

PUBLIC LAW 114-31—JULY 20, 2015

VETERANS IDENTIFICATION CARD ACT  
OF 2015

Public Law 114–31  
114th Congress

An Act

July 20, 2015  
[H.R. 91]

To amend title 38, United States Code, to direct the Secretary of Veterans Affairs to issue, upon request, veteran identification cards to certain veterans.

Veterans  
Identification  
Card Act of 2015.  
38 USC 101 note.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

**SECTION 1. SHORT TITLE.**

This Act may be cited as the “Veterans Identification Card Act 2015”.

38 USC 5706  
note.

**SEC. 2. VETERANS IDENTIFICATION CARD.**

(a) **FINDINGS.**—Congress makes the following findings:

(1) Effective on the day before the date of the enactment of this Act, veteran identification cards were issued to veterans who have either completed the statutory time-in-service requirement for retirement from the Armed Forces or who have received a medical-related discharge from the Armed Forces.

(2) Effective on the day before the date of the enactment of this Act, a veteran who served a minimum obligated time in service, but who did not meet the criteria described in paragraph (1), did not receive a means of identifying the veteran’s status as a veteran other than using the Department of Defense form DD–214 discharge papers of the veteran.

(3) Goods, services, and promotional activities are often offered by public and private institutions to veterans who demonstrate proof of service in the military, but it is impractical for a veteran to always carry Department of Defense form DD–214 discharge papers to demonstrate such proof.

(4) A general purpose veteran identification card made available to veterans would be useful to demonstrate the status of the veterans without having to carry and use official Department of Defense form DD–214 discharge papers.

(5) On the day before the date of the enactment of this Act, the Department of Veterans Affairs had the infrastructure in place across the United States to produce photographic identification cards and accept a small payment to cover the cost of these cards.

(b) **PROVISION OF VETERAN IDENTIFICATION CARDS.**—Chapter 57 of title 38, United States Code, is amended by adding after section 5705 the following new section:

**“§ 5706. Veterans identification card**

“(e) ADMINISTRATIVE MEASURES.—(1) The Secretary shall ensure that any information collected or used with respect to an identification card issued under this section is appropriately secured.

38 USC  
prec. 5701.

(c) CLERICAL AMENDMENT.—The table of sections at the beginning of such chapter is amended by inserting after the item relating to section 5705 the following new item:
