farmer or rancher who—

(A) has pending against the Department a claim of program discrimination that is accepted by the Department as valid; or

(B) files a claim of program discrimination that is accepted by the Department as valid.

#### **(2) Waiver of interest and offsets**

During the period of the moratorium, the Secretary shall waive the accrual of interest and offsets on all farmer program loans made under subchapter I, II, or III for which loan acceleration or foreclosure proceedings have been suspended under paragraph (1).

#### **(3) Termination of moratorium**

The moratorium shall terminate with respect to a claim of discrimination by a farmer or rancher on the earlier of—

(A) the date the Secretary resolves the claim; or

(B) if the farmer or rancher appeals the decision of the Secretary on the claim to a court of competent jurisdiction, the date that the court renders a final decision on the claim.

#### **(4) Failure to prevail**

If a farmer or rancher does not prevail on a claim of discrimination described in paragraph (1), the farmer or rancher shall be liable for any interest and offsets that accrued during the period that loan acceleration or foreclosure proceedings have been suspended under paragraph (1).

(ix) Notwithstanding any other clause of this subparagraph, the Indian tribe having jurisdiction over the Indian reservation within which the real property described in clause (i) is located may, at any time after the real property has been transferred to the Secretary of the Interior under clause (v), offer to pay the remaining amount on the lien, or the fair market value of the real property, whichever is less. Upon payment of such amount, title to such real property shall be held by the United States in trust for the tribe and such trust or restricted lands that have been acquired by the Secretary under foreclosure or voluntary transfer under a loan made or insured under this chapter and transferred to an Indian person, entity, or tribe under the provisions of this subparagraph shall be deemed to have never lost trust or restricted status.

the Secretary shall dispose of or administer the property only as provided in subparagraph (A), as modified by this subparagraph.

(ii) The Secretary shall provide the borrower-owner of real property that is described in clause (i)

(v) FORECLOSURE PROCEDURES.—

(I) NOTICE TO BORROWER.—If an Indian borrower-owner does not voluntarily convey to the Secretary real property described in clause (i), not less than 30 days before a foreclosure sale of the property, the Secretary shall provide the Indian borrower-owner with the option of—

- (bb) the outstanding principal and interest of the loan.

(II) If a hazardous substance (as defined in section 9601(14) of title 42) is located on the property and the Secretary takes remedial action to protect human health or the environment if the property is taken into inventory, subclause (I) shall apply only if the Secretary determines that it is in the best interests of the Federal Government.

(2) The Secretary shall not offer for sale or sell any such farmland if the placing of such farmland on the market will have a detrimental effect on the value of farmland in the area.

(3)(A) The Secretary may sell farmland administered under this chapter through an installment sale or similar device that contains such terms as the Secretary considers necessary to protect the investment of the Federal Government in such land.

(B) The Secretary may subsequently sell any contract entered into to carry out subparagraph (A).

(6) In the event of any conflict between any provision of this subsection and any provision of the law of any State providing a right of first refusal to the owner of farmland or the operator of a farm before the sale or lease of land to any other person, such provision of State law shall prevail.

(2) The Secretary shall release from the normal income security provided for such loan an amount sufficient to pay for the essential household and farm operating expenses of the borrower, until such time as the Secretary accelerates such loan.

(3) A borrower whose account was accelerated on or after November 1, 1985, and on or before May 7, 1987, but not thereafter foreclosed on or liquidated, shall be entitled to the release of security income for a period of 12 months, to pay the essential household and farm operating expenses of such borrower in an amount not to exceed \$18,000 over 12 months, if such borrower—

(C) Within 12 months after a borrower has requested restructuring under section 2001 of this title, the Secretary shall make a final determination on the request. Notwithstanding the 12-month limitation provided for in paragraph (3), releases shall continue to be made to the borrower until a denial or dismissal of the application of the borrower for restructuring under section 2001 of this title is made. The amount of essential household and farm operating expenses which may be released to any borrower eligible for such releases after 12 months may exceed \$18,000, by an amount proportionate to the period of time beyond 12 months before a final determination is made by the Secretary.

(6) If a borrower is required to plan for or to report on how proceeds from the sale of collateral property will be used, the Secretary shall—

(A) notify the borrower of such requirement; and

(B) notify the borrower of the right to the release of funds under this section and the means by which a request for the funds may be made.

(7) The Secretary shall issue regulations consistent with this section that—

(A) ensure the release of funds to each borrower; and

##### **(3) Notification**

The Secretary shall provide prior written notification to a borrower considering preservation loan servicing that a wetlands conservation easement may be placed on land for which the borrower is negotiating a lease option.

##### **(4) Appraised value**

The appraised value of the farm shall reflect the value of the land due to the placement of wetland conservation easements.

#### AMENDMENTS

**1985**—Pub. L. 99–198 designated existing provisions as subsec. (a) and added subsec. (b).

### §1988. Appropriations

#### (a) Authorization

There is authorized to be appropriated to the Secretary such sums as the Congress may from time to time determine to be necessary to enable the Secretary to carry out the purposes of this chapter and for the administration of assets transferred to the Farmers Home Administration or the Rural Development Administration.

#### (b) Sale by lender and any holder of guaranteed portion of loan pursuant to regulations governing such sales; limitations; issuance of pool certificates representing ownership of guaranteed portion of guaranteed loan; terms and conditions, etc.; reporting requirements

(1)(A) The guaranteed portion of any loan made under this chapter may be sold by the lender, and by any subsequent holder, in accordance with regulations governing such sales as the Secretary shall establish, subject to the following limitations:

- (i) All fees due the Secretary with respect to a guaranteed loan are to be paid in full before any sale.
- (ii) The loan is to have been fully disbursed to the borrower before the sale.

(B) After a loan is sold in the secondary market, the lender shall remain obligated under its guarantee agreement with the Secretary, and shall continue to service the loan in accordance with the terms and conditions of such agreement.

(C) The Secretary shall develop such procedures as are necessary for the facilitation, administration, and promotion of secondary market operations, and for determining the increase of farmers' access to capital at reasonable rates and terms as a result of secondary market operations.

(D) This subsection shall not be interpreted to impede or extinguish the right of the borrower or the successor in interest to such borrower to prepay (in whole or in part) any loan made under this chapter, or to impede or extinguish the rights of any party under any provision of this chapter.

(2)(A) The Secretary may, directly or through a market maker approved by the Secretary, issue pool certificates representing ownership of part or all of the guaranteed portion of any loan guaranteed by the Secretary under this chapter. Such certificates shall be based on and backed by a pool established or approved by the Secretary and composed solely of the entire guaranteed portion of such loans.

(B) The Secretary may, on such terms and conditions as the Secretary deems appropriate, guarantee the timely payment of the principal and interest on pool certificates issued on behalf of the Secretary by approved market makers for purposes of this subsection. Such guarantee shall be limited to the extent of principal and interest on the guaranteed portions of loans that compose the pool. If a loan in such pool is prepaid, either voluntarily or by reason of default, the guarantee of

timely payment of principal and interest on the pool certificates shall be reduced in proportion to the amount of principal and interest such prepaid loan represents in the pool. Interest on prepaid or defaulted loans shall accrue and be guaranteed by the Secretary only through the date of payment on the guarantee. During the term of the pool certificate, the certificate may be called for redemption due to prepayment or default of all loans constituting the pool.

(C) The full faith and credit of the United States is pledged to the payment of all amounts that may be required to be paid under any guarantee of such pool certificates issued by approved market makers under this subsection. The Secretary may expend amounts in the Agricultural Credit Insurance Fund to make payments on such guarantees.

(D) The Secretary shall not collect any fee for any guarantee under this subsection. The preceding sentence shall not preclude the Secretary from collecting a fee for the functions described in paragraph (3).

(E) Within 30 days after a borrower of a guaranteed loan is in default of any principal or interest payment due for 60 days or more, the Secretary shall—

(i) purchase the pool certificates representing ownership of the guaranteed portion of the loan; and

(ii) pay the registered holder of the certificates an amount equal to the guaranteed portion of the loan represented by the certificate.

(F)(i) If the Secretary pays a claim under a guarantee issued under this subsection, the claim shall be subrogated fully to the rights satisfied by such payment, as may be provided by the Secretary.

(ii) No State or local law, and no Federal law, shall preclude or limit the exercise by the Secretary of the Secretary's ownership rights in the portions of loans constituting the pool against which the certificates are issued.

(3) On the adoption of final rules and regulations, the Secretary shall do the following:

(A) Provide for the central collection of registration information from all participating market makers for all loans and pool certificates sold under paragraphs (1) and (2). Such information shall include, with respect to each original sale and any subsequent sale, identification of the interest rate paid by the borrower to the lender, the lender's servicing fee, whether interest on the loan is at a fixed or variable rate, identification of each purchaser of a pool certificate, the interest rate paid on the certificate, and such other information as the Secretary deems appropriate.

(B) Before any sale, require the seller to disclose to each prospective purchaser of the portion of a loan guaranteed under this chapter and to each prospective purchaser of a pool certificate issued under paragraph (2), information on the terms, conditions, and yield of such instrument. As used in this subparagraph, if the instrument being sold is a loan, the term "seller" does not include (i) the person who made the loan or (ii) any person who sells three or fewer guaranteed loans per year.

(C) Provide for adequate custody of any pooled guaranteed loans.

(D) Take such actions as are necessary, in restructuring pools of the guaranteed portion of loans, to minimize the estimated costs of paying claims under guarantees issued under this subsection.

(E) Require each market maker—

(i) to service all pools formed, and participations sold, by the market maker; and

(ii) to provide the Secretary with information relating to the collection and disbursement of all periodic payments, prepayments, and default funds from lenders, to or from the reserve fund that the Secretary shall establish to enable the timely payment guarantee to be self-funding, and from all beneficial holders.

(F) Regulate market makers in pool certificates sold under this subsection.

(4) The Secretary may contract for goods and services to be used for the purposes of this subsection without regard to the provisions of titles 5, 40, and 41, and any regulations issued thereunder.

(2) The term "borrower-owner" means—

(A) a borrower of a loan made or insured by the Secretary or the Administrator who meets the eligibility requirements of subsection (c)(1); or

(4) The term "homestead property" means the principal residence and adjoining property possessed and occupied by a borrower-owner specified in paragraph (2) of this subsection, including a reasonable number of farm outbuildings located on the adjoining land that are useful to the occupants of the homestead, and no more than 10 acres of adjoining land that is used to maintain the family of the individual.

(5) The term "Secretary" means the Secretary of Agriculture.

### **(b) Occupancy of homestead upon foreclosure, bankruptcy, or liquidation; appraisal; period of occupancy**

(1) The Secretary or the Administrator shall, on application by a borrower-owner who meets the eligibility requirements of subsection (c)(1), permit the borrower-owner to retain possession and occupancy of homestead property under the terms set forth, and until the action described in this section has been completed, if—

(A) the Secretary forecloses, holds in inventory on January 6, 1988, or takes into inventory, property securing a loan made or insured under this chapter;

(B) the Administrator forecloses, holds in inventory on January 6, 1988, or takes into inventory, property securing a farm program loan made under the Small Business Act (15 U.S.C. 631 et seq.); or

(C) the borrower-owner of a loan made or insured by the Secretary or the Administrator files a petition in bankruptcy that results in the conveyance of the homestead property to the Secretary or the Administrator, or agrees to voluntarily liquidate or convey such property in whole or in part.

(2) The value of the homestead property shall be determined insofar as possible by an independent appraisal made within six months from the date of the borrower-owner's application to retain possession and occupancy of the homestead property.

(3) The period of occupancy of homestead property under this subsection may not exceed five years, but in no case shall the Secretary or the Administrator grant a period of occupancy less than three years, subject to compliance with the requirements of subsection (c).

**(c) Terms and conditions**

(1) To be eligible to occupy homestead property, a borrower-owner of a loan made or insured by the Secretary or the Administrator shall—

(A) apply for such occupancy not later than 30 days after the property is acquired by the Secretary or Administrator, or for property in inventory on January 6, 1988, the borrower-owner shall apply for occupancy not later than 30 days after January 6, 1988;

(B) have received from farming or ranching operations gross farm income reasonably commensurate with—

(i) the size and location of the farming unit of the borrower-owner; and

(ii) local agricultural conditions (including natural and economic conditions), in at least 2 calendar years during the 6-year period preceding the calendar year in which the application is made;

(C) have received from farming or ranching operations at least 60 percent of the gross annual income of the borrower-owner and any spouse of the borrower-owner in at least 2 calendar years during any 6-year period described in subparagraph (B);

(D) have continuously occupied the homestead property during the 6-year period described in subparagraph (B), except that such requirement may be waived if a borrower-owner has, due to circumstances beyond the control of the borrower-owner, had to leave the homestead property for a period of time not to exceed 12 months during the 6-year period;

(E) during the period of the occupancy of the homestead property, pay a reasonable sum as rent for such property to the Secretary or the Administrator in an amount substantially equivalent to rents charged for similar residential properties in the area in which the homestead property is located;

(F) during the period of the occupancy of the homestead property, maintain the property in good condition; and

(G) meet such other reasonable and necessary terms and conditions as the Secretary may require consistent with this section.

(2) For purposes of subparagraphs (B) and (C) of paragraph (1), the term "farming or ranching operations" shall include rent paid by lessees of agricultural land during any period in which the borrower-owner, due to circumstances beyond the control of the borrower-owner, is unable to actively farm such land.

(3) For the purposes of paragraph (1)(E), the failure of the borrower-owner to make timely rental payments shall constitute cause for the termination of all rights of such borrower-owner to possession and occupancy of the homestead property under this section. In effecting any such termination, the Secretary shall afford the borrower-owner or lessee the notice and hearing procedural rights described in section 1983b <sup>2</sup> of this title and shall comply with all applicable State and local laws governing eviction from residential property.

(4)(A) The period of occupancy allowed the prior owner of homestead property under this section shall be the period requested in writing by the prior owner, except that such period shall not exceed 5 years.

(B) At any time during the period of occupancy of a borrower-owner who is a socially disadvantaged farmer or rancher (as defined in section 2003(e)(2) of this title), the borrower-owner or a member of the immediate family of the borrower-owner shall have a right of first refusal to reacquire the homestead property on such terms and conditions as the Secretary shall determine, except that the Secretary may not demand a payment for the homestead property that is in excess of the current market value of the homestead property as established by an independent appraisal. The independent appraisal shall be conducted by an appraiser selected by the borrower-owner or immediate family member, as the case may be, from a list of three appraisers approved by the county supervisor.

(5) No rights of a borrower-owner under this section, and no agreement entered into between the borrower-owner and the Secretary for occupancy of the homestead property, shall be transferable or

assignable by the borrower-owner or by operation of any law, except that in the case of death or incompetency of such borrower-owner, such rights and agreements shall be transferable to the spouse of the borrower-owner if the spouse agrees to comply with the terms and conditions thereof.

(6) Not later than the date of acquisition of the property securing a loan made under this chapter (or, in the case of real property in inventory on April 4, 1996, not later than 5 days after April 4, 1996), the Secretary shall notify the borrower-owner from whom the property was acquired of the availability of homestead protection rights under this section.

**(d) First right of refusal of reacquisition**

At the end of the period of occupancy described in subsection (c), the Secretary or the Administrator shall grant to the borrower-owner a first right of refusal to reacquire the homestead property on such terms and conditions (which may include payment of principal in installments) as the Secretary or the Administrator shall determine. Such terms and conditions shall not be less favorable than those intended to be offered to any other buyer.

**(e) Value as measure of reacquisition payment of principal**

At the time any reacquisition agreement is entered into, the Secretary or the Administrator may not demand a total payment of principal that is in excess of the value of the homestead property as established under subsection (b)(2).

**(f) Contract authority**

The Secretary may enter into contracts authorized by this section before the Secretary acquires title to the homestead property.

**(g) Conflict between Federal and State law**

In the event of any conflict between this section and any provision of the law of any State relating to the right of a borrower-owner to designate for separate sale or redeem part or all of the real property securing a loan foreclosed on by the lender thereof, such provision of State law shall prevail.

## **§2001. Debt restructuring and loan servicing**

### **(a) In general**

The Secretary shall modify delinquent farmer program loans made or insured under this chapter, or purchased from the lender or the Federal Deposit Insurance Corporation under section 1929b of this title, to the maximum extent possible—

(1) to avoid losses to the Secretary on such loans, with priority consideration being placed on writing-down the loan principal and interest (subject to subsections (d) and (e)), and debt set-aside (subject to subsection (e)), whenever these procedures would facilitate keeping the borrower on the farm or ranch, or otherwise through the use of primary loan service programs as provided in this section; and

(2) to ensure that borrowers are able to continue farming or ranching operations.

### **(b) Eligibility**

To be eligible to obtain assistance under subsection (a)—

(1) the delinquency must be due to circumstances beyond the control of the borrower, as defined in regulations issued by the Secretary, except that the regulations shall require that, if the value of the assets calculated under subsection (c)(2)(A)(ii) that may be realized through liquidation or other methods would produce enough income to make the delinquent loan current, the borrower shall not be eligible for assistance under subsection (a);

(2) the borrower must have acted in good faith with the Secretary in connection with the loan as defined in regulations issued by the Secretary;

(3) the borrower must present a preliminary plan to the Secretary that contains reasonable assumptions that demonstrate that the borrower will be able to—

- (A) meet the necessary family living and farm operating expenses; and
- (B) service all debts, including those of the loans restructured; and

(4) the loan, if restructured, must result in a net recovery to the Federal Government, during the term of the loan as restructured, that would be more than or equal to the net recovery to the Federal Government from an involuntary liquidation or foreclosure on the property securing the loan.

### **(c) Restructuring determinations**

#### **(1) Determination of net recovery**

In determining the net recovery from the involuntary liquidation of a loan under this section, the Secretary shall calculate—

- (A) the recovery value of the collateral securing the loan, in accordance with paragraph (2); and
- (B) the value of the restructured loan, in accordance with paragraph (3).

#### **(2) Recovery value**

For the purpose of paragraph (1), the recovery value of the collateral securing the loan shall be based on—

- (A)(i) the amount of the current appraised value of the interests of the borrower in the property securing the loan; plus
- (ii) the value of the interests of the borrower in all other assets that are—
  - (I) not essential for necessary family living expenses;
  - (II) not essential to the operation of the farm; and
  - (III) not exempt from judgment creditors or in a bankruptcy action under Federal or State law; less

(B) the estimated administrative, legal, and other expenses associated with the liquidation and disposition of the loan and collateral, including—

- (i) the payment of prior liens;
- (ii) taxes and assessments, depreciation, management costs, the yearly percentage decrease or increase in the value of the property, and lost interest income, each calculated for the average holding period for the type of property involved;
- (iii) resale expenses, such as repairs, commissions, and advertising; and
- (iv) other administrative and attorney's costs; plus

(C) the value, as determined by the Secretary, of any property not included in subparagraph (A)(i) if the property is specified in any security agreement with respect to such loan and the Secretary determines that the value of such property should be included for purposes of this section.

### **(3) Value of the restructured loan**

#### **(A) In general**

For the purpose of paragraph (1), the value of the restructured loan shall be based on the present value of payments that the borrower would make to the Federal Government if the terms of such loan were modified under any combination of primary loan service programs to ensure that the borrower is able to meet such obligations and continue farming operations.

#### **(B) Present value**

For the purpose of calculating the present value referred to in subparagraph (A), the Secretary shall use a discount rate of not more than the current rate on 90-day Treasury bills.

#### **(C) Cash flow margin**

For the purpose of assessing under subparagraph (A) the ability of a borrower to meet debt obligations and continue farming operations, the Secretary shall assume that the borrower needs up to 110 percent of the amount indicated for payment of farm operating expenses, debt service obligations, and family living expenses.

### **(4) Notification**

Within 90 days after receipt of a written request for restructuring from the borrower, the Secretary shall—

- (A) make the calculations specified in paragraphs (2) and (3);
- (B) notify the borrower in writing of the results of such calculations; and
- (C) provide documentation for the calculations.

### **(5) Restructuring of loans**

If the value of the restructured loan is greater than or equal to the recovery value, the Secretary shall, within 45 days after notifying the borrower of such calculations, offer to restructure the loan obligations of the borrower under this chapter through primary loan service programs that would enable the borrower to meet the obligations (as modified) under the loan and to continue the farming operations of the borrower. If the borrower accepts such offer, within 45 days after receipt of notice of acceptance, the Secretary shall restructure the loan accordingly.

### **(6) Termination of loan obligations**

The obligations of a borrower to the Secretary under a loan shall terminate if—

- (A) the borrower satisfies the requirements of paragraphs (1) and (2) of subsection (b);
- (B) the value of the restructured loan is less than the recovery value; and
- (C) not later than 90 days after receipt of the notification described in paragraph (4)(B), the borrower pays (or obtains third-party financing to pay) the Secretary an amount equal to the current market value.

### **(7) Negotiation of appraisal**

**(A) In general**

In making a determination concerning restructuring under this subsection, the Secretary, at the request of the borrower, shall enter into negotiations concerning appraisals required under this subsection with the borrower.

**(B) Independent appraisal**

If the borrower, based on a separate current appraisal, objects to the decision of the Secretary regarding an appraisal, the borrower and the Secretary shall mutually agree, to the extent practicable, on an independent appraiser who shall conduct another appraisal of the borrower's property. The average of the two appraisals that are closest in value shall become the final appraisal under this paragraph. The borrower and the Secretary shall each pay one-half of the cost of the independent appraisal.

**(d) Principal and interest write-down**

**(1) In general**

**(A) Priority consideration**

In selecting the restructuring alternatives to be used in the case of a borrower who has requested restructuring under this section, the Secretary shall give priority consideration to the use of principal and interest write-down, except that this procedure shall not be given first priority in the case of a borrower unless other creditors of such borrower (other than those creditors who are fully collateralized) representing a substantial portion of the total debt of the borrower held by such creditors, agree to participate in the development of the restructuring plan or agree to participate in a State mediation program.

**(B) Failure of creditors to agree**

Failure of creditors to agree to participate in the restructuring plan or mediation program shall not preclude the use of principal and interest write-down by the Secretary if the Secretary determines that this restructuring alternative results in the least cost to the Secretary.

**(2) Participation of creditors**

Before eliminating the option to use debt write-down in the case of a borrower, the Secretary shall make a reasonable effort to contact the creditors of such borrower, either directly or through the borrower, and encourage such creditors to participate with the Secretary in the development of a restructuring plan for the borrower.

**(e) Shared appreciation arrangements**

**(1) In general**

As a condition of restructuring a loan in accordance with this section, the borrower of the loan may be required to enter into a shared appreciation arrangement that requires the repayment of amounts written off or set aside.

**(2) Terms**

Shared appreciation agreements shall have a term not to exceed 10 years, and shall provide for recapture based on the difference between the appraised values of the real security property at the time of restructuring and at the time of recapture.

**(3) Percentage of recapture**

The amount of the appreciation to be recaptured by the Secretary shall be 75 percent of the appreciation in the value of such real security property if the recapture occurs within 4 years of the restructuring, and 50 percent if the recapture occurs during the remainder of the term of the agreement.

**(4) Time of recapture**

Recapture shall take place at the end of the term of the agreement, or sooner—  
(A) on the conveyance of the real security property;

- (B) on the repayment of the loans; or
- (C) if the borrower ceases farming operations.

**(5) Transfer of title**

Transfer of title to the spouse of a borrower on the death of such borrower shall not be treated as a conveyance for the purpose of paragraph (4).

**(6) Notice of recapture**

Beginning with fiscal year 2000 not later than 12 months before the end of the term of a shared appreciation arrangement, the Secretary shall notify the borrower involved of the provisions of the arrangement.

**(7) Financing of recapture payment**

**(A) In general**

The Secretary may amortize a recapture payment owed to the Secretary under this subsection.

**(B) Term**

The term of an amortization under this paragraph may not exceed 25 years.

**(C) Interest rate**

**(i) In general**

The interest rate applicable to an amortization under this paragraph may not exceed the rate applicable to a loan to reacquire homestead property less 100 basis points.

**(ii) Existing amortizations and loans**

The interest rate applicable to an amortization or loan made by the Secretary before October 28, 2000, to finance a recapture payment owed to the Secretary under this subsection may not exceed the rate applicable to a loan to reacquire homestead property less 100 basis points.

**(D) Reamortization**

**(i) In general**

The Secretary may modify the amortization of a recapture payment referred to in subparagraph (A) of this paragraph on which a payment has become delinquent by using loan service tools under section 1991(b)(3) of this title if—

- (I) the default is due to circumstances beyond the control of the borrower; and
- (II) the borrower acted in good faith (as determined by the Secretary) in attempting to repay the recapture amount.

**(ii) Limitations**

**(I) Term of reamortization**

The term of a reamortization under this subparagraph may not exceed 25 years from the date of the original amortization agreement.

**(II) No reduction or principal or unpaid interest due**

A reamortization of a recapture payment under this subparagraph may not provide for reducing the outstanding principal or unpaid interest due on the recapture payment.

**(f) Determination to restructure**

If the appeal process results in a determination that a loan is eligible for restructuring, the Secretary shall restructure the loan in the manner consistent with this section, taking into consideration the restructuring recommendations, if any, of the appeals officer.

**(g) Prerequisites to foreclosure or liquidation**

No foreclosure or other similar actions shall be taken to liquidate any loan determined to be ineligible for restructuring by the Secretary under this section—

- (1) until the borrower has been given the opportunity to appeal such decision; and
- (2) if the borrower appeals, the appeals process has been completed, and a determination has been made that the loan is ineligible for restructuring.

**(h) Time limits for restructuring**

## **(3) Federal grant program**

The term "Federal grant program" means a Federal grant program to provide assistance in—

(Pub. L. 87–128, title III, §382A, as added and amended Pub. L. 106–554, §1(a)(4) [div. B, title I, §153(b), title V, §503], Dec. 21, 2000, 114 Stat. 2763, 2763A–252, 2763A–269; Pub. L. 115–334, title VI, §6701(f)(1), Dec. 20, 2018, 132 Stat. 4778.)

## **REFERENCES IN TEXT**

The Delta Development Act, referred to in par. (2), is S. 2836 of the 100th Congress, as introduced on Sept. 27, 1988, and incorporated by reference by, and made a part of, Pub. L. 100–460, title II, Oct. 1, 1988, 102 Stat. 2246, as amended. Section 4 of the Delta Development Act, which was set out in a note under section 3121 of Title 42, The Public Health and Welfare, was omitted from the Code. See Lower Mississippi Delta Development Commission note under section 3121 of Title 42 and Tables.

## **AMENDMENTS**

**2018**—Par. (4). Pub. L. 115–334 added par. (4).

**2000**—Par. (4). Pub. L. 106–554, §1(a)(4) [div. B, title I, §153(b)], which directed amendment of "section 382A of 'The Delta Regional Authority Act of 2000' as incorporated in this Act" by adding par. (4), could not be executed as directed because this section is not section 382A of such Act, but rather section 382A of the Consolidated Farm and Rural Development Act, as added by section 503 of the Delta Regional Authority Act of 2000. Corrected amendment was made by Pub. L. 115–334, effective as if included in Pub. L. 106–554. See 2018 Amendment note above and 2018 Effective Date of 2018 Amendment note below.

## **EFFECTIVE DATE OF 2018 AMENDMENT**

"(1) the lower Mississippi River region (referred to in this title [enacting this subchapter and amending provisions classified as a note under section 3121 of Title 42, The Public Health and Welfare] as the 'region'), though rich in natural and human resources, lags behind the rest of the United States in economic growth and prosperity;

"(7) improving the economy of the region requires a special emphasis on areas of the region that are most economically distressed.

"(b) PURPOSES.—The purposes of this title are—

"(1) to promote and encourage the economic development of the region—

"(A) to ensure that the communities and people in the region have the opportunity for economic development; and

"(B) to ensure that the economy of the region reaches economic parity with that of the rest of the United States;

"(2) to establish a formal framework for joint Federal-State collaboration in meeting and focusing national attention on the economic development needs of the region;

"(3) to assist the region in obtaining the transportation and basic infrastructure, skills training, and opportunities for economic development that are essential for strong local economies;

"(4) to foster coordination among all levels of government, the private sector, and nonprofit groups in crafting common regional strategies that will lead to broader economic growth;

"(5) to strengthen efforts that emphasize regional approaches to economic development and planning;

"(6) to encourage the participation of interested citizens, public officials, agencies, and others in developing and implementing local and regional plans for broad-based economic and community development; and

"(7) to focus special attention on areas of the region that suffer from the greatest economic distress."

