"(A) Encouraging training programs at locations outside the United States from which substantial cargo shipments of lithium ion or lithium metal batteries originate for manufacturers, freight forwarders, and other shippers and potential shippers of lithium ion and lithium metal batteries.

"(B) Working with Federal, regional, and international transportation agencies to ensure enforcement of U.S. Hazardous Materials Regulations and ICAO Technical Instructions with respect to shippers who offer noncompliant shipments of lithium ion and lithium metal batteries.

"(C) Sharing information, as appropriate, with Federal, regional, and international transportation agencies regarding noncompliant shipments.

"(D) Pursuing a joint effort with the international aviation community to develop a process to obtain assurances that appropriate enforcement actions are taken to reduce the likelihood of noncompliant shipments, especially with respect to jurisdictions in which enforcement activities historically have been limited.

"(E) Providing information in brochures and on the internet in appropriate foreign languages and dialects that describes the actions required to comply with U.S. Hazardous Materials Regulations and ICAO Technical Instructions.

"(F) Developing joint efforts with the international aviation community to promote a better understanding of the requirements of and methods of compliance with U.S. Hazardous Materials Regulations and ICAO Technical Instructions.

"(3) REPORTING.—Not later than 120 days after the date of enactment of this Act, and annually thereafter for 2 years, the Secretary shall submit to the appropriate committees of Congress a report on compliance with the policy set forth in subsection (e) and the cooperative efforts carried out, or planned to be carried out, under this subsection.

"(f) PACKAGING IMPROVEMENTS.—Not later than 180 days after the date of enactment of this Act, the Secretary, in consultation with interested stakeholders, shall submit to the appropriate committees of Congress an evaluation of current practices for the packaging of lithium ion batteries and cells for air transportation, including recommendations, if any, to improve the packaging of such batteries and cells for air transportation in a safe, efficient, and cost-effective manner.

"(g) DEPARTMENT OF TRANSPORTATION POLICY ON INTERNATIONAL REPRESENTATION.—

"(1) IN GENERAL.—It shall be the policy of the Department of Transportation to support the participation of industry and labor stakeholders in all panels and working groups of the dangerous goods panel of the ICAO and any other international test or standard setting organization that considers proposals on the safety or transportation of lithium ion and lithium metal batteries in which the United States participates.

"(2) PARTICIPATION.—The Secretary of Transportation shall request that as part of the ICAO deliberations in the dangerous goods panel on these issues, that appropriate experts on issues under consideration be allowed to participate.

"(h) DEFINITIONS.—In this section, the following definitions apply:

"(1) ICAO TECHNICAL INSTRUCTIONS.—The term 'ICAO Technical Instructions' has the meaning given that term in section 828(c) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44701 note).

"(2) U.S. HAZARDOUS MATERIALS REGULATIONS.—The term 'U.S. Hazardous Materials Regulations' means the regulations in parts 100 through 177 of title 49, Code of Federal Regulations (including amendments adopted after the date of enactment of this Act [Oct. 5, 2018])."

Pub. L. 112–95, title VIII, §828, Feb. 14, 2012, 126 Stat. 133, provided that:

"(a) IN GENERAL.—The Secretary of Transportation, including a designee of the Secretary, may not issue or enforce any regulation or other requirement regarding the transportation by aircraft of lithium metal cells or batteries or lithium ion cells or batteries, whether transported separately or packed with or contained in equipment, if the requirement is more stringent than the requirements of the ICAO Technical Instructions.

"(b) EXCEPTIONS.—

"(1) PASSENGER CARRYING AIRCRAFT.—Notwithstanding subsection (a), the Secretary may enforce the prohibition on transporting primary (non-rechargeable) lithium batteries and cells aboard passenger carrying aircraft set forth in special provision A100 under section 172.102(c)(2) of title 49, Code of Federal Regulations (as in effect on the date of enactment of this Act [Feb. 14, 2012]).

"(2) CREDIBLE REPORTS.—Notwithstanding subsection (a), if the Secretary obtains a credible report with respect to a safety incident from a national or international governmental regulatory or investigating body that demonstrates that the presence of lithium metal cells or batteries or lithium ion cells or batteries on an aircraft, whether transported separately or packed with or contained in equipment, in accordance with the requirements of the ICAO Technical Instructions, has substantially contributed to the initiation or propagation of an onboard fire, the Secretary—

"(A) may issue and enforce an emergency regulation, more stringent than the requirements of the

ICAO Technical Instructions, that governs the transportation by aircraft of such cells or batteries, if that regulation—

"(i) addresses solely deficiencies referenced in the report; and

"(ii) is effective for not more than 1 year; and

"(B) may adopt and enforce a permanent regulation, more stringent than the requirements of the ICAO Technical Instructions, that governs the transportation by aircraft of such cells or batteries, if—

"(i) the Secretary bases the regulation upon substantial credible evidence that the otherwise permissible presence of such cells or batteries would substantially contribute to the initiation or propagation of an onboard fire;

"(ii) the regulation addresses solely the deficiencies in existing regulations; and

"(iii) the regulation imposes the least disruptive and least expensive variation from existing requirements while adequately addressing identified deficiencies.

"(c) ICAO TECHNICAL INSTRUCTIONS DEFINED.—In this section, the term 'ICAO Technical Instructions' means the International Civil Aviation Organization Technical Instructions for the Safe Transport of Dangerous Goods by Air (as amended, including amendments adopted after the date of enactment of this Act [Feb. 14, 2012])."

Pub. L. 111–216, title II, Aug. 1, 2010, 124 Stat. 2350, as amended by Pub. L. 111–249, §6, Sept. 30, 2010, 124 Stat. 2628; Pub. L. 117–286, §4(a)(315), Dec. 27, 2022, 136 Stat. 4340, provided that:

"SEC. 201. DEFINITIONS.

"(a) [sic] DEFINITIONS.—In this title, the following definitions apply:

"(1) ADVANCED QUALIFICATION PROGRAM.—The term 'advanced qualification program' means the program established by the Federal Aviation Administration in Advisory Circular 120–54A, dated June 23, 2006, including any subsequent revisions thereto.

"(2) AIR CARRIER.—The term 'air carrier' has the meaning given that term in section 40102 of title 49, United States Code.

"(3) AVIATION SAFETY ACTION PROGRAM.—The term 'aviation safety action program' means the program established by the Federal Aviation Administration in Advisory Circular 120–66B, dated November 15, 2002, including any subsequent revisions thereto.

"(4) FLIGHT CREWMEMBER.—The term 'flight crewmember' has the meaning given the term 'flightcrew member' in part 1 of title 14, Code of Federal Regulations.

"(5) FLIGHT OPERATIONAL QUALITY ASSURANCE PROGRAM.—The term 'flight operational quality assurance program' means the program established by the Federal Aviation Administration in Advisory Circular 120–82, dated April 12, 2004, including any subsequent revisions thereto.

"(6) LINE OPERATIONS SAFETY AUDIT.—The term 'line operations safety audit' means the procedure referenced by the Federal Aviation Administration in Advisory Circular 120–90, dated April 27, 2006, including any subsequent revisions thereto.

"(7) PART 121 AIR CARRIER.—The term 'part 121 air carrier' means an air carrier that holds a certificate issued under part 121 of title 14, Code of Federal Regulations.

"(8) PART 135 AIR CARRIER.—The term 'part 135 air carrier' means an air carrier that holds a certificate issued under part 135 of title 14, Code of Federal Regulations.

"SEC. 204. FAA TASK FORCE ON AIR CARRIER SAFETY AND PILOT TRAINING.

"(a) ESTABLISHMENT.—The Administrator of the Federal Aviation Administration shall establish a special task force to be known as the FAA Task Force on Air Carrier Safety and Pilot Training (in this section referred to as the 'Task Force').

"(b) COMPOSITION.—The Task Force shall consist of members appointed by the Administrator and shall include air carrier representatives, labor union representatives, and aviation safety experts with knowledge of foreign and domestic regulatory requirements for flight crewmember education and training.

"(c) DUTIES.—The duties of the Task Force shall include, at a minimum, evaluating best practices in the air carrier industry and providing recommendations in the following areas:

"(1) Air carrier management responsibilities for flight crewmember education and support.

"(2) Flight crewmember professional standards.

"(3) Flight crewmember training standards and performance.

"(4) Mentoring and information sharing between air carriers.

"(d) REPORT.—Not later than one year after the date of enactment of this Act [Aug. 1, 2010], and before the last day of each one-year period thereafter until termination of the Task Force, the Task Force shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report detailing—

"(1) the progress of the Task Force in identifying best practices in the air carrier industry;

"(2) the progress of air carriers and labor unions in implementing the best practices identified by the Task Force;

"(3) recommendations of the Task Force, if any, for legislative or regulatory actions;

"(4) the progress of air carriers and labor unions in implementing training-related, nonregulatory actions recommended by the Administrator; and

"(5) the progress of air carriers in developing specific programs to share safety data and ensure implementation of the most effective safety practices.

"(e) TERMINATION.—The Task Force shall terminate on September 30, 2012.

"(f) APPLICABILITY OF CHAPTER 10 OF TITLE 5, UNITED STATES CODE.—Chapter 10 of title 5, United States Code, shall not apply to the Task Force.

"SEC. 205. AVIATION SAFETY INSPECTORS AND OPERATIONAL RESEARCH ANALYSTS.

"(a) REVIEW BY DOT INSPECTOR GENERAL.—Not later than 9 months after the date of enactment of this Act [Aug. 1, 2010], the Inspector General of the Department of Transportation shall conduct a review of the aviation safety inspectors and operational research analysts of the Federal Aviation Administration assigned to part 121 air carriers and submit to the Administrator of the Federal Aviation Administration a report on the results of the review.

"(b) PURPOSES.—The purpose of the review shall be, at a minimum—

"(1) to review the level of the Administration's oversight of each part 121 air carrier;

"(2) to make recommendations to ensure that each part 121 air carrier is receiving an equivalent level of oversight;

"(3) to assess the number and level of experience of aviation safety inspectors assigned to each part 121 air carrier;

"(4) to evaluate how the Administration is making assignments of aviation safety inspectors to each part 121 air carrier;

"(5) to review various safety inspector oversight programs, including the geographic inspector program;

"(6) to evaluate the adequacy of the number of operational research analysts assigned to each part 121 air carrier;

"(7) to evaluate the surveillance responsibilities of aviation safety inspectors, including en route inspections;

"(8) to evaluate whether inspectors are able to effectively use data sources, such as the Safety Performance Analysis System and the Air Transportation Oversight System, to assist in targeting oversight of each part 121 air carrier;

"(9) to assess the feasibility of establishment by the Administration of a comprehensive repository of information that encompasses multiple Administration data sources and allows access by aviation safety inspectors and operational research analysts to assist in the oversight of each part 121 air carrier; and

"(10) to conduct such other analyses as the Inspector General considers relevant to the review.

"SEC. 206. FLIGHT CREWMEMBER MENTORING, PROFESSIONAL DEVELOPMENT, AND LEADERSHIP.

"(a) AVIATION RULEMAKING COMMITTEE.—

"(1) IN GENERAL.—The Administrator of the Federal Aviation Administration shall convene an aviation rulemaking committee to develop procedures for each part 121 air carrier to take the following actions:

"(A) Establish flight crewmember mentoring programs under which the air carrier will pair highly experienced flight crewmembers who will serve as mentor pilots and be paired with newly employed flight crewmembers. Mentor pilots should be provided, at a minimum, specific instruction on techniques for instilling and reinforcing the highest standards of technical performance, airmanship, and professionalism in newly employed flight crewmembers.

"(B) Establish flight crewmember professional development committees made up of air carrier

management and labor union or professional association representatives to develop, administer, and oversee formal mentoring programs of the carrier to assist flight crewmembers to reach their maximum potential as safe, seasoned, and proficient flight crewmembers.

"(C) Establish or modify training programs to accommodate substantially different levels and types of flight experience by newly employed flight crewmembers.

"(D) Establish or modify training programs for second-in-command flight crewmembers attempting to qualify as pilot-in-command flight crewmembers for the first time in a specific aircraft type and ensure that such programs include leadership and command training.

"(E) Ensure that recurrent training for pilots in command includes leadership and command training.

"(F) Such other actions as the aviation rulemaking committee determines appropriate to enhance flight crewmember professional development.

"(2) COMPLIANCE WITH STERILE COCKPIT RULE.—Leadership and command training described in paragraphs (1)(D) and (1)(E) shall include instruction on compliance with flight crewmember duties under part 121.542 of title 14, Code of Federal Regulations.

"(3) STREAMLINED PROGRAM REVIEW.—

"(A) IN GENERAL.—As part of the rulemaking required by subsection (b), the Administrator shall establish a streamlined review process for part 121 air carriers that have in effect, as of the date of enactment of this Act [Aug. 1, 2010], the programs described in paragraph (1).

"(B) EXPEDITED APPROVALS.—Under the streamlined review process, the Administrator shall—

"(i) review the programs of such part 121 air carriers to determine whether the programs meet the requirements set forth in the final rule referred to in subsection (b)(2); and

"(ii) expedite the approval of the programs that the Administrator determines meet such requirements.

"(b) RULEMAKING.—The Administrator shall issue—

"(1) not later than one year after the date of enactment of this Act, a notice of proposed rulemaking based on the recommendations of the aviation rulemaking committee convened under subsection (a); and

"(2) not later than 36 months after such date of enactment, a final rule based on such recommendations.

"SEC. 207. FLIGHT CREWMEMBER PAIRING AND CREW RESOURCE MANAGEMENT TECHNIQUES.

"(a) STUDY.—The Administrator of the Federal Aviation Administration shall conduct a study on aviation industry best practices with regard to flight crewmember pairing, crew resource management techniques, and pilot commuting.

"(b) REPORT.—Not later than one year after the date of enactment of this Act [Aug. 1, 2010], the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the results of the study.

"SEC. 208. IMPLEMENTATION OF NTSB FLIGHT CREWMEMBER TRAINING RECOMMENDATIONS.

"(a) RULEMAKING PROCEEDINGS.—

"(1) STALL AND UPSET RECOGNITION AND RECOVERY TRAINING.—The Administrator of the Federal Aviation Administration shall conduct a rulemaking proceeding to require part 121 air carriers to provide flight crewmembers with ground training and flight training or flight simulator training—

"(A) to recognize and avoid a stall of an aircraft or, if not avoided, to recover from the stall; and

"(B) to recognize and avoid an upset of an aircraft or, if not avoided, to execute such techniques as available data indicate are appropriate to recover from the upset in a given make, model, and series of aircraft.

"(2) REMEDIAL TRAINING PROGRAMS.—The Administrator shall conduct a rulemaking proceeding to require part 121 air carriers to establish remedial training programs for flight crewmembers who have demonstrated performance deficiencies or experienced failures in the training environment.

"(3) DEADLINES.—The Administrator shall—

"(A) not later than one year after the date of enactment of this Act [Aug. 1, 2010], issue a notice of proposed rulemaking under each of paragraphs (1) and (2); and

"(B) not later than 36 months after the date of enactment of this Act, issue a final rule for the rulemaking under each of paragraphs (1) and (2).

"(b) STICK PUSHER TRAINING AND WEATHER EVENT TRAINING.—

"(1) MULTIDISCIPLINARY PANEL.—Not later than 120 days after the date of enactment of this Act, the Administrator shall convene a multidisciplinary panel of specialists in aircraft operations, flight crewmember training, human factors, and aviation safety to study and submit to the Administrator a report on methods to increase the familiarity of flight crewmembers with, and improve the response of flight crewmembers to, stick pusher systems, icing conditions, and microburst and windshear weather events.

"(2) REPORT TO CONGRESS AND NTSB.—Not later than one year after the date on which the Administrator convenes the panel, the Administrator shall—

"(A) submit to the Committee on Transportation and Infrastructure of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the National Transportation Safety Board a report based on the findings of the panel; and

"(B) with respect to stick pusher systems, initiate appropriate actions to implement the recommendations of the panel.

"(c) DEFINITIONS.—In this section, the following definitions apply:

"(1) FLIGHT TRAINING AND FLIGHT SIMULATOR.—The terms 'flight training' and 'flight simulator' have the meanings given those terms in part 61.1 of title 14, Code of Federal Regulations (or any successor regulation).

"(2) STALL.—The term 'stall' means an aerodynamic loss of lift caused by exceeding the critical angle of attack.

"(3) STICK PUSHER.—The term 'stick pusher' means a device that, at or near a stall, applies a nose down pitch force to an aircraft's control columns to attempt to decrease the aircraft's angle of attack.

"(4) UPSET.—The term 'upset' means an unusual aircraft attitude.

"SEC. 209. FAA RULEMAKING ON TRAINING PROGRAMS.

"(a) COMPLETION OF RULEMAKING ON TRAINING PROGRAMS.—Not later than 14 months after the date of enactment of this Act [Aug. 1, 2010], the Administrator of the Federal Aviation Administration shall issue a final rule with respect to the notice of proposed rulemaking published in the Federal Register on January 12, 2009 (74 Fed. Reg. 1280; relating to training programs for flight crewmembers and aircraft dispatchers).

"(b) EXPERT PANEL TO REVIEW PART 121 AND PART 135 TRAINING HOURS.—

"(1) ESTABLISHMENT.—Not later than 60 days after the date of enactment of this Act, the Administrator shall convene a multidisciplinary expert panel comprised of, at a minimum, air carrier representatives, training facility representatives, instructional design experts, aircraft manufacturers, safety organization representatives, and labor union representatives.

"(2) ASSESSMENT AND RECOMMENDATIONS.—The panel shall assess and make recommendations concerning—

"(A) the best methods and optimal time needed for flight crewmembers of part 121 air carriers and flight crewmembers of part 135 air carriers to master aircraft systems, maneuvers, procedures, takeoffs and landings, and crew coordination;

"(B) initial and recurrent testing requirements for pilots, including the rigor and consistency of testing programs such as check rides;

"(C) the optimal length of time between training events for such flight crewmembers, including recurrent training events;

"(D) the best methods reliably to evaluate mastery by such flight crewmembers of aircraft systems, maneuvers, procedures, takeoffs and landings, and crew coordination;

"(E) classroom instruction requirements governing curriculum content and hours of instruction;

"(F) the best methods to allow specific academic training courses to be credited toward the total flight hours required to receive an airline transport pilot certificate; and

"(G) crew leadership training.

"(3) BEST PRACTICES.—In making recommendations under subsection (b)(2), the panel shall consider, if appropriate, best practices in the aviation industry with respect to training protocols, methods, and procedures.

"(4) REPORT.—Not later than one year after the date of enactment of this Act, the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the National Transportation Safety Board a report based on the findings of the panel.

"SEC. 210. DISCLOSURE OF AIR CARRIERS OPERATING FLIGHTS FOR TICKETS SOLD FOR AIR TRANSPORTATION.

"[Amended section 41712 of this title.]

"SEC. 211. SAFETY INSPECTIONS OF REGIONAL AIR CARRIERS.

"The Administrator of the Federal Aviation Administration shall perform, not less frequently than once each year, random, onsite inspections of air carriers that provide air transportation pursuant to a contract with a part 121 air carrier to ensure that such air carriers are complying with all applicable safety standards of the Administration.

"SEC. 212. PILOT FATIGUE.

"(a) FLIGHT AND DUTY TIME REGULATIONS.—

"(1) IN GENERAL.—In accordance with paragraph (3), the Administrator of the Federal Aviation Administration shall issue regulations, based on the best available scientific information, to specify limitations on the hours of flight and duty time allowed for pilots to address problems relating to pilot fatigue.

"(2) MATTERS TO BE ADDRESSED.—In conducting the rulemaking proceeding under this subsection, the Administrator shall consider and review the following:

"(A) Time of day of flights in a duty period.

"(B) Number of takeoff and landings in a duty period.

"(C) Number of time zones crossed in a duty period.

"(D) The impact of functioning in multiple time zones or on different daily schedules.

"(E) Research conducted on fatigue, sleep, and circadian rhythms.

"(F) Sleep and rest requirements recommended by the National Transportation Safety Board and the National Aeronautics and Space Administration.

"(G) International standards regarding flight schedules and duty periods.

"(H) Alternative procedures to facilitate alertness in the cockpit.

"(I) Scheduling and attendance policies and practices, including sick leave.

"(J) The effects of commuting, the means of commuting, and the length of the commute.

"(K) Medical screening and treatment.

"(L) Rest environments.

"(M) Any other matters the Administrator considers appropriate.

"(3) RULEMAKING.—The Administrator shall issue—

"(A) not later than 180 days after the date of enactment of this Act [Aug. 1, 2010], a notice of proposed rulemaking under paragraph (1); and

"(B) not later than one year after the date of enactment of this Act, a final rule under paragraph (1).

"(b) FATIGUE RISK MANAGEMENT PLAN.—

"(1) SUBMISSION OF FATIGUE RISK MANAGEMENT PLAN BY PART 121 AIR CARRIERS .—Not later than 90 days after the date of enactment of this Act, each part 121 air carrier shall submit to the Administrator for review and acceptance a fatigue risk management plan for the carrier's pilots.

"(2) CONTENTS OF PLAN.—A fatigue risk management plan submitted by a part 121 air carrier under paragraph (1) shall include the following:

"(A) Current flight time and duty period limitations.

"(B) A rest scheme consistent with such limitations that enables the management of pilot fatigue, including annual training to increase awareness of—

"(i) fatigue;

"(ii) the effects of fatigue on pilots; and

"(iii) fatigue countermeasures.

"(C) Development and use of a methodology that continually assesses the effectiveness of the program, including the ability of the program—

"(i) to improve alertness; and

"(ii) to mitigate performance errors.

"(3) REVIEW.—Not later than 12 months after the date of enactment of this Act, the Administrator shall review and accept or reject the fatigue risk management plans submitted under this subsection. If the Administrator rejects a plan, the Administrator shall provide suggested modifications for resubmission of the plan.

"(4) PLAN UPDATES.—

"(A) IN GENERAL.—A part 121 air carrier shall update its fatigue risk management plan under paragraph (1) every 2 years and submit the update to the Administrator for review and acceptance.

"(B) REVIEW.—Not later than 12 months after the date of submission of a plan update under subparagraph (A), the Administrator shall review and accept or reject the update. If the Administrator

rejects an update, the Administrator shall provide suggested modifications for resubmission of the update.

"(5) COMPLIANCE.—A part 121 air carrier shall comply with the fatigue risk management plan of the air carrier that is accepted by the Administrator under this subsection.

"(6) CIVIL PENALTIES.—A violation of this subsection by a part 121 air carrier shall be treated as a violation of chapter 447 of title 49, United States Code, for purposes of the application of civil penalties under chapter 463 of that title.

"(c) EFFECT OF COMMUTING ON FATIGUE.—

"(1) IN GENERAL.—Not later than 60 days after the date of enactment of this Act, the Administrator shall enter into appropriate arrangements with the National Academy of Sciences to conduct a study of the effects of commuting on pilot fatigue and report its findings to the Administrator.

"(2) STUDY.—In conducting the study, the National Academy of Sciences shall consider—

"(A) the prevalence of pilot commuting in the commercial air carrier industry, including the number and percentage of pilots who commute;

"(B) information relating to commuting by pilots, including distances traveled, time zones crossed, time spent, and methods used;

"(C) research on the impact of commuting on pilot fatigue, sleep, and circadian rhythms;

"(D) commuting policies of commercial air carriers (including passenger and all-cargo air carriers), including pilot check-in requirements and sick leave and fatigue policies;

"(E) postconference materials from the Federal Aviation Administration's June 2008 symposium titled 'Aviation Fatigue Management Symposium: Partnerships for Solutions';

"(F) Federal Aviation Administration and international policies and guidance regarding commuting; and

"(G) any other matters as the Administrator considers appropriate.

"(3) PRELIMINARY FINDINGS.—Not later than 120 days after the date of entering into arrangements under paragraph (1), the National Academy of Sciences shall submit to the Administrator its preliminary findings under the study.

"(4) REPORT.—Not later than 9 months after the date of entering into arrangements under paragraph (1), the National Academy of Sciences shall submit a report to the Administrator containing its findings under the study and any recommendations for regulatory or administrative actions by the Federal Aviation Administration concerning commuting by pilots.

"(5) RULEMAKING.—Following receipt of the report of the National Academy of Sciences under paragraph (4), the Administrator shall—

"(A) consider the findings and recommendations in the report; and

"(B) update, as appropriate based on scientific data, regulations required by subsection (a) on flight and duty time.

"SEC. 213. VOLUNTARY SAFETY PROGRAMS.

"(a) REPORT.—Not later than 180 days after the date of enactment of this Act [Aug. 1, 2010], the Administrator of the Federal Aviation Administration shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the aviation safety action program, the flight operational quality assurance program, the line operations safety audit, and the advanced qualification program.

"(b) CONTENTS.—The report shall include—

"(1) a list of—

"(A) which air carriers are using one or more of the voluntary safety programs referred to in subsection (a); and

"(B) the voluntary safety programs each air carrier is using;

"(2) if an air carrier is not using one or more of the voluntary safety programs—

"(A) a list of such programs the carrier is not using; and

"(B) the reasons the carrier is not using each such program;

"(3) if an air carrier is using one or more of the voluntary safety programs, an explanation of the benefits and challenges of using each such program;

"(4) a detailed analysis of how the Administration is using data derived from each of the voluntary safety programs as safety analysis and accident or incident prevention tools and a detailed plan on how the Administration intends to expand data analysis of such programs;

"(5) an explanation of—

"(A) where the data derived from the voluntary safety programs is stored;

"(B) how the data derived from such programs is protected and secured; and

"(C) what data analysis processes air carriers are implementing to ensure the effective use of the data derived from such programs;

"(6) a description of the extent to which aviation safety inspectors are able to review data derived from the voluntary safety programs to enhance their oversight responsibilities;

"(7) a description of how the Administration plans to incorporate operational trends identified under the voluntary safety programs into the air transport oversight system and other surveillance databases so that such system and databases are more effectively utilized;

"(8) other plans to strengthen the voluntary safety programs, taking into account reviews of such programs by the Inspector General of the Department of Transportation; and

"(9) such other matters as the Administrator determines are appropriate.

"SEC. 214. ASAP AND FOQA IMPLEMENTATION PLAN.

"(a) DEVELOPMENT AND IMPLEMENTATION PLAN.—The Administrator of the Federal Aviation Administration shall develop and implement a plan to facilitate the establishment of an aviation safety action program and a flight operational quality assurance program by all part 121 air carriers.

"(b) MATTERS TO BE CONSIDERED.—In developing the plan under subsection (a), the Administrator shall consider—

"(1) how the Administration can assist part 121 air carriers with smaller fleet sizes to derive a benefit from establishing a flight operational quality assurance program;

"(2) how part 121 air carriers with established aviation safety action and flight operational quality assurance programs can quickly begin to report data into the aviation safety information analysis sharing database; and

"(3) how part 121 air carriers and aviation safety inspectors can better utilize data from such database as accident and incident prevention tools.

"(c) REPORT.—Not later than 180 days after the date of enactment of this Act [Aug. 1, 2010], the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a copy of the plan developed under subsection (a) and an explanation of how the Administration will implement the plan.

"(d) DEADLINE FOR BEGINNING IMPLEMENTATION OF PLAN.—Not later than one year after the date of enactment of this Act, the Administrator shall begin implementation of the plan developed under subsection (a).

"SEC. 215. SAFETY MANAGEMENT SYSTEMS.

"(a) RULEMAKING.—The Administrator of the Federal Aviation Administration shall conduct a rulemaking proceeding to require all part 121 air carriers to implement a safety management system.

"(b) MATTERS TO CONSIDER.—In conducting the rulemaking under subsection (a), the Administrator shall consider, at a minimum, including each of the following as a part of the safety management system:

"(1) An aviation safety action program.

"(2) A flight operational quality assurance program.

"(3) A line operations safety audit.

"(4) An advanced qualification program.

"(c) DEADLINES.—The Administrator shall issue—

"(1) not later than 90 days after the date of enactment of this Act [Aug. 1, 2010], a notice of proposed rulemaking under subsection (a); and

"(2) not later than 24 months after the date of enactment of this Act, a final rule under subsection (a).

"(d) SAFETY MANAGEMENT SYSTEM DEFINED.—In this section, the term 'safety management system' means the program established by the Federal Aviation Administration in Advisory Circular 120–92, dated June 22, 2006, including any subsequent revisions thereto.

"SEC. 216. FLIGHT CREWMEMBER SCREENING AND QUALIFICATIONS.

"(a) REQUIREMENTS.—

"(1) RULEMAKING PROCEEDING.—The Administrator of the Federal Aviation Administration shall conduct a rulemaking proceeding to require part 121 air carriers to develop and implement means and methods for ensuring that flight crewmembers have proper qualifications and experience.

"(2) MINIMUM REQUIREMENTS.—

"(A) PROSPECTIVE FLIGHT CREWMEMBERS.—Rules issued under paragraph (1) shall ensure that prospective flight crewmembers undergo comprehensive preemployment screening, including an assessment of the skills, aptitudes, airmanship, and suitability of each applicant for a position as a flight crewmember in terms of functioning effectively in the air carrier's operational environment.

"(B) ALL FLIGHT CREWMEMBERS.—Rules issued under paragraph (1) shall ensure that, after the date that is 3 years after the date of enactment of this Act [Aug. 1, 2010], all flight crewmembers—

"(i) have obtained an airline transport pilot certificate under part 61 of title 14, Code of Federal Regulations; and

"(ii) have appropriate multi-engine aircraft flight experience, as determined by the Administrator.

"(b) DEADLINES.—The Administrator shall issue—

"(1) not later than 180 days after the date of enactment of this Act, a notice of proposed rulemaking under subsection (a); and

"(2) not later than 24 months after such date of enactment, a final rule under subsection (a).

"(c) DEFAULT.—The requirement that each flight crewmember for a part 121 air carrier hold an airline transport pilot certificate under part 61 of title 14, Code of Federal Regulations, shall begin to apply on the date that is 3 years after the date of enactment of this Act even if the Administrator fails to meet a deadline established under this section.

"SEC. 217. AIRLINE TRANSPORT PILOT CERTIFICATION.

"(a) RULEMAKING PROCEEDING.—The Administrator of the Federal Aviation Administration shall conduct a rulemaking proceeding to amend part 61 of title 14, Code of Federal Regulations, to modify requirements for the issuance of an airline transport pilot certificate.

"(b) MINIMUM REQUIREMENTS.—To be qualified to receive an airline transport pilot certificate pursuant to subsection (a), an individual shall—

"(1) have sufficient flight hours, as determined by the Administrator, to enable a pilot to function effectively in an air carrier operational environment; and

"(2) have received flight training, academic training, or operational experience that will prepare a pilot, at a minimum, to—

"(A) function effectively in a multipilot environment;

"(B) function effectively in adverse weather conditions, including icing conditions;

"(C) function effectively during high altitude operations;

"(D) adhere to the highest professional standards; and

"(E) function effectively in an air carrier operational environment.

"(c) FLIGHT HOURS.—

"(1) NUMBERS OF FLIGHT HOURS.—The total flight hours required by the Administrator under subsection (b)(1) shall be at least 1,500 flight hours.

"(2) FLIGHT HOURS IN DIFFICULT OPERATIONAL CONDITIONS.—The total flight hours required by the Administrator under subsection (b)(1) shall include sufficient flight hours, as determined by the Administrator, in difficult operational conditions that may be encountered by an air carrier to enable a pilot to operate safely in such conditions.

"(d) CREDIT TOWARD FLIGHT HOURS.—The Administrator may allow specific academic training courses, beyond those required under subsection (b)(2), to be credited toward the total flight hours required under subsection (c). The Administrator may allow such credit based on a determination by the Administrator that allowing a pilot to take specific academic training courses will enhance safety more than requiring the pilot to fully comply with the flight hours requirement.

"(e) RECOMMENDATIONS OF EXPERT PANEL.—In conducting the rulemaking proceeding under this section, the Administrator shall review and consider the assessment and recommendations of the expert panel to review part 121 and part 135 training hours established by section 209(b) of this Act.

"(f) DEADLINE.—Not later than 36 months after the date of enactment of this Act [Aug. 1, 2010], the Administrator shall issue a final rule under subsection (a)."

FAA INSPECTOR TRAINING

Pub. L. 108–176, title V, §506, Dec. 12, 2003, 117 Stat. 2560, provided that:

"(a) STUDY.—

"(1) IN GENERAL.—The Comptroller General shall conduct a study of the training of the aviation safety inspectors of the Federal Aviation Administration (in this section referred to as 'FAA inspectors').

"(2) CONTENTS.—The study shall include—

"(A) an analysis of the type of training provided to FAA inspectors;

"(B) actions that the Federal Aviation Administration has undertaken to ensure that FAA inspectors receive up-to-date training on the latest technologies;

"(C) the extent of FAA inspector training provided by the aviation industry and whether such training is provided without charge or on a quid pro quo basis; and

"(D) the amount of travel that is required of FAA inspectors in receiving training.

"(3) REPORT.—Not later than 1 year after the date of enactment of this Act [Dec. 12, 2003], the Comptroller General shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the results of the study.

"(b) SENSE OF THE HOUSE.—It is the sense of the House of Representatives that—

"(1) FAA inspectors should be encouraged to take the most up-to-date initial and recurrent training on the latest aviation technologies;

"(2) FAA inspector training should have a direct relation to an individual's job requirements; and

"(3) if possible, a FAA inspector should be allowed to take training at the location most convenient for the inspector.

"(c) WORKLOAD OF INSPECTORS.—

"(1) STUDY BY NATIONAL ACADEMY OF SCIENCES.—Not later than 90 days after the date of enactment of this Act [Dec. 12, 2003], the Administrator of the Federal Aviation Administration shall make appropriate arrangements for the National Academy of Sciences to conduct a study of the assumptions and methods used by the Federal Aviation Administration to estimate staffing standards for FAA inspectors to ensure proper oversight over the aviation industry, including the designee program.

"(2) CONTENTS.—The study shall include the following:

"(A) A suggested method of modifying FAA inspectors staffing models for application to current local conditions or applying some other approach to developing an objective staffing standard.

"(B) The approximate cost and length of time for developing such models.

"(3) REPORT.—Not later than 12 months after the initiation of the arrangements under subsection (a), the National Academy of Sciences shall transmit to Congress a report on the results of the study."

AIR TRANSPORTATION OVERSIGHT SYSTEM

Pub. L. 106–181, title V, §513, Apr. 5, 2000, 114 Stat. 144, provided that:

"(a) REPORT.—Not later than August 1, 2000, the Administrator [of the Federal Aviation Administration] shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the progress of the Federal Aviation Administration in implementing the air transportation oversight system, including in detail the training of inspectors under the system, the number of inspectors using the system, air carriers subject to the system, and the budget for the system.

"(b) REQUIRED CONTENTS.—At a minimum, the report shall indicate—

"(1) any funding or staffing constraints that would adversely impact the Administration's ability to continue to develop and implement the air transportation oversight system;

"(2) progress in integrating the aviation safety data derived from such system's inspections with existing aviation data of the Administration in the safety performance analysis system of the Administration; and

"(3) the Administration's efforts in collaboration with the aviation industry to develop and validate safety performance measures and appropriate risk weightings for such system.

"(c) UPDATE.—Not later than August 1, 2002, the Administrator shall update the report submitted under this section and transmit the updated report to the committees referred to in subsection (a)."

REGULATION OF ALASKA GUIDE PILOTS

Pub. L. 106–181, title VII, §732, Apr. 5, 2000, 114 Stat. 168, as amended by Pub. L. 118–63, title II, §218(h), May 16, 2024, 138 Stat. 1056, provided that:

"(a) IN GENERAL.—Beginning on the date of the enactment of this Act [Apr. 5, 2000], flight operations conducted by Alaska guide pilots shall be regulated under the general operating and flight rules contained in part 91 of title 14, Code of Federal Regulations.

"(b) DEFINITION OF ALASKA GUIDE PILOT.—In this section the term 'Alaska guide pilot' means a pilot who—

"(1) conducts aircraft operations over or within the State of Alaska;

"(2) operates single engine, fixed-wing aircraft on floats, wheels, or skis, providing commercial hunting, fishing, or other guide services and related accommodations in the form of camps or lodges; and

"(3) transports clients by such aircraft incidental to hunting, fishing, or other guide services."

AVIATION MEDICAL ASSISTANCE

Pub. L. 105–170, Apr. 24, 1998, 112 Stat. 47, provided that:

"SECTION 1. SHORT TITLE.

"This Act may be cited as the 'Aviation Medical Assistance Act of 1998'.

"SEC. 2. MEDICAL KIT EQUIPMENT AND TRAINING.

"Not later than 1 year after the date of the enactment of this Act [Apr. 24, 1998], the Administrator of the Federal Aviation Administration shall reevaluate regulations regarding: (1) the equipment required to be carried in medical kits of aircraft operated by air carriers; and (2) the training required of flight attendants in the use of such equipment, and, if the Administrator determines that such regulations should be modified as a result of such reevaluation, shall issue a notice of proposed rulemaking to modify such regulations.

"SEC. 3. REPORTS REGARDING DEATHS ON AIRCRAFT.

"(a) IN GENERAL.—During the 1-year period beginning on the 90th day following the date of the enactment of this Act [Apr. 24, 1998], a major air carrier shall make a good faith effort to obtain, and shall submit quarterly reports to the Administrator of the Federal Aviation Administration on, the following:

"(1) The number of persons who died on aircraft of the air carrier, including any person who was declared dead after being removed from such an aircraft as a result of a medical incident that occurred on such aircraft.

"(2) The age of each such person.

"(3) Any information concerning cause of death that is available at the time such person died on the aircraft or is removed from the aircraft or that subsequently becomes known to the air carrier.

"(4) Whether or not the aircraft was diverted as a result of the death or incident.

"(5) Such other information as the Administrator may request as necessary to aid in a decision as to whether or not to require automatic external defibrillators in airports or on aircraft operated by air carriers, or both.

"(b) FORMAT.—The Administrator may specify a format for reports to be submitted under this section.

"SEC. 4. DECISION ON AUTOMATIC EXTERNAL DEFIBRILLATORS.

"(a) IN GENERAL.—Not later than 120 days after the last day of the 1-year period described in section 3, the Administrator of the Federal Aviation Administration shall make a decision on whether or not to require automatic external defibrillators on passenger aircraft operated by air carriers and whether or not to require automatic external defibrillators at airports.

"(b) FORM OF DECISION.—A decision under this section shall be in the form of a notice of proposed rulemaking requiring automatic external defibrillators in airports or on passenger aircraft operated by air carriers, or both, or a recommendation to Congress for legislation requiring such defibrillators or a notice in the Federal Register that such defibrillators should not be required in airports or on such aircraft. If a decision under this section is in the form of a notice of proposed rulemaking, the Administrator shall make a final decision not later than the 120th day following the date on which comments are due on the notice of proposed rulemaking.

"(c) CONTENTS.—If the Administrator decides that automatic external defibrillators should be required—

"(1) on passenger aircraft operated by air carriers, the proposed rulemaking or recommendation shall include—

"(A) the size of the aircraft on which such defibrillators should be required;

"(B) the class flights (whether interstate, overseas, or foreign air transportation or any combination thereof) on which such defibrillators should be required;

"(C) the training that should be required for air carrier personnel in the use of such defibrillators; and

"(D) the associated equipment and medication that should be required to be carried in the aircraft medical kit; and

"(2) at airports, the proposed rulemaking or recommendation shall include—

"(A) the size of the airport at which such defibrillators should be required;

"(B) the training that should be required for airport personnel in the use of such defibrillators; and

"(C) the associated equipment and medication that should be required at the airport.

"(d) LIMITATION.—The Administrator may not require automatic external defibrillators on helicopters and on aircraft with a maximum payload capacity (as defined in section 119.3 of title 14, Code of Federal Regulations) of 7,500 pounds or less.

"(e) SPECIAL RULE.—If the Administrator decides that automatic external defibrillators should be required at airports, the proposed rulemaking or recommendation shall provide that the airports are responsible for providing the defibrillators.

"SEC. 5. LIMITATIONS ON LIABILITY.

"(a) LIABILITY OF AIR CARRIERS.—An air carrier shall not be liable for damages in any action brought in a Federal or State court arising out of the performance of the air carrier in obtaining or attempting to obtain the assistance of a passenger in an in-flight medical emergency, or out of the acts or omissions of the passenger rendering the assistance, if the passenger is not an employee or agent of the carrier and the carrier in good faith believes that the passenger is a medically qualified individual.

"(b) LIABILITY OF INDIVIDUALS.—An individual shall not be liable for damages in any action brought in a Federal or State court arising out of the acts or omissions of the individual in providing or attempting to provide assistance in the case of an in-flight medical emergency unless the individual, while rendering such assistance, is guilty of gross negligence or willful misconduct.

"SEC. 6. DEFINITIONS.

"In this Act—

"(1) the terms 'air carrier', 'aircraft', 'airport', 'interstate air transportation', 'overseas air transportation', and 'foreign air transportation' have the meanings such terms have under section 40102 of title 49, United States Code;

"(2) the term 'major air carrier' means an air carrier certificated under section 41102 of title 49, United States Code, that accounted for at least 1 percent of domestic scheduled-passenger revenues in the 12 months ending March 31 of the most recent year preceding the date of the enactment of this Act [Apr. 24, 1998], as reported to the Department of Transportation pursuant to part 241 of title 14 of the Code of Federal Regulations; and

"(3) the term 'medically qualified individual' includes any person who is licensed, certified, or otherwise qualified to provide medical care in a State, including a physician, nurse, physician assistant, paramedic, and emergency medical technician."

DEFINITIONS

Pub. L. 115–254, div. B, title III, §301, Oct. 5, 2018, 132 Stat. 3260, provided that: "In this title [see Tables for classification], the following definitions apply:

"(1) ADMINISTRATOR.—The term 'Administrator' means the Administrator of the FAA.

"(2) FAA.—The term 'FAA' means the Federal Aviation Administration."

§44702. Issuance of certificates

(a) GENERAL AUTHORITY AND APPLICATIONS.—The Administrator of the Federal Aviation Administration may issue airman certificates, design organization certificates, type certificates, production certificates, airworthiness certificates, air carrier operating certificates, airport operating certificates, air agency certificates, and air navigation facility certificates under this chapter. An application for a certificate must—

(1) be under oath when the Administrator requires; and

(2) be in the form, contain information, and be filed and served in the way the Administrator prescribes.

(b) CONSIDERATIONS.—When issuing a certificate under this chapter, the Administrator shall—

(1) consider—

(A) the duty of an air carrier to provide service with the highest possible degree of safety in the public interest; and

(B) differences between air transportation and other air commerce; and

(2) classify a certificate according to the differences between air transportation and other air commerce.

(c) PRIOR CERTIFICATION.—The Administrator may authorize an aircraft, aircraft engine, propeller, or appliance for which a certificate has been issued authorizing the use of the aircraft, aircraft engine, propeller, or appliance in air transportation to be used in air commerce without another certificate being issued.

(d) DELEGATION.—(1) Subject to regulations, supervision, and review the Administrator may

prescribe, the Administrator may delegate to a qualified private person, or to an employee under the supervision of that person, a matter related to—

(A) the examination, testing, and inspection necessary to issue a certificate under this chapter; and

(B) issuing the certificate.

(2) The Administrator may rescind a delegation under this subsection at any time for any reason the Administrator considers appropriate.

(3) A person affected by an action of a private person under this subsection may apply for reconsideration of the action by the Administrator. On the Administrator's own initiative, the Administrator may reconsider the action of a private person at any time. If the Administrator decides on reconsideration that the action is unreasonable or unwarranted, the Administrator shall change, modify, or reverse the action. If the Administrator decides the action is warranted, the Administrator shall affirm the action.

(4)(A) With respect to a critical system design feature of a transport category airplane, the Administrator may not delegate any finding of compliance with applicable airworthiness standards or review of any system safety assessment required for the issuance of a certificate, including a type certificate, or amended or supplemental type certificate, under section 44704, until the Administrator has reviewed and validated any underlying assumptions related to human factors.

(B) The requirement under subparagraph (A) shall not apply if the Administrator determines the matter involved is a routine task.

(C) For purposes of subparagraph (A), the term critical system design feature includes any feature (including a novel or unusual design feature) for which the failure of such feature, either independently or in combination with other failures, could result in catastrophic or hazardous failure conditions, as those terms are defined by the Administrator.

In this section, the word "Administrator" in sections 601(b), 602(a), 603(a)(1), 604(a), 606 (last sentence), 607 (last sentence), and 608 of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 775, 776, 778, 779) is retained on authority of 49:106(g).

In subsection (a), the reference to a type certificate and production certificate is added for clarity.

In subsection (b)(1), before subclause (A), the word "full" is omitted as surplus. In clause (1)(A), the word "provide" is substituted for "perform" for consistency in the revised title.

In subsection (d)(1), before clause (A), the words "In exercising the powers and duties vested in him by this chapter" and "properly" are omitted as surplus. The words "or employees" are omitted because of 1:1. The word "matter" is substituted for "work, business, or function" to eliminate unnecessary words. In clause (B), the words "in accordance with standards established by him" are omitted as surplus.

In subsection (d)(2), the words "made by him" are omitted as surplus.

In subsection (d)(3), the words "exercising delegated authority" and "with respect to the authority granted under subsection (a) of this section" are omitted as surplus. The words "at any time" are substituted for "either before or after it has become effective", and the words "If the Administrator decides on reconsideration that the action is unreasonable or unwarranted" are substituted for "If, upon reconsideration by the Secretary of Transportation, it shall appear that the action in question is in any respect unjust or unwarranted", to eliminate unnecessary words. The words "the action" are substituted for "the same accordingly", and the words "If the Administrator decides the action is warranted, the Administrator shall affirm the action" are substituted for "otherwise, such action shall be affirmed", for clarity. The text of 49 App.:1355(b) (proviso) is omitted as unnecessary because of 5:559 (last sentence).

AMENDMENTS

2020—Subsec. (d)(4). Pub. L. 116–260 added par. (4).

2003—Subsec. (a). Pub. L. 108–176 inserted "design organization certificates," after "airman certificates," in introductory provisions.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2003 AMENDMENT

Pub. L. 108–176, title II, §227(a), Dec. 12, 2003, 117 Stat. 2531, provided that the amendment made by section 227(a) is effective on the last day of the 7-year period beginning on Dec. 12, 2003.

DEVELOPMENT OF ANALYTICAL TOOLS AND CERTIFICATION METHODS

Pub. L. 108–176, title VII, §706, Dec. 12, 2003, 117 Stat. 2582, provided that: "The Federal Aviation Administration shall conduct research to promote the development of analytical tools to improve existing certification methods and to reduce the overall costs for the certification of new products."

§44703. Airman certificates

(a) GENERAL.—The Administrator of the Federal Aviation Administration shall issue an airman certificate to an individual when the Administrator finds, after investigation, that the individual is qualified for, and physically able to perform the duties related to, the position to be authorized by the certificate.

(b) CONTENTS.—(1) An airman certificate shall—

(A) be numbered and recorded by the Administrator of the Federal Aviation Administration;

(B) contain the name, address, and description of the individual to whom the certificate is issued;

(C) contain terms the Administrator decides are necessary to ensure safety in air commerce, including terms on the duration of the certificate, periodic or special examinations, and tests of physical fitness;

(D) specify the capacity in which the holder of the certificate may serve as an airman with respect to an aircraft; and

(E) designate the class the certificate covers.

(2) A certificate issued to a pilot serving in scheduled air transportation shall have the designation "airline transport pilot" of the appropriate class.

(c) PUBLIC INFORMATION.—

(1) IN GENERAL.—Subject to paragraph (2) and notwithstanding any other provision of law, the information contained in the records of contents of any airman certificate issued under this section that is limited to an airman's name, address, and ratings held shall be made available to the public after the 120th day following the date of the enactment of the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century.

(2) OPPORTUNITY TO WITHHOLD INFORMATION.—Before making any information concerning an airman available to the public under paragraph (1), the airman shall be given an opportunity to elect that the information not be made available to the public.

(3) DEVELOPMENT AND IMPLEMENTATION OF PROGRAM.—Not later than 60 days after the date of the enactment of the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century, the Administrator shall develop and implement, in cooperation with representatives of the aviation industry, a one-time written notification to airmen to set forth the implications of making information concerning an airman available to the public under paragraph (1) and to carry out paragraph (2). The Administrator shall also provide such written notification to each individual who becomes an airman after such date of enactment.

(d) APPEALS.—(1) An individual whose application for the issuance or renewal of an airman certificate has been denied may appeal the denial to the National Transportation Safety Board, except if the individual holds a certificate that—

(A) is suspended at the time of denial; or

(B) was revoked within one year from the date of the denial.

(2) The Board shall conduct a hearing on the appeal at a place convenient to the place of residence or employment of the applicant. The Board is not bound by findings of fact of the Administrator of the Federal Aviation Administration. At the end of the hearing, the Board shall decide whether the individual meets the applicable regulations and standards. The Administrator is bound by that decision.

(3) A person who is substantially affected by an order of the Board under this subsection, or the Administrator if the Administrator decides that an order of the Board will have a significant adverse impact on carrying out this subtitle, may seek judicial review of the order under section 46110. The Administrator shall be made a party to the judicial review proceedings. The findings of fact of the Board in any such case are conclusive if supported by substantial evidence.

(e) RESTRICTIONS AND PROHIBITIONS.—The Administrator of the Federal Aviation

Administration may—

(1) restrict or prohibit issuing an airman certificate to an alien; or

(2) make issuing the certificate to an alien dependent on a reciprocal agreement with the government of a foreign country.

(f) CONTROLLED SUBSTANCE VIOLATIONS.—The Administrator of the Federal Aviation Administration may not issue an airman certificate to an individual whose certificate is revoked under section 44710 of this title except—

(1) when the Administrator decides that issuing the certificate will facilitate law enforcement efforts; and

(2) as provided in section 44710(e)(2) of this title.

(g) MODIFICATIONS IN SYSTEM.—(1) The Administrator of the Federal Aviation Administration shall make modifications in the system for issuing airman certificates necessary to make the system more effective in serving the needs of airmen and officials responsible for enforcing laws related to the regulation of controlled substances (as defined in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802)) and related to combating acts of terrorism. The modifications shall ensure positive and verifiable identification of each individual applying for or holding a certificate and shall address at least each of the following deficiencies in, and abuses of, the existing system:

(A) the use of fictitious names and addresses by applicants for those certificates.

(B) the use of stolen or fraudulent identification in applying for those certificates.

(C) the use by an applicant of a post office box or "mail drop" as a return address to evade identification of the applicant's address.

(D) the use of counterfeit and stolen airman certificates by pilots.

(E) the absence of information about physical characteristics of holders of those certificates.

(2) The Administrator of the Federal Aviation Administration shall prescribe regulations to carry out paragraph (1) of this subsection and provide a written explanation of how the regulations address each of the deficiencies and abuses described in paragraph (1). In prescribing the regulations, the Administrator of the Federal Aviation Administration shall consult with the Administrator of Drug Enforcement, the Commissioner of U.S. Customs and Border Protection, other law enforcement officials of the United States Government, representatives of State and local law enforcement officials, representatives of the general aviation aircraft industry, representatives of users of general aviation aircraft, and other interested persons.

(3) For purposes of this section, the term "acts of terrorism" means an activity that involves a violent act or an act dangerous to human life that is a violation of the criminal laws of the United States or of any State, or that would be a criminal violation if committed within the jurisdiction of the United States or of any State, and appears to be intended to intimidate or coerce a civilian population to influence the policy of a government by intimidation or coercion or to affect the conduct of a government by assassination or kidnaping.

(4) The Administrator is authorized and directed to work with State and local authorities, and other Federal agencies, to assist in the identification of individuals applying for or holding airmen certificates.

(h) [1] RECORDS OF EMPLOYMENT OF PILOT APPLICANTS.—

(1) IN GENERAL.—Subject to paragraph (14), before allowing an individual to begin service as a pilot, an air carrier shall request and receive the following information:

(A) FAA RECORDS.—From the Administrator of the Federal Aviation Administration, records pertaining to the individual that are maintained by the Administrator concerning—

(i) current airman certificates (including airman medical certificates) and associated type ratings, including any limitations to those certificates and ratings; and

(ii) summaries of legal enforcement actions resulting in a finding by the Administrator of a violation of this title or a regulation prescribed or order issued under this title that was not

subsequently overturned.

(B) AIR CARRIER AND OTHER RECORDS.—From any air carrier or other person (except a branch of the United States Armed Forces, the National Guard, or a reserve component of the United States Armed Forces) that has employed the individual as a pilot of a civil or public aircraft at any time during the 5-year period preceding the date of the employment application of the individual, or from the trustee in bankruptcy for such air carrier or person—

(i) records pertaining to the individual that are maintained by an air carrier (other than records relating to flight time, duty time, or rest time) under regulations set forth in—

(I) section 121.683 of title 14, Code of Federal Regulations;

(II) paragraph (A) of section VI, appendix I, part 121 of such title;

(III) paragraph (A) of section IV, appendix J, part 121 of such title;

(IV) section 125.401 of such title; and

(V) section 135.63(a)(4) of such title; and

(ii) other records pertaining to the individual's performance as a pilot that are maintained by the air carrier or person concerning—

(I) the training, qualifications, proficiency, or professional competence of the individual, including comments and evaluations made by a check airman designated in accordance with section 121.411, 125.295, or 135.337 of such title;

(II) any disciplinary action taken with respect to the individual that was not subsequently overturned; and

(III) any release from employment or resignation, termination, or disqualification with respect to employment.

(C) NATIONAL DRIVER REGISTER RECORDS.—In accordance with section 30305(b)(8) of this title, from the chief driver licensing official of a State, information concerning the motor vehicle driving record of the individual.

(2) WRITTEN CONSENT; RELEASE FROM LIABILITY.—An air carrier making a request for records under paragraph (1)—

(A) shall be required to obtain written consent to the release of those records from the individual that is the subject of the records requested; and

(B) may, notwithstanding any other provision of law or agreement to the contrary, require the individual who is the subject of the records to request to execute a release from liability for any claim arising from the furnishing of such records to or the use of such records by such air carrier (other than a claim arising from furnishing information known to be false and maintained in violation of a criminal statute).

(3) 5-YEAR REPORTING PERIOD.—A person shall not furnish a record in response to a request made under paragraph (1) if the record was entered more than 5 years before the date of the request, unless the information concerns a revocation or suspension of an airman certificate or motor vehicle license that is in effect on the date of the request.

(4) REQUIREMENT TO MAINTAIN RECORDS.—The Administrator and air carriers shall maintain pilot records described in paragraphs (1)(A) and (1)(B) for a period of at least 5 years.

(5) RECEIPT OF CONSENT; PROVISION OF INFORMATION.—A person shall not furnish a record in response to a request made under paragraph (1) without first obtaining a copy of the written consent of the individual who is the subject of the records requested; except that, for purposes of paragraph (15), the Administrator may allow an individual designated by the Administrator to accept and maintain written consent on behalf of the Administrator for records requested under paragraph (1)(A). A person who receives a request for records under this subsection shall furnish a copy of all of such requested records maintained by the person not later than 30 days after receiving the request.

(6) RIGHT TO RECEIVE NOTICE AND COPY OF ANY RECORD FURNISHED.—A person who receives a request for records under paragraph (1) shall provide to the individual who is the subject of the records—

(A) on or before the 20th day following the date of receipt of the request, written notice of the request and of the individual's right to receive a copy of such records; and

(B) in accordance with paragraph (10), a copy of such records, if requested by the individual.

(7) REASONABLE CHARGES FOR PROCESSING REQUESTS AND FURNISHING COPIES.—A person who receives a request under paragraph (1) or (6) may establish a reasonable charge for the cost of processing the request and furnishing copies of the requested records.

(8) STANDARD FORMS.—The Administrator shall promulgate—

(A) standard forms that may be used by an air carrier to request records under paragraph (1); and

(B) standard forms that may be used by an air carrier to—

(i) obtain the written consent of the individual who is the subject of a request under paragraph (1); and

(ii) inform the individual of—

(I) the request; and

(II) the individual right of that individual to receive a copy of any records furnished in response to the request.

(9) RIGHT TO CORRECT INACCURACIES.—An air carrier that maintains or requests and receives the records of an individual under paragraph (1) shall provide the individual with a reasonable opportunity to submit written comments to correct any inaccuracies contained in the records before making a final hiring decision with respect to the individual.

(10) RIGHT OF PILOT TO REVIEW CERTAIN RECORDS.—Notwithstanding any other provision of law or agreement, an air carrier shall, upon written request from a pilot who is or has been employed by such carrier, make available, within a reasonable time, but not later than 30 days after the date of the request, to the pilot for review, any and all employment records referred to in paragraph (1)(B)(i) or (ii) pertaining to the employment of the pilot.

(11) PRIVACY PROTECTIONS.—An air carrier that receives the records of an individual under paragraph (1) may use such records only to assess the qualifications of the individual in deciding whether or not to hire the individual as a pilot. The air carrier shall take such actions as may be necessary to protect the privacy of the pilot and the confidentiality of the records, including ensuring that information contained in the records is not divulged to any individual that is not directly involved in the hiring decision.

(12) PERIODIC REVIEW.—Not later than 18 months after the date of the enactment of the Pilot Records Improvement Act of 1996, and at least once every 3 years thereafter, the Administrator shall transmit to Congress a statement that contains, taking into account recent developments in the aviation industry—

(A) recommendations by the Administrator concerning proposed changes to Federal Aviation Administration records, air carrier records, and other records required to be furnished under subparagraphs (A) and (B) of paragraph (1); or

(B) reasons why the Administrator does not recommend any proposed changes to the records referred to in subparagraph (A).

(13) REGULATIONS.—The Administrator shall prescribe such regulations as may be necessary—

(A) to protect—

(i) the personal privacy of any individual whose records are requested under paragraph (1) and disseminated under paragraph (15); and

(ii) the confidentiality of those records;

(B) to preclude the further dissemination of records received under paragraph (1) by the person who requested those records; and

(C) to ensure prompt compliance with any request made under paragraph (1).

(14) SPECIAL RULES WITH RESPECT TO CERTAIN PILOTS.—

(A) PILOTS OF CERTAIN SMALL AIRCRAFT.—Notwithstanding paragraph (1), an air carrier, before receiving information requested about an individual under paragraph (1), may allow the individual to begin service for a period not to exceed 90 days as a pilot of an aircraft with a maximum payload capacity (as defined in section 119.3 of title 14, Code of Federal Regulations) of 7,500 pounds or less, or a helicopter, on a flight that is not a scheduled operation (as defined in such section). Before the end of the 90-day period, the air carrier shall obtain and evaluate such information. The contract between the carrier and the individual shall contain a term that provides that the continuation of the individual's employment, after the last day of the 90-day period, depends on a satisfactory evaluation.

(B) GOOD FAITH EXCEPTION.—Notwithstanding paragraph (1), an air carrier, without obtaining information about an individual under paragraph (1)(B) from an air carrier or other person that no longer exists or from a foreign government or entity that employed the individual, may allow the individual to begin service as a pilot if the air carrier required to request the information has made a documented good faith attempt to obtain such information.

(15) ELECTRONIC ACCESS TO FAA RECORDS.—For the purpose of increasing timely and efficient access to Federal Aviation Administration records described in paragraph (1), the Administrator may allow, under terms established by the Administrator, an individual designated by the air carrier to have electronic access to a specified database containing information about such records. The terms shall limit such access to instances in which information in the database is required by the designated individual in making a hiring decision concerning a pilot applicant and shall require that the designated individual provide assurances satisfactory to the Administrator that information obtained using such access will not be used for any purpose other than making the hiring decision.

(16) APPLICABILITY.—This subsection shall cease to be effective on the date specified in regulations issued under subsection (i).

(i) FAA PILOT RECORDS DATABASE.—

(1) IN GENERAL.—Before allowing an individual to begin service as a pilot, an air carrier shall access and evaluate, in accordance with the requirements of this subsection, information pertaining to the individual from the pilot records database established under paragraph (2).

(2) PILOT RECORDS DATABASE.—Not later than April 30, 2017, the Administrator shall establish and make available for use an electronic database (in this subsection referred to as the "database") containing the following records:

(A) FAA RECORDS.—From the Administrator—

(i) records that are maintained by the Administrator concerning current airman certificates, including airman medical certificates and associated type ratings and information on any limitations to those certificates and ratings;

(ii) records that are maintained by the Administrator concerning any failed attempt of an individual to pass a practical test required to obtain a certificate or type rating under part 61 of title 14, Code of Federal Regulations; and

(iii) summaries of legal enforcement actions resulting in a finding by the Administrator of a violation of this title or a regulation prescribed or order issued under this title that was not subsequently overturned.

(B) AIR CARRIER AND OTHER RECORDS.—From any air carrier or other person (except a branch of the Armed Forces, the National Guard, or a reserve component of the Armed Forces) that has employed an individual as a pilot of a civil or public aircraft, or from the trustee

in bankruptcy for the air carrier or person—

(i) records pertaining to the individual that are maintained by the air carrier (other than records relating to flight time, duty time, or rest time) or person, including records under regulations set forth in—

(I) section 121.683 of title 14, Code of Federal Regulations;
(II) section 121.111(a) of such title;
(III) section 121.219(a) of such title;
(IV) section 125.401 of such title; and
(V) section 135.63(a)(4) of such title; and

(ii) other records pertaining to the individual's performance as a pilot that are maintained by the air carrier or person concerning—

(I) the training, qualifications, proficiency, or professional competence of the individual, including comments and evaluations made by a check airman designated in accordance with section 121.411, 125.295, or 135.337 of such title;

(II) any disciplinary action taken with respect to the individual that was not subsequently overturned; and

(III) any release from employment or resignation, termination, or disqualification with respect to employment.

(C) NATIONAL DRIVER REGISTER RECORDS.—In accordance with section 30305(b)(8) of this title, from the chief driver licensing official of a State, information concerning the motor vehicle driving record of the individual.

(3) WRITTEN CONSENT; RELEASE FROM LIABILITY.—An air carrier—

(A) shall obtain the written consent of an individual before accessing records pertaining to the individual under paragraph (1); and

(B) may, notwithstanding any other provision of law or agreement to the contrary, require an individual with respect to whom the carrier is accessing records under paragraph (1) to execute a release from liability for any claim arising from accessing the records or the use of such records by the air carrier in accordance with this section (other than a claim arising from furnishing information known to be false and maintained in violation of a criminal statute).

(4) REPORTING.—

(A) REPORTING BY ADMINISTRATOR.—The Administrator shall enter data described in paragraph (2)(A) into the database promptly to ensure that an individual's records are current.

(B) REPORTING BY AIR CARRIERS AND OTHER PERSONS.—

(i) IN GENERAL.—Air carriers and other persons shall report data described in paragraphs (2)(B) and (2)(C) to the Administrator promptly for entry into the database.

(ii) DATA TO BE REPORTED.—Air carriers and other persons shall report, at a minimum, under clause (i) the following data described in paragraph (2)(B):

(I) Records that are generated by the air carrier or other person after the date of enactment of this paragraph.

(II) Records that the air carrier or other person is maintaining, on such date of enactment, pursuant to subsection (h)(4).

(5) REQUIREMENT TO MAINTAIN RECORDS.—The Administrator—

(A) shall maintain all records entered into the database under paragraph (2) pertaining to an individual until the date of receipt of notification that the individual is deceased; and

(B) may remove the individual's records from the database after that date.

(6) RECEIPT OF CONSENT.—The Administrator shall not permit an air carrier to access records pertaining to an individual from the database under paragraph (1) without the air carrier

first demonstrating to the satisfaction of the Administrator that the air carrier has obtained the written consent of the individual.

(7) RIGHT OF PILOT TO REVIEW CERTAIN RECORDS AND CORRECT INACCURACIES.—Notwithstanding any other provision of law or agreement, the Administrator, upon receipt of written request from an individual—

(A) shall make available, not later than 30 days after the date of the request, to the individual for review all records referred to in paragraph (2) pertaining to the individual; and

(B) shall provide the individual with a reasonable opportunity to submit written comments to correct any inaccuracies contained in the records.

(8) REASONABLE CHARGES FOR PROCESSING REQUESTS AND FURNISHING COPIES.—

(A) IN GENERAL.—The Administrator may establish a reasonable charge for the cost of processing a request under paragraph (1) or (7) and for the cost of furnishing copies of requested records under paragraph (7).

(B) CREDITING APPROPRIATIONS.—Funds received by the Administrator pursuant to this paragraph shall—

(i) be credited to the appropriation current when the amount is received;

(ii) be merged with and available for the purposes of such appropriation; and

(iii) remain available until expended.

(9) PRIVACY PROTECTIONS.—

(A) USE OF RECORDS.—An air carrier that accesses records pertaining to an individual under paragraph (1) may use the records only to assess the qualifications of the individual in deciding whether or not to hire the individual as a pilot. The air carrier shall take such actions as may be necessary to protect the privacy of the individual and the confidentiality of the records accessed, including ensuring that information contained in the records is not divulged to any individual that is not directly involved in the hiring decision.

(B) DISCLOSURE OF INFORMATION.—

(i) IN GENERAL.—Except as provided by clause (ii), information collected by the Administrator under paragraph (2) shall be exempt from the disclosure requirements of section 552(b)(3)(B) of title 5.

(ii) EXCEPTIONS.—Clause (i) shall not apply to—

(I) deidentified, summarized information to explain the need for changes in policies and regulations;

(II) information to correct a condition that compromises safety;

(III) information to carry out a criminal investigation or prosecution;

(IV) information to comply with section 44905, regarding information about threats to civil aviation; and

(V) such information as the Administrator determines necessary, if withholding the information would not be consistent with the safety responsibilities of the Federal Aviation Administration.

(10) PERIODIC REVIEW.—Not later than 18 months after the date of enactment of this paragraph, and at least once every 3 years thereafter, the Administrator shall transmit to Congress a statement that contains, taking into account recent developments in the aviation industry—

(A) recommendations by the Administrator concerning proposed changes to Federal Aviation Administration records, air carrier records, and other records required to be included in the database under paragraph (2); or

(B) reasons why the Administrator does not recommend any proposed changes to the records referred to in subparagraph (A).

(11) REGULATIONS FOR PROTECTION AND SECURITY OF RECORDS.—The

Administrator shall prescribe such regulations as may be necessary—

(A) to protect and secure—

(i) the personal privacy of any individual whose records are accessed under paragraph (1); and

(ii) the confidentiality of those records; and

(B) to preclude the further dissemination of records received under paragraph (1) by the person who accessed the records.

(12) GOOD FAITH EXCEPTION.—Notwithstanding paragraph (1), an air carrier may allow an individual to begin service as a pilot, without first obtaining information described in paragraph (2)(B) from the database pertaining to the individual, if—

(A) the air carrier has made a documented good faith attempt to access the information from the database; and

(B) the air carrier has received written notice from the Administrator that the information is not contained in the database because the individual was employed by an air carrier or other person that no longer exists or by a foreign government or other entity that has not provided the information to the database.

(13) LIMITATIONS ON ELECTRONIC ACCESS TO RECORDS.—

(A) ACCESS BY INDIVIDUALS DESIGNATED BY AIR CARRIERS.—For the purpose of increasing timely and efficient access to records described in paragraph (2), the Administrator may allow, under terms established by the Administrator, an individual designated by an air carrier to have electronic access to the database.

(B) TERMS.—The terms established by the Administrator under subparagraph (A) for allowing a designated individual to have electronic access to the database shall limit such access to instances in which information in the database is required by the designated individual in making a hiring decision concerning a pilot applicant and shall require that the designated individual provide assurances satisfactory to the Administrator that—

(i) the designated individual has received the written consent of the pilot applicant to access the information; and

(ii) information obtained using such access will not be used for any purpose other than making the hiring decision.

(14) AUTHORIZED EXPENDITURES.—Of amounts appropriated under section 106(k)(1), a total of $6,000,000 for fiscal years 2010 through 2013 may be used to carry out this subsection.

(15) REGULATIONS.—

(A) IN GENERAL.—The Administrator shall issue regulations to carry out this subsection.

(B) EFFECTIVE DATE.—The regulations shall specify the date on which the requirements of this subsection take effect and the date on which the requirements of subsection (h) cease to be effective.

(C) EXCEPTIONS.—Notwithstanding subparagraph (B)—

(i) the Administrator shall begin to establish the database under paragraph (2) not later than 90 days after the date of enactment of this paragraph;

(ii) the Administrator shall maintain records in accordance with paragraph (5) beginning on the date of enactment of this paragraph; and

(iii) air carriers and other persons shall maintain records to be reported to the database under paragraph (4)(B) in the period beginning on such date of enactment and ending on the date that is 5 years after the requirements of subsection (h) cease to be effective pursuant to subparagraph (B).

(16) SPECIAL RULE.—During the one-year period beginning on the date on which the requirements of this section become effective pursuant to paragraph (15)(B), paragraph (7)(A)

shall be applied by substituting "45 days" for "30 days".

(j) LIMITATIONS ON LIABILITY; PREEMPTION OF STATE LAW.—

(1) LIMITATION ON LIABILITY.—No action or proceeding may be brought by or on behalf of an individual who has applied for or is seeking a position with an air carrier as a pilot and who has signed a release from liability, as provided for under subsection (h)(2) or (i)(3), against—

(A) the air carrier requesting the records of that individual under subsection (h)(1) or accessing the records of that individual under subsection (i)(1);

(B) a person who has complied with such request;

(C) a person who has entered information contained in the individual's records; or

(D) an agent or employee of a person described in subparagraph (A) or (B);

in the nature of an action for defamation, invasion of privacy, negligence, interference with contract, or otherwise, or under any Federal or State law with respect to the furnishing or use of such records in accordance with subsection (h) or (i).

(2) PREEMPTION.—No State or political subdivision thereof may enact, prescribe, issue, continue in effect, or enforce any law (including any regulation, standard, or other provision having the force and effect of law) that prohibits, penalizes, or imposes liability for furnishing or using records in accordance with subsection (h) or (i).

(3) PROVISION OF KNOWINGLY FALSE INFORMATION.—Paragraphs (1) and (2) shall not apply with respect to a person who furnishes information in response to a request made under subsection (h)(1) or who furnished information to the database established under subsection (i)(2), that—

(A) the person knows is false; and

(B) was maintained in violation of a criminal statute of the United States.

(4) PROHIBITION ON ACTIONS AND PROCEEDINGS AGAINST AIR CARRIERS.—

(A) HIRING DECISIONS.—An air carrier may refuse to hire an individual as a pilot if the individual did not provide written consent for the air carrier to receive records under subsection (h)(2)(A) or (i)(3)(A) or did not execute the release from liability requested under subsection (h)(2)(B) or (i)(3)(B).

(B) ACTIONS AND PROCEEDINGS.—No action or proceeding may be brought against an air carrier by or on behalf of an individual who has applied for or is seeking a position as a pilot with the air carrier if the air carrier refused to hire the individual after the individual did not provide written consent for the air carrier to receive records under subsection (h)(2)(A) or (i)(3)(A) or did not execute a release from liability requested under subsection (h)(2)(B) or (i)(3)(B).

(k) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in subsection (h) or (i) shall be construed as precluding the availability of the records of a pilot in an investigation or other proceeding concerning an accident or incident conducted by the Administrator, the National Transportation Safety Board, or a court.

(l) TEMPORARY AIRMAN CERTIFICATE.—An individual may obtain a temporary airman certificate from the Administrator after requesting a permanent replacement airman certificate issued under this section. A temporary airman certificate shall be—

(1) made available—

(A) electronically to the individual immediately upon submitting an online application for a replacement certificate to the Administrator; or

(B) physically to the individual at a flight standards district office—

(i) if the individual submits an online application for a replacement certificate; or

(ii) if the individual applies for a permanent replacement certificate other than by online application and such application has been received by the Federal Aviation Administration; and

(2) destroyed upon receipt of the permanent replacement airman certificate from the Administrator.

In subsections (a)–(d), the word "Administrator" in section 602(a), (b)(1), and (c) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 776) is retained on authority of 49:106(g).

In subsection (a), the text of 49 App.:1422(b) (1st sentence) is omitted as surplus. The words "is qualified" are substituted for "possesses proper qualifications" to eliminate unnecessary words. The words "to be authorized by the certificate" are substituted for "for which the airman certificate is sought" for clarity.

In subsection (b)(1)(C), the words "conditions, and limitations" are omitted as being included in "terms".

In subsection (b)(1)(E), the word "designate" is substituted for "be entitled with the designation of" to eliminate unnecessary words.

In subsection (c)(1), before clause (A), the words "may appeal . . . to" are substituted for "may file with . . . a petition for review of the Secretary of Transportation's action" for consistency with section 1109 of the revised title. The words "the individual holds a certificate that" are substituted for "persons whose certificates" for clarity.

In subsection (c)(2), the words "conduct a hearing on the appeal" are substituted for "thereupon assign such petition for hearing" for consistency. The words "In the conduct of such hearing and in determining whether the airman meets the pertinent rules, regulations, or standards" are omitted as surplus. The word "Administrator" is substituted for "Federal Aviation Administration" because of 49:106(b) and (g). The words "meets the applicable regulations" are substituted for "meets the pertinent rules, regulations" because "rules" and "regulations" are synonymous and for consistency in the revised title.

In subsection (d), before clause (1), the words "in his discretion" are omitted as surplus. In clause (2), the words "the terms of" and "entered into" are omitted as surplus. The words "government of a foreign country" are substituted for "foreign governments" for consistency in the revised title and with other titles of the United States Code.

In subsection (f)(1), before clause (A), the words "established under this chapter" and "to pilots" are omitted as surplus.

In subsection (f)(2), the words "Not later than September 18, 1989" and "final" are omitted as obsolete. The words "Administrator of Drug Enforcement" are substituted for "Drug Enforcement Administration of the Department of Justice" because of section 5(a) of Reorganization Plan No. 2 of 1973 (eff. July 1, 1973, 87 Stat. 1092). The words "Commissioner of Customs" are substituted for "United States Customs Service" because of 19:2071.

2000—Subsecs. (c) to (g). Pub. L. 106–181 added subsec. (c) and redesignated former subsecs. (c) to (f) as (d) to (g), respectively.

STATUTORY NOTES AND RELATED SUBSIDIARIES

CHANGE OF NAME

"Commissioner of U.S. Customs and Border Protection" substituted for "Commissioner of Customs" in subsec. (g)(2) on authority of section 802(d)(2) of Pub. L. 114–125, set out as a note under section 211 of Title 6, Domestic Security.

EFFECTIVE DATE OF 2010 AMENDMENT

Pub. L. 111–249, §6, Sept. 30, 2010, 124 Stat. 2628, provided that the amendments made by section 6 of Pub. L. 111–249 are effective as of Aug. 1, 2010, and as if included in Pub. L. 111–216 as enacted.

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

TERMINATION DATE

Subsec. (h) of this section ceased to be effective beginning on Sept. 9, 2024, pursuant to par. (16) of that subsec. See 14 C.F.R. §111.5(b).

TRANSFER OF FUNCTIONS

For transfer of functions, personnel, assets, and liabilities of the United States Customs Service of the Department of the Treasury, including functions of the Secretary of the Treasury relating thereto, to the Secretary of Homeland Security, and for treatment of related references, see sections 203(1), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6. For establishment of U.S. Customs and Border Protection in the Department of Homeland Security, treated as if included in Pub. L. 107–296 as of Nov. 25, 2002, see section 211 of Title 6, as amended generally by Pub. L. 114–125, and section 802(b) of Pub. L. 114–125, set out as a note under section 211 of Title 6.

DEEMED REFERENCES TO CHAPTERS 509 AND 511 OF TITLE 51

General references to "this title" deemed to refer also to chapters 509 and 511 of Title 51, National and Commercial Space Programs, see section 4(d)(8) of Pub. L. 111–314, set out as a note under section 101 of

this title.

ENHANCED QUALIFICATION PROGRAM FOR RESTRICTED AIRLINE TRANSPORT PILOT CERTIFICATE

Pub. L. 118–63, title III, §372, May 16, 2024, 138 Stat. 1139, provided that:

"(a) PROGRAM.—

"(1) IN GENERAL.—Not later than 6 months after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall establish the requirements for a program to be known as the Enhanced Qualification Program (in this section referred to as the 'Program') under which—

"(A) qualified air carriers are certified by the Administrator to provide enhanced training for eligible pilots seeking to obtain restricted airline transport certificates, either directly by the air carrier or by a certified training institution under part 141 or part 142 of title 14, Code of Federal Regulations, that is under contract with the qualified air carrier; and

"(B) qualified instructors and evaluators provide enhanced training to eligible pilots pursuant to the curriculum requirements under paragraph (4).

"(2) QUALIFIED INSTRUCTORS AND EVALUATORS.—Under the Program—

"(A) all testing and training shall be performed by qualified instructors; and

"(B) all evaluations shall be performed by qualified evaluators.

"(3) PILOT ASSESSMENT.—Under the Program, the Administrator shall establish guidelines for an assessment that prospective pilots are required to pass in order to participate in the training under the Program. Such assessment shall include an evaluation of the pilot's aptitude, ability, and readiness for operation of transport category aircraft.

"(4) PROGRAM CURRICULUM.—Under the Program, the Administrator shall establish requirements for the curriculum to be provided under the Program. Such curriculum shall include—

"(A) a nationally standardized, non-air carrier or aircraft-specific training curriculum which shall—

"(i) ensure prospective pilots have appropriate knowledge at the commercial pilot certificate, multi-engine rating, and instrument rating level;

"(ii) introduce the pilots to concepts associated with air carrier operations;

"(iii) meet all requirements for an ATP Certification Training Program under part 61.156 or part 142 of title 14, Code of Federal Regulations; and

"(iv) include a course of instruction designed to prepare the prospective pilot to take the ATP Multiengine Airplane Knowledge Test;

"(B) an aircraft-specific training curriculum, developed by the air carrier using objectives and learning standards developed by the Administrator, which shall—

"(i) only be administered to prospective pilots who have completed the requirements under subparagraph (A);

"(ii) resemble a type rating training curriculum that includes aircraft ground and flight training that culminates in—

"(I) the completion of a maneuvers evaluation that incorporates elements of a type rating practical test; or

"(II) at the discretion of the air carrier, an actual type rating practical test resulting in the issuance of a type rating for the specific aircraft; and

"(iii) ensure the prospective pilot has an adequate understanding and working knowledge of transport category aircraft automation and autoflight systems; and

"(C) air carrier-specific procedures using objectives and learning standards developed by the Administrator to further expand on the concepts described in subparagraphs (A) and (B), which shall—

"(i) only be administered to prospective pilots who have completed requirements under subparagraphs (A) and (B) and an ATP Multiengine Airplane Knowledge Test;

"(ii) include instructions on air carrier checklist usage and standard operating procedures; and

"(iii) integrate aircraft-specific training in appropriate flight simulation training devices representing the specific aircraft type, including complete crew resource management and scenario-based training.

"(5) APPLICATION AND CERTIFICATION.—Under the Program, the Administrator shall establish a process for air carriers to apply for training program certification. Such process shall include a review to ensure that the training provided by the air carrier will meet the requirements of this section, including—

"(A) the assessment requirements under paragraph (3);

"(B) the curriculum requirements under paragraph (4);

"(C) the requirements for qualified instructors under subsection (d)(5); and

"(D) the requirements for eligible pilots under subsection (d)(2).

"(6) DATA.—Under the Program, the Administrator shall require that each qualified air carrier participating in the Program collect and submit to the Administrator such data from the Program that the Administrator determines is appropriate for the Administrator to provide for oversight of the Program.

"(7) REGULAR INSPECTION.—Under the Program, the Administrator shall provide for the regular inspection of qualified air carriers certified under paragraph (5) to ensure that the air carrier continues to meet the requirements under the Program.

"(b) REGULATIONS.—The Administrator may issue regulations or guidance as determined necessary to carry out the Program.

"(c) CLARIFICATION REGARDING REQUIRED FLIGHT HOURS.—The provisions of this section shall have no effect on the total flight hours required under part 61.159 of title 14, Code of Federal Regulations, to receive an airline transport pilot certificate, or the Administrator's authority under section 217(d) of the Airline Safety and Federal Aviation Administration Extension Act of 2010 [Pub. L. 111–216] (49 U.S.C. 44701 note) (as in effect on the date of enactment of this section [May 16, 2024]).

"(d) DEFINITIONS.—In this section:

"(1) AIR CARRIER.—The term 'air carrier' has the meaning given that term in section 40102 of title 49, United States Code.

"(2) ELIGIBLE PILOT.—The term 'eligible pilot' means a pilot that—

"(A) has—

"(i) graduated from a United States Armed Forces undergraduate pilot training school;

"(ii) obtained a degree with an aviation major from an institution of higher education (as defined in part 61.1 of title 14, Code of Federal Regulations) that has been issued a letter of authorization by the Administrator under part 61.169 of such title 14; or

"(iii) completed flight and ground training for a commercial pilot certificate in the airplane category and an airplane instrument rating at a certified training institution under part 141 of such title 14;

"(B) has a current commercial pilot certificate under part 61.123 of such title 14, with airplane category multi-engine and instrument ratings under part 61.129 of such title 14; and

"(C) meets the pilot assessment requirements under subsection (a)(3).

"(3) QUALIFIED AIR CARRIER.—The term 'qualified air carrier' means an air carrier that has been issued a part 119 operating certificate for conducting operations under part 121 of title 14, Code of Federal Regulations.

"(4) QUALIFIED EVALUATOR.—The term 'qualified evaluator' means an individual that meets the requirements for a training center evaluator under part 142.55 of title 14, Code of Federal Regulations, or for check airmen under part 121.411 of such title.

"(5) QUALIFIED INSTRUCTOR.—The term 'qualified instructor' means an individual that—

"(A) is qualified in accordance with the minimum training requirements for an ATP Certification Training Program under paragraphs (1) through (3) of part 121.410(b) of title 14, Code of Federal Regulations;

"(B) if the instructor is a flight instructor, is qualified in accordance with part 121.410(b)(4) of such title;

"(C) if the instructor is administering type rating practical tests, is qualified as an appropriate examiner for such rating;

"(D) received training in threat and error management, facilitation, and risk mitigation determined appropriate by the Administrator; and

"(E) meets any other requirement determined appropriate by the Administrator."

CIVIL AIRMEN STATISTICS

Pub. L. 118–63, title IV, §402, May 16, 2024, 138 Stat. 1148, provided that:

"(a) PUBLICATION FREQUENCY.—The Administrator [of the Federal Aviation Administration] shall publish the study commonly referred to as the 'U.S. Civil Airmen Statistics' on a monthly basis.

"(b) PRESENTATION OF DATA.—The Administrator shall make the data from the study under subsection (a) publicly available on the website of the Administration in a user-friendly, downloadable format.

"(c) EXPANDED DATA CRITERIA.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator shall ensure that data sets and tables published as part of the study described in subsection (a) display information relating to the sex of certificate holders in more instances.

"(d) HISTORICAL DATA.—Not later than 1 year after the date of enactment of this Act, the Administrator shall make all previously published annual data from the study described in subsection (a) available on the website of the Administration."

AIRMAN'S MEDICAL BILL OF RIGHTS

Pub. L. 118–63, title IV, §407, May 16, 2024, 138 Stat. 1153, provided that:

"(a) IN GENERAL.—

"(1) DEVELOPMENT.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall develop a document (in this section referred to as the 'Airman's Medical Bill of Rights') detailing the rights of an individual before, during, and after a medical examination conducted by an Aviation Medical Examiner.

"(2) CONTENTS.—The Airman's Medical Bill of Rights required under paragraph (1) shall, at a minimum, contain information about the right of an individual to—

"(A) bring a trusted companion or request to have a chaperone present for a medical examination;

"(B) terminate an exam in accordance with guidelines from the Administrator for appropriately terminating such exam;

"(C) receive medical examination with respect and recognition of the dignity of the individual;

"(D) be assured of privacy and confidentiality;

"(E) select an Aviation Medical Examiner of the choice of the individual, as long as the Aviation Medical Examiner has the required designations;

"(F) privacy when changing, undressing, and using the restroom;

"(G) ask questions about FAA [Federal Aviation Administration] medical standards and the applicability to the current health status of the individual;

"(H) report an incident of misconduct by an Aviation Medical Examiner to the appropriate authorities, including to the State licensing board of the Aviation Medical Examiner or the FAA;

"(I) report to the Administrator an allegation regarding alleged Aviation Medical Examiner misconduct without fear of retaliation or negative action relating to an airman certificate of the individual; and

"(J) be advised of any known conflicts of interest an Aviation Medical Examiner may have with respect to the medical examination of the individual.

"(3) PUBLIC AVAILABILITY.—The Airman's Medical Bill of Rights required under paragraph (1) shall be—

"(A) made available to, and acknowledged by, an individual in the MedXpress system (or any successor system);

"(B) made available in a hard-copy format by an Aviation Medical Examiner at the time of exam upon request by an individual; and

"(C) displayed in a common space in the office of the Aviation Medical Examiner.

"(b) EXPECTATIONS FOR MEDICAL EXAMINATIONS.—

"(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator shall develop a simplified document explaining the standard procedures performed during a medical examination conducted by an Aviation Medical Examiner.

"(2) PUBLIC AVAILABILITY.—The document required under paragraph (1) shall be—

"(A) made available to, and acknowledged by, an individual in the MedXpress system (or any successor system);

"(B) made available in a hard-copy format by an Aviation Medical Examiner at the time of exam upon request by an individual; and

"(C) displayed in a common space in the office of the Aviation Medical Examiner."

IMPROVED DESIGNEE MISCONDUCT REPORTING PROCESS

Pub. L. 118–63, title IV, §408, May 16, 2024, 138 Stat. 1154, provided that:

"(a) IMPROVED DESIGNEE MISCONDUCT REPORTING PROCESS.—

"(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall establish a streamlined process for individuals involved in incidents of alleged misconduct by a designee to report such incidents in a manner that protects the privacy and confidentiality of such individuals.

"(2) PUBLIC ACCESS TO REPORTING PROCESS.—The process for reporting alleged misconduct by a designee shall be made available to the public on the website of the Administration, including—

"(A) the designee locator search webpage; and

"(B) the webpage of the Office of Audit and Evaluation of the FAA [Federal Aviation

Administration].

"(3) OBLIGATION TO REPORT CRIMINAL CHARGES.—Not later than 90 days after the date of enactment of this Act, the Administrator shall revise the orders and policies governing the Designee Management System to clarify that designees are obligated to report any arrest, indictment, or conviction for violation of a local, State, or Federal law within a period of time specified by the Administrator.

"(4) AUDIT OF REPORTING PROCESS BY INSPECTOR GENERAL.—

"(A) IN GENERAL.—Not later than 3 years after the date on which the Administrator finalizes the update of the reporting process under paragraph (1), the inspector general of the Department of Transportation shall conduct an audit of such reporting process.

"(B) CONTENTS.—In conducting the audit of the reporting process described in subparagraph (A), the inspector general shall, at a minimum—

"(i) review the efforts of the Administration to improve the reporting process and solutions developed to respond to and investigate allegations of misconduct;

"(ii) analyze reports of misconduct brought to the Administrator prior to any changes made to the reporting process as a result of the enactment of this Act [Pub. L. 118–63], including the ultimate outcomes of those reports and whether any reports resulted in the Administrator taking action against the accused designee;

"(iii) determine whether the reporting process results in appropriate action, including reviewing, investigating, and closing out reports; and

"(iv) if applicable, make recommendations to improve the reporting process.

"(C) REPORT.—Not later than 1 year after the date of initiation of the audit described in subparagraph (A), the inspector general shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report on the results of such audit, including findings and recommendations.

"(b) DESIGNEE DEFINED.—In this section, the term 'designee' means an individual who has been designated to act as a representative of the Administrator as—

"(1) an Aviation Medical Examiner (as described in section 183.21 of title 14, Code of Federal Regulations);

"(2) a pilot examiner (as described in section 183.23 of such title); or

"(3) a technical personnel examiner (as described in section 183.25 of such title)."

AEROMEDICAL INNOVATION AND MODERNIZATION WORKING GROUP

Pub. L. 118–63, title IV, §411, May 16, 2024, 138 Stat. 1156, provided that:

"(a) ESTABLISHMENT.—Not later than 180 days after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall establish a working group (in this section referred to as the 'working group') to review the medical processes, policies, and procedures of the Administration and to make recommendations to the Administrator on modernizing such processes, policies, and procedures to ensure timely and efficient certification of airmen.

"(b) MEMBERSHIP.—

"(1) IN GENERAL.—The working group shall consist of—

"(A) 2 co-chairs described in paragraph (2); and

"(B) not less than 15 individuals appointed by the Administrator, each of whom shall have knowledge or a background in aerospace medicine, psychiatry, neurology, cardiology, or internal medicine.

"(2) CO-CHAIRS.—The working group shall be co-chaired by—

"(A) the Federal Air Surgeon of the FAA [Federal Aviation Administration]; and

"(B) a member described under paragraph (1)(A) to be selected by members of the working group.

"(3) PREFERENCE.—The Administrator, in appointing members pursuant to paragraph (1)(B), shall give preference to—

"(A) Aviation Medical Examiners (as described in section 183.21 of title 14, Code of Federal Regulations);

"(B) licensed medical physicians;

"(C) practitioners holding a pilot certificate; and

"(D) individuals having demonstrated research and expertise in aeromedical research or sciences.

"(c) ACTIVITIES.—In reviewing the aeromedical decision-making processes, policies, and procedures of the Administration in accordance with subsection (a), the working group, at a minimum, shall—

"(1) assess the medical conditions an Aviation Medical Examiner may issue a medical certificate directly to an individual;

"(2) determine the appropriateness of the list of such medical conditions as of the date of enactment of this Act;

"(3) assess the special issuance process;

"(4) determine the appropriateness of whether a renewal of a special issuance can be based on a medical evaluation and treatment plan by the treating medical specialist of the individual pursuant to approval from an Aviation Medical Examiner;

"(5) evaluate advancements in technologies to address forms of red-green color blindness and determine whether such technologies may be approved for use by airmen;

"(6) review policies and guidance relating to Attention-Deficit Hyperactivity Disorder and Attention Deficit Disorder;

"(7) evaluate whether medications used to treat such disorders may be safely prescribed to airmen;

"(8) review protocols pertaining to the Human Intervention Motivation Study of the FAA;

"(9) review protocols and policies relating to—

"(A) neurological disorders; and

"(B) cardiovascular conditions to ensure alignment with medical best practices, latest research;

"(10) review mental health protocols and medications approved for treating such mental health conditions, including such actions taken resulting from recommendations by the Mental Health and Aviation Medical Clearances Rulemaking Committee;

"(11) assess processes and protocols pertaining to recertification of airmen receiving disability insurance post-recovery from the medical condition, injury, or disability that precludes airmen from exercising the privileges of an airman certificate;

"(12) assess processes and protocols pertaining to the certification of veterans reporting a disability rating from the Department of Veterans Affairs; and

"(13) assess and evaluate the user interface and information-sharing capabilities of any online medical portal administered by the FAA.

"(d) AVIATION WORKFORCE MENTAL HEALTH TASK GROUP.—

"(1) ESTABLISHMENT.—Not later than 120 days after the working group pursuant to subsection (a) is established, the co-chairs of such working group shall establish an aviation workforce mental health task group (referred to in this subsection as the 'task group') to oversee, monitor, and evaluate efforts of the Administrator related to supporting the mental health of the aviation workforce.

"(2) COMPOSITION.—The co-chairs of such working group shall appoint—

"(A) a Chair of the task group; and

"(B) members of the task group from among the members of the working group appointed by the Administrator under subsection (b)(1).

"(3) DUTIES.—The duties of the task group shall include—

"(A) carrying out the activities described in subsection (c)(10);

"(B) soliciting feedback from aviation industry professionals or other licensed professionals representing air carrier operations under part 121 and part 135 of title 14, Code of Federal Regulations, and general aviation operations under part 91 of title 14, Code of Federal Regulations;

"(C) reviewing and evaluating guidance issued by the International Civil Aviation Organization on aviation workforce mental health;

"(D) providing advice, as appropriate, on the implementation of the final recommendations issued by the inspector general of the Department of Transportation in the report titled, 'FAA Conduct Comprehensive Evaluations of Pilots With Mental Health Challenges, but Opportunities Exist to Further Mitigate Safety Risks', published on July 12, 2023 (AV2023038);

"(E) monitoring and evaluating the implementation of recommendations by the Mental Health and Aviation Medical Clearances Rulemaking Committee;

"(F) expanding and improving mental health outreach, education, and assistance programs for the aviation workforce; and

"(G) reducing the stigma associated with mental healthcare in the aviation workforce.

"(4) REPORT.—Not later than 2 years after the date of the establishment of the task group, the task group shall submit to the Secretary [of Transportation] and the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report detailing—

"(A) the results of the review under paragraph (3)(A); and

"(B) progress on the implementation of recommendations pursuant to subparagraphs (D) and (E)

of paragraph (3); and

"(C) the activities carried out pursuant to fulfilling the duties described in subparagraphs (F) and (G) of paragraph (3).

"(e) SUPPORT.—The Administrator shall seek to enter into 1 or more agreements with the National Academies to support the activities of the working group described in subsection (c).

"(f) FINDINGS AND RECOMMENDATIONS.—Not later than 1 year after the date of enactment of this Act, and annually thereafter, the working group shall submit to the Administrator and the appropriate committees of Congress a report on the findings and recommendations resulting from the activities carried out under subsection (c).

"(g) IMPLEMENTATION.—Not later than 1 year after receiving recommendations outlined in the report under subsection (f), the Administrator may take such action, as appropriate, to implement such recommendations.

"(h) SUNSET.—The working group shall terminate on October 1, 2028."

MEDICAL PORTAL MODERNIZATION TASK GROUP

Pub. L. 118–63, title IV, §413, May 16, 2024, 138 Stat. 1159, provided that:

"(a) ESTABLISHMENT.—Not later than 120 days after the working group pursuant to section 411 [of Pub. L. 118–63, set out as a note above] is established, the co-chairs of such working group shall establish a medical portal modernization task group (in this section referred to as the 'task group') to evaluate the user interface and information sharing capabilities of an online medical portal administered by the FAA [Federal Aviation Administration].

"(b) COMPOSITION.—The co-chairs of the working group provided for in section 411 shall appoint—

"(1) a Chair of the task group; and

"(2) members of the task group from among the members of the working group appointed by the Administrator [of the Federal Aviation Administration] under section 411(b).

"(c) ASSESSMENT; RECOMMENDATIONS.—The task group shall, at a minimum, assess and evaluate the capabilities of any such medical portal and provide recommendations to improve the following:

"(1) The cybersecurity protections and protocols of any such medical portal, including the secure exchange of health information and records between Aviation Medical Examiners and pilots, or their designee, including the ability for airmen to submit additional information requested by the Administrator.

"(2) The status of an airman's medical application and the disclosure of how long an airman can expect to wait for a final determination to be issued by the Administrator.

"(3) The disclosure of the name and contact information of the Administrator's representative managing an airman's case so that an Aviation Medical Examiner has a point of contact within the Administration who is familiar with an airman's application.

"(d) CONSULTATION.—In carrying out the duties described in subsection (c), the task group may consult with cybersecurity experts and individuals with a knowledge of securing electronic health care transactions.

"(e) REPORT.—Not later than 1 year after the date of the establishment of the task group, the task group shall submit to the Administrator and the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report detailing activities and recommendations of the task group.

"(f) IMPLEMENTATION.—Not later than 1 year after receiving the report described in subsection (e), the Administrator may take such action as may be necessary to implement recommendations of the task group to improve any such medical portal."

MILITARY AVIATION MAINTENANCE TECHNICIANS RULE

Pub. L. 118–63, title IV, §426, May 16, 2024, 138 Stat. 1168, provided that:

"(a) STREAMLINED CERTIFICATION FOR ELIGIBLE MILITARY MAINTENANCE TECHNICIANS.—

"(1) RULEMAKING.—Not later than 18 months after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall issue a notice of proposed rulemaking to revise part 65 of title 14, Code of Federal Regulations, to—

"(A) create a military mechanic written competency test that addresses gaps between military and civilian experience; and

"(B) develop, as necessary, a relevant Airman Certification Standard to qualify eligible military maintenance technicians for a civilian mechanic certificate with airframe or powerplant ratings.

"(2) CONSIDERATION.—In carrying out paragraph (1), the Administrator shall evaluate and consider—

"(A) whether to allow a certificate of eligibility from the Joint Services Aviation Maintenance

Technician Certification Council (in this section referred to as the 'JSAMTCC') evidencing completion of a training curriculum for any rating sought to serve as a substitute to fulfill the requirement under such part 65 for oral and practical tests administered by a designated mechanic examiner for eligible military maintenance technicians;

"(B) aeronautical knowledge subject areas contained in the Aviation Mechanic General, Airframe, and Powerplant Airman Certification Standards as described in section 65.75 of title 14, Code of Federal Regulations, as appropriate, to the rating sought; and

"(C) any applicable recommendations by the Aviation Rulemaking Advisory Committee Airman Certification System Working Group.

"(b) EXPANSION OF TESTING LOCATIONS.—Not later than 1 year after the date of enactment of this Act, the Administrator, in consultation with the Secretary of Defense and the Secretary of Homeland Security, shall determine—

"(1) whether an expansion of the number of active testing locations operated within military installation testing centers would increase access to testing; and

"(2) how to implement such expansion, if appropriate.

"(c) OUTREACH AND AWARENESS.—Not later than 1 year after the date of enactment of this Act, the Administrator, in coordination with the Secretary of Defense, the Secretary of Veterans Affairs, and the Secretary of Homeland Security, shall develop a plan to increase outreach and awareness regarding services made available by the JSAMTCC and how such services can assist in facilitating the transition between military and civilian aviation maintenance careers.

"(d) BRIEFINGS.—

"(1) INITIAL BRIEFING.—Not later than 180 days after the date on which the Administrator develops the outreach and awareness plan pursuant to subsection (c), the Administrator shall provide to the Committee on Commerce, Science, and Transportation and the Committee on Veterans' Affairs of the Senate and the Committee on Transportation and Infrastructure and the Committee on Veterans' Affairs of the House of Representatives a briefing on the activities planned to implement the outreach and awareness plan.

"(2) PERIODIC BRIEFING.—Not later than 2 years after the date of enactment of this Act, and 2 years thereafter, the Administrator shall provide to the Committee on Commerce, Science, and Transportation and the Committee on Veterans' Affairs of the Senate and the Committee on Transportation and Infrastructure and the Committee on Veterans' Affairs of the House of Representatives a briefing on any rulemaking activities carried out pursuant to subsection (a), including a timeline for the issuance of a final rule.

"(e) ELIGIBLE MILITARY MAINTENANCE TECHNICIAN DEFINED.—For purposes of this section, the term 'eligible military maintenance technician' means an individual who—

"(1) has been a maintenance technician during service in the armed forces who was honorably discharged or has retired from the armed forces (as defined in section 101 of title 10, United States Code);

"(2) presents an official record of service in the armed forces confirming that the individual has been a military aviation maintenance technician, holding an appropriate Military Occupational Specialty Code, as determined by the Administrator, in coordination with the Secretary of Defense; and

"(3) presents documentary evidence of experience in accordance with the requirements under section 65.77 of title 14, Code of Federal Regulations."

TIMELY RESOLUTION OF INVESTIGATIONS

Pub. L. 118–63, title VIII, §805, May 16, 2024, 138 Stat. 1323, provided that:

"(a) IN GENERAL.—Not later than 2 years after the date of issuance of a letter of investigation to any person, as required by section 2(b) of the Pilot's Bill of Rights [Pub. L. 112–153] (49 U.S.C. 44703 note), the Administrator [of the Federal Aviation Administration] shall—

"(1) make a determination regarding such investigation and pursue subsequent action; or

"(2) close such investigation.

"(b) EXTENSION.—

"(1) IN GENERAL.—If, upon review of the facts and status of an investigation described in subsection (a), the Administrator determines that the time provided to make a final determination or close such investigation is insufficient, the Administrator shall approve an extension of such investigation for 2 years.

"(2) ADDITIONAL EXTENSIONS.—The Administrator may approve consecutive extensions under paragraph (1).

"(c) DELEGATION.—The Administrator may not delegate the authority to approve an extension described

in subsection (b) to anyone other than the leadership of the Administration as described in section 106(b) of title 49, United States Code."

ALL MAKES AND MODELS AUTHORIZATION

Pub. L. 118–63, title VIII, §806, May 16, 2024, 138 Stat. 1323, provided that:

"(a) IN GENERAL.—

"(1) UNLIMITED LETTER OF AUTHORIZATION.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall take such action as may be necessary to allow for the issuance of letters of authorizations to airmen with the authorization for—

"(A) all types and makes of experimental high–performance single engine piston powered aircraft; and

"(B) all types and makes of experimental high–performance multiengine piston powered aircraft.

"(2) REQUIREMENTS.—An individual who holds a letter of authorization and applies for an authorization described in paragraph (1)(A) or (1)(B)—

"(A) shall be given an all-makes and models authorization of—

"(i) experimental single–engine piston powered authorized aircraft; or

"(ii) experimental multiengine piston powered authorized aircraft;

"(B) shall hold the appropriate category and class rating for the authorized aircraft;

"(C) shall hold 3 experimental aircraft authorizations in aircraft of the same category and class rating for the authorization sought; and

"(D) may become qualified in additional experimental aircraft by completing aircraft-specific ground and flight training.

"(b) RULE OF CONSTRUCTION.—Nothing in this section may be construed to disallow an individual from being given both an authorization described in paragraph (1)(A) and an authorization described in paragraph (1)(B).

"(c) FAILURE TO COMPLY.—

"(1) IN GENERAL.—If the Administrator fails to implement subsection (a) within the time period prescribed in such subsection, the Administrator shall brief the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] on the status of the implementation of such subsection on a monthly basis until the implementation is complete.

"(2) NO DELEGATION.—The Administrator may not delegate the briefing described in paragraph (1)."

BASICMED FOR EXAMINERS ADMINISTERING TESTS OR PROFICIENCY CHECKS

Pub. L. 118–63, title VIII, §815, May 16, 2024, 138 Stat. 1328, provided that:

"(a) EQUIVALENT PILOT-IN-COMMAND MEDICAL REQUIREMENTS.—Notwithstanding section 61.23(a)(3)(iv) of title 14, Code of Federal Regulations, an examiner may administer a practical test or proficiency check if such examiner meets the medical qualification requirements under part 68 of title 14, Code of Federal Regulations, if the operation being conducted is in a covered aircraft, as such term is defined in section 2307(j) of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190] (49 U.S.C. 44703 note).

"(b) RULEMAKING.—Not later than 3 years after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall issue a final rule to update part 61 of title 14, Code of Federal Regulations, to implement the requirements under subsection (a), in addition to any related requirements the Administrator finds are in the interest of aviation safety."

DESIGNEE LOCATOR TOOL IMPROVEMENTS

Pub. L. 118–63, title VIII, §816, May 16, 2024, 138 Stat. 1328, provided that: "Not later than 3 years after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall ensure that the designee locator search function of the public website of the Designee Management System of the Administration has the functionality to—

"(1) filter a search for an Aviation Medical Examiner (as described in section 183.21 of title 14, Code of Federal Regulations) by sex, if such information is available;

"(2) display credentials and aircraft qualifications of a designated pilot examiner (as described in section 183.23 of such title); and

"(3) display the scheduling availability of a designated pilot examiner (as described in section 183.23 of such title) to administer a test or proficiency check to an airman."

NATIONAL COORDINATION AND OVERSIGHT OF DESIGNATED PILOT EXAMINERS

Pub. L. 118–63, title VIII, §833, May 16, 2024, 138 Stat. 1339, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall establish an office to provide oversight and facilitate national coordination of designated pilot examiners appointed under section 183.23 of title 14, Code of Federal Regulations.

"(b) RESPONSIBILITIES.—The office described in subsection (a) shall be responsible for the following:

"(1) Oversight of designated pilot examiners appointed under section 183.23 of title 14, Code of Federal Regulations.

"(2) Coordinating with other offices, as appropriate, to support the standardization of policy, guidance, and regulations across the FAA [Federal Aviation Administration] pertaining to the selection, training, duties, and deployment of designated pilot examiners appointed under section 183.23 of title 14, Code of Federal Regulations, including evaluating the consistency by which such examiners apply Administration policies, orders, and guidance.

"(3) Evaluating the consistency by which such examiners apply FAA policies, orders, and guidance.

"(4) Coordinating placement and deployment of such examiners across regions based on demand for examinations from the pilot community.

"(5) Developing a code of conduct for such examiners.

"(6) Deploying a survey system to track the performance and merit of such examiners.

"(7) Facilitating an industry partnership to create a formal mentorship program for such examiners.

"(c) COORDINATION.—In carrying out the responsibilities listed in subsection (b), the Administrator shall ensure the office—

"(1) coordinates on an ongoing basis with flight standards district offices, designated pilot examiner managing specialists, and aviation industry stakeholders, including representatives of the general aviation community; and

"(2) considers whether to implement the final recommendations report issued by the Designated Pilot Examiner Reforms Working Group and accepted by the Aviation Rulemaking Advisory Committee on June 17, 2021.

"(d) REPORT.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [May 16, 2024], and biennially thereafter through fiscal year 2028, the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report that evaluates the use of designated pilot examiners appointed under section 183.23 of title 14, Code of Federal Regulations (or any successor regulation), for testing, including both written and practical tests.

"(2) CONTENTS.—The report under paragraph (1) shall include an analysis of—

"(A) the methodology and rationale by which designated pilot examiners are deployed;

"(B) with respect to the previous fiscal year, the average time an individual in each region must wait to schedule an appointment with a designated pilot examiner;

"(C) with respect to the previous fiscal year, the estimated total time individuals in each region were forced to wait to schedule an appointment with a designated pilot examiner;

"(D) the primary reasons and best ways to reduce wait times described in subparagraph (C);

"(E) the number of tests conducted by designated pilot examiners;

"(F) the number and percentage of available designated pilot examiners that perform such tests; and

"(G) the average rate of retests, including of both written and practical tests."

APPLICABILITY OF MEDICAL CERTIFICATION STANDARDS TO OPERATORS OF AIR BALLOONS

Pub. L. 115–254, div. B, title III, §318, Oct. 5, 2018, 132 Stat. 3269, provided that:

"(a) SHORT TITLE.—This section may be cited as the 'Commercial Balloon Pilot Safety Act of 2018'.

"(b) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration] shall revise section 61.3(c) of title 14, Code of Federal Regulations (relating to second-class medical certificates), to apply to an operator of an air balloon to the same extent such regulations apply to a pilot flight crewmember of other aircraft.

"(c) AIR BALLOON DEFINED.—In this section, the term 'air balloon' has the meaning given the term 'balloon' in section 1.1 of title 14, Code of Federal Regulations (or any corresponding similar regulation or ruling)."

DESIGNATED PILOT EXAMINER REFORMS

Pub. L. 115–254, div. B, title III, §319, Oct. 5, 2018, 132 Stat. 3269, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall assign to the Aviation Rulemaking Advisory Committee (in this section referred to as the 'Committee') the task of reviewing all regulations and policies related to designated pilot examiners appointed under section 183.23 of title 14, Code of Federal Regulations. The Committee shall focus on the processes and requirements by which the FAA [Federal Aviation Administration] selects, trains, and deploys individuals as designated pilot examiners, and provide recommendations with respect to the regulatory and policy changes necessary to ensure an adequate number of designated pilot examiners are deployed and available to perform their duties. The Committee also shall make recommendations with respect to the regulatory and policy changes if necessary to allow a designated pilot examiner perform a daily limit of 3 new check rides with no limit for partial check rides and to serve as a designed pilot examiner without regard to any individual managing office.

"(b) ACTION BASED ON RECOMMENDATIONS.—Not later than 1 year after receiving recommendations under subsection (a), the Administrator shall take such action as the Administrator considers appropriate with respect to those recommendations."

PUBLIC AIRCRAFT ELIGIBLE FOR LOGGING FLIGHT TIMES

Pub. L. 118–63, title VIII, §826, May 16, 2024, 138 Stat. 1332, provided that:

"(a) FORESTRY AND FIRE PROTECTION FLIGHT TIME LOGGING.—

"(1) IN GENERAL.—Notwithstanding any other provision of law, aircraft under the direct operational control of forestry and fire protection agencies are eligible to log pilot flight times, if the flight time was acquired by the pilot while engaged on an official forestry or fire protection flight, in the same manner as aircraft under the direct operational control of a Federal, State, county, or municipal law enforcement agency.

"(2) RETROACTIVE APPLICATION.—Paragraph (1) shall be applied as if enacted on October 5, 2018.

"(b) REGULATIONS.—Not later than 180 days after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall make such regulatory changes as are necessary to conform to the requirements of this section."

Pub. L. 115–254, div. B, title V, §517, Oct. 5, 2018, 132 Stat. 3359, provided that: "The Administrator [of the Federal Aviation Administration] shall issue regulations modifying section 61.51(j)(4) of title 14, Code of Federal Regulations, so as to include aircraft under the direct operational control of forestry and fire protection agencies as public aircraft eligible for logging flight times."

PORTABILITY OF REPAIRMAN CERTIFICATES

Pub. L. 115–254, div. B, title V, §582, Oct. 5, 2018, 132 Stat. 3399, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall assign to the Aviation Rulemaking Advisory Committee the task of making recommendations with respect to the regulatory and policy changes, as appropriate, to allow a repairman certificate issued under section 65.101 of title 14, Code of Federal Regulations, to be portable from one employing certificate holder to another.

"(b) ACTION BASED ON RECOMMENDATIONS.—Not later than 1 year after receiving recommendations under subsection (a), the Administrator may take such action as the Administrator considers appropriate with respect to those recommendations."

MEDICAL CERTIFICATION OF CERTAIN SMALL AIRCRAFT PILOTS

Pub. L. 114–190, title II, §2307, July 15, 2016, 130 Stat. 641, as amended by Pub. L. 118–63, title VIII, §828(a), May 16, 2024, 138 Stat. 1336, provided that:

"(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [July 15, 2016], the Administrator of the Federal Aviation Administration shall issue or revise regulations to ensure that an individual may operate as pilot in command of a covered aircraft if—

"(1) the individual possesses a valid driver's license issued by a State, territory, or possession of the United States and complies with all medical requirements or restrictions associated with that license;

"(2) the individual holds a medical certificate issued by the Federal Aviation Administration or has held such a certificate at any time after July 14, 2006;

"(3) the most recent medical certificate issued by the Federal Aviation Administration to the individual—

"(A) indicates whether the certificate is first, second, or third class;

"(B) may include authorization for special issuance;

"(C) may be expired;

"(D) cannot have been revoked or suspended; and

"(E) cannot have been withdrawn;

"(4) the most recent application for airman medical certification submitted to the Federal Aviation Administration by the individual cannot have been completed and denied;

"(5) the individual has completed a medical education course described in subsection (c) during the 24 calendar months before acting as pilot in command of a covered aircraft and demonstrates proof of completion of the course;

"(6) the individual, when serving as a pilot in command, is under the care and treatment of a physician if the individual has been diagnosed with any medical condition that may impact the ability of the individual to fly;

"(7) the individual has received a comprehensive medical examination from a State-licensed physician during the previous 48 calendar months and—

"(A) prior to the examination, the individual—

"(i) completed the individual's section of the checklist described in subsection (b); and

"(ii) provided the completed checklist to the physician performing the examination; and

"(B) the physician conducted the comprehensive medical examination in accordance with the checklist described in subsection (b), checking each item specified during the examination and addressing, as medically appropriate, every medical condition listed, and any medications the individual is taking; and

"(8) the individual is operating in accordance with the following conditions:

"(A) The covered aircraft is carrying not more than 6 passengers.

"(B) The individual is operating the covered aircraft under visual flight rules or instrument flight rules.

"(C) The flight, including each portion of that flight, is not carried out—

"(i) for compensation or hire, including that no passenger or property on the flight is being carried for compensation or hire;

"(ii) at an altitude that is more than 18,000 feet above mean sea level;

"(iii) outside the United States, unless authorized by the country in which the flight is conducted; or

"(iv) at an indicated air speed exceeding 250 knots.

"(b) COMPREHENSIVE MEDICAL EXAMINATION.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [July 15, 2016], the Administrator shall develop a checklist for an individual to complete and provide to the physician performing the comprehensive medical examination required in subsection (a)(7).

"(2) REQUIREMENTS.—The checklist shall contain—

"(A) a section, for the individual to complete that contains—

"(i) boxes 3 through 13 and boxes 16 through 19 of the Federal Aviation Administration Form 8500–8 (3–99) (or any successor form); and

"(ii) a signature line for the individual to affirm that—

"(I) the answers provided by the individual on that checklist, including the individual's answers regarding medical history, are true and complete;

"(II) the individual understands that he or she is prohibited under Federal Aviation Administration regulations from acting as pilot in command, or any other capacity as a required flight crew member, if he or she knows or has reason to know of any medical deficiency or medically disqualifying condition that would make the individual unable to operate the aircraft in a safe manner; and

"(III) the individual is aware of the regulations pertaining to the prohibition on operations during medical deficiency and has no medically disqualifying conditions in accordance with applicable law;

"(B) a section with instructions for the individual to provide the completed checklist to the physician performing the comprehensive medical examination required in subsection (a)(7); and

"(C) a section, for the physician to complete, that instructs the physician—

"(i) to perform a clinical examination of—

"(I) head, face, neck, and scalp;

"(II) nose, sinuses, mouth, and throat;

"(III) ears, general (internal and external canals), and eardrums (perforation);

"(IV) eyes (general), ophthalmoscopic, pupils (equality and reaction), and ocular motility (associated parallel movement, nystagmus);

"(V) lungs and chest (not including breast examination);

"(VI) heart (precordial activity, rhythm, sounds, and murmurs);
"(VII) vascular system (pulse, amplitude, and character, and arms, legs, and others);
"(VIII) abdomen and viscera (including hernia);
"(IX) anus (not including digital examination);
"(X) skin;
"(XI) G–U system (not including pelvic examination);
"(XII) upper and lower extremities (strength and range of motion);
"(XIII) spine and other musculoskeletal;
"(XIV) identifying body marks, scars, and tattoos (size and location);
"(XV) lymphatics;
"(XVI) neurologic (tendon reflexes, equilibrium, senses, cranial nerves, and coordination, etc.);
"(XVII) psychiatric (appearance, behavior, mood, communication, and memory);
"(XVIII) general systemic;
"(XIX) hearing;
"(XX) vision (distant, near, and intermediate vision, field of vision, color vision, and ocular alignment);
"(XXI) blood pressure and pulse; and
"(XXII) anything else the physician, in his or her medical judgment, considers necessary;

"(ii) to exercise medical discretion to address, as medically appropriate, any medical conditions identified, and to exercise medical discretion in determining whether any medical tests are warranted as part of the comprehensive medical examination;

"(iii) to discuss all drugs the individual reports taking (prescription and nonprescription) and their potential to interfere with the safe operation of an aircraft or motor vehicle;

"(iv) to sign the checklist, stating: 'I certify that I discussed all items on this checklist with the individual during my examination, discussed any medications the individual is taking that could interfere with their ability to safely operate an aircraft or motor vehicle, and performed an examination that included all of the items on this checklist. I certify that I am not aware of any medical condition that, as presently treated, could interfere with the individual's ability to safely operate an aircraft.'; and

"(v) to provide the date the comprehensive medical examination was completed, and the physician's full name, address, telephone number, and State medical license number.

"(3) LOGBOOK.—The completed checklist shall be retained in the individual's logbook and made available on request.

"(c) MEDICAL EDUCATION COURSE REQUIREMENTS.—The medical education course described in this subsection shall—

"(1) be available on the Internet free of charge;

"(2) be developed and periodically updated in coordination with representatives of relevant nonprofit and not-for-profit general aviation stakeholder groups;

"(3) educate pilots on conducting medical self-assessments;

"(4) advise pilots on identifying warning signs of potential serious medical conditions;

"(5) identify risk mitigation strategies for medical conditions;

"(6) increase awareness of the impacts of potentially impairing over-the-counter and prescription drug medications;

"(7) encourage regular medical examinations and consultations with primary care physicians;

"(8) inform pilots of the regulations pertaining to the prohibition on operations during medical deficiency and medically disqualifying conditions;

"(9) provide the checklist developed by the Federal Aviation Administration in accordance with subsection (b); and

"(10) upon successful completion of the course, electronically provide to the individual and transmit to the Federal Aviation Administration—

"(A) a certification of completion of the medical education course, which shall be printed and retained in the individual's logbook and made available upon request, and shall contain the individual's name, address, and airman certificate number;

"(B) subject to subsection (d), a release authorizing the National Driver Register through a designated State Department of Motor Vehicles to furnish to the Federal Aviation Administration information pertaining to the individual's driving record;

"(C) a certification by the individual that the individual is under the care and treatment of a physician if the individual has been diagnosed with any medical condition that may impact the ability of the individual to fly, as required under subsection (a)(6);

"(D) a form that includes—

"(i) the name, address, telephone number, and airman certificate number of the individual;

"(ii) the name, address, telephone number, and State medical license number of the physician performing the comprehensive medical examination required in subsection (a)(7);

"(iii) the date of the comprehensive medical examination required in subsection (a)(7); and

"(iv) a certification by the individual that the checklist described in subsection (b) was followed and signed by the physician in the comprehensive medical examination required in subsection (a)(7); and

"(E) a statement, which shall be printed, and signed by the individual certifying that the individual understands the existing prohibition on operations during medical deficiency by stating: 'I understand that I cannot act as pilot in command, or any other capacity as a required flight crew member, if I know or have reason to know of any medical condition that would make me unable to operate the aircraft in a safe manner.'.

"(d) NATIONAL DRIVER REGISTER.—The authorization under subsection (c)(10)(B) shall be an authorization for a single access to the information contained in the National Driver Register.

"(e) SPECIAL ISSUANCE PROCESS.—

"(1) IN GENERAL.—An individual who has qualified for the third-class medical certificate exemption under subsection (a) and is seeking to serve as a pilot in command of a covered aircraft shall be required to have completed the process for obtaining an Authorization for Special Issuance of a Medical Certificate for each of the following:

"(A) A mental health disorder, limited to an established medical history or clinical diagnosis of—

"(i) personality disorder that is severe enough to have repeatedly manifested itself by overt acts;

"(ii) psychosis, defined as a case in which an individual—

"(I) has manifested delusions, hallucinations, grossly bizarre or disorganized behavior, or other commonly accepted symptoms of psychosis; or

"(II) may reasonably be expected to manifest delusions, hallucinations, grossly bizarre or disorganized behavior, or other commonly accepted symptoms of psychosis;

"(iii) bipolar disorder; or

"(iv) substance dependence within the previous 2 years, as defined in section 67.307(a)(4) of title 14, Code of Federal Regulations.

"(B) A neurological disorder, limited to an established medical history or clinical diagnosis of any of the following:

"(i) Epilepsy.

"(ii) Disturbance of consciousness without satisfactory medical explanation of the cause.

"(iii) A transient loss of control of nervous system functions without satisfactory medical explanation of the cause.

"(C) A cardiovascular condition, limited to a one-time special issuance for each diagnosis of the following:

"(i) Myocardial infraction [sic].

"(ii) Coronary heart disease that has required treatment.

"(iii) Cardiac valve replacement.

"(iv) Heart replacement.

"(2) SPECIAL RULE FOR CARDIOVASCULAR CONDITIONS.—In the case of an individual with a cardiovascular condition, the process for obtaining an Authorization for Special Issuance of a Medical Certificate shall be satisfied with the successful completion of an appropriate clinical evaluation without a mandatory wait period.

"(3) SPECIAL RULE FOR MENTAL HEALTH CONDITIONS.—

"(A) IN GENERAL.—In the case of an individual with a clinically diagnosed mental health condition, the third-class medical certificate exemption under subsection (a) shall not apply if—

"(i) in the judgment of the individual's State-licensed medical specialist, the condition—

"(I) renders the individual unable to safely perform the duties or exercise the airman privileges described in subsection (a)(8); or

"(II) may reasonably be expected to make the individual unable to perform the duties or exercise the privileges described in subsection (a)(8); or

"(ii) the individual's driver's license is revoked by the issuing agency as a result of a clinically diagnosed mental health condition.

"(B) CERTIFICATION.—Subject to subparagraph (A), an individual clinically diagnosed with a mental health condition shall certify every 2 years, in conjunction with the certification under subsection

(c)(10)(C), that the individual is under the care of a State-licensed medical specialist for that mental health condition.

"(4) SPECIAL RULE FOR NEUROLOGICAL CONDITIONS.—

"(A) IN GENERAL.—In the case of an individual with a clinically diagnosed neurological condition, the third-class medical certificate exemption under subsection (a) shall not apply if—

"(i) in the judgment of the individual's State-licensed medical specialist, the condition—

"(I) renders the individual unable to safely perform the duties or exercise the airman privileges described in subsection (a)(8); or

"(II) may reasonably be expected to make the individual unable to perform the duties or exercise the privileges described in subsection (a)(8); or

"(ii) the individual's driver's license is revoked by the issuing agency as a result of a clinically diagnosed neurological condition.

"(B) CERTIFICATION.—Subject to subparagraph (A), an individual clinically diagnosed with a neurological condition shall certify every 2 years, in conjunction with the certification under subsection (c)(10)(C), that the individual is under the care of a State-licensed medical specialist for that neurological condition.

"(f) IDENTIFICATION OF ADDITIONAL MEDICAL CONDITIONS FOR CACI PROGRAM.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [July 15, 2016], the Administrator shall review and identify additional medical conditions that could be added to the program known as the Conditions AMEs Can Issue (CACI) program.

"(2) CONSULTATIONS.—In carrying out paragraph (1), the Administrator shall consult with aviation, medical, and union stakeholders.

"(3) REPORT REQUIRED.—Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report listing the medical conditions that have been added to the CACI program under paragraph (1).

"(g) EXPEDITED AUTHORIZATION FOR SPECIAL ISSUANCE OF A MEDICAL CERTIFICATE.—

"(1) IN GENERAL.—The Administrator shall implement procedures to expedite the process for obtaining an Authorization for Special Issuance of a Medical Certificate under section 67.401 of title 14, Code of Federal Regulations.

"(2) CONSULTATIONS.—In carrying out paragraph (1), the Administrator shall consult with aviation, medical, and union stakeholders.

"(3) REPORT REQUIRED.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report describing how the procedures implemented under paragraph (1) will streamline the process for obtaining an Authorization for Special Issuance of a Medical Certificate and reduce the amount of time needed to review and decide special issuance cases.

"(h) REPORT REQUIRED.—Not later than 4 years after the date of enactment of the FAA Reauthorization Act of 2024 [May 16, 2024], the Administrator, in coordination with the National Transportation Safety Board, shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report that describes the effect of the regulations issued or revised under subsection (a) and includes statistics with respect to changes in small aircraft activity and safety incidents.

"(i) PROHIBITION ON ENFORCEMENT ACTIONS.—Beginning on the date that is 1 year after the date of enactment of this Act, the Administrator may not take an enforcement action for not holding a valid third-class medical certificate against a pilot of a covered aircraft for a flight if the pilot and the flight meet, through a good faith effort, the applicable requirements under subsection (a), except paragraph (5) of that subsection, unless the Administrator has published final regulations in the Federal Register under that subsection.

"(j) COVERED AIRCRAFT DEFINED.—In this section, the term 'covered aircraft' means an aircraft that—

"(1) is authorized under Federal law to carry not more than 7 occupants;

"(2) has a maximum certificated takeoff weight of not more than 12,500 pounds; and

"(3) is not a transport category rotorcraft certified to airworthiness standards under part 29 of title 14, Code of Federal Regulations.

"(k) OPERATIONS COVERED.—The provisions and requirements covered in this section do not apply to pilots who elect to operate under the medical requirements under subsection (b) or subsection (c) of section

61.23 of title 14, Code of Federal Regulations.

"(l) AUTHORITY TO REQUIRE ADDITIONAL INFORMATION.—

"(1) IN GENERAL.—If the Administrator receives credible or urgent information, including from the National Driver Register or the Administrator's Safety Hotline, that reflects on an individual's ability to safely operate a covered aircraft under the third-class medical certificate exemption in subsection (a), the Administrator may require the individual to provide additional information or history so that the Administrator may determine whether the individual is safe to continue operating a covered aircraft.

"(2) USE OF INFORMATION.—The Administrator may use credible or urgent information received under paragraph (1) to request an individual to provide additional information or to take actions under section 44709(b) of title 49, United States Code."

[Pub. L. 118–63, title VIII, §828(b), (c), May 16, 2024, 138 Stat. 1336, provided that:

["(b) RULEMAKING.—The Administrator [of the Federal Aviation Administration] shall update regulations in parts 61 and 68 of title 14, Code of Federal Regulations, as necessary, to implement the amendments made by this section [amending section 2307 of Pub. L. 114–190, set out above].

["(c) APPLICABILITY.—Beginning on the date that is 180 days after the date of enactment of this Act [May 16, 2024], the Administrator shall apply parts 61 and 68, Code of Federal Regulations, in a manner reflecting the amendments made by this section."]

FEDERAL AVIATION ADMINISTRATION ENFORCEMENT PROCEEDINGS AND ELIMINATION OF DEFERENCE

Pub. L. 112–153, §2, Aug. 3, 2012, 126 Stat. 1159, as amended by Pub. L. 115–254, div. B, title III, §392, Oct. 5, 2018, 132 Stat. 3323; Pub. L. 118–63, title VIII, §807, May 16, 2024, 138 Stat. 1324, provided that:

"(a) IN GENERAL.—Any proceeding conducted under subpart C, D, or F of part 821 of title 49, Code of Federal Regulations, relating to denial, amendment, modification, suspension, or revocation of an airman certificate, shall be conducted, to the extent practicable, in accordance with the Federal Rules of Civil Procedure [28 U.S.C. App.] and the Federal Rules of Evidence [28 U.S.C. App.].

"(b) ACCESS TO INFORMATION.—

"(1) IN GENERAL.—Except as provided under paragraph (3), the Administrator of the Federal Aviation Administration (referred to in this section as the 'Administrator') shall provide timely, written notification to an individual who is the subject of an investigation relating to the approval, denial, suspension, modification, or revocation of an airman certificate under chapter 447 of title 49, United States Code.

"(2) INFORMATION REQUIRED.—The notification required under paragraph (1) shall inform the individual—

"(A) of the nature of the investigation and the specific activity on which the investigation is based;

"(B) that an oral or written response to a Letter of Investigation from the Administrator is not required;

"(C) that no action or adverse inference can be taken against the individual for declining to respond to a Letter of Investigation from the Administrator;

"(D) that any response to a Letter of Investigation from the Administrator or to an inquiry made by a representative of the Administrator by the individual may be used as evidence against the individual;

"(E) that the releasable portions of the Administrator's investigative report will be available to the individual; and

"(F) that the individual is entitled to access or otherwise obtain air traffic data described in paragraph (4).

"(3) EXCEPTION.—The Administrator may delay notification under paragraph (1) if the Administrator determines that such notification may threaten the integrity of the investigation.

"(4) ACCESS TO AIR TRAFFIC DATA.—

"(A) FAA AIR TRAFFIC DATA.—The Administrator shall provide an individual described in paragraph (1) with timely access to any air traffic data in the possession of the Federal Aviation Administration that would facilitate the individual's ability to productively participate in a proceeding relating to an investigation described in such paragraph.

"(B) AIR TRAFFIC DATA DEFINED.—As used in subparagraph (A), the term 'air traffic data' includes—

"(i) relevant air traffic communication tapes;

"(ii) radar information;

"(iii) air traffic controller statements;

"(iv) flight data;

"(v) investigative reports; and

"(vi) any other air traffic or flight data in the Federal Aviation Administration's possession that would facilitate the individual's ability to productively participate in the proceeding.

"(C) GOVERNMENT CONTRACTOR AIR TRAFFIC DATA.—

"(i) IN GENERAL.—Any individual described in paragraph (1) is entitled to obtain any air traffic data that would facilitate the individual's ability to productively participate in a proceeding relating to an investigation described in such paragraph from a government contractor that provides operational services to the Federal Aviation Administration, including control towers and flight service stations.

"(ii) REQUIRED INFORMATION FROM INDIVIDUAL.—The individual may obtain the information described in clause (i) by submitting a request to the Administrator that—

"(I) describes the facility at which such information is located; and

"(II) identifies the date on which such information was generated.

"(iii) PROVISION OF INFORMATION TO INDIVIDUAL.—If the Administrator receives a request under this subparagraph, the Administrator shall—

"(I) request the contractor to provide the requested information; and

"(II) upon receiving such information, transmitting the information to the requesting individual in a timely manner.

"(5) TIMING.—Except when the Administrator determines that an emergency exists under section 44709(e)(2) or 46105(c) [of title 49, United States Code], the Administrator may not proceed against an individual that is the subject of an investigation described in paragraph (1) during the 30-day period beginning on the date on which the air traffic data required under paragraph (4) is made available to the individual.

"(6) RESPONSE TO LETTER OF INVESTIGATION.—

"(A) IN GENERAL.—If an individual decides to respond to a Letter of Investigation described in paragraph (2)(B), such individual may respond not later than 30 days after receipt of such Letter, including providing written comments on the incident to the investigating office.

"(B) CONSTRUCTION.—Nothing in this paragraph shall be construed to diminish the authority of the Administrator (as of the day before the date of enactment of the FAA Reauthorization Act of 2024 [May 16, 2024]) to take emergency action relating to an airman certificate.

"(c) AMENDMENTS TO TITLE 49.—

"(1) AIRMAN CERTIFICATES.—[Amended this section.]

"(2) AMENDMENTS, MODIFICATIONS, SUSPENSIONS, AND REVOCATIONS OF CERTIFICATES.—[Amended section 44709 of this title.]

"(3) REVOCATION OF AIRMAN CERTIFICATES FOR CONTROLLED SUBSTANCE VIOLATIONS.—[Amended section 44710 of this title.]

"(d) APPEAL FROM CERTIFICATE ACTIONS.—

"(1) IN GENERAL.—Upon a decision by the National Transportation Safety Board upholding an order or a final decision by the Administrator denying an airman certificate under section 44703(d) of title 49, United States Code, or imposing a punitive civil action or an emergency order of revocation under subsections (d) and (e) of section 44709 of such title, an individual substantially affected by an order of the Board may, at the individual's election, file an appeal in the United States district court in which the individual resides or in which the action in question occurred, or in the United States District Court for the District of Columbia. If the individual substantially affected by an order of the Board elects not to file an appeal in a United States district court, the individual may file an appeal in an appropriate United States court of appeals.

"(2) EMERGENCY ORDER PENDING JUDICIAL REVIEW.—Subsequent to a decision by the Board to uphold an Administrator's emergency order under section 44709(e)(2) of title 49, United States Code, and absent a stay of the enforcement of that order by the Board, the emergency order of amendment, modification, suspension, or revocation of a certificate shall remain in effect, pending the exhaustion of an appeal to a Federal district court as provided in this Act [amending this section and sections 44709 and 44710 of this title and enacting provisions set out as notes under this section and sections 40101 and 44701 of this title].

"(e) STANDARD OF REVIEW.—

"(1) IN GENERAL.—In an appeal filed under subsection (d) in a United States district court, the district court shall give full independent review of a denial, suspension, or revocation ordered by the Administrator, including substantive independent and expedited review of any decision by the

Administrator to make such order effective immediately.

"(2) EVIDENCE.—A United States district court's review under paragraph (1) shall include in evidence any record of the proceeding before the Administrator and any record of the proceeding before the National Transportation Safety Board, including hearing testimony, transcripts, exhibits, decisions, and briefs submitted by the parties.

"(f) RELEASE OF INVESTIGATIVE REPORTS.—

"(1) IN GENERAL.—

"(A) EMERGENCY ORDERS.—In any proceeding conducted under part 821 of title 49, Code of Federal Regulations, relating to the amendment, modification, suspension, or revocation of an airman certificate, in which the Administrator issues an emergency order under subsections (d) and (e) of section 44709, section 44710, or section 46105(c) of title 49, United States Code, or another order that takes effect immediately, the Administrator shall provide, upon request, to the individual holding the airman certificate the releasable portion of the investigative report at the time the Administrator issues the order. If the complete Report of Investigation is not available at the time of the request, the Administrator shall issue all portions of the report that are available at the time and shall provide the full report not later than 5 days after its completion.

"(B) OTHER ORDERS.—In any nonemergency proceeding conducted under part 821 of title 49, Code of Federal Regulations, relating to the amendment, modification, suspension, or revocation of an airman certificate, in which the Administrator notifies the certificate holder of a proposed certificate action under subsections (b) and (c) of section 44709 or section 44710 of title 49, United States Code, the Administrator shall, upon the written request of the covered certificate holder and at any time after that notification, provide to the covered certificate holder the releasable portion of the investigative report.

"(2) MOTION FOR DISMISSAL.—If the Administrator does not provide the releasable portions of the investigative report to the individual holding the airman certificate subject to the proceeding referred to in paragraph (1) by the time required by that paragraph, the individual may move to dismiss the complaint of the Administrator or for other relief and, unless the Administrator establishes good cause for the failure to provide the investigative report or for a lack of timeliness, the administrative law judge shall order such relief as the judge considers appropriate.

"(3) RELEASABLE PORTION OF INVESTIGATIVE REPORT.—For purposes of paragraph (1), the releasable portion of an investigative report is all information in the report, except for the following:

"(A) Information that is privileged.

"(B) Information that constitutes work product or reflects internal deliberative process.

"(C) Information that would disclose the identity of a confidential source.

"(D) Information the disclosure of which is prohibited by any other provision of law.

"(E) Information that is not relevant to the subject matter of the proceeding.

"(F) Information the Administrator can demonstrate is withheld for good cause.

"(G) Sensitive security information, as defined in section 15.5 of title 49, Code of Federal Regulations (or any corresponding similar ruling or regulation).

"(4) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to prevent the Administrator from releasing to an individual subject to an investigation described in subsection (b)(1)—

"(A) information in addition to the information included in the releasable portion of the investigative report; or

"(B) a copy of the investigative report before the Administrator issues a complaint."

MEDICAL CERTIFICATION

Pub. L. 112–153, §4, Aug. 3, 2012, 126 Stat. 1162, provided that:

"(a) ASSESSMENT.—

"(1) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act [Aug. 3, 2012], the Comptroller General of the United States shall initiate an assessment of the Federal Aviation Administration's medical certification process and the associated medical standards and forms.

"(2) REPORT.—The Comptroller General shall submit a report to Congress based on the assessment required under paragraph (1) that examines—

"(A) revisions to the medical application form that would provide greater clarity and guidance to applicants;

"(B) the alignment of medical qualification policies with present-day qualified medical judgment and practices, as applied to an individual's medically relevant circumstances; and

"(C) steps that could be taken to promote the public's understanding of the medical requirements that determine an airman's medical certificate eligibility.

"(b) GOALS OF THE FEDERAL AVIATION ADMINISTRATION'S MEDICAL CERTIFICATION PROCESS.—The goals of the Federal Aviation Administration's medical certification process are—

"(1) to provide questions in the medical application form that—

"(A) are appropriate without being overly broad;

"(B) are subject to a minimum amount of misinterpretation and mistaken responses;

"(C) allow for consistent treatment and responses during the medical application process; and

"(D) avoid unnecessary allegations that an individual has intentionally falsified answers on the form;

"(2) to provide questions that elicit information that is relevant to making a determination of an individual's medical qualifications within the standards identified in the Administrator's regulations;

"(3) to give medical standards greater meaning by ensuring the information requested aligns with present-day medical judgment and practices; and

"(4) to ensure that—

"(A) the application of such medical standards provides an appropriate and fair evaluation of an individual's qualifications; and

"(B) the individual understands the basis for determining medical qualifications.

"(c) ADVICE FROM PRIVATE SECTOR GROUPS.—The Administrator shall establish a panel, which shall be comprised of representatives of relevant nonprofit and not-for-profit general aviation pilot groups, aviation medical examiners, and other qualified medical experts, to advise the Administrator in carrying out the goals of the assessment required under this section.

"(d) FEDERAL AVIATION ADMINISTRATION RESPONSE.—Not later than 1 year after the issuance of the report by the Comptroller General pursuant to subsection (a)(2), the Administrator shall take appropriate actions to respond to such report."

REEXAMINATION OF AN AIRMAN CERTIFICATE

Pub. L. 112–153, §5, as added by Pub. L. 118–63, title VIII, §801, May 16, 2024, 138 Stat. 1320, provided that:

"(a) IN GENERAL.—The Administrator shall provide timely, written notification to an individual subject to a reexamination of an airman certificate issued under chapter 447 of title 49, United States Code.

"(b) INFORMATION REQUIRED.—In providing notification under subsection (a), the Administrator shall inform the individual—

"(1) of the nature of the reexamination and the specific activity on which the reexamination is necessitated;

"(2) that the reexamination shall occur within 1 year from the date of the notice provided by the Administrator, however, if the reexamination is not conducted within 30 days, the Administrator may restrict passenger carrying operations;

"(3) that if such reexamination is not conducted after 1 year from date of notice, the airman certificate of the individual may be suspended or revoked; and

"(4) when, as determined by the Administrator, an oral or written response to the notification from the Administrator is not required.

"(c) EXCEPTION.—Nothing in this section prohibits the Administrator from reexamining a certificate holder if the Administrator has reasonable grounds—

"(1) to establish that an airman may not be qualified to exercise the privileges of a certificate or rating based upon an act or omission committed by the airman while exercising such privileges or performing ancillary duties associated with the exercise of such privileges; or

"(2) to demonstrate that the airman obtained such a certificate or rating through fraudulent means or through an examination that was inadequate to establish the qualifications of an airman.

"(d) STANDARD OF REVIEW.—An order issued by the Administrator to amend, modify, suspend, or revoke an airman certificate after reexamination of the airman is subject to the standard of review provided for under section 2 of this Act [Pub. L. 112–153, set out as a note above]."

IMPROVED PILOT LICENSES

Pub. L. 112–95, title III, §321, Feb. 14, 2012, 126 Stat. 71, which related to the issuance by the Administrator of the Federal Aviation Administration of improved pilot licenses and required reports to Congress, was repealed by Pub. L. 118–63, title II, §218(j)(2), May 16, 2024, 138 Stat. 1056.

Pub. L. 108–458, title IV, §4022, Dec. 17, 2004, 118 Stat. 3723, which related to the issuance of improved pilot licenses, was repealed by Pub. L. 118–63, title II, §218(j)(1), May 16, 2024, 138 Stat. 1056.

CREDITING OF LAW ENFORCEMENT FLIGHT TIME

Pub. L. 106–424, §14, Nov. 1, 2000, 114 Stat. 1888, provided that: "In determining whether an individual meets the aeronautical experience requirements imposed under section 44703 of title 49, United States Code, for an airman certificate or rating, the Secretary of Transportation shall take into account any time spent by that individual operating a public aircraft as defined in section 40102 of title 49, United States Code, if that aircraft is—

"(1) identifiable by category and class; and

"(2) used in law enforcement activities."

[1] *See Termination Date note below.*

§44704. Type certificates, production certificates, airworthiness certificates, and design and production organization certificates

(a) TYPE CERTIFICATES.—

(1) ISSUANCE, INVESTIGATIONS, AND TESTS.—The Administrator of the Federal Aviation Administration shall issue a type certificate for an aircraft, aircraft engine, or propeller, or for an appliance specified under paragraph (2)(A) of this subsection when the Administrator finds that the aircraft, aircraft engine, propeller, or appliance is properly designed and manufactured, performs properly, and meets the regulations and minimum standards prescribed under section 44701(a) of this title. On receiving an application for a type certificate, the Administrator shall investigate the application and may conduct a hearing. The Administrator shall make, or require the applicant to make, tests the Administrator considers necessary in the interest of safety.

(2) SPECIFICATIONS.—The Administrator may—

(A) specify in regulations those appliances that reasonably require a type certificate in the interest of safety;

(B) include in a type certificate terms required in the interest of safety; and

(C) record on the certificate a numerical specification of the essential factors related to the performance of the aircraft, aircraft engine, or propeller for which the certificate is issued.

(3) SPECIAL RULES FOR NEW AIRCRAFT AND APPLIANCES.—Except as provided in paragraph (4), if the holder of a type certificate agrees to permit another person to use the certificate to manufacture a new aircraft, aircraft engine, propeller, or appliance, the holder shall provide the other person with written evidence, in a form acceptable to the Administrator, of that agreement. Such other person may manufacture a new aircraft, aircraft engine, propeller, or appliance based on a type certificate only if such other person is the holder of the type certificate or has permission from the holder.

(4) LIMITATION FOR AIRCRAFT MANUFACTURED BEFORE AUGUST 5, 2004 .—Paragraph (3) shall not apply to a person who began the manufacture of an aircraft before August 5, 2004, and who demonstrates to the satisfaction of the Administrator that such manufacture began before August 5, 2004, if the name of the holder of the type certificate for the aircraft does not appear on the airworthiness certificate or identification plate of the aircraft. The holder of the type certificate for the aircraft shall not be responsible for the continued airworthiness of the aircraft. A person may invoke the exception provided by this paragraph with regard to the manufacture of only one aircraft.

(5) RELEASE OF DATA.—

(A) IN GENERAL.—Notwithstanding any other provision of law, the Administrator may make available upon request, to a person seeking to maintain the airworthiness or develop product improvements of an aircraft, engine, propeller, or appliance, engineering data in the possession of the Administration relating to a type certificate or a supplemental type certificate for such aircraft, engine, propeller, or appliance, without the consent of the owner of record, if the Administrator determines that—

(i) the certificate containing the requested data has been inactive for 3 or more years,

except that the Administrator may reduce this time if required to address an unsafe condition associated with the product;

(ii) after using due diligence, the Administrator is unable to find the owner of record, or the owner of record's heir, of the type certificate or supplemental type certificate; and

(iii) making such data available will enhance aviation safety.

(B) ENGINEERING DATA DEFINED.—In this section, the term "engineering data" as used with respect to an aircraft, engine, propeller, or appliance means type design drawing and specifications for the entire aircraft, engine, propeller, or appliance or change to the aircraft, engine, propeller, or appliance, including the original design data, and any associated supplier data for individual parts or components approved as part of the particular certificate for the aircraft, engine, propeller, or appliance.

(C) REQUIREMENT TO MAINTAIN DATA.—The Administrator shall maintain engineering data in the possession of the Administration relating to a type certificate or a supplemental type certificate that has been inactive for 3 or more years.

(6) SUBMISSION OF DATA.—When an applicant submits design data to the Administrator for a finding of compliance as part of an application for a type certificate, the applicant shall certify to the Administrator that—

(A) the submitted design data demonstrates compliance with the applicable airworthiness standards; and

(B) any airworthiness standards not complied with are compensated for by factors that provide an equivalent level of safety, as agreed upon by the Administrator.

(b) SUPPLEMENTAL TYPE CERTIFICATES.—

(1) ISSUANCE.—The Administrator may issue a type certificate designated as a supplemental type certificate for a change to an aircraft, aircraft engine, propeller, or appliance.

(2) CONTENTS.—A supplemental type certificate issued under paragraph (1) shall consist of the change to the aircraft, aircraft engine, propeller, or appliance with respect to the previously issued type certificate for the aircraft, aircraft engine, propeller, or appliance.

(3) REQUIREMENT.—If the holder of a supplemental type certificate agrees to permit another person to use the certificate to modify an aircraft, aircraft engine, propeller, or appliance, the holder shall provide the other person with written evidence, in a form acceptable to the Administrator, of that agreement. A person may change an aircraft, aircraft engine, propeller, or appliance based on a supplemental type certificate only if the person requesting the change is the holder of the supplemental type certificate or has permission from the holder to make the change.

(c) PRODUCTION CERTIFICATES.—The Administrator shall issue a production certificate authorizing the production of a duplicate of an aircraft, aircraft engine, propeller, or appliance for which a type certificate has been issued when the Administrator finds the duplicate will conform to the certificate. On receiving an application, the Administrator shall inspect, and may require testing of, a duplicate to ensure that it conforms to the requirements of the certificate. The Administrator may include in a production certificate terms required in the interest of safety.

(d) AIRWORTHINESS CERTIFICATES.—(1) The registered owner of an aircraft may apply to the Administrator for an airworthiness certificate for the aircraft. The Administrator shall issue an airworthiness certificate when the Administrator finds that the aircraft conforms to its type certificate and, after inspection, is in condition for safe operation. The Administrator shall register each airworthiness certificate and may include appropriate information in the certificate. The certificate number or other individual designation the Administrator requires shall be displayed on the aircraft. The Administrator may include in an airworthiness certificate terms required in the interest of safety.

(2) A person applying for the issuance or renewal of an airworthiness certificate for an aircraft for which ownership has not been recorded under section 44107 or 44110 of this title must submit with the application information related to the ownership of the aircraft the Administrator decides is

necessary to identify each person having a property interest in the aircraft and the kind and extent of the interest.

(3) NONCONFORMITY WITH APPROVED TYPE DESIGN.—

(A) IN GENERAL.—Consistent with the requirements of paragraph (1), a holder of a production certificate for an aircraft may not present a nonconforming aircraft, either directly or through the registered owner of such aircraft or a person described in paragraph (2), to the Administrator for issuance of an initial airworthiness certificate.

(B) CIVIL PENALTY.—Notwithstanding section 46301, a production certificate holder who knowingly violates subparagraph (A) shall be liable to the Administrator for a civil penalty of not more than $1,000,000 for each nonconforming aircraft.

(C) PENALTY CONSIDERATIONS.—In determining the amount of a civil penalty under subparagraph (B), the Administrator shall consider—

(i) the nature, circumstances, extent, and gravity of the violation, including the length of time the nonconformity was known by the holder of a production certificate but not disclosed; and

(ii) with respect to the violator, the degree of culpability, any history of prior violations, and the size of the business concern.

(D) NONCONFORMING AIRCRAFT DEFINED.—In this paragraph, the term "nonconforming aircraft" means an aircraft that does not conform to the approved type design for such aircraft type.

(e) DISCLOSURE OF SAFETY CRITICAL INFORMATION.—

(1) IN GENERAL.—Notwithstanding a delegation described in section 44702(d), the Administrator shall require an applicant for, or holder of, a type certificate for a transport category airplane covered under part 25 of title 14, Code of Federal Regulations, to submit safety critical information with respect to such airplane to the Administrator in such form, manner, or time as the Administrator may require. Such safety critical information shall include—

(A) any design and operational details, intended functions, and failure modes of any system that, without being commanded by the flight crew, commands the operation of any safety critical function or feature required for control of an airplane during flight or that otherwise changes the flight path or airspeed of an airplane;

(B) the design and operational details, intended functions, failure modes, and mode annunciations of autopilot and autothrottle systems, if applicable;

(C) any failure or operating condition that the applicant or holder anticipates or has concluded would result in an outcome with a severity level of hazardous or catastrophic, as defined in the appropriate Administration airworthiness requirements and guidance applicable to transport category airplanes defining risk severity;

(D) any adverse handling quality that fails to meet the requirements of applicable regulations without the addition of a software system to augment the flight controls of the airplane to produce compliant handling qualities; and

(E) a system safety assessment with respect to a system described in subparagraph (A) or (B) or with respect to any component or other system for which failure or erroneous operation of such component or system could result in an outcome with a severity level of hazardous or catastrophic, as defined in the appropriate Administration airworthiness requirements and guidance applicable to transport category airplanes defining risk severity.

(2) ONGOING COMMUNICATIONS.—

(A) NEWLY DISCOVERED INFORMATION.—The Administrator shall require that an applicant for, or holder of, a type certificate disclose to the Administrator, in such form, manner, or time as the Administrator may require, any newly discovered information or design or analysis change that would materially alter any submission to the Administrator under paragraph (1).

(B) SYSTEM DEVELOPMENT CHANGES.—The Administrator shall establish multiple

milestones throughout the certification process at which a proposed airplane system will be assessed to determine whether any change to such system during the certification process is such that such system should be considered novel or unusual by the Administrator.

(3) FLIGHT MANUALS.—The Administrator shall ensure that an airplane flight manual and a flight crew operating manual (as appropriate or applicable) for an airplane contains a description of the operation of a system described in paragraph (1)(A) and flight crew procedures for responding to a failure or aberrant operation of such system.

(4) CIVIL PENALTY.—

(A) AMOUNT.—Notwithstanding section 46301, an applicant for, or holder of, a type certificate that knowingly violates paragraph (1), (2), or (3) of this subsection shall be liable to the Administrator for a civil penalty of not more than $1,000,000 for each violation.

(B) PENALTY CONSIDERATIONS.—In determining the amount of a civil penalty under subparagraph (A), the Administrator shall consider—

(i) the nature, circumstances, extent, and gravity of the violation, including the length of time that such safety critical information was known but not disclosed; and

(ii) with respect to the violator, the degree of culpability, any history of prior violations, and the size of the business concern.

(5) REVOCATION AND CIVIL PENALTY FOR INDIVIDUALS.—

(A) IN GENERAL.—The Administrator shall revoke any airline transport pilot certificate issued under section 44703 held by any individual who, while acting on behalf of an applicant for, or holder of, a type certificate, knowingly makes a false statement with respect to any of the matters described in subparagraphs (A) through (E) of paragraph (1).

(B) AUTHORITY TO IMPOSE CIVIL PENALTY.—The Administrator may impose a civil penalty under section 46301 for each violation described in subparagraph (A).

(6) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to affect or otherwise inhibit the authority of the Administrator to deny an application by an applicant for a type certificate or to revoke or amend a type certificate of a holder of such certificate.

(7) DEFINITION OF TYPE CERTIFICATE.—In this subsection, the term "type certificate"—

(A) means a type certificate issued under subsection (a) or an amendment to such certificate; and

(B) does not include a supplemental type certificate issued under subsection (b).

(f) HEARING REQUIREMENT.—The Administrator may find that a person has violated subsection (d)(3) or paragraph (1), (2), or (3) of subsection (e) and impose a civil penalty under the applicable subsection only after notice and an opportunity for a hearing. The Administrator shall provide a person—

(1) written notice of the violation and the amount of penalty; and

(2) the opportunity for a hearing under subpart G of part 13 of title 14, Code of Federal Regulations.

(g) CERTIFICATION DISPUTE RESOLUTION.—

(1) DISPUTE RESOLUTION PROCESS AND APPEALS.—

(A) IN GENERAL.—Not later than 60 days after the date of enactment of this subsection, the Administrator shall issue an order establishing—

(i) an effective, timely, and milestone-based issue resolution process for type certification activities under subsection (a); and

(ii) a process by which a decision, finding of compliance or noncompliance, or other act of the Administration, with respect to compliance with design requirements, may be appealed by

a covered person directly involved with the certification activities in dispute on the basis that such decision, finding, or act is erroneous or inconsistent with this chapter, regulations, or guidance materials promulgated by the Administrator, or other requirements.

(B) ESCALATION.—The order issued under subparagraph (A) shall provide processes for—

(i) resolution of technical issues at pre-established stages of the certification process, as agreed to by the Administrator and the type certificate applicant;

(ii) automatic elevation to appropriate management personnel of the Administration and the type certificate applicant of any major certification process milestone that is not completed or resolved within a specific period of time agreed to by the Administrator and the type certificate applicant;

(iii) resolution of a major certification process milestone elevated pursuant to clause (ii) within a specific period of time agreed to by the Administrator and the type certificate applicant;

(iv) initial review by appropriate Administration employees of any appeal described in subparagraph (A)(ii); and

(v) subsequent review of any further appeal by appropriate management personnel of the Administration and the Associate Administrator for Aviation Safety.

(C) DISPOSITION.—

(i) WRITTEN DECISION.—The Associate Administrator for Aviation Safety shall issue a written decision that states the grounds for the decision of the Associate Administrator on—

(I) each appeal submitted under subparagraph (A)(ii); and

(II) An appeal to the Associate Administrator submitted under subparagraph (B)(v).

(ii) REPORT TO CONGRESS.—Not later than December 31 of each calendar year through calendar year 2028, the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report summarizing each appeal resolved under this subsection.

(D) FINAL REVIEW.—

(i) IN GENERAL.—A written decision of the Associate Administrator under subparagraph (C) may be appealed to the Administrator for a final review and determination.

(ii) DECLINE TO REVIEW.—The Administrator may decline to review an appeal initiated pursuant to clause (i).

(iii) JUDICIAL REVIEW.—No decision under this paragraph (including a decision to decline to review an appeal) shall be subject to judicial review.

(2) PROHIBITED CONTACTS.—

(A) PROHIBITION GENERALLY.—During the course of an appeal under this subsection, no covered official may engage in an ex parte communication (as defined in section 551 of title 5) with an individual representing or acting on behalf of an applicant for, or holder of, a certificate under this section in relation to such appeal unless such communication is disclosed pursuant to subparagraph (B).

(B) DISCLOSURE.—If, during the course of an appeal under this subsection, a covered official engages in, receives, or is otherwise made aware of an ex parte communication, the covered official shall disclose such communication in the public record at the time of the issuance of the written decision under paragraph (1)(C), including the time and date of the communication, subject of communication, and all persons engaged in such communication.

(3) DEFINITIONS.—In this subsection:

(A) COVERED PERSON.—The term "covered person" means either—

(i) an employee of the Administration whose responsibilities relate to the certification of aircraft, engines, propellers, or appliances; or

(ii) an applicant for, or holder of, a type certificate or amended type certificate issued under this section.

(B) COVERED OFFICIAL.—The term "covered official" means the following officials:

(i) The Executive Director or any Deputy Director of the Aircraft Certification Service.

(ii) The Deputy Executive Director for Regulatory Operations of the Aircraft Certification Service.

(iii) The Director or Deputy Director of the Compliance and Airworthiness Division of the Aircraft Certification Service.

(iv) The Director or Deputy Director of the System Oversight Division of the Aircraft Certification Service.

(v) The Director or Deputy Director of the Policy and Innovation Division of the Aircraft Certification Service.

(vi) The Executive Director or any Deputy Executive Director of the Flight Standards Service.

(vii) The Associate Administrator or Deputy Associate Administrator for Aviation Safety.

(viii) The Deputy Administrator of the Federal Aviation Administration.

(ix) The Administrator of the Federal Aviation Administration.

(x) Any similarly situated or successor FAA management position to those described in clauses (i) through (ix), as determined by the Administrator.

(C) MAJOR CERTIFICATION PROCESS MILESTONE.—The term "major certification process milestone" means a milestone related to the type certification basis, type certification plan, type inspection authorization, issue paper, or other major type certification activity agreed to by the Administrator and the type certificate applicant.

(4) RULE OF CONSTRUCTION.—Nothing in this subsection shall apply to the communication of a good-faith complaint by any individual alleging—

(A) gross misconduct;

(B) a violation of title 18; or

(C) a violation of any of the provisions of part 2635 or 6001 of title 5, Code of Federal Regulations.

In subsections (a)–(c)(1), the word "Administrator" in section 603 of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 776) is retained on authority of 49:106(g).

In subsection (a)(1), the text of 49 App.:1423(a)(2) (1st sentence 1st–16th words) and the words "in regulations" are omitted as surplus. The words "properly designed and manufactured, performs properly" are substituted for "of proper design, material, specification, construction, and performance for safe operation" to eliminate unnecessary words. The word "rules" is omitted as being synonymous with "regulations". The words "under section 44701(a) of this title" and "for a type certificate" are added for clarity. The words "including flight tests and tests of raw materials or any part or appurtenance of such aircraft, aircraft engine, propeller, or appliance" are omitted as surplus.

In subsection (a)(2)(A), the words "issuance of" are omitted as surplus.

In subsection (a)(2)(B), the words "the duration thereof and such other" are omitted as surplus. The words "conditions, and limitations" are omitted as being included in "terms".

In subsection (a)(2)(C), the words "issued for aircraft, aircraft engines, or propellers" and "all of" are omitted as surplus. The word "specification" is substituted for "determination" for clarity.

In subsection (b), the word "satisfactorily" is omitted as surplus. The words "shall inspect, and may require testing of, a duplicate to ensure that it conforms to the requirements of the certificate" are substituted for "shall make such inspection and may require such tests of any aircraft, aircraft engine, propeller, or appliance manufactured under a production certificate as may be necessary to assure manufacture of each unit in conformity with the type certificate or any amendment or modification thereof" to eliminate unnecessary words. The words "the duration thereof and such other . . . conditions, and limitations" are omitted as surplus.

In subsection (c)(1), the words "may apply to" are substituted for "may file with . . . an application" to eliminate unnecessary words. The words "in accordance with regulations prescribed by the Secretary of Transportation" are omitted because of 49:322(a). The words "the duration of such certificate, the type of service for which the aircraft may be used, and such other . . . conditions, and limitations" are omitted as surplus.

In subsection (c)(2), the words "having a property interest" are substituted for "who are holders of property interests" to eliminate unnecessary words.

EDITORIAL NOTES

REFERENCES IN TEXT

The date of enactment of this subsection, referred to in subsec. (g)(1)(A), is the date of enactment of Pub. L. 116–260, which was approved Dec. 27, 2020.

AMENDMENTS

2024—Subsec. (a)(6). Pub. L. 118–63, §343(a), added par. (6).

Subsec. (f). Pub. L. 118–63, §1101(k), substituted "subsection (d)(3)" for "subsection (a)(6)" in introductory

provisions.

Subsec. (g)(1)(C)(ii). Pub. L. 118–63, §306(c), substituted "calendar year 2028" for "calendar year 2025".

2020—Subsec. (a)(6). Pub. L. 116–260, §110(b), struck out par. (6) which related to type certification resolution process.

Subsec. (d)(3). Pub. L. 116–260, §120, added par. (3).

Subsec. (e). Pub. L. 116–260, §105(a), added subsec. (e) and struck out former subsec. (e) which related to design and production organization certificates.

Subsec. (f). Pub. L. 116–260, §105(b), added subsec. (f).

Subsec. (g). Pub. L. 116–260, §110(a), added subsec. (g).

2018—Pub. L. 115–254, §214(b), substituted "airworthiness certificates," for "airworthiness certificates,," in section catchline.

Subsec. (a)(6). Pub. L. 115–254, §214(a), added par. (6).

2012—Pub. L. 112–95, §303(c)(1), substituted ", and design and production organization certificates" for "and design organization certificates" in section catchline.

Subsec. (a)(5). Pub. L. 112–95, §302, added par. (5).

Subsec. (e). Pub. L. 112–95, §303(a), amended subsec. (e) generally. Prior to amendment, subsec. (e) related to design organization certificates.

2005—Subsec. (a)(1) to (3). Pub. L. 109–59, §4405(1)–(3), (5), (6), inserted par. headings, realigned margins, and substituted "Except as provided in paragraph (4), if" for "If" in par. (3).

Subsec. (a)(4). Pub. L. 109–59, §4405(4), added par. (4).

2003—Pub. L. 108–176, §227(e)(1), added section catchline and struck out former section catchline which read as follows: "Type certificates, production certificates, and airworthiness certificates".

Subsec. (a)(3). Pub. L. 108–176, §811, added par. (3).

