

Public Law 106-531
106th Congress

An Act

To amend chapter 35 of title 31, United States Code, to authorize the consolidation of certain financial and performance management reports required of Federal agencies, and for other purposes.

Nov. 22, 2000
[S. 2712]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Reports
Consolidation Act
of 2000.
31 USC 3501
note.

SECTION 1. SHORT TITLE.

This Act may be cited as the “Reports Consolidation Act of 2000”.

SEC. 2. FINDINGS AND PURPOSES.

31 USC 3516
note.

(a) **FINDINGS.**—Congress finds that—

(1) existing law imposes numerous financial and performance management reporting requirements on agencies;

(2) these separate requirements can cause duplication of effort on the part of agencies and result in uncoordinated reports containing information in a form that is not completely useful to Congress; and

(3) pilot projects conducted by agencies under the direction of the Office of Management and Budget demonstrate that single consolidated reports providing an analysis of verifiable financial and performance management information produce more useful reports with greater efficiency.

(b) **PURPOSES.**—The purposes of this Act are—

(1) to authorize and encourage the consolidation of financial and performance management reports;

(2) to provide financial and performance management information in a more meaningful and useful format for Congress, the President, and the public;

(3) to improve the quality of agency financial and performance management information; and

(4) to enhance coordination and efficiency on the part of agencies in reporting financial and performance management information.

SEC. 3. CONSOLIDATED REPORTS.

(a) **IN GENERAL.**—Chapter 35 of title 31, United States Code, is amended by adding at the end the following:

"(ii) consults in advance of inclusion of that report with the Committee on Governmental Affairs of the Senate, the Committee on Government Reform of the House of Representatives, and any other committee of Congress having jurisdiction with respect to the report proposed for inclusion.

"(b) A report under subsection (a) that incorporates the agency's program performance report under section 1116 shall be referred to as a performance and accountability report.

"(c) A report under subsection (a) that does not incorporate the agency's program performance report under section 1116 shall contain a summary of the most significant portions of the agency's program performance report, including the agency's success in achieving key performance goals for the applicable year.

The agency head may comment on the inspector general's statement, but may not modify the statement.

"(e) A report under subsection (a) shall include a transmittal letter from the agency head containing, in addition to any other content, an assessment by the agency head of the completeness and reliability of the performance and financial data used in the report. The assessment shall describe any material inadequacies in the completeness and reliability of the data, and the actions the agency can take and is taking to resolve such inadequacies."
