AN ACT

September 18, 1964 [S. 1186]

To amend the Act authorizing the Crooked River Federal reclamation project to provide for the irrigation of additional lands.

Crooked River Federal reclamation project, Oreg.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the first section of the Act entitled "An Act to authorize construction by the Secretary of the Interior of the Crooked River Federal reclamation project, Oregon", approved August 6, 1956 (70 Stat. 1058), as amended, is amended by inserting immediately before the period at the end of the first sentence of such section the following: "and the Crooked River project extension, together referred to hereafter as the project. The principal new works for the project extension shall include six pumping plants, canals, and related distribution and drainage facilities".

Appropriation.

SEC. 2. There are hereby authorized to be appropriated for construction of the new works involved in the Crooked River project extension \$1,132,000, plus or minus such amounts, if any, as may be required by reason of changes in the cost of construction work of the types involved therein as shown by engineering cost indexes and, in addition thereto, such sums as may be required to operate and maintain said extension.

SEC. 3. Supplemental power and energy required for irrigation water pumping for the project shall be made available by the Secretary of the Interior from the Federal Columbia River power system at charges determined by him.

Approved September 18, 1964.