Subsec. (e). Pub. L. 108–176, §227(b)(2), added subsec. (e).

1996—Subsecs. (b) to (d). Pub. L. 104–264 added subsec. (b) and redesignated former subsecs. (b) and (c) as (c) and (d), respectively.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

USE OF ADVANCED TOOLS AND HIGH-RISK FLIGHT TESTING IN CERTIFYING AEROSPACE PRODUCTS

Pub. L. 118–63, title III, §311, May 16, 2024, 138 Stat. 1074, provided that:

"(a) ASSESSMENT.—Not later than 18 months after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall complete an assessment of the use of advanced tools during the testing, analysis, and verification stages of aerospace certification projects to reduce the risks associated with high-risk flight profiles and performing limit testing.

"(b) CONSIDERATIONS.—In carrying out the assessment under subsection (a), the Administrator shall consider—

"(1) instances in which high-risk flight profiles and limit testing have occurred in the certification process and the applicability of the data produced by such testing for use in other aspects of flight testing;

"(2) the safety of pilots during such testing;

"(3) the value and accuracy of data collected using the advanced tools described in subsection (a);

"(4) the ability to produce more extensive data sets using such advanced tools;

"(5) any aspects of such testing for which the use of such advanced tools would not be valuable or applicable;

"(6) the cost of using such advanced tools; and

"(7) the best practices of other international civil aviation authorities that permit the use of advanced tools during aerospace certification projects.

"(c) CONSULTATION.—In carrying out the assessment under subsection (a), the Administrator shall consult with—

"(1) aircraft manufacturers, including manufacturers that have designed and certified aircraft under—

"(A) part 23 of title 14, Code of Federal Regulations;

"(B) part 25 of such title; or

"(C) part 27 of such title;

"(2) aircraft manufacturers that have designed and certified, or are in the process of certifying, aircraft with a novel design under part 21.17(b) of such title;

"(3) associations representing aircraft manufacturers;

"(4) researchers and academics in related fields; and

"(5) pilots who are experts in flight testing.

"(d) CONGRESSIONAL REPORT.—Not later than 60 days after the completion of the assessment under subsection (a), the Administrator shall brief the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] on the results of the assessment conducted under subsection (a).

"(e) REQUIRED UPDATES.—

"(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Administrator shall take necessary actions based on the results of the assessment under subsection (a), including, as appropriate—

"(A) amending part 21 of title 14, Code of Federal Regulations; and

"(B) modifying any associated advisory circulars, guidance, or policy of the FAA [Federal Aviation Administration].

"(2) REQUIREMENTS.—In taking actions under paragraph (1), the Administrator shall consider—

"(A) developing validation criteria and procedures whereby data produced in high-fidelity engineering laboratories and facilities may be allowed (in conjunction with, or in lieu of) data produced on a flying test article to support an applicant's showing of compliance required under section 21.35(a)(1) of title 14, Code of Federal Regulations;

"(B) developing criteria and procedures whereby an Organization Designation Authorization (as defined in section 44736(c)(5) of title 49, United States Code) may recommend that certain data produced during an applicant's flight test program may be accepted by the FAA as final compliance data in accordance with section 21.35(b) of title 14, Code of Federal Regulations, at the sole discretion of the FAA; and

"(C) working with other international civil aviation authorities representing States of Design to—

"(i) identify their best practices relative to high risk-flight testing; and

"(ii) adopt such practices into the flight-testing requirements of the FAA to the maximum extent practicable."

TRANSPORT AIRPLANE AND PROPULSION CERTIFICATION MODERNIZATION

Pub. L. 118–63, title III, §312, May 16, 2024, 138 Stat. 1076, provided that: "Not later than 2 years after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall publish a notice of proposed rulemaking for the item titled 'Transport Airplane and Propulsion Certification Modernization', published in Fall 2022 in the Unified Agenda of Federal Regulatory and Deregulatory Actions (RIN 2120–AL42)."

INSTRUCTIONS FOR CONTINUED AIRWORTHINESS AVIATION RULEMAKING COMMITTEE

Pub. L. 118–63, title III, §349, May 16, 2024, 138 Stat. 1109, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall convene an aviation rulemaking committee to review, and develop findings and recommendations regarding, instructions for continued airworthiness (as described in section 21.50 of title 14, Code of Federal Regulations), and provide to the Administrator a report on such findings and recommendations and for other related purposes as determined by the Administrator.

"(b) COMPOSITION.—The aviation rulemaking committee established pursuant to subsection (a) shall consist of members appointed by the Administrator, including representatives of—

"(1) holders of type certificates (as described in subpart B of part 21, title 14, Code of Federal Regulations);

"(2) holders of production certificates (as described in subpart G of part 21, title 14, Code of Federal Regulations);

"(3) holders of parts manufacturer approvals (as described in subpart K of part 21, title 14, Code of

Federal Regulations);

"(4) holders of technical standard order authorizations (as described in subpart O of part 21, title 14, Code of Federal Regulations);

"(5) operators under parts 121, 125, or 135 of title 14, Code of Federal Regulations;

"(6) holders of repair station certificates (as described in section 145 of title 14, Code of Federal Regulations) that are not also type certificate holders as included under paragraph (1), production certificate holders as included under paragraph (2), or aircraft operators as included under paragraph (5) (or associated with any such entities);

"(7) the certified bargaining representative of aviation safety inspectors and engineers for the Administration;

"(8) general aviation operators;

"(9) mechanics certificated under part 65 of title 14, Code of Federal Regulations;

"(10) holders of supplemental type certificates (as described in subpart E of part 21 of title 14, Code of Federal Regulations);

"(11) designated engineering representatives employed by repair stations described in paragraph (6); and

"(12) aviation safety experts with specific knowledge of instructions for continued airworthiness policies and regulations.

"(c) CONSIDERATIONS.—The aviation rulemaking committee established pursuant to subsection (a) shall consider—

"(1) existing standards, regulations, certifications, assessments, and guidance related to instructions for continued airworthiness and the clarity of such standards, regulations, certifications, assessments, and guidance to all parties;

"(2) the sufficiency of safety data used in preparing instructions for continued airworthiness;

"(3) the sufficiency of maintenance data used in preparing instructions for continued airworthiness;

"(4) the protection of proprietary information and intellectual property in instructions for continued airworthiness;

"(5) the availability of instructions for continued airworthiness, as needed, for maintenance activities;

"(6) the need to harmonize or deconflict proposed and existing regulations with other Federal regulations, guidance, and policies;

"(7) international collaboration, where appropriate and consistent with the interests of safety in air commerce and national security, with other civil aviation authorities, international aviation and standards organizations, and any other appropriate entities; and

"(8) any other matter the Administrator determines appropriate.

"(d) DUTIES.—The Administrator shall—

"(1) not later than 1 year after the date of enactment of this Act [May 16, 2024], submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a copy of the aviation rulemaking committee report under subsection (a); and

"(2) not later than 180 days after the date of submission of the report under paragraph (1), initiate a rulemaking activity or make such policy and guidance updates necessary to address any consensus recommendations reached by the aviation rulemaking committee established pursuant to subsection (a), as determined appropriate by the Administrator."

WILDFIRE SUPPRESSION

Pub. L. 118–63, title III, §360, May 16, 2024, 138 Stat. 1120, provided that:

"(a) IN GENERAL.—Not later than 18 months after the date of enactment of this Act [May 16, 2024], to ensure that sufficient firefighting resources are available to suppress wildfires and protect public safety and property, and notwithstanding any other provision of law or agency regulation, the Administrator [of the Federal Aviation Administration] shall issue a rule under which—

"(1) an operation described in section 21.25(b)(7) of title 14, Code of Federal Regulations, shall allow for the transport of firefighters to and from the site of a wildfire to perform ground wildfire suppression and designate the firefighters conducting such an operation as essential crewmembers on board a covered aircraft operated on a mission to suppress wildfire;

"(2) the aircraft maintenance, inspections, and pilot training requirements under part 135 of such title 14 may apply to such an operation, if determined by the Administrator to be necessary to maintain the safety of firefighters carrying out wildfire suppression missions; and

"(3) the noise standards described in part 36 of such title 14 shall not apply to such an operation.

"(b) SURPLUS MILITARY AIRCRAFT.—In issuing a rule under subsection (a), the Administrator may not enable any aircraft of a type that has been—

"(1) manufactured in accordance with the requirements of, and accepted for use by, the armed forces (as defined in section 101 of title 10, United States Code); and

"(2) later modified to be used for wildfire suppression operations.

"(c) CONFORMING AMENDMENTS TO FAA DOCUMENTS.—In issuing a rule under subsection (a), the Administrator shall revise the order of the FAA [Federal Aviation Administration] titled 'Restricted Category Type Certification', issued on February 27, 2006 (FAA Order 8110.56), as well as any corresponding policy or guidance material, to reflect the requirements of this section.

"(d) SAVINGS PROVISION.—Nothing in this section shall be construed to limit the authority of the Administrator to take action otherwise authorized by law to protect aviation safety or passenger safety.

"(e) DEFINITIONS.—In this section:

"(1) COVERED AIRCRAFT.—The term 'covered aircraft' means an aircraft type-certificated in the restricted category under section 21.25 of title 14, Code of Federal Regulations, used for transporting firefighters to and from the site of a wildfire in order to perform ground wildfire suppression for the purpose of extinguishing a wildfire on behalf of, or pursuant to a contract with, a Federal, State, or local government agency.

"(2) FIREFIGHTERS.—The term 'firefighters' means a trained fire suppression professional the transport of whom is necessary to accomplish a wildfire suppression operation."

REQUIRED SUBMISSION OF OUTLINE OF SYSTEM CHANGES AT THE BEGINNING OF THE CERTIFICATION PROCESS

Pub. L. 116–260, div. V, title I, §105(c), Dec. 27, 2020, 134 Stat. 2319, provided that:

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this title [Dec. 27, 2020], the Administrator shall initiate a process to revise procedures to require an applicant for an amendment to a type certificate for a transport category aircraft to disclose to the Administrator, in a single document submitted at the beginning of the process for amending such certificate, all new systems and intended changes to existing systems then known to such applicant. The Administrator shall finalize the revision of such procedures not later than 18 months after initiating such process.

"(2) APPLICATION.—Compliance with the procedures revised pursuant to paragraph (1) shall not preclude an applicant from making additional changes to aircraft systems as the design and application process proceeds.

"(3) SAVINGS PROVISION.—Nothing in this subsection may be construed to limit the obligations of an applicant for an amended type certificate for a transport category airplane under section 44704(e) of title 49, United States Code, as amended in this title."

[For definitions of "Administrator" and "type certificate" as used in section 105(c) of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

INTEGRATED PROJECT TEAMS

Pub. L. 116–260, div. V, title I, §108, Dec. 27, 2020, 134 Stat. 2326, as amended by Pub. L. 118–63, title III, §306(b), May 16, 2024, 138 Stat. 1072, provided that:

"(a) IN GENERAL.—Upon receipt of an application for a type certificate for a transport category airplane, the Administrator shall convene an interdisciplinary integrated project team responsible for coordinating review and providing advice and recommendations, as appropriate, to the Administrator on such application.

"(b) MEMBERSHIP.—In convening an interdisciplinary integrated project team under subsection (a), the Administrator shall appoint employees of the Administration or other Federal agencies, such as the Air Force, Volpe National Transportation Systems Center, or the National Aeronautics and Space Administration (with the concurrence of the head of such other Federal agency), with specialized expertise and experience in the fields of engineering, systems design, human factors, and pilot training, including, at a minimum—

"(1) not less than 1 designee of the Associate Administrator for Aviation Safety whose duty station is in the Administration's headquarters;

"(2) representatives of the Aircraft Certification Service of the Administration;

"(3) representatives of the Flight Standards Service of the Administration;

"(4) experts in the fields of human factors, aerodynamics, flight controls, software, and systems design; and

"(5) any other subject matter expert whom the Administrator determines appropriate.

"(c) AVAILABILITY.—In order to carry out its duties with respect to the areas specified in subsection (d), a project team shall be available to the Administrator, upon request, at any time during the certification

process.

"(d) DUTIES.—A project team shall advise the Administrator and make written recommendations to the Administrator, to be retained in the certification project file, including recommendations for any plans, analyses, assessments, and reports required to support and document the certification project, in the following areas associated with a new technology or novel design:

"(1) Initial review of design proposals proposed by the applicant and the establishment of the certification basis.

"(2) Identification of new technology, novel design, or safety critical design features or systems that are potentially catastrophic, either alone or in combination with another failure.

"(3) Determination of compliance findings, system safety assessments, and safety critical functions the Administration should retain in terms of new technology, novel design, or safety critical design features or systems.

"(4) Evaluation of the Administration's expertise or experience necessary to support the project.

"(5) Review and evaluation of an applicant's request for exceptions or exemptions from compliance with airworthiness standards codified in title 14 of the Code of Federal Regulations, as in effect on the date of application for the change.

"(6) Conduct of design reviews, procedure evaluations, and training evaluations.

"(7) Review of the applicant's final design documentation and other data to evaluate compliance with all relevant Administration regulations.

"(e) DOCUMENTATION OF FAA RESPONSE.—The Administrator shall provide a written response to each recommendation of each project team and shall retain such response in the certification project file.

"(f) REPORT.—Not later than 1 year after the date of enactment of this section [Dec. 27, 2020], and annually thereafter through fiscal year 2028, the Administrator shall submit to the congressional committees of jurisdiction a report on the establishment of each integrated project team in accordance with this section during such fiscal year, including the role and composition of each such project team."

[For definitions of terms used in section 108 of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

EMPLOYMENT RESTRICTIONS: DISQUALIFICATION BASED ON PRIOR EMPLOYMENT

Pub. L. 116–260, div. V, title I, §111(a), Dec. 27, 2020, 134 Stat. 2330, provided that: "An employee of the [Federal Aviation] Administration with supervisory responsibility may not direct, conduct, or otherwise participate in oversight of a holder of a certificate issued under section 44704 of title 49, United States Code, that previously employed such employee in the preceding 1-year period."

SYSTEM SAFETY ASSESSMENTS AND OTHER REQUIREMENTS

Pub. L. 116–260, div. V, title I, §115, Dec. 27, 2020, 134 Stat. 2333, provided that:

"(a) IN GENERAL.—Not later than 2 years after the date of enactment of this title [Dec. 27, 2020], the Administrator shall issue such regulations as are necessary to amend part 25 of title 14, Code of Federal Regulations, and any associated advisory circular, guidance, or policy of the Administration, in accordance with this section.

"(b) SYSTEM SAFETY ASSESSMENTS AND OTHER REQUIREMENTS.—In developing regulations under subsection (a), the Administrator shall—

"(1) require an applicant for an amended type certificate for a transport airplane to—

"(A) perform a system safety assessment with respect to each proposed design change that the Administrator determines is significant, with such assessment considering the airplane-level effects of individual errors, malfunctions, or failures and realistic pilot response times to such errors, malfunctions, or failures;

"(B) update such assessment to account for each subsequent proposed design change that the Administrator determines is significant;

"(C) provide appropriate employees of the Administration with the data and assumptions underlying each assessment and amended assessment; and

"(D) provide for document traceability and clarity of explanations for changes to aircraft type designs and system safety assessment certification documents; and

"(2) work with other civil aviation authorities representing states of design to ensure such regulations remain harmonized internationally.

"(c) GUIDANCE.—Guidance or an advisory circular issued under subsection (a) shall, at minimum—

"(1) emphasize the importance of clear documentation of the technical details and failure modes and effects of a design change described in subsection (b)(1); and

"(2) ensure appropriate review of any change that results in a functional hazard assessment

classification of major or greater, as such term is defined in FAA Advisory Circular 25.1309-1A (or any successor or replacement document).

"(d) FAA REVIEW.—Appropriate employees of the Aircraft Certification Service and the Flight Standards Service of the Administration shall review each system safety assessment required under subsection (b)(1)(A), updated assessment required under subsection (b)(1)(B), and supporting data and assumptions required under subsection (b)(1)(C), to ensure that each such assessment sufficiently addresses the considerations listed in subsection (b)(1)(A)."

[For definitions of terms used in section 115 of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

FLIGHT CREW ALERTING

Pub. L. 116–260, div. V, title I, §116, Dec. 27, 2020, 134 Stat. 2334, as amended by Pub. L. 117–328, div. O, title V, §501(b), Dec. 29, 2022, 136 Stat. 5231, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this title [Dec. 27, 2020], the Administrator shall implement National Transportation Safety Board recommendations A–19–11 and A–19–12 (as contained in the safety recommendation report adopted on September 9, 2019).

"(b) PROHIBITION.—Beginning on December 27, 2022, the Administrator may not issue a type certificate for a transport category aircraft unless, in the case of a transport category aircraft other than a transport airplane, the type certificate applicant provides a means acceptable to the Administrator to assist the flight crew in prioritizing corrective actions and responding to systems failures (including by cockpit or flight manual procedures).

"(c) EXISTING AIRPLANE DESIGNS.—It is the sense of Congress that the FAA shall ensure that any system safety assessment with respect to the Boeing 737-7, 737-8, 737-9, and 737-10 airplanes, as described in National Transportation Safety Board recommendation A-19-10, is conducted in accordance with such recommendation."

[For definitions of terms used in section 116 of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

CHANGED PRODUCT RULE

Pub. L. 118–63, title III, §344, May 16, 2024, 138 Stat. 1101, provided that:

"(a) IN GENERAL.—Not later than 18 months after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall issue a notice of proposed rulemaking to revise section 21.101 of title 14, Code of Federal Regulations, to achieve the following objectives:

"(1) For any significant design change, as determined by the Administrator, to require that the exception related to impracticality under subsection (b)(3) of such section from the requirement to comply with the latest amendments of the applicable airworthiness standards in effect on the date of application for the change be approved only after providing public notice and opportunity to comment on such exception.

"(2) To ensure appropriate documentation of any exception or exemption from airworthiness requirements in title 14, Code of Federal Regulations, as in effect on the date of application for the change.

"(b) CONGRESSIONAL BRIEFING.—Not later than 1 year after the date of enactment of this Act, the Administrator shall provide to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a briefing on the implementation by the FAA [Federal Aviation Administration] of the recommendations of the Changed Product Rule International Authorities Working Group, established for purposes of carrying out the requirements of section 117 of the Aircraft Certification, Safety, and Accountability Act [Pub. L. 116–260, div. V, title I] (49 U.S.C. 44704 note), including recommendations on harmonized changes and reforms regarding the impractical exception.

"(c) FINAL RULE.—Not later than 3 years after the date of enactment of this Act, the Administrator shall issue a final rule based on the notice of proposed rulemaking issued under subsection (a).

"(d) ANNUAL REPORT.—Beginning in 2025 and annually thereafter through 2028, the Administrator shall submit to the appropriate committees of Congress an annual report detailing the number of all significant design change exceptions approved and denied under paragraphs (1) through (3) of section 21.101(b) of title 14, Code of Federal Regulations."

Pub. L. 116–260, div. V, title I, §117, Dec. 27, 2020, 134 Stat. 2335, as amended by Pub. L. 118–63, title III, §306(f), May 16, 2024, 138 Stat. 1072, provided that:

"(a) REVIEW AND REEVALUATION OF AMENDED TYPE CERTIFICATES.—

"(1) INTERNATIONAL LEADERSHIP.—The Administrator shall exercise leadership in the creation of international policies and standards relating to the issuance of amended type certificates within the Certification Management Team.

"(2) REEVALUATION OF AMENDED TYPE CERTIFICATES.—In carrying out this subsection, the Administrator shall—

"(A) encourage Certification Management Team members to examine and address any relevant covered recommendations (as defined in section 121(c) [134 Stat. 2344]) relating to the issuance of amended type certificates;

"(B) reevaluate existing assumptions and practices inherent in the amended type certificate process and assess whether such assumptions and practices are valid; and

"(C) ensure, to the greatest extent practicable, that Federal regulations relating to the issuance of amended type certificates are harmonized with the regulations of other international states of design.

"(b) AMENDED TYPE CERTIFICATE REPORT AND RULEMAKING.—

"(1) BRIEFINGS.—Not later than 12 months after the date of enactment of this title [Dec. 27, 2020], and annually thereafter through fiscal year 2028, the Administrator shall brief the congressional committees of jurisdiction on the work and status of the development of such recommendations by the Certification Management Team.

"(2) INITIATION OF ACTION.—Not later than 2 years after the date of enactment of this title, the Administrator shall take action to revise and improve the process of issuing amended type certificates in accordance with this section. Such action shall include, at minimum—

"(A) initiation of a rulemaking proceeding; and

"(B) development or revision of guidance and training materials.

"(3) CONTENTS.—In taking actions required under paragraph (2), the Administrator shall do the following:

"(A) Ensure that proposed changes to an aircraft are evaluated from an integrated whole aircraft system perspective that examines the integration of proposed changes with existing systems and associated impacts.

"(B) Define key terms used for the changed product process under sections 21.19 and 21.101 of title 14, Code of Federal Regulations.

"(C) Consider—

"(i) the findings and work of the Certification Management Team and other similar international harmonization efforts;

"(ii) any relevant covered recommendations (as defined in section 121(c) [134 Stat. 2344]); and

"(iii) whether a fixed time beyond which a type certificate may not be amended would improve aviation safety.

"(D) Establish the extent to which the following design characteristics should preclude the issuance of an amended type certificate:

"(i) A new or revised flight control system.

"(ii) Any substantial changes to aerodynamic stability resulting from a physical change that may require a new or modified software system or control law in order to produce positive and acceptable stability and handling qualities.

"(iii) A flight control system or augmented software to maintain aerodynamic stability in any portion of the flight envelope that was not required for a previously certified derivative.

"(iv) A change in structural components (other than a stretch or shrink of the fuselage) that results in a change in structural load paths or the magnitude of structural loads attributed to flight maneuvers or cabin pressurization.

"(v) A novel or unusual system, component, or other feature whose failure would present a hazardous or catastrophic risk.

"(E) Develop objective criteria for helping to determine what constitutes a substantial change and a significant change.

"(F) Implement mandatory aircraft-level reviews throughout the certification process to validate the certification basis and assumptions.

"(G) Require maintenance of relevant records of agreements between the FAA and an applicant that affect certification documentation and deliverables.

"(H) Ensure appropriate documentation of any exception or exemption from airworthiness requirements codified in title 14 of the Code of Federal Regulations, as in effect on the date of application for the change.

"(4) GUIDANCE MATERIALS.—The Administrator shall consider the following when developing orders and regulatory guidance, including advisory circulars, where appropriate:

"(A) Early FAA involvement and feedback paths in the aircraft certification process to ensure the

FAA is aware of changes to design assumptions and product design impacting a changed product assessment.

"(B) Presentation to the FAA of new technology, novel design, or safety critical features or systems, initially and throughout the certification process, when development and certification prompt design or compliance method revision.

"(C) Examples of key terms used for the changed product process under sections 21.19 and 21.101 of title 14, Code of Federal Regulations.

"(D) Type certificate data sheet improvements to accurately state which regulations and amendment level the aircraft complies to and when compliance is limited to a subset of the aircraft.

"(E) Policies to guide applicants on proper visibility, clarity, and consistency of key design and compliance information that is submitted for certification, particularly with new design features.

"(F) The creation, validation, and implementation of analytical tools appropriate for the analysis of complex system for the FAA and applicants.

"(G) Early coordination processes with the FAA for the functional hazard assessments validation and preliminary system safety assessments review.

"(5) TRAINING MATERIALS.—The Administrator shall—

"(A) develop training materials for establishing the certification basis for changed aeronautical products pursuant to section 21.101 of title 14, Code of Federal Regulations, applications for a new type certificate pursuant to section 21.19 of such title, and the regulatory guidance developed as a result of the rulemaking conducted pursuant to paragraph (2); and

"(B) procedures for disseminating such materials to implementing personnel of the FAA, designees, and applicants.

"(6) CERTIFICATION MANAGEMENT TEAM DEFINED.—In this section, the term 'Certification Management Team' means the team framework under which the FAA, the European Aviation Safety Agency, the Transport Canada Civil Aviation, and the National Civil Aviation Agency of Brazil, manage the technical, policy, certification, manufacturing, export, and continued airworthiness issues common among the 4 authorities.

"(7) DEADLINE.—The Administrator shall finalize the actions initiated under paragraph (2) not later than 3 years after the date of enactment of this title.

"(c) INTERNATIONAL LEADERSHIP.—The Administrator shall exercise leadership within the ICAO and among other civil aviation regulators representing states of aircraft design to advocate for the adoption of an amended changed product rule on a global basis, consistent with ICAO standards."

[For definitions of terms used in section 117 of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

EXPERT SAFETY REVIEW

Pub. L. 116–260, div. V, title I, §119(c), Dec. 27, 2020, 134 Stat. 2339, provided that:

"(1) IN GENERAL.—Not later than 30 days after the date of enactment of this title [Dec. 27, 2020], the Administrator shall initiate an expert safety review of assumptions relied upon by the Administration and manufacturers of transport category aircraft in the design and certification of such aircraft.

"(2) CONTENTS.—The expert safety review required under paragraph (1) shall include—

"(A) a review of Administration regulations, guidance, and directives related to pilot response assumptions relied upon by the FAA and manufacturers of transport category aircraft in the design and certification of such aircraft, and human factors and human system integration, particularly those related to pilot and aircraft interfaces;

"(B) a focused review of the assumptions relied on regarding the time for pilot responses to non-normal conditions in designing such aircraft's systems and instrumentation, including responses to safety-significant failure conditions and failure scenarios that trigger multiple, and possibly conflicting, warnings and alerts;

"(C) a review of human factors assumptions with applicable operational data, human factors research and the input of human factors experts and FAA operational data, and as appropriate, recommendations for modifications to existing assumptions;

"(D) a review of revisions made to the airman certification standards for certificates over the last 4 years, including any possible effects on pilot competency in basic manual flying skills;

"(E) consideration of the global nature of the aviation marketplace, varying levels of pilot competency, and differences in pilot training programs worldwide;

"(F) a process for aviation stakeholders, including pilots, airlines, inspectors, engineers, test pilots, human factors experts, and other aviation safety experts, to provide and discuss any observations, feedback,

and best practices;

"(G) a review of processes currently in place to ensure that when carrying out the certification of a new aircraft type, or an amended type, the cumulative effects that new technologies, and the interaction between new technologies and unchanged systems for an amended type certificate, may have on pilot interactions with aircraft systems are properly assessed through system safety assessments or otherwise; and

"(H) a review of processes currently in place to account for any necessary adjustments to system safety assessments, pilot procedures and training requirements, or design requirements when there are changes to the assumptions relied upon by the Administration and manufacturers of transport category aircraft in the design and certification of such aircraft.

"(3) REPORT AND RECOMMENDATIONS.—Not later than 30 days after the conclusion of the expert safety review pursuant to paragraph (1), the Administrator shall submit to the congressional committees of jurisdiction a report on the results of the review, including any recommendations for actions or best practices to ensure the FAA and the manufacturers of transport category aircraft have accounted for pilot response assumptions to be relied upon in the design and certification of transport category aircraft and tools or methods identified to better integrate human factors throughout the process for such certification.

"(4) INTERNATIONAL ENGAGEMENT.—The Administrator shall notify other international regulators that certify transport category aircraft type designs of the expert panel report and encourage them to review the report and evaluate their regulations and processes in light of the recommendations included in the report.

"(5) TERMINATION.—The expert safety review shall end upon submission of the report required pursuant to paragraph (3).

"(6) REGULATIONS.—The Administrator shall issue or update such regulations as are necessary to implement the recommendations of the expert safety review that the Administrator determines are necessary to improve aviation safety."

[For definitions of terms used in section 119(c) of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

HUMAN FACTORS RESEARCH

Pub. L. 116–260, div. V, title I, §126, Dec. 27, 2020, 134 Stat. 2347, provided that:

"(a) HUMAN FACTORS.—Not later than 180 days after the date of enactment of this title [Dec. 27, 2020], the Administrator, in consultation with aircraft manufacturers, operators, and pilots, and in coordination with the head of such other Federal agency that the Administrator determines appropriate, shall develop research requirements to address the integration of human factors in the design and certification of aircraft that are intended for use in air transportation.

"(b) REQUIREMENTS.—In developing such research requirements, the Administrator shall—

"(1) establish goals for research in areas of study relevant to advancing technology, improving design engineering and certification practices, and facilitating better understanding of human factors concepts in the context of the growing development and reliance on automated or complex flight deck systems in aircraft operations, including the development of tools to validate pilot recognition and response assumptions and diagnostic tools to improve the clarity of failure indications presented to pilots;

"(2) take into consideration and leverage any existing or planned research that is conducted by, or conducted in partnership with, the FAA; and

"(3) focus on—

"(A) preventing a recurrence of the types of accidents that have involved transport category airplanes designed and manufactured in the United States; and

"(B) increasingly complex aircraft systems and designs.

"(c) IMPLEMENTATION.—In implementing the research requirements developed under this section, the Administrator shall work with appropriate organizations and authorities with expertise including, to the maximum extent practicable, the Center of Excellence for Technical Training and Human Performance and the Center of Excellence developed or expanded pursuant to section 127 [set out as a note under section 44513 of this title].

"(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Administrator $7,500,000 for each of fiscal years 2021 through 2023, out of funds made available under section 48102(a) of title 49, United States Code, to carry out this section."

[For definitions of terms used in section 126 of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

PILOT OPERATIONAL EVALUATIONS

Pub. L. 116–260, div. V, title I, §128, Dec. 27, 2020, 134 Stat. 2349, provided that:

"(a) PILOT OPERATIONAL EVALUATIONS.—Not later than 1 year after the date of enactment of this title [Dec. 27, 2020], the Administrator shall revise existing policies for manufacturers of transport airplanes to ensure that pilot operational evaluations for airplane types that are submitted for certification utilize pilots from air carriers that are expected to operate such airplanes.

"(b) REQUIREMENT.—Such manufacturer shall ensure, to the satisfaction of the Administrator, that the air carrier and foreign air carrier pilots used for such evaluations include pilots of varying levels of experience."

[For definitions of terms used in section 128 of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

SECURING AIRCRAFT AVIONICS SYSTEMS

Pub. L. 115–254, div. B, title V, §506, Oct. 5, 2018, 132 Stat. 3354, as amended by Pub. L. 118–63, title III, §394, May 16, 2024, 138 Stat. 1145, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall revise, as appropriate, existing Federal Aviation Administration regulations regarding airworthiness certification—

"(1) to address cybersecurity for avionics systems, including software components;

"(2) to require that aircraft avionics systems used for flight guidance or aircraft control be secured against unauthorized access via passenger in-flight entertainment systems through such means as the Administrator determines appropriate to protect the avionics systems from unauthorized external and internal access; and

"(3) to establish a process and timeline by which software-based systems and equipment, including aircraft flight critical systems of aircraft operated under part 121 of title 14, Code of Federal Regulations, can be regularly screened to attempt to determine whether the software-based systems and equipment have been compromised by unauthorized external or internal access.

"(b) CONSIDERATION.—In carrying out subsection (a), the Administrator shall consider the recommendations of the Aircraft Systems Information Security Protection Working Group under section 2111 of the FAA Extension Safety and Security Act of 2016 (Public Law 114–190; 130 Stat. 615 [625]) [49 U.S.C. 44903 note]."

SMALL AIRPLANE REVITALIZATION

Pub. L. 113–53, Nov. 27, 2013, 127 Stat. 584, provided that:

"SECTION 1. SHORT TITLE.

"This Act may be cited as the 'Small Airplane Revitalization Act of 2013'.

"SEC. 2. FINDINGS.

"Congress makes the following findings:

"(1) A healthy small aircraft industry is integral to economic growth and to maintaining an effective transportation infrastructure for communities and countries around the world.

"(2) Small airplanes comprise nearly 90 percent of general aviation aircraft certified by the Federal Aviation Administration.

"(3) General aviation provides for the cultivation of a workforce of engineers, manufacturing and maintenance professionals, and pilots who secure the economic success and defense of the United States.

"(4) General aviation contributes to well-paying jobs in the manufacturing and technology sectors in the United States and products produced by those sectors are exported in great numbers.

"(5) Technology developed and proven in general aviation aids in the success and safety of all sectors of aviation and scientific competence.

"(6) The average small airplane in the United States is now 40 years old and the regulatory barriers to bringing new designs to the market are resulting in a lack of innovation and investment in small airplane design.

"(7) Since 2003, the United States lost 10,000 active private pilots per year on average, partially due to a lack of cost-effective, new small airplanes.

"(8) General aviation safety can be improved by modernizing and revamping the regulations relating to small airplanes to clear the path for technology adoption and cost-effective means to retrofit the existing fleet with new safety technologies.

"SEC. 3. SAFETY AND REGULATORY IMPROVEMENTS FOR GENERAL AVIATION.

"(a) IN GENERAL.—Not later than December 15, 2015, the Administrator of the Federal Aviation Administration shall issue a final rule—

"(1) to advance the safety and continued development of small airplanes by reorganizing the

certification requirements for such airplanes under part 23 to streamline the approval of safety advancements; and

"(2) that meets the objectives described in subsection (b).

"(b) OBJECTIVES DESCRIBED.—The objectives described in this subsection are based on the recommendations of the Part 23 Reorganization Aviation Rulemaking Committee:

"(1) The establishment of a regulatory regime for small airplanes that will improve safety and reduce the regulatory cost burden for the Federal Aviation Administration and the aviation industry.

"(2) The establishment of broad, outcome-driven safety objectives that will spur innovation and technology adoption.

"(3) The replacement of current, prescriptive requirements under part 23 with performance-based regulations.

"(4) The use of consensus standards accepted by the Federal Aviation Administration to clarify how the safety objectives of part 23 may be met using specific designs and technologies.

"(c) CONSENSUS-BASED STANDARDS.—In prescribing regulations under this section, the Administrator shall use consensus standards, as described in section 12(d) of the National Technology Transfer and Advancement Act of 1996 [1995] (15 U.S.C. 272 note), to the extent practicable while continuing traditional methods for meeting part 23.

"(d) SAFETY COOPERATION.—The Administrator shall lead the effort to improve general aviation safety by working with leading aviation regulators to assist them in adopting a complementary regulatory approach for small airplanes.

"(e) DEFINITIONS.—In this section:

"(1) CONSENSUS STANDARDS.—

"(A) IN GENERAL.—The term 'consensus standards' means standards developed by an organization described in subparagraph (B) that may include provisions requiring that owners of relevant intellectual property have agreed to make that intellectual property available on a nondiscriminatory, royalty-free, or reasonable royalty basis to all interested persons.

"(B) ORGANIZATIONS DESCRIBED.—An organization described in this subparagraph is a domestic or international organization that—

"(i) plans, develops, establishes, or coordinates, through a process based on consensus and using agreed-upon procedures, voluntary standards; and

"(ii) operates in a transparent manner, considers a balanced set of interests with respect to such standards, and provides for due process and an appeals process with respect to such standards.

"(2) PART 23.—The term 'part 23' means part 23 of title 14, Code of Federal Regulations.

"(3) PART 23 REORGANIZATION AVIATION RULEMAKING COMMITTEE.—The term 'Part 23 Reorganization Aviation Rulemaking Committee' means the aviation rulemaking committee established by the Federal Aviation Administration in August 2011 to consider the reorganization of the regulations under part 23.

"(4) SMALL AIRPLANE.—The term 'small airplane' means an airplane which is certified to part 23 standards."

APPLICABILITY

Pub. L. 112–95, title III, §303(b), Feb. 14, 2012, 126 Stat. 57, provided that: "Before January 1, 2013, the Administrator of the Federal Aviation Administration may continue to issue certificates under section 44704(e) of title 49, United States Code, as in effect on the day before the date of enactment of this Act [Feb. 14, 2012]."

AIRCRAFT CERTIFICATION PROCESS REVIEW AND REFORM

Pub. L. 112–95, title III, §312, Feb. 14, 2012, 126 Stat. 66, provided that:

"(a) IN GENERAL.—The Administrator of the Federal Aviation Administration, in consultation with representatives of the aviation industry, shall conduct an assessment of the certification and approval process under section 44704 of title 49, United States Code.

"(b) CONTENTS.—In conducting the assessment, the Administrator shall consider—

"(1) the expected number of applications for product certifications and approvals the Administrator will receive under section 44704 of such title in the 1-year, 5-year, and 10-year periods following the date of enactment of this Act [Feb. 14, 2012];

"(2) process reforms and improvements necessary to allow the Administrator to review and approve the applications in a fair and timely fashion;

"(3) the status of recommendations made in previous reports on the Administration's certification process;

"(4) methods for enhancing the effective use of delegation systems, including organizational designation authorization;

"(5) methods for training the Administration's field office employees in the safety management system and auditing; and

"(6) the status of updating airworthiness requirements, including implementing recommendations in the Administration's report entitled 'Part 23—Small Airplane Certification Process Study' (OK–09–3468, dated July 2009).

"(c) RECOMMENDATIONS.—In conducting the assessment, the Administrator shall make recommendations to improve efficiency and reduce costs through streamlining and reengineering the certification process under section 44704 of such title to ensure that the Administrator can conduct certifications and approvals under such section in a manner that supports and enables the development of new products and technologies and the global competitiveness of the United States aviation industry.

"(d) REPORT TO CONGRESS.—Not later than 180 days after the date of enactment of this Act [Feb. 14, 2012], the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the results of the assessment, together with an explanation of how the Administrator will implement recommendations made under subsection (c) and measure the effectiveness of the recommendations.

"(e) IMPLEMENTATION OF RECOMMENDATIONS.—Not later than 1 year after the date of enactment of this Act [Feb. 14, 2012], the Administrator shall begin to implement the recommendations made under subsection (c)."

HISTORICAL AIRCRAFT DOCUMENTS

Pub. L. 112–95, title VIII, §816, Feb. 14, 2012, 126 Stat. 126, provided that:

"(a) PRESERVATION OF DOCUMENTS.—

"(1) IN GENERAL.—The Administrator of the Federal Aviation Administration shall take such actions as the Administrator determines necessary to preserve original aircraft type certificate engineering and technical data in the possession of the Federal Aviation Administration related to—

"(A) approved aircraft type certificate numbers ATC 1 through ATC 713; and

"(B) Group-2 approved aircraft type certificate numbers 2–1 through 2–544.

"(2) REVISION OF ORDER.—Not later than 3 years after the date of enactment of this Act [Feb. 14, 2012], the Administrator shall revise FAA Order 1350.15C, Item Number 8110. Such revision shall prohibit the destruction of the historical aircraft documents identified in paragraph (1).

"(3) CONSULTATION.—The Administrator may carry out paragraph (1) in consultation with the Archivist of the United States and the Administrator of General Services.

"(b) AVAILABILITY OF DOCUMENTS.—

"(1) FREEDOM OF INFORMATION ACT REQUESTS.—The Administrator shall make the documents to be preserved under subsection (a)(1) available to a person—

"(A) upon receipt of a request made by the person pursuant to section 552 of title 5, United States Code; and

"(B) subject to a prohibition on use of the documents for commercial purposes.

"(2) TRADE SECRETS, COMMERCIAL, AND FINANCIAL INFORMATION.—Section 552(b)(4) of such title shall not apply to requests for documents to be made available pursuant to paragraph (1).

"(c) HOLDER OF TYPE CERTIFICATE.—

"(1) RIGHTS OF HOLDER.—Nothing in this section shall affect the rights of a holder or owner of a type certificate identified in subsection (a)(1), nor require the holder or owner to provide, surrender, or preserve any original or duplicate engineering or technical data to or for the Federal Aviation Administration, a person, or the public.

"(2) LIABILITY.—There shall be no liability on the part of, and no cause of action of any nature shall arise against, a holder of a type certificate, its authorized representative, its agents, or its employees, or any firm, person, corporation, or insurer related to the type certificate data and documents identified in subsection (a)(1).

"(3) AIRWORTHINESS.—Notwithstanding any other provision of law, the holder of a type certificate identified in subsection (a)(1) shall only be responsible for Federal Aviation Administration regulation requirements related to type certificate data and documents identified in subsection (a)(1) for aircraft having a standard airworthiness certificate issued prior to the date the documents are released to a person by the Federal Aviation Administration under subsection (b)(1)."

PLAN FOR DEVELOPMENT AND OVERSIGHT OF SYSTEM FOR CERTIFICATION OF DESIGN ORGANIZATIONS

Pub. L. 108–176, title II, §227(b)(1), Dec. 12, 2003, 117 Stat. 2531, provided that, not later than 4 years after Dec. 12, 2003, the Administrator of the Federal Aviation Administration was to transmit to Congress a plan for the development and oversight of a certification system of design organizations to ensure compliance with the requirements and minimum standards of section 44701(a) of this title.

§44705. Air carrier operating certificates

The Administrator of the Federal Aviation Administration shall issue an air carrier operating certificate to a person desiring to operate as an air carrier when the Administrator finds, after investigation, that the person properly and adequately is equipped and able to operate safely under this part and regulations and standards prescribed under this part. An air carrier operating certificate shall—

(1) contain terms necessary to ensure safety in air transportation; and

(2) specify the places to and from which, and the airways of the United States over which, a person may operate as an air carrier.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1189.)

In this section, the word "Administrator" in section 604(b) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 778) is retained on authority of 49:106(g). Before clause (1), the words "may file with the Secretary of Transportation an application for an air carrier operating certificate" and "the requirements of" are omitted as surplus. The word "rules" is omitted as being synonymous with "regulations". In clause (1), the words "conditions, and limitations . . . reasonably" are omitted as surplus. In clause (2), the word "places" is substituted for "points" for consistency in the revised title. The words "under an air carrier operating certificate" are omitted as surplus.

STATUTORY NOTES AND RELATED SUBSIDIARIES

COMMERCIAL AIR TOUR AND SPORT PARACHUTING SAFETY

Pub. L. 118–63, title III, §363, May 16, 2024, 138 Stat. 1126, provided that:

"(a) SAFETY REQUIREMENTS FOR COMMERCIAL AIR TOUR OPERATORS.—

"(1) SAFETY REFORMS.—

"(A) AUTHORITY TO CONDUCT NONSTOP COMMERCIAL AIR TOURS.—

"(i) IN GENERAL.—Subject to clause (ii), beginning on the date that is 2 years after the date a final rule is published pursuant to paragraph (3), no person may conduct commercial air tours unless such person either—

"(I) holds a certificate identifying the person as an air carrier or commercial operator under part 119 of title 14, Code of Federal Regulations[,] and conducts all commercial air tours under the applicable provisions of part 121 or part 135 of title 14, Code of Federal Regulations; or

"(II) conducts all commercial air tours pursuant to the requirements established by the Administrator [of the Federal Aviation Administration] under the final rule published pursuant to paragraph (3).

"(ii) SMALL BUSINESS EXCEPTION.—The provisions of clause (i) shall not apply to a person who conducts 100 or fewer commercial air tours in a calendar year.

"(B) ADDITIONAL SAFETY REQUIREMENTS.—

"(i) IN GENERAL.—Not later than 3 years after the date of enactment of this Act [May 16, 2024], the Administrator shall issue new or revised regulations to require a commercial air tour

operator seeking to conduct an operation with a removed or modified door and a person conducting aerial photography operations seeking to conduct an operation with a removed or modified door to receive approval from the Administrator prior to conducting such operation.

"(ii) CONDITIONS AND RESTRICTIONS.—In issuing new or revised regulations under clause (i), the Administrator may impose such conditions and restrictions as determined necessary for safety.

"(iii) CONSIDERATIONS.—In issuing new or revised regulations under clause (i), the Administrator shall require a commercial air tour operator to demonstrate to any representative of the FAA [Federal Aviation Administration], upon request, that a pilot authorized to operate such an air tour has received avoidance training for controlled flight into terrain and in-flight loss of control. Such training shall address reducing the risk of accidents involving unintentional flight into instrument meteorological conditions to address day, night, and low-visibility environments with special attention paid to research available as of the date of enactment of this Act on human factors issues involved in such accidents, including, at a minimum—

"(I) specific terrain, weather, and infrastructure challenges relevant in the local operating environment that increase the risk of such accidents;

"(II) pilot decision-making relevant to the avoidance of instrument meteorological conditions while operating under visual flight rules;

"(III) use of terrain awareness displays;

"(IV) spatial disorientation risk factors and countermeasures; and

"(V) strategies for maintaining control, including the use of automated systems.

"(2) AVIATION RULEMAKING COMMITTEE.—

"(A) IN GENERAL.—The Administrator shall convene an aviation rulemaking committee to review and develop findings and recommendations to increase the safety of commercial air tours.

"(B) CONSIDERATIONS.—The aviation rulemaking committee convened under subparagraph (A) shall consider, at a minimum—

"(i) potential changes to operations regulations or requirements for commercial air tours, including requiring—

"(I) the adoption of pilot training standards that are comparable, as applicable, to the standards under subpart H of part 135 of title 14, Code of Federal Regulations; and

"(II) the adoption of maintenance standards that are comparable, as applicable, to the standards under subpart J of part 135 of title 14, Code of Federal Regulations;

"(ii) establishing a performance-based standard for flight data monitoring for all commercial air tour operators that reviews all available data sources to identify deviations from established areas of operation and potential safety issues;

"(iii) requiring all commercial air tour operators to install flight data recording devices capable of supporting collection and dissemination of the data incorporated in the Flight Operational Quality Assurance Program under section 13.401 of title 14, Code of Federal Regulations (or, if an aircraft cannot be retrofitted with such equipment, requiring the commercial air tour operator for such aircraft to collect and maintain flight data through alternative methods);

"(iv) requiring all commercial air tour operators to implement a flight data monitoring program, such as a Flight Operational Quality Assurance Program;

"(v) establishing methods to provide effective terrain awareness and warning; and

"(vi) establishing methods to provide effective traffic avoidance in identified high-traffic tour areas, such as requiring commercial air tour operators that operate within such areas be equipped with an automatic dependent surveillance-broadcast out- and in-supported traffic advisory system that—

"(I) includes both visual and aural alerts;

"(II) is driven by an algorithm designed to eliminate nuisance alerts; and

"(III) is operational during all flight operations.

"(vii) codifying and uniformly applying Living History Flight Experience exemption conditions and limitations.

"(C) MEMBERSHIP.—The aviation rulemaking committee convened under subparagraph (A) shall consist of members appointed by the Administrator, including—

"(i) representatives of industry, including manufacturers of aircraft and aircraft technologies;

"(ii) air tour operators or organizations that represent such operators; and

"(iii) aviation safety experts with specific knowledge of safety management systems and flight data monitoring programs under part 135 of title 14, Code of Federal Regulations.

"(D) DUTIES.—

"(i) IN GENERAL.—The Administrator shall direct the aviation rulemaking committee to make findings and submit recommendations regarding each of the matters specified in clauses (i) through (vi) of subparagraph (B).

"(ii) CONSIDERATIONS.—In carrying out the duties of the aviation rulemaking committee under clause (i), the Administrator shall direct the aviation rulemaking committee to consider—

"(I) recommendations of the National Transportation Safety Board;

"(II) recommendations of previous aviation rulemaking committees that reviewed flight data monitoring program requirements for commercial operators under part 135 of title 14, Code of Federal Regulations;

"(III) recommendations from industry safety organizations, including the Vertical Aviation Safety Team, the General Aviation Joint Safety Committee, and the United States Helicopter Safety Team;

"(IV) scientific data derived from a broad range of flight data recording technologies capable of continuously transmitting and that support a measurable and viable means of assessing data to identify and correct hazardous trends;

"(V) appropriate use of data for modifying behavior to prevent accidents;

"(VI) the need to accommodate technological advancements in flight data recording technology;

"(VII) data gathered from aviation safety reporting programs;

"(VIII) appropriate methods to provide effective terrain awareness and warning system protections while mitigating nuisance alerts for aircraft;

"(IX) the need to accommodate the diversity of airworthiness standards under part 27 and part 29 of title 14, Code of Federal Regulations;

"(X) the need to accommodate diversity of operations and mission sets;

"(XI) benefits of third-party data analysis for large and small operations;

"(XII) accommodations necessary for small businesses; and

"(XIII) other issues, as necessary.

"(E) REPORTS AND REGULATIONS.—Not later than 20 months after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report based on the findings of the aviation rulemaking committee.

"(3) RULEMAKING REQUIRED.—

"(A) NOTICE OF PROPOSED RULEMAKING.—Not later than 1 year after the date the Administrator submits a report under paragraph (2)(E), the Administrator shall issue a notice of proposed rulemaking establishing increasing safety regulations for commercial air tour operators based on the recommendations of the rulemaking committee established under paragraph (2).

"(B) CONTENTS.—The notice of proposed rulemaking under subparagraph (A) shall require, at a minimum—

"(i) the adoption of pilot training standards that are comparable, as applicable, to the standards under subpart H of part 135 of title 14, Code of Federal Regulations[,] for commercial tour operators;

"(ii) the adoption of maintenance standards that are comparable, as applicable, to the standards under subpart J of part 135 of title 14, Code of Federal Regulations[,] for commercial tour operators; and

"(iii) that beginning on a date determined appropriate by the Administrator, a helicopter operated by a commercial air tour operator be equipped with an approved flight data monitoring system capable of recording flight performance data.

"(C) FINAL RULE.—Not later than 2 years after the issuance of a notice of proposed rulemaking under subparagraph (A), the Administrator shall finalize the rule.

"(b) SAFETY REQUIREMENTS FOR SPORT PARACHUTE OPERATIONS.—

"(1) AVIATION RULEMAKING COMMITTEE.—The Administrator shall convene an aviation rulemaking committee to review and develop findings and recommendations to increase the safety of sport parachute operations.

"(2) CONTENTS.—This aviation rulemaking committee convened under paragraph (1) shall consider, at a minimum—

"(A) potential regulatory action governing parachute operations that are conducted in the United States and are subject to the requirements of part 105 of title 14, Code of Federal Regulations, to address—

"(i) whether FAA-approved aircraft maintenance and inspection programs that consider, at a minimum, minimum equipment standards informed by recommended maintenance instructions of engine manufacturers, such as service bulletins and service information letters for time between overhauls and component life limits, should be implemented; and

"(ii) initial and annual recurrent pilot training and proficiency checks for pilots conducting parachute operations that address, at a minimum, operation- and aircraft-specific weight and balance calculations, preflight inspections, emergency and recovery procedures, and parachutist egress procedures for each type of aircraft flown; and

"(B) the revision of guidance material contained in the advisory circular of the FAA [Federal Aviation Administration] titled 'Sport Parachuting' (AC 105–2E) to include guidance for parachute operations in implementing the FAA-approved aircraft maintenance and inspection program and the pilot training and pilot proficiency checking programs required under any new or revised regulations; and

"(C) the revision of guidance materials issued in the order of the FAA titled 'Flight Standards Information Management System' (FAA Order 8900.1), to include guidance for FAA inspectors who oversee an operation conducted under—

"(i) part 91 of title 14, Code of Federal Regulations; and

"(ii) an exception specified in section 119.1(e) of title 14, Code of Federal Regulations.

"(3) MEMBERSHIP.—The aviation rulemaking committee under paragraph (1) shall consist of members appointed by the Administrator, including—

"(A) representatives of industry, including manufacturers of aircraft and aircraft technologies;

"(B) parachute operators, or organizations that represent such operators; and

"(C) aviation safety experts with specific knowledge of safety management systems and flight data monitoring programs under part 135 and part 105 of title 14, Code of Federal Regulations.

"(4) DUTIES.—

"(A) IN GENERAL.—The Administrator shall direct the aviation rulemaking committee to make findings and submit recommendations regarding each of the matters specified in subparagraphs (A) through (C) of paragraph (2).

"(B) CONSIDERATIONS.—In carrying out its duties under subparagraph (A), the Administrator shall direct the aviation rulemaking committee to consider—

"(i) findings and recommendations of the National Transportation Safety Board, as relevant, and specifically such findings and recommendations related to parachute operations, including the June 21, 2019, incident in Mokuleia, Hawaii;

"(ii) recommendations of previous aviation rulemaking committees that considered similar issues;

"(iii) recommendations from industry safety organizations, including, at a minimum, the United States Parachute Association;

"(iv) appropriate use of data for modifying behavior to prevent accidents;

"(v) data gathered from aviation safety reporting programs;

"(vi) the need to accommodate diversity of operations and mission sets;

"(vii) accommodations necessary for small businesses; and

"(viii) other issues as necessary.

"(5) REPORTS AND REGULATIONS.—

"(A) IN GENERAL.—Not later than 36 months after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report based on the findings of the aviation rulemaking committee.

"(B) CONTENTS.—The report under subparagraph (A) shall include—

"(i) any recommendations submitted by the aviation rulemaking committee; and

"(ii) any actions the Administrator intends to initiate, if necessary, as a result of such recommendations.

"(c) DEFINITIONS.—In this section:

"(1) AIR CARRIER.—The term 'air carrier' has the meaning given such term in section 40102 of title 49, United States Code.

"(2) COMMERCIAL AIR TOUR.—The term 'commercial air tour' has the meaning given such term in section 136.1 of title 14, Code of Federal Regulations.

"(3) COMMERCIAL AIR TOUR OPERATOR.—The term 'commercial air tour operator' has the meaning given such term in section 136.1 of title 14, Code of Federal Regulations.

"(4) PARACHUTE OPERATION.—The term 'parachute operation' has the meaning given such term in section 105.3 of title 14, Code of Federal Regulations (or any successor regulation)."

§44706. Airport operating certificates

(a) GENERAL.—The Administrator of the Federal Aviation Administration shall issue an airport operating certificate to a person desiring to operate an airport—

(1) that serves an air carrier operating aircraft designed for at least 31 passenger seats;

(2) that is not located in the State of Alaska and serves any scheduled passenger operation of an air carrier operating aircraft designed for more than 9 passenger seats but less than 31 passenger seats; and

(3) that the Administrator requires to have a certificate;

if the Administrator finds, after investigation, that the person properly and adequately is equipped and able to operate safely under this part and regulations and standards prescribed under this part.

(b) TERMS.—An airport operating certificate issued under this section shall contain terms necessary to ensure safety in air transportation. Unless the Administrator decides that it is not in the public interest, the terms shall include conditions related to—

(1) operating and maintaining adequate safety equipment, including firefighting and rescue equipment capable of rapid access to any part of the airport used for landing, takeoff, or surface maneuvering of an aircraft; and

(2) friction treatment for primary and secondary runways that the Secretary of Transportation decides is necessary.

(c) EXEMPTIONS.—The Administrator may exempt from the requirements of this section, related to firefighting and rescue equipment, an operator of an airport described in subsection (a) of this section having less than .25 percent of the total number of passenger boardings each year at all airports described in subsection (a) when the Administrator decides that the requirements are or would be unreasonably costly, burdensome, or impractical.

(d) COMMUTER AIRPORTS.—In developing the terms required by subsection (b) for airports covered by subsection (a)(2), the Administrator shall identify and consider a reasonable number of regulatory alternatives and select from such alternatives the least costly, most cost-effective or the least burdensome alternative that will provide comparable safety at airports described in subsections (a)(1) and (a)(2).

(e) EFFECTIVE DATE.—Any regulation establishing the terms required by subsection (b) for airports covered by subsection (a)(2) shall not take effect until such regulation, and a report on the economic impact of the regulation on air service to the airports covered by the rule, has been submitted to Congress and 120 days have elapsed following the date of such submission.

(f) LIMITATION ON STATUTORY CONSTRUCTION.—Nothing in this title may be construed as requiring a person to obtain an airport operating certificate if such person does not desire to operate an airport described in subsection (a).

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

DEEMED REFERENCES TO CHAPTERS 509 AND 511 OF TITLE 51

General references to "this title" deemed to refer also to chapters 509 and 511 of Title 51, National and Commercial Space Programs, see section 4(d)(8) of Pub. L. 111–314, set out as a note under section 101 of this title.

PFAS-RELATED RESOURCES FOR AIRPORTS

Pub. L. 118–63, title VII, §767, May 16, 2024, 138 Stat. 1291, provided that:

"(a) PFAS REPLACEMENT PROGRAM FOR AIRPORTS.—Not later than 90 days after the date of enactment of this Act [May 16, 2024], the Secretary [of Transportation], in consultation with the Administrator of the Environmental Protection Agency, shall establish a program to reimburse sponsors of eligible airports for the reasonable and appropriate costs incurred after September 12, 2023, and associated with any of the following:

"(1) The one-time initial acquisition by the sponsor of an eligible airport of an approved fluorine-free firefighting agent under Military Specification MIL–PRE–32725, dated January 12, 2023, in a quantity of—

"(A) the capacity of all required aircraft rescue and firefighting equipment listed in the most recent FAA [Federal Aviation Administration]-approved Airport Certification Manual, regardless of how the equipment was initially acquired; and

"(B) twice the quantity carried onboard each required truck available in the fire station for the eligible airport.

"(2) The disposal of perfluoroalkyl or polyfluoroalkyl products, including fluorinated aqueous film-forming agents, to the extent such disposal is necessary to facilitate the transition to such approved fluorine-free firefighting agent, including aqueous film-forming agents currently in firefighting equipment and vehicles and any wastewater generated during the cleaning of firefighting equipment and vehicles.

"(3) The cleaning or disposal of existing equipment or components thereof, to the extent such cleaning or disposal is necessary to facilitate the transition to such approved fluorine-free firefighting agent.

"(4) The acquisition of any equipment, or components thereof, necessary to facilitate the transition to such approved fluorine-free firefighting agent.

"(5) The replacement of any aircraft rescue and firefighting equipment determined necessary to be replaced by the Secretary.

"(b) DISTRIBUTION OF FUNDS.—

"(1) GRANTS TO REPLACE AIRCRAFT RESCUE AND FIREFIGHTING VEHICLES.—

"(A) IN GENERAL.—Of the amounts made available to carry out the PFAS replacement program, the Secretary [of Transportation] shall reserve up to $30,000,000 to make grants to each eligible airport that is designated under part 139 as an Index A airport and does not have existing capabilities to produce fluorine-free firefighting foam for the replacement of aircraft rescue and firefighting vehicles.

"(B) AMOUNT.—The maximum amount of a grant made under subparagraph (A) may not exceed $2,000,000.

"(2) REMAINING AMOUNTS.—

"(A) DETERMINATION OF NEED.—With respect to the amount of firefighting foam concentrate required for foam production commensurate with applicable aircraft rescue and firefighting equipment required in accordance with the most recent FAA-approved Airport Certification Manual, the Secretary shall determine—

"(i) for each eligible airport, the total amount of such concentrate required for all of the federally required aircraft rescue and firefighting vehicles that meet index requirements under part 139, in gallons; and

"(ii) for all eligible airports, the total amount of firefighting foam concentrate, in gallons.

"(B) DETERMINATION OF GRANT AMOUNTS.—The Secretary shall make a grant to the sponsor of each eligible airport in an amount equal to the product of—

"(i) the amount of funds made available to carry out this section that remain available after the Secretary reserves the amount described in paragraph (1); and

"(ii) the ratio of the amount determined under subparagraph (A)(i) for such eligible airport to the amount determined under subparagraph (A)(ii).

"(c) PROGRAM REQUIREMENTS.—

"(1) IN GENERAL.—The Secretary shall determine the eligibility of costs payable under the PFAS replacement program by taking into account all engineering, technical, and environmental protocols and generally accepted industry standards that are developed or established for approved fluorine-free firefighting foams.

"(2) COMPLIANCE WITH APPLICABLE LAW.—To be eligible for reimbursement under the program established under subsection (a), the sponsor of an eligible airport shall carry out all actions related to the acquisition, disposal, and transition to approved fluorine-free firefighting foams, including the cleaning and disposal of equipment, in full compliance with all applicable Federal laws in effect at the time of obligation of a grant under this section.

"(3) FEDERAL SHARE.—The Federal share of allowable costs under the PFAS replacement program shall be 100 percent.

"(d) AUTHORIZATION OF APPROPRIATIONS.—

"(1) IN GENERAL.—There is authorized to be appropriated not more than $350,000,000 to carry out the PFAS replacement program.

"(2) REQUIREMENTS.—Amounts made available to carry out the PFAS replacement program shall—

"(A) REMAIN AVAILABLE FOR EXPENDITURE FOR A PERIOD OF 5 FISCAL YEARS; AND

"(B) be available in addition to any other funding available for similar purposes under any other Federal, State, local, or Tribal program.

"(e) DEFINITIONS.—In this section:

"(1) ELIGIBLE AIRPORT.—The term 'eligible airport' means an airport holding an Airport Operating Certificate issued under part 139.

"(2) PART 139.—The term 'part 139' means part 139 of title 14, Code of Federal Regulations.

"(3) PFAS REPLACEMENT PROGRAM.—The term 'PFAS replacement program' means the program established under subsection (a)."

MAINTAINING SAFE FIRE AND RESCUE STAFFING LEVELS

Pub. L. 118–63, title VII, §769, May 16, 2024, 138 Stat. 1295, provided that:

"(a) UPDATE TO REGULATION.—The Administrator [of the Federal Aviation Administration] shall update the regulations contained in section 139.319 of title 14, Code of Federal Regulations, to ensure that paragraph (4) of such section provides that at least 1 individual maintains certification at the emergency

medical technician basic level, or higher, at a small, medium, or large hub airport.

"(b) STAFFING REVIEW.—Not later than 2 years after the date of enactment of this Act [May 16, 2024], the Administrator shall conduct a review of airport environments and related regulations to evaluate sufficient staffing levels necessary for firefighting, rescue, and emergency medical services and response at airports certified under part 139 of title 14, Code of Federal Regulations.

"(c) REPORT.—Not later than 1 year after completing the review under subsection (b), the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report containing the results of the review."

FIREFIGHTING FOAM AND FLUORINATED CHEMICALS

Pub. L. 115–254, div. B, title III, §332(a), Oct. 5, 2018, 132 Stat. 3273, provided that: "Not later than 3 years after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration], using the latest version of National Fire Protection Association 403, 'Standard for Aircraft Rescue and Fire-Fighting Services at Airports', and in coordination with the Administrator of the Environmental Protection Agency, aircraft manufacturers and airports, shall not require the use of fluorinated chemicals to meet the performance standards referenced in chapter 6 of AC No: 150/5210–6D and acceptable under [section] 139.319(l) of title 14, Code of Federal Regulations."

IMPROVEMENT OF RUNWAY SAFETY AREAS

Pub. L. 109–115, div. A, title I, Nov. 30, 2005, 119 Stat. 2401, provided in part: "That not later than December 31, 2015, the owner or operator of an airport certificated under 49 U.S.C. 44706 shall improve the airport's runway safety areas to comply with the Federal Aviation Administration design standards required by 14 CFR part 139: *Provided further*, That the Federal Aviation Administration shall report annually to the Congress on the agency's progress toward improving the runway safety areas at 49 U.S.C. 44706 airports."

SMALL AIRPORT CERTIFICATION

Pub. L. 106–181, title V, §518, Apr. 5, 2000, 114 Stat. 145, provided that, not later than 60 days after Apr. 5, 2000, the Administrator of the Federal Aviation Administration would issue a notice of proposed rulemaking on implementing subsec. (a)(2) of this section relating to issuance of airport operating certificates for small scheduled passenger air carrier operations, and not later than 1 year after the last day of the period for public comment provided for in the notice of proposed rulemaking, the Administrator would issue a final rule on implementing this program.

§44707. Examining and rating air agencies

The Administrator of the Federal Aviation Administration may examine and rate the following air agencies:

(1) civilian schools giving instruction in flying or repairing, altering, and maintaining aircraft, aircraft engines, propellers, and appliances, on the adequacy of instruction, the suitability and airworthiness of equipment, and the competency of instructors.

(2) repair stations and shops that repair, alter, and maintain aircraft, aircraft engines, propellers, and appliances, on the adequacy and suitability of the equipment, facilities, and materials for, and methods of, repair and overhaul, and the competency of the individuals doing the work or giving instruction in the work.

(3) other air agencies the Administrator decides are necessary in the public interest.

STATUTORY NOTES AND RELATED SUBSIDIARIES

AIRCRAFT REPAIR AND MAINTENANCE ADVISORY PANEL

Pub. L. 106–181, title VII, §734, Apr. 5, 2000, 114 Stat. 170, provided that:

"(a) ESTABLISHMENT OF PANEL.—The Administrator [of the Federal Aviation Administration]—

"(1) shall establish an aircraft repair and maintenance advisory panel to review issues related to the use and oversight of aircraft and aviation component repair and maintenance facilities (in this section referred to as 'aircraft repair facilities') located within, or outside of, the United States; and

"(2) may seek the advice of the panel on any issue related to methods to increase safety by improving the oversight of aircraft repair facilities.

"(b) MEMBERSHIP.—The panel shall consist of—

"(1) nine members appointed by the Administrator as follows:

"(A) three representatives of labor organizations representing aviation mechanics;

"(B) one representative of cargo air carriers;

"(C) one representative of passenger air carriers;

"(D) one representative of aircraft repair facilities;

"(E) one representative of aircraft manufacturers;

"(F) one representative of on-demand passenger air carriers and corporate aircraft operations; and

"(G) one representative of regional passenger air carriers;

"(2) one representative from the Department of Commerce, designated by the Secretary of Commerce;

"(3) one representative from the Department of State, designated by the Secretary of State; and

"(4) one representative from the Federal Aviation Administration, designated by the Administrator.

"(c) RESPONSIBILITIES.—The panel shall—

"(1) determine the amount and type of work that is being performed by aircraft repair facilities located within, and outside of, the United States; and

"(2) provide advice and counsel to the Secretary [of Transportation] with respect to the aircraft and aviation component repair work performed by aircraft repair facilities and air carriers, staffing needs, and any balance of trade or safety issues associated with that work.

"(d) DOT TO REQUEST INFORMATION FROM AIR CARRIERS AND REPAIR FACILITIES.—

"(1) COLLECTION OF INFORMATION.—The Secretary, by regulation, shall require air carriers, foreign air carriers, domestic repair facilities, and foreign repair facilities to submit such information as the Secretary may require in order to assess balance of trade and safety issues with respect to work performed on aircraft used by air carriers, foreign air carriers, United States corporate operators, and foreign corporate operators.

"(2) DRUG AND ALCOHOL TESTING INFORMATION.—Included in the information the Secretary requires under paragraph (1) shall be information on the existence and administration of employee drug and alcohol testing programs in place at the foreign repair facilities, if applicable. The Secretary, if necessary, shall work with the International Civil Aviation Organization to increase the number and improve the administration of employee drug and alcohol testing programs at the foreign repair facilities.

"(3) DESCRIPTION OF WORK DONE.—Included in the information the Secretary requires under paragraph (1) shall be information on the amount and type of work performed on aircraft registered in and outside of the United States.

"(e) DOT TO FACILITATE COLLECTION OF INFORMATION ABOUT AIRCRAFT MAINTENANCE .—The Secretary shall facilitate the collection of information from the National Transportation Safety Board, the Federal Aviation Administration, and other appropriate agencies regarding maintenance performed by aircraft repair facilities.

"(f) DOT TO MAKE INFORMATION AVAILABLE TO PUBLIC.—The Secretary shall make any relevant information received under subsection (d) available to the public, consistent with the authority to withhold trade secrets or commercial, financial, and other proprietary information under section 552 of title 5, United States Code.

"(g) TERMINATION.—The panel established under subsection (a) shall terminate on the earlier of—
"(1) the date that is 2 years after the date of the enactment of this Act [Apr. 5, 2000]; or
"(2) December 31, 2001.
"(h) DEFINITIONS.—The definitions contained in section 40102 of title 49, United States Code, shall apply to this section."

§44708. Inspecting and rating air navigation facilities

The Administrator of the Federal Aviation Administration may inspect, classify, and rate an air navigation facility available for the use of civil aircraft on the suitability of the facility for that use.

The word "Administrator" in section 606 (1st sentence) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 779) is retained on authority of 49:106(g).

§44709. Amendments, modifications, suspensions, and revocations of certificates

(a) REINSPECTION AND REEXAMINATION.—

(1) IN GENERAL.—The Administrator of the Federal Aviation Administration may reinspect at any time a civil aircraft, aircraft engine, propeller, appliance, design organization, production certificate holder, air navigation facility, or air agency, or reexamine an airman holding a certificate issued under section 44703 of this title.

(2) NOTIFICATION OF REEXAMINATION OF AIRMAN.—Before taking any action to reexamine an airman under paragraph (1) the Administrator shall provide to the airman—

(A) a reasonable basis, described in detail, for requesting the reexamination; and

(B) any information gathered by the Federal Aviation Administration, that the Administrator determines is appropriate to provide, such as the scope and nature of the requested reexamination, that formed the basis for that justification.

(b) ACTIONS OF THE ADMINISTRATOR.—The Administrator may issue an order amending, modifying, suspending, or revoking—

(1) any part of a certificate issued under this chapter if—

(A) the Administrator decides after conducting a reinspection, reexamination, or other investigation that safety in air commerce or air transportation and the public interest require that action; or

(B) the holder of the certificate has violated an aircraft noise or sonic boom standard or regulation prescribed under section 44715(a) of this title; and

(2) an airman certificate when the holder of the certificate is convicted of violating section 13(a) of the Fish and Wildlife Act of 1956 (16 U.S.C. 742j–1(a)).

(c) ADVICE TO CERTIFICATE HOLDERS AND OPPORTUNITY TO ANSWER.—Before acting under subsection (b) of this section, the Administrator shall advise the holder of the certificate

of the charges or other reasons on which the Administrator relies for the proposed action. Except in an emergency, the Administrator shall provide the holder an opportunity to answer the charges and be heard why the certificate should not be amended, modified, suspended, or revoked.

(d) APPEALS.—(1) A person adversely affected by an order of the Administrator under this section may appeal the order to the National Transportation Safety Board. After notice and an opportunity for a hearing, the Board may amend, modify, or reverse the order when the Board finds—

(A) if the order was issued under subsection (b)(1)(A) of this section, that safety in air commerce or air transportation and the public interest do not require affirmation of the order; or

(B) if the order was issued under subsection (b)(1)(B) of this section—

(i) that control or abatement of aircraft noise or sonic boom and the public health and welfare do not require affirmation of the order; or

(ii) the order, as it is related to a violation of aircraft noise or sonic boom standards and regulations, is not consistent with safety in air commerce or air transportation.

(2) The Board may modify a suspension or revocation of a certificate to imposition of a civil penalty.

(3) When conducting a hearing under this subsection, the Board is not bound by findings of fact of the Administrator.

(e) EFFECTIVENESS OF ORDERS PENDING APPEAL.—

(1) IN GENERAL.—When a person files an appeal with the Board under subsection (d), the order of the Administrator is stayed.

(2) EXCEPTION.—Notwithstanding paragraph (1), the order of the Administrator is effective immediately if the Administrator advises the Board that an emergency exists and safety in air commerce or air transportation requires the order to be effective immediately.

(3) REVIEW OF EMERGENCY ORDER.—A person affected by the immediate effectiveness of the Administrator's order under paragraph (2) may petition for a review by the Board, under procedures promulgated by the Board, of the Administrator's determination that an emergency exists. Any such review shall be requested not later than 48 hours after the order is received by the person. If the Board finds that an emergency does not exist that requires the immediate application of the order in the interest of safety in air commerce or air transportation, the order shall be stayed, notwithstanding paragraph (2). The Board shall dispose of a review request under this paragraph not later than 5 days after the date on which the request is filed.

(4) FINAL DISPOSITION.—The Board shall make a final disposition of an appeal under subsection (d) not later than 60 days after the date on which the appeal is filed.

(f) JUDICIAL REVIEW.—A person substantially affected by an order of the Board under this section, or the Administrator when the Administrator decides that an order of the Board under this section will have a significant adverse impact on carrying out this part, may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

In this section, the word "Administrator" in section 609(a) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 779) is retained on authority of 49:106(g). The words "modifying", "modify", and "modified" are omitted as surplus.

In subsection (a), the words "airman holding a certificate issued under section 44703 of this title" are substituted for "civil airman" for clarity.

In subsection (b)(1), before subclause (A), the words "certificate issued under this chapter" are substituted for "type certificate, production certificate, airworthiness certificate, airman certificate, air carrier operating certificate, air navigation facility certificate (including airport operating certificate), or air agency certificate" to eliminate unnecessary words.

In subsection (b)(2), the words "in his discretion" and "regarding the use or operation of an aircraft" in 49 App.:1429(b) are omitted as surplus.

In subsection (c), the words "cases of" in 49 App.:1429(a) are omitted as surplus.

In subsection (d)(1), before clause (A), the word "adversely" is substituted for "whose certificate is" in 49 App.:1429(a), and the words "an opportunity for a" are added, for consistency in the revised title and with other titles of the United States Code. The words "of the FAA" in 49 App.:1431(e) are omitted as surplus.

In subsection (d)(2), the words "consistent with this subsection" are omitted as surplus.

In subsection (d)(3), the word "Administrator" is substituted for "Federal Aviation Administration" because

of 49:106(b) and (g).

In subsection (e), before clause (1), the words "the effectiveness of" are omitted as surplus.

EDITORIAL NOTES

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–254 designated existing provisions as par. (1), inserted heading, and added par. (2).

2012—Subsec. (d)(3). Pub. L. 112–153 struck out "but is bound by all validly adopted interpretations of laws and regulations the Administrator carries out and of written agency policy guidance available to the public related to sanctions to be imposed under this section unless the Board finds an interpretation is arbitrary, capricious, or otherwise not according to law" after "Administrator".

2003—Subsec. (a). Pub. L. 108–176 inserted "design organization, production certificate holder," after "appliance,".

2000—Subsec. (e). Pub. L. 106–181 amended heading and text of subsec. (e) generally. Prior to amendment, text read as follows: "When a person files an appeal with the Board under subsection (d) of the section, the order of the Administrator is stayed. However, if the Administrator advises the Board that an emergency exists and safety in air commerce or air transportation requires the order to be effective immediately—

"(1) the order is effective; and

"(2) the Board shall make a final disposition of the appeal not later than 60 days after the Administrator so advises the Board."

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

RISK MODEL FOR PRODUCTION FACILITY INSPECTIONS

Pub. L. 118–63, title III, §314, May 16, 2024, 138 Stat. 1077, provided that:

"(a) IN GENERAL.—Not later than 12 months after the date of enactment of this Act [May 16, 2024], and periodically thereafter, the Administrator [of the Federal Aviation Administration] shall—

"(1) conduct a review of the risk-based model used by certification management offices of the FAA [Federal Aviation Administration] to inform the frequency of aircraft manufacturing or production facility inspections; and

"(2) update the model to ensure such model adequately accounts for risk at facilities during periods of increased production.

"(b) BRIEFINGS.—Not later than 60 days after the date on which the review is completed under subsection (a), the Administrator shall brief the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] on—

"(1) the results of the review;

"(2) any changes made to the risk-based model described in subsection (a); and

"(3) how such changes would help improve the in-plant inspection process."

§44710. Revocations of airman certificates for controlled substance violations

(a) DEFINITION.—In this section, "controlled substance" has the same meaning given that term in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802).

(b) REVOCATION.—(1) The Administrator of the Federal Aviation Administration shall issue an order revoking an airman certificate issued an individual under section 44703 of this title after the individual is convicted, under a law of the United States or a State related to a controlled substance (except a law related to simple possession of a controlled substance), of an offense punishable by death or imprisonment for more than one year if the Administrator finds that—

(A) an aircraft was used to commit, or facilitate the commission of, the offense; and

(B) the individual served as an airman, or was on the aircraft, in connection with committing, or facilitating the commission of, the offense.

(2) The Administrator shall issue an order revoking an airman certificate issued an individual under section 44703 of this title if the Administrator finds that—

(A) the individual knowingly carried out an activity punishable, under a law of the United States or a State related to a controlled substance (except a law related to simple possession of a controlled substance), by death or imprisonment for more than one year;

(B) an aircraft was used to carry out or facilitate the activity; and

(C) the individual served as an airman, or was on the aircraft, in connection with carrying out, or facilitating the carrying out of, the activity.

(3) The Administrator has no authority under paragraph (1) of this subsection to review whether an airman violated a law of the United States or a State related to a controlled substance.

(c) ADVICE TO HOLDERS AND OPPORTUNITY TO ANSWER.—Before the Administrator revokes a certificate under subsection (b) of this section, the Administrator must—

(1) advise the holder of the certificate of the charges or reasons on which the Administrator relies for the proposed revocation; and

(2) provide the holder of the certificate an opportunity to answer the charges and be heard why the certificate should not be revoked.

(d) APPEALS.—(1) An individual whose certificate is revoked by the Administrator under subsection (b) of this section may appeal the revocation order to the National Transportation Safety Board. The Board shall affirm or reverse the order after providing notice and an opportunity for a hearing on the record. When conducting the hearing, the Board is not bound by findings of fact of the Administrator.

(2) When an individual files an appeal with the Board under this subsection, the order of the Administrator revoking the certificate is stayed. However, if the Administrator advises the Board that safety in air transportation or air commerce requires the immediate effectiveness of the order—

(A) the order remains effective; and

(B) the Board shall make a final disposition of the appeal not later than 60 days after the Administrator so advises the Board.

(3) An individual substantially affected by an order of the Board under this subsection, or the Administrator when the Administrator decides that an order of the Board will have a significant adverse effect on carrying out this part, may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

(e) ACQUITTAL.—(1) The Administrator may not revoke, and the Board may not affirm a revocation of, an airman certificate under subsection (b)(2) of this section on the basis of an activity described in subsection (b)(2)(A) if the holder of the certificate is acquitted of all charges related to a controlled substance in an indictment or information arising from the activity.

(2) If the Administrator has revoked an airman certificate under this section because of an activity described in subsection (b)(2)(A) of this section, the Administrator shall reissue a certificate to the individual if—

(A) the individual otherwise satisfies the requirements for a certificate under section 44703 of this title; and

(B)(i) the individual subsequently is acquitted of all charges related to a controlled substance in an indictment or information arising from the activity; or

(ii) the conviction on which a revocation under subsection (b)(1) of this section is based is reversed.

(f) WAIVERS.—The Administrator may waive the requirement of subsection (b) of this section that an airman certificate of an individual be revoked if—

(1) a law enforcement official of the United States Government or of a State requests a waiver; and

(2) the Administrator decides that the waiver will facilitate law enforcement efforts.

AMENDMENTS

2012—Subsec. (d)(1). Pub. L. 112–153 struck out "but shall be bound by all validly adopted interpretations of laws and regulations the Administrator carries out and of written agency policy guidance available to the public related to sanctions to be imposed under this section unless the Board finds an interpretation is arbitrary, capricious, or otherwise not according to law" after "findings of fact of the Administrator".

§44711. Prohibitions and exemption

(a) PROHIBITIONS.—A person may not—

(1) operate a civil aircraft in air commerce without an airworthiness certificate in effect or in violation of a term of the certificate;

(2) serve in any capacity as an airman with respect to a civil aircraft, aircraft engine, propeller, or appliance used, or intended for use, in air commerce—

(A) without an airman certificate authorizing the airman to serve in the capacity for which the certificate was issued; or

(B) in violation of a term of the certificate or a regulation prescribed or order issued under section 44701(a) or (b) or any of sections 44702–44716 of this title;

(3) employ for service related to civil aircraft used in air commerce an airman who does not have an airman certificate authorizing the airman to serve in the capacity for which the airman is employed;

(4) operate as an air carrier without an air carrier operating certificate or in violation of a term of the certificate;

(5) operate aircraft in air commerce in violation of a regulation prescribed or certificate issued under section 44701(a) or (b) or any of sections 44702–44716 of this title;

(6) operate a seaplane or other aircraft of United States registry on the high seas in violation of a regulation under section 3 of the International Navigational Rules Act of 1977 (33 U.S.C. 1602);

(7) violate a term of an air agency, design organization certificate, or production certificate or a regulation prescribed or order issued under section 44701(a) or (b) or any of sections 44702–44716 of this title related to the holder of the certificate;

(8) operate an airport without an airport operating certificate required under section 44706 of this title or in violation of a term of the certificate;

(9) manufacture, deliver, sell, or offer for sale any aviation fuel or additive in violation of a regulation prescribed under section 44714 of this title;

(10) work as an aircraft dispatcher outside of a physical location designated as a dispatching center or flight following center of an air carrier, except as provided under section 44747; or

(11) violate section 44732 or any regulation issued thereunder.

(b) EXEMPTION.—On terms the Administrator of the Federal Aviation Administration prescribes as being in the public interest, the Administrator may exempt a foreign aircraft and airmen serving on the aircraft from subsection (a) of this section. However, an exemption from observing air traffic regulations may not be granted.

(c) PROHIBITION ON EMPLOYMENT OF CONVICTED COUNTERFEIT PART TRAFFICKERS.—No person subject to this chapter may knowingly employ anyone to perform a function related to the procurement, sale, production, or repair of a part or material, or the

installation of a part into a civil aircraft, who has been convicted in a court of law of a violation of any Federal law relating to the installation, production, repair, or sale of a counterfeit or fraudulently-represented aviation part or material.

(d) POST-EMPLOYMENT RESTRICTIONS FOR INSPECTORS AND ENGINEERS.—

(1) PROHIBITION.—A person holding a certificate issued under part 21 or 119 of title 14, Code of Federal Regulations, may not knowingly employ, or make a contractual arrangement that permits, an individual to act as an agent or representative of such person in any matter before the Administration if the individual, in the preceding 2-year period—

(A) served as, or was responsible for oversight of—

(i) a flight standards inspector of the Administration; or

(ii) an employee of the Administration with responsibility for certification functions with respect to a holder of a certificate issued under section 44704(a); and

(B) had responsibility to inspect, or oversee inspection of, the operations of such person.

(2) WRITTEN AND ORAL COMMUNICATIONS.—For purposes of paragraph (1), an individual shall be considered to be acting as an agent or representative of a certificate holder in a matter before the Administration if the individual makes any written or oral communication on behalf of the certificate holder to the Administration (or any of its officers or employees) in connection with a particular matter, whether or not involving a specific party and without regard to whether the individual has participated in, or had responsibility for, the particular matter while serving as an individual covered under paragraph (1).

EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by Pub. L. 103–429 effective July 5, 1994, see section 9 of Pub. L. 103–429, set out as a note under section 321 of this title.

REGULATIONS

Pub. L. 118–63, title IV, §420(a)(2), May 16, 2024, 138 Stat. 1164, provided that: "Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall issue regulations requiring persons to comply with section 44711(a)(10) of title 49, United States Code (as added by paragraph (1))."

§44712. Emergency locator transmitters

(a) INSTALLATION.—An emergency locator transmitter must be installed on a fixed-wing powered civil aircraft for use in air commerce.

(b) NONAPPLICATION.—Prior to January 1, 2002, subsection (a) does not apply to—

(1) turbojet-powered aircraft;

(2) aircraft when used in scheduled flights by scheduled air carriers holding certificates issued by the Secretary of Transportation under subpart II of this part;

(3) aircraft when used in training operations conducted entirely within a 50 mile radius of the airport from which the training operations begin;

(4) aircraft when used in flight operations related to design and testing, the manufacture, preparation, and delivery of the aircraft, or the aerial application of a substance for an agricultural purpose;

(5) aircraft holding certificates from the Administrator of the Federal Aviation Administration for research and development;

(6) aircraft when used for showing compliance with regulations, crew training, exhibition, air racing, or market surveys; and

(7) aircraft equipped to carry only one individual.

(c) NONAPPLICATION BEGINNING ON JANUARY 1, 2002.—

(1) IN GENERAL.—Subject to paragraph (2), on and after January 1, 2002, subsection (a) does not apply to—

(A) aircraft when used in scheduled flights by scheduled air carriers holding certificates issued by the Secretary of Transportation under subpart II of this part;

(B) aircraft when used in training operations conducted entirely within a 50-mile radius of the airport from which the training operations begin;

(C) aircraft when used in flight operations related to the design and testing, manufacture, preparation, and delivery of aircraft;

(D) aircraft when used in research and development if the aircraft holds a certificate from the Administrator of the Federal Aviation Administration to carry out such research and development;

(E) aircraft when used in showing compliance with regulations, crew training, exhibition, air racing, or market surveys;

(F) aircraft when used in the aerial application of a substance for an agricultural purpose;

(G) aircraft with a maximum payload capacity of more than 18,000 pounds when used in air transportation; or

(H) aircraft equipped to carry only one individual.

(2) DELAY IN IMPLEMENTATION.—The Administrator of the Federal Aviation Administration may continue to implement subsection (b) rather than subsection (c) for a period not to exceed 2 years after January 1, 2002, if the Administrator finds such action is necessary to promote—

(A) a safe and orderly transition to the operation of civil aircraft equipped with an emergency locator; or

(B) other safety objectives.

(d) COMPLIANCE.—An aircraft meets the requirement of subsection (a) if it is equipped with an emergency locator transmitter that transmits on the 121.5/243 megahertz frequency or the 406 megahertz frequency or with other equipment approved by the Secretary for meeting the requirement of subsection (a).

(e) REMOVAL.—The Administrator shall prescribe regulations specifying the conditions under which an aircraft subject to subsection (a) of this section may operate when its emergency locator transmitter has been removed for inspection, repair, alteration, or replacement.

AMENDMENTS

2000—Subsec. (b). Pub. L. 106–181, §501(a)(1), substituted "Prior to January 1, 2002, subsection (a)" for "Subsection (a) of this section" in introductory provisions.

Subsecs. (c) to (e). Pub. L. 106–181, §501(a)(2), (3), added subsecs. (c) and (d) and redesignated former subsec. (c) as (e).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

REGULATIONS

Pub. L. 106–181, title V, §501(b), Apr. 5, 2000, 114 Stat. 132, provided that: "The Secretary [of Transportation] shall issue regulations to carry out section 44712(c) of title 49, United States Code, as amended by this section, not later than January 1, 2001."

EMERGENCY LOCATOR TRANSMITTERS ON GENERAL AVIATION AIRCRAFT

Pub. L. 112–95, title III, §347, Feb. 14, 2012, 126 Stat. 82, provided that:

"(a) INSPECTION.—As part of the annual inspection of general aviation aircraft, the Administrator of the Federal Aviation Administration shall require a detailed inspection of each emergency locator transmitter (in this section referred to as an 'ELT') installed in general aviation aircraft operating in the United States to ensure that the ELT is mounted and retained in accordance with the manufacturer's specifications.

"(b) MOUNTING AND RETENTION.—

"(1) IN GENERAL.—Not later than 90 days after the date of enactment of this Act [Feb. 14, 2012], the Administrator shall determine if the ELT mounting requirements and retention tests specified by Technical Standard Orders C91a and C126 are adequate to assess retention capabilities in ELT designs.

"(2) REVISION.—Based on the determination under paragraph (1), the Administrator shall make any necessary revisions to the requirements and retention tests referred to in paragraph (1) to ensure that ELTs are properly retained in the event of an aircraft accident.

"(c) REPORT.—Upon the completion of any revisions under subsection (b)(2), the Administrator shall submit a report on the implementation of this section to—

"(1) the Committee on Commerce, Science, and Transportation of the Senate; and

"(2) the Committee on Transportation and Infrastructure of the House of Representatives."

§44713. Inspection and maintenance

(a) GENERAL EQUIPMENT REQUIREMENTS.—An air carrier shall make, or cause to be made, any inspection, repair, or maintenance of equipment used in air transportation as required by this part or regulations prescribed or orders issued by the Administrator of the Federal Aviation Administration under this part. A person operating, inspecting, repairing, or maintaining the equipment shall comply with those requirements, regulations, and orders.

(b) DUTIES OF INSPECTORS.—The Administrator of the Federal Aviation Administration shall employ inspectors who shall—

(1) inspect aircraft, aircraft engines, propellers, and appliances designed for use in air transportation, during manufacture and when in use by an air carrier in air transportation, to enable the Administrator to decide whether the aircraft, aircraft engines, propellers, or appliances are in safe condition and maintained properly; and

(2) advise and cooperate with the air carrier during that inspection and maintenance.

(c) UNSAFE AIRCRAFT, ENGINES, PROPELLERS, AND APPLIANCES.—When an inspector decides that an aircraft, aircraft engine, propeller, or appliance is not in condition for safe

operation, the inspector shall notify the air carrier in the form and way prescribed by the Administrator of the Federal Aviation Administration. For 5 days after the carrier is notified, the aircraft, engine, propeller, or appliance may not be used in air transportation or in a way that endangers air transportation unless the Administrator or the inspector decides the aircraft, engine, propeller, or appliance is in condition for safe operation.

(d) MODIFICATIONS IN SYSTEM.—(1) The Administrator of the Federal Aviation Administration shall make modifications in the system for processing forms for major repairs or alterations to fuel tanks and fuel systems of aircraft not used to provide air transportation that are necessary to make the system more effective in serving the needs of users of the system, including officials responsible for enforcing laws related to the regulation of controlled substances (as defined in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802)). The modifications shall address at least each of the following deficiencies in, and abuses of, the existing system:

(A) the lack of a special identification feature to allow the forms to be distinguished easily from other major repair and alteration forms.

(B) the excessive period of time required to receive the forms at the Airmen and Aircraft Registry of the Administration.

(C) the backlog of forms waiting for processing at the Registry.

(D) the lack of ready access by law enforcement officials to information contained on the forms.

(2) The Administrator of the Federal Aviation Administration shall prescribe regulations to carry out paragraph (1) of this subsection and provide a written explanation of how the regulations address each of the deficiencies and abuses described in paragraph (1). In prescribing the regulations, the Administrator of the Federal Aviation Administration shall consult with the Administrator of Drug Enforcement, the Commissioner of U.S. Customs and Border Protection, other law enforcement officials of the United States Government, representatives of State and local law enforcement officials, representatives of the general aviation aircraft industry, representatives of users of general aviation aircraft, and other interested persons.

(e) AUTOMATED SURVEILLANCE TARGETING SYSTEMS.—

(1) IN GENERAL.—The Administrator shall give high priority to developing and deploying a fully enhanced safety performance analysis system that includes automated surveillance to assist the Administrator in prioritizing and targeting surveillance and inspection activities of the Federal Aviation Administration.

(2) DEADLINES FOR DEPLOYMENT.—

(A) INITIAL PHASE.—The initial phase of the operational deployment of the system developed under this subsection shall begin not later than December 31, 1997.

(B) FINAL PHASE.—The final phase of field deployment of the system developed under this subsection shall begin not later than December 31, 1999. By that date, all principal operations and maintenance inspectors of the Administration, and appropriate supervisors and analysts of the Administration shall have been provided access to the necessary information and resources to carry out the system.

(3) INTEGRATION OF INFORMATION.—In developing the system under this section, the Administration shall consider the near-term integration of accident and incident data into the safety performance analysis system under this subsection.

In subsections (a)–(c), the word "Administrator" in section 605(a) and (b) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 778) is retained on authority of 49:106(g).

In subsection (a), the word "overhaul" is omitted as being included in "repair". The word "prescribed" is added for consistency in the revised title and with other titles of the United States Code. The words "A person operating, inspecting, overhauling, or maintaining the equipment shall comply with those requirements, regulations, and orders" are substituted for 49 App.:1425(a) (last sentence) to eliminate unnecessary words.

In subsection (b), before clause (1), the words "be charged with the duty . . . of" are omitted as surplus. In clause (1), the words "in use" are substituted for "used by an air carrier in air transportation" to eliminate unnecessary words. The words "as may be necessary" and "for operation in air transportation" are omitted as surplus.

In subsection (c), the words "in the performance of his duty", "used or intended to be used by any air carrier in air transportation", and "a period of" are omitted as surplus.

In subsection (d)(1), before clause (A), the words "not used to provide air transportation" are substituted for section 7214 of the Anti-Drug Abuse Act of 1988 (Public Law 100–690, 102 Stat. 4434) because of the restatement.

In subsection (d)(2), the words "Not later than September 18, 1989" and "final" are omitted as obsolete. The words "Administrator of Drug Enforcement" are substituted for "Drug Enforcement Administration of the Department of Justice" because of section 5(a) of Reorganization Plan No. 2 of 1973 (eff. July 1, 1973, 87 Stat. 1092). The words "Commissioner of Customs" are substituted for "United States Customs Service" because of 19:2071.

EDITORIAL NOTES

AMENDMENTS

1996—Subsec. (e). Pub. L. 104–264 added subsec. (e).

STATUTORY NOTES AND RELATED SUBSIDIARIES

CHANGE OF NAME

"Commissioner of U.S. Customs and Border Protection" substituted for "Commissioner of Customs" in subsec. (d)(2) on authority of section 802(d)(2) of Pub. L. 114–125, set out as a note under section 211 of Title 6, Domestic Security.

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

TRANSFER OF FUNCTIONS

For transfer of functions, personnel, assets, and liabilities of the United States Customs Service of the Department of the Treasury, including functions of the Secretary of the Treasury relating thereto, to the Secretary of Homeland Security, and for treatment of related references, see sections 203(1), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6. For establishment of U.S. Customs and Border Protection in the Department of Homeland Security, treated as if included in Pub. L. 107–296 as of Nov. 25, 2002, see section 211 of Title 6, as amended generally by Pub. L. 114–125, and section 802(b) of Pub. L. 114–125, set out as a note under section 211 of Title 6.

MAINTENANCE PROVIDERS

Pub. L. 112–95, title III, §319, Feb. 14, 2012, 126 Stat. 69, provided that:

"(a) REGULATIONS.—Not later than 3 years after the date of enactment of this Act [Feb. 14, 2012], the Administrator of the Federal Aviation Administration shall issue regulations requiring that covered work on an aircraft used to provide air transportation under part 121 of title 14, Code of Federal Regulations, be performed by persons in accordance with subsection (b).

"(b) PERSONS AUTHORIZED TO PERFORM CERTAIN WORK.—A person may perform covered work on aircraft used to provide air transportation under part 121 of title 14, Code of Federal Regulations, only if the person is employed by—

"(1) a part 121 air carrier;

"(2) a part 145 repair station or a person authorized under section 43.17 of title 14, Code of Federal Regulations (or any successor regulation); or

"(3) subject to subsection (c), a person that—

"(A) provides contract maintenance workers, services, or maintenance functions to a part 121 air carrier or part 145 repair station; and

"(B) meets the requirements of the part 121 air carrier or the part 145 repair station, as appropriate.

"(c) TERMS AND CONDITIONS.—Covered work performed by a person who is employed by a person described in subsection (b)(3) shall be subject to the following terms and conditions:

"(1) The applicable part 121 air carrier shall be directly in charge of the covered work being performed.

"(2) The covered work shall be carried out in accordance with the part 121 air carrier's maintenance manual.

"(3) The person shall carry out the covered work under the supervision and control of the part 121 air carrier directly in charge of the covered work being performed on its aircraft.

"(d) DEFINITIONS.—In this section, the following definitions apply:

"(1) COVERED WORK.—The term 'covered work' means any of the following:

"(A) Essential maintenance that could result in a failure, malfunction, or defect endangering the safe operation of an aircraft if not performed properly or if improper parts or materials are used.

"(B) Regularly scheduled maintenance.

"(C) A required inspection item (as defined by the Administrator).

"(2) PART 121 AIR CARRIER.—The term 'part 121 air carrier' means an air carrier that holds a certificate issued under part 121 of title 14, Code of Federal Regulations.

"(3) PART 145 REPAIR STATION.—The term 'part 145 repair station' means a repair station that holds a certificate issued under part 145 of title 14, Code of Federal Regulations.

"(4) PERSON.—The term 'person' means an individual, firm, partnership, corporation, company, or association that performs maintenance, preventative maintenance, or alterations."

§44714. Aviation fuel standards

The Administrator of the Federal Aviation Administration shall prescribe—

(1) standards for the composition or chemical or physical properties of an aircraft fuel or fuel additive to control or eliminate aircraft emissions the Administrator of the Environmental Protection Agency decides under section 231 of the Clean Air Act (42 U.S.C. 7571) endanger the public health or welfare; and

(2) regulations providing for carrying out and enforcing those standards.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1195.)

STATUTORY NOTES AND RELATED SUBSIDIARIES

LOW LEAD AVIATION FUEL IN ALASKA

Pub. L. 118–63, title VII, §771(a), May 16, 2024, 138 Stat. 1296, provided that:

"(1) PROHIBITION ON RESTRICTION OF FUEL USAGE OR AVAILABILITY.—The Administrator of the Federal Aviation Administration and the Administrator of the Environmental Protection Agency shall not restrict the continued use or availability of 100-octane low lead aviation gasoline in the State of Alaska until the earlier of—

"(A) December 31, 2032; or

"(B) 6 months after the date on which the Administrator of the Federal Aviation Administration finds that an unleaded aviation fuel is widely commercially available at airports throughout the State of Alaska that—

"(i) has been authorized for use by the Administrator of the Federal Aviation Administration as a replacement for 100-octane low lead aviation gasoline; and

"(ii) meets either an industry consensus standard or other standard that facilitates and ensures the safe use, production, and distribution of such unleaded aviation fuel.

"(2) SAVINGS CLAUSE.—Nothing in this section shall limit the authority of the Administrator of the Federal Aviation Administration or the Administrator of the Environmental Protection Agency to address the endangerment to public health and welfare posed by lead emissions—

"(A) in the United States outside of the State of Alaska; or

"(B) within the State of Alaska after the date specified in paragraph (1)."

EAGLE INITIATIVE

Pub. L. 118–63, title VIII, §827, May 16, 2024, 138 Stat. 1333, provided that:

"(a) EAGLE INITIATIVE.—

"(1) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall continue to partner with industry and other Federal Government stakeholders in carrying out the Eliminate Aviation Gasoline Lead Emissions Initiative (in this section referred to as the 'EAGLE Initiative') through the end of 2030.

"(2) FAA [FEDERAL AVIATION ADMINISTRATION] RESPONSIBILITIES.—In collaborating with industry and other Government stakeholders to carry out the EAGLE Initiative, the Administrator shall take such actions as may be necessary under the authority of the Administrator to facilitate—

"(A) the safe elimination of the use of leaded aviation gasoline by piston-engine aircraft by the end of 2030 without adversely affecting the safe and efficient operation of the piston-engine aircraft fleet;

"(B) the approval of the use of unleaded alternatives to leaded aviation gasoline for use in all piston-engine aircraft types and piston-engine models;

"(C) the implementation of the requirements of section 47107(a)(22) of title 49, United States Code, as added by this Act, as such requirements relate to the continued availability of aviation gasoline;

"(D) efforts to make unleaded aviation gasoline that is approved for use in piston-engine aircraft and engines widely available for purchase and use at airports in the National Plan of Integrated Airport Systems; and

"(E) the development of a transition plan to safely enable the transition of the piston-engine general aviation aircraft fleet to unleaded aviation gasoline by 2030, to the extent practicable.

"(3) ACTIVITIES.—In carrying out the responsibilities of the Administrator pursuant to paragraph (2), the Administrator shall, at a minimum—

"(A) maintain a fleet authorization process for the efficient approval or authorization of eligible piston-engine aircraft and engine models to operate safely using qualified unleaded aviation gasolines;

"(B) review, update, and prioritize, as soon as practicable, certification processes and projects, as necessary, for aircraft engines and modifications to such engines to operate with unleaded aviation gasoline;

"(C) seek to facilitate programs that accelerate the creation, evaluation, qualification, deployment, and use of unleaded aviation gasolines;

"(D) carry out, in partnership with the general aviation community, an ongoing campaign for training and educating aircraft owners and operators on how to safely transition to unleaded aviation gasoline;

"(E) evaluate aircraft and aircraft engines to ensure that such aircraft and aircraft engines can safely operate with unleaded aviation gasoline candidates during cold weather conditions; and

"(F) facilitate the development of agency policies and processes, as appropriate, to support the deployment of necessary infrastructure at airports to enable the distribution and storage of unleaded aviation gasolines.

"(4) CONSULTATION AND COLLABORATION WITH RELEVANT STAKEHOLDERS.—In carrying out the EAGLE Initiative, the Administrator shall continue to consult and collaborate, as appropriate, with relevant stakeholders, including—

"(A) general aviation aircraft engine, aircraft propulsion, and aircraft airframe manufacturers;

"(B) general aviation aircraft users, aircraft owners, aircraft pilots, and aircraft operators;

"(C) airports and fixed-base operators;

"(D) State, local, and Tribal aviation officials;

"(E) representatives of the petroleum industry, including developers, refiners, producers, and distributors of unleaded aviation gasolines; and

"(F) air carriers and commercial operators operating under part 135 of title 14, Code of Federal Regulations.

"(5) REPORT TO CONGRESS.—

"(A) INITIAL REPORT.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report that—

"(i) contains an updated strategic plan for maintaining a fleet authorization process for the efficient approval and authorization of eligible piston-engine aircraft and engine models to operate using unleaded aviation gasolines in a manner that ensures safety;

"(ii) describes the structure and involvement of all FAA offices that have responsibilities described in paragraph (2); and

"(iii) identifies policy initiatives, regulatory initiatives, or legislative initiatives needed to improve and enhance the timely and safe transition to unleaded aviation gasoline for the piston-engine aircraft fleet.

"(B) ANNUAL BRIEFING.—Not later than 1 year after the date on which the Administrator submits the initial report under subparagraph (A), and annually thereafter through 2030, the Administrator shall brief the appropriate committees of Congress on activities and progress of the EAGLE Initiative.

"(C) SUNSET.—Subparagraph (B) shall cease to be effective after December 31, 2030.

"(b) TRANSITION PLAN TO UNLEADED AVIATION GASOLINE.—

"(1) IN GENERAL.—In developing the transition plan under subsection (a)(2)(E), the Administrator may, at a minimum, assess the following:

"(A) Efforts undertaken by the EAGLE Initiative, including progress towards—

"(i) safely eliminating the use of leaded aviation gasoline by piston-engine aircraft by the end of 2030 without adversely affecting the safe and efficient operation of the piston-engine aircraft fleet;

"(ii) approving the use of unleaded alternatives to leaded aviation gasoline for use in all piston-engine aircraft types and piston-engine models; and

"(iii) facilitating efforts to make approved unleaded aviation gasoline that is approved for use in piston-engine aircraft and engines widely available at airports for purchase and use in the National Plan of Integrated Airport Systems.

"(B) The evaluation and development of necessary airport infrastructure, including fuel storage and dispensing facilities, to support the distribution and storage of unleaded aviation gasoline.

"(C) The establishment of best practices for piston-engine aircraft owners and operators, airport operators and personnel, aircraft maintenance technicians, and other appropriate personnel for protecting against exposure to lead containment when—

"(i) conducting fueling operations;

"(ii) disposing of inspected gasoline samples;

"(iii) performing aircraft maintenance; and

"(iv) conducting engine run-ups.

"(D) Efforts to address supply chain and other logistical barriers inhibiting the timely distribution of unleaded aviation gasoline to airports.

"(E) Outreach efforts to educate and update piston-engine aircraft owners and operators, airport operators, and other members of the general aviation community on the potential benefits, availability, and safety of unleaded aviation gasoline.

"(2) PUBLICATION; GUIDANCE.—Upon completion of developing such transition plan, the Administrator shall—

"(A) make the plan available to the public on an appropriate website of the FAA; and

"(B) provide guidance supporting the implementation of the transition plan.

"(3) COLLABORATION WITH EAGLE INITIATIVE.—In supporting the development of such transition plan and issuing associated guidance pertaining to the implementation of such transition plan, the Administrator shall consult and collaborate with individuals carrying out the EAGLE Initiative.

"(4) UNLEADED AVIATION GASOLINE COMMUNICATION MATERIALS.—The Administrator may collaborate with individuals carrying out the EAGLE Initiative to jointly develop and continuously update websites, brochures, and other communication materials associated with such transition plan to clearly convey the availability of unleaded aviation gasoline at airports.

"(5) BRIEFING TO CONGRESS.—Not later than 60 days after the publication of such transition plan, the Administrator shall brief the appropriate committees of Congress on such transition plan and any agency efforts or actions pertaining to the implementation of such transition plan.

"(6) SAVINGS CLAUSE.—Nothing in this section shall be construed to delay or alter the ongoing work of the EAGLE Initiative established by the Administrator in 2022."

LIMITATIONS FOR CERTAIN CARGO AIRCRAFT

Pub. L. 118–63, title XI, §1105, May 16, 2024, 138 Stat. 1416, provided that:

"(a) IN GENERAL.—The standards adopted by the Administrator of the Environmental Protection Agency in part 1030 of title 40, Code of Federal Regulations, and the requirements in part 38 of title 14, Code of Federal Regulations, that were finalized by the Administrator of the FAA [Federal Aviation Administration] under the final rule titled 'Airplane Fuel Efficiency Certification', and published on February 16, 2024 (89 Fed. Reg. 12634) in part 38 of title 14, Code of Federal Regulations, shall not apply to any covered airplane before the date that is 5 years after January 1, 2028.

"(b) OPERATIONAL LIMITATION.—The Administrator [of the Federal Aviation Administration] shall limit to domestic use or international operations, consistent with relevant international agreements and standards, the operation of any covered airplane that—

"(1) does not meet the standards and requirements described in subsection (a); and

"(2) received an original certificate of airworthiness issued by the Administrator on or after January 1, 2028.

"(c) DEFINITIONS.—In this section:

"(1) COVERED AIRPLANE.—The term 'covered airplane' means an airplane that—

"(A) is a subsonic jet that is a purpose-built freighter;

"(B) has a maximum takeoff mass greater than 180,000 kilograms but not greater than 240,000 kilograms; and

"(C) has a type design certificated prior to January 1, 2023.

"(2) PURPOSE-BUILT FREIGHTER.—The term 'purpose-built freighter' means any airplane that—

"(A) was configured to carry cargo rather than passengers prior to receiving an original certificate of airworthiness; and

"(B) is configured to carry cargo rather than passengers."

AVIATION FUEL

Pub. L. 115–254, div. B, title V, §565, Oct. 5, 2018, 132 Stat. 3385, provided that:

"(a) USE OF UNLEADED AVIATION GASOLINE.—The Administrator [of the Federal Aviation

Administration] shall allow the use of an unleaded aviation gasoline in an aircraft as a replacement for a leaded gasoline if the Administrator—

"(1) determines that the unleaded aviation gasoline qualifies as a replacement for an approved leaded gasoline;

"(2) identifies the aircraft and engines that are eligible to use the qualified replacement unleaded gasoline; and

"(3) adopts a process (other than the traditional means of certification) to allow eligible aircraft and engines to operate using qualified replacement unleaded gasoline in a manner that ensures safety.

"(b) TIMING.—The Administrator shall adopt the process described in subsection (a)(3) not later than 180 days after the later of—

"(1) the date on which the [Federal Aviation] Administration completes the Piston Aviation Fuels Initiative; or

"(2) the date on which the American Society for Testing and Materials publishes a production specification for an unleaded aviation gasoline.

"(c) TYPE CERTIFICATION.—Existing regulatory mechanisms by which an unleaded aviation gasoline can be approved for use in an engine or aircraft by Type or Supplemental Type Certificate for individual aircraft and engine types or by Approved Model List Supplemental Type Certificate providing coverage for a broad range of applicable types of aircraft or engines identified in the application shall continue to be fully available as a means of approving and bringing an unleaded aviation gasoline into general use in the United States. Such approvals shall be issued when the Administrator finds that the aircraft or engine performs properly and meets the applicable regulations and minimum standards under the normal certification process."

§44715. Controlling aircraft noise and sonic boom

(a) STANDARDS AND REGULATIONS.—(1)(A) To relieve and protect the public health and welfare from aircraft noise and sonic boom, the Administrator of the Federal Aviation Administration, as he deems necessary, shall prescribe—

(i) standards to measure aircraft noise and sonic boom; and

(ii) regulations to control and abate aircraft noise and sonic boom.

(B) The Administrator, as the Administrator deems appropriate, shall provide for the participation of a representative of the Environmental Protection Agency on such advisory committees or associated working groups that advise the Administrator on matters related to the environmental effects of aircraft and aircraft engines.

(2) The Administrator of the Federal Aviation Administration may prescribe standards and regulations under this subsection only after consulting with the Administrator of the Environmental Protection Agency. The standards and regulations shall be applied when issuing, amending, modifying, suspending, or revoking a certificate authorized under this chapter.

(3) An original type certificate may be issued under section 44704(a) of this title for an aircraft for which substantial noise abatement can be achieved only after the Administrator of the Federal Aviation Administration prescribes standards and regulations under this section that apply to that aircraft.

(b) CONSIDERATIONS AND CONSULTATION.—When prescribing a standard or regulation under this section, the Administrator of the Federal Aviation Administration shall—

(1) consider relevant information related to aircraft noise and sonic boom;

(2) consult with appropriate departments, agencies, and instrumentalities of the United States Government and State and interstate authorities;

(3) consider whether the standard or regulation is consistent with the highest degree of safety in air transportation or air commerce in the public interest;

(4) consider whether the standard or regulation is economically reasonable, technologically practicable, and appropriate for the applicable aircraft, aircraft engine, appliance, or certificate; and

(5) consider the extent to which the standard or regulation will carry out the purposes of this section.

(c) PROPOSED REGULATIONS OF ADMINISTRATOR OF ENVIRONMENTAL PROTECTION AGENCY.—The Administrator of the Environmental Protection Agency shall submit to the Administrator of the Federal Aviation Administration proposed regulations to control and abate aircraft noise and sonic boom (including control and abatement through the use of the authority of the Administrator of the Federal Aviation Administration) that the Administrator of the Environmental Protection Agency considers necessary to protect the public health and welfare. The Administrator of the Federal Aviation Administration shall consider those proposed regulations and shall publish them in a notice of proposed regulations not later than 30 days after they are received. Not later than 60 days after publication, the Administrator of the Federal Aviation Administration shall begin a hearing at which interested persons are given an opportunity for oral and written presentations. Not later than 90 days after the hearing is completed and after consulting with the Administrator of the Environmental Protection Agency, the Administrator of the Federal Aviation Administration shall—

(1) prescribe regulations as provided by this section—

(A) substantially the same as the proposed regulations submitted by the Administrator of the Environmental Protection Agency; or

(B) that amend the proposed regulations; or

(2) publish in the Federal Register—

(A) a notice that no regulation is being prescribed in response to the proposed regulations of the Administrator of the Environmental Protection Agency;

(B) a detailed analysis of, and response to, all information the Administrator of the Environmental Protection Agency submitted with the proposed regulations; and

(C) a detailed explanation of why no regulation is being prescribed.

(d) CONSULTATION AND REPORTS.—(1) If the Administrator of the Environmental Protection Agency believes that the action of the Administrator of the Federal Aviation Administration under subsection (c)(1)(B) or (2) of this section does not protect the public health and welfare from aircraft noise or sonic boom, consistent with the considerations in subsection (b) of this section, the Administrator of the Environmental Protection Agency shall consult with the Administrator of the Federal Aviation Administration and may request a report on the advisability of prescribing the regulation as originally proposed. The request, including a detailed statement of the information on which the request is based, shall be published in the Federal Register.

(2) The Administrator of the Federal Aviation Administration shall report to the Administrator of the Environmental Protection Agency within the time, if any, specified in the request. However, the time specified must be at least 90 days after the date of the request. The report shall—

(A) be accompanied by a detailed statement of the findings of the Administrator of the Federal Aviation Administration and the reasons for the findings;

(B) identify any statement related to an action under subsection (c) of this section filed under section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C));

(C) specify whether and where that statement is available for public inspection; and

(D) be published in the Federal Register unless the request proposes specific action by the Administrator of the Federal Aviation Administration and the report indicates that action will be taken.

(e) SUPPLEMENTAL REPORTS.—The Administrator of the Environmental Protection Agency may request the Administrator of the Federal Aviation Administration to file a supplemental report if the report under subsection (d) of this section indicates that the proposed regulations under subsection (c) of this section, for which a statement under section 102(2)(C) of the Act (42 U.S.C. 4332(2)(C)) is not required, should not be prescribed. The supplemental report shall be published in the Federal Register within the time the Administrator of the Environmental Protection Agency specifies. However, the time specified must be at least 90 days after the date of the request. The supplemental report shall contain a comparison of the environmental effects, including those that

cannot be avoided, of the action of the Administrator of the Federal Aviation Administration and the proposed regulations of the Administrator of the Environmental Protection Agency.

(f) EXEMPTIONS.—An exemption from a standard or regulation prescribed under this section may be granted only if, before granting the exemption, the Administrator of the Federal Aviation Administration consults with the Administrator of the Environmental Protection Agency. However, if the Administrator of the Federal Aviation Administration finds that safety in air transportation or air commerce requires an exemption before the Administrator of the Environmental Protection Agency can be consulted, the exemption may be granted. The Administrator of the Federal Aviation Administration shall consult with the Administrator of the Environmental Protection Agency as soon as practicable after the exemption is granted.

In subsection (a)(1), before clause (A), the text of 49 App.:1431(a) is omitted because the revised section identifies the appropriate Administrator each time the Administrator is mentioned. The words "present and future" and "and amend" are omitted as surplus. In clause (B), the words "as the FAA may find necessary to provide" are omitted as surplus.

In subsection (a)(2), the word "only" is added for clarity.

Subsection (a)(3) is substituted for 49 App.:1431(b)(2) to eliminate unnecessary words.

In subsection (b), before clause (1), the words "and amending" are omitted as surplus. In clause (1), the words "available . . . including the results of research, development, testing, and evaluation activities conducted pursuant to this chapter and the Department of Transportation Act" are omitted as surplus. In clause (2), the words "departments, agencies, and instrumentalities of the United States Government and State and interstate authorities" are substituted for "Federal, State, and interstate agencies" for consistency in the revised title and with other titles of the United States Code. The words "as he deems" are omitted as surplus. In clauses (3) and (4), the word "proposed" is omitted as surplus. In clause (4), the word "applicable" is substituted for "particular type of . . . to which it will apply" to eliminate unnecessary words. In clause (5), the words "contribute to" are omitted as surplus.

In subsection (c), before clause (1), the words "Not earlier than the date of submission of the report required by section 4906 of title 42" are omitted as executed. The words "regulatory . . . over air commerce or transportation or over aircraft or airport operations" and "submitted by the EPA under this paragraph" are omitted as surplus. The word "regulations" is substituted for "rulemaking" for consistency in the revised title.

The words "after they are received" are substituted for "of the date of its submission to the FAA" to eliminate unnecessary words. The words "of data, views, and arguments" are omitted as surplus. In clause (1), the words "in accordance with subsection (b) of this section" are omitted because of the restatement. In clause (2)(B), the words "documentation or other" are omitted as surplus.

In subsection (d)(1), the words "listed" and "the FAA to review, and . . . to EPA . . . by EPA" are omitted as surplus.

In subsection (d)(2), before clause (A), the words "shall complete the review requested and" are omitted as surplus. In clause (B), the words "of the FAA" are omitted as surplus.

In subsection (e), the words "actually taken . . . in response to EPA's proposed regulations" are omitted as surplus.

In subsection (f), the words "under any provision of this chapter" and "that . . . be granted" are omitted as surplus. The words "the exemption may be granted" are added for clarity.

EDITORIAL NOTES

AMENDMENTS

1996—Subsec. (a)(1). Pub. L. 104–264, which in directing the general amendment of par. (1) inserted an additional subsec. (a) designation and heading identical to the existing subsec. heading as well as restating the text of par. (1), was executed by restating the text only to reflect the probable intent of Congress. Prior to amendment, par. (1) read as follows: "To relieve and protect the public health and welfare from aircraft noise and sonic boom, the Administrator of the Federal Aviation Administration shall prescribe—

"(A) standards to measure aircraft noise and sonic boom; and

"(B) regulations to control and abate aircraft noise and sonic boom."

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

HAWAII AIR NOISE AND SAFETY TASK FORCE

Pub. L. 118–63, title III, §364, May 16, 2024, 138 Stat. 1131, provided that:

"(a) PARTICIPATION.—To the extent acceptable to the State of Hawaii, the Administrator [of the Federal Aviation Administration] shall participate as a technical advisor in the air noise and safety task force established by State legislation in the State of Hawaii.

"(b) RULEMAKING.—Not later than 18 months after the date on which the task force described in subsection (a) delivers findings and consensus recommendations to the FAA [Federal Aviation Administration], the Administrator shall, consistent with maintaining the safety and efficiency of the national airspace system—

"(1) issue an intent to proceed with a proposed rulemaking;

"(2) take other action sufficient to carry out feasible, consensus recommendations; or

"(3) issue a statement determining that no such rule or other action is warranted, including a detailed explanation of the rationale for such determination.

"(c) CONSIDERATIONS.—In determining whether to proceed with a proposed rulemaking, guidance, or other action under subsection (b) and, if applicable, in developing the proposed rule, guidance, or carrying out the other action, the Administrator shall consider the findings and consensus recommendations of the task force described in subsection (a).

"(d) AUTHORITIES.—In issuing the rule, guidance, or carrying out the other action described in subsection (b), the Administrator may take actions in the State of Hawaii to—

"(1) provide commercial air tour operators with preferred routes, times, and minimum altitudes for the purpose of noise reduction, so long as such recommendations do not negatively impact safety conditions;

"(2) provide commercial air tour operators with information regarding quiet aircraft technology; and

"(3) establish a method for residents of the State of Hawaii to publicly report noise disruptions due to commercial air tours and for commercial air tour operators to respond to complaints.

"(e) RULE OF CONSTRUCTION.—Nothing in this section shall be construed as providing the Administrator with authority to ban commercial air tour flights in the State of Hawaii for the purposes of noise

reduction.

"(f) DEFINITIONS.—In this section:

"(1) COMMERCIAL AIR TOUR.—The term 'commercial air tour' has the meaning given such term in section 136.1 of title 14, Code of Federal Regulations.

"(2) COMMERCIAL AIR TOUR OPERATOR.—The term 'commercial air tour operator' has the meaning given such term in section 136.1 of title 14, Code of Federal Regulations."

§44716. Collision avoidance systems

(a) DEVELOPMENT AND CERTIFICATION.—The Administrator of the Federal Aviation Administration shall—

(1) complete the development of the collision avoidance system known as TCAS–II so that TCAS–II can operate under visual and instrument flight rules and can be upgraded to the performance standards applicable to the collision avoidance system known as TCAS–III;

(2) develop and carry out a schedule for developing and certifying TCAS–II that will result in certification not later than June 30, 1989; and

(3) submit to Congress monthly reports on the progress being made in developing and certifying TCAS–II.

(b) INSTALLATION AND OPERATION.—The Administrator shall require by regulation that, not later than 30 months after the date certification is made under subsection (a)(2) of this section, TCAS–II be installed and operated on each civil aircraft that has a maximum passenger capacity of at least 31 seats and is used to provide air transportation of passengers, including intrastate air transportation of passengers. The Administrator may extend the deadline in this subsection for not more than 2 years if the Administrator finds the extension is necessary to promote—

(1) a safe and orderly transition to the operation of a fleet of civil aircraft described in this subsection equipped with TCAS–II; or

(2) other safety objectives.

(c) OPERATIONAL EVALUATION.—Not later than December 30, 1990, the Administrator shall establish a one-year program to collect and assess safety and operational information from civil aircraft equipped with TCAS–II for the operational evaluation of TCAS–II. The Administrator shall encourage foreign air carriers that operate civil aircraft equipped with TCAS–II to participate in the program.

(d) AMENDING SCHEDULE FOR WINDSHEAR EQUIPMENT.—The Administrator shall consider the feasibility and desirability of amending the schedule for installing airborne low-altitude windshear equipment to make the schedule compatible with the schedule for installing TCAS–II.

(e) DEADLINE FOR DEVELOPMENT AND CERTIFICATION.—(1) The Administrator shall complete developing and certifying TCAS–III as soon as possible.

(2) Necessary amounts may be appropriated from the Airport and Airway Trust Fund established under section 9502 of the Internal Revenue Code of 1986 (26 U.S.C. 9502) to carry out this subsection.

(f) INSTALLING AND USING TRANSPONDERS.—The Administrator shall prescribe regulations requiring that, not later than December 30, 1990, operating transponders with automatic altitude reporting capability be installed and used for aircraft operating in designated terminal airspace where radar service is provided for separation of aircraft. The Administrator may provide for access to that airspace (except terminal control areas and airport radar service areas) by nonequipped aircraft if the Administrator finds the access will not interfere with the normal traffic flow.

(g) CARGO COLLISION AVOIDANCE SYSTEMS.—

(1) IN GENERAL.—The Administrator shall require by regulation that, no later than December 31, 2002, collision avoidance equipment be installed on each cargo aircraft with a maximum certificated takeoff weight in excess of 15,000 kilograms.

(2) EXTENSION OF DEADLINE.—The Administrator may extend the deadline established by paragraph (1) by not more than 2 years if the Administrator finds that the extension is needed to promote—

(A) a safe and orderly transition to the operation of a fleet of cargo aircraft equipped with collision avoidance equipment; or

(B) other safety or public interest objectives.

(3) COLLISION AVOIDANCE EQUIPMENT DEFINED.—In this subsection, the term "collision avoidance equipment" means equipment that provides protection from mid-air collisions using technology that provides—

(A) cockpit-based collision detection and conflict resolution guidance, including display of traffic; and

(B) a margin of safety of at least the same level as provided by the collision avoidance system known as TCAS–II.

In subsection (f), the words "Not later than 6 months after December 30, 1987, the Administrator shall promulgate a final rule" and "Such final rule" are omitted as executed.

EDITORIAL NOTES

AMENDMENTS

2000—Subsec. (g). Pub. L. 106–181 added subsec. (g).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of reporting provisions in subsec. (a)(3) of this section, see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance, and

the 8th item on page 138 of House Document No. 103–7.

§44717. Aging aircraft

(a) INSPECTIONS AND REVIEWS.—The Administrator of the Federal Aviation Administration shall prescribe regulations that ensure the continuing airworthiness of aging aircraft. The regulations prescribed under subsection (a) of this section—

(1) at least shall require the Administrator to make inspections, and review the maintenance and other records, of each aircraft an air carrier uses to provide air transportation that the Administrator decides may be necessary to enable the Administrator to decide whether the aircraft is in safe condition and maintained properly for operation in air transportation;

(2) at least shall require an air carrier to demonstrate to the Administrator, as part of the inspection, that maintenance of the aircraft's age-sensitive parts and components has been adequate and timely enough to ensure the highest degree of safety;

(3) shall require the air carrier to make available to the Administrator the aircraft and any records about the aircraft that the Administrator requires to carry out a review; and

(4) shall establish procedures to be followed in carrying out an inspection.

(b) WHEN AND HOW INSPECTIONS AND REVIEWS SHALL BE CARRIED OUT.—(1) Inspections and reviews required under subsection (a)(1) of this section shall be carried out as part of each heavy maintenance check of the aircraft conducted after the 14th year in which the aircraft has been in service.

(2) Inspections under subsection (a)(1) of this section shall be carried out as provided under section 44701(a)(2)(B) and (C) of this title.

(c) AIRCRAFT MAINTENANCE SAFETY PROGRAMS.—The Administrator shall establish—

(1) a program to verify that air carriers are maintaining their aircraft according to maintenance programs approved by the Administrator;

(2) a program—

(A) to provide inspectors and engineers of the Administration with training necessary to conduct auditing inspections of aircraft operated by air carriers for corrosion and metal fatigue; and

(B) to enhance participation of those inspectors and engineers in those inspections; and

(3) a program to ensure that air carriers demonstrate to the Administrator their commitment and technical competence to ensure the airworthiness of aircraft that the carriers operate.

(d) FOREIGN AIR TRANSPORTATION.—(1) The Administrator shall take all possible steps to encourage governments of foreign countries and relevant international organizations to develop standards and requirements for inspections and reviews that—

(A) will ensure the continuing airworthiness of aging aircraft used by foreign air carriers to provide foreign air transportation to and from the United States; and

(B) will provide passengers of those foreign air carriers with the same level of safety that will be provided passengers of air carriers by carrying out this section.

(2) Not later than September 30, 1994, the Administrator shall report to Congress on carrying out this subsection.

In subsections (a) and (c), before clause (1), the words "Not later than 180 days after the date of the enactment of this title" are omitted as obsolete.

In subsection (a), before clause (1), the text of section 405 of the Department of Transportation and Related Agencies Appropriations Act, 1992 (Public Law 102–143, 105 Stat. 952) is omitted as surplus because the complete name of the Administrator of the Federal Aviation Administration is used the first time the term appears in a section. The word "regulations" is substituted for "rule" because the terms are synonymous. In clauses (2)–(4), the words "required by the rule" are omitted as surplus. In clause (2), the words "structure, skin, and other" are omitted as surplus. In clause (3), the words "inspection, maintenance, and other" are omitted as surplus.

In subsection (c)(1), the word "Administrator" is substituted for "Federal Aviation Administration" for consistency in the revised title.

In subsection (d)(1), before clause (A), the words "governments of foreign countries" are substituted for "foreign governments" for consistency in the revised title and with other titles of the United States Code.

§44718. Structures interfering with air commerce or national security

(a) NOTICE.—By regulation or by order when necessary, the Secretary of Transportation shall require a person to give adequate public notice, in the form and way the Secretary prescribes, of the construction, alteration, establishment, or expansion, or the proposed construction, alteration, establishment, or expansion, of a structure or sanitary landfill when the notice will promote—

(1) safety in air commerce;

(2) the efficient use and preservation of the navigable airspace and of airport traffic capacity at public-use airports; or

(3) the interests of national security, as determined by the Secretary of Defense.

(b) STUDIES.—

(1) IN GENERAL.—Under regulations prescribed by the Secretary, if the Secretary decides that constructing or altering a structure may result in an obstruction of the navigable airspace, an interference with air or space navigation facilities and equipment or the navigable airspace, or, after consultation with the Secretary of Defense, an adverse impact on military operations and readiness, the Secretary of Transportation shall conduct an aeronautical study to decide the extent of any adverse impact on the safe and efficient use of the airspace, facilities, or equipment. In conducting the study, the Secretary shall—

(A) consider factors relevant to the efficient and effective use of the navigable airspace, including—

(i) the impact on arrival, departure, and en route procedures for aircraft operating under visual flight rules;

(ii) the impact on arrival, departure, and en route procedures for aircraft operating under instrument flight rules;

(iii) the impact on existing public-use airports and aeronautical facilities;

(iv) the impact on planned public-use airports and aeronautical facilities;

(v) the cumulative impact resulting from the proposed construction or alteration of a structure when combined with the impact of other existing or proposed structures;

(vi) the impact on launch and reentry for launch and reentry vehicles arriving or departing from a launch site or reentry site licensed by the Secretary of Transportation; and

(vii) other factors relevant to the efficient and effective use of navigable airspace; and

(B) include the finding made by the Secretary of Defense under subsection (f).

(2) REPORT.—On completing the study, the Secretary of Transportation shall issue a report disclosing the extent of the—

(A) adverse impact on the safe and efficient use of the navigable airspace that the Secretary finds will result from constructing or altering the structure; and

(B) unacceptable risk to the national security of the United States, as determined by the Secretary of Defense under subsection (f).

(3) SEVERABILITY.—A determination by the Secretary of Transportation on hazard to air navigation under this section shall remain independent of a determination of unacceptable risk to the national security of the United States by the Secretary of Defense under subsection (f).

(c) BROADCAST APPLICATIONS AND TOWER STUDIES.—In carrying out laws related to a broadcast application and conducting an aeronautical study related to broadcast towers, the Administrator of the Federal Aviation Administration and the Federal Communications Commission shall take action necessary to coordinate efficiently—

(1) the receipt and consideration of, and action on, the application; and

(2) the completion of any associated aeronautical study.

(d) LIMITATION ON CONSTRUCTION OF LANDFILLS.—

(1) IN GENERAL.—No person shall construct or establish a municipal solid waste landfill (as defined in section 258.2 of title 40, Code of Federal Regulations, as in effect on the date of the enactment of this subsection) that receives putrescible waste (as defined in section 257.3–8 of such title) within 6 miles of a public airport that has received grants under chapter 471 and is primarily served by general aviation aircraft and regularly scheduled flights of aircraft designed for 60 passengers or less unless the State aviation agency of the State in which the airport is located requests that the Administrator of the Federal Aviation Administration exempt the landfill from the application of this subsection and the Administrator determines that such exemption would have no adverse impact on aviation safety.

(2) LIMITATION ON APPLICABILITY.—Paragraph (1) shall not apply in the State of Alaska and shall not apply to the construction, establishment, expansion, or modification of, or to any other activity undertaken with respect to, a municipal solid waste landfill if the construction or establishment of the landfill was commenced on or before the date of the enactment of this subsection.

(e) REVIEW OF AERONAUTICAL STUDIES.—The Administrator of the Federal Aviation Administration shall develop procedures to allow the Department of Defense and the Department of Homeland Security to review and comment on an aeronautical study conducted pursuant to subsection (b) prior to the completion of the study.

(f) NATIONAL SECURITY FINDING.—As part of an aeronautical study conducted under subsection (b) and in accordance with section 183a(e) of title 10, the Secretary of Defense shall—

(1) make a finding on whether the construction, alteration, establishment, or expansion of a structure or sanitary landfill included in the study would result in an unacceptable risk to the national security of the United States; and

(2) transmit the finding to the Secretary of Transportation for inclusion in the report required under subsection (b)(2).

(g) SPECIAL RULE FOR IDENTIFIED GEOGRAPHIC AREAS.—In the case of a proposed structure to be located within a geographic area identified under section 183a(d)(2)(B) of title 10, the Secretary of Transportation may not issue a determination pursuant to this section until the Secretary

of Defense issues a finding under section 183a(e) of title 10, the Secretary of Defense advises the Secretary of Transportation that no finding under section 183a(e) of title 10 will be forthcoming, or 180 days have lapsed since the project was filed with the Secretary of Transportation pursuant to this section, whichever occurs first.

(h) DEFINITIONS.—In this section, the terms "adverse impact on military operations and readiness" and "unacceptable risk to the national security of the United States" have the meaning given those terms in section 183a(h) of title 10.

EDITORIAL NOTES

REFERENCES IN TEXT

The date of the enactment of this subsection, referred to in subsec. (d), probably means the date of enactment of Pub. L. 106–181, which amended subsec. (d) generally, and which was approved Apr. 5, 2000.

AMENDMENTS

2024—Subsec. (h). Pub. L. 118–63 amended subsec. (h) generally. Prior to amendment, subsec. (h) defined "adverse impact on military operations and readiness" and "unacceptable risk to the national security of the United States".

2018—Subsec. (b)(1). Pub. L. 115–254, §539(h)(1), substituted "air or space navigation facilities and equipment" for "air navigation facilities and equipment" in introductory provisions.

Subsec. (b)(1)(A)(vi), (vii). Pub. L. 115–254, §539(h)(2), added cl. (vi) and redesignated former cl. (vi) as (vii).

Subsec. (h)(1). Pub. L. 115–232, §1081(e)(2)(A), substituted "section 183a(h)(1) of title 10" for "section 183a(g) of title 10".

Subsec. (h)(2). Pub. L. 115–232, §1081(e)(2)(B), substituted "section 183a(h)(7) of title 10" for "section 183a(g) of title 10".

2017—Subsec. (f). Pub. L. 115–91, §311(b)(2), inserted "and in accordance with section 183a(e) of title 10" after "conducted under subsection (b)" in introductory provisions.

Subsec. (g). Pub. L. 115–91, §311(e)(2), added subsec. (g). Former subsec. (g) redesignated (h).

Pub. L. 115–91, §311(b)(3), substituted "183a(g) of title 10" for "211.3 of title 32, Code of Federal Regulations, as in effect on January 6, 2014" in pars. (1) and (2).

Subsec. (h). Pub. L. 115–91, §311(e)(1), redesignated subsec. (g) as (h).

2016—Pub. L. 114–328, §341(a)(4)(A), inserted "or national security" after "air commerce" in section catchline.

Subsec. (a)(3). Pub. L. 114–328, §341(a)(1), added par. (3).

Subsec. (b). Pub. L. 114–328, §341(a)(2), amended subsec. (b) generally. Prior to amendment, subsec. (b) related to studies by Secretary to determine obstruction of airspace by newly contructed or altered structures.

Subsec. (b)(1). Pub. L. 114–248, §1(a)(1), substituted "air or space navigation facilities and equipment" for "air navigation facilities and equipment" in introductory provisions.

Subsec. (b)(1)(F). Pub. L. 114–248, §1(a)(2)–(4), added subpar. (F).

Subsecs. (f), (g). Pub. L. 114–328, §341(a)(3), added subsecs. (f) and (g).

2011—Subsec. (e). Pub. L. 112–81 added subsec. (e).

2000—Subsec. (d). Pub. L. 106–181 amended heading and text of subsec. (d) generally. Prior to amendment, text read as follows: "For the purposes of enhancing aviation safety, in a case in which 2 landfills have been proposed to be constructed or established within 6 miles of a commercial service airport with fewer than 50,000 enplanements per year, no person shall construct or establish either landfill if an official of the Federal Aviation Administration has stated in writing within the 3-year period ending on the date of the enactment of this subsection that 1 of the landfills would be incompatible with aircraft operations at the airport, unless the landfill is already active on such date of enactment or the airport operator agrees to the construction or establishment of the landfill."

1996—Subsec. (d). Pub. L. 104–264 added subsec. (d).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

TOWER MARKING NOTICE OF PROPOSED RULEMAKING

Pub. L. 118–63, title III, §355, May 16, 2024, 138 Stat. 1114, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall issue a notice of proposed rulemaking to implement section 2110 of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190] (49 U.S.C. 44718 note).

"(b) REPORT.—If the Administrator fails to issue the notice of proposed rulemaking pursuant to subsection (a), the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] an annual report on the status of such rulemaking, including—

"(1) the reasons that the Administrator has failed to issue the rulemaking; and

"(2) a list of fatal aircraft accidents associated with unmarked towers that have occurred during the 5-year period preceding the date of submission of the report."

RULEMAKING

Pub. L. 114–248, §1(b), Nov. 28, 2016, 130 Stat. 998, provided that: "Not later than 18 months after the date of enactment of this Act [Nov. 28, 2016], the Administrator of the Federal Aviation Administration shall initiate a rulemaking to implement the amendments made by subsection (a) [amending this section]."

PROTECTION OF SAFE AND EFFICIENT USE OF AIRSPACE AT AIRPORTS

Pub. L. 118–63, title VII, §744, May 16, 2024, 138 Stat. 1281, provided that:

"(a) AIRSPACE REVIEW PROCESS REQUIREMENTS.—The Administrator [of the Federal Aviation Administration] shall consider the following additional factors in the evaluation of cumulative impacts when making a determination of hazard or no hazard, or objection or no objection, as applicable, under part 77 of

title 14, Code of Federal Regulations, regarding proposed construction or alteration within 3 miles of the runway ends and runway centerlines (as depicted in the FAA [Federal Aviation Administration]-approved Airport Layout Plan of the airport) on any land not owned by any such airport:

"(1) The accumulation and spacing of structures or other obstructions that might constrain radar or communication capabilities, thereby reducing the capacity of an airport, flight procedure minimums or availability, or aircraft takeoff or landing capabilities.

"(2) Safety risks of lasers, lights, or light sources, inclusive of lighted billboards and screens, affixed to structures, that may pose hazards to air navigation.

"(3) Water features or hazardous wildlife attractants, as defined by the Administrator.

"(4) Impacts to visual flight rule traffic patterns for both fixed and rotary wing aircraft, inclusive of special visual flight rule procedures established by Letters of Agreement between air traffic facilities, the airport, and flight operators.

"(5) Impacts to FAA-funded airport improvement projects, improvements depicted on or described in FAA-approved Airport Layout Plans and master plans, and preservation of the navigable airspace necessary for achieving the objectives and utilization of the projects and plans.

"(b) REQUIRED INFORMATION.—A notice submitted under part 77 of title 14, Code of Federal Regulations, shall include the following:

"(1) Actual designs of an entire project and property, without regard to whether a proposed construction or alteration within 3 miles of the end of a runway of an airport and runway centerlines as depicted in the FAA-approved Airport Layout Plan of the airport is limited to a singular location on a property.

"(2) If there are any changes to such designs or addition of equipment, such as cranes used to construct a building, after submission of such a notice, all information included with the notice submitted before such change or addition shall be resubmitted, along with information regarding the change or addition.

"(c) EXPIRATION.—

"(1) IN GENERAL.—Unless extended, revised, or terminated, each determination of no hazard issued by the Administrator under part 77 of title 14, Code of Federal Regulations, shall expire 18 months after the effective date of the determination, or on the date the proposed construction or alteration is abandoned, whichever is earlier.

"(2) AFTER EXPIRATION.—Determinations under paragraph (1) are no longer valid with regard to whether a proposed construction or alteration would be a hazard to air navigation after such determination has expired.

"(d) AUTHORITY TO CONSOLIDATE OEI SURFACE CRITERIA.—The Administrator may develop a single set of One Engine Inoperative surface criteria that is specific to an airport. The Administrator shall consult with the airport operator and flight operators that use such airport, on the development of such surface criteria.

"(e) DEVELOPMENT OF POLICIES TO PROTECT OEI SURFACES.—Not later than 6 months after the date of enactment of this Act [May 16, 2024], the Administrator shall brief the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] regarding the status of the efforts of the FAA to protect One Engine Inoperative surfaces from encroachment at United States certificated and federally obligated airports, including the current status of efforts to incorporate such protections into FAA Obstruction Evaluation/Airport Airspace Analysis processes.

"(f) AUTHORITY TO CONSULT WITH OTHER AGENCIES.—The Administrator may consult with other Federal, State, or local agencies as necessary to carry out the requirements of this section.

"(g) APPLICABILITY.—This section shall only apply to an airport in a county adjacent to 2 States with converging intersecting cross runway operations within 12 nautical miles of an Air Force base."

TOWER MARKING

Pub. L. 114–190, title II, §2110, July 15, 2016, 130 Stat. 623, as amended by Pub. L. 115–254, div. B, title V, §576, Oct. 5, 2018, 132 Stat. 3391, provided that:

"(a) APPLICATION.—

"(1) IN GENERAL.—Except as provided by paragraph (2), not later than 18 months after the date of enactment of the FAA Reauthorization Act of 2018 [Oct. 5, 2018] or the date of availability of the database developed by the Administrator pursuant to subsection (c), whichever is later, all covered towers shall be either—

"(A) clearly marked consistent with applicable guidance in the advisory circular of the FAA issued December 4, 2015 (AC 70/7460-IL); or

"(B) included in the database described in subsection (c).

"(2) METEOROLOGICAL EVALUATION TOWER.—A covered tower that is a meteorological evaluation tower shall be subject to the requirements of subparagraphs (A) and (B) of paragraph (1).

"(b) DEFINITIONS.—

"(1) IN GENERAL.—In this section, the following definitions apply:

"(A) COVERED TOWER.—

"(i) IN GENERAL.—The term 'covered tower' means a structure that—

"(I) is a meteorological evaluation tower, a self-standing tower, or [a] tower supported by guy wires and ground anchors;

"(II) is 10 feet or less in diameter at the above-ground base, excluding concrete footing;

"(III) at the highest point of the structure is at least 50 feet above ground level;

"(IV) at the highest point of the structure is not more than 200 feet above ground level;

"(V) has accessory facilities on which an antenna, sensor, camera, meteorological instrument, or other equipment is mounted; and

"(VI) is located on land that is—

"(aa) in a rural area; and

"(bb) used for agricultural purposes or immediately adjacent to such land.

"(ii) EXCLUSIONS.—The term 'covered tower' does not include any structure that—

"(I) is adjacent to a house, barn, electric utility station, or other building;

"(II) is within the curtilage of a farmstead or adjacent to another building or visible structure;

"(III) supports electric utility transmission or distribution lines;

"(IV) is a wind-powered electrical generator with a rotor blade radius that exceeds 6 feet;

"(V) is a street light erected or maintained by a Federal, State, local, or tribal entity;

"(VI) is designed and constructed to resemble a tree or visible structure other than a tower;

"(VII) is an advertising billboard;

"(VIII) is located within the right-of-way of a rail carrier, including within the boundaries of a rail yard, and is used for a railroad purpose;

"(IX)(aa) is registered with the Federal Communications Commission under the Antenna Structure Registration program set forth under part 17 of title 47, Code of Federal Regulations; and

"(bb) is determined by the Administrator to pose no hazard to air navigation; or

"(X) has already mitigated any hazard to aviation safety in accordance with Federal Aviation Administration guidance or as otherwise approved by the Administrator.

"(B) RURAL AREA.—The term 'rural area' has the meaning given the term in section 609(a)(5) of the Public Utility Regulatory Policies Act of 1978 (7 U.S.C. 918c(a)(5)).

"(C) AGRICULTURAL PURPOSES.—The term 'agricultural purposes' means farming in all its branches and the cultivation and tillage of the soil, the production, cultivation, growing, and harvesting of any agricultural or horticultural commodities performed by a farmer or on a farm, or on pasture land or rangeland.

"(2) OTHER DEFINITIONS.—The Administrator shall define such other terms as may be necessary to carry out this section.

"(c) DATABASE.—The Administrator shall—

"(1) develop a new database, or if appropriate use an existing database that meets the requirements under this section, that contains the location and height of each covered tower that, pursuant to subsection (a), the owner or operator of such tower elects not to mark (unless the Administrator has determined that there is a significant safety risk requiring that the tower be marked), except that meteorological evaluation towers shall be marked and contained in the database;

"(2) keep the database current to the extent practicable;

"(3) ensure that any proprietary information in the database is protected from disclosure in accordance with law;

"(4) ensure that, by virtue of accessing the database, users agree and acknowledge that information in the database—

"(A) may only be used for aviation safety purposes; and

"(B) may not be disclosed for purposes other than aviation safety, regardless of whether or not the information is marked or labeled as proprietary or with a similar designation;

"(5) ensure that the tower information in the database is de-identified and that the information only includes the location and height of covered towers and whether the tower has guy wires;

"(6) ensure that information in the dataset is encrypted at rest and in transit and is protected from unauthorized access and acquisition;

"(7) ensure that towers excluded from the definition of covered tower under subsection (d)(1)(B)(ii)(VIII) must be registered by its owner in the database;

"(8) ensure that a tower to be included in the database pursuant to subsection (c)(1) and constructed after the date on which the database is fully operational is submitted by its owner to the FAA for inclusion in the database before its construction;

"(9) ensure that pilots who intend to conduct low-altitude operations in locations described in subsection (b)(1)(A)(i)(VI) consult the relevant parts of the database before conducting such operations; and

"(10) make the database available for use not later than 1 year after the date of enactment of the FAA Reauthorization Act of 2018 [Oct. 5, 2018].

"(d) EXCLUSION AND WAIVER AUTHORITIES.—As part of a rulemaking conducted pursuant to this section, the Administrator—

"(1) may exclude a class, category, or type of tower that is determined by the Administrator, after public notice and comment, to not pose a hazard to aviation safety;

"(2) shall establish a process to waive specific covered towers from the marking requirements under this section as required under the rulemaking if the Administrator later determines such tower or towers do not pose a hazard to aviation safety;

"(3) shall consider, in establishing exclusions and granting waivers under this subsection, factors that may sufficiently mitigate risks to aviation safety, such as the length of time the tower has been in existence or alternative marking methods or technologies that maintains a tower's level of conspicuousness to a degree which adequately maintains the safety of the airspace; and

"(4) shall consider excluding towers located in a State that has enacted tower marking requirements according to the Federal Aviation Administration's recommended guidance for the voluntary marking of meteorological evaluation towers erected in remote and rural areas that are less than 200 feet above ground level to enhance the conspicuity of the towers for low level agricultural operations in the vicinity of those towers.

"(e) PERIODIC REVIEW.—The Administrator shall, in consultation with the Federal Communications Commission, periodically review any regulations or guidance regarding the marking of covered towers issued pursuant to this section and update them as necessary, consistent with this section, and in the interest of safety of low-altitude aircraft operations.

"(f) FCC REGULATIONS.—The Federal Communications Commission shall amend section 17.7 of title 47, Code of Federal Regulations, to require a notification to the Federal Aviation Administration for any construction or alteration of an antenna structure, as defined in section 17.2(a) of title 47, Code of Federal Regulations, that is a covered tower as defined by this section."

A, title X, §1076(b)(1), Jan. 2, 2013, 126 Stat. 1949; Pub. L. 114–92, div. A, title III, §314, Nov. 25, 2015, 129 Stat. 790, related to study of effects of new construction of obstructions on military installations and operations, prior to repeal by Pub. L. 115–91, div. A, title III, §311(b)(1), Dec. 12, 2017, 131 Stat. 1347. See section 183a of Title 10, Armed Forces.

LANDFILLS INTERFERING WITH AIR COMMERCE

Pub. L. 106–181, title V, §503(a), Apr. 5, 2000, 114 Stat. 133, provided that: "Congress finds that—

"(1) collisions between aircraft and birds have resulted in fatal accidents;

"(2) bird strikes pose a special danger to smaller aircraft;

"(3) landfills near airports pose a potential hazard to aircraft operating there because they attract birds;

"(4) even if the landfill is not located in the approach path of the airport's runway, it still poses a hazard because of the birds' ability to fly away from the landfill and into the path of oncoming planes;

"(5) while certain mileage limits have the potential to be arbitrary, keeping landfills at least 6 miles away from an airport, especially an airport served by small planes, is an appropriate minimum requirement for aviation safety; and

"(6) closure of existing landfills (due to concerns about aviation safety) should be avoided because of the likely disruption to those who use and depend on such landfills."

§44719. Standards for navigational aids

The Secretary of Transportation shall prescribe regulations on standards for installing navigational aids, including airport control towers. For each type of facility, the regulations shall consider at a minimum traffic density (number of aircraft operations without consideration of aircraft size), terrain and other obstacles to navigation, weather characteristics, passengers served, and potential aircraft operating efficiencies.

§44720. Meteorological services

(a) RECOMMENDATIONS.—The Administrator of the Federal Aviation Administration shall make recommendations to the Secretary of Commerce on providing meteorological services necessary for the safe and efficient movement of aircraft in air commerce. In providing the services, the Secretary shall cooperate with the Administrator and give complete consideration to those recommendations.

(b) PROMOTING SAFETY AND EFFICIENCY.—To promote safety and efficiency in air navigation to the highest possible degree, the Secretary shall—

(1) observe, measure, investigate, and study atmospheric phenomena, and maintain meteorological stations and offices, that are necessary or best suited for finding out in advance information about probable weather conditions;

(2) provide reports to the Administrator, to persons engaged in civil aeronautics that are designated by the Administrator, and to other persons designated by the Secretary in a way and with a frequency that best will result in safety in, and facilitating, air navigation;

(3) cooperate with persons engaged in air commerce in meteorological services, maintain reciprocal arrangements with those persons in carrying out this clause, and collect and distribute weather reports available from aircraft in flight;

(4) maintain and coordinate international exchanges of meteorological information required for the safety and efficiency of air navigation;

(5) in cooperation with other departments, agencies, and instrumentalities of the United States Government, meteorological services of foreign countries, and persons engaged in air commerce, participate in developing an international basic meteorological reporting network, including the establishment, operation, and maintenance of reporting stations on the high seas, in polar regions, and in foreign countries;

(6) coordinate meteorological requirements in the United States to maintain standard observations, to promote efficient use of facilities, and to avoid duplication of services unless the duplication tends to promote the safety and efficiency of air navigation; and

(7) promote and develop meteorological science and foster and support research projects in meteorology through the use of private and governmental research facilities and provide for publishing the results of the projects unless publication would not be in the public interest.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1201; Pub. L. 118–63, title XI, §1101(n), May 16, 2024, 138 Stat. 1414.)

In subsection (b), the title "Secretary" [of Commerce] is substituted for "Chief of the Weather Bureau" in section 803 of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 783) because of sections 1 and 2 of Reorganization Plan No. 2 of 1965 (eff. July 13, 1965, 79 Stat. 1318). Before clause (1), the words "In order" and "in addition to any other functions or duties pertaining to weather information for other purposes" are omitted as surplus. In clause (2), the words "forecasts, warnings, and advices" are omitted as being included in "reports". In clause (3), the words "or employees thereof" and "establish and" are omitted as surplus. The words "with those persons" are added for clarity. In clause (5), the words "departments, agencies, and instrumentalities of the United States Government" are substituted for "governmental agencies of the United States" for consistency in the revised title and with other titles of the United States Code.

ASOS/AWOS SERVICE REPORT DASHBOARD

Pub. L. 118–63, title III, §332, May 16, 2024, 138 Stat. 1089, provided that:

"(a) IN GENERAL.—The applicable Administrators shall work in collaboration to collect the real-time service status of all automated surface observation systems/automated weather observing systems (in this section referred to as 'ASOS/AWOS').

"(b) AVAILABILITY OF RESULTS.—

"(1) IN GENERAL.—In carrying out this section, the applicable Administrators shall make available on a publicly available website the following:

"(A) The service status of all ASOS/AWOS.

"(B) Information on any actions to repair or replace ASOS/AWOS that are out of service due to technical or weather-related events, including an estimated timeline to return the systems to service.

"(C) A portal on such publicly available website for the public to report ASOS/AWOS outages.

"(2) DATA FILES.—The applicable Administrators shall make available the underlying data required under paragraph (1) for each ASOS/AWOS in a machine-readable format.

"(c) APPLICABLE ADMINISTRATORS.—In this section, the term 'applicable Administrators' means—

"(1) the Administrator of the FAA [Federal Aviation Administration]; and

"(2) the Administrator of the National Oceanic and Atmospheric Administration."

PROVIDING NON-FEDERAL WEATHER OBSERVER TRAINING TO AIRPORT PERSONNEL

Pub. L. 118–63, title IV, §419, May 16, 2024, 138 Stat. 1163, provided that: "The Administrator [of the Federal Aviation Administration] may take such actions as are necessary to provide training that is easily accessible and streamlined for airport personnel to become certified as non-Federal weather observers so that such personnel can manually provide weather observations in any case in which automated surface observing systems and automated weather observing systems experience outages and errors to ensure operational safety at airports."

IMPROVED SAFETY IN RURAL AREAS

Pub. L. 115–254, div. B, title III, §322, Oct. 5, 2018, 132 Stat. 3270, as amended by Pub. L. 118–63, title III, §339(a), May 16, 2024, 138 Stat. 1093, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall permit an air carrier operating pursuant to part 135 of title 14, Code of Federal Regulations—

"(1) to operate under instrument flight rules (in this section referred to as 'IFR') to a destination in a noncontiguous State that has a published instrument approach but does not have a Meteorological Aerodrome Report (in this section referred to as 'METAR'); and

"(2) to conduct an instrument approach at such destination if—

"(A) a current Area Forecast, supplemented by noncertified destination weather observations (such as weather cameras and other noncertified observations), is available, and, at the time of departure, the combination of the Area Forecast and noncertified observation indicates that weather is expected to be at or above approach minimums upon arrival;

"(B) prior to commencing an approach, the air carrier has a means to communicate to the pilot of the aircraft whether the destination weather observation is either at or above minimums for the approach to be flown; and

"(C) in the event the destination weather observation is below such minimums, a suitable alternate airport that has a METAR is specified in the IFR flight plan.

"(b) APPLICATION TEMPLATE.—

"(1) IN GENERAL.—The Administrator shall develop an application template with standardized, specific approval criteria to enable FAA [Federal Aviation Administration] inspectors to objectively evaluate the application of an air carrier to operate in the manner described in subsection (a).

"(2) REQUIREMENTS.—The template required under paragraph (1) shall include a place in such template for an air carrier to describe—

"(A) how any non-certified human observations will be conducted; and

"(B) how such observations will be communicated—

"(i) to air carriers prior to dispatch; and

"(ii) to pilots prior to approach.

"(3) RESPONSE TO APPLICATION.—

"(A) TIMELINE.—The Administrator shall ensure—

"(i) that the Administrator has the ability to respond to an application of an air carrier not later than 30 days after receipt of such application; and

"(ii) in the event the Administrator cannot respond within 30 days, that the Administrator informs the air carrier of the expected response time with respect to the application of the air carrier.

"(B) REJECTION.—In the event that the Administrator rejects an application of an air carrier, the Administrator shall inform the air carrier of the specific criteria that were the cause for rejection."

[Pub. L. 118–63, title III, §339(b), May 16, 2024, 138 Stat. 1094, provided that: "The amendments made by this section [amending section 322 of Pub. L. 115–254, set out above] shall take effect on the date that is 12 months after the date of enactment of this Act [May 16, 2024]."]

TERMINAL AERODROME FORECAST

Pub. L. 115–254, div. B, title V, §516, Oct. 5, 2018, 132 Stat. 3358, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall permit a covered air carrier to operate to or from a location in a noncontiguous State without a Terminal Aerodrome Forecast or Meteorological Aerodrome Report if—

"(1) such location is determined to be under visual meteorological conditions;

"(2) a current Area Forecast, supplemented by other local weather observations or reports, is available; and

"(3) an alternate airport that has an available Terminal Aerodrome Forecast and weather report is specified.

"(b) PROCEDURES.—A covered air carrier shall—

"(1) have approved procedures for dispatch or release and enroute weather evaluation; and

"(2) operate under instrument flight rules enroute to the destination.

"(c) LIMITATION.—Without a written finding of necessity, based on objective and historical evidence of imminent threat to safety, the Administrator shall not promulgate any operation specification, policy, or guidance document pursuant to this section that is more restrictive than, or requires procedures that are not expressly stated in, the regulations.

"(d) COVERED AIR CARRIER DEFINED.—In this section, the term 'covered air carrier' means an air carrier operating in a noncontiguous State under part 121 of title 14, Code of Federal Regulations."

AUTOMATED WEATHER OBSERVING SYSTEMS POLICY

Pub. L. 115–254, div. B, title V, §553, Oct. 5, 2018, 132 Stat. 3379, provided that:

"(a) IN GENERAL.—Not later than 18 months after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration] shall—

"(1) update automated weather observing systems standards to maximize the use of new technologies that promote the reduction of equipment or maintenance cost for non-Federal automated weather observing systems, including the use of remote monitoring and maintenance, unless demonstrated to be ineffective;

"(2) review, and if necessary update, existing policies in accordance with the standards developed under paragraph (1); and

"(3) establish a process under which appropriate onsite airport personnel or an aviation official may, with appropriate manufacturer training or alternative training as determined by the Administrator, be permitted to conduct the minimum triannual preventative maintenance checks under the advisory circular for non-Federal automated weather observing systems (AC 150/5220–16E) and any other similar, successor checks.

"(b) PERMISSION.—Permission to conduct the minimum triannual preventative maintenance checks described under subsection (a)(3) and any similar, successor checks shall not be withheld but for specific cause.

"(c) STANDARDS.—In updating the standards under subsection (a)(1), the Administrator shall—

"(1) ensure the standards are performance-based;

"(2) use risk analysis to determine the accuracy of the automated weather observing systems outputs required for pilots to perform safe aircraft operations; and

"(3) provide a cost-benefit analysis to determine whether the benefits outweigh the cost for any requirement not directly related to safety.

"(d) AIP ELIGIBILITY OF AWOS EQUIPMENT.—

"(1) IN GENERAL.—Notwithstanding any other law, the Administrator is authorized to and shall waive any positive benefit-cost ratio requirement for automated weather-observing system equipment under subchapter I of chapter 471, of title 49, United States Code, if—

"(A) the airport sponsor or State, as applicable, certifies that a grant for such automated weather observing systems equipment under that chapter will assist an applicable airport to respond to regional emergency needs, including medical, firefighting, and search and rescue needs;

"(B) the Secretary determines, after consultation with the airport sponsor or State, as applicable, that the placement of automated weather-observing equipment at the airport will not cause unacceptable radio frequency congestion; and

"(C) the other requirements under that chapter are met.

"(2) APPLICABILITY TO LOW POPULATION DENSITY STATES.—This subsection is applicable only to airports located in states with a population density, based on the most recent decennial census, of 50 or fewer persons per square mile.

"(e) REPORT.—Not later than September 30, 2025, the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report on the implementation of the requirements under this section."

AUTOMATED SURFACE OBSERVATION SYSTEM STATIONS

Pub. L. 106–181, title VII, §728, Apr. 5, 2000, 114 Stat. 168, provided that: "The Administrator [of the Federal Aviation Administration] shall not terminate human weather observers for Automated Surface Observation System stations until—

"(1) the Administrator determines that the system provides consistent reporting of changing meteorological conditions and notifies Congress in writing of that determination; and

"(2) 60 days have passed since the report was transmitted to Congress."

§44721. Aeronautical charts and related products and services

(a) PUBLICATION.—

(1) IN GENERAL.—The Administrator of the Federal Aviation Administration may arrange for the publication of aeronautical maps and charts necessary for the safe and efficient movement of aircraft in air navigation, using the facilities and assistance of departments, agencies, and instrumentalities of the United States Government as far as practicable.

(2) NAVIGATION ROUTES.—In carrying out paragraph (1), the Administrator shall update and arrange for the publication of clearly defined routes for navigating through a complex terminal airspace area and to and from an airport located in such an area, if the Administrator decides that publication of the routes would promote safety in air navigation. The routes shall be developed in

consultation with pilots and other users of affected airports and shall be for the optional use of pilots operating under visual flight rules.

(b) INDEMNIFICATION.—The Government shall make an agreement to indemnify any person that publishes a map or chart for use in aeronautics from any part of a claim arising out of the depiction by the person on the map or chart of a defective or deficient flight procedure or airway if the flight procedure or airway was—

(1) prescribed by the Administrator;

(2) depicted accurately on the map or chart; and

(3) not obviously defective or deficient.

(c) AUTHORITY OF OFFICE OF AERONAUTICAL CHARTING AND CARTOGRAPHY .—Effective October 1, 2000, the Administrator is vested with and shall exercise the functions, powers, and duties of the Secretary of Commerce and other officers of the Department of Commerce that relate to the Office of Aeronautical Charting and Cartography to provide aeronautical charts and related products and services for the safe and efficient navigation of air commerce, under the following authorities:

(1) Sections 1 through 9 of the Act entitled "An Act to define the functions and duties of the Coast and Geodetic Survey, and for other purposes", approved August 6, 1947 (33 U.S.C. 883a–883h).

(2) Section 6082 of the Consolidated Omnibus Budget Reconciliation Act of 1985 (33 U.S.C. 883j).

(d) AUTHORITY.—In order that full public benefit may be derived from the dissemination of data resulting from activities under this section and of related data from other sources, the Administrator may—

(1) develop, process, disseminate and publish digital and analog data, information, compilations, and reports;

(2) compile, print, and disseminate aeronautical charts and related products and services of the United States and its territories and possessions;

(3) compile, print, and disseminate aeronautical charts and related products and services covering international airspace as are required primarily by United States civil aviation; and

(4) compile, print, and disseminate nonaeronautical navigational, transportation or public-safety-related products and services when in the best interests of the Government.

(e) CONTRACTS, COOPERATIVE AGREEMENTS, GRANTS, AND OTHER AGREEMENTS.—

(1) CONTRACTS.—The Administrator is authorized to contract with qualified organizations for the performance of any part of the authorized functions of the Office of Aeronautical Charting and Cartography when the Administrator deems such procedure to be in the public interest and will not compromise public safety.

(2) COOPERATIVE AGREEMENTS, GRANTS, AND OTHER AGREEMENTS.—The Administrator is authorized to enter into cooperative agreements, grants, reimbursable agreements, memoranda of understanding and other agreements, with a State, subdivision of a State, Federal agency, public or private organization, or individual, to carry out the purposes of this section.