#### **(c) Certifications**

##### **(1) In general**

In the case of any project for which all or any portion of the basic Federal share of the costs of the project is proposed to be paid under this section, no Federal contribution shall be made until the Federal official administering the Federal law that authorizes the Federal grant program certifies that the project—

- (A) meets (except as provided in subsection (b)) the applicable requirements of the applicable Federal grant program; and
- (B) could be approved for Federal contribution under the Federal grant program if funds were available under the law for the project.

##### **(2) Certification by Authority**

###### **(A) In general**

### **§2011. Congressional declaration of policy**

It is declared to be the policy of Congress, in order to promote the general welfare, to safeguard the health and well-being of the Nation's population by raising levels of nutrition among low-income households. Congress finds that the limited food purchasing power of low-income households contributes to hunger and malnutrition among members of such households. Congress further finds that increased utilization of food in establishing and maintaining adequate national levels of nutrition will promote the distribution in a beneficial manner of the Nation's agricultural abundance and will strengthen the Nation's agricultural economy, as well as result in more orderly marketing and distribution of foods. To alleviate such hunger and malnutrition, a supplemental nutrition assistance program is herein authorized which will permit low-income households to obtain a more nutritious diet through normal channels of trade by increasing food purchasing power for all eligible households who apply for participation.

**1971**—Pub. L. 91–671 provided for cooperation in utilization of Nation's abundance of food by other agencies, struck out "to the maximum extent practicable" before "to safeguard the health", enunciated finding that limited food purchasing power of low-income households contributes to hunger and malnutrition, and substituted "promote the distribution" for "will tend to cause the distribution" and authorization of a program (to alleviate hunger and malnutrition) which will permit low-income households to purchase a nutritionally adequate diet through normal channels of trade for prior authorization of a program (to effectuate policy of Congress and purposes of this chapter) which will permit such households to receive a greater share of Nation's abundance of food.

"(a) APPOINTMENT AND MEMBERSHIP.—

"(1) ESTABLISHMENT [sic].—There is established an Advisory Committee on Welfare Simplification and Coordination (hereafter in this section referred to as the 'Committee') consisting of not fewer than 7, nor more than 11, members appointed by the Secretary of Agriculture (hereafter in this section referred to as the 'Secretary'), after consultation with the Secretary of Health and Human Services and the Secretary of Housing and Urban Development, and with the advice of State and local officials responsible for administering the supplemental nutrition assistance program, cash and medical assistance programs for low-income families and individuals under the Social Security Act [42 U.S.C. 301 et seq.], and programs providing housing assistance to needy families and individuals, and representatives of recipients and recipient advocacy organizations associated with such programs.

"(2) QUALIFICATIONS.—The members of the Committee shall be individuals who are familiar with the rules, goals, and limitations of Federal supplemental nutrition assistance program benefits, cash, medical, and housing assistance programs for low-income families and individuals, and may include individuals who have demonstrated expertise in evaluating the operations of and interaction among such programs as they affect administrators and recipients, persons who have experience in administering such programs at the Federal, State, or local level, and representatives of administrators and recipients affected by such programs.

"(b) PURPOSE.—It shall be the purpose of the Committee, in consultation, where appropriate, with program administrators and representatives of recipients—

"(1) to identify the significant policies implemented in the supplemental nutrition assistance program, cash and medical assistance programs under the Social Security Act [42 U.S.C. 301 et seq.], and housing assistance programs (whether resulting from law, regulations, or administrative practice) that, because they differ substantially, make it difficult for those eligible to apply for and obtain benefits from more than one program and restrict the ability of administrators of such programs to provide efficient, timely, and appropriate benefits to those eligible for more than one type of assistance, drawing, where appropriate, on previous efforts to coordinate and simplify such programs and policies;

"(2) to examine the major reasons for such different programs and policies;

"(3) to evaluate how and the extent to which such different programs and policies hinder, to a significant degree, the receipt of benefits from more than one program and substantially restrict administrators' ability to provide efficient, timely, and appropriate benefits;

"(4) to recommend common or simplified programs and policies (including recommendations for changes in law, regulations, and administrative practice and for policies that do not currently exist in such programs) that would substantially reduce difficulties in applying for and obtaining benefits from more than one program and significantly increase the ability of administrators of such programs to efficiently provide timely and appropriate assistance to those eligible for more than one type of assistance; and

"(5) to describe the major effects of such common or simplified programs and policies (including how such common or simplified programs and policies would enhance or conflict with the purposes of such programs, how they would ease burdens on administrators and recipients, how they would affect program costs and participation, and the degree to which they would change the relationships between the Federal Government and the States in such programs) and the reasons for recommending such programs and policies (including reasons, if any, that might be sufficient to override special rules derived from the purposes of individual programs).

"(c) ADMINISTRATIVE SUPPORT.—The Secretary shall provide the Committee with such technical and other assistance, including secretarial and clerical assistance, as may be required to carry out its functions.

"(d) REIMBURSEMENT.—Members of the Committee shall serve without compensation but shall receive reimbursement for necessary travel and subsistence expenses incurred by such members in the performance of the duties of the Committee.

"(e) REPORTS.—Not later than July 1, 1993, the Committee shall prepare and submit, to the appropriate committees of Congress, the Secretary of Agriculture, the Secretary of Health and Human Services, and the Secretary of Housing and Urban Development a final report, including recommendations for common or

simplified programs and policies and the effects of and reasons for such programs and policies and may submit interim reports, including reports on common or simplified programs and policies covering less than the complete range of programs and policies under review, to the committees and such Secretaries as deemed appropriate by the Committee."

**(I) In general**

Subject to subclause (II), if a State agency elects to use a standard utility allowance that reflects heating and cooling costs, the standard utility allowance shall be made available to households that received a payment, or on behalf of which a payment was made, under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) or other similar energy assistance program, if in the current month or in the immediately preceding 12 months, the household either received such a payment, or such a payment was made on

behalf of the household, that was greater than \$20 annually, as determined by the Secretary.

**(II) Separate allowance**

A State agency may use a separate standard utility allowance for households on behalf of which a payment described in subclause (I) is made, but may not be required to do so.

**(III) States not electing to use separate allowance**

A State agency that does not elect to use a separate allowance but makes a single standard utility allowance available to households incurring heating or cooling expenses (other than a household described in subclause (I) or (II) of clause (ii)) may not be required to reduce the allowance due to the provision (directly or indirectly) of assistance under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.).

**(IV) Proration of assistance**

For the purpose of the supplemental nutrition assistance program, assistance provided under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) shall be considered to be prorated over the entire heating or cooling season for which the assistance was provided.

**(D) Homeless households**

**(i) Alternative deduction**

The State agency shall allow a deduction of \$143 a month for households—

(I) in which all members are homeless individuals;

(II) that are not receiving free shelter throughout the month; and

(III) that do not opt to claim an excess shelter expense deduction under subparagraph

(A).

**(ii) Adjustment**

For fiscal year 2019 and each subsequent fiscal year the amount of the homeless shelter deduction specified in clause (i) shall be adjusted to reflect changes for the 12-month period ending the preceding November 30 in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor.

**(iii) Ineligibility**

The State agency may make a household with extremely low shelter costs ineligible for the alternative deduction under clause (i).

**(f) Calculation of household income; prospective or retrospective accounting basis; consistency**

(1)(A) Household income for those households that, by contract for other than an hourly or piecework basis or by self-employment, derive their annual income in a period of time shorter than one year shall be calculated by averaging such income over a twelve-month period. Notwithstanding the preceding sentence, household income resulting from the self-employment of a member in a farming operation, who derives income from such farming operation and who has irregular expenses to produce such income, may, at the option of the household, be calculated by averaging such income and expenses over a 12-month period. Notwithstanding the first sentence, if the averaged amount does not accurately reflect the household's actual monthly circumstances because the household has experienced a substantial increase or decrease in business earnings, the State agency shall calculate the self-employment income based on anticipated earnings.

(B) Household income for those households that receive nonexcluded income of the type described in subsection (d)(3) of this section shall be calculated by averaging such income over the period for which it is received.

**(C) SIMPLIFIED DETERMINATION OF DEDUCTIONS.—**

(i) IN GENERAL.—Except as provided in clause (ii), for the purposes of subsection (e), a State agency may elect to disregard until the next recertification of eligibility under section 2020(e)(4) of this title 1 or more types of changes in the circumstances of a household that affect the amount

of deductions the household may claim under subsection (e).

(ii) **CHANGES THAT MAY NOT BE DISREGARDED.**—Under clause (i), a State agency may not disregard—

(I) any reported change of residence; or

(II) under standards prescribed by the Secretary, any change in earned income.

(2)(A) Except as provided in subparagraphs (B), (C), and (D), households shall have their incomes calculated on a prospective basis, as provided in paragraph (3)(A), or, at the option of the State agency, on a retrospective basis, as provided in paragraph (3)(B).

(B) In the case of the first month, or at the option of the State, the first and second months, during a continuous period in which a household is certified, the State agency shall determine eligibility and the amount of benefits on the basis of the household's income and other relevant circumstances in such first or second month.

(C) Households specified in clauses (i), (ii), and (iii) of section 2015(c)(1)(A) of this title shall have their income calculated on a prospective basis, as provided in paragraph (3)(A).

(D) Except as provided in subparagraph (B), households required to submit monthly reports of their income and household circumstances under section 2015(c)(1) of this title shall have their income calculated on a retrospective basis, as provided in paragraph (3)(B).

(3)(A) Calculation of household income on a prospective basis is the calculation of income on the basis of the income reasonably anticipated to be received by the household during the period for which eligibility or benefits are being determined. Such calculation shall be made in accordance with regulations prescribed by the Secretary which shall provide for taking into account both the income reasonably anticipated to be received by the household during the period for which eligibility or benefits are being determined and the income received by the household during the preceding thirty days.

(B) Calculation of household income on a retrospective basis is the calculation of income for the period for which eligibility or benefits are being determined on the basis of income received in a previous period. Such calculation shall be made in accordance with regulations prescribed by the Secretary which may provide for the determination of eligibility on a prospective basis in some or all cases in which benefits are calculated under this paragraph. Such regulations shall provide for supplementing the initial allotments of newly applying households in those cases in which the determination of income under this paragraph causes serious hardship.

(4) In promulgating regulations under this subsection, the Secretary shall consult with the Secretary of Health and Human Services in order to assure that, to the extent feasible and consistent with the purposes of this chapter and the Social Security Act [42 U.S.C. 301 et seq.], the income of households receiving benefits under this chapter and title IV–A of the Social Security Act [42 U.S.C. 601 et seq.] is calculated on a comparable basis under this chapter and the Social Security Act. The Secretary is authorized, upon the request of a State agency, to waive any of the provisions of this subsection (except the provisions of paragraph (2)(A)) to the extent necessary to permit the State agency to calculate income for purposes of this chapter on the same basis that income is calculated under title IV–A of the Social Security Act in that State.

**(g) Allowable financial resources**

(1) **TOTAL AMOUNT.**—

(A) **IN GENERAL.**—The Secretary shall prescribe the types and allowable amounts of financial resources (liquid and nonliquid assets) an eligible household may own, and shall, in so doing, assure that a household otherwise eligible to participate in the supplemental nutrition assistance program will not be eligible to participate if its resources exceed \$2,000 (as adjusted in accordance with subparagraph (B)), or, in the case of a household which consists of or includes an elderly or disabled member, if its resources exceed \$3,000 (as adjusted in accordance with subparagraph (B)).

(B) **ADJUSTMENT FOR INFLATION.**—

(i) **IN GENERAL.**—Beginning on October 1, 2008, and each October 1 thereafter, the amounts specified in subparagraph (A) shall be adjusted and rounded down to the nearest \$250

increment to reflect changes for the 12-month period ending the preceding June in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor.

(ii) REQUIREMENT.—Each adjustment under clause (i) shall be based on the unrounded amount for the prior 12-month period.

(2) INCLUDED ASSETS.—

(A) IN GENERAL.—Subject to the other provisions of this paragraph, the Secretary shall, in prescribing inclusions in, and exclusions from, financial resources, follow the regulations in force as of June 1, 1982 (other than those relating to licensed vehicles and inaccessible resources).

(B) ADDITIONAL INCLUDED ASSETS.—The Secretary shall include in financial resources—

- (i) any boat, snowmobile, or airplane used for recreational purposes;
- (ii) any vacation home;
- (iii) any mobile home used primarily for vacation purposes;
- (iv) subject to subparagraphs (C) and (D), any licensed vehicle that is used for household transportation or to obtain or continue employment to the extent that the fair market value of the vehicle exceeds \$4,650; and
- (v) any savings account, regardless of whether there is a penalty for early withdrawal.

(C) EXCLUDED VEHICLES.—A vehicle (and any other property, real or personal, to the extent the property is directly related to the maintenance or use of the vehicle) shall not be included in financial resources under this paragraph if the vehicle is—

- (i) used to produce earned income;
- (ii) necessary for the transportation of a physically disabled household member; or
- (iii) depended on by a household to carry fuel for heating or water for home use and provides the primary source of fuel or water, respectively, for the household.

(D) ALTERNATIVE VEHICLE ALLOWANCE.—If the vehicle allowance standards that a State agency uses to determine eligibility for assistance under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) would result in a lower attribution of resources to certain households than under subparagraph (B)(iv), in lieu of applying subparagraph (B)(iv), the State agency may elect to apply the State vehicle allowance standards to all households that would incur a lower attribution of resources under the State vehicle allowance standards.

(3) The Secretary shall exclude from financial resources the value of a burial plot for each member of a household and nonliquid resources necessary to allow the household to carry out a plan for self-sufficiency approved by the State agency that constitutes adequate participation in an employment and training program under section 2015(d) of this title or a pilot project under section 2025(h)(1)(F) of this title. The Secretary shall also exclude from financial resources any earned income tax credits received by any member of the household for a period of 12 months from receipt if such member was participating in the supplemental nutrition assistance program at the time the credits were received and participated in such program continuously during the 12-month period.

(4) In the case of farm property (including land, equipment, and supplies) that is essential to the self-employment of a household member in a farming operation, the Secretary shall exclude from financial resources the value of such property until the expiration of the 1-year period beginning on the date such member ceases to be self-employed in farming.

(5) The Secretary shall promulgate rules by which State agencies shall develop standards for identifying kinds of resources that, as a practical matter, the household is unlikely to be able to sell for any significant return because the household's interest is relatively slight or because the cost of selling the household's interest would be relatively great. Resources so identified shall be excluded as inaccessible resources. A resource shall be so identified if its sale or other disposition is unlikely to produce any significant amount of funds for the support of the household. The Secretary shall not

require the State agency to require verification of the value of a resource to be excluded under this paragraph unless the State agency determines that the information provided by the household is questionable.

**(6) EXCLUSION OF TYPES OF FINANCIAL RESOURCES NOT CONSIDERED UNDER CERTAIN OTHER FEDERAL PROGRAMS.—**

(A) **IN GENERAL.**—Subject to subparagraph (B), a State agency may, at the option of the State agency, exclude from financial resources under this subsection any types of financial resources that the State agency does not consider when determining eligibility for—

- (i) cash assistance under a program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or
- (ii) medical assistance under section 1931 of the Social Security Act (42 U.S.C. 1396u–1).

(B) **LIMITATIONS.**—Except to the extent that any of the types of resources specified in clauses (i) through (iv) are excluded under another paragraph of this subsection, subparagraph (A) does not authorize a State agency to exclude—

- (i) cash;
- (ii) licensed vehicles;
- (iii) amounts in any account in a financial institution that are readily available to the household; or
- (iv) any other similar type of resource the inclusion in financial resources of which the Secretary determines by regulation to be essential to equitable determinations of eligibility under the supplemental nutrition assistance program.

**(7) EXCLUSION OF RETIREMENT ACCOUNTS FROM ALLOWABLE FINANCIAL RESOURCES.—**

(A) **MANDATORY EXCLUSIONS.**—The Secretary shall exclude from financial resources under this subsection the value of—

- (i) any funds in a plan, contract, or account, described in sections 401(a), 403(a), 403(b), 408, 408A, 457(b), and 501(c)(18) of title 26 and the value of funds in a Federal Thrift Savings Plan account as provided in section 8439 of title 5; and
- (ii) any retirement program or account included in any successor or similar provision that may be enacted and determined to be exempt from tax under title 26.

(B) **DISCRETIONARY EXCLUSIONS.**—The Secretary may exclude from financial resources under this subsection the value of any other retirement plans, contracts, or accounts (as determined by the Secretary).

**(8) EXCLUSION OF EDUCATION ACCOUNTS FROM ALLOWABLE FINANCIAL RESOURCES.—**

(A) **MANDATORY EXCLUSIONS.**—The Secretary shall exclude from financial resources under this subsection the value of any funds in a qualified tuition program described in section 529 of title 26 or in a Coverdell education savings account under section 530 of that title.

(B) **DISCRETIONARY EXCLUSIONS.**—The Secretary may exclude from financial resources under this subsection the value of any other education programs, contracts, or accounts (as determined by the Secretary).

**(h) Temporary emergency standards of eligibility; Disaster Task Force; direct assistance to State and local officials**

(1) The Secretary shall, after consultation with the official empowered to exercise the authority provided for by sections 5170a and 5192 of title 42, establish temporary emergency standards of eligibility for the duration of the emergency for households who are victims of a disaster which disrupts commercial channels of food distribution, if such households are in need of temporary food assistance and if commercial channels of food distribution have again become available to meet the temporary food needs of such households. Such standards as are prescribed for individual

emergencies may be promulgated without regard to section 2013(c) of this title or the procedures set forth in section 553 of title 5.

(2) The Secretary shall—

(A) establish a Disaster Task Force to assist States in implementing and operating the disaster program and the regular supplemental nutrition assistance program in the disaster area; and

(B) if the Secretary, in the Secretary's discretion, determines that it is cost-effective to send members of the Task Force to the disaster area, the Secretary shall send them to such area as soon as possible after the disaster occurs to provide direct assistance to State and local officials.

(3)(A) The Secretary shall provide, by regulation, for emergency allotments to eligible households to replace food destroyed in a disaster. The regulations shall provide for replacement of the value of food actually lost up to a limit approved by the Secretary not greater than the applicable maximum monthly allotment for the household size.

(B) The Secretary shall adjust issuance methods and reporting and other application requirements to be consistent with what is practicable under actual conditions in the affected area. In making this adjustment, the Secretary shall consider the availability of the State agency's offices and personnel, any conditions that make reliance on electronic benefit transfer systems described in section 2016(h) of this title impracticable, and any damage to or disruption of transportation and communication facilities.

**(i) Attribution of income and resources to sponsored aliens; coverage, computations, etc.**

(1) For purposes of determining eligibility for and the amount of benefits under this chapter for an individual who is an alien as described in section 2015(f)(2)(B) of this title, the income and resources of any person who as a sponsor of such individual's entry into the United States executed an affidavit of support or similar agreement with respect to such individual, and the income and resources of the sponsor's spouse if such spouse is living with the sponsor, shall be deemed to be the income and resources of such individual for a period of three years after the individual's entry into the United States. Any such income deemed to be income of such individual shall be treated as unearned income of such individual.

(2)(A) The amount of income of a sponsor, and the sponsor's spouse if living with the sponsor, which shall be deemed to be the unearned income of an alien for any year shall be determined as follows:

(i) the total yearly rate of earned and unearned income of such sponsor, and such sponsor's spouse if such spouse is living with the sponsor, shall be determined for such year under rules prescribed by the Secretary;

(ii) the amount determined under clause (i) of this subparagraph shall be reduced by an amount equal to the income eligibility standard as determined under subsection (c) for a household equal in size to the sponsor, the sponsor's spouse if living with the sponsor, and any persons dependent upon or receiving support from the sponsor or the sponsor's spouse if the spouse is living with the sponsor; and

(iii) the monthly income attributed to such alien shall be one-twelfth of the amount calculated under clause (ii) of this subparagraph.

(B) The amount of resources of a sponsor, and the sponsor's spouse if living with the sponsor, which shall be deemed to be the resources of an alien for any year shall be determined as follows:

(i) the total amount of the resources of such sponsor and such sponsor's spouse if such spouse is living with the sponsor shall be determined under rules prescribed by the Secretary;

(ii) the amount determined under clause (i) of this subparagraph shall be reduced by \$1,500; and

(iii) the resources determined under clause (ii) of this subparagraph shall be deemed to be resources of such alien in addition to any resources of such alien.

(C)(i) Any individual who is an alien shall, during the period of three years after entry into the United States, in order to be an eligible individual or eligible spouse for purposes of this chapter, be required to provide to the State agency such information and documentation with respect to the

alien's sponsor and sponsor's spouse as may be necessary in order for the State agency to make any determination required under this section, and to obtain any cooperation from such sponsor necessary for any such determination. Such alien shall also be required to provide such information and documentation which such alien or the sponsor provided in support of such alien's immigration application as the State agency may request.

(ii) The Secretary shall enter into agreements with the Secretary of State and the Attorney General whereby any information available to such persons and required in order to make any determination under this section will be provided by such persons to the Secretary, and whereby such persons shall inform any sponsor of an alien, at the time such sponsor executes an affidavit of support or similar agreement, of the requirements imposed by this section.

(D) Any sponsor of an alien, and such alien, shall be jointly and severably liable for an amount equal to any overpayment made to such alien during the period of three years after such alien's entry into the United States, on account of such sponsor's failure to provide correct information under the provisions of this section, except where such sponsor was without fault, or where good cause for such failure existed. Any such overpayment which is not repaid shall be recovered in accordance with the provisions of section 2022(b) of this title.

(E) The provisions of this subsection shall not apply with respect to any alien who is a member of the sponsor's household or to any alien who is under 18 years of age.

**(j) Resource exemption for otherwise exempt households**

Notwithstanding subsections (a) through (i), a State agency shall consider a household member who receives supplemental security income benefits under title XVI of the Social Security Act [42 U.S.C. 1381 et seq.], aid to the aged, blind, or disabled under title I, II, X, XIV, or XVI of such Act [42 U.S.C. 301 et seq., 401 et seq., 1201 et seq., 1351 et seq., 1381 et seq.], or who receives benefits under a State program funded under part A of title IV of the Act (42 U.S.C. 601 et seq.) to have satisfied the resource limitations prescribed under subsection (g).

**(k) Assistance to third parties included; educational benefits; exceptions**

(1) For purposes of subsection (d)(1), except as provided in paragraph (2), assistance provided to a third party on behalf of a household by a State or local government shall be considered money payable directly to the household if the assistance is provided in lieu of—

(A) a regular benefit payable to the household for living expenses under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or

(B) a benefit payable to the household for housing expenses under—

(i) a State or local general assistance program; or

(ii) another basic assistance program comparable to general assistance (as determined by the Secretary).

(2) Paragraph (1) shall not apply to—

(A) medical assistance;

(B) child care assistance;

(C) a payment or allowance described in subsection (d)(11);

(D) assistance provided by a State or local housing authority;

(E) emergency assistance for migrant or seasonal farmworker households during the period such households are in the job stream;

(F) emergency and special assistance, to the extent excluded in regulations prescribed by the Secretary; or

(G) assistance provided to a third party on behalf of a household under a State or local general assistance program, or another local basic assistance program comparable to general assistance (as determined by the Secretary), if, under State law, no assistance under the program may be provided directly to the household in the form of a cash payment.

(3) For purposes of subsection (d)(1), educational loans on which payment is deferred, grants, scholarships, fellowships, veterans' educational benefits, and the like that are provided to a third

party on behalf of a household for living expenses shall be treated as money payable directly to the household.

**(4) THIRD PARTY ENERGY ASSISTANCE PAYMENTS.—**

**(A) ENERGY ASSISTANCE PAYMENTS.—**For purposes of subsection (d)(1), a payment made under a State law (other than a law referred to in paragraph (2)(G) to provide energy assistance to a household shall be considered money payable directly to the household.

**(B) ENERGY ASSISTANCE EXPENSES.—**For purposes of subsection (e)(6), an expense paid on behalf of a household under a State law to provide energy assistance shall be considered an out-of-pocket expense incurred and paid by the household.

**(l) Earnings to participants of on-the-job training programs; exception**

Notwithstanding section 181(a)(2) of the Workforce Innovation and Opportunity Act [29 U.S.C. 3241(a)(2)], earnings to individuals participating in on-the-job training under title I of such Act [29 U.S.C. 3111 et seq.] shall be considered earned income for purposes of the supplemental nutrition assistance program, except for dependents less than 19 years of age.

**(m) Simplified calculation of income for the self-employed**

**(1) In general**

Not later than 1 year after August 22, 1996, the Secretary shall establish a procedure by which a State may submit a method, designed to not increase Federal costs, for the approval of the Secretary, that the Secretary determines will produce a reasonable estimate of income excluded under subsection (d)(9) in lieu of calculating the actual cost of producing self-employment income.

**(2) Inclusive of all types of income or limited types of income**

The method submitted by a State under paragraph (1) may allow a State to estimate income for all types of self-employment income or may be limited to 1 or more types of self-employment income.

**(3) Differences for different types of income**

The method submitted by a State under paragraph (1) may differ for different types of self-employment income.

**(n) State options to simplify determination of child support payments**

Regardless of whether a State agency elects to provide a deduction under subsection (e)(4), the Secretary shall establish simplified procedures to allow State agencies, at the option of the State agencies, to determine the amount of any legally obligated child support payments made, including procedures to allow the State agency to rely on information from the agency responsible for implementing the program under part D of title IV of the Social Security Act (42 U.S.C. 651 et seq.) concerning payments made in prior months in lieu of obtaining current information from the households.

**(b) Fraud and misrepresentation; disqualification penalties; ineligibility period; applicable procedures**

(1) Any person who has been found by any State or Federal court or administrative agency to have intentionally (A) made a false or misleading statement, or misrepresented, concealed or withheld facts, or (B) committed any act that constitutes a violation of this chapter, the regulations issued thereunder, or any State statute, for the purpose of using, presenting, transferring, acquiring, receiving, or possessing program benefits shall, immediately upon the rendering of such determination, become ineligible for further participation in the program—

During the period of such ineligibility, no household shall receive increased benefits under this chapter as the result of a member of such household having been disqualified under this subsection.

(2) Each State agency shall proceed against an individual alleged to have engaged in such activity either by way of administrative hearings, after notice and an opportunity for a hearing at the State level, or by referring such matters to appropriate authorities for civil or criminal action in a court of law.

(3) Such periods of ineligibility as are provided for in paragraph (1) of this subsection shall remain in effect, without possibility of administrative stay, unless and until the finding upon which the ineligibility is based is subsequently reversed by a court of appropriate jurisdiction, but in no event shall the period of ineligibility be subject to review.

(4) The Secretary shall prescribe such regulations as the Secretary may deem appropriate to ensure that information concerning any such determination with respect to a specific individual is forwarded to the Office of the Secretary by any appropriate State or Federal entity for the use of the Secretary in administering the provisions of this section. No State shall withhold such information from the Secretary or the Secretary's designee for any reason whatsoever.

**(c) Refusal to provide necessary information**

Except in a case in which a household is receiving transitional benefits during the transitional benefits period under section 2020(s) of this title, no household shall be eligible to participate in the supplemental nutrition assistance program if it refuses to cooperate in providing information to the State agency that is necessary for making a determination of its eligibility or for completing any subsequent review of its eligibility.

(1)(A) A State agency may require certain categories of households to file periodic reports of income and household circumstances in accordance with standards prescribed by the Secretary, except that a State agency may not require periodic reporting—

- (i) for periods shorter than 4 months by migrant or seasonal farmworker households;
- (ii) for periods shorter than 4 months by households in which all members are homeless individuals; or
- (iii) for periods shorter than 1 year by households that have no earned income and in which all adult members are elderly or disabled.

(B) Each household that is not required to file such periodic reports shall be required to report or cause to be reported to the State agency changes in income or household circumstances that the Secretary considers necessary to assure accurate eligibility and benefit determinations.

(C) A State agency may require periodic reporting on a monthly basis by households residing on a reservation only if—

- (i) the State agency reinstates benefits, without requiring a new application, for any household residing on a reservation that submits a report not later than 1 month after the end of the month in which benefits would otherwise be provided;
- (ii) the State agency does not delay, reduce, suspend, or terminate the allotment of a household that submits a report not later than 1 month after the end of the month in which the report is due;
- (iii) on March 25, 1994, the State agency requires households residing on a reservation to file periodic reports on a monthly basis; and
- (iv) the certification period for households residing on a reservation that are required to file periodic reports on a monthly basis is 2 years, unless the State demonstrates just cause to the Secretary for a shorter certification period.

**(D) FREQUENCY OF REPORTING.—**

(i) **IN GENERAL.**—Except as provided in subparagraphs (A) and (C), a State agency may require households that report on a periodic basis to submit reports—

- (I) not less often than once each 6 months; but
- (II) not more often than once each month.

(ii) **REPORTING BY HOUSEHOLDS WITH EXCESS INCOME.**—A household required to report less often than once each 3 months shall, notwithstanding subparagraph (B), report in a manner prescribed by the Secretary if the income of the household for any month exceeds the income standard of eligibility established under section 2014(c)(2) of this title.

(2) Any household required to file a periodic report under paragraph (1) of this subsection shall, (A) if it is eligible to participate and has filed a timely and complete report, receive its allotment, based on the reported information for a given month, within thirty days of the end of that month unless the Secretary determines that a longer period of time is necessary, (B) have available special procedures that permit the filing of the required information in the event all adult members of the household are mentally or physically handicapped or lacking in reading or writing skills to such a degree as to be unable to fill out the required forms, (C) have a reasonable period of time after the close of the month in which to file their reports on State agency designed forms, (D) be afforded prompt notice of failure to file any report timely or completely, and given a reasonable opportunity to cure that failure (with any applicable time requirements extended accordingly) and to exercise its rights under section 2020(e)(10) of this title, and (E) be provided each month (or other applicable period) with an appropriate, simple form for making the required reports of the household together with clear instructions explaining how to complete the form and the rights and responsibilities of the household under any periodic reporting system.

(3) Reports required to be filed under paragraph (1) of this subsection shall be considered complete if they contain the information relevant to eligibility and benefit determinations that is specified by the State agency. All report forms, including those related to periodic reports of circumstances, shall contain a description, in understandable terms in prominent and bold face lettering, of the appropriate civil and criminal provisions dealing with violations of this chapter including the prescribed penalties. Reports required to be filed monthly under paragraph (1) shall be the sole reporting requirement for subject matter included in such reports. In promulgating regulations implementing these reporting requirements, the Secretary shall consult with the Commissioner of Social Security and the Secretary of Health and Human Services, and, wherever feasible, households that receive assistance under title IV–A of the Social Security Act [42 U.S.C. 601 et seq.] and that are required to file comparable reports under that Act [42 U.S.C. 301 et seq.] shall be provided the opportunity to file reports at the same time for purposes of this chapter and the Social Security Act.

(4) Except as provided in paragraph (1)(C), any household that fails to submit periodic reports required by paragraph (1) shall not receive an allotment for the payment period to which the unsubmitted report applies until such report is submitted.

(5) The Secretary is authorized, upon the request of a State agency, to waive any provisions of this subsection (except the provisions of the first sentence of paragraph (1) which relate to households which are not required to file periodic reports) to the extent necessary to permit the State agency to establish periodic reporting requirements for purposes of this chapter which are similar to the periodic reporting requirements established under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) in that State.

#### **(d) Conditions of participation**

(cc) whether an individual is in compliance with a requirement under subparagraph (A).

(II) NOT LESS RESTRICTIVE.—A State agency may not use a meaning, procedure, or determination under subclause (I) that is less restrictive on individuals receiving benefits under this chapter than a comparable meaning, procedure, or determination under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.).

(iv) STRIKE AGAINST THE GOVERNMENT.—For the purpose of subparagraph (A)(v), an employee of the Federal Government, a State, or a political subdivision of a State, who is dismissed for participating in a strike against the Federal Government, the State, or the political subdivision of the State shall be considered to have voluntarily quit without good cause.

A State that requested a waiver to lower the age specified in subparagraph (B) and had the waiver denied by the Secretary as of August 1, 1996, may, for a period of not more than 3 years, lower the age of a dependent child that qualifies a parent or other member of a household for an exemption under subparagraph (B) to between 1 and 6 years of age.

(3) Notwithstanding any other provision of law, a household shall not participate in the supplemental nutrition assistance program at any time that any member of such household, not exempt from the work registration requirements of paragraph (1) of this subsection, is on strike as defined in section 142(2) of title 29, because of a labor dispute (other than a lockout) as defined in section 152(9) of title 29: *Provided*, That a household shall not lose its eligibility to participate in the supplemental nutrition assistance program as a result of one of its members going on strike if the household was eligible immediately prior to such strike, however, such household shall not receive an increased allotment as the result of a decrease in the income of the striking member or members of the household: *Provided further*, That such ineligibility shall not apply to any household that does not contain a member on strike, if any of its members refuses to accept employment at a plant or site because of a strike or lockout.

(4) EMPLOYMENT AND TRAINING.—

(A) IN GENERAL.—

(i) IMPLEMENTATION.—Each State agency shall implement an employment and training program designed by the State agency, in consultation with the State workforce development board, or, if the State demonstrates that consultation with private employers or employer organizations would be more effective or efficient, in consultation with private employers or employer organizations, and approved by the Secretary for the purpose of assisting members of households participating in the supplemental nutrition assistance program in gaining skills, training, work, or experience that will—

- (I) increase the ability of the household members to obtain regular employment; and
- (II) meet State or local workforce needs.

(ii) STATEWIDE WORKFORCE DEVELOPMENT SYSTEM.—Each component of an employment and training program carried out under this paragraph and implemented to meet the purposes of clause (i) shall be delivered through a statewide workforce development system, unless the component is not available locally through such a system.

(B) DEFINITIONS.—In this chapter:

(i) EMPLOYMENT AND TRAINING PROGRAM.—The term "employment and training program" means a program that contains case management services such as comprehensive intake assessments, individualized service plans, progress monitoring, or coordination with service providers and one or more of the following components, except that the State agency shall retain the option to apply employment requirements prescribed under this clause to a program applicant at the time of application:

(I) Supervised job search programs that occur at State-approved locations at which the activities of participants shall be directly supervised and the timing and activities of participants tracked in accordance with guidelines issued by the State.

(II) Job search training programs that include, to the extent determined appropriate by the State agency, reasonable job search training and support activities that may consist of employability assessments, training in techniques to increase employability, job placement services, or other direct training or support activities, including educational programs, determined by the State agency to expand the job search abilities or employability of those subject to the program.

(III) Workfare programs operated under section 2029 of this title.

(V) Educational programs or activities to improve basic skills and literacy, or otherwise improve employability, including educational programs determined by the State agency to expand the job search abilities or employability of those subject to the program under this paragraph.

(VI) Programs designed to increase the self-sufficiency of recipients through self-employment, including programs that provide instruction for self-employment ventures.

(VII) Programs intended to ensure job retention by providing job retention services, if the job retention services are provided for a period of not less than 30 days but not more than 90 days after an individual who received employment and training services under this paragraph gains employment.

(VIII) Programs and activities under clause (iv) of section 2025(h)(1)(F) of this title that the Secretary determines, based on results from the independent evaluations conducted under clause (vii)(I) of such section, have the most demonstrable impact on the ability of participants to find and retain employment that leads to increased household income and reduced reliance on public assistance.

**(c) First month benefits prorated**

(1) The value of the allotment issued to any eligible household for the initial month or other initial period for which an allotment is issued shall have a value which bears the same ratio to the value of the allotment for a full month or other initial period for which the allotment is issued as the number of days (from the date of application) remaining in the month or other initial period for which the allotment is issued bears to the total number of days in the month or other initial period for which the allotment is issued, except that no allotment may be issued to a household for the initial month or period if the value of the allotment which such household would otherwise be eligible to receive under this subsection is less than \$10. The allotment shall be provided in accordance with section 2020(e)(3) of this title in the case of a household that is not entitled to expedited service and in accordance with paragraphs (3) and (9) of section 2020(e) of this title in the case of a household that is entitled to expedited service.

**(d) Reduction of public assistance benefits**

**(1) In general**

(B) the State agency may reduce the allotment of the household by not more than 25 percent.

**(2) Rules and procedures**

If the allotment of a household is reduced under this subsection for a failure to perform an action required under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), the State agency may use the rules and procedures that apply under part A of title IV of the Act to reduce

On receiving a notification under clause (i)(I) concerning the departure of a resident, the State agency—

**(iii) State option**

The State agency may elect not to issue an allotment under clause (ii)(I) if the State agency lacks sufficient information on the location of the departed resident to provide the allotment.

**(iv) Effect of reapplication**

If the departed resident reapplies to participate in the supplemental nutrition assistance program, the allotment of the departed resident shall be determined without regard to this paragraph.

**(2) Pilot projects**

**(A) In general**

Before the Secretary authorizes implementation of paragraph (1) in all States, the Secretary shall carry out, at the request of 1 or more State agencies and in 1 or more areas of the United States, such number of pilot projects as the Secretary determines to be sufficient to test the feasibility of determining and issuing allotments to residents of covered facilities under paragraph (1) in lieu of subsection (a).

(II) shall terminate all pilot projects under paragraph (2) within a reasonable period of time (as determined by the Secretary).

**(ii) Finding**

approval are submitted by State agencies under paragraph (2)(B); or

(II)(aa) a sufficient number of pilot projects have been carried out under paragraph (2)(A); and

(bb) authorization of implementation of paragraph (1) in all States is not in the best interest of the supplemental nutrition assistance program.

### **§2018. Approval of retail food stores and wholesale food concerns**

#### **(a) Authorization to accept and redeem benefits**

##### (1) APPLICATIONS.—

(A) IN GENERAL.—Regulations issued pursuant to this chapter shall provide for the submission of applications for approval by retail food stores and wholesale food concerns which desire to be authorized to accept and redeem benefits under the supplemental nutrition assistance program and for the approval of those applicants whose participation will effectuate the purposes of the supplemental nutrition assistance program.

(B) FACTORS FOR CONSIDERATION.—In determining the qualifications of applicants, there shall be considered among such other factors as may be appropriate, the following:

- (i) the nature and extent of the food business conducted by the applicant;
- (ii) the volume of benefit transactions which may reasonably be expected to be conducted by the applicant food store or wholesale food concern;
- (iii) whether the applicant is located in an area with significantly limited access to food;
- (iv) any information, if available, about the ability of the anticipated or existing electronic benefit transfer equipment and service provider of the applicant to provide sufficient information through the electronic benefit transfer system to minimize the risk of fraudulent transactions; and
- (v) the business integrity and reputation of the applicant.

(C) CERTIFICATE.—Approval of an applicant shall be evidenced by the issuance to such applicant of a nontransferable certificate of approval.

(D) VISIT REQUIRED.—No retail food store or wholesale food concern of a type determined by the Secretary, based on factors that include size, location, and type of items sold, shall be approved to be authorized or reauthorized for participation in the supplemental nutrition assistance program unless an authorized employee of the Department of Agriculture, a designee of the Secretary, or, if practicable, an official of the State or local government designated by the Secretary has visited the store or concern for the purpose of determining whether the store or concern should be approved or reauthorized, as appropriate.

##### (2) The Secretary shall issue regulations providing for—

- (A) the periodic reauthorization of retail food stores and wholesale food concerns; and
- (B) periodic notice to participating retail food stores and wholesale food concerns of the definitions of "retail food store", "staple foods", "eligible foods", and "perishable foods".

(3) AUTHORIZATION PERIODS.—The Secretary shall establish specific time periods during which authorization to accept and redeem benefits shall be valid under the supplemental nutrition assistance program.

##### (4) ELECTRONIC BENEFIT TRANSFER EQUIPMENT AND SERVICE PROVIDERS

.—Before implementing clause (iv) of paragraph (1)(B), the Secretary shall issue guidance for retail food stores on how to select electronic benefit transfer equipment and service providers that are able to meet the requirements of that clause.

#### **(b) Effective and efficient operation of program; effect of disqualification; posting of bond**

(1) No wholesale food concern may be authorized to accept and redeem benefits unless the Secretary determines that its participation is required for the effective and efficient operation of the supplemental nutrition assistance program. No co-located wholesale-retail food concern may be authorized to accept and redeem benefits as a retail food store, unless (A) the concern does a

substantial level of retail food business, or (B) the Secretary determines that failure to authorize such a food concern as a retail food store would cause hardship to households that receive supplemental nutrition assistance program benefits. In addition, no firm may be authorized to accept and redeem benefits as both a retail food store and as a wholesale food concern at the same time.

(2)(A) A buyer or transferee (other than a bona fide buyer or transferee) of a retail food store or wholesale food concern that has been disqualified under section 2021(a) of this title may not accept or redeem benefits until the Secretary receives full payment of any penalty imposed on such store or concern.

(B) A buyer or transferee may not, as a result of the sale or transfer of such store or concern, be required to furnish a bond under section 2021(d) of this title.

**(c) Information submitted by applicants; safeguards; disclosure to and use by State agencies**

Regulations issued pursuant to this chapter shall require an applicant retail food store or wholesale food concern to submit information, which may include relevant income and sales tax filing documents, purchase invoices, records relating to electronic benefit transfer equipment and related services, transaction and redemption data provided through the electronic benefit transfer system, or program-related records, which will permit a determination to be made as to whether such applicant qualifies, or continues to qualify, for approval under the provisions of this chapter or the regulations issued pursuant to this chapter. The regulations may require retail food stores and wholesale food concerns to provide written authorization for the Secretary to verify all relevant tax filings with appropriate agencies and to obtain corroborating documentation from other sources so that the accuracy of information provided by the stores and concerns may be verified. Regulations issued pursuant to this chapter shall provide for safeguards which limit the use or disclosure of information obtained under the authority granted by this subsection to purposes directly connected with administration and enforcement of the provisions of this chapter or the regulations issued pursuant to this chapter, except that such information may be disclosed to and used by Federal law enforcement and investigative agencies and law enforcement and investigative agencies of a State government for the purposes of administering or enforcing this chapter or any other Federal or State law and the regulations issued under this chapter or such law, and State agencies that administer the special supplemental nutrition program for women, infants and children, authorized under section 17 of the Child Nutrition Act of 1966 [42 U.S.C. 1786], for purposes of administering the provisions of that Act [42 U.S.C. 1771 et seq.] and the regulations issued under that Act. Any person who publishes, divulges, discloses, or makes known in any manner or to any extent not authorized by Federal law (including a regulation) any information obtained under this subsection shall be fined not more than \$1,000 or imprisoned not more than 1 year, or both. The regulations shall establish the criteria to be used by the Secretary to determine whether the information is needed. The regulations shall not prohibit the audit and examination of such information by the Comptroller General of the United States authorized by any other provision of law.

