AN ACT

To liberalize the eligibility requirements governing the grant of assistance in acquiring specially adapted housing for certain service-connected disabled veterans, to increase the amount of such grant, to raise the limit on the amount of direct housing loans made by the Veterans' Administration, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 801 of title 38, United States Code, is amended by substituting a comma and the word "or" for the semicolon at the end of clause numbered (2) and adding "(3) due to the loss or loss of use of one lower extremity together with residuals of organic disease or injury which so affect the functions of balance or propulsion as to preclude locomotion without resort to a wheelchair,".

SEC. 2. Section 802 of title 38, United States Code, is amended by striking out "\$10,000" and inserting in lieu thereof "\$12,500".

SEC. 3. Section 1811 (d) of title 38, United States Code, is amended by striking out "\$17,500" each place where it appears therein and inserting in lieu thereof in each such place "\$21,000".

SEC. 4. Section 1803(d)(3) of title 38, United States Code, be amended to read as follows:

"(3) Any real estate loan (other than for repairs, alterations, or improvements) shall be secured by a first lien on the realty. In determining whether a loan for the purchase or construction of a home is so secured, the Administrator may disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner's share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran's realty is located, if he determines that the interests of the veteran borrower and of the Government will not be prejudiced by the operation of such covenant. In respect to any such superior lien to be created after the effective date of this amendment, the Administrator's determination must have been made prior to the recordation of the covenant. Any non-real-estate loan (other than for working or other capital, merchandise, goodwill, and other intangible assets) shall be secured by personalty to the extent legal and practicable."