(f) SPECIAL SERVICES AND PRODUCTS.—

(1) IN GENERAL.—The Administrator is authorized, at the request of a State, subdivision of a State, Federal agency, public or private organization, or individual, to conduct special services, including making special studies, or developing special publications or products on matters relating to navigation, transportation, or public safety.

(2) FEES.—The Administrator shall assess a fee for any special service provided under paragraph (1). A fee shall be not more than the actual or estimated full cost of the service. A fee

may be reduced or waived for research organizations, educational organizations, or non-profit organizations, when the Administrator determines that reduction or waiver of the fee is in the best interest of the Government by furthering public safety.

(g) SALE AND DISSEMINATION OF AERONAUTICAL PRODUCTS.—

(1) IN GENERAL.—Aeronautical products created or maintained under the authority of this section shall be sold at prices established annually by the Administrator consistent with the following:

(A) MAXIMUM PRICE.—Subject to subparagraph (B), the price of an aeronautical product sold to the public shall be not more than necessary to recover all costs attributable to: (i) data base management and processing; (ii) compilation; (iii) printing or other types of reproduction; and (iv) dissemination of the product.

(B) ADJUSTMENT OF PRICE.—The Administrator shall adjust the price of an aeronautical product and service sold to the public as necessary to avoid any adverse impact on aviation safety attributable to the price specified under this paragraph.

(C) COSTS ATTRIBUTABLE TO ACQUISITION OF AERONAUTICAL DATA.—A price established under this paragraph may not include costs attributable to the acquisition of aeronautical data.

(D) CONTINUATION OF PRICES.—The price of any product created under subsection (d) may correspond to the price of a comparable product produced by a department of the United States Government as that price was in effect on September 30, 2000, and may remain in effect until modified by regulation under section 9701 of title 31, United States Code.

(2) PUBLICATION OF PRICES.—The Administrator shall publish annually the prices at which aeronautical products are sold to the public.

(3) DISTRIBUTION.—The Administrator may distribute aeronautical products and provide aeronautical services—

(A) without charge to each foreign government or international organization with which the Administrator or a Federal department or agency has an agreement for exchange of these products or services without cost;

(B) at prices the Administrator establishes, to the departments and officers of the United States requiring them for official use; and

(C) at reduced or no charge where, in the judgment of the Administrator, furnishing the aeronautical product or service to a recipient is a reasonable exchange for voluntary contribution of information by the recipient to the activities under this section.

(4) FEES.—The fees provided for in this subsection are for the purpose of reimbursing the Government for the costs of creating, printing and disseminating aeronautical products and services under this section. The collection of fees authorized by this section does not alter or expand any duty or liability of the Government under existing law for the performance of functions for which fees are collected, nor does the collection of fees constitute an express or implied undertaking by the Government to perform any activity in a certain manner.

(5) CREDITING AMOUNTS RECEIVED.—Notwithstanding any other provision of law, amounts received for the sale of products created and services performed under this section shall be fully credited to the account of the Federal Aviation Administration that funded the provision of the products or services and shall remain available until expended.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2000 AMENDMENTS

Pub. L. 106–424, §17(b), Nov. 1, 2000, 114 Stat. 1889, provided that: "The amendments made by subsection (a) [amending this section] take effect on October 1, 2000."

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

SAVINGS PROVISION

Pub. L. 106–181, title VI, §604, Apr. 5, 2000, 114 Stat. 152, provided that:

"(a) CONTINUED EFFECTIVENESS OF DIRECTIVES.—All orders, determinations, rules, regulations, permits, contracts, certificates, licenses, privileges, and financial assistance that—

"(1) have been issued, made, granted, or allowed to become effective by the President of the United States, the Secretary of Commerce, the Administrator of the National Oceanic and Atmospheric Administration, any Federal agency or official thereof, or by a court of competent jurisdiction, in the performance of functions which are transferred by this title [amending this section, sections 883b and 883e of Title 33, Navigation and Navigable Waters, and section 1307 of Title 44, Public Printing and Documents, and enacting provisions set out as notes under this section]; and

"(2) are in effect on the date of transfer,

shall continue in effect according to their terms until modified, terminated, superseded, set aside, or revoked in accordance with law by the President of the United States, the Administrator of the Federal Aviation Administration, a court of competent jurisdiction, or by operation of law.

"(b) CONTINUED EFFECTIVENESS OF PENDING ACTIONS.—

"(1) IN GENERAL.—The provisions of this title shall not affect any proceedings, including notices of proposed rulemaking, or any application for any license, permit, certificate, or financial assistance pending on the date of transfer before the Department of Commerce or the National Oceanic and Atmospheric Administration, or any officer of such Department or Administration, with respect to functions transferred by this title, but such proceedings or applications, to the extent that they relate to functions transferred, shall be continued in accord with transition guidelines promulgated by the Administrator of the Federal Aviation Administration under the authority of this section. Orders issued in any such proceedings shall continue in effect until modified, terminated, superseded, or revoked by the Administrator of the Federal Aviation Administration, by a court of competent jurisdiction, or by operation of law. Nothing in this subsection prohibits the discontinuance or modification of any such proceeding under the same terms and conditions and to the same extent that such proceeding could have been discontinued or modified if this title had not been enacted.

"(2) TRANSITION GUIDELINES.—The Secretary of Commerce, the Administrator of the National Oceanic and Atmospheric Administration, and the Administrator of the Federal Aviation Administration are authorized to issue transition guidelines providing for the orderly transfer of proceedings and otherwise to accomplish the orderly transfer of functions, personnel and property under this title.

"(c) CONTINUED EFFECTIVENESS OF JUDICIAL ACTIONS.—No cause of action by or against the Department of Commerce or the National Oceanic and Atmospheric Administration with respect to functions transferred by this title, or by or against any officer thereof in the official's capacity, shall abate by reason of the enactment of this title. Causes of action and actions with respect to a function or office transferred by this title, or other proceedings may be asserted by or against the United States or an official of the Federal Aviation Administration, as may be appropriate, and, in an action pending when this title takes effect, the court may at any time, on its own motion or that of any party, enter an order that will give effect to the provisions of this subsection.

"(d) SUBSTITUTION OR ADDITION OF PARTIES TO JUDICIAL ACTIONS.—If, on the date of transfer, the Department of Commerce or the National Oceanic and Atmospheric Administration, or any officer of the Department or Administration in an official capacity, is a party to an action, and under this title any function relating to the action of the Department, Administration, or officer is transferred to the Federal Aviation Administration, then such action shall be continued with the Administrator of the Federal Aviation Administration substituted or added as a party.

"(e) CONTINUED JURISDICTION OVER ACTIONS TRANSFERRED.—Orders and actions of the Administrator of the Federal Aviation Administration in the exercise of functions transferred by this title shall

be subject to judicial review to the same extent and in the same manner as if such orders and actions had been by the Department of Commerce or the National Oceanic and Atmospheric Administration, or any office or officer of such Department or Administration, in the exercise of such functions immediately preceding their transfer.

"(f) LIABILITIES AND OBLIGATIONS.—The Administrator of the Federal Aviation Administration shall assume all liabilities and obligations (tangible and incorporeal, present and executory) associated with the functions transferred under this title on the date of transfer, including leases, permits, licenses, contracts, agreements, claims, tariffs, accounts receivable, accounts payable, financial assistance, and litigation relating to such obligations, regardless whether judgment has been entered, damages awarded, or appeal taken."

TRANSFER OF FUNCTIONS

Pub. L. 106–181, title VI, §601, Apr. 5, 2000, 114 Stat. 149, provided that: "Effective October 1, 2000, there are transferred to the Federal Aviation Administration and vested in the Administrator the functions, powers, and duties of the Secretary of Commerce and other officers of the Department of Commerce that relate to the Office of Aeronautical Charting and Cartography and are set forth in section 44721 of title 49, United States Code."

TRANSFER OF OFFICE, PERSONNEL, AND FUNDS

Pub. L. 106–181, title VI, §602, Apr. 5, 2000, 114 Stat. 149, provided that:

"(a) TRANSFER OF OFFICE.—Effective October 1, 2000, the Office of Aeronautical Charting and Cartography of the National Oceanic and Atmospheric Administration, Department of Commerce, is transferred to the Federal Aviation Administration.

"(b) OTHER TRANSFERS.—Effective October 1, 2000, the personnel employed in connection with, and the assets, liabilities, contracts, property, equipment, facilities, records, and unexpended balance of appropriations, and other funds employed, held, used, arising from, available to, or to be made available in connection with the function and offices, or portions of offices, transferred by this title [amending this section, sections 883b and 883e of Title 33, Navigation and Navigable Waters, and section 1307 of Title 44, Public Printing and Documents, and enacting provisions set out as notes under this section], including all Senior Executive Service positions, subject to section 1531 of title 31, United States Code, are transferred to the Administrator of the Federal Aviation Administration for appropriate allocation. Personnel employed in connection with functions transferred by this title transfer under any applicable law and regulation relating to transfer of functions. Unexpended funds transferred under this section shall be used only for the purposes for which the funds were originally authorized and appropriated, except that funds may be used for expenses associated with the transfer authorized by this title."

PROCUREMENT OF PRIVATE ENTERPRISE MAPPING, CHARTING, AND GEOGRAPHIC INFORMATION SYSTEMS

Pub. L. 106–181, title VI, §607, Apr. 5, 2000, 114 Stat. 154, provided that: "The Administrator [of the Federal Aviation Administration] shall consider procuring mapping, charting, and geographic information systems necessary to carry out the duties of the Administrator under title 49, United States Code, from private enterprises, if the Administrator determines that such procurement furthers the mission of the Federal Aviation Administration and is cost effective."

§44722. Aircraft operations in winter conditions

The Administrator of the Federal Aviation Administration shall prescribe regulations requiring procedures to improve safety of aircraft operations during winter conditions. In deciding on the procedures to be required, the Administrator shall consider at least aircraft and air traffic control modifications, the availability of different types of deicing fluids (considering their efficacy and environmental limitations), the types of deicing equipment available, and the feasibility and desirability of establishing timeframes within which deicing must occur under certain types of inclement weather.

The words "prescribe regulations requiring" are substituted for "require, by regulation", and the words "other factors the Administrator considers appropriate" are substituted for "among other things", for consistency in the revised title.

§44723. Annual report

Not later than January 1 of each year, the Secretary of Transportation shall submit to Congress a comprehensive report on the safety enforcement activities of the Federal Aviation Administration during the fiscal year ending the prior September 30th. The report shall include—

(1) a comparison of end-of-year staffing levels by operations, maintenance, and avionics inspector categories to staffing goals and a statement on how staffing standards were applied to make allocations between air carrier and general aviation operations, maintenance, and avionics inspectors;

(2) schedules showing the range of inspector experience by various inspector work force categories, and the number of inspectors in each of the categories who are considered fully qualified;

(3) schedules showing the number and percentage of inspectors who have received mandatory training by individual course, and the number of inspectors by work force categories, who have received all mandatory training;

(4) a description of the criteria used to set annual work programs, an explanation of how these criteria differ from criteria used in the prior fiscal year and how the annual work programs ensure compliance with appropriate regulations and safe operating practices;

(5) a comparison of actual inspections performed during the fiscal year to the annual work programs by field location and, for any field location completing less than 80 percent of its planned number of inspections, an explanation of why annual work program plans were not met;

(6) a statement of the adequacy of Administration internal management controls available to ensure that field managers comply with Administration policies and procedures, including those on inspector priorities, district office coordination, minimum inspection standards, and inspection followup;

(7) the status of efforts made by the Administration to update inspector guidance documents and regulations to include technological, management, and structural changes taking place in the aviation industry, including a listing of the backlog of all proposed regulatory amendments;

(8) a list of the specific operational measures of effectiveness used to evaluate—

(A) the progress in meeting program objectives;

(B) the quality of program delivery; and

(C) the nature of emerging safety problems;

(9) a schedule showing the number of civil penalty cases closed during the 2 prior fiscal years, including the total initial and final penalties imposed, the total number of dollars collected, the range of dollar amounts collected, the average case processing time, and the range of case processing time;

(10) a schedule showing the number of enforcement actions taken (except civil penalties) during the 2 prior fiscal years, including the total number of violations cited, and the number of cited violation cases closed by certificate suspensions, certificate revocations, warnings, and no action taken; and

(11) schedules showing the safety record of the aviation industry during the fiscal year for air carriers and general aviation, including—

(A) the number of inspections performed when deficiencies were identified compared with inspections when no deficiencies were found;

(B) the frequency of safety deficiencies for each air carrier; and

(C) an analysis based on data of the general status of air carrier and general aviation compliance with aviation regulations.

STATUTORY NOTES AND RELATED SUBSIDIARIES

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of reporting provisions in this section, see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, the 22nd item on page 132 and the 10th item on page 135 of House Document No. 103–7.

§44724. Manipulation of flight controls

(a) PROHIBITION.—No pilot in command of an aircraft may allow an individual who does not hold—

(1) a valid private pilots certificate issued by the Administrator of the Federal Aviation Administration under part 61 of title 14, Code of Federal Regulations; and

(2) the appropriate medical certificate issued by the Administrator under part 67 of such title,

to manipulate the controls of an aircraft if the pilot knows or should have known that the individual is attempting to set a record or engage in an aeronautical competition or aeronautical feat, as defined by the Administrator.

(b) REVOCATION OF AIRMEN CERTIFICATES.—The Administrator shall issue an order revoking a certificate issued to an airman under section 44703 of this title if the Administrator finds that while acting as a pilot in command of an aircraft, the airman has permitted another individual to manipulate the controls of the aircraft in violation of subsection (a).

(c) PILOT IN COMMAND DEFINED.—In this section, the term "pilot in command" has the meaning given such term by section 1.1 of title 14, Code of Federal Regulations.

§44725. Life-limited aircraft parts

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall conduct a rulemaking proceeding to require the safe disposition of life-limited parts removed from an aircraft. The rulemaking proceeding shall ensure that the disposition deter installation on an aircraft of a life-limited part that has reached or exceeded its life limits.

(b) SAFE DISPOSITION.—For the purposes of this section, safe disposition includes any of the following methods:

(1) The part may be segregated under circumstances that preclude its installation on an aircraft.

(2) The part may be permanently marked to indicate its used life status.

(3) The part may be destroyed in any manner calculated to prevent reinstallation in an aircraft.

(4) The part may be marked, if practicable, to include the recordation of hours, cycles, or other airworthiness information. If the parts are marked with cycles or hours of usage, that information must be updated every time the part is removed from service or when the part is retired from service.

(5) Any other method approved by the Administrator.

(c) DEADLINES.—In conducting the rulemaking proceeding under subsection (a), the Administrator shall—

(1) not later than 180 days after the date of the enactment of this section, issue a notice of proposed rulemaking; and

(2) not later than 180 days after the close of the comment period on the proposed rule, issue a final rule.

(d) PRIOR-REMOVED LIFE-LIMITED PARTS.—No rule issued under subsection (a) shall require the marking of parts removed from aircraft before the effective date of the rules issued under subsection (a), nor shall any such rule forbid the installation of an otherwise airworthy life-limited part.

§44726. Denial and revocation of certificate for counterfeit parts violations

(a) DENIAL OF CERTIFICATE.—

(1) IN GENERAL.—Except as provided in paragraph (2) of this subsection and subsection (e)(2), the Administrator of the Federal Aviation Administration may not issue a certificate under

this chapter to any person—

(A) convicted in a court of law of a violation of a law of the United States relating to the installation, production, repair, or sale of a counterfeit or fraudulently-represented aviation part or material;

(B) whose certificate is revoked under subsection (b); or

(C) subject to a controlling or ownership interest of an individual described in subparagraph (A) or (B).

(2) EXCEPTION.—Notwithstanding paragraph (1), the Administrator may issue a certificate under this chapter to a person described in paragraph (1) if issuance of the certificate will facilitate law enforcement efforts.

(b) REVOCATION OF CERTIFICATE.—

(1) IN GENERAL.—Except as provided in subsections (f) and (g), the Administrator shall issue an order revoking a certificate issued under this chapter if the Administrator finds that the holder of the certificate or an individual who has a controlling or ownership interest in the holder—

(A) was convicted in a court of law of a violation of a law of the United States relating to the installation, production, repair, or sale of a counterfeit or fraudulently-represented aviation part or material; or

(B) knowingly, and with the intent to defraud, carried out or facilitated an activity punishable under a law described in paragraph (1)(A).

(2) NO AUTHORITY TO REVIEW VIOLATION.—In carrying out paragraph (1), the Administrator may not review whether a person violated a law described in paragraph (1)(A).

(c) NOTICE REQUIREMENT.—Before the Administrator revokes a certificate under subsection (b), the Administrator shall—

(1) advise the holder of the certificate of the reason for the revocation; and

(2) provide the holder of the certificate an opportunity to be heard on why the certificate should not be revoked.

(d) APPEAL.—The provisions of section 44710(d) apply to the appeal of a revocation order under subsection (b). For the purpose of applying that section to the appeal, "person" shall be substituted for "individual" each place it appears.

(e) ACQUITTAL OR REVERSAL.—

(1) IN GENERAL.—The Administrator may not revoke, and the National Transportation Safety Board may not affirm a revocation of, a certificate under subsection (b)(1)(B) if the holder of the certificate or the individual referred to in subsection (b)(1) is acquitted of all charges directly related to the violation.

(2) REISSUANCE.—The Administrator may reissue a certificate revoked under subsection (b) of this section to the former holder if—

(A) the former holder otherwise satisfies the requirements of this chapter for the certificate; and

(B)(i) the former holder or the individual referred to in subsection (b)(1), is acquitted of all charges related to the violation on which the revocation was based; or

(ii) the conviction of the former holder or such individual of the violation on which the revocation was based is reversed.

(f) WAIVER.—The Administrator may waive revocation of a certificate under subsection (b) if—

(1) a law enforcement official of the United States Government requests a waiver; and

(2) the waiver will facilitate law enforcement efforts.

(g) AMENDMENT OF CERTIFICATE.—If the holder of a certificate issued under this chapter is

other than an individual and the Administrator finds that—

(1) an individual who had a controlling or ownership interest in the holder committed a violation of a law for the violation of which a certificate may be revoked under this section or knowingly, and with intent to defraud, carried out or facilitated an activity punishable under such a law; and

(2) the holder satisfies the requirements for the certificate without regard to that individual,

then the Administrator may amend the certificate to impose a limitation that the certificate will not be valid if that individual has a controlling or ownership interest in the holder. A decision by the Administrator under this subsection is not reviewable by the Board.

§44727. Runway safety areas

(a) AIRPORTS IN ALASKA.—An airport owner or operator in the State of Alaska shall not be required to reduce the length of a runway or declare the length of a runway to be less than the actual pavement length in order to meet standards of the Federal Aviation Administration applicable to runway safety areas.

(b) STUDY.—

(1) IN GENERAL.—The Secretary shall conduct a study of runways at airports in States other than Alaska to determine which airports are affected by standards of the Federal Aviation Administration applicable to runway safety areas and to assess how operations at those airports would be affected if the owner or operator of the airport is required to reduce the length of a runway or declare the length of a runway to be less than the actual pavement length in order to meet such standards.

(2) REPORT.—Not later than 9 months after the date of enactment of this section, the Secretary shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report containing the results of the study.

§44728. Flight attendant certification

(a) CERTIFICATE REQUIRED.—

(1) IN GENERAL.—No person may serve as a flight attendant aboard an aircraft of an air carrier unless that person holds a certificate of demonstrated proficiency from the Administrator of the Federal Aviation Administration. Upon the request of the Administrator or an authorized representative of the National Transportation Safety Board or another Federal agency, a person who holds such a certificate shall present the certificate for inspection within a reasonable period of time after the date of the request.

(2) SPECIAL RULE FOR CURRENT FLIGHT ATTENDANTS.—An individual serving as a flight attendant on the effective date of this section may continue to serve aboard an aircraft as a flight attendant until completion by that individual of the required recurrent or requalification training and subsequent certification under this section.

(3) TREATMENT OF FLIGHT ATTENDANT AFTER NOTIFICATION.—On the date that the Administrator is notified by an air carrier that an individual has the demonstrated proficiency to be a flight attendant, the individual shall be treated for purposes of this section as holding a certificate issued under the section.

(b) ISSUANCE OF CERTIFICATE.—The Administrator shall issue a certificate of demonstrated proficiency under this section to an individual after the Administrator is notified by the air carrier that the individual has successfully completed all the training requirements for flight attendants approved by the Administrator.

(c) DESIGNATION OF PERSON TO DETERMINE SUCCESSFUL COMPLETION OF TRAINING.—In accordance with part 183 of title 14, Code of Federal Regulations, the director of operations of an air carrier is designated to determine that an individual has successfully completed the training requirements approved by the Administrator for such individual to serve as a flight attendant.

(d) SPECIFICATIONS RELATING TO CERTIFICATES.—Each certificate issued under this section shall—

(1) be numbered and recorded by the Administrator;

(2) contain the name, address, and description of the individual to whom the certificate is issued;

(3) be similar in size and appearance to certificates issued to airmen;

(4) contain the airplane group for which the certificate is issued; and

(5) be issued not later than 120 days after the Administrator receives notification from the air carrier of demonstrated proficiency and, in the case of an individual serving as flight attendant on the effective date of this section, not later than 1 year after such effective date.

(e) APPROVAL OF TRAINING PROGRAMS.—Air carrier flight attendant training programs shall be subject to approval by the Administrator. All flight attendant training programs approved by the Administrator in the 1-year period ending on the date of enactment of this section shall be treated as providing a demonstrated proficiency for purposes of meeting the certification requirements of this section.

(f) MINIMUM LANGUAGE SKILLS.—

(1) IN GENERAL.—No person may serve as a flight attendant aboard an aircraft of an air carrier, unless that person has demonstrated to an individual qualified to determine proficiency the ability to read, speak, and write English well enough to—

(A) read material written in English and comprehend the information;

(B) speak and understand English sufficiently to provide direction to, and understand and answer questions from, English-speaking individuals;

(C) write incident reports and statements and log entries and statements; and

(D) carry out written and oral instructions regarding the proper performance of their duties.

(2) FOREIGN FLIGHTS.—The requirements of paragraph (1) do not apply to a flight attendant serving solely between points outside the United States.

(g) FLIGHT ATTENDANT DEFINED.—In this section, the term "flight attendant" means an individual working as a flight attendant in the cabin of an aircraft that has 20 or more seats and is being used by an air carrier to provide air transportation.

2012—Subsecs. (f), (g). Pub. L. 112–95 added subsec. (f) and redesignated former subsec. (f) as (g).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE

Pub. L. 108–176, title VIII, §814(c), Dec. 12, 2003, 117 Stat. 2592, provided that: "The amendments made by subsections (a) and (b) [enacting this section and amending the analysis to this chapter] shall take effect on the 365th day following the date of enactment of this Act [Dec. 12, 2003]."

FACILITATION

Pub. L. 112–95, title III, §304(b), Feb. 14, 2012, 126 Stat. 58, provided that: "The Administrator of the Federal Aviation Administration shall work with air carriers to facilitate compliance with the requirements of section 44728(f) of title 49, United States Code (as amended by this section)."

§44729. Age standards for pilots

(a) IN GENERAL.—Subject to the limitation in subsection (c), a pilot may serve in multicrew covered operations described in subsection (b)(1) until attaining 65 years of age. Air carriers that employ pilots who serve in covered operations described in subsection (b)(2) may elect to implement an age restriction to prohibit employed pilots from serving in such covered operations after attaining 70 years of age by delivering written notice to the Administrator of the Federal Aviation Administration. Such election—

(1) shall take effect 1 year after the date of delivery of written notice of the election; and

(2) may not be terminated after the date on which such election takes effect by the air carrier.

(b) COVERED OPERATIONS DEFINED.—In this section, the term "covered operations" means—

(1) operations under part 121 of title 14, Code of Federal Regulations; or

(2) operations by a person that—

(A) holds an air carrier certificate issued pursuant to part 119 of title 14, Code of Federal Regulations, to conduct operations under part 135 of such title;

(B) holds management specifications under subpart K of title 91 of title 14, Code of Federal Regulations; and

(C) performed an aggregate total of at least 75,000 turbojet operations in calendar year 2019 or any subsequent year.

(c) LIMITATION FOR INTERNATIONAL FLIGHTS.—

(1) APPLICABILITY OF ICAO STANDARD.—A pilot who has attained 60 years of age may serve as pilot-in-command in covered operations between the United States and another country only if there is another pilot in the flight deck crew who has not yet attained 60 years of age.

(2) SUNSET OF LIMITATION.—Paragraph (1) shall cease to be effective on such date as the Convention on International Civil Aviation provides that a pilot who has attained 60 years of age may serve as pilot-in-command in international commercial operations without regard to whether there is another pilot in the flight deck crew who has not attained age 60.

(d) SUNSET OF AGE 60 RETIREMENT RULE.—On and after the date of enactment of this section, section 121.383(c) of title 14, Code of Federal Regulations, shall cease to be effective.

(e) APPLICABILITY.—

(1) NONRETROACTIVITY.—No person who has attained 60 years of age before the date of enactment of this section may serve as a pilot for an air carrier engaged in covered operations unless—

(A) such person is in the employment of that air carrier in such operations on such date of enactment as a required flight deck crew member; or

(B) such person is newly hired by an air carrier as a pilot on or after such date of enactment without credit for prior seniority or prior longevity for benefits or other terms related to length of service prior to the date of rehire under any labor agreement or employment policies of the air carrier.

(2) PROTECTION FOR COMPLIANCE.—An action taken in conformance with this section, taken in conformance with a regulation issued to carry out this section, or taken prior to the date of enactment of this section in conformance with section 121.383(c) of title 14, Code of Federal Regulations (as in effect before such date of enactment), may not serve as a basis for liability or relief in a proceeding, brought under any employment law or regulation, before any court or agency of the United States or of any State or locality.

(f) AMENDMENTS TO LABOR AGREEMENTS AND BENEFIT PLANS.—Any amendment to a labor agreement or benefit plan of an air carrier that is required to conform with the requirements of this section or a regulation issued to carry out this section, and is applicable to pilots represented for collective bargaining, shall be made by agreement of the air carrier and the designated bargaining representative of the pilots of the air carrier.

(g) MEDICAL STANDARDS AND RECORDS.—

(1) MEDICAL EXAMINATIONS AND STANDARDS.—Except as provided by paragraph (2), a person serving as a pilot for an air carrier engaged in covered operations shall not be subject to different medical standards, or different, greater, or more frequent medical examinations, on

account of age unless the Secretary determines (based on data received or studies published after the date of enactment of this section) that different medical standards, or different, greater, or more frequent medical examinations, are needed to ensure an adequate level of safety in flight.

(2) DURATION OF FIRST-CLASS MEDICAL CERTIFICATE.—No person who has attained 60 years of age may serve as a pilot of an air carrier engaged in covered operations unless the person has a first-class medical certificate. Such a certificate shall expire on the last day of the 6-month period following the date of examination shown on the certificate.

(h) SAFETY.—

(1) TRAINING.—Each air carrier engaged in covered operations shall continue to use pilot training and qualification programs approved by the Federal Aviation Administration, with specific emphasis on initial and recurrent training and qualification of pilots who have attained 60 years of age, to ensure continued acceptable levels of pilot skill and judgment.

(2) GAO REPORT.—Not later than 24 months after the date of enactment of this section, the Comptroller General shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report concerning the effect, if any, on aviation safety of the modification to pilot age standards made by subsection (a).

(Added Pub. L. 110–135, §2(a), Dec. 13, 2007, 121 Stat. 1450; amended Pub. L. 112–95, title III, §305, Feb. 14, 2012, 126 Stat. 58; Pub. L. 117–328, div. Q, §107(a), (b), Dec. 29, 2022, 136 Stat. 5257, 5258.)

AMENDMENTS

2022—Subsec. (a). Pub. L. 117–328, §107(a), substituted "covered operations described in subsection (b)(1) until attaining 65 years of age. Air carriers that employ pilots who serve in covered operations described in subsection (b)(2) may elect to implement an age restriction to prohibit employed pilots from serving in such covered operations after attaining 70 years of age by delivering written notice to the Administrator of the Federal Aviation Administration. Such election—" and pars. (1) and (2) for "covered operations until attaining 65 years of age."

Subsec. (b). Pub. L. 117–328, §107(b), substituted "means—" and pars. (1) and (2) for "means operations under part 121 of title 14, Code of Federal Regulations."

2012—Subsec. (h)(2), (3). Pub. L. 112–95 redesignated par. (3) as (2) and struck out former par. (2). Prior to amendment, text of par. (2) read as follows: "Not later than 6 months after the date of enactment of this section, and every 6 months thereafter, an air carrier engaged in covered operations shall evaluate the performance of each pilot of the air carrier who has attained 60 years of age through a line check of such pilot. Notwithstanding the preceding sentence, an air carrier shall not be required to conduct for a 6-month period a line check under this paragraph of a pilot serving as second-in-command if the pilot has undergone a regularly scheduled simulator evaluation during that period."

PROTECTION FOR COMPLIANCE

Pub. L. 117–328, div. Q, §107(c), Dec. 29, 2022, 136 Stat. 5258, provided that: "An action or election taken in conformance with the amendments made by this section [amending this section], or taken in conformance with a regulation issued to carry out the amendments made by this section, may not serve as a basis for liability or relief in a proceeding brought under any employment law or regulation before any court or agency of the United States or of any State or locality."

§44730. Helicopter air ambulance operations

(a) COMPLIANCE REGULATIONS.—

(1) IN GENERAL.—Except as provided in paragraph (2), a part 135 certificate holder providing air ambulance services shall comply, whenever medical personnel are onboard the aircraft, with regulations pertaining to weather minimums and flight and duty time under part 135.

(2) EXCEPTION.—If a certificate holder described in paragraph (1) is operating, or carrying out training, under instrument flight rules, the weather reporting requirement at the destination shall not apply if authorized by the Administrator of the Federal Aviation Administration.

(b) FINAL RULE.—Not later than June 1, 2012, the Administrator shall issue a final rule, with respect to the notice of proposed rulemaking published in the Federal Register on October 12, 2010 (75 Fed. Reg. 62640), to improve the safety of flight crewmembers, medical personnel, and passengers onboard helicopters providing air ambulance services under part 135.

(c) MATTERS TO BE ADDRESSED.—In conducting the rulemaking proceeding under subsection (b), the Administrator shall consider, or address through other means, the following:

(1) Flight request and dispatch procedures, including performance-based flight dispatch procedures.

(2) Pilot training standards, including establishment of training standards in—

(A) preventing controlled flight into terrain; and

(B) recovery from inadvertent flight into instrument meteorological conditions.

(3) Safety-enhancing technology and equipment, including—

(A) helicopter terrain awareness and warning systems;

(B) radar altimeters; and

(C) devices that perform the function of flight data recorders and cockpit voice recorders, to the extent feasible.

(4) Such other matters as the Administrator considers appropriate.

(d) MINIMUM REQUIREMENTS.—In issuing a final rule under subsection (b), the Administrator, at a minimum, shall consider, or address through other means, the following:

(1) FLIGHT RISK EVALUATION PROGRAM.—The Administrator shall ensure that a part 135 certificate holder providing helicopter air ambulance services—

(A) establishes a flight risk evaluation program, based on FAA Notice 8000.301 issued by the Administration on August 1, 2005, including any updates thereto;

(B) as part of the flight risk evaluation program, develops a checklist for use by pilots in determining whether a flight request should be accepted; and

(C) requires the pilots of the certificate holder to use the checklist.

(2) OPERATIONAL CONTROL CENTER.—The Administrator shall ensure that a part 135 certificate holder providing helicopter air ambulance services using 10 or more helicopters has an operational control center that meets such requirements as the Administrator may prescribe.

(e) SUBSEQUENT ACTIONS.—

(1) IN GENERAL.—Upon completion of the rulemaking required under subsection (b), the Administrator shall address through a follow-on rulemaking, or through such other means that the Administrator considers appropriate, the following:

(A) Pilot training standards, including—

(i) mandatory training requirements, including a minimum time for completing the training requirements;

(ii) training subject areas, such as communications procedures and appropriate technology use; and

(iii) establishment of training standards in—

(I) crew resource management;
(II) flight risk evaluation;
(III) operational control of the pilot in command; and
(IV) use of flight simulation training devices and line-oriented flight training.

(B) Use of safety equipment that should be worn or used by flight crewmembers and medical personnel on a flight, including the possible use of shoulder harnesses, helmets, seatbelts, and fire resistant clothing to enhance crash survivability.

(2) LIMITATION ON CONSTRUCTION.—Nothing in this subsection shall be construed to require the Administrator to propose or finalize any rule that would derogate or supersede the rule required to be finalized under subsection (b).

(f) DEFINITIONS.—In this section, the following definitions apply:
(1) PART 135.—The term "part 135" means part 135 of title 14, Code of Federal Regulations.
(2) PART 135 CERTIFICATE HOLDER.—The term "part 135 certificate holder" means a person holding an operating certificate issued under part 119 of title 14, Code of Federal Regulations, that is authorized to conduct civil helicopter air ambulance operations under part 135.

(Added Pub. L. 112–95, title III, §306(a), Feb. 14, 2012, 126 Stat. 58; amended Pub. L. 118–63, title III, §301(a), May 16, 2024, 138 Stat. 1066.)

EDITORIAL NOTES

AMENDMENTS

2024—Subsec. (a)(1). Pub. L. 118–63, §301(a)(1), struck out "not later than 180 days after the date of enactment of this section," after "paragraph (2),".
Subsec. (c). Pub. L. 118–63, §301(a)(2), substituted "consider, or address through other means, the following" for "address the following" in introductory provisions.
Subsec. (d). Pub. L. 118–63, §301(a)(3), substituted "consider, or address through other means, the following" for "provide for the following" in introductory provisions.
Subsec. (e). Pub. L. 118–63, §301(a)(4)(A), substituted "Subsequent Actions" for "Subsequent Rulemaking" in heading.
Subsec. (e)(1). Pub. L. 118–63, §301(a)(4)(B), substituted "shall address through a follow-on rulemaking, or through such other means that the Administrator considers appropriate, the following:" for "shall conduct a follow-on rulemaking to address the following:" in introductory provisions.
Subsec. (e)(2), (3). Pub. L. 118–63, §301(a)(4)(C), (D), redesignated par. (3) as (2) and struck out former par. (2). Prior to amendment, text of par. (2) read as follows: "Not later than 180 days after the date of issuance of a final rule under subsection (b), the Administrator shall initiate the rulemaking under this subsection."

§44731. Collection of data on helicopter air ambulance operations

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall require a part 135 certificate holder providing helicopter air ambulance services to submit to the Administrator, annually, a report containing, at a minimum, the following data:
(1) The number of helicopters that the certificate holder uses to provide helicopter air ambulance services and the base locations of the helicopters.
(2) The number of hours flown by the helicopters operated by the certificate holder.
(3) The number of patients transported and the number of patient transport requests for a helicopter providing air ambulance services that were accepted or declined by the certificate holder and the type of each such flight request (such as scene response, interfacility transport, or organ transport).
(4) The number of accidents, if any, involving helicopters operated by the certificate holder while providing air ambulance services and a description of the accidents.

(5) The number of hours flown under instrument flight rules by helicopters operated by the certificate holder.

(6) The number of hours flown at night by helicopters operated by the certificate holder.

(7) The number of incidents, if any, in which a helicopter was not directly dispatched and arrived to transport patients but was not utilized for patient transport.

(b) REPORTING PERIOD.—Data contained in a report submitted by a part 135 certificate holder under subsection (a) shall relate to such reporting period as the Administrator determines appropriate.

(c) DATABASE.—Not later than 180 days after the date of enactment of this section, the Administrator shall develop a method to collect and store the data collected under subsection (a), including a method to protect the confidentiality of any trade secret or proprietary information provided in response to this section.

(d) IMPLEMENTATION.—In carrying out this section, the Administrator, in collaboration with part 135 certificate holders providing helicopter air ambulance services, shall—

(1) propose and develop a method to collect and store the data submitted under subsection (a), including a method to protect the confidentiality of any trade secret or proprietary information submitted;

(2) make publicly available, in part or in whole, on a website of the Federal Aviation Administration, the database developed pursuant to subsection (c); and

(3) analyze the data submitted under subsection (a) periodically and use such data to inform efforts to improve the safety of helicopter air ambulance operations.

(e) DEFINITIONS.—In this section, the terms "part 135" and "part 135 certificate holder" have the meanings given such terms in section 44730.

The date of enactment of this section, referred to in subsec. (c), is the date of enactment of Pub. L. 112–95, which was approved Feb. 14, 2012.

AMENDMENTS

2024—Subsec. (d). Pub. L. 118–63, §301(c)(1), (3), redesignated subsec. (e) as (d) and struck out former subsec. (d). Prior to amendment, text of subsec. (d) read as follows: "The Administrator shall submit annually to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report containing a summary of the data collected under subsection (a). The report shall include the number of accidents experienced by helicopter air ambulance operations, the number of fatal accidents experienced by helicopter air ambulance operations, and the rate, per 100,000 flight hours, of accidents and fatal accidents experienced by operators providing helicopter air ambulance services."

Subsec. (e). Pub. L. 118–63, §301(c)(3), redesignated subsec. (f) as (e). Former subsec. (e) redesignated (d).

Subsec. (e)(2), (3). Pub. L. 118–63, §301(c)(2), added pars. (2) and (3) and struck out former par. (2) which read as follows: "ensure that the database under subsection (c) and the report under subsection (d) include data and analysis that will best inform efforts to improve the safety of helicopter air ambulance operations."

Subsec. (f). Pub. L. 118–63, §301(c)(3), redesignated subsec. (f) as (e).

2018—Subsec. (a). Pub. L. 115–254, §314(d)(1)(A), substituted "annually" for "not later than 1 year after the date of enactment of this section, and annually thereafter" in introductory provisions.

Subsec. (a)(2). Pub. L. 115–254, §314(d)(1)(B), substituted "hours flown by the helicopters operated by the certificate holder" for "flights and hours flown, by registration number, during which helicopters operated by the certificate holder were providing helicopter air ambulance services".

Subsec. (a)(3). Pub. L. 115–254, §314(d)(1)(C), substituted "of patients transported and the number of

patient transport" for "of flight", inserted "or" after "interfacility transport,", and struck out ", or ferry or repositioning flight" after "organ transport".

Subsec. (a)(5). Pub. L. 115–254, §314(d)(1)(D), struck out "flights and" after "The number of" and "while providing air ambulance services" before period at end.

Subsec. (a)(6). Pub. L. 115–254, §314(d)(1)(E), amended par. (6) generally. Prior to amendment, par. (6) read as follows: "The time of day of each flight flown by helicopters operated by the certificate holder while providing air ambulance services."

Subsec. (d). Pub. L. 115–254, §314(d)(2), substituted "The Administrator shall submit annually" for "Not later than 2 years after the date of enactment of this section, and annually thereafter, the Administrator shall submit" and inserted at end "The report shall include the number of accidents experienced by helicopter air ambulance operations, the number of fatal accidents experienced by helicopter air ambulance operations, and the rate, per 100,000 flight hours, of accidents and fatal accidents experienced by operators providing helicopter air ambulance services."

Subsecs. (e), (f). Pub. L. 115–254, §314(d)(3), (4), added subsec. (e) and redesignated former subsec. (e) as (f).

STATUTORY NOTES AND RELATED SUBSIDIARIES

HELICOPTER AIR AMBULANCE OPERATIONS DATA AND REPORTS

Pub. L. 115–254, div. B, title III, §314(a)–(c), Oct. 5, 2018, 132 Stat. 3265, 3266, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration], in collaboration with helicopter air ambulance industry stakeholders, shall assess the availability of information to the general public related to the location of heliports and helipads used by helicopters providing air ambulance services, including helipads and helipads outside of those listed as part of any existing databases of Airport Master Record (5010) forms.

"(b) REQUIREMENTS.—Based on the assessment under subsection (a), the Administrator shall—

"(1) update, as necessary, any existing guidance on what information is included in the current databases of Airport Master Record (5010) forms to include information related to heliports and helipads used by helicopters providing air ambulance services; or

"(2) develop, as appropriate and in collaboration with helicopter air ambulance industry stakeholders, a new database of heliports and helipads used by helicopters providing air ambulance services.

"(c) REPORTS.—

"(1) ASSESSMENT REPORT.—Not later than 30 days after the date the assessment under subsection (a) is complete, the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report on the assessment, including any recommendations on how to make information related to the location of heliports and helipads used by helicopters providing air ambulance services available to the general public.

"(2) IMPLEMENTATION REPORT.—Not later than 30 days after completing action under paragraph (1) or paragraph (2) of subsection (b), the Administrator shall submit to the appropriate committees of Congress a report on such action."

§44732. Prohibition on personal use of electronic devices on flight deck

(a) IN GENERAL.—It is unlawful for a flight crewmember of an aircraft used to provide air transportation under part 121 of title 14, Code of Federal Regulations, to use a personal wireless communications device or laptop computer while at the flight crewmember's duty station on the flight deck of such an aircraft while the aircraft is being operated.

(b) EXCEPTIONS.—Subsection (a) shall not apply to the use of a personal wireless communications device or laptop computer for a purpose directly related to operation of the aircraft, or for emergency, safety-related, or employment-related communications, in accordance with procedures established by the air carrier and the Administrator of the Federal Aviation Administration.

(c) ENFORCEMENT.—In addition to the penalties provided under section 46301 applicable to any violation of this section, the Administrator of the Federal Aviation Administration may enforce compliance with this section under section 44709 by amending, modifying, suspending, or revoking

a certificate under this chapter.

(d) PERSONAL WIRELESS COMMUNICATIONS DEVICE DEFINED.—In this section, the term "personal wireless communications device" means a device through which personal wireless services (as defined in section 332(c)(7)(C)(i) of the Communications Act of 1934 (47 U.S.C. 332(c)(7)(C)(i))) are transmitted.

STATUTORY NOTES AND RELATED SUBSIDIARIES

REGULATIONS

Pub. L. 112–95, title III, §307(d), Feb. 14, 2012, 126 Stat. 62, provided that: "Not later than 90 days after the date of enactment of this Act [Feb. 14, 2012], the Administrator of the Federal Aviation Administration shall initiate a rulemaking procedure for regulations to carry out section 44732 of title 49, United States Code (as added by this section), and shall issue a final rule thereunder not later than 2 years after the date of enactment of this Act."

§44733. Oversight of repair stations located outside the United States

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall establish and implement a safety assessment system for all part 145 repair stations based on the type, scope, and complexity of work being performed. The system shall—

(1) ensure that repair stations located outside the United States are subject to appropriate inspections based on identified risks and consistent with existing United States requirements;

(2) consider inspection results and findings submitted by foreign civil aviation authorities operating under a maintenance safety or maintenance implementation agreement with the United States; and

(3) require all maintenance safety or maintenance implementation agreements to provide an opportunity for the Administration to conduct independent inspections of part 145 repair stations when safety concerns warrant such inspections.

(b) NOTICE TO CONGRESS OF NEGOTIATIONS.—The Administrator shall notify the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives not later than 30 days after initiating formal negotiations with foreign aviation authorities or other appropriate foreign government agencies on a new maintenance safety or maintenance implementation agreement.

(c) ANNUAL REPORT.—The Administrator shall publish an annual report on the Administration's oversight of part 145 repair stations and implementation of the safety assessment system required under subsection (a). The report shall—

(1) describe in detail any improvements in the Administration's ability to identify and track where part 121 air carrier repair work is performed;

(2) include a staffing model to determine the best placement of inspectors and the number of inspectors needed;

(3) describe the training provided to inspectors; and

(4) include an assessment of the quality of monitoring and surveillance by the Administration of work performed by its inspectors and the inspectors of foreign authorities operating under a maintenance safety or maintenance implementation agreement.

(d) ALCOHOL AND CONTROLLED SUBSTANCES TESTING PROGRAM REQUIREMENTS.—

(1) IN GENERAL.—The Secretary of State and the Secretary of Transportation, acting jointly, shall request the governments of foreign countries that are members of the International Civil

Aviation Organization to establish international standards for alcohol and controlled substances testing of persons that perform safety-sensitive maintenance functions on commercial air carrier aircraft.

(2) APPLICATION TO PART 121 AIRCRAFT WORK.—Not later than 1 year after the date of enactment of this section, the Administrator shall promulgate a proposed rule requiring that all part 145 repair station employees responsible for safety-sensitive maintenance functions on part 121 air carrier aircraft are subject to an alcohol and controlled substances testing program determined acceptable by the Administrator and consistent with the applicable laws of the country in which the repair station is located.

(e) ANNUAL INSPECTIONS.—The Administrator shall ensure that part 145 repair stations located outside the United States are inspected annually, without prior notice to such repair stations, by Federal Aviation Administration safety inspectors, without regard to where the station is located, in a manner consistent with United States obligations under international agreements and the applicable laws of the country in which the repair station is located. The Administrator may carry out announced or unannounced inspections in addition to the annual unannounced inspection required under this subsection based on identified risks and in a manner consistent with United States obligations under international agreements and the applicable laws of the country in which the part 145 repair station is located.

(f) RISK-BASED OVERSIGHT.—

(1) IN GENERAL.—Not later than 90 days after the date of enactment of the FAA Extension, Safety, and Security Act of 2016, the Administrator shall take measures to ensure that the safety assessment system established under subsection (a)—

(A) places particular consideration on inspections of part 145 repair stations located outside the United States that conduct scheduled heavy maintenance work on part 121 air carrier aircraft; and

(B) accounts for the frequency and seriousness of any corrective actions that part 121 air carriers must implement to aircraft following such work at such repair stations.

(2) INTERNATIONAL AGREEMENTS.—The Administrator shall take the measures required under paragraph (1)—

(A) in accordance with United States obligations under applicable international agreements; and

(B) in a manner consistent with the applicable laws of the country in which a repair station is located.

(3) ACCESS TO DATA.—The Administrator may access and review such information or data in the possession of a part 121 air carrier as the Administrator may require in carrying out paragraph (1)(B).

(g) DATA ANALYSIS.—

(1) IN GENERAL.—Each fiscal year in which a part 121 air carrier has had heavy maintenance work performed on an aircraft owned or operated by such carrier, such carrier shall provide to the Administrator, not later than the end of the following fiscal year, a report containing the information described in paragraph (2).

(2) INFORMATION REQUIRED.—A report under paragraph (1) shall contain the following:

(A) The location where any heavy maintenance work on aircraft was performed outside the United States.

(B) A description of the work performed at each such location.

(C) The date of completion of the work performed at each such location.

(D) A list of all failures, malfunctions, or defects affecting the safe operation of such aircraft identified by the air carrier not later than 30 days after the date on which an aircraft is returned to service, organized by reference to aircraft registration number, that—

(i) requires corrective action after the aircraft is approved for return to service; and
(ii) results from such work performed on such aircraft.

(E) The certificate number of the person approving such aircraft or on-wing aircraft engine for return to service following completion of the work performed at each such location.

(3) ANALYSIS.—The Administrator shall—
(A) analyze information provided under this subsection and sections 121.703, 121.705, 121.707, and 145.221 of title 14, Code of Federal Regulations, or any successor provisions of such title, to detect safety issues associated with heavy maintenance work on aircraft performed outside the United States; and
(B) require appropriate actions by an air carrier or repair station in response to any safety issue identified by the analysis conducted under subparagraph (A).

(4) CONFIDENTIALITY.—Information provided under this subsection shall be subject to the same protections given to voluntarily provided safety or security related information under section 40123.

(h) APPLICATIONS AND PROHIBITION.—
(1) IN GENERAL.—The Administrator may not approve any new application under part 145 of title 14, Code of Federal Regulations, from a person located or headquartered in a country that the Administration, through the International Aviation Safety Assessment program, has classified as Category 2.
(2) EXCEPTION.—Paragraph (1) shall not apply to an application for the renewal of a certificate issued under part 145 of title 14, Code of Federal Regulations.
(3) MAINTENANCE IMPLEMENTATION PROCEDURES AGREEMENT.—The Administrator may elect not to enter into a new maintenance implementation procedures agreement with a country classified as Category 2, for as long as the country remains classified as Category 2.
(4) PROHIBITION ON CONTINUED HEAVY MAINTENANCE WORK.—No part 121 air carrier may enter into a new contract for heavy maintenance work with a person located or headquartered in a country that the Administrator, through the International Aviation Safety Assessment program, has classified as Category 2, for as long as such country remains classified as Category 2.

(i) MINIMUM QUALIFICATIONS FOR MECHANICS AND OTHERS WORKING ON U.S. REGISTERED AIRCRAFT.—
(1) IN GENERAL.—Not later than 18 months after the date of enactment of this subsection, the Administrator shall require that, at each covered repair station—
(A) all supervisory personnel of such station are appropriately certificated as a mechanic or repairman under part 65 of title 14, Code of Federal Regulations, or under an equivalent certification or licensing regime, as determined by the Administrator; and
(B) all personnel of such station authorized to approve an article for return to service are appropriately certificated as a mechanic or repairman under part 65 of such title, or under an equivalent certification or licensing regime, as determined by the Administrator.

(2) AVAILABLE FOR CONSULTATION.—Not later than 18 months after the date of enactment of this subsection, the Administrator shall require any individual who is responsible for approving an article for return to service or who is directly in charge of heavy maintenance work performed on aircraft operated by a part 121 air carrier be available for consultation while work is being performed at a covered repair station.

(j) DEFINITIONS.—In this section, the following definitions apply:

(1) COVERED REPAIR STATION.—The term "covered repair station" means a facility that—
(A) is located outside the United States;
(B) is a part 145 repair station; and
(C) performs heavy maintenance work on aircraft operated by a part 121 air carrier.

(2) HEAVY MAINTENANCE WORK.—The term "heavy maintenance work" means a C-check, a D-check, or equivalent maintenance operation with respect to the airframe of a transport-category aircraft (including on-wing aircraft engines).

(3) PART 121 AIR CARRIER.—The term "part 121 air carrier" means an air carrier that holds a certificate issued under part 121 of title 14, Code of Federal Regulations.

(4) PART 145 REPAIR STATION.—The term "part 145 repair station" means a repair station that holds a certificate issued under part 145 of title 14, Code of Federal Regulations.

(Added Pub. L. 112–95, title III, §308(a), Feb. 14, 2012, 126 Stat. 62; amended Pub. L. 114–190, title II, §2112(a), July 15, 2016, 130 Stat. 627; Pub. L. 118–63, title III, §302(a)(1), (2), May 16, 2024, 138 Stat. 1067, 1069.)

RULEMAKING ON SECURITY THREAT ASSESSMENT

Pub. L. 118–63, title III, §302(b)(2), (3), May 16, 2024, 138 Stat. 1069, provided that:

"(2) RULEMAKING ON ASSESSMENT REQUIREMENT.—With respect to any employee not covered under the requirements of section 1554.101 of title 49, Code of Federal Regulations, the Administrator [of the Federal Aviation Administration] shall initiate a rulemaking (or request that the head of another Federal agency initiate a rulemaking) that requires a covered repair station to confirm that any such employee has successfully completed an assessment commensurate with a security threat assessment described in subpart C of part 1540 of such title.

"(3) DEFINITION OF COVERED REPAIR STATION.—For purposes of this subsection, the term 'covered repair station' means a facility that—

"(A) is located outside the United States;

"(B) is certificated under part 145 of title 14, Code of Federal Regulations; and

"(C) performs heavy maintenance work on aircraft (including on-wing aircraft engines), operated under part 121 of title 14, Code of Federal Regulations."

ALCOHOL AND CONTROLLED SUBSTANCES TESTING

Pub. L. 118–63, title III, §302(b)(1), May 16, 2024, 138 Stat. 1069, provided that: "Not later than 18 months after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall issue a final rule carrying out the requirements of section 2112(b) of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190] (49 U.S.C. 44733 note)."

Pub. L. 114–190, title II, §2112(b), July 15, 2016, 130 Stat. 628, provided that: "The Administrator of the Federal Aviation Administration shall ensure that—

"(1) not later than 90 days after the date of enactment of this Act [July 15, 2016], a notice of proposed rulemaking required pursuant to section 44733(d)(2) is published in the Federal Register; and

"(2) not later than 1 year after the date on which the notice of proposed rulemaking is published in the Federal Register, the rulemaking is finalized."

BACKGROUND INVESTIGATIONS

Pub. L. 114–190, title II, §2112(c), July 15, 2016, 130 Stat. 628, provided that: "Not later than 180 days after the date of enactment of this Act [July 15, 2016], the Administrator shall ensure that each employee of a repair station certificated under part 145 of title 14, Code of Federal Regulations, who performs a safety-sensitive function on an air carrier aircraft has undergone a pre-employment background investigation sufficient to determine whether the individual presents a threat to aviation safety, in a manner that is—

"(1) determined acceptable by the Administrator;

"(2) consistent with the applicable laws of the country in which the repair station is located; and

"(3) consistent with the United States obligations under international agreements."

§44734. Training of flight attendants

(a) TRAINING REQUIRED.—In addition to other training required under this chapter, each air carrier shall provide to flight attendants employed or contracted by such air carrier initial and annual training regarding—

(1) serving alcohol to passengers;

(2) recognizing intoxicated passengers;

(3) dealing with disruptive passengers; and

(4) recognizing and responding to potential human trafficking victims.

(b) SITUATIONAL TRAINING.—In carrying out the training required under subsection (a), each air carrier shall provide to flight attendants situational training on the proper method for dealing with intoxicated passengers who act in a belligerent manner.

(c) DEFINITIONS.—In this section, the following definitions apply:

(1) AIR CARRIER.—The term "air carrier" means a person, including a commercial enterprise, that has been issued an air carrier operating certificate under section 44705.

(2) FLIGHT ATTENDANT.—The term "flight attendant" has the meaning given that term in section 44728(g).

(Added Pub. L. 112–95, title III, §309(a), Feb. 14, 2012, 126 Stat. 64; amended Pub. L. 114–190, title II, §2113, July 15, 2016, 130 Stat. 628.)

EDITORIAL NOTES

AMENDMENTS

2016—Subsec. (a)(4). Pub. L. 114–190 added par. (4).

§44735. Limitation on disclosure of safety information

(a) IN GENERAL.—Except as provided by subsection (c), a report, data, or other information described in subsection (b) shall not be disclosed to the public by the Administrator of the Federal Aviation Administration pursuant to section 552(b)(3)(B) of title 5—

(1) if the report, data, or other information is submitted to the Federal Aviation Administration voluntarily and is not required to be submitted to the Administrator under any other provision of law;

(2) if the report, data, or other information is submitted to the Federal Aviation Administration pursuant to section 102(e) of the Aircraft Certification, Safety, and Accountability Act; or

(3) if the report, data, or other information is submitted for any purpose relating to the development and implementation of a safety management system, including a system required by regulation.

(b) APPLICABILITY.—The limitation established by subsection (a) shall apply to the following:

(1) Reports, data, or other information developed under the Aviation Safety Action Program.

(2) Reports, data, or other information produced or collected under the Flight Operational Quality Assurance Program.

(3) Reports, data, or other information developed under the Line Operations Safety Audit Program.

(4) Reports, data, or other information produced or collected for purposes of developing and implementing a safety management system acceptable to the Administrator.

(5) Reports, analyses, and directed studies, based in whole or in part on reports, data, or other information described in paragraphs (1) through (4), including those prepared under the Aviation Safety Information Analysis and Sharing Program (or any successor program).

(c) EXCEPTION FOR DE-IDENTIFIED INFORMATION.—

(1) IN GENERAL.—The limitation established by subsection (a) shall not apply to a report, data, or other information if the information contained in the report, data, or other information has been de-identified.

(2) DE-IDENTIFIED DEFINED.—In this subsection, the term "de-identified" means the process by which all information that is likely to establish the identity of the specific persons or entities submitting reports, data, or other information is removed from the reports, data, or other information.

(d) OTHER AGENCIES.—

(1) IN GENERAL.—The limitation established under subsection (a) shall apply to the head of any other Federal agency who receives reports, data, or other information described in such subsection from the Administrator.

(2) RULE OF CONSTRUCTION.—This section shall not be construed to limit the accident or incident investigation authority of the National Transportation Safety Board under chapter 11, including the requirement to not disclose voluntarily provided safety-related information under section 1114.

(Added Pub. L. 112–95, title III, §310(a), Feb. 14, 2012, 126 Stat. 64; amended Pub. L. 116–260, div. V, title I, §102(g), Dec. 27, 2020, 134 Stat. 2311; Pub. L. 118–63, title III, §305, May 16, 2024, 138 Stat. 1071.)

§44736. Organization designation authorizations

(a) DELEGATIONS OF FUNCTIONS.—

(1) IN GENERAL.—Except as provided in paragraph (3), when overseeing an ODA holder, the Administrator of the FAA shall—

(A) require, based on an application submitted by the ODA holder and approved by the Administrator (or the Administrator's designee), a procedures manual that addresses all procedures and limitations regarding the functions to be performed by the ODA holder; and

(B) conduct regular oversight activities by inspecting the ODA holder's delegated functions and taking action based on validated inspection findings.

(2) DUTIES OF ODA HOLDERS.—An ODA holder shall—

(A) perform each specified function delegated to the ODA holder in accordance with the approved procedures manual for the delegation;

(B) make the procedures manual available to each member of the appropriate ODA unit; and

(C) cooperate fully with oversight activities conducted by the Administrator in connection with the delegation.

(3) EXISTING ODA HOLDERS.—With regard to an ODA holder operating under a procedures manual approved by the Administrator before the date of enactment of the FAA Reauthorization Act of 2018, the Administrator shall conduct regular oversight activities by inspecting the ODA holder's delegated functions and taking action based on validated inspection findings.

(b) ODA OFFICE.—

(1) ESTABLISHMENT.—The Administrator of the FAA shall identify, within the FAA Office of Aviation Safety, a centralized policy office to be known as the Organization Designation Authorization Office or the ODA Office.

(2) PURPOSE.—The purpose of the ODA Office shall be to provide oversight and ensure the consistency of the FAA's audit functions under the ODA program across the FAA.

(3) FUNCTIONS.—The ODA Office shall—

(A)(i) require, as appropriate, an ODA holder to establish a corrective action plan to regain authority for any retained limitations;

(ii) require, as appropriate, an ODA holder to notify the ODA Office when all corrective actions have been accomplished; and

(iii) when appropriate, make a reassessment to determine if subsequent performance in carrying out any retained limitation warrants continued retention and, if such reassessment determines performance meets objectives, lift such limitation immediately;

(B) develop a more consistent approach to audit priorities, procedures, and training under the ODA program;

(C) review, in a timely fashion, a random sample of limitations on delegated authorities under

the ODA program to determine if the limitations are appropriate;

(D) ensure national consistency in the interpretation and application of the requirements of the ODA program, including any limitations, and in the performance of the ODA program;

(E) at the request of an ODA holder, review and, when appropriate, approve new limitations to ODA functions;

(F) ensure the ODA holders procedures manual contains procedures and policies based on best practices established by the Administrator; and

(G) convene a forum not less than every 2 years between ODA holders, unit members, and other organizational representatives and relevant experts, in order to—

(i) share best practices;

(ii) instill professionalism, ethics, and personal responsibilities in unit members; and

(iii) foster open and transparent communication between Administration safety specialists, ODA holders, and unit members.

(c) DEFINITIONS.—In this section, the following definitions apply:

(1) FAA.—The term "FAA" means the Federal Aviation Administration.

(2) ODA HOLDER.—The term "ODA holder" means an entity authorized to perform functions pursuant to a delegation made by the Administrator of the FAA under section 44702(d).

(3) ODA UNIT.—The term "ODA unit" means a group of 2 or more individuals who perform, under the supervision of an ODA holder, authorized functions under an ODA.

(4) ORGANIZATION.—The term "organization" means a firm, partnership, corporation, company, association, joint-stock association, or governmental entity.

(5) ORGANIZATION DESIGNATION AUTHORIZATION; ODA.—The term "Organization Designation Authorization" or "ODA" means an authorization by the FAA under section 44702(d) for an organization composed of 1 or more ODA units to perform approved functions on behalf of the FAA.

(d) AUDITS.—

(1) IN GENERAL.—The Administrator shall perform a periodic audit of each ODA unit and its procedures.

(2) DURATION.—An audit required under paragraph (1) shall be performed with respect to an ODA holder once every 7 years (or more frequently as determined appropriate by the Administrator).

(3) RECORDS.—The ODA holder shall maintain, for a period to be determined by the Administrator, a record of—

(A) each audit conducted under this subsection; and

(B) any corrective actions resulting from each such audit.

(e) FEDERAL AVIATION SAFETY ADVISORS.—

(1) IN GENERAL.—In the case of an ODA holder, the Administrator shall assign FAA aviation safety personnel with appropriate expertise to be advisors to the ODA unit members that are authorized to make findings of compliance on behalf of the Administrator. The advisors shall—

(A) communicate with assigned unit members on an ongoing basis to ensure that the assigned unit members are knowledgeable of relevant FAA policies and acceptable methods of compliance; and

(B) monitor the performance of the assigned unit members to ensure consistency with such policies.

(2) APPLICABILITY.—Paragraph (1) shall only apply to an ODA holder that is—

(A) a manufacturer that holds both a type and a production certificate for—

(i) transport category airplanes with a maximum takeoff gross weight greater than 150,000 pounds; or

(ii) airplanes produced and delivered to operators operating under part 121 of title 14, Code of Federal Regulations, for air carrier service under such part 121; or

(B) a manufacturer of engines for an airplane described in subparagraph (A).

(f) COMMUNICATION WITH THE FAA.—Neither the Administrator nor an ODA holder may prohibit—

(1) an ODA unit member from communicating with, or seeking the advice of, the Administrator or FAA staff; or

(2) the Administrator or FAA staff from communicating with an ODA unit member.

(g) ETHICS TRAINING REQUIREMENT FOR ODA HOLDERS.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this subsection, the Administrator of the Federal Aviation Administration shall review and ensure each ODA holder authorized by the Administrator under section 44702(d) has in effect a recurrent training program for all ODA unit members that covers—

(A) unit member professional obligations and responsibilities;

(B) the ODA holder's code of ethics as required to be established under section 102(f) of the Aircraft Certification, Safety, and Accountability Act (49 U.S.C. 44701 note);

(C) procedures for reporting safety concerns, as described in the respective approved procedures manual for the delegation;

(D) the prohibition against and reporting procedures for interference from a supervisor or other ODA member described in section 44742; and

(E) any additional information the Administrator considers relevant to maintaining ethical and professional standards across all ODA holders and unit members.

(2) FAA REVIEW.—

(A) REVIEW OF TRAINING PROGRAM.—The Organization Designation Authorization Office of the Administration established under subsection (b) shall review each ODA holders' recurrent training program to ensure such program includes—

(i) all elements described in paragraph (1); and

(ii) training to instill professionalism and clear understanding among ODA unit members about the purpose of and procedures associated with safety management systems, including the provisions of the third edition of the Safety Management Manual issued by the International Civil Aviation Organization (Doc 9859) (or any successor edition).

(B) CHANGES TO PROGRAM.—Such Office may require changes to the training program considered necessary to maintain ethical and professional standards across all ODA holders and unit members.

(3) TRAINING.—As part of the recurrent training program required under paragraph (1), not later than 60 business days after being designated as an ODA unit member, and annually thereafter, each ODA unit member shall complete the ethics training required by the ODA holder of the respective ODA unit member in order to exercise the functions delegated under the ODA.

(4) ACCOUNTABILITY.—The Administrator shall establish such processes or requirements as are necessary to ensure compliance with paragraph (3).

STATUTORY NOTES AND RELATED SUBSIDIARIES

ODA UNIT MEMBER ANNUAL ETHICS TRAINING DEADLINE

Pub. L. 118–63, title III, §304(b), May 16, 2024, 138 Stat. 1071, provided that: "An ODA unit member authorized to perform delegated functions under an ODA prior to the date of completion of an ethics training

required under section 44736(g) of title 49, United States Code, shall complete such training not later than 60 days after the training program is approved by the Administrator [of the Federal Aviation Administration] pursuant to such section."

EXPERT REVIEW OF ORGANIZATION DESIGNATION AUTHORIZATIONS FOR TRANSPORT AIRPLANES

Pub. L. 116–260, div. V, title I, §103, Dec. 27, 2020, 134 Stat. 2311, provided that:

"(a) EXPERT REVIEW.—

"(1) ESTABLISHMENT.—Not later than 30 days after the date of enactment of this title [Dec. 27, 2020], the Administrator shall convene an expert panel (in this section referred to as the 'review panel') to review and make findings and recommendations on the matters listed in paragraph (2).

"(2) CONTENTS OF REVIEW.—With respect to each holder of an organization designation authorization for the design and production of transport airplanes, the review panel shall review the following:

"(A) The extent to which the holder's safety management processes promote or foster a safety culture consistent with the principles of the International Civil Aviation Organization Safety Management Manual, Fourth Edition (International Civil Aviation Organization Doc. No. 9859) or any similar successor document.

"(B) The effectiveness of measures instituted by the holder to instill, among employees and contractors of such holder that support organization designation authorization functions, a commitment to safety above all other priorities.

"(C) The holder's capability, based on the holder's organizational structures, requirements applicable to officers and employees of such holder, and safety culture, of making reasonable and appropriate decisions regarding functions delegated to the holder pursuant to the organization designation authorization.

"(D) Any other matter determined by the Administrator for which inclusion in the review would be consistent with the public interest in aviation safety.

"(3) COMPOSITION OF REVIEW PANEL.—The review panel shall consist of—

"(A) 2 representatives of the National Aeronautics and Space Administration;

"(B) 2 employees of the Administration's Aircraft Certification Service with experience conducting oversight of persons not involved in the design or production of transport airplanes;

"(C) 1 employee of the Administration's Aircraft Certification Service with experience conducting oversight of persons involved in the design or production of transport airplanes;

"(D) 2 employees of the Administration's Flight Standards Service with experience in oversight of safety management systems;

"(E) 1 appropriately qualified representative, designated by the applicable represented organization, of each of—

"(i) a labor union representing airline pilots involved in both passenger and all-cargo operations;

"(ii) a labor union, not selected under clause (i), representing airline pilots with expertise in the matters described in paragraph (2);

"(iii) a labor union representing employees engaged in the assembly of transport airplanes;

"(iv) the certified bargaining representative under section 7111 of title 5, United States Code, for field engineers engaged in the audit or oversight of an organization designation authorization within the Aircraft Certification Service of the Administration;

"(v) the certified bargaining representative for safety inspectors of the Administration; and

"(vi) a labor union representing employees engaged in the design of transport airplanes;

"(F) 2 independent experts who have not served as a political appointee in the Administration and—

"(i) who hold either a baccalaureate or postgraduate degree in the field of aerospace engineering or a related discipline; and

"(ii) who have a minimum of 20 years of relevant applied experience;

"(G) 4 air carrier employees whose job responsibilities include administration of a safety management system;

"(H) 4 individuals representing 4 different holders of organization designation authorizations, with preference given to individuals representing holders of organization designation authorizations for the design or production of aircraft other than transport airplanes or for the design or production of aircraft engines, propellers, or appliances; and

"(I) 1 individual holding a law degree and who has expertise in the legal duties of a holder of an organization designation authorization and the interaction with the FAA, except that such individual may not, within the 10-year period preceding the individual's appointment, have been employed by, or provided legal services to, the holder of an organization designation authorization referenced in paragraph (2).

"(4) RECOMMENDATIONS.—The review panel shall make recommendations to the Administrator regarding suggested actions to address any deficiencies found after review of the matters listed in paragraph (2).

"(5) REPORT.—

"(A) SUBMISSION.—Not later than 270 days after the date of the first meeting of the review panel, the review panel shall transmit to the Administrator and the congressional committees of jurisdiction a report containing the findings and recommendations of the review panel regarding the matters listed in paragraph (2), except that such report shall include—

"(i) only such findings endorsed by 10 or more individual members of the review panel; and

"(ii) only such recommendations described in paragraph (4) endorsed by 18 or more of the individual members of the review panel.

"(B) DISSENTING VIEWS.—In submitting the report required under this paragraph, the review panel shall append to such report the dissenting views of any individual member or group of members of the review panel regarding the findings or recommendations of the review panel.

"(C) PUBLICATION.—Not later than 5 days after receiving the report under subparagraph (A), the Administrator shall publish such report, including any dissenting views appended to the report, on the website of the Administration.

"(D) TERMINATION.—The review panel shall terminate upon submission of the report under subparagraph (A).

"(6) ADMINISTRATIVE PROVISIONS.—

"(A) ACCESS TO INFORMATION.—The review panel shall have authority to perform the following actions if a majority of the total number of review panel members consider each action necessary and appropriate:

"(i) Entering onto the premises of a holder of an organization designation authorization referenced in paragraph (2) for access to and inspection of records or other purposes.

"(ii) Notwithstanding any other provision of law, accessing and inspecting unredacted records directly necessary for the completion of the panel's work under this section that are in the possession of such holder of an organization designation authorization or the Administration.

"(iii) Interviewing employees of such holder of an organization designation authorization or the Administration as necessary for the panel to complete its work.

"(B) DISCLOSURE OF FINANCIAL INTERESTS.—Each individual serving on the review panel shall disclose to the Administrator any financial interest held by such individual, or a spouse or dependent of such individual, in a business enterprise engaged in the design or production of transport airplanes, aircraft engines designed for transport airplanes, or major systems, components, or parts thereof.

"(C) PROTECTION OF PROPRIETARY INFORMATION; TRADE SECRETS.—

"(i) MARKING.—The custodian of a record accessed under subparagraph (A) may mark such record as proprietary or containing a trade secret. A marking under this subparagraph shall not be dispositive with respect to whether such record contains any information subject to legal protections from public disclosure.

"(ii) NONDISCLOSURE FOR NON-FEDERAL GOVERNMENT PARTICIPANTS.—

"(I) NON-FEDERAL GOVERNMENT PARTICIPANTS.—Prior to participating on the review panel, each individual serving on the review panel representing a non-Federal entity, including a labor union, shall execute an agreement with the Administrator in which the individual shall be prohibited from disclosing at any time, except as required by law, to any person, foreign or domestic, any non-public information made accessible to the panel under subparagraph (A).

"(II) FEDERAL EMPLOYEE PARTICIPANTS.—Federal employees serving on the review panel as representatives of the Federal Government and who are required to protect proprietary information and trade secrets under section 1905 of title 18, United States Code, shall not be required to execute agreements under this subparagraph.

"(iii) PROTECTION OF VOLUNTARILY SUBMITTED SAFETY INFORMATION .—Information subject to protection from disclosure by the Administration in accordance with sections 40123 and 44735 of title 49, United States Code, is deemed voluntarily submitted to the

Administration under such sections when shared with the review panel and retains its protection from disclosure (including protection under section 552(b)(3) of title 5, United States Code). The custodian of a record subject to such protection may mark such record as subject to statutory protections. A marking under this subparagraph shall not be dispositive with respect to whether such record contains any information subject to legal protections from public disclosure. Members of the review panel will protect voluntarily submitted safety information and other otherwise exempt information to the extent permitted under applicable law.

"(iv) PROTECTION OF PROPRIETARY INFORMATION AND TRADE SECRETS .—Members of the review panel will protect proprietary information, trade secrets, and other otherwise exempt information to the extent permitted under applicable law.

"(v) RESOLVING CLASSIFICATION OF INFORMATION.—If the review panel and a holder of an organization designation authorization subject to review under this section disagree as to the proper classification of information described in this subparagraph, then an employee of the Administration who is not a political appointee shall determine the proper classification of such information and whether such information will be withheld, in part or in full, from release to the public.

"(D) APPLICABLE LAW.—Public Law 92–463 [Federal Advisory Committee Act, see 5 U.S.C. 1001 et seq.] shall not apply to the panel established under this subsection.

"(E) FINANCIAL INTEREST DEFINED.—In this paragraph, the term 'financial interest'—

"(i) excludes securities held in an index fund; and

"(ii) includes—

"(I) any current or contingent ownership, equity, or security interest;

"(II) an indebtedness or compensated employment relationship; or

"(III) any right to purchase or acquire any such interest, including a stock option or commodity future.

"(b) FAA AUTHORITY.—

"(1) IN GENERAL.—After reviewing the findings of the review panel submitted under subsection (a)(5), the Administrator may limit, suspend, or terminate an organization designation authorization subject to review under this section.

"(2) REINSTATEMENT.—The Administrator may condition reinstatement of a limited, suspended, or terminated organization designation authorization on the holder's implementation of any corrective actions determined necessary by the Administrator.

"(3) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to limit the Administrator's authority to take any action with respect to an organization designation authorization, including limitation, suspension, or termination of such authorization.

"(c) ORGANIZATION DESIGNATION AUTHORIZATION PROCESS IMPROVEMENTS.—Not later than 1 year after receipt of the recommendations submitted under subsection (a)(5), the Administrator shall report to the congressional committees of jurisdiction on—

"(1) whether the Administrator has concluded that such holder is able to safely and reliably perform all delegated functions in accordance with all applicable provisions of chapter 447 of title 49, United States Code, title 14, Code of Federal Regulations, and other orders or requirements of the Administrator, and, if not, the Administrator shall outline—

"(A) the risk mitigations or other corrective actions, including the implementation timelines of such mitigations or actions, the Administrator has established for or required of such holder as prerequisites for a conclusion by the Administrator under this paragraph; or

"(B) the status of any ongoing investigatory actions;

"(2) the status of implementation of each of the recommendations of the review panel, if any, with which the Administrator concurs;

"(3) the status of procedures under which the Administrator will conduct focused oversight of such holder's processes for performing delegated functions with respect to the design of new and derivative transport airplanes and the production of such airplanes; and

"(4) the Administrator's efforts, to the maximum extent practicable and subject to appropriations, to increase the number of engineers, inspectors, and other qualified technical experts, as necessary to fulfill the requirements of this section, in—

"(A) each office of the Administration responsible for dedicated oversight of such holder; and

"(B) the System Oversight Division, or any successor division, of the Aircraft Certification Service.

"(d) NON-CONCURRENCE WITH RECOMMENDATIONS.—Not later than 6 months after receipt of the recommendations submitted under subsection (a)(5), with respect to each recommendation of the review panel

with which the Administrator does not concur, if any, the Administrator shall publish on the website of the Administration and submit to the congressional committees of jurisdiction a detailed explanation as to why, including if the Administrator believes implementation of such recommendation would not improve aviation safety."

[For definitions of terms used in section 103 of div. V of Pub. L. 116–260, set out above, see section 137 of div. V of Pub. L. 116–260, set out as a note under section 40101 of this title.]

ODA REVIEW

Pub. L. 115–254, div. B, title II, §213, Oct. 5, 2018, 132 Stat. 3249, as amended by Pub. L. 116–260, div. V, title I, §125(a), Dec. 27, 2020, 134 Stat. 2346, provided that:

"(a) ESTABLISHMENT OF EXPERT REVIEW PANEL.—

"(1) EXPERT PANEL.—Not later than 120 days after the dateof enactment of this Act [Oct. 5, 2018], the Administrator shall convene a multidisciplinary expert review panel (in this section referredto as the 'Panel').

"(2) COMPOSITION OF PANEL.—

"(A) APPOINTMENT OF MEMBERS.—The Panel shall be composed of not more than 20 members appointed by the Administrator.

"(B) QUALIFICATIONS.—The members appointed to the Panel shall—

"(i) each have a minimum of 5 years of experience in processes and procedures under the ODA program; and

"(ii) represent, at a minimum, ODA holders, aviation manufacturers, safety experts, and FAA labor organizations, including labor representatives of FAA aviation safety inspectors and aviation safety engineers.

"(b) SURVEY.—The Panel shall conduct a survey of ODA holders and ODA program applicants to document and assess FAA certification and oversight activities, including use of the ODA program and the timeliness and efficiency of the certification process. In carrying out this subsection, the Panel shall consult with appropriate survey experts to best design and conduct the survey.

"(c) BEST PRACTICES REVIEW.—In addition to conducting the survey required under subsection (b), the Panel shall conduct a review of a sampling of ODA holders to identify and develop best practices. At a minimum, the best practices shall address preventing and deterring instances of undue pressure on or by an ODA unit member, within an ODA, or by an ODA holder, or failures to maintain independence between the FAA and an ODA holder or an ODA unit member. In carrying out such review, the Panel shall—

"(1) examine other government regulated industries to gather lessons learned, procedures, or processes that address undue pressure of employees, perceived regulatory coziness, or other failures to maintain independence;

"(2) identify ways to improve communications between an ODA Administrator, ODA unit members, and FAA engineers and inspectors, consistent with section 44736(g) of title 49, United States Code, in order to enable direct communication of technical concerns that arise during a certification project without fear of reprisal to the ODA Administrator or ODA unit member; and

"(3) examine FAA designee programs, including the assignment of FAA advisors to designees, to determine which components of the program may improve the FAA's oversight of ODA units, ODA unit members, and the ODA program.

"(d)ASSESSMENT AND RECOMMENDATIONS.—The Panel shall assess and make recommendations concerning—

"(1) the FAA's processes and procedures under the ODA program and whether the processes and procedures function as intended;

"(2) the best practices of and lessons learned by ODA holders and FAA personnel who provide oversight of ODA holders;

"(3) training activities related to the ODA program for FAApersonnel and ODA holders;

"(4) the impact, if any, that oversight of the ODA programhas on FAA resources and the FAA's ability to process applicationsfor certifications outside of the ODA program;

"(5) the results of the survey conducted under subsection(b); and

"(6) the results of the review conducted under subsection (c).

"(e) REPORT.—Not later than 180 days after the date the Panel is convened under subsection (a), the Panel shall submit to the Administrator, the Advisory Committee, and the appropriate committees of Congress a report on the findings and recommendations of the Panel.

"(f) DEFINITIONS.—The definitions contained in section 44736 of title 49, United States Code, as added by this Act, apply to this section.

"(g) APPLICABLE LAW.—Public Law 92–463 [Federal Advisory Committee Act, see 5 U.S.C. 1001 et seq.] shall not apply to the Panel.

"(h) BEST PRACTICES ADOPTION.—

"(1) IN GENERAL.—Not later than 180 days after the date on which the Administrator receives the report required under subsection (e), the Administrator shall establish best practices that are generally applicable to all ODA holders and require such practices to be incorporated, as appropriate, into each ODA holder's approved procedures manual.

"(2) NOTICE AND COMMENT PERIOD.—The Administrator shall publish the established best practices for public notice and comment for not fewer than 60 days prior to requiring the practices, as appropriate, be incorporated into each ODA holder's approved procedures manual.

"(i) SUNSET.—The Panel shall terminate on the earlier of—

"(1) the date of submission of the report under subsection (e); or

"(2) the date that is 2 years after the date on which the Panel is first convened under subsection (a)."

§44737. Helicopter fuel system safety

(a) PROHIBITION.—

(1) IN GENERAL.—A person may not operate a covered helicopter in United States airspace unless the design of the helicopter is certified by the Administrator of the Federal Aviation Administration to—

(A) comply with the requirements applicable to the category of the helicopter under paragraphs (1), (2), (3), (5), and (6) of section 27.952(a), section 27.952(c), section 27.952(f), section 27.952(g), section 27.963(g) (but allowing for a minimum puncture force of 250 pounds if successfully drop tested in-structure), and section 27.975(b) or paragraphs (1), (2), (3), (5), and (6) of section 29.952(a), section 29.952(c), section 29.952(f), section 29.952(g), section 29.963(b) (but allowing for a minimum puncture force of 250 pounds if successfully drop tested in-structure), and 29.975(a)(7) of title 14, Code of Federal Regulations, as in effect on the date of enactment of this section; or

(B) employ other means acceptable to the Administrator to provide an equivalent level of fuel system crash resistance.

(2) COVERED HELICOPTER DEFINED.—In this subsection, the term "covered helicopter" means a helicopter not otherwise required to comply with section 27.952, section 27.963, and section 27.975, or section 29.952, section 29.963, and section 29.975 of title 14, Code of Federal Regulations as in effect on the date of enactment of this section for which manufacture was completed, as determined by the Administrator, on or after the date that is 18 months after the date of enactment of this section.

(b) ADMINISTRATIVE PROVISIONS.—The Administrator shall—

(1) expedite the certification and validation of United States and foreign type designs and retrofit kits that improve fuel system crashworthiness; and

(2) not later than 180 days after the date of enactment of this section, and periodically thereafter, issue a bulletin to—

(A) inform helicopter owners and operators of available modifications to improve fuel system crashworthiness; and

(B) urge that such modifications be installed as soon as practicable.

(c) RULE OF CONSTRUCTION.—Nothing in this section may be construed to affect the operation of a helicopter by the Department of Defense.

(d) EXCEPTION.—A helicopter issued an experimental certificate under section 21.191 of title 14, Code of Federal Regulations (or any successor regulations), or operating under a Special Flight Permit issued under section 21.197 of title 14, Code of Federal Regulations (or any successor regulations), is excepted from the requirements of this section.

(Added Pub. L. 115–254, div. B, title III, §317(a), Oct. 5, 2018, 132 Stat. 3268; amended Pub. L.

CRASH-RESISTANT FUEL SYSTEMS IN ROTORCRAFT

Pub. L. 118–63, title III, §320, May 16, 2024, 138 Stat. 1082, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall task the Aviation Rulemaking Advisory Committee to—

"(1) review the data analysis conducted and the recommendations developed by the Aviation Rulemaking Advisory Committee Rotorcraft Occupant Protection Working Group of the Administration;

"(2) update the 2018 report of such working group on rotorcraft occupant protection by—

"(A) reviewing National Transportation Safety Board data from 2016 through 2023 on post-crash fires in helicopter accidents; and

"(B) determining whether and to what extent crash-resistant fuel systems could have prevented fatalities in the accidents covered by the data reviewed under subparagraph (A); and

"(3) develop recommendations for either the Administrator or the helicopter industry to encourage helicopter owners and operators to expedite the installation of crash-resistant fuel systems in the aircraft of such owners and operators regardless of original certification and manufacture date.

"(b) SCHEDULE.—

"(1) DEADLINE.—Not later than 18 months after the Administrator tasks the Aviation Rulemaking Advisory Committee under subsection (a), the Committee shall submit the recommendations developed under subsection (a)(2) to the Administrator.

"(2) IMPLEMENTATION.—If applicable, and not later than 180 days after receiving the recommendations under paragraph (1), the Administrator shall—

"(A) begin implementing, as appropriate, any safety recommendations the Administrator receives from the Aviation Rulemaking Advisory Committee, and brief the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] on any recommendations the Administrator does not implement; and

"(B) partner with the United States Helicopter Safety Team, as appropriate, to facilitate implementation of any recommendations for the helicopter industry pursuant to subsection (a)(2)."

§44738. Training on human trafficking for certain staff

In addition to other training requirements, each air carrier shall provide training to ticket counter agents, gate agents, and other air carrier workers whose jobs require regular interaction with passengers on recognizing and responding to potential human trafficking victims.

STATUTORY NOTES AND RELATED SUBSIDIARIES

AIRPORT HUMAN TRAFFICKING PREVENTION GRANTS

Pub. L. 118–63, title VII, §774A, May 16, 2024, 138 Stat. 1299, provided that:

"(a) IN GENERAL.—The Secretary [of Transportation] shall establish a grant program to provide grants to airports described in subsection (b)(1) to address human trafficking awareness, education, and prevention efforts, including by—

"(1) coordinating human trafficking prevention efforts across multimodal transportation operations within a community; and

"(2) accomplishing the best practices and recommendations provided by the Department of Transportation Advisory Committee on Human Trafficking.

"(b) DISTRIBUTION.—

"(1) IN GENERAL.—The Secretary shall distribute amounts made available for grants under this section to—

"(A) the 75 airports in the United States with the highest number of passenger enplanements annually, based on the most recent data available; and

"(B) as the Secretary determines to be appropriate, an airport not described in subparagraph (A) that serves an area with a high prevalence of human trafficking, on application of the airport.

"(2) PRIORITY; CONSIDERATIONS.—In distributing amounts made available for grants under this section, the Secretary shall—

"(A) give priority in grant amounts to airports referred to in paragraph (1) that serve regions with a higher prevalence of human trafficking; and

"(B) take into consideration the effect the amounts would have on surrounding areas.

"(3) CONSULTATION.—In distributing amounts made available for grants under this section, the Secretary shall consult with the Department of Transportation Advisory Committee on Human Trafficking in determining the amounts to be distributed to each grant recipient to ensure the best use of the funds.

"(c) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary to carry out this section $10,000,000 for each of fiscal years 2025 through 2028."

§44739. Pets on airplanes

(a) PROHIBITION.—It shall be unlawful for any person to place a live animal in an overhead storage compartment of an aircraft operated under part 121 of title 14, Code of Federal Regulations.

(b) CIVIL PENALTY.—The Administrator may impose a civil penalty under section 46301 for each violation of this section.

(Added Pub. L. 115–254, div. B, title IV, §417(a), Oct. 5, 2018, 132 Stat. 3334.)

§44740. Special rule for certain aircraft operations

(a) IN GENERAL.—The operator of an aircraft with a special airworthiness certification in the experimental category may—

(1) operate the aircraft for the purpose of conducting a space support vehicle flight (as that term is defined in section 50902 of title 51); and

(2) conduct such flight under such certificate carrying persons or property for compensation or hire—

(A) notwithstanding any rule or term of a certificate issued by the Administrator of the Federal Aviation Administration that would prohibit flight for compensation or hire; or

(B) without obtaining a certificate issued by the Administrator to conduct air carrier or commercial operations.

(b) LIMITED APPLICABILITY.—Subsection (a) shall apply only to a space support vehicle flight that satisfies each of the following:

(1) The aircraft conducting the space support vehicle flight—

(A) takes flight and lands at a single site that is operated by an entity licensed for operation under chapter 509 of title 51;

(B) is owned or operated by a launch or reentry vehicle operator licensed under chapter 509

of title 51, or on behalf of a launch or reentry vehicle operator licensed under chapter 509 of title 51;

(C) is a launch vehicle, a reentry vehicle, or a component of a launch or reentry vehicle licensed for operations pursuant to chapter 509 of title 51; and

(D) is used only to simulate space flight conditions in support of—

(i) training for potential space flight participants, government astronauts, or crew (as those terms are defined in chapter 509 of title 51);

(ii) the testing of hardware to be used in space flight; or

(iii) research and development tasks, which require the unique capabilities of the aircraft conducting the flight.

(c) RULES OF CONSTRUCTION.—

(1) SPACE SUPPORT VEHICLES.—Section 44711(a)(1) shall not apply to a person conducting a space support vehicle flight under this section only to the extent that a term of the experimental certificate under which the person is operating the space support vehicle prohibits the carriage of persons or property for compensation or hire.

(2) AUTHORITY OF ADMINISTRATOR.—Nothing in this section shall be construed to limit the authority of the Administrator of the Federal Aviation Administration to exempt a person from a regulatory prohibition on the carriage of persons or property for compensation or hire subject to terms and conditions other than those described in this section.

§44741. Approval of organization designation authorization unit members

(a) IN GENERAL.—Beginning January 1, 2022, each individual who is selected on or after such date to become an ODA unit member by an ODA holder engaged in the design of an aircraft, aircraft engine, propeller, or appliance and performs an authorized function pursuant to a delegation by the Administrator of the Federal Aviation Administration under section 44702(d)—

(1) shall be—

(A) an employee, a contractor, or a consultant of the ODA holder; or

(B) the employee of a supplier of the ODA holder; and

(2) may not become a member of such unit unless approved by the Administrator pursuant to this section.

(b) PROCESS AND TIMELINE.—

(1) IN GENERAL.—The Administrator shall maintain an efficient process for the review and approval of an individual to become an ODA unit member under this section.

(2) PROCESS.—An ODA holder described in subsection (a) may submit to the Administrator an application for an individual to be approved to become an ODA unit member under this section. The application shall be submitted in such form and manner as the Administrator determines appropriate. The Administrator shall require an ODA holder to submit with such an application information sufficient to demonstrate an individual's qualifications under subsection (c).

(3) TIMELINE.—The Administrator shall approve or reject an individual that is selected by an ODA holder to become an ODA unit member under this section not later than 30 days after the receipt of an application by an ODA holder.

(4) DOCUMENTATION OF APPROVAL.—Upon approval of an individual to become an ODA unit member under this section, the Administrator shall provide such individual a letter confirming that such individual has been approved by the Administrator under this section to be an ODA unit member.

(5) REAPPLICATION.—An ODA holder may submit an application under this subsection for an individual to become an ODA unit member under this section regardless of whether an application for such individual was previously rejected by the Administrator.

(c) QUALIFICATIONS.—

(1) IN GENERAL.—The Administrator shall issue minimum qualifications for an individual to become an ODA unit member under this section. In issuing such qualifications, the Administrator shall consider existing qualifications for Administration employees with similar duties and whether such individual—

(A) is technically proficient and qualified to perform the authorized functions sought;

(B) has no recent record of serious enforcement action, as determined by the Administrator, taken by the Administrator with respect to any certificate, approval, or authorization held by such individual;

(C) is of good moral character (as such qualification is applied to an applicant for an airline transport pilot certificate issued under section 44703);

(D) possesses the knowledge of applicable design or production requirements in this chapter and in title 14, Code of Federal Regulations, necessary for performance of the authorized functions sought;

(E) possesses a high degree of knowledge of applicable design or production principles, system safety principles, or safety risk management processes appropriate for the authorized functions sought; and

(F) meets such testing, examination, training, or other qualification standards as the Administrator determines are necessary to ensure the individual is competent and capable of performing the authorized functions sought.

(2) PREVIOUSLY REJECTED APPLICATION.—In reviewing an application for an individual to become an ODA unit member under this section, if an application for such individual was previously rejected, the Administrator shall ensure that the reasons for the prior rejection have been resolved or mitigated to the Administrator's satisfaction before making a determination on the individual's reapplication.

(d) RESCISSION OF APPROVAL.—The Administrator may rescind an approval of an individual as an ODA unit member granted pursuant to this section at any time and for any reason the Administrator considers appropriate. The Administrator shall develop procedures to provide for notice and opportunity to appeal rescission decisions made by the Administrator. Such decisions by the Administrator are not subject to judicial review.

(e) CONDITIONAL SELECTIONS.—

(1) IN GENERAL.—Subject to the requirements of this subsection, the Administrator may authorize an ODA holder to conditionally designate an individual to perform the functions of an ODA unit member for a period of not more than 30 days (beginning on the date an application for such individual is submitted under subsection (b)(2)).

(2) REQUIRED DETERMINATION.—The Administrator may not make an authorization under paragraph (1) unless—

(A) the ODA holder has instituted, to the Administrator's satisfaction, systems and processes to ensure the integrity and reliability of determinations by conditionally-designated ODA unit members; and

(B) the ODA holder has instituted a safety management system in accordance with regulations issued by the Administrator under section 102 of the Aircraft Certification, Safety, and Accountability Act.

(3) FINAL DETERMINATION.—The Administrator shall approve or reject the application for an individual designated under paragraph (1) in accordance with the timeline and procedures described in subsection (b).

(4) REJECTION AND REVIEW.—If the Administrator rejects the application submitted under subsection (b)(2) for an individual conditionally designated under paragraph (1), the Administrator shall review and approve or disapprove any decision pursuant to any authorized function performed by such individual during the period such individual served as a conditional designee.

(5) PROHIBITIONS.—Notwithstanding the requirements of paragraph (2), the Administrator may prohibit an ODA holder from making conditional designations of individuals as ODA unit members under this subsection at any time for any reason the Administrator considers appropriate. The Administrator may prohibit any conditionally designated individual from performing an authorized function at any time for any reason the Administrator considers appropriate.

(f) RECORDS AND BRIEFINGS.—

(1) IN GENERAL.—Beginning on the date described in subsection (a), an ODA holder shall maintain, for a period to be determined by the Administrator and with proper protections to ensure the security of sensitive and personal information—

(A) any data, applications, records, or manuals required by the ODA holder's approved

procedures manual, as determined by the Administrator;

(B) the names, responsibilities, qualifications, and example signature of each member of the ODA unit who performs an authorized function pursuant to a delegation by the Administrator under section 44702(d);

(C) training records for ODA unit members and ODA administrators; and

(D) any other data, applications, records, or manuals determined appropriate by the Administrator.

(2) CONGRESSIONAL BRIEFING.—The Administrator shall provide biannual briefings each fiscal year through September 30, 2028 to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the implementation and effects of this section, including—

(A) the Administration's performance in completing reviews of individuals and approving or denying such individuals within the timeline required under subsection (b)(3);

(B) for any individual rejected by the Administrator under subsection (b) during the preceding 6-month period, the reasoning or basis for such rejection; and

(C) any resource, staffing, or other challenges within the Administration associated with implementation of this section.

(g) SPECIAL REVIEW OF QUALIFICATIONS.—

(1) IN GENERAL.—Not later than 30 days after the issuance of minimum qualifications under subsection (c), the Administrator shall initiate a review of the qualifications of each individual who on the date on which such minimum qualifications are issued is an ODA unit member of a holder of a type certificate for a transport airplane to ensure such individual meets the minimum qualifications issued by the Administrator under subsection (c).

(2) UNQUALIFIED INDIVIDUAL.—For any individual who is determined by the Administrator not to meet such minimum qualifications pursuant to the review conducted under paragraph (1), the Administrator—

(A) shall determine whether the lack of qualification may be remedied and, if so, provide such individual with an action plan or schedule for such individual to meet such qualifications; or

(B) may, if the Administrator determines the lack of qualification may not be remedied, take appropriate action, including prohibiting such individual from performing an authorized function.

(3) DEADLINE.—The Administrator shall complete the review required under paragraph (1) not later than 18 months after the date on which such review was initiated.

(4) SAVINGS CLAUSE.—An individual approved to become an ODA unit member of a holder of a type certificate for a transport airplane under subsection (a) shall not be subject to the review under this subsection.

(h) PROHIBITION.—The Administrator may not authorize an organization or ODA holder to approve an individual selected by an ODA holder to become an ODA unit member under this section.

(i) DEFINITIONS.—

(1) GENERAL APPLICABILITY.—The definitions contained in section 44736(c) shall apply to this section.

(2) TRANSPORT AIRPLANE.—The term "transport airplane" means a transport category airplane designed for operation by an air carrier or foreign air carrier type-certificated with a passenger seating capacity of 30 or more or an all-cargo or combi derivative of such an airplane.

(j) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section $3,000,000 for each of fiscal years 2021 through 2028.

(Added Pub. L. 116–260, div. V, title I, §107(a), Dec. 27, 2020, 134 Stat. 2320; amended Pub. L. 118–63, title III, §306(a), May 16, 2024, 138 Stat. 1071.)

Section 102 of the Aircraft Certification, Safety, and Accountability Act, referred to in subsec. (e)(2)(B), is section 102 of title I of Pub. L. 116–260, div. V, Dec. 27, 2020, 134 Stat. 2309. Section 102(a)–(f) of Pub. L. 116–260 is set out as a note under section 44701 of this title, and section 102(g) of Pub. L. 116–260 amended section 44735 of this title.

AMENDMENTS

2024—Subsec. (f)(2). Pub. L. 118–63, §306(a)(1)(A), substituted "The Administrator shall provide biannual briefings each fiscal year through September 30, 2028" for "Not later than 90 days after the date of enactment of this section, and every 90 days thereafter through September 30, 2023, the Administrator shall provide a briefing" in introductory provisions.

Subsec. (f)(2)(B). Pub. L. 118–63, §306(a)(1)(B), substituted "6-month period" for "90-day period".

Subsec. (j). Pub. L. 118–63, §306(a)(2), substituted "2028" for "2023".

§44742. Interference with the duties of organization designation authorization unit members

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall continuously seek to eliminate or minimize interference by an ODA holder that affects the performance of authorized functions by ODA unit members.

(b) PROHIBITION.—

(1) IN GENERAL.—It shall be unlawful for any individual who is a supervisory employee of an ODA holder that manufactures a transport category airplane to commit an act of interference with an ODA unit member's performance of authorized functions.

(2) CIVIL PENALTY.—

(A) INDIVIDUALS.—An individual shall be subject to a civil penalty under section 46301(a)(1) for each violation under paragraph (1).

(B) SAVINGS CLAUSE.—Nothing in this paragraph shall be construed as limiting or constricting any other authority of the Administrator to pursue an enforcement action against an individual or organization for violation of applicable Federal laws or regulations of the Administration.

(c) REPORTING.—

(1) REPORTS TO ODA HOLDER.—An ODA unit member of an ODA holder that manufactures a transport category airplane shall promptly report any instances of interference to the office of the ODA holder that is designated to receive such reports.

(2) REPORTS TO THE FAA.—

(A) IN GENERAL.—The ODA holder office described in paragraph (1) shall investigate reports and submit to the office of the Administration designated by the Administrator to accept and review such reports any instances of interference reported under paragraph (1).

(B) CONTENTS.—The Administrator shall prescribe parameters for the submission of reports to the Administration under this paragraph, including the manner, time, and form of submission. Such report shall include the results of any investigation conducted by the ODA holder in response to a report of interference, a description of any action taken by the ODA holder as a result of the report of interference, and any other information or potentially mitigating factors the ODA holder or the Administrator deems appropriate.

(d) DEFINITIONS.—

(1) GENERAL APPLICABILITY.—The definitions contained in section 44736(c) shall apply

to this section.

(2) INTERFERENCE.—In this section, the term "interference" means—

(A) blatant or egregious statements or behavior, such as harassment, beratement, or threats, that a reasonable person would conclude was intended to improperly influence or prejudice an ODA unit member's performance of his or her duties; or

(B) the presence of non-ODA unit duties or activities that conflict with the performance of authorized functions by ODA unit members.

(Added Pub. L. 116–260, div. V, title I, §107(a), Dec. 27, 2020, 134 Stat. 2323.)

§44743. Pilot training requirements

(a) IN GENERAL.—

(1) ADMINISTRATOR'S DETERMINATION.—In establishing any pilot training requirements with respect to a new transport airplane, the Administrator of the Federal Aviation Administration shall independently review any proposal by the manufacturer of such airplane with respect to the scope, format, or minimum level of training required for operation of such airplane.

(2) ASSURANCES AND MARKETING REPRESENTATIONS.—Before the Administrator has established applicable training requirements, an applicant for a new or amended type certificate for an airplane described in paragraph (1) may not, with respect to the scope, format, or magnitude of pilot training for such airplane—

(A) make any assurance or other contractual commitment, whether verbal or in writing, to a potential purchaser of such airplane unless a clear and conspicuous disclaimer (as defined by the Administrator) is included regarding the status of training required for operation of such airplane; or

(B) provide financial incentives (including rebates) to a potential purchaser of such airplane regarding the scope, format, or magnitude of pilot training for such airplane.

(b) PILOT RESPONSE TIME.—Beginning on the day after the date on which regulations are issued under section 119(c)(6) of the Aircraft Certification, Safety, and Accountability Act, the Administrator may not issue a new or amended type certificate for an airplane described in subsection (a) unless the applicant for such certificate has demonstrated to the Administrator that the applicant has accounted for realistic assumptions regarding the time for pilot responses to non-normal conditions in designing the systems and instrumentation of such airplane. Such assumptions shall—

(1) be based on test data, analysis, or other technical validation methods; and

(2) account for generally accepted scientific consensus among experts in human factors regarding realistic pilot response time.

(c) DEFINITION.—In this section, the term "transport airplane" means a transport category airplane designed for operation by an air carrier or foreign air carrier type-certificated with a passenger seating capacity of 30 or more or an all-cargo or combi derivative of such an airplane.

(Added Pub. L. 116–260, div. V, title I, §119(a), Dec. 27, 2020, 134 Stat. 2338.)

Section 119(c) of the Aircraft Certification, Safety, and Accountability Act, referred to in subsec. (b), is section 119(c) of title I of Pub. L. 116–260, div. V, Dec. 27, 2020, 134 Stat. 2339, which is set out as a note under section 44704 of this title.

§44744. Flight crew alerting

(a) IN GENERAL.—Beginning on December 27, 2022, the Administrator may not issue a type certificate for a transport category airplane unless such airplane incorporates a flight crew alerting

system that, at a minimum—

(1) displays and differentiates among warnings, cautions, and advisories; and

(2) includes functions to assist the flight crew in prioritizing corrective actions and responding to systems failures.

(b) LIMITATION.—The prohibition in subsection (a) shall not apply to any application for an original or amended type certificate that was submitted to the Administrator prior to December 27, 2020.

(c) SAFETY ENHANCEMENTS.—

(1) RESTRICTION ON AIRWORTHINESS CERTIFICATE ISSUANCE.—Beginning on the date that is 1 year after the date on which the Administrator issues a type certificate for the Boeing 737-10, the Administrator may not issue an original airworthiness certificate for any Boeing 737 MAX aircraft unless the Administrator finds that the type design for the aircraft includes safety enhancements that have been approved by the Administrator.

(2) RESTRICTION ON OPERATION.—Beginning on the date that is 3 years after the date on which the Administrator issues a type certificate for the Boeing 737-10, no person may operate a Boeing 737 MAX aircraft unless—

(A) the type design for the aircraft includes safety enhancements approved by the Administrator; and

(B) the aircraft was—

(i) produced in conformance with such type design; or

(ii) altered in accordance with such type design.

(d) DEFINITIONS.—In this section:

(1) BOEING 737 MAX AIRCRAFT.—The term "Boeing 737 MAX aircraft" means any—

(A) Model 737 series aircraft designated as a 737-7, 737-8, 737-8200, 737-9, or 737-10; or

(B) other variant of a model described in subparagraph (A).

(2) SAFETY ENHANCEMENT.—The term "safety enhancement" means any design change to the flight crew alerting system approved by the Administrator for the Boeing 737-10, including—

(A) a—

(i) synthetic enhanced angle-of-attack system; and

(ii) means to shut off stall warning and overspeed alerts; or

(B) any design changes equivalent to subparagraph (A) determined appropriate by the Administrator.

COSTS OF SAFETY ENHANCEMENTS

Pub. L. 117–328, div. O, title V, §501(c), Dec. 29, 2022, 136 Stat. 5231, provided that: "Any costs associated with the safety enhancements required by section 44744 of title 49, United States Code, as added by subsection (a), shall be borne by the holder of the type certificate."

CONGRESSIONAL BRIEFINGS

Pub. L. 117–328, div. O, title V, §501(d), Dec. 29, 2022, 136 Stat. 5231, provided that: "Not later than March 1, 2023, and on a quarterly basis thereafter, the Administrator shall brief Congress on the status of—

"(1) the issuance of a type certificate for the Boeing 737-7 and 737-10, including any design enhancements, pilot procedures, or training requirements resulting from system safety assessments; and

"(2) the implementation of safety enhancements for Boeing 737 MAX aircraft, as required by section 44744 of title 49, United States Code, as added by subsection (a)."

§44745. Don Young Alaska Aviation Safety Initiative

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall redesignate the FAA Alaska Aviation Safety Initiative of the Administration as the Don Young Alaska Aviation Safety Initiative (in this section referred to as the "Initiative"), under which the Administrator shall carry out the provisions of this section and take such other actions as the Administrator determines appropriate to improve aviation safety in Alaska and covered locations.

(b) OBJECTIVE.—The objective of the Initiative shall be to work cooperatively with aviation stakeholders and other stakeholders towards the goal of—

(1) reducing the rate of fatal aircraft accidents in Alaska and covered locations by 90 percent from 2019 to 2033; and

(2) by January 1, 2033, eliminating fatal accidents of aircraft operated by an air carrier that operates under part 135 of title 14, Code of Federal Regulations.

(c) LEADERSHIP.—

(1) IN GENERAL.—The Administrator shall designate the Regional Administrator for the Alaskan Region of the Administration to serve as the Director of the Initiative.

(2) COVERED LOCATIONS.—The Administrator shall select a designee within the Aviation Safety Organization to implement relevant requirements of this section in covered locations.

(3) REPORTING CHAIN.—In all matters relating to the Initiative, the Director of the Initiative shall report directly to the Administrator.

(4) COORDINATION.—The Director of the Initiative shall coordinate with the heads of other offices and lines of business of the Administration, including the other regional administrators, to carry out the Initiative.

(d) AUTOMATED WEATHER SYSTEMS.—

(1) REQUIREMENT.—The Administrator shall ensure, to the greatest extent practicable, that a covered automated weather system is installed and operated at each covered airport not later than December 31, 2030.

(2) WAIVER.—In complying with the requirement under paragraph (1), the Administrator may waive any positive benefit-cost ratio requirement for the installation and operation of a covered automated weather system.

(3) PRIORITIZATION.—In developing the installation timeline of a covered automated weather system at a covered airport pursuant to this subsection, the Administrator shall—

(A) coordinate and consult with the governments with jurisdiction over Alaska and covered locations, covered airports, air carriers operating in Alaska or covered locations, private pilots based in Alaska or a covered location, and such other members of the aviation community in Alaska or covered locations; and

(B) prioritize early installation at covered airports that would enable the greatest number of instrument flight rule operations by air carriers operating under part 121 or 135 of title 14, Code of Federal Regulations.

(4) RELIABILITY.—

(A) IN GENERAL.—Pertaining to both Federal and non-Federal systems in Alaska, the Administrator shall be responsible for ensuring—

(i) the reliability of covered automated weather systems; and

(ii) the availability of weather information from such systems.

(B) SPECIFICATIONS.—The Administrator shall establish data availability and equipment reliability specifications for covered automated weather systems.

(C) SYSTEM RELIABILITY AND RESTORATION PLAN.—Not later than 2 years after the date of enactment of this section, the Administrator shall establish an automated weather

system reliability and restoration plan for Alaska. Such plan shall document the Administrator's strategy for ensuring covered automated weather system reliability, including the availability of weather information from such system, and for restoring service in as little time as possible.

(D) TELECOMMUNICATIONS OR OTHER FAILURES.—If a covered automated weather system in Alaska is unable to broadly disseminate weather information due to a telecommunications failure or a failure other than an equipment failure, the Administrator shall take such actions as may be necessary to restore the full functionality and connectivity of the covered automated weather system. The Administrator shall take actions under this subparagraph with the same urgency as the Administrator would take an action to repair a covered automated weather system equipment failure or data fidelity issue.

(E) RELIABILITY DATA.—In tabulating data relating to the operational status of covered automated weather systems (including individually or collectively), the Administrator may not consider a covered automated weather system that is functioning nominally but is unable to broadly disseminate weather information telecommunications failure or a failure other than an equipment failure as functioning reliably.

(5) INVENTORY.—

(A) MAINTENANCE IMPROVEMENTS.—

(i) IN GENERAL.—Not later than 18 months after the date of enactment of the FAA Reauthorization Act of 2024, the Administrator shall identify and implement reasonable alternative actions to improve maintenance of FAA-owned weather observing systems that experience frequent service outages, including associated surface communication outages, at covered airports.

(ii) SPARE PARTS AVAILABILITY.—The actions identified by the Administrator in clause (i) shall improve spare parts availability, including consideration of storage of more spare parts in the region in which the systems are located.

(B) NOTICE OF OUTAGES.—Not later than 18 months after the date of enactment of the FAA Reauthorization Act of 2024, the Administrator shall update FAA Order 7930.2 Notices to Air Missions, or any successive order, to incorporate weather system outages for automated weather observing systems and automated surface observing systems associated with Service A Outages at covered airports.

(6) VISUAL WEATHER OBSERVATION SYSTEM.—

(A) DEPLOYMENT.—Not later than 3 years after the date of enactment of the FAA Reauthorization Act of 2024, the Administrator shall take such actions as may be necessary to—

(i) deploy visual weather observation systems;

(ii) ensure that such systems are capable of meeting the definition of a covered automated weather system in Alaska; and

(iii) develop standard operation specifications for visual weather operation systems.

(B) MODIFICATION OF SPECIFICATIONS.—Upon the request of an aircraft operator, the Administrator shall issue or modify the standard operation specifications for visual weather observation systems developed under subparagraph (A) to allow such systems to be used to satisfy the requirements for supplemental noncertified local weather observations under section 322 of the FAA Reauthorization Act of 2018 (Public Law 115–254).

(e) WEATHER CAMERAS.—

(1) IN GENERAL.—The Director shall continuously assess the state of the weather camera systems in Alaska and covered locations to ensure the operational sufficiency and reliability of such systems.

(2) APPLICATIONS.—The Director shall—

(A) accept applications from persons to install weather cameras; and

(B) consult with the governments with jurisdiction over Alaska and covered locations, covered airports, air carriers operating in Alaska or covered locations, private pilots based in Alaska or covered locations, and such other members of the aviation community in Alaska and covered locations as the Administrator determines appropriate to solicit additional locations at which to install and operate weather cameras.

(3) PRESUMPTION.—Unless the Director has clear and compelling evidence to the contrary, the Director shall presume that the installation of a weather camera at a covered airport in Alaska, or that is recommended by a government with jurisdiction over a covered location, is cost beneficial and will improve aviation safety.

(f) COOPERATION WITH OTHER AGENCIES.—In carrying out this section, the Administrator shall cooperate with the heads of other Federal or State agencies with responsibilities affecting aviation safety in Alaska and covered locations, including the collection and dissemination of weather data.

(g) SURVEILLANCE AND COMMUNICATION.—

(1) IN GENERAL.—The Director shall take such actions as may be necessary to—

(A) encourage and incentivize the equipage of aircraft that operate under part 135 of title 14, Code of Federal Regulations, with automatic dependent surveillance and broadcast out equipment; and

(B) improve aviation surveillance and communications in Alaska and covered locations.

(2) REQUIREMENT.—Not later than December 31, 2030, the Administrator shall ensure that automatic dependent surveillance and broadcast coverage is available at 5,000 feet above ground level throughout each covered location and Alaska.

(3) WAIVER.—The Administrator shall waive any positive benefit-cost ratio requirement for—

(A) the installation and operation of equipment and facilities necessary to implement the requirement under paragraph (2); and

(B) the provision of additional ground-based transmitters for automatic dependent surveillance-broadcasts to provide a minimum operational network in Alaska along major flight routes.

(4) SERVICE AREAS.—The Director shall continuously identify additional automatic dependent surveillance–broadcast service areas in which the deployment of automatic dependent surveillance–broadcast receivers and equipment would improve aviation safety.

(h) OTHER PROJECTS.—The Director shall continue to build upon other initiatives recommended in the reports of the FAA Alaska Aviation Safety Initiative of the Administration published before the date of enactment of this section.

(i) ANNUAL REPORT.—

(1) IN GENERAL.—Beginning on the date that is 1 year after the date of enactment of the FAA Reauthorization Act of 2024, and annually thereafter, the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the Initiative, including an itemized description of how the Administration budget meets the goals of the Initiative.

(2) STAKEHOLDER COMMENTS.—The Director shall append stakeholder comments, organized by topic, to each report submitted under paragraph (1) in the same manner as appendix 3 of the report titled "FAA Alaska Aviation Safety Initiative FY21 Final Report", dated September 30, 2021.

(j) FUNDING.—

(1) IN GENERAL.—Notwithstanding any other provision of law, for each of fiscal years 2025 through 2028—

(A) the Administrator may, upon application from the government with jurisdiction over a covered airport and in coordination with the State or territory in which a covered airport is located, use amounts apportioned under subsection (d)(2)(B) or subsection (e) of section 47114 to carry out the Initiative; or

(B) the sponsor of a covered airport that receives an apportionment under subsection (d)(2)(A) or subsection (e) of section 47114 may use such apportionment for any purpose contained in this section.

(2) SUPPLEMENTAL FUNDING.—Out of amounts made available under section 106(k) and section 48101, not more than a total of $25,000,000 for each of fiscal years 2025 through 2028 is authorized to be expended to carry out the Initiative.

(k) DEFINITIONS.—In this section:

(1) COVERED AIRPORT.—The term "covered airport" means an airport in Alaska or a covered location that is included in the national plan of integrated airport systems required under section 47103 and that has a status other than unclassified in such plan.

(2) COVERED AUTOMATED WEATHER SYSTEM.—The term "covered automated weather system" means an automated or visual weather reporting facility that enables a pilot to begin an instrument procedure approach to an airport under section 91.1039 or 135.225 of title 14, Code of Federal Regulations.

(3) COVERED LOCATION.—The term "covered location" means Hawaii, Puerto Rico, American Samoa, Guam, the Northern Mariana Islands, and the Virgin Islands.

(l) CONFORMITY.—The Administrator shall conduct all activities required under this section in conformity with section 44720.

(Added Pub. L. 118–63, title III, §342(a), May 16, 2024, 138 Stat. 1095.)

§44746. Flight data recovery from overwater operations

(a) IN GENERAL.—Not later than 18 months after the date of enactment of this section, the Administrator of the Federal Aviation Administration shall complete a rulemaking proceeding to require that, not later than 5 years after the date of enactment of this section, all applicable aircraft are—

(1) fitted with a means, in the event of an accident, to recover mandatory flight data parameters in a manner that does not require the underwater retrieval of the cockpit voice recorder or flight data recorder;

(2) equipped with a tamper-resistant method to broadcast sufficient information to a ground station to establish the location where an applicable aircraft terminates flight as the result of such an event; and

(3) equipped with an airframe low-frequency underwater locating device that functions for at least 90 days and that can be detected by appropriate equipment.

(b) APPLICABLE AIRCRAFT DEFINED.—In this section, the term "applicable aircraft" means an aircraft manufactured on or after January 1, 2028, that is—

(1) operated under part 121 of title 14, Code of Federal Regulations;

(2) required by regulation to have a cockpit voice recorder and a flight data recorder; and

(3) used in extended overwater operations.

§44747. Aviation safety oversight measures carried out by foreign countries

(a) ASSESSMENT.—

(1) IN GENERAL.—On a regular basis, the Administrator, in consultation with the Secretary of Transportation and the Secretary of State, shall assess aviation safety oversight measures carried out by any foreign country—

(A) from which a foreign air carrier is conducting foreign air transportation to and from the United States;

(B) from which a foreign air carrier seeks to conduct foreign air transportation to and from the United States;

(C) whose air carriers carry or seek to carry the code of a United States air carrier; or

(D) as determined appropriate by the Administrator.

(2) CONSULTATION AND CRITERIA.—In conducting an assessment described in paragraph (1), the Administrator shall—

(A) consult with the appropriate authorities of the government of the foreign country;

(B) determine the efficacy with which such foreign country carries out and complies with its aviation safety oversight responsibilities consistent with—

(i) the Convention on International Civil Aviation (in this section referred to as the "Chicago Convention");

(ii) international aviation safety standards; and

(iii) recommended practices set forth by the International Civil Aviation Organization;

(C) use a standard approach and methodology that will result in an analysis of the aviation safety oversight activities of such foreign country that are carried out to meet the minimum standards contained in Annexes 1, 6, and 8 to the Chicago Convention in effect on the date of the assessment, or any such successor documents; and

(D) identify instances of noncompliance pertaining to the aviation safety oversight activities of such foreign country consistent with the Chicago Convention, international aviation safety standards, and recommended practices set forth by the International Civil Aviation Organization.

(3) FINDINGS OF NONCOMPLIANCE.—In any case in which the assessment described in subsection (a)(1) finds an instance of non-compliance, the Administrator shall—

(A) notify the foreign country that is the subject of such finding;

(B) not later than 90 days after transmission of such notification, request and initiate final discussions with the foreign country to recommend actions by which the foreign country can mitigate the noncompliance; and

(C) after the discussions described in subparagraph (B) have concluded, determine whether or

not the noncompliance finding has been corrected;

(b) UNCORRECTED NON-COMPLIANCE.—If the Administrator finds that such foreign country has not corrected the non-compliance by the close of such final discussions—

(1) the Administrator shall notify the Secretary of Transportation and the Secretary of State that the condition of noncompliance remains;

(2) the Administrator, after consulting with informing the Secretary of Transportation and the Secretary of State, shall notify the foreign country of such finding; and

(3) notwithstanding section 40105(b), the Administrator, after consulting with the appropriate civil aviation authority of such foreign country and notifying the Secretary of Transportation and the Secretary of State, may withhold, revoke, or prescribe conditions on the operating authority of a foreign air carrier that—

(A) provides or seeks to provide foreign air transportation to and from the United States; or

(B) carries or seeks to carry the code of an air carrier.

(c) AUTHORITY.—Notwithstanding subsections (a) and (b), the Administrator retains the ability to take immediate safety oversight actions if the Administrator, in consultation with the Secretary of Transportation and the Secretary of State, as needed, determines that a condition exists that threatens the safety of passengers, aircraft, or crew traveling to or from such foreign country. In this event that the Administrator makes a determination under this subsection, the Administrator shall immediately notify the Secretary of State of such determination so that the Secretary of State may issue a travel advisory with respect to such foreign country.

(d) PUBLIC NOTIFICATION.—

(1) IN GENERAL.—In any case in which the Administrator provides notification to a foreign country under subsection (b)(2), the Administrator shall—

(A) recommend the actions necessary to bring such foreign country into compliance with the international standards contained in the Chicago Convention;

(B) publish the identity of such foreign country on the website of the Federal Aviation Administration, in the Federal Register, and through other mediums appropriate to provide notice to the public; and

(C) brief the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the identity of such foreign country and a summary of any critical safety information resulting from an assessment described in subsection (a)(1).

(2) COMPLIANCE.—If the Administrator finds that a foreign country subsequently corrects all outstanding noncompliances, the Administrator, after consulting with the appropriate civil aviation authority of such foreign country and notifying the Secretary of Transportation and the Secretary of State, shall take actions as necessary to ensure the updated compliance status is reflected, including in the mediums invoked in paragraph (1)(B).

(e) ACCURACY OF THE IASA LIST.—A foreign country that does not have foreign air carrier activity, as described in subsection (a)(1), for an extended period of time, as determined by the Administrator, shall be removed for inactivity from the public listings described in subsection (d)(1)(B), after informing the Secretary of Transportation and the Secretary of State.

(f) CONSISTENCY.—

(1) IN GENERAL.—The Administration shall use data, tools, and methods that ensure transparency and repeatability of assessments conducted under this section.

(2) TRAINING.—The Administrator shall ensure that Administration personnel are properly and adequately trained to carry out the assessments set forth in this section, including with respect to the standards, methodology, and material used to make determinations under this section.

§44748. Aircraft dispatching

(a) AIRCRAFT DISPATCHING CERTIFICATE.—No person may serve as an aircraft dispatcher for an air carrier unless such person holds the appropriate aircraft dispatcher certificate issued by the Administrator of the Federal Aviation Administration.

(b) PROOF OF CERTIFICATION.—Upon the request of the Administrator or an authorized representative of the National Transportation Safety Board, or other appropriate Federal agency, a person who holds such a certificate, and is performing dispatching, shall present the certificate for inspection.

(c) DISPATCH CENTERS AND FLIGHT FOLLOWING CENTERS.—

(1) ESTABLISHMENT.—Each air carrier shall establish and maintain sufficient dispatch centers and flight following centers necessary to maintain operational control of each flight of the air carrier at all times.

(2) REQUIREMENTS.—An air carrier shall ensure that each dispatch center and flight following center of the air carrier—

(A) has a sufficient number of aircraft dispatchers on duty at the dispatch center or flight following center to ensure proper operational control of each flight of the air carrier at all times;

(B) has the necessary equipment, in good repair, to maintain proper operational control of each flight of the air carrier at all times; and

(C) includes the presence of physical security and cybersecurity protections to prevent unauthorized access to the dispatch center or flight following center or to the operations of either such center.

(d) PROHIBITION.—

(1) IN GENERAL.—Except as provided in paragraph (2), an air carrier may not dispatch aircraft from any location other than the dispatch center or flight following center of the air carrier.

(2) EMERGENCY AUTHORITY.—In the event of an emergency or other event that renders a dispatch center or a flight following center inoperable, an air carrier may dispatch aircraft from a location other than the dispatch center or flight following center of the air carrier for a period of time not to exceed 14 consecutive days per location without approval of the Administrator.

2018—Pub. L. 115–254, div. B, title III, §§343(b), 344(b), 345(c), 346(b)(1), 347(b)(1), 348(b), 349(b)(1), 383(b)(1), Oct. 5, 2018, 132 Stat. 3290, 3291, 3293, 3295–3297, 3300, 3322, added items 44803 to 44810.

§44801. Definitions

In this chapter, the following definitions apply:

(1) ACTIVELY TETHERED UNMANNED AIRCRAFT SYSTEM.—The term "actively tethered unmanned aircraft system" means an unmanned aircraft system in which the unmanned aircraft component—

(A) weighs 55 pounds or less, including payload but not including the tether;

(B) is physically attached to a ground station with a taut, appropriately load-rated tether that provides continuous power to the unmanned aircraft and is unlikely to be separated from the unmanned aircraft;

(C) is controlled and retrieved by such ground station through physical manipulation of the tether;

(D) is able to maintain safe flight control in the event of a power or flight control failure during flight; and

(E) is programmed to initiate a controlled landing in the event of a tether separation.

(2) APPROPRIATE COMMITTEES OF CONGRESS.—The term "appropriate committees of Congress" means the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(3) ARCTIC.—The term "Arctic" means the United States zone of the Chukchi Sea, Beaufort Sea, and Bering Sea north of the Aleutian chain.

(4) CERTIFICATE OF WAIVER; CERTIFICATE OF AUTHORIZATION.—The terms "certificate of waiver" and "certificate of authorization" mean a Federal Aviation Administration grant of approval for a specific flight operation.

(5) COUNTER-UAS SYSTEM.—The term "counter-UAS system" means a system or device capable of lawfully and safely disabling, disrupting, or seizing control of an unmanned aircraft or unmanned aircraft system.

(6) PERMANENT AREAS.—The term "permanent areas" means areas on land or water that provide for launch, recovery, and operation of small unmanned aircraft.

(7) PUBLIC UNMANNED AIRCRAFT SYSTEM.—The term "public unmanned aircraft system" means an unmanned aircraft system that meets the qualifications and conditions required for operation of a public aircraft.

(8) SENSE AND AVOID CAPABILITY.—The term "sense and avoid capability" means the capability of an unmanned aircraft to remain a safe distance from and to avoid collisions with other airborne aircraft, structures on the ground, and other objects.

(9) SMALL UNMANNED AIRCRAFT.—The term "small unmanned aircraft" means an unmanned aircraft weighing less than 55 pounds, including the weight of anything attached to or carried by the aircraft.

(10) TEST RANGE.—The term "test range" means a defined geographic area where research and development are conducted as authorized by the Administrator of the Federal Aviation

Administration, and includes the test ranges designated by the Administrator under section 44803.

(11) UNMANNED AIRCRAFT.—The term "unmanned aircraft" means an aircraft that is operated without the possibility of direct human intervention from within or on the aircraft.

(12) UNMANNED AIRCRAFT SYSTEM.—The term "unmanned aircraft system" means an unmanned aircraft and associated elements (including communication links and the components that control the unmanned aircraft) that are required for the operator to operate safely and efficiently in the national airspace system.

(13) UTM.—The term "UTM" means an unmanned aircraft system traffic management system or service."

(Added Pub. L. 115–254, div. B, title III, §341(a), Oct. 5, 2018, 132 Stat. 3284; amended Pub. L. 118–63, title IX, §§925(b)(1), 926(c), May 16, 2024, 138 Stat. 1360, 1361.)

EDITORIAL NOTES

AMENDMENTS

2024—Par. (1)(A). Pub. L. 118–63, §926(c)(1), added subpar. (A) and struck out former subpar. (A) which read as follows: "weighs 4.4 pounds or less, including payload but not including the tether;".

Par. (1)(D), (E). Pub. L. 118–63, §926(c)(2)–(4), added subpars. (D) and (E).

Par. (10). Pub. L. 118–63, §925(b)(1), substituted "the test ranges designated by the Administrator under section 44803" for "any of the 6 test ranges established by the Administrator under section 332(c) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note), as in effect on the day before the date of enactment of the FAA Reauthorization Act of 2018, and any public entity authorized by the Federal Aviation Administration as an unmanned aircraft system flight test center before January 1, 2009".

STATUTORY NOTES AND RELATED SUBSIDIARIES

ENVIRONMENTAL REVIEW AND NOISE CERTIFICATION

Pub. L. 118–63, title IX, §909, May 16, 2024, 138 Stat. 1344, provided that:

"(a) NATIONAL ENVIRONMENTAL POLICY ACT GUIDANCE.—Not later than 180 days after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall publish unmanned aircraft system-specific environmental review guidance and implementation procedures and, thereafter, revise such guidance and procedures as appropriate to carry out the requirements of this section.

"(b) PRIORITIZATION.—The guidance and procedures established by the Administrator under subsection (a) shall include processes that allow for the prioritization of project applications and activities that—

"(1) offset or limit the impacts of non-zero emission activities;

"(2) offset or limit the release of environmental pollutants to soil or water; or

"(3) demonstrate other factors that benefit human safety or the environment, as determined by the Administrator.

"(c) PROGRAMMATIC LEVEL APPROACH TO NEPA REVIEW.—Not later than 180 days after the date of enactment of this Act, the Administrator shall examine and integrate programmatic-level approaches to the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) by which the Administrator can—

"(1) leverage an environmental review for unmanned aircraft operations within a defined geographic region, including within and over commercial sites, industrial sites, or other sites closed or restricted to the public; and

"(2) leverage an environmental assessment or environmental impact statement for nationwide programmatic approaches for large scale distributed unmanned aircraft operations.

"(d) DEVELOPING 1 OR MORE CATEGORICAL EXCLUSIONS.—

"(1) IN GENERAL.—The Administrator shall engage in periodic consultations with the Council on Environmental Quality to identify actions that are appropriate for a new categorical exclusion and shall incorporate such actions in FAA [Federal Aviation Administration] Order 1050.1F (or successor order) as considered appropriate by the Administrator to more easily allow for safe commercial operations of unmanned aircraft.

"(2) PRIOR OPERATIONS.—The Administrator shall review existing categorical exclusions for applicability to unmanned aircraft operations in accordance with the National Environmental Policy Act of

1969 (42 U.S.C. 4321 et seq.) and subchapter A of chapter V of title 40, Code of Federal Regulations.

"(e) BRIEFING.—Not later than 90 days after the date of enactment of this Act [May 16, 2024], the Administrator shall brief the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] on the plan of the Administrator to implement subsection (a).

"(f) NONAPPLICATION OF NOISE CERTIFICATION REQUIREMENTS PENDING STANDARDS DEVELOPMENT.—

"(1) IN GENERAL.—Notwithstanding the requirements of section 44715 of title 49, United States Code, the Administrator shall—

"(A) waive the determination of compliance with part 36 of title 14, Code of Federal Regulations, for an applicant seeking unmanned aircraft type and airworthiness certifications; and

"(B) not deny, withhold, or delay such certifications due to the absence of a noise certification basis under such part, if the Administrator has developed appropriate noise measurement procedures for unmanned aircraft and the Administrator has received from the applicant the noise measurement results based on such procedures.

"(2) DURATION.—The nonapplication of the noise certification requirements under paragraph (1) shall continue until the Administrator finalizes the noise certification requirements for unmanned aircraft in part 36 of title 14, Code of Federal Regulations, or another part of title 14 of such Code, as required under paragraph (3).

"(3) ASSOCIATED UAS CERTIFICATION STANDARDS.—

"(A) DEVELOPMENT OF CRITERIA.—Not later than 18 months after the date of enactment of this Act, the Administrator shall develop and establish substantive criteria and standard metrics to determine whether to approve an unmanned aircraft pursuant to part 36 of title 14, Code of Federal Regulations.

"(B) SUBSTANTIVE CRITERIA AND STANDARD METRICS.—In establishing the substantive criteria and standard metrics under subparagraph (A), the Administrator shall include criteria and metrics related to the noise impacts of an unmanned aircraft.

"(C) PUBLICATION.—The Administrator shall publish in the Federal Register and post on the website of the FAA the criteria and metrics established under subparagraph (A).

"(g) CONCURRENT REVIEWS.—If the Administrator determines that the design, construction, maintenance and operational sustainability, airworthiness approval, or operational approval of an unmanned aircraft require environmental assessments, including under the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), the Administrator shall, to the maximum extent practicable, conduct such reviews and analyses concurrently.

"(h) THIRD-PARTY SUPPORT.—In implementing subsection (a), the Administrator shall allow for the engagement of approved specialized third parties, as appropriate, to support an applicant's preparation of, or the Administration's preparation and review of, documentation relating to the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) to ensure streamlined timelines for complex reviews.

"(i) RULE OF CONSTRUCTION.—Nothing in this section shall be construed as prohibiting, restricting, or otherwise limiting the authority of the Administrator from implementing or complying with the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) and any related requirements to ensure the protection of the environment and aviation safety."

[For definition of "unmanned aircraft" as used in section 909 of Pub. L. 118–63, set out above, see this section, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

UNMANNED AND AUTONOMOUS FLIGHT ADVISORY COMMITTEE

Pub. L. 118–63, title IX, §916, May 16, 2024, 138 Stat. 1351, provided that:

"(a) IN GENERAL.—Not later than 1 year after the termination of the Advanced Aviation Advisory Committee pursuant to section 915 [138 Stat. 1351], the Administrator [of the Federal Aviation Administration] shall establish an Unmanned and Autonomous Flight Advisory Committee (in this section referred to as the 'Advisory Committee').

"(b) DUTIES.—The Advisory Committee shall provide the Administrator advice on policy- and technical-level issues related to unmanned and autonomous aviation operations and activities, including, at a minimum, the following:

"(1) The safe integration of unmanned aircraft systems and autonomous flight operations into the national airspace system, including feedback on—

"(A) the certification and operational standards of highly automated aircraft, unmanned aircraft, and associated elements of such aircraft;

"(B) coordination of procedures for operations in controlled and uncontrolled airspace; and

"(C) communication protocols.

"(2) The use cases of unmanned aircraft systems, including evaluating and assessing the potential benefits of using unmanned aircraft systems.

"(3) The development of processes and methodologies to address safety concerns related to the operation of unmanned aircraft systems, including risk assessments and mitigation strategies.

"(4) Unmanned aircraft system training, education, and workforce development programs, including evaluating aeronautical knowledge gaps in the unmanned aircraft system workforce, assessing the workforce needs of unmanned aircraft system operations, and establishing a strong pipeline to ensure a robust unmanned aircraft system workforce.

"(5) The analysis of unmanned aircraft system data and trends.

"(6) Unmanned aircraft system infrastructure, including the use of existing aviation infrastructure and the development of necessary infrastructure.

"(c) MEMBERSHIP.—

"(1) IN GENERAL.—The Advisory Committee shall be composed of not more than 12 members.

"(2) REPRESENTATIVES.—The Advisory Committee shall include at least 1 representative of each of the following:

"(A) Commercial operators of unmanned aircraft systems.

"(B) Unmanned aircraft system manufacturers.

"(C) Counter-UAS manufacturers.

"(D) FAA [Federal Aviation Administration]-approved unmanned aircraft system service suppliers.

"(E) Unmanned aircraft system test ranges under section 44803 of title 49, United States Code.

"(F) An unmanned aircraft system physical infrastructure network provider.

"(G) Community advocates.

"(H) Certified labor organizations representing commercial airline pilots, air traffic control specialists employed by the Administration, certified aircraft maintenance technicians, certified aircraft dispatchers, or aviation safety inspectors.

"(I) Academia or a relevant research organization.

"(3) OBSERVERS.—The Administrator may invite appropriate representatives of other Federal agencies to observe or provide input on the work of the Advisory Committee, but shall not allow such representatives to participate in any decision-making of the Advisory Committee.

"(d) REPORTING.—

"(1) IN GENERAL.—The Advisory Committee shall submit to the Administrator an annual report of the activities, findings, and recommendations of the Committee.

"(2) CONGRESSIONAL REPORTING.—The Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] the reports required under paragraph (1).

"(e) PROHIBITION.—The Administrator may not task the Advisory Committee established under this section with a review or the development of recommendations relating to operations conducted under part 121 of title 14, Code of Federal Regulations."

[For definitions of terms used in section 916 of Pub. L. 118–63, set out above, see this section, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

ACCEPTABLE LEVELS OF RISK AND RISK ASSESSMENT METHODOLOGY

Pub. L. 118–63, title IX, §931, May 16, 2024, 138 Stat. 1367, provided that:

"(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall develop a risk assessment methodology that allows for the determination of acceptable levels of risk for unmanned aircraft system operations, including operations beyond visual line of sight, conducted—

"(1) under waivers issued to part 107 of title 14, Code of Federal Regulations;

"(2) pursuant to section 44807 of title 49, United States Code; or

"(3) pursuant to other applicable regulations, as appropriate.

"(b) RISK ASSESSMENT METHODOLOGY CONSIDERATIONS.—In establishing the risk assessment methodology under this section, the Administrator shall ensure alignment with the considerations included in

the order issued by the FAA [Federal Aviation Administration] titled 'UAS Safety Risk Management Policy' (FAA Order 8040.6A), and any subsequent amendments to such order, as the Administrator considers appropriate.

"(c) PUBLICATION.—The Administrator shall make the risk assessment methodology established under this section available to the public on an appropriate website of the Administration and update such methodology as necessary."

[For definition of "unmanned aircraft system" as used in section 931 of Pub. L. 118–63, set out above, see this section, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

SPECIAL AUTHORITY FOR TRANSPORT OF HAZARDOUS MATERIALS BY COMMERCIAL PACKAGE DELIVERY UNMANNED AIRCRAFT SYSTEMS

Pub. L. 118–63, title IX, §933, May 16, 2024, 138 Stat. 1368, provided that:

"(a) IN GENERAL.—Notwithstanding any other Federal requirement or restriction related to the transportation of hazardous materials on aircraft, the Secretary [of Transportation] shall, beginning not later than 180 days after enactment of this section [May 16, 2024], use a risk-based approach to establish the operational requirements, standards, or special permits necessary to approve or authorize an air carrier to transport hazardous materials by unmanned aircraft systems providing common carriage under part 135 of title 14, Code of Federal Regulations, or under successor authorities, as applicable, based on the weight, amount, and type of hazardous material being transported and the characteristics of the operations subject to such requirements, standards, or special purposes.

"(b) REQUIREMENTS.—In carrying out subsection (a), the Secretary shall consider, at a minimum—

"(1) the safety of the public and users of the national airspace system;

"(2) efficiencies of allowing the safe transportation of hazardous materials by unmanned aircraft systems and whether such transportation complies with the hazardous materials regulations under subchapter C of chapter I of title 49, Code of Federal Regulations, including any changes to such regulations issued pursuant to this section;

"(3) the risk profile of the transportation of hazardous materials by unmanned aircraft systems, taking into consideration the risk associated with differing weights, quantities, and packing group classifications of hazardous materials;

"(4) mitigations to the risk of the hazardous materials being transported, based on the weight, amount, and type of materials being transported and the characteristics of the operation, including operational and aircraft-based mitigations; and

"(5) the altitude at which unmanned aircraft operations are conducted.

"(c) SAFETY RISK ASSESSMENTS.—The Secretary may require unmanned aircraft systems operators to submit a safety risk assessment acceptable to the Administrator [of the Federal Aviation Administration], as part of the operator certification process, in order for such operators to perform the carriage of hazardous materials as authorized under this section.

"(d) CONFORMITY OF HAZARDOUS MATERIALS REGULATIONS.—The Secretary shall make such changes as are necessary to conform the hazardous materials regulations under parts 173 and 175 of title 49, Code of Federal Regulations, to this section. Such changes shall be made concurrently with the activities described in subsection (a).

"(e) STAKEHOLDER INPUT ON CHANGES TO THE HAZARDOUS MATERIALS REGULATIONS.—

"(1) IMPLEMENTATION.—Not later than 180 days of the date of enactment of this Act [May 16, 2024], the Secretary shall hold a public meeting to obtain input on changes necessary to implement this section.

"(2) PERIODIC UPDATES.—The Secretary shall—

"(A) periodically review, as necessary, amounts of hazardous materials allowed to be carried by unmanned aircraft systems pursuant to this section; and

"(B) determine whether such amounts should be revised, based on operational and safety data, without negatively impacting overall aviation safety.

"(f) SAVINGS CLAUSE.—Nothing in this section shall be construed to—

"(1) limit the authority of the Secretary, the Administrator, or the Administrator of the Pipeline and Hazardous Materials Safety Administration from implementing requirements to ensure the safe carriage of hazardous materials by aircraft; and

"(2) confer upon the Administrator the authorities of the Administrator of the Pipeline and Hazardous Materials Safety Administration under part 175 of title 49, Code of Federal Regulations, and chapter 51 of

title 49, United States Code.

"(g) DEFINITION OF HAZARDOUS MATERIALS.—In this section, the term 'hazardous materials' has the meaning given such term in section 5102 of title 49, United States Code."

[For definitions of "unmanned aircraft system" and "unmanned aircraft" as used in section 933 of Pub. L. 118–63, set out above, see this section, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

OPERATIONS OVER HIGH SEAS

Pub. L. 118–63, title IX, §934, May 16, 2024, 138 Stat. 1369, provided that:

"(a) IN GENERAL.—To the extent permitted by treaty obligations of the United States, including the Convention on International Civil Aviation (in this section referred to as 'ICAO'), the Administrator [of the Federal Aviation Administration] shall work with other civil aviation authorities to establish and implement operational approval processes to permit unmanned aircraft systems to operate over the high seas within flight information regions for which the United States is responsible for operational control.

"(b) CONSULTATION.—In establishing and implementing the operational approval process under subsection (a), the Administrator shall consult with appropriate stakeholders, including industry stakeholders.

"(c) ICAO ACTIVITIES.—Not later than 6 months after the date of enactment of this Act [May 16, 2024], the Administrator shall engage ICAO through the submission of a working paper, panel proposal, or other appropriate mechanism to clarify the permissibility of unmanned aircraft systems to operate over the high seas.

"(d) REVIEW.—Not later than 6 months after the date of enactment of this Act, the Administrator shall review whether, and to what extent, ICAO member states are approving the operation of unmanned aircraft systems over the high seas and brief the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] regarding the findings of such review."

[For definition of "unmanned aircraft system" as used in section 934 of Pub. L. 118–63, set out above, see this section, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

COVERED DRONE PROHIBITION

Pub. L. 118–63, title IX, §936, May 16, 2024, 138 Stat. 1372, provided that:

"(a) PROHIBITIONS.—The Secretary [of Transportation] is prohibited from—

"(1) entering into, extending, or renewing a contract or awarding a grant—

"(A) for the operation, procurement, or contracting action with respect to a covered unmanned aircraft system; or

"(B) to an entity that operates (as determined by the Administrator [of the Federal Aviation Administration]) a covered unmanned aircraft system in the performance of such contract;

"(2) issuing a grant to a covered foreign entity for any project related to covered unmanned aircraft systems; and

"(3) operating a covered unmanned aircraft system.

"(b) EXEMPTIONS.—The Secretary is exempt from any prohibitions under subsection (a) if the grant, operation, procurement, or contracting action is for the purposes of testing, researching, evaluating, analyzing, or training related to—

"(1) unmanned aircraft detection systems and counter-UAS systems, including activities conducted—

"(A) under the Alliance for System Safety of UAS through Research Excellence Center of Excellence of the FAA [Federal Aviation Administration]; or

"(B) by the unmanned aircraft system test ranges designated under section 44803 of title 49, United States Code;

"(2) the safe, secure, or efficient operation of the national airspace system or maintenance of public safety;

"(3) the safe integration of advanced aviation technologies into the national airspace system, including activities carried out under the Alliance for System Safety of UAS through Research Excellence Center of Excellence of the FAA;

"(4) in coordination with other relevant Federal agencies, determining security threats of covered unmanned aircraft systems; and

"(5) intelligence, electronic warfare, and information warfare operations.

"(c) WAIVERS.—The Secretary may waive any restrictions under subsection (a) on a case-by-case basis by notifying the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] in writing,

not later than 15 days after waiving such restrictions, that the procurement or other activity is in the public interest.

"(d) REPLACEMENT OF CERTAIN UNMANNED AIRCRAFT SYSTEMS.—

"(1) IN GENERAL.—The Secretary shall take such actions as are necessary to replace any covered unmanned aircraft system that is owned or operated by the Department of Transportation as of the date of enactment of this Act [May 16, 2024] with an unmanned aircraft system manufactured in the United States or an allied country (as such term is defined in section 2350f(d)(1) of title 10, United States Code) if the capabilities of such covered unmanned aircraft system are consequential to the work of the Department or the mission of the Department.

"(2) FUNDING.—There is authorized to be appropriated to the Secretary $5,000,000 to carry out this subsection.

"(e) EFFECTIVE DATES.—

"(1) OPERATIONS.—The prohibitions under paragraphs (1) and (3) of subsection (a) shall be in effect on the date of enactment of this Act.

"(2) GRANTS.—The prohibitions under paragraphs (1) and (2) of subsection (a) shall—

"(A) not apply to grants awarded before the date of enactment of this Act; and

"(B) apply to grants awarded after the date of enactment of this Act.

"(f) APPLICATION OF PROHIBITIONS.—The prohibitions under subsection (a) are applicable to all offices and programs of the Department of Transportation, including—

"(1) aviation research grant programs;

"(2) aviation workforce development programs established under section 625 of the FAA Reauthorization Act of 2018 [Pub. L. 115–254] (49 U.S.C. 40101 note);

"(3) FAA Air Transportation Centers of Excellence;

"(4) programs established under sections 631 and 632 of the FAA Reauthorization Act of 2018 (49 U.S.C. 40101 note); and

"(5) the airport improvement program under subchapter I of chapter 471 of title 49, United States Code.

"(g) RULE OF CONSTRUCTION.—Nothing in this section shall prevent a State, local, Tribal, or territorial governmental agency from procuring or operating a covered unmanned aircraft system purchased with non-Federal funding.

"(h) DEFINITIONS.—In this section:

"(1) COVERED FOREIGN COUNTRY.—The term 'covered foreign country' means any of the following:

"(A) The People's Republic of China.

"(B) The Russian Federation.

"(C) The Islamic Republic of Iran.

"(D) The Democratic People's Republic of Korea.

"(E) The Bolivarian Republic of Venezuela.

"(F) The Republic of Cuba.

"(G) Any other country the Secretary determines necessary.

"(2) COVERED FOREIGN ENTITY.—The term 'covered foreign entity' means—

"(A) an entity included on the list developed and maintained by the Federal Acquisition Security Council and published in the System for Award Management;

"(B) an entity included on the Consolidated Screening List or Entity List as designated by the Secretary of Commerce;

"(C) an entity that is domiciled in, or under the influence or control of, a covered foreign country; or

"(D) an entity that is a subsidiary or affiliate of an entity described under subparagraphs (A) through (C).

"(3) COVERED UNMANNED AIRCRAFT SYSTEM.—The term 'covered unmanned aircraft system' means—

"(A) a small unmanned aircraft, an unmanned aircraft, and unmanned aircraft system, or the associated elements of such aircraft and aircraft systems related to the collection and transmission of sensitive information (consisting of communication links and the components that control the unmanned aircraft) that enable the operator to operate the aircraft in the National Airspace System which is manufactured or assembled by a covered foreign entity; and

"(B) an unmanned aircraft detection system or counter-UAS system that is manufactured or assembled by a covered foreign entity."

[For definitions of terms used in section 936 of Pub. L. 118–63, set out above, see this section, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

UNMANNED AIRCRAFT SYSTEMS PRIVACY POLICY

Pub. L. 115–254, div. B, title III, §357, Oct. 5, 2018, 132 Stat. 3305, provided that: "It is the policy of the United States that the operation of any unmanned aircraft or unmanned aircraft system shall be carried out in a manner that respects and protects personal privacy consistent with the United States Constitution and Federal, State, and local law."

STRATEGY FOR RESPONDING TO PUBLIC SAFETY THREATS AND ENFORCEMENT UTILITY OF UNMANNED AIRCRAFT SYSTEMS

Pub. L. 115–254, div. B, title III, §366, Oct. 5, 2018, 132 Stat. 3310, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Oct. 5, 2018], the Administrator of the Federal Aviation Administration shall develop a comprehensive strategy to provide outreach to State and local governments and provide guidance for local law enforcement agencies and first responders with respect to—

"(1) how to identify and respond to public safety threats posed by unmanned aircraft systems; and

"(2) how to identify and take advantage of opportunities to use unmanned aircraft systems to enhance the effectiveness of local law enforcement agencies and first responders.

"(b) RESOURCES.—Not later than 180 days after the date of enactment of this Act, the Administrator shall establish a publicly available Internet website that contains resources for State and local law enforcement agencies and first responders seeking—

"(1) to respond to public safety threats posed by unmanned aircraft systems; and

"(2) to identify and take advantage of opportunities to use unmanned aircraft systems to enhance the effectiveness of local law enforcement agencies and public safety response efforts.

"(c) UNMANNED AIRCRAFT SYSTEM DEFINED.—In this section, the term 'unmanned aircraft system' has the meaning given that term in section 44801 of title 49, United States Code, as added by this Act."

FEDERAL TRADE COMMISSION AUTHORITY

Pub. L. 115–254, div. B, title III, §375, Oct. 5, 2018, 132 Stat. 3314, provided that:

"(a) IN GENERAL.—A violation of a privacy policy by a person that uses an unmanned aircraft system for compensation or hire, or in the furtherance of a business enterprise, in the national airspace system shall be an unfair and deceptive practice in violation of section 5(a) of the Federal Trade Commission Act (15 U.S.C. 45(a)).

"(b) DEFINITIONS.—In this section, the terms 'unmanned aircraft' and 'unmanned aircraft system' have the meanings given those terms in section 44801 of title 49, United States Code."

COMMERCIAL AND GOVERNMENTAL OPERATORS

Pub. L. 115–254, div. B, title III, §379, Oct. 5, 2018, 132 Stat. 3318, provided that:

"(a) IN GENERAL.—Not later than 270 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration] shall, to the extent practicable and consistent with applicable law, make available in a single location on the website of the Department of Transportation:

"(1) Any certificate of waiver or authorization issued by the Administration to Federal, State, tribal or local governments for the operation of unmanned aircraft systems within 30 days of issuance of such certificate of waiver or authorization.

"(2) A spreadsheet of UAS registrations, including the city, state [probably should be "State"], and zip code of each registered drone owner, on its website that is updated once per quarter each calendar year.

"(3) Summary descriptions and general purposes of public unmanned aircraft operations, including the locations where such unmanned aircraft may generally operate.

"(4) Summary descriptions of common civil unmanned aircraft operations.

"(5) The expiration date of any authorization of public or civil unmanned aircraft operations.

"(6) Links to websites of State agencies that enforce any applicable privacy laws.

"(7) For any unmanned aircraft system, except with respect to any operation protected by the First Amendment to the Constitution of the United States, that will collect personally identifiable information about individuals, including the use of facial recognition—

"(A) the circumstance under which the system will be used;

"(B) the specific kinds of personally identifiable information that the system will collect about individuals; and

"(C) how the information referred to in subparagraph (B), and the conclusions drawn from such

information, will be used, disclosed, and otherwise handled, including—

"(i) how the collection or retention of such information that is unrelated to the specific use will be minimized;

"(ii) under what circumstances such information might be sold, leased, or otherwise provided to third parties;

"(iii) the period during which such information will be retained;

"(iv) when and how such information, including information no longer relevant to the specified use, will be destroyed; and

"(v) steps that will be used to protect against the unauthorized disclosure of any information or data, such as the use of encryption methods and other security features.

"(8) With respect to public unmanned aircraft systems—

"(A) the locations where the unmanned aircraft system will operate;

"(B) the time during which the unmanned aircraft system will operate;

"(C) the general purpose of the flight; and

"(D) the technical capabilities that the unmanned aircraft system possesses.

"(b) EXCEPTIONS.—The Administrator shall not disclose information pursuant to subsection (a) if the Administrator determines that the release of such information—

"(1) is not applicable;

"(2) is not practicable, including when the information is not available to the Administrator;

"(3) is not in compliance with applicable law;

"(4) would compromise national defense, homeland security or law enforcement activity;

"(5) would be withheld pursuant to an exception of the [sic] section 552 of title 5, United States Code (commonly known as the 'Freedom of Information Act'); or

"(6) is otherwise contrary to the public interest.

"(c) SUNSET.—This section will cease to be effective on the date that is the earlier of—

"(1) the date of publication of a Notice of Proposed Rulemaking or guidance regarding remote identification standards under section 2202 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615 [629]) [49 U.S.C. 44802 note]; or

"(2) September 30, 2023."

§44802. Integration of civil unmanned aircraft systems into national airspace system

(a) REQUIRED PLANNING FOR INTEGRATION.—

(1) COMPREHENSIVE PLAN.—Not later than November 10, 2012,[1] the Secretary of Transportation, in consultation with representatives of the aviation industry, Federal agencies that employ unmanned aircraft systems technology in the national airspace system, and the unmanned aircraft systems industry, shall develop a comprehensive plan to safely accelerate the integration of civil unmanned aircraft systems into the national airspace system.

(2) CONTENTS OF PLAN.—The plan required under paragraph (1) shall contain, at a minimum, recommendations or projections on—

(A) the rulemaking to be conducted under subsection (b), with specific recommendations on how the rulemaking will—

(i) define the acceptable standards for operation and certification of civil unmanned aircraft systems;

(ii) ensure that any civil unmanned aircraft system includes a sense-and-avoid capability; and

(iii) establish standards and requirements for the operator and pilot of a civil unmanned aircraft system, including standards and requirements for registration and licensing;

(B) the best methods to enhance the technologies and subsystems necessary to achieve the safe and routine operation of civil unmanned aircraft systems in the national airspace system;

(C) a phased-in approach to the integration of civil unmanned aircraft systems into the national airspace system;

(D) a timeline for the phased-in approach described under subparagraph (C);

(E) creation of a safe airspace designation for cooperative manned and unmanned flight operations in the national airspace system;

(F) establishment of a process to develop certification, flight standards, and air traffic requirements for civil unmanned aircraft systems at test ranges where such systems are subject to testing;

(G) the best methods to ensure the safe operation of civil unmanned aircraft systems and public unmanned aircraft systems simultaneously in the national airspace system; and

(H) incorporation of the plan into the annual NextGen Implementation Plan document (or any successor document) of the Federal Aviation Administration.

(3) DEADLINE.—The plan required under paragraph (1) shall provide for the safe integration of civil unmanned aircraft systems into the national airspace system as soon as practicable, but not later than September 30, 2015.[1]

(4) REPORT TO CONGRESS.—Not later than February 14, 2013,[1] the Secretary shall submit to Congress a copy of the plan required under paragraph (1).

(5) ROADMAP.—Not later than February 14, 2013,[1] the Secretary shall approve and make available in print and on the Administration's internet website a 5-year roadmap for the introduction of civil unmanned aircraft systems into the national airspace system, as coordinated by the Unmanned Aircraft Program Office of the Administration. The Secretary shall update, in coordination with the Administrator of the National Aeronautics and Space Administration (NASA) and relevant stakeholders, including those in industry and academia, the roadmap annually. The roadmap shall include, at a minimum—

(A) cost estimates, planned schedules, and performance benchmarks, including specific tasks, milestones, and timelines, for unmanned aircraft systems integration into the national airspace system, including an identification of—

(i) the role of the unmanned aircraft systems test ranges established under subsection (c) and the Unmanned Aircraft Systems Center of Excellence;

(ii) performance objectives for unmanned aircraft systems that operate in the national airspace system; and

(iii) research and development priorities for tools that could assist air traffic controllers as unmanned aircraft systems are integrated into the national airspace system, as appropriate;

(B) a description of how the Administration plans to use research and development, including research and development conducted through NASA's Unmanned Aircraft Systems Traffic Management initiatives, to accommodate, integrate, and provide for the evolution of unmanned aircraft systems in the national airspace system;

(C) an assessment of critical performance abilities necessary to integrate unmanned aircraft systems into the national airspace system, and how these performance abilities can be demonstrated; and

(D) an update on the advancement of technologies needed to integrate unmanned aircraft systems into the national airspace system, including decisionmaking by adaptive systems, such as sense-and-avoid capabilities and cyber physical systems security.

(b) RULEMAKING.—Not later than 18 months after the date on which the plan required under subsection (a)(1) is submitted to Congress under subsection (a)(4), the Secretary shall publish in the Federal Register—

(1) a final rule on small unmanned aircraft systems that will allow for civil operation of such systems in the national airspace system, to the extent the systems do not meet the requirements for expedited operational authorization under section 44807;

(2) a notice of proposed rulemaking to implement the recommendations of the plan required under subsection (a)(1), with the final rule to be published not later than 16 months after the date of publication of the notice; and

(3) an update to the Administration's most recent policy statement on unmanned aircraft

systems, contained in Docket No. FAA–2006–25714.

(Added Pub. L. 115–254, div. B, title III, §341(a), Oct. 5, 2018, 132 Stat. 3285.)

EDITORIAL NOTES

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 332(a) and (b) of Pub. L. 112–95, which was set out in a note under section 40101 of this title, prior to repeal by Pub. L. 115–254, div. B, title III, §341(b)(2), Oct. 5, 2018, 132 Stat. 3287. The dates in subsec. (a)(1) and (3) to (5) reflect those enacted by Pub. L. 112–95, which all precede the date of the enactment of this section by Pub. L. 115–254. The remainder of the note comprised of subtitle B of title III of Pub. L. 112–95 was transferred and is set out below.

STATUTORY NOTES AND RELATED SUBSIDIARIES

PART 107 WAIVER IMPROVEMENTS

Pub. L. 118–63, title IX, §908, May 16, 2024, 138 Stat. 1343, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall adopt a performance- and risk-based approach in reviewing requests for certificates of waiver under section 107.200 of title 14, Code of Federal Regulations.

"(b) STANDARDIZATION OF WAIVER APPLICATION.—

"(1) IN GENERAL.—In carrying out subsection (a), the Administrator shall improve the process to submit requests for certificates of waiver described in subsection (a).

"(2) FORMAT.—In carrying out paragraph (1), the Administrator may not require the use of open-ended descriptive prompts that are required to be filled out by an applicant, except to provide applicants the ability to provide the FAA [Federal Aviation Administration] with information for an unusual or irregular operation.

"(3) DATA.—

"(A) IN GENERAL.—In carrying out paragraph (1), the Administrator shall leverage data gathered from previous requests for certificates of waivers.

"(B) CONSIDERATIONS.—In carrying out subparagraph (A), the Administrator shall safely use—

"(i) big data analytics; and

"(ii) machine learning.

"(c) CONSIDERATION OF PROPERTY ACCESS.—

"(1) IN GENERAL.—In determining whether to issue a certificate of waiver under section 107.200 of title 14, Code of Federal Regulations, the Administrator shall—

"(A) consider whether the waiver applicant has control over access to all real property on the ground within the area of operation; and

"(B) recognize and account for the safety enhancements of such controlled access.

"(2) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to influence the extent to which the Administrator considers a lack of control over access to all real property on the ground within an area of operation as affecting the safety of an operation intended to be conducted under such certificate of waiver.

"(d) PUBLIC AVAILABILITY OF WAIVERS.—

"(1) IN GENERAL.—The Administrator shall publish all certificates of waiver issued under section 107.200 of title 14, Code of Federal Regulations, on the website of the FAA, including, with respect to each issued certificate of waiver—

"(A) the terms, conditions, and limitations; and

"(B) the class of airspace and any restrictions related to operating near airports or heliports.

"(2) PUBLICATION.—In carrying out paragraph (1), the Administrator shall ensure that published information is made available in a manner that prevents inappropriate disclosure of proprietary information.

"(e) PRECEDENTIAL USE OF PREVIOUSLY APPROVED WAIVERS.—

"(1) WAIVER APPROVAL PRECEDENT.—If the Administrator determines, using criteria for a particular waiver, that an application for a certificate of waiver issued under section 107.200 of title 14,

Code of Federal Regulations, is substantially similar (or is comprised of elements that are substantially similar) to an application for a certificate of waiver that the Administrator has previously approved, the Administrator may streamline, as appropriate, the approval of applications for such a particular waiver.

"(2) RULE OF CONSTRUCTION.—Nothing in paragraph (1) shall be construed to preclude an applicant for a certificate of waiver from applying to modify a condition or remove a limitation of such certificate.

"(f) MODIFICATION OF WAIVERS.—

"(1) IN GENERAL.—The Administrator shall establish an expedited review process for a request to modify or renew certificates of waiver previously issued under section 107.200 of title 14, Code of Federal Regulations, as appropriate.

"(2) USE OF REVIEW PROCESS.—The review process established under paragraph (1) shall be used to modify or renew certificates of waiver that cover operations that are substantially similar in all material facts to operations covered under a previously issued certificate of waiver."

[For definition of "certificate of waiver" as used in section 908 of Pub. L. 118–63, set out above, see section 44801 of this title, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

DRONE INFRASTRUCTURE INSPECTION GRANT PROGRAM

Pub. L. 118–63, title IX, §912, May 16, 2024, 138 Stat. 1348, provided that:

"(a) AUTHORITY.—Not later than 270 days after the date of enactment of this Act [May 16, 2024], the Secretary [of Transportation] shall establish an unmanned aircraft system infrastructure inspection grant program to provide grants to governmental entities to facilitate the use of small unmanned aircraft systems to support more efficient inspection, operation, construction, maintenance, and repair of an element of critical infrastructure to improve worker safety related to projects.

"(b) USE OF GRANT AMOUNTS.—A governmental entity may use a grant provided under this section to—

"(1) purchase or lease small unmanned aircraft systems;

"(2) support the operational capabilities of small unmanned aircraft systems used by the governmental entity;

"(3) contract for services performed using a small unmanned aircraft system in circumstances in which the governmental entity does not have the resources or expertise to safely carry out or assist in carrying out the activities described under subsection (a); and

"(4) support the program management capability of the governmental entity to use or contract the use of a small unmanned aircraft system, as described in paragraph (3).

"(c) APPLICATION.—To be eligible to receive a grant under this section, a governmental entity shall submit to the Secretary an application at such time, in such form, and containing such information as the Secretary may require, including an assurance that the governmental entity or any contractor of the governmental entity, will comply with relevant Federal regulations.

"(d) SELECTION OF APPLICANTS.—In selecting an application for a grant under this section, the Secretary shall prioritize applications that propose to—

"(1) carry out a project in a variety of communities, including urban, suburban, rural, Tribal, or any other type of community; and

"(2) address a safety risk in the inspection, operation, construction, maintenance, or repair of an element of critical infrastructure.

"(e) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to interfere with an agreement between a governmental entity and a labor union, including the requirements of section 5333(b) of title 49, United States Code.

"(f) REPORT TO CONGRESS.—Not later than 2 years after the first grant is provided under this section, the Secretary shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report that evaluates the program carried out under this section that includes—

"(1) a description of the number of grants provided under this section;

"(2) the amount of each grant provided under this section;

"(3) the activities carried out with a grant provided under this section; and

"(4) the effectiveness of such activities in meeting the objectives described in subsection (a).

"(g) FUNDING.—

"(1) FEDERAL SHARE.—

"(A) IN GENERAL.—Except as provided in subparagraph (B), the Federal share of the cost of a

project carried out using a grant provided under this section shall not exceed 50 percent of the total project cost.