**(d) Hearing upon failure of applicant to receive approval; waiting period for new application**

Any retail food store or wholesale food concern which has failed upon application to receive approval to participate in the supplemental nutrition assistance program may obtain a hearing on such refusal as provided in section 2023 of this title. A retail food store or wholesale food concern that is denied approval to accept and redeem benefits because the store or concern does not meet criteria for approval established by the Secretary may not, for at least 6 months, submit a new application to participate in the program. The Secretary may establish a longer time period under the preceding sentence, including permanent disqualification, that reflects the severity of the basis of the denial.

**(e) Reporting of abuses by public**

Approved retail food stores shall display a sign providing information on how persons may report abuses they have observed in the operation of the supplemental nutrition assistance program.

**(f) Limitation on participation of house-to-house trade routes**

In those areas in which the Secretary, in consultation with the Inspector General of the Department

of Agriculture, finds evidence that the operation of house-to-house trade routes damages the program's integrity, the Secretary shall limit the participation of house-to-house trade routes to those routes that are reasonably necessary to provide adequate access to households.

**(g) EBT service requirement**

An approved retail food store shall provide adequate EBT service as described in section 2016(h)(3)(B) of this title.

**(h) Private establishments**

**(1) In general**

Subject to paragraph (2), no private establishment that contracts with a State agency to offer meals at concessional prices as described in paragraphs (3), (4), and (9) of section 2012(k) of this title may be authorized to accept and redeem benefits unless the Secretary determines that the participation of the private establishment is required to meet a documented need in accordance with section 2020(e)(25) of this title.

**(2) Existing contracts**

**(A) In general**

If, on the day before February 7, 2014, a State has entered into a contract with a private establishment described in paragraph (1) and the Secretary has not determined that the participation of the private establishment is necessary to meet a documented need in accordance with section 2020(e)(25) of this title, the Secretary shall allow the operation of the private establishment to continue without that determination of need for a period not to exceed 180 days from the date on which the Secretary establishes determination criteria, by regulation, under section 2020(e)(25) of this title.

**(B) Justification**

If the Secretary determines to terminate a contract with a private establishment that is in effect on February 7, 2014, the Secretary shall provide justification to the State in which the private establishment is located for that termination.

**(3) Report to Congress**

Not later than 90 days after September 30, 2014, and 90 days after the last day of each fiscal year thereafter, the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report on the effectiveness of a program under this subsection using any information received from States under section 2020(e)(25) of this title as well as any other information the Secretary may have relating to the manner in which benefits are used.

**(i) Review of program operations**

**(1) Review by the Secretary**

The Secretary—

(A) shall review a representative sample of currently authorized facilities referred to in section 2012(k)(3) of this title to determine whether benefits are properly used by or on behalf of participating households residing in such facilities and whether such facilities are using more than 1 source of Federal or State funding to meet the food needs of residents;

(B) may carry out similar reviews for currently participating residential drug and alcohol treatment and rehabilitation programs, and group living arrangements for the blind and disabled, referred to in section 2012(k) of this title;

(C) shall gather information, and such facilities, programs, and arrangements shall be required to submit information deemed necessary for a full and thorough review; and

(D) shall report the results of these reviews to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate not later than 18 months after December 20, 2018, along with recommendations regarding—

(i) any additional requirements or oversight that would be appropriate for such facilities, programs, and arrangements; and

(ii) whether such facilities, programs, and arrangements should continue to be authorized to participate in the supplemental nutrition assistance program.

## **(2) Limitation**

Nothing in this subsection shall authorize the Secretary to deny any application for continued authorization, any application for authorization, or any request to withdraw the authorization of any such facility, program, or arrangement based on a determination that residents of any such facility or entity are residents of an institution prior to December 31, 2020.

## **(j) Incentives**

### **(1) Definition of eligible incentive food**

In this subsection, the term "eligible incentive food" means—

(A) a staple food that is identified for increased consumption, consistent with the most recent dietary recommendations; and

(B) a fruit, vegetable, dairy, whole grain, or product thereof.

### **(2) Guidance**

#### **(A) In general**

The Secretary shall issue guidance to clarify the process by which an approved retail food store may seek a waiver to offer an incentive, which may be used only for the purchase of an eligible incentive food at the point of purchase, to a household purchasing food with benefits issued under this chapter.

#### **(B) Guidance**

The guidance under subparagraph (A) shall establish a process under which an approved retail food store, prior to carrying out an incentive program under this subsection, shall provide to the Secretary information describing the incentive program, including—

(i) the types of incentives that will be offered;

(ii) the types of foods that will be incentivized for purchase; and

(iii) an explanation of how the incentive program intends to support meeting dietary intake goals.

### **(3) No limitation on benefits**

A waiver granted under this subsection shall not be used to carry out any activity that limits the use of benefits under this chapter or any other Federal nutrition law.

### **(4) Effect**

Guidance provided under this subsection shall not affect any requirements under section 7517 of this title, including the eligibility of a retail food store to participate in a project funded under such section.

### **(5) Report**

The Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate an annual report describing the types of incentives approved under this subsection.

#### **(d) Plan of operation by State agency; approval by Secretary; Indians**

The State agency (as defined in section 2012(s)(1) of this title) of each State desiring to participate in the supplemental nutrition assistance program shall submit for approval a plan of operation specifying the manner in which such program will be conducted within the State in every political subdivision. The Secretary may not, as a part of the approval process for a plan of operation, require a State to submit for prior approval by the Secretary the State agency instructions to staff, interpretations of existing policy, State agency methods of administration, forms used by the State agency, or any materials, documents, memoranda, bulletins, or other matter, unless the State determines that the materials, documents, memoranda, bulletins, or other matter alter or amend the

State plan of operation or conflict with the rights and levels of benefits to which a household is entitled. In the case of all or part of an Indian reservation, the State agency as defined in section 2012(s)(1) of this title shall be responsible for conducting such program on such reservation unless the Secretary determines that the State agency (as defined in section 2012(s)(1) of this title) is failing, subsequent to August 31, 1964, properly to administer such program on such reservation in accordance with the purposes of this chapter and further determines that the State agency as defined in section 2012(s)(2) of this title is capable of effectively and efficiently conducting such program, in light of the distance of the reservation from State agency-operated certification and issuance centers, the previous experience of such tribal organization in the operation of programs authorized under the Indian Self-Determination Act (25 U.S.C. 450) <sup>1</sup> and similar Acts of Congress, the tribal organization's management and fiscal capabilities, and the adequacy of measures taken by the tribal organization to ensure that there shall be no discrimination in the operation of the program on the basis of race, color, sex, or national origin, in which event such State agency shall be responsible for conducting such program and submitting for approval a plan of operation specifying the manner in which such program will be conducted. The Secretary, upon the request of a tribal organization, shall provide the designees of such organization with appropriate training and technical assistance to enable them to qualify as expeditiously as possible as a State agency pursuant to section 2012(s)(2) of this title. A State agency, as defined in section 2012(s)(1) of this title, before it submits its plan of operation to the Secretary for the administration of the supplemental nutrition assistance program on all or part of an Indian reservation, shall consult in good faith with the tribal organization about that portion of the State's plan of operation pertaining to the implementation of the program for members of the tribe, and shall implement the program in a manner that is responsive to the needs of the Indians on the reservation as determined by ongoing consultation with the tribal organization.

(3) that the State agency shall thereafter promptly determine the eligibility of each applicant household by way of verification of income other than that determined to be excluded by section 2014(d) of this title (in part through the use of the information, if any, obtained under section 2025(e) of this title and after compliance with the requirement specified in paragraph (24)), household size (in any case such size is questionable), and such other eligibility factors as the Secretary determines to be necessary to implement sections 2014 and 2015 of this title, although the State agency may verify prior to certification, whether questionable or not, the size of any applicant household and such other eligibility factors as the State agency determines are necessary, so as to complete certification of and provide an allotment retroactive to the period of application to any eligible household not later than thirty days following its filing of an application, and that the State agency shall provide each applicant household, at the time of application, a clear written statement explaining what acts the household must perform to cooperate in obtaining verification and otherwise completing the application process;

(4) that the State agency shall insure that each participating household receive a notice of expiration of its certification prior to the start of the last month of its certification period advising the household that it must submit a new application in order to renew its eligibility for a new certification period and, further, that each such household which seeks to be certified another time or more times thereafter by filing an application for such recertification no later than fifteen days prior to the day upon which its existing certification period expires shall, if found to be still eligible, receive its allotment no later than one month after the receipt of the last allotment issued to it pursuant to its prior certification, but if such household is found to be ineligible or to be eligible for a smaller allotment during the new certification period it shall not continue to participate and receive benefits on the basis authorized for the preceding certification period even if it makes a timely request for a fair hearing pursuant to paragraph (10) of this subsection: *Provided*, That the timeliness standards for submitting the notice of expiration and filing an application for recertification may be modified by the Secretary in light of sections 2014(f)(2) and 2015(c) of this title if administratively necessary;

(5) the specific standards to be used in determining the eligibility of applicant households which shall be in accordance with sections 2014 and 2015 of this title and shall include no additional requirements imposed by the State agency;

(B) the State agency personnel utilized in undertaking such certification shall be employed in accordance with the current standards for a Merit System of Personnel Administration or any standards later prescribed by the Office of Personnel Management pursuant to section 4728 of title 42 modifying or superseding such standards relating to the establishment and maintenance of personnel standards on a merit basis;

(7) that an applicant household may be represented in the certification process and that an eligible household may be represented in benefit issuance or food purchase by a person other than a member of the household so long as that person has been clearly designated as the representative of that household for that purpose by the head of the household or the spouse of the head, and, where the certification process is concerned, the representative is an adult who is sufficiently aware of relevant household circumstances, except that the Secretary may restrict the number of households which may be represented by an individual and otherwise establish criteria and verification standards for representation under this paragraph;

(8) safeguards which prohibit the use or disclosure of information obtained from applicant households, except that—

(A) the safeguards shall permit—

(i) the disclosure of such information to persons directly connected with the administration or enforcement of the provisions of this chapter, regulations issued pursuant to this chapter, Federal assistance programs, or federally-assisted State programs; and

(D) the safeguards shall not prevent the use by, or disclosure of such information, to agencies of the Federal Government (including the United States Postal Service) for purposes of

collecting the amount of an overissuance of benefits, as determined under section 2022(b) of this title, from Federal pay (including salaries and pensions) as authorized pursuant to section 5514 of title 5 or a Federal income tax refund as authorized by section 3720A of title 31;

(E) notwithstanding any other provision of law, the address, social security number, and, if available, photograph of any member of a household shall be made available, on request, to any Federal, State, or local law enforcement officer if the officer furnishes the State agency with the name of the member and notifies the agency that—

(i) the member—

(I) is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime (or attempt to commit a crime) that, under the law of the place the member is fleeing, is a felony (or, in the case of New Jersey, a high misdemeanor), or is violating a condition of probation or parole imposed under Federal or State law; or

At the option of a State, at any time prior to a fair hearing determination under this paragraph, a household may withdraw, orally or in writing, a request by the household for the fair hearing. If the withdrawal request is an oral request, the State agency shall provide a written notice to the household confirming the withdrawal request and providing the household with an opportunity to request a hearing;

(11) upon receipt of a request from a household, for the prompt restoration in the form of benefits to a household of any allotment or portion thereof which has been wrongfully denied or terminated, except that allotments shall not be restored for any period of time more than one year prior to the date the State agency receives a request for such restoration from a household or the State agency is notified or otherwise discovers that a loss to a household has occurred;

(16) at the option of the State agency, for the establishment and operation of an automatic data processing and information retrieval system that meets such conditions as the Secretary may prescribe and that is designed to provide efficient and effective administration of the supplemental nutrition assistance program;

(17) at the option of the State agency, that information may be requested and exchanged for purposes of income and eligibility verification in accordance with a State system which meets the requirements of section 1137 of the Social Security Act [42 U.S.C. 1320b-7] and that any additional information available from agencies administering State unemployment compensation laws under the provisions of section 303(d) of the Social Security Act [42 U.S.C. 503(d)] may be requested and utilized by the State agency described in section 2012(s)(1) of this title to the extent permitted under the provisions of section 303(d) of the Social Security Act;

**(g) State noncompliance; correction of failures**

If the Secretary determines, upon information received by the Secretary, investigation initiated by the Secretary, or investigation that the Secretary shall initiate upon receiving sufficient information evidencing a pattern of lack of compliance by a State agency of a type specified in this subsection, that in the administration of the supplemental nutrition assistance program there is a failure by a State agency without good cause to comply with any of the provisions of this chapter, the regulations issued pursuant to this chapter, the State plan of operation submitted pursuant to subsection (d) of this section, the State plan for automated data processing submitted pursuant to subsection (o)(2) of this section, or the requirements established pursuant to section 2032 of this title the Secretary shall immediately inform such State agency of such failure and shall allow the State agency a specified period of time for the correction of such failure. If the State agency does not correct such failure within that specified period, the Secretary may refer the matter to the Attorney General with a request that injunctive relief be sought to require compliance forthwith by the State agency and, upon suit by the Attorney General in an appropriate district court of the United States having jurisdiction of the geographic area in which the State agency is located and a showing that noncompliance has occurred, appropriate injunctive relief shall issue, and, whether or not the Secretary refers such matter to the Attorney General, the Secretary shall proceed to withhold from the State such funds authorized under sections 2025(a), 2025(c), and 2025(g) of this title as the Secretary determines to be appropriate, subject to administrative and judicial review under section 2023 of this title.

**(h) Deposit by State to cover fraudulently or negligently issued benefits**

If the Secretary determines that there has been negligence or fraud on the part of the State agency in the certification of applicant households, the State shall, upon request of the Secretary, deposit into the Treasury of the United States, a sum equal to the face value of any benefits issued as a result of such negligence or fraud.

