Notice to States.

“(iii) unless a notice of such reduction has been provided to the State at least 30 days before the date such reduction takes effect; or

“(iv) due to the State’s unsatisfactory or invalid showing made with respect to a calendar quarter beginning after September 30, 1977, unless notice of such reduction has been provided to the State no later than the first day of the fourth calendar quarter following the calendar quarter with respect to which such showing was made.

Waiver.

“(B) The Secretary shall waive application of any reduction in the Federal medical assistance percentage of a State otherwise required to be imposed under paragraph (1) because a showing by the State, made under such paragraph with respect to a calendar quarter ending after January 1, 1977, and before October 1, 1977, is determined to be either unsatisfactory under such paragraph or invalid under paragraph (2), if the Secretary determines that the State’s showing made under paragraph (1) with respect to the calendar quarter ending on December 31, 1977, is satisfactory under such paragraph and is valid under paragraph (2).

“(4)(A) The Secretary may not find the showing of a State, with respect to a calendar quarter under paragraph (1), to be satisfactory if the showing is submitted to the Secretary later than the 30th day after the last day of the calendar quarter, unless the State demonstrates to the satisfaction of the Secretary good cause for not meeting such deadline.

“(B) The Secretary shall find a showing of a State, with respect to a calendar quarter under paragraph (1), to be satisfactory under such paragraph with respect to the requirement that the State conduct annual onsite inspections in mental hospitals, skilled nursing facilities, and intermediate care facilities under paragraph (26) and (31) of section 1902(a), if the showing demonstrates that the State has conducted such an onsite inspection during the 12-month period ending on the last date of the calendar quarter—

“(i) in each of not less than 98 per centum of the number of such hospitals and facilities requiring such inspection, and

“(ii) in every such hospital or facility which has 200 or more beds,

and that, with respect to such hospitals and facilities not inspected within such period, the State has exercised good faith and due diligence in attempting to conduct such inspection, or if the State demonstrates to the satisfaction of the Secretary that it would have made such a showing but for failings of a technical nature only.

“(5) In the case of a State’s unsatisfactory or invalid showing made with respect to a type of facility or institutional services in a calendar quarter, the per centum amount of the reduction of the State’s Federal medical assistance percentage for that type of services under paragraph (1) is equal to $33\frac{1}{3}$ per centum multiplied by a fraction, the denominator of which is equal to the total number of patients receiving that type of services in that quarter under the State plan in facilities or institutions for which a showing was required to be made under this subsection, and the numerator of which is equal to the number of

such patients receiving such type of services in that quarter in those facilities or institutions for which a satisfactory and valid showing was not made for that calendar quarter.

“(6) The Secretary shall submit to Congress, not later than sixty days after the end of such calendar quarter, a report on—

Report to
Congress.

“(A) his determination as to whether or not each showing, made under paragraph (1) by a State with respect to the calendar quarter, has been found to be satisfactory under such paragraph;

“(B) his review (through onsite surveys and otherwise) under paragraph (2) of the validity of showings previously submitted by a State; and

“(C) any reduction in the Federal medical assistance percentage he has imposed on a State because of its submittal under paragraph (1) of an unsatisfactory or invalid showing.”