"(B) WAIVER.—The Secretary may increase the Federal share under subparagraph (A) to up to 75 percent for a project carried out using a grant provided under this section by a governmental entity if such entity—

"(i) submits a written application to the Secretary requesting an increase in the Federal share; and

"(ii) demonstrates that the additional assistance is necessary to facilitate the acceptance and full use of a grant under this section, such as alleviating economic hardship, meeting additional workforce needs, or any other uses that the Secretary determines to be appropriate.

"(2) AUTHORIZATION OF APPROPRIATIONS.—Out of amounts authorized to be appropriated under section 106(k) of title 49, United States Code, the following amounts are authorized to carry out this section:

"(A) $12,000,000 for fiscal year 2025.

"(B) $12,000,000 for fiscal year 2026.

"(C) $12,000,000 for fiscal year 2027.

"(D) $12,000,000 for fiscal year 2028.

"(h) DEFINITIONS.—In this section:

"(1) CRITICAL INFRASTRUCTURE.—The term 'critical infrastructure' has the meaning given such term in subsection (e) of the Critical Infrastructures Protection Act of 2001 (42 U.S.C. 5195c(e)).

"(2) ELEMENT OF CRITICAL INFRASTRUCTURE.—The term 'element of critical infrastructure' means a critical infrastructure facility or asset, including public bridges, tunnels, roads, highways, dams, electric grid, water infrastructure, communication systems, pipelines, or other related facilities or assets, as determined by the Secretary.

"(3) GOVERNMENTAL ENTITY.—The term 'governmental entity' means—

"(A) a State, the District of Columbia, the Commonwealth of Puerto Rico, a territory of the United States, or a political subdivision thereof;

"(B) a unit of local government;

"(C) a Tribal government;

"(D) a metropolitan planning organization; or

"(E) a consortia of more than 1 of the entities described in subparagraphs (A) through (D).

"(4) PROJECT.—The term 'project' means a project for the inspection, operation, construction, maintenance, or repair of an element of critical infrastructure, including mitigating environmental hazards to such infrastructure."

[For definitions of terms used in section 912 of Pub. L. 118–63, set out above, see section 44801 of this title, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

UAS INTEGRATION STRATEGY

Pub. L. 118–63, title IX, §921, May 16, 2024, 138 Stat. 1354, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Administration] shall implement the recommendations made by—

"(1) the Comptroller General [of the United States] to the Secretary [of Transportation] contained in the report of the Government Accountability Office titled 'Drones: FAA Should Improve Its Approach to Integrating Drones into the National Airspace System', issued in January 2023 (GAO–23–105189); and

"(2) the inspector general of the Department of Transportation to the Administrator contained in the audit report of the inspector general titled 'FAA Made Progress Through Its UAS Integration Pilot Program, but FAA and Industry Challenges Remain To Achieve Full UAS Integration', issued in April 2022 (Project ID: AV2022027).

"(b) BRIEFING.—Not later than 12 months after the date of enactment of this Act [May 16, 2024], and annually thereafter through 2028, the Administrator shall provide a briefing to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] that—

"(1) provides a status update on the—

"(A) implementation of the recommendations described in subsection (a);

"(B) implementation of statutory provisions related to unmanned aircraft system integration under subtitle B [§§341–384] of title III of division B of the FAA Reauthorization Act of 2018 (Public Law 115–254) [see Tables for classification]; and

"(C) actions taken by the Administrator to implement recommendations related to safe integration of unmanned aircraft systems into the national airspace system included in aviation rulemaking committee reports published after the date of enactment of the FAA Reauthorization Act of 2018 (Public Law 115–254) [Oct. 5, 2018];

"(2) provides a description of steps taken to achieve the safe integration of such systems into the national airspace system, including milestones and performance metrics to track results;

"(3) provides the costs of executing the integration described in paragraph (2), including any estimates of future Federal resources or investments required to complete such integration; and

"(4) identifies any regulatory or policy changes required to execute the integration described in paragraph (2)."

[For definition of "unmanned aircraft system" as used in section 921 of Pub. L. 118–63, set out above, see section 44801 of this title, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

THIRD-PARTY SERVICE APPROVALS

Pub. L. 118–63, title IX, §932, May 16, 2024, 138 Stat. 1367, provided that:

"(a) APPROVAL PROCESS.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall establish procedures, which may include a rulemaking, to approve third-party service suppliers, including third-party service suppliers of unmanned aircraft system traffic management, to support the safe integration and commercial operation of unmanned aircraft systems.

"(b) ACCEPTANCE OF STANDARDS.—In establishing the approval process required under subsection (a), the Administrator shall ensure that, to the maximum extent practicable, industry consensus standards, such as ASTM International Standard F3548–21, titled 'UAS Traffic Management (UTM) UAS Service Supplier (USS) Interoperability', are included as an acceptable means of compliance for third-party services.

"(c) APPROVALS.—In establishing the approval process required under subsection (a), the Administrator shall—

"(1) define and implement criteria and conditions for the approval and oversight of third-party service suppliers that—

"(A) could have a direct or indirect impact on air traffic services in the national airspace system; and

"(B) require FAA [Federal Aviation Administration] oversight; and

"(2) establish procedures by which unmanned aircraft systems can use the capabilities and services of third-party service suppliers to support operations.

"(d) HARMONIZATION.—In carrying out this section, the Administrator shall seek to harmonize, to the extent practicable and advisable, any requirements and guidance for the development, use, and operation of third-party capabilities and services, including UTM, with similar requirements and guidance of other civil aviation authorities.

"(e) COORDINATION.—In carrying out this section, the Administrator shall consider any relevant information provided by the Administrator of the National Aeronautics and Space Administration regarding research and development efforts the National Aeronautics and Space Administration may have conducted related to the use of UTM providers.

"(f) THIRD-PARTY SERVICE SUPPLIER DEFINED.—In this section, the term 'third-party service supplier' means an entity other than the FAA that provides a distributed service that affects the safety or efficiency of the national airspace system, including UAS service suppliers, supplemental data service providers, and infrastructure providers, such as providers of ground-based surveillance, command-and-control, and information exchange to another party.

"(g) RULES OF CONSTRUCTION.—

"(1) BEYOND VISUAL LINE OF SIGHT OPERATIONS.—Nothing in this section shall be construed to prevent or prohibit beyond visual line of sight operations of unmanned aircraft systems, or other types of operations, through the use of technologies other than third-party capabilities and services.

"(2) AIRSPACE.—Nothing in this section shall be construed to alter the authorities provided under section 40103 of title 49, United States Code."

[For definitions of "unmanned aircraft system" and "UTM" as used in section 932 of Pub. L. 118–63, set out above, see section 44801 of this title, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

DRONE ADVISORY COMMITTEE FOR THE 21ST CENTURY

Pub. L. 116–280, Dec. 31, 2020, 134 Stat. 3379, provided that:

"SECTION 1. SHORT TITLE.

"This Act may be cited as the 'Drone Advisory Committee for the 21st Century Act'.

"SEC. 2. SENSE OF CONGRESS.

"It is the Sense of Congress that:

"(1) Due to the ever-increasing use of Unmanned Aircraft Systems in the agriculture, forestry, and rangeland sectors, as well as the inherently different uses in less populated parts of the nation, membership of the Drone Advisory Committee established by the Federal Aviation Administration should, to the extent practicable, include direct representatives from county and tribal government, agriculture, forestry, and rangeland interests.

"(2) Full transparency in the work of the Drone Advisory Committee is vital to ensuring the public can effectively participate and contribute to the development of sound Federal policies. The Administrator of the Federal Aviation Administration should, to the maximum extent practicable, ensure the work of the Drone Advisory Committee is shared with and easily accessible to the public and shall ensure transparency and openness in the manner in which the affairs of the Committee are conducted.

"SEC. 3. DRONE ADVISORY COMMITTEE MEMBERSHIP.

"(1) IN GENERAL.—The Federal Aviation Administration shall take appropriate steps to encourage direct representation of county and tribal governments as well as agriculture, forestry, rangeland sectors, and other rural interests on the Drone Advisory Committee.

"(2) PUBLIC PARTICIPATION.—To the maximum extent practicable, the Administrator shall include public participation in the process of nominating individuals for membership on the Committee."

UPDATE OF FAA COMPREHENSIVE PLAN

Pub. L. 115–254, div. B, title III, §342, Oct. 5, 2018, 132 Stat. 3287, provided that:

"(a) IN GENERAL.—Not later than 270 days after the date of enactment of this Act [Oct. 5, 2018], the Secretary of Transportation shall update the comprehensive plan described in section 44802 of title 49, United States Code, to develop a concept of operations for the integration of unmanned aircraft into the national airspace system.

"(b) CONSIDERATIONS.—In carrying out the update under subsection (a), the Secretary shall consider, at a minimum—

"(1) the potential use of UTM and other technologies to ensure the safe and lawful operation of unmanned aircraft in the national airspace system;

"(2) the appropriate roles, responsibilities, and authorities of government agencies and the private sector in identifying and reporting unlawful or harmful operations and operators of unmanned aircraft;

"(3) the use of models, threat assessments, probabilities, and other methods to distinguish between lawful and unlawful operations of unmanned aircraft; and

"(4) appropriate systems, training, intergovernmental processes, protocols, and procedures to mitigate risks and hazards posed by unlawful or harmful operations of unmanned aircraft systems.

"(c) CONSULTATION.—The Secretary shall carry out the update under subsection (a) in consultation with representatives of the aviation industry, Federal agencies that employ unmanned aircraft systems technology in the national airspace system, and the unmanned aircraft systems industry.

"(d) PROGRAM ALIGNMENT REPORT.—Not later than 90 days after the date of enactment of this Act [Oct. 5, 2018], the Secretary shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives], a report that describes a strategy to—

"(1) avoid duplication;

"(2) leverage capabilities learned across programs;

"(3) support the safe integration of UAS into the national airspace; and

"(4) systematically and timely implement or execute—

"(A) commercially-operated Low Altitude Authorization and Notification Capability;

"(B) the Unmanned Aircraft System Integration Pilot Program; and

"(C) the Unmanned Traffic Management Pilot Program."

UNMANNED AIRCRAFT SYSTEMS INTEGRATION PILOT PROGRAM

Pub. L. 115–254, div. B, title III, §351, Oct. 5, 2018, 132 Stat. 3301, provided that:

"(a) AUTHORITY.—The Secretary of Transportation may establish a pilot program to enable enhanced drone operations as required in the October 25, 2017 Presidential Memorandum entitled 'Unmanned Aircraft Systems Integration Pilot Program' and described in 82 Federal Register 50301 [set out below].

"(b) APPLICATIONS.—The Secretary shall accept applications from State, local, and Tribal governments, in partnership with unmanned aircraft system operators and other private-sector stakeholders, to test and evaluate the integration of civil and public UAS operations into the low-altitude national airspace system.

"(c) OBJECTIVES.—The purpose of the pilot program is to accelerate existing UAS integration plans by working to solve technical, regulatory, and policy challenges, while enabling advanced UAS operations in select areas subject to ongoing safety oversight and cooperation between the Federal Government and applicable State, local, or Tribal jurisdictions, in order to—

"(1) accelerate the safe integration of UAS into the NAS by testing and validating new concepts of beyond visual line of sight operations in a controlled environment, focusing on detect and avoid technologies, command and control links, navigation, weather, and human factors;

"(2) address ongoing concerns regarding the potential security and safety risks associated with UAS operating in close proximity to human beings and critical infrastructure by ensuring that operators communicate more effectively with Federal, State, local, and Tribal law enforcement to enable law enforcement to determine if a UAS operation poses such a risk;

"(3) promote innovation in and development of the United States unmanned aviation industry, especially in sectors such as agriculture, emergency management, inspection, and transportation safety, in which there are significant public benefits to be gained from the deployment of UAS; and

"(4) identify the most effective models of balancing local and national interests in UAS integration.

"(d) APPLICATION SUBMISSION.—The Secretary shall establish application requirements and require applicants to include the following information:

"(1) Identification of the airspace to be used, including shape files and altitudes.

"(2) Description of the types of planned operations.

"(3) Identification of stakeholder partners to test and evaluate planned operations.

"(4) Identification of available infrastructure to support planned operations.

"(5) Description of experience with UAS operations and regulations.

"(6) Description of existing UAS operator and any other stakeholder partnerships and experience.

"(7) Description of plans to address safety, security, competition, privacy concerns, and community outreach.

"(e) MONITORING AND ENFORCEMENT OF LIMITATIONS.—

"(1) IN GENERAL.—Monitoring and enforcement of any limitations enacted pursuant to this pilot project shall be the responsibility of the jurisdiction.

"(2) SAVINGS PROVISION.—Nothing in paragraph (1) may be construed to prevent the Secretary from enforcing Federal law.

"(3) EXAMPLES OF LIMITATIONS.—Limitations under this section may include—

"(A) prohibiting flight during specified morning and evening rush hours or only permitting flight during specified hours such as daylight hours, sufficient to ensure reasonable airspace access;

"(B) establishing designated take-off and landing zones, limiting operations over moving locations or fixed site public road[s] and parks, sidewalks or private property based on zoning density, or other land use considerations;

"(C) requiring notice to public safety or zoning or land use authorities before operating; and

"(D) prohibiting operations in connection with community or sporting events that do not remain in one place (for example, parades and running events).

"(f) SELECTION CRITERIA.—In making determinations, the Secretary shall evaluate whether applications meet or exceed the following criteria:

"(1) Overall economic, geographic, and climatic diversity of the selected jurisdictions.

"(2) Overall diversity of the proposed models of government involvement.

"(3) Overall diversity of the UAS operations to be conducted.

"(4) The location of critical infrastructure.

"(5) The involvement of commercial entities in the proposal and their ability to advance objectives that may serve the public interest as a result of further integration of UAS into the NAS.

"(6) The involvement of affected communities in, and their support for, participating in the pilot program.

"(7) The commitment of the governments and UAS operators involved in the proposal to comply with requirements related to national defense, homeland security, and public safety and to address competition, privacy, and civil liberties concerns.

"(8) The commitment of the governments and UAS operators involved in the proposal to achieve the following policy objectives:

"(A) Promoting innovation and economic development.

"(B) Enhancing transportation safety.

"(C) Enhancing workplace safety.

"(D) Improving emergency response and search and rescue functions.

"(E) Using radio spectrum efficiently and competitively.

"(g) IMPLEMENTATION.—The Secretary shall use the data collected and experience gained over the course of this pilot program to—

"(1) identify and resolve technical challenges to UAS integration;

"(2) address airspace use to safely and efficiently integrate all aircraft;

"(3) inform operational standards and procedures to improve safety (for example, detect and avoid capabilities, navigation and altitude performance, and command and control link);

"(4) inform FAA standards that reduce the need for waivers (for example, for operations over human beings, night operations, and beyond visual line of sight); and

"(5) address competing interests regarding UAS operational expansion, safety, security, roles and responsibilities of non-Federal Government entities, and privacy issues.

"(h) NOTIFICATION.—Prior to initiating any additional rounds of agreements with State, local, or Tribal governments as part of the pilot program established under subsection (a), the Secretary shall notify the Committee on Transportation and Infrastructure and the Committee on Appropriations of the House of Representatives and the Committee on Commerce, Science, and Transportation and the Committee on Appropriations in the Senate.

"(i) SUNSET.—The pilot program established under subsection (a) shall terminate 3 years after the date on which the memorandum referenced in subsection (a) is signed by the President [Oct. 25, 2017].

"(j) SAVINGS CLAUSE.—Nothing in this section shall affect any proposals, selections, imposition of conditions, operations, or other decisions made—

"(1) under the pilot program developed by the Secretary of Transportation pursuant to the Presidential memorandum titled 'Unmanned Aircraft Systems Integration Pilot Program', as published in the Federal Register on October 30, 2017 (82 Fed. Reg. 50301); and

"(2) prior to the date of enactment of this Act [Oct. 5, 2018].

"(k) DEFINITIONS.—In this section:

"(1) The term 'Lead Applicant' means an eligible State, local or Tribal government that has submitted a timely application.

"(2) The term 'NAS' means the low-altitude national airspace system.

"(3) The term 'UAS' means unmanned aircraft system."

PART 107 TRANSPARENCY AND TECHNOLOGY IMPROVEMENTS

Pub. L. 115–254, div. B, title III, §352, Oct. 5, 2018, 132 Stat. 3304, provided that:

"(a) TRANSPARENCY.—Not later than 30 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration] shall publish on the FAA [Federal Aviation Administration] website a representative sample of the safety justifications, offered by applicants for small unmanned aircraft system waivers and airspace authorizations, that have been approved by the Administration for each regulation waived or class of airspace authorized, except that any published justification shall not reveal proprietary or commercially sensitive information.

"(b) TECHNOLOGY IMPROVEMENTS.—Not later than 90 days after the date of enactment of this Act, the Administrator shall revise the online waiver and certificates of authorization processes—

"(1) to provide real time confirmation that an application filed online has been received by the Administration; and

"(2) to provide an applicant with an opportunity to review the status of the applicant's application."

EMERGENCY EXEMPTION PROCESS

Pub. L. 115–254, div. B, title III, §353, Oct. 5, 2018, 132 Stat. 3304, provided that:

"(a) SENSE OF CONGRESS.—It is the sense of Congress that the use of unmanned aircraft systems by civil and public operators—

"(1) is an increasingly important tool in response to a catastrophe, disaster, or other emergency;

"(2) helps facilitate emergency response operations, such as firefighting and search and rescue; and

"(3) helps facilitate post-catastrophic response operations, such as utility and infrastructure restoration efforts and the safe and prompt processing, adjustment, and payment of insurance claims.

"(b) UPDATES.—The Administrator [of the Federal Aviation Administration] shall, as necessary, update and improve the Special Government Interest process described in chapter 7 of Federal Aviation

Administration Order JO 7200.23A to ensure that civil and public operators, including local law enforcement agencies and first responders, continue to use unmanned aircraft system operations quickly and efficiently in response to a catastrophe, disaster, or other emergency.

"(c) BEST PRACTICES.—The Administrator shall develop best practices for the use of unmanned aircraft systems by States and localities to respond to a catastrophe, disaster, or other emergency response and recovery operation."

TREATMENT OF UNMANNED AIRCRAFT OPERATING UNDERGROUND

Pub. L. 115–254, div. B, title III, §354, Oct. 5, 2018, 132 Stat. 3305, provided that: "An unmanned aircraft system that is operated underground for mining purposes shall not be subject to regulation or enforcement by the FAA [Federal Aviation Administration] under title 49, United States Code."

PROHIBITION REGARDING WEAPONS

Pub. L. 115–254, div. B, title III, §363, Oct. 5, 2018, 132 Stat. 3308, provided that:

"(a) IN GENERAL.—Unless authorized by the Administrator [of the Federal Aviation Administration], a person may not operate an unmanned aircraft or unmanned aircraft system that is equipped or armed with a dangerous weapon.

"(b) DANGEROUS WEAPON DEFINED.—In this section, the term 'dangerous weapon' has the meaning given that term in section 930(g)(2) of title 18, United States Code.

"(c) PENALTY.—A person who violates this section is liable to the United States Government for a civil penalty of not more than $25,000 for each violation."

PLAN FOR FULL OPERATIONAL CAPABILITY OF UNMANNED AIRCRAFT SYSTEMS TRAFFIC MANAGEMENT

Pub. L. 115–254, div. B, title III, §376, Oct. 5, 2018, 132 Stat. 3314, provided that:

"(a) IN GENERAL.—In conjunction with completing the requirements of section 2208 of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190] (49 U.S.C. 40101 note [now 49 U.S.C. 44802 note]), subject to subsection (b) of this section, the Administrator [of the Federal Aviation Administration], in coordination with the Administrator of the National Aeronautics and Space Administration, and in consultation with unmanned aircraft systems industry stakeholders, shall develop a plan to allow for the implementation of unmanned aircraft systems traffic management (UTM) services that expand operations beyond visual line of sight, have full operational capability, and ensure the safety and security of all aircraft.

"(b) COMPLETION OF UTM SYSTEM PILOT PROGRAM.—The Administrator shall ensure that the UTM system pilot program, as established in section 2208 of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190] (49 U.S.C. 40101 note [now 49 U.S.C. 44802 note]), is conducted to meet the following objectives of a comprehensive UTM system by the conclusion of the pilot program:

"(1) In cooperation with the National Aeronautics and Space Administration and manned and unmanned aircraft industry stakeholders, allow testing of unmanned aircraft operations, of increasing volumes and density, in airspace above test ranges, as such term is defined in section 44801 of title 49, United States Code, as well as other sites determined by the Administrator to be suitable for UTM testing, including those locations selected under the pilot program required in the October 25, 2017, Presidential Memorandum entitled, 'Unmanned Aircraft Systems Integration Pilot Program' and described in 82 Federal Register 50301 [set out below].

"(2) Permit the testing of various remote identification and tracking technologies evaluated by the Unmanned Aircraft Systems Identification and Tracking Aviation Rulemaking Committee.

"(3) Where the particular operational environment permits, permit blanket waiver authority to allow any unmanned aircraft approved by a UTM system pilot program selectee to be operated under conditions currently requiring a case-by-case waiver under part 107, title 14, Code of Federal Regulations, provided that any blanket waiver addresses risks to airborne objects as well as persons and property on the ground.

"(c) IMPLEMENTATION PLAN CONTENTS.—The plan required by subsection (a) shall—

"(1) include the development of safety standards to permit, authorize, or allow the use of UTM services, which may include the demonstration and validation of such services at the test ranges, as defined in section 44801 of title 49, United States Code, or other sites as authorized by the Administrator;

"(2) outline the roles and responsibilities of industry and government in establishing UTM services that allow applicants to conduct commercial and noncommercial operations, recognizing the primary private sector role in the development and implementation of the Low Altitude Authorization and Notification Capability and future expanded UTM services;

"(3) include an assessment of various components required for necessary risk reduction and mitigation in relation to the use of UTM services, including—

"(A) remote identification of both cooperative and non-cooperative unmanned aircraft systems in the national airspace system;

"(B) deconfliction of cooperative unmanned aircraft systems in the national airspace system by such services;

"(C) the manner in which the Federal Aviation Administration will conduct oversight of UTM systems, including interfaces between UTM service providers and air traffic control;

"(D) the need for additional technologies to detect cooperative and non-cooperative aircraft;

"(E) collaboration and coordination with air traffic control, or management services and technologies to ensure the safety oversight of manned and unmanned aircraft, including—

"(i) the Federal Aviation Administration responsibilities to collect and disseminate relevant data to UTM service providers; and

"(ii) data exchange protocols to share UAS operator intent, operational approvals, operational restraints, and other data necessary to ensure safety or security of the National Airspace System;

"(F) the potential for UTM services to manage unmanned aircraft systems carrying either cargo, payload, or passengers, weighing more than 55 pounds, and operating at altitudes higher than 400 feet above ground level; and

"(G) cybersecurity protections, data integrity, and national and homeland security benefits; and

"(4) establish a process for—

"(A) accepting applications for operation of UTM services in the national airspace system;

"(B) setting the standards for independent private sector validation and verification that the standards for UTM services established pursuant to paragraph (1) enabling operations beyond visual line of sight, have been met by applicants; and

"(C) notifying the applicant, not later than 120 days after the Administrator receives a complete application, with a written approval, disapproval, or request to modify the application.

"(d) SAFETY STANDARDS.—In developing the safety standards in subsection (c)(1), the Administrator—

"(1) shall require that UTM services help ensure the safety of unmanned aircraft and other aircraft operations that occur primarily or exclusively in airspace 400 feet above ground level and below, including operations conducted under a waiver issued pursuant to subpart D of part 107 of title 14, Code of Federal Regulations;

"(2) shall consider, as appropriate—

"(A) protection of persons and property on the ground;

"(B) remote identification and tracking of aircraft;

"(C) collision avoidance with respect to obstacles and non-cooperative aircraft;

"(D) deconfliction of cooperative aircraft and integration of other relevant airspace considerations;

"(E) right of way rules, inclusive of UAS operations;

"(F) safe and reliable coordination between air traffic control and other systems operated in the national airspace system;

"(G) detection of non-cooperative aircraft;

"(H) geographic and local factors including but not limited to terrain, buildings and structures;

"(I) aircraft equipage; and

"(J) qualifications, if any, necessary to operate UTM services; and

"(3) may establish temporary flight restrictions or other means available such as a certificate of waiver or authorization (COA) for demonstration and validation of UTM services.

"(e) REVOCATION.—The Administrator may revoke the permission, authorization, or approval for the operation of UTM services if the Administrator determines that the services or its operator are no longer in compliance with applicable safety standards.

"(f) LOW-RISK AREAS.—The Administrator shall establish expedited procedures for approval of UTM services operated in—

"(1) airspace away from congested areas; or

"(2) other airspace above areas in which operations of unmanned aircraft pose low risk, as determined by the Administrator.

"(g) CONSULTATION.—In carrying out this section, the Administrator shall consult with other Federal agencies, as appropriate.

"(h) SENSE OF CONGRESS.—It is the sense of Congress that, in developing the safety standards for UTM services, the Federal Aviation Administration shall consider ongoing research and development efforts

on UTM services conducted by—

"(1) the National Aeronautics and Space Administration in partnership with industry stakeholders;

"(2) the UTM System pilot program required by section 2208 of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190] (49 U.S.C. 40101 note [now 49 U.S.C. 44802 note]); and

"(3) the participants in the pilot program required in the October 25, 2017, Presidential Memorandum entitled, 'Unmanned Aircraft Systems Integration Pilot Program' and described in 82 Federal Register 50301.

"(i) DEADLINE.—Not later than 1 year after the date of conclusion of the UTM pilot program established in section 2208 of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190] (49 U.S.C. 40101 note [now 49 U.S.C. 44802 note]), the Administrator shall—

"(1) complete the plan required by subsection (a);

"(2) submit the plan to—

"(A) the Committee on Commerce, Science, and Transportation of the Senate; and

"(B) the Committee on Science, Space, and Technology and the Committee on Transportation and Infrastructure of the House of Representatives; and

"(3) publish the plan on a publicly accessible Internet website of the Federal Aviation Administration."

EARLY IMPLEMENTATION OF CERTAIN UTM SERVICES

Pub. L. 115–254, div. B, title III, §377, Oct. 5, 2018, 132 Stat. 3317, provided that:

"(a) IN GENERAL.—Not later than 120 days after the date of the enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration] shall, upon request of a UTM service provider, determine if certain UTM services may operate safely in the national airspace system before completion of the implementation plan required by section 376 [set out above].

"(b) ASSESSMENT OF UTM SERVICES.—In making the determination under subsection (a), the Administrator shall assess, at a minimum, whether the proposed UTM services, as a result of their operational capabilities, reliability, intended use, areas of operation, and the characteristics of the aircraft involved, will maintain the safety and efficiency of the national airspace system and address any identified risks to manned or unmanned aircraft and persons and property on the ground.

"(c) REQUIREMENTS FOR SAFE OPERATION.—If the Administrator determines that certain UTM services may operate safely in the national airspace system, the Administrator shall establish requirements for their safe operation in the national airspace system.

"(d) EXPEDITED PROCEDURES.—The Administrator shall provide expedited procedures for making the assessment and determinations under this section where the UTM services will be provided primarily or exclusively in airspace above areas in which the operation of unmanned aircraft poses low risk, including but not limited to croplands and areas other than congested areas.

"(e) CONSULTATION.—In carrying out this section, the Administrator shall consult with other Federal agencies, as appropriate.

"(f) PREEXISTING UTM SERVICES APPROVALS.—Nothing in this Act [see Tables for classification] shall affect or delay approvals, waivers, or exemptions granted by the Administrator for UTM services already in existence or approved by the Administrator prior to the date of enactment of this Act [Oct. 5, 2018], including approvals under the Low Altitude Authorization and Notification Capability."

TRANSITION LANGUAGE

Pub. L. 115–254, div. B, title III, §380, Oct. 5, 2018, 132 Stat. 3319, provided that:

"(a) REGULATIONS.—Notwithstanding the repeals under sections 341, 348 [probably should be "346"], 347, and 383 of this Act [repealing the provisions listed in subsec. (b)(1) to (4) below], all orders, determinations, rules, regulations, permits, grants, and contracts, which have been issued under any law described under subsection (b) of this section before the effective date of this Act [probably means Oct. 5, 2018, the date of enactment of Pub. L. 115–254] shall continue in effect until modified or revoked by the Secretary of Transportation, acting through the Administrator of the Federal Aviation Administration, as applicable, by a court of competent jurisdiction, or by operation of law other than this Act [see Tables for classification].

"(b) LAWS DESCRIBED.—The laws described under this subsection are as follows:

"(1) Section 332 of the FAA Modernization and Reform Act of 2012 [Pub. L. 112–95] (49 U.S.C. 40101 note).

"(2) Section 333 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note).

"(3) Section 334 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note).

"(4) Section 2206 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615).

"(c) EFFECT ON PENDING PROCEEDINGS.—This Act shall not affect administrative or judicial proceedings pending on the effective date of this Act."

UNMANNED AIRCRAFT SYSTEMS RESEARCH AND DEVELOPMENT ROADMAP

Pub. L. 115–254, div. B, title VII, §721, Oct. 5, 2018, 132 Stat. 3411, provided that: "The Secretary [of Transportation] shall submit the unmanned aircraft systems roadmap to Congress on an annual basis as required under section 48802(a) [probably should be "44802(a)"] of title 49, United States Code, as added by this Act."

COLLABORATION BETWEEN FEDERAL AVIATION ADMINISTRATION AND DEPARTMENT OF DEFENSE ON UNMANNED AIRCRAFT SYSTEMS

Pub. L. 115–91, div. A, title X, §1092, Dec. 12, 2017, 131 Stat. 1610, provided that:

"(a) COLLABORATION.—

"(1) IN GENERAL.—The Administrator of the Federal Aviation Administration and the Secretary of Defense may collaborate on sense-and-avoid capabilities for unmanned aircraft systems.

"(2) ELEMENTS.—The collaboration described in paragraph (1) may include, as appropriate, the following:

"(A) Sharing information on safely integrating unmanned aircraft systems and manned aircraft in the national airspace system.

"(B) The development of civil standards, policies, and procedures for the Federal Aviation Administration for integrating unmanned aircraft systems in the national airspace system by leveraging the historical and current testing, training, and operational experiences of the Department of Defense, particularly the Air Force, of unmanned flight operations[.]

"(C) Informing stakeholders about—

"(i) the development of airborne and ground-based sense-and-avoid capabilities for unmanned aircraft systems; and

"(ii) research and development on unmanned aircraft systems, especially with respect to matters involving human factors, information assurance, and security.

"(b) PARTICIPATION BY FAA IN DOD ACTIVITIES.—

"(1) IN GENERAL.—The Administrator of the Federal Aviation Administration may participate, and provide assistance to the Secretary of Defense for activities during the test and evaluation efforts of the Department of Defense, including the Air Force, relating to airborne and ground-based sense-and-avoid capabilities for unmanned aircraft systems.

"(2) PARTICIPATION THROUGH TEST SITES.—Participation under paragraph (1) may include provision of assistance through Department of Defense unmanned aircraft systems test sites or a Federal Aviation Administration test range.

"(c) DEFINITIONS.—In this section, the terms 'unmanned aircraft system' and 'test range' have the meaning given such terms in section 331 of the FAA Modernization and Reform Act of 2012 (Public Law 112–95; 49 U.S.C. 40101 note [now 49 U.S.C. 44802 note]).

"(d) RESTORATION OF RULES FOR REGISTRATION AND MARKING OF UNMANNED AIRCRAFT.—The rules adopted by the Administrator of the Federal Aviation Administration in the matter of registration and marking requirements for small unmanned aircraft (FAA-2015-7396; published on December 16, 2015) that were vacated by the United States Court of Appeals for the District of Columbia Circuit in Taylor v. Huerta (No. 15-1495; decided on May 19, 2017) shall be restored to effect on the date of enactment of this Act [Dec. 12, 2017]."

"SEC. 2201. DEFINITIONS.

"(a) DEFINITIONS APPLIED.—In this subtitle, the terms 'unmanned aircraft', 'unmanned aircraft system', and 'small unmanned aircraft' have the meanings given those terms in section 331 of the FAA Modernization and Reform Act of 2012 [Pub. L. 112–95] (49 U.S.C. 40101 note [now 49 U.S.C. 44802 note]), as amended by this Act.

"(b) FAA MODERNIZATION AND REFORM ACT.—[Amended section 331 of Pub. L. 112–95, set out in a note below.]

"SEC. 2202. IDENTIFICATION STANDARDS.

"(a) IN GENERAL.—The Administrator of the Federal Aviation Administration, in consultation with the Secretary of Transportation, the President of RTCA, Inc., and the Director of the National Institute of Standards and Technology, shall convene industry stakeholders to facilitate the development of consensus standards for remotely identifying operators and owners of unmanned aircraft systems and associated unmanned aircraft.

"(b) CONSIDERATIONS.—As part of any standards developed under subsection (a), the Administrator shall ensure the consideration of—

"(1) requirements for remote identification of unmanned aircraft systems;

"(2) appropriate requirements for different classifications of unmanned aircraft systems operations, including public and civil; and

"(3) the feasibility of the development and operation of a publicly accessible online database of unmanned aircraft and the operators thereof, and any criteria for exclusion from the database.

"(c) DEADLINE.—Not later than 1 year after the date of enactment of this Act [July 15, 2016], the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report on any standards developed under subsection (a).

"(d) GUIDANCE.—Not later than 1 year after the date on which the Administrator submits the report under subsection (c), the Administrator shall issue regulations or guidance, as appropriate, based on any standards developed under subsection (a).

"SEC. 2203. SAFETY STATEMENTS.

"(a) REQUIRED INFORMATION.—Beginning on the date that is 1 year after the date of publication of the guidance under subsection (b)(1), a manufacturer of a small unmanned aircraft shall make available to the owner at the time of delivery of the small unmanned aircraft the safety statement described in subsection (b)(2).

"(b) SAFETY STATEMENT.—

"(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [July 15, 2016], the Administrator of the Federal Aviation Administration shall issue guidance for implementing this section.

"(2) REQUIREMENTS.—A safety statement required under subsection (a) shall include—

"(A) information about, and sources of, laws and regulations applicable to small unmanned aircraft;

"(B) recommendations for using small unmanned aircraft in a manner that promotes the safety of persons and property;

"(C) the date that the safety statement was created or last modified; and

"(D) language approved by the Administrator regarding the following:

"(i) A person may operate the small unmanned aircraft as a model aircraft (as defined in [former] section 336 of the FAA Modernization and Reform Act of 2012 [Pub. L. 112–95] ([former] 49 U.S.C. 40101 note)) or otherwise in accordance with Federal Aviation Administration authorization or regulation, including requirements for the completion of any applicable airman test.

"(ii) The definition of a model aircraft under [former] section 336 of the FAA Modernization and Reform Act of 2012 ([former] 49 U.S.C. 40101 note).

"(iii) The requirements regarding the operation of a model aircraft under [former] section 336 of the FAA Modernization and Reform Act of 2012 ([former] 49 U.S.C. 40101 note).

"(iv) The Administrator may pursue enforcement action against a person operating model aircraft who endangers the safety of the national airspace system.

"(c) CIVIL PENALTY.—A person who violates subsection (a) shall be liable for each violation to the United States Government for a civil penalty described in section 46301(a) of title 49, United States Code.

"SEC. 2204. FACILITATING INTERAGENCY COOPERATION FOR UNMANNED AIRCRAFT AUTHORIZATION IN SUPPORT OF FIREFIGHTING OPERATIONS AND UTILITY RESTORATION.

"(a) FIREFIGHTING OPERATIONS.—The Administrator of the Federal Aviation Administration shall enter into agreements with the Secretary of the Interior and the Secretary of Agriculture, as necessary, to continue the expeditious authorization of safe unmanned aircraft system operations in support of firefighting operations consistent with the requirements of section 44806 of title 49, United States Code.

"(b) UTILITY RESTORATION.—The Administrator shall enter into agreements with the Secretary of Energy and with such other agencies or parties, including the Federal Emergency Management Agency, as are necessary to facilitate the expeditious authorization of safe unmanned aircraft system operations in support of service restoration efforts of utilities.

"(c) DEFINITION OF UTILITY.—In this section, the term 'utility' shall at a minimum include the definition in section 3(4) of the Public Utility Regulatory Policies Act of 1978 (16 U.S.C. 2602(4)).

"SEC. 2205. INTERFERENCE WITH WILDFIRE SUPPRESSION, LAW ENFORCEMENT, OR EMERGENCY RESPONSE EFFORT BY OPERATION OF UNMANNED AIRCRAFT.

"(a) IN GENERAL.—[Enacted section 46320 of this title.]

"(b) FAA TO IMPOSE CIVIL PENALTY.—[Amended section 46301 of this title.]

"(c) CLERICAL AMENDMENT.—[Amended analysis of chapter 463 of this title.]

"[SEC. 2206. REPEALED. PUB. L. 115–254, DIV. B, TITLE III, §383(B)(2), OCT. 5, 2018, 132 STAT. 3322.]

"SEC. 2207. EMERGENCY EXEMPTION PROCESS.

"(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act [July 15, 2016], the Administrator of the Federal Aviation Administration shall publish guidance for applications for, and procedures for the processing of, on an emergency basis, exemptions or certificates of authorization or waiver for the use of unmanned aircraft systems by civil or public operators in response to a catastrophe, disaster, or other emergency to facilitate emergency response operations, such as firefighting, search and rescue, and utility and infrastructure restoration efforts. In processing such applications, the Administrator shall give priority to applications for public unmanned aircraft systems engaged in emergency response activities.

"(b) REQUIREMENTS.—In providing guidance under subsection (a), the Administrator shall—

"(1) make explicit any safety requirements that must be met for the consideration of applications that include requests for beyond visual line of sight or nighttime operations, or the suspension of otherwise applicable operating restrictions, consistent with public interest and safety; and

"(2) explicitly state the procedures for coordinating with an incident commander, if any, to ensure operations granted under procedures developed under subsection (a) do not interfere with other emergency response efforts.

"(c) REVIEW.—In processing applications on an emergency basis for exemptions or certificates of authorization or waiver for unmanned aircraft systems operations in response to a catastrophe, disaster, or other emergency, the Administrator shall act on such applications as expeditiously as practicable and without requiring public notice and comment.

"SEC. 2208. UNMANNED AIRCRAFT SYSTEMS TRAFFIC MANAGEMENT.

"(a) RESEARCH PLAN FOR UTM DEVELOPMENT AND DEPLOYMENT.—

"(1) IN GENERAL.—The Administrator of the Federal Aviation Administration (in this section referred to as the 'Administrator'), in coordination with the Administrator of the National Aeronautics and Space Administration, shall continue development of a research plan for unmanned aircraft systems traffic management (in this section referred to as 'UTM') development and deployment.

"(2) REQUIREMENTS.—In developing the research plan, the Administrator shall—

"(A) identify research outcomes sought; and

"(B) ensure the plan is consistent with existing regulatory and operational frameworks, and considers potential future regulatory and operational frameworks, for unmanned aircraft systems in the national airspace system.

"(3) ASSESSMENT.—The research plan shall include an assessment of the interoperability of a UTM system with existing and potential future air traffic management systems and processes.

"(4) DEADLINES.—The Administrator shall—

"(A) initiate development of the research plan not later than 60 days after the date of enactment of this Act [July 15, 2016]; and

"(B) not later than 180 days after the date of enactment of this Act—

"(i) complete the research plan;

"(ii) submit the research plan to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Science, Space, and Technology and the Committee on Transportation and Infrastructure of the House of Representatives; and

"(iii) publish the research plan on the Internet Web site of the Federal Aviation Administration.

"(b) PILOT PROGRAM.—

"(1) IN GENERAL.—Not later than 90 days after the date of submission of the research plan under subsection (a)(4)(B), the Administrator, in coordination with the Administrator of the National Aeronautics and Space Administration, the Drone Advisory Committee, the research advisory committee established by section 44508(a) of title 49, United States Code, and representatives of the unmanned aircraft industry, shall establish a UTM system pilot program.

"(2) SUNSET.—Not later than 2 years after the date of establishment of the pilot program, the Administrator shall conclude the pilot program.

"(c) UPDATES.—Not later than 180 days after the date of establishment of the pilot program, and every 180 days thereafter until the date of conclusion of the pilot program, the Administrator shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Science, Space, and Technology and the Committee on Transportation and Infrastructure of the House of Representatives an update on the status and progress of the pilot program.

"SEC. 2209. APPLICATIONS FOR DESIGNATION.

"(a) APPLICATIONS FOR DESIGNATION.—Not later than 180 days after the date of enactment of this Act [July 15, 2016], the Secretary of Transportation shall establish a process to allow applicants to petition the Administrator of the Federal Aviation Administration to prohibit or restrict, including temporarily, the operation of an unmanned aircraft in close proximity to a fixed site facility.

"(b) REVIEW PROCESS.—

"(1) APPLICATION PROCEDURES.—

"(A) IN GENERAL.—The Administrator shall establish the procedures for the application for designation under subsection (a).

"(B) REQUIREMENTS.—The procedures shall allow operators or proprietors of fixed site facilities to apply for designation individually or collectively.

"(C) CONSIDERATIONS.—Only the following may be considered fixed site facilities:

"(i) Critical infrastructure, such as energy production, transmission, distribution facilities and equipment, and railroad facilities.

"(ii) Oil refineries and chemical facilities.

"(iii) Amusement parks.

"(iv) State prisons.

"(2) DETERMINATION.—

"(A) IN GENERAL.—The Secretary shall provide for a determination under the review process established under subsection (a) not later than 90 days after the date of application, unless the applicant is provided with written notice describing the reason for the delay.

"(B) AFFIRMATIVE DESIGNATIONS.—An affirmative designation shall outline—

"(i) the boundaries for unmanned aircraft operation near the fixed site facility; and

"(ii) such other limitations that the Administrator determines may be appropriate.

"(C) CONSIDERATIONS.—In making a determination whether to grant or deny an application for a designation, the Administrator may consider—

"(i) aviation safety;

"(ii) protection of persons and property on the ground;

"(iii) national security; or

"(iv) homeland security.

"(D) OPPORTUNITY FOR RESUBMISSION.—If an application is denied, and the applicant can reasonably address the reason for the denial, the Administrator may allow the applicant to reapply for designation.

"(c) PUBLIC INFORMATION.—Designations under subsection (a) shall be published by the Federal Aviation Administration on a publicly accessible website.

"(d) SAVINGS CLAUSE.—Nothing in this section may be construed as prohibiting the Administrator from authorizing operation of an aircraft, including an unmanned aircraft system, over, under, or within a specified distance from that fixed site facility designated under subsection (b).

"(e) DEADLINES.—

"(1) Not later than March 31, 2019, the Administrator shall publish a notice of proposed rulemaking to carry out the requirements of this section.

"(2) Not later than 12 months after publishing the notice of proposed rulemaking under paragraph (1), the Administrator shall issue a final rule.

"(f) DEADLINES.—

"(1) Not later than 90 days after the date of enactment of the FAA Reauthorization Act of 2024 [May 16, 2024], the Administrator shall publish a notice of proposed rulemaking to carry out the requirements of this section.

"(2) Not later than 16 months after publishing the notice of proposed rulemaking under paragraph (1), the Administrator shall issue a final rule based on the notice of proposed rulemaking published under paragraph (1).

"(g) DEFINITION OF STATE PRISON.—In this section, the term 'State prison' means an institution under

State jurisdiction, including a State Department of Corrections, the primary use of which is for the confinement of individuals convicted of a felony.

"SEC. 2210. OPERATIONS ASSOCIATED WITH CRITICAL INFRASTRUCTURE.

"(a) IN GENERAL.—Any application process established under [former] section 333 of the FAA Modernization and Reform Act of 2012 [Pub. L. 112–95] ([former] 49 U.S.C. 40101 note) shall allow for a person to apply to the Administrator of the Federal Aviation Administration to operate an unmanned aircraft system, for purposes of conducting an activity described in subsection (b)—

"(1) beyond the visual line of sight of the individual operating the unmanned aircraft system; and

"(2) during the day or at night.

"(b) ACTIVITIES DESCRIBED.—The activities described in this subsection are—

"(1) activities for which manned aircraft may be used to comply with Federal, State, or local laws, including—

"(A) activities to ensure compliance with Federal or State regulatory, permit, or other requirements, including to conduct surveys associated with applications for permits for new pipeline or pipeline systems construction or maintenance or rehabilitation of existing pipelines or pipeline systems; and

"(B) activities relating to ensuring compliance with—

"(i) parts 192 and 195 of title 49, Code of Federal Regulations; and

"(ii) the requirements of any Federal, State, or local governmental or regulatory body, or industry best practice, pertaining to the construction, ownership, operation, maintenance, repair, or replacement of covered facilities;

"(2) activities to inspect, repair, construct, maintain, or protect covered facilities, including for the purpose of responding to a pipeline, pipeline system, or electric energy infrastructure incident; and

"(3) activities in response to or in preparation for a natural disaster, manmade disaster, severe weather event, or other incident beyond the control of the applicant that may cause material damage to a covered facility.

"(c) DEFINITIONS.—In this section, the following definitions apply:

"(1) COVERED FACILITY.—The term 'covered facility' means—

"(A) a pipeline or pipeline system;

"(B) an electric energy generation, transmission, or distribution facility (including a renewable electric energy facility);

"(C) an oil or gas production, refining, or processing facility; or

"(D) any other critical infrastructure facility.

"(2) CRITICAL INFRASTRUCTURE.—The term 'critical infrastructure' has the meaning given that term in section 2339D of title 18, United States Code.

"(d) DEADLINES.—

"(1) CERTIFICATION TO CONGRESS.—Not later than 90 days after the date of enactment of this Act [July 15, 2016], the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a certification that a process has been established to facilitate applications for unmanned aircraft systems operations described in this section.

"(2) FAILURE TO MEET CERTIFICATION DEADLINE.—If the Administrator cannot provide a certification under paragraph (1), the Administrator, not later than 180 days after the deadline specified in paragraph (1), shall update the process under [former] section 333 of the FAA Modernization and Reform Act of 2012 [Pub. L. 112–95] ([former] 49 U.S.C. 40101 note) to facilitate applications for unmanned aircraft systems operations described in this section.

"(e) EXEMPTIONS.—In addition to the operations described in this section, the Administrator may authorize, exempt, or otherwise allow other unmanned aircraft systems operations under [former] section 333 of the FAA Modernization and Reform Act of 2012 ([former] 49 U.S.C. 40101 note) that are conducted beyond the visual line of sight of the individual operating the unmanned aircraft system or during the day or at night.

"SEC. 2211. UNMANNED AIRCRAFT SYSTEMS RESEARCH AND DEVELOPMENT ROADMAP.

[Amended section 332 of Pub. L. 112–95, formerly set out in a note below.]

"SEC. 2212. UNMANNED AIRCRAFT SYSTEMS-MANNED AIRCRAFT COLLISION RESEARCH.

"(a) RESEARCH.—The Administrator of the Federal Aviation Administration (in this section referred to as the 'Administrator'), in continuation of ongoing work, shall coordinate with the Administrator of the National

Aeronautics and Space Administration to develop a program to conduct comprehensive testing or modeling of unmanned aircraft systems colliding with various sized aircraft in various operational settings, as considered appropriate by the Administrator, including—

"(1) collisions between unmanned aircraft systems of various sizes, traveling at various speeds, and jet aircraft of various sizes, traveling at various speeds;

"(2) collisions between unmanned aircraft systems of various sizes, traveling at various speeds, and propeller-driven aircraft of various sizes, traveling at various speeds;

"(3) collisions between unmanned aircraft systems of various sizes, traveling at various speeds, and rotorcraft of various sizes, traveling at various speeds; and

"(4) collisions between unmanned aircraft systems and various parts of the aforementioned aircraft, including—

"(A) windshields;

"(B) noses;

"(C) engines;

"(D) radomes;

"(E) propellers; and

"(F) wings.

"(b) REPORT.—Not later than 1 year after the date of enactment of this Act [July 15, 2016], the Administrator shall transmit to the Committee on Science, Space, and Technology and the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report summarizing the costs and results of research under this section.

"SEC. 2213. PROBABILISTIC METRICS RESEARCH AND DEVELOPMENT STUDY.

"(a) STUDY.—Not later than 30 days after the date of enactment of this Act [July 15, 2016], the Administrator of the Federal Aviation Administration shall enter into an arrangement with the National Academies to study the potential use of probabilistic assessments of risks by the Administration to streamline the integration of unmanned aircraft systems into the national airspace system, including any research and development necessary.

"(b) COMPLETION DATE.—Not later than 1 year after the date of enactment of this Act, the Administrator shall provide the results of the study to the Committee on Science, Space, and Technology and the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate."

UNMANNED AIRCRAFT JOINT TRAINING AND USAGE PLAN

Pub. L. 113–66, div. A, title X, §1075(a), Dec. 26, 2013, 127 Stat. 870, provided that:

"(1) METHODS.—The Secretary of Defense, the Secretary of Homeland Security, and the Administrator of the Federal Aviation Administration shall jointly develop and implement plans and procedures to review the potential of joint testing and evaluation of unmanned aircraft equipment and systems with other appropriate departments and agencies of the Federal Government that may serve the dual purpose of providing capabilities to the Department of Defense to meet the future requirements of combatant commanders and domestically to strengthen international border security.

"(2) REPORT.—Not later than 270 days after the date of the enactment of this Act [Dec. 26, 2013], the Secretary of Defense, the Secretary of Homeland Security, and the Administrator of the Federal Aviation Administration shall jointly submit to Congress a report on the status of the development of the plans and procedures required under paragraph (1), including a cost-benefit analysis of the shared expenses between the Department of Defense and other appropriate departments and agencies of the Federal Government to support such plans."

INTERAGENCY COLLABORATION

Pub. L. 112–239, div. A, title X, §1052(b), (c), Jan. 2, 2013, 126 Stat. 1935, 1936, provided that:

"(b) INTERAGENCY COLLABORATION.—

"(1) IN GENERAL.—The Secretary of Defense shall collaborate with the Administrator of the Federal Aviation Administration and the Administrator of the National Aeronautics and Space Administration to conduct research and seek solutions to challenges associated with the safe integration of unmanned aircraft systems into the National Airspace System in accordance with subtitle B of title III of the FAA Modernization and Reform Act of 2012 (Public Law 112–95; 126 Stat. 72) [49 U.S.C. 44802 note].

"(2) ACTIVITIES IN SUPPORT OF PLAN ON ACCESS TO NATIONAL AIRSPACE FOR UNMANNED AIRCRAFT SYSTEMS.—Collaboration under paragraph (1) may include research and development of scientific and technical issues, equipment, and technology in support of the plan to safely

accelerate the integration of unmanned aircraft systems as required by subtitle B of title III of the FAA Modernization and Reform Act of 2012.

"(3) NONDUPLICATIVE EFFORTS.—If the Secretary of Defense determines it is in the interest of the Department of Defense, the Secretary may use existing aerospace-related laboratories, personnel, equipment, research radars, and ground facilities of the Department of Defense to avoid duplication of efforts in carrying out collaboration under paragraph (1).

"(4) REPORTS.—

"(A) REQUIREMENT.—The Secretary of Defense, on behalf of the UAS Executive Committee, shall annually submit to the congressional defense committees, the Committee on Transportation and Infrastructure, and the Committee on Science, Space, and Technology of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate a report on the progress of research activity of the Department of Defense, including—

"(i) progress in accomplishing the goals of the unmanned aircraft systems research, development, and demonstration as related to the Department of Defense Final Report to Congress on Access to National Airspace for Unmanned Aircraft Systems of October 2010, and any ongoing and collaborative research and development programs with the Federal Aviation Administration and the National Aeronautics and Space Administration;

"(ii) estimates of long-term funding needs and details of funds expended and allocated in the budget requests of the President that support integration into the National Airspace; and

"(iii) progress in sharing with the Federal Aviation Administration safety operational and performance data as it relates to unmanned aircraft system operation and the impact on the National Airspace System.

"(B) TERMINATION.—The requirement to submit a report under subparagraph (A) shall terminate on the date that is 5 years after the date of the enactment of this Act [Jan. 2, 2013].

"(c) UAS EXECUTIVE COMMITTEE DEFINED.—In this section, the term 'UAS Executive Committee' means the National Aeronautics and Space and [sic] Administration and the Department of Defense–Federal Aviation Administration executive committee described in section 1036(b) of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 [Pub. L. 110–417; 122 Stat. 4597] and established by the Secretary of Defense and the Administrator of the Federal Aviation Administration."

UNMANNED AIRCRAFT SYSTEMS

Pub. L. 112–95, title III, subtitle B, Feb. 14, 2012, 126 Stat. 72, as amended by Pub. L. 114–190, title I, §1102(i), title II, §§2201(b), 2211, July 15, 2016, 130 Stat. 618, 628, 636; Pub. "SEC. 331. DEFINITIONS.

"In this subtitle, the following definitions apply:

"(1) ARCTIC.—The term 'Arctic' means the United States zone of the Chukchi Sea, Beaufort Sea, and Bering Sea north of the Aleutian chain.

"(2) CERTIFICATE OF WAIVER; CERTIFICATE OF AUTHORIZATION.—The terms 'certificate of waiver' and 'certificate of authorization' mean a Federal Aviation Administration grant of approval for a specific flight operation.

"(3) PERMANENT AREAS.—The term 'permanent areas' means areas on land or water that provide for launch, recovery, and operation of small unmanned aircraft.

"(4) PUBLIC UNMANNED AIRCRAFT SYSTEM.—The term 'public unmanned aircraft system' means an unmanned aircraft system that meets the qualifications and conditions required for operation of a public aircraft (as defined in section 40102 of title 49, United States Code).

"(5) SENSE AND AVOID CAPABILITY.—The term 'sense and avoid capability' means the capability of an unmanned aircraft to remain a safe distance from and to avoid collisions with other airborne aircraft.

"(6) SMALL UNMANNED AIRCRAFT.—The term 'small unmanned aircraft' means an unmanned aircraft weighing less than 55 pounds, including everything that is on board or otherwise attached to the aircraft.

"(7) TEST RANGE.—

"(A) IN GENERAL.—The term 'test range' means a defined geographic area where research and development are conducted as authorized by the Administrator of the Federal Aviation Administration.

"(B) INCLUSIONS.—The term 'test range' includes any of the 6 test ranges established by the Administrator of the Federal Aviation Administration under section 332(c), as in effect on the day before the date of enactment of this subparagraph [July 15, 2016], and any public entity authorized by the

Federal Aviation Administration as an unmanned aircraft system flight test center before January 1, 2009.

"(8) UNMANNED AIRCRAFT.—The term 'unmanned aircraft' means an aircraft that is operated without the possibility of direct human intervention from within or on the aircraft.

"(9) UNMANNED AIRCRAFT SYSTEM.—The term 'unmanned aircraft system' means an unmanned aircraft and associated elements (including communication links and the components that control the unmanned aircraft) that are required for the pilot in command to operate safely and efficiently in the national airspace system.

"[SEC. 332. REPEALED. PUB. L. 115–254, DIV. B, TITLE III, §341(B)(2), OCT. 5, 2018, 132 STAT. 3287.]

"[SEC. 333. REPEALED. PUB. L. 115–254, DIV. B, TITLE III, §347(B)(2), OCT. 5, 2018, 132 STAT. 3296.]

"SEC. 335. SAFETY STUDIES.

"The Administrator of the Federal Aviation Administration shall carry out all safety studies necessary to support the integration of unmanned aircraft systems into the national airspace system.

"[SEC. 336. REPEALED. PUB. L. 115–254, DIV. B, TITLE III, §349(B)(2), OCT. 5, 2018, 132 STAT. 3300.]"

UNMANNED AERIAL SYSTEMS AND NATIONAL AIRSPACE

Pub. L. 112–81, div. A, title X, §1097, Dec. 31, 2011, 125 Stat. 1608, provided that:

"(a) ESTABLISHMENT.—Not later than 180 days after the date of the enactment of this Act [Dec. 31, 2011], the Administrator of the Federal Aviation Administration shall establish a program to integrate unmanned aircraft systems into the national airspace system at six test ranges.

"(b) PROGRAM REQUIREMENTS.—In establishing the program under subsection (a), the Administrator shall—

"(1) safely designate nonexclusionary airspace for integrated manned and unmanned flight operations in the national airspace system;

"(2) develop certification standards and air traffic requirements for unmanned flight operations at test ranges;

"(3) coordinate with and leverage the resources of the Department of Defense and the National Aeronautics and Space Administration;

"(4) address both civil and public unmanned aircraft systems;

"(5) ensure that the program is coordinated with the Next Generation Air Transportation System; and

"(6) provide for verification of the safety of unmanned aircraft systems and related navigation procedures before integration into the national airspace system.

"(c) LOCATIONS.—In determining the location of a test range for the program under subsection (a), the Administrator shall—

"(1) take into consideration geographic and climatic diversity;

"(2) take into consideration the location of ground infrastructure and research needs; and

"(3) consult with the Department of Defense and the National Aeronautics and Space Administration.

"(d) TEST RANGE OPERATION.—A project at a test range shall be operational not later than 180 days after the date on which the project is established.

"(e) REPORT.—Not later than 90 days after the date of completing each of the pilot projects, the Administrator shall submit to the appropriate congressional committees a report setting forth the Administrator's findings and conclusions concerning the projects that includes a description and assessment of the progress being made in establishing special use airspace to fill the immediate need of the Department of Defense to develop detection techniques for small unmanned aircraft systems and to validate sensor integration and operation of unmanned aircraft systems.

"(f) DURATION.—The program under subsection (a) shall terminate on the date that is five years after the date of the enactment of this Act [Dec. 31, 2011].

"(g) DEFINITION.—In this section:

"(1) The term 'appropriate congressional committees' means—

"(A) the Committee on Armed Services, the Committee on Transportation and Infrastructure, and the Committee on Science, Space, and Technology of the House of Representatives; and

"(B) the Committee on Armed Services and the Committee on Commerce, Science, and Transportation of the Senate.

"(2) The term 'test range' means a defined geographic area where research and development are conducted."

EXECUTIVE DOCUMENTS

EX. ORD. NO. 14307. UNLEASHING AMERICAN DRONE DOMINANCE

Ex. Ord. No. 14307, June 6, 2025, 90 F.R. 24727, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered:

SECTION 1. *Purpose*. Unmanned aircraft systems (UAS), otherwise known as drones, enhance United States productivity, create high-skilled jobs, and are reshaping the future of aviation. Drones are already transforming industries from logistics and infrastructure inspection to precision agriculture, emergency response, and public safety. Emerging technologies such as electric Vertical Takeoff and Landing (eVTOL) aircraft promise to modernize methods for cargo delivery, passenger transport, and other advanced air mobility capabilities.

The United States must accelerate the safe commercialization of drone technologies and fully integrate UAS into the National Airspace System. The time has come to accelerate testing and to enable routine drone operations, scale up domestic production, and expand the export of trusted, American-manufactured drone technologies to global markets. Building a strong and secure domestic drone sector is vital to reducing reliance on foreign sources, strengthening critical supply chains, and ensuring that the benefits of this technology are delivered to the American people.

SEC. 2. *Definitions*. For the purposes of this order:

(a) The term "agency" has the meaning given to the term in 44 U.S.C. 3502(1).

(b) The terms "unmanned aircraft system" and "drone" have the meaning given to the term "unmanned aircraft system" in 49 U.S.C. 44801(12).

SEC. 3. *Policy*. It is the policy of the United States to ensure continued American leadership in the development, commercialization, and export of UAS by:

(a) accelerating the safe integration of UAS into the National Airspace System through timely, risk-based rulemaking that enables routine advanced operations;

(b) advancing the domestic commercialization of UAS technologies at scale, including their safe and secure manufacturing, production, and integration, by supporting industry-led innovation, reducing regulatory uncertainty, and streamlining approvals and certification processes, including for consumer goods delivery and environmental reviews; and

(c) strengthening the domestic drone industrial base and promoting the export of trusted, American-manufactured UAS through updated economic policies and regulation, coordinated trade, financing, and foreign engagement tools.

SEC. 4. *Expanding Commercial Unmanned Aircraft Systems Operations*. (a) Within 30 days of the date of this order [June 6, 2025], the Secretary of Transportation, acting through the Administrator of the Federal Aviation Administration (FAA), shall issue a proposed rule enabling routine Beyond Visual Line of Sight (BVLOS) operations for UAS for commercial and public safety purposes. A final rule shall be published within 240 days of the date of this order, as appropriate.

(b) Within 30 days of the date of this order, the Secretary of Transportation, acting through the Administrator of the FAA, shall establish clear metrics for assessing the performance and safety of BVLOS operations, and within 180 days of the date of this order, shall identify and describe additional regulatory barriers and challenges to BVLOS implementation, with recommendations to the President through the Director of the Office of Science and Technology Policy (OSTP) for addressing such issues expeditiously and informing future rulemaking or legislative actions.

(c) Within 120 days of the date of this order, the Secretary of Transportation, acting through the Administrator of the FAA, shall initiate the deployment of artificial intelligence (AI) tools to assist in and expedite the review of UAS waiver applications under 14 CFR part 107. These AI tools shall:

(i) support performance- and risk-based evaluation of proposed operations;

(ii) identify materially similar precedents and recommend consistent mitigation measures;

(iii) assist the FAA in identifying categories of operations with sufficient safety data or recurring approval patterns that may warrant further rulemaking to eliminate the need for individualized waivers; and

(iv) be used in accordance with guidance on Federal use of AI as detailed in Office of Management and Budget Memorandum M-25-21.

(d) The Secretary of Transportation, acting through the Administrator of the FAA, shall immediately explore options to ensure that UAS flights beginning and ending in United States airspace, or United States-owned facilities in the high seas, can operate without being subject to the onerous requirements applicable to manned aircraft engaging in international navigation as referenced in the Convention on International Civil Aviation.

SEC. 5. *Furthering Unmanned Aircraft Systems Integration into the National Airspace System*. (a) Within 240 days of the date of this order, the Secretary of Transportation, acting through the Administrator of the FAA, shall publish an updated roadmap for the integration of civil UAS into the National Airspace System.

(b) The Secretary of Transportation, acting through the Administrator of the FAA, shall ensure all FAA UAS Test Ranges are fully utilized to support the development, testing, and scaling of American drone technologies, with a focus on BVLOS operations, increasingly autonomous operations, advanced air mobility, and other advanced operations. The Secretary shall prioritize the generation of safety and performance data at UAS Test Ranges to inform FAA rulemaking, identify regulatory gaps and operational challenges, and support the integration of emerging UAS capabilities into the National Airspace System.

SEC. 6. *Establishment of an Electric Vertical Takeoff and Landing Pilot Program*. (a) The Secretary of Transportation, acting through the Administrator of the FAA, and in coordination with the Director of OSTP, shall establish the eVTOL Integration Pilot Program (eIPP) as an extension of the BEYOND program to accelerate the deployment of safe and lawful eVTOL operations in the United States.

(i) Within 90 days of the date of this order, the Secretary of Transportation, acting through the Administrator of the FAA, shall issue a public request for proposals to State, local, tribal, and territorial governments. Proposals must be submitted within 90 days of the request and include a private sector partner with demonstrated experience in eVTOL aircraft development, manufacturing, and operations.

(ii) Within 180 days of the request, the Secretary of Transportation, acting through the Administrator of the FAA, shall select at least five pilot projects that plan to begin eVTOL operations within 90 days after the date on which any agreement for a pilot project is established. Selection criteria shall include, at a minimum, the use of eVTOL aircraft and technologies developed or offered by a United States-based entity; overall representation of economic and geographic operations and proposed models of public-private partnership; and overall representation of the operations to be conducted, including advanced air mobility, medical response, cargo transport, and rural access.

(iii) The Secretary of Transportation, acting through the Administrator of the FAA, shall execute agreements with selected applicants, outlining project goals, regulatory needs, timelines, information sharing and data exchange mechanisms, and responsibilities. The Secretary of Transportation shall use all available authorities to the fullest extent to support safe and timely operations under the eIPP.

(iv) Within 180 days after the selection of pilot program participants, the Secretary of Transportation shall submit an initial implementation report to the President through the Director of OSTP, summarizing early-stage planning, interagency coordination, and any immediate regulatory or legislative challenges identified. The Secretary of Transportation shall submit an annual report thereafter and, upon program completion, shall submit a final report to the President, through the Director of OSTP, that includes, at a minimum, an evaluation of program goals and outcomes; recommendations for the permanent integration of eVTOL operations into the national airspace; and any proposed future initiatives to maintain United States leadership in eVTOL flight.

(v) The eIPP shall conclude 3 years after the date the first pilot project becomes operational, unless the Secretary of Transportation determines that an extension is warranted in the national interest.

(vi) Before and after the conclusion of the eIPP, the Secretary of Transportation shall use the information and experience yielded by the eIPP to inform the development of regulations, initiatives, and plans to enable safe eVTOL operations, and shall, as appropriate, share information with the Secretary of Defense, the Attorney General, the Secretary of Homeland Security, and the heads of other relevant agencies.

(vii) The Secretary of Transportation, in consultation with the Director of OSTP, may expand this pilot program to other advanced aviation aircraft as warranted.

SEC. 7. *Strengthening the American Drone Industrial Base*. (a) All agencies shall prioritize the integration of UAS manufactured in the United States over those made abroad to the maximum extent permitted by law.

(b) In order to protect the integrity of America's drone supply chain and ensure our technology remains secure from undue foreign influence and exploitation, within 30 days of the date of this order, the Federal Acquisition Security Council shall publish a Covered Foreign Entity List, as defined in section 1822(1) of the National Defense Authorization Act for Fiscal Year 2024 (Public Law 118–31) [41 U.S.C. 3901 prec note], identifying companies that pose supply chain risks.

(c) To ensure that vital components remain under American control and free from national security risks, within 90 days of the date of this order, the Secretary of Commerce shall take actions, including proposing rulemaking and conducting investigations, to secure the United States drone supply chain against foreign control or exploitation.

SEC. 8. *Promoting the Export of American-Made Civil Unmanned Aircraft Systems*. (a) The Secretary of Commerce, in coordination with the Secretary of State, the Secretary of Defense, and the Secretary of Energy, shall review and, as appropriate and consistent with applicable law, amend export control regulations within

90 days of the date of this order to enable the expedited export of United States-manufactured civil UAS to foreign partners, provided such end-users and recipient countries are not identified as foreign adversaries and the export does not pose a risk of diversion to programs of concern, or are otherwise restricted under applicable statutes or regulations.

(b) The Secretary of Commerce shall designate the export of United States-manufactured civil UAS as a priority area within the Department of Commerce's export promotion efforts and shall coordinate interagency initiatives to expand market access, reduce foreign trade barriers, and promote international interoperability.

(c) The Secretary of Defense, the President of the Export-Import Bank of the United States, the Chief Executive Officer of the United States International Development Finance Corporation, and the Director of the Trade and Development Agency shall, to the maximum extent permitted by law, prioritize and support the export of United States-manufactured civil UAS and related systems through the use of, as appropriate:

(i) direct loans and loan guarantees;

(ii) equity investments and co-financing;

(iii) political risk insurance and credit guarantees;

(iv) technical assistance, feasibility studies, and grant mechanisms;

(v) market access facilitation; and

(vi) any other incentive mechanisms authorized by law.

SEC. 9. *Delivering Drones to Our Warfighters*. (a) The Department of Defense must be able to procure, integrate, and train using low-cost, high-performing drones manufactured in the United States. The Secretary of Defense shall:

(i) ensure all platforms on the Defense Innovation Unit's (DIU) Blue UAS List can, as soon as possible and to the fullest extent practicable, operate on all military installations or ranges without requiring an exception to policy;

(ii) within 90 days of the date of this order, expand DIU's Blue UAS List to include all drones and critical drone components compliant with section 848 of the National Defense Authorization Act for Fiscal Year 2020 ("FY 2020 NDAA") (Public Law 116–92) [10 U.S.C 4871 note] to the fullest extent practicable;

(iii) update the Blue UAS List on a monthly basis;

(iv) ensure the procurement of drones compliant with section 848 of the FY 2020 NDAA and made by United States companies is prioritized over the procurement of drones made by all other companies to the maximum extent practicable and that exemptions and waivers to section 848 of the FY 2020 NDAA are used only when absolutely necessary to accomplish the mission; and

(v) ensure that compliance with section 848 of the FY 2020 NDAA does not inhibit the rapid adoption of drone technology required to exceed the capabilities of our foreign adversaries.

(b) Within 90 days of the date of this order, the Secretary of Defense shall coordinate with the Secretary of Transportation, acting through the Administrator of the FAA to streamline the approval processes to expand access to airspace for conducting UAS training. Within 90 days of the date of this order, the Secretary of Defense shall, in consultation with the Secretary of Commerce, acting through the Assistant Secretary of Commerce for Communications and Information, and the Federal Communications Commission, submit a report to the President through the Assistant to the President for National Security Affairs (APNSA) describing any unnecessary barriers to accessing electromagnetic spectrum for conducting UAS training.

(c) Within 90 days of the date of this order, the Secretary of Defense shall task the Secretary of each military department to identify programs that would be more cost efficient or lethal if replaced by UAS and shall submit a report to the President through the APNSA.

SEC. 10. *General Provisions*. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) The costs for publication of this order shall be borne by the Department of Transportation.

DONALD J. TRUMP.

PROMOTING ECONOMIC COMPETITIVENESS WHILE SAFEGUARDING PRIVACY, CIVIL RIGHTS, AND CIVIL LIBERTIES IN DOMESTIC USE OF UNMANNED AIRCRAFT SYSTEMS

Memorandum of President of the United States, Feb. 15, 2015, 80 F.R. 9355, provided:

Memorandum for the Heads of Executive Departments and Agencies

Unmanned Aircraft Systems (UAS) technology continues to improve rapidly, and increasingly UAS are able to perform a variety of missions with greater operational flexibility and at a lower cost than comparable manned aircraft. A wide spectrum of domestic users—including industry, private citizens, and Federal, State, local, tribal, and territorial governments—are using or expect to use these systems, which may play a transformative role in fields as diverse as urban infrastructure management, farming, public safety, coastal security, military training, search and rescue, and disaster response.

The Congress recognized the potential wide-ranging benefits of UAS operations within the United States in the FAA Modernization and Reform Act of 2012 (Public Law 112–95), which requires a plan to safely integrate civil UAS into the National Airspace System (NAS) by September 30, 2015. As compared to manned aircraft, UAS may provide lower-cost operation and augment existing capabilities while reducing risks to human life. Estimates suggest the positive economic impact to U.S. industry of the integration of UAS into the NAS could be substantial and likely will grow for the foreseeable future.

As UAS are integrated into the NAS, the Federal Government will take steps to ensure that the integration takes into account not only our economic competitiveness and public safety, but also the privacy, civil rights, and civil liberties concerns these systems may raise.

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to establish transparent principles that govern the Federal Government's use of UAS in the NAS, and to promote the responsible use of this technology in the private and commercial sectors, it is hereby ordered as follows:

SECTION 1. *UAS Policies and Procedures for Federal Government Use*. The Federal Government currently operates UAS in the United States for several purposes, including to manage Federal lands, monitor wildfires, conduct scientific research, monitor our borders, support law enforcement, and effectively train our military. As with information collected by the Federal Government using any technology, where UAS is the platform for collection, information must be collected, used, retained, and disseminated consistent with the Constitution, Federal law, and other applicable regulations and policies. Agencies must, for example, comply with the Privacy Act of 1974 (5 U.S.C. 552a) (the "Privacy Act"), which, among other things, restricts the collection and dissemination of individuals' information that is maintained in systems of records, including personally identifiable information (PII), and permits individuals to seek access to and amendment of records.

(a) *Privacy Protections*. Particularly in light of the diverse potential uses of UAS in the NAS, expected advancements in UAS technologies, and the anticipated increase in UAS use in the future, the Federal Government shall take steps to ensure that privacy protections and policies relative to UAS continue to keep pace with these developments. Accordingly, agencies shall, prior to deployment of new UAS technology and at least every 3 years, examine their existing UAS policies and procedures relating to the collection, use, retention, and dissemination of information obtained by UAS, to ensure that privacy, civil rights, and civil liberties are protected. Agencies shall update their policies and procedures, or issue new policies and procedures, as necessary. In addition to requiring compliance with the Privacy Act in applicable circumstances, agencies that collect information through UAS in the NAS shall ensure that their policies and procedures with respect to such information incorporate the following requirements:

(i) *Collection and Use*. Agencies shall only collect information using UAS, or use UAS-collected information, to the extent that such collection or use is consistent with and relevant to an authorized purpose.

(ii) *Retention*. Information collected using UAS that may contain PII shall not be retained for more than 180 days unless retention of the information is determined to be necessary to an authorized mission of the retaining agency, is maintained in a system of records covered by the Privacy Act, or is required to be retained for a longer period by any other applicable law or regulation.

(iii) *Dissemination*. UAS-collected information that is not maintained in a system of records covered by the Privacy Act shall not be disseminated outside of the agency unless dissemination is required by law, or fulfills an authorized purpose and complies with agency requirements.

(b) *Civil Rights and Civil Liberties Protections*. To protect civil rights and civil liberties, agencies shall:

(i) ensure that policies are in place to prohibit the collection, use, retention, or dissemination of data in any manner that would violate the First Amendment or in any manner that would discriminate against persons based upon their ethnicity, race, gender, national origin, religion, sexual orientation, or gender identity, in violation of law;

(ii) ensure that UAS activities are performed in a manner consistent with the Constitution and applicable laws, Executive Orders, and other Presidential directives; and

(iii) ensure that adequate procedures are in place to receive, investigate, and address, as appropriate, privacy, civil rights, and civil liberties complaints.

(c) *Accountability*. To provide for effective oversight, agencies shall:

(i) ensure that oversight procedures for agencies' UAS use, including audits or assessments, comply with existing agency policies and regulations;

(ii) verify the existence of rules of conduct and training for Federal Government personnel and contractors who work on UAS programs, and procedures for reporting suspected cases of misuse or abuse of UAS technologies;

(iii) establish policies and procedures, or confirm that policies and procedures are in place, that provide meaningful oversight of individuals who have access to sensitive information (including any PII) collected using UAS;

(iv) ensure that any data-sharing agreements or policies, data use policies, and record management policies applicable to UAS conform to applicable laws, regulations, and policies;

(v) establish policies and procedures, or confirm that policies and procedures are in place, to authorize the use of UAS in response to a request for UAS assistance in support of Federal, State, local, tribal, or territorial government operations; and

(vi) require that State, local, tribal, and territorial government recipients of Federal grant funding for the purchase or use of UAS for their own operations have in place policies and procedures to safeguard individuals' privacy, civil rights, and civil liberties prior to expending such funds.

(d) *Transparency*. To promote transparency about their UAS activities within the NAS, agencies that use UAS shall, while not revealing information that could reasonably be expected to compromise law enforcement or national security:

(i) provide notice to the public regarding where the agency's UAS are authorized to operate in the NAS;

(ii) keep the public informed about the agency's UAS program as well as changes that would significantly affect privacy, civil rights, or civil liberties; and

(iii) make available to the public, on an annual basis, a general summary of the agency's UAS operations during the previous fiscal year, to include a brief description of types or categories of missions flown, and the number of times the agency provided assistance to other agencies, or to State, local, tribal, or territorial governments.

(e) *Reports*. Within 180 days of the date of this memorandum, agencies shall provide the President with a status report on the implementation of this section. Within 1 year of the date of this memorandum, agencies shall publish information on how to access their publicly available policies and procedures implementing this section.

SEC. 2. *Multi-stakeholder Engagement Process*. In addition to the Federal uses of UAS described in section 1 of this memorandum, the combination of greater operational flexibility, lower capital requirements, and lower operating costs could allow UAS to be a transformative technology in the commercial and private sectors for fields as diverse as urban infrastructure management, farming, and disaster response. Although these opportunities will enhance American economic competitiveness, our Nation must be mindful of the potential implications for privacy, civil rights, and civil liberties. The Federal Government is committed to promoting the responsible use of this technology in a way that does not diminish rights and freedoms.

(a) There is hereby established a multi-stakeholder engagement process to develop and communicate best practices for privacy, accountability, and transparency issues regarding commercial and private UAS use in the NAS. The process will include stakeholders from the private sector.

(b) Within 90 days of the date of this memorandum, the Department of Commerce, through the National Telecommunications and Information Administration, and in consultation with other interested agencies, will initiate this multi-stakeholder engagement process to develop a framework regarding privacy, accountability, and transparency for commercial and private UAS use. For this process, commercial and private use includes the use of UAS for commercial purposes as civil aircraft, even if the use would qualify a UAS as a public aircraft under 49 U.S.C. 40102(a)(41) and 40125. The process shall not focus on law enforcement or other noncommercial governmental use.

SEC. 3. *Definitions*. As used in this memorandum:

(a) "Agencies" means executive departments and agencies of the Federal Government that conduct UAS operations in the NAS.

(b) "Federal Government use" means operations in which agencies operate UAS in the NAS. Federal Government use includes agency UAS operations on behalf of another agency or on behalf of a State, local, tribal, or territorial government, or when a nongovernmental entity operates UAS on behalf of an agency.

(c) "National Airspace System" means the common network of U.S. airspace; air navigation facilities, equipment, and services; airports or landing areas; aeronautical charts, information, and services; related rules, regulations, and procedures; technical information; and manpower and material. Included in this definition are system components shared jointly by the Departments of Defense, Transportation, and Homeland Security.

(d) "Unmanned Aircraft System" means an unmanned aircraft (an aircraft that is operated without direct human intervention from within or on the aircraft) and associated elements (including communication links and components that control the unmanned aircraft) that are required for the pilot or system operator in command to operate safely and efficiently in the NAS.

(e) "Personally identifiable information" refers to information that can be used to distinguish or trace an individual's identity, either alone or when combined with other personal or identifying information that is linked or linkable to a specific individual, as set forth in Office of Management and Budget Memorandum M–07–16 (May 22, 2007) and Office of Management and Budget Memorandum M–10–23 (June 25, 2010).

SEC. 4. *General Provisions*. (a) This memorandum complements and is not intended to supersede existing laws and policies for UAS operations in the NAS, including the National Strategy for Aviation Security and its supporting plans, the FAA Modernization and Reform Act of 2012, the Federal Aviation Administration's (FAA's) Integration of Civil UAS in the NAS Roadmap, and the FAA's UAS Comprehensive Plan.

(b) This memorandum shall be implemented consistent with applicable law, and subject to the availability of appropriations.

(c) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department, agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(d) Independent agencies are strongly encouraged to comply with this memorandum.

(e) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(f) The Secretary of Commerce is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

UNMANNED AIRCRAFT SYSTEMS INTEGRATION PILOT PROGRAM

Memorandum of President of the United States, Oct. 25, 2017, 82 F.R. 50301, provided:

Memorandum for the Secretary of Transportation

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Policy*. It shall be the policy of the United States to promote the safe operation of unmanned aircraft systems (UAS) and enable the development of UAS technologies for use in agriculture, commerce, emergency management, human transportation, and other sectors. Compared to manned aircraft, UAS provide novel, low-cost capabilities for both public and private applications. UAS present opportunities to enhance the safety of the American public, increase the efficiency and productivity of American industry, and create tens of thousands of new American jobs.

The private sector has rapidly advanced UAS capabilities to address the needs of recreational, commercial, and public users. To promote continued technological innovation and to ensure the global leadership of the United States in this emerging industry, the regulatory framework for UAS operations must be sufficiently flexible to keep pace with the advancement of UAS technology, while balancing the vital Federal roles in protecting privacy and civil liberties; mitigating risks to national security and homeland security; and protecting the safety of the American public, critical infrastructure, and the Nation's airspace. Well-coordinated integration of UAS into the national airspace system (NAS) alongside manned aircraft will increase the safety of the NAS and enable the authorization of more complex UAS operations.

The Federal Aviation Administration (FAA) has taken steps to integrate UAS into the NAS at specific test sites and has issued operational requirements for small UAS operations in the NAS. Further integration will require continued private-sector cooperation and the involvement of State, local, and tribal governments in Federal efforts to develop and enforce regulations on UAS operations in their jurisdictions. Input from State, local, tribal, and private-sector stakeholders will be necessary to craft an optimal strategy for the national management of UAS operations. A coordinated effort between the private sector and among these governments will provide certainty and stability to UAS owners and operators, maximize the benefits of UAS technologies for the public, and mitigate risks to public safety and security.

SEC. 2. *UAS Integration Pilot Program*. (a) Within 90 days of the date of this memorandum, the Secretary of Transportation (Secretary), in consultation with the Administrator of the FAA (Administrator), shall establish a UAS Integration Pilot Program (Program) to test the further integration of UAS into the NAS in a select number of State, local, and tribal jurisdictions.

(b) The objectives of the Program shall be to:

(i) test and evaluate various models of State, local, and tribal government involvement in the development and enforcement of Federal regulations for UAS operations;

(ii) encourage UAS owners and operators to develop and safely test new and innovative UAS concepts of operations; and

(iii) inform the development of future Federal guidelines and regulatory decisions on UAS operations nationwide.

SEC. 3. *Implementation*. (a) To implement the Program, the Secretary or the Administrator, as appropriate, shall:

(i) solicit proposals from State, local, and tribal governments to test within their jurisdictions the integration of civil and public UAS operations into the NAS below 200 feet above ground level, or up to 400 feet above ground level if the Secretary determines that such an adjustment would be appropriate;

(ii) select proposals by State, local, and tribal governments for participation in the Program according to the criteria listed in subsection (b) of this section;

(iii) enter into agreements with the selected governments to establish the terms of their involvement in UAS operations within their jurisdictions, including their support for Federal enforcement responsibilities; describe the proposed UAS operations to be conducted; and identify the entities that will conduct such operations, including, if applicable, the governments themselves; and

(iv) as necessary, use existing authorities to grant exceptions, exemptions, authorizations, and waivers from FAA regulations to the entities identified in the agreements described in subsection (iii) of this section [sic], including through the issuance of waivers under 14 CFR Part 107 and Certificates of Waiver or Authorization under [former] section 333 of the FAA Modernization and Reform Act of 2012 (FMRA) (Public Law 112–95) [see note above].

(b) In selecting proposals for participation in the Program under subsection (a) of this section, the Secretary shall consider:

(i) overall economic, geographic, and climatic diversity of the selected jurisdictions;

(ii) overall diversity of the proposed models of government involvement;

(iii) overall diversity of the UAS operations to be conducted;

(iv) the location of critical infrastructure;

(v) the involvement of commercial entities in the proposal, and their ability to advance objectives that may serve the public interest as a result of further integration of UAS into the NAS;

(vi) the involvement of affected communities in, and their support for, participating in the Program;

(vii) the commitment of the governments and UAS operators involved in the proposal to comply with requirements related to national defense, homeland security, and public safety, and to address competition, privacy, and civil liberties concerns; and

(viii) the commitment of the governments and UAS operators involved in the proposal to achieve the following policy objectives:

(A) promoting innovation and economic development;

(B) enhancing transportation safety;

(C) enhancing workplace safety;

(D) improving emergency response and search and rescue functions; and

(E) using radio spectrum efficiently and competitively.

(c) Within 180 days of the establishment of the Program, the Secretary shall enter into agreements with State, local, or tribal governments to participate in the Program, with the goal of entering into at least 5 such agreements by that time.

(d) In carrying out subsection (c) of this section, the Secretary shall select State, local, or tribal governments that plan to begin integration of UAS into the NAS in their jurisdictions within 90 days after the date on which the agreement is established.

(e) The Secretary shall consider new proposals for participation in the Program up to 1 year before the Program is scheduled to terminate.

(f) The Secretary shall apply best practices from existing FAA test sites, waivers granted under 14 CFR part 107, exemptions granted under [former] section 333 of the FMRA, the FAA Focus Area Pathfinder Program, and any other relevant programs in order to expedite the consideration of exceptions, exemptions, authorizations, and waivers from FAA regulations to be granted under the Program, as described in subsection (a)(iv) of this section.

(g) The Secretary shall address any non-compliance with the terms of exceptions, exemptions, authorizations, waivers granted, or agreements made with UAS users or participating jurisdictions in a timely and appropriate manner, including by revoking or modifying the relevant terms.

SEC. 4. *Coordination*. (a) The Administrator, in coordination with the Administrator of the National

Aeronautics and Space Administration, shall apply relevant information collected during the Program and preliminary findings to inform the development of the UAS Traffic Management System under section 2208 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190) [set out in a note above].

(b) The Secretary, in coordination with the Secretaries of Defense and Homeland Security and the Attorney General, shall take necessary and appropriate steps to:

(i) mitigate risks to public safety and homeland and national security when selecting proposals and implementing the Program; and

(ii) monitor compliance with relevant laws and regulations to ensure that Program activities do not interfere with national defense, homeland security, or law enforcement operations and missions.

(c) The heads of executive departments and agencies with relevant law enforcement responsibilities (Federal law enforcement agencies), including the Attorney General and the Secretary of Homeland Security, shall develop and implement best practices to enforce the laws and regulations governing UAS operations conducted under the Program.

(d) In carrying out the responsibilities set forth in subsection (c) of this section, the heads of Federal law enforcement agencies shall coordinate with the Secretaries of Defense and Transportation, as well as with the relevant State, local, or tribal law enforcement agencies.

(e) In implementing the Program, the Secretary shall coordinate with the Secretaries of Defense and Homeland Security and the Attorney General to test counter-UAS capabilities, as well as platform and system-wide cybersecurity, to the extent appropriate and consistent with law.

SEC. 5. *Evaluation and Termination of UAS Integration Pilot Program*. (a) The Program shall terminate 3 years from the date of this memorandum, unless extended by the Secretary.

(b) Before and after the termination of the Program, the Secretary shall use the information and experience yielded by the Program to inform the development of regulations, initiatives, and plans to enable safer and more complex UAS operations, and shall, as appropriate, share information with the Secretaries of Defense and Homeland Security, the Attorney General, and the heads of other executive departments and agencies.

(c) After the date of this memorandum and until the Program is terminated, the Secretary, in consultation with the Secretaries of Defense and Homeland Security and the Attorney General, shall submit an annual report to the President setting forth the Secretary's interim findings and conclusions concerning the Program. Not later than 90 days after the Program is terminated, the Secretary shall submit a final report to the President setting forth the Secretary's findings and conclusions concerning the Program.

SEC. 6. *Definitions*. As used in this memorandum, the next stated terms, in singular and plural, are defined as follows:

(a) The term "unmanned aircraft system" has the meaning given that term in section 331 of the FMRA [Pub. L. 112–95, set out in a note above].

(b) The term "public unmanned aircraft system" has the meaning given that term in section 331 of the FMRA.

(c) The term "civil unmanned aircraft system" means an unmanned aircraft system that meets the qualifications and conditions required for operation of a civil aircraft, as defined in 49 U.S.C. 40102.

SEC. 7. *General Provisions*. (a) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof;

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals; or

(iii) the conduct of public aircraft operations, as defined in 49 U.S.C. 40102(a)(41) and 40125, by executive departments and agencies, consistent with applicable Federal law.

(b) This memorandum shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) The Secretary is authorized and directed to publish this memorandum in the Federal Register.

DONALD J. TRUMP.

§44803. Unmanned aircraft system test ranges

(a) TEST RANGES.—

(1) IN GENERAL.—The Administrator of the Federal Aviation Administration shall carry out and update, as appropriate, a program for the use of unmanned aircraft system (in this section referred to as UAS) test ranges to—

(A) enable a broad variety of development, testing, and evaluation activities related to UAS and associated technologies; and

(B) the extent consistent with aviation safety and efficiency, support the safe integration of unmanned aircraft systems into the national airspace system.

(2) DESIGNATIONS.—

(A) EXISTING TEST RANGES.—Test ranges designated under this section shall include the 7 test ranges established under the following:

(i) Section 332(c) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note), as in effect on the day before the date of enactment of the FAA Reauthorization Act of 2018 (Public Law 115–254).

(ii) Any other test ranges designated pursuant to the amendment made by section 2201(b) of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 40101 note) after the date of enactment of such Act.

(B) NEW TEST RANGES.—If the Administrator finds that it is in the best interest of enabling safe UAS integration into the national airspace system, the Administrator may select and designate as a test range under this section up to 2 additional test ranges in accordance with the requirements of this section through a competitive selection process.

(C) LIMITATION.—Not more than 9 test ranges designated under this section shall be part of the program established under this section at any given time.

(3) ELIGIBILITY.—Test ranges selected by the Administrator pursuant to (2)(B) shall—

(A) be an instrumentality of a State, local, Tribal, or territorial government or other public entity;

(B) be approved by the chief executive officer of the State, local, territorial, or Tribal government for the principal place of business of the applicant, prior to seeking designation by the Administrator;

(C) undertake and ensure testing and evaluation of innovative concepts, technologies, and operations that will offer new safety benefits, including developing and retaining an advanced aviation industrial base within the United States; and

(D) meet any other requirements established by the Administrator.

(b) AIRSPACE REQUIREMENTS.—

(1) IN GENERAL.—In carrying out the program under subsection (a), the Administrator may establish, upon the request of a test range sponsor designated by the Administrator under subsection (a), a restricted area, special use airspace, or other similar type of airspace pursuant to part 73 of title 14, Code of Federal Regulations, for purposes of—

(A) accommodating hazardous development, testing, and evaluation activities to inform the safe integration of unmanned aircraft systems into the national airspace system; or

(B) other activities authorized by the Administrator pursuant to subsection (f).

(2) NEPA REVIEW.—The Administrator may require that each test range sponsor designated by the Administrator under subsection (a) provide a draft environmental review consistent with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), subject to the supervision of and adoption by the Administrator, with respect to any request for the establishment of a restricted area, special use airspace, or other similar type of airspace under this subsection.

(3) INACTIVE RESTRICTED AREA OR SPECIAL USE AIRSPACE.—

(A) IN GENERAL.—In the event a restricted area, special use airspace, or other similar type

of airspace established under paragraph (1) is not needed to meet the needs of the using agency (as described in subparagraph (B)), any related airspace restrictions, limitations, or designations shall be inactive.

(B) USING AGENCY.—For purposes of this subsection, a test range sponsor designated by the Administrator under subsection (a) shall be considered the using agency with respect to a restricted area established by the Administrator under this subsection.

(4) APPROVAL AUTHORITY.—The Administrator shall have the authority to approve access by a participating or nonparticipating operator to a test range or restricted area, special use airspace, or other similar type of airspace established by the Administrator under this subsection.

(c) PROGRAM REQUIREMENTS.—In carrying out the program under subsection (a), the Administrator—

(1) may develop operational standards and air traffic requirements for flight operations at test ranges;

(2) shall coordinate with, and leverage the resources of, the Administrator of the National Aeronautics and Space Administration and other relevant Federal agencies, as determined appropriate by the Administrator;

(3) shall address both civil and public aircraft operations;

(4) shall provide for verification of the safety of flight systems and related navigation procedures as such systems and procedures relate to the continued development of regulations and standards for integration of unmanned aircraft systems into the national airspace system;

(5) shall engage test range sponsors, as necessary and with available resources, in projects for development, testing, and evaluation of flight systems, including activities conducted pursuant to section 1042 of the FAA Reauthorization Act of 2024, to facilitate the development of regulations and the validation of standards by the Administrator for the safe integration of unmanned aircraft systems into the national airspace system, which may include activities related to—

(A) developing and enforcing geographic and altitude limitations;

(B) providing for alerts regarding any hazards or limitations on flight, including prohibition on flight, as necessary;

(C) developing or validating sense and avoid capabilities;

(D) developing or validating technology to support communications, navigation, and surveillance;

(E) testing or validating operational concepts and technologies related to beyond visual line of sight operations, autonomous operations, nighttime operations, operations over people, operations involving multiple unmanned aircraft systems by a single pilot or operator, and unmanned aircraft systems traffic management capabilities or services;

(F) improving privacy protections through the use of advances in unmanned aircraft systems;

(G) conducting counter-UAS testing capabilities, with the approval of the Administrator; and

(H) other relevant topics for which development, testing or evaluation are needed;

(6) shall develop data sharing and collection requirements for test ranges to support the unmanned aircraft systems integration efforts of the Administration and coordinate periodically with all test range sponsors to ensure the test range sponsors know—

(A) what data should be collected;

(B) how data can be de-identified to flow more readily to the Administration;

(C) what procedures should be followed; and

(D) what development, testing, and evaluation would advance efforts to safely integrate unmanned aircraft systems into the national airspace system;

(7) shall allow test range sponsors to receive Federal funding, including in-kind contributions, other than from the Federal Aviation Administration, in furtherance of research, development, testing, and evaluation objectives; and

(8) shall use modeling and simulation tools to assist in the testing, evaluation, verification, and validation of unmanned aircraft systems.

(d) EXEMPTION.—Except as provided in subsection (f), the requirements of section 44711, including any related implementing regulations, shall not apply to persons approved by the test range sponsor for operation at a test range designated by the Administrator under this section.

(e) RESPONSIBILITIES OF TEST RANGE SPONSORS.—The sponsor of each test range designated by the Administrator under subsection (a) shall—

(1) provide access to all interested private and public entities seeking to carry out research, development, testing and evaluation activities at the test range designated pursuant to this section, to the greatest extent practicable, consistent with safety and any operating procedures established by the test range sponsor, including access by small business concerns (as such term is defined in section 3 of the Small Business Act (15 U.S.C. 632));

(2) ensure all activities remain within the geographical boundaries and altitude limitations established for any restricted area, special use airspace, or other similar type of airspace covering the test range;

(3) ensure no activity is conducted at the designated test range in a careless or reckless manner;

(4) establish safe operating procedures for all operators approved for activities at the test range, including provisions for maintaining operational control and ensuring protection of persons and property on the ground, subject to approval by the Administrator;

(5) exercise direct oversight of all operations conducted at the test range;

(6) consult with the Administrator on the nature of planned activities at the test range and whether temporary segregation of the airspace is required to contain such activities consistent with aviation safety;

(7) protect proprietary technology, sensitive data, or sensitive research of any civil or private entity when using the test range;

(8) maintain detailed records of all ongoing and completed activities conducted at the test range and all operators conducting such activities, for inspection by, and reporting to, the Administrator, as required by agreement between the Administrator and the test range sponsor;

(9) make all original records available for inspection upon request by the Administrator; and

(10) provide recommendations, on a quarterly basis until the program terminates, to the Administrator to further enable public and private development, testing, and evaluation activities at the test ranges to contribute to the safe integration of unmanned aircraft systems into the national airspace system.

(f) TESTING.—

(1) IN GENERAL.—The Administrator may authorize a sponsor of a test range designated under subsection (a) to host research, development, testing, and evaluation activities, including activities conducted pursuant to section 1042 of the FAA Reauthorization Act of 2024, as appropriate, other than activities directly related to the integration of unmanned aircraft systems into the national airspace system, so long as the activity is necessary to inform the development of regulations, standards, or policy for integrating new types of flight systems into the national airspace system.

(2) WAIVER.— In carrying out this section, the Administrator may waive the requirements of section 44711 (including any related implementing regulations) to the extent the Administrator determines such waiver is consistent with aviation safety.

(g) COLLABORATIVE RESEARCH AND DEVELOPMENT AGREEMENTS.—The Administrator may use the transaction authority under section 106(l)(6), including in coordination with the Center of Excellence for Unmanned Aircraft Systems, to enter into collaborative research and development agreements or to direct research, development, testing, and evaluation related to unmanned aircraft systems, including activities conducted pursuant to section 1042 of the FAA Reauthorization Act of 2024, as appropriate, at any test range designated under subsection (a).

(h) AUTHORIZATION OF APPROPRIATIONS.—

(1) ESTABLISHMENT.—Out of amounts authorized to be appropriated under section 106(k), $6,000,000 for each of fiscal years 2025 through 2028, shall be available to the Administrator for the purposes of—

(A) providing matching funds to commercial entities that contract with a UAS test range to demonstrate or validate technologies that the FAA considers essential to the safe integration of UAS into the national airspace system; and

(B) supporting or performing such demonstration and validation activities described in subparagraph (A) at a test range designated under the section.

(2) DISBURSEMENT.—Funding provided under this subsection shall be divided evenly among all UAS test ranges designated under this section, for the purpose of providing matching funds to commercial entities described in paragraph (1) and available until expended.

(i) TERMINATION.—The program under this section shall terminate on September 30, 2028.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EXPANDING USE OF INNOVATIVE TECHNOLOGIES IN THE GULF OF MEXICO

Pub. L. 118–63, title IX, §937, May 16, 2024, 138 Stat. 1374, provided that:

"(a) IN GENERAL.—The Administrator [of the Federal Aviation Admninistration] shall prioritize the authorization of an eligible UAS test range sponsor partnering with an eligible airport authority to achieve the goals specified in subsection (b).

"(b) GOALS.—The goals of a partnership authorized pursuant to subsection (a) shall be to test the operations of innovative technologies in both commercial and non-commercial applications, consistent with existing law, to—

"(1) identify challenges associated with aviation operations over large bodies of water;

"(2) provide transportation of cargo and passengers to offshore energy infrastructure;

"(3) assess the impacts of operations in saltwater environments;

"(4) identify the challenges of integrating such technologies in complex airspace, including with commercial rotorcraft; and

"(5) identify the differences between coordinating with Federal air traffic control towers and towers operated under the FAA [Federal Aviation Administration] Contract Tower Program.

"(c) BRIEFING TO CONGRESS.—The Administrator shall provide an annual briefing to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] on the status of the partnership authorized under this section, including detailing any barriers to the commercialization of innovative technologies in the Gulf of Mexico.

"(d) DEFINITIONS.—In this section:

"(1) ELIGIBLE AIRPORT AUTHORITY.—The term 'eligible airport authority' means an AIP-eligible airport authority that is—

"(A) located in a state bordering the Gulf of Mexico which does not already contain a UAS Test Range;

"(B) has an air traffic control tower operated under the FAA Contract Tower Program;

"(C) is located within 60 miles of a port; and

"(D) does not have any scheduled passenger airline service as of the date of the enactment of this Act [May 16, 2024].

"(2) INNOVATIVE TECHNOLOGIES.—The term 'innovative technologies' means unmanned aircraft systems and powered-lift aircraft.

"(3) UAS.—The term 'UAS' means an unmanned aircraft system."

[For definition of "unmanned aircraft system" as used in section 937 of Pub. L. 118–63, set out above, see section 44801 of this title, as made applicable by section 901 of Pub. L. 118–63, which is set out as a note under section 44502 of this title.]

§44804. Unmanned aircraft in the Arctic

(a) IN GENERAL.—The Secretary of Transportation shall develop a plan and initiate a process to work with relevant Federal agencies and national and international communities to designate permanent areas in the Arctic where unmanned aircraft may operate 24 hours per day for research and commercial purposes.

(b) PLAN CONTENTS.—The plan under subsection (a) shall include the development of processes to facilitate the safe operation of unmanned aircraft beyond the visual line of sight.

(c) REQUIREMENTS.—Each permanent area designated under subsection (a) shall enable over-water flights from the surface to at least 2,000 feet in altitude, with ingress and egress routes from selected coastal launch sites.

(d) AGREEMENTS.—To implement the plan under subsection (a), the Secretary may enter into an agreement with relevant national and international communities.

(e) AIRCRAFT APPROVAL.—

(1) IN GENERAL.—Subject to paragraph (2), not later than 1 year after the entry into force of an agreement necessary to effectuate the purposes of this section, the Secretary shall work with relevant national and international communities to establish and implement a process for approving the use of a unmanned aircraft in the designated permanent areas in the Arctic without regard to whether the unmanned aircraft is used as a public aircraft, a civil aircraft, or a model aircraft.

(2) EXISTING PROCESS.—The Secretary may implement an existing process to meet the requirements under paragraph (1).

(Added Pub. L. 115–254, div. B, title III, §344(a), Oct. 5, 2018, 132 Stat. 3290; amended Pub. L. 118–63, title IX, §902(a), May 16, 2024, 138 Stat. 1341.)

EDITORIAL NOTES

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 332(d) of Pub. L. 112–95, which was set out in a note under section 40101 of this title, prior to repeal by Pub. L. 115–254, div. B, title III, §341(b)(2), Oct. 5, 2018, 132 Stat. 3287. The remainder of the note comprised of subtitle B of title III of Pub. L. 112–95 was transferred and is set out under section 44802 of this title.

AMENDMENTS

2024—Pub. L. 118–63, §902(a)(1), substituted "Unmanned" for "Small unmanned" in section catchline. Catchline was editorially conformed to the style used in this title.

Subsecs. (a), (b), (e)(1). Pub. L. 118–63, §902(a)(2), struck out "small" before "unmanned aircraft" wherever appearing.

§44805. Small unmanned aircraft safety standards

(a) FAA PROCESS FOR ACCEPTANCE AND AUTHORIZATION.—The Administrator of the Federal Aviation Administration shall establish a process for—

(1) accepting risk-based consensus safety standards related to the design, production, and modification of small unmanned aircraft systems;

(2) authorizing the operation of a small unmanned aircraft system make and model designed, produced, or modified in accordance with the consensus safety standards accepted under paragraph (1);

(3) authorizing a manufacturer to self-certify a small unmanned aircraft system make or model that complies with consensus safety standards accepted under paragraph (1); and

(4) certifying a manufacturer of small unmanned aircraft systems, or an employee of such manufacturer, that has demonstrated compliance with the consensus safety standards accepted under paragraph (1) and met any other qualifying criteria, as determined by the Administrator, to alternatively satisfy the requirements of paragraph (1).

(b) CONSIDERATIONS.—Before accepting consensus safety standards under subsection (a), the Administrator of the Federal Aviation Administration shall consider the following:

(1) Technologies or standards related to geographic limitations, altitude limitations, and sense and avoid capabilities.

(2) Using performance-based requirements.

(3) Assessing varying levels of risk posed by different small unmanned aircraft systems and their operation and tailoring performance-based requirements to appropriately mitigate risk.

(4) Predetermined action to maintain safety in the event that a communications link between a small unmanned aircraft and its operator is lost or compromised.

(5) Detectability and identifiability to pilots, the Federal Aviation Administration, and air traffic controllers, as appropriate.

(6) Means to prevent tampering with or modification of any system, limitation, or other safety mechanism or standard under this section or any other provision of law, including a means to identify any tampering or modification that has been made.

(7) Consensus identification standards under section 2202 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615).

(8) To the extent not considered previously by the consensus body that crafted consensus safety standards, cost-benefit and risk analyses of consensus safety standards that may be accepted pursuant to subsection (a) for newly designed small unmanned aircraft systems.

(9) Applicability of consensus safety standards to small unmanned aircraft systems that are not manufactured commercially.

(10) Any technology or standard related to small unmanned aircraft systems that promotes aviation safety.

(11) Any category of unmanned aircraft systems that should be exempt from the consensus safety standards based on risk factors.

(c) NONAPPLICABILITY OF OTHER LAWS.—The process for authorizing the operation of

small unmanned aircraft systems under subsection (a) may allow for operation of any applicable small unmanned aircraft systems within the national airspace system without requiring—

(1) airworthiness certification requirements under section 44704 of this title; or

(2) type certification under part 21 of title 14, Code of Federal Regulations.

(d) REVOCATION.—The Administrator may suspend or revoke the authorizations in subsection (a) if the Administrator determines that the manufacturer or the small unmanned aircraft system is no longer in compliance with the standards accepted by the Administrator under subsection (a)(1) or with the manufacturer's statement of compliance under subsection (f).

(e) REQUIREMENTS.—With regard to an authorization under the processes in subsection (a), the Administrator may require a manufacturer of small unmanned aircraft systems to provide the Federal Aviation Administration with the following:

(1) The aircraft system's operating instructions.

(2) The aircraft system's recommended maintenance and inspection procedures.

(3) The manufacturer's statement of compliance described in subsection (f).

(4) Upon request, a sample aircraft to be inspected by the Federal Aviation Administration to ensure compliance with the consensus safety standards accepted by the Administrator under subsection (a).

(f) MANUFACTURER'S STATEMENT OF COMPLIANCE FOR SMALL UAS.—A manufacturer's statement of compliance shall—

(1) identify the aircraft make, model, range of serial numbers, and any applicable consensus safety standards used and accepted by the Administrator;

(2) state that the aircraft make and model meets the provisions of the consensus safety standards identified in paragraph (1);

(3) state that the aircraft make and model conforms to the manufacturer's design data and is manufactured in a way that ensures consistency across units in the production process in order to meet the applicable consensus safety standards accepted by the Administrator;

(4) state that the manufacturer will make available to the Administrator, operators, or customers—

(A) the aircraft's operating instructions, which conform to the consensus safety standards identified in paragraph (1); and

(B) the aircraft's recommended maintenance and inspection procedures, which conform to the consensus safety standards identified in paragraph (1);

(5) state that the manufacturer will monitor safety-of-flight issues and take action to ensure it meets the consensus safety standards identified in paragraph (1) and report these issues and subsequent actions to the Administrator;

(6) state that at the request of the Administrator, the manufacturer will provide reasonable access for the Administrator to its facilities for the purposes of overseeing compliance with this section; and

(7) state that the manufacturer, in accordance with the consensus safety standards accepted by the Federal Aviation Administration, has—

(A) ground and flight tested random samples of the aircraft;

(B) found the sample aircraft performance acceptable; and

(C) determined that the make and model of aircraft is suitable for safe operation.

(g) PROHIBITIONS.—

(1) FALSE STATEMENTS OF COMPLIANCE.—It shall be unlawful for any person to knowingly submit a statement of compliance described in subsection (f) that is fraudulent or intentionally false.

(2) INTRODUCTION INTO INTERSTATE COMMERCE.—Unless the Administrator determines operation of an unmanned aircraft system may be conducted without an airworthiness

certificate or permission, authorization, or approval under subsection (a), it shall be unlawful for any person to knowingly introduce or deliver for introduction into interstate commerce any small unmanned aircraft system that is manufactured after the date that the Administrator accepts consensus safety standards under this section unless—

(A) the make and model has been authorized for operation under subsection (a); or

(B) the aircraft has alternatively received design and production approval issued by the Federal Aviation Administration.

(h) EXCLUSIONS.—The Administrator may exempt from the requirements of this section small unmanned aircraft systems that are not capable of navigating beyond the visual line of sight of the operator through advanced flight systems and technology, if the Administrator determines that such an exemption does not pose a risk to the safety of the national airspace system.

(Added Pub. L. 115–254, div. B, title III, §345(a), Oct. 5, 2018, 132 Stat. 3291; amended Pub. L. 118–63, title IX, §903, May 16, 2024, 138 Stat. 1341.)

STATUTORY NOTES AND RELATED SUBSIDIARIES

UNMANNED AIRCRAFT SYSTEMS RESEARCH FACILITY

Pub. L. 115–254, div. B, title III, §345(b), Oct. 5, 2018, 132 Stat. 3293, provided that: "The Center of Excellence for Unmanned Aircraft Systems shall establish an unmanned aircraft systems research facility to study appropriate safety standards for unmanned aircraft systems and to validate such standards, as directed by the Administrator of the Federal Aviation Administration, consistent with section 44805 of title 49, United States Code, as added by this section."

§44806. Public unmanned aircraft systems and public safety use of tethered unmanned aircraft systems

(a) GUIDANCE.—The Secretary of Transportation shall issue guidance regarding the operation of a public unmanned aircraft system—

(1) to streamline and expedite the process for the issuance of a certificate of authorization or a certificate of waiver;

(2) to facilitate the capability of public agencies to develop and use test ranges, subject to operating restrictions required by the Federal Aviation Administration, to test and operate public unmanned aircraft systems; and

(3) to provide guidance on a public agency's responsibilities when operating an unmanned aircraft without a civil airworthiness certificate issued by the Administration.

(b) AGREEMENTS WITH GOVERNMENT AGENCIES.—

(1) IN GENERAL.—The Secretary shall enter into an agreement with each appropriate public agency to simplify the process for issuing a certificate of waiver or a certificate of authorization with respect to an application for authorization to operate a public unmanned aircraft system in the national airspace system.

(2) CONTENTS.—An agreement under paragraph (1) shall—

(A) with respect to an application described in paragraph (1)—

(i) provide for an expedited review of the application;

(ii) require a decision by the Administrator on approval or disapproval not later than 60 business days after the date of submission of the application; and

(iii) allow for an expedited appeal if the application is disapproved;

(B) allow for a one-time approval of similar operations carried out during a fixed period of time; and

(C) allow a government public safety agency to operate an unmanned aircraft weighing 4.4 pounds or less if that unmanned aircraft is operated—

(i) within or beyond the visual line of sight of the operator;

(ii) less than 400 feet above the ground;

(iii) during daylight conditions;

(iv) within Class G airspace; and

(v) outside of 5 statute miles from any airport, heliport, seaplane base, spaceport, or other location with aviation activities.

(c) PUBLIC SAFETY USE OF ACTIVELY TETHERED UNMANNED AIRCRAFT SYSTEMS.—

(1) IN GENERAL.—The Administrator of the Federal Aviation Administration shall permit, and may issue guidance regarding, the use of actively tethered unmanned aircraft systems by a public safety organization for such systems that are—

(A) operated—

(i) at or below an altitude of 150 feet above ground level within class B, C, D, E, or G airspace, but not at a greater altitude than the ceiling depicted on the UAS Facility Maps published by the Federal Aviation Administration, where applicable;

(ii) within zero-grid airspaces as depicted on such UAS Facility Maps, only if operated in life-saving or emergency situations and with prior notification to the Administration in a manner determined by the Administrator; or

(iii) above 150 feet above ground level within class B, C, D, E, or G airspace only with prior authorization from the Administrator;

(B) not flown directly over non-participating persons;

(C) operated within visual line of sight of the operator; and

(D) operated in a manner that does not interfere with and gives way to any other aircraft.

(2) REQUIREMENTS.—Public actively tethered unmanned aircraft systems may be operated—

(A) without any requirement to obtain a certificate of authorization, certificate of waiver, or other approval by the Federal Aviation Administration;

(B) without requiring airman certification under section 44703 of this title or any rule or regulation relating to airman certification; and

(C) without requiring airworthiness certification under section 44704 of this title or any rule or regulation relating to aircraft certification.

(3) SAFETY STANDARDS.—Actively tethered unmanned aircraft systems operated within the scope of the guidance issued pursuant to paragraph (1) shall be exempt from the requirements of section 44805 of this title.

(4) SAVINGS PROVISION.—Nothing in this subsection shall be construed to preclude the Administrator of the Federal Aviation Administration from issuing new regulations for public actively tethered unmanned aircraft systems in order to ensure the safety of the national airspace system.

(d) FEDERAL AGENCY COORDINATION TO ENHANCE THE PUBLIC HEALTH AND SAFETY CAPABILITIES OF PUBLIC UNMANNED AIRCRAFT SYSTEMS.—The Administrator shall assist Federal civilian Government agencies that operate unmanned aircraft systems within civil-controlled airspace, in operationally deploying and integrating sense and avoid capabilities, as necessary to operate unmanned aircraft systems safely within the national airspace system.

(e) DEFINITION.—In this section, the term "public safety organization" means an entity that primarily engages in activities related to the safety and well-being of the general public, including law enforcement, fire departments, emergency medical services, and other organizations that protect and serve the public in matters of safety and security.

(Added Pub. L. 115–254, div. B, title III, §346(a), Oct. 5, 2018, 132 Stat. 3294; amended Pub. L. 118–63, title IX, §926(a), May 16, 2024, 138 Stat. 1360.)

AMENDMENTS

2024—Pub. L. 118–63, §926(a)(1), inserted "and public safety use of tethered unmanned aircraft systems" after "systems" in section catchline.

Subsec. (c). Pub. L. 118–63, §926(a)(2)(A), inserted "Safety Use of" after "Public" in heading. Text quoted in directory language of amendment was editorially conformed to the style of the heading.

Subsec. (c)(1). Pub. L. 118–63, §926(a)(2)(B)(i), in introductory provisions, substituted "The" for "Not later than 180 days after the date of enactment of this Act, the", "permit" for "permit the use of", struck out "public" before "actively tethered", and inserted "by a public safety organization for such systems" after "unmanned aircraft systems".

Subsec. (c)(1)(A). Pub. L. 118–63, §926(a)(2)(B)(ii), added subpar. (A) and struck out former subpar. (A) which read as follows: "operated at an altitude of less than 150 feet above ground level;".

Subsec. (c)(1)(B) to (E). Pub. L. 118–63, §926(a)(2)(B)(iii), (iv), redesignated subpars. (C) to (E) as (B) to (D), respectively, and struck out former subpar. (B) which read as follows: "operated—

"(i) within class G airspace; or

"(ii) at or below the ceiling depicted on the Federal Aviation Administration's published UAS facility maps for class B, C, D, or E surface area airspace;".

Subsec. (c)(3). Pub. L. 118–63, §926(a)(2)(C), substituted "Actively" for "Public actively".

Subsec. (e). Pub. L. 118–63, §926(a)(3), added subsec. (e).

STATUTORY NOTES AND RELATED SUBSIDIARIES

PUBLIC UAS ACCESS TO SPECIAL USE AIRSPACE

Pub. L. 115–254, div. B, title III, §368, Oct. 5, 2018, 132 Stat. 3310, provided that: "Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Secretary of Transportation shall issue guidance for the expedited and timely access to special use airspace for public unmanned aircraft systems in order to assist

Federal, State, local, or tribal law enforcement organizations in conducting law enforcement, emergency response, or for other activities."

§44807. Special authority for certain unmanned aircraft systems

(a) IN GENERAL.—Notwithstanding any other requirement of this chapter or chapter 447, the Administrator of the Federal Aviation Administration shall use a risk-based approach to determine how unmanned aircraft systems may operate safely in the national airspace system notwithstanding completion of the comprehensive plan and rulemaking required by section 44802 or the guidance required by section 44806.

(b) ASSESSMENT OF UNMANNED AIRCRAFT SYSTEMS.—In making the determination under subsection (a), the Administrator shall determine, at a minimum—

(1) how such unmanned aircraft systems, if any, as a result of their size, weight, speed, operational capability, proximity to airports and populated areas, operation over people, and operation within or beyond the visual line of sight, or operation during the day or night, do not create a hazard to users of the national airspace system or the public; and

(2) whether a certificate under section 44703 or section 44704 of this title, or a certificate of waiver or certificate of authorization, is required for the operation of unmanned aircraft systems identified under paragraph (1) of this subsection.

(c) REQUIREMENTS FOR SAFE OPERATION.—

(1) IN GENERAL.—In carrying out this section, the Administrator shall establish requirements, or a process to accept proposed requirements, for the safe and efficient operation of unmanned aircraft systems in the national airspace system, including operations related to testing and evaluation of proprietary systems.

(2) EXPEDITED EXEMPTIONS AND APPROVALS.—The Administrator shall, taking into account the statutory mandate to ensure safe and efficient use of the national airspace system, issue approvals—

(A) to enable low-risk beyond visual line of sight operations, including, at a minimum, package delivery operations, extended visual line of sight operations, or shielded operations within 100 feet of the ground or a structure; or

(B) that are aligned with Administration exemptions or approvals that enable beyond visual line of sight operations with the use of acoustics, ground based radar, automatic dependent surveillance–broadcast, and other technological solutions.

(3) TREATMENT OF MITIGATION MEASURES.—To the extent that an operation under this section will be conducted exclusively within the airspace of a Mode C Veil, such operation shall be treated as satisfying the requirements of section 91.113(b) of title 14, Code of Federal Regulations, if the operation employs—

(A) automatic dependent surveillance–broadcast in-based detect and avoid capabilities;

(B) air traffic control communication and coordination;

(C) aeronautical information management systems acceptable to the Administrator, such as notices to air missions, to notify other airspace users of such operations; or

(D) any other risk mitigations as set by the Administrator.

(4) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to—

(A) provide an unmanned aircraft operating pursuant to this section the right of way over a manned aircraft; or

(B) limit the authority of the Administrator to impose requirements, conditions, or limitations on operations conducted under this section in order to address safety concerns.

(d) SUNSET.—The authority under this section for the Secretary to determine if certain unmanned aircraft systems may operate safely in the national airspace system terminates effective

September 30, 2033.

(e) AUTHORITY.—The Administrator may exercise the authorities described in this section, including waiving applicable parts of title 14, Code of Federal Regulations, without initiating a rulemaking or imposing the requirements of part 11 of title 14, Code of Federal Regulations, to the extent consistent with aviation safety.

(Added Pub. L. 115–254, div. B, title III, §347(a), Oct. 5, 2018, 132 Stat. 3296; amended Pub. L. 118–15, div. B, title II, §2202(c), Sept. 30, 2023, 137 Stat. 83; Pub. L. 118–34, title I, §102(c), Dec. 26, 2023, 137 Stat. 1113; Pub. L. 118–41, title I, §102(c), Mar. 8, 2024, 138 Stat. 21; Pub. L. 118–63, title IX, §927(a), (b), May 16, 2024, 138 Stat. 1362.)

EDITORIAL NOTES

PRIOR PROVISIONS

Provisions similar to those in this section were contained in section 333 of Pub. L. 112–95, which was set out in a note under section 40101 of this title, prior to repeal by Pub. L. 115–254, div. B, title III, §347(b)(2), Oct. 5, 2018, 132 Stat. 3296. The remainder of the note comprised of subtitle B of title III of Pub. L. 112–95 was transferred and is set out under section 44802 of this title.

AMENDMENTS

2024—Subsec. (a). Pub. L. 118–63, §927(b)(1), inserted "or chapter 447" after "Notwithstanding any other requirement of this chapter" and substituted "the Administrator of the Federal Aviation Administration" for "the Secretary of Transportation" and "how" for "if certain".

Subsec. (b). Pub. L. 118–63, §927(b)(2)(A), substituted "Administrator" for "Secretary" in introductory provisions.

Subsec. (b)(1). Pub. L. 118–63, §927(b)(2)(B), substituted "how such" for "which types of".

Subsec. (c). Pub. L. 118–63, §927(b)(3), added subsec. (c) and struck out former subsec. (c). Prior to amendment, text of subsec. (c) read as follows: "If the Secretary determines under this section that certain unmanned aircraft systems may operate safely in the national airspace system, the Secretary shall establish requirements for the safe operation of such aircraft systems in the national airspace system, including operation related to research, development, and testing of proprietary systems."

Subsec. (d). Pub. L. 118–63, §927(a), substituted "September 30, 2033" for "May 10, 2024".

Pub. L. 118–41 substituted "May 10, 2024" for "March 8, 2024".

Subsec. (e). Pub. L. 118–63, §927(b)(4), added subsec. (e).

2023—Subsec. (d). Pub. L. 118–34 substituted "March 8, 2024" for "December 31, 2023".

Pub. L. 118–15 substituted "December 31, 2023" for "September 30, 2023".

STATUTORY NOTES AND RELATED SUBSIDIARIES

CLARIFICATION OF STATUS OF PREVIOUSLY ISSUED RULEMAKINGS AND EXEMPTIONS

Pub. L. 118–63, title IX, §927(c), May 16, 2024, 138 Stat. 1363, provided that:

"(1) RULEMAKINGS.—Any rule issued pursuant to section 44807 of title 49, United States Code, shall continue to be in effect following the expiration of such authority.

"(2) EXEMPTIONS.—Any exemption granted under the authority described in section 44807 of title 49, United States Code, and in effect as of the expiration of such authority, shall continue to be in effect until the date that is 3 years after the date of termination described in such exemption, provided the Administrator [of the Federal Aviation Administration] does not determine there is a safety risk.

"(3) RULES OF CONSTRUCTION.—Nothing in this section shall be construed to interfere with the Administrator's—

"(A) authority to rescind or amend an exemption for reasons such as unsafe conditions or operator oversight; or

"(B) ability to grant an exemption based on a determination made pursuant to section 44807 of title 49, United States Code, prior to the date described in subsection (d) of such section."

§44808. Carriage of property by small unmanned aircraft systems for

compensation or hire

(a) IN GENERAL.—Not later than 1 year after the date of enactment of the FAA Reauthorization Act of 2018, the Administrator of the Federal Aviation Administration shall update existing regulations to authorize the carriage of property by operators of small unmanned aircraft systems for compensation or hire within the United States.

(b) CONTENTS.—Any rulemaking conducted under subsection (a) shall provide for the following:

(1) Use performance-based requirements.

(2) Consider varying levels of risk to other aircraft and to persons and property on the ground posed by different unmanned aircraft systems and their operation and tailor performance-based requirements to appropriately mitigate risk.

(3) Consider the unique characteristics of highly automated, small unmanned aircraft systems.

(4) Include requirements for the safe operation of small unmanned aircraft systems that, at a minimum, address—

(A) airworthiness of small unmanned aircraft systems;

(B) qualifications for operators and the type and nature of the operations;

(C) operating specifications governing the type and nature of the unmanned aircraft system air carrier operations; and

(D) the views of State, local, and tribal officials related to potential impacts of the carriage of property by operators of small unmanned aircraft systems for compensation or hire within the communities to be served.

(5) SMALL UAS.—The Secretary may amend part 298 of title 14, Code of Federal Regulations, to update existing regulations to establish economic authority for the carriage of property by small unmanned aircraft systems for compensation or hire. Such authority shall only require—

(A) registration with the Department of Transportation;

(B) authorization from the Federal Aviation Administration to conduct operations; and

(C) compliance with chapters 401, 411, and 417.

(6) AVAILABILITY OF CURRENT CERTIFICATION PROCESSES.—Pending completion of the rulemaking required in subsection (a) of this section, a person may seek an air carrier operating certificate and certificate of public convenience and necessity, or an exemption from such certificate, using existing processes.

(Added Pub. L. 115–254, div. B, title III, §348(a), Oct. 5, 2018, 132 Stat. 3297.)

§44809. Exception for limited recreational operations of unmanned aircraft

(a) IN GENERAL.—Except as provided in subsection (e), and notwithstanding chapter 447 of title 49, United States Code, a person may operate a small unmanned aircraft without specific certification or operating authority from the Federal Aviation Administration if the operation adheres to all of the following limitations:

(1) The aircraft is flown strictly for recreational purposes.

(2) The aircraft is operated in accordance with or within the programming of a community-based organization's set of safety guidelines that are developed in coordination with the Federal Aviation Administration.

(3) The aircraft is flown within the visual line of sight of the person operating the aircraft or a visual observer co-located and in direct communication with the operator.

(4) The aircraft is operated in a manner that does not interfere with and gives way to any manned aircraft.

(5) In Class B, Class C, or Class D airspace or within the lateral boundaries of the surface area of Class E airspace designated for an airport, the operator obtains prior authorization from the Administrator or designee before operating and complies with all airspace restrictions and prohibitions.

(6) Except for circumstances when the Administrator establishes alternative altitude ceilings or as otherwise authorized in section (c), in Class G airspace, the aircraft is flown from the surface to not more than 400 feet above ground level and complies with all airspace and flight restrictions and prohibitions established under this subtitle, such as special use airspace designations and temporary flight restrictions.

(7) The operator has passed an aeronautical knowledge and safety test described in subsection (g) and maintains proof of test passage to be made available to the Administrator or law enforcement upon request.

(8) The aircraft is registered and marked in accordance with chapter 441 of this title and proof of registration is made available to the Administrator or a designee of the Administrator or law enforcement upon request.

(b) OTHER OPERATIONS.—Unmanned aircraft operations that do not conform to the limitations in subsection (a) must comply with all statutes and regulations generally applicable to unmanned aircraft and unmanned aircraft systems.

(c) OPERATIONS AT FIXED SITES.—

(1) IN GENERAL.—The Administrator shall establish a process to approve, and publicly disseminate the location of, fixed sites at which a person may carry out recreational unmanned aircraft system operations.

(2) OPERATING PROCEDURES.—

(A) CONTROLLED AIRSPACE.—Persons operating unmanned aircraft under paragraph (1) from a fixed site within Class B, Class C, or Class D airspace or within the lateral boundaries of the surface area of Class E airspace designated for an airport, or a community-based organization sponsoring operations within such airspace, shall make the location of the fixed site known to the Administrator and shall establish a mutually agreed upon operating procedure with the air traffic control facility.

(B) ALTITUDE.—The Administrator, in coordination with community-based organizations sponsoring operations at fixed sites, shall develop a process to approve requests for recreational unmanned aircraft systems operations at fixed sites that exceed the maximum altitude contained in a UAS Facility Map published by the Federal Aviation Administration.

(C) UNCONTROLLED AIRSPACE.—Subject to compliance with all airspace and flight restrictions and prohibitions established under this subtitle, including special use airspace designations and temporary flight restrictions, persons operating unmanned aircraft systems from a fixed site designated under the process described in paragraph (1) may operate within Class G airspace—

(i) up to 400 feet above ground level, without prior authorization from the Administrator; and

(ii) above 400 feet above ground level, with prior authorization from the Administrator.

(3) UNMANNED AIRCRAFT WEIGHING 55 POUNDS OR GREATER.—A person may operate an unmanned aircraft weighing 55 pounds or greater, including the weight of anything attached to or carried by the aircraft, if—

(A) the unmanned aircraft complies with standards and limitations developed by a community-based organization and approved by the Administrator; and

(B) the aircraft is operated from a fixed site as described in paragraph (1).

(4) FAA-RECOGNIZED IDENTIFICATION AREAS.—In implementing subpart C of part 89 of title 14, Code of Federal Regulations, the Administrator shall prioritize the review and adjudication of requests to establish FAA Recognized Identification Areas at fixed sites established under this section.

(d) SAVINGS CLAUSE.—Nothing in this subsection shall be construed as expanding the authority of the Administrator to require a person operating an unmanned aircraft under this section to seek permissive authority of the Administrator, beyond that required in this section, prior to operation in the national airspace system.

(e) STATUTORY CONSTRUCTION.—Nothing in this section shall be construed to limit the authority of the Administrator to pursue an enforcement action against a person operating any unmanned aircraft who endangers the safety of the national airspace system.

(f) EXCEPTIONS.—Nothing in this section prohibits the Administrator from promulgating rules generally applicable to unmanned aircraft, including those unmanned aircraft eligible for the exception set forth in this section, relating to—

(1) the operational parameters for unmanned aircraft in subsection (a);

(2) the registration and marking of unmanned aircraft;

(3) the standards for remotely identifying owners and operators of unmanned aircraft systems and associated unmanned aircraft; and

(4) other standards consistent with maintaining the safety and security of the national airspace system.

(g) AERONAUTICAL KNOWLEDGE AND SAFETY TEST.—

(1) IN GENERAL.—The Administrator, in consultation with manufacturers of unmanned aircraft systems, community-based organizations, and other industry stakeholders, shall develop, maintain, and update, as necessary, an aeronautical knowledge and safety test. Such test shall be administered electronically by the Administrator or a person designated by the Administrator.

(2) REQUIREMENTS.—The Administrator shall ensure the aeronautical knowledge and safety test is designed to adequately demonstrate an operator's—

(A) understanding of aeronautical safety knowledge; and

(B) knowledge of Federal Aviation Administration regulations and requirements pertaining to the operation of an unmanned aircraft system in the national airspace system.

(h) COMMUNITY-BASED ORGANIZATION DEFINED.—In this section, the term "community-based organization" means a membership-based association entity that—

(1) is recognized by the Administrator of the Federal Aviation Administration;

(2) is described in section 501(c)(3) of the Internal Revenue Code of 1986;

(3) is exempt from tax under section 501(a) of the Internal Revenue Code of 1986;

(4) the mission of which is demonstrably the furtherance of model aviation;

(5) provides a comprehensive set of safety guidelines for all aspects of model aviation addressing the assembly and operation of model aircraft and that emphasize safe aeromodelling operations within the national airspace system and the protection and safety of individuals and property on the ground, and may provide a comprehensive set of safety rules and programming for the operation of unmanned aircraft that have the advanced flight capabilities enabling active, sustained, and controlled navigation of the aircraft beyond visual line of sight of the operator;

(6) provides programming and support for any local charter organizations, affiliates, or clubs; and

(7) provides assistance and support in the development and operation of locally designated model aircraft flying sites.

(i) RECOGNITION OF COMMUNITY-BASED ORGANIZATIONS.—In collaboration with aeromodelling stakeholders, the Administrator shall publish an advisory circular within 180 days of

the date of enactment of this section that identifies the criteria and process required for recognition of community-based organizations.

(Added Pub. L. 115–254, div. B, title III, §349(a), Oct. 5, 2018, 132 Stat. 3298; amended Pub. L. 118–63, title IX, §928(a), May 16, 2024, 138 Stat. 1363.)

Section 501 of the Internal Revenue Code of 1986, referred to in subsec. (h)(2), (3), is classified to section 501 of Title 26, Internal Revenue Code.

The date of enactment of this section, referred to in subsec. (i), is the date of enactment of Pub. L. 115–254, which was approved Oct. 5, 2018.

PRIOR PROVISIONS

Provisions similar to those in subsecs. (a) and (e) of this section were contained in section 336(a) and (b) of Pub. L. 112–95, which was set out in a note under section 40101 of this title, prior to repeal by Pub. L. 115–254, div. B, title III, §349(b)(2), Oct. 5, 2018, 132 Stat. 3300. The remainder of the note comprised of subtitle B of title III of Pub. L. 112–95 was transferred and is set out under section 44802 of this title.

AMENDMENTS

2024—Subsec. (a)(6). Pub. L. 118–63, §928(a)(1), added par. (6) and struck out former par. (6) which read as follows: "In Class G airspace, the aircraft is flown from the surface to not more than 400 feet above ground level and complies with all airspace restrictions and prohibitions."

Subsec. (c). Pub. L. 118–63, §928(a)(2), added subsec. (c) and struck out former subsec. (c) which related to operations at fixed sites.

Subsec. (d). Pub. L. 118–63, §928(a)(3), struck out "subsection (a) of" before "this section, prior to" in par. (3) and substituted subsec. (d) designation and heading for "(d) UPDATES", pars. (1) and (2), and "(3) SAVINGS CLAUSE". Prior to amendment, pars. (1) and (2) related to process to periodically update operational parameters and related considerations.

Subsec. (f)(1). Pub. L. 118–63, §928(a)(4), struck out "updates to" before "the operational parameters".

Subsec. (g)(1). Pub. L. 118–63, §928(a)(5), added par. (1) and struck out former par. (1). Prior to amendment, text of par. (1) read as follows: "Not later than 180 days after the date of enactment of this section, the Administrator, in consultation with manufacturers of unmanned aircraft systems, other industry stakeholders, and community-based organizations, shall develop an aeronautical knowledge and safety test, which can then be administered electronically by the Administrator, a community-based organization, or a person designated by the Administrator."

Subsec. (h). Pub. L. 118–63, §928(a)(6), added par. (1) and redesignated former pars. (1) to (6) as (2) to (7), respectively.

STATUTORY NOTES AND RELATED SUBSIDIARIES

USE OF UNMANNED AIRCRAFT SYSTEMS FOR EDUCATIONAL PURPOSES

Pub. L. 115–254, div. B, title III, §350, Oct. 5, 2018, 132 Stat. 3300, as amended by Pub. L. 116–283, div. H, title C, §10002, Jan. 1, 2021, 134 Stat. 4863; Pub. L. 118–63, title IX, §928(b), May 16, 2024, 138 Stat. 1365, provided that:

"(a) EDUCATIONAL AND RESEARCH PURPOSES.—For the purposes of section 44809 of title 49, United States Code, as added by this Act, a 'recreational purpose' as distinguished in subsection (a)(1) of such section shall include an unmanned aircraft system—

"(1) operated by an institution of higher education for educational or research purposes;

"(2) operated by an elementary school, a secondary school, or an institution of higher education for educational or research purposes;

"(3) flown as part of an established Junior Reserve Officers' Training Corps (JROTC) program for education or research purposes; or

"(4) flown as part of an educational program that is chartered by a recognized community-based organization (as defined in subsection (h) of such section).

"(b) UPDATES.—In updating an operational parameter under subsection (d)(1) of such section for unmanned aircraft systems operated by an institution of higher education for educational or research purposes,

the Administrator shall consider—

"(1) use of small unmanned aircraft systems and operations at an accredited institution of higher education, for educational or research purposes, as a component of the institution's curricula or research;

"(2) the development of streamlined, risk-based operational approval for unmanned aircraft systems operated by institutions of higher education; and

"(3) the airspace and aircraft operators that may be affected by such operations at the institution of higher education.

"(c) DEADLINE FOR ESTABLISHMENT OF PROCEDURES AND STANDARDS.—Not later than 270 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator of the Federal Aviation Administration may establish regulations, procedures, and standards, as necessary, to facilitate the safe operation of unmanned aircraft systems operated by institutions of higher education for educational or research purposes.

"(d) DEFINITIONS.—In this section:

"(1) INSTITUTION OF HIGHER EDUCATION.—The term 'institution of higher education' has the meaning given to that term by section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)).

"(2) EDUCATIONAL OR RESEARCH PURPOSES.—The term 'education or research purposes', with respect to the operation of an unmanned aircraft system by an institution of higher education, an elementary school, or a secondary school includes—

"(A) instruction of students at the institution;

"(B) academic or research related uses of unmanned aircraft systems that have been approved by the institution, including Federal research;

"(C) activities undertaken by the institution as part of research projects, including research projects sponsored by the Federal Government; and

"(D) other academic activities approved by the institution.

"(3) ELEMENTARY SCHOOL.—The term 'elementary school' has the meaning given to that term by section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801(19)).

"(4) SECONDARY SCHOOL.—The term 'secondary school' has the meaning given to that term by section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801(45)).

"(e) STATUTORY CONSTRUCTION.—

"(1) ENFORCEMENT.—Nothing in this section shall be construed to limit the authority of the Administrator to pursue an enforcement action against a person operating any unmanned aircraft who endangers the safety of the national airspace system.

"(2) REGULATIONS AND STANDARDS.—Nothing in this section prohibits the Administrator from promulgating any rules or standards consistent with maintaining the safety and security of the national airspace system."

§44810. Airport safety and airspace hazard mitigation and enforcement

(a) COORDINATION.—The Administrator of the Federal Aviation Administration shall work with the Secretary of Defense, the Secretary of Homeland Security, and the heads of other relevant Federal departments and agencies for the purpose of ensuring that technologies or systems that are developed, tested, or deployed by Federal departments and agencies to detect and mitigate potential risks posed by errant or hostile unmanned aircraft system operations do not adversely impact or interfere with safe airport operations, navigation, air traffic services, or the safe and efficient operation of the national airspace system.

(b) PLAN.—

(1) IN GENERAL.—The Administrator shall develop a plan for the certification, permitting, authorizing, or allowing of the deployment of technologies or systems for the detection and mitigation of unmanned aircraft systems.

(2) CONTENTS.—The plan shall provide for the development of policies, procedures, or protocols that will allow appropriate officials of the Federal Aviation Administration to utilize such technologies or systems to take steps to detect and mitigate potential airspace safety risks posed by unmanned aircraft system operations.

(3) AVIATION RULEMAKING COMMITTEE.—The Administrator shall charter an aviation rulemaking committee to make recommendations for such a plan and any standards that the Administrator determines may need to be developed with respect to such technologies or systems.

The Federal Advisory Committee Act (5 U.S.C. App.) [1] shall not apply to an aviation rulemaking committee chartered under this paragraph.

(4) NON-DELEGATION.—The plan shall not delegate any authority granted to the Administrator under this section to other Federal, State, local, territorial, or tribal agencies, or an airport sponsor, as defined in section 47102 of title 49, United States Code.

(c) AIRSPACE HAZARD MITIGATION PROGRAM.—In order to test and evaluate technologies or systems that detect and mitigate potential aviation safety risks posed by unmanned aircraft, the Administrator shall deploy such technologies or systems at 5 airports, including 1 airport that ranks in the top 10 of the FAA's most recent Passenger Boarding Data, and any other location the Administrator determines appropriate.

(d) AUTHORITY.—Under the testing and evaluation in subsection (c), the Administrator shall use unmanned aircraft detection and mitigation systems to detect and mitigate the unauthorized operation of an unmanned aircraft that poses a risk to aviation safety.

(e) AIP FUNDING ELIGIBILITY.—Upon the certification, permitting, authorizing, or allowing of such technologies and systems that have been successfully tested under this section, an airport sponsor may apply for a grant under subchapter I of chapter 471 to purchase an unmanned aircraft detection and mitigation system. For purposes of this subsection, purchasing an unmanned aircraft detection and mitigation system shall be considered airport development (as defined in section 47102).

(f) BRIEFING.—The Administrator shall annually brief the appropriate committees of Congress, including the Committee on Judiciary [2] of the House of Representatives and the Committee on the Judiciary of the Senate, on the implementation of this section.

(g) APPLICABILITY OF OTHER LAWS.—Section 46502 of this title, section 32 of title 18, United States Code (commonly known as the Aircraft Sabotage Act), section 1031 of title 18, United States Code (commonly known as the Computer Fraud and Abuse Act of 1986),[1] sections 2510–2522 of title 18, United States Code (commonly known as the Wiretap Act), and sections 3121–3127 of title 18, United States Code (commonly known as the Pen/Trap Statute), shall not apply to activities authorized by the Administrator pursuant to subsection [3] (c) and (d).

(h) SUNSET.—This section ceases to be effective September 30, 2028.

(i) NON-DELEGATION.—The Administrator shall not delegate any authority granted to the Administrator under this section to other Federal, State, local, territorial, or tribal agencies, or an airport sponsor, as defined in section 47102 of title 49, United States Code. The Administrator may partner with other Federal agencies under this section, subject to any restrictions contained in such agencies' authority to operate counter unmanned aircraft systems.

(Added Pub. L. 115–254, div. B, title III, §383(a), Oct. 5, 2018, 132 Stat. 3321; amended Pub. L. 118–15, div. B, title II, §2202(d), Sept. 30, 2023, 137 Stat. 83; Pub. The Aircraft Sabotage Act, referred to in subsec. (g), is part B (§§2011–2015) of chapter XX of title II of Pub. L. 98–473, Oct. 12, 1984, 98 Stat. 2187. Section 2013(b) of the Act generally amended section 32 of Title 18, Crimes and Criminal Procedure. For complete classification of this Act to the Code, see Short Title of 1984 Amendment note set out under section 31 of Title 18 and Tables.

The Computer Fraud and Abuse Act of 1986, referred to in subsec. (g), is Pub. L. 99–474, §1, Oct. 16,

1986, 100 Stat. 1213, which amended section 1030 of Title 18, Crimes and Criminal Procedure. Section 1031 of Title 18 was enacted by Pub. L. 100–700, known as the Major Fraud Act of 1988.

AMENDMENTS

2024—Subsec. (c). Pub. L. 118–63, §904(1), inserted ", and any other location the Administrator determines appropriate" after "Data".

Subsec. (h). Pub. L. 118–63, §904(2), substituted "September 30, 2028" for "May 10, 2024".

Pub. L. 118–41 substituted "May 10, 2024" for "March 8, 2024".

2023—Subsec. (h). Pub. L. 118–34 substituted "March 8, 2024" for "December 31, 2023".

Pub. L. 118–15 substituted "December 31, 2023" for "September 30, 2023".

COOPERATION RELATED TO CERTAIN COUNTER-UAS TECHNOLOGY

Pub. L. 115–254, div. B, title III, §365, Oct. 5, 2018, 132 Stat. 3310, provided that: "In matters relating to the use of systems in the national airspace system intended to mitigate threats posed by errant or hostile unmanned aircraft system operations, the Secretary of Transportation shall consult with the Secretary of Defense to streamline deployment of such systems by drawing upon the expertise and experience of the Department of Defense in acquiring and operating such systems consistent with the safe and efficient operation of the national airspace system."

ENFORCEMENT

Pub. L. 115–254, div. B, title III, §372, Oct. 5, 2018, 132 Stat. 3312, as amended by Pub. L. 118–15, div. B, title II, §2202(q), Sept. 30, 2023, 137 Stat. 84; Pub. L. 118–34, title I, §102(q), Dec. 26, 2023, 137 Stat. 1114; Pub. L. 118–41, title I, §102(q), Mar. 8, 2024, 138 Stat. 22, provided that:

"(a) UAS SAFETY ENFORCEMENT.—The Administrator of the Federal Aviation Administration shall establish a pilot program to utilize available remote detection or identification technologies for safety oversight, including enforcement actions against operators of unmanned aircraft systems that are not in compliance with applicable Federal aviation laws, including regulations.

"(b) REPORTING.—As part of the pilot program, the Administrator shall establish and publicize a mechanism for the public and Federal, State, and local law enforcement to report suspected operation of unmanned aircraft in violation of applicable Federal laws and regulations.

"(c) REPORT TO CONGRESS.—Not later than 1 year after the date of enactment of the FAA Reauthorization Act of 2018 [Oct. 5, 2018], and annually thereafter through the duration of the pilot program established in subsection (a), the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report on the following:

"(1) The number of unauthorized unmanned aircraft operations detected in restricted airspace, including in and around airports, together with a description of such operations.

"(2) The number of enforcement cases brought by the Federal Aviation Administration or other Federal agencies for unauthorized operation of unmanned aircraft detected through the program, together with a description of such cases.

"(3) Recommendations for safety and operational standards for unmanned aircraft detection and mitigation systems.

"(4) Recommendations for any legislative or regulatory changes related to mitigation or detection or identification of unmanned aircraft systems.

"(d) SUNSET.—The pilot program established in subsection (a) shall terminate on May 10, 2024.

"(e) CIVIL PENALTIES.—[Amended section 46301 of this title.]

"(f) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to limit the authority of the Administrator to pursue an enforcement action for a violation of this subtitle or any other applicable provision of aviation safety law or regulation using remote detection or identification or other technology following the sunset of the pilot program."

EXECUTIVE DOCUMENTS

EX. ORD. NO. 14305. RESTORING AMERICAN AIRSPACE SOVEREIGNTY

Ex. Ord. No. 14305, June 6, 2025, 90 F.R. 24719, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered:

SECTION 1. *Purpose*. Unmanned aircraft systems (UAS), otherwise known as drones, offer the potential to enhance public safety as well as cement America's leadership in global innovation. But criminals, terrorists, and hostile foreign actors have intensified their weaponization of these technologies, creating new and serious threats to our homeland. Drug cartels use UAS to smuggle fentanyl across our borders, deliver contraband into prisons, surveil law enforcement, and otherwise endanger the public. Mass gatherings are vulnerable to disruptions and threats by unauthorized UAS flights. Critical infrastructure, including military bases, is subject to frequent—and often unidentified—UAS incursions. Immediate action is needed to ensure American sovereignty over its skies and that its airspace remains safe and secure.

SEC. 2. *Definitions*. For the purposes of this order:

(a) the term "unmanned aircraft systems" or "UAS" has the meaning given in 49 U.S.C. 44801;

(b) the term "critical infrastructure" has the meaning given in 42 U.S.C. 5195c(e) [section 1016(e) of Pub. L. 107–56], and includes systems and assets in all of the designated critical infrastructure sectors identified in National Security Memorandum 22 of April 30, 2024 (Critical Infrastructure Security and Resilience) (NSM-22) and

(c) the term Sector Risk Management Agency or "SRMA" has the same meaning given in 6 U.S.C. 650 [section 2200 of Pub. L. 107–296] and as further described in NSM-22.

SEC. 3. *Policy*. It is the policy of the United States to ensure control over our national airspace and to protect the public, critical infrastructure, mass gathering events, and military and sensitive government installations and operations from threats posed by the careless or unlawful use of UAS.

SEC. 4. *Task Force to Restore American Airspace Sovereignty*. To assist in ensuring control over our national airspace, there is hereby established the Federal Task Force to Restore American Airspace Sovereignty (Task Force). The Task Force shall be chaired by the Assistant to the President for National Security Affairs (APNSA) or a designee, and include principals, or their designees, from appropriate executive departments and agencies as identified by the APNSA. The Task Force shall review relevant operational, technical, and regulatory frameworks and develop and propose solutions to UAS threats, as appropriate and consistent with applicable law, and shall make recommendations on the implementation of all actions identified in this order.

SEC. 5. *Airspace Regulations to Protect the Public*. The Administrator of the Federal Aviation Administration (FAA) shall:

(a) with respect to the rulemaking required by section 2209(f) of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190, 49 U.S.C. 44802 note], as amended:

(i) promptly submit a notice of proposed rulemaking (NPRM) to the Office of Management and Budget (OMB) and the Task Force establishing the statutorily required process for restricting drone flights over fixed site facilities, and interpreting, to the extent appropriate, critical infrastructure consistent with the definition of that term in this order; and

(ii) promulgate a final rule as soon as practicable after publication of the NPRM;

(b) make national security and homeland security assessments under section 2209 in coordination with Sector Risk Management Agencies (SRMAs), the Secretary of Defense, the Secretary of Homeland Security, or the Attorney General, as appropriate, and whenever military installations or operations are implicated, with the Secretary of Defense; and

(c) within 180 days of the date of this order [June 6, 2025], make freely available online Notices to Airmen (NOTAMs) and Temporary Flight Restrictions (TFRs) in an open format easily accepted for drone geofencing and Aircraft Navigation and Guidance system purposes. This online availability should supplement, but not replace, existing NOTAMs and TFR promulgation methods.

SEC. 6. *Enhancing Airspace Sovereignty*. (a) the Attorney General, in coordination with the Administrator of the FAA, shall take appropriate steps to ensure full enforcement of applicable civil and criminal laws when drone operators endanger the public, violate established airspace restrictions, or operate a drone in furtherance of an element of another crime;

(b) on a recurring basis, the Attorney General shall submit to the President, through the APNSA, legislative proposals that would revise criminal penalties for violations of restricted airspace; and

(c) within 30 days of the date of this order, and to the extent allowed by law, the Attorney General and the Secretary of Homeland Security shall ensure that their respective departments' grant programs permit otherwise eligible State, local, tribal, and territorial (SLTT) agencies to receive grants to purchase UAS or equipment or services for the detection, tracking, or identification of drones and drone signals, consistent with the legal authorities of those SLTTs.

SEC. 7. *Detection, Tracking, and Identification of Drones and Drone Signals*. (a) To the extent permitted

by law and consistent with the Fourth Amendment, executive departments and agencies shall use all available existing authorities to employ equipment to detect, track, and identify drones and drone signals.

(b) Within 30 days of the date of this order, the Attorney General, the Secretary of Transportation, the Secretary of Homeland Security, and the Chairman of the Federal Communications Commission shall revise the August 2020 "Advisory on the Application of Federal Laws to the Acquisition and Use of Technology to Detect and Mitigate Unmanned Aircraft Systems" to reflect relevant developments in Federal law and regulations addressing drones.

(c) Within 60 days of the date of this order, the Administrator of the FAA shall provide, to the extent permitted by law, including the Privacy Act of 1974 (5 U.S.C. 552a), automated real-time access to personal identifying information associated with UAS remote identification signals to appropriate executive departments and agencies and SLTT agencies for the purposes of enforcing applicable Federal or State law, with appropriate national security and privacy safeguards.

(d) Within 60 days of the date of this order, the Secretary of Homeland Security and the Administrator of the FAA, in coordination with the heads of other SRMAs as appropriate, shall publish guidance to aid private critical infrastructure owners or operators in employing technologies to detect, track, and identify drones and drone signals.

SEC. 8. *Enhancing General Protections*. Within 90 days of the date of this order, the Secretary of Homeland Security and the Attorney General, in coordination with the Secretary of Defense and the Secretary of Transportation, shall submit a recommendation to the President, through the APNSA, using risk-based assessment as defined in 6 U.S.C. 124n(k)(8) [now section 210G (l)(8) of Pub. L. 107–296, 6 U.S.C. 124n(l)(8)], on whether the northern and southern land borders; large airports; Federal facilities; critical infrastructure; and military installations, facilities, and assets should be designated as covered facilities or assets under 6 U.S.C. 124n and 10 U.S.C. 130i and whether any changes to law would be necessary relating to such designation.

SEC. 9. *Building Counter-UAS Capacity*. (a) Within 30 days of the date of this order, the Attorney General and the Secretary of Homeland Security shall explore integrating counter-UAS operational responses as part of Joint Terrorism Task Forces for the purpose of protecting mass gathering events.

(b) The Attorney General, in coordination with the Secretary of Defense; the Secretary of Transportation, acting through the Administrator of the FAA; the Secretary of Homeland Security; the Director of OMB; and the Chairman of the Federal Communications Commission, shall promptly take all appropriate steps to implement the recommendations of the March 2022 Feasibility Report to Congress with regard to the creation of the National Training Center for Counter-Unmanned Aircraft Systems (Center), and, upon establishment of the Center, focus initial training provided by the Center on development of Federal and SLTT capabilities to secure major upcoming national and international sporting events held in the United States, such as the FIFA World Cup 2026 and the 2028 Summer Olympics.

SEC. 10. *General Provisions*. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) The costs for publication of this order shall be borne by the Department of Transportation.

DONALD J. TRUMP.

§44811. Beyond visual line of sight operations for unmanned aircraft systems

(a) PROPOSED RULE.—Not later than 4 months after the date of enactment of the FAA

Reauthorization Act of 2024, the Administrator shall issue a notice of proposed rulemaking establishing a performance-based regulatory pathway for unmanned aircraft systems (in this section referred to as "UAS") to operate beyond visual line of sight (in this section referred to as "BVLOS").

(b) REQUIREMENTS.—The proposed rule required under subsection (a) shall, at a minimum, establish the following:

(1) Acceptable levels of risk for BVLOS UAS operations, including the levels developed pursuant to section 931 of the FAA Reauthorization Act of 2024.

(2) Standards for remote pilots or UAS operators for BVLOS operations, taking into account varying levels of automated control and management of UAS flights.

(3) An approval or acceptance process for UAS and associated elements (as defined by the Administrator), which may leverage the creation of a special airworthiness certificate or a manufacturer's declaration of compliance to a Federal Aviation Administration accepted means of compliance. Such process—

(A) shall not require, but may allow for, the use of type or production certification;

(B) shall consider the airworthiness of any UAS that—

(i) is within a maximum gross weight or kinetic energy, as determined by the Administrator; and

(ii) operates within a maximum speed limit as determined by the Administrator;

(C) may require such systems to operate in the national airspace system at altitude limits determined by the Administrator; and

(D) may require such systems to operate at standoff distances from the radius of a structure or the structure's immediate uppermost limit, as determined by the Administrator.

(4) Operating rules for UAS that have been approved or accepted as described in paragraph (3).

(5) Protocols, if appropriate, for networked information exchange, such as network-based remote identification, in support of BVLOS operations.

(6) The safety of manned aircraft operating in the national airspace system and consider the maneuverability and technology limitations of certain aircraft, including hot air balloons.

(c) FINAL RULE.—Not later than 16 months after publishing the proposed rule under subsection (a), the Administrator shall issue a final rule based on such proposed rule.

(d) SAVINGS CLAUSE.—Nothing in this section shall be construed to require the agency to rescope any rulemaking efforts related to UAS BVLOS operations that are ongoing as of the date of enactment of the FAA Reauthorization Act of 2024.

(Added Pub. L. 118–63, title IX, §930(a), May 16, 2024, 138 Stat. 1366.)

The date of enactment of the FAA Reauthorization Act of 2024, referred to in subsecs. (a) and (d), is the date of enactment of Pub. L. 118–63, which was approved May 16, 2024.

Section 931 of the FAA Reauthorization Act of 2024, referred to in subsec. (b)(1), is section 931 of Pub. L. 118–63, which is set out as a note under section 44801 of this title.

§44812. Temporary flight restrictions for unmanned aircraft

(a) IN GENERAL.—

(1) TEMPORARY FLIGHT RESTRICTIONS.—The Administrator of the Federal Aviation Administration shall, upon the request by an eligible entity, temporarily restrict unmanned aircraft operations over eligible large public gatherings.

(2) DENIAL.—Notwithstanding paragraph (1), the Administrator may deny a request for a temporary flight restriction sought under paragraph (1) if—

(A) the temporary flight restriction would be inconsistent with aviation safety or security, would create a hazard to people or property on the ground, or would unnecessarily interfere with the efficient use of the airspace;

(B) the entity seeking the temporary flight restriction does not comply with the requirements in subsection (b);

(C) the eligibility requirements in subsections (c) and (d) have not been met;

(D) a flight restriction exists to the airspace overlying the same location as the temporary flight restriction sought under this section; or

(E) the Administrator determines appropriate for any other reason.

(b) REQUIREMENTS.—

(1) ADVANCE NOTICE.—Eligible entities may only request a temporary flight restriction under subsection (a) not less than 30 calendar days prior to the eligible large public gathering.

(2) REQUIRED INFORMATION.—Eligible entities seeking a temporary flight restriction under this section shall provide the Administrator with all relevant information, including the following:

(A) Geographic boundaries of the stadium or other venue hosting the eligible large public gathering, as applicable.

(B) The dates and anticipated starting and ending times for the large public gathering.

(C) Points of contact for the requesting eligible entity and the on-scene incident command responsible for securing the large public gathering.

(D) Any other information the Administrator considers necessary to establish the restriction.

(c) ELIGIBLE LARGE PUBLIC GATHERINGS.—

(1) IN GENERAL.—To be eligible for a temporary flight restriction under this section, large public gatherings hosted in a stadium or other venue shall—

(A) be hosted in a stadium or other venue that—

(i) has previously hosted events qualifying for the application of special security instructions in accordance with section 521 of the Transportation, Treasury, and Independent Agencies Appropriations Act, 2004 (Public Law 108–199); [1] and

(ii) is not enclosed;

(B) have an estimated attendance of at least 30,000 people; and

(C) be advertised in the public domain.

(2) ADDITIONAL GATHERINGS.—To be eligible for a temporary flight restriction under this section, large public gatherings hosted in a venue other than a stadium or other venue described in paragraph (1)(A) shall—

(A) have an estimated attendance of at least 100,000 people;

(B) be primarily outdoors;

(C) have a defined and static geographical boundary; and

(D) be advertised in the public domain.

(d) ELIGIBLE ENTITIES.—An entity eligible to request a temporary flight restriction under subsection (a) shall be a credentialed law enforcement organization of the Federal Government or a State, local, Tribal, or territorial government.

(e) TIMELINESS.—The Administrator shall make every practicable effort to assess eligibility and establish temporary flight restrictions under subsection (a) in a timely fashion.

(f) PUBLIC INFORMATION.—Any temporary flight restriction designated under this section shall be published by the Administrator in a publicly accessible manner at least 2 days prior to the start of the eligible large public gathering.

(g) PROHIBITION ON OPERATIONS.—No person may operate an unmanned aircraft within a temporary flight restriction established under this section unless—

(1) the Administrator authorizes the operation for operational or safety purposes;
(2) the operation is being conducted for safety, security, or compliance oversight purposes and is authorized by the Administrator; or
(3) the aircraft operation is conducted with the approval of the eligible entity.

(h) SAVINGS CLAUSE.—Nothing in this section may be construed as prohibiting the Administrator from authorizing the operation of an aircraft, including an unmanned aircraft system, over, under, or within a specified distance from an eligible large public gathering for which a temporary flight restriction has been established under this section or cancelling a temporary flight restriction established under this section.
(i) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to prevent the Administrator from using existing processes or procedures to meet the intent of this section.

(Added Pub. L. 118–63, title IX, §935(a), May 16, 2024, 138 Stat. 1370.)

§44813. Center of Excellence for Unmanned Aircraft Systems

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall continue operation of the Center of Excellence for Unmanned Aircraft Systems (referred to in this section as the "Center").
(b) RESPONSIBILITIES.—The Center shall carry out the following responsibilities:
(1) Conduct applied research and training on the safe and efficient integration of unmanned aircraft systems and advanced air mobility into the national airspace system.
(2) Promote and facilitate collaboration among academia, the Federal Aviation Administration, Federal agency partners, and industry stakeholders (including manufacturers, operators, service providers, standards development organizations, carriers, and suppliers), with respect to the safe and efficient integration of unmanned aircraft systems and advanced air mobility into the national airspace system.
(3) Establish goals set to advance technology, improve engineering practices, and facilitate continuing education with respect to the safe and efficient integration of unmanned aircraft systems and advanced air mobility into the national airspace system.

(c) PROGRAM PARTICIPATION.—The Administrator shall ensure the participation in the Center of institutions of higher education (as defined in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001)) and research institutions that provide accredited bachelor's degree programs in aeronautical sciences that provide pathways to commercial pilot certifications and that include a focus on pilot training for women aviators.
(d) LEVERAGING OF CERTAIN CAPACITY AND CAPABILITIES.—The Administrator shall, in carrying out research necessary to validate consensus safety standards accepted pursuant to section 44805, to the maximum extent practicable, leverage the research and testing capacity and capabilities of—
(1) the Center;
(2) the test ranges designated under section 44803;

(3) existing Federal and non-Federal test ranges and testbeds;
(4) the National Aeronautics and Space Administration; and
(5) the William J. Hughes Technical Center for Advanced Aerospace.

§44814. ASSUREd Safe credentialing authority

(a) IN GENERAL.—Not later than 6 months after the date of enactment of this section, the Administrator of the Federal Aviation Administration shall establish a credentialing authority for the program of record of the Federal Aviation Administration (referred to in this section as "ASSUREd Safe") under the Center of Excellence for Unmanned Aircraft Systems.

(b) PURPOSES.—ASSUREd Safe shall offer services throughout the United States, and to allies and partners of the United States, including—

(1) online and in-person standards, education, and testing for the use of unmanned aircraft systems by first responders for emergency and disaster management operations;

(2) uniform communications standards, operational standards, and reporting standards for civilian, military, and international allies and partners; and

(3) any other relevant standards development related to operation of unmanned aircraft systems, as determined appropriate by the Administrator.

(c) COORDINATION.—The Administrator shall ensure that the Center of Excellence for Unmanned Aircraft Systems coordinates with the National Institute of Standards and Technology and the Federal Emergency Management Agency on establishment of ASSUREd Safe, and on any services offered by ASSUREd Safe.

(Added Pub. L. 118–63, title X, §1007(a), May 16, 2024, 138 Stat. 1389.)

SUBCHAPTER I—REQUIREMENTS

§44901. Screening passengers and property

(a) IN GENERAL.—The Administrator of the Transportation Security Administration shall provide for the screening of all passengers and property, including United States mail, cargo, carry-on and checked baggage, and other articles, that will be carried aboard a passenger aircraft operated by an air carrier or foreign air carrier in air transportation or intrastate air transportation. In the case of flights and flight segments originating in the United States, the screening shall take place before boarding and shall be carried out by a Federal Government employee (as defined in section 2105 of title 5), except as otherwise provided in section 44920 and except for identifying passengers and baggage for screening under the CAPPS and known shipper programs and conducting positive bag-match programs.

(b) SUPERVISION OF SCREENING.—All screening of passengers and property at airports in the United States where screening is required under this section shall be supervised by uniformed Federal personnel of the Transportation Security Administration who shall have the power to order the dismissal of any individual performing such screening.

(c) CHECKED BAGGAGE.—A system must be in operation to screen all checked baggage at all airports in the United States as soon as practicable.