**(i) Application and denial procedures**

**(1) Application procedures**

Notwithstanding any other provision of law, households in which all members are applicants for or recipients of supplemental security income shall be informed of the availability of benefits under the supplemental nutrition assistance program and be assisted in making a simple application to participate in such program at the social security office and be certified for eligibility utilizing information contained in files of the Social Security Administration.

**(2) Denial and termination**

Except in a case of disqualification as a penalty for failure to comply with a public assistance program rule or regulation, no household shall have its application to participate in the supplemental nutrition assistance program denied nor its benefits under the supplemental nutrition assistance program terminated solely on the basis that its application to participate has been denied or its benefits have been terminated under any of the programs carried out under the statutes specified in the second sentence of section 2014(a) of this title and without a separate determination by the State agency that the household fails to satisfy the eligibility requirements for participation in the supplemental nutrition assistance program.

**(j) Notice of availability of benefits and applications; revision of memorandum of understanding**

(1) Any individual who is an applicant for or recipient of supplemental security income or social security benefits (under regulations prescribed by the Secretary in conjunction with the

Commissioner of Social Security) shall be informed of the availability of benefits under the supplemental nutrition assistance program and informed of the availability of a simple application to participate in such program at the social security office.

(2) The Secretary and the Commissioner of Social Security shall revise the memorandum of understanding in effect on December 23, 1985, regarding services to be provided in social security offices under this subsection and subsection (i), in a manner to ensure that—

(A) applicants for and recipients of social security benefits are adequately notified in social security offices that assistance may be available to them under this chapter;

(B) applications for assistance under this chapter from households in which all members are applicants for or recipients of supplemental security income will be forwarded immediately to the State agency in an efficient and timely manner; and

(C) the Commissioner of Social Security receives from the Secretary reimbursement for costs incurred to provide such services.

**(k) Use of post offices**

Subject to the approval of the President, post offices in all or part of the State may provide, on request by the State agency, supplemental nutrition assistance program benefits to eligible households.

**(l) Special financial audit review of high participation States**

Whenever the ratio of a State's average supplemental nutrition assistance program participation in any quarter of a fiscal year to the State's total population in that quarter (estimated on the basis of the latest available population estimates as provided by the Department of Commerce, Bureau of the Census, Series P-25, Current Population Reports (or its successor series)) exceeds 60 per centum, the Office of the Inspector General of the Department of Agriculture shall immediately schedule a financial audit review of a sample of project areas within that State. Any financial audit review subsequent to the first such review, required under the preceding sentence, shall be conducted at the option of the Office of the Inspector General.

**(m) Alaskan fee agents; use and services**

The Secretary shall provide for the use of fee agents in rural Alaska. As used in this subsection "fee agent" means a paid agent who, although not a State employee, is authorized by the State to make applications available to low-income households, assist in the completion of applications, conduct required interviews, secure required verification, forward completed applications and supporting documentation to the State agency, and provide other services as required by the State agency. Such services shall not include making final decisions on household eligibility or benefit levels.

**(n) Verification by State agencies**

The Secretary shall require State agencies to conduct verification and implement other measures where necessary, but no less often than annually, to assure that an individual does not receive both benefits and benefits or payments referred to in section 2015(g) of this title or both benefits and assistance provided in lieu of benefits under section 2026(b)(1) of this title.

**(o) Data processing systems; model plan; comprehensive automation and computerization; State plans; evaluation and report to Congress; corrective measures by State; time for implementation**

(1) The Secretary shall develop, after consultation with, and with the assistance of, an advisory group of State agencies appointed by the Secretary without regard to the provisions of the Federal Advisory Committee Act, a model plan for the comprehensive automation of data processing and computerization of information systems under the supplemental nutrition assistance program. The plan shall be developed and made available for public comment through publication of the proposed plan in the Federal Register not later than October 1, 1986. The Secretary shall complete the plan, taking into consideration public comments received, not later than February 1, 1987. The elements of the plan may include intake procedures, eligibility determinations and calculation of benefits,

verification procedures, coordination with related Federal and State programs, the issuance of benefits, reconciliation procedures, the generation of notices, and program reporting. In developing the plan, the Secretary shall take into account automated data processing and information systems already in existence in States and shall provide for consistency with such systems.

(2) Not later than October 1, 1987, each State agency shall develop and submit to the Secretary for approval a plan for the use of an automated data processing and information retrieval system to administer the supplemental nutrition assistance program in such State. The State plan shall take into consideration the model plan developed by the Secretary under paragraph (1) and shall provide time frames for completion of various phases of the State plan. If a State agency already has a sufficient automated data processing and information retrieval system, the State plan may, subject to the Secretary's approval, reflect the existing State system.

(3) Not later than April 1, 1988, the Secretary shall prepare and submit to Congress an evaluation of the degree and sufficiency of each State's automated data processing and computerized information systems for the administration of the supplemental nutrition assistance program, including State plans submitted under paragraph (2). Such report shall include an analysis of additional steps needed for States to achieve effective and cost-efficient data processing and information systems. The Secretary, thereafter, shall periodically update such report.

(4) Based on the Secretary's findings in such report submitted under paragraph (3), the Secretary may require a State agency, as necessary to rectify identified shortcomings in the administration of the supplemental nutrition assistance program in the State, except where such direction would displace State initiatives already under way, to take specified steps to automate data processing systems or computerize information systems for the administration of the supplemental nutrition assistance program in the State if the Secretary finds that, in the absence of such systems, there will be program accountability or integrity problems that will substantially affect the administration of the supplemental nutrition assistance program in the State.

(5)(A) Subject to subparagraph (B), in the case of a plan for an automated data processing and information retrieval system submitted by a State agency to the Secretary under paragraph (2), such State agency shall—

- (i) commence implementation of its plan not later than October 1, 1988; and
- (ii) meet the time frames set forth in the plan.

(B) The Secretary shall extend a deadline imposed under subparagraph (A) to the extent the Secretary deems appropriate based on the Secretary's finding of a good faith effort of a State agency to implement its plan in accordance with subparagraph (A).

#### **(p) State verification option**

In carrying out the supplemental nutrition assistance program, a State agency shall be required to use an immigration status verification system established under section 1137 of the Social Security Act (42 U.S.C. 1320b-7), and an income and eligibility verification system, in accordance with standards set by the Secretary.

#### **(q) Denial of benefits for prisoners**

The Secretary shall assist States, to the maximum extent practicable, in implementing a system to conduct computer matches or other systems to prevent prisoners described in subsection (e)(18)(B) from participating in the supplemental nutrition assistance program as a member of any household.

#### **(r) Denial of benefits for deceased individuals**

Each State agency shall—

- (1) enter into a cooperative arrangement with the Commissioner of Social Security, pursuant to the authority of the Commissioner under section 205(r)(3) of the Social Security Act (42 U.S.C. 405(r)(3)), to obtain information on individuals who are deceased; and
- (2) use the information to verify and otherwise ensure that benefits are not issued to individuals who are deceased.

#### **(s) Transitional benefits option**

**(1) In general**

A State agency may provide transitional supplemental nutrition assistance program benefits—  
(A) to a household that ceases to receive cash assistance under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or  
(B) at the option of the State, to a household with children that ceases to receive cash assistance under a State-funded public assistance program.

**(2) Transitional benefits period**

Under paragraph (1), a household may receive transitional supplemental nutrition assistance program benefits for a period of not more than 5 months after the date on which cash assistance is terminated.

**(3) Amount of benefits**

During the transitional benefits period under paragraph (2), a household shall receive an amount of supplemental nutrition assistance program benefits equal to the allotment received in the month immediately preceding the date on which cash assistance was terminated, adjusted for the change in household income as a result of—

- (A) the termination of cash assistance; and
- (B) at the option of the State agency, information from another program in which the household participates.

**(4) Determination of future eligibility**

In the final month of the transitional benefits period under paragraph (2), the State agency may—

- (A) require the household to cooperate in a recertification of eligibility; and
- (B) initiate a new certification period for the household without regard to whether the preceding certification period has expired.

**(5) Limitation**

A household shall not be eligible for transitional benefits under this subsection if the household—

- (A) loses eligibility under section 2015 of this title;
- (B) is sanctioned for a failure to perform an action required by Federal, State, or local law relating to a cash assistance program described in paragraph (1); or
- (C) is a member of any other category of households designated by the State agency as ineligible for transitional benefits.

**(6) Applications for recertification**

**(A) In general**

A household receiving transitional benefits under this subsection may apply for recertification at any time during the transitional benefits period under paragraph (2).

**(B) Determination of allotment**

### **(b) Period of disqualification**

Subject to subsection (c), a disqualification under subsection (a) shall be—

- (1) for a reasonable period of time, not to exceed 5 years, upon the first occasion of disqualification;

(i) the ownership of the store or food concern was not aware of, did not approve of, did not benefit from, and was not involved in the conduct of the violation; and

(ii)(I) the management of the store or food concern was not aware of, did not approve of, did not benefit from, and was not involved in the conduct of the violation; or

#### **(2) Collateral**

The Secretary also may require a retail food store or wholesale food concern that has been sanctioned for a violation and incurs a subsequent sanction regardless of the length of the disqualification period to submit a collateral bond or irrevocable letter of credit.

#### **(3) Bond requirements**

The Secretary shall, by regulation, prescribe the amount, terms, and conditions of such bond.

#### **(4) Forfeiture**

If the Secretary finds that such store or concern has accepted and redeemed coupons in violation

### **(5) Hearing**

A store or concern described in paragraph (4) may obtain a hearing on such forfeiture pursuant to section 2023 of this title.

### **(e) Transfer of ownership; penalty in lieu of disqualification period; fines for acceptance of loose coupons; judicial action to recover penalty or fine**

(1) In the event any retail food store or wholesale food concern that has been disqualified under subsection (a) is sold or the ownership thereof is otherwise transferred to a purchaser or transferee, the person or persons who sell or otherwise transfer ownership of the retail food store or wholesale food concern shall be subjected to a civil penalty in an amount established by the Secretary through regulations to reflect that portion of the disqualification period that has not yet expired. If the retail food store or wholesale food concern has been disqualified permanently, the civil penalty shall be double the penalty for a ten-year disqualification period, as calculated under regulations issued by the Secretary. The disqualification period imposed under subsection (b) shall continue in effect as to the person or persons who sell or otherwise transfer ownership of the retail food store or wholesale food concern notwithstanding the imposition of a civil penalty under this subsection.

In such action, the validity and amount of such penalty shall not be subject to review.

(3) The Secretary may impose a fine against any retail food store or wholesale food concern that accepts food coupons that are not accompanied by the corresponding book cover, other than the denomination of coupons used for making change as specified in regulations issued under this chapter. The amount of any such fine shall be established by the Secretary and may be assessed and collected in accordance with regulations issued under this chapter separately or in combination with any fiscal claim established by the Secretary. The Attorney General of the United States may institute judicial action in any court of competent jurisdiction against the store or concern to collect the fine.

Except in the case of an at-risk amount required under section 2025(c)(1)(D)(i)(II) of this title, the Secretary shall have the power to determine the amount of and settle and adjust any claim and to compromise or deny all or part of any such claim or claims arising under the provisions of this chapter or the regulations issued pursuant to this chapter, including, but not limited to, claims arising from fraudulent and nonfraudulent overissuances to recipients, including the power to waive claims if the Secretary determines that to do so would serve the purposes of this chapter. Such powers with respect to claims against recipients may be delegated by the Secretary to State agencies. The Secretary shall have the power to reduce amounts otherwise due to a State agency under section 2025 of this title to collect unpaid claims assessed against the State agency if the State agency has declined or exhausted its appeal rights under section 2023 of this title.

#### **(2) Claims established under quality control system**

To the extent that a State agency does not pay a claim established under section 2025(c)(1) of

this title, including an agreement to have all or part of the claim paid through a reduction in Federal administrative funding, within 30 days from the date on which the bill for collection is received by the State agency, the State agency shall be liable for interest on any unpaid portion of such claim accruing from the date on which the bill for collection was received by the State agency, unless the State agency appeals the claim under section 2025(c)(7) of this title. If the State agency appeals such claim (in whole or in part), the interest on any unpaid portion of the claim shall accrue from the date of the decision on the administrative appeal, or from a date that is 1 year after the date the bill is received, whichever is earlier, until the date the unpaid portion of the payment is received. If the State agency pays such claim (in whole or in part, including an agreement to have all or part of the claim paid through a reduction in Federal administrative funding) and the claim is subsequently overturned through administrative or judicial appeal, any amounts paid by the State agency shall be promptly returned with interest, accruing from the date the payment is received until the date the payment is returned.

### **(3) Computation of interest**

Any interest assessed under this paragraph shall be computed at a rate determined by the Secretary based on the average of the bond equivalent of the weekly 90-day Treasury bill auction rates during the period such interest accrues.

### **(4) Joint and several liability of household members**

Each adult member of a household shall be jointly and severally liable for the value of any overissuance of benefits.

- (C) recovering from Federal pay or a Federal income tax refund under subsection (d); or
- (D) any other means.

### **(2) Cost effectiveness**

Paragraph (1) shall not apply if the State agency demonstrates to the satisfaction of the Secretary that all of the means referred to in paragraph (1) are not cost effective.

### **(3) Maximum reduction absent fraud**

If a household received an overissuance of benefits without any member of the household being found ineligible to participate in the program under section 2015(b)(1) of this title and a State agency elects to reduce the allotment of the household under paragraph (1)(A), the State agency shall not reduce the monthly allotment of the household under paragraph (1)(A) by an amount in excess of the greater of—

- (A) 10 percent of the monthly allotment of the household; or
- (B) \$10.

### **(4) Procedures**

A State agency shall collect an overissuance of benefits issued to a household under paragraph (1) in accordance with the requirements established by the State agency for providing notice, electing a means of payment, and establishing a time schedule for payment.

### **(5) Overissuances caused by systemic State errors**

#### **(A) In general**

If the Secretary determines that a State agency overissued benefits to a substantial number of households in a fiscal year as a result of a major systemic error by the State agency, as defined

by the Secretary, the Secretary may prohibit the State agency from collecting these overissuances from some or all households.

## **(B) Procedures**

### **(i) Information reporting by States**

Every State agency shall provide to the Secretary all information requested by the Secretary concerning the issuance of benefits to households by the State agency in the applicable fiscal year.

### **(ii) Final determination**

After reviewing relevant information provided by a State agency, the Secretary shall make a final determination—

- (I) whether the State agency overissued benefits to a substantial number of households as a result of a systemic error in the applicable fiscal year; and
- (II) as to the amount of the overissuance in the applicable fiscal year for which the State agency is liable.

### **(iii) Establishing a claim**

Upon determining under clause (ii) that a State agency has overissued benefits to households due to a major systemic error determined under subparagraph (A), the Secretary shall establish a claim against the State agency equal to the value of the overissuance caused by the systemic error.

### **(iv) Administrative and judicial review**

Administrative and judicial review, as provided in section 2023 of this title, shall apply to the final determinations by the Secretary under clause (ii).

### **(v) Remission to the Secretary**

#### **(I) Determination not appealed**

If the determination of the Secretary under clause (ii) is not appealed, the State agency shall, as soon as practicable, remit to the Secretary the dollar amount specified in the claim under clause (iii).

#### **(II) Determination appealed**

If the determination of the Secretary under clause (ii) is appealed, upon completion of administrative and judicial review under clause (iv), and a finding of liability on the part of the State, the appealing State agency shall, as soon as practicable, remit to the Secretary a dollar amount subject to the finding made in the administrative and judicial review.

### **(vi) Alternative method of collection**

During the period of time determined by the Secretary to be reasonable under subclause (I), interest in the amount owed shall not accrue.

Any liability amount established under section 2025(c)(1)(C) of this title shall be reduced by the amount of the claim established under this subparagraph.

## **(c) Intercept of unemployment benefits**

(1) As used in this subsection, the term "uncollected overissuance" means the amount of an overissuance of benefits, as determined under subsection (b)(1), that has not been recovered pursuant

to subsection (b)(1).

(2) A State agency may determine on a periodic basis, from information supplied pursuant to section 49b(b) of title 29, whether an individual receiving compensation under the State's unemployment compensation law (including amounts payable pursuant to an agreement under a Federal unemployment compensation law) owes an uncollected overissuance.

(3) A State agency may recover an uncollected overissuance—

(A) by—

(i) entering into an agreement with an individual described in paragraph (2) under which specified amounts will be withheld from unemployment compensation otherwise payable to the individual; and

(ii) furnishing a copy of the agreement to the State agency administering the unemployment compensation law; or

(B) in the absence of an agreement, by obtaining a writ, order, summons, or other similar process in the nature of garnishment from a court of competent jurisdiction to require the withholding of amounts from the unemployment compensation.

#### **(d) Recovery of overissuance of benefits**

The amount of an overissuance of benefits, as determined under subsection (b)(1), that has not been recovered pursuant to such subsection may be recovered from Federal pay (including salaries and pensions) as authorized by section 5514 of title 5 or a Federal income tax refund as authorized by section 3720A of title 31.

The officials responsible for making determinations of ineligibility under this chapter shall not receive or benefit from revenues retained by the State under the provisions of this subsection.

#### **(b) Work supplementation or support program**

##### **(1) "Work supplementation or support program" defined**

In this subsection, the term "work supplementation or support program" means a program under which, as determined by the Secretary, public assistance (including any benefits provided under a program established by the State and the supplemental nutrition assistance program) is provided to an employer to be used for hiring and employing a public assistance recipient who was not employed by the employer at the time the public assistance recipient entered the program.

##### **(2) Program**

A State agency may elect to use an amount equal to the allotment that would otherwise be issued to a household under the supplemental nutrition assistance program, but for the operation of this subsection, for the purpose of subsidizing or supporting a job under a work supplementation or support program established by the State.

##### **(3) Procedure**

If a State agency makes an election under paragraph (2) and identifies each household that participates in the supplemental nutrition assistance program that contains an individual who is participating in the work supplementation or support program—

(A) the Secretary shall pay to the State agency an amount equal to the value of the allotment that the household would be eligible to receive but for the operation of this subsection;

(B) the State agency shall expend the amount received under subparagraph (A) in accordance with the work supplementation or support program in lieu of providing the allotment that the household would receive but for the operation of this subsection;

(C) for purposes of—

(i) sections 2014 and 2017(a) of this title, the amount received under this subsection shall be excluded from household income and resources; and

(ii) section 2017(b) of this title, the amount received under this subsection shall be considered to be the value of an allotment provided to the household; and

(D) the household shall not receive an allotment from the State agency for the period during which the member continues to participate in the work supplementation or support program.

#### **(4) Other work requirements**

No individual shall be excused, by reason of the fact that a State has a work supplementation or support program, from any work requirement under section 2015(d) of this title, except during the periods in which the individual is employed under the work supplementation or support program.

#### **(5) Length of participation**

A State agency shall provide a description of how the public assistance recipients in the program shall, within a specific period of time, be moved from supplemented or supported employment to employment that is not supplemented or supported.

#### **(6) Displacement**

A work supplementation or support program shall not displace the employment of individuals who are not supplemented or supported.

### **(c) Quality control system**

#### **(1) In general**

##### **(A) System**

##### **(i) In general**

In carrying out the supplemental nutrition assistance program, the Secretary shall carry out a system that enhances payment accuracy and improves administration by establishing fiscal incentives that require State agencies with high payment error rates to share in the cost of payment error.

##### **(ii) Tolerance level for excluding small errors**

The Secretary shall set the tolerance level for excluding small errors for the purposes of this subsection—

(I) for fiscal year 2014, at an amount not greater than \$37; and

(II) for each fiscal year thereafter, the amount specified in subclause (I) adjusted by the percentage by which the thrifty food plan is adjusted under section 2012(u)(4) of this title between June 30, 2013, and June 30 of the immediately preceding fiscal year.

##### **(B) Quality control system integrity**

##### **(i) In general**

(II) provide for oversight of contracts entered into by a State agency for the purpose of improving payment accuracy;

(III) ensure the accuracy of data collected under the quality control system established

under this subsection; and

(IV) for each fiscal year, to the maximum extent practicable, provide for the evaluation of the integrity of the quality control process of not fewer than 2 State agencies, selected in accordance with criteria determined by the Secretary.

**(ii) Debarment**

In accordance with the nonprocurement debarment procedures under part 417 of title 2, Code of Federal Regulations, or successor regulations, the Secretary shall debar any person that, in carrying out the quality control system established under this subsection, knowingly submits, or causes to be submitted, false information to the Secretary.

**(C) Establishment of liability amount for fiscal year 2003 and thereafter**

With respect to fiscal year 2004 and any fiscal year thereafter for which the Secretary determines that, for the second or subsequent consecutive fiscal year, a 95 percent statistical probability exists that the payment error rate of a State agency exceeds 105 percent of the national performance measure for payment error rates announced under paragraph (6), the Secretary shall establish an amount for which the State agency may be liable (referred to in this paragraph as the "liability amount") that is equal to the product obtained by multiplying—

(i) the value of all allotments issued by the State agency in the fiscal year;

(ii) the difference between—

(I) the payment error rate of the State agency; and

(II) 6 percent; and

(iii) 10 percent.

**(D) Authority of Secretary with respect to liability amount**

With respect to the liability amount established for a State agency under subparagraph (C) for any fiscal year, the Secretary shall—

(i)(I) require that a portion, not to exceed 50 percent, of the liability amount established for the fiscal year be used by the State agency for new investment, approved by the Secretary, to improve administration by the State agency of the supplemental nutrition assistance program (referred to in this paragraph as the "new investment amount"), which new investment amount shall not be matched by Federal funds;

(II) designate a portion, not to exceed 50 percent, of the amount established for the fiscal year for payment to the Secretary in accordance with subparagraph (E) (referred to in this paragraph as the "at-risk amount"); or

(III) take any combination of the actions described in subclauses (I) and (II); or

(ii) make the determinations described in clause (i) and enter into a settlement with the State agency, only with respect to any new investment amount, before the end of the fiscal year in which the liability amount is determined under subparagraph (C).

**(E) Payment of at-risk amount for certain States**

**(i) In general**

A State agency shall pay to the Secretary the at-risk amount designated under subparagraph (D)(i)(II) for any fiscal year in accordance with clause (ii), if, with respect to the immediately following fiscal year, a liability amount has been established for the State agency under subparagraph (C).

**(ii) Method of payment of at-risk amount**

**(I) Remission to the Secretary**

In the case of a State agency required to pay an at-risk amount under clause (i), as soon as practicable after completion of all administrative and judicial reviews with respect to that requirement to pay, the chief executive officer of the State shall remit to the Secretary the at-risk amount required to be paid.

## **(II) Alternative method of collection**

### **(aa) In general**

If the chief executive officer of the State fails to make the payment under subclause (I) within a reasonable period of time determined by the Secretary, the Secretary may reduce any amount due to the State agency under any other provision of this section by the amount required to be paid under clause (i).

### **(bb) Accrual of interest**

During any period of time determined by the Secretary under item (aa), interest on the payment under subclause (I) shall not accrue under section 2022(a)(2) of this title.

## **(F) Use of portion of liability amount for new investment**

### **(i) Reduction of other amounts due to State agency**

In the case of a State agency that fails to comply with a requirement for new investment under subparagraph (D)(i)(I) or clause (iii)(I), the Secretary may reduce any amount due to the State agency under any other provision of this section by the portion of the liability amount that has not been used in accordance with that requirement.

### **(ii) Effect of State agency's wholly prevailing on appeal**

If a State agency begins required new investment under subparagraph (D)(i)(I), the State agency appeals the liability amount of the State agency, and the determination by the Secretary of the liability amount is reduced to \$0 on administrative or judicial review, the Secretary shall pay to the State agency an amount equal to 50 percent of the new investment amount that was included in the liability amount subject to the appeal.

### **(iii) Effect of Secretary's wholly prevailing on appeal**

If a State agency does not begin required new investment under subparagraph (D)(i)(I), the State agency appeals the liability amount of the State agency, and the determination by the Secretary of the liability amount is wholly upheld on administrative or judicial review, the Secretary shall—

(I) require all or any portion of the new investment amount to be used by the State agency for new investment, approved by the Secretary, to improve administration by the State agency of the supplemental nutrition assistance program, which amount shall not be matched by Federal funds; and

(II) require payment of any remaining portion of the new investment amount in accordance with subparagraph (E)(ii).

### **(iv) Effect of neither party's wholly prevailing on appeal**

The Secretary shall promulgate regulations regarding obligations of the Secretary and the State agency in a case in which the State agency appeals the liability amount of the State agency and neither the Secretary nor the State agency wholly prevails.

## **(G) Corrective action plans**

The Secretary shall foster management improvements by the States by requiring State agencies, other than State agencies with payment error rates of less than 6 percent, to develop and implement corrective action plans to reduce payment errors.

## **(2) Error rate definitions**

As used in this section—

(A) the term "payment error rate" means the sum of the point estimates of an overpayment error rate and an underpayment error rate determined by the Secretary from data collected in a probability sample of participating households;

(B) the term "overpayment error rate" means the percentage of the value of all allotments issued in a fiscal year by a State agency that are either—

(i) issued to households that fail to meet basic program eligibility requirements; or

(ii) overissued to eligible households; and

(C) the term "underpayment error rate" means the ratio of the value of allotments underissued to recipient households to the total value of allotments issued in a fiscal year by a State agency.

### **(3) Exclusions**

The following errors may be measured for management purposes but shall not be included in the payment error rate:

(A) Any errors resulting in the application of new regulations promulgated under this chapter during the first 120 days from the required implementation date for such regulations.

(B) Errors resulting from the use by a State agency of correctly processed information concerning households or individuals received from Federal agencies or from actions based on policy information approved or disseminated, in writing, by the Secretary or the Secretary's designee.

### **(4) Reporting requirements**

The Secretary may require a State agency to report any factors that the Secretary considers necessary, including providing access to applicable State records and the entire information systems in which the records are contained, to determine a State agency's payment error rate, liability amount or new investment amount under paragraph (1), or performance under the performance measures under subsection (d). If a State agency fails to meet the reporting requirements established by the Secretary, the Secretary shall base the determination on all pertinent information available to the Secretary.

### **(5) Procedures**

To facilitate the implementation of this subsection, each State agency shall expeditiously submit to the Secretary data concerning the operations of the State agency in each fiscal year sufficient for the Secretary to establish the State agency's payment error rate, liability amount or new investment amount under paragraph (1), or performance under the performance measures under subsection (d). The Secretary shall initiate efforts to collect the amount owed by the State agency as a claim established under paragraph (1) for a fiscal year, subject to the conclusion of any formal or informal appeal procedure and administrative or judicial review under section 2023 of this title (as provided for in paragraph (7)), before the end of the fiscal year following such fiscal year.

### **(6) National performance measure for payment error rates**

#### **(A) Announcement**

At the time the Secretary makes the notification to State agencies of their error rates, the Secretary shall also announce a national performance measure that shall be the sum of the products of each State agency's error rate as developed for the notifications under paragraph (8) times that State agency's proportion of the total value of national allotments issued for the fiscal year using the most recent issuance data available at the time of the notifications issued pursuant to paragraph (8).

#### **(B) Use of alternative measure of State error**

Where a State fails to meet reporting requirements pursuant to paragraph (4), the Secretary may use another measure of a State's error developed pursuant to paragraph (5), to develop the national performance measure.

#### **(C) Use of national performance measure**

The announced national performance measure shall be used in determining the liability amount of a State under paragraph (1)(C) for the fiscal year whose error rates are being announced under paragraph (8).

#### **(D) No administrative or judicial review**

The national performance measure announced under this paragraph shall not be subject to administrative or judicial review.

## **(7) Administrative and judicial review**

### **(A) In general**

Except as provided in subparagraphs (B) and (C), if the Secretary asserts a financial claim against or establishes a liability amount with respect to a State agency under paragraph (1), the State may seek administrative and judicial review of the action pursuant to section 2023 of this title.

### **(B) Determination of payment error rate**

With respect to any fiscal year, a determination of the payment error rate of a State agency or a determination whether the payment error rate exceeds 105 percent of the national performance measure for payment error rates shall be subject to administrative or judicial review only if the Secretary establishes a liability amount with respect to the fiscal year under paragraph (1)(C).