(d) EXPLOSIVES DETECTION SYSTEMS.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration shall take all necessary action to ensure that—

(A) explosives detection systems are deployed as soon as possible to ensure that all United States airports described in section 44903(c) have sufficient explosives detection systems to screen all checked baggage, and that as soon as such systems are in place at an airport, all checked baggage at the airport is screened by those systems; and

(B) all systems deployed under subparagraph (A) are fully utilized; and

(C) if explosives detection equipment at an airport is unavailable, all checked baggage is screened by an alternative means.

(2) PRECLEARANCE AIRPORTS.—

(A) IN GENERAL.—For a flight or flight segment originating at an airport outside the United States and traveling to the United States with respect to which checked baggage has been screened in accordance with an aviation security preclearance agreement between the United States and the country in which such airport is located, the Administrator of the

Transportation Security Administration may, in coordination with U.S. Customs and Border Protection, determine whether such baggage must be re-screened in the United States by an explosives detection system before such baggage continues on any additional flight or flight segment.

(B) AVIATION SECURITY PRECLEARANCE AGREEMENT DEFINED.—In this paragraph, the term "aviation security preclearance agreement" means an agreement that delineates and implements security standards and protocols that are determined by the Administrator of the Transportation Security Administration, in coordination with U.S. Customs and Border Protection, to be comparable to those of the United States and therefore sufficiently effective to enable passengers to deplane into sterile areas of airports in the United States.

(C) RESCREENING REQUIREMENT.—If the Administrator of the Transportation Security Administration determines that the government of a foreign country has not maintained security standards and protocols comparable to those of the United States at airports at which preclearance operations have been established in accordance with this paragraph, the Administrator shall ensure that Transportation Security Administration personnel rescreen passengers arriving from such airports and their property in the United States before such passengers are permitted into sterile areas of airports in the United States.

(D) REPORT.—The Administrator of the Transportation Security Administration shall submit to the Committee on Homeland Security of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Homeland Security and Governmental Affairs of the Senate an annual report on the re-screening of baggage under this paragraph. Each such report shall include the following for the year covered by the report:

(i) A list of airports outside the United States from which a flight or flight segment traveled to the United States for which the Administrator determined, in accordance with the authority under subparagraph (A), that checked baggage was not required to be re-screened in the United States by an explosives detection system before such baggage continued on an additional flight or flight segment.

(ii) The amount of Federal savings generated from the exercise of such authority.

(e) MANDATORY SCREENING WHERE EDS NOT YET AVAILABLE.—As soon as practicable and until the requirements of subsection (b)(1)(A) are met, the Administrator of the Transportation Security Administration shall require alternative means for screening any piece of checked baggage that is not screened by an explosives detection system. Such alternative means may include 1 or more of the following:

(1) A bag-match program that ensures that no checked baggage is placed aboard an aircraft unless the passenger who checked the baggage is aboard the aircraft.

(2) Manual search.

(3) Search by canine explosives detection units in combination with other means.

(4) Other means or technology approved by the Administrator.

(f) CARGO DEADLINE.—A system must be in operation to screen, inspect, or otherwise ensure the security of all cargo that is to be transported in all-cargo aircraft in air transportation and intrastate air transportation as soon as practicable.

(g) AIR CARGO ON PASSENGER AIRCRAFT.—

(1) IN GENERAL.—The Secretary of Homeland Security shall establish a system to screen 100 percent of cargo transported on passenger aircraft operated by an air carrier or foreign air carrier in air transportation or intrastate air transportation to ensure the security of all such passenger aircraft carrying cargo.

(2) MINIMUM STANDARDS.—The system referred to in paragraph (1) shall require, at a minimum, that equipment, technology, procedures, personnel, or other methods approved by the

Administrator of the Transportation Security Administration, are used to screen cargo carried on passenger aircraft described in paragraph (1) to provide a level of security commensurate with the level of security for the screening of passenger checked baggage.

(3) REGULATIONS.—The Secretary of Homeland Security shall issue a final rule as a permanent regulation to implement this subsection in accordance with the provisions of chapter 5 of title 5.

(4) SCREENING DEFINED.—In this subsection the term "screening" means a physical examination or non-intrusive methods of assessing whether cargo poses a threat to transportation security. Methods of screening include x-ray systems, explosives detection systems, explosives trace detection, explosives detection canine teams certified by the Transportation Security Administration, or a physical search together with manifest verification. The Administrator may approve additional methods to ensure that the cargo does not pose a threat to transportation security and to assist in meeting the requirements of this subsection. Such additional cargo screening methods shall not include solely performing a review of information about the contents of cargo or verifying the identity of a shipper of the cargo that is not performed in conjunction with other security methods authorized under this subsection, including whether a known shipper is registered in the known shipper database. Such additional cargo screening methods may include a program to certify the security methods used by shippers pursuant to paragraphs (1) and (2) and alternative screening methods pursuant to exemptions referred to in subsection (b) of section 1602 of the Implementing Recommendations of the 9/11 Commission Act of 2007.

(h) DEPLOYMENT OF ARMED PERSONNEL.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration shall order the deployment of law enforcement personnel authorized to carry firearms at each airport security screening location to ensure passenger safety and national security.

(2) MINIMUM REQUIREMENTS.—Except at airports required to enter into agreements under subsection (c), the Administrator of the Transportation Security Administration shall order the deployment of at least 1 law enforcement officer at each airport security screening location. At the 100 largest airports in the United States, in terms of annual passenger enplanements for the most recent calendar year for which data are available, the Administrator shall order the deployment of additional law enforcement personnel at airport security screening locations if the Administrator determines that the additional deployment is necessary to ensure passenger safety and national security.

(i) EXEMPTIONS AND ADVISING CONGRESS ON REGULATIONS.—The Administrator of the Transportation Security Administration—

(1) may exempt from this section air transportation operations, except scheduled passenger operations of an air carrier providing air transportation under a certificate issued under section 41102 of this title or a permit issued under section 41302 of this title; and

(2) shall advise Congress of a regulation to be prescribed under this section at least 30 days before the effective date of the regulation, unless the Administrator decides an emergency exists requiring the regulation to become effective in fewer than 30 days and notifies Congress of that decision.

(j) BLAST-RESISTANT CARGO CONTAINERS.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration shall—

(A) evaluate the results of the blast-resistant cargo container pilot program that was initiated before August 3, 2007; and

(B) prepare and distribute through the Aviation Security Advisory Committee to the appropriate Committees [1] of Congress and air carriers a report on that evaluation which may contain nonclassified and classified sections.

(2) ACQUISITION, MAINTENANCE, AND REPLACEMENT.—Upon completion and

consistent with the results of the evaluation that paragraph (1)(A) requires, the Administrator shall—

(A) develop and implement a program, as the Administrator determines appropriate, to acquire, maintain, and replace blast-resistant cargo containers;

(B) pay for the program; and

(C) make available blast-resistant cargo containers to air carriers pursuant to paragraph (3).

(3) DISTRIBUTION TO AIR CARRIERS.—The Administrator shall make available, beginning not later than July 1, 2008, blast-resistant cargo containers to air carriers for use on a risk managed basis as determined by the Administrator.

(k) GENERAL AVIATION AIRPORT SECURITY PROGRAM.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration shall—

(A) develop a standardized threat and vulnerability assessment program for general aviation airports (as defined in section 47134(m)); [2] and

(B) implement a program to perform such assessments on a risk-managed basis at general aviation airports.

(2) GRANT PROGRAM.—The Administrator shall initiate and complete a study of the feasibility of a program, based on a risk-managed approach, to provide grants to operators of general aviation airports (as defined in section 47134(m)) [2] for projects to upgrade security at such airports. If the Administrator determines that such a program is feasible, the Administrator shall establish such a program.

(3) APPLICATION TO GENERAL AVIATION AIRCRAFT.—The Administrator shall develop a risk-based system under which—

(A) general aviation aircraft, as identified by the Administrator, in coordination with the Administrator of the Federal Aviation Administration, are required to submit passenger information and advance notification requirements for United States Customs and Border Protection before entering United States airspace; and

(B) such information is checked against appropriate databases.

(4) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Administrator of the Transportation Security Administration such sums as may be necessary to carry out paragraphs (2) and (3).

(l) LIMITATIONS ON USE OF ADVANCED IMAGING TECHNOLOGY FOR SCREENING PASSENGERS.—

(1) DEFINITIONS.—In this subsection, the following definitions apply:

(A) ADVANCED IMAGING TECHNOLOGY.—The term "advanced imaging technology"—

(i) means a device used in the screening of passengers that creates a visual image of an individual showing the surface of the skin and revealing other objects on the body; and

(ii) may include devices using backscatter x-rays or millimeter waves and devices referred to as "whole-body imaging technology" or "body scanning machines".

(B) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term "appropriate congressional committees" means—

(i) the Committee on Commerce, Science, and Transportation and the Committee on Homeland Security and Governmental Affairs of the Senate; and

(ii) the Committee on Homeland Security of the House of Representatives.

(C) AUTOMATIC TARGET RECOGNITION SOFTWARE.—The term "automatic target recognition software" means software installed on an advanced imaging technology that

produces a generic image of the individual being screened that is the same as the images produced for all other screened individuals.

(2) USE OF ADVANCED IMAGING TECHNOLOGY.—The Administrator of the Transportation Security Administration shall ensure that any advanced imaging technology used for the screening of passengers under this section—

(A) is equipped with and employs automatic target recognition software; and

(B) complies with such other requirements as the Administrator determines necessary to address privacy considerations.

(3) EXTENSION.—

(A) IN GENERAL.—The Administrator of the Transportation Security Administration may extend the deadline specified in paragraph (2), if the Administrator determines that—

(i) an advanced imaging technology equipped with automatic target recognition software is not substantially as effective at screening passengers as an advanced imaging technology without such software; or

(ii) additional testing of such software is necessary.

(B) DURATION OF EXTENSIONS.—The Administrator of the Transportation Security Administration may issue one or more extensions under subparagraph (A). The duration of each extension may not exceed one year.

(4) REPORTS.—

(A) IN GENERAL.—Not later than 60 days after the date on which the Administrator of the Transportation Security Administration issues any extension under paragraph (3), the Administrator shall submit to the appropriate congressional committees a report on the implementation of this subsection.

(B) ELEMENTS.—A report submitted under subparagraph (A) shall include the following:

(i) A description of all matters the Administrator of the Transportation Security Administration considers relevant to the implementation of the requirements of this subsection.

(ii) The status of compliance by the Transportation Security Administration with such requirements.

(iii) If the Administration is not in full compliance with such requirements—

(I) the reasons for the noncompliance; and

(II) a timeline depicting when the Administrator of the Transportation Security Administration expects the Administration to achieve full compliance.

(C) SECURITY CLASSIFICATION.—To the greatest extent practicable, a report prepared under subparagraph (A) shall be submitted in an unclassified format. If necessary, the report may include a classified annex.

Subsec. (d)(1). Pub. L. 115–254, §1991(d)(1)(C)(i)(I), substituted "Administrator of the Transportation Security Administration" for "Under Secretary of Transportation for Security" in introductory provisions.

Subsec. (d)(1)(A). Pub. L. 115–254, §1991(d)(1)(C)(i)(II), struck out "no later than December 31, 2002" after "to screen all checked baggage".

Subsec. (d)(2). Pub. L. 115–254, §1991(d)(1)(C)(ii), (iii), redesignated par. (4) as (2) and struck out former par. (2) which related to determination by the Under Secretary of Transportation for Security that the Transportation Security Administration would not be able to deploy required explosives detection systems at certain airports by Dec. 31, 2002.

Subsec. (d)(2)(A). Pub. L. 115–254, §1991(d)(1)(C)(iv)(I), substituted "Administrator of the Transportation Security Administration" for "Assistant Secretary (Transportation Security Administration)".

Subsec. (d)(2)(B). Pub. L. 115–254, §1991(d)(1)(C)(iv)(II), substituted "Administrator of the Transportation Security Administration" for "Assistant Secretary".

Subsec. (d)(2)(D). Pub. L. 115–254, §1991(d)(1)(C)(iv)(III), in introductory provisions, substituted

"Administrator of the Transportation Security Administration" for "Assistant Secretary" and, in cl. (i), substituted "Administrator" for "Assistant Secretary".

Subsec. (d)(3), (4). Pub. L. 115–254, §1991(d)(1)(C)(ii), (iii), struck out par. (3) and redesignated par. (4) as (2). Prior to amendment, text of par. (3) read as follows: "Until the Transportation Security Administration has met the requirements of paragraph (1), the Under Secretary shall submit a classified report every 30 days after the date of enactment of this Act to the Senate Committee on Commerce, Science, and Transportation and the House of Representatives Committee on Transportation and Infrastructure describing the progress made toward meeting such requirements at each airport."

Subsec. (e). Pub. L. 115–254, §1991(d)(1)(D)(i), in introductory provisions, struck out "but not later than the 60th day following the date of enactment of the Aviation and Transportation Security Act" after "practicable" and substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

Subsec. (e)(4). Pub. L. 115–254, §1991(d)(1)(D)(ii), substituted "Administrator" for "Under Secretary".

Subsec. (f). Pub. L. 115–254, §1991(d)(1)(E), struck out "after the date of enactment of the Aviation and Transportation Security Act" before period at end.

Subsec. (g)(1). Pub. L. 115–254, §1991(d)(1)(F)(i), substituted "The" for "Not later than 3 years after the date of enactment of the Implementing Recommendations of the 9/11 Commission Act of 2007, the".

Subsec. (g)(2). Pub. L. 115–254, §1991(d)(1)(F)(ii), substituted "baggage." for "baggage as follows:

"(A) 50 percent of such cargo is so screened not later than 18 months after the date of enactment of the Implementing Recommendations of the 9/11 Commission Act of 2007.

"(B) 100 percent of such cargo is so screened not later than 3 years after such date of enactment."

Subsec. (g)(3). Pub. L. 115–254, §1991(d)(1)(F)(iii), amended par. (3) generally. Prior to amendment, par. (3) related to the issuance by the Secretary of Homeland Security of an interim final rule and a final rule implementing subsec. (g).

Subsec. (g)(4), (5). Pub. L. 115–254, §1991(d)(1)(F)(iv), (v), redesignated par. (5) as (4) and struck out former par. (4). Prior to amendment, text of par. (4) read as follows: "Not later than 1 year after the date of establishment of the system under paragraph (1), the Secretary shall submit to the Committees referred to in paragraph (3)(B)(ii) a report that describes the system."

Subsec. (h)(1). Pub. L. 115–254, §1991(d)(1)(G)(i), substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

Subsec. (h)(2). Pub. L. 115–254, §1991(d)(1)(G)(ii), substituted "Administrator of the Transportation Security Administration" for "Under Secretary" in first sentence, and "Administrator" for "Under Secretary" in two places in second sentence.

Subsec. (i). Pub. L. 115–254, §1991(d)(1)(H)(i), substituted "Administrator of the Transportation Security Administration" for "Under Secretary" in introductory provisions.

Subsec. (i)(2). Pub. L. 115–254, §1991(d)(1)(H)(ii), substituted "Administrator" for "Under Secretary".

Subsec. (j)(1). Pub. L. 115–254, §1991(d)(1)(I)(i), substituted "The" for "Before January 1, 2008, the" in introductory provisions.

Subsec. (j)(1)(A). Pub. L. 115–254, §1991(d)(1)(I)(ii), substituted "August 3, 2007" for "the date of enactment of this subsection".

Subsec. (k)(1). Pub. L. 115–254, §1991(d)(1)(J)(i), substituted "The" for "Not later than one year after the date of enactment of this subsection, the" in introductory provisions.

Subsec. (k)(2). Pub. L. 115–254, §1991(d)(1)(J)(ii), substituted "The" for "Not later than 6 months after the date of enactment of this subsection, the".

Subsec. (k)(3). Pub. L. 115–254, §1991(d)(1)(J)(iii), substituted "The" for "Not later than 180 days after the date of enactment of this subsection, the" in introductory provisions.

Subsec. (l)(2). Pub. L. 115–254, §1991(d)(1)(K)(i)(I), substituted "The Administrator of the Transportation Security Administration" for "Beginning June 1, 2012, the Assistant Secretary of Homeland Security (Transportation Security Administration)" in introductory provisions.

Subsec. (l)(2)(B). Pub. L. 115–254, §1991(d)(1)(K)(i)(II), substituted "Administrator" for "Assistant Secretary".

Subsec. (l)(3)(A). Pub. L. 115–254, §1991(d)(1)(K)(ii)(I), substituted "Administrator of the Transportation Security Administration may extend" for "Assistant Secretary may extend" and "Administrator determines" for "Assistant Secretary determines" in introductory provisions.

Subsec. (l)(3)(B). Pub. L. 115–254, §1991(d)(1)(K)(ii)(II), substituted "Administrator of the Transportation Security Administration" for "Assistant Secretary".

Subsec. (l)(4)(A). Pub. L. 115–254, §1991(d)(1)(K)(iii)(I), struck out "60 days after the deadline specified in paragraph (2), and not later than" after "Not later than" and substituted "Administrator of the Transportation

Security Administration issues" for "Assistant Secretary issues" and "Administrator shall" for "Assistant Secretary shall".

Subsec. (l)(4)(B)(i), (iii)(II). Pub. L. 115–254, §1991(d)(1)(K)(iii)(II), substituted "Administrator of the Transportation Security Administration" for "Assistant Secretary".

2016—Subsec. (d)(4)(C), (D). Pub. L. 114–125 added subpar. (C) and redesignated former subpar. (C) as (D).

2012—Subsec. (d). Pub. L. 112–218, §2(b), which directed substitution of "explosives" for "explosive" wherever appearing in this section, was executed in subsec. (d) by making such substitution wherever appearing in text as well as by substituting "Explosives" for "Explosive" in heading, to reflect the probable intent of Congress.

Subsec. (d)(4). Pub. L. 112–218, §2(a), added par. (4).

Subsec. (e). Pub. L. 112–218, §2(b), substituted "explosives" for "explosive" in introductory provisions and in par. (3).

Subsec. (l). Pub. L. 112–95 added subsec. (l).

2007—Subsecs. (g) to (i). Pub. L. 110–53, §1602(a), added subsec. (g) and redesignated former subsecs. (g) and (h) as (h) and (i), respectively.

Subsec. (j). Pub. L. 110–53, §1609, added subsec. (j).

Subsec. (k). Pub. L. 110–53, §1617, added subsec. (k).

2002—Subsec. (d)(2), (3). Pub. L. 107–296 added pars. (2) and (3).

2001—Subsec. (a). Pub. L. 107–71, §110(b)(2), added subsec. (a) and struck out heading and text of former subsec. (a). Text read as follows: "The Administrator of the Federal Aviation Administration shall prescribe regulations requiring screening of all passengers and property that will be carried in a cabin of an aircraft in air transportation or intrastate air transportation. The screening must take place before boarding and be carried out by a weapon-detecting facility or procedure used or operated by an employee or agent of an air carrier, intrastate air carrier, or foreign air carrier."

Subsec. (b). Pub. L. 107–71, §110(b)(2), added subsec. (b) and struck out heading and text of former subsec. (b). Text read as follows: "Notwithstanding subsection (a) of this section, the Administrator may amend a regulation prescribed under subsection (a) to require screening only to ensure security against criminal violence and aircraft piracy in air transportation and intrastate air transportation."

Subsec. (c). Pub. L. 107–71, §110(b)(2), added subsec. (c). Former subsec. (c) redesignated (h).

Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator" in introductory provisions and par. (2).

Subsecs. (d) to (g). Pub. L. 107–71, §110(b)(2), added subsecs. (d) to (g).

Subsec. (h). Pub. L. 107–71, §110(b)(1), redesignated subsec. (c) as (h).

EFFECTIVE DATE OF 2002 AMENDMENT

Amendment by Pub. L. 107–296 effective 60 days after Nov. 25, 2002, see section 4 of Pub. L. 107–296, set out as an Effective Date note under section 101 of Title 6, Domestic Security.

SAVINGS PROVISION

Pub. L. 107–71, title I, §141, Nov. 19, 2001, 115 Stat. 643, provided that:

"(a) TRANSFER OF ASSETS AND PERSONNEL.—Except as otherwise provided in this Act [see Tables for classification], those personnel, property, and records employed, used, held, available, or to be made available in connection with a function transferred to the Transportation Security Administration by this Act shall be transferred to the Transportation Security Administration for use in connection with the functions transferred. Unexpended balances of appropriations, allocations, and other funds made available to the Federal Aviation Administration to carry out such functions shall also be transferred to the Transportation Security Administration for use in connection with the functions transferred.

"(b) LEGAL DOCUMENTS.—All orders, determinations, rules, regulations, permits, grants, loans, contracts, settlements, agreements, certificates, licenses, and privileges—

"(1) that have been issued, made, granted, or allowed to become effective by the Federal Aviation Administration, any officer or employee thereof, or any other Government official, or by a court of competent jurisdiction, in the performance of any function that is transferred by this Act; and

"(2) that are in effect on the effective date of such transfer (or become effective after such date pursuant to their terms as in effect on such effective date), shall continue in effect according to their terms until modified, terminated, superseded, set aside, or revoked in accordance with law by the Under Secretary

of Transportation for Security [now Administrator of the Transportation Security Administration], any other authorized official, a court of competent jurisdiction, or operation of law.

"(c) PROCEEDINGS.—

"(1) IN GENERAL.—The provisions of this Act shall not affect any proceedings or any application for any license pending before the Federal Aviation Administration at the time this Act takes effect [Nov. 19, 2001], insofar as those functions are transferred by this Act; but such proceedings and applications, to the extent that they relate to functions so transferred, shall be continued. Orders shall be issued in such proceedings, appeals shall be taken therefrom, and payments shall be made pursuant to such orders, as if this Act had not been enacted; and orders issued in any such proceedings shall continue in effect until modified, terminated, superseded, or revoked by a duly authorized official, by a court of competent jurisdiction, or by operation of law.

"(2) STATUTORY CONSTRUCTION.—Nothing in this subsection shall be deemed to prohibit the discontinuance or modification of any proceeding described in paragraph (1) under the same terms and conditions and to the same extent that such proceeding could have been discontinued or modified if this Act had not been enacted.

"(3) ORDERLY TRANSFER.—The Secretary of Transportation is authorized to provide for the orderly transfer of pending proceedings from the Federal Aviation Administration.

"(d) SUITS.—

"(1) IN GENERAL.—This Act shall not affect suits commenced before the date of the enactment of this Act [Nov. 19, 2001], except as provided in paragraphs (2) and (3). In all such suits, proceeding shall be had, appeals taken, and judgments rendered in the same manner and with the same effect as if this Act had not been enacted.

"(2) SUITS BY OR AGAINST FAA.—Any suit by or against the Federal Aviation Administration begun before the date of the enactment of this Act shall be continued, insofar as it involves a function retained and transferred under this Act, with the Transportation Security Administration (to the extent the suit involves functions transferred to the Transportation Security Administration under this Act) substituted for the Federal Aviation Administration.

"(3) REMANDED CASES.—If the court in a suit described in paragraph (1) remands a case to the Transportation Security Administration, subsequent proceedings related to such case shall proceed in accordance with applicable law and regulations as in effect at the time of such subsequent proceedings.

"(e) CONTINUANCE OF ACTIONS AGAINST OFFICERS.—No suit, action, or other proceeding commenced by or against any officer in his official capacity as an officer of the Federal Aviation Administration shall abate by reason of the enactment of this Act. No cause of action by or against the Federal Aviation Administration, or by or against any officer thereof in his official capacity, shall abate by reason of the enactment of this Act.

"(f) EXERCISE OF AUTHORITIES.—Except as otherwise provided by law, an officer or employee of the Transportation Security Administration may, for purposes of performing a function transferred by this Act or the amendments made by this Act, exercise all authorities under any other provision of law that were available with respect to the performance of that function to the official responsible for the performance of the function immediately before the effective date of the transfer of the function under this Act.

"(g) ACT DEFINED.—In this section, the term 'Act' includes the amendments made by this Act."

TRANSITION PROVISIONS

Pub. L. 107–71, title I, §101(g), Nov. 19, 2001, 115 Stat. 603, provided that:

"(1) SCHEDULE FOR ASSUMPTION OF CIVIL AVIATION SECURITY FUNCTIONS.—Not later than 3 months after the date of enactment of this Act [Nov. 19, 2001], the Under Secretary of Transportation for Security [now Administrator of the Transportation Security Administration] shall assume civil aviation security functions and responsibilities under chapter 449 of title 49, United States Code, as amended by this Act, in accordance with a schedule to be developed by the Secretary of Transportation, in consultation with air carriers, foreign air carriers, and the Administrator of the Federal Aviation Administration. The Under Secretary shall publish an appropriate notice of the transfer of such security functions and responsibilities before assuming the functions and responsibilities.

"(2) ASSUMPTION OF CONTRACTS.—As of the date specified in paragraph (1), the Under Secretary may assume the rights and responsibilities of an air carrier or foreign air carrier contract for provision of passenger screening services at airports in the United States described in section 44903(c), subject to payment of adequate compensation to parties to the contract, if any.

"(3) ASSIGNMENT OF CONTRACTS.—

"(A) IN GENERAL.—Upon request of the Under Secretary, an air carrier or foreign air carrier

carrying out a screening or security function under chapter 449 of title 49, United States Code, may enter into an agreement with the Under Secretary to transfer any contract the carrier has entered into with respect to carrying out the function, before the Under Secretary assumes responsibility for the function.

"(B) SCHEDULE.—The Under Secretary may enter into an agreement under subparagraph (A) as soon as possible, but not later than 90 days after the date of enactment of this Act [Nov. 19, 2001]. The Under Secretary may enter into such an agreement for one 180-day period and may extend such agreement for one 90-day period if the Under Secretary determines it necessary.

"(4) TRANSFER OF OWNERSHIP.—In recognition of the assumption of the financial costs of security screening of passengers and property at airports, and as soon as practical after the date of enactment of this Act [Nov. 19, 2001], air carriers may enter into agreements with the Under Secretary to transfer the ownership, at no cost to the United States Government, of any personal property, equipment, supplies, or other material associated with such screening, regardless of the source of funds used to acquire the property, that the Secretary determines to be useful for the performance of security screening of passengers and property at airports.

"(5) PERFORMANCE OF UNDER SECRETARY'S FUNCTIONS DURING INTERIM PERIOD.—Until the Under Secretary takes office, the functions of the Under Secretary that relate to aviation security may be carried out by the Secretary or the Secretary's designee."

TSA REACHING ACROSS NATIONALITIES, SOCIETIES, AND LANGUAGES TO ADVANCE TRAVELER EDUCATION

Pub. L. 117–263, div. G, title LXXI, §7131, Dec. 23, 2022, 136 Stat. 3644, provided that:

"(a) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act [Dec. 23, 2022], the Administrator of the Transportation Security Administration (TSA) shall submit to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a plan to ensure that TSA material disseminated in major airports can be better understood by more people accessing such airports.

"(b) CONTENTS.—The plan required under subsection (a) shall include the following:

"(1) An identification of the most common languages other than English that are the primary languages of individuals that travel through or work in each major airport.

"(2) A plan to improve—

"(A) TSA materials to communicate information in languages identified pursuant to paragraph (1); and

"(B) the communication of TSA material to individuals with vision or hearing impairments or other possible barriers to understanding such material.

"(c) CONSIDERATIONS.—In developing the plan required under subsection (a), the Administrator of the TSA, acting through the Office of Civil Rights and Liberties, Ombudsman, and Traveler Engagement of the TSA, shall take into consideration data regarding the following:

"(1) International enplanements.

"(2) Local populations surrounding major airports.

"(3) Languages spoken by members of Indian Tribes within each service area population in which a major airport is located.

"(d) IMPLEMENTATION.—Not later than 180 days after the submission of the plan required under subsection (a), the Administrator of the TSA, in consultation with the owner or operator of each major airport, shall implement such plan.

"(e) GAO REVIEW.—Not later than one year after the implementation pursuant to subsection (d) of the plan required under subsection (a), the Comptroller General of the United States shall submit to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a review of such implementation.

"(f) DEFINITIONS.—In this section:

"(1) AIRPORT.—The term 'airport' has the meaning given such term in section 40102 of title 49, United States Code.

"(2) INDIAN TRIBE.—The term 'Indian Tribe' has the meaning given the term 'Indian tribe' in section 102 of the Federally Recognized Indian Tribe List Act of 1994 (25 U.S.C. 5130), individually identified (including parenthetically) in the list published most recently as of the date of the enactment of this Act [Dec. 23, 2022] pursuant to section 104 of that Act (25 U.S.C. 5131).

"(3) MAJOR AIRPORTS.—The term 'major airports' means Category X and Category I airports.

"(4) NON-TRAVELING INDIVIDUAL.—The term 'non-traveling individual' has the meaning given such term in section 1560.3 of title 49, Code of Federal Regulations.

"(5) TSA MATERIAL.—The term 'TSA material' means signs, videos, audio messages, websites, press releases, social media postings, and other communications published and disseminated by the Administrator of the TSA in Category X and Category I airports for use by both traveling and non-traveling individuals."

ONE-STOP PILOT PROGRAM

Pub. L. 117–263, div. G, title LXXI, §7132, Dec. 23, 2022, 136 Stat. 3645, provided that:

"(a) DEFINITIONS.—In this section:

"(1) ADMINISTRATOR.—The term 'Administrator' means the Administrator of the Transportation Security Administration.

"(2) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term 'appropriate congressional committees' means—

"(A) the Committee on Homeland Security and Committee on Foreign Affairs of the House of Representatives; and

"(B) the Committee on Homeland Security and Governmental Affairs, the Committee on Commerce, Science, and Transportation, and the Committee on Foreign Relations of the Senate.

"(3) TSA.—The term 'TSA' means the Transportation Security Administration of the Department of Homeland Security.

"(b) IMPLEMENTATION.—Notwithstanding [section] 44901(a) of title 49, United States Code, the Administrator, in coordination with the Commissioner of U.S. Customs and Border Protection and the Secretary of State, may implement a pilot program at not more than six foreign last point of departure airports to permit passengers and their accessible property arriving on direct flights or flight segments originating at such participating foreign airports to continue on additional flights or flight segments originating in the United States without additional security re-screening if—

"(1) the initial screening was conducted in accordance with an aviation security screening agreement described in subsection (e);

"(2) passengers arriving from participating foreign airports are unable to access their checked baggage until the arrival at their final destination; and

"(3) upon arrival in the United States, passengers arriving from participating foreign airports do not come into contact with other arriving international passengers, those passengers' property, or other persons who have not been screened or subjected to other appropriate security controls required for entry into the airport's sterile area.

"(c) REQUIREMENTS FOR PILOT PROGRAM.—In carrying out this section, the Administrator shall ensure that there is no reduction in the level of security or specific TSA aviation security standards or requirements for screening passengers and their property prior to boarding an international flight bound for the United States, including specific aviation security standards and requirements regarding the following:

"(1) High risk passengers and their property.

"(2) Weapons, explosives, and incendiaries.

"(3) Screening passengers and property transferring at a foreign last point of departure airport from another airport and bound for the United States, and addressing any commingling of such passengers and property with passengers and property screened under the pilot program described in subsection (b).

"(4) Insider risk at foreign last point of departure airports.

"(d) RE-SCREENING OF CHECKED BAGGAGE.—Subject to subsection (f), the Administrator may determine whether checked baggage arriving from participating foreign airports referenced in subsection (b) that screen using an explosives detection system must be re-screened in the United States by an explosives detection system before such baggage continues on any additional flight or flight segment.

"(e) AVIATION SECURITY SCREENING AGREEMENT.—

"(1) IN GENERAL.—An aviation security screening agreement described in this subsection is a treaty, executive agreement, or non-binding instrument entered into with a foreign country that delineates and implements security standards and protocols utilized at a foreign last point of departure airport that are determined by the Administrator—

"(A) to be comparable to those of the United States; and

"(B) sufficiently effective to enable passengers and their accessible property to deplane into sterile areas of airports in the United States without the need for re-screening.

"(2) NON-DELEGATION.—The authority to approve an aviation security screening agreement may not be delegated below the level of the Secretary of State, the Secretary of Homeland Security, or the Administrator.

"(f) RE-SCREENING REQUIREMENT.—

"(1) IN GENERAL.—If the Administrator determines that a foreign country participating in the aviation security screening agreement has not maintained and implemented security standards and protocols comparable to those of the United States at foreign last point of departure airports at which a pilot program has been established in accordance with this section, the Administrator shall ensure that passengers and their property arriving from such airports are re-screened in the United States, including by using explosives detection systems in accordance with section 44901(d)(1) of title 49, United States Code, and implementing regulations and directives, before such passengers and their property are permitted into sterile areas of airports in the United States.

"(2) CONSULTATION.—If the Administrator has reasonable grounds to believe the other party to an aviation security screening agreement has not complied with such agreement, the Administrator shall request immediate consultation with such party.

"(3) SUSPENSION OR TERMINATION OF AGREEMENT.—If a satisfactory resolution between TSA and a foreign country is not reached within 45 days after a consultation request under paragraph (2) or in the case of the foreign country's continued or egregious failure to maintain the security standards and protocols described in paragraph (1), the President, or with the concurrence of the Secretary of State, the Secretary of Homeland Security or the Administrator, as appropriate, shall suspend or terminate the aviation security screening agreement with such country, as determined appropriate by the President, the Secretary of Homeland Security, or the Administrator. The Administrator shall notify the appropriate congressional committees of such consultation and suspension or termination, as the case may be, not later than seven days after such consultation and suspension or termination.

"(g) BRIEFINGS TO CONGRESS.—Not later than 45 days before an aviation security screening agreement described in subsection (e) enters into force, the Administrator, in coordination with the Secretary of State, shall submit to the appropriate congressional committees the following:

"(1) An aviation security threat assessment for the country in which such foreign last point of departure airport is located.

"(2) Information regarding any corresponding mitigation efforts to address any security issues identified in such threat assessment, including any plans for joint covert testing.

"(3) Information on potential security vulnerabilities associated with commencing a pilot program at such foreign last point of departure airport pursuant to subsection (b) and mitigation plans to address such potential security vulnerabilities.

"(4) An assessment of the impacts such pilot program will have on aviation security.

"(5) An assessment of the screening performed at such foreign last point of departure airport, including the feasibility of TSA personnel monitoring screening, security protocols, and standards.

"(6) Information regarding identifying the entity or entities responsible for screening passengers and property at such foreign last point of departure airport.

"(7) The name of the entity or local authority and any contractor or subcontractor.

"(8) Information regarding the screening requirements relating to such aviation security screening agreement.

"(9) Details regarding information sharing mechanisms between the TSA and such foreign last point of departure airport, screening authority, or entity responsible for screening provided for under such aviation security screening agreement.

"(10) A copy of the aviation security screening agreement, which shall identify the foreign last point of departure airport or airports at which a pilot program under this section is to be established.

"(h) CERTIFICATIONS RELATING TO THE PILOT PROGRAM FOR ONE-STOP SECURITY.—For each aviation security screening agreement described in subsection (e), the Administrator, in coordination with the Secretary of State, shall submit to the appropriate congressional committees the following:

"(1)(A) A certification that such agreement satisfies all of the requirements specified in subsection (c); or

"(B) in the event that one or more of such requirements are not so satisfied, a description of the unsatisfied requirement and information on what actions the Administrator will take to ensure that such remaining requirements are satisfied before such agreement enters into force.

"(2) A certification that TSA and U.S. Customs and Border Protection have ensured that any necessary physical modifications or appropriate mitigations exist in the domestic one-stop security pilot program airport prior to receiving international passengers from a last point of departure airport under the aviation security screening agreement.

"(3) A certification that a foreign last point of departure airport covered by an aviation security screening agreement has an operation to screen all checked bags as required by law, regulation, or international agreement, including the full utilization of explosives detection systems to the extent

applicable.

"(4) A certification that the Administrator consulted with stakeholders, including air carriers, aviation nonprofit labor organizations, airport operators, relevant interagency partners, and other stakeholders that the Administrator determines appropriate.

"(i) REPORT TO CONGRESS.—Not later than five years after the date of the enactment of this Act [Dec. 23, 2022], the Secretary of Homeland Security, in coordination with the Administrator, shall submit to the appropriate congressional committees a report regarding the implementation of the pilot program authorized under this section, including information relating to the following:

"(1) The impact of such program on homeland security and international aviation security, including any benefits and challenges of such program.

"(2) The impact of such program on passengers, airports, and air carriers, including any benefits and challenges of such program.

"(3) The impact and feasibility of continuing such program or expanding it into a more permanent program, including any benefits and challenges of such continuation or expansion.

"(j) RULE OF CONSTRUCTION.—Nothing in this section may be construed as limiting the authority of U.S. Customs and Border Protection to inspect persons and baggage arriving in the United States in accordance with applicable law.

"(k) SUNSET.—The pilot program authorized under this section shall terminate on the date that is six years after the date of the enactment of this Act."

PLAN TO REDUCE THE SPREAD OF CORONAVIRUS AT PASSENGER SCREENING CHECKPOINTS

Pub. L. 117–81, div. F, title LXIV, §6415, Dec. 27, 2021, 135 Stat. 2413, provided that:

"(a) IN GENERAL.—Not later than 90 days after the date of the enactment of this Act [Dec. 27, 2021], the Administrator, in coordination with the Chief Medical Officer of the Department of Homeland Security, and in consultation with the Secretary of Health and Human Services and the Director of the Centers for Disease Control and Prevention, shall issue and commence implementing a plan to enhance, as appropriate, security operations at airports during the COVID–19 national emergency in order to reduce risk of the spread of the coronavirus at passenger screening checkpoints and among the TSA workforce.

"(b) CONTENTS.—The plan required under subsection (a) shall include the following:

"(1) An identification of best practices developed and screening technologies deployed in response to the coronavirus among foreign governments, airports, and air carriers conducting aviation security screening operations, as well as among Federal agencies conducting similar security screening operations outside of airports, including in locations where the spread of the coronavirus has been successfully contained, that could be further integrated into the United States aviation security system.

"(2) Specific operational changes to aviation security screening operations informed by the identification of best practices and screening technologies under paragraph (1) that could be implemented without degrading aviation security and a corresponding timeline and costs for implementing such changes.

"(c) CONSIDERATIONS.—In carrying out the identification of best practices under subsection (b), the Administrator shall take into consideration the following:

"(1) Aviation security screening procedures and practices in place at security screening locations, including procedures and practices implemented in response to the coronavirus.

"(2) Volume and average wait times at each such security screening location.

"(3) Public health measures already in place at each such security screening location.

"(4) The feasibility and effectiveness of implementing similar procedures and practices in locations where such are not already in place.

"(5) The feasibility and potential benefits to security, public health, and travel facilitation of continuing any procedures and practices implemented in response to the COVID–19 national emergency beyond the end of such emergency.

"(d) CONSULTATION.—In developing the plan required under subsection (a), the Administrator may consult with public and private stakeholders and the TSA workforce, including through the labor organization certified as the exclusive representative of full- and part-time nonsupervisory TSA personnel carrying out screening functions under section 44901 of title 49, United States Code.

"(e) SUBMISSION.—Upon issuance of the plan required under subsection (a), the Administrator shall submit the plan to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate.

"(f) ISSUANCE AND IMPLEMENTATION.—The Administrator shall not be required to issue or implement, as the case may be, the plan required under subsection (a) upon the termination of the COVID–19

national emergency except to the extent the Administrator determines such issuance or implementation, as the case may be, to be feasible and beneficial to security screening operations.

"(g) GAO REVIEW.—Not later than one year after the issuance of the plan required under subsection (a) (if such plan is issued in accordance with subsection (f)), the Comptroller General of the United States shall submit to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a review, if appropriate, of such plan and any efforts to implement such plan.

"(h) DEFINITIONS.—In this section:

"(1) The term 'Administrator' means the Administrator of the Transportation Security Administration.

"(2) The term 'coronavirus' has the meaning given such term in section 506 of the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 (Public Law 116–123) [134 Stat. 155].

"(3) The term 'COVID–19 national emergency' means the national emergency declared by the President under the National Emergencies Act (50 U.S.C. 1601 et seq.) on March 13, 2020, with respect to the coronavirus.

"(4) The term 'public and private stakeholders' has the meaning given such term in section 114(t)(1)(C) of title 49, United States Code.

"(5) The term 'TSA' means the Transportation Security Administration."

SCREENING OUTSIDE PRIMARY PASSENGER TERMINAL SCREENING AREA PILOT PROGRAM

Pub. L. 116–6, div. A, title II, §225, Feb. 15, 2019, 133 Stat. 25, as amended by Pub. L. 116–260, div. F, title II, §223, Dec. 27, 2020, 134 Stat. 1459; Pub. L. 117–328, div. F, title II, §222, Dec. 29, 2022, 136 Stat. 4737; Pub. L. 119–75, div. I, §5005, Feb. 3, 2026, 140 Stat. 630, provided that:

"(a) Subject to the provisions of this section, the Administrator of the Transportation Security Administration (hereafter in this section referred to as 'the Administrator') may conduct a pilot program to provide screening services outside of an existing primary passenger terminal screening area where screening services are currently provided or would be eligible to be provided under the Transportation Security Administration's annually appropriated passenger screening program as a primary passenger terminal screening area.

"(b) Any request for screening services under subsection (a) shall be initiated only at the request of a public or private entity regulated by the Transportation Security Administration; shall be made in writing to the Administrator; and may only be submitted to the Transportation Security Administration after consultation with the relevant local airport authority.

"(c) The Administrator may provide the requested screening services under subsection (a) if the Administrator provides a certification to the Committee on Homeland Security and the Committee on Appropriations of the House of Representatives, and the Committee on Commerce, Science, and Transportation and the Committee on Appropriations of the Senate that implementation of subsection (a) does not reduce the security or efficiency of screening services already provided in primary passenger terminals at any impacted airports.

"(d) No screening services may be provided under subsection (a) unless the requesting entity agrees in writing to the scope of the screening services to be provided, and agrees to compensate the Transportation Security Administration for all reasonable personnel and non-personnel costs, including overtime, of providing the screening services.

"(e) The authority available under this section is effective for fiscal years 2019 through 2026 and may be utilized at not more than eight locations for transportation security purposes.

"(f) Notwithstanding any other provision of law, an airport authority, air carrier, or other requesting entity shall not be liable for any claims for damages filed in State or Federal court (including a claim for compensatory, punitive, contributory, or indemnity damages) relating to—

"(1) an airport authority's or other entity's decision to request that the Transportation Security Administration provide passenger screening services outside of a primary passenger terminal screening area; or

"(2) any act of negligence, gross negligence, or intentional wrongdoing by employees of the Transportation Security Administration providing passenger and property security screening services at a pilot program screening location.

"(g) Notwithstanding any other provision of law, any compensation received by the Transportation Security Administration under subsection (d) shall be credited to the account used to finance the provision of reimbursable security screening services under subsection (a).

"(h) The Administrator shall submit to the Committee on Homeland Security and the Committee on

Appropriations of the House of Representatives, and the Committee on Commerce, Science, and Transportation and the Committee on Appropriations of the Senate—

"(1) an implementation plan for the pilot programs under subsection (a), including the application process, that is due by 90 days after the date of enactment of this Act [Feb. 15, 2019];

"(2) an evaluation plan for the pilot programs; and

"(3) annual performance reports, by not later than 60 days after the end of each fiscal year in which the pilot programs are in operation, including—

"(A) the amount of reimbursement received by the Transportation Security Administration from each entity in the pilot program for the preceding fiscal year, delineated by personnel and non-personnel costs;

"(B) an analysis of the results of the pilot programs corresponding to the evaluation plan required under paragraph (2);

"(C) any Transportation Security Administration staffing changes created at the primary passenger screening checkpoints and baggage screening as a result of the pilot program; and

"(D) any other unintended consequences created by the pilot program.

"(i) Except as otherwise provided in this section, nothing in this section may be construed as affecting in any manner the responsibilities, duties, or authorities of the Transportation Security Administration.

"(j) For the purposes of this section, the term 'airport' means a commercial service airport as defined by section 47107(7) [probably should be 47102(7)] of title 49[,] United States Code.

"(k) For the purposes of this section, the term 'screening services' means the screening of passengers, flight crews, and their carry-on baggage and personal articles, and may include checked baggage screening if that type of screening is performed at an offsite location that is not part of a passenger terminal of a commercial airport.

"(l) For the purpose of this section, the term 'primary passenger terminal screening area' means the security checkpoints relied upon by airports as the principal points of entry to a sterile area of an airport."

RECIPROCAL RECOGNITION OF SECURITY STANDARDS

Pub. L. 115–254, div. K, title I, §1914, Oct. 5, 2018, 132 Stat. 3555, provided that:

"(a) IN GENERAL.—The Administrator [of the Transportation Security Administration], in coordination with appropriate international aviation security authorities, shall develop a validation process for the reciprocal recognition of security equipment technology approvals among international security partners or recognized certification authorities for deployment.

"(b) REQUIREMENT.—The validation process shall ensure that the certification by each participating international security partner or recognized certification authority complies with detection, qualification, and information security, including cybersecurity, standards of the TSA [Transportation Security Administration], the Department of Homeland Security, and the National Institute of Standards and Technology."

REAL-TIME SECURITY CHECKPOINT WAIT TIMES

Pub. L. 115–254, div. K, title I, §1922, Oct. 5, 2018, 132 Stat. 3561, provided that:

"(a) IN GENERAL.—Not later than 18 months after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration] shall make available to the public information on wait times at each airport security checkpoint at which security screening operations are conducted or overseen by the TSA [Transportation Security Administration].

"(b) REQUIREMENTS.—The information described in subsection (a) shall be provided in real time via technology and published—

"(1) online; and

"(2) in physical locations at applicable airport terminals.

"(c) CONSIDERATIONS.—The Administrator shall only make the information described in subsection (a) available to the public if it can do so in a manner that does not increase public area security risks.

"(d) DEFINITION OF WAIT TIME.—In this section, the term 'wait time' means the period beginning when a passenger enters a queue for a screening checkpoint and ending when that passenger exits the checkpoint."

SCREENING TECHNOLOGY REVIEW AND PERFORMANCE OBJECTIVES

Pub. L. 115–254, div. K, title I, §1924, Oct. 5, 2018, 132 Stat. 3562, provided that:

"(a) REVIEW OF TECHNOLOGY ACQUISITIONS PROCESS.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration], in coordination with relevant officials of the Department [of Homeland Security], shall conduct a review of existing advanced transportation security

screening technology testing and evaluation, acquisitions, and procurement practices within TSA [Transportation Security Administration].

"(2) CONTENTS.—Such review shall include—

"(A) identifying process delays and obstructions within the Department and the Administration regarding how such technology is identified, tested and evaluated, acquired, and deployed;

"(B) assessing whether the TSA can better leverage existing resources or processes of the Department for the purposes of technology testing and evaluation;

"(C) assessing whether the TSA can further encourage innovation and competition among technology stakeholders, including through increased participation of and funding for small business concerns (as such term is described under section 3 of the Small Business Act (15 U.S.C. 632));

"(D) identifying best practices of other Department components or United States Government entities; and

"(E) a plan to address any problems or challenges identified by such review.

"(b) BRIEFING.—The Administrator shall provide to the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] a briefing on the findings of the review required under this section and a plan to address any problems or challenges identified by such review.

"(c) ACQUISITIONS AND PROCUREMENT ENHANCEMENT.—Incorporating the results of the review in subsection (a), the Administrator shall—

"(1) engage in outreach, coordination, and collaboration with transportation stakeholders to identify and foster innovation of new advanced transportation security screening technologies;

"(2) streamline the overall technology development, testing, evaluation, acquisitions, procurement, and deployment processes of the Administration; and

"(3) ensure the effectiveness and efficiency of such processes.

"(d) ASSESSMENT.—The Secretary [of Homeland Security], in consultation with the Chief Privacy Officer of the Department, shall submit to the appropriate committees of Congress a compliance assessment of the TSA acquisition process relating to the health and safety risks associated with implementation of screening technologies.

"(e) PERFORMANCE OBJECTIVES.—The Administrator shall establish performance objectives for the testing and verification of security technology, including testing and verification conducted by appropriate third parties under section 1911 [49 U.S.C. 114 note], to ensure that progress is made, at a minimum, toward—

"(1) reducing time for each phase of testing while maintaining security (including testing for detection testing, operational testing, testing and verification framework, and field testing);

"(2) eliminating testing and verification delays; and

"(3) increasing accountability.

"(f) TRACKING.—

"(1) IN GENERAL.—In carrying out subsection (e), the Administrator shall establish and continually track performance metrics for each type of security technology submitted for testing and verification, including testing and verification conducted by appropriate third parties under section 1911.

"(2) MEASURING PROGRESS TOWARD GOALS.—The Administrator shall use the metrics established and tracked under paragraph (1) to generate data on an ongoing basis and to measure progress toward the achievement of the performance objectives established under subsection (e).

"(3) REPORT REQUIRED.—

"(A) IN GENERAL.—Not later than 2 years after the date of enactment of this Act [Oct. 5, 2018], the Administrator shall submit to the appropriate committees of Congress a report assessing the extent to which the performance objectives established under subsection (e), as measured by the performance metrics established and tracked under paragraph (1) of this subsection, have been met.

"(B) ELEMENTS.—The report required by subparagraph (A) shall include—

"(i) a list of the performance metrics established under paragraph (1), including the length of time for each phase of testing and verification for each type of security technology; and

"(ii) a comparison of the progress achieved for testing and verification of security technology conducted by the TSA and the testing and verification of security technology conducted by third parties.

"(C) PROPRIETARY INFORMATION.—The report required by subparagraph (A) shall—

"(i) not include identifying information regarding an individual or entity or equipment; and

"(ii) protect proprietary information.

"(g) INFORMATION TECHNOLOGY SECURITY.—Not later than 90 days after the date of enactment of

this Act [Oct. 5, 2018], the Administrator shall submit to the appropriate committees of Congress a plan to conduct recurring reviews of the operational, technical, and management security controls for Administration information technology systems at airports."

COMPUTED TOMOGRAPHY PILOT PROGRAMS

Pub. L. 115–254, div. K, title I, §1925, Oct. 5, 2018, 132 Stat. 3563, provided that:

"(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration] shall carry out a pilot program to test the use of screening equipment using computed tomography technology to screen baggage at passenger screening checkpoints at airports.

"(b) FEASIBILITY STUDY.—

"(1) IN GENERAL.—Not later than 120 days after the date of enactment of this Act, the Administrator, in coordination with the Under Secretary for Science and Technology of the Department [of Homeland Security], shall submit to the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] a feasibility study regarding expanding the use of computed tomography technology for the screening of air cargo transported on passenger aircraft operated by an air carrier or foreign air carrier in air transportation, interstate air transportation, or interstate air commerce.

"(2) CONSIDERATIONS.—In conducting the feasibility study under paragraph (1), the Administrator shall consider the following:

"(A) Opportunities to leverage computed tomography systems used for screening passengers and baggage.

"(B) Costs and benefits of using computed tomography technology for screening air cargo.

"(C) An analysis of emerging computed tomography systems that may have potential to enhance the screening of air cargo, including systems that may address aperture challenges associated with screening certain categories of air cargo.

"(D) An analysis of emerging screening technologies, in addition to computed tomography, that may be used to enhance the screening of air cargo.

"(c) PILOT PROGRAM.—Not later than 120 days after the date the feasibility study is submitted under subsection (b), the Administrator shall initiate a 2-year pilot program to achieve enhanced air cargo security screening outcomes through the use of new or emerging screening technologies, such as computed tomography technology, as identified through such study.

"(d) UPDATES.—Not later than 60 days after the date the pilot program under subsection (c) is initiated, and biannually thereafter for 2 years, the Administrator shall brief the appropriate committees of Congress on the progress of implementation of such pilot program.

"(e) DEFINITIONS.—In this section:

"(1) AIR CARRIER.—The term 'air carrier' has the meaning given the term in section 40102 of title 49, United States Code.

"(2) AIR TRANSPORTATION.—The term 'air transportation' has the meaning given the term in section 40102 of title 49, United States Code.

"(3) FOREIGN AIR CARRIER.—The term 'foreign air carrier' has the meaning given the term in section 40102 of title 49, United States Code.

"(4) INTERSTATE AIR COMMERCE.—The term 'interstate air commerce' has the meaning given the term in section 40102 of title 49, United States Code.

"(5) INTERSTATE AIR TRANSPORTATION.—The term 'interstate air transportation' has the meaning given the term in section 40102 of title 49, United States Code."

SCREENING PERFORMANCE ASSESSMENTS

Pub. L. 115–254, div. K, title I, §1947, Oct. 5, 2018, 132 Stat. 3587, provided that: "Subject to part 1520 of title 49, Code of Federal Regulations, the Administrator [of the Transportation Security Administration] shall quarterly make available to the airport director of an airport—

"(1) an assessment of the screening performance of that airport compared to the mean average performance of all airports in the equivalent airport category for screening performance data; and

"(2) a briefing on the results of performance data reports, including—

"(A) a scorecard of objective metrics developed by the Office of Security Operations to measure screening performance, such as results of annual proficiency reviews and covert testing, at the appropriate level of classification; and

"(B) other performance data, including—

"(i) passenger throughput;

"(ii) wait times; and

"(iii) employee attrition, absenteeism, injury rates, and any other human capital measures collected by the TSA [Transportation Security Administration]."

IMPROVEMENTS FOR SCREENING OF PASSENGERS WITH DISABILITIES

Pub. L. 115–254, div. K, title I, §1950, Oct. 5, 2018, 132 Stat. 3589, provided that:

"(a) REVISED TRAINING.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration], in consultation with nationally-recognized veterans and disability organizations, shall revise the training requirements for Transportation Security Officers related to the screening of passengers with disabilities, including passengers with disabilities who participate in the PreCheck program.

"(2) TRAINING SPECIFICATIONS.—In revising the training requirements under paragraph (1), the Administrator shall address the proper screening, and any particular sensitivities related to the screening, of a passenger with a disability—

"(A) traveling with a medical device, including an indwelling medical device;

"(B) traveling with a prosthetic;

"(C) traveling with a wheelchair, walker, scooter, or other mobility device;

"(D) traveling with a service animal; or

"(E) with sensitivities to touch, pressure, sound, or hypersensitivity to stimuli in the environment.

"(3) TRAINING FREQUENCY.—The Administrator shall implement the revised training under paragraph (1) during initial and recurrent training of all Transportation Security Officers.

"(b) BEST PRACTICES.—The individual at the TSA [Transportation Security Administration] responsible for civil rights, liberties, and traveler engagement shall—

"(1) record each complaint from a passenger with a disability regarding the screening practice of the TSA;

"(2) identify the most frequent concerns raised, or accommodations requested, in the complaints;

"(3) determine the best practices for addressing the concerns and requests identified in paragraph (2); and

"(4) recommend appropriate training based on such best practices.

"(c) SIGNAGE.—At each category X airport, the TSA shall place signage at each security checkpoint that—

"(1) specifies how to contact the appropriate TSA employee at the airport designated to address complaints of screening mistreatment based on disability; and

"(2) describes how to receive assistance from that individual or other qualified personnel at the security screening checkpoint.

"(d) REPORTS TO CONGRESS.—Not later than September 30 of the first full fiscal year after the date of enactment of this Act [Oct. 5, 2018], and each fiscal year thereafter, the Administrator shall submit to the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] a report on the checkpoint experiences of passengers with disabilities, including the following:

"(1) The number and most frequent types of disability-related complaints received.

"(2) The best practices recommended under subsection (b) to address the top areas of concern.

"(3) The estimated wait times for assist requests for passengers with disabilities, including disabled passengers who participate in the PreCheck program."

AIR CARGO ADVANCE SCREENING PROGRAM

Pub. L. 115–254, div. K, title I, §1951, Oct. 5, 2018, 132 Stat. 3590, provided that:

"(a) IN GENERAL.—The Commissioner of U.S. Customs and Border Protection and the Administrator [of the Transportation Security Administration], consistent with the requirements of the Trade Act of 2002 (Public Law 107–210)[,] shall—

"(1) establish an air cargo advance screening program (referred to in this section as the 'ACAS Program') for the collection of advance electronic information from air carriers and other persons within the supply chain regarding cargo being transported to the United States by air;

"(2) under such program, require that such information be transmitted by such air carriers and other persons at the earliest point practicable prior to loading of such cargo onto an aircraft destined to or transiting through the United States;

"(3) establish appropriate communications systems with freight forwarders, shippers, and air carriers;

"(4) establish a system that will allow freight forwarders, shippers, and air carriers to provide shipment level data for air cargo, departing from any location that is inbound to the United States; and

"(5) identify opportunities in which the information furnished in compliance with the ACAS Program could be used by the Administrator.

"(b) INSPECTION OF HIGH-RISK CARGO.—Under the ACAS Program, the Commissioner of U.S. Customs and Border Protection and the Administrator shall ensure that all cargo that has been identified as high-risk is inspected—

"(1) prior to the loading of such cargo onto aircraft at the last point of departure; or

"(2) at an earlier point in the supply chain, before departing for the United States.

"(c) CONSULTATION.—In carrying out the ACAS Program, the Commissioner of U.S. Customs and Border Protection and the Administrator shall consult with relevant stakeholders, as appropriate, to ensure that an operationally feasible and practical approach to—

"(1) the collection of advance information with respect to cargo on aircraft departing for the United States is applied; and

"(2) the inspection of high-risk cargo recognizes the significant differences among air cargo business models and modes of transportation.

"(d) ANALYSIS.—The Commissioner of U.S. Customs and Border Protection and the Administrator may analyze the information described in subsection (a) in the Department of Homeland Security's automated targeting system and integrate such information with other intelligence to enhance the accuracy of the risk assessment process under the ACAS Program.

"(e) NO DUPLICATION.—The Commissioner of U.S. Customs and Border Protection and the Administrator shall carry out this section in a manner that, after the ACAS Program is fully in effect, ensures, to the greatest extent practicable, that the ACAS Program does not duplicate other Department [of Homeland Security] programs or requirements relating to the submission of air cargo data or the inspection of high-risk cargo.

"(f) CONSIDERATION OF INDUSTRY.—In carrying out the ACAS Program, the Commissioner of U.S. Customs and Border Protection and the Administrator shall—

"(1) consider the content and timeliness of the available data may vary among entities in the air cargo industry and among countries;

"(2) explore procedures to accommodate the variations described in paragraph (1) while maximizing the contribution of such data to the risk assessment process under the ACAS Program;

"(3) test the business processes, technologies, and operational procedures required to provide advance information with respect to cargo on aircraft departing for the United States and carry out related inspection of high-risk cargo, while ensuring delays and other negative impacts on vital supply chains are minimized; and

"(4) consider the cost, benefit, and feasibility before establishing any set time period for submission of certain elements of the data for air cargo under this section in line with the regulatory guidelines specified in Executive Order 13563 [5 U.S.C. 601 note] or any successor Executive order or regulation.

"(g) GUIDANCE.—The Commissioner of U.S. Customs and Border Protection and the Administrator shall provide guidance for participants in the ACAS Program regarding the requirements for participation, including requirements for transmitting shipment level data.

"(h) USE OF DATA.—The Commissioner of U.S. Customs and Border Protection and the Administrator shall use the data provided under the ACAS Program for targeting shipments for screening and aviation security purposes only.

"(i) FINAL RULE.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Commissioner of U.S. Customs and Border Protection, in coordination with the Administrator, shall issue a final regulation to implement the ACAS Program to include the electronic transmission to U.S. Customs and Border Protection of data elements for targeting cargo, including appropriate security elements of shipment level data.

"(j) REPORT.—Not later than 180 days after the date of the commencement of the ACAS Program, the Commissioner of U.S. Customs and Border Protection and the Administrator shall submit to the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] a report detailing the operational implementation of providing advance information under the ACAS Program and the value of such information in targeting cargo."

RAISING INTERNATIONAL STANDARDS

Pub. L. 115–254, div. K, title I, §1955(c), Oct. 5, 2018, 132 Stat. 3596, provided that: "Not later than 90 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration] shall collaborate with other aviation authorities and the United States Ambassador or the Charge d'Affaires to the United States Mission to the International Civil Aviation Organization, as applicable, to advance a global standard for each international airport to document and track the removal and disposal of any security screening equipment to ensure the screening equipment does not come into the possession of terrorists or otherwise pose a risk to security."

INTERNATIONAL SECURITY STANDARDS

Pub. L. 115–254, div. K, title I, §1956, Oct. 5, 2018, 132 Stat. 3596, provided that:

"(a) GLOBAL AVIATION SECURITY REVIEW.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration], in coordination with the Commissioner of the U.S. Customs and Border Protection, the Director of the Office of International Engagement of the Department of Homeland Security, and the Secretary of State, shall conduct a global aviation security review to improve aviation security standards, including standards intended to mitigate cybersecurity threats, across the global aviation system.

"(2) BEST PRACTICES.—The global aviation security review shall establish best practices regarding the following:

"(A) Collaborating with foreign partners to improve global aviation security capabilities and standards.

"(B) Identifying foreign partners that—

"(i) have not successfully implemented security protocols from the International Civil Aviation Organization or the Department of Homeland Security; and

"(ii) have not taken steps to implement such security protocols;[.]

"(C) Improving the development, outreach, and implementation process for security directives or emergency amendments issued to domestic and foreign air carriers.

"(D) Assessing the cybersecurity risk of security screening equipment.

"(b) NOTIFICATION.—Not later than 90 days after the date of enactment of this Act, the Administrator, in consultation with the United States Ambassador to the International Civil Aviation Organization, shall notify the Committee on Commerce, Science, and Transportation and the Committee on Foreign Relations of the Senate, and the Committee on Homeland Security and the Committee on Foreign Affairs of the House of Representatives of the progress of the review under subsection (a) and any proposed international improvements to aviation security.

"(c) ICAO.—Subject to subsection (a), the Administrator and Ambassador shall take such action at the International Civil Aviation Organization as the Administrator and Ambassador consider necessary to advance aviation security improvement proposals, including if practicable, introducing a resolution to raise minimum standards for aviation security.

"(d) BRIEFINGS TO CONGRESS.—Beginning not later than 180 days after the date of enactment of this Act, and periodically thereafter, the Administrator, in consultation with the Ambassador with respect to subsection (c), shall brief the Committee on Commerce, Science, and Transportation and the Committee on Foreign Relations of the Senate, and the Committee on Homeland Security and the Committee on Foreign Affairs of the House of Representatives on the implementation of subsections (a) and (b)."

CARRIAGE OF WEAPONS, EXPLOSIVES, AND INCENDIARIES BY INDIVIDUALS

Pub. L. 115–254, div. K, title I, §1962, Oct. 5, 2018, 132 Stat. 3601, provided that:

"(a) INTERPRETIVE RULE.—Subject to subsections (b) and (c), the Administrator [of the Transportation Security Administration] shall periodically review and amend, as necessary, the interpretive rule (68 Fed. Reg. 7444) that provides guidance to the public on the types of property considered to be weapons, explosives, and incendiaries prohibited under section 1540.111 of title 49, Code of Federal Regulations.

"(b) CONSIDERATIONS.—Before determining whether to amend the interpretive rule to include or remove an item from the prohibited list, the Administrator shall—

"(1) research and evaluate—

"(A) the impact, if any, the amendment would have on security risks;

"(B) the impact, if any, the amendment would have on screening operations, including effectiveness and efficiency; and

"(C) whether the amendment is consistent with international standards and guidance, including of the International Civil Aviation Organization; and

"(2) consult with appropriate aviation security stakeholders, including ASAC [Aviation Security

Advisory Committee].

"(c) EXCEPTIONS.—Except for plastic or round bladed butter knives, the Administrator may not amend the interpretive rule described in subsection (a) to authorize any knife to be permitted in an airport sterile area or in the cabin of an aircraft.

"(d) NOTIFICATION.—The Administrator shall—

"(1) publish in the Federal Register any amendment to the interpretive rule described in subsection (a); and

"(2) notify the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] of the amendment not later than 3 days before publication under paragraph (1)."

CONSIDERATION OF PRIVACY AND CIVIL LIBERTIES

Pub. L. 115–141, div. F, title V, §521, Mar. 23, 2018, 132 Stat. 628, provided that: "Hereafter, in developing any process to screen aviation passengers and crews for transportation or national security purposes, the Secretary of Homeland Security shall ensure that all such processes take into consideration such passengers' and crews' privacy and civil liberties consistent with applicable laws, regulations, and guidance."

BOTTLES AND BREASTFEEDING EQUIPMENT SCREENING

Pub. L. 114–293, Dec. 16, 2016, 130 Stat. 1503, as amended by Pub. L. 119–41, §2, Nov. 25, 2025, 139 Stat. 663, provided that:

"SECTION 1. SHORT TITLE.

"This Act may be cited as the 'Bottles and Breastfeeding Equipment Screening Act'.

"SEC. 2. TSA SECURITY SCREENING GUIDELINES FOR BABY FORMULA, BREAST MILK, PURIFIED DEIONIZED WATER FOR INFANTS, AND JUICE ON AIRPLANES; TRAINING ON SPECIAL PROCEDURES.

"Not later than 90 days after the date of the enactment of this Act [Dec. 16, 2016], the Administrator of the Transportation Security Administration shall—

"(1) notify air carriers and security screening personnel of the Transportation Security Administration and personnel of private security companies providing security screening pursuant to section 44920 of title 49, United States Code, of such Administration's guidelines regarding permitting baby formula, breast milk, purified deionized water for infants, and juice on airplanes under the Administration's guidelines known as the 3–1–1 Liquids Rule Exemption; and

"(2) in training procedures for security screening personnel of the Administration and private security companies providing security screening pursuant to section 44920 of title 49, United States Code, include training on special screening procedures.

"SEC. 3. HYGIENIC HANDLING OF BREAST MILK AND BABY FORMULA DURING AVIATION SECURITY SCREENING.

"Not later than 90 days after the date of the enactment of this section [Nov. 25, 2025] and every five years thereafter, if appropriate, the Administrator of the Transportation Security Administration shall issue or update, as the case may be, guidance to minimize the risk for contamination of any breast milk, baby formula, purified deionized water for infants, and juice (as well as ice packs, freezer packs, frozen gel packs and other accessories required to cool breast milk, baby formula, and juice) that is subject to re-screening or otherwise subject to additional screening. Such guidance shall—

"(1) be developed in consultation with nationally recognized maternal health organizations;

"(2) ensure adherence to hygienic standards, as established by the Administrator, in consultation with nationally recognized maternal health organizations;

"(3) ensure that, when any such re-screening or additional screening requires additional testing, such testing so adheres to such standards, to so minimize such risk; and

"(4) apply to security screening personnel of the Administration and personnel of private security companies providing security screening pursuant to section 44920 of title 49, United States Code.

"SEC. 4. INSPECTOR GENERAL AUDIT.

"Not later than one year after the date of the enactment of this section [Nov. 25, 2025], the Inspector General of the Department of Homeland Security shall submit to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report containing an audit of compliance with the requirements of sections 2 and 3. Such audit shall also

include information relating to the effect of various types of screening technologies, including bottled liquid scanners, on the screening of breast milk, baby formula, purified deionized water for infants, and juice (as well as ice packs, freezer packs, frozen gel packs and other accessories required to cool breast milk, baby formula, and juice) that is subject to re-screening or otherwise subject to additional screening, and the rate at which such items are denied entry into the sterile area (as such term is defined in section 1540.5 of title 49, Code of Federal Regulations)."

AVIATION SECURITY

Pub. L. 114–190, title III, §§3001–3506, July 15, 2016, 130 Stat. 649–664, as amended by Pub. L. 115–254, div. K, title I, §§1937(b)(1), 1955(b), Oct. 5, 2018, 132 Stat. 3579, 3596, provided that:

"SEC. 3001. SHORT TITLE.

"This title [amending section 44946 of this title and sections 607, 609, and 1112 of Title 6, Domestic Security, and enacting this note] may be cited as the 'Aviation Security Act of 2016'.

"SEC. 3002. DEFINITIONS.

"In this title:

"(1) ADMINISTRATOR.—The term 'Administrator' means the Administrator of the Transportation Security Administration.

"(2) DEPARTMENT.—The term 'Department' means the Department of Homeland Security.

"(3) PRECHECK PROGRAM.—The term 'PreCheck Program' means the trusted traveler program implemented by the Transportation Security Administration under section 109(a)(3) of the Aviation and Transportation Security Act (Public Law 107–71; 49 U.S.C. 114 note).

"(4) TSA.—The term 'TSA' means the Transportation Security Administration.

"[SUBTITLE A—TSA PRECHECK EXPANSION]

"[SECS. 3101, 3102. REPEALED. PUB. L. 115–254, DIV. K, TITLE I, §1937(B)(1), OCT. 5, 2018, 132 STAT. 3579.]

"SUBTITLE B—SECURING AVIATION FROM FOREIGN ENTRY POINTS AND GUARDING AIRPORTS THROUGH ENHANCED SECURITY

"SEC. 3201. LAST POINT OF DEPARTURE AIRPORT SECURITY ASSESSMENT.

"(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [July 15, 2016], the Administrator shall conduct a comprehensive security risk assessment of all last point of departure airports with nonstop flights to the United States.

"(b) CONTENTS.—The security risk assessment required under subsection (a) shall include consideration of the following:

"(1) The level of coordination and cooperation between the TSA and the foreign government of the country in which the last point of departure airport with nonstop flights to the United States is located.

"(2) The intelligence and threat mitigation capabilities of the country in which such airport is located.

"(3) The number of known or suspected terrorists annually transiting through such airport.

"(4) The degree to which the foreign government of the country in which such airport is located mandates, encourages, or prohibits the collection, analysis, and sharing of passenger name records.

"(5) The passenger security screening practices, capabilities, and capacity of such airport.

"(6) The security vetting undergone by aviation workers at such airport.

"(7) The access controls utilized by such airport to limit to authorized personnel access to secure and sterile areas of such airports.

"SEC. 3202. SECURITY COORDINATION ENHANCEMENT PLAN.

"(a) IN GENERAL.—Not later than 240 days after the date of enactment of this Act [July 15, 2016], the Administrator shall submit to Congress and the Government Accountability Office a plan—

"(1) to enhance and bolster security collaboration, coordination, and information sharing relating to securing international-inbound aviation between the United States and domestic and foreign partners, including U.S. Customs and Border Protection, foreign government entities, passenger air carriers, cargo air carriers, and United States Government entities, in order to enhance security capabilities at foreign airports, including airports that may not have nonstop flights to the United States but are nonetheless determined by the Administrator to be high risk; and

"(2) that includes an assessment of the ability of the TSA to enter into a mutual agreement with a foreign government entity that permits TSA representatives to conduct without prior notice inspections of

foreign airports.

"(b) GAO REVIEW.—Not later than 180 days after the submission of the plan required under subsection (a), the Comptroller General of the United States shall review the efforts, capabilities, and effectiveness of the TSA to enhance security capabilities at foreign airports and determine if the implementation of such efforts and capabilities effectively secures international-inbound aviation.

"SEC. 3203. WORKFORCE ASSESSMENT.

"Not later than 270 days after the date of enactment of this Act [July 15, 2016], the Administrator shall submit to Congress a comprehensive workforce assessment of all TSA personnel within the Office of Global Strategies of the TSA or whose primary professional duties contribute to the TSA's global efforts to secure transportation security, including a review of whether such personnel are assigned in a risk-based, intelligence-driven manner.

"[SEC. 3204. REPEALED. PUB. L. 115–254, DIV. K, TITLE I, §1955(B), OCT. 5, 2018, 132 STAT. 3596.]

"SEC. 3205. NATIONAL CARGO SECURITY PROGRAM.

"(a) IN GENERAL.—The Administrator may evaluate foreign countries' air cargo security programs to determine whether such programs provide a level of security commensurate with the level of security required by United States air cargo security programs.

"(b) APPROVAL AND RECOGNITION.—

"(1) IN GENERAL.—If the Administrator determines that a foreign country's air cargo security program evaluated under subsection (a) provides a level of security commensurate with the level of security required by United States air cargo security programs, the Administrator shall approve and officially recognize such foreign country's air cargo security program.

"(2) EFFECT OF APPROVAL AND RECOGNITION.—If the Administrator approves and officially recognizes pursuant to paragraph (1) a foreign country's air cargo security program, an aircraft transporting cargo that is departing such foreign country shall not be required to adhere to United States air cargo security programs that would otherwise be applicable.

"(c) REVOCATION AND SUSPENSION.—

"(1) IN GENERAL.—If the Administrator determines at any time that a foreign country's air cargo security program approved and officially recognized under subsection (b) no longer provides a level of security commensurate with the level of security required by United States air cargo security programs, the Administrator may revoke or temporarily suspend such approval and official recognition until such time as the Administrator determines that such foreign country's cargo security programs provide a level of security commensurate with the level of security required by such United States air cargo security programs.

"(2) NOTIFICATION.—If the Administrator revokes or suspends pursuant to paragraph (1) a foreign country's air cargo security program, the Administrator shall notify the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate not later than 30 days after such revocation or suspension.

"(d) APPLICATION.—This section shall apply irrespective of whether cargo is transported on an aircraft of an air carrier, a foreign air carrier, a cargo carrier, or a foreign cargo carrier.

"SEC. 3206. INTERNATIONAL TRAINING AND CAPACITY DEVELOPMENT.

"(a) IN GENERAL.—The Administrator shall establish an international training and capacity development program to train the appropriate authorities of foreign governments in air transportation security.

"(b) CONTENTS OF TRAINING.—If the Administrator determines that a foreign government would benefit from training and capacity development assistance pursuant to subsection (a), the Administrator may provide to the appropriate authorities of such foreign government technical assistance and training programs to strengthen aviation security in managerial, operational, and technical areas, including—

"(1) active shooter scenarios;

"(2) incident response;

"(3) use of canines;

"(4) mitigation of insider threats;

"(5) perimeter security;

"(6) operation and maintenance of security screening technology; and

"(7) recurrent related training and exercises.

"SUBTITLE C—CHECKPOINT OPTIMIZATION AND EFFICIENCY

"SEC. 3301. SENSE OF CONGRESS.

"It is the sense of Congress that airport checkpoint wait times should not take priority over the security of

the aviation system of the United States.

"SEC. 3302. ENHANCED STAFFING ALLOCATION MODEL.

"(a) IN GENERAL.—Not later than 30 days after the date of the enactment of this Act [July 15, 2016], the Administrator shall complete an assessment of the TSA's staffing allocation model to determine the necessary staffing positions at all airports in the United States at which the TSA operates passenger checkpoints.

"(b) APPROPRIATE STAFFING.—The staffing allocation model described in subsection (a) shall be based on necessary staffing levels to maintain minimal passenger wait times and maximum security effectiveness.

"(c) ADDITIONAL RESOURCES.—In assessing necessary staffing for minimal passenger wait times and maximum security effectiveness referred to in subsection (b), the Administrator shall include the use of canine explosives detection teams and technology to assist screeners conducting security checks.

"(d) TRANSPARENCY.—The Administrator shall share with aviation security stakeholders the staffing allocation model described in subsection (a), as appropriate.

"(e) EXCHANGE OF INFORMATION.—The Administrator shall require each Federal Security Director to engage on a regular basis with the appropriate aviation security stakeholders to exchange information regarding airport operations, including security operations.

"(f) GAO REVIEW.—Not later than 180 days after the date of the enactment of this Act, the Comptroller General of the United States shall review the staffing allocation model described in subsection (a) and report to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the results of such review.

"SEC. 3303. EFFECTIVE UTILIZATION OF STAFFING RESOURCES.

"(a) IN GENERAL.—To the greatest extent practicable, the Administrator shall direct that Transportation Security Officers with appropriate certifications and training are assigned to passenger and baggage security screening functions and that other TSA personnel who may not have certification and training to screen passengers or baggage are utilized for tasks not directly related to security screening, including restocking bins and providing instructions and support to passengers in security lines.

"(b) ASSESSMENT AND REASSIGNMENT.—The Administrator shall conduct an assessment of headquarters personnel and reassign appropriate personnel to assist with airport security screening activities on a permanent or temporary basis, as appropriate.

"SEC. 3304. TSA STAFFING AND RESOURCE ALLOCATION.

"(a) IN GENERAL.—Not later than 30 days after the date of the enactment of this Act [July 15, 2016], the Administrator shall take the following actions:

"(1) Utilize the TSA's Behavior Detection Officers for passenger and baggage security screening, including the verification of traveler documents, particularly at designated PreCheck Program lanes to ensure that such lanes are operational for use and maximum efficiency.

"(2) Make every practicable effort to grant additional flexibility and authority to Federal Security Directors in matters related to checkpoint and checked baggage staffing allocation and employee overtime in furtherance of maintaining minimal passenger wait times and maximum security effectiveness.

"(3) Disseminate to aviation security stakeholders and appropriate TSA personnel a list of checkpoint optimization best practices.

"(4) Request the Aviation Security Advisory Committee (established pursuant to section 44946 of title 49, United States Code) provide recommendations on best practices for checkpoint security operations optimization.

"(b) STAFFING ADVISORY COORDINATION.—Not later than 30 days after the date of the enactment of this Act, the Administrator shall—

"(1) direct each Federal Security Director to coordinate local representatives of aviation security stakeholders to establish a staffing advisory working group at each airport at which the TSA oversees or performs passenger security screening to provide recommendations to the Administrator on Transportation Security Officer staffing numbers, for each such airport; and

"(2) certify to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate that such staffing advisory working groups have been established.

"(c) REPORTING.—Not later than 60 days after the date of the enactment of this Act, the Administrator shall—

"(1) report to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate regarding how the TSA's Passenger

Screening Canine assets may be deployed and utilized for maximum efficiency to mitigate risk and optimize checkpoint operations; and

"(2) report to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the status of the TSA's Credential Authentication Technology Assessment program and how deployment of such program might optimize checkpoint operations.

"SEC. 3305. AVIATION SECURITY STAKEHOLDERS DEFINED.

"For purposes of this subtitle, the term 'aviation security stakeholders' shall mean, at a minimum, air carriers, airport operators, and labor organizations representing Transportation Security Officers or, where applicable, contract screeners.

"SEC. 3306. RULE OF CONSTRUCTION.

"Nothing in this subtitle may be construed as authorizing or directing the Administrator to prioritize reducing wait times over security effectiveness.

"SUBTITLE D—AVIATION SECURITY ENHANCEMENT AND OVERSIGHT

"SEC. 3401. DEFINITIONS.

"In this subtitle:

"(1) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term 'appropriate congressional committees' means—

"(A) the Committee on Homeland Security of the House of Representatives;

"(B) the Committee on Homeland Security and Governmental Affairs of the Senate; and

"(C) the Committee on Commerce, Science, and Transportation of the Senate.

"(2) ASAC.—The term 'ASAC' means the Aviation Security Advisory Committee established under section 44946 of title 49, United States Code.

"(3) SECRETARY.—The term 'Secretary' means the Secretary of Homeland Security.

"(4) SIDA.—The term 'SIDA' means the Secure Identification Display Area as such term is defined in section 1540.5 of title 49, Code of Federal Regulations, or any successor regulation to such section.

"SEC. 3402. THREAT ASSESSMENT.

"(a) INSIDER THREATS.—

"(1) IN GENERAL.—Not later than 90 days after the date of the enactment of this Act [July 15, 2016], the Administrator shall conduct or update an assessment to determine the level of risk posed to the domestic air transportation system by individuals with unescorted access to a secure area of an airport (as such term is defined in section 44903(j)(2)(H)) in light of recent international terrorist activity.

"(2) CONSIDERATIONS.—In conducting or updating the assessment under paragraph (1), the Administrator shall consider—

"(A) domestic intelligence;

"(B) international intelligence;

"(C) the vulnerabilities associated with unescorted access authority granted to domestic airport operators and air carriers, and their workers;

"(D) the vulnerabilities associated with unescorted access authority granted to foreign airport operators and air carriers, and their workers;

"(E) the processes and practices designed to mitigate the vulnerabilities associated with unescorted access privileges granted to airport operators and air carriers, and their workers;

"(F) the recent security breaches at domestic and foreign airports; and

"(G) the recent security improvements at domestic airports, including the implementation of recommendations made by relevant advisory committees, including the ASAC.

"(b) REPORTS.—The Administrator shall submit to the appropriate congressional committees—

"(1) a report on the results of the assessment under subsection (a), including any recommendations for improving aviation security;

"(2) a report on the implementation status of any recommendations made by the ASAC; and

"(3) regular updates about the insider threat environment as new information becomes available or as needed.

"SEC. 3403. OVERSIGHT.

"(a) ENHANCED REQUIREMENTS.—

"(1) IN GENERAL.—Subject to public notice and comment, and in consultation with airport operators, the Administrator shall update the rules on access controls issued by the Secretary under chapter

449 of title 49, United States Code.

"(2) CONSIDERATIONS.—As part of the update under paragraph (1), the Administrator shall consider—

"(A) increased fines and advanced oversight for airport operators that report missing more than five percent of credentials for unescorted access to any SIDA of an airport;

"(B) best practices for Category X airport operators that report missing more than three percent of credentials for unescorted access to any SIDA of an airport;

"(C) additional audits and status checks for airport operators that report missing more than three percent of credentials for unescorted access to any SIDA of an airport;

"(D) review and analysis of the prior five years of audits for airport operators that report missing more than three percent of credentials for unescorted access to any SIDA of an airport;

"(E) increased fines and direct enforcement requirements for both airport workers and their employers that fail to report within 24 hours an employment termination or a missing credential for unescorted access to any SIDA of an airport; and

"(F) a method for termination by the employer of any airport worker who fails to report in a timely manner missing credentials for unescorted access to any SIDA of an airport.

"(b) TEMPORARY CREDENTIALS.—The Administrator may encourage the issuance by airports and aircraft operators of free, one-time, 24-hour temporary credentials for workers who have reported, in a timely manner, their credentials missing, but not permanently lost, stolen, or destroyed, until replacement of credentials under section 1542.211 of title 49 Code of Federal Regulations is necessary.

"(c) NOTIFICATION AND REPORT TO CONGRESS.—The Administrator shall—

"(1) notify the appropriate congressional committees each time an airport operator reports that more than three percent of credentials for unescorted access to any SIDA at a Category X airport are missing, or more than five percent of credentials to access any SIDA at any other airport are missing; and

"(2) submit to the appropriate congressional committees an annual report on the number of violations and fines related to unescorted access to the SIDA of an airport collected in the preceding fiscal year.

"SEC. 3404. CREDENTIALS.

"(a) LAWFUL STATUS.—Not later than 90 days after the date of the enactment of this Act [July 15, 2016], the Administrator shall issue to airport operators guidance regarding placement of an expiration date on each airport credential issued to a non-United States citizen that is not longer than the period of time during which such non-United States citizen is lawfully authorized to work in the United States.

"(b) REVIEW OF PROCEDURES.—

"(1) IN GENERAL.—Not later than 90 days after the date of the enactment of this Act, the Administrator shall—

"(A) issue guidance for transportation security inspectors to annually review the procedures of airport operators and air carriers for applicants seeking unescorted access to any SIDA of an airport; and

"(B) make available to airport operators and air carriers information on identifying suspicious or fraudulent identification materials.

"(2) INCLUSIONS.—The guidance issued pursuant to paragraph (1) shall require a comprehensive review of background checks and employment authorization documents issued by United States Citizenship and Immigration Services during the course of a review of procedures under such paragraph.

"SEC. 3405. VETTING.

"(a) ELIGIBILITY REQUIREMENTS.—

"(1) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act [July 15, 2016], and subject to public notice and comment, the Administrator shall revise the regulations issued under section 44936 of title 49, United States Code, in accordance with this section and current knowledge of insider threats and intelligence under section 3502, to enhance the eligibility requirements and disqualifying criminal offenses for individuals seeking or having unescorted access to any SIDA of an airport.

"(2) DISQUALIFYING CRIMINAL OFFENSES.—In revising the regulations under paragraph (1), the Administrator shall consider adding to the list of disqualifying criminal offenses and criteria the offenses and criteria listed in section 122.183(a)(4) of title 19, Code of Federal Regulations and section 1572.103 of title 49, Code of Federal Regulations.

"(3) WAIVER PROCESS FOR DENIED CREDENTIALS.—Notwithstanding section 44936(b) of title 49, United States Code, in revising the regulations under paragraph (1) of this subsection, the Administrator shall—

"(A) ensure there exists or is developed a waiver process for approving the issuance of credentials for unescorted access to any SIDA of an airport for an individual found to be otherwise ineligible for

such credentials; and

"(B) consider, as appropriate and practicable—

"(i) the circumstances of any disqualifying act or offense, restitution made by the individual, Federal and State mitigation remedies, and other factors from which it may be concluded that the individual does not pose a terrorism risk or a risk to aviation security warranting denial of the credential; and

"(ii) the elements of the appeals and waiver process established under section 70105(c) of title 46, United States Code.

"(4) LOOK BACK.—In revising the regulations under paragraph (1), the Administrator shall propose that an individual be disqualified if the individual was convicted, or found not guilty by reason of insanity, of a disqualifying criminal offense within 15 years before the date of an individual's application, or if the individual was incarcerated for such crime and released from incarceration within five years before the date of the individual's application.

"(5) CERTIFICATIONS.—The Administrator shall require an airport or aircraft operator, as applicable, to certify for each individual who receives unescorted access to any SIDA of an airport that—

"(A) a specific need exists for providing the individual with unescorted access authority; and

"(B) the individual has certified to the airport or aircraft operator that the individual understands the requirements for possessing a SIDA badge.

"(6) REPORT TO CONGRESS.—Not later than 90 days after the date of the enactment of this Act, the Administrator shall submit to the appropriate congressional committees a report on the status of the revision to the regulations issued under section 44936 of title 49, United States Code, in accordance with this section.

"(7) RULE OF CONSTRUCTION.—Nothing in this subsection may be construed to affect existing aviation worker vetting fees imposed by the TSA.

"(b) RECURRENT VETTING.—

"(1) IN GENERAL.—Not later than 90 days after the date of the enactment of this Act, the Administrator and the Director of the Federal Bureau of Investigation shall fully implement the Rap Back service for recurrent vetting of eligible TSA-regulated populations of individuals with unescorted access to any SIDA of an airport.

"(2) REQUIREMENTS.—As part of the requirement in paragraph (1), the Administrator shall ensure that—

"(A) any status notifications the TSA receives through the Rap Back service about criminal offenses be limited to only disqualifying criminal offenses in accordance with the regulations promulgated by the TSA under section 44903 of title 49, United States Code, or other Federal law; and

"(B) any information received by the Administration through the Rap Back service is provided directly and immediately to the relevant airport and aircraft operators.

"(3) REPORT TO CONGRESS.—Not later than 30 days after implementation of the Rap Back service described in paragraph (1), the Administrator shall submit to the appropriate congressional committees a report on the such implementation.

"(c) ACCESS TO TERRORISM-RELATED DATA.—Not later than 30 days after the date of the enactment of this Act, the Administrator and the Director of National Intelligence shall coordinate to ensure that the Administrator is authorized to receive automated, real-time access to additional Terrorist Identities Datamart Environment (TIDE) data and any other terrorism-related category codes to improve the effectiveness of the TSA's credential vetting program for individuals who are seeking or have unescorted access to any SIDA of an airport.

"(d) ACCESS TO E–VERIFY AND SAVE PROGRAMS.—Not later than 90 days after the date of the enactment of this Act, the Secretary shall authorize each airport operator to have direct access to the E–Verify program and the Systematic Alien Verification for Entitlements (SAVE) automated system to determine the eligibility of individuals seeking unescorted access to any SIDA of an airport.

"SEC. 3406. METRICS.

"(a) IN GENERAL.—Not later than one year after the date of the enactment of this Act [July 15, 2016], the Administrator shall develop and implement performance metrics to measure the effectiveness of security for the SIDAs of airports.

"(b) CONSIDERATIONS.—In developing the performance metrics under subsection (a), the Administrator may consider—

"(1) adherence to access point procedures;

"(2) proper use of credentials;

"(3) differences in access point requirements between airport workers performing functions on the

airside of an airport and airport workers performing functions in other areas of an airport;

"(4) differences in access point characteristics and requirements at airports; and

"(5) any additional factors the Administrator considers necessary to measure performance.

"SEC. 3407. INSPECTIONS AND ASSESSMENTS.

"(a) MODEL AND BEST PRACTICES.—Not later than 180 days after the date of the enactment of this Act [July 15, 2016], the Administrator, in consultation with the ASAC, shall develop a model and best practices for unescorted access security that—

"(1) use intelligence, scientific algorithms, and risk-based factors;

"(2) ensure integrity, accountability, and control;

"(3) subject airport workers to random physical security inspections conducted by TSA representatives in accordance with this section;

"(4) appropriately manage the number of SIDA access points to improve supervision of and reduce unauthorized access to SIDAs; and

"(5) include validation of identification materials, such as with biometrics.

"(b) INSPECTIONS.—Consistent with a risk-based security approach, the Administrator shall expand the use of transportation security officers and inspectors to conduct enhanced, random and unpredictable, data-driven, and operationally dynamic physical inspections of airport workers in each SIDA of an airport and at each SIDA access point to—

"(1) verify the credentials of such airport workers;

"(2) determine whether such airport workers possess prohibited items, except for those items that may be necessary for the performance of such airport workers' duties, as appropriate, in any SIDA of an airport; and

"(3) verify whether such airport workers are following appropriate procedures to access any SIDA of an airport.

"(c) SCREENING REVIEW.—

"(1) IN GENERAL.—The Administrator shall conduct a review of airports that have implemented additional airport worker screening or perimeter security to improve airport security, including—

"(A) comprehensive airport worker screening at access points to secure areas;

"(B) comprehensive perimeter screening, including vehicles;

"(C) enhanced fencing or perimeter sensors; and

"(D) any additional airport worker screening or perimeter security measures the Administrator identifies.

"(2) BEST PRACTICES.—After completing the review under paragraph (1), the Administrator shall—

"(A) identify best practices for additional access control and airport worker security at airports; and

"(B) disseminate to airport operators the best practices identified under subparagraph (A).

"(3) PILOT PROGRAM.—The Administrator may conduct a pilot program at one or more airports to test and validate best practices for comprehensive airport worker screening or perimeter security under paragraph (2).

"SEC. 3408. COVERT TESTING.

"(a) IN GENERAL.—The Administrator shall increase the use of red-team, covert testing of access controls to any secure areas of an airport.

"(b) ADDITIONAL COVERT TESTING.—The Inspector General of the Department of Homeland Security shall conduct red-team, covert testing of airport access controls to the SIDAs of airports.

"(c) REPORTS TO CONGRESS.—

"(1) ADMINISTRATOR REPORT.—Not later than 90 days after the date of the enactment of this Act [July 15, 2016], the Administrator shall submit to the appropriate congressional committees a report on the progress to expand the use of inspections and of red-team, covert testing under subsection (a).

"(2) INSPECTOR GENERAL REPORT.—Not later than 180 days after the date of the enactment of this Act, the Inspector General of the Department of Homeland Security shall submit to the appropriate congressional committees a report on the effectiveness of airport access controls to the SIDAs of airports based on red-team, covert testing under subsection (b).

"SEC. 3409. SECURITY DIRECTIVES.

"(a) REVIEW.—Not later than 180 days after the date of the enactment of this Act [July 15, 2016] and annually thereafter, the Administrator, in consultation with the appropriate regulated entities, shall conduct a

comprehensive review of every current security directive addressed to any regulated entity to—

"(1) determine whether each such security directive continues to be relevant;

"(2) determine whether such security directives should be streamlined or consolidated to most efficiently maximize risk reduction; and

"(3) update, consolidate, or revoke any security directive as necessary.

"(b) NOTICE.—For each security directive that the Administrator issues, the Administrator shall submit to the appropriate congressional committees notice of—

"(1) the extent to which each such security directive responds to a specific threat, security threat assessment, or emergency situation against civil aviation; and

"(2) when it is anticipated that each such security directive will expire.

"SEC. 3410. IMPLEMENTATION REPORT.

"Not later than one year after the date of the enactment of this Act [July 15, 2016], the Comptroller General of the United States shall—

"(1) assess the progress made by the TSA and the effect on aviation security of implementing the requirements under sections 3402 through 3409 of this subtitle; and

"(2) report to the appropriate congressional committees on the results of the assessment under paragraph (1), including any recommendations.

"SEC. 3411. MISCELLANEOUS AMENDMENTS.

"(a) ASAC TERMS OF OFFICE.—[Amended section 44946 of this title.]

"(b) FEEDBACK.—[Amended section 44946 of this title.]

"SUBTITLE E—CHECKPOINTS OF THE FUTURE

"SEC. 3501. CHECKPOINTS OF THE FUTURE.

"(a) IN GENERAL.—The Administrator, in accordance with chapter 449 of title 49, United States Code, shall request the Aviation Security Advisory Committee (established pursuant to section 44946 of such title) to develop recommendations for more efficient and effective passenger screening processes.

"(b) CONSIDERATIONS.—In making recommendations to improve existing passenger screening processes, the Aviation Security Advisory Committee shall consider—

"(1) the configuration of a checkpoint;

"(2) technology innovation;

"(3) ways to address any vulnerabilities identified in audits of checkpoint operations;

"(4) ways to prevent security breaches at airports at which Federal security screening is provided;

"(5) best practices in aviation security;

"(6) recommendations from airports and aircraft operators, and any relevant advisory committees; and

"(7) 'curb to curb' processes and procedures.

"(c) REPORT.—Not later than one year after the date of enactment of this Act [July 15, 2016], the Administrator shall submit to the Committee on Homeland Security of the House of Representatives and the Committee on Homeland Security and Governmental Affairs and the Committee on Commerce, Science, and Transportation of the Senate a report on the results of the Aviation Security Advisory Committee review under this section, including any recommendations for improving passenger screening processes.

"SEC. 3502. PILOT PROGRAM FOR INCREASED EFFICIENCY AND SECURITY AT CATEGORY X AIRPORTS.

"(a) IN GENERAL.—The Administrator shall establish a pilot program at at least three and not more than six airports to reconfigure and install security systems that increase efficiency and reduce vulnerabilities in airport terminals, particularly at airports that have large open areas at which screening is conducted.

"(b) SELECTION OF AIRPORTS.—In selecting airports for the pilot program established under subsection (a), the Administrator shall—

"(1) select airports from among airports classified by the TSA as Category X airports and that are able to begin the reconfiguration and installation of security systems expeditiously; and

"(2) give priority to an airport that—

"(A) submits a proposal that seeks Federal funding for reconfiguration of such airport's security systems;

"(B) has the space needed to reduce vulnerabilities and reconfigure existing security systems; and

"(C) is able to enter into a cost-sharing arrangement with the TSA under which such airport will provided [sic] funding towards the cost of such pilot program.

"SEC. 3503. PILOT PROGRAM FOR THE DEVELOPMENT AND TESTING OF PROTOTYPES FOR

AIRPORT SECURITY SYSTEMS.

"(a) IN GENERAL.—The Administrator shall establish a pilot program at three airports to develop and test prototypes of screening security systems and security checkpoint configurations that are intended to expedite the movement of passengers by deploying a range of technologies, including passive and active systems, new types of security baggage and personal screening systems, and new systems to review and address passenger and baggage anomalies.

"(b) SELECTION OF AIRPORTS.—In selecting airports for the pilot program established under subsection (a), the Administrator shall—

"(1) select airports from among airports classified by the TSA as Category X airports that are able to begin the reconfiguration and installation of security systems expeditiously;

"(2) consider detection capabilities; and

"(3) give priority to an airport that—

"(A) submits a proposal that seeks Federal funding to test prototypes for new airport security systems;

"(B) has the space needed to reduce vulnerabilities and reconfigure existing security systems; and

"(C) is able to enter into a cost-sharing arrangement with the TSA under which such airport will provided [sic] funding towards the cost of such pilot program.

"SEC. 3504. REPORT REQUIRED.

"Not later than 90 days after the date of the enactment of this Act [July 15, 2016], the Administrator shall submit to the Committee on Homeland Security of the House of Representatives and the Committee on Homeland Security and Governmental Affairs and the Committee on Commerce, Science, and Transportation of the Senate and a report on the pilot programs established under sections 3502 and 3503 of this subtitle.

"SEC. 3505. FUNDING.

"The Administrator shall carry out the pilot programs established under sections 3502 and 3503 of this subtitle using amounts—

"(1) appropriated to the TSA before the date of the enactment of this Act [July 15, 2016] and available for obligation as of such date of enactment; and

"(2) amounts obtained as reimbursements from airports under such pilot programs.

"SEC. 3506. ACCEPTANCE AND PROVISION OF RESOURCES BY THE TRANSPORTATION SECURITY ADMINISTRATION.

"The Administrator, in carrying out the functions of the pilot programs established under sections 3502 and 3503 of this subtitle, may accept services, supplies, equipment, personnel, or facilities, without reimbursement, from any other public or private entity."

PROTECTION OF PASSENGER PLANES FROM EXPLOSIVES

Pub. L. 110–53, title XVI, §1610, Aug. 3, 2007, 121 Stat. 484, provided that:

"(a) TECHNOLOGY RESEARCH AND PILOT PROJECTS.—

"(1) RESEARCH AND DEVELOPMENT.—The Secretary of Homeland Security, in consultation with the Administrator of the Transportation Security Administration, shall expedite research and development programs for technologies that can disrupt or prevent an explosive device from being introduced onto a passenger plane or from damaging a passenger plane while in flight or on the ground. The research shall be used in support of implementation of section 44901 of title 49, United States Code.

"(2) PILOT PROJECTS.—The Secretary, in conjunction with the Secretary of Transportation, shall establish a grant program to fund pilot projects—

"(A) to deploy technologies described in paragraph (1); and

"(B) to test technologies to expedite the recovery, development, and analysis of information from aircraft accidents to determine the cause of the accident, including deployable flight deck and voice recorders and remote location recording devices.

"(b) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary of Homeland Security for fiscal year 2008 such sums as may be necessary to carry out this section. Such sums shall remain available until expended."

STANDARDS FOR INCREASING THE USE OF EXPLOSIVE DETECTION EQUIPMENT

Pub. L. 109–295, title V, §518, Oct. 4, 2006, 120 Stat. 1380, provided that: "The Secretary of Homeland Security, in consultation with industry stakeholders, shall develop standards and protocols for increasing the use of explosive detection equipment to screen air cargo when appropriate."

Similar provisions were contained in the following prior appropriation act:

Pub. L. 109–90, title V, §524, Oct. 18, 2005, 119 Stat. 2086.

USE OF EXISTING EQUIPMENT TO SCREEN PASSENGER CARGO; REPORTS

Pub. L. 109–90, title V, §525, Oct. 18, 2005, 119 Stat. 2086, as amended by Pub. L. 114–113, div. F, title V, §510(c), Dec. 18, 2015, 129 Stat. 2514, provided that: "The Transportation Security Administration (TSA) shall utilize existing checked baggage explosive detection equipment and screeners to screen cargo carried on passenger aircraft to the greatest extent practicable at each airport: *Provided*, That beginning with November 2005, TSA shall provide a monthly report to the Committees on Appropriations of the Senate and the House of Representatives detailing, by airport, the amount of cargo carried on passenger aircraft that was screened by TSA in August 2005 and each month."

IN-LINE CHECKED BAGGAGE SCREENING

Pub. L. 108–458, title IV, §4019(a), (b), Dec. 17, 2004, 118 Stat. 3721, provided that:

"(a) IN-LINE BAGGAGE SCREENING EQUIPMENT.—The Assistant Secretary of Homeland Security (Transportation Security Administration) shall take such action as may be necessary to expedite the installation and use of in-line baggage screening equipment at airports at which screening is required by section 44901 of title 49, United States Code.

"(b) SCHEDULE.—Not later than 180 days after the date of enactment of this Act [Dec. 17, 2004], the Assistant Secretary shall submit to the appropriate congressional committees a schedule to expedite the installation and use of in-line baggage screening equipment at such airports, with an estimate of the impact that such equipment, facility modification, and baggage conveyor placement will have on staffing needs and levels related to aviation security."

CHECKED BAGGAGE SCREENING AREA MONITORING

Pub. L. 108–458, title IV, §4020, Dec. 17, 2004, 118 Stat. 3722, provided that:

"(a) IN GENERAL.—The Under Secretary for Border and Transportation Security of the Department of Homeland Security shall provide, subject to the availability of funds, assistance to airports at which screening is required by section 44901 of title 49, United States Code, and that have checked baggage screening areas that are not open to public view in the acquisition and installation of security monitoring cameras for surveillance of such areas in order to deter theft from checked baggage and to aid in the speedy resolution of liability claims against the Transportation Security Administration.

"(b) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary of Homeland Security for fiscal year 2005 such sums as may be necessary to carry out this section. Such sums shall remain available until expended."

PILOT PROGRAM TO EVALUATE USE OF BLAST RESISTANT CARGO AND BAGGAGE CONTAINERS

Pub. L. 108–458, title IV, §4051, Dec. 17, 2004, 118 Stat. 3728, directed the Assistant Secretary of Homeland Security (Transportation Security Administration), beginning not later than 180 days after Dec. 17, 2004, to carry out a pilot program to evaluate the use of blast-resistant containers for cargo and baggage on passenger aircraft to minimize the potential effects of detonation of an explosive device, and directed the Assistant Secretary to provide incentives to air carriers to volunteer to participate in such program.

AIR CARGO SECURITY

Pub. L. 108–458, title IV, §4052, Dec. 17, 2004, 118 Stat. 3728, provided that:

"(a) AIR CARGO SCREENING TECHNOLOGY.—The Assistant Secretary of Homeland Security (Transportation Security Administration) shall develop technology to better identify, track, and screen air cargo.

"(b) IMPROVED AIR CARGO AND AIRPORT SECURITY.—There is authorized to be appropriated to the Secretary of Homeland Security for the use of the Transportation Security Administration, in addition to any amounts otherwise authorized by law, for the purpose of improving aviation security related to the transportation of cargo on both passenger aircraft and all-cargo aircraft—

"(1) $200,000,000 for fiscal year 2005;

"(2) $200,000,000 for fiscal year 2006; and

"(3) $200,000,000 for fiscal year 2007.

Such sums shall remain available until expended.

"(c) RESEARCH, DEVELOPMENT, AND DEPLOYMENT.—To carry out subsection (a), there is authorized to be appropriated to the Secretary, in addition to any amounts otherwise authorized by law, for research and development related to enhanced air cargo security technology as well as for deployment and

installation of enhanced air cargo security technology—

"(1) $100,000,000 for fiscal year 2005;

"(2) $100,000,000 for fiscal year 2006; and

"(3) $100,000,000 for fiscal year 2007.

Such sums shall remain available until expended.

"(d) ADVANCED CARGO SECURITY GRANTS.—

"(1) IN GENERAL.—The Secretary shall establish and carry out a program to issue competitive grants to encourage the development of advanced air cargo security technology, including use of innovative financing or other means of funding such activities. The Secretary may make available funding for this purpose from amounts appropriated pursuant to subsection (c).

"(2) ELIGIBILITY CRITERIA, ETC.—The Secretary shall establish such eligibility criteria, establish such application and administrative procedures, and provide for such matching funding requirements, if any, as may be necessary and appropriate to ensure that the technology is deployed as fully and rapidly as possible."

IDENTIFICATION STANDARDS

Pub. L. 108–458, title VII, §7220, Dec. 17, 2004, 118 Stat. 3835, provided that:

"(a) PROPOSED STANDARDS.—

"(1) IN GENERAL.—The Secretary of Homeland Security—

"(A) shall propose minimum standards for identification documents required of domestic commercial airline passengers for boarding an aircraft; and

"(B) may, from time to time, propose minimum standards amending or replacing standards previously proposed and transmitted to Congress and approved under this section.

"(2) SUBMISSION TO CONGRESS.—Not later than 6 months after the date of enactment of this Act [Dec. 17, 2004], the Secretary shall submit the standards under paragraph (1)(A) to the Senate and the House of Representatives on the same day while each House is in session.

"(3) EFFECTIVE DATE.—Any proposed standards submitted to Congress under this subsection shall take effect when an approval resolution is passed by the House and the Senate under the procedures described in subsection (b) and becomes law.

"(b) CONGRESSIONAL APPROVAL PROCEDURES.—

"(1) RULEMAKING POWER.—This subsection is enacted by Congress—

"(A) as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of such approval resolutions; and it supersedes other rules only to the extent that they are inconsistent therewith; and

"(B) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

"(2) APPROVAL RESOLUTION.—For the purpose of this subsection, the term 'approval resolution' means a joint resolution of Congress, the matter after the resolving clause of which is as follows: 'That the Congress approves the proposed standards issued under section 7220 of the 9/11 Commission Implementation Act of 2004, transmitted by the President to the Congress on _____', the blank space being filled in with the appropriate date.

"(3) INTRODUCTION.—Not later than the first day of session following the day on which proposed standards are transmitted to the House of Representatives and the Senate under subsection (a), an approval resolution—

"(A) shall be introduced (by request) in the House by the Majority Leader of the House of Representatives, for himself or herself and the Minority Leader of the House of Representatives, or by Members of the House of Representatives designated by the Majority Leader and Minority Leader of the House; and

"(B) shall be introduced (by request) in the Senate by the Majority Leader of the Senate, for himself or herself and the Minority Leader of the Senate, or by Members of the Senate designated by the Majority Leader and Minority Leader of the Senate.

"(4) PROHIBITIONS.—

"(A) AMENDMENTS.—No amendment to an approval resolution shall be in order in either the House of Representatives or the Senate.

"(B) MOTIONS TO SUSPEND.—No motion to suspend the application of this paragraph shall be in order in either House, nor shall it be in order in either House for the Presiding Officer to entertain a

request to suspend the application of this paragraph by unanimous consent.

"(5) REFERRAL.—

"(A) IN GENERAL.—An approval resolution shall be referred to the committees of the House of Representatives and of the Senate with jurisdiction. Each committee shall make its recommendations to the House of Representatives or the Senate, as the case may be, within 45 days after its introduction. Except as provided in subparagraph (B), if a committee to which an approval resolution has been referred has not reported it at the close of the 45th day after its introduction, such committee shall be automatically discharged from further consideration of the resolution and it shall be placed on the appropriate calendar.

"(B) FINAL PASSAGE.—A vote on final passage of the resolution shall be taken in each House on or before the close of the 15th day after the resolution is reported by the committee or committees of that House to which it was referred, or after such committee or committees have been discharged from further consideration of the resolution.

"(C) COMPUTATION OF DAYS.—For purposes of this paragraph, in computing a number of days in either House, there shall be excluded any day on which that House is not in session.

"(6) COORDINATION WITH ACTION OF OTHER HOUSE.—If prior to the passage by one House of an approval resolution of that House, that House receives the same approval resolution from the other House, then the procedure in that House shall be the same as if no approval resolution has been received from the other House, but the vote on final passage shall be on the approval resolution of the other House.

"(7) FLOOR CONSIDERATION IN THE HOUSE OF REPRESENTATIVES.—

"(A) MOTION TO PROCEED.—A motion in the House of Representatives to proceed to the consideration of an approval resolution shall be highly privileged and not debatable. An amendment to the motion shall not be in order, not shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

"(B) DEBATE.—Debate in the House of Representatives on an implementing bill or approval resolution shall be limited to not more than 4 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion to further limit debate shall not be debatable. It shall not be in order to move to recommit an approval resolution or to move to reconsider the vote by which an approval resolution is agreed to or disagreed to.

"(C) MOTION TO POSTPONE.—Motions to postpone made in the House of Representatives with respect to the consideration of an approval resolution and motions to proceed to the consideration of other business shall be decided without debate.

"(D) APPEALS.—All appeals from the decisions of the Chair relating to the application of the Rules of the House of Representatives to the procedure relating to an approval resolution shall be decided without debate.

"(E) RULES OF THE HOUSE OF REPRESENTATIVES.—Except to the extent specifically provided in subparagraphs (A) through (D), consideration of an approval resolution shall be governed by the Rules of the House of Representatives applicable to other resolutions in similar circumstances.

"(8) FLOOR CONSIDERATION IN THE SENATE.—

"(A) MOTION TO PROCEED.—A motion in the Senate to proceed to the consideration of an approval resolution shall be privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

"(B) DEBATE ON RESOLUTION.—Debate in the Senate on an approval resolution, and appeals in connection therewith, shall be limited to not more than 10 hours, which shall be equally divided between, and controlled by, the Majority Leader and the Minority Leader, or their designees.

"(C) DEBATE ON MOTIONS AND APPEALS.—Debate in the Senate on any debatable motion or appeal in connection with an approval resolution shall be limited to not more than 1 hour, which shall be equally divided between, and controlled by, the mover and the manager of the resolution, except that in the event the manager of the resolution is in favor of any such motion or appeal, the time in opposition thereto, shall be controlled by the Minority Leader or designee. Such leaders, or either of them, may, from time under their control on the passage of an approval resolution, allot additional time to any Senator during the consideration of any debatable motion or appeal.

"(D) LIMIT ON DEBATE.—A motion in the Senate to further limit debate is not debatable. A motion to recommit an approval resolution is not in order.

"(c) DEFAULT STANDARDS.—

"(1) IN GENERAL.—If the standards proposed under subsection (a)(1)(A) are not approved pursuant to the procedures described in subsection (b), then not later than 1 year after rejection by a vote of either

House of Congress, domestic commercial airline passengers seeking to board an aircraft shall present, for identification purposes—

"(A) a valid, unexpired passport;

"(B) domestically issued documents that the Secretary of Homeland Security designates as reliable for identification purposes;

"(C) any document issued by the Attorney General or the Secretary of Homeland Security under the authority of 1 of the immigration laws (as defined under section 101(a)(17) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(17))[)]; or

"(D) a document issued by the country of nationality of any alien not required to possess a passport for admission to the United States that the Secretary designates as reliable for identifications purposes

"(2) EXCEPTION.—The documentary requirements described in paragraph (1)—

"(A) shall not apply to individuals below the age of 17, or such other age as determined by the Secretary of Homeland Security;

"(B) may be waived by the Secretary of Homeland Security in the case of an unforeseen medical emergency.

"(d) RECOMMENDATION TO CONGRESS.—Not later than 1 year after the date of enactment of this Act [Dec. 17, 2004], the Secretary of Homeland Security shall recommend to Congress—

"(1) categories of Federal facilities that the Secretary determines to be at risk for terrorist attack and requiring minimum identification standards for access to such facilities; and

"(2) appropriate minimum identification standards to gain access to those facilities."

DEADLINE FOR DEPLOYMENT OF FEDERAL SCREENERS

Pub. L. 107–71, title I, §110(c), Nov. 19, 2001, 115 Stat. 616, provided that, not later than 1 year after Nov. 19, 2001, the Administrator of the Transportation Security Administration would deploy at all airports in the United States where screening is required under this section a sufficient number of Federal screeners, Federal Security Managers, Federal security personnel, and Federal law enforcement officers to conduct the screening of all passengers and property under this section and also not later than 1 year after Nov. 19, 2001, certify to Congress that this requirement was met.

REPORTS

Pub. L. 107–71, title I, §110(d), Nov. 19, 2001, 115 Stat. 616, provided that:

"(1) DEPLOYMENT.—Within 6 months after the date of enactment of this Act [Nov. 19, 2001], the Under Secretary of Transportation for Security [now Administrator of the Transportation Security Administration] shall report to the Committee on Commerce, Science, and Transportation of the Senate and to the Committee on Transportation and Infrastructure of the House of Representatives on the deployment of the systems required by section 44901(c) of title 49, United States Code. The Under Secretary shall include in the report—

"(A) an installation schedule;

"(B) the dates of installation of each system; and

"(C) the date on which each system installed is operational.

"(2) SCREENING OF SMALL AIRCRAFT.—Within 1 year after the date of enactment of this Act [Nov. 19, 2001], the Under Secretary of Transportation for Security [now Administrator of the Transportation Security Administration] shall transmit a report to the Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives on the screening requirements applicable to passengers boarding, and property being carried aboard, aircraft with 60 seats or less used in scheduled passenger service with recommendations for any necessary changes in those requirements."

INSTALLATION OF ADVANCED SECURITY EQUIPMENT; AGREEMENTS

Pub. L. 104–264, title III, §305(b), Oct. 9, 1996, 110 Stat. 3252, provided that: "The Administrator is authorized to use noncompetitive or cooperative agreements with air carriers and airport authorities that provide for the Administrator to purchase and assist in installing advanced security equipment for the use of such entities."

PASSENGER PROFILING

Pub. L. 104–264, title III, §307, Oct. 9, 1996, 110 Stat. 3253, which related to developing computer-assisted passenger profiling programs and other appropriate passenger profiling programs, was repealed by Pub. L. 118–63, title II, §218(g), May 16, 2024, 138 Stat. 1056.

AUTHORITY TO USE CERTAIN FUNDS FOR AIRPORT SECURITY PROGRAMS AND ACTIVITIES

Pub. L. 104–264, title III, §308, Oct. 9, 1996, 110 Stat. 3253, which provided that funds from project grants made under subchapter I of chapter 471 of this title and passenger facility fees collected under section 40117 of this title could be used for the improvement of facilities and the purchase and deployment of equipment to enhance and ensure safe air travel, was repealed by Pub. L. 108–176, title I, §143, Dec. 12, 2003, 117 Stat. 2503.

INSTALLATION AND USE OF EXPLOSIVE DETECTION EQUIPMENT

Pub. L. 101–45, title I, June 30, 1989, 103 Stat. 110, provided in part that: "Not later than thirty days after the date of the enactment of this Act [June 30, 1989], the Federal Aviation Administrator shall initiate action, including such rulemaking or other actions as necessary, to require the use of explosive detection equipment that meets minimum performance standards requiring application of technology equivalent to or better than thermal neutron analysis technology at such airports (whether located within or outside the United States) as the Administrator determines that the installation and use of such equipment is necessary to ensure the safety of air commerce. The Administrator shall complete these actions within sixty days of enactment of this Act".

RESEARCH AND DEVELOPMENT OF IMPROVED AIRPORT SECURITY SYSTEMS

Pub. L. 100–649, §2(d), Nov. 10, 1988, 102 Stat. 3817, required the Administrator of the Federal Aviation Administration to conduct such research and development as necessary to improve airport security metal detectors and airport security x-ray systems in detecting firearms that were subject to the prohibitions of section 922(p) of Title 18, Crimes and Criminal Procedure.

DEFINITIONS OF TERMS IN TITLE IV OF PUB. L. 108–458

Pub. L. 108–458, title IV, §4081, Dec. 17, 2004, 118 Stat. 3731, provided that: "In this title [enacting section 44925 of this title, amending sections 114, 44903, 44904, 44909, 44917, 44923, 46301 to 46303, and 48301 of this title and sections 70102 and 70103 of Title 46, Shipping, and enacting provisions set out as notes under this section, sections 114, 44703, 44913, 44917, 44923, 44925, and 44935 of this title, section 2751 of Title 22, Foreign Relations and Intercourse, and section 70101 of Title 46] (other than in sections 4001 and 4026 [amending sections 114 and 44904 of this title and enacting provisions set out as a note under section 2751 of Title 22]), the following definitions apply:

"(1) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term 'appropriate congressional committees' means the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

"(2) AVIATION DEFINITIONS.—The terms 'air carrier', 'air transportation', 'aircraft', 'airport', 'cargo', 'foreign air carrier', and 'intrastate air transportation' have the meanings given such terms in section 40102 of title 49, United States Code.

"(3) SECURE AREA OF AN AIRPORT.—The term 'secure area of an airport' means the sterile area and the Secure Identification Display Area of an airport (as such terms are defined in section 1540.5 of title 49, Code of Federal Regulations, or any successor regulations)."

DEFINITIONS OF TERMS IN PUB. L. 107–71

For definitions of terms used in sections 101(g) and 110(c), (d), of Pub. L. 107–71, set out above, see section 133 of Pub. L. 107–71, set out as a note under section 40102 of this title.

§44902. Refusal to transport passengers and property

(a) MANDATORY REFUSAL.—The Administrator of the Transportation Security Administration shall prescribe regulations requiring an air carrier, intrastate air carrier, or foreign air carrier to refuse to transport—

(1) a passenger who does not consent to a search under section 44901(a) of this title establishing whether the passenger is carrying unlawfully a dangerous weapon, explosive, or other destructive

substance; or

(2) property of a passenger who does not consent to a search of the property establishing whether the property unlawfully contains a dangerous weapon, explosive, or other destructive substance.

(b) PERMISSIVE REFUSAL.—Subject to regulations of the Administrator of the Transportation Security Administration, an air carrier, intrastate air carrier, or foreign air carrier may refuse to transport a passenger or property the carrier decides is, or might be, inimical to safety.

(c) AGREEING TO CONSENT TO SEARCH.—An agreement to carry passengers or property in air transportation or intrastate air transportation by an air carrier, intrastate air carrier, or foreign air carrier is deemed to include an agreement that the passenger or property will not be carried if consent to search the passenger or property for a purpose referred to in this section is not given.

44902(b)	49 App.:1511(a) (last sentence).	
44902(c)	49 App.:1511(b).	

In this section, the word "passenger" is substituted for "person" for consistency in the revised title.

In subsection (a)(1), the words "of his person" are omitted as surplus.

In subsection (a)(2), the words "or inspection" are omitted as surplus.

In subsection (b), the words "reasonable" and "also" are omitted as surplus. The word "rules" is omitted as being synonymous with "regulations". The words "the carrier decides is" are substituted for "when, in the opinion of the carrier, such transportation would" to eliminate unnecessary words. The words "of flight" are omitted as surplus.

In subsection (c), the words "for compensation or hire" are omitted because of the definitions of "air transportation" and "intrastate air transportation" in section 40102(a) of the revised title. The word "inspect" is omitted as surplus.

EDITORIAL NOTES

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–254, §1991(d)(2)(A), substituted "Administrator of the Transportation Security Administration" for "Under Secretary of Transportation for Security" in introductory provisions.

Subsec. (b). Pub. L. 115–254, §1991(d)(2)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

2001—Subsec. (a). Pub. L. 107–71 substituted "Under Secretary of Transportation for Security" for "Administrator of the Federal Aviation Administration" in introductory provisions.

Subsec. (b). Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator".

§44903. Air transportation security

(a) DEFINITIONS.—In this section:

(1) ADMINISTRATOR.—The term "Administrator" means the Administrator of the Transportation Security Administration.

(2) LAW ENFORCEMENT PERSONNEL.—The term "law enforcement personnel" means individuals—

(A) authorized to carry and use firearms;

(B) vested with the degree of the police power of arrest the Administrator considers necessary to carry out this section; and

(C) identifiable by appropriate indicia of authority.

(b) PROTECTION AGAINST VIOLENCE AND PIRACY.—The Administrator shall prescribe regulations to protect passengers and property on an aircraft operating in air transportation or intrastate air transportation against an act of criminal violence or aircraft piracy. When prescribing a regulation under this subsection, the Administrator shall—

(1) consult with the Secretary of Transportation, the Attorney General, the heads of other departments, agencies, and instrumentalities of the United States Government, and State and local authorities;

(2) consider whether a proposed regulation is consistent with—

(A) protecting passengers; and

(B) the public interest in promoting air transportation and intrastate air transportation;

(3) to the maximum extent practicable, require a uniform procedure for searching and detaining passengers and property to ensure—

(A) their safety; and

(B) courteous and efficient treatment by an air carrier, an agent or employee of an air carrier, and Government, State, and local law enforcement personnel carrying out this section; and

(4) consider the extent to which a proposed regulation will carry out this section.

(c) SECURITY PROGRAMS.—(1) The Administrator shall prescribe regulations under subsection (b) of this section that require each operator of an airport regularly serving an air carrier holding a certificate issued by the Secretary of Transportation to establish an air transportation security program that provides a law enforcement presence and capability at each of those airports that is adequate to ensure the safety of passengers. The regulations shall authorize the operator to use the services of qualified State, local, and private law enforcement personnel. When the Administrator decides, after being notified by an operator in the form the Administrator prescribes, that not enough qualified State, local, and private law enforcement personnel are available to carry out subsection (b), the Administrator may authorize the operator to use, on a reimbursable basis, personnel employed by the Administrator, or by another department, agency, or instrumentality of the Government with the consent of the head of the department, agency, or instrumentality, to supplement State, local, and private law enforcement personnel. When deciding whether additional personnel are needed, the Administrator shall consider the number of passengers boarded at the airport, the extent of anticipated risk of criminal violence or aircraft piracy at the airport or to the air carrier aircraft operations at the airport, and the availability of qualified State or local law enforcement personnel at the airport.

(2)(A) The Administrator may approve a security program of an airport operator, or an amendment in an existing program, that incorporates a security program of an airport tenant (except an air carrier separately complying with part 108 or 129 of title 14, Code of Federal Regulations) having access to a secured area of the airport, if the program or amendment incorporates—

(i) the measures the tenant will use, within the tenant's leased areas or areas designated for the tenant's exclusive use under an agreement with the airport operator, to carry out the security requirements imposed by the Administrator on the airport operator under the access control system requirements of section 107.14 of title 14, Code of Federal Regulations, or under other requirements of part 107 of title 14; and

(ii) the methods the airport operator will use to monitor and audit the tenant's compliance with the security requirements and provides that the tenant will be required to pay monetary penalties to

the airport operator if the tenant fails to carry out a security requirement under a contractual provision or requirement imposed by the airport operator.

(B) If the Administrator approves a program or amendment described in subparagraph (A) of this paragraph, the airport operator may not be found to be in violation of a requirement of this subsection or subsection (b) of this section when the airport operator demonstrates that the tenant or an employee, permittee, or invitee of the tenant is responsible for the violation and that the airport operator has complied with all measures in its security program for securing compliance with its security program by the tenant.

(C) MAXIMUM USE OF CHEMICAL AND BIOLOGICAL WEAPON DETECTION EQUIPMENT.—The Secretary of Transportation may require airports to maximize the use of technology and equipment that is designed to detect or neutralize potential chemical or biological weapons.

(3) PILOT PROGRAMS.—The Administrator shall establish pilot programs in no fewer than 20 airports to test and evaluate new and emerging technology for providing access control and other security protections for closed or secure areas of the airports. Such technology may include biometric or other technology that ensures only authorized access to secure areas.

(d) AUTHORIZING INDIVIDUALS TO CARRY FIREARMS AND MAKE ARRESTS.—With the approval of the Attorney General and the Secretary of State, the Administrator may authorize an individual who carries out air transportation security duties—

(1) to carry firearms; and

(2) to make arrests without warrant for an offense against the United States committed in the presence of the individual or for a felony under the laws of the United States, if the individual reasonably believes the individual to be arrested has committed or is committing a felony.

(e) EXCLUSIVE RESPONSIBILITY OVER PASSENGER SAFETY.—The Administrator has the exclusive responsibility to direct law enforcement activity related to the safety of passengers on an aircraft involved in an offense under section 46502 of this title from the moment all external doors of the aircraft are closed following boarding until those doors are opened to allow passengers to leave the aircraft. When requested by the Administrator, other departments, agencies, and instrumentalities of the Government shall provide assistance necessary to carry out this subsection.

(f) GOVERNMENT AND INDUSTRY CONSORTIA.—The Administrator may establish at airports such consortia of government and aviation industry representatives as the Administrator may designate to provide advice on matters related to aviation security and safety. Such consortia shall not be considered Federal advisory committees for purposes of chapter 10 of title 5.

(g) IMPROVEMENT OF SECURED-AREA ACCESS CONTROL.—

(1) ENFORCEMENT.—

(A) ADMINISTRATOR TO PUBLISH SANCTIONS.—The Administrator shall publish in the Federal Register a list of sanctions for use as guidelines in the discipline of employees for infractions of airport access control requirements. The guidelines shall incorporate a progressive disciplinary approach that relates proposed sanctions to the severity or recurring nature of the infraction and shall include measures such as remedial training, suspension from security-related duties, suspension from all duties without pay, and termination of employment.

(B) USE OF SANCTIONS.—Each airport operator, air carrier, and security screening company shall include the list of sanctions published by the Administrator in its security program. The security program shall include a process for taking prompt disciplinary action against an employee who commits an infraction of airport access control requirements.

(2) IMPROVEMENTS.—The Administrator shall—

(A) work with airport operators and air carriers to implement and strengthen existing controls to eliminate airport access control weaknesses;

(B) require airport operators and air carriers to develop and implement comprehensive and recurring training programs that teach employees their roles in airport security, the importance

of their participation, how their performance will be evaluated, and what action will be taken if they fail to perform;

(C) require airport operators and air carriers to develop and implement programs that foster and reward compliance with airport access control requirements and discourage and penalize noncompliance in accordance with guidelines issued by the Administrator to measure employee compliance;

(D) on an ongoing basis, assess and test for compliance with access control requirements, report annually findings of the assessments, and assess the effectiveness of penalties in ensuring compliance with security procedures and take any other appropriate enforcement actions when noncompliance is found;

(E) improve and better administer the Administrator's security database to ensure its efficiency, reliability, and usefulness for identification of systemic problems and allocation of resources;

(F) improve the execution of the Administrator's quality control program; and

(G) work with airport operators to strengthen access control points in secured areas (including air traffic control operations areas, maintenance areas, crew lounges, baggage handling areas, concessions, and catering delivery areas) to ensure the security of passengers and aircraft and consider the deployment of biometric or similar technologies that identify individuals based on unique personal characteristics.

(h) IMPROVED AIRPORT PERIMETER ACCESS SECURITY.—

(1) IN GENERAL.—The Administrator, in consultation with the airport operator and law enforcement authorities, may order the deployment of such personnel at any secure area of the airport as necessary to counter the risk of criminal violence, the risk of aircraft piracy at the airport, the risk to air carrier aircraft operations at the airport, or to meet national security concerns.

(2) SECURITY OF AIRCRAFT AND GROUND ACCESS TO SECURE AREAS.—In determining where to deploy such personnel, the Administrator shall consider the physical security needs of air traffic control facilities, parked aircraft, aircraft servicing equipment, aircraft supplies (including fuel), automobile parking facilities within airport perimeters or adjacent to secured facilities, and access and transition areas at airports served by other means of ground or water transportation.

(3) DEPLOYMENT OF FEDERAL LAW ENFORCEMENT PERSONNEL.—The Secretary of Homeland Security may enter into a memorandum of understanding or other agreement with the Attorney General or the head of any other appropriate Federal law enforcement agency to deploy Federal law enforcement personnel at an airport in order to meet aviation safety and security concerns.

(4) AIRPORT PERIMETER SCREENING.—The Administrator—

(A) shall require screening or inspection of all individuals, goods, property, vehicles, and other equipment before entry into a secured area of an airport in the United States described in section 44903(c); [1]

(B) shall prescribe specific requirements for such screening and inspection that will assure at least the same level of protection as will result from screening of passengers and their baggage;

(C) shall establish procedures to ensure the safety and integrity of—

(i) all persons providing services with respect to aircraft providing passenger air transportation or intrastate air transportation and facilities of such persons at an airport in the United States described in subsection (c);

(ii) all supplies, including catering and passenger amenities, placed aboard such aircraft, including the sealing of supplies to ensure easy visual detection of tampering; and

(iii) all persons providing such supplies and facilities of such persons;

(D) shall require vendors having direct access to the airfield and aircraft to develop security programs; and

(E) shall issue guidance for the use of biometric or other technology that positively verifies the identity of each employee and law enforcement officer who enters a secure area of an airport.

(5) USE OF BIOMETRIC TECHNOLOGY IN AIRPORT ACCESS CONTROL SYSTEMS .—In issuing guidance under paragraph (4)(E), the Administrator in consultation with representatives of the aviation industry, the biometric identifier industry, and the National Institute of Standards and Technology, shall establish, at a minimum—

(A) comprehensive technical and operational system requirements and performance standards for the use of biometric identifier technology in airport access control systems (including airport perimeter access control systems) to ensure that the biometric identifier systems are effective, reliable, and secure;

(B) a list of products and vendors that meet the requirements and standards set forth in subparagraph (A);

(C) procedures for implementing biometric identifier systems—

(i) to ensure that individuals do not use an assumed identity to enroll in a biometric identifier system; and

(ii) to resolve failures to enroll, false matches, and false non-matches; and

(D) best practices for incorporating biometric identifier technology into airport access control systems in the most effective manner, including a process to best utilize existing airport access control systems, facilities, and equipment and existing data networks connecting airports.

(6) USE OF BIOMETRIC TECHNOLOGY FOR ARMED LAW ENFORCEMENT TRAVEL.—

(A) IN GENERAL.—The Secretary of Homeland Security, in consultation with the Attorney General, shall—

(i) implement this paragraph by publication in the Federal Register; and

(ii) establish a national registered armed law enforcement program, that shall be federally managed, for law enforcement officers needing to be armed when traveling by commercial aircraft.

(B) PROGRAM REQUIREMENTS.—The program shall—

(i) establish a credential or a system that incorporates biometric technology and other applicable technologies;

(ii) establish a system for law enforcement officers who need to be armed when traveling by commercial aircraft on a regular basis and for those who need to be armed during temporary travel assignments;

(iii) comply with other uniform credentialing initiatives, including the Homeland Security Presidential Directive 12;

(iv) apply to all Federal, State, local, tribal, and territorial government law enforcement agencies; and

(v) establish a process by which the travel credential or system may be used to verify the identity, using biometric technology, of a Federal, State, local, tribal, or territorial law enforcement officer seeking to carry a weapon on board a commercial aircraft, without unnecessarily disclosing to the public that the individual is a law enforcement officer.

(C) PROCEDURES.—In establishing the program, the Secretary of Homeland Security shall develop procedures—

(i) to ensure that a law enforcement officer of a Federal, State, local, tribal, or territorial government flying armed has a specific reason for flying armed and the reason is within the scope of the duties of such officer;

(ii) to preserve the anonymity of the armed law enforcement officer;

(iii) to resolve failures to enroll, false matches, and false nonmatches relating to the use of the law enforcement travel credential or system;

(iv) to determine the method of issuance of the biometric credential to law enforcement officers needing to be armed when traveling by commercial aircraft;

(v) to invalidate any law enforcement travel credential or system that is lost, stolen, or no longer authorized for use;

(vi) to coordinate the program with the Federal Air Marshal Service, including the force multiplier program of the Service; and

(vii) to implement a phased approach to launching the program, addressing the immediate needs of the relevant Federal agent population before expanding to other law enforcement populations.

(7) DEFINITIONS.—In this subsection, the following definitions apply:

(A) BIOMETRIC IDENTIFIER INFORMATION.—The term "biometric identifier information" means the distinct physical or behavioral characteristics of an individual that are used for unique identification, or verification of the identity, of an individual.

(B) BIOMETRIC IDENTIFIER.—The term "biometric identifier" means a technology that enables the automated identification, or verification of the identity, of an individual based on biometric information.

(C) FAILURE TO ENROLL.—The term "failure to enroll" means the inability of an individual to enroll in a biometric identifier system due to an insufficiently distinctive biometric sample, the lack of a body part necessary to provide the biometric sample, a system design that makes it difficult to provide consistent biometric identifier information, or other factors.

(D) FALSE MATCH.—The term "false match" means the incorrect matching of one individual's biometric identifier information to another individual's biometric identifier information by a biometric identifier system.

(E) FALSE NON-MATCH.—The term "false non-match" means the rejection of a valid identity by a biometric identifier system.

(F) SECURE AREA OF AN AIRPORT.—The term "secure area of an airport" means the sterile area and the Secure Identification Display Area of an airport (as such terms are defined in section 1540.5 of title 49, Code of Federal Regulations, or any successor regulation to such section).

(i) AUTHORITY TO ARM FLIGHT DECK CREW WITH LESS-THAN-LETHAL WEAPONS.—

(1) IN GENERAL.—If the Administrator, after receiving the recommendations of the National Institute of Justice, determines, with the approval of the Attorney General and the Secretary of State, that it is appropriate and necessary and would effectively serve the public interest in avoiding air piracy, the Administrator may authorize members of the flight deck crew on any aircraft providing air transportation or intrastate air transportation to carry a less-than-lethal weapon while the aircraft is engaged in providing such transportation.

(2) USAGE.—If the Administrator grants authority under paragraph (1) for flight deck crew members to carry a less-than-lethal weapon while engaged in providing air transportation or intrastate air transportation, the Administrator shall—

(A) prescribe rules requiring that any such crew member be trained in the proper use of the weapon; and

(B) prescribe guidelines setting forth the circumstances under which such weapons may be used.

(3) REQUEST OF AIR CARRIERS TO USE LESS-THAN-LETHAL WEAPONS.—If the Administrator receives a request from an air carrier for authorization to allow pilots of the air carrier to carry less-than-lethal weapons, the Administrator shall respond to that request within 90 days.

(j) SHORT-TERM ASSESSMENT AND DEPLOYMENT OF EMERGING SECURITY TECHNOLOGIES AND PROCEDURES.—

(1) IN GENERAL.—The Administrator shall periodically recommend to airport operators commercially available measures or procedures to prevent access to secure airport areas by unauthorized persons.

(2) SECURE FLIGHT PROGRAM.—

(A) IN GENERAL.—The Administrator shall ensure that the Secure Flight program, or any successor program—

(i) is used to evaluate all passengers before they board an aircraft; and

(ii) includes procedures to ensure that individuals selected by the program and their carry-on and checked baggage are adequately screened.

(B) MODIFICATIONS.—The Administrator may modify any requirement under the Secure Flight program for flights that originate and terminate within the same State, if the Administrator determines that—

(i) the State has extraordinary air transportation needs or concerns due to its isolation and dependence on air transportation; and

(ii) the routine characteristics of passengers, given the nature of the market, regularly triggers primary selectee status.

(C) ADVANCED AIRLINE PASSENGER PRESCREENING.—

(i) COMMENCEMENT OF TESTING.—The Administrator shall commence testing of an advanced passenger prescreening system that will allow the Department of Homeland Security to assume the performance of comparing passenger information, as defined by the Administrator, to the automatic selectee and no fly lists, utilizing all appropriate records in the consolidated and integrated terrorist watchlist maintained by the Federal Government.

(ii) ASSUMPTION OF FUNCTION.—The Administrator, or the designee of the Administrator, shall begin to assume the performance of the passenger prescreening function of comparing passenger information to the automatic selectee and no fly lists and utilize all appropriate records in the consolidated and integrated terrorist watchlist maintained by the Federal Government in performing that function.

(iii) REQUIREMENTS.—In assuming performance of the function under clause (ii), the Administrator shall—

(I) establish a procedure to enable airline passengers, who are delayed or prohibited from boarding a flight because the advanced passenger prescreening system determined that they might pose a security threat, to appeal such determination and correct information contained in the system;

(II) ensure that Federal Government databases that will be used to establish the identity of a passenger under the system will not produce a large number of false positives;

(III) establish an internal oversight board to oversee and monitor the manner in which the system is being implemented;

(IV) establish sufficient operational safeguards to reduce the opportunities for abuse;

(V) implement substantial security measures to protect the system from unauthorized access;

(VI) adopt policies establishing effective oversight of the use and operation of the system; and

(VII) ensure that there are no specific privacy concerns with the technological architecture of the system.

(iv) PASSENGER INFORMATION.—After the completion of the testing of the advanced passenger prescreening system, the Administrator, by order or interim final rule—

(I) shall require air carriers to supply to the Administrator the passenger information

needed to begin implementing the advanced passenger prescreening system; and

(II) shall require entities that provide systems and services to air carriers in the operation of air carrier reservations systems to provide to air carriers passenger information in possession of such entities, but only to the extent necessary to comply with subclause (I).

(v) INCLUSION OF DETAINEES ON NO FLY LIST.—The Administrator, in coordination with the Terrorist Screening Center, shall include on the No Fly List any individual who was a detainee held at the Naval Station, Guantanamo Bay, Cuba, unless the President certifies in writing to Congress that the detainee poses no threat to the United States, its citizens, or its allies. For purposes of this clause, the term "detainee" means an individual in the custody or under the physical control of the United States as a result of armed conflict.

(D) SCREENING OF EMPLOYEES AGAINST WATCHLIST.—The Administrator, in coordination with the Secretary of Transportation and the Administrator of the Federal Aviation Administration, shall ensure that individuals are screened against all appropriate records in the consolidated and integrated terrorist watchlist maintained by the Federal Government before—

(i) being certificated by the Federal Aviation Administration;

(ii) being granted unescorted access to the secure area of an airport; or

(iii) being granted unescorted access to the air operations area (as defined in section 1540.5 of title 49, Code of Federal Regulations, or any successor regulation to such section) of an airport.

(E) AIRCRAFT CHARTER CUSTOMER AND LESSEE PRESCREENING.—

(i) IN GENERAL.—The Administrator Administrator [2] shall establish a process by which operators of aircraft to be used in charter air transportation with a maximum takeoff weight greater than 12,500 pounds and lessors of aircraft with a maximum takeoff weight greater than 12,500 pounds may—

(I) request the Department of Homeland Security to use the advanced passenger prescreening system to compare information about any individual seeking to charter an aircraft with a maximum takeoff weight greater than 12,500 pounds, any passenger proposed to be transported aboard such aircraft, and any individual seeking to lease an aircraft with a maximum takeoff weight greater than 12,500 pounds to the automatic selectee and no fly lists, utilizing all appropriate records in the consolidated and integrated terrorist watchlist maintained by the Federal Government; and

(II) refuse to charter or lease an aircraft with a maximum takeoff weight greater than 12,500 pounds to or transport aboard such aircraft any persons identified on such watch list.

(ii) REQUIREMENTS.—The requirements of subparagraph (C)(iii) shall apply to this subparagraph.

(iii) NO FLY AND AUTOMATIC SELECTEE LISTS.—The Secretary of Homeland Security, in consultation with the Terrorist Screening Center, shall design and review, as necessary, guidelines, policies, and operating procedures for the collection, removal, and updating of data maintained, or to be maintained, in the no fly and automatic selectee lists.

(F) APPLICABILITY.—Section 607 of the Vision 100—Century of Aviation Reauthorization Act (49 U.S.C. 44903 note; 117 Stat. 2568) shall not apply to the advanced passenger prescreening system established under subparagraph (C).

(G) APPEAL PROCEDURES.—

(i) IN GENERAL.—The Administrator shall establish a timely and fair process for individuals identified as a threat under one or more of subparagraphs (C), (D), and (E) to appeal to the Transportation Security Administration the determination and correct any

erroneous information.

(ii) RECORDS.—The process shall include the establishment of a method by which the Administrator will be able to maintain a record of air passengers and other individuals who have been misidentified and have corrected erroneous information. To prevent repeated delays of misidentified passengers and other individuals, the Transportation Security Administration record shall contain information determined by the Administrator to authenticate the identity of such a passenger or individual.

(H) DEFINITION.—In this paragraph, the term "secure area of an airport" means the sterile area and the Secure Identification Display Area of an airport (as such terms are defined in section 1540.5 of title 49, Code of Federal Regulations, or any successor regulation to such section).

(k) LIMITATION ON LIABILITY FOR ACTS TO THWART CRIMINAL VIOLENCE OR AIRCRAFT PIRACY.—An individual shall not be liable for damages in any action brought in a Federal or State court arising out of the acts of the individual in attempting to thwart an act of criminal violence or piracy on an aircraft if that individual reasonably believed that such an act of criminal violence or piracy was occurring or was about to occur.

(l) AIR CHARTER PROGRAM.—

(1) IN GENERAL.—The Administrator shall implement an aviation security program for charter air carriers (as defined in section 40102(a)) with a maximum certificated takeoff weight of more than 12,500 pounds.

(2) EXEMPTION FOR ARMED FORCES CHARTERS.—

(A) IN GENERAL.—Paragraph (1) and the other requirements of this chapter do not apply to passengers and property carried by aircraft when employed to provide charter transportation to members of the armed forces.

(B) SECURITY PROCEDURES.—The Secretary of Defense, in consultation with the Secretary of Homeland Security and the Secretary of Transportation, shall establish security procedures relating to the operation of aircraft when employed to provide charter transportation to members of the armed forces to or from an airport described in section 44903(c).

(C) ARMED FORCES DEFINED.—In this paragraph, the term "armed forces" has the meaning given that term by section 101(a)(4) of title 10.

(m) SECURITY SCREENING FOR MEMBERS OF THE ARMED FORCES.—

(1) IN GENERAL.—The Administrator, in consultation with the Department of Defense, shall develop and implement a plan to provide expedited security screening services for a member of the armed forces, and, to the extent possible, any accompanying family member, if the member of the armed forces, while in uniform, presents documentation indicating official orders for air transportation departing from a primary airport (as defined in section 47102).

(2) PROTOCOLS.—In developing the plan, the Administrator shall consider—

(A) leveraging existing security screening models used to reduce passenger wait times;

(B) establishing standard guidelines for the screening of military uniform items, including combat boots; and

(C) incorporating any new screening protocols into an existing trusted passenger program, as established pursuant to section 109(a)(3) of the Aviation and Transportation Security Act (49 U.S.C. 114 note), or into the development of any new credential or system that incorporates biometric technology and other applicable technologies to verify the identity of individuals traveling in air transportation.

(3) RULE OF CONSTRUCTION.—Nothing in this subsection shall affect the authority of the Administrator to require additional screening of a member of the armed forces if intelligence or law enforcement information indicates that additional screening is necessary.

(4) REPORT TO CONGRESS.—The Administrator shall submit to the appropriate committees

of Congress a report on the implementation of the plan.

(n) PASSENGER EXIT POINTS FROM STERILE AREA.—

(1) IN GENERAL.—The Secretary of Homeland Security shall ensure that the Transportation Security Administration is responsible for monitoring passenger exit points from the sterile area of airports at which the Transportation Security Administration provided such monitoring as of December 1, 2013.

(2) STERILE AREA DEFINED.—In this section, the term "sterile area" has the meaning given that term in section 1540.5 of title 49, Code of Federal Regulations (or any corresponding similar regulation or ruling).

In this section, the word "passengers" is substituted for "persons" for consistency in the revised title.

In subsection (a)(2), the words "the degree of" are substituted for "such" for clarity.

In subsection (b), before clause (1), the word "rules" is omitted as being synonymous with "regulations". The words "such reasonable . . . requiring such practices, methods, and procedures, or governing the design, materials, and construction of aircraft, as he may deem necessary" are omitted as surplus. The word "air" after "intrastate" is added for clarity and consistency. The words "and amending" are omitted as surplus. In clause (1), the words "the heads of other departments, agencies, and instrumentalities of the United States Government, and State and local authorities" are substituted for "such other Federal, State, and local agencies" for consistency in the revised title and with other titles of the United States Code. The words "as he may deem appropriate" are omitted as surplus. In clause (2)(A), the words "in air transportation or intrastate air transportation against acts of criminal violence and aircraft piracy" are omitted as surplus. In clause (3), before subclause (A), the words "inspection" and "in air transportation and intrastate air transportation" are omitted as surplus. In subclause (B), the words "that they will receive" and "any air transportation security program established under" are omitted as surplus. In clause (4), the words "contribute to . . . the purposes of" are omitted as surplus.

In subsection (c)(1), the words "traveling in air transportation or intrastate air transportation from acts of criminal violence and aircraft piracy" and "whose services are made available by their employers" are omitted

as surplus. The words "department, agency, or instrumentality of the Government" are substituted for "Federal department or agency" for consistency in the revised title and with other titles of the Code. The word "When" is substituted for "In any case in which" to eliminate unnecessary words. The words "receipt of", "by order", "the services of", "directly", and "at the airport concerned in such numbers and for such period of time as the Administrator may deem necessary" are omitted as surplus. The words "When deciding whether additional personnel are needed" are substituted for "In making the determination referred to in the preceding sentence" for clarity.

In subsection (c)(2)(A), before clause (i), the words "under this section" are omitted as surplus. The words "or an amendment in an existing program" are substituted for "and may approve an amendment to a security program of an airport operator approved by the Administrator under subsection (b)" to eliminate unnecessary words. In clause (ii), the word "monetary" is substituted for "financial" for consistency.

In subsection (e), the words "Notwithstanding any other provisions of law", "the commission of", "considered", and "the moment when" before "such door" are omitted as surplus. The words "to allow passengers to leave" are substituted for "disembarkation", and the words "the aircraft" are added, for clarity. The words "departments, agencies, and instrumentalities of the Government" are substituted for "Federal departments and agencies" for consistency in the revised title and with other titles of the Code. The words "as may be . . . the purposes of" are omitted as surplus.

FORMAL POLICY ON SEXUAL ASSAULT AND HARASSMENT ON AIR CARRIERS

Pub. L. 118–63, title IV, §435, May 16, 2024, 138 Stat. 1174, provided that:

"(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [May 16, 2024], passenger air carriers operating under part 121 of title 14, Code of Federal Regulations, shall issue, in consultation with labor unions representing personnel, a formal policy with respect to sexual assault or harassment incidents.

"(b) CONTENTS.—Each policy required under subsection (a) shall include—

"(1) a statement indicating that no sexual assault or harassment incident is acceptable under any circumstance;

"(2) procedures that facilitate the reporting of a sexual assault or harassment incident, including—

"(A) appropriate public outreach activities; and

"(B) confidential phone and internet-based opportunities for reporting;

"(3) procedures that personnel should follow upon the reporting of a sexual assault or harassment incident, including actions to protect affected individuals from continued sexual assault or harassment and to notify law enforcement, including the Federal Bureau of Investigation, when appropriate;

"(4) procedures that may limit or prohibit, to the extent practicable, future travel with the air carrier by any passenger who commits a sexual assault or harassment incident; and

"(5) training that is required for all appropriate personnel with respect to each such policy, including specific training for personnel who may receive reports of sexual assault or harassment incidents.

"(c) PASSENGER INFORMATION.—An air carrier described in subsection (a) shall display, on the website of the air carrier and through the use of appropriate signage, a written statement that informs passengers and personnel of the procedure for reporting a sexual assault or harassment incident.

"(d) STANDARD OF CARE.—Compliance with the requirements of this section, and any policy issued thereunder, shall not determine whether the air carrier described in subsection (a) has acted with any requisite standard of care.

"(e) RULES OF CONSTRUCTION.—

"(1) EFFECT ON AUTHORITIES.—Nothing in this section shall be construed as granting the Secretary [of Transportation] any additional authorities beyond ensuring that a passenger air carrier operating under part 121 of title 14, Code of Federal Regulations issues a formal policy and displays required information in compliance with this section.

"(2) EFFECT ON OTHER LAWS.—Nothing in this section shall be construed to alter existing authorities of the Equal Employment Opportunity Commission, the Department of Labor, or the Department of Justice to enforce applicable employment and sexual assault and sexual harassment laws.

"(f) DEFINITIONS.—In this section:

"(1) PERSONNEL.—The term 'personnel' means an employee or contractor of passenger air carrier operating under part 121 of title 14, Code of Federal Regulations.

"(2) SEXUAL ASSAULT.—The term 'sexual assault' means the occurrence of an act that constitutes any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

"(3) SEXUAL ASSAULT OR HARASSMENT INCIDENT.—The term 'sexual assault or harassment incident' means the occurrence, or reasonably suspected occurrence, of an act that—

"(A) constitutes sexual assault or sexual harassment; and

"(B) is committed—

"(i) by a passenger or personnel against another passenger or personnel; and

"(ii) within an aircraft or in an area in which passengers are entering or exiting an aircraft."

SECONDARY COCKPIT BARRIERS

Pub. L. 118–63, title III, §350, May 16, 2024, 138 Stat. 1110, provided that:

"(a) IN GENERAL.—Not later than 6 months after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall convene an aviation rulemaking committee to review and develop findings and recommendations to require installation of a secondary cockpit barrier on commercial passenger aircraft operated under the provisions of part 121 of title 14, Code of Federal Regulations, that are not captured under another regulation or proposed regulation.

"(b) MEMBERSHIP.—The Administrator shall appoint a chair and members of the rulemaking committee convened under subsection (a), which shall be comprised of at least 1 representative from the constituencies of—

"(1) mainline air carriers;

"(2) regional air carriers;
"(3) aircraft manufacturers;
"(4) passenger aircraft pilots represented by a labor group;
"(5) flight attendants represented by a labor group;
"(6) airline passengers; and
"(7) other stakeholders the Administrator determines appropriate.

"(c) CONSIDERATIONS.—The aviation rulemaking committee convened under subsection (a) shall consider—

"(1) minimum dimension requirements for secondary barriers on all aircraft types operated under part 121 of title 14, Code of Federal Regulations;
"(2) secondary barrier performance standards manufacturers and air carriers must meet for such aircraft types;
"(3) the availability of certified secondary barriers suitable for use on such aircraft types;
"(4) the development, certification, testing, manufacturing, installation, and training for secondary barriers for such aircraft types;
"(5) flight duration and stage length;
"(6) the location of lavatories on such aircraft as related to operational complexities;
"(7) operational complexities;
"(8) any risks to safely evacuate passengers of such aircraft; and
"(9) other considerations the Administrator determines appropriate.

"(d) REPORT TO CONGRESS.—Not later than 12 months after the convening of the aviation rulemaking committee described in subsection (a), the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report based on the findings and recommendations of the aviation rulemaking committee convened under subsection (a), including—

"(1) if applicable, any dissenting positions on the findings and the rationale for each position; and
"(2) any disagreements with the recommendations, including the rationale for each disagreement and the reasons for the disagreement.

"(e) INSTALLATION OF SECONDARY COCKPIT BARRIERS OF EXISTING AIRCRAFT.—Not later than 36 months after the date of the submission of the report under subsection (d), the Administrator shall, taking into consideration the final reported findings and recommendations of the aviation rulemaking committee, issue a final rule requiring installation of a secondary cockpit barrier on each commercial passenger aircraft operated under the provisions of part 121 of title 14, Code of Federal Regulations."

Pub. L. 115–254, div. B, title III, §336, Oct. 5, 2018, 132 Stat. 3281, provided that:

"(a) SHORT TITLE.—This section may be cited as the 'Saracini Aviation Safety Act of 2018'.

"(b) REQUIREMENT.—Not later than 1 year after the date of the enactment of this Act [Oct. 5, 2018], the Administrator of the Federal Aviation Administration shall issue an order requiring installation of a secondary cockpit barrier on each new aircraft that is manufactured for delivery to a passenger air carrier in the United States operating under the provisions of part 121 of title 14, Code of Federal Regulations."

SEXUAL MISCONDUCT ONBOARD AIRCRAFT

Pub. L. 115–254, div. B, title III, §§339A, 339B, Oct. 5, 2018, 132 Stat. 3282, 3283, provided that:

"SEC. 339A. NATIONAL IN-FLIGHT SEXUAL MISCONDUCT TASK FORCE.

"(a) ESTABLISHMENT OF TASK FORCE.—The Secretary of Transportation shall establish a task force, to be known as the 'National In-Flight Sexual Misconduct Task Force' (referred to in this section as 'Task Force') to—

"(1) review current practices, protocols and requirements of air carriers in responding to allegations of sexual misconduct by passengers onboard aircraft, including training, reporting and data collection; and
"(2) provide recommendations on training, reporting and data collection regarding allegations of sexual misconduct occurring on passenger airline flights that are informed by the review of information described in paragraph (1) and subsection (c)(5) on passengers who have experienced sexual misconduct onboard aircraft.

"(b) MEMBERSHIP.—The Task Force shall be composed of, at a minimum, representatives from—

"(1) [the] Department of Transportation;
"(2) [the] Department of Justice, including the Federal Bureau of Investigation, Office of Victims for Crimes [sic], and the Office on Violence Against Women;
"(3) National organizations that specialize in providing services to sexual assault victims;
"(4) labor organizations that represent flight attendants;

"(5) labor organizations that represent pilots;

"(6) airports;

"(7) air carriers;

"(8) State and local law enforcement agencies; and

"(9) such other Federal agencies and stakeholder organizations as the Secretary of Transportation considers appropriate.

"(c) PURPOSE OF TASK FORCE.—The purpose of the Task Force shall be to—

"(1) issue recommendations for addressing allegations of sexual misconduct by passengers onboard aircraft, including airline employee and contractor training;

"(2) issue recommendations on effective ways for passengers involved in incidents of alleged sexual misconduct to report such allegation of sexual misconduct;

"(3) issue recommendations on how to most effectively provide data on instances of alleged sexual misconduct onboard aircraft and to whom the data collected should be reported in a manner that protects the privacy and confidentiality of individuals involved in incidents of alleged sexual misconduct and precludes the release of data that publically identifies an individual air carrier to enable better understanding of the frequency and severity of such misconduct;

"(4) issue recommendations for flight attendants, pilots, and other appropriate airline personnel on law enforcement notification in incidents of alleged sexual misconduct;

"(5) review and utilize first-hand accounts from passengers who have experienced sexual misconduct onboard aircraft; and

"(6) other matters deemed necessary by the Task Force.

"(d) REPORT.—Not later than 1 year after the date of enactment of this Act [Oct. 5, 2018], the Task Force shall submit a report with its recommendations and findings developed pursuant to subsection (c) to the Secretary of Transportation.

"(e) PLAN.—Not later than 180 days after receiving the report required under subsection (d)[,] the Secretary of Transportation, in coordination with relevant federal agencies, shall submit to [the] appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a plan to address the recommendations in the report required under subsection (d). The Secretary of Transportation shall make changes to guidance, policies and regulations, as necessary, within 1 year of submitting the plan required in this subsection.

"(f) REGULATIONS.—Not later than 1 year after submitting the plan required in this subsection [probably means "subsection (e)"], the Secretary of Transportation may issue regulations as deemed necessary to require each air carrier and other covered entity to develop a policy concerning sexual misconduct in accordance with the recommendations and findings of the Task Force under subsection (c).

"(g) SUNSET.—The Task Force established pursuant to subsection (a) shall terminate upon the submission of the report pursuant to subsection (d).

"SEC. 339B. REPORTING PROCESS FOR SEXUAL MISCONDUCT ONBOARD AIRCRAFT.

"(a) IN GENERAL.—Not later than two years after the date of the enactment of this Act [Oct. 5, 2018], the Attorney General, in coordination with relevant Federal agencies, shall establish a streamlined process, based on the plan required under section 339A(e) of this Act, for individuals involved in incidents of alleged sexual misconduct onboard aircraft to report such allegations of sexual misconduct to law enforcement in a manner that protects the privacy and confidentiality of individuals involved in such allegations.

"(b) AVAILABILITY OF REPORTING PROCESS.—The process for reporting established under subsection (a) shall be made available to the public on the primary Internet websites of—

"(1) the Office for Victims of Crime and the Office on Violence Against Women of the Department of Justice;

"(2) the Federal Bureau of Investigation; and

"(3) the Department of Transportation."

EMPLOYEE ASSAULT PREVENTION AND RESPONSE PLANS

Pub. L. 115–254, div. B, title V, §551, Oct. 5, 2018, 132 Stat. 3378, as amended by Pub. L. 118–63, title IV, §434(b), May 16, 2024, 138 Stat. 1174, provided that:

"(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act [Oct. 5, 2018], each air carrier operating under part 121 of title 14, Code of Federal Regulations (in this section referred to as a 'part 121 air carrier'), shall submit to the Administrator [of the Federal Aviation Administration] for review and acceptance an Employee Assault Prevention and Response Plan related to the customer service agents of the air carrier and that is developed in consultation with the labor union representing such agents.

"(b) CONTENTS OF PLAN.—An Employee Assault Prevention and Response Plan submitted under

subsection (a) shall include the following:

"(1) Reporting protocols for air carrier customer service agents who have been the victim of a verbal or physical assault.

"(2) Protocols for the immediate notification of law enforcement after an incident of verbal or physical assault committed against an air carrier customer service agent.

"(3) Protocols for informing Federal law enforcement with respect to violations of section 46503 of title 49, United States Code.

"(4) Protocols for ensuring that a passenger involved in a violent incident with a customer service agent of an air carrier is not allowed to move through airport security or board an aircraft until appropriate law enforcement has had an opportunity to assess the incident and take appropriate action.

"(5) Protocols for air carriers to inform passengers of Federal laws protecting Federal, airport, and air carrier employees who have security duties within an airport.

"(c) EMPLOYEE TRAINING.—A part 121 air carrier shall conduct initial and recurrent training for all employees, including management, of the air carrier with respect to the plan required under subsection (a), which shall include training on de-escalating hostile situations, written protocols on dealing with hostile situations, and the reporting of relevant incidents.

"(d) STUDY.—Not later than 180 days after the date of enactment of this Act, the Comptroller General of the United States shall—

"(1) complete a study of crimes of violence (as defined in section 16 of title 18, United States Code) committed against airline customer service representatives while they are performing their duties and on airport property; and

"(2) submit the findings of the study, including any recommendations, to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives].

"(e) GAP ANALYSIS.—The study required under subsection (d) shall include a gap analysis to determine if State and local laws and resources are adequate to deter or otherwise address the crimes of violence described in subsection (a) and recommendations on how to address any identified gaps.

"(f) BRIEFING TO CONGRESS.—Not later than 90 days after the date of enactment of this subsection [May 16, 2024], the Administrator of the Federal Aviation Administration shall provide to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a briefing on the Employee Assault Prevention and Response Plan submitted by each air carrier pursuant to this section."

TRANSPORTATION SECURITY LABORATORY

Pub. L. 115–254, div. K, title I, §1915, Oct. 5, 2018, 132 Stat. 3555, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Oct. 5, 2018], the Secretary [of Homeland Security], in consultation with the Administrator [of the Transporation Security Administration] and the Undersecretary for Science and Technology—

"(1) shall conduct a review to determine whether the TSA [Transportation Security Administration] is the most appropriate component within the Department [of Homeland Security] to administer the Transportation Security Laboratory; and

"(2) may direct the TSA to administer the Transportation Security Laboratory if the review under paragraph (1) identifies the TSA as the most appropriate component.

"(b) PERIODIC REVIEWS.—The Secretary shall periodically review the screening technology test and evaluation process conducted at the Transportation Security Laboratory to improve the coordination, collaboration, and communication between the Transportation Security Laboratory and the TSA to identify factors contributing to acquisition inefficiencies, develop strategies to reduce acquisition inefficiencies, facilitate more expeditious initiation and completion of testing, and identify how laboratory practices can better support acquisition decisions.

"(c) REPORTS.—The Secretary shall report the findings of each review under this section to the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives]."

PILOT PROGRAM FOR AUTOMATED EXIT LANE TECHNOLOGY

Pub. L. 115–254, div. K, title I, §1920, Oct. 5, 2018, 132 Stat. 3560, provided that:

"(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration] shall establish a pilot program to implement and evaluate the use of automated exit lane technology at small hub airports and nonhub airports (as those

terms are defined in section 40102 of title 49, United States Code).

"(b) PARTNERSHIP.—The Administrator shall carry out the pilot program in partnership with the applicable airport directors.

"(c) COST SHARE.—The Federal share of the cost of the pilot program under this section shall not exceed 85 percent of the total cost of the program.

"(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out the pilot program under this section $15,000,000 for each of fiscal years 2019 through 2021.

"(e) GAO REPORT.—Not later than 2 years after the date the pilot program is implemented, the Comptroller General of the United States shall submit to the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] a report on the pilot program, including—

"(1) the extent of airport participation in the pilot program and how the program was implemented;

"(2) the results of the pilot program and any reported benefits, including the impact on security and any cost-related efficiencies realized by TSA [Transportation Security Administration] or at the participating airports; and

"(3) the feasibility of expanding the pilot program to additional airports, including to medium and large hub airports."

SECURING AIRPORT WORKER ACCESS POINTS

Pub. L. 115–254, div. K, title I, §1934, Oct. 5, 2018, 132 Stat. 3572, provided that:

"(a) COOPERATIVE EFFORTS TO ENHANCE AIRPORT SECURITY AWARENESS.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator shall consult with air carriers, foreign air carriers, airport operators, and labor unions representing credentialed employees to enhance security awareness of credentialed airport populations regarding insider threats to aviation security and best practices related to airport access controls.

"(b) CREDENTIALING STANDARDS.—Not later than 180 days after the date of enactment of this Act, the Administrator, in consultation with air carriers, foreign air carriers, airport operators, and labor unions representing credentialed employees, shall assess credentialing standards, policies, and practices, including implementation of relevant credentialing updates required under the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615) [see Tables for classification], to ensure that insider threats to aviation security are adequately addressed.

"(c) SIDA APPLICATIONS.—

"(1) SOCIAL SECURITY NUMBERS REQUIRED.—

"(A) IN GENERAL.—Not later than 60 days after the date of enactment of this Act, the Administrator shall revise the application submitted by an individual applying for a credential granting access to the Secure Identification Area of an airport to require the social security number of such individual in order to strengthen security vetting effectiveness.

"(B) FAILURE TO PROVIDE NUMBER.—An applicant who does not provide such applicant's social security number may be denied such a credential.

"(2) SCREENING NOTICE.—The Administrator shall issue requirements for an airport operator to include in each application for access to a Security Identification Display Area notification to the applicant that an employee holding a credential granting access to a Security Identification Display Area may be screened at any time while gaining access to, working in, or leaving a Security Identification Display Area.

"(d) SECURED AND STERILE AREAS OF AIRPORTS.—The Administrator shall consult with airport operators and airline operators to identify advanced technologies, including biometric identification technologies, that could be used for securing employee access to the secured areas and sterile areas of airports.

"(e) RAP BACK VETTING .—Not later than 180 days after the date of enactment of this Act, the Administrator shall identify and submit to the appropriate committees of Congress the number of credentialed aviation worker populations at airports that are continuously vetted through the Federal Bureau of Investigation's Rap Back Service, consistent with section 3405(b)(2) of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 44901 note).

"(f) INSIDER THREAT EDUCATION AND MITIGATION.—Not later than 180 days after the date of enactment of this Act, the Administrator shall identify means of enhancing the TSA's ability to leverage the resources of the Department and the intelligence community (as defined in section 3 of the National Security Act of 1947 (50 U.S.C. 3003)) to educate Administration personnel on insider threats to aviation security and how the TSA can better mitigate such insider threats.

"(g) EMPLOYEE INSPECTIONS.—Consistent with the FAA Extension, Safety, and Security Act of 2016

(Public Law 114–190; 130 Stat. 615), the Administrator shall ensure that TSA-led, random employee physical inspection efforts of aviation workers are targeted, strategic, and focused on providing the greatest level of security effectiveness.

"(h) COVERT TESTING.—

"(1) IN GENERAL.—Consistent with the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615), the Administrator shall continue to conduct covert testing of TSA-led employee inspection operations at airports and measure existing levels of security effectiveness.

"(2) REQUIREMENTS.—The Administrator shall provide—

"(A) the results of such testing to—

"(i) the airport operator for the airport that is the subject of any such testing; and

"(ii) as appropriate, to air carriers and foreign air carriers that operate at the airport that is the subject of such testing; and

"(B) recommendations and technical assistance for air carriers, foreign air carriers, and airport operators to conduct their own employee inspections, as needed.

"(3) ANNUAL REPORTING.—The Administrator shall for each of fiscal years 2019 through 2021, submit to the appropriate committees of Congress a report on the frequency, methodology, strategy, and effectiveness of employee inspection operations at airports.

"(i) CENTRALIZED DATABASE.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator, in consultation with ASAC, shall—

"(A) subject to paragraph (2), establish a national, centralized database of the names of each individual who—

"(i) has had an airport-issued badge revoked for failure to comply with aviation security requirements; or

"(ii) has had an aircraft operator-issued badge revoked for failure to comply with aviation security requirements;

"(B) determine the appropriate reporting mechanisms for air carriers, foreign air carriers, and airport operators—

"(i) to submit to the Administration data regarding an individual described in subparagraph (A); and

"(ii) to access the database; and

"(C) establish a process to allow an individual whose name is mistakenly entered into the database to correct the record and have the individual's name expunged from the database.

"(2) LIMITATION.—The database shall not include the name of any individual whose badge has been revoked as a result of a termination or cessation of employment unrelated to—

"(A) a violation of a security requirement; or

"(B) a determination that the individual poses a threat to aviation security."

[For definitions of terms used in section 1934 of Pub. L. 115–254, set out above, see section 1902 of Pub. L. 115–254, set out as a Definitions of Terms in Title I of Div. K of Pub. L. 115–254 note under section 101 of this title.]

LAW ENFORCEMENT OFFICER REIMBURSEMENT PROGRAM

Pub. L. 115–254, div. K, title I, §1935, Oct. 5, 2018, 132 Stat. 3574, provided that:

"(a) IN GENERAL.—In accordance with section 44903(c)(1) of title 49, United States Code, the Administrator [of the Transportation Security Administration] shall increase the number of awards, and the total funding amount of each award, under the Law Enforcement Officer Reimbursement Program—

"(1) to increase the presence of law enforcement officers in the public areas of airports, including baggage claim, ticket counters, and nearby roads;

"(2) to increase the presence of law enforcement officers at screening checkpoints;

"(3) to reduce the response times of law enforcement officers during security incidents; and

"(4) to provide visible deterrents to potential terrorists.

"(b) COOPERATION BY ADMINISTRATOR.—In carrying out subsection (a), the Administrator shall use the authority provided to the Administrator under section 114(m) of title 49, United States Code, that is the same authority as is provided to the Administrator of the Federal Aviation Administration under section 106(m) of that title.

"(c) ADMINISTRATIVE BURDENS.—The Administrator shall review the regulations and compliance policies related to the Law Enforcement Officer Reimbursement Program and, if necessary, revise such regulations and policies to reduce any administrative burdens on applicants or recipients of such awards.

"(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out section 44901(h) of title 49, United States Code, $55,000,000 for each of fiscal years 2019 through 2021."

AIRPORT PERIMETER AND ACCESS CONTROL SECURITY

Pub. L. 115–254, div. K, title I, §1936, Oct. 5, 2018, 132 Stat. 3575, provided that:

"(a) RISK ASSESSMENTS OF AIRPORT SECURITY.—

"(1) IN GENERAL.—The Administrator [of the Transportation Security Administration] shall—

"(A) not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], update the Transportation Sector Security Risk Assessment (referred to in this section as the 'TSSRA'); and

"(B) not later than 90 days after the date the TSSRA is updated under subparagraph (A)—

"(i) update with the most currently available intelligence information the Comprehensive Risk Assessment of Perimeter and Access Control Security (referred to in this section as the 'Risk Assessment of Airport Security');

"(ii) establish a regular schedule for periodic updates to the Risk Assessment of Airport Security; and

"(iii) conduct a system-wide assessment of airport access control points and airport perimeter security.

"(2) CONTENTS.—The security risk assessments required under paragraph (1)(B) shall—

"(A) include updates reflected in the TSSRA and Joint Vulnerability Assessment findings;

"(B) reflect changes to the risk environment relating to airport access control points and airport perimeters;

"(C) use security event data for specific analysis of system-wide trends related to airport access control points and airport perimeter security to better inform risk management decisions; and

"(D) consider the unique geography of and current best practices used by airports to mitigate potential vulnerabilities.

"(3) REPORT.—The Administrator shall report the results of the TSSRA and Risk Assessment of Airport Security under paragraph (1) to—

"(A) the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives];

"(B) relevant Federal departments and agencies; and

"(C) airport operators.

"(b) AIRPORT SECURITY STRATEGY DEVELOPMENT.—

"(1) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Administrator shall update the 2012 National Strategy for Airport Perimeter and Access Control Security (referred to in this section as the 'National Strategy').

"(2) CONTENTS.—The update to the National Strategy shall include—

"(A) information from the Risk Assessment of Airport Security; and

"(B) information on—

"(i) airport security-related activities;

"(ii) the status of TSA [Transportation Security Administration] efforts to address the objectives of the National Strategy;

"(iii) finalized outcome-based performance measures and performance levels for—

"(I) each activity described in clause (i); and

"(II) each objective described in clause (ii); and

"(iv) input from airport operators.

"(3) UPDATES.—Not later than 90 days after the date the update to the National Strategy is complete, the Administrator shall establish a regular schedule for determining if and when additional updates to the strategy under paragraph (1) are necessary."

TRAVELER REDRESS IMPROVEMENT

Pub. L. 115–254, div. K, title I, §1949, Oct. 5, 2018, 132 Stat. 3588, provided that:

"(a) REDRESS PROCESS.—

"(1) IN GENERAL.—Not later than 30 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration], using existing resources, systems, and processes, shall ensure the availability of the Department of Homeland Security Traveler Redress Inquiry Program (referred to in this section as 'DHS TRIP') redress process to adjudicate an inquiry for an individual who—

"(A) is a citizen of the United States or alien lawfully admitted for permanent residence;

"(B) has filed the inquiry with DHS TRIP after receiving enhanced screening at an airport passenger security checkpoint more than 3 times in any 60-day period; and

"(C) believes the individual has been wrongly identified as being a threat to aviation security.

"(2) BRIEFING.—Not later than 180 days after the date of enactment of this Act, the Administrator shall brief the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] on the implementation of the redress process required under paragraph (1).

"(b) PRIVACY IMPACT REVIEW AND UPDATE.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall review and update the Privacy Impact Assessment for the Secure Flight programs to ensure the assessment accurately reflects the operation of such programs.

"(2) PUBLIC DISSEMINATION; FORM.—The Administrator shall—

"(A) publish the Secure Flight Privacy Impact Assessment review and update required under paragraph (1) on a publicly-accessible internet webpage of the TSA [Transportation Security Administration]; and

"(B) submit the Secure Flight Privacy Impact Assessment review and update to the appropriate committees of Congress.

"(c) RULE REVIEW AND NOTIFICATION PROCESS.—

"(1) RULE REVIEW.—Not later than 60 days after the date of enactment of this Act, and every 120 days thereafter, the Assistant Administrator of the Office of Intelligence and Analysis of the TSA, in coordination with the entities specified in paragraph (3), shall identify and review the screening rules established by the Office of Intelligence and Analysis of [the] TSA.

"(2) NOTIFICATION PROCESS.—Not later than 2 days after the date that any change to a rule identified under paragraph (1) is made, the Assistant Administrator of the Office of Intelligence and Analysis of the TSA shall notify the entities specified in paragraph (3) of the change.

"(3) ENTITIES SPECIFIED.—The entities specified in this paragraph are as follows:

"(A) The Office of Civil Rights and Liberties, Ombudsman, and Traveler Engagement of the TSA.

"(B) The Office of Civil Rights and Liberties of the Department [of Homeland Security].

"(C) The Office of Chief Counsel of the TSA.

"(D) The Office of General Counsel of the Department.

"(E) The Privacy Office of the Administration.

"(F) The Privacy Office of the Department.

"(G) The Federal Air Marshal Service.

"(H) The Traveler Redress Inquiry Program of the Department.

"(d) FEDERAL AIR MARSHAL SERVICE COORDINATION.—

"(1) IN GENERAL.—The Administrator shall ensure that the rules identified in subsection (c) are taken into account for Federal Air Marshal mission scheduling.

"(2) REPORT.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator shall submit to the appropriate committees of Congress a report on whether, and if so how, the rules identified in subsection (c) are incorporated in the risk analysis conducted during the Federal Air Marshal mission scheduling process.

"(e) GAO REPORT.—Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall—

"(1) study the rules identified under subsection (c)(1), including—

"(A) whether the rules are effective in mitigating potential threats to aviation security; and

"(B) whether, and if so how, the TSA coordinates with the Department regarding any proposed change to a rule; and

"(2) submit to the appropriate committees of Congress a report on the findings under paragraph (1), including any recommendations."

GENERAL AVIATION AIRPORTS

Pub. L. 115–254, div. K, title I, §1952, Oct. 5, 2018, 132 Stat. 3592, provided that:

"(a) SHORT TITLE.—This section may be cited as the 'Securing General Aviation and Charter Air Carrier Service Act'.

"(b) ADVANCED PASSENGER PRESCREENING SYSTEM.—Not later than 120 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator shall submit to the appropriate committees of Congress a report on the status of the deployment of the advanced passenger prescreening system, and access

thereto for certain aircraft charter operators, as required by section 44903(j)(2)(E) of title 49, United States Code, including—

"(1) the reasons for the delay in deploying the system; and

"(2) a detailed schedule of actions necessary for the deployment of the system.

"(c) SCREENING SERVICES OTHER THAN IN PRIMARY PASSENGER TERMINALS.—

"(1) IN GENERAL.—Subject to the provisions of this subsection, the Administrator may provide screening services to a charter air carrier in an area other than the primary passenger terminal of an applicable airport.

"(2) REQUESTS.—A request for screening services under paragraph (1) shall be made at such time, in such form, and in such manner as the Administrator may require, except that the request shall be made to the Federal Security Director for the applicable airport at which the screening services are requested.

"(3) AVAILABILITY.—A Federal Security Director may provide requested screening services under this section if the Federal Security Director determines such screening services are available.

"(4) AGREEMENTS.—

"(A) LIMITATION.—No screening services may be provided under this section unless a charter air carrier agrees in writing to compensate the TSA for all reasonable costs, including overtime, of providing the screening services.

"(B) PAYMENTS.—Notwithstanding section 3302 of title 31, United States Code, payment received under subparagraph (A) shall be credited to the account that was used to cover the cost of providing the screening services. Amounts so credited shall be merged with amounts in that account, and shall be available for the same purposes, and subject to the same conditions and limitations, as other amounts in that account.

"(5) DEFINITIONS.—In this subsection:

"(A) APPLICABLE AIRPORT.—The term 'applicable airport' means an airport that—

"(i) is not a commercial service airport; and

"(ii) is receiving screening services for scheduled passenger aircraft.

"(B) CHARTER AIR CARRIER.—The term 'charter air carrier' has the meaning given the term in section 40102 of title 49, United States Code.

"(C) SCREENING SERVICES.—The term 'screening services' means the screening of passengers and property similar to the screening of passengers and property described in section 44901 of title 49, United States Code.

"(d) REPORT.—Not later than 120 days after the date of enactment of this Act, the Administrator, in consultation with the ASAC, shall, consistent with the requirements of paragraphs (6) and (7) of section 44946(b) of title 49, United States Code, submit to the appropriate Committees of Congress an implementation plan, including an implementation schedule, for any of the following recommendations that were adopted by the ASAC and with which the Administrator has concurred before the date of the enactment of this Act:

"(1) The recommendation regarding general aviation access to Ronald Reagan Washington National Airport, as adopted on February 17, 2015.

"(2) The recommendation regarding the vetting of persons seeking flight training in the United States, as adopted on July 28, 2016.

"(3) Any other such recommendations relevant to the security of general aviation adopted before the date of the enactment of this Act.

"(e) DESIGNATED STAFFING.—The Administrator may designate 1 or more full-time employees of the TSA to liaise with, and respond to issues raised by, general aviation stakeholders.

"(f) SECURITY ENHANCEMENTS.—Not later than 1 year after the date of enactment of this Act, the Administrator, in consultation with the ASAC, shall submit to the appropriate committees of Congress a report on the feasibility of requiring a security threat assessment before an individual could obtain training from a private flight school to operate an aircraft having a maximum certificated takeoff weight of more than 12,500 pounds."

[For definitions of terms used in section 1952 of Pub. L. 115–254, set out above, see section 1902 of Pub. L. 115–254, set out as a Definitions of Terms in Title I of Div. K of Pub. L. 115–254 note under section 101 of this title.]

FLIGHT DECK SAFETY AND SECURITY

Pub. L. 115–254, div. K, title I, §1961, Oct. 5, 2018, 132 Stat. 3600, provided that:

"(a) THREAT ASSESSMENT.—Not later than 90 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration], in consultation with the

Administrator of the Federal Aviation Administration, shall complete a detailed threat assessment to identify any safety or security risks associated with unauthorized access to the flight decks on commercial aircraft and any appropriate measures that should be taken based on the risks.

"(b) RTCA REPORT.—The Administrator, in coordination with the Administrator of the Federal Aviation Administration, shall disseminate RTCA Document (DO–329) Aircraft Secondary Barriers and Alternative Flight Deck Security Procedure to aviation stakeholders, including air carriers and flight crew, to convey effective methods and best practices to protect the flight deck."

AVIATION CYBERSECURITY

Pub. L. 115–254, div. B, title V, §509, Oct. 5, 2018, 132 Stat. 3355, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration] shall initiate a review of the comprehensive and strategic framework of principles and policies (referred to in this section as the 'framework') developed pursuant to section 2111 of the FAA Extension, Safety, and Security Act of 2016 [Pub. L. 114–190] (49 U.S.C. 44903 note) [set out below].

"(b) CONTENTS.—In undertaking the review under subsection (a), the Administrator shall—

"(1) assess the degree to which the framework identifies and addresses known cybersecurity risks associated with the aviation system;

"(2) review existing short- and long-term objectives for addressing cybersecurity risks to the national airspace system; and

"(3) assess the [Federal Aviation] Administration's level of engagement and coordination with aviation stakeholders and other appropriate agencies, organizations, or groups with which the Administration consults to carry out the framework.

"(c) UPDATES.—Upon completion of the review under subsection (a), the Administrator shall modify the framework, as appropriate, to address any deficiencies identified by the review.

"(d) REPORT TO CONGRESS.—Not later than 180 days after initiating the review required by subsection (a), the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report on the results of the review, including a description of any modifications made to the framework."

Pub. L. 114–190, title II, §2111, July 15, 2016, 130 Stat. 625, provided that:

"(a) COMPREHENSIVE AND STRATEGIC AVIATION FRAMEWORK.—

"(1) IN GENERAL.—Not later than 240 days after the date of enactment of this Act [July 15, 2016], the Administrator of the Federal Aviation Administration shall facilitate and support the development of a comprehensive and strategic framework of principles and policies to reduce cybersecurity risks to the national airspace system, civil aviation, and agency information systems using a total systems approach that takes into consideration the interactions and interdependence of different components of aircraft systems and the national airspace system.

"(2) SCOPE.—In carrying out paragraph (1), the Administrator shall—

"(A) identify and address the cybersecurity risks associated with—

"(i) the modernization of the national airspace system;

"(ii) the automation of aircraft, equipment, and technology; and

"(iii) aircraft systems, including by—

"(I) directing the Aircraft Systems Information Security Protection Working Group—

"(aa) to assess cybersecurity risks to aircraft systems;

"(bb) to review the extent to which existing rulemaking, policy, and guidance to promote safety also promote aircraft systems information security protection; and

"(cc) to provide appropriate recommendations to the Administrator if separate or additional rulemaking, policy, or guidance is needed to address cybersecurity risks to aircraft systems; and

"(II) identifying and addressing—

"(aa) cybersecurity risks associated with in-flight entertainment systems; and

"(bb) whether in-flight entertainment systems can and should be isolated and separate, such as through an air gap, under existing rulemaking, policy, and guidance;

"(B) clarify cybersecurity roles and responsibilities of offices and employees of the Federal Aviation Administration, as the roles and responsibilities relate to cybersecurity at the Federal Aviation Administration;

"(C) identify and implement objectives and actions to reduce cybersecurity risks to air traffic control information systems, including actions to improve implementation of information security

standards, such as those of the National Institute of Standards and Technology;

"(D) support voluntary efforts by industry, RTCA, Inc., and other standards-setting organizations to develop and identify consensus standards and best practices relating to guidance on aviation systems information security protection, consistent, to the extent appropriate, with the cybersecurity risk management activities described in section 2(e) of the National Institute of Standards and Technology Act (15 U.S.C. 272(e));

"(E) establish guidelines for the voluntary exchange of information between and among aviation stakeholders pertaining to aviation-related cybersecurity incidents, threats, and vulnerabilities;

"(F) identify short- and long-term objectives and actions that can be taken in response to cybersecurity risks to the national airspace system; and

"(G) identify research and development activities to inform actions in response to cybersecurity risks.

"(3) IMPLEMENTATION REQUIREMENTS.—In carrying out the activities under this subsection, the Administrator shall—

"(A) coordinate with aviation stakeholders, including, at a minimum, representatives of industry, airlines, manufacturers, airports, RTCA, Inc., and unions;

"(B) consult with the heads of relevant agencies and with international regulatory authorities;

"(C) if determined appropriate, convene an expert panel or working group to identify and address cybersecurity risks; and

"(D) evaluate, on a periodic basis, the effectiveness of the principles established under this subsection.

"(b) UPDATE ON CYBERSECURITY IMPLEMENTATION PROGRESS.—Not later than 90 days after the date of enactment of this Act [July 15, 2016], the Administrator shall provide to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] an update on progress made toward the implementation of this section.

"(c) CYBERSECURITY THREAT MODEL.—Not later than 1 year after the date of enactment of this Act, the Administrator, in consultation with the Director of the National Institute of Standards and Technology, shall implement the open recommendation issued in 2015 by the Government Accountability Office to assess and research the potential cost and timetable of developing and maintaining an agencywide threat model, which shall be updated regularly, to strengthen the cybersecurity of agency systems across the Federal Aviation Administration. The Administrator shall brief the Committee on Science, Space, and Technology and the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the status, results, and composition of the threat model.

"(d) NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY INFORMATION SECURITY STANDARDS.—Not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration, after consultation with the Director of the National Institute of Standards and Technology, shall transmit to the Committee on Science, Space, and Technology and the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on—

"(1) a cybersecurity standards plan to improve implementation of the National Institute of Standards and Technology's latest revisions to information security guidance for Federal Aviation Administration information and Federal Aviation Administration information systems within set timeframes; and

"(2) an explanation of why any such revisions are not incorporated in the plan or are not incorporated within set timeframes.

"(e) CYBERSECURITY RESEARCH AND DEVELOPMENT.—Not later than 1 year after the date of enactment of this Act, the Administrator, in consultation with other agencies as appropriate, shall establish a cybersecurity research and development plan for the national airspace system, including—

"(1) any proposal for research and development cooperation with international partners;

"(2) an evaluation and determination of research and development needs to determine any cybersecurity risks of cabin communications and cabin information technology systems on board in the passenger domain; and

"(3) objectives, proposed tasks, milestones, and a 5-year budgetary profile."

AIRPORT SECURITY

Pub. L. 114–50, Sept. 24, 2015, 129 Stat. 490, provided that:

"SECTION 1. SHORT TITLE.

"This Act may be cited as the 'Gerardo Hernandez Airport Security Act of 2015'.

"SEC. 2. DEFINITIONS.

"In this Act:

"(1) ASSISTANT SECRETARY.—The term 'Assistant Secretary' means the Assistant Secretary of Homeland Security (Transportation Security) of the Department of Homeland Security.

"(2) ADMINISTRATION.—The term 'Administration' means the Transportation Security Administration.

"SEC. 3. SECURITY INCIDENT RESPONSE AT AIRPORTS.

"(a) IN GENERAL.—The Assistant Secretary shall, in consultation with other Federal agencies as appropriate, conduct outreach to all airports in the United States at which the Administration performs, or oversees the implementation and performance of, security measures, and provide technical assistance as necessary, to verify such airports have in place individualized working plans for responding to security incidents inside the perimeter of the airport, including active shooters, acts of terrorism, and incidents that target passenger-screening checkpoints.

"(b) TYPES OF PLANS.—Such plans may include, but may not be limited to, the following:

"(1) A strategy for evacuating and providing care to persons inside the perimeter of the airport, with consideration given to the needs of persons with disabilities.

"(2) A plan for establishing a unified command, including identification of staging areas for non-airport-specific law enforcement and fire response.

"(3) A schedule for regular testing of communications equipment used to receive emergency calls.

"(4) An evaluation of how emergency calls placed by persons inside the perimeter of the airport will reach airport police in an expeditious manner.

"(5) A practiced method and plan to communicate with travelers and all other persons inside the perimeter of the airport.

"(6) To the extent practicable, a projected maximum timeframe for law enforcement response to active shooters, acts of terrorism, and incidents that target passenger security-screening checkpoints.

"(7) A schedule of joint exercises and training to be conducted by the airport, the Administration, other stakeholders such as airport and airline tenants, and any relevant law enforcement, airport police, fire, and medical personnel.

"(8) A schedule for producing after-action joint exercise reports to identify and determine how to improve security incident response capabilities.

"(9) A strategy, where feasible, for providing airport law enforcement with access to airport security video surveillance systems at category X airports where those systems were purchased and installed using Administration funds.

"(c) REPORT TO CONGRESS.—Not later than 180 days after the date of the enactment of this Act [Sept. 24, 2015], the Assistant Secretary shall report to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the findings from its outreach to airports under subsection (a), including an analysis of the level of preparedness such airports have to respond to security incidents, including active shooters, acts of terrorism, and incidents that target passenger-screening checkpoints.

"SEC. 4. DISSEMINATING INFORMATION ON BEST PRACTICES.

"The Assistant Secretary shall—

"(1) identify best practices that exist across airports for security incident planning, management, and training; and

"(2) establish a mechanism through which to share such best practices with other airport operators nationwide.

"SEC. 5. CERTIFICATION.

"Not later than 90 days after the date of enactment of this Act [Sept. 24, 2015], and annually thereafter, the Assistant Secretary shall certify in writing to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate that all screening personnel have participated in practical training exercises for active shooter scenarios.

"SEC. 6. REIMBURSABLE AGREEMENTS.

"Not later than 90 days after the enactment of this Act [Sept. 24, 2015], the Assistant Secretary shall provide to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate an analysis of how the Administration can use cost

savings achieved through efficiencies to increase over the next 5 fiscal years the funding available for checkpoint screening law enforcement support reimbursable agreements.

"SEC. 7. SECURITY INCIDENT RESPONSE FOR SURFACE TRANSPORTATION SYSTEMS.

"(a) IN GENERAL.—The Assistant Secretary shall, in consultation with the Secretary of Transportation, and other relevant agencies, conduct outreach to all passenger transportation agencies and providers with high-risk facilities, as identified by the Assistant Secretary, to verify such agencies and providers have in place plans to respond to active shooters, acts of terrorism, or other security-related incidents that target passengers.

"(b) TYPES OF PLANS.—As applicable, such plans may include, but may not be limited to, the following:

"(1) A strategy for evacuating and providing care to individuals, with consideration given to the needs of persons with disabilities.

"(2) A plan for establishing a unified command.

"(3) A plan for frontline employees to receive active shooter training.

"(4) A schedule for regular testing of communications equipment used to receive emergency calls.

"(5) An evaluation of how emergency calls placed by individuals using the transportation system will reach police in an expeditious manner.

"(6) A practiced method and plan to communicate with individuals using the transportation system.

"(c) REPORT TO CONGRESS.—Not later than 180 days after the date of enactment of this Act [Sept. 24, 2015], the Assistant Secretary shall report to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on the findings from its outreach to the agencies and providers under subsection (a), including an analysis of the level of preparedness such transportation systems have to respond to security incidents.

"(d) DISSEMINATION OF BEST PRACTICES.—The Assistant Secretary shall identify best practices for security incident planning, management, and training and establish a mechanism through which to share such practices with passenger transportation agencies nationwide.

"SEC. 8. NO ADDITIONAL AUTHORIZATION OF APPROPRIATIONS.

"No additional funds are authorized to be appropriated to carry out this Act, and this Act shall be carried out using amounts otherwise available for such purpose.

"SEC. 9. INTEROPERABILITY REVIEW.

"(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act [Sept. 24, 2015], the Assistant Secretary shall, in consultation with the Assistant Secretary of the Office of Cybersecurity and Communications, conduct a review of the interoperable communications capabilities of the law enforcement, fire, and medical personnel responsible for responding to a security incident, including active shooter events, acts of terrorism, and incidents that target passenger-screening checkpoints, at all airports in the United States at which the Administration performs, or oversees the implementation and performance of, security measures.

"(b) REPORT.—Not later than 30 days after the completion of the review, the Assistant Secretary shall report the findings of the review to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate."

CABIN FLIGHT CREW PARTICIPATION IN KNOWN CREWMEMBER PILOT PROGRAM

Pub. L. 113–6, div. D, title II, Mar. 26, 2013, 127 Stat. 349, provided in part: "That the Administrator of the Transportation Security Administration shall, within 270 days of the date of enactment of this Act [Mar. 26, 2013], establish procedures allowing members of cabin flight crews of air carriers to participate in the Known Crewmember pilot program, unless the Administrator determines that meeting the requirement within this timeline is not practicable and informs the Committees on Appropriations of the Senate and House of Representatives of the basis for that determination and the new timeline for implementing the requirement".

STRATEGIC PLAN TO TEST AND IMPLEMENT ADVANCED PASSENGER PRESCREENING SYSTEM

Pub. L. 110–53, title XVI, §1605, Aug. 3, 2007, 121 Stat. 481, provided that:

"(a) IN GENERAL.—Not later than 120 days after the date of enactment of this Act [Aug. 3, 2007], the Secretary of Homeland Security, in consultation with the Administrator of the Transportation Security Administration, shall submit to the Committee on Homeland Security of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Homeland Security and Governmental Affairs of the Senate a plan that—

"(1) describes the system to be utilized by the Department of Homeland Security to assume the performance of comparing passenger information, as defined by the Administrator, to the automatic selectee and no-fly lists, utilizing appropriate records in the consolidated and integrated terrorist watchlist

maintained by the Federal Government;

"(2) provides a projected timeline for each phase of testing and implementation of the system;

"(3) explains how the system will be integrated with the prescreening system for passengers on international flights; and

"(4) describes how the system complies with section 552a of title 5, United States Code.

"(b) GAO ASSESSMENT.—Not later than 180 days after the date of enactment of this Act, the Comptroller General shall submit a report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security of the House of Representatives that—

"(1) describes the progress made by the Transportation Security Administration in implementing the secure flight passenger pre-screening program;

"(2) describes the effectiveness of the current appeals process for passengers wrongly assigned to the no-fly and terrorist watch lists;

"(3) describes the Transportation Security Administration's plan to protect private passenger information and progress made in integrating the system with the pre-screening program for international flights operated by United States Customs and Border Protection;

"(4) provides a realistic determination of when the system will be completed; and

"(5) includes any other relevant observations or recommendations the Comptroller General deems appropriate."

PILOT PROJECT TO TEST DIFFERENT TECHNOLOGIES AT AIRPORT EXIT LANES

Pub. L. 110–53, title XVI, §1613, Aug. 3, 2007, 121 Stat. 485, provided that:

"(a) IN GENERAL.—The Administrator of the Transportation Security Administration shall conduct a pilot program at not more than 2 airports to identify technologies to improve security at airport exit lanes.

"(b) PROGRAM COMPONENTS.—In conducting the pilot program under this section, the Administrator shall—

"(1) utilize different technologies that protect the integrity of the airport exit lanes from unauthorized entry;

"(2) work with airport officials to deploy such technologies in multiple configurations at a selected airport or airports at which some of the exits are not colocated with a screening checkpoint; and

"(3) ensure the level of security is at or above the level of existing security at the airport or airports where the pilot program is conducted.

"(c) REPORTS.—

"(1) INITIAL BRIEFING.—Not later than 180 days after the date of enactment of this Act [Aug. 3, 2007], the Administrator shall conduct a briefing to the congressional committees set forth in paragraph (3) that describes—

"(A) the airport or airports selected to participate in the pilot program;

"(B) the technologies to be tested;

"(C) the potential savings from implementing the technologies at selected airport exits;

"(D) the types of configurations expected to be deployed at such airports; and

"(E) the expected financial contribution from each airport.

"(2) FINAL REPORT.—Not later than 18 months after the technologies are deployed at the airports participating in the pilot program, the Administrator shall submit a final report to the congressional committees set forth in paragraph (3) that describes—

"(A) the changes in security procedures and technologies deployed;

"(B) the estimated cost savings at the airport or airports that participated in the pilot program; and

"(C) the efficacy and staffing benefits of the pilot program and its applicability to other airports in the United States.

"(3) CONGRESSIONAL COMMITTEES.—The reports required under this subsection shall be submitted to—

"(A) the Committee on Commerce, Science, and Transportation of the Senate;

"(B) the Committee on Appropriations of the Senate;

"(C) the Committee on Homeland Security and Governmental Affairs of the Senate;

"(D) the Committee on Homeland Security of the House of Representatives; and

"(E) the Committee on Appropriations of the House of Representatives.

"(d) USE OF EXISTING FUNDS.—This section shall be executed using existing funds."

SECURITY CREDENTIALS FOR AIRLINE CREWS

Pub. L. 110–53, title XVI, §1614, Aug. 3, 2007, 121 Stat. 486, provided that:

"(a) REPORT.—Not later than 180 days after the date of enactment of this Act [Aug. 3, 2007], the

Administrator of the Transportation Security Administration, after consultation with airline, airport, and flight crew representatives, shall submit to the Committee on Commerce, Science, and Transportation of the Senate, the Committee on Homeland Security and Governmental Affairs of the Senate, the Committee on Homeland Security of the House of Representatives, and the Committee on Transportation and Infrastructure of the House of Representatives a report on the status of the Administration's efforts to institute a sterile area access system or method that will enhance security by properly identifying authorized airline flight deck and cabin crew members at screening checkpoints and granting them expedited access through screening checkpoints. The Administrator shall include in the report recommendations on the feasibility of implementing the system for the domestic aviation industry beginning 1 year after the date on which the report is submitted.

"(b) BEGINNING IMPLEMENTATION.—The Administrator shall begin implementation of the system or method referred to in subsection (a) not later than 1 year after the date on which the Administrator submits the report under subsection (a)."

CAPPS2

Pub. L. 108–176, title VI, §607, Dec. 12, 2003, 117 Stat. 2568, provided that:

"(a) IN GENERAL.—The Under Secretary for Border and Transportation Security of the Department of Homeland Security shall not implement, on other than a test basis, the computer assisted passenger prescreening system (commonly known as and in this section referred to as 'CAPPS2') until the Under Secretary provides to Congress a certification that—

"(1) a procedure is established enabling airline passengers, who are delayed or prohibited from boarding a flight because CAPPS2 determined that they might pose a security threat, to appeal such determination and correct information contained in CAPPS2;

"(2) the error rate of the Government and private data bases that will be used to both establish identity and assign a risk level to a passenger under CAPPS2 will not produce a large number of false positives that will result in a significant number of passengers being mistaken as a security threat;

"(3) the Under Secretary has demonstrated the efficacy and accuracy of all search tools in CAPPS2 and has demonstrated that CAPPS2 can make an accurate predictive assessment of those passengers who would constitute a security threat;

"(4) the Secretary of Homeland Security has established an internal oversight board to oversee and monitor the manner in which CAPPS2 is being implemented;

"(5) the Under Secretary has built in sufficient operational safeguards to reduce the opportunities for abuse;

"(6) substantial security measures are in place to protect CAPPS2 from unauthorized access by hackers or other intruders;

"(7) the Under Secretary has adopted policies establishing effective oversight of the use and operation of the system; and

"(8) there are no specific privacy concerns with the technological architecture of the system.

"(b) GAO REPORT.—Not later than 90 days after the date on which certification is provided under subsection (a), the Comptroller General shall submit a report to the Committees on Appropriations of the House of Representatives and the Senate, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science and Transportation of the Senate that assesses the impact of CAPPS2 on the issues listed in subsection (a) and on privacy and civil liberties. The report shall include any recommendations for practices, procedures, regulations, or legislation to eliminate or minimize adverse effect of CAPPS2 on privacy, discrimination, and other civil liberties."

REIMBURSEMENT OF AIR CARRIERS FOR CERTAIN SCREENING AND RELATED ACTIVITIES

Pub. L. 108–176, title VIII, §821, Dec. 12, 2003, 117 Stat. 2594, provided that: "The Secretary of Homeland Security, subject to the availability of funds (other than amounts in the Aviation Trust Fund) provided for this purpose, shall reimburse air carriers and airports for—

"(1) the screening of catering supplies; and

"(2) checking documents at security checkpoints."

IMPROVED FLIGHT DECK INTEGRITY MEASURES

Pub. L. 107–71, title I, §104, Nov. 19, 2001, 115 Stat. 605, provided that:

"(a) IN GENERAL.—As soon as possible after the date of enactment of this Act [Nov. 19, 2001], the Administrator of the Federal Aviation Administration shall—

"(1) issue an order (without regard to the provisions of chapter 5 of title 5, United States Code)—

"(A) prohibiting access to the flight deck of aircraft engaged in passenger air transportation or

intrastate air transportation that are required to have a door between the passenger and pilot compartments under title 14, Code of Federal Regulations, except to authorized persons;

"(B) requiring the strengthening of the flight deck door and locks on any such aircraft operating in air transportation or intrastate air transportation that has a rigid door in a bulkhead between the flight deck and the passenger area to ensure that the door cannot be forced open from the passenger compartment;

"(C) requiring that such flight deck doors remain locked while any such aircraft is in flight except when necessary to permit access and egress by authorized persons; and

"(D) prohibiting the possession of a key to any such flight deck door by any member of the flight crew who is not assigned to the flight deck; and

"(2) take such other action, including modification of safety and security procedures and flight deck redesign, as may be necessary to ensure the safety and security of the aircraft.

"(b) IMPLEMENTATION OF OTHER METHODS.—As soon as possible after such date of enactment [Nov. 19, 2001], the Administrator of the Federal Aviation Administration may develop and implement methods—

"(1) to use video monitors or other devices to alert pilots in the flight deck to activity in the cabin, except that the use of such monitors or devices shall be subject to nondisclosure requirements applicable to cockpit video recordings under section 1114(c) [of title 49];

"(2) to ensure continuous operation of an aircraft transponder in the event of an emergency; and

"(3) to revise the procedures by which cabin crews of aircraft can notify flight deck crews of security breaches and other emergencies, including providing for the installation of switches or other devices or methods in an aircraft cabin to enable flight crews to discreetly notify the pilots in the case of a security breach occurring in the cabin.

"(c) COMMUTER AIRCRAFT.—The Administrator shall investigate means of securing the flight deck of scheduled passenger aircraft operating in air transportation or intrastate air transportation that do not have a rigid fixed door with a lock between the passenger compartment and the flight deck and issue such an order as the Administrator deems appropriate to ensure the inaccessibility, to the greatest extent feasible, of the flight deck while the aircraft is so operating, taking into consideration such aircraft operating in regions where there is minimal threat to aviation security or national security."

SMALL AND MEDIUM AIRPORTS

Pub. L. 107–71, title I, §106(b), Nov. 19, 2001, 115 Stat. 609, provided that:

"(1) TECHNICAL SUPPORT AND FINANCIAL ASSISTANCE.—The Under Secretary of Transportation for Security [now Administrator of the Transportation Security Administration] shall develop a plan to—

"(A) provide technical support to airports, each of which had less than 1 percent of the total annual enplanements in the United States for the most recent calendar year for which data is available, to enhance security operations; and

"(B) provide financial assistance to those airports to defray the costs of enhancing security.

"(2) REMOVAL OF CERTAIN RESTRICTIONS.—

"(A) CERTIFICATION BY OPERATOR.—If the operator of an airport described in paragraph (1), after consultation with the appropriate State and local law enforcement authorities, determines that safeguards are in place to sufficiently protect public safety, and so certifies in writing to the Under Secretary, then any security rule, order, or other directive restricting the parking of passenger vehicles shall not apply at that airport after the applicable time period specified in subparagraph (B), unless the Under Secretary, taking into account individual airport circumstances, notifies the airport operator that the safeguards in place do not adequately respond to specific security risks and that the restriction must be continued in order to ensure public safety.

"(B) COUNTERMAND PERIOD.—The time period within which the Secretary may notify an airport operator, after receiving a certification under subparagraph (A), that a restriction must be continued in order to ensure public safety at the airport is—

"(i) 15 days for a nonhub airport (as defined in section 41714(h) of title 49, United States Code);

"(ii) 30 days for a small hub airport (as defined in such section);

"(iii) 60 days for a medium hub airport (as defined in such section); and

"(iv) 120 days for an airport that had at least 1 percent of the total annual enplanements in the United States for the most recent calendar year for which data is available."

AIRPORT SECURITY AWARENESS PROGRAMS

Pub. L. 107–71, title I, §106(e), Nov. 19, 2001, 115 Stat. 610, provided that: "The Under Secretary of Transportation for Security [now Administrator of the Transportation Security Administration] shall require

scheduled passenger air carriers, and airports in the United States described in section 44903(c) [of title 49] to develop security awareness programs for airport employees, ground crews, gate, ticket, and curbside agents of the air carriers, and other individuals employed at such airports."

AIRLINE COMPUTER RESERVATION SYSTEMS

Pub. L. 107–71, title I, §117, Nov. 19, 2001, 115 Stat. 624, provided that: "In order to ensure that all airline computer reservation systems maintained by United States air carriers are secure from unauthorized access by persons seeking information on reservations, passenger manifests, or other nonpublic information, the Secretary of Transportation shall require all such air carriers to utilize to the maximum extent practicable the best technology available to secure their computer reservation system against such unauthorized access."

AUTHORIZATION OF FUNDS FOR REIMBURSEMENT OF AIRPORTS FOR SECURITY MANDATES

Pub. L. 107–71, title I, §121, Nov. 19, 2001, 115 Stat. 630, provided that:

"(a) AIRPORT SECURITY.—There is authorized to be appropriated to the Secretary of Transportation for fiscal years 2002 and 2003 a total of $1,500,000,000 to reimburse airport operators, on-airport parking lots, and vendors of on-airfield direct services to air carriers for direct costs incurred by such operators to comply with new, additional, or revised security requirements imposed on such operators by the Federal Aviation Administration or Transportation Security Administration on or after September 11, 2001. Such sums shall remain available until expended.

"(b) DOCUMENTATION OF COSTS; AUDIT.—The Secretary may not reimburse an airport operator, on-airport parking lot, or vendor of on-airfield direct services to air carriers under this section for any cost for which the airport operator, on-airport parking lot, or vendor of on-airfield direct services does not demonstrate to the satisfaction of the Secretary, using sworn financial statements or other appropriate data, that—

"(1) the cost is eligible for reimbursement under subsection (a); and

"(2) the cost was incurred by the airport operator, on-airport parking lot, or vendor of on-airfield direct services to air carriers.

The Inspector General of the Department of Transportation and the Comptroller General of the United States may audit such statements and may request any other information necessary to conduct such an audit.

"(c) CLAIM PROCEDURE.—Within 30 days after the date of enactment of this Act [Nov. 19, 2001], the Secretary, after consultation with airport operators, on-airport parking lots, and vendors of on-airfield direct services to air carriers, shall publish in the Federal Register the procedures for filing claims for reimbursement under this section of eligible costs incurred by airport operators."

FLIGHT DECK SECURITY

Pub. L. 107–71, title I, §128, Nov. 19, 2001, 115 Stat. 633, which authorized the pilot of a passenger aircraft to carry a firearm into the cockpit if approved by the Under Secretary of Transportation for Security and the air carrier, if the firearm is approved by the Under Secretary, and if the pilot has received proper training, was repealed by Pub. L. 107–296, title XIV, §1402(b)(2), Nov. 25, 2002, 116 Stat. 2305.

CHARTER AIR CARRIERS

Pub. L. 107–71, title I, §132(a), Nov. 19, 2001, 115 Stat. 635, which provided that within 90 days after Nov. 19, 2001, the Under Secretary of Transportation for Security was to implement an aviation security program for charter air carriers with a maximum certificated takeoff weight of 12,500 pounds or more, was repealed by Pub. L. 108–176, title VI, §606(b), Dec. 12, 2003, 117 Stat. 2568.

PHYSICAL SECURITY FOR ATC FACILITIES

Pub. L. 106–528, §5, Nov. 22, 2000, 114 Stat. 2521, provided that:

"(a) IN GENERAL.—In order to ensure physical security at Federal Aviation Administration staffed facilities that house air traffic control systems, the Administrator of the Federal Aviation Administration shall act immediately to—

"(1) correct physical security weaknesses at air traffic control facilities so the facilities can be granted physical security accreditation not later than April 30, 2004; and

"(2) ensure that follow-up inspections are conducted, deficiencies are promptly corrected, and accreditation is kept current for all air traffic control facilities.

"(b) REPORTS.—Not later than April 30, 2001, and annually thereafter through April 30, 2004, the Administrator shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and

the Committee on Transportation and Infrastructure of the House of Representatives a report on the progress being made in improving the physical security of air traffic control facilities, including the percentage of such facilities that have been granted physical security accreditation."

DEPUTIZING OF STATE AND LOCAL LAW ENFORCEMENT OFFICERS

Pub. L. 106–181, title V, §512, Apr. 5, 2000, 114 Stat. 142, provided that:

"(a) DEFINITIONS.—In this section, the following definitions apply:

"(1) AIRCRAFT.—The term 'aircraft' has the meaning given that term in section 40102 of title 49, United States Code.

"(2) AIR TRANSPORTATION.—The term 'air transportation' has the meaning given that term in such section.

"(3) PROGRAM.—The term 'program' means the program established under subsection (b)(1)(A).

"(b) ESTABLISHMENT OF A PROGRAM TO DEPUTIZE LOCAL LAW ENFORCEMENT OFFICERS.—

"(1) IN GENERAL.—The Attorney General may—

"(A) establish a program under which the Attorney General may deputize State and local law enforcement officers having jurisdiction over airports and airport authorities as Deputy United States Marshals for the limited purpose of enforcing Federal laws that regulate security on board aircraft, including laws relating to violent, abusive, or disruptive behavior by passengers in air transportation; and

"(B) encourage the participation of law enforcement officers of State and local governments in the program.

"(2) CONSULTATION.—In establishing the program, the Attorney General shall consult with appropriate officials of—

"(A) the United States Government (including the Administrator [of the Federal Aviation Administration] or a designated representative of the Administrator); and

"(B) State and local governments in any geographic area in which the program may operate.

"(3) TRAINING AND BACKGROUND OF LAW ENFORCEMENT OFFICERS.—

"(A) IN GENERAL.—Under the program, to qualify to serve as a Deputy United States Marshal under the program, a State or local law enforcement officer shall—

"(i) meet the minimum background and training requirements for a law enforcement officer under part 107 of title 14, Code of Federal Regulations (or equivalent requirements established by the Attorney General); and

"(ii) receive approval to participate in the program from the State or local law enforcement agency that is the employer of that law enforcement officer.

"(B) TRAINING NOT FEDERAL RESPONSIBILITY.—The United States Government shall not be responsible for providing to a State or local law enforcement officer the training required to meet the training requirements under subparagraph (A)(i). Nothing in this subsection may be construed to grant any such law enforcement officer the right to attend any institution of the United States Government established to provide training to law enforcement officers of the United States Government.

"(c) POWERS AND STATUS OF DEPUTIZED LAW ENFORCEMENT OFFICERS.—

"(1) IN GENERAL.—Subject to paragraph (2), a State or local law enforcement officer that is deputized as a Deputy United States Marshal under the program may arrest and apprehend an individual suspected of violating any Federal law described in subsection (b)(1)(A), including any individual who violates a provision subject to a civil penalty under section 46301 of title 49, United States Code, or section 46302, 46303, 46318, 46504, 46505, or 46507 of that title, or who commits an act described in section 46506 of that title.

"(2) LIMITATION.—The powers granted to a State or local law enforcement officer deputized under the program shall be limited to enforcing Federal laws relating to security on board aircraft in flight.

"(3) STATUS.—A State or local law enforcement officer that is deputized as a Deputy United States Marshal under the program shall not—

"(A) be considered to be an employee of the United States Government; or

"(B) receive compensation from the United States Government by reason of service as a Deputy United States Marshal under the program.

"(d) STATUTORY CONSTRUCTION.—Nothing in this section may be construed to—

"(1) grant a State or local law enforcement officer that is deputized under the program the power to enforce any Federal law that is not described in subsection (c); or

"(2) limit the authority that a State or local law enforcement officer may otherwise exercise in the officer's capacity under any other applicable State or Federal law.

"(e) REGULATIONS.—The Attorney General may promulgate such regulations as may be necessary to carry out this section.

"(f) NOTIFICATION OF CONGRESS.—Not later than 90 days after the date of the enactment of this Act [Apr. 5, 2000], the Attorney General shall notify the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate on whether or not the Attorney General intends to establish the program authorized by this section."

DEVELOPMENT OF AVIATION SECURITY LIAISON AGREEMENT

Pub. L. 104–264, title III, §309, Oct. 9, 1996, 110 Stat. 3253, which related to an interagency agreement providing for the establishment of an aviation security liaison at existing appropriate Federal agencies' field offices in or near cities served by a designated high-risk airport, was repealed by Pub. L. 118–63, title II, §218(g), May 16, 2024, 138 Stat. 1056.

DEFINITIONS OF TERMS IN PUB. L. 107–71

For definitions of terms used in sections 104, 106(b), (e), 117, 121, 128, and 132(a) of Pub. L. 107–71, set out above, see section 133 of Pub. L. 107–71, set out as a note under section 40102 of this title.

§44904. Domestic air transportation system security

(a) ASSESSING THREATS.—The Administrator of the Transportation Security Administration and the Director of the Federal Bureau of Investigation jointly shall assess current and potential threats to the domestic air transportation system. The assessment shall include consideration of the extent to which there are individuals with the capability and intent to carry out terrorist or related unlawful acts against that system and the ways in which those individuals might carry out those acts. The Administrator of the Transportation Security Administration and the Director jointly shall decide on and carry out the most effective method for continuous analysis and monitoring of security threats to that system.

(b) ASSESSING SECURITY.—In coordination with the Director, the Administrator of the Transportation Security Administration shall carry out periodic threat and vulnerability assessments on security at each airport that is part of the domestic air transportation system. Each assessment shall include consideration of—

(1) the adequacy of security procedures related to the handling and transportation of checked baggage and cargo;

(2) space requirements for security personnel and equipment;

(3) separation of screened and unscreened passengers, baggage, and cargo;

(4) separation of the controlled and uncontrolled areas of airport facilities; and

(5) coordination of the activities of security personnel of the Transportation Security Administration, the United States Customs Service, the Immigration and Naturalization Service, and air carriers, and of other law enforcement personnel.

(c) MODAL SECURITY PLAN FOR AVIATION.—In addition to the requirements set forth in subparagraphs (B) through (F) of section 114(s)(3), the modal security plan for aviation prepared under section 114(s) shall—

(1) establish a damage mitigation and recovery plan for the aviation system in the event of a terrorist attack; and

(2) include a threat matrix document that outlines each threat to the United States civil aviation system and the corresponding layers of security in place to address such threat.

(d) OPERATIONAL CRITERIA.—The Administrator of the Transportation Security Administration shall issue operational criteria to protect airport infrastructure and operations against

the threats identified in the plans prepared under section 114(s)(1) and shall approve best practices guidelines for airport assets.

(e) IMPROVING SECURITY.—The Administrator of the Transportation Security Administration shall take necessary actions to improve domestic air transportation security by correcting any deficiencies in that security discovered in the assessments, analyses, and monitoring carried out under this section.

TRANSFER OF FUNCTIONS

For transfer of functions, personnel, assets, and liabilities of the United States Customs Service of the Department of the Treasury, including functions of the Secretary of the Treasury relating thereto, to the

Secretary of Homeland Security, and for treatment of related references, see sections 203(1), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6. For establishment of U.S. Customs and Border Protection in the Department of Homeland Security, treated as if included in Pub. L. 107–296 as of Nov. 25, 2002, see section 211 of Title 6, as amended generally by Pub. L. 114–125, and section 802(b) of Pub. L. 114–125, set out as a note under section 211 of Title 6.

ABOLITION OF IMMIGRATION AND NATURALIZATION SERVICE AND TRANSFER OF FUNCTIONS

For abolition of Immigration and Naturalization Service, transfer of functions, and treatment of related references, see note set out under section 1551 of Title 8, Aliens and Nationality.

REGULAR JOINT THREAT ASSESSMENTS

Pub. L. 104–264, title III, §310, Oct. 9, 1996, 110 Stat. 3253, which related to joint threat and vulnerability assessments on security at each airport determined to be high risk, was repealed by Pub. L. 118–63, title II, §218(g), May 16, 2024, 138 Stat. 1056.

§44905. Information about threats to civil aviation

(a) PROVIDING INFORMATION.—Under guidelines the Administrator of the Transportation Security Administration prescribes, an air carrier, airport operator, ticket agent, or individual employed by an air carrier, airport operator, or ticket agent, receiving information (except a communication directed by the United States Government) about a threat to civil aviation shall provide the information promptly to the Administrator.

(b) FLIGHT CANCELLATION.—If a decision is made that a particular threat cannot be addressed in a way adequate to ensure, to the extent feasible, the safety of passengers and crew of a particular flight or series of flights, the Administrator of the Transportation Security Administration shall cancel the flight or series of flights.

(c) GUIDELINES ON PUBLIC NOTICE.—(1) The President shall develop guidelines for ensuring that public notice is provided in appropriate cases about threats to civil aviation. The guidelines shall identify officials responsible for—

(A) deciding, on a case-by-case basis, if public notice of a threat is in the best interest of the United States and the traveling public;

(B) ensuring that public notice is provided in a timely and effective way, including the use of a toll-free telephone number; and

(C) canceling the departure of a flight or series of flights under subsection (b) of this section.

(2) The guidelines shall provide for consideration of—

(A) the specificity of the threat;

(B) the credibility of intelligence information related to the threat;

(C) the ability to counter the threat effectively;

(D) the protection of intelligence information sources and methods;

(E) cancellation, by an air carrier or the Administrator of the Transportation Security Administration, of a flight or series of flights instead of public notice;

(F) the ability of passengers and crew to take steps to reduce the risk to their safety after receiving public notice of a threat; and

(G) other factors the Administrator of the Transportation Security Administration considers appropriate.

(d) GUIDELINES ON NOTICE TO CREWS.—The Administrator of the Transportation Security Administration shall develop guidelines for ensuring that notice in appropriate cases of threats to the security of an air carrier flight is provided to the flight crew and cabin crew of that flight.

(e) LIMITATION ON NOTICE TO SELECTIVE TRAVELERS.—Notice of a threat to civil aviation may be provided to selective potential travelers only if the threat applies only to those

travelers.

(f) RESTRICTING ACCESS TO INFORMATION.—In cooperation with the departments, agencies, and instrumentalities of the Government that collect, receive, and analyze intelligence information related to aviation security, the Administrator of the Transportation Security Administration shall develop procedures to minimize the number of individuals who have access to information about threats. However, a restriction on access to that information may be imposed only if the restriction does not diminish the ability of the Government to carry out its duties and powers related to aviation security effectively, including providing notice to the public and flight and cabin crews under this section.

(g) DISTRIBUTION OF GUIDELINES.—The guidelines developed under this section shall be distributed for use by appropriate officials of the Department of Transportation, the Department of State, the Department of Justice, and air carriers.

§44906. Foreign air carrier security programs

The Administrator of the Transportation Security Administration shall continue in effect the requirement of section 129.25 of title 14, Code of Federal Regulations, that a foreign air carrier must adopt and use a security program approved by the Administrator. The Administrator shall not approve a security program of a foreign air carrier under section 129.25, or any successor regulation, unless the security program requires the foreign air carrier in its operations to and from airports in the United States to adhere to the identical security measures that the Administrator requires air carriers serving the same airports to adhere to. The foregoing requirement shall not be interpreted to limit the ability of the Administrator to impose additional security measures on a foreign air carrier or an air carrier when the Administrator determines that a specific threat warrants such additional measures. The Administrator shall prescribe regulations to carry out this section.

AMENDMENTS

2018—Pub. L. 115–254 substituted "Administrator of the Transportation Security Administration" for "Under Secretary of Transportation for Security" and, wherever appearing, "Administrator" for "Under Secretary".

2001—Pub. L. 107–71 substituted "Under Secretary" for "Administrator" wherever appearing and "of Transportation for Security" for "of the Federal Aviation Administration".

1996—Pub. L. 104–132 reenacted section catchline without change and amended text generally. Prior to amendment, text read as follows: "The Administrator of the Federal Aviation Administration shall continue in effect the requirement of section 129.25 of title 14, Code of Federal Regulations, that a foreign air carrier must adopt and use a security program approved by the Administrator. The Administrator may approve a security program of a foreign air carrier under section 129.25 only if the Administrator decides the security program provides passengers of the foreign air carrier a level of protection similar to the level those passengers would receive under the security programs of air carriers serving the same airport. The Administrator shall require a foreign air carrier to use procedures equivalent to those required of air carriers serving the same airport if the

Administrator decides that the procedures are necessary to provide a level of protection similar to that provided passengers of the air carriers serving the same airport. The Administrator shall prescribe regulations to carry out this section."

§44907. Security standards at foreign airports

(a) ASSESSMENT.—(1) At intervals the Secretary of Transportation considers necessary, the Secretary shall assess the effectiveness of the security measures maintained at—

(A) a foreign airport—

(i) served by an air carrier;

(ii) from which a foreign air carrier serves the United States; or

(iii) that poses a high risk of introducing danger to international air travel; and

(B) other foreign airports the Secretary considers appropriate.

(2) The Secretary of Transportation shall conduct an assessment under paragraph (1) of this subsection—

(A) in consultation with appropriate aeronautic authorities of the government of a foreign country concerned and each air carrier serving the foreign airport for which the Secretary is conducting the assessment;

(B) to establish the extent to which a foreign airport effectively maintains and carries out security measures, including the screening and vetting of airport workers; and

(C) by using a standard that will result in an analysis of the security measures at the airport based at least on the standards and appropriate recommended practices contained in Annex 17 to the Convention on International Civil Aviation in effect on the date of the assessment.

(3) Each report to Congress required under section 44938(b) of this title shall contain a summary of the assessments conducted under this subsection.

(b) CONSULTATION.—In carrying out subsection (a) of this section, the Secretary of Transportation shall consult with the Secretary of State—

(1) on the terrorist threat that exists in each country; and

(2) to establish which foreign airports are not under the de facto control of the government of the foreign country in which they are located and pose a high risk of introducing danger to international air travel.

(c) NOTIFYING FOREIGN AUTHORITIES.—When the Secretary of Transportation, after conducting an assessment under subsection (a) of this section, decides that an airport does not maintain and carry out effective security measures, the Secretary of Transportation, after advising the Secretary of State, shall notify the appropriate authorities of the government of the foreign country of the decision and recommend the steps necessary to bring the security measures in use at the airport up to the standard used by the Secretary of Transportation in making the assessment.

(d) ACTIONS WHEN AIRPORTS NOT MAINTAINING AND CARRYING OUT EFFECTIVE SECURITY MEASURES.—(1) When the Secretary of Transportation decides under this section that an airport does not maintain and carry out effective security measures—

(A) the Secretary of Transportation shall—

(i) publish the identity of the airport in the Federal Register;

(ii) have the identity of the airport posted and displayed prominently at all United States airports at which scheduled air carrier operations are provided regularly; and

(iii) notify the news media of the identity of the airport;

(B) each air carrier and foreign air carrier providing transportation between the United States and the airport shall provide written notice of the decision, on or with the ticket, to each passenger buying a ticket for transportation between the United States and the airport;

(C) notwithstanding section 40105(b) of this title, the Secretary of Transportation, after consulting with the appropriate aeronautic authorities of the foreign country concerned and each air carrier serving the airport and with the approval of the Secretary of State, may withhold, revoke, or prescribe conditions on the operating authority of an air carrier or foreign air carrier that uses that airport to provide foreign air transportation; and

(D) the President may prohibit an air carrier or foreign air carrier from providing transportation between the United States and any other foreign airport that is served by aircraft flying to or from the airport with respect to which a decision is made under this section.

(2)(A) Paragraph (1) of this subsection becomes effective—

(i) 90 days after the government of a foreign country is notified under subsection (c) of this section if the Secretary of Transportation finds that the government has not brought the security measures at the airport up to the standard the Secretary used in making an assessment under subsection (a) of this section; or

(ii) immediately on the decision of the Secretary of Transportation under subsection (c) of this section if the Secretary of Transportation decides, after consulting with the Secretary of State, that a condition exists that threatens the safety or security of passengers, aircraft, or crew traveling to or from the airport.

(B) The Secretary of Transportation immediately shall notify the Secretary of State of a decision under subparagraph (A)(ii) of this paragraph so that the Secretary of State may issue a travel advisory required under section 44908(a) of this title.

(3) The Secretary of Transportation promptly shall submit to Congress a report (and classified annex if necessary) on action taken under paragraph (1) or (2) of this subsection, including information on attempts made to obtain the cooperation of the government of a foreign country in meeting the standard the Secretary used in assessing the airport under subsection (a) of this section.

(4) An action required under paragraph (1)(A) and (B) of this subsection is no longer required only if the Secretary of Transportation, in consultation with the Secretary of State, decides that effective security measures are maintained and carried out at the airport. The Secretary of Transportation shall notify Congress when the action is no longer required to be taken.

(e) SUSPENSIONS.—Notwithstanding sections 40105(b) and 40106(b) of this title, the Secretary of Transportation, with the approval of the Secretary of State and without notice or a hearing, shall suspend the right of an air carrier or foreign air carrier to provide foreign air transportation, and the right of a person to operate aircraft in foreign air commerce, to or from a foreign airport when the Secretary of Transportation decides that—

(1) a condition exists that threatens the safety or security of passengers, aircraft, or crew traveling to or from that airport; and

(2) the public interest requires an immediate suspension of transportation between the United States and that airport.

(f) CONDITION OF CARRIER AUTHORITY.—This section is a condition to authority the Secretary of Transportation grants under this part to an air carrier or foreign air carrier.

STATUTORY NOTES AND RELATED SUBSIDIARIES

LAST POINT OF DEPARTURE AIRPORTS; SECURITY DIRECTIVES

Pub. L. 115–254, div. K, title I, §1953, Oct. 5, 2018, 132 Stat. 3594, provided that:

"(a) NOTICE AND CONSULTATION.—

"(1) IN GENERAL.—The Administrator [of the Transportation Security Administration] shall, to the maximum extent practicable, consult and notify the following stakeholders prior to making changes to security standards via security directives and emergency amendments for last points of departure:

"(A) Trade association representatives, for affected air carriers and airports, who hold the appropriate security clearances.

"(B) The head of each relevant Federal department or agency, including the Administrator of the Federal Aviation Administration.

"(2) TRANSMITTAL TO CONGRESS.—Not later than 3 days after the date that the Administrator issues a security directive or emergency amendment for a last point of departure, the Administrator shall transmit to the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] a description of the extent to which the Administrator consulted and notified the stakeholders under paragraph (1).

"(b) GAO REPORT.—

"(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Oct. 5, 2018], the Comptroller General of the United States shall review the effectiveness of the TSA [Transportation Security Administration] process to update, consolidate, or revoke security directives, emergency amendments, and other policies related to international aviation security at last point of departure airports and submit to the appropriate committees of Congress and the Administrator a report on the findings and recommendations.

"(2) CONTENTS.—In conducting the review under paragraph (1), the Comptroller General shall—

"(A) review current security directives, emergency amendments, and any other policies related to international aviation security at last point of departure airports;

"(B) review the extent of intra-agency and interagency coordination, stakeholder outreach, coordination, and feedback; and

"(C) review TSA's process and criteria for, and implementation of, updating or revoking the policies described in subparagraph (A).

"(c) RESCREENING.—Subject to section 44901(d)(4)(c) [sic] of title 49, United States Code, upon discovery of specific threat intelligence, the Administrator shall immediately direct TSA personnel to rescreen passengers and baggage arriving from an airport outside the United States and identify enhanced measures that should be implemented at that airport.

"(d) NOTIFICATION TO CONGRESS.—Not later than 1 day after the date that the Administrator determines that a foreign air carrier is in violation of part 1546 of title 49, Code of Federal Regulations, or any other applicable security requirement, the Administrator shall notify the appropriate committees of Congress.

"(e) DECISIONS NOT SUBJECT TO JUDICIAL REVIEW.—Notwithstanding any other provision of law, any decision of the Administrator under subsection (a)(1) relating to consultation or notification shall not be subject to judicial review."

§44908. Travel advisory and suspension of foreign assistance

(a) TRAVEL ADVISORIES.—On being notified by the Administrator of the Transportation Security Administration that the Administrator of the Transportation Security Administration has decided under section 44907(d)(2)(A)(ii) of this title that a condition exists that threatens the security of passengers, aircraft, or crew traveling to or from a foreign airport that the Administrator of the Transportation Security Administration has decided under section 44907 of this title does not maintain and carry out effective security measures, the Secretary of State—

(1) immediately shall issue a travel advisory for that airport; and

(2) shall publicize the advisory widely.

(b) SUSPENDING ASSISTANCE.—The President shall suspend assistance provided under the Foreign Assistance Act of 1961 (22 U.S.C. 2151 et seq.) or the Arms Export Control Act (22 U.S.C. 2751 et seq.) to a country in which is located an airport with respect to which section 44907(d)(1) of this title becomes effective if the Secretary of State decides the country is a high terrorist threat country. The President may waive this subsection if the President decides, and reports to Congress, that the waiver is required because of national security interests or a humanitarian emergency.

(c) ACTIONS NO LONGER REQUIRED.—An action required under this section is no longer required only if the Administrator of the Transportation Security Administration has made a decision

as provided under section 44907(d)(4) of this title. The Administrator shall notify Congress when the action is no longer required to be taken.

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–254, §1991(d)(7)(A), (B), in introductory provisions, substituted "Administrator of the Transportation Security Administration" for "Secretary of Transportation" wherever appearing and struck out "safety or" before "security of passengers".

Subsec. (c). Pub. L. 115–254, §1991(d)(7)(A), (C), substituted "Administrator of the Transportation Security Administration" for "Secretary of Transportation" and "The Administrator" for "The Secretary".

1998—Subsec. (a). Pub. L. 105–277 inserted "and" at end of par. (1), redesignated par. (3) as (2), and struck out former par. (2) which read as follows: "shall publish the advisory in the Federal Register; and".

§44909. Passenger manifests

(a) AIR CARRIER REQUIREMENTS.—(1) The Secretary of Transportation shall require each air carrier to provide a passenger manifest for a flight to an appropriate representative of the Secretary of State—

(A) not later than one hour after that carrier is notified of an aviation disaster outside the United States involving that flight; or

(B) if it is not technologically feasible or reasonable to comply with clause (A) of this paragraph, then as expeditiously as possible, but not later than 3 hours after the carrier is so notified.

(2) The passenger manifest should include the following information:

(A) the full name of each passenger.

(B) the passport number of each passenger, if required for travel.

(C) the name and telephone number of a contact for each passenger.

(3) In carrying out this subsection, the Secretary of Transportation shall consider the necessity and feasibility of requiring air carriers to collect passenger manifest information as a condition for passengers boarding a flight of the carrier.

(b) FOREIGN AIR CARRIER REQUIREMENTS.—The Secretary of Transportation shall consider imposing a requirement on foreign air carriers comparable to that imposed on air carriers under subsection (a)(1) and (2) of this section.

(c) FLIGHTS IN FOREIGN AIR TRANSPORTATION TO THE UNITED STATES.—

(1) IN GENERAL.—Each air carrier and foreign air carrier operating a passenger flight in foreign air transportation to the United States shall provide to the Commissioner of U.S. Customs and Border Protection by electronic transmission a passenger and crew manifest containing the information specified in paragraph (2). Carriers may use the advanced passenger information system established under section 431 of the Tariff Act of 1930 (19 U.S.C. 1431) to provide the information required by the preceding sentence.

(2) INFORMATION.—A passenger and crew manifest for a flight required under paragraph (1) shall contain the following information:

(A) The full name of each passenger and crew member.

(B) The date of birth and citizenship of each passenger and crew member.

(C) The sex of each passenger and crew member.

(D) The passport number and country of issuance of each passenger and crew member if required for travel.

(E) The United States visa number or resident alien card number of each passenger and crew member, as applicable.

(F) Such other information as the Administrator of the Transportation Security Administration, in consultation with the Commissioner of U.S. Customs and Border Protection, determines is reasonably necessary to ensure aviation safety.

(3) PASSENGER NAME RECORDS.—The carriers shall make passenger name record information available to the Customs Service upon request.

(4) TRANSMISSION OF MANIFEST.—Subject to paragraphs (5) and (6), a passenger and crew manifest required for a flight under paragraph (1) shall be transmitted to the Customs Service in advance of the aircraft landing in the United States in such manner, time, and form as the Customs Service prescribes.

(5) TRANSMISSION OF MANIFESTS TO OTHER FEDERAL AGENCIES.—Upon request, information provided to the Administrator of the Transportation Security Administration or the Customs Service under this subsection may be shared with other Federal agencies for the purpose of protecting national security.

(6) PRESCREENING INTERNATIONAL PASSENGERS.—

(A) IN GENERAL.—The Secretary of Homeland Security, or the designee of the Secretary, shall issue a notice of proposed rulemaking that will allow the Department of Homeland Security to compare passenger information for any international flight to or from the United States against the consolidated and integrated terrorist watchlist maintained by the Federal Government before departure of the flight.

(B) APPEAL PROCEDURES.—

(i) IN GENERAL.—The Secretary of Homeland Security shall establish a timely and fair process for individuals identified as a threat under subparagraph (A) to appeal to the Department of Homeland Security the determination and correct any erroneous information.

(ii) RECORDS.—The process shall include the establishment of a method by which the Secretary of Homeland Security will be able to maintain a record of air passengers and other individuals who have been misidentified and have corrected erroneous information. To prevent repeated delays of misidentified passengers and other individuals, the Department of Homeland Security record shall contain information determined by the Secretary of Homeland Security to authenticate the identity of such a passenger or individual.

In subsection (a)(1), before clause (A), the words "each air carrier" are substituted "all United States air carriers" because of the definition of "air carrier" in section 40102(a) of the revised title. The words "an appropriate representative of the Secretary of State" are substituted for "appropriate representatives of the United States Department of State" because of 22:2651 and for consistency in the revised title and with other titles of the United States Code. In clause (B), the words "to comply with clause (A) of this paragraph" are substituted for "to fulfill the requirement of this subsection" for consistency in the revised title and with other titles of the Code.

In subsection (a)(2), before clause (B), the words "For purposes of this section" are omitted as unnecessary.

In subsection (a)(3), the words "In carrying out this subsection" are substituted for "In implementing the requirement pursuant to the amendment made by subsection (a) of this section" for clarity and to eliminate unnecessary words.

In subsection (b), the word "imposing" is added for clarity. The words "imposed on air carriers under subsection (a)(1) and (2) of this section" are substituted for "imposed pursuant to the amendment made by subsection (a)" for clarity and because of the restatement.

§44912. Research and development

(a) PROGRAM REQUIREMENT.—(1) The Administrator shall establish and carry out a program to accelerate and expand the research, development, and implementation of technologies and procedures to counteract terrorist acts against civil aviation. The program shall provide for developing and having in place new equipment and procedures necessary to meet the technological challenges presented by terrorism. The program shall include research on, and development of, technological improvements and ways to enhance human performance.

(2) In designing and carrying out the program established under this subsection, the Administrator shall—

(A) consult and coordinate activities with other departments, agencies, and instrumentalities of the United States Government doing similar research;

(B) identify departments, agencies, and instrumentalities that would benefit from that research; and

(C) seek cost-sharing agreements with those departments, agencies, and instrumentalities.

(3) In carrying out the program established under this subsection, the Administrator shall review and consider the annual reports the Secretary of Transportation submits to Congress on transportation security and intelligence.

(4)(A) In carrying out the program established under this subsection, the Administrator shall designate an individual to be responsible for engineering, research, and development with respect to security technology under the program.

(B) The individual designated under subparagraph (A) shall use appropriate systems engineering and risk management models in making decisions regarding the allocation of funds for engineering, research, and development with respect to security technology under the program.

(C) The individual designated under subparagraph (A) shall, on an annual basis, submit to the Administrator a report on activities under this paragraph during the preceding year. Each report shall include, for the year covered by such report, information on—

(i) progress made in engineering, research, and development with respect to security technology;

(ii) the allocation of funds for engineering, research, and development with respect to security technology; and

(iii) engineering, research, and development with respect to any technologies drawn from other agencies, including the rationale for engineering, research, and development with respect to such technologies.

(5) The Administrator may—

(A) make grants to institutions of higher learning and other appropriate research facilities with

demonstrated ability to carry out research described in paragraph (1) of this subsection, and fix the amounts and terms of the grants; and

(B) make cooperative agreements with governmental authorities the Administrator decides are appropriate.

(b) REVIEW OF THREATS.—(1) The Administrator shall periodically review threats to civil aviation, with particular focus on—

(A) a comprehensive systems analysis (employing vulnerability analysis, threat attribute definition, and technology roadmaps) of the civil aviation system, including—

(i) the destruction, commandeering, or diversion of civil aircraft or the use of civil aircraft as a weapon; and

(ii) the disruption of civil aviation service, including by cyber attack;

(B) explosive material that presents the most significant threat to civil aircraft;

(C) the minimum amounts, configurations, and types of explosive material that can cause, or would reasonably be expected to cause, catastrophic damage to aircraft in air transportation;

(D) the amounts, configurations, and types of explosive material that can be detected reliably by existing, or reasonably anticipated, near-term explosive detection technologies;

(E) the potential release of chemical, biological, or similar weapons or devices either within an aircraft or within an airport;

(F) the feasibility of using various ways to minimize damage caused by explosive material that cannot be detected reliably by existing, or reasonably anticipated, near-term explosive detection technologies;

(G) the ability to screen passengers, carry-on baggage, checked baggage, and cargo; and

(H) the technologies that might be used in the future to attempt to destroy or otherwise threaten commercial aircraft and the way in which those technologies can be countered effectively.

(2) The Administrator shall use the results of the review under this subsection to develop the focus and priorities of the program established under subsection (a) of this section.

(c) SCIENTIFIC ADVISORY PANEL.—(1) The Administrator shall establish a scientific advisory panel to review, comment on, advise the progress of, and recommend modifications in, the program established under subsection (a) of this section, including the need for long-range research programs to detect and prevent catastrophic damage to commercial aircraft, commercial aviation facilities, commercial aviation personnel and passengers, and other components of the commercial aviation system by the next generation of terrorist weapons.

(2)(A) The advisory panel shall consist of individuals who have scientific and technical expertise in—

(i) the development and testing of effective explosive detection systems;

(ii) aircraft structure and experimentation to decide on the type and minimum weights of explosives that an effective explosive detection technology must be capable of detecting;

(iii) technologies involved in minimizing airframe damage to aircraft from explosives; and

(iv) other scientific and technical areas the Administrator considers appropriate.

(B) In appointing individuals to the advisory panel, the Administrator should consider individuals from academia and the national laboratories, as appropriate.

(3) The Administrator shall organize the advisory panel into teams capable of undertaking the review of policies and technologies upon request.

(4) Biennially, the Administrator shall review the composition of the advisory panel in order to ensure that the expertise of the individuals on the panel is suited to the current and anticipated duties of the panel.

(d) SECURITY AND RESEARCH AND DEVELOPMENT ACTIVITIES.—

(1) IN GENERAL.—The Administrator shall conduct research (including behavioral research) and development activities appropriate to develop, modify, test, and evaluate a system, procedure,

facility, or device to protect passengers and property against acts of criminal violence, aircraft piracy, and terrorism and to ensure security.

(2) DISCLOSURE.—

(A) IN GENERAL.—Notwithstanding section 552 of title 5, the Administrator shall prescribe regulations prohibiting disclosure of information obtained or developed in ensuring security under this title if the Secretary of Homeland Security decides disclosing the information would—

(i) be an unwarranted invasion of personal privacy;

(ii) reveal a trade secret or privileged or confidential commercial or financial information; or

(iii) be detrimental to transportation safety.

(B) INFORMATION TO CONGRESS.—Subparagraph (A) does not authorize information to be withheld from a committee of Congress authorized to have the information.

(C) RULE OF CONSTRUCTION.—Nothing in subparagraph (A) shall be construed to authorize the designation of information as sensitive security information (as defined in section 15.5 of title 49, Code of Federal Regulations)—

(i) to conceal a violation of law, inefficiency, or administrative error;

(ii) to prevent embarrassment to a person, organization, or agency;

(iii) to restrain competition; or

(iv) to prevent or delay the release of information that does not require protection in the interest of transportation security, including basic scientific research information not clearly related to transportation security.

(D) PRIVACY ACT.—Section 552a of title 5 shall not apply to disclosures that the Administrator of the Transportation Security Administration may make from the systems of records of the Transportation Security Administration to any Federal law enforcement, intelligence, protective service, immigration, or national security official in order to assist the official receiving the information in the performance of official duties.

(3) TRANSFERS OF DUTIES AND POWERS PROHIBITED.—Except as otherwise provided by law, the Administrator may not transfer a duty or power under this section to another department, agency, or instrumentality of the United States Government.

(e) DEFINITION OF ADMINISTRATOR.—In this section, the term "Administrator" means the Administrator of the Transportation Security Administration.

In subsection (a)(1), the words "It shall be the purpose of the program established under paragraph (3)" and "established under paragraph (3)" are omitted as unnecessary.

In subsection (a)(2)(A), the word "activities" is added for clarity. The words "departments, agencies, and

instrumentalities of the United States Government" are substituted for "Federal agencies" for consistency in the revised title and with other titles of the United States Code.

In subsection (a)(4), the words "The Administrator may . . . make grants" are substituted for "Amounts appropriated for each fiscal year under paragraph (9) shall be made available by the Administrator, by way of grants" to eliminate unnecessary words. In clause (A), the words "institutions of higher learning" are substituted for "colleges, universities", and the word "institutions" is substituted for "institutions and facilities", for clarity and consistency in the revised title and with other titles of the Code. In clause (B), the words "governmental authorities" are substituted for "governmental entities" for consistency in the revised title and with other titles of the Code.

In subsection (b)(1), before clause (A), the words "Not later than 180 days after November 16, 1990" are omitted as obsolete. Clause (B) is substituted for 49 App.:1357(d)(3)(B)(ii) and (iii) for clarity and to eliminate unnecessary words.

In subsection (b)(1)(E), the word "mail" is omitted as being included in "cargo".

EDITORIAL NOTES

AMENDMENTS

2018—Pub. L. 115–254, §1991(d)(10)(C), substituted "Administrator" for "Under Secretary" wherever appearing in subsecs. (a) to (c).

Subsec. (a)(1). Pub. L. 115–254, §1991(d)(10)(A)(i), substituted "Administrator" for "Under Secretary of Transportation for Security" and struck out ", not later than November 16, 1993," after "in place".

Subsec. (a)(4)(C). Pub. L. 115–254, §1991(d)(10)(A)(ii), substituted "Administrator" for "Research, Engineering and Development Advisory Committee" in introductory provisions.

Subsec. (c)(1). Pub. L. 115–254, §1991(d)(10)(B)(i), struck out ", as a subcommittee of the Research, Engineering, and Development Advisory Committee," after "panel".

Subsec. (c)(4). Pub. L. 115–254, §1991(d)(10)(B)(ii), substituted "Biennially," for "Not later than 90 days after the date of the enactment of the Aviation and Transportation Security Act, and every two years thereafter,".

Subsecs. (d), (e). Pub. L. 115–254, §1991(d)(10)(D), added subsecs. (d) and (e).

2001—Subsec. (a)(1). Pub. L. 107–71, §101(f)(7), (9), substituted "Under Secretary of Transportation for Security" for "Administrator of the Federal Aviation Administration".

Subsec. (a)(2), (3). Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator".

Subsec. (a)(4). Pub. L. 107–71, §112(b)(1)(B), added par. (4). Former par. (4) redesignated (5).

Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator" in two places.

Subsec. (a)(5). Pub. L. 107–71, §112(b)(1)(A), redesignated par. (4) as (5).

Subsec. (b)(1). Pub. L. 107–71, §§101(f)(7), 112(a)(1), in introductory provisions, substituted "Under Secretary" for "Administrator" and "periodically review" for "complete an intensive review of".

Subsec. (b)(1)(A). Pub. L. 107–71, §112(b)(2)(B), added subpar. (A). Former subpar. (A) redesignated (B).

Subsec. (b)(1)(B). Pub. L. 107–71, §112(b)(2)(A), redesignated subpar. (A) as (B). Former subpar. (B) redesignated (C).

Pub. L. 107–71, §112(a)(2), substituted "aircraft in air transportation;" for "commercial aircraft in service and expected to be in service in the 10-year period beginning on November 16, 1990;".

Subsec. (b)(1)(C). Pub. L. 107–71, §112(b)(2)(A), redesignated subpar. (B) as (C). Former subpar. (C) redesignated (D).

Subsec. (b)(1)(D). Pub. L. 107–71, §112(b)(2)(A), redesignated subpar. (C) as (D). Former subpar. (D) redesignated (E).

Pub. L. 107–71, §112(a)(3), added subpar. (D). Former subpar. (D) redesignated (E).

Subsec. (b)(1)(E) to (G). Pub. L. 107–71, §112(b)(2)(A), redesignated subpars. (D) to (F) as (E) to (G), respectively. Former subpar. (G) redesignated (H).

Pub. L. 107–71, §112(a)(3), redesignated subpars. (D) to (F) as (E) to (G), respectively.

Subsec. (b)(1)(H). Pub. L. 107–71, §112(b)(2)(A), redesignated subpar. (G) as (H).

Subsec. (b)(2). Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator".

Subsec. (c). Pub. L. 107–71, §112(b)(3), amended heading and text of subsec. (c) generally. Prior to amendment, text read as follows: "The Administrator shall establish a scientific advisory panel, as a subcommittee of the Research, Engineering and Development Advisory Committee, to review, comment on, advise on the progress of, and recommend modifications in, the program established under subsection (a) of

this section, including the need for long-range research programs to detect and prevent catastrophic damage to commercial aircraft by the next generation of terrorist weapons. The panel shall consist of individuals with scientific and technical expertise in—

"(1) the development and testing of effective explosive detection systems;

"(2) aircraft structure and experimentation to decide on the type and minimum weights of explosives that an effective technology must be capable of detecting;

"(3) technologies involved in minimizing airframe damage to aircraft from explosives; and

"(4) other scientific and technical areas the Administrator considers appropriate."

STATUTORY NOTES AND RELATED SUBSIDIARIES

INNOVATION TASK FORCE

Pub. L. 115–254, div. K, title I, §1916, Oct. 5, 2018, 132 Stat. 3556, provided that:

"(a) IN GENERAL.—The Administrator shall establish an innovation task force—

"(1) to cultivate innovations in transportation security;

"(2) to develop and recommend how to prioritize and streamline requirements for new approaches to transportation security;

"(3) to accelerate the development and introduction of new innovative transportation security technologies and improvements to transportation security operations; and

"(4) to provide industry with access to the airport environment during the technology development and assessment process to demonstrate the technology and to collect data to understand and refine technical operations and human factor issues.

"(b) ACTIVITIES.—The task force shall—

"(1) conduct activities to identify and develop an innovative technology, emerging security capability, or process designed to enhance transportation security, including—

"(A) by conducting a field demonstration of such a technology, capability, or process in the airport environment;

"(B) by gathering performance data from such a demonstration to inform the acquisition process; and

"(C) by enabling a small business with an innovative technology or emerging security capability, but less than adequate resources, to participate in such a demonstration;

"(2) conduct at least quarterly collaboration meetings with industry, including air carriers, airport operators, and other transportation security stakeholders to highlight and discuss best practices on innovative security operations and technology evaluation and deployment; and

"(3) submit to the appropriate committees of Congress an annual report on the effectiveness of key performance data from task force-sponsored projects and checkpoint enhancements.

"(c) COMPOSITION.—

"(1) APPOINTMENT.—The Administrator, in consultation with the Chairperson of ASAC shall appoint the members of the task force.

"(2) CHAIRPERSON.—The task force shall be chaired by the Administrator's designee.

"(3) REPRESENTATION.—The task force shall be comprised of representatives of—

"(A) the relevant offices of the TSA;

"(B) if considered appropriate by the Administrator, the Science and Technology Directorate of the Department of Homeland Security;

"(C) any other component of the Department of Homeland Security that the Administrator considers appropriate; and

"(D) such industry representatives as the Administrator considers appropriate.

"(d) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to require the acquisition or deployment of an innovative technology, emerging security capability, or process identified, developed, or recommended under this section.

"(e) NONAPPLICABILITY OF FACA.—The Federal Advisory Committee Act ([former] 5 U.S.C. App.) [see 5 U.S.C. 1001 et seq.] shall not apply to the task force established under this section."

[For definitions of terms used in section 1916 of Pub. L. 115–254, set out above, see section 1902 of Pub. L. 115–254, set out as a Definitions of Terms in Title I of Div. K of Pub. L. 115–254 note under section 101 of this title.]

RESEARCH AND DEVELOPMENT OF AVIATION SECURITY TECHNOLOGY

Pub. L. 107–71, title I, §137, Nov. 19, 2001, 115 Stat. 637, as amended by Pub. L. 110–53, title XVI,

§1608, Aug. 3, 2007, 121 Stat. 484, provided that:

"(a) FUNDING.—To augment the programs authorized in section 44912(a)(1) of title 49, United States Code, there is authorized to be appropriated an additional $50,000,000 for each of fiscal years 2006 through 2011 and such sums as are necessary for each fiscal year thereafter to the Transportation Security Administration, for research, development, testing, and evaluation of the following technologies which may enhance transportation security in the future. Grants to industry, academia, and Government entities to carry out the provisions of this section shall be available for fiscal years 2006 through 2011 for—

"(1) the acceleration of research, development, testing, and evaluation of explosives detection technology for checked baggage, specifically, technology that is—

"(A) more cost-effective for deployment for explosives detection in checked baggage at small- to medium-sized airports, and is currently under development as part of the Argus research program at the Transportation Security Administration;

"(B) faster, to facilitate screening of all checked baggage at larger airports; or

"(C) more accurate, to reduce the number of false positives requiring additional security measures;

"(2) acceleration of research, development, testing, and evaluation of new screening technology for carry-on items to provide more effective means of detecting and identifying weapons, explosives, and components of weapons of mass destruction, including advanced x-ray technology;

"(3) acceleration of research, development, testing, and evaluation of threat screening technology for other categories of items being loaded onto aircraft, including cargo, catering, and duty-free items;

"(4) acceleration of research, development, testing, and evaluation of threats carried on persons boarding aircraft or entering secure areas, including detection of weapons, explosives, and components of weapons of mass destruction;

"(5) acceleration of research, development, testing and evaluation of integrated systems of airport security enhancement, including quantitative methods of assessing security factors at airports selected for testing such systems;

"(6) expansion of the existing program of research, development, testing, and evaluation of improved methods of education, training, and testing of key airport security personnel; and

"(7) acceleration of research, development, testing, and evaluation of aircraft hardening materials, and techniques to reduce the vulnerability of aircraft to terrorist attack.

"(b) GRANTS.—Grants awarded under this subtitle [probably should be "this section"] shall identify potential outcomes of the research, and propose a method for quantitatively assessing effective increases in security upon completion of the research program. At the conclusion of each grant, the grant recipient shall submit a final report to the Transportation Security Administration that shall include sufficient information to permit the Under Secretary of Transportation for Security [now Administrator of the Transportation Security Administration] to prepare a cost-benefit analysis of potential improvements to airport security based upon deployment of the proposed technology. The Under Secretary shall begin awarding grants under this subtitle within 90 days of the date of enactment of this Act [Nov. 19, 2001].

"(c) BUDGET SUBMISSION.—A budget submission and detailed strategy for deploying the identified security upgrades recommended upon completion of the grants awarded under subsection (b), shall be submitted to Congress as part of the Department of Transportation's annual budget submission.

"(d) DEFENSE RESEARCH.—There is authorized to be appropriated $20,000,000 to the Transportation Security Administration to issue research grants in conjunction with the Defense Advanced Research Projects Agency. Grants may be awarded under this section for—

"(1) research and development of longer-term improvements to airport security, including advanced weapons detection;

"(2) secure networking and sharing of threat information between Federal agencies, law enforcement entities, and other appropriate parties;

"(3) advances in biometrics for identification and threat assessment; or

"(4) other technologies for preventing acts of terrorism in aviation."

[For definitions of terms used in section 137 of Pub. L. 107–71, set out above, see section 133 of Pub. L. 107–71, set out as a note under section 40102 of this title.]

TERMINATION OF ADVISORY PANELS

Advisory panels established after Jan. 5, 1973, to terminate not later than expiration of 2-year period beginning on the date of their establishment, unless, in the case of a panel established by the President or an

officer of the Federal Government, such panel is renewed by appropriate action prior to expiration of such 2-year period, or in the case of a panel established by Congress, its duration is otherwise provided for by law. See sections 1001(2) and 1013 of Title 5, Government Organization and Employees.

§44913. Explosive detection

(a) DEPLOYMENT AND PURCHASE OF EQUIPMENT.—(1) A deployment or purchase of explosive detection equipment under section 108.7(b)(8) or 108.20 of title 14, Code of Federal Regulations, or similar regulation is required only if the Administrator of the Transportation Security Administration (referred to in this section as "the Administrator") certifies that the equipment alone, or as part of an integrated system, can detect under realistic air carrier operating conditions the amounts, configurations, and types of explosive material that would likely be used to cause catastrophic damage to commercial aircraft. The Administrator shall base the certification on the results of tests conducted under protocols developed in consultation with expert scientists outside of the Transportation Security Administration. Those tests shall be completed not later than April 16, 1992.

(2) Until such time as the Administrator determines that equipment certified under paragraph (1) is commercially available and has successfully completed operational testing as provided in paragraph (1), the Administrator shall facilitate the deployment of such approved commercially available explosive detection devices as the Administrator determines will enhance aviation security significantly. The Administrator shall require that equipment deployed under this paragraph be replaced by equipment certified under paragraph (1) when equipment certified under paragraph (1) becomes commercially available. The Administrator is authorized, based on operational considerations at individual airports, to waive the required installation of commercially available equipment under paragraph (1) in the interests of aviation security. The Administrator may permit the requirements of this paragraph to be met at airports by the deployment of dogs or other appropriate animals to supplement equipment for screening passengers, baggage, mail, or cargo for explosives or weapons.

(3) This subsection does not prohibit the Administrator from purchasing or deploying explosive detection equipment described in paragraph (1) of this subsection.

(b) GRANTS.—The Administrator may provide grants to continue the Explosive Detection K-9 Team Training Program to detect explosives at airports and on aircraft.

EDITORIAL NOTES

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–254, §1991(d)(11)(A)(iv), substituted "Administrator" for "Under Secretary" wherever appearing.

Subsec. (a)(1). Pub. L. 115–254, §1991(d)(11)(A)(i), substituted "Administrator of the Transportation Security Administration (referred to in this section as 'the Administrator')" for "Under Secretary of Transportation for Security".

Subsec. (a)(2) to (4). Pub. L. 115–254, §1991(d)(11)(A)(ii), (iii), redesignated pars. (3) and (4) as (2) and (3), respectively, and struck out former par. (2) which read as follows: "Before completion of the tests described in paragraph (1) of this subsection, but not later than April 16, 1992, the Under Secretary may require deployment of explosive detection equipment described in paragraph (1) if the Under Secretary decides that deployment will enhance aviation security significantly. In making that decision, the Under Secretary shall consider factors such as the ability of the equipment alone, or as part of an integrated system, to detect under realistic air carrier operating conditions the amounts, configurations, and types of explosive material that would likely be used to cause catastrophic damage to commercial aircraft. The Under Secretary shall notify the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives of a deployment decision made under this paragraph."

Subsec. (b). Pub. L. 115–254, §1991(d)(11)(B), substituted "Administrator" for "Secretary of Transportation".

2001—Subsec. (a)(1). Pub. L. 107–71, §101(f)(9), substituted "of Transportation for Security" for "of the Federal Aviation Administration".

Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator" in two places.

Pub. L. 107–71, §101(f)(2), substituted "of the Transportation Security Administration" for "of the Administration" in second sentence.

Subsec. (a)(2) to (4). Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator" wherever appearing.

1996—Subsec. (a)(2). Pub. L. 104–287 substituted "Transportation and Infrastructure" for "Public Works and Transportation".

Subsec. (a)(3), (4). Pub. L. 104–264 added par. (3) and redesignated former par. (3) as (4).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

IMPROVED EXPLOSIVE DETECTION SYSTEMS

Pub. L. 108–458, title IV, §4024, Dec. 17, 2004, 118 Stat. 3724, provided that:

"(a) PLAN AND GUIDELINES.—The Assistant Secretary of Homeland Security (Transportation Security Administration) shall develop a plan and guidelines for implementing improved explosive detection system equipment.

"(b) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary of Homeland Security for the use of the Transportation Security Administration $100,000,000, in addition to any amounts otherwise authorized by law, for the purpose of research and development of improved explosive detection systems for aviation security under section 44913 of title 49, United States Code."

WEAPONS AND EXPLOSIVE DETECTION STUDY

Pub. L. 104–264, title III, §303, Oct. 9, 1996, 110 Stat. 3250, provided that:

"(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall enter into an arrangement with the Director of the National Academy of Sciences (or if the National Academy of Sciences is not available, the head of another equivalent entity) to conduct a study in accordance to this section.

"(b) PANEL OF EXPERTS.—

"(1) IN GENERAL.—In carrying out a study under this section, the Director of the National Academy of Sciences (or the head of another equivalent entity) shall establish a panel (hereinafter in this section referred to as the 'panel').

"(2) EXPERTISE.—Each member of the panel shall have expertise in weapons and explosive detection technology, security, air carrier and airport operations, or another appropriate area. The Director of the National Academy of Sciences (or the head of another equivalent entity) shall ensure that the panel has an appropriate number of representatives of the areas specified in the preceding sentence.

"(c) STUDY.—The panel, in consultation with the National Science and Technology Council, representatives of appropriate Federal agencies, and appropriate members of the private sector, shall—

"(1) assess the weapons and explosive detection technologies that are available at the time of the study that are capable of being effectively deployed in commercial aviation;

"(2) determine how the technologies referred to in paragraph (1) may more effectively be used for promotion and improvement of security at airport and aviation facilities and other secured areas;

"(3) assess the cost and advisability of requiring hardened cargo containers as a way to enhance aviation security and reduce the required sensitivity of bomb detection equipment; and

"(4) on the basis of the assessments and determinations made under paragraphs (1), (2), and (3), identify the most promising technologies for the improvement of the efficiency and cost-effectiveness of weapons and explosive detection.

"(d) COOPERATION.—The National Science and Technology Council shall take such actions as may be necessary to facilitate, to the maximum extent practicable and upon request of the Director of the National Academy of Sciences (or the head of another equivalent entity), the cooperation of representatives of appropriate Federal agencies, as provided for in subsection (c), in providing the panel, for the study under this section—

"(1) expertise; and

"(2) to the extent allowable by law, resources and facilities.

"(e) REPORTS.—The Director of the National Academy of Sciences (or the head of another equivalent entity) shall, pursuant to an arrangement entered into under subsection (a), submit to the Administrator such reports as the Administrator considers to be appropriate. Upon receipt of a report under this subsection, the Administrator shall submit a copy of the report to the appropriate committees of Congress.

"(f) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated for each of fiscal years 1997 through 2001 such sums as may be necessary to carry out this section."

§44914. Airport construction guidelines

In consultation with the Department of Transportation, air carriers, airport authorities, and others the Administrator of the Transportation Security Administration considers appropriate, the Administrator shall develop guidelines for airport design and construction to allow for maximum security enhancement. In developing the guidelines, the Administrator shall consider the results of the assessment carried out under section 44904(a) of this title.

eliminate unnecessary words.

EDITORIAL NOTES

AMENDMENTS

2018—Pub. L. 115–254 substituted "with the Department of Transportation, air carriers, airport authorities, and others the Administrator of the Transportation Security Administration" for "with air carriers, airport authorities, and others the Under Secretary of Transportation for Security" and, in two places, "Administrator" for "Under Secretary".

2001—Pub. L. 107–71 substituted "Under Secretary" for "Administrator" wherever appearing and "of Transportation for Security" for "of the Federal Aviation Administration".

§44915. Exemptions

The Administrator of the Transportation Security Administration may exempt from sections 44901, 44903(a)–(c) and (e), 44906, 44935, and 44936 of this title airports in Alaska served only by air carriers that—

(1) hold certificates issued under section 41102 of this title;

(2) operate aircraft with certificates for a maximum gross takeoff weight of less than 12,500 pounds; and

(3) board passengers, or load property intended to be carried in an aircraft cabin, that will be screened under section 44901 of this title at another airport in Alaska before the passengers board, or the property is loaded on, an aircraft for a place outside Alaska.

AMENDMENTS

2018—Pub. L. 115–254 substituted "Administrator of the Transportation Security Administration" for "Under Secretary of Transportation for Security" in introductory provisions.

2001—Pub. L. 107–71 substituted "Under Secretary of Transportation for Security" for "Administrator of the Federal Aviation Administration" in introductory provisions.

§44916. Assessments and evaluations

(a) PERIODIC ASSESSMENTS.—The Administrator of the Transportation Security Administration shall require each air carrier and airport (including the airport owner or operator in cooperation with the air carriers and vendors serving each airport) that provides for intrastate,

interstate, or foreign air transportation to conduct periodic vulnerability assessments of the security systems of that air carrier or airport, respectively. The Transportation Security Administration shall perform periodic audits of such assessments.

(b) INVESTIGATIONS.—The Administrator of the Transportation Security Administration shall conduct periodic and unannounced inspections of security systems of airports and air carriers to determine the effectiveness and vulnerabilities of such systems. To the extent allowable by law, the Administrator may provide for anonymous tests of those security systems.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE

Except as otherwise specifically provided, section applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

§44917. Deployment of Federal air marshals

(a) IN GENERAL.—The Administrator of the Transportation Security Administration under the authority provided by section 44903(d)—

(1) may provide for deployment of Federal air marshals on every passenger flight of air carriers in air transportation or intrastate air transportation;

(2) shall provide for deployment of Federal air marshals on every such flight determined by the Administrator to present high security risks;

(3) shall provide for appropriate training, supervision, and equipment of Federal air marshals;

(4) shall require air carriers providing flights described in paragraph (1) to provide seating for a Federal air marshal on any such flight without regard to the availability of seats on the flight and at no cost to the United States Government or the marshal;

(5) may require air carriers to provide, on a space-available basis, to an off-duty Federal air marshal a seat on a flight to the airport nearest the marshal's home at no cost to the marshal or the United States Government if the marshal is traveling to that airport after completing his or her security duties;

(6) may enter into agreements with Federal, State, and local agencies under which appropriately-trained law enforcement personnel from such agencies, when traveling on a flight of an air carrier, will carry a firearm and be prepared to assist Federal air marshals;

(7) shall establish procedures to ensure that Federal air marshals are made aware of any armed or unarmed law enforcement personnel on board an aircraft;

(8) may appoint—

(A) an individual who is a retired law enforcement officer;
(B) an individual who is a retired member of the Armed Forces; and
(C) an individual who has been furloughed from an air carrier crew position in the 1-year period beginning on September 11, 2001,

as a Federal air marshal, regardless of age, if the individual otherwise meets the background and fitness qualifications required for Federal air marshals;

(9) shall require the Federal Air Marshal Service to utilize a risk-based strategy when allocating resources between international and domestic flight coverage, including when initially setting its annual target numbers of average daily international and domestic flights to cover;

(10) shall require the Federal Air Marshal Service to utilize a risk-based strategy to support domestic allocation decisions;

(11) shall require the Federal Air Marshal Service to utilize a risk-based strategy to support international allocation decisions; and

(12) shall ensure that the seating arrangements of Federal air marshals on aircraft are determined in a manner that is risk-based and most capable of responding to current threats to aviation security.

(b) INTERIM MEASURES.—Until the Under Secretary [1] completes implementation of subsection (a), the Under Secretary [1] may use, after consultation with and concurrence of the heads of other Federal agencies and departments, personnel from those agencies and departments, on a nonreimbursable basis, to provide air marshal service.

(c) TRAINING FOR FOREIGN LAW ENFORCEMENT PERSONNEL.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration, after consultation with the Secretary of State, may direct the Federal Air Marshal Service to provide appropriate air marshal training to law enforcement personnel of foreign countries.

(2) WATCHLIST SCREENING.—The Federal Air Marshal Service may only provide appropriate air marshal training to law enforcement personnel of foreign countries after comparing the identifying information and records of law enforcement personnel of foreign countries against all appropriate records in the consolidated and integrated terrorist watchlists maintained by the Federal Government.

(3) FEES.—The Administrator of the Transportation Security Administration shall establish reasonable fees and charges to pay expenses incurred in carrying out this subsection. Funds collected under this subsection shall be credited to the account in the Treasury from which the expenses were incurred and shall be available to the Administrator of the Transportation Security Administration for purposes for which amounts in such account are available.

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–254, §1991(d)(15)(A)(i), substituted "Administrator of the Transportation Security Administration" for "Under Secretary of Transportation for Security" in introductory provisions.

Subsec. (a)(2). Pub. L. 115–254, §1991(d)(15)(A)(ii), substituted "by the Administrator" for "by the Secretary".

Subsec. (a)(9) to (12). Pub. L. 115–254, §1959(d)(1), added pars. (9) to (12).

Subsec. (b). Pub. L. 115–254, §1959(c)(5), redesignated subsec. (c) as (b) and struck out former subsec. (b). Prior to amendment, text of subsec. (b) read as follows: "In making the determination under subsection (a)(2), nonstop, long distance flights, such as those targeted on September 11, 2001, should be a priority."

Subsec. (c). Pub. L. 115–254, §1959(c)(5)(B), redesignated subsec. (d) as (c). Former subsec. (c) redesignated (b).

Subsec. (c)(1). Pub. L. 115–254, §1991(d)(15)(B)(i), which directed amendment of subsec. (d)(1) by substituting "Administrator of the Transportation Security Administration" for "Assistant Secretary for Immigration and Customs Enforcement of the Department of Homeland Security", was executed to subsec. (c)(1) to reflect the probable intent of Congress and the intervening redesignation of subsec. (d) as (c) by Pub. L. 115–254, §1959(c)(5)(B). See above.

Subsec. (c)(3). Pub. L. 115–254, §1991(d)(15)(B)(ii), which directed amendment of subsec. (d)(3) by substituting "Administrator of the Transportation Security Administration" for "Assistant Secretary" in two places, was executed to subsec. (c)(3) to reflect the probable intent of Congress and the intervening redesignation of subsec. (d) as (c) by Pub. L. 115–254, §1959(c)(5)(B). See above.

Subsec. (d). Pub. L. 115–254, §1959(c)(5)(B), redesignated subsec. (d) as (c).

2004—Subsec. (d). Pub. L. 108–458 added subsec. (d).

STATUTORY NOTES AND RELATED SUBSIDIARIES

FEDERAL AIR MARSHAL SERVICE UPDATES

Pub. L. 115–254, div. K, title I, §1959(a)–(c)(4), Oct. 5, 2018, 132 Stat. 3598, 3599, provided that:

"(a) STANDARDIZATION.—

"(1) IN GENERAL.—Not later than 60 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration] shall develop a standard written agreement that shall be the basis of all negotiations and agreements that begin after the date of enactment of this Act between the United States and foreign governments or partners regarding the presence of Federal air marshals on flights to and from the United States, including deployment, technical assistance, and information sharing.

"(2) WRITTEN AGREEMENTS.—Except as provided in paragraph (3), not later than 180 days after the date of enactment of this Act, all agreements between the United States and foreign governments or partners regarding the presence of Federal air marshals on flights to and from the United States shall be in writing and signed by the Administrator or other authorized United States Government representative.

"(3) EXCEPTION.—The Administrator may schedule Federal air marshal service on flights operating to a foreign country with which no written agreement is in effect if the Administrator determines that—

"(A) such mission is necessary for aviation security; and

"(B) the requirements of paragraph (4)(B) are met.

"(4) NOTIFICATION TO CONGRESS.—

"(A) WRITTEN AGREEMENTS.—Not later than 30 days after the date that the Administrator enters into a written agreement under this section, the Administrator shall transmit to the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] a copy of the agreement.

"(B) NO WRITTEN AGREEMENTS.—The Administrator shall submit to the appropriate committees of Congress—

"(i) not later than 30 days after the date of enactment of this Act, a list of each foreign government or partner that does not have a written agreement under this section, including an explanation for why no written agreement exists and a justification for the determination that such a mission is necessary for aviation security; and

"(ii) not later than 30 days after the date that the Administrator makes a determination to schedule Federal air marshal service on flights operating to a foreign country with which no written agreement is in effect under paragraph (3), the name of the applicable foreign government or partner, an explanation for why no written agreement exists, and a justification for the determination that such mission is necessary for aviation security.

"(b) MISSION SCHEDULING AUTOMATION.—The Administrator shall endeavor to acquire automated capabilities or technologies for scheduling Federal air marshal service missions based on current risk modeling.

"(c) IMPROVING FEDERAL AIR MARSHAL SERVICE DEPLOYMENTS.—

"(1) AFTER-ACTION REPORTS.—The Administrator shall strengthen internal controls to ensure that all after-action reports on Federal air marshal service special mission coverage provided to stakeholders include documentation of supervisory review and approval, and mandatory narratives.

"(2) STUDY.—The Administrator shall contract with an independent entity to conduct a validation and verification study of the risk analysis and risk-based determinations guiding Federal air marshal service deployment, including the use of risk-based strategies under subsection (d) [amending this section (see

subsec. (a)(9) to (12) of this section) and enacting provisions set out as a note below].

"(3) COST-BENEFIT ANALYSIS.—The Administrator shall conduct a cost-benefit analysis regarding mitigation of aviation security threats through Federal air marshal service deployment.

"(4) PERFORMANCE MEASURES.—The Administrator shall improve existing performance measures to better determine the effectiveness of in-flight operations in addressing the highest risks to aviation transportation based on current intelligence."

IMPLEMENTATION DEADLINE

Pub. L. 115–254, div. K, title I, §1959(d)(3), Oct. 5, 2018, 132 Stat. 3600, provided that: "Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration] shall begin implementing the requirements under paragraphs (9) through (12) of section 44917(a), United States Code, as added by this Act."

FEDERAL AIR MARSHALS

Pub. L. 108–458, title IV, §4016, Dec. 17, 2004, 118 Stat. 3720, as amended by Pub. L. 115–254, div. K, title I, §1993, Oct. 5, 2018, 132 Stat. 3646, provided that:

"(a) FEDERAL AIR MARSHAL ANONYMITY.—The Director of the Federal Air Marshal Service of the Department of Homeland Security shall continue operational initiatives to protect the anonymity of Federal air marshals.

"(b) AUTHORIZATION OF ADDITIONAL APPROPRIATIONS.—There is authorized to be appropriated to the Secretary of Homeland Security for the use of the Bureau of Immigration and Customs Enforcement, in addition to any amounts otherwise authorized by law, for the deployment of Federal air marshals under section 44917 of title 49, United States Code, $83,000,000 for the 3 fiscal-year period beginning with fiscal year 2005. Such sums shall remain available until expended.

"(c) FEDERAL LAW ENFORCEMENT COUNTERTERRORISM TRAINING.—

"(1) AVAILABILITY OF INFORMATION.—The Administrator of the Transportation Security Administration and the Director of Federal Air Marshal Service of the Department of Homeland Security, shall make available, as practicable, appropriate information on in-flight counterterrorism and weapons handling procedures and tactics training to Federal law enforcement officers who fly while in possession of a firearm.

"(2) IDENTIFICATION OF FRAUDULENT DOCUMENTS.—The Administrator of the Transportation Security Administration and the Director of Federal Air Marshal Service of the Department of Homeland Security shall ensure that Transportation Security Administration screeners and Federal air marshals receive training in identifying fraudulent identification documents, including fraudulent or expired visas and passports. Such training shall also be made available to other Federal law enforcement agencies and local law enforcement agencies located in a State that borders Canada or Mexico."

[1] *So in original. Probably should be "Administrator".*

§44918. Crew training

(a) BASIC SECURITY TRAINING.—

(1) IN GENERAL.—Each air carrier providing scheduled passenger air transportation shall carry out a training program for flight and cabin crew members to prepare the crew members for potential threat conditions and unruly passenger behavior.

(2) PROGRAM ELEMENTS.—An air carrier training program under this subsection shall include, at a minimum, elements that address each of the following:

(A) Recognize suspicious behavior and activities and determine the seriousness of any occurrence of such behavior and activities.

(B) Crew communication and coordination.

(C) The proper commands to give passengers and attackers.

(D) Appropriate responses to defend oneself.

(E) Use of protective devices assigned to crew members (to the extent such devices are required by the Administrator of the Federal Aviation Administration or the Administrator of the Transportation Security Administration).

(F) Psychology of terrorists to cope with hijacker behavior and passenger responses.

(G) Situational training exercises regarding various threat conditions.

(H) De-escalation training based on recommendations issued by the Air Carrier Training Aviation Rulemaking Committee.

(I) Methods to subdue and restrain an active attacker.

(J) The proper conduct of a cabin search, including explosive device recognition.

(K) Any other subject matter considered appropriate by the Administrator of the Transportation Security Administration.

(3) APPROVAL.—An air carrier training program under this subsection shall be subject to approval by the Administrator of the Transportation Security Administration.

(4) MINIMUM STANDARDS.—Not later than 180 days after the date of enactment of the FAA Reauthorization Act of 2024, the Administrator of the Transportation Security Administration, in consultation with the Federal Air Marshal Service and the Aviation Security Advisory Committee, shall establish minimum standards for—

(A) the training provided under this subsection and any for recurrent training; and

(B) the individuals or entities providing such training.

(5) EXISTING PROGRAMS.—Notwithstanding paragraphs (3) and (4), any training program of an air carrier to prepare flight and cabin crew members for potential threat conditions that was approved by the Administrator or the Administrator of the Transportation Security Administration before December 12, 2003, may continue in effect until disapproved or ordered modified by the Administrator of the Transportation Security Administration.

(6) MONITORING.—The Administrator of the Transportation Security Administration, in consultation with the Administrator and the Federal Air Marshal Service, shall monitor air carrier training programs under this subsection and shall periodically review an air carrier's training program to ensure that the program is adequately preparing crew members for potential threat conditions based on changes in the potential or actual threat conditions. In determining when an air carrier's training program should be reviewed under this paragraph, the Administrator of the Transportation Security Administration shall consider complaints from crew members. The Administrator of the Transportation Security Administration shall ensure that employees responsible for monitoring the training programs have the necessary resources and knowledge, including self-defense training expertise and experience.

(7) UPDATES.—The Administrator of the Transportation Security Administration, in consultation with the Administrator, shall order air carriers to modify training programs under this subsection to reflect new or different security threats.

(b) ADVANCED SELF-DEFENSE TRAINING.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration shall develop and provide a voluntary training program for flight and cabin crew members of air carriers providing scheduled passenger air transportation.

(2) PROGRAM ELEMENTS.—The training program under this subsection shall include both classroom and effective hands-on training in the following elements of self-defense:

(A) Deterring a passenger who might present a threat.

(B) Advanced control, striking, and restraint techniques.

(C) Training to defend oneself against edged or contact weapons.

(D) Methods to subdue and restrain an attacker.

(E) Use of available items aboard the aircraft for self-defense.

(F) Appropriate and effective responses to defend oneself, including the use of force against an attacker.

(G) Any other element of training that the Administrator of the Transportation Security Administration considers appropriate.

(3) PARTICIPATION NOT REQUIRED.—A crew member shall not be required to participate

in the training program under this subsection.

(4) COMPENSATION.—Except as provided in paragraph (8), neither the Federal Government nor an air carrier shall be required to compensate a crew member for participating in the training program under this subsection.

(5) FEES.—A crew member shall not be required to pay a fee for the training program under this subsection.

(6) CONSULTATION.—In developing the training program under this subsection, the Administrator of the Transportation Security Administration shall consult with law enforcement personnel and security experts who have expertise in self-defense training, terrorism experts, representatives of air carriers, the director of self-defense training in the Federal Air Marshal Service, flight attendants, labor organizations representing flight attendants, and educational institutions offering law enforcement training programs.

(7) DESIGNATION OF TSA OFFICIAL.—The Administrator of the Transportation Security Administration shall designate an official in the Transportation Security Administration to be responsible for implementing the training program under this subsection. The official shall consult with air carriers and labor organizations representing crew members before implementing the program to ensure that it is appropriate for situations that may arise on board an aircraft during a flight.

(8) AIR CARRIER ACCOMMODATION.—An air carrier with a crew member participating in the training program under this subsection shall provide a process through which each such crew member may obtain reasonable accommodations.

(c) LIMITATION.—Actions by crew members under this section shall be subject to the provisions of section 44903(k).

(Added Pub. L. 107–71, title I, §107(a), Nov. 19, 2001, 115 Stat. 610; amended Pub. L. 107–296, title XIV, §1403(a), Nov. 25, 2002, 116 Stat. 2305; Pub. K, title I, §1960, Oct. 5, 2018, 132 Stat. 3600, provided that: "The Administrator [of the Transportation Security Administration], in consultation with the Administrator of the Federal Aviation Administration, shall continue to carry out and encourage increased participation by air carrier employees in the voluntary self-defense training program under section 44918(b) of title 49, United States Code."

§44919. PreCheck Program

(a) IN GENERAL.—The Administrator of the Transportation Security Administration shall continue to administer the PreCheck Program in accordance with section 109(a)(3) of the Aviation and Transportation Security Act (49 U.S.C. 114 note).

(b) EXPANSION.—Not later than 180 days after the date of enactment of the TSA Modernization Act, the Administrator shall enter into an agreement, using other transaction authority under section 114(m) of this title, with at least 2 private sector entities to increase the methods and capabilities available for the public to enroll in the PreCheck Program.

(c) MINIMUM CAPABILITY REQUIREMENTS.—At least 1 agreement under subsection (b) shall include the following capabilities:

(1) Start-to-finish secure online or mobile enrollment capability.

(2) Vetting of an applicant by means other than biometrics, such as a risk assessment, if—

(A) such means—

(i) are evaluated and certified by the Secretary of Homeland Security;

(ii) meet the definition of a qualified anti-terrorism technology under section 865 of the Homeland Security Act of 2002 (6 U.S.C. 444); and

(iii) are determined by the Administrator to provide a risk assessment that is as effective as

a fingerprint-based criminal history records check conducted through the Federal Bureau of Investigation with respect to identifying individuals who are not qualified to participate in the PreCheck Program due to disqualifying criminal history; and

(B) with regard to private sector risk assessments, the Secretary has certified that reasonable procedures are in place with regard to the accuracy, relevancy, and proper utilization of information employed in such risk assessments.

(d) ADDITIONAL CAPABILITY REQUIREMENTS.—At least 1 agreement under subsection (b) shall include the following capabilities:

(1) Start-to-finish secure online or mobile enrollment capability.

(2) Vetting of an applicant by means of biometrics if the collection—

(A) is comparable with the appropriate and applicable standards developed by the National Institute of Standards and Technology;

(B) protects privacy and data security, including that any personally identifiable information is collected, retained, used, and shared in a manner consistent with section 552a of title 5, United States Code (commonly known as "Privacy Act of 1974"), and with agency regulations;

(C) is evaluated and certified by the Secretary of Homeland Security; and

(D) is determined by the Administrator to provide a risk assessment that is as effective as a fingerprint-based criminal history records check conducted through the Federal Bureau of Investigation with respect to identifying individuals who are not qualified to participate in the PreCheck Program due to disqualifying criminal history.

(e) TARGET ENROLLMENT.—Subject to subsections (b), (c), and (d), the Administrator shall take actions to expand the total number of individuals enrolled in the PreCheck Program as follows:

(1) 7,000,000 passengers before October 1, 2019.

(2) 10,000,000 passengers before October 1, 2020.

(3) 15,000,000 passengers before October 1, 2021.

(f) MARKETING OF PRECHECK PROGRAM.—Not later than 90 days after the date of enactment of the TSA Modernization Act, the Administrator shall—

(1) enter into at least 2 agreements, using other transaction authority under section 114(m) of this title, to market the PreCheck Program; and

(2) implement a long-term strategy for partnering with the private sector to encourage enrollment in such program.

(g) IDENTITY VERIFICATION ENHANCEMENT.—The Administrator shall—

(1) coordinate with the heads of appropriate components of the Department to leverage Department-held data and technologies to verify the identity and citizenship of individuals enrolling in the PreCheck Program;

(2) partner with the private sector to use biometrics and authentication standards, such as relevant standards developed by the National Institute of Standards and Technology, to facilitate enrollment in the program; and

(3) consider leveraging the existing resources and abilities of airports to collect fingerprints for use in background checks to expedite identity verification.

(h) PRECHECK PROGRAM LANES OPERATION.—The Administrator shall—

(1) ensure that PreCheck Program screening lanes are open and available during peak and high-volume travel times at appropriate airports to individuals enrolled in the PreCheck Program; and

(2) make every practicable effort to provide expedited screening at standard screening lanes during times when PreCheck Program screening lanes are closed to individuals enrolled in the program in order to maintain operational efficiency.

(i) ELIGIBILITY OF MEMBERS OF THE ARMED FORCES FOR EXPEDITED SECURITY SCREENING.—

(1) IN GENERAL.—Subject to paragraph (3), an individual specified in paragraph (2) is eligible for expedited security screening under the PreCheck Program.

(2) INDIVIDUALS SPECIFIED.—An individual specified in this subsection is any of the following:

(A) A member of the Armed Forces, including a member of a reserve component or the National Guard.

(B) A cadet or midshipman of the United States Military Academy, the United States Naval Academy, the United States Air Force Academy, or the United States Coast Guard Academy.

(C) A family member of an individual specified in subparagraph (A) or (B) who is younger than 12 years old and accompanying the individual.

(3) IMPLEMENTATION.—The eligibility of an individual specified in paragraph (2) for expedited security screening under the PreCheck Program is subject to such policies and procedures as the Administrator may prescribe to carry out this subsection, in consultation with the Secretary of Defense and, with respect to the United States Coast Guard, the Commandant of the United States Coast Guard.

(j) VETTING FOR PRECHECK PROGRAM PARTICIPANTS.—The Administrator shall initiate an assessment to identify any security vulnerabilities in the vetting process for the PreCheck Program, including determining whether subjecting PreCheck Program participants to recurrent fingerprint-based criminal history records checks, in addition to recurrent checks against the terrorist watchlist, could be done in a cost-effective manner to strengthen the security of the PreCheck Program.

(k) ASSURANCE OF SEPARATE PROGRAM.—In carrying out this section, the Administrator shall ensure that the additional private sector application capabilities under subsections (b), (c), and (d) are undertaken in addition to any other related TSA program, initiative, or procurement, including the Universal Enrollment Services program.

(l) Expenditure of Funds.—Any Federal funds expended by the Administrator to expand PreCheck Program enrollment shall be expended in a manner that includes the requirements of this section.

ENROLLMENT REDRESS WITH RESPECT TO DEPARTMENT OF HOMELAND SECURITY TRUSTED TRAVELER PROGRAMS

Pub. L. 117–81, div. F, title LXIV, §6417, Dec. 27, 2021, 135 Stat. 2415, provided that: "Notwithstanding any other provision of law, the Secretary of Homeland Security shall, with respect to an individual whose

enrollment in a trusted traveler program was revoked in error extend by an amount of time equal to the period of revocation the period of active enrollment in such a program upon reenrollment in such a program by such an individual."

PRECHECK EXPEDITED SCREENING

Pub. L. 115–254, div. K, title I, §1938, Oct. 5, 2018, 132 Stat. 3579, provided that:

"(a) IN GENERAL.—Not later than 18 months after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration] shall ensure that only a traveler who is a member of a trusted traveler program specified in subsection (b) is permitted to use a TSA PreCheck security screening lane at a passenger screening checkpoint.

"(b) TRUSTED TRAVELER PROGRAMS SPECIFIED.—A trusted traveler program specified in this subsection is any of the following:

"(1) The PreCheck Program under section 44919 of title 49, United States Code.

"(2) Any other program implemented by the TSA under section 109(a)(3) of the Aviation and Transportation Security Act [Pub. L. 107–71] (49 U.S.C. 114 note).

"(3) Any other United States Government program that issues a unique identifier, such as a known traveler number, that the TSA accepts as validating that the individual holding such identifier is a member of a known low-risk population.

"(c) EXEMPTIONS.—Nothing in this section shall affect—

"(1) the authority of the Administrator, under section 44927 of title 49, United States Code, to carry out expedited screening for members of the Armed Forces with disabilities or severe injuries or veterans with disabilities or severe injuries; or

"(2) the Honor Flight program under section 44928 of that title.

"(d) LOW-RISK TRAVELERS.—Any traveler who is determined by the Administrator to be low risk based on the traveler's age and who is not a member of a trusted traveler program specified in subsection (b) shall be permitted to utilize TSA PreCheck security screening lanes at Transportation Security Administration checkpoints when traveling on the same reservation as a member of such a program.

"(e) RISK MODIFIED SCREENING.—

"(1) PILOT PROGRAM.—Not later than 60 days after the date of enactment of this Act [Oct. 5, 2018] and subject to paragraph (2), the Administrator shall commence a pilot program regarding a risk modified screening protocol for lanes other than designated TSA PreCheck security screening lanes at passenger screening checkpoints, in airports of varying categories, to further segment passengers based on risk.

"(2) ELIGIBILITY.—Only a low-risk passenger shall be eligible to participate in the risk modified screening pilot program under paragraph (1).

"(3) DEFINITION OF LOW-RISK PASSENGER.—In this subsection, the term 'low-risk passenger' means a passenger who—

"(A) meets a risk-based, intelligence-driven criteria prescribed by the Administrator; or

"(B) undergoes a canine enhanced screening upon arrival at the passenger screening checkpoint.

"(4) TERMINATION.—The pilot program shall terminate on the date that is 120 days after the date it commences under paragraph (1).

"(5) BRIEFING.—Not later than 30 days after the termination date under paragraph (4), the Administrator shall brief the appropriate committees of Congress [Committees on Commerce, Science, and Transportation and Homeland Security and Governmental Affairs of the Senate and Committee on Homeland Security of the House of Representatives] on the findings of the pilot program, including—

"(A) information relating to the security effectiveness and passenger facilitation effectiveness of the risk modified screening protocol;

"(B) a determination regarding whether the risk modified screening protocol was effective; and

"(C) if the Administrator determined that the protocol was effective, a plan for the deployment of the protocol at as many TSA passenger screening checkpoints as practicable.

"(6) IMPLEMENTATION.—In determining whether deployment of the protocol at a TSA passenger screening checkpoint at an airport is practicable, the Administrator shall consider—

"(A) the level of risk at the airport;

"(B) the available space at the airport;

"(C) passenger throughput levels at the airport;

"(D) the checkpoint configuration at the airport; and

"(E) adequate resources to appropriately serve passengers in TSA PreCheck security screening lanes at the passenger screening checkpoint.

"(f) WORKING GROUP.—

"(1) IN GENERAL.—In carrying out subsection (e), the Administrator shall establish a working group to advise the Administrator on the development of plans for the deployment of the protocol at TSA passenger screening checkpoints, other than designated TSA PreCheck security screening lanes, in the most effective and efficient manner practicable.

"(2) MEMBERS.—The working group shall be comprised of representatives of Category X, I, II, III, and IV airports and air carriers (as the term is defined in section 40102 of title 49, United States Code).

"(3) NONAPPLICABILITY OF FACA.—The Federal Advisory Committee Act ([former] 5 U.S.C. App.) [see 5 U.S.C. 1001 et seq.] shall not apply to the working group established under this subsection.

"(g) BRIEFINGS.—

"(1) IN GENERAL.—The Administrator shall brief, on a biannual basis, the appropriate committees of Congress on the implementation of subsections [sic] (a) until the Administrator certifies that only travelers who are members of trusted traveler programs specified in subsection (b) are permitted to use TSA PreCheck security screening lanes at passenger screening checkpoints.

"(2) CERTIFICATION.—Upon a determination by the Administrator that only travelers who are members of a trusted traveler program specified in subsection (b) are permitted to use TSA PreCheck security screening lanes at checkpoints in accordance with subsection (a), the Administrator shall submit to the appropriate committees of Congress a written certification relating to such determination.

"(h) INSPECTOR GENERAL ASSESSMENTS.—The Inspector General of the Department [of Homeland Security] shall assess and transmit to the appropriate committees of Congress the Administrator's implementation under subsection (a).

"(i) EXPANSION OF TSA PRECHECK PROGRAM ENROLLMENT.—

"(1) LONG-TERM STRATEGY.—Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator shall develop and begin the implementation [of] a long-term strategy to increase enrollment in the TSA PreCheck Program.

"(2) CONSIDERATIONS.—In developing the strategy under paragraph (1), the Administrator shall consider the following:

"(A) Partnering with air carriers (as the term is defined in section 40102 of title 49, United States Code) to incorporate PreCheck Program promotion opportunities in the reservation process described in section 1560.101 of title 49, Code of Federal Regulations;[.]

"(B) Including in the PreCheck Program of [sic] an individual who—

"(i) holds a Secret, Top Secret, or Top Secret/Sensitive Compartmented Information clearance, unless the individual has had the individual's clearance revoked or did not pass a periodic reinvestigation; or

"(ii) is a current, full-time Federal law enforcement officer.

"(C) Providing PreCheck Program enrollment flexibility by offering secure mobile enrollment platforms that facilitate in-person identity verification and application data collection, such as through biometrics.

"(D) Reducing travel time to PreCheck Program enrollment centers for applicants, including—

"(i) by adjusting the locations and schedules of existing PreCheck Program enrollment centers to accommodate demand;

"(ii) by seeking to colocate such enrollment centers with existing facilities that support the issuance of—

"(I) United States passports; and

"(II) Security Identification Display Area credentials (as the term is defined in section 1540.5 of title 49, Code of Federal Regulations) located in public, non-secure areas of airports if no systems of an airport operator are used in support of enrollment activities for such credentials; and

"(iii) by increasing the availability of PreCheck Program enrollment platforms, such as kiosks, tablets, or staffed laptop stations.

"(E) The feasibility of providing financial assistance or other incentives for PreCheck Program enrollment for—

"(i) children who are at least 12 years or older, but less than 18 years old;

"(ii) families consisting of 5 or more immediate family members;

"(iii) private sector entities, including small businesses, to establish PreCheck Program enrollment centers in their respective facilities; and

"(iv) private sector entities, including small business concerns (as the term is described in section 3 of the Small Business Act (15 U.S.C. 632)), to reimburse an employee for the cost of the PreCheck Program application."

§44920. Screening partnership program

(a) IN GENERAL.—An airport operator may submit to the Administrator of the Transportation Security Administration an application to carry out the screening of passengers and property at the airport under section 44901 by personnel of a qualified private screening company pursuant to a contract entered into with the Transportation Security Administration.

(b) APPROVAL OF APPLICATIONS.—

(1) IN GENERAL.—Not later than 60 days after the date of receipt of an application submitted by an airport operator under subsection (a), the Administrator shall approve or deny the application.

(2) STANDARDS.—The Administrator shall approve an application submitted by an airport operator under subsection (a) if the Administrator determines that the approval would not compromise security or detrimentally affect the cost-efficiency or the effectiveness of the screening of passengers or property at the airport.

(3) REPORTS ON DENIALS OF APPLICATIONS.—

(A) IN GENERAL.—If the Administrator denies an application submitted by an airport operator under subsection (a), the Administrator shall provide to the airport operator, not later than 60 days following the date of the denial, a written report that sets forth—

(i) the findings that served as the basis for the denial;

(ii) the results of any cost or security analysis conducted in considering the application; and

(iii) recommendations on how the airport operator can address the reasons for the denial.

(B) SUBMISSION TO CONGRESS.—The Administrator shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security of the House of Representatives a copy of any report provided to an airport operator under subparagraph (A).

(c) QUALIFIED PRIVATE SCREENING COMPANY.—A private screening company is qualified to provide screening services at an airport under this section if the company will only employ individuals to provide such services who meet all the requirements of this chapter applicable to Federal Government personnel who perform screening services at airports under this chapter and will provide compensation and other benefits to such individuals that are not less than the level of compensation and other benefits provided to such Federal Government personnel in accordance with this chapter.

(d) SELECTION OF CONTRACTS AND STANDARDS FOR PRIVATE SCREENING COMPANIES.—

(1) IN GENERAL.—The Administrator shall, upon approval of the application, provide the airport operator with a list of qualified private screening companies.

(2) CONTRACTS.—The Administrator shall, to the extent practicable, enter into a contract with a private screening company from the list provided under paragraph (1) for the provision of screening at the airport not later than 120 days after the date of approval of an application submitted by the airport operator under subsection (a) if—

(A) the level of screening services and protection provided at the airport under the contract will be equal to or greater than the level that would be provided at the airport by Federal Government personnel under this chapter;

(B) the private screening company is owned and controlled by a citizen of the United States, to the extent that the Administrator determines that there are private screening companies owned and controlled by such citizens; and

(C) the selected qualified private screening company offered contract price is equal to or less than the cost to the Federal Government to provide screening services at the airport.

(3) WAIVERS.—The Administrator may waive the requirement of paragraph (2)(B) for any

company that is a United States subsidiary with a parent company that has implemented a foreign ownership, control, or influence mitigation plan that has been approved by the Defense Security Service of the Department of Defense prior to the submission of the application. The Administrator has complete discretion to reject any application from a private screening company to provide screening services at an airport that requires a waiver under this paragraph.

(e) SUPERVISION OF SCREENING PERSONNEL.—The Administrator shall—

(1) provide Federal Government supervisors to oversee all screening at each airport at which screening services are provided under this section and provide Federal Government law enforcement officers at the airport pursuant to this chapter; and

(2) undertake covert testing and remedial training support for employees of private screening companies providing screening at airports.

(f) TERMINATION OR SUSPENSION OF CONTRACTS.—The Administrator may suspend or terminate, as appropriate, any contract entered into with a private screening company to provide screening services at an airport under this section if the Administrator finds that the company has failed repeatedly to comply with any standard, regulation, directive, order, law, or contract applicable to the hiring or training of personnel to provide such services or to the provision of screening at the airport.

(g) OPERATOR OF AIRPORT.—Notwithstanding any other provision of law, an operator of an airport shall not be liable for any claims for damages filed in State or Federal court (including a claim for compensatory, punitive, contributory, or indemnity damages) relating to—

(1) such airport operator's decision to submit an application to the Secretary of Homeland Security under subsection (a) or such airport operator's decision not to submit an application; and

(2) any act of negligence, gross negligence, or intentional wrongdoing by—

(A) a qualified private screening company or any of its employees in any case in which the qualified private screening company is acting under a contract entered into with the Secretary of Homeland Security or the Secretary's designee; or

(B) employees of the Federal Government providing passenger and property security screening services at the airport.

(3) Nothing in this section shall relieve any airport operator from liability for its own acts or omissions related to its security responsibilities, nor except as may be provided by the Support Anti-Terrorism by Fostering Effective Technologies Act of 2002 shall it relieve any qualified private screening company or its employees from any liability related to its own acts of negligence, gross negligence, or intentional wrongdoing.

(h) EVALUATION OF SCREENING COMPANY PROPOSALS FOR AWARD.—

(1) IN GENERAL.—Except as provided in paragraph (2), notwithstanding any other provision of law, including title 48 of the Code of Federal Regulations and the Federal Advisory Committee Act (5 U.S.C. App.),[1] an airport operator that has applied and been approved to have security screening services carried out by a qualified private screening company under contract with the Administrator may nominate to the head of the contracting activity an individual to participate in the evaluation of proposals for the award of such contract.

(2) PARTICIPATION ON A PROPOSAL EVALUATION COMMITTEE.—Any participation on a proposal evaluation committee under paragraph (1) shall be conducted in accordance with chapter 21 of title 41.

(i) [2] INNOVATIVE SCREENING APPROACHES AND TECHNOLOGIES.—The Administrator shall encourage an airport operator to whom screening services are provided under this section to recommend to the Administrator innovative screening approaches and technologies. Upon receipt of any such recommendations, the Administrator shall review and, if appropriate, test, conduct a pilot project, and, if appropriate, deploy such approaches and technologies.

(i) [2] DEFINITION OF ADMINISTRATOR.—In this section, the term "Administrator" means the Administrator of the Transportation Security Administration.

[2] *So in original. Two subsecs. (i) have been enacted.*

§44921. Federal flight deck officer program

(a) ESTABLISHMENT.—The Administrator shall establish a program to deputize volunteer pilots of air carriers providing air transportation or intrastate air transportation as Federal law enforcement officers to defend the flight decks of aircraft of such air carriers against acts of criminal violence or air piracy. Such officers shall be known as "Federal flight deck officers".

(b) PROCEDURAL REQUIREMENTS.—

(1) IN GENERAL.—The Administrator shall establish procedural requirements to carry out the program under this section.

(2) COMMENCEMENT OF PROGRAM.—The Administrator shall train and deputize pilots who are qualified to be Federal flight deck officers as Federal flight deck officers under the program.

(3) ISSUES TO BE ADDRESSED.—The procedural requirements established under paragraph (1) shall address the following issues:

(A) The type of firearm to be used by a Federal flight deck officer.

(B) The type of ammunition to be used by a Federal flight deck officer.

(C) The standards and training needed to qualify and requalify as a Federal flight deck officer.

(D) The placement of the firearm of a Federal flight deck officer on board the aircraft to ensure both its security and its ease of retrieval in an emergency.

(E) An analysis of the risk of catastrophic failure of an aircraft as a result of the discharge (including an accidental discharge) of a firearm to be used in the program into the avionics, electrical systems, or other sensitive areas of the aircraft.

(F) The division of responsibility between pilots in the event of an act of criminal violence or air piracy if only 1 pilot is a Federal flight deck officer and if both pilots are Federal flight deck officers.

(G) Procedures for ensuring that the firearm of a Federal flight deck officer does not leave the cockpit if there is a disturbance in the passenger cabin of the aircraft or if the pilot leaves the cockpit for personal reasons.

(H) Interaction between a Federal flight deck officer and a Federal air marshal on board the aircraft.

(I) The process for selection of pilots to participate in the program based on their fitness to participate in the program, including whether an additional background check should be required beyond that required by section 44936(a)(1).

(J) Storage and transportation of firearms between flights, including international flights, to ensure the security of the firearms, focusing particularly on whether such security would be enhanced by requiring storage of the firearm at the airport when the pilot leaves the airport to remain overnight away from the pilot's base airport.

(K) Methods for ensuring that security personnel will be able to identify whether a pilot is authorized to carry a firearm under the program.

(L) Methods for ensuring that pilots (including Federal flight deck officers) will be able to identify whether a passenger is a law enforcement officer who is authorized to carry a firearm aboard the aircraft.

(M) Any other issues that the Administrator considers necessary.

(N) The Administrator's decisions regarding the methods for implementing each of the foregoing procedural requirements shall be subject to review only for abuse of discretion.

(4) PREFERENCE.—In selecting pilots to participate in the program, the Administrator shall give preference to pilots who are former military or law enforcement personnel.

(5) CLASSIFIED INFORMATION.—Notwithstanding section 552 of title 5 but subject to section 40119 [1] of this title, information developed under paragraph (3)(E) shall not be disclosed.

(6) NOTICE TO CONGRESS.—The Administrator shall provide notice to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate after completing the analysis required by paragraph (3)(E).

(7) MINIMIZATION OF RISK.—If the Administrator determines as a result of the analysis under paragraph (3)(E) that there is a significant risk of the catastrophic failure of an aircraft as a result of the discharge of a firearm, the Administrator shall take such actions as may be necessary to minimize that risk.

(c) TRAINING, SUPERVISION, AND EQUIPMENT.—

(1) IN GENERAL.—The Administrator shall only be obligated to provide the training, supervision, and equipment necessary for a pilot to be a Federal flight deck officer under this section at no expense to the pilot or the air carrier employing the pilot.

(2) TRAINING.—

(A) IN GENERAL.—The Administrator shall base the requirements for the training of Federal flight deck officers under subsection (b) on the training standards applicable to Federal air marshals; except that the Administrator shall take into account the differing roles and

responsibilities of Federal flight deck officers and Federal air marshals.

(B) ELEMENTS.—The training of a Federal flight deck officer shall include, at a minimum, the following elements:

(i) Training to ensure that the officer achieves the level of proficiency with a firearm required under subparagraph (C)(i).

(ii) Training to ensure that the officer maintains exclusive control over the officer's firearm at all times, including training in defensive maneuvers.

(iii) Training to assist the officer in determining when it is appropriate to use the officer's firearm and when it is appropriate to use less than lethal force.

(C) TRAINING IN USE OF FIREARMS.—

(i) STANDARD.—In order to be deputized as a Federal flight deck officer, a pilot must achieve a level of proficiency with a firearm that is required by the Administrator. Such level shall be comparable to the level of proficiency required of Federal air marshals.

(ii) CONDUCT OF TRAINING.—

(I) IN GENERAL.—The training of a Federal flight deck officer in the use of a firearm may be conducted by the Administrator or by a firearms training facility.

(II) ACCESS TO TRAINING FACILITIES.—The Administrator shall designate additional firearms training facilities located in various regions of the United States for Federal flight deck officers for recurrent and requalifying training relative to the number of such facilities available on the day before such [2] date of enactment.

(iii) REQUALIFICATION.—

(I) IN GENERAL.—The Administrator shall require a Federal flight deck officer to requalify to carry a firearm under the program. Such requalification shall occur at an interval required by the Administrator.

(II) USE OF FACILITIES FOR REQUALIFICATION.—The Administrator shall allow a Federal flight deck officer to requalify to carry a firearm under the program through training at a Transportation Security Administration-approved firearms training facility utilizing a Transportation Security Administration-approved contractor and a curriculum developed and approved by the Transportation Security Administration.

(iv) PERIODIC REVIEW.—The Administrator shall periodically review requalification training intervals and assess whether it is appropriate and sufficient to adjust the time between each requalification training to facilitate continued participation in the program under this section while still maintaining effectiveness of the training, and update the training requirements as appropriate.

(D) TRAINING REVIEW.—Not later than 2 years after the date of enactment of the TSA Modernization Act, and biennially thereafter, the Administrator shall review training facilities and training requirements for initial and recurrent training for Federal flight deck officers and evaluate how training requirements, including the length of training, could be streamlined while maintaining the effectiveness of the training, and update the training requirements as appropriate.

(d) DEPUTIZATION.—

(1) IN GENERAL.—The Administrator may deputize, as a Federal flight deck officer under this section, a pilot who submits to the Administrator a request to be such an officer and whom the Administrator determines is qualified to be such an officer.

(2) QUALIFICATION.—

(A) IN GENERAL.—A pilot is qualified to be a Federal flight deck officer under this section if—

(i) the pilot is employed by an air carrier;

(ii) the Administrator determines (in the Administrator's discretion) that the pilot meets the standards established by the Administrator for being such an officer; and

(iii) the Administrator determines that the pilot has completed the training required by the Administrator.

(B) CONSISTENCY WITH REQUIREMENTS FOR CERTAIN MEDICAL CERTIFICATES.—In establishing standards under subparagraph (A)(ii), the Administrator may not establish medical or physical standards for a pilot to become a Federal flight deck officer that are inconsistent with or more stringent than the requirements of the Federal Aviation Administration for the issuance of the required airman medical certificate under part 67 of title 14, Code of Federal Regulations (or any corresponding similar regulation or ruling).

(3) DEPUTIZATION BY OTHER FEDERAL AGENCIES.—The Administrator may request another Federal agency to deputize, as Federal flight deck officers under this section, those pilots that the Administrator determines are qualified to be such officers.

(4) REVOCATION.—The Administrator may (in the Administrator's discretion) revoke the deputization of a pilot as a Federal flight deck officer if the Administrator finds that the pilot is no longer qualified to be such an officer.

(5) TRANSFER FROM INACTIVE TO ACTIVE STATUS.—In accordance with any applicable Transportation Security Administration appeals processes, a pilot deputized as a Federal flight deck officer who moves to inactive status may return to active status upon successful completion of a recurrent training program administered within program guidelines.

(e) COMPENSATION.—

(1) IN GENERAL.—Pilots participating in the program under this section shall not be eligible for compensation from the Federal Government for services provided as a Federal flight deck officer. The Federal Government and air carriers shall not be obligated to compensate a pilot for participating in the program or for the pilot's training or qualification and requalification to carry firearms under the program.

(2) FACILITATION OF TRAINING.—An air carrier shall permit a pilot seeking to be deputized as a Federal flight deck officer or a Federal flight deck officer to take a reasonable amount of leave to participate in initial, recurrent, or requalification training, as applicable, for the program. Leave required under this paragraph may be provided without compensation.

(f) AUTHORITY TO CARRY FIREARMS.—

(1) IN GENERAL.—The Administrator shall authorize a Federal flight deck officer to carry a firearm while engaged in providing air transportation or intrastate air transportation. Notwithstanding subsection (c)(1), the officer may purchase a firearm and carry that firearm aboard an aircraft of which the officer is the pilot in accordance with this section if the firearm is of a type that may be used under the program.

(2) PREEMPTION.—Notwithstanding any other provision of Federal or State law, a Federal flight deck officer, whenever necessary to participate in the program, may carry a firearm in any State and from 1 State to another State.

(3) CARRYING FIREARMS OUTSIDE UNITED STATES.—In consultation with the Secretary of State, the Administrator may take such action as may be necessary to ensure that a Federal flight deck officer may carry a firearm in a foreign country whenever necessary to participate in the program.

(4) CONSISTENCY WITH FEDERAL AIR MARSHAL PROGRAM.—The Administrator shall harmonize, to the extent practicable and in a manner that does not jeopardize existing Federal air marshal agreements, the policies relating to the carriage of firearms on international flights by Federal flight deck officers with the policies of the Federal air marshal program for carrying firearms on such flights and carrying out the duties of a Federal flight deck officer, notwithstanding Annex 17 of the International Civil Aviation Organization.

(g) AUTHORITY TO USE FORCE.—Notwithstanding section 44903(d), the Administrator shall prescribe the standards and circumstances under which a Federal flight deck officer may use, while the program under this section is in effect, force (including lethal force) against an individual in the defense of the flight deck of an aircraft in air transportation or intrastate air transportation.

(h) LIMITATION ON LIABILITY.—

(1) LIABILITY OF AIR CARRIERS.—An air carrier shall not be liable for damages in any action brought in a Federal or State court arising out of a Federal flight deck officer's use of or failure to use a firearm.

(2) LIABILITY OF FEDERAL FLIGHT DECK OFFICERS.—A Federal flight deck officer shall not be liable for damages in any action brought in a Federal or State court arising out of the acts or omissions of the officer in defending the flight deck of an aircraft against acts of criminal violence or air piracy unless the officer is guilty of gross negligence or willful misconduct.

(3) LIABILITY OF FEDERAL GOVERNMENT.—For purposes of an action against the United States with respect to an act or omission of a Federal flight deck officer in defending the flight deck of an aircraft, the officer shall be treated as an employee of the Federal Government under chapter 171 of title 28, relating to tort claims procedure.

(i) PROCEDURES FOLLOWING ACCIDENTAL DISCHARGES.—If an accidental discharge of a firearm under the pilot program results in the injury or death of a passenger or crew member on an aircraft, the Administrator—

(1) shall revoke the deputization of the Federal flight deck officer responsible for that firearm if the Administrator determines that the discharge was attributable to the negligence of the officer; and

(2) if the Administrator determines that a shortcoming in standards, training, or procedures was responsible for the accidental discharge, may temporarily suspend the program until the shortcoming is corrected.

(j) LIMITATION ON AUTHORITY OF AIR CARRIERS.—No air carrier shall prohibit or threaten any retaliatory action against a pilot employed by the air carrier from becoming a Federal flight deck officer under this section. No air carrier shall—

(1) prohibit a Federal flight deck officer from piloting an aircraft operated by the air carrier; or

(2) terminate the employment of a Federal flight deck officer, solely on the basis of his or her volunteering for or participating in the program under this section.

(k) APPLICABILITY.—This section shall not apply to air carriers operating under part 135 of title 14, Code of Federal Regulations, and to pilots employed by such carriers to the extent that such carriers and pilots are covered by section 135.119 of such title or any successor to such section.

(l) DEFINITIONS.—In this section:

(1) ADMINISTRATOR.—The term "Administrator" means the Administrator of the Transportation Security Administration.

(2) AIR TRANSPORTATION.—The term "air transportation" includes all-cargo air transportation.

(3) FIREARMS TRAINING FACILITY.—The term "firearms training facility" means a private or government-owned gun range approved by the Administrator to provide recurrent or requalification training, as applicable, for the program, utilizing a Transportation Security Administration-approved contractor and a curriculum developed and approved by the Transportation Security Administration.

(4) PILOT.—The term "pilot" means an individual who has final authority and responsibility for the operation and safety of the flight or any other flight deck crew member.

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE

Section effective 60 days after Nov. 25, 2002, see section 4 of Pub. L. 107–296, set out as a note under section 101 of Title 6, Domestic Security.

REGULATIONS

Pub. L. 115–254, div. K, title I, §1963(i), Oct. 5, 2018, 132 Stat. 3604, provided that: "Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018]—

"(1) the Secretary of Transportation shall revise section 15.5(b)(11) of title 49, Code of Federal Regulations, to classify information about pilots deputized as Federal flight deck officers under section 44921 of title 49, United States Code, as sensitive security information in a manner consistent with the classification of information about Federal air marshals; and

"(2) the Administrator [of the Transportation Security Administration] shall revise section 1520.5(b)(11) of title 49, Code of Federal Regulations, to classify information about pilots deputized as Federal flight deck officers under section 44921 of title 49, United States Code, as sensitive security information in a manner consistent with the classification of information about Federal air marshals."

Pub. L. 115–254, div. K, title I, §1963(j), Oct. 5, 2018, 132 Stat. 3604, provided that: "Not later than 180 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Transportation Security Administration] shall prescribe such regulations as may be necessary to carry out this section [amending this section and enacting provisions set out as a note under this section] and the amendments made by this section."

EQUITABLE IMPLEMENTATION OF 2003 AMENDMENTS

Pub. L. 108–176, title VI, §609(c), Dec. 12, 2003, 117 Stat. 2570, provided that: "In carrying out the amendments made by subsection (d) [probably means subsec. (b), which amended this section], the Under Secretary for Border and Transportation Security of the Department of Homeland Security shall ensure that passenger and cargo pilots are treated equitably in receiving access to training as Federal flight deck officers."

TIME FOR IMPLEMENTATION

Pub. L. 108–176, title VI, §609(d), Dec. 12, 2003, 117 Stat. 2570, provided that: "The requirements of subsection (e) [section 609 of Pub. L. 108–176 has no subsec. (e)] shall have no effect on the deadlines for implementation contained in section 44921 of title 49, United States Code, as in effect on the day before the date of enactment of this Act [Dec. 12, 2003]."

§44922. Deputization of State and local law enforcement officers

(a) DEPUTIZATION AUTHORITY.—The Administrator of the Transportation Security Administration may deputize a State or local law enforcement officer to carry out Federal airport security duties under this chapter.

(b) FULFILLMENT OF REQUIREMENTS.—A State or local law enforcement officer who is deputized under this section shall be treated as a Federal law enforcement officer for purposes of meeting the requirements of this chapter and other provisions of law to provide Federal law enforcement officers to carry out Federal airport security duties.

(c) AGREEMENTS.—To deputize a State or local law enforcement officer under this section, the Administrator of the Transportation Security Administration shall enter into a voluntary agreement with the appropriate State or local law enforcement agency that employs the State or local law enforcement officer.

(d) REIMBURSEMENT.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration shall reimburse a State or local law enforcement agency for all reasonable, allowable, and allocable costs incurred by the State or local law enforcement agency with respect to a law enforcement officer deputized under this section.

(2) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated

such sums as may be necessary to carry out this subsection.

(e) FEDERAL TORT CLAIMS ACT.—A State or local law enforcement officer who is deputized under this section shall be treated as an "employee of the Government" for purposes of sections 1346(b), 2401(b), and chapter 171 of title 28, United States Code, while carrying out Federal airport security duties within the course and scope of the officer's employment, subject to Federal supervision and control, and in accordance with the terms of such deputization.

(f) STATIONING OF OFFICERS.—The Administrator of the Transportation Security Administration may allow law enforcement personnel to be stationed other than at the airport security screening location if that would be preferable for law enforcement purposes and if such personnel would still be able to provide prompt responsiveness to problems occurring at the screening location.

(Added Pub. L. 108–7, div. I, title III, §351(a), Feb. 20, 2003, 117 Stat. 419; amended Pub. L. 115–254, div. K, title I, §1991(d)(18), Oct. 5, 2018, 132 Stat. 3636.)

AMENDMENTS

2018—Pub. L. 115–254, §1991(d)(18)(D), substituted "Administrator of the Transportation Security Administration" for "Under Secretary" wherever appearing.

Pub. L. 115–254, §1991(d)(18)(A), substituted "Deputization" for "Deputation" in section catchline.

Subsec. (a). Pub. L. 115–254, §1991(d)(18)(B), in heading, substituted "Deputization" for "Deputation" and, in text, substituted "Administrator of the Transportation Security Administration" for "Under Secretary of Transportation for Security".

Subsec. (e). Pub. L. 115–254, §1991(d)(18)(C), substituted "deputization" for "deputation".

§44923. Airport security improvement projects

(a) GRANT AUTHORITY.—Subject to the requirements of this section, the Administrator of the Transportation Security Administration shall make grants to airport sponsors—

(1) for projects to replace baggage conveyer systems related to aviation security;

(2) for projects to reconfigure terminal baggage areas as needed to install explosive detection systems;

(3) for projects to enable the Administrator of the Transportation Security Administration to deploy explosive detection systems behind the ticket counter, in the baggage sorting area, or in line with the baggage handling system; and

(4) for other airport security capital improvement projects.

(b) APPLICATIONS.—A sponsor seeking a grant under this section shall submit to the Administrator of the Transportation Security Administration an application in such form and containing such information as the Administrator of the Transportation Security Administration prescribes.

(c) APPROVAL.—The Administrator of the Transportation Security Administration, after consultation with the Secretary of Transportation, may approve an application of a sponsor for a grant under this section only if the Administrator of the Transportation Security Administration determines that the project will improve security at an airport or improve the efficiency of the airport without lessening security.

(d) LETTERS OF INTENT.—

(1) ISSUANCE.—The Administrator of the Transportation Security Administration shall issue a letter of intent to a sponsor committing to obligate from future budget authority an amount, not more than the Federal Government's share of the project's cost, for an airport security improvement project (including interest costs and costs of formulating the project).

(2) SCHEDULE.—A letter of intent under this subsection shall establish a schedule under which the Administrator of the Transportation Security Administration will reimburse the sponsor for the Government's share of the project's costs, as amounts become available, if the sponsor,

after the Administrator of the Transportation Security Administration issues the letter, carries out the project without receiving amounts under this section.

(3) NOTICE TO ADMINISTRATOR OF THE TRANSPORTATION SECURITY ADMINISTRATION.—A sponsor that has been issued a letter of intent under this subsection shall notify the Administrator of the Transportation Security Administration of the sponsor's intent to carry out a project before the project begins.

(4) NOTICE TO CONGRESS.—The Administrator of the Transportation Security Administration shall transmit to the Committees on Appropriations and Transportation and Infrastructure of the House of Representatives and the Committees on Appropriations and Commerce, Science [1] and Transportation of the Senate a written notification at least 3 days before the issuance of a letter of intent under this section.

(5) LIMITATIONS.—A letter of intent issued under this subsection is not an obligation of the Government under section 1501 of title 31, and the letter is not deemed to be an administrative commitment for financing. An obligation or administrative commitment may be made only as amounts are provided in authorization and appropriations laws.

(6) STATUTORY CONSTRUCTION.—Nothing in this subsection shall be construed to prohibit the obligation of amounts pursuant to a letter of intent under this subsection in the same fiscal year as the letter of intent is issued.

(e) FEDERAL SHARE.—The Government's share of the cost of a project under this section shall be 90 percent for a project at a medium or large hub airport and 95 percent for a project at any other airport.

(f) SPONSOR DEFINED.—In this section, the term "sponsor" has the meaning given that term in section 47102.

(g) APPLICABILITY OF CERTAIN REQUIREMENTS.—The requirements that apply to grants and letters of intent issued under chapter 471 (other than section 47102(3)) shall apply to grants and letters of intent issued under this section.

(h) AVIATION SECURITY CAPITAL FUND.—

(1) IN GENERAL.—There is established within the Department of Homeland Security a fund to be known as the Aviation Security Capital Fund. The first $250,000,000 derived from fees received under section 44940(a)(1) in each of fiscal years 2004 through 2028 shall be available to be deposited in the Fund. The Administrator of the Transportation Security Administration shall impose the fee authorized by section 44940(a)(1) so as to collect at least $250,000,000 in each of such fiscal years for deposit into the Fund. Amounts in the Fund shall be available to the Administrator of the Transportation Security Administration to make grants under this section.

(2) ALLOCATION.—Of the amount made available under paragraph (1) for a fiscal year, not less than $200,000,000 shall be allocated to fulfill letters of intent issued under subsection (d).

(3) DISCRETIONARY GRANTS.—Of the amount made available under paragraph (1) for a fiscal year, up to $50,000,000 shall be used to make discretionary grants, including other transaction agreements for airport security improvement projects, with priority given to small hub airports and nonhub airports.

(i) LEVERAGED FUNDING.—For purposes of this section, a grant under subsection (a) to an airport sponsor to service an obligation issued by or on behalf of that sponsor to fund a project described in subsection (a) shall be considered to be a grant for that project.

(Added Pub. L. 108–176, title VI, §605(a), Dec. 12, 2003, 117 Stat. 2566; amended Pub. L. 108–458, title IV, §4019(e)(1), Dec. 17, 2004, 118 Stat. 3722; Pub. L. 110–53, title XVI, §§1603(a), 1604(a), Aug. 3, 2007, 121 Stat. 480; Pub. L. 115–254, div. K, title I, §1991(d)(19), Oct. 5, 2018, 132 Stat. 3636.)

EDITORIAL NOTES

AMENDMENTS

2018—Pub. L. 115–254, §1991(d)(19)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary" wherever appearing.

Subsec. (a). Pub. L. 115–254, §1991(d)(19)(A), in introductory provisions, substituted "Administrator of the Transportation Security Administration" for "Under Secretary for Border and Transportation Security of the Department of Homeland Security".

Subsec. (e). Pub. L. 115–254, §1991(d)(19)(C), struck out par. (1) designation and heading before "The Government's share" and struck out par. (2). Prior to amendment, text of par. (2) read as follows: "The Under Secretary shall revise letters of intent issued before the date of enactment of this section to reflect the cost share established in this subsection with respect to grants made after September 30, 2003."

Subsec. (j). Pub. L. 115–254, §1991(d)(19)(D), struck out subsec. (j) which authorized appropriations for fiscal years 2005 to 2011.

2007—Subsec. (a). Pub. L. 110–53, §1604(a)(1), substituted "shall make" for "may make" in introductory provisions.

Subsec. (d)(1). Pub. L. 110–53, §1604(a)(2), substituted "shall issue" for "may issue".

Subsec. (h)(1). Pub. L. 110–53, §1604(a)(3), substituted "2028" for "2007".

Subsec. (h)(2), (3). Pub. L. 110–53, §1604(a)(4), added pars. (2) and (3) and struck out former pars. (2) and (3) which related to allocation of $125,000,000 of amount available per fiscal year for large, medium, and small hub airports, nonhub airports, and on the basis of aviation security risks, and allocation of $125,000,000 of amount available per fiscal year for discretionary grants, with priority given to fulfilling letters of intent issued under subsec. (d).

Subsec. (i). Pub. L. 110–53, §1604(a)(6), added subsec. (i). Former subsec. (i) redesignated (j).

Subsec. (i)(1). Pub. L. 110–53, §1603(a), substituted "2007, and $450,000,000 for each of fiscal years 2008 through 2011" for "2007."

Subsec. (j). Pub. L. 110–53, §1604(a)(5), redesignated subsec. (i) as (j).

2004—Subsec. (i)(1). Pub. L. 108–458 substituted "$400,000,000 for each of fiscal years 2005, 2006, and 2007" for "$250,000,000 for each of fiscal years 2004 through 2007".

Pub. L. 110–53, title XVI, §1604(b), Aug. 3, 2007, 121 Stat. 480, required the Administrator of the Transportation Security Administration to establish a prioritization schedule for airport security improvement projects described in this section based on risk and other relevant factors, to be funded under this section, and to provide to Congress, not later than 180 days after Aug. 3, 2007, a copy of the prioritization schedule, a corresponding timeline, and a description of the funding allocation under this section.

PERIOD OF REIMBURSEMENT

Pub. L. 108–458, title IV, §4019(e)(2), Dec. 17, 2004, 118 Stat. 3722, provided that: "Notwithstanding any other provision of law, the Secretary [of Homeland Security] may provide that the period of reimbursement under any letter of intent may extend for a period not to exceed 10 years after the date that the Secretary issues such letter, subject to the availability of appropriations. This paragraph applies to letters of intent issued under section 44923 of title 49, United States Code, and letters of intent issued under section 367 of the Department of Transportation and Related Agencies Appropriation Act, 2003 [Pub. L. 108–7, div. I] (49 U.S.C. 47110 note)."

§44924. Repair station security

(a) SECURITY REVIEW AND AUDIT.—To ensure the security of maintenance and repair work conducted on air carrier aircraft and components at foreign repair stations, the Administrator of the

Transportation Security Administration, in consultation with the Administrator of the Federal Aviation Administration, shall complete a security review and audit of foreign repair stations that are certified by the Administrator of the Federal Aviation Administration under part 145 of title 14, Code of Federal Regulations, and that work on air carrier aircraft and components. The review shall be completed not later than 6 months after the date on which the Administrator of the Transportation Security Administration issues regulations under subsection (f).

(b) ADDRESSING SECURITY CONCERNS.—The Administrator of the Transportation Security Administration shall require a foreign repair station to address the security issues and vulnerabilities identified in a security audit conducted under subsection (a) within 90 days of providing notice to the repair station of the security issues and vulnerabilities so identified and shall notify the Administrator of the Federal Aviation Administration that a deficiency was identified in the security audit.

(c) SUSPENSIONS AND REVOCATIONS OF CERTIFICATES.—

(1) FAILURE TO CARRY OUT EFFECTIVE SECURITY MEASURES.—If, after the 90th day on which a notice is provided to a foreign repair station under subsection (b), the Administrator of the Transportation Security Administration determines that the foreign repair station does not maintain and carry out effective security measures, the Administrator of the Transportation Security Administration shall notify the Administrator of the Federal Aviation Administration of the determination. Upon receipt of the determination, the Administrator of the Federal Aviation Administration shall suspend the certification of the repair station until such time as the Administrator of the Transportation Security Administration determines that the repair station maintains and carries out effective security measures and transmits the determination to the Administrator of the Federal Aviation Administration.

(2) IMMEDIATE SECURITY RISK.—If the Administrator of the Transportation Security Administration determines that a foreign repair station poses an immediate security risk, the Administrator of the Transportation Security Administration shall notify the Administrator of the Federal Aviation Administration of the determination. Upon receipt of the determination, the Administrator of the Federal Aviation Administration shall revoke the certification of the repair station.

(3) PROCEDURES FOR APPEALS.—The Administrator of the Transportation Security Administration, in consultation with the Administrator of the Federal Aviation Administration, shall establish procedures for appealing a revocation of a certificate under this subsection.

(d) FAILURE TO MEET AUDIT DEADLINE.—If the security audits required by subsection (a) are not completed on or before the date that is 6 months after the date on which the Administrator of the Transportation Security Administration issues regulations under subsection (f), the Administrator of the Federal Aviation Administration shall be barred from certifying any foreign repair station (other than a station that was previously certified, or is in the process of certification, by the Administration under this part) until such audits are completed for existing stations.

(e) PRIORITY FOR AUDITS.—In conducting the audits described in subsection (a), the Administrator of the Transportation Security Administration and the Administrator of the Federal Aviation Administration shall give priority to foreign repair stations located in countries identified by the Government as posing the most significant security risks.

(f) REGULATIONS.—The Administrator of the Transportation Security Administration, in consultation with the Administrator of the Federal Aviation Administration, shall issue final regulations to ensure the security of foreign and domestic aircraft repair stations.

(g) REPORT TO CONGRESS.—If the Administrator of the Transportation Security Administration does not issue final regulations before the deadline specified in subsection (f), the Administrator of the Transportation Security Administration shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report containing an explanation as to why the deadline was not met and a schedule for issuing the final regulations.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE

Section applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as an Effective Date of 2003 Amendment note under section 106 of this title.

SUSPENSION OF CERTIFICATION OF FOREIGN REPAIR STATIONS

Pub. L. 110–53, title XVI, §1616(a), Aug. 3, 2007, 121 Stat. 488, provided that: "If the regulations required by section 44924(f) of title 49, United States Code, are not issued within 1 year after the date of enactment of this Act [Aug. 3, 2007], the Administrator of the Federal Aviation Administration may not certify any foreign repair station under part 145 of title 14, Code of Federal Regulations, after such date unless the station was previously certified, or is in the process of certification by the Administration under that part."

§44925. Deployment and use of detection equipment at airport screening checkpoints

(a) WEAPONS AND EXPLOSIVES.—The Secretary of Homeland Security shall give a high priority to developing, testing, improving, and deploying, at airport screening checkpoints, equipment that detects nonmetallic, chemical, biological, and radiological weapons, and explosives, in all forms, on individuals and in their personal property. The Secretary shall ensure that the equipment alone, or as part of an integrated system, can detect under realistic operating conditions the types of weapons and explosives that terrorists would likely try to smuggle aboard an air carrier aircraft.

(b) STRATEGIC PLAN FOR DEPLOYMENT AND USE OF EXPLOSIVE DETECTION EQUIPMENT AT AIRPORT SCREENING CHECKPOINTS.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration shall submit to the appropriate congressional committees a strategic plan to promote the optimal

utilization and deployment of explosive detection equipment at airports to screen individuals and their personal property. Such equipment includes walk-through explosive detection portals, document scanners, shoe scanners, and backscatter x-ray scanners. The plan may be submitted in a classified format.

(2) CONTENT.—The strategic plan shall include, at minimum—

(A) a description of current efforts to detect explosives in all forms on individuals and in their personal property;

(B) a description of the operational applications of explosive detection equipment at airport screening checkpoints;

(C) a deployment schedule and a description of the quantities of equipment needed to implement the plan;

(D) a description of funding needs to implement the plan, including a financing plan that provides for leveraging of non-Federal funding;

(E) a description of the measures taken and anticipated to be taken in carrying out subsection (d); and

(F) a description of any recommended legislative actions.

(c) PORTAL DETECTION SYSTEMS.—There is authorized to be appropriated to the Secretary of Homeland Security for the use of the Transportation Security Administration $250,000,000, in addition to any amounts otherwise authorized by law, for research, development, and installation of detection systems and other devices for the detection of biological, chemical, radiological, and explosive materials.

(d) INTERIM ACTION.—Until measures are implemented that enable the screening of all passengers for explosives, the Administrator of the Transportation Security Administration shall provide, by such means as the Administrator of the Transportation Security Administration considers appropriate, explosives detection screening for all passengers identified for additional screening and their personal property that will be carried aboard a passenger aircraft operated by an air carrier or foreign air carrier in air transportation or intrastate air transportation.

EQUIPMENT AT AIRPORT SCREENING CHECKPOINTS

Pub. L. 110–53, title XVI, §1607(a), Aug. 3, 2007, 121 Stat. 483, provided that, not later than 30 days after Aug. 3, 2007, the Secretary of Homeland Security, in consultation with the Administrator of the Transportation Security Administration, was to issue the strategic plan the Secretary was required by subsec. (b) of this section to have issued within 90 days after Dec. 17, 2004.

ADVANCED AIRPORT CHECKPOINT SCREENING DEVICES

Pub. L. 108–458, title IV, §4014, Dec. 17, 2004, 118 Stat. 3720, directed the Assistant Secretary of Homeland Security (Transportation Security Administration), not later than Mar. 31, 2005, to develop and initiate a pilot program to deploy and test advanced airport checkpoint screening devices and technology as an integrated system at not less than 5 airports in the United States.

§44926. Appeal and redress process for passengers wrongly delayed or prohibited from boarding a flight

(a) IN GENERAL.—The Secretary of Homeland Security shall establish a timely and fair process for individuals who believe they have been delayed or prohibited from boarding a commercial aircraft because they were wrongly identified as a threat under the regimes utilized by the Transportation Security Administration, United States Customs and Border Protection, or any other office or component of the Department of Homeland Security.

(b) OFFICE OF APPEALS AND REDRESS.—

(1) ESTABLISHMENT.—The Secretary shall establish in the Department an Office of Appeals and Redress to implement, coordinate, and execute the process established by the Secretary pursuant to subsection (a). The Office shall include representatives from the Transportation Security Administration, United States Customs and Border Protection, and such other offices and components of the Department as the Secretary determines appropriate.

(2) RECORDS.—The process established by the Secretary pursuant to subsection (a) shall include the establishment of a method by which the Office, under the direction of the Secretary, will be able to maintain a record of air carrier passengers and other individuals who have been misidentified and have corrected erroneous information.

(3) INFORMATION.—To prevent repeated delays of a misidentified passenger or other individual, the Office shall—

(A) ensure that the records maintained under this subsection contain information determined by the Secretary to authenticate the identity of such a passenger or individual;

(B) furnish to the Transportation Security Administration, United States Customs and Border Protection, or any other appropriate office or component of the Department, upon request, such information as may be necessary to allow such office or component to assist air carriers in improving their administration of the advanced passenger prescreening system and reduce the number of false positives; and

(C) require air carriers and foreign air carriers take action to identify passengers determined, under the process established under subsection (a), to have been wrongly identified.

(4) HANDLING OF PERSONALLY IDENTIFIABLE INFORMATION.—The Secretary, in conjunction with the Chief Privacy Officer of the Department shall—

(A) require that Federal employees of the Department handling personally identifiable information of passengers (in this paragraph referred to as "PII") complete mandatory privacy and security training prior to being authorized to handle PII;

(B) ensure that the records maintained under this subsection are secured by encryption, one-way hashing, other data anonymization techniques, or such other equivalent security technical protections as the Secretary determines necessary;

(C) limit the information collected from misidentified passengers or other individuals to the minimum amount necessary to resolve a redress request;

(D) require that the data generated under this subsection shall be shared or transferred via a

secure data network, that has been audited to ensure that the anti-hacking and other security related software functions properly and is updated as necessary;

(E) ensure that any employee of the Department receiving the data contained within the records handles the information in accordance with the section 552a of title 5, United States Code, and the Federal Information Security Management Act of 2002 (Public Law 107–296);

(F) only retain the data for as long as needed to assist the individual traveler in the redress process; and

(G) conduct and publish a privacy impact assessment of the process described within this subsection and transmit the assessment to the Committee on Homeland Security of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and Committee on Homeland Security and Governmental Affairs of the Senate.

(5) INITIATION OF REDRESS PROCESS AT AIRPORTS.—The Office shall establish at each airport at which the Department has a significant presence a process to provide information to air carrier passengers to begin the redress process established pursuant to subsection (a).

AMENDMENTS

2018—Subsec. (b)(3). Pub. L. 115–254 substituted "a misidentified passenger" for "an misidentified passenger" in introductory provisions.

§44927. Expedited screening for severely injured or disabled members of the Armed Forces and severely injured or disabled veterans

(a) PASSENGER SCREENING.—The Administrator of the Transportation Security Administration, in consultation with the Secretary of Defense, the Secretary of Veterans Affairs, and organizations identified by the Secretaries of Defense and Veterans Affairs that advocate on behalf of severely injured or disabled members of the Armed Forces and severely injured or disabled veterans, shall develop and implement a process to support and facilitate the ease of travel and to the extent possible provide expedited passenger screening services for severely injured or disabled members of the Armed Forces and severely injured or disabled veterans through passenger screening. The process shall be designed to offer the individual private screening to the maximum extent practicable.

(b) OPERATIONS CENTER.—As part of the process under subsection (a), the Administrator of the Transportation Security Administration shall maintain an operations center to provide support and facilitate the movement of severely injured or disabled members of the Armed Forces and severely injured or disabled veterans through passenger screening prior to boarding a passenger aircraft operated by an air carrier or foreign air carrier in air transportation or intrastate air transportation.

(c) PROTOCOLS.—The Administrator of the Transportation Security Administration shall—

(1) establish and publish protocols, in consultation with the Secretary of Defense, the Secretary of Veterans Affairs, and the organizations identified under subsection (a), under which a severely injured or disabled member of the Armed Forces or severely injured or disabled veteran, or the

family member or other representative of such member or veteran, may contact the operations center maintained under subsection (b) and request the expedited passenger screening services described in subsection (a) for that member or veteran; and

(2) upon receipt of a request under paragraph (1), require the operations center to notify the appropriate Federal Security Director of the request for expedited passenger screening services, as described in subsection (a), for that member or veteran.

(d) TRAINING.—The Administrator of the Transportation Security Administration shall integrate training on the protocols established under subsection (c) into the training provided to all employees who will regularly provide the passenger screening services described in subsection (a).

(e) RULE OF CONSTRUCTION.—Nothing in this section shall affect the authority of the Administrator of the Transportation Security Administration to require additional screening of a severely injured or disabled member of the Armed Forces, a severely injured or disabled veteran, or their accompanying family members or nonmedical attendants, if intelligence, law enforcement, or other information indicates that additional screening is necessary.

(f) REPORTS.—Each year, the Administrator of the Transportation Security Administration shall submit to Congress a report on the implementation of this section. Each report shall include each of the following:

(1) Information on the training provided under subsection (d).

(2) Information on the consultations between the Administrator of the Transportation Security Administration and the organizations identified under subsection (a).

(3) The number of people who accessed the operations center during the period covered by the report.

(4) Such other information as the Administrator of the Transportation Security Administration determines is appropriate.

(g) AVAILABILITY OF PRECHECK PROGRAM TO CERTAIN SEVERELY INJURED OR DISABLED VETERANS.—

(1) IN GENERAL.—A veteran described in paragraph (2) is eligible for security screening under the PreCheck Program under section 44919 at no cost to the veteran if the veteran is able to meet the background check and other security requirements for participation in the Program.

(2) VETERANS DESCRIBED.—A veteran described in this paragraph is a veteran who—

(A) is enrolled in the patient enrollment system of the Department of Veterans Affairs established and operated under section 1705 of title 38, United States Code;

(B) has been determined by the Secretary of Veterans Affairs to have a service-connected disability under section 1110 or 1131 of such title, as the case may be, and such disability has been determined by such Secretary to have resulted in—

(i) loss, or loss use [1] of, an extremity;

(ii) paralysis or partial paralysis; or

(iii) permanent blindness; and

(C) as a result of a loss, paralysis or partial paralysis, or blindness described in subparagraph (B), requires the use of a wheelchair, prosthetic limb, or other assistive device to aid with mobility.

(3) LIMITATION.—The Administrator of the Transportation Security Administration shall carry out this subsection subject to the availability of appropriations and may not increase fees for enrollment in the PreCheck Program for such purpose.

(Added Pub. L. 113–27, §2(a), Aug. 9, 2013, 127 Stat. 503; amended Pub. L. 115–254, div. K, title I, §1991(d)(23), Oct. 5, 2018, 132 Stat. 3637; Pub. L. 118–238, §2(a), Jan. 4, 2025, 138 Stat. 2923.)

§44928. Honor Flight program

The Administrator of the Transportation Security Administration shall establish, in collaboration with the Honor Flight Network or other not-for-profit organization that honors veterans, a process for providing expedited and dignified passenger screening services for veterans traveling on an Honor Flight Network private charter, or such other not-for-profit organization that honors veterans, to visit war memorials built and dedicated to honor the service of such veterans.

(Added Pub. L. 113–221, §2(a), Dec. 16, 2014, 128 Stat. 2094.)

§44929. Donation of screening equipment to protect the United States

(a) IN GENERAL.—Subject to subsection (b), the Administrator is authorized to donate security screening equipment to a foreign last point of departure airport operator if such equipment can be reasonably expected to mitigate a specific vulnerability to the security of the United States or United States citizens.

(b) CONDITIONS.—Before donating any security screening equipment to a foreign last point of departure airport operator the Administrator shall—

(1) ensure that the screening equipment has been restored to commercially available settings;

(2) ensure that no TSA-specific security standards or algorithms exist on the screening equipment; and

(3) verify that the appropriate officials have an adequate system—

(A) to properly maintain and operate the screening equipment; and

(B) to document and track any removal or disposal of the screening equipment to ensure the screening equipment does not come into the possession of terrorists or otherwise pose a risk to security.

(c) REPORTS.—Not later than 30 days before any donation of security screening equipment under subsection (a), the Administrator shall provide to the Committee on Commerce, Science, and Transportation and the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Homeland Security of the House of Representatives a detailed written explanation of the following:

(1) The specific vulnerability to the United States or United States citizens that will be mitigated by such donation.

(2) An explanation as to why the recipient of such donation is unable or unwilling to purchase security screening equipment to mitigate such vulnerability.

(3) An evacuation plan for sensitive technologies in case of emergency or instability in the country to which such donation is being made.

(4) How the Administrator will ensure the security screening equipment that is being donated is used and maintained over the course of its life by the recipient.

(5) The total dollar value of such donation.

(6) How the appropriate officials will document and track any removal or disposal of the screening equipment by the recipient to ensure the screening equipment does not come into the possession of terrorists or otherwise pose a risk to security.

§44933. Federal Security Managers [1]

(a) ESTABLISHMENT, DESIGNATION, AND STATIONING.—The Administrator of the Transportation Security Administration shall establish the position of Federal Security Director at each airport in the United States described in section 44903(c). The Administrator of the Transportation Security Administration shall designate individuals as Federal Security Directors for, and station those Federal Security Directors at, those airports.

(b) DUTIES AND POWERS.—The Federal Security Director at each airport shall—

(1) oversee the screening of passengers and property at the airport; and

(2) carry out other duties prescribed by the Administrator of the Transportation Security Administration.

(c) INFORMATION SHARING.—Not later than 1 year after the date of the enactment of the TSA Modernization Act, the Administrator shall—

(1) require each Federal Security Director of an airport to meet at least quarterly with the airport director, airport security coordinator, and law enforcement agencies serving each such airport to discuss incident management protocols, including the resolution of screening anomalies at passenger screening checkpoints; and

(2) require each Federal Security Director at an airport to inform, consult, and coordinate, as appropriate, with the respective airport security coordinator in a timely manner on security matters impacting airport operations and to establish and maintain operational protocols with such airport operators to ensure coordinated responses to security matters.

In subsection (a), the words "Not later than 90 days after November 16, 1990" are omitted as obsolete. The words "The Administrator shall designate individuals as Managers for, and station those Managers at, those airports" are substituted for "and shall begin designating persons as such Managers and stationing such Managers at such airports" for clarity and because of the restatement. The words "and designate a current field employee of the Administration as a Manager" are substituted for "assign the functions and responsibilities described in this section to existing Federal Aviation Administration field personnel and designate such personnel accordingly" to eliminate unnecessary words. The words "to the office of" are omitted as unnecessary. The words "Not later than 1 year after November 16, 1990" are omitted as obsolete. The words "Secretary of Transportation" are substituted for "Department of Transportation" because of 49:102.

In subsection (b), before clause (1), the words "The Manager at each airport shall" are substituted for "The responsibilities of a Federal Security Manager shall include the following" to eliminate unnecessary words. In clause (2)(A), the words "air carrier" are substituted for "such air carrier" because this is the first time the term is used in the source provisions. In clause (3), the words "United States Government" are substituted for "Federal" for clarity and consistency in the revised title and with other titles of the United States Code. In clause (7), the words "other Managers" are substituted for "Federal Security Managers at other airports, as appropriate" to eliminate unnecessary words.

In subsection (c), the words "duties and powers" are substituted for "responsibilities" for clarity and consistency in the revised title and with other titles of the Code.

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–254, §1991(d)(24)(C), substituted "Administrator of the Transportation Security Administration shall designate" for "Under Secretary shall designate".

Pub. L. 115–254, §1991(d)(24)(A), substituted "Administrator of the Transportation Security Administration shall establish" for "Under Secretary of Transportation for Security shall establish", "Federal Security Director" for "Federal Security Manager", and, in two places, "Federal Security Directors" for "Managers".

Subsec. (b). Pub. L. 115–254, §1991(d)(24)(B), substituted "Federal Security Director" for "Manager" in introductory provisions.

Subsec. (b)(2). Pub. L. 115–254, §1991(d)(24)(C), substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

Subsec. (c). Pub. L. 115–254, §1989(a), added subsec. (c).

2001—Pub. L. 107–71, §103, amended section generally, substituting provisions relating to designation, establishment, and stationing procedures and duties and powers for provisions which contained a more detailed listing of responsibilities and a prohibition against a Civil Aviation Security Field Officer being assigned security duties and powers at an airport having a Manager.

Subsec. (a). Pub. L. 107–71, §101(f)(4), substituted "Under Secretary" for "Assistant Administrator for Civil Aviation Security".

[1] *So in original. Probably should be "Directors".*

§44934. Foreign Security Liaison Officers

(a) ESTABLISHMENT, DESIGNATION, AND STATIONING.—The Administrator of the Transportation Security Administration shall establish the position of Foreign Security Liaison Officer for each airport outside the United States at which the Administrator decides an Officer is necessary for air transportation security. In coordination with the Secretary of State, the Administrator shall designate an Officer for each of those airports. In coordination with the Secretary of State, the Administrator shall designate an Officer for each of those airports where extraordinary security measures are in place. The Secretary of State shall give high priority to stationing those Officers.

(b) DUTIES AND POWERS.—An Officer reports directly to the Administrator of the Transportation Security Administration. The Officer at each airport shall—

(1) serve as the liaison of the Administrator to foreign security authorities (including governments of foreign countries and foreign airport authorities) in carrying out United States Government security requirements at that airport; and

(2) to the extent practicable, carry out duties and powers referred to in section 44933(b) of this title.

(c) COORDINATION OF ACTIVITIES.—The activities of each Officer shall be coordinated with the chief of the diplomatic mission of the United States to which the Officer is assigned. Activities of an Officer under this section shall be consistent with the duties and powers of the Secretary of State and the chief of mission to a foreign country under section 103 of the Omnibus Diplomatic Security and Antiterrorism Act of 1986 (22 U.S.C. 4802) and section 207 of the Foreign Service Act of 1980 (22 U.S.C. 3927).

Subsec. (b)(1). Pub. L. 107–71, §101(f)(5), substituted "Under Secretary" for "Assistant Administrator".

§44935. Employment standards and training

(a) EMPLOYMENT STANDARDS.—The Administrator shall prescribe standards for the employment and continued employment of, and contracting for, air carrier personnel and, as appropriate, airport security personnel. The standards shall include—

(1) minimum training requirements for new employees;

(2) retraining requirements;

(3) minimum staffing levels;

(4) minimum language skills; and

(5) minimum education levels for employees, when appropriate.

(b) REVIEW AND RECOMMENDATIONS.—In coordination with air carriers, airport operators, and other interested persons, the Administrator shall review issues related to human performance in the aviation security system to maximize that performance. When the review is completed, the Administrator shall recommend guidelines and prescribe appropriate changes in existing procedures to improve that performance.

(c) SECURITY PROGRAM TRAINING, STANDARDS, AND QUALIFICATIONS.—(1) The Administrator—

(A) may train individuals employed to carry out a security program under section 44903(c) of this title; and

(B) shall prescribe uniform training standards and uniform minimum qualifications for individuals eligible for that training.

(2) The Administrator may authorize reimbursement for travel, transportation, and subsistence expenses for security training of non-United States Government domestic and foreign individuals whose services will contribute significantly to carrying out civil aviation security programs. To the extent practicable, air travel reimbursed under this paragraph shall be on air carriers.

(d) EDUCATION AND TRAINING STANDARDS FOR SECURITY COORDINATORS, SUPERVISORY PERSONNEL, AND PILOTS.—(1) The Administrator shall prescribe standards for educating and training—

(A) ground security coordinators;

(B) security supervisory personnel; and

(C) airline pilots as in-flight security coordinators.

(2) The standards shall include initial training, retraining, and continuing education requirements and methods. Those requirements and methods shall be used annually to measure the performance of ground security coordinators and security supervisory personnel.

(e) SECURITY SCREENERS.—

(1) TRAINING PROGRAM.—The Administrator shall establish a program for the hiring and training of security screening personnel.

(2) HIRING.—

(A) QUALIFICATIONS.—The Administrator shall establish qualification standards for individuals to be hired by the United States as security screening personnel. Notwithstanding any other provision of law, those standards shall require, at a minimum, an individual—

(i) to have a satisfactory or better score on a Federal security screening personnel selection examination;

(ii) to be a citizen of the United States or a national of the United States, as defined in section 101(a)(22) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(22));

(iii) to meet, at a minimum, the requirements set forth in subsection (f);

(iv) to meet such other qualifications as the Administrator may establish; and

(v) to have the ability to demonstrate daily a fitness for duty without any impairment due to illegal drugs, sleep deprivation, medication, or alcohol.

(B) BACKGROUND CHECKS.—The Administrator shall require that an individual to be hired as a security screener undergo an employment investigation (including a criminal history record check) under section 44936(a)(1).

(C) DISQUALIFICATION OF INDIVIDUALS WHO PRESENT NATIONAL SECURITY RISKS.—The Administrator, in consultation with the heads of other appropriate Federal agencies, shall establish procedures, in addition to any background check conducted under section 44936, to ensure that no individual who presents a threat to national security is employed as a security screener.

(3) EXAMINATION; REVIEW OF EXISTING RULES.—The Administrator shall develop a security screening personnel examination for use in determining the qualification of individuals seeking employment as security screening personnel. The Administrator shall also review, and revise as necessary, any standard, rule, or regulation governing the employment of individuals as security screening personnel.

(f) EMPLOYMENT STANDARDS FOR SCREENING PERSONNEL.—

(1) SCREENER REQUIREMENTS.—Notwithstanding any other provision of law, an individual may not be deployed as a security screener unless that individual meets the following requirements:

(A) The individual shall possess a high school diploma, a general equivalency diploma, or experience that the Administrator has determined to be sufficient for the individual to perform the duties of the position.

(B) The individual shall possess basic aptitudes and physical abilities, including color perception, visual and aural acuity, physical coordination, and motor skills, to the following standards:

(i) Screeners operating screening equipment shall be able to distinguish on the screening equipment monitor the appropriate imaging standard specified by the Administrator.

(ii) Screeners operating any screening equipment shall be able to distinguish each color displayed on every type of screening equipment and explain what each color signifies.

(iii) Screeners shall be able to hear and respond to the spoken voice and to audible alarms generated by screening equipment in an active checkpoint environment.

(iv) Screeners performing physical searches or other related operations shall be able to efficiently and thoroughly manipulate and handle such baggage, containers, and other objects subject to security processing.

(v) Screeners who perform pat-downs or hand-held metal detector searches of individuals shall have sufficient dexterity and capability to thoroughly conduct those procedures over an individual's entire body.

(C) The individual shall be able to read, speak, and write English well enough to—

(i) carry out written and oral instructions regarding the proper performance of screening duties;

(ii) read English language identification media, credentials, airline tickets, and labels on items normally encountered in the screening process;

(iii) provide direction to and understand and answer questions from English-speaking individuals undergoing screening; and

(iv) write incident reports and statements and log entries into security records in the English language.

(D) The individual shall have satisfactorily completed all initial, recurrent, and appropriate specialized training required by the security program, except as provided in paragraph (3).

(2) VETERANS PREFERENCE.—The Administrator shall provide a preference for the hiring of an individual as a security screener if the individual is a member or former member of the armed forces and if the individual is entitled, under statute, to retired, retirement, or retainer pay on account of service as a member of the armed forces.

(3) EXCEPTIONS.—An individual who has not completed the training required by this section may be deployed during the on-the-job portion of training to perform functions if that individual—

(A) is closely supervised; and

(B) does not make independent judgments as to whether individuals or property may enter a sterile area or aircraft without further inspection.

(4) REMEDIAL TRAINING.—No individual employed as a security screener may perform a screening function after that individual has failed an operational test related to that function until that individual has successfully completed the remedial training specified in the security program.

(5) ANNUAL PROFICIENCY REVIEW.—The Administrator shall provide that an annual evaluation of each individual assigned screening duties is conducted and documented. An individual employed as a security screener may not continue to be employed in that capacity unless the evaluation demonstrates that the individual—

(A) continues to meet all qualifications and standards required to perform a screening function;

(B) has a satisfactory record of performance and attention to duty based on the standards and requirements in the security program; and

(C) demonstrates the current knowledge and skills necessary to courteously, vigilantly, and effectively perform screening functions.

(6) OPERATIONAL TESTING.—In addition to the annual proficiency review conducted under paragraph (5), the Administrator shall provide for the operational testing of such personnel.

(g) TRAINING.—

(1) USE OF OTHER AGENCIES.—The Administrator may enter into a memorandum of understanding or other arrangement with any other Federal agency or department with appropriate law enforcement responsibilities, to provide personnel, resources, or other forms of assistance in the training of security screening personnel.

(2) TRAINING PLAN.—The Administrator shall develop a plan for the training of security screening personnel. The plan shall require, at a minimum, that a security screener—

(A) has completed 40 hours of classroom instruction or successfully completed a program that the Administrator determines will train individuals to a level of proficiency equivalent to the level that would be achieved by such classroom instruction;

(B) has completed 60 hours of on-the-job instructions; and

(C) has successfully completed an on-the-job training examination prescribed by the Administrator.

(3) EQUIPMENT-SPECIFIC TRAINING.—An individual employed as a security screener may not use any security screening device or equipment in the scope of that individual's employment unless the individual has been trained on that device or equipment and has successfully completed a test on the use of the device or equipment.

(h) TECHNOLOGICAL TRAINING.—

(1) IN GENERAL.—The Administrator shall require training to ensure that screeners are proficient in using the most up-to-date new technology and to ensure their proficiency in recognizing new threats and weapons.

(2) PERIODIC ASSESSMENTS.—The Administrator shall make periodic assessments to determine if there are dual use items and inform security screening personnel of the existence of such items.

(3) CURRENT LISTS OF DUAL USE ITEMS.—Current lists of dual use items shall be part of the ongoing training for screeners.

(4) DUAL USE DEFINED.—For purposes of this subsection, the term "dual use" item means an item that may seem harmless but that may be used as a weapon.

(i) LIMITATION ON RIGHT TO STRIKE.—An individual that screens passengers or property, or both, at an airport under this section may not participate in a strike, or assert the right to strike, against the person (including a governmental entity) employing such individual to perform such screening.

(j) UNIFORMS.—The Administrator shall require any individual who screens passengers and property pursuant to section 44901 to be attired while on duty in a uniform approved by the Administrator.

(k) ACCESSIBILITY OF COMPUTER-BASED TRAINING FACILITIES.—The Administrator shall work with air carriers and airports to ensure that computer-based training facilities intended for use by security screeners at an airport regularly serving an air carrier holding a certificate issued by the Secretary of Transportation are conveniently located for that airport and easily accessible.

(l) [1] INITIAL AND RECURRING TRAINING.—

(1) IN GENERAL.—The Administrator shall establish a training program for new security screening personnel located at the Transportation Security Administration Academy.

(2) RECURRING TRAINING.—

(A) IN GENERAL.—Not later than 180 days after the date of enactment of the TSA Modernization Act, the Administrator shall establish recurring training for security screening personnel regarding updates to screening procedures and technologies, including, in response to weaknesses identified in covert tests at airports—

(i) methods to identify the verification of false or fraudulent travel documents; and

(ii) training on emerging threats.

(B) CONTENTS.—The training under subparagraph (A) shall include—

(i) internal controls for monitoring and documenting compliance of transportation security officers with such training requirements; and

(ii) such other matters as identified by the Administrator with regard to such training.

(l) [1] DEFINITION OF ADMINISTRATOR.—In this section, the term "Administrator" means the Administrator of the Transportation Security Administration.

Pub. L. 107–71, title I, §111(d), Nov. 19, 2001, 115 Stat. 620, as amended by Pub. L. 112–171, §1(a), Aug.

16, 2012, 126 Stat. 1306; Pub. L. 116–92, div. F, title LXXVI, §7606, Dec. 20, 2019, 133 Stat. 2309, provided that:

"(1) GENERAL AUTHORITY.—Except as provided in paragraph (2), and notwithstanding any other provision of law, the Under Secretary of Transportation for Security [now Administrator of the Transportation Security Administration] may employ, appoint, discipline, terminate, and fix the compensation, terms, and conditions of employment of Federal service for such a number of individuals as the Under Secretary determines to be necessary to carry out the screening functions of the Under Secretary under section 44901 of title 49, United States Code. The Under Secretary shall establish levels of compensation and other benefits for individuals so employed.

"(2) EXCEPTIONS.—

"(A) REEMPLOYMENT.—In carrying out the functions authorized under paragraph (1), the Under Secretary shall be subject to the provisions set forth in chapter 43 of title 38, United States Code.

"(B) LEAVE.—The provisions of subchapter V of chapter 63 of title 5, United States Code, shall apply to any individual appointed under paragraph (1) as if such individual were an employee (within the meaning of subparagraph (A) of section 6381(1) of such title)."

[Pub. L. 112–171, §1(b), Aug. 16, 2012, 126 Stat. 1306, provided that: "The amendments made by subsection (a) [amending section 111(d) of Pub. L. 107–71, set out above] shall take effect on the date that is 270 days after the date of the enactment of this Act [Aug. 16, 2012]."]

CERTIFICATION OF SCREENING COMPANIES

Pub. L. 104–264, title III, §302, Oct. 9, 1996, 110 Stat. 3250, which provided that the Administrator of the Federal Aviation Administration was to certify companies providing security screening and to improve the training and testing of security screeners through development of uniform performance standards for providing security screening services, was repealed by Pub. L. 118–63, title II, §218(g), May 16, 2024, 138 Stat. 1056.

STUDIES OF MINIMUM STANDARDS FOR PILOT QUALIFICATIONS AND OF PAY FOR TRAINING

Pub. L. 104–264, title V, §503, Oct. 9, 1996, 110 Stat. 3263, provided that the Administrator of the Federal Aviation Administration would appoint a task force consisting of appropriate representatives of the aviation industry to study the development of standards and criteria for preemployment screening tests measuring the psychomotor coordination, general intellectual capacity, instrument and mechanical comprehension, and physical and mental fitness of applicants for employment as a pilot by an air carrier, the standards and criteria for pilot training facilities to be licensed by the Administrator, and to determine if the practice of some air carriers to require employees or prospective employees to pay for necessary training or experience was in the public interest; and provided that, not later than 1 year after Oct. 9, 1996, the Administrator would send Congress a report on the results of the studies.

STUDY OF MINIMUM FLIGHT TIME

Pub. L. 104–264, title V, §504, Oct. 9, 1996, 110 Stat. 3263, required the Administrator of the Federal Aviation Administration to conduct a study to determine the sufficiency of existing minimum flight time requirements for individuals seeking employment as pilots with air carriers and to report to Congress on the study results not later than 1 year after Oct. 9, 1996.

[1] *So in original. Two subsecs. (l) have been enacted.*

§44936. Employment investigations and restrictions

(a) EMPLOYMENT INVESTIGATION REQUIREMENT.—(1)(A) The Administrator shall require by regulation that an employment investigation, including a criminal history record check and a review of available law enforcement data bases and records of other governmental and international agencies to the extent determined practicable by the Administrator, shall be conducted of each individual employed in, or applying for, a position as a security screener under section 44935(e) or a position in which the individual has unescorted access, or may permit other individuals to have unescorted access, to—

(i) aircraft of an air carrier or foreign air carrier; or

(ii) a secured area of an airport in the United States the Administrator designates that serves an air carrier or foreign air carrier.

(B) The Administrator shall require by regulation that an employment investigation (including a criminal history record check and a review of available law enforcement data bases and records of other governmental and international agencies to the extent determined practicable by the Administrator) be conducted for—

(i) individuals who are responsible for screening passengers or property under section 44901 of this title;

(ii) supervisors of the individuals described in clause (i);

(iii) individuals who regularly have escorted access to aircraft of an air carrier or foreign air carrier or a secured area of an airport in the United States the Administrator designates that serves an air carrier or foreign air carrier; and

(iv) such other individuals who exercise security functions associated with baggage or cargo, as the Administrator determines is necessary to ensure air transportation security.

(C) EXEMPTION.—An employment investigation, including a criminal history record check, shall not be required under this subsection for an individual who is exempted under section 107.31(m)(1) or (2) of title 14, Code of Federal Regulations, as in effect on November 22, 2000. The Administrator shall work with the International Civil Aviation Organization and with appropriate authorities of foreign countries to ensure that individuals exempted under this subparagraph do not pose a threat to aviation or national security.

(2) An air carrier, foreign air carrier, airport operator, or government that employs, or authorizes or makes a contract for the services of, an individual in a position described in paragraph (1) of this subsection shall ensure that the investigation the Administrator requires is conducted.

(3) The Administrator shall provide for the periodic audit of the effectiveness of criminal history record checks conducted under paragraph (1) of this subsection.

(b) PROHIBITED EMPLOYMENT.—(1) Except as provided in paragraph (3) of this subsection, an air carrier, foreign air carrier, airport operator, or government may not employ, or authorize or make a contract for the services of, an individual in a position described in subsection (a)(1) of this section if—

(A) the investigation of the individual required under this section has not been conducted; or

(B) the results of that investigation establish that, in the 10-year period ending on the date of the investigation, the individual was convicted (or found not guilty by reason of insanity) of—

(i) a crime referred to in section 46306, 46308, 46312, 46314, or 46315 or chapter 465 of this title or section 32 of title 18;

(ii) murder;

(iii) assault with intent to murder;

(iv) espionage;

(v) sedition;

(vi) treason;

(vii) rape;

(viii) kidnapping;

(ix) unlawful possession, sale, distribution, or manufacture of an explosive or weapon;

(x) extortion;

(xi) armed or felony unarmed robbery;

(xii) distribution of, or intent to distribute, a controlled substance;

(xiii) a felony involving a threat;

(xiv) a felony involving—

(I) willful destruction of property;

(II) importation or manufacture of a controlled substance;

(III) burglary;

(IV) theft;

(V) dishonesty, fraud, or misrepresentation;
(VI) possession or distribution of stolen property;
(VII) aggravated assault;
(VIII) bribery; and
(IX) illegal possession of a controlled substance punishable by a maximum term of imprisonment of more than 1 year, or any other crime classified as a felony that the Administrator determines indicates a propensity for placing contraband aboard an aircraft in return for money; or

(xv) conspiracy to commit any of the acts referred to in clauses (i) through (xiv).

(2) The Administrator may specify other factors that are sufficient to prohibit the employment of an individual in a position described in subsection (a)(1) of this section.

(3) An air carrier, foreign air carrier, airport operator, or government may employ, or authorize or contract for the services of, an individual in a position described in subsection (a)(1) of this section without carrying out the investigation required under this section, if the Administrator approves a plan to employ the individual that provides alternate security arrangements.

(c) FINGERPRINTING AND RECORD CHECK INFORMATION.—(1) If the Administrator requires an identification and criminal history record check, to be conducted by the Attorney General, as part of an investigation under this section, the Administrator shall designate an individual to obtain fingerprints and submit those fingerprints to the Attorney General. The Attorney General may make the results of a check available to an individual the Administrator designates. Before designating an individual to obtain and submit fingerprints or receive results of a check, the Administrator shall consult with the Attorney General. All Federal agencies shall cooperate with the Administrator and the Administrator's designee in the process of collecting and submitting fingerprints.

(2) The Administrator shall prescribe regulations on—
(A) procedures for taking fingerprints; and
(B) requirements for using information received from the Attorney General under paragraph (1) of this subsection—
(i) to limit the dissemination of the information; and
(ii) to ensure that the information is used only to carry out this section.

(3) If an identification and criminal history record check is conducted as part of an investigation of an individual under this section, the individual—
(A) shall receive a copy of any record received from the Attorney General; and
(B) may complete and correct the information contained in the check before a final employment decision is made based on the check.

(d) FEES AND CHARGES.—The Administrator and the Attorney General shall establish reasonable fees and charges to pay expenses incurred in carrying out this section. The employer of the individual being investigated shall pay the costs of a record check of the individual. Money collected under this section shall be credited to the account in the Treasury from which the expenses were incurred and are available to the Administrator and the Attorney General for those expenses.

(e) WHEN INVESTIGATION OR RECORD CHECK NOT REQUIRED.—This section does not require an investigation or record check when the investigation or record check is prohibited by a law of a foreign country.

(f) DEFINITION OF ADMINISTRATOR.—In this section, the term "Administrator" means the Administrator of the Transportation Security Administration.

CRIMINAL HISTORY RECORD CHECKS

Pub. L. 106–528, §2(a), (b), Nov. 22, 2000, 114 Stat. 2517, provided that:

"(a) EXPANSION OF FAA ELECTRONIC PILOT PROGRAM.—

"(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act [Nov. 22, 2000], the Administrator of the Federal Aviation Administration shall develop, in consultation with the Office of Personnel Management and the Federal Bureau of Investigation, the pilot program for individual criminal history record checks (known as the electronic fingerprint transmission pilot project) into an aviation industry-wide program.

"(2) LIMITATION.—The Administrator shall not require any airport, air carrier, or screening company to participate in the program described in subsection (a) if the airport, air carrier, or screening company determines that it would not be cost effective for it to participate in the program and notifies the Administrator of that determination.

"(b) APPLICATION OF EXPANDED PROGRAM.—

"(1) INTERIM REPORT.—Not later than 1 year after the date of enactment of this Act [Nov. 22, 2000], the Administrator shall transmit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report describing the status of the Administrator's efforts to utilize the program described in subsection (a).

"(2) NOTIFICATION CONCERNING SUFFICIENCY OF OPERATION.—If the Administrator determines that the program described in subsection (a) is not sufficiently operational 2 years after the date of enactment of this Act to permit its utilization in accordance with subsection (a), the Administrator shall notify the committees referred to in paragraph (1) of that determination."

§44937. Prohibition on transferring duties and powers

Except as specifically provided by law, the Administrator of the Transportation Security Administration may not transfer a duty or power under section 44903(a), (b), (c), or (e), 44906, 44912, 44935, 44936, or 44938(b)(3) of this title to another department, agency, or instrumentality of the United States Government.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by Pub. L. 103–429 effective July 5, 1994, see section 9 of Pub. L. 103–429, set out as a note under section 321 of this title.

§44938. Reports

(a) TRANSPORTATION SECURITY.—Not later than March 31 of each year, the Secretary of Homeland Security shall submit to Congress a report on transportation security with recommendations the Secretary considers appropriate. The report shall be prepared in conjunction with the biennial report the Administrator of the Transportation Security Administration submits under subsection (b) of this section in each year the Administrator of the Transportation Security Administration submits the biennial report, but may not duplicate the information submitted under subsection (b) or section 44907(a)(3) of this title. The Secretary may submit the report in classified and unclassified parts. The report shall include—

(1) an assessment of trends and developments in terrorist activities, methods, and other threats to transportation;

(2) an evaluation of deployment of explosive detection devices;

(3) recommendations for research, engineering, and development activities related to transportation security, except research engineering and development activities related to aviation security to the extent those activities are covered by the national aviation research plan required under section 44501(c) of this title;

(4) identification and evaluation of cooperative efforts with other departments, agencies, and instrumentalities of the United States Government;

(5) an evaluation of cooperation with foreign transportation and security authorities;

(6) the status of the extent to which the recommendations of the President's Commission on Aviation Security and Terrorism have been carried out and the reasons for any delay in carrying out those recommendations;

(7) a summary of the activities of the Director of Intelligence and Security in the 12-month period ending on the date of the report;

(8) financial and staffing requirements of the Director;

(9) an assessment of financial and staffing requirements, and attainment of existing staffing goals, for carrying out duties and powers of the Administrator of the Transportation Security Administration related to security; and

(10) appropriate legislative and regulatory recommendations.

(b) SCREENING AND FOREIGN AIR CARRIER AND AIRPORT SECURITY.—The Administrator of the Transportation Security Administration shall submit biennially to Congress a report—

(1) on the effectiveness of procedures under section 44901 of this title;

(2) that includes a summary of the assessments conducted under section 44907(a)(1) and (2) of this title; and

(3) that includes an assessment of the steps being taken, and the progress being made, in ensuring compliance with section 44906 of this title for each foreign air carrier security program at airports outside the United States—

(A) at which the Administrator of the Transportation Security Administration decides that Foreign Security Liaison Officers are necessary for air transportation security; and

(B) for which extraordinary security measures are in place.

AMENDMENTS

2018—Pub. L. 115–254, §1991(d)(29)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary" wherever appearing.

Subsec. (a). Pub. L. 115–254, §1991(d)(29)(A), substituted "Secretary of Homeland Security" for "Secretary of Transportation" and "Administrator of the Transportation Security Administration submits under subsection (b)" for "Under Secretary of Transportation for Security submits under subsection (b)" in introductory provisions.

2001—Subsec. (a). Pub. L. 107–71, §101(f)(7), (9), in introductory provisions, substituted "Under Secretary" for "Administrator" in two places and "of Transportation for Security" for "of the Federal Aviation Administration".

Subsec. (a)(9). Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator".

Subsec. (b). Pub. L. 107–71, §101(f)(7), substituted "Under Secretary" for "Administrator" in introductory

provisions and par. (3)(A).

1998—Subsec. (a). Pub. L. 105–362, §1502(b)(1), in second sentence of introductory provisions, substituted "biennial report" for "annual report" and inserted "in each year the Administrator submits the biennial report" after "subsection (b) of this section".

Subsec. (b). Pub. L. 105–362, §1502(b)(2), substituted "biennially" for "annually" in introductory provisions.

Subsec. (c). Pub. L. 105–362, §1502(b)(3), struck out heading and text of subsec. (c). Text read as follows: "The Administrator shall submit to Congress an annual report for each of the calendar years 1991 and 1992 on the progress being made, and the problems occurring, in carrying out section 44904 of this title. The report shall include recommendations for improving domestic air transportation security."

1994—Subsec. (a). Pub. L. 103–305 substituted "March 31" for "December 31".

STATUTORY NOTES AND RELATED SUBSIDIARIES

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of provisions of law requiring submittal to Congress of any annual, semiannual, or other regular periodic report listed in House Document No. 103–7 (in which the 8th item on page 132 and the 11th item on page 138 identify reporting provisions which, as subsequently amended, are contained, respectively, in subsecs. (a) and (b)(1), (2) of this section), see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance.

§44939. Training to operate certain aircraft

(a) WAITING PERIOD.—A person operating as a flight instructor, pilot school, or aviation training center or subject to regulation under this part may provide training in the operation of any aircraft having a maximum certificated takeoff weight of more than 12,500 pounds to an alien (as defined in section 101(a)(3) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(3))) or to any other individual specified by the Secretary of Homeland Security only if—

(1) that person has first notified the Secretary that the alien or individual has requested such training and submitted to the Secretary, in such form as the Secretary may prescribe, the following information about the alien or individual:

(A) full name, including any aliases used by the applicant or variations in spelling of the applicant's name;

(B) passport and visa information;

(C) country of citizenship;

(D) date of birth;

(E) dates of training; and

(F) fingerprints collected by, or under the supervision of, a Federal, State, or local law enforcement agency or by another entity approved by the Federal Bureau of Investigation or the Secretary of Homeland Security, including fingerprints taken by United States Government personnel at a United States embassy or consulate; and

(2) the Secretary has not directed, within 30 days after being notified under paragraph (1), that person not to provide the requested training because the Secretary has determined that the individual presents a risk to aviation or national security.

(b) INTERRUPTION OF TRAINING.—If the Secretary of Homeland Security, more than 30 days after receiving notification under subsection (a) from a person providing training described in subsection (a), determines that the individual presents a risk to aviation or national security, the Secretary shall immediately notify the person providing the training of the determination and that person shall immediately terminate the training.

(c) NOTIFICATION.—A person operating as a flight instructor, pilot school, or aviation training center or subject to regulation under this part may provide training in the operation of any aircraft having a maximum certificated takeoff weight of 12,500 pounds or less to an alien (as defined in

section 101(a)(3) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(3))) or to any other individual specified by the Secretary of Homeland Security only if that person has notified the Secretary that the individual has requested such training and furnished the Secretary with that individual's identification in such form as the Secretary may require.

(d) EXPEDITED PROCESSING.—The Secretary of Homeland Security shall establish a process to ensure that the waiting period under subsection (a) shall not exceed 5 days for an alien (as defined in section 101(a)(3) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(3))) who—

(1) holds an airman's certification of a foreign country that is recognized by an agency of the United States, including a military agency, that permits an individual to operate a multi-engine aircraft that has a certificated takeoff weight of more than 12,500 pounds;

(2) is employed by a foreign air carrier that is certified under part 129 of title 14, Code of Federal Regulations, and that has a security program approved under section 1546 of title 49, Code of Federal Regulations;

(3) is an individual that has unescorted access to a secured area of an airport designated under section 44936(a)(1)(A)(ii); or

(4) is an individual that is part of a class of individuals that the Secretary has determined that providing aviation training to presents minimal risk to aviation or national security because of the aviation training already possessed by such class of individuals.

(e) TRAINING.—In subsection (a), the term "training" means training received from an instructor in an aircraft or aircraft simulator and does not include recurrent training, ground training, or demonstration flights for marketing purposes.

(f) NONAPPLICABILITY TO CERTAIN FOREIGN MILITARY PILOTS.—The procedures and processes required by subsections (a) through (d) shall not apply to a foreign military pilot endorsed by the Department of Defense for flight training in the United States and seeking training described in subsection (e) in the United States.

(g) FEE.—

(1) IN GENERAL.—The Secretary of Homeland Security may assess a fee for an investigation under this section, which may not exceed $100 per individual (exclusive of the cost of transmitting fingerprints collected at overseas facilities) during fiscal years 2003 and 2004. For fiscal year 2005 and thereafter, the Secretary may adjust the maximum amount of the fee to reflect the costs of such an investigation.

(2) OFFSET.—Notwithstanding section 3302 of title 31, any fee collected under this section—

(A) shall be credited to the account in the Treasury from which the expenses were incurred and shall be available to the Secretary for those expenses; and

(B) shall remain available until expended.

(h) INTERAGENCY COOPERATION.—The Attorney General, the Director of Central Intelligence, and the Administrator of the Federal Aviation Administration shall cooperate with the Secretary in implementing this section.

(i) SECURITY AWARENESS TRAINING FOR EMPLOYEES.—The Secretary shall require flight schools to conduct a security awareness program for flight school employees to increase their awareness of suspicious circumstances and activities of individuals enrolling in or attending flight school.

(Added Pub. L. 107–71, title I, §113(a), Nov. 19, 2001, 115 Stat. 622; amended Pub. L. 108–176, title VI, §612(a), Dec. 12, 2003, 117 Stat. 2572; Pub. L. 115–254, div. K, title I, §1991(d)(30), Oct. 5, 2018, 132 Stat. 3639.)

§44940. Security service fee

(a) GENERAL AUTHORITY.—

(1) PASSENGER FEES.—The Administrator of the Transportation Security Administration shall impose a uniform fee, on passengers of air carriers and foreign air carriers in air transportation and intrastate air transportation originating at airports in the United States, to pay for the following costs of providing civil aviation security services:

(A) Salary, benefits, overtime, retirement and other costs of screening personnel, their supervisors and managers, and Federal law enforcement personnel deployed at airport security screening locations under section 44901.

(B) The costs of training personnel described in subparagraph (A), and the acquisition, operation, and maintenance of equipment used by such personnel.

(C) The costs of performing background investigations of personnel described in subparagraphs (A), (D), (F), and (G).

(D) The costs of the Federal air marshals program.

(E) The costs of performing civil aviation security research and development under this title.

(F) The costs of Federal Security Managers under section 44903.

(G) The costs of deploying Federal law enforcement personnel pursuant to section 44903(h).

(H) The costs of security-related capital improvements at airports.

(I) The costs of training pilots and flight attendants under sections 44918 and 44921.

(2) DETERMINATION OF COSTS.—

(A) IN GENERAL.—The amount of the costs under paragraph (1) shall be determined by the Administrator of the Transportation Security Administration and shall not be subject to judicial review.

(B) DEFINITION OF FEDERAL LAW ENFORCEMENT PERSONNEL.—For purposes of paragraph (1)(A), the term "Federal law enforcement personnel" includes State and local law enforcement officers who are deputized under section 44922.

(b) SCHEDULE OF FEES.—In imposing fees under subsection (a), the Administrator of the Transportation Security Administration shall ensure that the fees are reasonably related to the Transportation Security Administration's costs of providing services rendered.

(c) LIMITATION ON FEE.—

(1) AMOUNT.—Fees imposed under subsection (a)(1) shall be $5.60 per one-way trip in air transportation or intrastate air transportation that originates at an airport in the United States, except that the fee imposed per round trip shall not exceed $11.20.

(2) DEFINITION OF ROUND TRIP.—In this subsection, the term "round trip" means a trip on an air travel itinerary that terminates or has a stopover at the origin point (or co-terminal).

(3) OFFSETTING COLLECTIONS.—Beginning on October 1, 2027, fees collected under subsection (a)(1) for any fiscal year shall be credited as offsetting collections to appropriations made for aviation security measures carried out by the Transportation Security Administration, to remain available until expended.

(d) IMPOSITION OF FEE.—

(1) IN GENERAL.—Notwithstanding section 9701 of title 31 and the procedural requirements of section 553 of title 5, the Administrator of the Transportation Security Administration shall impose the fee under subsection (a)(1) through the publication of notice of such fee in the Federal Register and begin collection of the fee as soon as possible.

(2) SPECIAL RULES PASSENGER FEES.—A fee imposed under subsection (a)(1) through the procedures under paragraph (1) of this subsection shall apply only to tickets sold after the date on which such fee is imposed. If a fee imposed under subsection (a)(1) through the procedures under paragraph (1) of this subsection on transportation of a passenger of a carrier described in subsection (a)(1) is not collected from the passenger, the amount of the fee shall be paid by the carrier.

(3) SUBSEQUENT MODIFICATION OF FEE.—After imposing a fee in accordance with

paragraph (1), the Administrator of the Transportation Security Administration may modify, from time to time through publication of notice in the Federal Register, the imposition or collection of such fee, or both.

(4) LIMITATION ON COLLECTION.—No fee may be collected under this section, other than subsection (i), except to the extent that the expenditure of the fee to pay the costs of activities and services for which the fee is imposed is provided for in advance in an appropriations Act or in section 44923.

(e) ADMINISTRATION OF FEES.—

(1) FEES PAYABLE TO ADMINISTRATOR.—All fees imposed and amounts collected under this section are payable to the Administrator of the Transportation Security Administration.

(2) FEES COLLECTED BY AIR CARRIER.—A fee imposed under subsection (a)(1) shall be collected by the air carrier or foreign air carrier that sells a ticket for transportation described in subsection (a)(1).

(3) DUE DATE FOR REMITTANCE.—A fee collected under this section shall be remitted on the last day of each calendar month by the carrier collecting the fee. The amount to be remitted shall be for the calendar month preceding the calendar month in which the remittance is made.

(4) INFORMATION.—The Administrator of the Transportation Security Administration may require the provision of such information as the Administrator of the Transportation Security Administration decides is necessary to verify that fees have been collected and remitted at the proper times and in the proper amounts.

(5) FEE NOT SUBJECT TO TAX.—For purposes of section 4261 of the Internal Revenue Code of 1986 (26 U.S.C. 4261), a fee imposed under this section shall not be considered to be part of the amount paid for taxable transportation.

(6) COST OF COLLECTING FEE.—No portion of the fee collected under this section may be retained by the air carrier or foreign air carrier for the costs of collecting, handling, or remitting the fee except for interest accruing to the carrier after collection and before remittance.

(f) RECEIPTS CREDITED AS OFFSETTING COLLECTIONS.—Notwithstanding section 3302 of title 31, any fee collected under this section—

(1) shall be credited as offsetting collections to the account that finances the activities and services for which the fee is imposed;

(2) shall be available for expenditure only to pay the costs of activities and services for which the fee is imposed; and

(3) shall remain available until expended.

(g) REFUNDS.—The Administrator of the Transportation Security Administration may refund any fee paid by mistake or any amount paid in excess of that required.

(h) EXEMPTIONS.—The Administrator of the Transportation Security Administration may exempt from the passenger fee imposed under subsection (a)(1) any passenger enplaning at an airport in the United States that does not receive screening services under section 44901 for that segment of the trip for which the passenger does not receive screening.

(i) DEPOSIT OF RECEIPTS IN GENERAL FUND.—

(1) IN GENERAL.—Beginning in fiscal year 2014, out of fees received in a fiscal year under subsection (a)(1), after amounts are made available in the fiscal year under section 44923(h), the next funds derived from such fees in the fiscal year, in the amount specified for the fiscal year in paragraph (4), shall be credited as offsetting receipts and deposited in the general fund of the Treasury.

(2) FEE LEVELS.—The Secretary of Homeland Security shall impose the fee authorized by subsection (a)(1) so as to collect in a fiscal year at least the amount specified in paragraph (4) for the fiscal year for making deposits under paragraph (1).

(3) RELATIONSHIP TO OTHER PROVISIONS.—Subsections (b) and (f) shall not apply to amounts to be used for making deposits under this subsection.

(4) FISCAL YEAR AMOUNTS.—For purposes of paragraphs (1) and (2), the fiscal year amounts are as follows:

(A) $1,320,000,000 for fiscal year 2018.
(B) $1,360,000,000 for fiscal year 2019.
(C) $1,400,000,000 for fiscal year 2020.
(D) $1,440,000,000 for fiscal year 2021.
(E) $1,480,000,000 for fiscal year 2022.
(F) $1,520,000,000 for fiscal year 2023.
(G) $760,000,000 for fiscal year 2024.
(H) $1,600,000,000 for fiscal year 2025.
(M) [1] $1,640,000,000 for fiscal year 2026.
(N) [1] $1,680,000,000 for fiscal year 2027.

For purposes of subparagraph (A), the term 'Federal law enforcement personnel' includes State and local law enforcement officers who are deputized under section 44922."

Pub. L. 115–254, §1991(d)(31)(A)(i)(I), substituted "Administrator of the Transportation Security Administration" for "Under Secretary of Transportation for Security" in introductory provisions.

Subsec. (a)(2). Pub. L. 115–254, §1991(d)(31)(A)(ii), added par. (2).

Subsec. (b). Pub. L. 115–254, §1991(d)(31)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

Subsec. (c)(3). Pub. L. 115–254, §1940, added par. (3).

Subsec. (d)(1). Pub. L. 115–254, §1991(d)(31)(C)(i), struck out "within 60 days of the date of enactment of this Act, or" after "of the fee" and "thereafter" before period at end.

Pub. L. 115–254, §1991(d)(31)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

Subsec. (d)(2). Pub. L. 115–254, §1991(d)(31)(C)(ii), substituted "paragraph (1) of this subsection" for "subsection (d)" in two places.

Subsec. (d)(3). Pub. L. 115–254, §1991(d)(31)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

Subsec. (e)(1). Pub. L. 115–254, §1991(d)(31)(D), substituted "Fees payable to Administrator" for "Fees payable to Under Secretary" in heading.

Pub. L. 115–254, §1991(d)(31)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

Subsec. (e)(4). Pub. L. 115–254, §1991(d)(31)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary" in two places.

Subsecs. (g), (h). Pub. L. 115–254, §1991(d)(31)(B), substituted "Administrator of the Transportation Security Administration" for "Under Secretary".

Subsec. (i)(4)(A) to (L). Pub. L. 115–254, §1991(d)(31)(E), redesignated subpars. (E) to (L) as (A) to (H), respectively, and struck out former subpars. (A) to (D) which read as follows:

"(A) $390,000,000 for fiscal year 2014.

"(B) $1,190,000,000 for fiscal year 2015.

"(C) $1,250,000,000 for fiscal year 2016.

"(D) $1,280,000,000 for fiscal year 2017."

Subsec. (i)(4)(M), (N). Pub. L. 115–123 added subpars. (M) and (N).

2015—Subsec. (i)(4)(K), (L). Pub. L. 114–41 added subpars. (K) and (L).

2014—Subsec. (c). Pub. L. 113–294 amended subsec. (c) generally. Prior to amendment, text read as follows: "Fees imposed under subsection (a)(1) shall be $5.60 per one-way trip in air transportation or intrastate air transportation that originates at an airport in the United States."

2013—Subsec. (a)(2). Pub. L. 113–67, §601(a)(1), struck out par. (2) which related to fees on air carriers and foreign air carriers engaged in air transportation and intrastate air transportation.

Subsec. (c). Pub. L. 113–67, §601(b), amended subsec. (c) generally. Prior to amendment, text read as follows: "Fees imposed under subsection (a)(1) may not exceed $2.50 per enplanement in air transportation or intrastate air transportation that originates at an airport in the United States, except that the total amount of such fees may not exceed $5.00 per one-way trip."

Subsec. (d)(1). Pub. L. 113–67, §601(a)(2), struck out ", and may impose a fee under subsection (a)(2)," after "under subsection (a)(1)".

Subsec. (i). Pub. L. 113–67, §601(c), amended subsec. (i) generally. Prior to amendment, subsec. (i) related to the Checkpoint Screening Security Fund.

2007—Subsec. (a)(2)(A), (B)(iv). Pub. L. 110–161, which directed amendment of subsec. (a)(2) "by striking the period in the last sentence of subparagraph (A) and the clause (iv) of subparagraph B and adding the following, 'except for estimates and additional collections made pursuant to the appropriation for Aviation Security in Public Law 108–334: *Provided*, That such judicial review shall be pursuant to section 46110 of title 49, United States Code: *Provided further*, That such judicial review shall be limited only to additional amounts collected by the Secretary before October 1, 2007.' ", was executed by substituting the quoted language directed to be added for the period at the end of last sentence of subpar. (A) and for the period at the end of cl. (iv) of subpar. (B), to reflect the probable intent of Congress.

Subsec. (d)(4). Pub. L. 110–53, §1601(1), inserted ", other than subsection (i)," before "except to".

EDITORIAL NOTES

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–254 inserted "the Department of Homeland Security," after "Department of Transportation,".

§44942. Performance goals and objectives

(a) SHORT TERM TRANSITION.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration may, in consultation with other relevant Federal agencies and Congress—

(A) establish acceptable levels of performance for aviation security, including screening operations and access control; and

(B) provide Congress with an action plan, containing measurable goals and milestones, that outlines how those levels of performance will be achieved.

(2) BASICS OF ACTION PLAN.—The action plan shall clarify the responsibilities of the Transportation Security Administration, the Federal Aviation Administration, and any other agency or organization that may have a role in ensuring the safety and security of the civil air transportation system.

(b) LONG-TERM RESULTS-BASED MANAGEMENT.—

(1) PERFORMANCE PLAN.—

(A) Each year, consistent with the requirements of the Government Performance and Results Act of 1993 (GPRA), the Secretary of Homeland Security and the Administrator of the Transportation Security Administration shall agree on a performance plan for the succeeding 5 years that establishes measurable goals and objectives for aviation security. The plan shall identify action steps necessary to achieve such goals.

(B) In addition to meeting the requirements of GPRA, the performance plan should clarify the responsibilities of the Secretary of Homeland Security, the Administrator of the Transportation Security Administration, and any other agency or organization that may have a role in ensuring the safety and security of the civil air transportation system.

(2) PERFORMANCE REPORT.—Each year, consistent with the requirements of GPRA, the Administrator of the Transportation Security Administration shall prepare and submit to Congress an annual report including an evaluation of the extent goals and objectives were met. The report shall include the results achieved during the year relative to the goals established in the performance plan.

(Added Pub. L. 107–71, title I, §130, Nov. 19, 2001, 115 Stat. 633; amended Pub. L. 115–254, div. K, title I, §1991(d)(33), Oct. 5, 2018, 132 Stat. 3640.)

ANNUAL BRIEFING

Pub. L. 108–334, title V, §515(b), Oct. 18, 2004, 118 Stat. 1318, as amended by Pub. L. 119–86, div. A, title II, §212, Apr. 30, 2026, 140 Stat. 784, provided that: "Not later than 180 days after the date of enactment of this Act [Oct. 18, 2004] and annually thereafter, the Administrator of the Transportation Security Administration shall provide the Committee on Transportation and Infrastructure of the House of Representatives; the Committee on Appropriations of the House of Representatives; the Committee on Commerce, Science and Transportation of the Senate; and the Committee on Appropriations of the Senate, a briefing that contains a detailed description of the amount of unclaimed money recovered in total and at each individual airport, and specifically how the unclaimed money is being used to provide civil aviation security."

§44946. Aviation Security Advisory Committee

(a) ESTABLISHMENT.—The Administrator shall establish within the Transportation Security Administration an aviation security advisory committee.

(b) DUTIES.—

(1) IN GENERAL.—The Administrator shall consult the Advisory Committee, as appropriate, on aviation security matters, including on the development, refinement, and implementation of policies, programs, rulemaking, and security directives pertaining to aviation security, while adhering to sensitive security guidelines.

(2) RECOMMENDATIONS.—

(A) IN GENERAL.—The Advisory Committee shall develop, at the request of the

Administrator, recommendations for improvements to aviation security.

(B) RECOMMENDATIONS OF SUBCOMMITTEES.—Recommendations agreed upon by the subcommittees established under this section shall be approved by the Advisory Committee before transmission to the Administrator.

(3) PERIODIC REPORTS.—The Advisory Committee shall periodically submit to the Administrator—

(A) reports on matters identified by the Administrator; and

(B) reports on other matters identified by a majority of the members of the Advisory Committee.

(4) ANNUAL REPORT.—The Advisory Committee shall submit to the Administrator an annual report providing information on the activities, findings, and recommendations of the Advisory Committee, including its subcommittees, for the preceding year. Not later than 6 months after the date that the Administrator receives the annual report, the Administrator shall publish a public version describing the Advisory Committee's activities and such related matters as would be informative to the public consistent with the policy of section 552(b) of title 5.

(5) FEEDBACK.—Not later than 90 days after receiving recommendations transmitted by the Advisory Committee under paragraph (2) or (4), the Administrator shall respond in writing to the Advisory Committee with feedback on each of the recommendations, an action plan to implement any of the recommendations with which the Administrator concurs, and a justification for why any of the recommendations have been rejected.

(6) CONGRESSIONAL NOTIFICATION.—Not later than 30 days after providing written feedback to the Advisory Committee under paragraph (5), the Administrator shall notify the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security of the House of Representatives on such feedback, and provide a briefing upon request.

(7) REPORT TO CONGRESS.—Prior to briefing the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security of the House of Representatives under paragraph (6), the Administrator shall submit to such committees a report containing information relating to the recommendations transmitted by the Advisory Committee in accordance with paragraph (4).

(c) MEMBERSHIP.—

(1) APPOINTMENT.—

(A) IN GENERAL.—The Administrator shall appoint the members of the Advisory Committee.

(B) COMPOSITION.—The membership of the Advisory Committee shall consist of individuals representing not more than 34 member organizations. Each organization shall be represented by 1 individual (or the individual's designee).

(C) REPRESENTATION.—The membership of the Advisory Committee shall include representatives of air carriers, all-cargo air transportation, indirect air carriers, labor organizations representing air carrier employees, labor organizations representing transportation security officers, aircraft manufacturers, airport operators, airport construction and maintenance contractors, labor organizations representing employees of airport construction and maintenance contractors, general aviation, privacy organizations, the travel industry, airport-based businesses (including minority-owned small businesses), businesses that conduct security screening operations at airports, aeronautical repair stations, passenger advocacy groups, the aviation security technology industry (including screening technology and biometrics), victims of terrorist acts against aviation, and law enforcement and security experts.

(2) TERM OF OFFICE.—

(A) TERMS.—The term of each member of the Advisory Committee shall be two years, but

a member may continue to serve until a successor is appointed. A member of the Advisory Committee may be reappointed.

(B) REMOVAL.—The Administrator may review the participation of a member of the Advisory Committee and remove such member for cause at any time.

(3) PROHIBITION ON COMPENSATION.—The members of the Advisory Committee shall not receive pay, allowances, or benefits from the Government by reason of their service on the Advisory Committee.

(4) MEETINGS.—

(A) IN GENERAL.—The Administrator shall require the Advisory Committee to meet at least semiannually and may convene additional meetings as necessary.

(B) PUBLIC MEETINGS.—At least 1 of the meetings described in subparagraph (A) shall be open to the public.

(C) ATTENDANCE.—The Advisory Committee shall maintain a record of the persons present at each meeting.

(5) MEMBER ACCESS TO SENSITIVE SECURITY INFORMATION.—Not later than 60 days after the date of a member's appointment, the Administrator shall determine if there is cause for the member to be restricted from possessing sensitive security information. Without such cause, and upon the member voluntarily signing a non-disclosure agreement, the member may be granted access to sensitive security information that is relevant to the member's advisory duties. The member shall protect the sensitive security information in accordance with part 1520 of title 49, Code of Federal Regulations.

(6) CHAIRPERSON.—A stakeholder representative on the Advisory Committee who is elected by the appointed membership of the Advisory Committee shall chair the Advisory Committee.

(d) SUBCOMMITTEES.—

(1) MEMBERSHIP.—The Advisory Committee chairperson, in coordination with the Administrator, may establish within the Advisory Committee any subcommittee that the Administrator and Advisory Committee determine to be necessary. The Administrator and the Advisory Committee shall create subcommittees to address aviation security issues, including the following:

(A) AIR CARGO SECURITY.—The implementation of the air cargo security programs established by the Transportation Security Administration to screen air cargo on passenger aircraft and all-cargo aircraft in accordance with established cargo screening mandates.

(B) GENERAL AVIATION.—General aviation facilities, general aviation aircraft, and helicopter operations at general aviation and commercial service airports.

(C) PERIMETER AND ACCESS CONTROL.—Recommendations on airport perimeter security, exit lane security and technology at commercial service airports, and access control issues.

(D) SECURITY TECHNOLOGY.—Security technology standards and requirements, including their harmonization internationally, technology to screen passengers, passenger baggage, carry-on baggage, and cargo, and biometric technology.

(2) RISK-BASED SECURITY.—All subcommittees established by the Advisory Committee chairperson in coordination with the Administrator shall consider risk-based security approaches in the performance of their functions that weigh the optimum balance of costs and benefits in transportation security, including for passenger screening, baggage screening, air cargo security policies, and general aviation security matters.

(3) MEETINGS AND REPORTING.—Each subcommittee shall meet at least quarterly and submit to the Advisory Committee for inclusion in the annual report required under subsection (b)(4) information, including recommendations, regarding issues within the subcommittee.

(4) SUBCOMMITTEE CHAIRS.—Each subcommittee shall be co-chaired by a Government

official and an industry official.

(e) SUBJECT MATTER EXPERTS.—Each subcommittee under this section shall include subject matter experts with relevant expertise who are appointed by the respective subcommittee chairpersons.

(f) NONAPPLICABILITY OF CHAPTER 10 OF TITLE 5.—Chapter 10 of title 5 shall not apply to the Advisory Committee and its subcommittees.

(g) DEFINITIONS.—In this section:

(1) ADMINISTRATOR.—The term "Administrator" means the Administrator of the Transportation Security Administration.

(2) ADVISORY COMMITTEE.—The term "Advisory Committee" means the aviation security advisory committee established under subsection (a).

(3) PERIMETER SECURITY.—

(A) IN GENERAL.—The term "perimeter security" means procedures or systems to monitor, secure, and prevent unauthorized access to an airport, including its airfield and terminal.

(B) INCLUSIONS.—The term "perimeter security" includes the fence area surrounding an airport, access gates, and access controls.

§45102. Alcohol and controlled substances testing programs

(a) PROGRAM FOR EMPLOYEES OF AIR CARRIERS AND FOREIGN AIR CARRIERS .—(1) In the interest of aviation safety, the Administrator of the Federal Aviation Administration shall prescribe regulations that establish a program requiring air carriers and foreign air carriers to conduct preemployment, reasonable suspicion, random, and post-accident testing of airmen, crew members, airport security screening personnel, and other air carrier employees responsible for safety-sensitive functions (as decided by the Administrator) for the use of a controlled substance in violation of law or a United States Government regulation; and to conduct reasonable suspicion, random, and post-accident testing of airmen, crew members, airport security screening personnel, and other air carrier employees responsible for safety-sensitive functions (as decided by the Administrator) for the use of alcohol in violation of law or a United States Government regulation. The regulations shall permit air carriers and foreign air carriers to conduct preemployment testing of airmen, crew members, airport security screening personnel, and other air carrier employees responsible for safety-sensitive functions (as decided by the Administrator) for the use of alcohol.

(2) When the Administrator considers it appropriate in the interest of safety, the Administrator may prescribe regulations for conducting periodic recurring testing of airmen, crewmembers, airport security screening personnel, and other air carrier employees responsible for safety-sensitive functions for the use of alcohol or a controlled substance in violation of law or a Government regulation.

(b) PROGRAM FOR EMPLOYEES OF THE FEDERAL AVIATION ADMINISTRATION .—(1) The Administrator shall establish a program of preemployment, reasonable suspicion, random, and post-accident testing for the use of a controlled substance in violation of law or a United States Government regulation for employees of the Administration whose duties include responsibility for safety-sensitive functions and shall establish a program of reasonable suspicion, random, and post-accident testing for the use of alcohol in violation of law or a United States Government regulation for such employees. The Administrator may establish a program of preemployment testing for the use of alcohol for such employees.

(2) When the Administrator considers it appropriate in the interest of safety, the Administrator may prescribe regulations for conducting periodic recurring testing of employees of the Administration responsible for safety-sensitive functions for use of alcohol or a controlled substance

in violation of law or a Government regulation.

(c) SANCTIONS.—In prescribing regulations under the programs required by this section, the Administrator shall require, as the Administrator considers appropriate, the suspension or revocation of any certificate issued to an individual referred to in this section, or the disqualification or dismissal of the individual, under this chapter when a test conducted and confirmed under this chapter indicates the individual has used alcohol or a controlled substance in violation of law or a Government regulation.

§45103. Prohibited service

(a) USE OF ALCOHOL OR A CONTROLLED SUBSTANCE.—An individual may not use alcohol or a controlled substance after October 28, 1991, in violation of law or a United States Government regulation and serve as an airman, crewmember, airport security screening employee, air carrier employee responsible for safety-sensitive functions (as decided by the Administrator of

the Federal Aviation Administration), or employee of the Administration with responsibility for safety-sensitive functions.

(b) REHABILITATION REQUIRED TO RESUME SERVICE.—Notwithstanding subsection (a) of this section, an individual found to have used alcohol or a controlled substance after October 28, 1991, in violation of law or a Government regulation may serve as an airman, crewmember, airport security screening employee, air carrier employee responsible for safety-sensitive functions (as decided by the Administrator), or employee of the Administration with responsibility for safety-sensitive functions only if the individual completes a rehabilitation program described in section 45105 of this title.

(c) PERFORMANCE OF PRIOR DUTIES PROHIBITED.—An individual who served as an airman, crewmember, airport security screening employee, air carrier employee responsible for safety-sensitive functions (as decided by the Administrator), or employee of the Administration with responsibility for safety-sensitive functions and who was found by the Administrator to have used alcohol or a controlled substance after October 28, 1991, in violation of law or a Government regulation may not carry out the duties related to air transportation that the individual carried out before the finding of the Administrator if the individual—

(1) used the alcohol or controlled substance when on duty;

(2) began or completed a rehabilitation program described in section 45105 of this title before using the alcohol or controlled substance; or

(3) refuses to begin or complete a rehabilitation program described in section 45105 of this title after a finding by the Administrator under this section.

§45104. Testing and laboratory requirements

In carrying out section 45102 of this title, the Administrator of the Federal Aviation Administration shall develop requirements that—

(1) promote, to the maximum extent practicable, individual privacy in the collection of specimens;

(2) for laboratories and testing procedures for controlled substances, incorporate the Department of Health and Human Services scientific and technical guidelines dated April 11, 1988, and any amendments to those guidelines, including mandatory guidelines establishing—

(A) comprehensive standards for every aspect of laboratory controlled substances testing and

laboratory procedures to be applied in carrying out this chapter, including standards requiring the use of the best available technology to ensure the complete reliability and accuracy of controlled substances tests and strict procedures governing the chain of custody of specimens collected for controlled substances testing;

(B) the minimum list of controlled substances for which individuals may be tested; and

(C) appropriate standards and procedures for periodic review of laboratories and criteria for certification and revocation of certification of laboratories to perform controlled substances testing in carrying out this chapter;

(3) require that a laboratory involved in controlled substances testing under this chapter have the capability and facility, at the laboratory, of performing screening and confirmation tests;

(4) provide that all tests indicating the use of alcohol or a controlled substance in violation of law or a United States Government regulation be confirmed by a scientifically recognized method of testing capable of providing quantitative information about alcohol or a controlled substance;

(5) provide that each specimen be subdivided, secured, and labeled in the presence of the tested individual and that a part of the specimen be retained in a secure manner to prevent the possibility of tampering, so that if the individual's confirmation test results are positive the individual has an opportunity to have the retained part tested by a 2d confirmation test done independently at another certified laboratory if the individual requests the 2d confirmation test not later than 3 days after being advised of the results of the first confirmation test;

(6) ensure appropriate safeguards for testing to detect and quantify alcohol in breath and body fluid samples, including urine and blood, through the development of regulations that may be necessary and in consultation with the Secretary of Health and Human Services;

(7) provide for the confidentiality of test results and medical information (except information about alcohol or a controlled substance) of employees, except that this clause does not prevent the use of test results for the orderly imposition of appropriate sanctions under this chapter; and

(8) ensure that employees are selected for tests by nondiscriminatory and impartial methods, so that no employee is harassed by being treated differently from other employees in similar circumstances.

§45105. Rehabilitation

(a) PROGRAM FOR EMPLOYEES OF AIR CARRIERS AND FOREIGN AIR CARRIERS .—The Administrator of the Federal Aviation Administration shall prescribe regulations establishing requirements for rehabilitation programs that at least provide for the identification and opportunity

for treatment of employees of air carriers and foreign air carriers referred to in section 45102(a)(1) of this title who need assistance in resolving problems with the use of alcohol or a controlled substance in violation of law or a United States Government regulation. Each air carrier and foreign air carrier is encouraged to make such a program available to all its employees in addition to the employees referred to in section 45102(a)(1). The Administrator shall decide on the circumstances under which employees shall be required to participate in a program. This subsection does not prevent an air carrier or foreign air carrier from establishing a program under this subsection in cooperation with another air carrier or foreign air carrier.

(b) PROGRAM FOR EMPLOYEES OF THE FEDERAL AVIATION ADMINISTRATION .—The Administrator shall establish and maintain a rehabilitation program that at least provides for the identification and opportunity for treatment of employees of the Administration whose duties include responsibility for safety-sensitive functions who need assistance in resolving problems with the use of alcohol or a controlled substance.

HUMAN INTERVENTION MOTIVATION STUDY

Pub. L. 112–95, title VIII, §819, Feb. 14, 2012, 126 Stat. 127, provided that: "Not later than 180 days after

the date of enactment of this Act [Feb. 14, 2012], the Administrator of the Federal Aviation Administration shall develop a Human Intervention Motivation Study program for cabin crew members employed by commercial air carriers in the United States."

§45106. Relationship to other laws, regulations, standards, and orders

(a) EFFECT ON STATE AND LOCAL GOVERNMENT LAWS, REGULATIONS, STANDARDS, OR ORDERS.—A State or local government may not prescribe, issue, or continue in effect a law, regulation, standard, or order that is inconsistent with regulations prescribed under this chapter. However, a regulation prescribed under this chapter does not preempt a State criminal law that imposes sanctions for reckless conduct leading to loss of life, injury, or damage to property.

(b) INTERNATIONAL OBLIGATIONS AND FOREIGN LAWS.—(1) In prescribing regulations under this chapter, the Administrator of the Federal Aviation Administration—

(A) shall establish only requirements applicable to foreign air carriers that are consistent with international obligations of the United States; and

(B) shall consider applicable laws and regulations of foreign countries.

(2) The Secretaries of State and Transportation jointly shall request the governments of foreign countries that are members of the International Civil Aviation Organization to strengthen and enforce existing standards to prohibit crewmembers in international civil aviation from using alcohol or a controlled substance in violation of law or a United States Government regulation.

(c) OTHER REGULATIONS ALLOWED.—This section does not prevent the Administrator from continuing in effect, amending, or further supplementing a regulation prescribed before October 28, 1991, governing the use of alcohol or a controlled substance by airmen, crewmembers, airport security screening employees, air carrier employees responsible for safety-sensitive functions (as decided by the Administrator), or employees of the Administration with responsibility for safety-sensitive functions.

AMENDMENTS

2024—Pub. L. 118–63, title XI, §1101(q), May 16, 2024, 138 Stat. 1414, added item 45306.

2012—Pub. L. 112–95, title I, §122(b), Feb. 14, 2012, 126 Stat. 20, added item 45305.

1996—Pub. L. 104–264, title II, §§273(b), 276(b), Oct. 9, 1996, 110 Stat. 3240, 3248, substituted "General provisions" for "Authority to impose fees" in item 45301, added items 45303 and 45304, and struck out former item 45303 "Maximum fees for private person services".

§45301. General provisions

(a) SCHEDULE OF FEES.—The Administrator of the Federal Aviation Administration shall establish a schedule of new fees, and a collection process for such fees, for the following services provided by the Administration:

(1) Air traffic control and related services provided to aircraft other than military and civilian aircraft of the United States Government or of a foreign government that neither take off from, nor land in, the United States.

(2) Services (other than air traffic control services) provided to a foreign government or services provided to any entity obtaining services outside the United States, except that the Administrator shall not impose fees in any manner for production-certification related service performed outside the United States pertaining to aeronautical products manufactured outside the United States.

(b) ESTABLISHMENT AND ADJUSTMENT OF FEES.—

(1) IN GENERAL.—In establishing and adjusting fees under this section, the Administrator shall ensure that the fees are reasonably related to the Administration's costs, as determined by the Administrator, of providing the services rendered.

(2) SERVICES FOR WHICH COSTS MAY BE RECOVERED.—Services for which costs may be recovered under this section include the costs of air traffic control, navigation, weather services, training, and emergency services that are available to facilitate safe transportation over the United States and the costs of other services provided by the Administrator, or by programs financed by the Administrator, to flights that neither take off nor land in the United States.

(3) LIMITATIONS ON JUDICIAL REVIEW.—Notwithstanding section 702 of title 5 or any other provision of law, the following actions and other matters shall not be subject to judicial review:

(A) The establishment or adjustment of a fee by the Administrator under this section.

(B) The validity of a determination of costs by the Administrator under paragraph (1), and the processes and procedures applied by the Administrator when reaching such determination.

(C) An allocation of costs by the Administrator under paragraph (1) to services provided, and the processes and procedures applied by the Administrator when establishing such allocation.

(4) AIRCRAFT ALTITUDE.—Nothing in this section shall require the Administrator to take into account aircraft altitude in establishing any fee for aircraft operations in en route or oceanic airspace.

(5) COSTS DEFINED.—In this subsection, the term "costs" includes operation and maintenance costs, leasing costs, and overhead expenses associated with the services provided and the facilities and equipment used in providing such services.

(c) USE OF EXPERTS AND CONSULTANTS.—In developing the system, the Administrator may consult with such nongovernmental experts as the Administrator may employ and the Administrator may utilize the services of experts and consultants under section 3109 of title 5 without regard to the limitation imposed by the last sentence of section 3109(b) of such title, and may contract on a sole source basis, notwithstanding any other provision of law to the contrary. Notwithstanding any other provision of law to the contrary, the Administrator may retain such experts under a contract awarded on a basis other than a competitive basis and without regard to any such provisions requiring competitive bidding or precluding sole source contract authority.

(d) PRODUCTION-CERTIFICATION RELATED SERVICE DEFINED.—In this section, the term "production-certification related service" has the meaning given that term in appendix C of part 187 of title 14, Code of Federal Regulations.

(e) ADJUSTMENT OF FEES.—In addition to adjustments under subsection (b), the Administrator may periodically adjust the fees established under this section.

(Added Pub. L. 104–264, title II, §273(a), Oct. 9, 1996, 110 Stat. 3239; amended Pub. L. 106–181, title VII, §719, Apr. 5, 2000, 114 Stat. 163; Pub. STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

EFFECTIVE DATE

Section effective on date that is 30 days after Oct. 9, 1996, see section 203 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

Except as otherwise specifically provided, section applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as an Effective Date of 1996 Amendment note under section 106 of this title.

OVERFLIGHT FEES

Pub. L. 108–176, title II, §229, Dec. 12, 2003, 117 Stat. 2532, provided that:

"(a) ADOPTION AND LEGALIZATION OF CERTAIN RULES.—

"(1) APPLICABILITY AND EFFECT OF CERTAIN LAW.—Notwithstanding section 141(d)(1) of the Aviation and Transportation Security Act [Pub. L. 107–71] (49 U.S.C. 44901 note), section 45301(b)(1)(B) of title 49, United States Code, is deemed to apply to and to have effect with respect to the authority of the Administrator of the Federal Aviation Administration with respect to the interim final rule and final rule, relating to overflight fees, issued by the Administrator on May 30, 2000, and August 13, 2001, respectively.

"(2) ADOPTION AND LEGALIZATION.—The interim final rule and final rule referred to in subsection (a), including the fees issued pursuant to those rules, are adopted, legalized, and confirmed as fully to all intents and purposes as if the same had, by prior Act of Congress, been specifically adopted, authorized, and directed as of the date those rules were originally issued.

"(3) FEES TO WHICH APPLICABLE.—This subsection applies to fees assessed after November 19, 2001, and before April 8, 2003, and fees collected after the requirements of subsection (b) have been met.

"(b) DEFERRED COLLECTION OF FEES.—The Administrator shall defer collecting fees under section 45301(a)(1) of title 49, United States Code, until the Administrator (1) reports to Congress responding to the issues raised by the court in Air Transport Association of Canada v. Federal Aviation Administration and Administrator, FAA, decided on April 8, 2003, and (2) consults with users and other interested parties regarding the consistency of the fees established under such section with the international obligations of the United States.

"(c) ENFORCEMENT.—The Administrator shall take an appropriate enforcement action under subtitle VII of title 49, United States Code, against any user that does not pay a fee under section 45301(a)(1) of such title."

§45302. Fees involving aircraft not providing air transportation

(a) APPLICATION.—This section applies only to aircraft not used to provide air transportation.

(b) GENERAL AUTHORITY AND MAXIMUM FEES.—The Administrator of the Federal Aviation Administration may impose fees to pay for the costs of issuing airman certificates to pilots and certificates of registration of aircraft and processing forms for major repairs and alterations of fuel tanks and fuel systems of aircraft. The following fees may not be more than the amounts specified:

(1) $12 for issuing an airman's certificate to a pilot.

(2) $25 for registering an aircraft after the transfer of ownership.

(3) $15 for renewing an aircraft registration.

(4) $7.50 for processing a form for a major repair or alteration of a fuel tank or fuel system of an aircraft.

(c) ADJUSTMENTS.—The Administrator shall adjust the maximum fees established by subsection (b) of this section for changes in the Consumer Price Index of All Urban Consumers published by the Secretary of Labor.

(d) CREDIT TO ACCOUNT AND AVAILABILITY.—Money collected from fees imposed under this section shall be credited to the account in the Treasury from which the Administrator incurs expenses in carrying out chapter 441 and sections 44701–44716 of this title (except sections 44701(c), 44703(g)(2), and 44713(d)(2)). The money is available to the Administrator to pay expenses for which the fees are collected.

(e) EFFECTIVE DATE.—

(1) IN GENERAL.—A fee may not be imposed under this section before the date on which the regulations prescribed under sections 44111(d), 44703(g)(2), and 44713(d)(2) of this title take effect.

(2) EFFECT OF IMPOSITION OF OTHER FEES.—A fee may not be imposed for a service or activity under this section during any period in which a fee for the same service or activity is imposed under section 45305.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by Pub. L. 103–429 effective July 5, 1994, see section 9 of Pub. L. 103–429, set out as a note under section 321 of this title.

INSPECTOR GENERAL AUDIT

Pub. L. 100–690, title VII, §7207(c)(4), Nov. 18, 1988, 102 Stat. 4428, as amended by Pub. L. 104–66, title II, §2041, Dec. 21, 1995, 109 Stat. 728, provided that: "During the 5-year period beginning after the date on which fees are first collected under section 313(f) of the Federal Aviation Act of 1958 [see subsec. (b) of this section], the Department of Transportation Inspector General shall conduct an annual audit of the collection and use of such fees for the purpose of ensuring that such fees do not exceed the costs for which they are collected and submit to Congress a report on the results of such audit."

[For termination, effective May 15, 2000, of provisions of law requiring submittal to Congress of any annual, semiannual, or other regular periodic report listed in House Document No. 103–7 (in which the 30th item on page 4 identifies a reporting provision which, as subsequently amended, is contained in section 7207(c)(4) of Pub. L. 100–690, set out as a note above), see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance.]

§45303. Administrative provisions

(a) FEES PAYABLE TO ADMINISTRATOR.—All fees imposed and amounts collected under this chapter for services performed, or materials furnished, by the Federal Aviation Administration are payable to the Administrator of the Federal Aviation Administration.

(b) REFUNDS.—The Administrator may refund any fee paid by mistake or any amount paid in excess of that required.

(c) RECEIPTS CREDITED TO ACCOUNT.—Notwithstanding section 3302 of title 31, all fees and amounts collected by the Administration, except insurance premiums and other fees charged for the provision of insurance and deposited in the Aviation Insurance Revolving Fund and interest earned on investments of such Fund, and except amounts which on September 30, 1996, are required to be credited to the general fund of the Treasury (whether imposed under this section or not)—

(1) shall be credited to a separate account established in the Treasury and made available for Administration activities;

(2) shall be available immediately for expenditure but only for congressionally authorized and intended purposes; and

(3) shall remain available until expended.

(d) ANNUAL BUDGET REPORT BY ADMINISTRATOR.—The Administrator shall, on the same day each year as the President submits the annual budget to Congress, provide to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives—

(1) a list of fee collections by the Administration during the preceding fiscal year;

(2) a list of activities by the Administration during the preceding fiscal year that were supported

by fee expenditures and appropriations;

(3) budget plans for significant programs, projects, and activities of the Administration, including out-year funding estimates;

(4) any proposed disposition of surplus fees by the Administration; and

(5) such other information as those committees consider necessary.

(e) DEVELOPMENT OF COST ACCOUNTING SYSTEM.—The Administration shall develop a cost accounting system that adequately and accurately reflects the investments, operating and overhead costs, revenues, and other financial measurement and reporting aspects of its operations.

(f) COMPENSATION TO CARRIERS FOR ACTING AS COLLECTION AGENTS.—The Administration shall prescribe regulations to ensure that any air carrier required, pursuant to the Air Traffic Management System Performance Improvement Act of 1996 or any amendments made by that Act, to collect a fee imposed on another party by the Administrator may collect from such other party an additional uniform amount that the Administrator determines reflects the necessary and reasonable expenses (net of interest accruing to the carrier after collection and before remittance) incurred in collecting and handling the fee.

(g) DATA TRANSPARENCY.—

(1) AIR TRAFFIC SERVICES INITIAL DATA REPORT.—

(A) INITIAL REPORT.—Not later than 6 months after the date of enactment of the FAA Reauthorization Act of 2018, the Administrator and the Chief Operating Officer of the Air Traffic Organization shall, based upon the most recently available full fiscal year data, complete the following calculations for each segment of air traffic services users:

(i) The total costs allocable to the use of air traffic services for that segment during such fiscal year.

(ii) The total revenues received from that segment during such fiscal year.

(B) VALIDATION OF MODEL.—

(i) REVIEW AND DETERMINATION.—Not later than 3 months after completion of the initial report required under subparagraph (A), the inspector general of the Department of Transportation shall review and determine the validity of the model used by the Administrator and the Chief Operating Officer to complete the calculations required under subparagraph (A).

(ii) VALIDATION PROCESS.—In the event that the inspector general determines that the model used by the Administrator and the Chief Operating Officer to complete the calculations required by subparagraph (A) is not valid—

(I) the inspector general shall provide the Administrator and Chief Operating Officer recommendations on how to revise the model;

(II) the Administrator and the Chief Operating Officer shall complete the calculations required by subparagraph (A) utilizing the revised model and resubmit the revised initial report required under subparagraph (A) to the inspector general; and

(III) not later than 3 months after completion of the revised initial report required under subparagraph (A), the inspector general shall review and determine the validity of the revised model used by the Administrator and the Chief Operating Officer to complete the calculations required by subparagraph (A).

(iii) ACCESS TO DATA.—The Administrator and the Chief Operating Officer shall provide the inspector general of the Department of Transportation with unfettered access to all data produced by the cost accounting system operated and maintained pursuant to subsection (e).

(C) REPORT TO CONGRESS.—Not later than 60 days after completion of the review and receiving a determination that the model used is valid under subparagraph (B), the Administrator and the Chief Operating Officer shall submit to the Committee on Transportation

and Infrastructure, the Committee on Appropriations, and the Committee on Ways and Means of the House of Representatives, and the Committee on Commerce, Science, and Transportation, the Committee on Appropriations, and the Committee on Finance of the Senate a report describing the results of the calculations completed under subparagraph (A).

(D) PUBLICATION.—Not later than 60 days after submission of the report required under subparagraph (C), the Administrator and Chief Operating Officer shall publish the initial report, including any revision thereto if required as a result of the validation process for the model.

(2) AIR TRAFFIC SERVICES BIENNIAL DATA REPORTING.—

(A) BIENNIAL DATA REPORTING.—Not later than March 31, 2019, and biennially thereafter for 14 years, the Administrator and the Chief Operating Officer shall, using the validated model, complete the following calculations for each segment of air traffic services users for the most recent full fiscal year:

(i) The total costs allocable to the use of the air traffic services for that segment.

(ii) The total revenues received from that segment.

(B) REPORT TO CONGRESS.—Not later than 15 days after completing the calculations under subparagraph (A), the Administrator and the Chief Operating Officer shall complete and submit to the Committee on Transportation and Infrastructure, the Committee on Appropriations, and the Committee on Ways and Means of the House of Representatives, and the Committee on Commerce, Science, and Transportation, the Committee on Appropriations, and the Committee on Finance of the Senate a report containing the results of such calculations.

(C) PUBLICATION.—Not later than 60 days after completing the calculations pursuant to subparagraph (A), the Administrator and the Chief Operating Officer shall publish the results of such calculations.

(3) SEGMENTS OF AIR TRAFFIC SERVICES USERS.—

(A) IN GENERAL.—For purposes of this subsection, each of the following shall constitute a separate segment of air traffic services users:

(i) Passenger air carriers conducting operations under part 121 of title 14, Code of Federal Regulations.

(ii) All-cargo air carriers conducting operations under part 121 of such title.

(iii) Operators covered by part 125 of such title.

(iv) Air carriers and operators of piston-engine aircraft operating under part 135 of such title.

(v) Air carriers and operators of turbine-engine aircraft operating under part 135 of such title.

(vi) Foreign air carriers providing passenger air transportation.

(vii) Foreign air carriers providing all-cargo air transportation.

(viii) Operators of turbine-engine aircraft operating under part 91 of such title, excluding those operating under subpart (K) of such part.

(ix) Operators of piston-engine aircraft operating under part 91 of such title, excluding those operating under subpart (K) of such part.

(x) Operators covered by subpart (K) of part 91 of such title.

(xi) Operators covered by part 133 of such title.

(xii) Operators covered by part 136 of such title.

(xiii) Operators covered by part 137 of such title.

(xiv) Operators of public aircraft that qualify under section 40125.

(xv) Operators of aircraft that neither take off from, nor land in, the United States.

(B) ADDITIONAL SEGMENTS.—The Secretary may identify and include additional segments of air traffic users under subparagraph (A) as revenue and air traffic services cost data become available for that additional segment of air traffic services users.

(4) DEFINITIONS.—For purposes of this subsection:

(A) AIR TRAFFIC SERVICES.—The term "air traffic services" means services—

(i) used for the monitoring, directing, control, and guidance of aircraft or flows of aircraft and for the safe conduct of flight, including communications, navigation, and surveillance services and provision of aeronautical information; and

(ii) provided directly, or contracted for, by the Federal Aviation Administration.

(B) AIR TRAFFIC SERVICES USER.—The term "air traffic services user" means any individual or entity using air traffic services provided directly, or contracted for, by the Federal Aviation Administration within United States airspace or international airspace delegated to the United States.

(Added Pub. L. 104–264, title II, §276(a)(2), Oct. 9, 1996, 110 Stat. 3247; amended Pub. L. 115–254, div. B, title V, §519, Oct. 5, 2018, 132 Stat. 3359; Pub. L. 118–63, title VI, §607, May 16, 2024, 138 Stat. 1225.)

In this section, the word "Administrator" in section 314(a) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 754) is retained on authority of 49:106(g). The words "services performed under a delegation to the person under section 44702(d) of this title" are substituted for "their services" because of the restatement.

§45305. Registration, certification, and related fees

(a) GENERAL AUTHORITY AND FEES.—Subject to subsection (c), the Administrator of the Federal Aviation Administration shall establish and collect a fee for each of the following services and activities of the Administration that does not exceed the estimated costs of the service or activity:

(1) Registering an aircraft.
(2) Reregistering, replacing, or renewing an aircraft registration certificate.
(3) Issuing an original dealer's aircraft registration certificate.
(4) Issuing an additional dealer's aircraft registration certificate (other than the original).
(5) Issuing a special registration number.
(6) Issuing a renewal of a special registration number reservation.
(7) Recording a security interest in an aircraft or aircraft part.
(8) Issuing an airman certificate.
(9) Issuing a replacement airman certificate.
(10) Issuing an airman medical certificate.
(11) Providing a legal opinion pertaining to aircraft registration or recordation.

(b) CERTIFICATION SERVICES.—Subject to subsection (c), and notwithstanding section 45301(a), the Administrator may establish and collect a fee from a foreign government or entity for services related to certification, regardless of where the services are provided, if the fee—

(1) is established and collected in a manner consistent with aviation safety agreements; and
(2) does not exceed the estimated costs of the services.

(c) LIMITATION ON COLLECTION.—No fee may be collected under this section unless the expenditure of the fee to pay the costs of activities and services for which the fee is imposed is provided for in advance in an appropriations Act.

(d) FEES CREDITED AS OFFSETTING COLLECTIONS.—

(1) IN GENERAL.—Notwithstanding section 3302 of title 31, any fee authorized to be collected under this section shall—

(A) be credited as offsetting collections to the account that finances the activities and services for which the fee is imposed;

(B) be available for expenditure only to pay the costs of activities and services for which the fee is imposed, including all costs associated with collecting the fee; and

(C) remain available until expended.

(2) CONTINUING APPROPRIATIONS.—The Administrator may continue to assess, collect, and spend fees established under this section during any period in which the funding for the Federal Aviation Administration is provided under an Act providing continuing appropriations in lieu of the Administration's regular appropriations.

(3) ADJUSTMENTS.—The Administrator shall adjust a fee established under subsection (a)

for a service or activity if the Administrator determines that the actual cost of the service or activity is higher or lower than was indicated by the cost data used to establish such fee.

AMENDMENTS

2003—Pub. L. 108–176, title VI, §601(b), Dec. 12, 2003, 117 Stat. 2563, added item 46111.

2001—Pub. L. 107–71, title I, §140(b)(8), Nov. 19, 2001, 115 Stat. 641, substituted "Department of Transportation" for "Secretary of Transportation and Administrator of the Federal Aviation Administration" in item 46106.

§46101. Complaints and investigations

(a) GENERAL.—(1) A person may file a complaint in writing with the Secretary of Transportation (or the Administrator of the Transportation Security Administration with respect to security duties and powers designated to be carried out by the Administrator of the Transportation Security Administration or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator of the Federal Aviation Administration) about a person violating this part or a requirement prescribed under this part. Except as provided in subsection (b) of this section, the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration shall investigate the complaint if a reasonable ground appears to the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration for the investigation.

(2) On the initiative of the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration, as appropriate, the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration may conduct an investigation, if a reasonable ground appears to the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration for the investigation, about—

(A) a person violating this part or a requirement prescribed under this part; or

(B) any question that may arise under this part.

(3) The Secretary of Transportation, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration may dismiss a complaint without a hearing when the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration is of the opinion that the complaint does not state facts that warrant an investigation or action.

(4) After notice and an opportunity for a hearing and subject to section 40105(b) of this title, the Secretary of Transportation, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration shall issue an order to compel compliance with this part if the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration finds in an investigation under this subsection that a person is violating this part.

(b) COMPLAINTS AGAINST MEMBERS OF ARMED FORCES.—The Secretary of Transportation, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration shall refer a complaint against a member of the armed forces of the United States performing official duties to the Secretary of the department concerned for action. Not later than 90 days after receiving the complaint, the Secretary of that department shall inform the Secretary of Transportation, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration of the action taken on the complaint, including any corrective or disciplinary action taken.

(c) PROHIBITION ON USING ADS–B OUT DATA TO INITIATE AN INVESTIGATION.—

(1) IN GENERAL.—Notwithstanding any other provision of this section, the Administrator of the Federal Aviation Administration may not initiate an investigation (excluding a criminal investigation) of a person based exclusively on automatic dependent surveillance–broadcast data.

(2) RULE OF CONSTRUCTION.—Nothing in this subsection shall prohibit the use of automatic dependent surveillance–broadcast data in an investigation that was initiated for any reason other than the review of automatic dependent surveillance–broadcast data, including if such investigation was initiated as a result of a report or complaint submitted to the Administrator.

The words "Except as provided in subsection (b) of this section" are added because of the restatement of the source provisions in subsection (b) of this section. The words "If the person complained against shall not satisfy the complaint and" are omitted as surplus.

In subsection (a)(2), before clause (A), the words "the Secretary of Transportation or the Administrator, as appropriate" are substituted for "The Secretary of Transportation or Board, with respect to matters within their respective jurisdictions" to eliminate unnecessary words. The words "if a reasonable ground appears to the

Secretary or Administrator for the investigation" are substituted for 49 App.:1482(b) (last sentence) for clarity and to eliminate unnecessary words. Clause (A) is substituted for "in any case and as to any matter or thing within their respective jurisdictions, concerning which complaint is authorized to be made to or before the Secretary of Transportation or Board by any provision of this chapter . . . or relating to the enforcement of any of the provisions of this chapter" for clarity and to eliminate unnecessary words.

In subsection (a)(4), the words "an opportunity for a" are added for consistency in the revised title and with other titles of the United States Code. The words "compel compliance with this part" are substituted for "compel such person to comply therewith" for clarity. The words "in an investigation under this subsection" are substituted for "in any investigation instituted upon complaint or upon their own initiative" to eliminate unnecessary words. The words "is violating this part" are substituted for "has failed to comply with any provision of this chapter or any requirement established pursuant thereto" for clarity and to eliminate unnecessary words. The words "with respect to matters within their jurisdiction" are omitted as unnecessary because of the restatement.

STATUTORY NOTES AND RELATED SUBSIDIARIES

AUTHORITY FOR LEGAL COUNSEL TO ISSUE CERTAIN NOTICES

Pub. L. 115–254, div. B, title III, §396, Oct. 5, 2018, 132 Stat. 3327, provided that: "Not later than 90 days after the date of enactment of this Act [Oct. 5, 2018], the Administrator [of the Federal Aviation Administration] shall designate the appropriate legal counsel of the [Federal Aviation] Administration as an appropriate official for purposes of section 13.11 of title 14, Code of Federal Regulations."

§46102. Proceedings

(a) CONDUCTING PROCEEDINGS.—Subject to subchapter II of chapter 5 of title 5, the Secretary of Transportation (or the Administrator of the Transportation Security Administration with respect to security duties and powers designated to be carried out by the Administrator of the Transportation Security Administration or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator of the Federal Aviation Administration) may conduct proceedings in a way conducive to justice and the proper dispatch of business.

(b) APPEARANCE.—A person may appear and be heard before the Secretary, the Administrator of the Transportation Security Administration, and the Administrator of the Federal Aviation Administration in person or by an attorney. The Secretary may appear and participate as an interested party in a proceeding the Administrator of the Federal Aviation Administration conducts under section 40113(a) of this title.

(c) RECORDING AND PUBLIC ACCESS.—Official action taken by the Secretary, Administrator of the Transportation Security Administration, and Administrator of the Federal Aviation Administration under this part shall be recorded. Proceedings before the Secretary, Administrator of the Transportation Security Administration, and Administrator of the Federal Aviation Administration shall be open to the public on the request of an interested party unless the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration decides that secrecy is required because of national defense.

(d) CONFLICTS OF INTEREST.—The Secretary, the Administrator of the Transportation Security Administration, the Administrator of the Federal Aviation Administration, or an officer or employee of the Federal Aviation Administration may not participate in a proceeding referred to in subsection (a) of this section in which the individual has a pecuniary interest.

	49 App.:1655(c)(1).	

In subsection (a), the cross-reference to chapter 7 of title 5 is omitted as unnecessary.

In subsection (b), the text of 49 App.:1481 (4th sentence words after last comma) is omitted as obsolete. The words "National Transportation Safety Board" were substituted for "Board" in 49 App.:1481 (4th sentence) because 49 App.:1655(d) transferred all functions, duties, and powers of the Civil Aeronautics Board under titles VI and VII of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 775) to the Secretary of Transportation to be carried out through the former National Transportation Safety Board in the Department of Transportation. Title VI includes sections 602 and 609 [49 App.:1422, 1429], that provide for appeals to the Civil Aeronautics Board (subsequently transferred to the National Transportation Safety Board), and section 611(e) [49 App.:1431(e)], that provides for appeals to the National Transportation Safety Board.

Under 49 App.:1902(a), the National Transportation Safety Board in the Department of Transportation was replaced by an independent National Transportation Safety Board outside the Department, and 49 App.:1903(a)(9)(A) gave the independent Board the authority to review appeals from actions of the Secretary under 49 App.:1422, 1429, and 1431(e).

In subsection (c), the words "vote and" are omitted as surplus.

In subsection (d), the words "officer or employee of the Administration" are substituted for "member" for clarity and consistency in the revised title and with other titles of the United States Code. The words "hearing or" are omitted as surplus. The words "referred to in subsection (a) of this section" are added for clarity.

§46104. Evidence

(a) GENERAL.—In conducting a hearing or investigation under this part, the Secretary of Transportation (or the Administrator of the Transportation Security Administration with respect to security duties and powers designated to be carried out by the Administrator of the Transportation Security Administration or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator of the Federal Aviation Administration) may—

(1) subpoena witnesses and records related to a matter involved in the hearing or investigation from any place in the United States to the designated place of the hearing or investigation;

(2) administer oaths;

(3) examine witnesses; and

(4) receive evidence at a place in the United States the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration designates.

(b) COMPLIANCE WITH SUBPOENAS.—If a person disobeys a subpoena, the Secretary, the Administrator of the Transportation Security Administration, the Administrator of the Federal Aviation Administration, or a party to a proceeding before the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration may petition a court of the United States to enforce the subpoena. A judicial proceeding to enforce a subpoena under this section may be brought in the jurisdiction in which the proceeding or investigation is conducted. The court may punish a failure to obey an order of the court to comply with the subpoena as a contempt of court.

(c) DEPOSITIONS.—(1) In a proceeding or investigation, the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration

may order a person to give testimony by deposition and to produce records. If a person fails to be deposed or to produce records, the order may be enforced in the same way a subpoena may be enforced under subsection (b) of this section.

(2) A deposition may be taken before an individual designated by the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration and having the power to administer oaths.

(3) Before taking a deposition, the party or the attorney of the party proposing to take the deposition must give reasonable notice in writing to the opposing party or the attorney of record of that party. The notice shall state the name of the witness and the time and place of taking the deposition.

(4) The testimony of a person deposed under this subsection shall be under oath. The person taking the deposition shall prepare, or cause to be prepared, a transcript of the testimony taken. The transcript shall be subscribed by the deponent. Each deposition shall be filed promptly with the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration.

(5) If the laws of a foreign country allow, the testimony of a witness in that country may be taken by deposition—

(A) by a consular officer or an individual commissioned by the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration or agreed on by the parties by written stipulation filed with the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration; or

(B) under letters rogatory issued by a court of competent jurisdiction at the request of the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration.

(d) WITNESS FEES AND MILEAGE AND CERTAIN FOREIGN COUNTRY EXPENSES.—A witness summoned before the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration or whose deposition is taken under this section and the individual taking the deposition are each entitled to the same fee and mileage that the witness and individual would have been paid for those services in a court of the United States. Under regulations of the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration, the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration shall pay the necessary expenses incident to executing, in another country, a commission or letter rogatory issued at the initiative of the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration.

(e) DESIGNATING EMPLOYEES TO CONDUCT HEARINGS.—When designated by the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration, an employee appointed under section 3105 of title 5 may conduct a hearing, subpoena witnesses, administer oaths, examine witnesses, and receive evidence at a place in the United States the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration designates. On request of a party, the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration shall hear or receive argument.

In this section, the word "Administrator" in section 313(c) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 753) is retained on authority of 49:106(g).

Subsection (a)(1) is substituted for "sign and issue subpenas", "shall have the power to require by subpena the attendance and testimony of witnesses and the production of all books, papers, and documents relating to any matter under investigation", and "The attendance of witnesses, and the production of books, papers, and documents, may be required from any place in the United States, at any designated place of hearing" in 49 App.:1484 for clarity and consistency in the revised title and with other titles of the United States Code and to eliminate unnecessary words.

In subsection (b), the words "petition a court of the United States to enforce the subpena" are substituted for "invoke the aid of any court of the United States in requiring attendance and testimony of witnesses and the production of such books, papers, and documents under the provisions of this section" in 49 App.:1484(c) to eliminate unnecessary words. The words "to enforce a subpena under this section" are substituted for "in case of contumacy or refusal to obey a subpena issued to any person, issue an order requiring such person to appear before the Board (and produce books, papers, or documents if so ordered) and give evidence touching the matter in question" in 49 App.:1484(d) to eliminate unnecessary words.

In subsection (c)(1), the words "pending before it, at any stage of such proceeding or investigation" in 49 App.:1484(e) are omitted as surplus. The words "a person to give" are substituted for "to be taken", and the words "to produce records" are added, for clarity and consistency. The last sentence is substituted for 49 App.:1484(e) (last sentence) for clarity and consistency and to eliminate unnecessary words.

In subsection (c)(4), the words "shall be cautioned . . . to testify the whole truth, and shall be carefully examined" in 49 App.:1484(f) are omitted as surplus. The words "shall be under oath" are substituted for "shall be required to swear (or affirm, if he so requests)" for consistency and because of 1:1.

In subsection (d), the words "that the witness and individual would have been" are added for clarity and consistency in the revised title and with other titles of the Code. The words "fees, charges, or" and "on the subject" are omitted as surplus.

In subsection (e), the words "duly . . . for such purpose" are omitted as surplus. The words "employee appointed under section 3105 of title 5" are substituted for "examiner", and the words "subpena witnesses" are substituted for "sign and issue subpenas", for consistency in the revised title and with other titles of the Code. The words "In all cases heard by an examiner or a single member" are omitted as surplus.

The words "may be joined as a party or permitted to intervene" are substituted for "it shall be lawful to include as parties, or to permit the intervention of" for clarity. The text of 49 App.:1489 (words after semicolon) is omitted as surplus.

EDITORIAL NOTES

AMENDMENTS

2018—Pub. L. 115–254 inserted "(or the Administrator of the Transportation Security Administration with respect to security duties and powers designated to be carried out by the Administrator of the Transportation Security Administration or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator)" after "Secretary of Transportation".

§46110. Judicial review

(a) FILING AND VENUE.—Except for an order related to a foreign air carrier subject to disapproval by the President under section 41307 or 41509(f) of this title, a person disclosing a substantial interest in an order issued by the Secretary of Transportation (or the Administrator of the Transportation Security Administration with respect to security duties and powers designated to be carried out by the Administrator of the Transportation Security Administration or the Administrator of the Federal Aviation Administration with respect to aviation duties and powers designated to be carried out by the Administrator of the Federal Aviation Administration) in whole or in part under this part, part B, or subsection (l) or (r) of section 114 may apply for review of the order by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 60 days after the order is issued. The court may allow the petition to be filed after the 60th day only if there are reasonable grounds for not filing by the 60th day.

(b) JUDICIAL PROCEDURES.—When a petition is filed under subsection (a) of this section, the clerk of the court immediately shall send a copy of the petition to the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration, as appropriate. The Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration shall file with the court a record of any proceeding in which the order was issued, as provided in section 2112 of title 28.

(c) AUTHORITY OF COURT.—When the petition is sent to the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration, the court has exclusive jurisdiction to affirm, amend, modify, or set aside any part of the order and may order the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration to conduct further proceedings. After reasonable notice to the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration, the court may grant interim relief by staying the order or taking other appropriate action when good cause for its action exists. Findings of fact by the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration, if supported by substantial evidence, are conclusive.

(d) REQUIREMENT FOR PRIOR OBJECTION.—In reviewing an order under this section, the court may consider an objection to an order of the Secretary, Administrator of the Transportation Security Administration, or Administrator of the Federal Aviation Administration only if the objection was made in the proceeding conducted by the Secretary, Administrator of the

Transportation Security Administration, or Administrator of the Federal Aviation Administration or if there was a reasonable ground for not making the objection in the proceeding.

(e) SUPREME COURT REVIEW.—A decision by a court under this section may be reviewed only by the Supreme Court under section 1254 of title 28.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

§46111. Certificate actions in response to a security threat

(a) ORDERS.—The Administrator of the Federal Aviation Administration shall issue an order amending, modifying, suspending, or revoking any part of a certificate issued under this title if the Administrator of the Federal Aviation Administration is notified by the Administrator of the Transportation Security Administration that the holder of the certificate poses, or is suspected of posing, a risk of air piracy or terrorism or a threat to airline or passenger safety. If requested by the Administrator of the Transportation Security Administration, the order shall be effective immediately.

(b) HEARINGS FOR CITIZENS.—An individual who is a citizen of the United States who is adversely affected by an order of the Administrator of the Federal Aviation Administration under subsection (a) is entitled to a hearing on the record.

(c) HEARINGS.—When conducting a hearing under this section, the administrative law judge

shall not be bound by findings of fact or interpretations of laws and regulations of the Administrator of the Federal Aviation Administration or the Administrator of the Transportation Security Administration.

(d) APPEALS.—An appeal from a decision of an administrative law judge as the result of a hearing under subsection (b) shall be made to the Transportation Security Oversight Board established by section 115. The Board shall establish a panel to review the decision. The members of this panel (1) shall not be employees of the Transportation Security Administration, (2) shall have the level of security clearance needed to review the determination made under this section, and (3) shall be given access to all relevant documents that support that determination. The panel may affirm, modify, or reverse the decision.

(e) REVIEW.—A person substantially affected by an action of a panel under subsection (d), or the Administrator of the Transportation Security Administration when the Administrator of the Transportation Security Administration decides that the action of the panel under this section will have a significant adverse impact on carrying out this part, may obtain review of the order under section 46110. The Administrator of the Transportation Security Administration and the Administrator of the Federal Aviation Administration shall be made a party to the review proceedings. Findings of fact of the panel are conclusive if supported by substantial evidence.

(f) EXPLANATION OF DECISIONS.—An individual who commences an appeal under this section shall receive a written explanation of the basis for the determination or decision and all relevant documents that support that determination to the maximum extent that the national security interests of the United States and other applicable laws permit.

(g) CLASSIFIED EVIDENCE.—

(1) IN GENERAL.—The Administrator of the Transportation Security Administration, in consultation with the Administrator of the Federal Aviation Administration and the Director of Central Intelligence, shall issue regulations to establish procedures by which the Administrator of the Transportation Security Administration, as part of a hearing conducted under this section, may provide an unclassified summary of classified evidence upon which the order of the Administrator of the Federal Aviation Administration was based to the individual adversely affected by the order.

(2) REVIEW OF CLASSIFIED EVIDENCE BY ADMINISTRATIVE LAW JUDGE.—

(A) REVIEW.—As part of a hearing conducted under this section, if the order of the Administrator of the Federal Aviation Administration issued under subsection (a) is based on classified information (as defined in section 1(a) of the Classified Information Procedures Act (18 U.S.C. App.)), such information may be submitted by the Administrator of the Transportation Security Administration to the reviewing administrative law judge, pursuant to appropriate security procedures, and shall be reviewed by the administrative law judge ex parte and in camera.

(B) SECURITY CLEARANCES.—Pursuant to existing procedures and requirements, the Administrator of the Transportation Security Administration shall, in coordination, as necessary, with the heads of other affected departments or agencies, ensure that administrative law judges reviewing orders of the Administrator of the Federal Aviation Administration under this section possess security clearances appropriate for their work under this section.

(3) UNCLASSIFIED SUMMARIES OF CLASSIFIED EVIDENCE.—As part of a hearing conducted under this section and upon the request of the individual adversely affected by an order of the Administrator of the Federal Aviation Administration under subsection (a), the Administrator of the Transportation Security Administration shall provide to the individual and reviewing administrative law judge, consistent with the procedures established under paragraph (1), an unclassified summary of any classified information upon which the order of the Administrator of the Federal Aviation Administration is based.

(Added Pub. L. 108–176, title VI, §601(a), Dec. 12, 2003, 117 Stat. 2561; amended Pub. L. 115–254, div. B, title V, §539(l), div. K, title I, §1991(f)(9), Oct. 5, 2018, 132 Stat. 3371, 3643.)

§46301. Civil penalties

(a) GENERAL PENALTY.—(1) A person is liable to the United States Government for a civil penalty of not more than $75,000 (or $1,100 if the person is an individual or small business concern) for violating—

(A) chapter 401 (except sections 40103(a) and (d), 40105, 40116, and 40117), chapter 411, chapter 413 (except sections 41307 and 41310(b)–(f)), chapter 415 (except sections 41502, 41505, and 41507–41509), chapter 417 (except sections 41703, 41704, 41710, 41713, and 41714), chapter 419, subchapter II or III of chapter 421, chapter 423 (except section 42306), chapter 441 (except section 44109), section 44502(b) or (c), chapter 447 (except sections 44717 and 44719–44723), chapter 448, chapter 449 (except sections 44902, 44903(d), 44904, 44907(a)–(d)(1)(A) and (d)(1)(C)–(f), and 44908), chapter 451, section 47107(a)(22) (including any assurance made under such section), section 47107(b) (including any assurance made under such section), or section 47133 of this title;

(B) a regulation prescribed or order issued under any provision to which clause (A) of this paragraph applies;

(C) any term of a certificate or permit issued under section 41102, 41103, or 41302 of this title; or

(D) a regulation of the United States Postal Service under this part.

(2) A separate violation occurs under this subsection for each day the violation (other than a violation of section 41719) continues or, if applicable, for each flight involving the violation (other than a violation of section 41719).

(3) PENALTY FOR DIVERSION OF AVIATION REVENUES.—The amount of a civil penalty assessed under this section for a violation of section 47107(b) of this title (or any assurance made under such section) or section 47133 of this title may be increased above the otherwise applicable maximum amount under this section to an amount not to exceed 3 times the amount of revenues that are used in violation of such section.

(4) AVIATION SECURITY VIOLATIONS.—Notwithstanding paragraph (1) of this subsection, the maximum civil penalty for violating chapter 449 shall be $10,000; except that the maximum civil penalty shall be $25,000 in the case of a person operating an aircraft for the transportation of passengers or property for compensation (except an individual serving as an airman).

(5) PENALTIES APPLICABLE TO INDIVIDUALS AND SMALL BUSINESS CONCERNS.—

(A) An individual (except an airman serving as an airman) or small business concern is liable to the Government for a civil penalty of not more than $10,000 for violating—

(i) chapter 401 (except sections 40103(a) and (d), 40105, 40106(b), 40116, and 40117), section 44502 (b) or (c), chapter 447 (except sections 44717–44723), chapter 448, chapter 449 (except sections 44902, 44903(d), 44904, and 44907–44909), chapter 451, or section 46314(a) of this title; or

(ii) a regulation prescribed or order issued under any provision to which clause (i) applies.

(B) A civil penalty of not more than $10,000 may be imposed for each violation under

paragraph (1) committed by an individual or small business concern related to—

(i) the transportation of hazardous material;

(ii) the registration or recordation under chapter 441 of an aircraft not used to provide air transportation;

(iii) a violation of section 44718(d), relating to the limitation on construction or establishment of landfills;

(iv) a violation of section 44725, relating to the safe disposal of life-limited aircraft parts; or

(v) a violation of section 40127 or section 41705, relating to discrimination.

(C) Notwithstanding paragraph (1), the maximum civil penalty for a violation of section 41719 committed by an individual or small business concern shall be $5,000 instead of $1,000.

(D) Notwithstanding paragraph (1), the maximum civil penalty for a violation of section 41712 (including a regulation prescribed or order issued under such section) or any other regulation prescribed by the Secretary of Transportation by an individual or small business concern that is intended to afford consumer protection to commercial air transportation passengers shall be $2,500 for each violation.

(6) FAILURE TO COLLECT AIRPORT SECURITY BADGES.—Notwithstanding paragraph (1), any employer (other than a governmental entity or airport operator) who employs an employee to whom an airport security badge or other identifier used to obtain access to a secure area of an airport is issued before, on, or after the date of enactment of this paragraph and who does not collect or make reasonable efforts to collect such badge from the employee on the date that the employment of the employee is terminated and does not notify the operator of the airport of such termination within 24 hours of the date of such termination shall be liable to the Government for a civil penalty not to exceed $10,000.

(7) PENALTIES RELATING TO HARM TO PASSENGERS WITH DISABILITIES.—

(A) PENALTY FOR BODILY HARM OR DAMAGE TO WHEELCHAIR OR OTHER MOBILITY AID.—The amount of a civil penalty assessed under this section for a violation of section 41705 that involves damage to a passenger's wheelchair or other mobility aid or injury to a passenger with a disability may be increased above the otherwise applicable maximum amount under this section for a violation of section 41705 to an amount not to exceed 3 times the maximum penalty otherwise allowed.

(B) EACH ACT CONSTITUTES SEPARATE OFFENSE.—Notwithstanding paragraph (2), a separate violation of section 41705 occurs for each act of discrimination prohibited by that section.

(8) FAILURE TO CONTINUE OFFERING AVIATION FUEL [1].—Notwithstanding paragraph (1), the maximum civil penalty for a violation of section 47107(a)(22) (including any assurance made under such section) committed by a person, including if the person is an individual or a small business concern, shall be $5,000 for each day that the person is in violation of that section.

(b) SMOKE ALARM DEVICE PENALTY.—(1) A passenger may not tamper with, disable, or destroy a smoke alarm device located in a lavatory on an aircraft providing air transportation or intrastate air transportation.

(2) An individual violating this subsection is liable to the Government for a civil penalty of not more than $2,000.

(c) PROCEDURAL REQUIREMENTS.—(1) The Secretary of Transportation may impose a civil penalty for the following violations only after notice and an opportunity for a hearing:

(A) a violation of subsection (b) of this section or chapter 411, chapter 413 (except sections 41307 and 41310(b)–(f)), chapter 415 (except sections 41502, 41505, and 41507–41509), chapter 417 (except sections 41703, 41704, 41710, 41713, and 41714), chapter 419, subchapter II of chapter 421, chapter 423, or section 44909 of this title.

(B) a violation of a regulation prescribed or order issued under any provision to which clause (A) of this paragraph applies.

(C) a violation of any term of a certificate or permit issued under section 41102, 41103, or

41302 of this title.

(D) a violation under subsection (a)(1) of this section related to the transportation of hazardous material.

(2) The Secretary shall give written notice of the finding of a violation and the civil penalty under paragraph (1) of this subsection.

(d) ADMINISTRATIVE IMPOSITION OF PENALTIES.—(1) In this subsection—

(A) "flight engineer" means an individual who holds a flight engineer certificate issued under part 63 of title 14, Code of Federal Regulations.

(B) "mechanic" means an individual who holds a mechanic certificate issued under part 65 of title 14, Code of Federal Regulations.

(C) "pilot" means an individual who holds a pilot certificate issued under part 61 of title 14, Code of Federal Regulations.

(D) "repairman" means an individual who holds a repairman certificate issued under part 65 of title 14, Code of Federal Regulations.

(2) The Administrator of the Federal Aviation Administration may impose a civil penalty for a violation of chapter 401 (except sections 40103(a) and (d), 40105, 40106(b), 40116, and 40117), section 42121, chapter 441 (except section 44109), section 44502(b) or (c), chapter 447 (except sections 44717 and 44719–44723), chapter 448, chapter 451, section 46301(b), section 46302 (for a violation relating to section 46504), section 46318, section 46319, section 46320, or section 47107(b) (as further defined by the Secretary of Transportation under section 47107(k) and including any assurance made under section 47107(b)) of this title or a regulation prescribed or order issued under any of those provisions. The Secretary of Homeland Security may impose a civil penalty for a violation of chapter 449 (except sections 44902, 44903(d), 44907(a)–(d)(1)(A), 44907(d)(1)(C)–(f), 44908, and 44909), section 46302 (except for a violation relating to section 46504), or section 46303 of this title or a regulation prescribed or order issued under any of those provisions. The Secretary of Homeland Security or Administrator of the Federal Aviation Administration shall give written notice of the finding of a violation and the penalty.

(3) In a civil action to collect a civil penalty imposed by the Secretary of Homeland Security or Administrator of the Federal Aviation Administration under this subsection, the issues of liability and the amount of the penalty may not be reexamined.

(4) Notwithstanding paragraph (2) of this subsection, the district courts of the United States have exclusive jurisdiction of a civil action involving a penalty the Secretary of Homeland Security or Administrator of the Federal Aviation Administration initiates if—

(A) the amount in controversy is more than—

(i) $400,000 if the violation was committed by any person other than an individual or small business concern before the date of enactment of the FAA Reauthorization Act of 2024;

(ii) $50,000 if the violation was committed by an individual or small business concern before the date of enactment of the FAA Reauthorization Act of 2024;

(iii) $1,200,000 if the violation was committed by a person other than an individual or small business concern on or after the date of enactment of the FAA Reauthorization Act of 2024; or

(iv) $100,000 if the violation was committed by an individual on or after the date of enactment of the FAA Reauthorization Act of 2024;

(B) the action is in rem or another action in rem based on the same violation has been brought;

(C) the action involves an aircraft subject to a lien that has been seized by the Government; or

(D) another action has been brought for an injunction based on the same violation.

(5)(A) The Administrator of the Federal Aviation Administration may issue an order imposing a penalty under this subsection against an individual acting as a pilot, flight engineer, mechanic, or

repairman only after advising the individual of the charges or any reason the Administrator of the Federal Aviation Administration relied on for the proposed penalty and providing the individual an opportunity to answer the charges and be heard about why the order shall not be issued.

(B) An individual acting as a pilot, flight engineer, mechanic, or repairman may appeal an order imposing a penalty under this subsection to the National Transportation Safety Board. After notice and an opportunity for a hearing on the record, the Board shall affirm, modify, or reverse the order. The Board may modify a civil penalty imposed to a suspension or revocation of a certificate.

(C) When conducting a hearing under this paragraph, the Board is not bound by findings of fact of the Administrator of the Federal Aviation Administration but is bound by all validly adopted interpretations of laws and regulations the Administrator of the Federal Aviation Administration carries out and of written agency policy guidance available to the public related to sanctions to be imposed under this section unless the Board finds an interpretation is arbitrary, capricious, or otherwise not according to law.

(D) When an individual files an appeal with the Board under this paragraph, the order of the Administrator of the Federal Aviation Administration is stayed.

(6) An individual substantially affected by an order of the Board under paragraph (5) of this subsection, or the Administrator of the Federal Aviation Administration when the Administrator of the Federal Aviation Administration decides that an order of the Board under paragraph (5) will have a significant adverse impact on carrying out this part, may obtain judicial review of the order under section 46110 of this title. The Administrator of the Federal Aviation Administration shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

(7)(A) The Administrator of the Federal Aviation Administration may impose a penalty on a person (except an individual acting as a pilot, flight engineer, mechanic, or repairman) only after notice and an opportunity for a hearing on the record.

(B) In an appeal from a decision of an administrative law judge as the result of a hearing under subparagraph (A) of this paragraph, the Administrator of the Federal Aviation Administration shall consider only whether—

(i) each finding of fact is supported by a preponderance of reliable, probative, and substantial evidence;

(ii) each conclusion of law is made according to applicable law, precedent, and public policy; and

(iii) the judge committed a prejudicial error that supports the appeal.

(C) Except for good cause, a civil action involving a penalty under this paragraph may not be initiated later than 2 years after the violation occurs.

(D) In the case of a violation of section 47107(b) of this title or any assurance made under such section—

(i) a civil penalty shall not be assessed against an individual;

(ii) a civil penalty may be compromised as provided under subsection (f); and

(iii) judicial review of any order assessing a civil penalty may be obtained only pursuant to section 46110 of this title.

(8) The maximum civil penalty the Administrator of the Transportation Security Administration, Administrator of the Federal Aviation Administration, or Board may impose under this subsection is—

(A) $400,000 if the violation was committed by a person other than an individual or small business concern before the date of enactment of the FAA Reauthorization Act of 2024;

(B) $50,000 if the violation was committed by an individual or small business concern before the date of enactment of the FAA Reauthorization Act of 2024;

(C) $1,200,000 if the violation was committed by a person other than an individual or small business concern on or after the date of enactment of the FAA Reauthorization Act of 2024; or

(D) $100,000 if the violation was committed by an individual on or after the date of enactment

of the FAA Reauthorization Act of 2024.

(9) This subsection applies only to a violation occurring after August 25, 1992.

(e) PENALTY CONSIDERATIONS.—In determining the amount of a civil penalty under subsection (a)(3) of this section related to transportation of hazardous material, the Secretary of Transportation shall consider—

(1) the nature, circumstances, extent, and gravity of the violation;

(2) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue doing business; and

(3) other matters that justice requires.

(f) COMPROMISE AND SETOFF.—(1)(A) The Secretary may compromise the amount of a civil penalty imposed for violating—

(i) chapter 401 (except sections 40103(a) and (d), 40105, 40116, and 40117), chapter 441 (except section 44109), section 44502(b) or (c), chapter 447 (except sections 44717 and 44719–44723), chapter 448, chapter 449 (except sections 44902, 44903(d), 44904, 44907(a)–(d)(1)(A) and (d)(1)(C)–(f), 44908, and 44909), or chapter 451 of this title; or

(ii) a regulation prescribed or order issued under any provision to which clause (i) of this subparagraph applies.

(B) The Postal Service may compromise the amount of a civil penalty imposed under subsection (a)(1)(D) of this section.

(2) The Government may deduct the amount of a civil penalty imposed or compromised under this subsection from amounts it owes the person liable for the penalty.

(g) JUDICIAL REVIEW.—An order of the Secretary or the Administrator of the Federal Aviation Administration imposing a civil penalty may be reviewed judicially only under section 46110 of this title.

(h) NONAPPLICATION.—(1) This section does not apply to the following when performing official duties:

(A) a member of the armed forces of the United States.

(B) a civilian employee of the Department of Defense subject to the Uniform Code of Military Justice.

(2) The appropriate military authority is responsible for taking necessary disciplinary action and submitting to the Secretary (or the Administrator of the Transportation Security Administration with respect to security duties and powers designated to be carried out by the Administrator of the Transportation Security Administration or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator of the Federal Aviation Administration) a timely report on action taken.

(i) SMALL BUSINESS CONCERN DEFINED.—In this section, the term "small business concern" has the meaning given that term in section 3 of the Small Business Act (15 U.S.C. 632).

In this section, the word "prescribed" is added for consistency in the revised title and with other titles of the United States Code. The words "United States Postal Service" and "Postal Service" are substituted for "Postmaster General" because of section 4(a) of the Postal Reorganization Act (Public Law 91–375, 84 Stat. 773).

In subsections (a)(1)(C) and (c), the words "condition, or limitation" are omitted as surplus.

In subsection (a)(2), before clause (A), the words "occurring after December 30, 1987" are omitted as obsolete.

In subsection (b)(1), the word "providing" is substituted for "engaged in" for consistency in the revised title.

In subsection (b)(2), the words "in accordance with section 1471 of this Appendix" are omitted as surplus.

In subsection (c)(1), before clause (A), the words "or his delegate" are omitted because of 49:322(b). The word "impose" is substituted for "assessed" for consistency. The words "amount of any such" are omitted as surplus.

In subsection (d), the word "impose" is substituted for "assess" for consistency.

In subsection (d)(1), before clause (A), the words "the following definitions apply" are omitted as surplus.

In subsection (d)(2), the text of section 7214 of the Anti-Drug Abuse Act of 1988 (Public Law 100–690, 102 Stat 4434) is omitted as obsolete. The words "or the delegate of the Administrator" are omitted because of 49:322(b).

In subsection (d)(4)(C), the word "or" is substituted for "and" for clarity.

In subsection (d)(5)(B) and (7)(A), the words "in accordance with section 554 of title 5" are omitted for consistency in the revised title and because 5:554 applies to a hearing on the record unless otherwise stated.

In subsection (d)(5)(B), the words "consistent with this subsection" are omitted as surplus.

In subsection (d)(5)(C), the word "Administrator" is substituted for "Federal Aviation Administration" because of 49:106(b) and (g).

In subsection (d)(7)(B), before clause (i), the words "as the result of a hearing under subparagraph (A) of this paragraph" are added for clarity.

In subsection (e), before clause (1), the words "civil penalty under subsection (a)(3) of this section related to transportation of hazardous material" are substituted for "such penalty" for clarity. In clause (1), the word "committed" is omitted as surplus.

In subsection (f)(2), the word "imposed" is substituted for "when finally determined or fixed by order of the Board" for consistency. The words "agreed upon" are omitted as surplus.

In subsection (g), the word "imposing" is substituted for "assessing" for consistency.

In subsection (h)(2), the words "with respect thereto" are omitted as surplus. The word "Administrator" in section 901(a)(1) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 783) is retained on authority of 49:106(g).

PUB. L. 103–429

This amends 49:46301(a)(1)(A) and (2)(A), (c)(1)(A), (d)(2), and (f)(1)(A)(i) to correct erroneous cross-references.

PUB. L. 104–287, §5(77)(A) AND (B)

These amend 49:46301(a)(1)(A) and (2)(A) to correct errors in the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1231), to include in the cross-reference sections enacted after the cutoff date for the codification of title 49 as enacted by section 1 of the Act (Public Law 103–272, 108 Stat. 745), and to make it easier to include future sections in the cross-reference by restating it in terms of chapters.

PUB. L. 104–287, §5(77)(C)

This makes a conforming amendment to 49:46301(a)(3).

PUB. L. 104–287, §5(77)(D)–(F)

These amend 49:46301(c)(1)(A), (d)(2), and (f)(1)(A)(i) to correct errors in the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1231), to include in the cross-reference sections enacted after the cutoff date for the codification of title 49 as enacted by section 1 of the Act (Public Law 103–272, 108 Stat. 745), and to make it easier to include future sections in the cross-reference by restating it in terms of chapters.

Pub. L. 114–190, title II, §2104, July 15, 2016, 130 Stat. 620, as amended by Pub. L. 118–63, title II, §218(m), May 16, 2024, 138 Stat. 1057, provided that:

"(a) IN GENERAL.—Beginning 90 days after the date of enactment of this Act [July 15, 2016], the Administrator of the Federal Aviation Administration, in coordination with appropriate Federal law enforcement agencies, shall provide annually an annual [sic] briefing to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] regarding—

"(1) the number of incidents involving the beam from a laser pointer (as defined in section 39A of title 18, United States Code) being aimed at, or in the flight path of, an aircraft in the airspace jurisdiction of the United States;

"(2) the number of civil or criminal enforcement actions taken by the Federal Aviation Administration, the Department of Transportation, or another Federal agency with regard to the incidents described in paragraph (1), including the amount of the civil or criminal penalties imposed on violators;

"(3) the resolution of any incidents described in paragraph (1) that did not result in a civil or criminal enforcement action; and

"(4) any actions the Department of Transportation or another Federal agency has taken on its own, or in conjunction with other Federal agencies or local law enforcement agencies, to deter the type of activity described in paragraph (1).

"(b) CIVIL PENALTIES.—The Administrator shall revise the maximum civil penalty that may be imposed on an individual who aims the beam of a laser pointer at an aircraft in the airspace jurisdiction of the United States, or at the flight path of such an aircraft, to be $25,000.

"(c) REPORT SUNSET.—Subsection (a) shall cease to be effective after September 30, 2028."

[1] So in original. Words following initial word in par. heading probably should not be capitalized.

§46302. False information

(a) CIVIL PENALTY.—A person that, knowing the information to be false, gives, or causes to be given, under circumstances in which the information reasonably may be believed, false information about an alleged attempt being made or to be made to do an act that would violate section 46502(a), 46504, 46505, or 46506 of this title, is liable to the United States Government for a civil penalty of not more than $10,000 for each violation.

(b) COMPROMISE AND SETOFF.—(1) The Secretary of Homeland Security and, for a violation relating to section 46504, the Secretary of Transportation, may compromise the amount of a civil penalty imposed under subsection (a) of this section.

(2) The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the person liable for the penalty.

AMENDMENTS

2004—Subsec. (b)(1). Pub. L. 108–458 substituted "Secretary of Homeland Security and, for a violation relating to section 46504, the Secretary of Transportation," for "Secretary of Transportation".

§46303. Carrying a weapon

(a) CIVIL PENALTY.—An individual who, when on, or attempting to board, an aircraft in, or intended for operation in, air transportation or intrastate air transportation, has on or about the

individual or the property of the individual a concealed dangerous weapon that is or would be accessible to the individual in flight is liable to the United States Government for a civil penalty of not more than $10,000 for each violation.

(b) COMPROMISE AND SETOFF.—(1) The Secretary of Homeland Security may compromise the amount of a civil penalty imposed under subsection (a) of this section.

(2) The Government may deduct the amount of a civil penalty imposed or compromised under this section from amounts it owes the individual liable for the penalty.

(c) NONAPPLICATION.—This section does not apply to—

(1) a law enforcement officer of a State or political subdivision of a State, or an officer or employee of the Government, authorized to carry arms in an official capacity; or

(2) another individual the Administrator of the Federal Aviation Administration or the Secretary of Homeland Security by regulation authorizes to carry arms in an official capacity.

AMENDMENTS

2004—Subsec. (b)(1). Pub. L. 108–458, §4027(c)(1), substituted "Secretary of Homeland Security" for "Secretary of Transportation".

Subsec. (c)(2). Pub. L. 108–458, §4027(c)(2), substituted "Secretary of Homeland Security" for "Under

Secretary of Transportation for Security".

2001—Subsec. (c)(2). Pub. L. 107–71 inserted "or the Under Secretary of Transportation for Security" after "Federal Aviation Administration".

§46304. Liens on aircraft

(a) AIRCRAFT SUBJECT TO LIENS.—When an aircraft is involved in a violation referred to in section 46301(a)(1)(A)–(C) of this title and the violation is by the owner of, or individual commanding, the aircraft, the aircraft is subject to a lien for the civil penalty.

(b) SEIZURE.—An aircraft subject to a lien under this section may be seized summarily and placed in the custody of a person authorized to take custody of it under regulations of the Secretary of Transportation (or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator of the Federal Aviation Administration). A report on the seizure shall be submitted to the Attorney General. The Attorney General promptly shall bring a civil action in rem to enforce the lien or notify the Secretary or Administrator that the action will not be brought.

(c) RELEASE.—An aircraft seized under subsection (b) of this section shall be released from custody when—

(1) the civil penalty is paid;

(2) a compromise amount agreed on is paid;

(3) the aircraft is seized under a civil action in rem to enforce the lien;

(4) the Attorney General gives notice that a civil action will not be brought under subsection (b) of this section; or

(5) a bond (in an amount and with a surety the Secretary or Administrator prescribes), conditioned on payment of the penalty or compromise, is deposited with the Secretary or Administrator.

In this section, the word "civil" is added before "penalty" for consistency in the revised title and with other titles of the United States Code.

In subsections (b) and (c), the word "Administrator" in section 902(b)(2) and (3) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 786) is retained on authority of 49:106(g). The words "Attorney General" are substituted for "United States attorney for the judicial district in which the seizure is made" and

"United States attorney" because of 28:503 and 509.

In subsection (b), the words "report on the seizure" are substituted for "report of the cause" for clarity. The words "bring a civil action in rem" are substituted for "institute proceedings" for clarity and consistency in the revised title and with other titles of the Code and the Federal Rules of Civil Procedure (28 App. U.S.C.). The words "that the action will not be brought" are substituted for "of his failure to so act" for clarity.

In subsection (c)(3), the words "under a civil action in rem" are substituted for "in pursuance of process of any court in proceedings in rem" to eliminate unnecessary words and for consistency.

AMENDMENTS

2018—Subsec. (b). Pub. L. 115–254 substituted "or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator of the Federal Aviation Administration" for "or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator".

2003—Subsec. (a). Pub. L. 108–176 struck out ", (2), or (3)" after "section 46301(a)(1)(A)–(C)".

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

§46305. Actions to recover civil penalties

A civil penalty under this chapter may be collected by bringing a civil action against the person subject to the penalty, a civil action in rem against an aircraft subject to a lien for a penalty, or both. The action shall conform as nearly as practicable to a civil action in admiralty, regardless of the place an aircraft in a civil action in rem is seized. However, a party may demand a jury trial of an issue of fact in an action involving a civil penalty under this chapter (except a penalty imposed by the Secretary of Transportation that formerly was imposed by the Civil Aeronautics Board) if the value of the matter in controversy is more than $20. Issues of fact tried by a jury may be reexamined only under common law rules.

The text of 49 App.:1473(b)(4) is omitted because of 28:ch. 131. The words "imposed or assessed" are omitted as surplus. The words "bringing a civil action" are substituted for "proceedings in personam", the

words "civil action in rem" are substituted for "proceedings in rem", and the words "civil action" are substituted for "civil suits", for consistency in the revised title and with other titles of the United States Code and the Federal Rules of Civil Procedure (28 App. U.S.C.). The words "regardless of the place an aircraft in a civil action in rem is seized" are substituted for 49 App.:1473(b)(1) (last sentence) to eliminate unnecessary words. The word "civil" is added after "involving a" for clarity. The words "(except a penalty imposed by the Secretary of Transportation that formerly was imposed by the Civil Aeronautics Board)" are substituted for "other than those assessed by the Board" because the Civil Aeronautics Board went out of existence and its duties and powers were transferred to the Secretary of Transportation.

§46306. Registration violations involving aircraft not providing air transportation

(a) APPLICATION.—This section applies only to aircraft not used to provide air transportation.

(b) GENERAL CRIMINAL PENALTY.—Except as provided by subsection (c) of this section, a person shall be fined under title 18, imprisoned for not more than 3 years, or both, if the person—

(1) knowingly and willfully forges or alters a certificate authorized to be issued under this part;

(2) knowingly sells, uses, attempts to use, or possesses with the intent to use, such a certificate;

(3) knowingly and willfully displays or causes to be displayed on an aircraft a mark that is false or misleading about the nationality or registration of the aircraft;

(4) obtains a certificate authorized to be issued under this part by knowingly and willfully falsifying or concealing a material fact, making a false, fictitious, or fraudulent statement, or making or using a false document knowing it contains a false, fictitious, or fraudulent statement or entry;

(5) owns an aircraft eligible for registration under section 44102 of this title and knowingly and willfully operates, attempts to operate, or allows another person to operate the aircraft when—

(A) the aircraft is not registered under section 44103 of this title or the certificate of registration is suspended or revoked; or

(B) the owner knows or has reason to know that the other person does not have proper authorization to operate or navigate the aircraft without registration for a period of time after transfer of ownership;

(6) knowingly and willfully operates or attempts to operate an aircraft eligible for registration under section 44102 of this title knowing that—

(A) the aircraft is not registered under section 44103 of this title;

(B) the certificate of registration is suspended or revoked; or

(C) the person does not have proper authorization to operate or navigate the aircraft without registration for a period of time after transfer of ownership;

(7) knowingly and willfully serves or attempts to serve in any capacity as an airman without an airman's certificate authorizing the individual to serve in that capacity;

(8) knowingly and willfully employs for service or uses in any capacity as an airman an individual who does not have an airman's certificate authorizing the individual to serve in that capacity; or

(9) operates an aircraft with a fuel tank or fuel system that has been installed or modified knowing that the tank, system, installation, or modification does not comply with regulations and requirements of the Administrator of the Federal Aviation Administration.

(c) CONTROLLED SUBSTANCE CRIMINAL PENALTY.—(1) In this subsection, "controlled substance" has the same meaning given that term in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802).

(2) A person violating subsection (b) of this section shall be fined under title 18, imprisoned for not more than 5 years, or both, if the violation is related to transporting a controlled substance by aircraft or aiding or facilitating a controlled substance violation and the transporting, aiding, or

facilitating—

(A) is punishable by death or imprisonment of more than one year under a law of the United States or a State; or

(B) that is provided is related to an act punishable by death or imprisonment for more than one year under a law of the United States or a State related to a controlled substance (except a law related to simple possession of a controlled substance).

(3) A term of imprisonment imposed under paragraph (2) of this subsection shall be served in addition to, and not concurrently with, any other term of imprisonment imposed on the individual.

(d) SEIZURE AND FORFEITURE.—(1) The Administrator of Drug Enforcement or the Commissioner of U.S. Customs and Border Protection may seize and forfeit under the customs laws an aircraft whose use is related to a violation of subsection (b) of this section, or to aid or facilitate a violation, regardless of whether a person is charged with the violation.

(2) An aircraft's use is presumed to have been related to a violation of, or to aid or facilitate a violation of—

(A) subsection (b)(1) of this section if the aircraft certificate of registration has been forged or altered;

(B) subsection (b)(3) of this section if there is an external display of false or misleading registration numbers or country of registration;

(C) subsection (b)(4) of this section if—

(i) the aircraft is registered to a false or fictitious person; or

(ii) the application form used to obtain the aircraft certificate of registration contains a material false statement;

(D) subsection (b)(5) of this section if the aircraft was operated when it was not registered under section 44103 of this title; or

(E) subsection (b)(9) of this section if the aircraft has a fuel tank or fuel system that was installed or altered—

(i) in violation of a regulation or requirement of the Administrator of the Federal Aviation Administration; or

(ii) if a certificate required to be issued for the installation or alteration is not carried on the aircraft.

(3) The Administrator of the Federal Aviation Administration, the Administrator of Drug Enforcement, and the Commissioner shall agree to a memorandum of understanding to establish procedures to carry out this subsection.

(e) RELATIONSHIP TO STATE LAWS.—This part does not prevent a State from establishing a criminal penalty, including providing for forfeiture and seizure of aircraft, for a person that—

(1) knowingly and willfully forges or alters an aircraft certificate of registration;

(2) knowingly sells, uses, attempts to use, or possesses with the intent to use, a fraudulent aircraft certificate of registration;

(3) knowingly and willfully displays or causes to be displayed on an aircraft a mark that is false or misleading about the nationality or registration of the aircraft; or

(4) obtains an aircraft certificate of registration from the Administrator of the Federal Aviation Administration by—

(A) knowingly and willfully falsifying or concealing a material fact;

(B) making a false, fictitious, or fraudulent statement; or

(C) making or using a false document knowing it contains a false, fictitious, or fraudulent statement or entry.

In this section, before clause (1), the words "fined under title 18" are substituted for "a fine of not exceeding $5,000" for consistency with title 18. The words "such fine and imprisonment" are omitted as surplus. In clause (1), the words "used at" are substituted for "in connection with" for clarity. The words "airport or other" are omitted as being included in the definition of "air navigation facility" in section 40102(a) of the revised title. In clause (2), the word "due" is omitted as surplus. The word "Administrator" in section 902(c) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 784) is retained on authority of 49:106(g). In clause (3), the words "removes, extinguishes, or" are omitted as surplus.

§46309. Concession and price violations

(a) CRIMINAL PENALTY FOR OFFERING, GRANTING, GIVING, OR HELPING TO OBTAIN CONCESSIONS AND LOWER PRICES.—An air carrier, foreign air carrier, ticket agent, or officer, agent, or employee of an air carrier, foreign air carrier, or ticket agent shall be fined under title 18 if the air carrier, foreign air carrier, ticket agent, officer, agent, or employee—

(1) knowingly and willfully offers, grants, or gives, or causes to be offered, granted, or given, a rebate or other concession in violation of this part; or

(2) by any means knowingly and willfully assists, or willingly allows, a person to obtain transportation or services subject to this part at less than the price lawfully in effect.

(b) CRIMINAL PENALTY FOR RECEIVING REBATES, PRIVILEGES, AND FACILITIES .—A person shall be fined under title 18 if the person by any means—

(1) knowingly and willfully solicits, accepts, or receives a rebate of a part of a price lawfully in effect for the foreign air transportation of property, or a service related to the foreign air transportation; or

(2) knowingly solicits, accepts, or receives a privilege or facility related to a matter the Secretary of Transportation requires be specified in a currently effective tariff applicable to the foreign air transportation of property.

In this section, the words "fined under title 18" are substituted for "a fine of not less than $100 and not more than $5,000" and "fined not less than $100, nor more than $5,000" for consistency with title 18. The words "for each offense" are omitted as surplus. The words "fares, or charges" are omitted as surplus because of the definition of "rate" in section 40102(a) of the revised title.

In subsection (a), before clause (1), the word "representative" is omitted as surplus. The words "shall be deemed guilty of a misdemeanor" are omitted as superseded by 18:3559. The words "and, upon conviction thereof" are omitted as surplus. In clause (2), the words "device or" and "suffer or" are omitted as surplus.

In subsection (b), before clause (1), the words "by any means" are substituted for "in any manner or by any device" for consistency in this section and to eliminate unnecessary words. In clauses (1) and (2), the word "foreign" is added for clarity because only foreign air transportation has regulated prices. In clause (1), the word "rebate" is substituted for "refund or remittance" for consistency in this section. In clause (2), the word "favor" is omitted as being included in "privilege".

§46310. Reporting and recordkeeping violations

(a) GENERAL CRIMINAL PENALTY.—An air carrier or an officer, agent, or employee of an air carrier shall be fined under title 18 for intentionally—

(1) failing to make a report or keep a record under this part;

(2) falsifying, mutilating, or altering a report or record under this part; or

(3) filing a false report or record under this part.

(b) SAFETY REGULATION CRIMINAL PENALTY.—An air carrier or an officer, agent, or employee of an air carrier shall be fined under title 18, imprisoned for not more than 5 years, or both, for intentionally falsifying or concealing a material fact, or inducing reliance on a false statement of material fact, in a report or record under section 44701(a) or (b) or any of sections 44702–44716 of this title.

In subsection (b), before clause (1), the words "fined under title 18" are substituted for "a fine not exceeding $25,000" for consistency with title 18. In clause (2), the word "knowingly" is substituted for "and with knowledge of such act" to eliminate unnecessary words.

§46316. General criminal penalty when specific penalty not provided

(a) CRIMINAL PENALTY.—Except as provided by subsection (b) of this section, when another criminal penalty is not provided under this chapter, a person that knowingly and willfully violates this part, a regulation prescribed or order issued by the Secretary of Transportation (or the Administrator of the Transportation Security Administration with respect to security duties and powers designated to be carried out by the Administrator of the Transportation Security Administration or the Administrator of the Federal Aviation Administration with respect to aviation safety duties and powers designated to be carried out by the Administrator of the Federal Aviation Administration) under this part, or any term of a certificate or permit issued under section 41102, 41103, or 41302 of this title shall be fined under title 18. A separate violation occurs for each day the violation continues.

(b) NONAPPLICATION.—Subsection (a) of this section does not apply to chapter 401 (except sections 40103(a) and (d), 40105, 40116, and 40117), chapter 441 (except section 44109), chapter 445, chapter 447 (except section 44718(a)), and chapter 449 (except sections 44902, 44903(d), 44904, and 44907–44909) of this title.

In subsection (a), the word "prescribed" is added for consistency in the revised title. The words "condition,

or limitation of" are omitted as surplus. The word "Administrator" in section 902(a) of the Federal Aviation Act of 1958 (Public Law 85–726, 72 Stat. 784) is retained on authority of 49:106(g). The words "or in section 1474 of this Appendix" are omitted as surplus because 49 App.:1474 is not included in the revised title. The words "shall be deemed guilty of a misdemeanor" are omitted for consistency with title 18. The words "and upon conviction thereof" are omitted as surplus. The words "shall be fined under title 18" are substituted for "shall be subject for the first offense to a fine of not more than $500, and for any subsequent offense to a fine of not more than $2,000" for consistency with title 18.

In subsection (b), reference to 49 App.:ch. 20, subch. VII is omitted as unnecessary because subchapter VII is not restated in this part.

AMENDMENTS

2018—Pub. L. 115–254, div. B, title V, §539(m), div. K, title I, §1991(h)(2), Oct. 5, 2018, 132 Stat. 3371, 3645, made identical amendments, striking out item 46503 "Repealed".

2001—Pub. L. 107–71, title I, §114(b), Nov. 19, 2001, 115 Stat. 623, added item 46503 "Interference with security screening personnel".

1994—Pub. L. 103–322, title VI, §60003(b)(1), Sept. 13, 1994, 108 Stat. 1970, substituted "Repealed" for "Death penalty sentencing procedure for aircraft piracy" in item 46503.

§46501. Definitions

In this chapter—

(1) "aircraft in flight" means an aircraft from the moment all external doors are closed following boarding—

(A) through the moment when one external door is opened to allow passengers to leave the aircraft; or

(B) until, if a forced landing, competent authorities take over responsibility for the aircraft and individuals and property on the aircraft.

(2) "special aircraft jurisdiction of the United States" includes any of the following aircraft in flight:

(A) a civil aircraft of the United States.

(B) an aircraft of the armed forces of the United States.

(C) another aircraft in the United States.

(D) another aircraft outside the United States—

(i) that has its next scheduled destination or last place of departure in the United States, if the aircraft next lands in the United States;

(ii) on which an individual commits an offense (as defined in the Convention for the Suppression of Unlawful Seizure of Aircraft) if the aircraft lands in the United States with the individual still on the aircraft; or

(iii) against which an individual commits an offense (as defined in subsection (d) or (e) of article I, section I of the Convention for the Suppression of Unlawful Acts against the Safety of Civil Aviation) if the aircraft lands in the United States with the individual still on the aircraft.

(E) any other aircraft leased without crew to a lessee whose principal place of business is in the United States or, if the lessee does not have a principal place of business, whose permanent residence is in the United States.

(3) an individual commits an offense (as defined in the Convention for the Suppression of Unlawful Seizure of Aircraft) when the individual, when on an aircraft in flight—

(A) by any form of intimidation, unlawfully seizes, exercises control of, or attempts to seize or exercise control of, the aircraft; or

(B) is an accomplice of an individual referred to in subclause (A) of this clause.

In clause (3), the words "by force or threat thereof, or . . . other" are omitted as surplus.

§46502. Aircraft piracy

(a) IN SPECIAL AIRCRAFT JURISDICTION.—(1) In this subsection—

(A) "aircraft piracy" means seizing or exercising control of an aircraft in the special aircraft jurisdiction of the United States by force, violence, threat of force or violence, or any form of intimidation, and with wrongful intent.

(B) an attempt to commit aircraft piracy is in the special aircraft jurisdiction of the United States although the aircraft is not in flight at the time of the attempt if the aircraft would have been in the special aircraft jurisdiction of the United States had the aircraft piracy been completed.

(2) An individual committing or attempting or conspiring to commit aircraft piracy—
(A) shall be imprisoned for at least 20 years; or
(B) notwithstanding section 3559(b) of title 18, if the death of another individual results from the commission or attempt, shall be put to death or imprisoned for life.

(b) OUTSIDE SPECIAL AIRCRAFT JURISDICTION.—(1) An individual committing or conspiring to commit an offense (as defined in the Convention for the Suppression of Unlawful Seizure of Aircraft) on an aircraft in flight outside the special aircraft jurisdiction of the United States—
(A) shall be imprisoned for at least 20 years; or
(B) notwithstanding section 3559(b) of title 18, if the death of another individual results from the commission or attempt, shall be put to death or imprisoned for life.

(2) There is jurisdiction over the offense in paragraph (1) if—
(A) a national of the United States was aboard the aircraft;
(B) an offender is a national of the United States; or
(C) an offender is afterwards found in the United States.

(3) For purposes of this subsection, the term "national of the United States" has the meaning prescribed in section 101(a)(22) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(22)).

AMENDMENTS

1996—Subsec. (a)(2). Pub. L. 104–132, §723(b)(1), inserted "or conspiring" after "attempting".

Subsec. (b)(1). Pub. L. 104–132, §§721(a)(1), 723(b)(2), in introductory provisions, inserted "or conspiring to commit" after "committing" and struck out "and later found in the United States" after "jurisdiction of the United States".

Subsec. (b)(2). Pub. L. 104–132, §721(a)(2), amended par. (2) generally. Prior to amendment, par. (2) read as follows: "This subsection applies only if the place of takeoff or landing of the aircraft on which the individual commits the offense is located outside the territory of the country of registration of the aircraft."

Subsec. (b)(3). Pub. L. 104–132, §721(a)(3), added par. (3).

1994—Subsecs. (a)(2)(B), (b)(1)(B). Pub. L. 103–429 inserted "notwithstanding section 3559(b) of title 18," before "if the death".

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by Pub. L. 103–429 effective July 5, 1994, see section 9 of Pub. L. 103–429, set out as a note under section 321 of this title.

DEATH PENALTY PROCEDURES FOR CERTAIN AIR PIRACY CASES OCCURRING BEFORE ENACTMENT OF THE FEDERAL DEATH PENALTY ACT OF 1994

Pub. L. 109–177, title II, §211, Mar. 9, 2006, 120 Stat. 230, provided that:

"(a) IN GENERAL.—Section 60003 of the Violent Crime Control and Law Enforcement Act of 1994 (Public Law 103–322), is amended, as of the time of its enactment [Sept. 13, 1994], by adding at the end the following:

" '(c) [Omitted, see below.]'.

"(b) SEVERABILITY CLAUSE.—If any provision of section 60003(b)(2) of the Violent Crime and Law Enforcement Act of 1994 (Public Law 103–322) [repealed section 46503 of this title], or the application thereof to any person or any circumstance is held invalid, the remainder of such section and the application of such section to other persons or circumstances shall not be affected thereby."

Pub. L. 103–322, title VI, §60003(c), as added by Pub. L. 109–177, title II, §211(a), Mar. 9, 2006, 120 Stat. 230, provided that:

"(c) DEATH PENALTY PROCEDURES FOR CERTAIN PREVIOUS AIRCRAFT PIRACY VIOLATIONS.—An individual convicted of violating section 46502 of title 49, United States Code, or its predecessor, may be sentenced to death in accordance with the procedures established in chapter 228 of title 18, United States Code, if for any offense committed before the enactment of the Violent Crime Control and Law Enforcement Act of 1994 (Public Law 103–322) [Sept. 13, 1994], but after the enactment of the Antihijacking Act of 1974 (Public Law 93–366) [Aug. 5, 1974], it is determined by the finder of fact, before consideration of the factors set forth in sections 3591(a)(2) and 3592(a) and (c) of title 18, United States Code, that one or more of the factors set forth in former section 46503(c)(2) of title 49, United States Code, or its predecessor, has been proven by the Government to exist, beyond a reasonable doubt, and that none of the factors set forth in former section 46503(c)(1) of title 49, United States Code, or its predecessor, has been proven by the defendant to exist, by a preponderance of the information. The meaning of the term 'especially heinous, cruel, or depraved', as used in the factor set forth in former section 46503(c)(2)(B)(iv) of title 49, United States Code, or its predecessor, shall be narrowed by adding the limiting language 'in that it involved torture or serious physical abuse to the victim', and shall be construed as when that term is used in section 3592(c)(6) of title 18, United States Code."

AIRCRAFT PIRACY

The United States is a party to the Convention for the Suppression of Unlawful Seizure of Aircraft, signed at The Hague, Dec. 16, 1970, entered into force as to the United States, Oct. 14, 1971, 22 UST 1641.

§46503. Interference with security screening personnel

(a) IN GENERAL.—An individual in an area within a commercial service airport in the United States who, by assaulting a Federal, airport, or air carrier employee who has security duties within the airport, interferes with the performance of the duties of the employee or lessens the ability of the

employee to perform those duties, shall be fined under title 18, imprisoned for not more than 10 years, or both. If the individual used a dangerous weapon in committing the assault or interference, the individual may be imprisoned for any term of years or life imprisonment.

(b) AIRPORT AND AIR CARRIER EMPLOYEES.—For purposes of this section, an airport or air carrier employee who has security duties within the airport includes an airport or air carrier employee performing ticketing, check-in, baggage claim, or boarding functions.

(Added Pub. L. 107–71, title I, §114(a), Nov. 19, 2001, 115 Stat. 623; amended Pub. L. 118–63, title IV, §436, May 16, 2024, 138 Stat. 1176.)

EDITORIAL NOTES

PRIOR PROVISIONS

A prior section 46503, Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1242, provided for death penalty sentencing procedure for individuals convicted of aircraft piracy, prior to repeal by Pub. L. 103–322, title VI, §60003(b)(2), Sept. 13, 1994, 108 Stat. 1970.

AMENDMENTS

2024—Pub. L. 118–63 designated existing provisions as subsec. (a), inserted heading, and added subsec. (b).

§46504. Interference with flight crew members and attendants

An individual on an aircraft in the special aircraft jurisdiction of the United States who, by assaulting or intimidating a flight crew member or flight attendant of the aircraft, interferes with the performance of the duties of the member or attendant or lessens the ability of the member or attendant to perform those duties, or attempts or conspires to do such an act, shall be fined under title 18, imprisoned for not more than 20 years, or both. However, if a dangerous weapon is used in assaulting or intimidating the member or attendant, the individual shall be imprisoned for any term of years or for life.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1244; Pub. L. 107–56, title VIII, §811(i), Oct. 26, 2001, 115 Stat. 382.)

AMENDMENTS

2001—Pub. L. 107–56 inserted "or attempts or conspires to do such an act," before "shall be fined under title 18,".

§46505. Carrying a weapon or explosive on an aircraft

(a) DEFINITION.—In this section, "loaded firearm" means a starter gun or a weapon designed or converted to expel a projectile through an explosive, that has a cartridge, a detonator, or powder in the chamber, magazine, cylinder, or clip.

(b) GENERAL CRIMINAL PENALTY.—An individual shall be fined under title 18, imprisoned for not more than 10 years, or both, if the individual—

(1) when on, or attempting to get on, an aircraft in, or intended for operation in, air transportation or intrastate air transportation, has on or about the individual or the property of the individual a concealed dangerous weapon that is or would be accessible to the individual in flight;

(2) has placed, attempted to place, or attempted to have placed a loaded firearm on that aircraft in property not accessible to passengers in flight; or

(3) has on or about the individual, or has placed, attempted to place, or attempted to have placed on that aircraft, an explosive or incendiary device.

(c) CRIMINAL PENALTY INVOLVING DISREGARD FOR HUMAN LIFE.—An individual who willfully and without regard for the safety of human life, or with reckless disregard for the safety of human life, violates subsection (b) of this section, shall be fined under title 18, imprisoned for not more than 20 years, or both, and, if death results to any person, shall be imprisoned for any term of years or for life.

(d) NONAPPLICATION.—Subsection (b)(1) of this section does not apply to—

(1) a law enforcement officer of a State or political subdivision of a State, or an officer or employee of the United States Government, authorized to carry arms in an official capacity;

(2) another individual the Administrator of the Federal Aviation Administration or the Administrator of the Transportation Security Administration by regulation authorizes to carry a dangerous weapon in air transportation or intrastate air transportation; or

(3) an individual transporting a weapon (except a loaded firearm) in baggage not accessible to a passenger in flight if the air carrier was informed of the presence of the weapon.

(e) CONSPIRACY.—If two or more persons conspire to violate subsection (b) or (c), and one or more of such persons do any act to effect the object of the conspiracy, each of the parties to such conspiracy shall be punished as provided in such subsection.

AMENDMENTS

2018—Subsec. (d)(2). Pub. L. 115–254 substituted "Administrator of the Transportation Security Administration" for "Under Secretary of Transportation for Security".

2001—Subsec. (c). Pub. L. 107–56, §810(g), substituted "20 years, or both, and, if death results to any person, shall be imprisoned for any term of years or for life." for "15 years, or both."

Subsec. (d)(2). Pub. L. 107–71, §140(d)(8), inserted "or the Under Secretary of Transportation for Security" after "Federal Aviation Administration".

Subsec. (e). Pub. L. 107–56, §811(j), added subsec. (e).

1996—Subsec. (b). Pub. L. 104–132, §705(b)(1), substituted "10 years" for "one year".

Subsec. (c). Pub. L. 104–132, §705(b)(2), substituted "15 years" for "5 years".

§46506. Application of certain criminal laws to acts on aircraft

An individual on an aircraft in the special aircraft jurisdiction of the United States who commits an act that—

(1) if committed in the special maritime and territorial jurisdiction of the United States (as defined in section 7 of title 18) would violate section 113, 114, 661, 662, 1111, 1112, 1113, or 2111 or chapter 109A of title 18, shall be fined under title 18, imprisoned under that section or chapter, or both; or

(2) if committed in the District of Columbia would violate section 9 of the Act of July 29, 1892 (D.C. Code §22-1112), shall be fined under title 18, imprisoned under section 9 of the Act, or both.

SUBCHAPTER I—AIRPORT IMPROVEMENT

§47101. Policies

(a) GENERAL.—It is the policy of the United States—

(1) that the safe operation of the airport and airway system is the highest aviation priority;

(2) that projects, activities, and actions that prevent runway incursions serve to—

(A) improve airport surface surveillance; and

(B) mitigate surface safety risks that are essential to ensuring the safe operation of the airport and airway system;

(3) that aviation facilities be constructed and operated to minimize current and projected noise impact on nearby communities;

(4) to give special emphasis to developing reliever airports;

(5) that appropriate provisions should be made to make the development and enhancement of cargo hub airports easier;

(6) to encourage the development of intermodal connections on airport property between aeronautical and other transportation modes and systems to serve air transportation passengers and cargo efficiently and effectively and promote economic development;

(7) that airport development projects under this subchapter provide for the protection and enhancement of natural resources and the quality of the environment of the United States;

(8) that airport construction and improvement projects that increase the capacity of facilities to accommodate passenger and cargo traffic be undertaken to the maximum feasible extent so that safety and efficiency increase and delays decrease;

(9) to ensure that nonaviation usage of the navigable airspace be accommodated but not allowed to decrease the safety and capacity of the airspace and airport system;

(10) that artificial restrictions on airport capacity—

(A) are not in the public interest;

(B) should be imposed to alleviate air traffic delays only after other reasonably available and less burdensome alternatives have been tried; and

(C) should not discriminate unjustly between categories and classes of aircraft;

(11) that special emphasis should be placed on converting appropriate former military air bases to civil use and identifying and improving additional joint-use facilities;

(12) that the airport improvement program should be administered to encourage projects that employ innovative technology (including integrated in-pavement lighting systems for runways and taxiways and other runway and taxiway incursion prevention devices), concepts, and approaches that will promote safety, capacity, and efficiency improvements in the construction of airports and in the air transportation system (including the development and use of innovative concrete and other materials in the construction of airport facilities to minimize initial laydown costs, minimize time out of service, and maximize lifecycle durability) and to encourage and solicit innovative technology proposals and activities in the expenditure of funding pursuant to this subchapter;

(13) that airport fees, rates, and charges must be reasonable and may only be used for purposes not prohibited by this subchapter; and

(14) that airports should be as self-sustaining as possible under the circumstances existing at each particular airport and in establishing new fees, rates, and charges, and generating revenues from all sources, airport owners and operators should not seek to create revenue surpluses that exceed the amounts to be used for airport system purposes and for other purposes for which airport revenues may be spent under section 47107(b)(1) of this title, including reasonable reserves and other funds to facilitate financing and cover contingencies.

(b) NATIONAL TRANSPORTATION POLICY.—(1) It is a goal of the United States to develop a national intermodal transportation system that transports passengers and property in an efficient manner. The future economic direction of the United States depends on its ability to confront directly the enormous challenges of the global economy, declining productivity growth, energy vulnerability, air pollution, and the need to rebuild the infrastructure of the United States.

(2) United States leadership in the world economy, the expanding wealth of the United States, the competitiveness of the industry of the United States, the standard of living, and the quality of life are at stake.

(3) A national intermodal transportation system is a coordinated, flexible network of diverse but complementary forms of transportation that transports passengers and property in the most efficient manner. By reducing transportation costs, these intermodal systems will enhance the ability of the industry of the United States to compete in the global marketplace.

(4) All forms of transportation, including aviation and other transportation systems of the future, will be full partners in the effort to reduce energy consumption and air pollution while promoting economic development.

(5) An intermodal transportation system consists of transportation hubs that connect different forms of appropriate transportation and provides users with the most efficient means of transportation and with access to commercial centers, business locations, population centers, and the vast rural areas of the United States, as well as providing links to other forms of transportation and to intercity connections.

(6) Intermodality and flexibility are paramount issues in the process of developing an integrated system that will obtain the optimum yield of United States resources.

(7) The United States transportation infrastructure must be reshaped to provide the economic underpinnings for the United States to compete in the 21st century global economy. The United States can no longer rely on the sheer size of its economy to dominate international economic rivals and must recognize fully that its economy is no longer a separate entity but is part of the global marketplace. The future economic prosperity of the United States depends on its ability to compete in an international marketplace that is teeming with competitors but in which a full one-quarter of the economic activity of the United States takes place.

(8) The United States must make a national commitment to rebuild its infrastructure through development of a national intermodal transportation system. The United States must provide the foundation for its industries to improve productivity and their ability to compete in the global economy with a system that will transport passengers and property in an efficient manner.

(c) CAPACITY EXPANSION AND NOISE ABATEMENT.—It is in the public interest to recognize the effects of airport capacity expansion projects on aircraft noise. Efforts to increase capacity through any means can have an impact on surrounding communities. Noncompatible land uses around airports must be reduced and efforts to mitigate noise must be given a high priority.

(d) CONSISTENCY WITH AIR COMMERCE AND SAFETY POLICIES.—Each airport and airway program should be carried out consistently with section 40101(a), (b), (d), and (f) of this title to foster competition, prevent unfair methods of competition in air transportation, maintain essential air transportation, and prevent unjust and discriminatory practices, including as the practices may be applied between categories and classes of aircraft.

(e) ADEQUACY OF NAVIGATION AIDS AND AIRPORT FACILITIES.—This subchapter should be carried out to provide adequate navigation aids and airport facilities for places at which scheduled commercial air service is provided. The facilities provided may include—

(1) reliever airports; and

(2) heliports designated by the Secretary of Transportation to relieve congestion at commercial service airports by diverting aircraft passengers from fixed-wing aircraft to helicopter carriers.

(f) MAXIMUM USE OF SAFETY FACILITIES.—This subchapter should be carried out consistently with a comprehensive airspace system plan, giving highest priority to commercial service airports, to maximize the use of safety facilities, including installing, operating, and maintaining, to the extent possible with available money and considering other safety needs—

(1) electronic or visual vertical guidance on each runway;

(2) grooving or friction treatment of each primary and secondary runway;

(3) distance-to-go signs for each primary and secondary runway;

(4) a precision approach system, a vertical visual guidance system, and a full approach light system for each primary runway;

(5) a nonprecision instrument approach for each secondary runway;

(6) runway end identifier lights on each runway that does not have an approach light system;

(7) a surface movement radar system at each category III airport;

(8) a taxiway lighting and sign system;

(9) runway edge lighting and marking;

(10) radar approach coverage for each airport terminal area; and

(11) runway and taxiway incursion prevention devices, including integrated in-pavement

lighting systems for runways and taxiways.

(g) INTERMODAL PLANNING.—To carry out the policy of subsection (a)(6) of this section, the Secretary of Transportation shall take each of the following actions:

(1) COORDINATION IN DEVELOPMENT OF AIRPORT PLANS AND PROGRAMS .—Cooperate with State and local officials in developing airport plans and programs that are based on overall transportation needs. The airport plans and programs shall be developed in coordination with other transportation planning and considering comprehensive long-range land-use plans and overall social, economic, environmental (including long-term resilience from the impact of natural hazards and severe weather events), system performance, and energy conservation objectives. The process of developing airport plans and programs shall be continuing, cooperative, and comprehensive to the degree appropriate to the complexity of the transportation problems.

(2) GOALS FOR AIRPORT MASTER AND SYSTEM PLANS.—Encourage airport sponsors and State and local officials to develop airport master plans and airport system plans that—

(A) foster effective coordination between aviation planning and metropolitan planning;

(B) include an evaluation of aviation needs within the context of multimodal planning;

(C) consider passenger convenience, airport ground access, and access to airport facilities;

(D) are integrated with metropolitan plans to ensure that airport development proposals include adequate consideration of land use and ground transportation access; and

(E) consider the impact of hazardous weather events on long-term operational resilience.

(3) REPRESENTATION OF AIRPORT OPERATORS ON MPO'S.—Encourage metropolitan planning organizations, particularly in areas with populations greater than 200,000, to establish membership positions for airport operators.

(h) CONSULTATION.—To carry out the policy of subsection (a)(7) of this section, the Secretary of Transportation may consult with the Secretary of the Interior and the Administrator of the Environmental Protection Agency about any project included in a project grant application involving the location of an airport or runway, or a major runway extension, that may have a significant effect on—

(1) natural resources, including fish and wildlife;

(2) natural, scenic, and recreation assets;

(3) water and air quality; or

(4) another factor affecting the environment.

In subsection (a), before clause (1), the text of 49 App.:2201(a)(2), (9), and (10) is omitted as executed. The words "It is the policy of the United States" are substituted for "The Congress hereby . . . declares" in 49 App.:2201(a) (words before cl. (1)), "it is in the national interest" in 49 App.:2201(a)(12), "are not in the public interest and" in 49 App.:2201(a)(13), "It is declared to be in the national interest to" in 49 App.:2201(b), and "It is declared to be national policy that" in 49 App.:2208(b)(5) for consistency in the revised title and with other titles of the United States Code. In clause (1), the word "is" is substituted for "will continue to be" to eliminate unnecessary words. In clause (2), the words "with due regard" are omitted as surplus. In clause (3), the words "reliever airports make an important contribution to the efficient operation of the airport and airway system" are omitted as executed. In clause (4), the words "cargo hub airports play a critical role in the movement of commerce through the airport and airway system" are omitted as executed. In clause (5), the words "and promote" are omitted as surplus.

In subsection (d), the word "to" is substituted for "with due regard for the goals expressed therein of" to eliminate unnecessary words.

In subsection (e), before clause (1), the words "The facilities provided may include" are substituted for "including" because of the restatement. Clause (2) is substituted for "reliever heliports" to incorporate the definition of that term from 49 App.:2202(a)(19) into this subsection.

In subsection (f), before clause (1), the words "the goal of" are omitted as surplus.

In subsection (g), the words "formulated" and "due" are omitted as surplus. The words "process of developing airport plans and programs" are substituted for "process" for clarity.

PUB. L. 103–429

This amends 49:47101(a)(12) to translate a cross-reference to the Airport and Airway Improvement Act of 1982 (Public Law 97–248, 96 Stat. 671) to the corresponding cross-reference of title 49, United States Code.

EDITORIAL NOTES

AMENDMENTS

2024—Subsec. (a)(2) to (14). Pub. L. 118–63, §347(a)(1), added par. (2) and redesignated former pars. (2) to (13) as (3) to (14), respectively.

Subsec. (g). Pub. L. 118–63, §347(a)(2)(A), substituted "subsection (a)(6)" for "subsection (a)(5)" in introductory provisions.

Subsec. (g)(1). Pub. L. 118–63, §701(1), inserted "(including long-term resilience from the impact of natural hazards and severe weather events)" after "environmental".

Subsec. (g)(2)(E). Pub. L. 118–63, §701(2), added subpar. (E).

Subsec. (h). Pub. L. 118–63, §781, substituted "may consult" for "shall consult" in introductory provisions.

Pub. L. 118–63, §347(a)(2)(B), substituted "subsection (a)(7)" for "subsection (a)(6)" in introductory provisions.

2012—Subsec. (g)(2)(C), (D). Pub. L. 112–95 added subpar. (C) and redesignated former subpar. (C) as (D).

2000—Subsec. (a)(5). Pub. L. 106–181, §137(a), amended par. (5) generally. Prior to amendment, par. (5) read as follows: "to encourage the development of transportation systems that use various modes of transportation in a way that will serve the States and local communities efficiently and effectively;".

Subsec. (a)(11). Pub. L. 106–181, §121(a), inserted "(including integrated in-pavement lighting systems for runways and taxiways and other runway and taxiway incursion prevention devices)" after "employ innovative technology".

Subsec. (f)(11). Pub. L. 106–181, §121(b), added par. (11).

1996—Subsec. (g). Pub. L. 104–264 substituted "INTERMODAL PLANNING" for "COOPERATION" in

heading and amended text generally. Prior to amendment, text read as follows: "To carry out the policy of subsection (a)(5) of this section, the Secretary of Transportation shall cooperate with State and local officials in developing airport plans and programs that are based on overall transportation needs. The airport plans and programs shall be developed in coordination with other transportation planning and considering comprehensive long-range land-use plans and overall social, economic, environmental, system performance, and energy conservation objectives. The process of developing airport plans and programs shall be continuing, cooperative, and comprehensive to the degree appropriate to the complexity of the transportation problems."

1994—Subsec. (a)(11). Pub. L. 103–305, §104, added par. (11).

Subsec. (a)(12). Pub. L. 103–429 substituted "subchapter" for "Act".

Pub. L. 103–305, §110, added par. (12).

Subsec. (a)(13). Pub. L. 103–305, §110, added par. (13).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 1996 AMENDMENT

Except as otherwise specifically provided, amendment by Pub. L. 104–264 applicable only to fiscal years beginning after Sept. 30, 1996, and not to be construed as affecting funds made available for a fiscal year ending before Oct. 1, 1996, see section 3 of Pub. L. 104–264, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by Pub. L. 103–429 effective July 5, 1994, see section 9 of Pub. L. 103–429, set out as a note under section 321 of this title.

RUNWAY LENGTH IN ALASKA

Pub. L. 118–63, title III, §342(d), May 16, 2024, 138 Stat. 1100, provided that: "The Administrator [of the Federal Aviation Administration]—

"(1) may not restrict funding made available under chapter 471 of title 49, United States Code, from being used at an airport in Alaska to rehabilitate, resurface, or reconstruct the full length and width of an existing runway within Alaska based solely on reduced current or forecasted aeronautical activity levels or critical design type standards;

"(2) may not reject requests for runway projects at airports in Alaska if such projects address critical community needs, including projects—

"(A) that support economic development by expanding a runway to meet new demands; or

"(B) that preserve the length of runways used by aircraft to deliver necessary cargo, including heating fuel and gasoline, for the community served by the airport; and

"(3) shall, not later than 60 days after receiving a request for a runway rehabilitation or reconstruction project at an airport in Alaska, review each such request on a case-by-case basis."

CONTINUOUS EVALUATION OF GROUND AND AIR TRAFFIC ACTIVITY AND RELATED INCIDENTS

Pub. L. 118–63, title III, §347(a)(3), May 16, 2024, 138 Stat. 1104, provided that: "In carrying out section 47101(a) of title 49, United States Code, as amended by this subsection, the Administrator [of the Federal Aviation Administration] shall establish a process to continuously track and evaluate ground traffic and air traffic activity and related incidents at airports."

RUNWAY AND SURFACE SAFETY

Pub. L. 118–63, title III, §347(b)–(f), May 16, 2024, 138 Stat. 1104–1107, provided that:

"(b) RUNWAY SAFETY COUNCIL.—

"(1) IN GENERAL.—Not later than 6 months after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall establish a council, to be known as the 'Runway Safety Council' (in this section referred to as the 'Council'), to develop a systematic management strategy to address airport surface safety risks.

"(2) DUTIES.—The duties of the Council shall include, at a minimum, advancing the development of risk-based, data driven, integrated systems solutions and strategies to enhance airport surface safety risk

mitigation.

"(3) MEMBERSHIP.—

"(A) IN GENERAL.—In establishing the Council, the Administrator shall appoint at least 1 member from each of the following:

"(i) Airport operators.

"(ii) Air carriers.

"(iii) Aircraft operators.

"(iv) Avionics manufacturers.

"(v) Flight schools.

"(vi) The exclusive collective bargaining representative of aviation safety professionals for the FAA [Federal Aviation Administration] certified under section 7111 of title 5, United States Code.

"(vii) The exclusive bargaining representative of the air traffic controllers certified under section 7111 of title 5, United States Code.

"(viii) Other safety experts the Administrator determines appropriate.

"(B) ADDITIONAL MEMBERS.—The Administrator may appoint members representing any other stakeholder organization that the Administrator determines appropriate to the Runway Safety Council.

"(c) AIRPORT SURFACE SAFETY TECHNOLOGIES.—

"(1) IDENTIFICATION.—Not later than 6 months after the date of enactment of this Act, the Administrator shall, in coordination with the Council, consult with relevant stakeholders to identify technologies, equipment, systems, and process changes, that—

"(A) may provide airport surface surveillance capabilities at airports lacking such capabilities;

"(B) may augment existing airport surface detection and surveillance system; or

"(C) may improve onboard situational awareness for flight crewmembers, including technologies for use in an aircraft that—

"(i) reduce the risk of collision on the runway with other aircraft or vehicles;

"(ii) calculate safe landing distances; and

"(iii) prompt actions to bring the aircraft to a safe stop.

"(2) CRITERIA.—Not later than 1 year after the date of enactment of this Act, the Administrator shall—

"(A) based on the information obtained pursuant to paragraph (1)(A) and (1)(B), identify airport surface detection and surveillance systems that meet the standards of the FAA and may be able to—

"(i) provide airport surface surveillance capabilities at airports lacking such capabilities; or

"(ii) augment existing airport surface detection and surveillance systems, such as Airport Surface Detection System—Model X or the Airport Surface Surveillance Capability;

"(B) establish a timeline and action plan for replacing, maintaining, or enhancing the operational capability provided by existing airport surface detection and surveillance systems, and implementing runway safety technologies at airports without airport surface detection and surveillance systems, as needed, to improve runway safety;

"(C) based on the information obtained pursuant to paragraph (1)(C), identify safety technologies and systems in transport airplanes that meet the standards of the FAA that will—

"(i) enhance runway safety for transport airplanes that lack the capabilities of such technologies and systems, as appropriate; or

"(ii) augment existing onboard situational awareness runway traffic alerting and runway landing safety technologies installed on transport airplanes; and

"(D) establish clear and quantifiable criteria relating to operational factors, including ground traffic and air traffic activity and the rate of runway and terminal airspace safety events (including runway incursions), that determine when the installation and deployment of an airport surface detection or surveillance system, or other runway safety system (including runway status lights), at an airport is required.

"(3) DEPLOYMENT.—Not later than 5 years after the date of enactment of this Act, the Administrator shall ensure that airport surface detection and surveillance systems are deployed and operational at—

"(A) all airports described in paragraph (2)(A); and

"(B) all medium and large hub airports.

"(4) BRIEFING.—Not later than 3 years after the date of enactment of this Act, the Administrator shall brief the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] on the

progress of the deployment described in paragraph (3).

"(d) FOREIGN OBJECT DEBRIS DETECTION.—

"(1) IN GENERAL.—Not later than 3 years after the date of enactment of this Act [May 16, 2024], the Administrator shall assess, in coordination with the Council, automated foreign object debris monitoring and detection systems at not less than 3 airports that are using such systems.

"(2) CONSIDERATIONS.—In conducting the assessment under paragraph (1), the Administrator shall consider the following:

"(A) The categorization of an airport.

"(B) The potential frequency of foreign object debris incidents on airport runways or adjacent ramp areas.

"(C) The availability of funding for the installation and maintenance of foreign object debris monitoring and detection systems.

"(D) The impact of such systems on the airfield operations of an airport.

"(E) The effectiveness of available foreign object debris monitoring and detection systems.

"(F) Any other factors relevant to assessing the return on investment of foreign object debris monitoring and detection systems.

"(3) CONSULTATION.—In carrying out this subsection, the Administrator and the Council shall consult with manufacturers and suppliers of foreign object debris detection technology and any other relevant stakeholders.

"(e) RUNWAY SAFETY STUDY.—

"(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Administrator shall seek to enter into appropriate arrangements with a federally funded research and development center to conduct a study of runway incursions, airport surface incidents, operational errors, or losses of standard separation of aircraft in the approach or departure phase of flight to determine how advanced technologies and future airport development projects may be able to reduce the frequency of such events and enhance aviation safety.

"(2) CONSIDERATIONS.—In conducting the study under paragraph (1), the federally funded research and development center shall—

"(A) examine data relating to recurring runway incursions, surface incidents, operational errors, or losses of standard separation of aircraft in the approach or departure phase of flight at airports to identify the underlying factors that caused such events;

"(B) assess metrics used to identify when such events are increasing at an airport;

"(C) assess available and developmental technologies, including and beyond such technologies considered in subsection (c), that may augment existing air traffic management capabilities of surface surveillance and terminal airspace equipment;

"(D) consider growth trends in airport size, staffing and communication complexities to identify—

"(i) future gaps in information exchange between aerospace stakeholders; and

"(ii) methods for meeting future near real-time information sharing needs; and

"(E) examine airfield safety training programs used by airport tenants and other stakeholders operating on airfields of airports, including airfield familiarization training programs for employees, to assess scalability to handle future growth in airfield capacity and traffic.

"(3) RECOMMENDATIONS.—In conducting the study required by paragraph (1), the federally funded research and development center shall develop recommendations for the strategic planning efforts of the Administration to appropriately maintain surface safety considering future increases in air traffic and based on the considerations described in paragraph (2).

"(4) REPORT TO CONGRESS.—Not later than 90 days after the completion of the study required by paragraph (1), the Administrator shall submit to the appropriate committees of Congress a report on the findings of such study and any recommendations developed under paragraph (3).

"(f) DEFINITIONS.—In this section:

"(1) AIR CARRIER; FOREIGN AIR CARRIER.—The terms 'air carrier' and 'foreign air carrier' have the meanings given such terms in section 40102 of title 49, United States Code.

"(2) AIRPORT SURFACE DETECTION AND SURVEILLANCE SYSTEM.—The term 'airport surface detection and surveillance system' means an airport surveillance system that is—

"(A) designed to track surface movement of aircraft and vehicles; or

"(B) capable of alerting air traffic controllers or flight crewmembers of a possible runway incursion, misaligned approach, or other safety event.

"(3) TRANSPORT AIRPLANE.—The term 'transport airplane' means a transport category airplane

designed for operation by an air carrier or foreign air carrier jet type-certificated with a passenger seating capacity of at least 10 seats or a maximum takeoff weight above 12,500 pounds or an all-cargo or combi derivative of such an airplane."

PROHIBITION ON PROVISION OF AIRPORT IMPROVEMENT GRANT FUNDS TO CERTAIN ENTITIES THAT HAVE VIOLATED INTELLECTUAL PROPERTY RIGHTS OF UNITED STATES ENTITIES

Pub. L. 118–63, title VII, §711, May 16, 2024, 138 Stat. 1253, provided that:

"(a) IN GENERAL.—Beginning on the date that is 30 days after the date of enactment of this Act [May 16, 2024], amounts provided as project grants under subchapter I of chapter 471 of title 49, United States Code, may not be used to enter into a covered contract with any entity on the list required under subsection (b).

"(b) LIST REQUIRED.—

"(1) IN GENERAL.—Not later than 30 days after the date of enactment of this Act, and thereafter as required under paragraph (2), the United States Trade Representative, the Attorney General, and the Administrator [of the Federal Aviation Administration] shall make available to the Administrator a publicly-available list of entities manufacturing airport passenger boarding infrastructure or equipment that—

"(A) are owned, directed by, or subsidized in whole or in part by the People's Republic of China;

"(B) have been determined by a Federal court to have misappropriated intellectual property or trade secrets from an entity organized under the laws of the United States or any jurisdiction within the United States;

"(C) own or control, are owned or controlled by, are under common ownership or control with, or are successors to an entity described in subparagraph (A); or

"(D) have entered into an agreement with or accepted funding from, whether in the form of minority investment interest or debt, have entered into a partnership with, or have entered into another contractual or other written arrangement with an entity described in subparagraph (A).

"(2) UPDATES TO LIST.—The United States Trade Representative shall update the list required under paragraph (1), based on information provided by the Attorney General and the Administrator—

"(A) not less frequently than every 90 days during the 180-day period following the initial publication of the list under paragraph (1); and

"(B) not less frequently than annually thereafter.

"(c) DEFINITIONS.—In this section:

"(1) IN GENERAL.—The definitions in section 47102 of title 49, United States Code, shall apply.

"(2) COVERED CONTRACT.—The term 'covered contract' means a contract or other agreement for the procurement of infrastructure or equipment for a passenger boarding bridge at an airport."

NATIONAL PRIORITY SYSTEM FORMULAS

Pub. L. 118–63, title VII, §729, May 16, 2024, 138 Stat. 1271, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Secretary [of Transportation] shall review and update the National Priority System prioritization formulas contained in FAA Order 5090.5 to account for the amendments to chapter 471 of title 49, United States Code, made by this Act [see Tables for classification].

"(b) REQUIRED CONSULTATION.—In revising the formulas under subsection (a), the Secretary shall consult with representatives of the following:

"(1) Primary airports, including large, medium, small, and nonhub airports.

"(2) Non-primary airports, including general aviation airports.

"(3) Airport trade associations, including trade associations representing airport executives.

"(4) State aviation officials, including associations representing such officials.

"(5) Air carriers, including mainline, regional, and low-cost air carriers.

"(6) Associations representing air carriers.

"(c) PRIORITY PROJECTS.—In revising the formulas under subsection (a), the Secretary shall assign the highest priority to projects that increase or maintain the safety, efficiency, and capacity of the aviation system."

AIRPORT IMPROVEMENT PROGRAM HANDBOOK UPDATE

Pub. L. 118–63, title VII, §733, May 16, 2024, 138 Stat. 1273, provided that:

"(a) IN GENERAL.—Not later than 3 years after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall revise the Airport Improvement Program Handbook (FAA [Federal Aviation Administration] Order 5100.38D) (in this section referred to as the 'AIP

Handbook') to account for legislative changes to the airport improvement program under subchapter I of chapter 471 and chapter 475 of title 49, United States Code, and to make such other changes as the Administrator determines necessary.

"(b) REQUIREMENTS RELATING TO ALASKA.—In revising the AIP Handbook under subsection (a) (and in any subsequent revision), the Administrator, in consultation with the Governor of Alaska, shall identify and incorporate reasonable exceptions to the general requirements of the AIP Handbook to meet the unique circumstances, and advance the safety needs, of airports in Alaska, including with respect to the following:

"(1) Snow Removal Equipment Building size and configuration.

"(2) Expansion of lease areas.

"(3) Shared governmental use of airport equipment and facilities in remote locations.

"(4) Ensuring the resurfacing or reconstruction of legacy runways to support—

"(A) aircraft necessary to support critical health needs of a community;

"(B) remote fuel deliveries; and

"(C) firefighting response.

"(5) The use of runway end identifier lights at airports in Alaska.

"(c) ADDITIONAL REQUIREMENT.—In revising the AIP Handbook under subsection (a), the Administrator shall include updates to reflect whether a light emitting diode system is an appropriate replacement for any existing halogen system.

"(d) PUBLIC COMMENT.—

"(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Administrator shall publish a draft revision of the AIP Handbook and make such draft available for public comment for a period of not less than 90 days.

"(2) REVIEW.—The Administrator shall—

"(A) review all comments submitted during the public comment period described under paragraph (1);

"(B) as the Administrator considers appropriate, incorporate changes based on such comments into the final revision of the Handbook; and

"(C) provide a response to all significant comments.

"(e) INTERIM IMPLEMENTATION OF CHANGES.—

"(1) IN GENERAL.—Except as provided in paragraph (2), not later than 1 year after the date of enactment of this Act, the Administrator shall issue program guidance letters to provide for the interim implementation of amendments made by this Act to the Airport Improvement Program.

"(2) ALASKA EXCEPTIONS.—Not later than 60 days after the date on which the Administrator identified reasonable exceptions under subsection (b), the Administrator, in consultation with the Regional Administrator of the FAA Alaskan Region, shall issue program guidance letters to provide for the interim application of such exceptions."

CURB MANAGEMENT PRACTICES

Pub. L. 118–63, title VII, §746, May 16, 2024, 138 Stat. 1282, provided that: "Nothing in this Act [see Tables for classification] shall be construed to prevent airports from—

"(1) engaging in curb management practices, including determining and assigning curb designations and regulations;

"(2) installing and maintaining upon any of the roadways or parts of roadways as many curb zones as necessary to aid in the regulation, control, and inspection of passenger loading and unloading; or

"(3) enforcing curb zones using sensor, camera, automated license plate recognition, and software technologies and issuing citations by mail to the registered owner of the vehicle."

NOTICE OF FUNDING OPPORTUNITY

Pub. L. 118–63, title VII, §747, May 16, 2024, 138 Stat. 1282, provided that: "Notwithstanding part 200 of title 2, Code of Federal Regulations, or any other provision of law, funds made available as part of the Airport Improvement Program under subchapter I of chapter 471 or chapter 475 of title 49, United States Code, shall not be subject to any public notice of funding opportunity requirement."

DISPUTED CHANGES OF SPONSORSHIP AT FEDERALLY OBLIGATED, PUBLICLY OWNED AIRPORT

Pub. L. 118–63, title VII, §757, May 16, 2024, 138 Stat. 1285, provided that:

"(a) APPROVAL AUTHORITY.—

"(1) IN GENERAL.—Subject to paragraph (2), in the case of a disputed change of airport sponsorship,

the Administrator [of the Federal Aviation Administration] shall have the sole legal authority to approve any change in the sponsorship of, or operational responsibility for, the airport from the airport sponsor of record to another public or private entity.

"(2) EXCLUSION.—This section shall not apply to a change of sponsorship or ownership of a privately-owned airport, a transfer under the Airport Investment Partnership Program, a change when the Federal Government exercises a right of reverter, or a change that is not disputed.

"(b) CONDITIONS FOR APPROVAL.—

"(1) IN GENERAL.—Subject to paragraphs (2) and (3), the Administrator shall not approve any disputed change of airport sponsorship unless the Administrator receives—

"(A) written documentation from the airport sponsor of record consenting to the change in sponsorship or operation;

"(B) notice of a final, non-reviewable judicial decision requiring such change; or

"(C) notice of a legally-binding agreement between the parties involved.

"(2) PENDING JUDICIAL REVIEW.—The Administrator may not evaluate or approve a disputed change of airport sponsorship where a legal dispute is pending before a court of competent jurisdiction.

"(3) TECHNICAL ASSISTANCE.—

"(A) IN GENERAL.—Any State or local legislative body or public agency considering whether to take an action (including by drafting legislation) that would impact the ownership, sponsorship, governance, or operations of a federally obligated, publicly owned airport may request from the Administrator, at any point in the deliberative process—

"(i) technical assistance regarding the interrelationship between Federal and State or local requirements applicable to any such action; and

"(ii) review and comment on such action.

"(B) FAILURE TO SEEK TECHNICAL ASSISTANCE.—The Administrator may deny a change in the ownership, sponsorship, or governance of, or operational responsibility for, a federally obligated, publicly owned airport if a State or local legislative body or public agency does not seek technical assistance under subparagraph (A) with respect to such change.

"(c) FINAL DECISION AUTHORITY.—In addition to the conditions outlined in subsection (b), the Administrator shall independently determine whether the proposed sponsor or operator is able to satisfy Federal requirements for airport sponsorship or operation and shall ensure, by requiring whatever terms and conditions the Administrator determines necessary, that any change in the ownership, sponsorship, or governance of, or operational responsibility for, a federally obligated, publicly owned airport is consistent with existing Federal law, regulations, existing grant assurances, and Federal land conveyance obligations.

"(d) DEFINITION OF DISPUTED CHANGE OF AIRPORT SPONSORSHIP.—In this section, the term 'disputed change of airport sponsorship' means any action that seeks to change the ownership, sponsorship, or governance of, or operational responsibility for, a federally obligated, publicly owned airport, including any such change directed by judicial action or State or local legislative action, where the airport sponsor of record initially does not consent to such change."

PROCUREMENT REGULATIONS APPLICABLE TO FAA MULTIMODAL PROJECTS

Pub. L. 118–63, title VII, §758, May 16, 2024, 138 Stat. 1287, provided that:

"(a) IN GENERAL.—Any multimodal airport development project that uses grant funding from funds made available to the Administrator [of the Federal Aviation Administration] to carry out subchapter I of chapter 471 of title 49, United States Code, or airport infrastructure projects under the Infrastructure Investment and Jobs Act (Public Law 117–58) [see Tables for classification] shall abide by the procurement regulations applicable to—

"(1) the FAA [Federal Aviation Administration]; and

"(2) subject to subsection (b), the component of the project relating to transit, highway, or rail, respectively.

"(b) MULTIPLE COMPONENT PROJECTS.—In the case of a multimodal airport development project described in subsection (a) that involves more than 1 component described in paragraph (2) of such subsection, such project shall only be required to apply the procurement regulations applicable to the component where the greatest amount of Federal financial assistance will be expended."

REGIONAL AIRPORT CAPACITY STUDY

Pub. L. 118–63, title VII, §765, May 16, 2024, 138 Stat. 1291, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [May 16, 2024], the Administrator [of the Federal Aviation Administration] shall initiate a study on the following:

"(1) Existing FAA [Federal Aviation Administration] policy and guidance that govern the siting of

new airports or the transition of general aviation airports to commercial service.

"(2) Ways that existing regulations and policies could be streamlined to facilitate the development of new airport capacity, particularly in high-demand air travel regions looking to invest in new airport capacity.

"(3) Whether Federal funding sources (existing as of the date of enactment of this Act) that are authorized by the Secretary [of Transportation] could be used for such purposes.

"(4) Whether such Federal funding sources meet the needs of the national airspace system for adding new airport capacity outside of the commercial service airports in operation as of the date of enactment of this Act.

"(5) If such Federal funding sources are determined by the Administrator to be insufficient for the purposes described in this subsection, an estimate of the funding gap.

"(b) REPORT.—Not later than 30 months after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report on the results of the study conducted under subsection (a), together with recommendations for such legislative or administrative action as the Administrator determines appropriate.

"(c) GUIDANCE.—Not later than 3 years after the date of enactment of this Act, the Administrator shall, if appropriate, revise FAA guidance to incorporate the findings of the study conducted under subsection (a) to assist airports and State and local departments of transportation in increasing airport capacity to meet regional air travel demand."

APPLICATION OF AMENDMENTS TO AIRPORT IMPROVEMENT PROGRAM APPORTIONMENT AND DISCRETIONARY FORMULAS

Pub. L. 118–63, title VII, §772, May 16, 2024, 138 Stat. 1297, provided that: "The amendments to the Airport Improvement Program apportionment and discretionary formulas under chapter 471 of title 49, United States Code, made by this Act [see Tables for classification] (except as they relate to the extension of provisions or authorities expiring on May 10, 2024, or May 11, 2024) shall not apply in a fiscal year beginning before the date of enactment of this Act [May 16, 2024]."

AIR TRAFFIC SURFACE OPERATIONS SAFETY

Pub. L. 118–63, title X, §1023, May 16, 2024, 138 Stat. 1401, provided that:

"(a) RESEARCH.—Subject to the availability of appropriations, the Administrator [of the Federal Aviation Administration], in consultation with the Administrator of NASA [National Aeronautics and Space Administration] and other appropriate Federal agencies, shall continue to carry out research and development activities relating to technologies and operations to enhance air traffic surface operations safety.

"(b) REQUIREMENTS.—In carrying out the research and development under subsection (a) shall [sic] examine the following:

"(1) Methods and technologies to enhance the safety and efficiency of air traffic control operations related to air traffic surface operations.

"(2) Emerging technologies installed in aircraft cockpits to enhance ground situational awareness, including enhancements to the operational performance of runway traffic alerting and runway landing safety technologies.

"(3) Safety enhancements and adjustments to air traffic surface operations to account for and enable safe operations of advanced aviation technology.

"(c) REPORT.—Not later than 18 months after the date of enactment of this Act [May 16, 2024], the Administrator shall submit to the covered committees of Congress [Committee on Science, Space, and Technology of the House of Representatives and Committee on Commerce, Science, and Transportation of the Senate] a report on the research and development activities carried out under this section, including regarding the transition into operational use of such activities."

LIMITED REGULATION OF NON-FEDERALLY SPONSORED PROPERTY

Pub. L. 115–254, div. B, title I, §163(a)–(c), Oct. 5, 2018, 132 Stat. 3224, as amended by Pub. L. 118–63, title VII, §743(a), May 16, 2024, 138 Stat. 1279, provided that:

"(a) [Reserved].

"(b) [Reserved].

"(c) RULE OF CONSTRUCTION.—Nothing in this section [enacting this note and amending section 47107 of this title] shall be construed to affect the applicability of sections [sic] 47107(b) or 47133 of title 49, United States Code, to revenues generated by the use, lease, encumbrance, transfer, or disposal of land under subsection (a), facilities upon such land, or any portion of such land or facilities."

REIMBURSABLE AGREEMENTS FOR CERTAIN AIRPORT PROJECTS

Pub. L. 114–307, §1, Dec. 16, 2016, 130 Stat. 1523, provided that: "The Administrator of the Federal Aviation Administration may enter into a reimbursable agreement with a State or local government agency to carry out a project at an airport as to which notice is required under section 77.9 of title 14, Code of Federal Regulations, if the agreement—

"(1) includes measures for cost-effective completion of such project; and

"(2) would not negatively affect the safety or efficiency of the national airspace system."

RUNWAY SAFETY

Pub. L. 112–95, title III, §314, Feb. 14, 2012, 126 Stat. 67, provided that:

"(a) STRATEGIC RUNWAY SAFETY PLAN.—

"(1) IN GENERAL.—Not later than 6 months after the date of enactment of this Act [Feb. 14, 2012], the Administrator of the Federal Aviation Administration shall develop and submit to Congress a report containing a strategic runway safety plan.

"(2) CONTENTS OF PLAN.—The strategic runway safety plan—

"(A) shall include, at a minimum—

"(i) goals to improve runway safety;

"(ii) near- and long-term actions designed to reduce the severity, number, and rate of runway incursions, losses of standard separation, and operational errors;

"(iii) time frames and resources needed for the actions described in clause (ii);

"(iv) a continuous evaluative process to track performance toward the goals referred to in clause (i); and

"(v) a review with respect to runway safety of every commercial service airport (as defined in section 47102 of title 49, United States Code) in the United States and proposed action to improve airport lighting, provide better signs, and improve runway and taxiway markings at those airports; and

"(B) shall address the increased runway safety risk associated with the expected increased volume of air traffic.

"(b) PROCESS.—Not later than 6 months after the date of enactment of this Act [Feb. 14, 2012], the Administrator shall develop a process for tracking and investigating operational errors, losses of standard separation, and runway incursions that includes procedures for—

"(1) identifying who is responsible for tracking operational errors, losses of standard separation, and runway incursions, including a process for lower level employees to report to higher supervisory levels and for frontline managers to receive the information in a timely manner;

"(2) conducting periodic random audits of the oversight process; and

"(3) ensuring proper accountability.

"(c) PLAN FOR INSTALLATION AND DEPLOYMENT OF SYSTEMS TO PROVIDE ALERTS OF POTENTIAL RUNWAY INCURSIONS.—Not later than June 30, 2012, the Administrator shall submit to Congress a report containing a plan for the installation and deployment of systems to alert air traffic controllers or flight crewmembers, or both, of potential runway incursions. The plan shall be integrated into the annual NextGen Implementation Plan of the Administration or any successor document."

AVAILABILITY OF GATES AND OTHER ESSENTIAL SERVICES

Pub. L. 106–181, title I, §155(d), Apr. 5, 2000, 114 Stat. 89, provided that: "The Secretary [of Transportation] shall ensure that gates and other facilities are made available at costs that are fair and reasonable to air carriers at covered airports (as defined in section 47106(f)(4) [47106(f)(3)] of title 49, United States Code) where a 'majority-in-interest clause' of a contract or other agreement or arrangement inhibits the ability of the local airport authority to provide or build new gates or other facilities."

CONSTRUCTION OF RUNWAYS

Pub. L. 106–181, title I, §158, Apr. 5, 2000, 114 Stat. 90, provided that: "Notwithstanding any provision of law that specifically restricts the number of runways at a single international airport, the Secretary [of Transportation] may obligate funds made available under chapters 471 and 481 of title 49, United States Code, for any project to construct a new runway at such airport, unless this section is expressly repealed."

INNOVATIVE FINANCING TECHNIQUES

Pub. L. 104–264, title I, §148, Oct. 9, 1996, 110 Stat. 3223, authorized the Secretary of Transportation until Sept. 30, 1998, to carry out a demonstration program to provide information on the use of innovative financing techniques for airport development projects to Congress and the National Civil Aviation Review

Commission. See section 47135 of this title.

AUTHORITY TO CLOSE AIRPORT LOCATED NEAR CLOSED OR REALIGNED MILITARY BASE

Pub. L. 104–264, title XII, §1203, Oct. 9, 1996, 110 Stat. 3280, which related to closure of an airport that is not a commercial service airport that is located within 2 miles of a United States Army depot which has been closed or realigned, was repealed by Pub. L. 118–63, title VII, §719(c)(1), May 16, 2024, 138 Stat. 1262.

STUDY ON INNOVATIVE FINANCING

Pub. L. 103–305, title V, §520, Aug. 23, 1994, 108 Stat. 1601, required the Secretary to conduct a study on innovative approaches for using Federal funds to finance airport development as a means of supplementing financing available under the Airport Improvement Program and set out matters for the Secretary to consider and persons to consult, and provided that the Secretary would transmit to Congress a report on the results of the study not later than 12 months after Aug. 23, 1994.

§47102. Definitions

In this subchapter—

(1) "air carrier" has the meaning given such term in section 40102.

(2) "airport"—

(A) means—

(i) an area of land or water used or intended to be used for the landing and taking off of aircraft;

(ii) an appurtenant area used or intended to be used for airport buildings or other airport facilities or rights of way; and

(iii) airport buildings and facilities located in any of those areas; and

(B) includes a heliport.

(3) "airport development" means the following activities, if undertaken by the sponsor, owner, or operator of a public-use airport:

(A) constructing, repairing, or improving a public-use airport, including—

(i) removing, lowering, relocating, marking, and lighting an airport hazard;

(ii) preparing a plan or specification, including carrying out a field investigation; and

(iii) a secondary runway at a nonhub airport that is equivalent in size and type to the primary runway of such airport.

(B) acquiring for, or installing at, a public-use airport—

(i) a navigation aid or another aid (including a precision approach system) used by aircraft for landing at or taking off from the airport, including preparing the site as required by the acquisition or installation;

(ii) safety or security equipment, including explosive detection devices, universal access systems, and emergency call boxes, the Secretary requires by regulation for, or approves as contributing significantly to, the safety or security of individuals and property at the airport and integrated in-pavement lighting systems for runways and taxiways and other runway and taxiway incursion prevention devices;

(iii) equipment to remove snow, to measure runway surface friction, or for aviation-related weather reporting, including closed circuit weather surveillance equipment and fuel infrastructure for such equipment to remove snow if the airport is located in Alaska;

(iv) firefighting and rescue equipment at an airport that serves scheduled passenger operations of air carrier aircraft designed for more than 9 passenger seats;

(v) aircraft deicing equipment and structures (except aircraft deicing fluids and storage facilities for the equipment and fluids);

(vi) interactive training systems;

(vii) windshear detection equipment that is certified by the Administrator of the Federal Aviation Administration;

(viii) stainless steel adjustable lighting extensions approved by the Administrator;

(ix) engineered materials arresting systems as described in the Advisory Circular No. 150/5220–22 published by the Federal Aviation Administration on August 21, 1998, including any revision to the circular;

(x) replacement of baggage conveyor systems, and reconfiguration of terminal baggage areas, that the Secretary determines are necessary to install bulk explosive detection devices; except that such activities shall be eligible for funding under this subchapter only using amounts apportioned under section 47114; and

(xi) a medium intensity approach lighting system with runway alignment indicator lights.

(C) acquiring an interest in land or airspace, including land for future airport development, that is needed—

(i) to carry out airport development described in subclause (A) or (B) of this clause; or

(ii) to remove or mitigate an existing airport hazard or prevent or limit the creation of a new airport hazard.

(D) acquiring land for, or constructing, a burn area training structure on or off the airport to provide live fire drill training for aircraft rescue and firefighting personnel required to receive the training under regulations the Secretary prescribes, including basic equipment and minimum structures to support the training under standards the Administrator of the Federal Aviation Administration prescribes.

(E) relocating an air traffic control tower and any navigational aid (including radar) if the relocation is necessary to carry out a project approved by the Secretary under this subchapter or under section 40117.

(F) constructing, reconstructing, repairing, or improving an airport, or purchasing capital equipment for an airport, if necessary for compliance with the responsibilities of the operator or owner of the airport under the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.), the Clean Air Act (42 U.S.C. 7401 et seq.), and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), except constructing or purchasing capital equipment that would benefit primarily a revenue-producing area of the airport used by a nonaeronautical business.

(G) acquiring land for, or work necessary to construct, a pad suitable for deicing aircraft before takeoff at a commercial service airport, including constructing or reconstructing paved areas, drainage collection structures, treatment and discharge systems, appropriate lighting, paved access for deicing vehicles and aircraft, and including acquiring glycol recovery vehicles, but not including acquiring aircraft deicing fluids or constructing or reconstructing storage facilities for aircraft deicing equipment or fluids.

(H) routine work to preserve and extend the useful life of runways, taxiways, and aprons at nonhub airports and airports that are not primary airports, under guidelines issued by the Administrator of the Federal Aviation Administration.

(I) constructing, reconstructing, or improving an airport, or purchasing nonrevenue generating capital equipment to be owned by an airport, for the purpose of transferring passengers, cargo, or baggage between the aeronautical and ground transportation modes on airport property.

(J) constructing an air traffic control tower or acquiring and installing air traffic control, communications, and related equipment at an air traffic control tower under the terms specified in section 47124(b)(4).

(K) work necessary to construct or modify airport facilities to provide low-emission fuel systems, gate electrification, and other related air quality improvements at a commercial service airport.

(L) a project by a commercial service airport for the acquisition of airport-owned vehicles or ground support equipment equipped with low-emission technology if the vehicles are;

(i) used exclusively on airport property; or

(ii) used exclusively to transport passengers and employees between the airport and the airport's consolidated rental car facility or an intermodal surface transportation facility adjacent to the airport.

(M) construction of mobile refueler parking within a fuel farm at a nonprimary airport meeting the requirements of section 112.8 of title 40, Code of Federal Regulations.

(N) terminal development under section 47119(a).

(O) acquiring and installing facilities and equipment to provide air conditioning, heating, or electric power from terminal-based, nonexclusive use facilities to aircraft parked at a public use airport for the purpose of reducing energy use or harmful emissions as compared to the provision of such air conditioning, heating, or electric power from aircraft-based systems.

(P) an on-airport project to improve reliability and efficiency of the power supply of the airport or meet current and future electrical power demand and to prevent power disruptions to the airfield, passenger terminal, and any other airport facilities, including the acquisition and installation of electrical generators, renewable energy generation and storage infrastructure (including necessary substation upgrades to support such infrastructure), separation of the airport's main power supply from its redundant power supply, the construction or modification of airport facilities to install a microgrid (as defined in section 641 of the United States Energy Storage Competitiveness Act of 2007 (42 U.S.C. 17231)), and smart glass (including electrochromic glass).

(Q) converting or retrofitting vehicles and ground support equipment into eligible zero-emission vehicles and equipment (as defined in section 47136) and for acquiring, by purchase or lease, eligible zero-emission vehicles and equipment.

(R) predevelopment planning, including financial, legal, or procurement consulting services, related to an application or proposed application for an exemption under section 47134.

(S) acquisition of advanced digital construction management systems and related technology used in the planning, design and engineering, construction, and maintenance of airport facilities when such systems or technologies are acquired to carry out a project approved by the Secretary under this subchapter.

(T) improvements, or planning for improvements (including monitoring equipment or services), that would be necessary to sustain commercial service flight operations or permit the resumption of such flight operations following a natural disaster (including an earthquake, flooding, high water, wildfires, hurricane, storm surge, tidal wave, tornado, tsunami, wind driven water, sea level rise, tropical storm, cyclone, land instability, or winter storm) at—

(i) a primary airport; or

(ii) a nonprimary airport that is designated as a Federal staging area or incident support base by the Administrator of the Federal Emergency Management Agency.

(U) a project to comply with rulemakings and recommendations on airport cybersecurity standards from the aviation rulemaking committee convened under section 395 of the FAA Reauthorization Act of 2024.

(V) reconstructing or rehabilitating an existing crosswind runway (regardless of the wind coverage of the primary runway) if the reconstruction or rehabilitation of such crosswind runway is in the most recently approved airport layout plan of the sponsor.

(W) constructing or acquiring such airport-owned infrastructure or equipment, notwithstanding revenue producing capability of such infrastructure or equipment, as may be required for—

(i) the on-airport distribution or storage of unleaded aviation gasoline for piston-driven aircraft, including on-airport construction or expansion of pipelines, storage tanks, low-emission fuel systems, and airport-owned fuel trucks providing exclusively unleaded aviation fuels (unless the Secretary determines that an alternative fuel may be safely used in such fuel truck for a limited time); or

(ii) fueling systems for type certificated hydrogen-powered aircraft.

(X) constructing, reconstructing, or rehabilitating a taxiway or taxilane that serves non-exclusive use aeronautical facilities, including aircraft storage facilities, except for the 50 feet of pavement immediately in front of an ineligible building.

(Y) any other activity (excluding terminal development) that the Secretary concludes will reasonably improve the safety of the airport.

(4) "airport hazard" means a structure or object of natural growth located on or near a public-use airport, or a use of land near the airport, that obstructs or otherwise is hazardous to the landing or taking off of aircraft at or from the airport.

(5) "airport planning" means planning as defined by requirements the Secretary prescribes and includes—

(A) integrated airport system planning and catchment area analyses;

(B) developing an environmental management system;

(C) developing a plan for recycling and minimizing the generation of airport solid waste, consistent with applicable State and local recycling laws, including the cost of a waste audit; and

(D) assessing current and future electrical power demand for airport airside and landside activities.

(6) "amount made available under section 48103" or "amount newly made available" means the amount authorized for grants under section 48103 as that amount may be limited in that year by a subsequent law, but as determined without regard to grant obligation recoveries made in that year or amounts covered by section 47107(f).

(7) "commercial service airport" means a public airport in a State that the Secretary determines has at least 2,500 passenger boardings each year and is receiving scheduled passenger aircraft service.

(8) "general aviation airport" means a public-use airport that is located in a State and that, as determined by the Secretary—

(A) does not have scheduled service; or

(B) has scheduled service with less than 2,500 passenger boardings each year.

(9) "integrated airport system planning" means developing for planning purposes information and guidance to decide the extent, kind, location, and timing of airport development needed in a specific area to establish a viable, balanced, and integrated system of public-use airports, including—

(A) identifying system needs;

(B) developing an estimate of systemwide development costs;

(C) conducting studies, surveys, and other planning actions, including those related to airport access, needed to decide which aeronautical needs should be met by a system of airports; and

(D) standards prescribed by a State, except standards for safety of approaches, for airport development at nonprimary public-use airports.

(10) "landed weight" means the weight of aircraft transporting only cargo in intrastate, interstate, and foreign air transportation, as the Secretary determines under regulations the Secretary prescribes.

(11) "large hub airport" means a commercial service airport that has at least 1.0 percent of the passenger boardings.

(12) "low-emission technology" means technology for vehicles and equipment whose emission performance is the best achievable under emission standards established by the Environmental

Protection Agency and that relies exclusively on alternative fuels that are substantially nonpetroleum based, as defined by the Department of Energy, but not excluding hybrid systems or natural gas powered vehicles.

(13) "medium hub airport" means a commercial service airport that has at least 0.25 percent but less than 1.0 percent of the passenger boardings.

(14) "nonhub airport" means a commercial service airport that has less than 0.05 percent of the passenger boardings.

(15) "passenger boardings"—

(A) means, unless the context indicates otherwise, revenue passenger boardings in the United States in the prior calendar year on an aircraft in service in air commerce, as the Secretary determines under regulations the Secretary prescribes; and

(B) includes passengers who continue on an aircraft in international flight that stops at an airport in the 48 contiguous States, Alaska, or Hawaii for a nontraffic purpose.

(16) "primary airport" means a commercial service airport the Secretary determines to have more than 10,000 passenger boardings each year.

(17) "project" means a project, separate projects included in one project grant application, or all projects to be undertaken at an airport in a fiscal year, to achieve airport development or airport planning.

(18) "project cost" means a cost involved in carrying out a project.

(19) "project grant" means a grant of money the Secretary makes to a sponsor to carry out at least one project.

(20) "public agency" means—

(A) a State or political subdivision of a State;

(B) a tax-supported organization;

(C) an Indian tribe or pueblo; or

(D) the Republic of the Marshall Islands, Federated States of Micronesia, and Republic of Palau.

(21) "public airport" means an airport used or intended to be used for public purposes—

(A) that is under the control of a public agency; and

(B) of which the area used or intended to be used for the landing, taking off, or surface maneuvering of aircraft is publicly owned.

(22) "public-use airport" means—

(A) a public airport; or

(B) a privately-owned airport used or intended to be used for public purposes that is—

(i) a reliever airport; or

(ii) determined by the Secretary to have at least 2,500 passenger boardings each year and to receive scheduled passenger aircraft service.

(23) "reliever airport" means an airport the Secretary designates to relieve congestion at a commercial service airport and to provide more general aviation access to the overall community.

(24) "revenue producing aeronautical support facilities" means fuel farms, hangar buildings, self-service credit card aeronautical fueling systems, airplane wash racks, major rehabilitation of a hangar owned by a sponsor, or other aeronautical support facilities that the Secretary determines will increase the revenue producing ability of the airport.

(25) "small hub airport" means a commercial service airport that has at least 0.05 percent but less than 0.25 percent of the passenger boardings.

(26) "sponsor" means—

(A) a public agency that submits to the Secretary under this subchapter an application for financial assistance; and

(B) a private owner of a public-use airport that submits to the Secretary under this subchapter

an application for financial assistance for the airport.

(27) "State" means a State of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, the Northern Mariana Islands, and Guam.

(28) "terminal development" means—

(A) development of—

(i) an airport passenger terminal building, including terminal gates;

(ii) access roads servicing exclusively airport traffic that leads directly to or from an airport passenger terminal building; and

(iii) walkways that lead directly to or from an airport passenger terminal building; and

(B) the cost of a vehicle for moving passengers and baggage between terminal facilities and between terminal facilities and aircraft.

In this section, before clause (1), the words "In this subchapter" are substituted for "As used in this chapter" and "Whenever in this chapter reference is made to . . . such reference shall mean" for consistency in the revised title and with other titles of the United States Code and to eliminate unnecessary words.

Clause (1) restates the definition of "air carrier airport" that was contained in section 11(1) of the Airport and Airway Development Act of 1970 as in effect both on February 18, 1980, and immediately before September 3, 1982. The clause is added to this section to eliminate the cross-references to definitions in section 11 of the Airport and Airway Development Act of 1970 that are contained in the source provisions restated in sections 47106(d) and 47119(a) of the revised title. Because some of the terms used in the definition of "air carrier airport" were themselves defined in section 11, the definitions of those terms are incorporated in the definition added in clause (1) to the extent they differ from the definitions of those terms restated in this section. The words "Secretary of Transportation" and "Secretary" are substituted for "Civil Aeronautics Board" because of the transfer of authority under 49 App.:1551(b)(1)(E).

In clause (2), before subclause (A), the text of 49 App.:2202(a)(21) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section. In subclause (A)(iii), the words "those areas" are substituted for "thereon" for clarity.

In clause (3)(A), before subclause (i), the words "any work involved in" and "or portion thereof" are eliminated as unnecessary. The word "reconstructing" is omitted as being included in "constructing". In subclause (ii), the words "carrying out a field investigation" are substituted for "field investigations incidental thereto" for clarity.

In clause (3)(B), before subclause (i), the word "for" is substituted for "by" for clarity. In subclause (i), the words "required by the acquisition or installation" are substituted for "thereby required" for clarity. In subclause (ii), the word "individuals" is substituted for "persons" for clarity and consistency in the revised title and with other titles of the Code.

In clause (3)(C), before subclause (i), the words "interest in land or airspace" are substituted for "land or of any interest therein, or of any easement through or other interest in airspace" to eliminate unnecessary words. In subclause (ii), the words "existing airport hazard . . . the creation of a new airport hazard" are added for clarity and consistency in this chapter.

In clause (3)(D), the words "any . . . work involved to" are omitted as surplus. The word "Secretary" is substituted for "Department of Transportation" because of 49:102(b). The words "Administrator of the" are added because of 49:106(b).

In clause (4), the word "near" is substituted for "in the vicinity of" to eliminate unnecessary words. The words "obstructs or otherwise is hazardous to the landing or taking off" are substituted for "obstructs the airspace required for the flight of aircraft in landing or taking off . . . or is otherwise hazardous to such landing

or taking off" for clarity and to eliminate unnecessary words.

In clause (6), the words "for a fiscal year . . . for that fiscal year" are omitted as surplus. The words "authorized for grants" are substituted for "made available for obligation" for clarity and consistency. The word "law" is substituted for "Act of Congress" for consistency in the revised title and with other titles of the Code. The words "or limited" are omitted as surplus.

In clause (8), before subclause (A), the words "the initial as well as continuing" and "nature" are omitted as surplus. In subclause (C), the words "needed to decide which aeronautical needs should be met" are substituted for "as may be necessary to determine the short-, intermediate-, and long-range aeronautical demands required to be met" for clarity and to eliminate unnecessary words. The word "particular" is eliminated as unnecessary. In subclause (D), the word "prescribed" is substituted for "the establishment . . . of" for consistency in the revised title and with other titles of the Code.

In clause (9), the words "scheduled and nonscheduled" are omitted as surplus. The word "cargo" is substituted for "property (including mail)" for consistency in the revised title.

In clause (10), before subclause (A), the words "passenger boardings" are substituted for "passengers enplaned" for clarity. In subclause (A), the words "domestic, territorial, and international", "in the States", "scheduled and nonscheduled", and "intrastate, interstate, and foreign" are omitted as surplus. In subclause (B), the words "who continue on an aircraft in" are substituted for "on board" for clarity. (See Cong. Rec., pp. S15296, 15297, Oct. 28, 1987, daily ed.). The words "that stops" are substituted for "which transit" for clarity. The word "located" is omitted as surplus.

In clause (12), the words "included in one project grant application" are substituted for "submitted together", and the words "or all projects to be undertaken" are substituted for "including the combined submission of all projects", for clarity and consistency in this chapter.

In clause (15)(A), the words "or any agency of a State, a municipality . . . other" are omitted as surplus.

In clause (19)(A), the words "either individually or jointly with one or more other public agencies" are omitted as surplus.

In clause (20), the words "the Commonwealth of" and "the Government of" are omitted as surplus.

"(1) the definition of the term 'airport development' under that section includes the construction of a storage facility to shelter snow removal equipment or aircraft rescue and firefighting equipment that is owned by an airport sponsor and used exclusively to maintain safe airfield operations, up to the facility size necessary to accommodate the types and quantities of equipment prescribed by the FAA, regardless of whether Federal funding was used to acquire the equipment;

"(2) a storage facility to shelter snow removal equipment may exceed the facility size limitation described in paragraph (1) if the airport sponsor certifies to the Secretary that the following conditions are met:

"(A) The storage facility to be constructed will be used to store snow removal equipment exclusively used for clearing airfield pavement of snow and ice following a weather event.

"(B) The airport is categorized as a local general aviation airport in the Federal Aviation Administration's 2017–2021 National Plan of Integrated Airport Systems (NPIAS) report.

"(C) The 30-year annual snowfall normal of the nearest weather station based on the National Oceanic and Atmospheric Administration Summary of Monthly Normals 1981–2010 exceeds 26 inches.

"(D) The airport serves as a base for a medical air ambulance transport aircraft.

"(E) The airport master record (Form 5010–1) effective on September 14, 2017 for the airport indicates 45 based aircraft consisting of single engine, multiple engine, and jet engine aircraft.

"(F) No funding under this section will be used for any portion of the storage facility designed to shelter maintenance and operations equipment that are not required for clearing airfield pavement of snow and ice.

"(G) The airport sponsor will complete design of the storage building not later than September 30, 2019, and will initiate construction of the storage building not later than September 30, 2020.

"(H) The area of the storage facility, or portion thereof, to be funded under this subsection [sic] does not exceed 6,000 square feet; and

"(3) the definition of the term 'terminal development' under that section includes the development of an airport access road that—

"(A) is located in a noncontiguous State;

"(B) is not more than 5 miles in length;

"(C) connects to the nearest public roadways of not more than the 2 closest census designated places; and

"(D) may provide incidental access to public or private property that is adjacent to the road and is not otherwise connected to a public road."

GUIDANCE

Pub. L. 108–176, title I, §159(b)(2), Dec. 12, 2003, 117 Stat. 2510, provided that:

"(A) ELIGIBLE LOW-EMISSION MODIFICATIONS AND IMPROVEMENTS.—The Secretary of Transportation, in consultation with the Administrator of the Environmental Protection Agency, shall issue guidance describing eligible low-emission modifications and improvements, and stating how airport sponsors will demonstrate benefits, under section 47102(3)(K) of title 49, United States Code, as added by this subsection.

"(B) ELIGIBLE LOW-EMISSION VEHICLE TECHNOLOGY.—The Secretary, in consultation with the Administrator, shall issue guidance describing eligible low-emission vehicle technology, and stating how airport sponsors will demonstrate benefits, under section 47102(3)(L) of title 49, United States Code, as added by this subsection."

EXECUTIVE DOCUMENTS

TERMINATION OF TRUST TERRITORY OF THE PACIFIC ISLANDS

For termination of Trust Territory of the Pacific Islands, see note set out preceding section 1681 of Title 48, Territories and Insular Possessions.

§47103. National plan of integrated airport systems

(a) GENERAL REQUIREMENTS AND CONSIDERATIONS.—The Secretary of Transportation shall maintain the plan for developing public-use airports in the United States, named "the national plan of integrated airport systems". The plan shall include the kind and estimated cost of eligible airport development the Secretary of Transportation considers necessary to provide a safe, efficient, and integrated system of public-use airports adequate to anticipate and meet the needs of civil aeronautics, to meet the national defense requirements of the Secretary of Defense, and to meet identified needs of the United States Postal Service. Airport development included in the plan may not be limited to meeting the needs of any particular classes or categories of public-use airports. In maintaining the plan, the Secretary of Transportation shall consider the needs of each segment of civil aviation and the relationship of the airport system to—

(1) the rest of the transportation system, including connection to the surface transportation network; and

(2) forecasted technological developments in aeronautics.

(b) SPECIFIC REQUIREMENTS.—In maintaining the plan, the Secretary of Transportation shall—

(1) to the extent possible and as appropriate, consult with departments, agencies, and instrumentalities of the United States Government, with public agencies, and with the aviation community; and

(2) make every reasonable effort to address the needs of air cargo operations and rotary wing aircraft operations.

(c) AVAILABILITY OF DOMESTIC MILITARY AIRPORTS AND AIRPORT FACILITIES .—To the extent possible, the Secretary of Defense shall make domestic military airports and airport facilities available for civil use. In advising the Secretary of Transportation under subsection (a) of this section, the Secretary of Defense shall indicate the extent to which domestic military airports and airport facilities are available for civil use.

(d) NON-COMPLIANT AIRPORTS.—

(1) IN GENERAL.—The Secretary shall include in the plan a detailed statement listing airports the Secretary has reason to believe are not in compliance with grant assurances or other requirements with respect to airport lands and shall include—

(A) the circumstances of noncompliance;

(B) the timeline for corrective action with respect to such noncompliance; and

(C) any corrective action the Secretary intends to require to bring the airport sponsor into compliance.

(2) LISTING.—The Secretary is not required to conduct an audit or make a final determination before including an airport on the list referred to in paragraph (1).

(e) PUBLICATION.—The Secretary of Transportation shall publish the plan every 2 years.

(Pub. L. 103–272, §1(e), July 5, 1994, 108 Stat. 1251; Pub. L. 112–95, title I, §152(a), Feb. 14, 2012, 126 Stat. 32; Pub. L. 118–63, title II, §218(e), May 16, 2024, 138 Stat. 1055.)

47103(d)	49 App.:2203(a)(1) (1st sentence).	

In subsection (a), before clause (1), the words "shall maintain" and "In maintaining" are substituted for "In reviewing and revising" for clarity and consistency in the revised title. The word "named" is substituted for "After September 3, 1982, the revised national airport system plan shall be known as", and the words "the national defense requirements of the Secretary of Defense" are substituted for "requirements in support of the national defense as determined by the Secretary of Defense", to eliminate unnecessary words. The words "included in the plan may not be limited to meeting the needs of any particular" are substituted for "identified by this plan shall not be limited to the requirements of any" for clarity and consistency in this section. The words "among other things" are omitted as surplus.

In subsection (b), before clause (1), the words "In maintaining" are substituted for "In reviewing and revising" for consistency in this section. In clause (1), the words "departments, agencies, and instrumentalities of the United States Government" are substituted for "Federal . . . agencies" for consistency in the revised title and with other titles of the United States Code. In clauses (2) and (3), the words "As soon as feasible following December 30, 1987" are omitted as obsolete. In clause (3), the word "legitimate" is omitted as surplus.

In subsection (c), the words "Secretary of Defense" are substituted for "Department of Defense" because of 10:133.

In subsection (d), the words "Not later than two years after September 3, 1982" are omitted as executed.

STATUTORY NOTES AND RELATED SUBSIDIARIES

POPULOUS COUNTIES WITHOUT AIRPORTS

Pub. L. 118–63, title VII, §732, May 16, 2024, 138 Stat. 1273, provided that: "Notwithstanding any other provision of law, the Secretary [of Transportation] may not deny inclusion in the national plan of integrated airport systems maintained under section 47103 of title 49, United States Code, to an airport or proposed airport if the airport or proposed airport—

"(1) is located in the most populous county (as such term is defined in section 2 of title 1, United States Code) of a State that does not have an airport listed in the national plan;

"(2) has an airport sponsor that was established before January 1, 2017;

"(3) is located more than 15 miles away from another airport listed in the national plan;

"(4) demonstrates how the airport will meet the operational activity required, through a forecast validated by the Secretary, within the first 10 years of operation;

"(5) meets FAA [Federal Aviation Administration] airport design standards;

"(6) submits a benefit-cost analysis;

"(7) presents a detailed financial plan to accomplish construction and ongoing maintenance; and

"(8) has the documented support of the State government for the entry of the airport or proposed airport into the national plan."

§47104. Project grant authority

(a) GENERAL AUTHORITY.—To maintain a safe and efficient nationwide system of public-use airports that meets the present and future needs of civil aeronautics, the Secretary of Transportation may make project grants under this subchapter from the Airport and Airway Trust Fund.

(b) INCURRING OBLIGATIONS.—The Secretary may incur obligations to make grants from amounts made available under section 48103 of this title as soon as the amounts are apportioned under section 47114(c) and (d)(2) of this title.

(c) EXPIRATION OF AUTHORITY.—After September 30, 2028, the Secretary may not incur obligations under subsection (b) of this section, except for obligations of amounts—

(1) remaining available after that date under section 47117(b) of this title; or

(2) recovered by the United States Government from grants made under this chapter if the amounts are obligated only for increases under section 47108(b)(2) and (3) of this title in the maximum amount of obligations of the Government for any other grant made under this title.

General references to "this title" deemed to refer also to chapters 509 and 511 of Title 51, National and Commercial Space Programs, see section 4(d)(8) of Pub. L. 111–314, set out as a note under section 101 of this title.

REMOTE TOWER PILOT PROGRAM FOR RURAL AND SMALL COMMUNITIES

Pub. L. 115–254, div. B, title I, §161, Oct. 5, 2018, 132 Stat. 3221, as amended by Pub. L. 118–15, div. B, title II, §2202(o), Sept. 30, 2023, 137 Stat. 83; Pub. L. 118–34, title I, §102(o), Dec. 26, 2023, 137 Stat. 1114; Pub. L. 118–41, title I, §102(o), Mar. 8, 2024, 138 Stat. 22; Pub. L. 118–63, title VI, §621(d), May 16, 2024, 138 Stat. 1237, provided that:

"(a) PILOT PROGRAM.—

"(1) ESTABLISHMENT.—The Administrator of the Federal Aviation Administration shall establish—

"(A) in consultation with airport operators and other aviation stakeholders, a pilot program at public-use airports to construct and operate remote towers in order to assess their operational benefits;

"(B) a selection process for participation in the pilot program; and

"(C) a clear process for the safety and operational certification of the remote towers.

"(2) SAFETY CONSIDERATIONS.—

"(A) SAFETY RISK MANAGEMENT PANEL.—Prior to the operational use of a remote tower under the pilot program established in subsection (a), the Administrator shall convene a safety risk management panel for the tower to address any safety issues with respect to the tower. The panels shall be created and utilized in a manner similar to that of the safety risk management panels previously convened for remote towers and shall take into account existing best practices and operational data from existing remote towers in the United States.

"(B) CONSULTATION.—In establishing the pilot program, the Administrator shall consult with operators of remote towers in the United States and foreign countries to design the pilot program in a manner that leverages as many safety and airspace efficiency benefits as possible.

"(3) APPLICATIONS.—The operator of an airport seeking to participate in the pilot program shall submit to the Administrator an application that is in such form and contains such information as the Administrator may require.

"(4) PROGRAM DESIGN.—In designing the pilot program, the Administrator shall—

"(A) to the maximum extent practicable, ensure that at least 2 different vendors of remote tower systems participate;

"(B) identify which air traffic control information and data will assist the Administrator in evaluating the feasibility, safety, costs, and benefits of remote towers;

"(C) implement processes necessary to collect the information and data identified in subparagraph (B);

"(D) develop criteria, in addition to considering possible selection criteria in paragraph (5), for the selection of airports that will best assist the Administrator in evaluating the feasibility, safety, costs, and benefits of remote towers, including the amount and variety of air traffic at an airport; and

"(E) prioritize the selection of airports that can best demonstrate the capabilities and benefits of remote towers, including applicants proposing to operate multiple remote towers from a single facility.

"(5) SELECTION CRITERIA FOR CONSIDERATION.—In selecting airports for participation in the pilot program, the Administrator, after consultation with representatives of labor organizations representing operators and employees of the air traffic control system, shall consider for participation in the pilot program—

"(A) 1 nonhub airport;

"(B) 3 airports that are not primary airports and that do not have existing air traffic control towers;

"(C) 1 airport that participates in the Contract Tower Program; and

"(D) 1 airport selected at the discretion of the Administrator.

"(6) DATA.—The Administrator shall clearly identify and collect air traffic control information and

data from participating airports that will assist the Administrator in evaluating the feasibility, safety, costs, and benefits of remote towers.

"(7) REPORT.—Not later than 1 year after the date the first remote tower is operational, and annually thereafter, the Administrator shall submit to the appropriate committees of Congress [Committee on Commerce, Science, and Transportation of the Senate and Committee on Transportation and Infrastructure of the House of Representatives] a report—

"(A) detailing any benefits, costs, or safety improvements associated with the use of the remote towers; and

"(B) evaluating the feasibility of using remote towers, particularly in the Contract Tower Program, for airports without an air traffic control tower, to improve safety at airports with towers, or to reduce costs without impacting safety at airports with or without existing towers.

"(8) DEADLINE.—Not later than 1 year after the date of enactment of this Act [Oct. 5, 2018], the Administrator shall select airports for participation in the pilot program.

"(9) DEFINITIONS.—In this subsection:

"(A) CONTRACT TOWER PROGRAM.—The term 'Contract Tower Program' has the meaning given the term in section 47124(e) of title 49, United States Code, as added by this Act.

"(B) REMOTE TOWER.—The term 'remote tower' means a remotely operated air navigation facility, including all necessary system components, that provides the functions and capabilities of an air traffic control tower whereby air traffic services are provided to operators at an airport from a location that may not be on or near the airport.

"(C) OTHER DEFINITIONS.—The terms 'nonhub airport', 'primary airport', and 'public-use airport' have the meanings given such terms in section 47102 of title 49, United States Code.

"(10) SUNSET.—This subsection, including the report required under paragraph (8), shall not be in effect after September 30, 2028.

"(b) REMOTE TOWER PROGRAM.—Concurrent with the establishment of the process for safety and operational certification of remote towers under subsection (a)(1)(C), the Administrator shall establish a process to authorize the construction and commissioning of additional remote towers that are certificated under subsection (a)(1)(C) at other airports.

"(c) AIP FUNDING ELIGIBILITY.—For purposes of the pilot program under subsection (a), and after certificated remote towers are available under subsection (b), constructing a remote tower or acquiring and installing air traffic control, communications, or related equipment specifically for a remote tower shall be considered airport development (as defined in section 47102 of title 49, United States Code) for purposes of subchapter I of chapter 471 of that title if the components are installed and used at the airport, except, as needed, for off-airport sensors installed on leased towers."

ENVIRONMENTAL MITIGATION PILOT PROGRAM

Pub. L. 115–254, div. B, title I, §190, Oct. 5, 2018, 132 Stat. 3237, as amended by Pub. L. 118–63, title VII, §785, May 16, 2024, 138 Stat. 1313, provided that:

"(a) IN GENERAL.—The Secretary of Transportation may carry out a pilot program involving not more than 6 projects in each fiscal year at public-use airports in accordance with this section.

"(b) GRANTS.—In carrying out the program, the Secretary may make grants to sponsors of public-use airports from funds apportioned under section 47117(e)(1)(A) of title 49, United States Code.

"(c) USE OF FUNDS.—Amounts from a grant received by the sponsor of a public-use airport under the program shall be used for environmental mitigation projects that will measurably reduce or mitigate aviation impacts on noise, air quality, or water quality at the airport or within 5 miles of the airport.

"(d) ELIGIBILITY.—Notwithstanding any other provision of chapter 471 of title 49, United States Code, an environmental mitigation project approved under this section shall be treated as eligible for assistance under that chapter.

"(e) SELECTION CRITERIA.—In selecting from among applicants for participation in the program, the Secretary may give priority consideration to projects that—

"(1) will achieve the greatest reductions in aircraft noise, airport emissions, or airport water quality impacts either on an absolute basis or on a per dollar of funds expended basis; and

"(2) will be implemented by an eligible consortium.

"(f) FEDERAL SHARE.—The Federal share of the cost of a project carried out under the program shall be 50 percent.

"(g) MAXIMUM AMOUNT.—Not more than $2,500,000 may be made available by the Secretary in grants under the program for any single project.

"(h) IDENTIFYING BEST PRACTICES.—The Secretary may establish and publish information

identifying best practices for reducing or mitigating aviation impacts on noise, air quality, and water quality at airports or in the vicinity of airports based on the projects carried out under the program.

"(i) SUNSET.—The program shall terminate on October 1, 2028.

"(j) DEFINITIONS.—In this section, the following definitions apply:

"(1) ELIGIBLE CONSORTIUM.—The term 'eligible consortium' means a consortium that is composed of 2 or more of the following entities:

"(A) Businesses incorporated in the United States.

"(B) Public or private educational or research organizations located in the United States.

"(C) Entities of State or local governments in the United States.

"(D) Federal laboratories.

"(2) ENVIRONMENTAL MITIGATION PROJECT.—The term 'environmental mitigation project' means a project that—

"(A) introduces new environmental mitigation techniques or technologies that have been proven in laboratory demonstrations;

"(B) proposes methods for efficient adaptation or integration of new concepts into airport operations; and

"(C) will demonstrate whether new techniques or technologies for environmental mitigation are—

"(i) practical to implement at or near multiple public-use airports; and

"(ii) capable of reducing noise, airport emissions, or water quality impacts in measurably significant amounts.

"(k) AUTHORIZATION FOR THE TRANSFER OF FUNDS FROM DEPARTMENT OF DEFENSE.—

"(1) IN GENERAL.—The Administrator of the Federal Aviation Administration may accept funds from the Secretary of Defense to increase the authorized funding for this section by the amount of such transfer only to carry out projects designed for environmental mitigation at a site previously, but not currently, managed by the Department of Defense.

"(2) ADDITIONAL GRANTEES.—If additional funds are made available by the Secretary of Defense under paragraph (1), the Administrator may increase the number of grantees under subsection (a)."

DESIGN-BUILD CONTRACTING

Pub. L. 106–181, title I, §139, Apr. 5, 2000, 114 Stat. 85, authorized the Administrator of the Federal Aviation Administration to establish a pilot program, subject to certain contract and cost specifications, under which design-build contracts could be used to carry out up to 7 projects at airports in the United States with a grant awarded under this section, and stipulated that this authorization would expire on Sept. 30, 2003.

§47105. Project grant applications

(a) SUBMISSION AND CONSULTATION.—(1) An application for a project grant under this subchapter may be submitted to the Secretary of Transportation by—

(A) a sponsor; or

(B) a State, as the only sponsor, for an airport development project benefitting 1 or more airports in the State or for airport planning for projects for 1 or more airports in the State if—

(i) the sponsor of each airport gives written consent that the State be the applicant;

(ii) the Secretary is satisfied there is administrative merit and aeronautical benefit in the State being the sponsor; and

(iii) an acceptable agreement exists that ensures that the State will comply with appropriate grant conditions and other assurances the Secretary requires.

(2) Before deciding to undertake an airport development project at an airport under this subchapter, a sponsor shall consult with the airport users that will be affected by the project.

(3) This subsection does not authorize a public agency that is subject to the laws of a State to apply for a project grant in violation of a law of the State.

(b) CONTENTS AND FORM.—An application for a project grant under this subchapter—

(1) shall describe the project proposed to be undertaken;

(2) may propose a project only for a public-use airport included in the current national plan of integrated airport systems;

(3) may propose airport development only if the development complies with standards the

Secretary prescribes or approves, including standards for site location, airport layout, site preparation, paving, lighting, and safety of approaches; and

(4) shall be in the form and contain other information the Secretary prescribes.

(c) STATE STANDARDS FOR AIRPORT DEVELOPMENT.—

(1) IN GENERAL.—The Secretary may approve standards (except standards for safety of approaches) that a State prescribes for airport development at nonprimary public-use airports in the State. On approval under this subsection, a State's standards apply to the nonprimary public-use airports in the State instead of the comparable standards prescribed by the Secretary under subsection (b)(3) of this section. The Secretary, or the State with the approval of the Secretary, may revise standards approved under this subsection.

(2) PAVEMENT STANDARDS.—

(A) TECHNICAL ASSISTANCE.—At the request of a State, the Secretary shall, not later than 30 days after the date of the request, provide technical assistance to the State in developing standards, acceptable to the Secretary under subparagraph (B), for pavement on nonprimary public-use airports in the State.

(B) REQUIREMENTS.—The Secretary shall—

(i) continue to provide technical assistance under subparagraph (A) until the standards are approved under paragraph (1); and

(ii) clearly indicate to the State the standards that are acceptable to the Secretary, considering, at a minimum, local conditions and locally available materials.

(d) CERTIFICATION OF COMPLIANCE.—The Secretary may require a sponsor to certify that the sponsor will comply with this subchapter in carrying out the project. The Secretary may rescind the acceptance of a certification at any time. This subsection does not affect an obligation or responsibility of the Secretary under another law of the United States.

(e) PREVENTIVE MAINTENANCE.—After January 1, 1995, the Secretary may approve an application under this subchapter for the replacement or reconstruction of pavement at an airport only if the sponsor has provided such assurances or certifications as the Secretary may determine appropriate that such airport has implemented an effective airport pavement maintenance-management program. The Secretary may require such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

(f) NOTIFICATION.—The sponsor of an airport for which an amount is apportioned under section 47114(c) of this title shall notify the Secretary of the fiscal year in which the sponsor intends to submit a project grant application for the apportioned amount. The notification shall be given by the time and contain the information the Secretary prescribes.

In subsection (a)(1), before clause (A), the words "Subject to the provisions of this subsection" are omitted as surplus. The words "for one or more projects" are omitted as surplus because of the definition of "project grant" in section 47102 of the revised title. Clause (A) is substituted for "(A) any public agency, or two or more public agencies acting jointly, or (B) any sponsor of a public-use airport, or two or more such sponsors, acting jointly" because of the definition of "sponsor" in section 47102 of the revised title.

In subsection (a)(2), the word "Before" is substituted for "In" as the more appropriate word. The words "at an airport" are substituted for "at which such project is proposed" to eliminate unnecessary words. The words "airport users that will be affected by the project" are substituted for "affected parties" for clarity.

Subsection (a)(3) is substituted for 49 App.:2208(a)(1) (3d sentence) to eliminate unnecessary words.

In subsection (b)(1), the words "shall describe" are substituted for "setting forth" for clarity.

In subsection (b)(2), the word "project" is substituted for "airport development or airport planning" because of the definition of "project" in section 47102 of the revised title. The words "prepared pursuant to section 2203 of the Appendix" are eliminated as unnecessary.

In subsection (c), the words "from time to time" are eliminated as unnecessary.

In subsection (d), the words "in connection with any project" are omitted as surplus. The words "that the sponsor will comply with this subchapter in carrying out the project" are substituted for "that such sponsor will comply with all of the statutory and administrative requirements imposed on such sponsor under this chapter in connection with such project" to eliminate unnecessary words. The words "or discharge" are omitted as included in "affect". The words "including, but not limited to, the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), section 303 of title 49, title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000b) [42 U.S.C. 2000d et seq.], title VIII of the Act of April 11, 1968 (42 U.S.C. 3601 et seq.), and the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601 et seq.)" are omitted as included in "another law of the United States".

In subsection (e), the words "of an airport for which" are substituted for "to which" for clarity.

EDITORIAL NOTES

AMENDMENTS

2018—Subsec. (c). Pub. L. 115–254 designated existing provisions as par. (1), inserted heading, and added par. (2).

1994—Subsec. (a)(1)(B). Pub. L. 103–305, §106, in introductory provisions, substituted "1 or more airports" for "at least 2 airports" in two places and struck out "similar" before "projects".

Subsecs. (e), (f). Pub. L. 103–305, §107(a), added subsec. (e) and redesignated former subsec. (e) as (f).

§47106. Project grant application approval conditioned on satisfaction of project requirements

(a) PROJECT GRANT APPLICATION APPROVAL.—The Secretary of Transportation may approve an application under this subchapter for a project grant only if the Secretary is satisfied that—

(1) the project is consistent with plans (existing at the time the project is approved) of public agencies authorized by the State in which the airport is located to plan for the development of the area surrounding the airport;

(2) the project will contribute to carrying out this subchapter;

(3) enough money is available to pay the project costs that will not be paid by the United States

Government under this subchapter;

(4) the project will be completed without unreasonable delay;

(5) the sponsor has authority to carry out the project as proposed;

(6) if the project is for an airport that has an airport master plan that includes the project, the master plan addresses issues relating to solid waste recycling at the airport, including—

(A) the feasibility of solid waste recycling at the airport;

(B) minimizing the generation of solid waste at the airport;

(C) operation and maintenance requirements;

(D) the review of waste management contracts; and

(E) the potential for cost savings or the generation of revenue; and

(7) if the project is at an airport that is listed as having an unclassified status under the most recent national plan of integrated airport systems (as described in section 47103), the project will be funded with an amount appropriated under section 47114(d)(2)(B) and is—

(A) for maintenance of the pavement of the primary runway;

(B) for obstruction removal for the primary runway;

(C) for the rehabilitation of the primary runway; or

(D) for a project that the Secretary considers necessary for the safe operation of the airport.

(b) AIRPORT DEVELOPMENT PROJECT GRANT APPLICATION APPROVAL.—The Secretary may approve an application under this subchapter for an airport development project grant for an airport only if the Secretary is satisfied that—

(1) the sponsor, a public agency, or the Government holds good title to the areas of the airport used or intended to be used for the landing, taking off, or surface maneuvering of aircraft, or that good title will be acquired;

(2) the interests of the community in or near which the project may be located have been given fair consideration; and

(3) the application provides touchdown zone and centerline runway lighting, high intensity runway lighting, or land necessary for installing approach light systems that the Secretary, considering the category of the airport and the kind and volume of traffic using it, decides is necessary for safe and efficient use of the airport by aircraft.

(c) ENVIRONMENTAL REQUIREMENTS.—(1) The Secretary may approve an application under this subchapter for an airport development project involving the location of an airport or runway or a major runway extension—

(A) only if the sponsor certifies to the Secretary that—

(i) an opportunity for a public hearing was given to consider the economic, social, and environmental effects of the location and the location's consistency with the objectives of any planning that the community has carried out;

(ii) the airport management board has voting representation from the communities in which the project is located or has advised the communities that they have the right to petition the Secretary about a proposed project; and

(iii) with respect to an airport development project involving the location of an airport, runway, or major runway extension at a medium or large hub airport, the airport sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted; and

(B) if the application is found to have a significant adverse effect on natural resources, including fish and wildlife, natural, scenic, and recreation assets, water and air quality, or another factor affecting the environment, only after finding that no possible and prudent alternative to the project exists and that every reasonable step has been taken to minimize the adverse effect.

(2) The Secretary may approve an application under this subchapter for an airport development project that does not involve the location of an airport or runway, or a major runway extension, at an existing airport without requiring an environmental impact statement related to noise for the project if—

(A) completing the project would allow operations at the airport involving aircraft complying with the noise standards prescribed for "stage 3" aircraft in section 36.1 of title 14, Code of Federal Regulations, to replace existing operations involving aircraft that do not comply with those standards; and

(B) the project meets the other requirements under this subchapter.

(3) At the Secretary's request, the sponsor shall give the Secretary a copy of the transcript of any hearing held under paragraph (1)(A) of this subsection.

(4) The Secretary may make a finding under paragraph (1)(B) of this subsection only after completely reviewing the matter. The review and finding must be a matter of public record.

(d) WITHHOLDING APPROVAL.—(1) The Secretary may withhold approval of an application under this subchapter for amounts apportioned under section 47114(c) and (e) of this title for violating an assurance or requirement of this subchapter only if—

(A) the Secretary provides the sponsor an opportunity for a hearing; and

(B) not later than 180 days after the later of the date of the application or the date the Secretary discovers the noncompliance, the Secretary finds that a violation has occurred.

(2) The 180-day period may be extended by—

(A) agreement between the Secretary and the sponsor; or

(B) the hearing officer if the officer decides an extension is necessary because the sponsor did not follow the schedule the officer established.

(3) A person adversely affected by an order of the Secretary withholding approval may obtain review of the order by filing a petition in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the project is located. The action must be brought not later than 60 days after the order is served on the petitioner.

(e) REPORTS RELATING TO CONSTRUCTION OF CERTAIN NEW HUB AIRPORTS.—At least 90 days prior to the approval under this subchapter of a project grant application for construction of a new hub airport that is expected to have 0.25 percent or more of the total annual enplanements in the United States, the Secretary shall submit to Congress a report analyzing the anticipated impact of such proposed new airport on—

(1) the fees charged to air carriers (including landing fees), and other costs that will be incurred by air carriers, for using the proposed airport;

(2) air transportation that will be provided in the geographic region of the proposed airport; and

(3) the availability and cost of providing air transportation to rural areas in such geographic region.

(f) COMPETITION PLANS.—

(1) PROHIBITION.—Beginning in fiscal year 2001, no passenger facility charge may be approved for a covered airport under section 40117 and no grant may be made under this subchapter for a covered airport unless the airport has submitted to the Secretary a written competition plan in accordance with this subsection.

(2) CONTENTS.—A competition plan under this subsection shall include information on the availability of airport gates and related facilities, leasing and sub-leasing arrangements, gate-use requirements, gate-assignment policy, financial constraints, airport controls over air- and ground-side capacity, and whether the airport intends to build or acquire gates that would be used as common facilities.

(3) SPECIAL RULE FOR FISCAL YEAR 2002.—This subsection does not apply to any

passenger facility fee approved, or grant made, in fiscal year 2002 if the fee or grant is to be used to improve security at a covered airport.

(4) COVERED AIRPORT DEFINED.—In this subsection, the term "covered airport" means a commercial service airport—

(A) that has more than .25 percent of the total number of passenger boardings each year at all such airports; and

(B) at which one or two air carriers control more than 50 percent of the passenger boardings.

(g) CONSULTATION WITH SECRETARY OF HOMELAND SECURITY.—The Secretary shall consult with the Secretary of Homeland Security before approving an application under this subchapter for an airport development project grant for activities described in section 47102(3)(B)(ii) only as they relate to security equipment or section 47102(3)(B)(x) only as they relate to installation of bulk explosive detection system.

(h) EVALUATION OF AIRPORT MASTER PLANS.—When evaluating the master plan of an airport for purposes of this subchapter, the Secretary shall take into account—

(1) the role the airport plays with respect to medical emergencies and evacuations; and

(2) the role the airport plays in emergency or disaster preparedness in the community served by the airport.

47106(e)	49 App.:2218(b) (related to application).	Sept. 3, 1982, Pub. L. 97–248, 96 Stat. 324, §519(b) (related to application); added Dec. 30, 1987, Pub. L. 100–223, §112(2), 101 Stat. 1504.

In subsection (a)(1), the word "reasonably" is omitted as surplus.

In subsection (a)(2), the words "carrying out" are substituted for "accomplishment of the purposes of" for consistency in the revised title.

In subsection (a)(3), the words "that portion of" are omitted as surplus.

In subsection (a)(5), the words "which submitted the project grant application" and "legal" are omitted as surplus.

In subsection (b), before clause (1), the words "for an airport" are added for clarity. In clause (1), the words "or an agency thereof" are omitted surplus. In clause (3), the words "that the Secretary . . . decides is necessary" are substituted for "when it is determined by the Secretary that any such item is required" to eliminate unnecessary words.

In subsection (c)(1)(B), before subclause (i), the words "chief executive officer" are substituted for "Governor" because this chapter applies to the District of Columbia which does not have a Governor. The words "except that the Administrator of the Environmental Protection Agency shall make the certification instead of the chief executive officer if" are substituted for "In any case where . . . certification shall be obtained from such Administrator" for clarity. Subclause (i) is substituted for "such standards have not been approved" for clarity.

In subsection (c)(2), before clause (A), the words "Notwithstanding any other provision of law" are omitted as surplus. The words "that does not involve the location of an airport or runway, or a major runway extension" are substituted for "(other than an airport development project in which paragraph (7)(A) applies)" for clarity. The words "the preparation of" are omitted as surplus. In clause (B), the words "statutory and administrative" are omitted as surplus.

In subsection (c)(4)(A), the words "to the Secretary" are added for clarity.

In subsection (c)(5), the words "full and" are omitted as surplus. The words "in writing" are omitted as surplus because of the requirement that the decision be a matter of public record.

In subsection (d)(1), the words "(as defined by section 1711(8) of this Appendix, as in effect on February 18, 1980)" are omitted because of the definition of "air carrier airport" in section 47102 of the revised title.

In subsection (d)(2), the words "Notwithstanding any other provision of the Airport and Airway Improvement Act of 1982 [49 App. U.S.C. 2201 et seq.]" and "single" are omitted as surplus.

In subsection (e)(1) and (2), the word "sponsor" is substituted for "applicant" for consistency.

In subsection (e)(1), before clause (A), the words "under this subchapter" are added for consistency in this section. The word "other" is omitted as surplus.

In subsection (e)(2)(A), the word "mutual" is omitted as surplus.

In subsection (e)(3), the words "adversely affected" are substituted for "aggrieved" for consistency in the revised title and with other titles of the United States Code. The words "the date on which" are omitted as surplus.

EDITORIAL NOTES

AMENDMENTS

2024—Subsec. (a)(7). Pub. L. 118–63 substituted "section 47114(d)(2)(B)" for "section 47114(d)(3)(B)" in introductory provisions.

2018—Subsec. (a)(6). Pub. L. 115–254, §148(a)(2), inserted "that includes the project" before ", the master plan" in introductory provisions.

Subsec. (a)(7). Pub. L. 115–254, §148(a)(1), (3), (4), added par. (7).

Subsec. (h). Pub. L. 115–254, §149, added subsec. (h).

2012—Subsec. (a)(6). Pub. L. 112–95, §133, added par. (6).

Subsec. (f)(1). Pub. L. 112–95, §111(c)(2)(A)(i), substituted "charge" for "fee".

Subsec. (f)(2). Pub. L. 112–95, §134, struck out "patterns of air service," after "gate-use requirements," and ", and airfare levels (as compiled by the Department of Transportation) compared to other large airports" after "common facilities" and inserted "and" after "ground-side capacity,".

2003—Subsec. (c)(1)(A)(iii). Pub. L. 108–176, §305(1), inserted "and" after semicolon at end.

Pub. L. 108–176, §187, added cl. (iii).

Subsec. (c)(1)(B), (C). Pub. L. 108–176, §305(2), (3), redesignated subpar. (C) as (B) and struck out former subpar. (B) which read as follows: "only if the chief executive officer of the State in which the project will be located certifies in writing to the Secretary that there is reasonable assurance that the project will be located, designed, constructed, and operated in compliance with applicable air and water quality standards, except that the Administrator of the Environmental Protection Agency shall make the certification instead of the chief executive officer if—

"(i) the State has not approved any applicable State or local standards; and

"(ii) the Administrator has prescribed applicable standards; and".

Subsec. (c)(2)(A). Pub. L. 108–176, §305(4), substituted "stage 3" for "stage 2".

Subsec. (c)(4), (5). Pub. L. 108–176, §305(5)–(7), redesignated par. (5) as (4), substituted "paragraph (1)(B)" for "paragraph (1)(C)", and struck out former par. (4) which read as follows:

"(4)(A) Notice of certification or of refusal to certify under paragraph (1)(B) of this subsection shall be provided to the Secretary not later than 60 days after the Secretary receives the application.

"(B) The Secretary shall condition approval of the application on compliance with the applicable standards during construction and operation."

2002—Subsec. (g). Pub. L. 107–296 added subsec. (g).

2001—Subsec. (f)(3), (4). Pub. L. 107–71, which directed the amendment of section 47106(f) by adding par. (3) and redesignating former par. (3) as (4), without specifying the Code title to be amended, was executed by making the amendments to this section, to reflect the probable intent of Congress.

2000—Subsec. (f). Pub. L. 106–181 added subsec. (f).

1994—Subsecs. (d), (e). Pub. L. 103–305 added subsec. (e), redesignated former subsec. (e) as (d), and struck out former subsec. (d) which read as follows:

"(d) GENERAL AVIATION AIRPORT PROJECT GRANT APPLICATION APPROVAL.—(1) In this subsection, 'general aviation airport' means a public airport that is not an air carrier airport.

"(2) The Secretary may approve an application under this subchapter for an airport development project included in a project grant application involving the construction or extension of a runway at a general aviation airport located on both sides of a boundary line separating 2 counties within a State only if, before the application is submitted to the Secretary, the project is approved by the governing body of each village incorporated under the laws of the State and located entirely within 5 miles of the nearest boundary of the airport."

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–176 applicable only to fiscal years beginning after Sept. 30, 2003, except as otherwise specifically provided, see section 3 of Pub. L. 108–176, set out as a note under section 106 of this title.

EFFECTIVE DATE OF 2002 AMENDMENT

Amendment by Pub. L. 107–296 effective 60 days after Nov. 25, 2002, see section 4 of Pub. L. 107–296, set out as an Effective Date note under section 101 of Title 6, Domestic Security.

EFFECTIVE DATE OF 2000 AMENDMENT

Amendment by Pub. L. 106–181 applicable only to fiscal years beginning after Sept. 30, 1999, see section 3 of Pub. L. 106–181, set out as a note under section 106 of this title.

PROHIBITION ON CERTAIN RUNWAY LENGTH REQUIREMENTS

Pub. L. 118–63, title VII, §752, May 16, 2024, 138 Stat. 1284, provided that: "Notwithstanding any other provision of law, the Secretary [of Transportation] may not require an airport to shorten the length or width of

the runway, apron, or taxiway of the airport as a condition for the receipt of federal financial assistance if the airport directly supports a base of the United States Air Force or the Air National Guard at the airport, regardless of the stationing of military aircraft."

ENVIRONMENTAL REVIEW OF AIRPORT IMPROVEMENT PROJECTS

Pub. L. 106–181, title III, §310, Apr. 5, 2000, 114 Stat. 128, provided that:

"(a) STUDY.—The Secretary [of Transportation] shall conduct a study of Federal environmental requirements related to the planning and approval of airport improvement projects.

"(b) CONTENTS.—In conducting the study, the Secretary, at a minimum, shall assess—

"(1) the current level of coordination among Federal and State agencies in conducting environmental reviews in the planning and approval of airport improvement projects;

"(2) the role of public involvement in the planning and approval of airport improvement projects;

"(3) the staffing and other resources associated with conducting such environmental reviews; and

"(4) the time line for conducting such environmental reviews.

"(c) CONSULTATION.—The Secretary shall conduct the study in consultation with the Administrator [of the Federal Aviation Administration], the heads of other appropriate Federal departments and agencies, airport sponsors, the heads of State aviation agencies, representatives of the design and construction industry, representatives of employee organizations, and representatives of public interest groups.

"(d) REPORT.—Not later than 1 year after the date of the enactment of this Act [Apr. 5, 2000], the Secretary shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the results of the study, together with recommendations for streamlining, if appropriate, the environmental review process in the planning and approval of airport improvement projects."

GRANTS FOR ENGINEERED MATERIALS ARRESTING SYSTEMS

Pub. L. 106–181, title V, §514(c), Apr. 5, 2000, 114 Stat. 144, provided that: "In making grants under section 47104 of title 49, United States Code, for engineered materials arresting systems, the Secretary [of Transportation] shall require the sponsor to demonstrate that the effects of jet blasts have been adequately considered."

GRANTS FOR RUNWAY REHABILITATION

Pub. L. 106–181, title V, §514(d), Apr. 5, 2000, 114 Stat. 144, provided that: "In any case in which an airport's runways are constrained by physical conditions, the Secretary [of Transportation] shall consider alternative means for ensuring runway safety (other than a safety overrun area) when prescribing conditions for grants for runway rehabilitation."

COMPLIANCE WITH REQUIREMENTS

Pub. L. 106–181, title VII, §737, Apr. 5, 2000, 114 Stat. 172, provided that: "Notwithstanding any other provision of law, in order to avoid unnecessary duplication of expense and effort, the Secretary [of Transportation] may authorize the use, in whole or in part, of a completed environmental assessment or environmental impact study for new construction projects on the air operations area of an airport, if the completed assessment or study was for a project at the airport that is substantially similar in nature to the new project. Any such authorized use shall meet all requirements of Federal law for the completion of such an assessment or study."

§47107. Project grant application approval conditioned on assurances about airport operations

(a) GENERAL WRITTEN ASSURANCES.—The Secretary of Transportation may approve a project grant application under this subchapter for an airport development project only if the Secretary receives written assurances, satisfactory to the Secretary, that—

(1) the airport will be available for public use on reasonable conditions and without unjust discrimination;

(2) air carriers making similar use of the airport will be subject to substantially comparable charges—

(A) for facilities directly and substantially related to providing air transportation; and

(B) regulations and conditions, except for differences based on reasonable classifications,

such as between—

(i) tenants and nontenants; and

(ii) signatory and nonsignatory carriers;

(3) the airport operator will not withhold unreasonably the classification or status of tenant or signatory from an air carrier that assumes obligations substantially similar to those already imposed on air carriers of that classification or status;

(4) a person providing, or intending to provide, aeronautical services to the public will not be given an exclusive right to use the airport, with a right given to only one fixed-base operator to provide services at an airport deemed not to be an exclusive right if—

(A) the right would be unreasonably costly, burdensome, or impractical for more than one fixed-base operator to provide the services; and

(B) allowing more than one fixed-base operator to provide the services would require reducing the space leased under an existing agreement between the one fixed-base operator and the airport owner or operator;

(5) fixed-base operators similarly using the airport will be subject to the same charges;

(6) an air carrier using the airport may service itself or use any fixed-base operator allowed by the airport operator to service any carrier at the airport;

(7) the airport and facilities on or connected with the airport will be operated and maintained suitably, with consideration given to climatic and flood conditions;

(8) a proposal to close the airport temporarily for a nonaeronautical purpose must first be approved by the Secretary;

(9) appropriate action will be taken to ensure that terminal airspace required to protect instrument and visual operations to the airport (including operations at established minimum flight altitudes) will be cleared and protected by mitigating existing, and preventing future, airport hazards;

(10) appropriate action, including the adoption of zoning laws, has been or will be taken to the extent reasonable to restrict the use of land next to or near the airport to uses that are compatible with normal airport operations;

(11) each of the airport's facilities developed with financial assistance from the United States Government and each of the airport's facilities usable for the landing and taking off of aircraft always will be available without charge for use by Government aircraft in common with other aircraft, except that if the use is substantial, the Government may be charged a reasonable share, proportionate to the use, of the cost of operating and maintaining the facility used;

(12) the airport owner or operator will provide, without charge to the Government, property interests of the sponsor in land or water areas or buildings that the Secretary decides are desirable for, and that will be used for, constructing at Government expense, facilities for carrying out activities related to air traffic control or navigation;

(13) the airport owner or operator will maintain a schedule of charges for use of facilities and services at the airport—

(A) that will make the airport as self-sustaining as possible under the circumstances existing at the airport, including volume of traffic and economy of collection; and

(B) without including in the rate base used for the charges the Government's share of costs for any project for which a grant is made under this subchapter or was made under the Federal Airport Act or the Airport and Airway Development Act of 1970;

(14) the project accounts and records will be kept using a standard system of accounting that the Secretary, after consulting with appropriate public agencies, prescribes;

(15) the airport owner or operator will submit any annual or special airport financial and operations reports to the Secretary that the Secretary reasonably requests and make such reports available to the public;

(16) the airport owner or operator will maintain a current layout plan of the airport that meets

the following requirements:

(A) the plan will be in a form the Secretary prescribes;

(B) subject to subsection (x), the Secretary will review and approve or disapprove the plan and any revision or modification of the plan before the plan, revision, or modification takes effect;

(C) the owner or operator will not make or allow any alteration in the airport or any of its facilities unless the alteration—

(i) is outside the scope of the Secretary's review and approval authority as set forth in subsection (x); or

(ii) complies with the portions of the plan approved by the Secretary; and

(D) when an alteration in the airport or its facility is made that is within the scope of the Secretary's review and approval authority as set forth in subparagraph (B), and does not conform with the portions of the plan approved by the Secretary, and the Secretary decides that the alteration adversely affects the safety, utility, or efficiency of aircraft operations, or of any property on or off the airport that is owned, leased, or financed by the Government, then the owner or operator will, if requested by the Secretary—

(i) eliminate the adverse effect in a way the Secretary approves; or

(ii) bear all cost of relocating the property or its replacement to a site acceptable to the Secretary and of restoring the property or its replacement to the level of safety, utility, efficiency, and cost of operation that existed before the alteration was made, except in the case of a relocation or replacement of an existing airport facility that meets the conditions of section 47110(d);

(17) if any phase of such project has received funds under this subchapter, each contract and subcontract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping, and related services will be awarded in the same way that a contract for architectural and engineering services is negotiated under chapter 11 of title 40 or an equivalent qualifications-based requirement prescribed for or by the sponsor;

(18) the airport and each airport record will be available for inspection by the Secretary on reasonable request, and a report of the airport budget will be available to the public at reasonable times and places;

(19) the airport owner or operator will submit to the Secretary and make available to the public an annual report listing in detail—

(A) all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and

(B) all services and property provided to other units of government and the amount of compensation received for provision of each such service and property;

(20) the airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport, but the sponsor does not have any obligation under this paragraph, or because of it, to fund special facilities for intercity bus service or for other modes of transportation;

(21) if the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long-term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose; and

(22) the airport owner or operator may not restrict or prohibit the sale or self-fueling of any 100-octane low lead aviation gasoline for purchase or use by operators of general aviation aircraft if such aviation gasoline was available at such airport at any time during calendar year 2022, until the earlier of—

(A) December 31, 2030; or

(B) the date on which the airport or any retail fuel seller at such airport makes available an unleaded aviation gasoline that—

(i) has been authorized for use by the Administrator of the Federal Aviation Administration as a replacement for 100-octane low lead aviation gasoline for use in nearly all piston-engine aircraft and engine models; and

(ii) meets either an industry consensus standard or other standard that facilitates the safe use, production, and distribution of such unleaded aviation gasoline, as determined appropriate by the Administrator.

(b) WRITTEN ASSURANCES ON USE OF REVENUE.—(1) The Secretary of Transportation may approve a project grant application under this subchapter for an airport development project only if the Secretary receives written assurances, satisfactory to the Secretary, that local taxes on aviation fuel (except taxes in effect on December 30, 1987) and the revenues generated by a public airport will be expended for the capital or operating costs of—

(A) the airport;

(B) the local airport system; or

(C) other local facilities owned or operated by the airport owner or operator and directly and substantially related to the air transportation of passengers or property.

(2) Paragraph (1) of this subsection does not apply if a provision enacted not later than September 2, 1982, in a law controlling financing by the airport owner or operator, or a covenant or assurance in a debt obligation issued not later than September 2, 1982, by the owner or operator, provides that the revenues, including local taxes on aviation fuel at public airports, from any of the facilities of the owner or operator, including the airport, be used to support not only the airport but also the general debt obligations or other facilities of the owner or operator.

(3) This subsection does not prevent the use of a State tax on aviation fuel to support a State aviation program or the use of airport revenue on or off the airport for a noise mitigation purpose.

(c) WRITTEN ASSURANCES ON ACQUIRING LAND.—(1) In this subsection, land is needed for an airport purpose (except a noise compatibility purpose) if—

(A)(i) the land may be needed for an aeronautical purpose (including runway protection zone) or serves as noise buffer land; and

(ii) revenue from interim uses of the land contributes to the financial self-sufficiency of the airport; and

(B) for land purchased with a grant the owner or operator received not later than December 30, 1987, the Secretary of Transportation or the department, agency, or instrumentality of the Government that made the grant was notified by the owner or operator of the use of the land and did not object to the use and the land is still being used for that purpose.

(2) The Secretary of Transportation may approve an application under this subchapter for an airport development project grant only if the Secretary receives written assurances, satisfactory to the Secretary, that if an airport owner or operator has received or will receive a grant for acquiring land and—

(A) if the land was or will be acquired for a noise compatibility purpose (including land serving as a noise buffer either by being undeveloped or developed in a way that is compatible with using the land for noise buffering purposes)—

(i) the owner or operator will dispose of the land at fair market value at the earliest practicable time after the land no longer is needed for a noise compatibility purpose;

(ii) the disposition will be subject to retaining or reserving an interest in the land necessary to ensure that the land will be used in a way that is compatible with noise levels associated with operating the airport; and

(iii) the part of the proceeds from disposing of the land that is proportional to the Government's share of the cost of acquiring the land will be reinvested in another project at the airport or transferred to another airport as the Secretary prescribes under paragraph (4); or

(B) if the land was or will be acquired for an airport purpose (except a noise compatibility purpose)—

(i) the owner or operator, when the land no longer is needed for an airport purpose, will dispose of the land at fair market value or make available to the Secretary an amount equal to the Government's proportional share of the fair market value;

(ii) the disposition will be subject to retaining or reserving an interest in the land necessary to ensure that the land will be used in a way that is compatible with noise levels associated with operating the airport; and

(iii) the part of the proceeds from disposing of the land that is proportional to the Government's share of the cost of acquiring the land will be reinvested in another project at the airport or transferred to another airport as the Secretary prescribes under paragraph (4).

(3) Proceeds referred to in paragraph (2)(A)(iii) and (B)(iii) of this subsection and deposited in the Airport and Airway Trust Fund are available as provided in subsection (f) of this section.

(4) In approving the reinvestment or transfer of proceeds under paragraph (2)(A)(iii) or (2)(B)(iii), the Secretary shall give preference, in descending order, to the following actions:

(A) Reinvestment in an approved noise compatibility project.

(B) Reinvestment in an approved project that is eligible for funding under section 47117(e).

(C) Reinvestment in an approved airport development project that is eligible for funding under section 47114, 47115, or 47117.

(D) Transfer to a sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport.

(E) Payment to the Secretary for deposit in the Airport and Airway Trust Fund established under section 9502 of the Internal Revenue Code of 1986.

(5)(A) A lease at fair market value by an airport owner or operator of land acquired for a noise compatibility purpose using a grant provided under this subchapter shall not be considered a disposal for purposes of paragraph (2).

(B) The airport owner or operator may use revenues from a lease described in subparagraph (A) for an approved airport development project that is eligible for funding under section 47114, 47115, or 47117.

(C) The Secretary shall coordinate with each airport owner or operator to ensure that leases described in subparagraph (A) are consistent with noise buffering purposes.

(D) The provisions of this paragraph apply to all land acquired before, on, or after the date of enactment of this paragraph.

(d) ASSURANCES OF CONTINUATION AS PUBLIC-USE AIRPORT.—The Secretary of Transportation may approve an application under this subchapter for an airport development project grant for a privately owned public-use airport only if the Secretary receives appropriate assurances that the airport will continue to function as a public-use airport during the economic life (that must be at least 10 years) of any facility at the airport that was developed with Government financial assistance under this subchapter.

(e) WRITTEN ASSURANCES OF OPPORTUNITIES FOR SMALL BUSINESS CONCERNS .—(1) The Secretary of Transportation may approve a project grant application under this subchapter for an airport development project only if the Secretary receives written assurances, satisfactory to the Secretary, that the airport owner or operator will take necessary action to ensure, to the maximum extent practicable, that at least 10 percent of all businesses at the airport selling consumer products or providing consumer services to the public are small business concerns (as defined by regulations of the Secretary) owned and controlled by a socially and economically disadvantaged individual (as defined in section 47113(a) of this title) or qualified HUBZone small business concerns (as defined in section 31(b) of the Small Business Act).

(2) An airport owner or operator may meet the percentage goal of paragraph (1) of this subsection by including any business operated through a management contract or subcontract. The dollar

amount of a management contract or subcontract with a disadvantaged business enterprise shall be added to the total participation by disadvantaged business enterprises in airport concessions and to the base from which the airport's percentage goal is calculated. The dollar amount of a management contract or subcontract with a non-disadvantaged business enterprise and the gross revenue of business activities to which the management contract or subcontract pertains may not be added to this base.

(3) Except as provided in paragraph (4) of this subsection, an airport owner or operator may meet the percentage goal of paragraph (1) of this subsection by including the purchase from disadvantaged business enterprises of goods and services used in businesses conducted at the airport, but the owner or operator and the businesses conducted at the airport shall make good faith efforts to explore all available options to achieve, to the maximum extent practicable, compliance with the goal through direct ownership arrangements, including joint ventures and franchises.

(4)(A) In complying with paragraph (1) of this subsection, an airport owner or operator shall include the revenues of car rental firms at the airport in the base from which the percentage goal in paragraph (1) is calculated.

(B) An airport owner or operator may require a car rental firm to meet a requirement under paragraph (1) of this subsection by purchasing or leasing goods or services from a disadvantaged business enterprise. If an owner or operator requires such a purchase or lease, a car rental firm shall be permitted to meet the requirement by including purchases or leases of vehicles from any vendor that qualifies as a small business concern owned and controlled by a socially and economically disadvantaged individual or as a qualified HUBZone small business concern (as defined in section 31(b) of the Small Business Act).

(C) This subsection does not require a car rental firm to change its corporate structure to provide for direct ownership arrangements to meet the requirements of this subsection.

(5) This subsection does not preempt—

(A) a State or local law, regulation, or policy enacted by the governing body of an airport owner or operator; or

(B) the authority of a State or local government or airport owner or operator to adopt or enforce a law, regulation, or policy related to disadvantaged business enterprises.

(6) An airport owner or operator may provide opportunities for a small business concern owned and controlled by a socially and economically disadvantaged individual or a qualified HUBZone small business concern (as defined in section 31(b) of the Small Business Act) to participate through direct contractual agreement with that concern.

(7) An air carrier that provides passenger or property-carrying services or another business that conducts aeronautical activities at an airport may not be included in the percentage goal of paragraph (1) of this subsection for participation of small business concerns at the airport.

(8) Not later than April 29, 1993, the Secretary of Transportation shall prescribe regulations to carry out this subsection.

(f) AVAILABILITY OF AMOUNTS.—An amount deposited in the Airport and Airway Trust Fund under—

(1) subsection (c)(2)(A)(iii) of this section is available to the Secretary of Transportation to make a grant for airport development or airport planning under section 47104 of this title;

(2) subsection (c)(2)(B)(iii) of this section is available to the Secretary—

(A) to make a grant for a purpose described in section 47115(b) of this title; and

(B) for use under section 47114(d)(2) of this title at another airport in the State in which the land was disposed of under subsection (c)(2)(B)(ii) of this section; and

(3) subsection (c)(2)(B)(iii) of this section is in addition to an amount made available to the Secretary under section 48103 of this title and not subject to apportionment under section 47114 of this title.

(g) ENSURING COMPLIANCE.—(1) To ensure compliance with this section, the Secretary of

Transportation—

(A) shall prescribe requirements for sponsors that the Secretary considers necessary; and

(B) may make a contract with a public agency.

(2) The Secretary of Transportation may approve an application for a project grant only if the Secretary is satisfied that the requirements prescribed under paragraph (1)(A) of this subsection have been or will be met.

(h) MODIFYING ASSURANCES AND REQUIRING COMPLIANCE WITH ADDITIONAL ASSURANCES.—

(1) IN GENERAL.—Subject to paragraph (2), before modifying an assurance required of a person receiving a grant under this subchapter and in effect after December 29, 1987, or to require compliance with an additional assurance from the person, the Secretary of Transportation must—

(A) publish notice of the proposed modification in the Federal Register; and

(B) provide an opportunity for comment on the proposal.

(2) PUBLIC NOTICE BEFORE WAIVER OF AERONAUTICAL LAND-USE ASSURANCE .—Before modifying an assurance under subsection (c)(2)(B) that requires any property to be used for an aeronautical purpose, the Secretary must provide notice to the public not less than 30 days before making such modification.

(i) RELIEF FROM OBLIGATION TO PROVIDE FREE SPACE.—When a sponsor provides a property interest in a land or water area or a building that the Secretary of Transportation uses to construct a facility at Government expense, the Secretary may relieve the sponsor from an obligation in a contract made under this chapter, the Airport and Airway Development Act of 1970, or the Federal Airport Act to provide free space to the Government in an airport building, to the extent the Secretary finds that the free space no longer is needed to carry out activities related to air traffic control or navigation.

(j) USE OF REVENUE IN HAWAII.—(1) In this subsection—

(A) "duty-free merchandise" and "duty-free sales enterprise" have the same meanings given those terms in section 555(b)(8) of the Tariff Act of 1930 (19 U.S.C. 1555(b)(8)).

(B) "highway" and "Federal-aid system" have the same meanings given those terms in section 101(a) of title 23.

(2) Notwithstanding subsection (b)(1) of this section, Hawaii may use, for a project for construction or reconstruction of a highway on a Federal-aid system that is not more than 10 miles by road from an airport and that will facilitate access to the airport, revenue from the sales at off-airport locations in Hawaii of duty-free merchandise under a contract between Hawaii and a duty-free sales enterprise. However, the revenue resulting during a Hawaiian fiscal year may be used only if the amount of the revenue, plus amounts Hawaii receives in the fiscal year from all other sources for costs Hawaii incurs for operating all airports it operates and for debt service related to capital projects for the airports (including interest and amortization of principal costs), is more than 150 percent of the projected costs for the fiscal year.

(3)(A) Revenue from sales referred to in paragraph (2) of this subsection in a Hawaiian fiscal year that Hawaii may use may not be more than the amount that is greater than 150 percent as determined under paragraph (2).

(B) The maximum amount of revenue Hawaii may use under paragraph (2) of this subsection is $250,000,000.

(4) If a fee imposed or collected for rent, landing, or service from an aircraft operator by an airport operated by Hawaii is increased during the period from May 4, 1990, through December 31, 1994, by more than the percentage change in the Consumer Price Index of All Urban Consumers for Honolulu, Hawaii, that the Secretary of Labor publishes during that period and if revenue derived

from the fee increases because the fee increased, the amount under paragraph (3)(B) of this subsection shall be reduced by the amount of the projected revenue increase in the period less the part of the increase attributable to changes in the Index in the period.

(5) Hawaii shall determine costs, revenue, and projected revenue increases referred to in this subsection and shall submit the determinations to the Secretary of Transportation. A determination is approved unless the Secretary disapproves it not later than 30 days after it is submitted.

(6) Hawaii is not eligible for a grant under section 47115 of this title in a fiscal year in which Hawaii uses under paragraph (2) of this subsection revenue from sales referred to in paragraph (2). Hawaii shall repay amounts it receives in a fiscal year under a grant it is not eligible to receive because of this paragraph to the Secretary of Transportation for deposit in the discretionary fund established under section 47115.

(7)(A) This subsection applies only to revenue from sales referred to in paragraph (2) of this subsection from May 5, 1990, through December 30, 1994, and to amounts in the Airport Revenue Fund of Hawaii that are attributable to revenue before May 4, 1990, on sales referred to in paragraph (2).

(B) Revenue from sales referred to in paragraph (2) of this subsection from May 5, 1990, through December 30, 1994, may be used under paragraph (2) in any Hawaiian fiscal year, including a Hawaiian fiscal year beginning after December 31, 1994.

(k) POLICIES AND PROCEDURES TO ENSURE ENFORCEMENT AGAINST ILLEGAL DIVERSION OF AIRPORT REVENUE.—

(1) IN GENERAL.—Not later than 90 days after August 23, 1994, the Secretary of Transportation shall establish policies and procedures that will assure the prompt and effective enforcement of subsections (a)(13) and (b) of this section and grant assurances made under such subsections. Such policies and procedures shall recognize the exemption provision in subsection (b)(2) of this section and shall respond to the information contained in the reports of the Inspector General of the Department of Transportation on airport revenue diversion and such other relevant information as the Secretary may by law consider.

(2) REVENUE DIVERSION.—Policies and procedures to be established pursuant to paragraph (1) of this subsection shall prohibit, at a minimum, the diversion of airport revenues (except as authorized under subsection (b) of this section) through—

(A) direct payments or indirect payments, other than payments reflecting the value of services and facilities provided to the airport;

(B) use of airport revenues for general economic development, marketing, and promotional activities unrelated to airports or airport systems;

(C) payments in lieu of taxes or other assessments that exceed the value of services provided; or

(D) payments to compensate nonsponsoring governmental bodies for lost tax revenues exceeding stated tax rates.

(3) EFFORTS TO BE SELF-SUSTAINING.—With respect to subsection (a)(13) of this section, policies and procedures to be established pursuant to paragraph (1) of this subsection shall take into account, at a minimum, whether owners and operators of airports, when entering into new or revised agreements or otherwise establishing rates, charges, and fees, have undertaken reasonable efforts to make their particular airports as self-sustaining as possible under the circumstances existing at such airports.

(4) ADMINISTRATIVE SAFEGUARDS.—Policies and procedures to be established pursuant to paragraph (1) shall mandate internal controls, auditing requirements, and increased levels of Department of Transportation personnel sufficient to respond fully and promptly to complaints received regarding possible violations of subsections (a)(13) and (b) of this section and grant assurances made under such subsections and to alert the Secretary to such possible violations.

(5) STATUTE OF LIMITATIONS.—In addition to the statute of limitations specified in subsection (m)(7), with respect to project grants made under this chapter—

(A) any request by a sponsor or any other governmental entity to any airport for additional

payments for services conducted off of the airport or for reimbursement for capital contributions or operating expenses shall be filed not later than 6 years after the date on which the expense is incurred; and

(B) any amount of airport funds that are used to make a payment or reimbursement as described in subparagraph (A) after the date specified in that subparagraph shall be considered to be an illegal diversion of airport revenues that is subject to subsection (m).

(l) AUDIT CERTIFICATION.—

(1) IN GENERAL.—The Secretary of Transportation, acting through the Administrator of the Federal Aviation Administration, shall include a provision in the compliance supplement provisions to require a recipient of a project grant (or any other recipient of Federal financial assistance that is provided for an airport) to include as part of an annual audit conducted under sections 7501 through 7505 of title 31, a review concerning the funding activities with respect to an airport that is the subject of the project grant (or other Federal financial assistance) and the sponsors, owners, or operators (or other recipients) involved.

(2) CONTENT OF REVIEW.—A review conducted under paragraph (1) shall provide reasonable assurances that funds paid or transferred to sponsors are paid or transferred in a manner consistent with the applicable requirements of this chapter and any other applicable provision of law (including regulations promulgated by the Secretary or the Administrator).

(m) RECOVERY OF ILLEGALLY DIVERTED FUNDS.—

(1) IN GENERAL.—Not later than 180 days after the issuance of an audit or any other report that identifies an illegal diversion of airport revenues (as determined under subsections (b) and (k) and section 47133), the Secretary, acting through the Administrator, shall—

(A) review the audit or report;

(B) perform appropriate factfinding; and

(C) conduct a hearing and render a final determination concerning whether the illegal diversion of airport revenues asserted in the audit or report occurred.

(2) NOTIFICATION.—Upon making such a finding, the Secretary, acting through the Administrator, shall provide written notification to the sponsor and the airport of—

(A) the finding; and

(B) the obligations of the sponsor to reimburse the airport involved under this paragraph.

(3) ADMINISTRATIVE ACTION.—The Secretary may withhold any amount from funds that would otherwise be made available to the sponsor, including funds that would otherwise be made available to a State, municipality, or political subdivision thereof (including any multimodal transportation agency or transit authority of which the sponsor is a member entity) as part of an apportionment or grant made available pursuant to this title, if the sponsor—

(A) receives notification that the sponsor is required to reimburse an airport; and

(B) has had an opportunity to reimburse the airport, but has failed to do so.

(4) CIVIL ACTION.—If a sponsor fails to pay an amount specified under paragraph (3) during the 180-day period beginning on the date of notification and the Secretary is unable to withhold a sufficient amount under paragraph (3), the Secretary, acting through the Administrator, may initiate a civil action under which the sponsor shall be liable for civil penalty in an amount equal to double the illegal diversion in question plus interest (as determined under subsection (n)).

(5) DISPOSITION OF PENALTIES.—

(A) AMOUNTS WITHHELD.—The Secretary or the Administrator shall transfer any amounts withheld under paragraph (3) to the Airport and Airway Trust Fund.

(B) CIVIL PENALTIES.—With respect to any amount collected by a court in a civil action under paragraph (4), the court shall cause to be transferred to the Airport and Airway Trust Fund any amount collected as a civil penalty under paragraph (4).

(6) REIMBURSEMENT.—The Secretary, acting through the Administrator, shall, as soon as practicable after any amount is collected from a sponsor under paragraph (4), cause to be transferred from the Airport and Airway Trust Fund to an airport affected by a diversion that is the subject of a civil action under paragraph (4), reimbursement in an amount equal to the amount that has been collected from the sponsor under paragraph (4) (including any amount of interest calculated under subsection (n)).

(7) STATUTE OF LIMITATIONS.—No person may bring an action for the recovery of funds illegally diverted in violation of this section (as determined under subsections (b) and (k)) or section 47133 after the date that is 6 years after the date on which the diversion occurred.

(n) INTEREST.—

(1) IN GENERAL.—Except as provided in paragraph (2), the Secretary, acting through the Administrator, shall charge a minimum annual rate of interest on the amount of any illegal diversion of revenues referred to in subsection (m) in an amount equal to double the average investment interest rate for tax and loan accounts of the Department of the Treasury (as determined by the Secretary of the Treasury) for the applicable calendar year, rounded to the nearest whole percentage point.

(2) ADJUSTMENT OF INTEREST RATES.—If, with respect to a calendar quarter, the average investment interest rate for tax and loan accounts of the Department of the Treasury exceeds the average investment interest rate for the immediately preceding calendar quarter, rounded to the nearest whole percentage point, the Secretary of the Treasury may adjust the interest rate charged under this subsection in a manner that reflects that change.

(3) ACCRUAL.—Interest assessed under subsection (m) shall accrue from the date of the actual illegal diversion of revenues referred to in subsection (m).

(4) DETERMINATION OF APPLICABLE RATE.—The applicable rate of interest charged under paragraph (1) shall—

(A) be the rate in effect on the date on which interest begins to accrue under paragraph (3); and

(B) remain at a rate fixed under subparagraph (A) during the duration of the indebtedness.

(o) PAYMENT BY AIRPORT TO SPONSOR.—If, in the course of an audit or other review conducted under this section, the Secretary or the Administrator determines that an airport owes a sponsor funds as a result of activities conducted by the sponsor or expenditures by the sponsor for the benefit of the airport, interest on that amount shall be determined in the same manner as provided in paragraphs (1) through (4) of subsection (n), except that the amount of any interest assessed under this subsection shall be determined from the date on which the Secretary or the Administrator makes that determination.

(p) Notwithstanding any written assurances prescribed in subsections (a) through (o), a general aviation airport with more than 300,000 annual operations may be exempt from having to accept scheduled passenger air carrier service, provided that the following conditions are met:

(1) No scheduled passenger air carrier has provided service at the airport within 5 years prior to January 1, 2002.

(2) The airport is located within or underneath the Class B airspace of an airport that maintains an airport operating certificate pursuant to section 44706 of title 49.

(3) The certificated airport operating under section 44706 of title 49 does not contribute to significant passenger delays as defined by DOT/FAA in the "Airport Capacity Benchmark Report 2001".

(q) An airport that meets the conditions of paragraphs (1) through (3) of subsection (p) is not subject to section 47524 of title 49 with respect to a prohibition on all scheduled passenger service.

(r) COMPETITION DISCLOSURE REQUIREMENT.—

(1) IN GENERAL.—The Secretary of Transportation may approve an application under this

subchapter for an airport development project grant for a large hub airport or a medium hub airport only if the Secretary receives assurances that the airport sponsor will provide the information required by paragraph (2) at such time and in such form as the Secretary may require.

(2) COMPETITIVE ACCESS.—On February 1 and August 1 of each year, an airport that during the previous 6-month period has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to provide service to the airport or to expand service at the airport shall transmit a report to the Secretary that—

(A) describes the requests;

(B) provides an explanation as to why the requests could not be accommodated; and

(C) provides a time frame within which, if any, the airport will be able to accommodate the requests.

(3) SUNSET PROVISION.—This subsection shall cease to be effective beginning October 1, 2028.

(s) AGREEMENTS GRANTING THROUGH-THE-FENCE ACCESS TO GENERAL AVIATION AIRPORTS.—

(1) IN GENERAL.—Subject to paragraph (2), a sponsor of a general aviation airport shall not be considered to be in violation of this subtitle, or to be in violation of a grant assurance made under this section or under any other provision of law as a condition for the receipt of Federal financial assistance for airport development, solely because the sponsor enters into an agreement that grants to a person that owns residential real property adjacent to or near the airport access to the airfield of the airport for the following:

(A) Aircraft of the person.

(B) Aircraft authorized by the person.

(2) THROUGH-THE-FENCE AGREEMENTS.—

(A) IN GENERAL.—An agreement described in paragraph (1) between an airport sponsor and a property owner (or an association representing such property owner) shall be a written agreement that prescribes the rights, responsibilities, charges, duration, and other terms the airport sponsor determines are necessary to establish and manage the airport sponsor's relationship with the property owner.

(B) TERMS AND CONDITIONS.—An agreement described in paragraph (1) between an airport sponsor and a property owner (or an association representing such property owner) shall require the property owner, at minimum—

(i) to pay airport access charges that, as determined by the airport sponsor, are comparable to those charged to tenants and operators on-airport making similar use of the airport;

(ii) to bear the cost of building and maintaining the infrastructure that, as determined by the airport sponsor, is necessary to provide aircraft located on the property adjacent to or near the airport access to the airfield of the airport;

(iii) to maintain the property for residential, noncommercial use for the duration of the agreement;

(iv) to prohibit access to the airport from other properties through the property of the property owner; and

(v) to prohibit any aircraft refueling from occurring on the property.

(3) EXEMPTION.—The terms and conditions of paragraph (2) shall not apply to an agreement described in paragraph (1) made before the enactment of the FAA Modernization and Reform Act of 2012 (Public Law 112–95) that the Secretary determines does not comply with such terms and conditions but involves property that is subject to deed or lease restrictions that are considered perpetual and that cannot readily be brought into compliance. However, if the Secretary

determines that the airport sponsor and residential property owners are able to make any modification to such an agreement on or after the date of enactment of this paragraph, the exemption provided by this paragraph shall no longer apply.

(t) RENEWAL OF CERTAIN LEASES.—

(1) IN GENERAL.—Notwithstanding subsection (a)(13), an airport owner or operator who renews a covered lease shall not be treated as violating a written assurance requirement under this section as a result of such renewal.

(2) COVERED LEASE DEFINED.—In this subsection, the term "covered lease" means a lease—

(A) originally entered into before October 7, 2016;

(B) under which a nominal lease rate is provided;

(C) under which the lessee is a Federal or State government entity; and

(D) that—

(i) supports the operation of military aircraft by the Air Force or Air National Guard—

(I) at the airport; or

(II) remotely from the airport; or

(ii) is for the use of nonaeronautical land or facilities of the airport by the National Guard.

(u) CONSTRUCTION OF RECREATIONAL AIRCRAFT.—

(1) IN GENERAL.—The construction of a covered aircraft shall be treated as an aeronautical activity for purposes of—

(A) determining an airport's compliance with a grant assurance made under this section or any other provision of law; and

(B) the receipt of Federal financial assistance for airport development.

(2) COVERED AIRCRAFT DEFINED.—In this subsection, the term "covered aircraft" means an aircraft—

(A) used or intended to be used exclusively for recreational purposes; and

(B) constructed or under construction by a private individual at a general aviation airport.

(v) COMMUNITY USE OF AIRPORT LAND.—

(1) IN GENERAL.—Notwithstanding subsections (a)(13), (b), and (c) and section 47133, and subject to paragraph (2), the sponsor of a public-use airport shall not be considered to be in violation of this subtitle, or to be found in violation of a grant assurance made under this section, or under any other provision of law, as a condition for the receipt of Federal financial assistance for airport development, solely because the sponsor has—

(A) entered into an agreement, including a revised agreement, with a local government providing for the use of airport property for an interim compatible recreational purpose at below fair market value; or

(B) permanently restricted the use of airport property to compatible recreational and public park use without paying or otherwise obtaining payment of fair market value for the property.

(2) RESTRICTIONS.—

(A) INTERIM COMPATIBLE RECREATIONAL PURPOSE.—Paragraph (1) shall apply, with respect to a sponsor that has taken the action described in subparagraph (A) of such paragraph, only—

(i) to an agreement regarding airport property that was initially entered into before the publication of the Federal Aviation Administration's Policy and Procedures Concerning the Use of Airport Revenue, dated February 16, 1999;

(ii) if the agreement between the sponsor and the local government is subordinate to any existing or future agreements between the sponsor and the Secretary, including agreements

related to a grant assurance under this section;

(iii) to airport property that was purchased using funds from a Federal grant for acquiring land issued prior to January 1, 1989;

(iv) if the airport sponsor has provided a written statement to the Administrator that the property made available for a recreational purpose will not be needed for any aeronautical purpose during the next 10 years;

(v) if the agreement includes a term of not more than 2 years to prepare the airport property for the interim compatible recreational purpose and not more than 10 years of use for that purpose;

(vi) if the recreational purpose will not impact the aeronautical use of the airport;

(vii) if the airport sponsor provides a certification that the sponsor is not responsible for preparation, startup, operations, maintenance, or any other costs associated with the recreational purpose; and

(viii) if the recreational purpose is consistent with Federal land use compatibility criteria under section 47502.

(B) RECREATIONAL USE.—Paragraph (1) shall apply, with respect to a sponsor that has taken the action described in subparagraph (B) of such paragraph, only—

(i) to airport property that was purchased using funds from a Federal grant for acquiring land issued prior to January 1, 1989;

(ii) to airport property that has been continuously leased or licensed through a written agreement with a governmental entity or non-profit entity for recreational or public park uses since July 1, 2003;

(iii) if the airport sponsor has provided a written statement to the Administrator that the recreational or public park use does not impact the aeronautical use of the airport and that the property to be permanently restricted for recreational or public park use is not needed for any aeronautical use at the time the written statement is provided and is not expected to be needed for any aeronautical use at any time after such statement is provided;

(iv) if the airport sponsor provides a certification to the Administrator that the sponsor is not responsible for operations, maintenance, or any other costs associated with the recreational or public park use;

(v) if the recreational purpose is consistent with Federal land use compatibility criteria under section 47502; and

(vi) if the airport sponsor will—

(I) lease the property to a local government entity or non-profit entity to operate and maintain the property at no cost to the airport sponsor; or

(II) transfer title to the property to a local government entity subject to a permanent deed restriction ensuring compatible airport use under regulations issued pursuant to section 47502.

(3) REVENUE FROM CERTAIN SALES OF AIRPORT PROPERTY.—Notwithstanding any other provision of law, an airport sponsor leasing or selling a portion of airport property as described in paragraph (2)(B)(vi) may—

(A) lease or sell such portion of airport property for less than fair market value; and

(B) subject to the requirements of subsection (b), retain the revenue from the lease or sale of such portion of airport property for use in accordance with section 47133.

(4) SECRETARY REVIEW AND APPROVAL.—Notwithstanding any other provision of law, and subject to the sponsor providing a written statement certifying such sponsor meets the requirements under this subsection, no actions permitted under this subsection shall require the review or approval of the Secretary of Transportation.

(5) STATUTORY CONSTRUCTION.—Nothing in this subsection may be construed as permitting a diversion of airport revenue for the capital or operating costs associated with the

community use of airport land.

(6) AERONAUTICAL USE; AERONAUTICAL PURPOSE DEFINED.—In this subsection, the terms "aeronautical use" and "aeronautical purpose"—

(A) mean all activities that involve or are directly related to the operation of aircraft, including activities that make the operation of aircraft possible and safe;

(B) include services located at an airport that are directly and substantially related to the movement of passengers, baggage, mail, and cargo; and

(C) do not include any uses of an airport that are not described in subparagraph (A) or (B), including any aviation-related uses that do not need to be located at an airport, such as flight kitchens and airline reservation centers.

(w) MOTHERS' ROOMS.—

(1) IN GENERAL.—The Secretary of Transportation may approve an application under this subchapter for an airport development project grant only if the Secretary receives written assurances that the airport owner or operator will maintain—

(A) a lactation area in the sterile area of each passenger terminal building of the airport; and

(B) a baby changing table in at least one men's and at least one women's restroom in each passenger terminal building of the airport.

(2) APPLICABILITY.—

(A) AIRPORT SIZE.—

(i) IN GENERAL.—The requirements in paragraph (1) shall only apply to applications submitted by the airport sponsor of—

(I) a medium or large hub airport in fiscal year 2021 and each fiscal year thereafter; and

(II) an applicable small hub airport in fiscal year 2023 and each fiscal year thereafter.

(ii) APPLICABLE SMALL HUB AIRPORT DEFINED.—In clause (i)(II), the term "applicable small hub airport" means an airport designated as a small hub airport during—

(I) the 3-year period consisting of 2020, 2021, and 2022; or

(II) any consecutive 3-year period beginning after 2020.

(B) PREEXISTING FACILITIES.—On application by an airport sponsor, the Secretary may determine that a lactation area in existence on October 5, 2018, complies with the requirement in paragraph (1)(A), notwithstanding the absence of one of the facilities or characteristics referred to in the definition of the term "lactation area" in this subsection.

(C) SPECIAL RULE.—The requirement in paragraph (1)(A) shall not apply with respect to a project grant application for a period of time, determined by the Secretary, if the Secretary determines that construction or maintenance activities make it impracticable or unsafe for the lactation area to be located in the sterile area of the building.

(3) DEFINITION.—In this section, the term—

(A) "lactation area" means a room or similar accommodation that—

(i) provides a location for members of the public to express breast milk that is shielded from view and free from intrusion from the public;

(ii) has a door that can be locked;

(iii) includes a place to sit, a table or other flat surface, a sink or sanitizing equipment, and an electrical outlet;

(iv) is readily accessible to and usable by individuals with disabilities, including individuals who use wheelchairs; and

(v) is not located in a restroom; and

(B) "sterile area" has the same meaning given that term in section 1540.5 of title 49, Code of Federal Regulations.

(x) SCOPE OF AIRPORT LAYOUT PLAN REVIEW AND APPROVAL AUTHORITY OF SECRETARY.—

(1) AUTHORITY OVER PROJECTS ON LAND ACQUIRED WITHOUT FEDERAL ASSISTANCE.—For purposes of subsection (a)(16)(B), with respect to any project proposed on land acquired by an airport owner or operator without Federal assistance, the Secretary may review and approve or disapprove only the portions of the plan (or any subsequent revision to the plan) that—

(A) materially impact the safe and efficient operation of aircraft at, to, or from the airport;

(B) adversely affect the safety of people or property on the ground as a result of aircraft operations; or

(C) adversely affect the value of prior Federal investments to a significant extent.

(2) LIMITATION ON NON-AERONAUTICAL REVIEW.—

(A) IN GENERAL.—The Secretary may not require an airport to seek approval for (including in the submission of an airport layout plan), or directly or indirectly regulate or place conditions on (including through any grant assurance), any project that is not subject to paragraph (1).

(B) REVIEW AND APPROVAL AUTHORITY.—If only a portion of a project proposed by an airport owner or operator is subject to the review and approval of the Secretary under subsection (a)(16)(B), the Secretary shall not extend review and approval authority to other non-aeronautical portions of the project.

(3) NOTICE.—

(A) IN GENERAL.—An airport owner or operator shall submit to the Secretary a notice of intent to proceed with a proposed project (or a portion thereof) that is outside of the review and approval authority of the Secretary, as described in this subsection, if the project was not on the most recently submitted airport layout plan of the airport.

(B) FAILURE TO OBJECT.—If not later than 45 days after receiving the notice of intent described in subparagraph (A), the Secretary fails to object to such notice, the proposed project (or portion thereof) shall be deemed as being outside the scope of the review and approval authority of the Secretary under subsection (a)(16)(B).

(y) UNIVERSAL CHANGING STATION.—

(1) IN GENERAL.—In fiscal year 2030 and each fiscal year thereafter, the Secretary of Transportation may approve an application under this subchapter for an airport development project grant only if the Secretary receives written assurances that the airport owner or operator will install or maintain (in compliance with the requirements of section 35.133 of title 28, Code of Federal Regulations), as applicable—

(A) at least 1 private, single-use room with a universal changing station that—

(i) meets the standards established under paragraph (2)(A); and

(ii) is accessible to all individuals for purposes of use by an individual with a disability in each passenger terminal building of the airport; and

(B) signage at or near the entrance to the changing station indicating the location of the changing station.

(2) STANDARDS REQUIRED.—Not later than 2 years after the date of enactment of this subsection, the United States Access Board shall—

(A) establish—

(i) comprehensive accessible design standards for universal changing tables; and

(ii) standards on the privacy, accessibility, and sanitation equipment of the room in which such table is located, required to be installed, or maintained under this subsection; and

(B) in establishing the standards under subparagraph (A), consult with entities with appropriate expertise relating to the use of universal changing stations used by individuals with disabilities.

(3) APPLICABILITY.—

(A) AIRPORT SIZE.—The requirement in paragraph (1) shall only apply to applications submitted by the airport sponsor of a medium or large hub airport.

(B) SPECIAL RULE.—The requirement in paragraph (1) shall not apply with respect to a project grant application for a period of time, determined by the Secretary, if the Secretary determines that construction or maintenance activities make it impracticable or unsafe for the universal changing station to be located in the sterile area of the building.

(4) EXCEPTION.—Upon application by an airport sponsor, the Secretary may determine that a universal changing station in existence before the date of enactment of the FAA Reauthorization Act of 2024, complies with the requirements of paragraph (1) (including the standards established under paragraph (2)(A)), notwithstanding the absence of 1 or more of the standards or characteristics required under such paragraph.

(5) DEFINITION.—In this section:

(A) DISABILITY.—The term "disability" has the meaning given that term in section 3 of the Americans with Disabilities Act of 1990 (42 U.S.C. 12102).

(B) STERILE AREA.—The term "sterile area" has the same meaning given that term in section 1540.5 of title 49, Code of Federal Regulations.

(C) UNIVERSAL CHANGING STATION.—The term "universal changing station" means a universal or adult changing station that meets the standards established by the United States Access Board under paragraph (2)(A).

(D) UNITED STATES ACCESS BOARD.—The term "United States Access Board" means the Architectural and Transportation Barriers Compliance Board established under section 502(a)(1) of the Rehabilitation Act of 1973 (29 U.S.C. 792(a)(1)).

In subsection (a), before clause (1), the words "may approve a project grant application under this subchapter for an airport development project only if" are substituted for 49 App.:2208(b)(1)(E) (related to 49 App.:2210(a)) and the words "As a condition precedent to approval of an airport development project contained in a project grant application submitted under this chapter . . . shall" in 49 App.:2210(a) for clarity and to eliminate unnecessary words. In clause (1), the words "to which the project relates" and "fair and" are omitted as surplus. In clause (2), before subclause (A), the words "including the requirement that" are omitted as unnecessary because of the restatement. The words "air carriers making similar use of the airport" are substituted for "each air carrier using such airport (whether as a tenant, nontenant, or subtenant of another air carrier tenant) . . . all such air carriers which make similar use of such airport" to eliminate unnecessary words. The words "and which utilize similar facilities" are omitted because of the definition of "airport" in section 47102 of the revised title. The words "nondiscriminatory and" and "rates, fees, rentals, and other" are omitted as surplus. In subclause (B), before subclause (i), the words "except for differences based on" are substituted for "subject to" for clarity. In clause (3), the words "airport operator" are substituted for "airport" for clarity and consistency in this chapter. In clause (4), before subclause (A), the words "a right given to only one fixed-base operator to provide services at an airport" are substituted for "the providing of services at an airport by a single fixed-based operator" for clarity. In subclause (B), the words "the airport operator or owner" are substituted for "such airport" for clarity and consistency in this subchapter. Clause (5) is substituted for 49 App.:2210(a)(1)(B) for consistency and to eliminate unnecessary words. In clause (6), the words "allowed by the airport operator" are substituted for "authorized by the airport or permitted by the airport" for clarity and consistency in this chapter and to eliminate unnecessary words. In clause (9), the words "operations at" are added for clarity. The words "adequately", "removing, lowering, relocating, marking, or lighting or otherwise", and "the establishment or creation of" are omitted as surplus. In clause (10), the word "near" is substituted for "in the immediate vicinity of", and the word "uses" is substituted for "activities and purposes", to eliminate unnecessary words. The words "including landing and takeoff of aircraft" are omitted as surplus. In clause (12), the words "property interests of the sponsor in land or water areas or buildings" are substituted for "any areas of land or water, or estate therein, or rights in buildings of the sponsor" for consistency in the revised title and to eliminate unnecessary words. The words "necessary or" are omitted as surplus. The words "for, and that will be used for, constructing . . . facilities for carrying out activities related to air traffic control or navigation" are substituted for "for use in connection with any air traffic control or navigation activities, or weather-reporting and communication activities related to air traffic control . . . for construction . . . of space or facilities for such purposes" to eliminate unnecessary words. In clause (13), before subclause (A), the words "schedule of charges" are substituted for "fee and rental structure" for clarity and consistency in this chapter. In subclause (A), the word "particular" is omitted as surplus. The word "including" is substituted for "taking into account such factors as" to eliminate unnecessary words. In subclause (B), the words "fees, rates, and" are omitted as surplus. The words "airport development or airport planning" are omitted because of the definition of "project" in section 47102 of the revised title. In clause (16), before subclause (A), the words "maintain . . . current" are substituted for "keep up to date at all times" to eliminate unnecessary words. In subclause (B), the words "be submitted to, and" and "amendment" are omitted as surplus. In subclauses (C) and (D), the words "changes or" and "change or", respectively, are omitted as surplus. In subclause (D)(ii), the words "was made" are added for clarity. In clause (17), the words "with respect to the project" are omitted as surplus. In clause (18), the words "duly authorized agent of" are omitted because of 49:322(b).

In subsection (b)(1), before clause (A), the words "may approve a project grant application under this subchapter for an airport development project only if" are substituted for 49 App.:2208(b)(1)(E) (related to 49 App.:2210(a)(12)) and "As a condition precedent to approval of an airport development project contained in a project grant application submitted under this chapter . . . shall" in 49 App.:2210(a) for clarity and to eliminate unnecessary words. In clause (C) the word "actual" is omitted as surplus.

In subsection (b)(2), the words "Paragraph (1) of this subsection does not apply" are substituted for "except that . . . then this limitation on the use of all other revenues generated by the airport . . . shall not apply" to eliminate unnecessary words. The word "law" is substituted for "provisions . . . in governing statutes" for consistency in the revised title and to eliminate unnecessary words.

In subsection (c)(1), before clause (A), the words "considered to be" are omitted as surplus. In clause (B),

the words "department, agency, or instrumentality of the Government" are substituted for "Federal agency" for consistency in the revised title and with other titles of the United States Code.

In subsection (c)(2), before clause (A), the words "may approve an application under this subchapter for an airport development project grant only if" are substituted for 49 App.:2208(b)(1)(E) (related to 49 App.:2210(a)(13), (14)) and "As a condition precedent to approval of an airport development project contained in a project grant application submitted under this chapter" in 49 App.:2210(a) for clarity and to eliminate unnecessary words. The words "has received or will receive" are substituted for "before, on, or after December 30, 1987" and "before, on, or after December 31, 1987" because of the restatement. In clauses (A)(ii) and (B)(ii), the words "or right" and "only" are omitted as surplus. In clause (A)(iii), the words "at the discretion of the Secretary" in 49 App.:2210(a)(13)(C) are omitted as surplus. In clause (B)(iii), the words "under this subchapter" are substituted for "at that airport or within the national airport system" for clarity and to eliminate unnecessary words.

Subsection (c)(3) is added for clarity.

In subsection (d), the words "may approve an application under this subchapter for an airport development project grant . . . only if" are substituted for 49 App.:2208(b)(1)(E) (related to 49 App.:2204(b)(2)) and "No obligation shall be incurred by the Secretary for airport development . . . unless" in 49 App.:2204(b) for clarity and to eliminate unnecessary words.

In subsection (e)(1), the words "may approve a project grant application under this subchapter for an airport development project only if" are substituted for 49 App.:2208(b)(1)(E) (related to 49 App.:2210(a)(17)) and "As a condition precedent to approval of an airport development project contained in a project grant application submitted under this chapter . . . shall" for clarity and to eliminate unnecessary words. The words "food, beverages, printed materials, or other" and "ground transportation, baggage carts, automobile rentals, or other" are omitted as surplus.

In subsection (e)(2)–(5), the words "disadvantaged business enterprise" are substituted for "DBE" for clarity.

In subsection (e)(4), the words "(as defined by the Secretary by regulation)" and "(as defined under section 2204(d)(2)(B) of this title)" are omitted as unnecessary because of paragraph (1) of this subsection.

In subsection (f)(2)(A), the words "at the discretion of the Secretary" are omitted as surplus. The words "at primary airports and reliever airports" are omitted as surplus because 49 App.:2206(c)(2), restated in section 47115(c) of the revised title, involves only primary and reliever airports.

In subsection (g)(1)(A), the words "consistent with the terms of this chapter" are omitted as surplus.

In subsection (g)(1)(B), the words "Among other steps to insure such compliance" and "on behalf of the United States" are omitted as surplus.

In subsection (g)(2), the words "by or . . . the authority of" are omitted as surplus.

In subsection (h), before clause (1), the words "proposes to" are omitted as surplus. The word "subchapter" is substituted for "Act" in section 511(f) of the Airport and Airway Improvement Act of 1982, as added by section 109(k) of the Airport and Airway Safety and Capacity Expansion Act of 1987 (Public Law 100–223, 101 Stat. 1502), to correct a mistake.

In subsection (i), the words "a property interest in a land or water area or a building that the Secretary of Transportation uses to construct a facility" are substituted for "any area of land or water, or estate therein, or rights in buildings of the sponsor and constructs space or facilities thereon" for consistency in this section.

In subsection (j)(2), the words "the limitation on the use of revenues generated by airports contained in", "located", "of funds", and "(including revenues generated by such airports from other sources, unrestricted cash on hand, and Federal funds made available under this chapter for expenditure at such airports)" are omitted as surplus.

In subsection (j)(3)(A), the words "amount that is greater than 150 percent as determined" are substituted for "amount of the excess determined" for clarity.

In subsection (j)(3)(B), the words "in the aggregate" are omitted as surplus.

In subsection (j)(4), the word "imposed" is substituted for "levied" for consistency in the revised title and with other titles of the Code. The words "for the use of airport facilities" and "a percentage which is" are omitted as surplus. The words "Secretary of Labor" are substituted for "Bureau of Labor Statistics of the Department of Labor" because of 29:551 and 557.

In subsection (j)(5), the words "from fee increases" and "for approval" are omitted as surplus.

DIVERSION OF AIRPORT REVENUES FOR CLAIMS RELATED TO CERTAIN CEDED LANDS

Pub. L. 105–66, title III, §340, Oct. 27, 1997, 111 Stat. 1448, provided that:

"(a) FINDINGS.—The Congress finds that—

"(1) Congress has the authority under article I, section 8 of the Constitution to regulate the air commerce of the United States;

"(2) section 47107 of title 49, United States Code, prohibits the diversion of certain revenue generated by a public airport as a condition of receiving a project grant;

"(3) a grant recipient that uses airport revenues for purposes that are not airport-related in a manner inconsistent with chapter 471 of title 49, United States Code, illegally diverts airport revenues;

"(4) illegal diversion of airport revenues undermines the interest of the United States in promoting a strong national air transportation system;

"(5) the policy of the United States that airports should be as self-sustaining as possible and that revenues generated at airports should not be diverted from airport purposes was stated by Congress in 1982 and reaffirmed and strengthened in 1987, 1994, and 1996;

"(6) certain airports are constructed on lands that may have belonged, at one time, to Native Americans, Native Hawaiians, or Alaska Natives;

"(7) contrary to the prohibition against diverting airport revenues from airport purposes under section 47107 of title 49, United States Code, certain payments from airport revenues may have been made for the betterment of Native Americans, Native Hawaiians, or Alaska Natives based upon the claims related to lands ceded to the United States;

"(8) Federal law prohibits diversions of airport revenues obtained from any source whatsoever to occur in the future whether related to claims for periods of time prior to or after the date of enactment of this Act [Oct. 27, 1997]; and

"(9) because of the special circumstances surrounding such past diversions of airport revenues for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, it is in the national interest that amounts from airport revenues previously received by any entity for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, as specified in subsection (b) of this section, should not be subject to repayment.

"(b) TERMINATION OF REPAYMENT RESPONSIBILITY.—Notwithstanding the provisions of [section] 47107 of title 49, United States Code, or any other provision of law, monies paid for claims related to ceded lands and diverted from airport revenues and received prior to April 1, 1996, by any entity for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, shall not be subject to repayment.

"(c) PROHIBITION ON FURTHER DIVERSION.—There shall be no further payment of airport revenues for claims related to ceded lands, whether characterized as operating expenses, rent, or otherwise, and whether related to claims for periods of time prior to or after the date of enactment of this Act [Oct. 27, 1997].

"(d) CLARIFICATION.—Nothing in this Act [see Tables for classification] shall be construed to affect any existing Federal statutes, enactments, or trust obligations created thereunder, or any statute of the several States that define the obligations of such States to Native Americans, Native Hawaiians, or Alaska Natives in connection with ceded lands, except to make clear that airport revenues may not be used to satisfy such obligations."

FINDINGS AND PURPOSE

Pub. L. 104–264, title VIII, §802, Oct. 9, 1996, 110 Stat. 3270, provided that:

"(a) IN GENERAL.—Congress finds that—

"(1) section 47107 of title 49, United States Code, prohibits the diversion of certain revenue generated by a public airport as a condition of receiving a project grant;

"(2) a grant recipient that uses airport revenue for purposes that are not airport related in a manner inconsistent with chapter 471 of title 49, United States Code, illegally diverts airport revenues;

"(3) any diversion of airport revenues in violation of the condition referred to in paragraph (1) undermines the interest of the United States in promoting a strong national air transportation system that is responsive to the needs of airport users;

"(4) the Secretary and the Administrator have not enforced airport revenue diversion rules adequately and must have additional regulatory tools to increase enforcement efforts; and

"(5) sponsors who have been found to have illegally diverted airport revenues—

"(A) have not reimbursed or made restitution to airports in a timely manner; and

"(B) must be encouraged to do so.

"(b) PURPOSE.—The purpose of this title [see Short Title of 1996 Amendment note set out under section 40101 of this title] is to ensure that airport users are not burdened with hidden taxation for unrelated municipal services and activities by—

"(1) eliminating the ability of any State or political subdivision thereof that is a recipient of a project

grant to divert airport revenues for purposes that are not related to an airport, in violation of section 47107 of title 49, United States Code;

§47108. Project grant agreements

(a) OFFER AND ACCEPTANCE.—On approving a project grant application under this subchapter, the Secretary of Transportation shall offer the sponsor a grant to pay the United States Government's share of the project costs allowable under section 47110 of this title. The Secretary may impose terms on the offer that the Secretary considers necessary to carry out this subchapter and regulations prescribed under this subchapter. An offer shall state the obligations to be assumed by the sponsor and the maximum amount the Government will pay for the project from the amounts authorized under chapter 481 of this title (except sections 48102(e), 48106, 48107, and 48110). At the request of the sponsor, an offer of a grant for a project that will not be completed in one fiscal year shall provide for the obligation of amounts apportioned or to be apportioned to a sponsor under section 47114(c) or 47114(d)(2)(A) for the fiscal years necessary to pay the Government's share of the cost of the project. An offer that is accepted in writing by the sponsor is an agreement binding on the Government and the sponsor. The Government may pay or be obligated to pay a project cost only after a grant agreement for the project is signed.

(b) INCREASING GOVERNMENT SHARE.—

(1) IN GENERAL.—Except as provided in paragraph (2) or (3), the amount stated in an offer as the maximum amount the Government will pay may not be increased when the offer has been accepted in writing.

(2) EXCEPTION.—For a project receiving assistance under a grant approved under this chapter or chapter 475, the amount may be increased—

(A) for an airport development project, by not more than 15 percent; and

(B) to acquire an interest in land for an airport (except a primary airport), based on creditable appraisals at the time of the acquisition or a court award in a condemnation proceeding, by not more than the greater of—

(i) 15 percent; or

(ii) 25 percent of the total increase in allowable project costs attributable to acquiring an interest in land.

(3) PRICE ADJUSTMENT PROVISIONS.—

(A) IN GENERAL.—The Secretary may incorporate a provision in a project grant agreement under which the Secretary agrees to pay more than the maximum amount otherwise specified in the agreement if the Secretary finds that commodity or labor prices have increased since the agreement was made.

(B) DECREASE IN COSTS.—A provision incorporated in a project grant agreement under this paragraph shall ensure that the Secretary realizes any financial benefit associated with a decrease in material or labor costs for the project.

(c) CHANGING WORKSCOPE.—With the consent of the sponsor, the Secretary may amend a grant agreement made under this subchapter to change the workscope of a project financed under the grant if the amendment does not result in an increase in the maximum amount the Government may pay under subsection (b) of this section.

(d) CHANGE IN AIRPORT STATUS.—

(1) CHANGES TO NONPRIMARY AIRPORT STATUS.—If the status of a primary airport changes to a nonprimary airport at a time when a development project under a multiyear agreement under subsection (a) is not yet completed, the project shall remain eligible for funding from discretionary funds under section 47115 at the funding level and under the terms provided by the agreement, subject to the availability of funds.
